Item 3 File 24-0862	Department: Sheriff’s Department (Sheriff)
--------------------------------------	--

EXECUTIVE SUMMARY

Legislative Objectives

- The proposed resolution would approve a third amendment to the food service contract between the Sheriff’s Department and Aramark, increasing the not-to-exceed amount by \$4,783,723, from \$20,000,000 to \$24,783,723, and exercise the final option to extend the term by 12 months for a total contract term of seven years, from November 1, 2018 through October 31, 2025.

Key Points

- Aramark was selected to provide jail food services based on a competitive solicitation in July 2018. In October 2018, the Board of Supervisors approved a food service contract between the Sheriff’s Department and Aramark for a five-year term from November 1, 2018 through October 31, 2023 and an amount not to exceed \$20 million, with two one-year options to extend the contract (File 18-0906). The Sheriff’s Department approved two amendments to the contract that increased the inmate and staff meal unit prices in response to food price inflation. The contract amount of \$20,000,000 was unchanged for both amendments due to the decrease in the jail population and lower than expected expenditures, and therefore, the amendments did not require Board approval.
- On July 26, 2024, the Board of Supervisors approved the Controller’s certification that food service at the County Jails can be performed by a private contractor at a lower cost than if performed by City employees, pursuant to Proposition J (1976) (File 24-0612).
- Aramark would continue providing three inmate meals and three staff meals daily at the Hall of Justice and San Bruno jail facilities, as well as coffee service and garbage service.

Fiscal Impact

- The proposed third amendment increases the not-to-exceed amount of the contract by \$4,783,723 to a total of \$24,783,723, which includes an approximately 14.6 percent contingency. Meal unit prices increase by four percent in year seven of the contract. Meal costs for the proposed extension year assume a five percent jail and staff population increase over the highest levels in CY 2023 and include a cost inflation factor.
- The contract is funded by the General Fund.

Recommendation

- Approve the proposed resolution.

MANDATE STATEMENT

City Charter Section 9.118(b) states that any contract entered into by a department, board or commission that (1) has a term of more than ten years, (2) requires expenditures of \$10 million or more, or (3) requires a modification of more than \$500,000 is subject to Board of Supervisors approval.

BACKGROUND

Competitive Solicitation Process

In January 2018, the San Francisco Sheriff's Department issued a Request for Proposals (RFP) soliciting vendors to deliver food service at the County Jail facilities for an anticipated term of five years with two options to extend the term for one year each. ARAMARK Correctional Services, LLC (Aramark) was selected to receive funding based on a review by a selection panel.¹ Proposals were evaluated based on project approach (30 points), assigned project staff (15 points), experience and expertise of firm (15 points), vendor presentation and interview (5 points), and financial proposal (35 points) for a total possible score of 100 points. Aramark was one of two vendors² to submit proposals in response to the RFP and received the highest average score of 83.0 out of 100 possible points.

Contract History

In October 2018, the Board of Supervisors approved a food service contract between the Sheriff's Department and Aramark for a five-year term from November 1, 2018 through October 31, 2023 and an amount not to exceed \$20 million, with two one-year options to extend the contract (File 18-0906). In November 2022, the Sheriff's Department approved a first amendment to the contract, modifying the inmate meal prices from a fixed unit price of \$1.615 to a range of \$1.715 to \$2.165 (corresponding to the jail population), increasing the staff meal unit price from \$2.99 to \$3.125, increasing the coffee and garbage services from \$3,900 to \$4,077 per month, and adding a provision for a Contractor Vaccination Policy. The price changes were retroactive to November 2020. According to the Sheriff's Department, the average daily jail population fell because of the pandemic and Aramark was impacted by the supply chain shortage and inflation. ARAMARK requested the change to a variable pricing structure that had higher unit costs as the population decreased. The jail population has fluctuated since the contract was executed, from

¹ The selection panel consisted of a Captain at the Sheriff's Department, a Principal Administrative Analyst at the Juvenile Probation Department, and the Executive Director of a nonprofit that focuses on the procurement of food for public institutions. The panelists reviewed and scored proposals based on the following criteria: project approach, assigned project staff, the experience and expertise of the firm, vendor presentation and interview, and the financial proposal.

² The other vendor was Trinity, which scored 77.0 points out of 100.

1,343, on average, in October 2018, to approximately 750 during the second half of 2020, to 1,119 in August 2024.³

In November 2023, the Sheriff's Department approved a second amendment to the contract, exercising the first one-year option to extend the contract to October 31, 2024. The amendment also increased the inmate meal price from \$1.715 to \$2.185 at an average daily jail population of 1100 to 1199 and increased the inmate meal price from \$1.715 to \$2.115 at an average daily jail population of 1200 to 1299+. The staff meal unit price increased by 7.97 percent from \$3.125 to \$3.374. The coffee and garbage service also increased from \$4,077 to \$4,402. The average unit price for an inmate meal increased by 24.3 percent (from \$1.89 to \$2.35), similar to the inflation for food at the time. Under the contract, either Aramark or the City may request a renegotiation of the unit price per meal up to the amount of the CPI. Aramark provided market analysis of the inflation and supply chain to support the price increases. The contract amount of \$20,000,000 was unchanged for both the first and second amendments due to the decrease in the jail population and lower than expected expenditures, and therefore, the amendments did not require Board approval.

On July 26, 2024, the Board of Supervisors approved the Controller's certification that food service at the County Jails can be performed by a private contractor at a lower cost than if performed by City employees, pursuant to Proposition J (1976) (File 24-0612).

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would approve a third amendment to the food service contract between the Sheriff's Department and Aramark, increasing the not-to-exceed amount by \$4,783,723, from \$20,000,000 to \$24,783,723, and exercise the final option to extend the term by 12 months for a total contract term of seven years, from November 1, 2018 through October 31, 2025.

Services

Under the proposed amendment, Aramark would continue providing three inmate meals and three staff meals daily at the Hall of Justice and San Bruno jail facilities, as well as coffee service and garbage service. The unit prices of an inmate meal at various average daily populations, as well as the staff meal unit price, increased by approximately four percent⁴, while the monthly unit price for garbage service remains the same at \$4,402. The monthly coffee service for staff increased by 95.4 percent from \$4,402 to \$8,602. According to the Sheriff's Department, this is due to the implementation of enhanced coffee services in the jails.

Performance Monitoring

While the contract does not include specific performance measures, it requires Aramark to adhere to specifications that address quality levels, size, grade and other issues when purchasing

all food products and disposable service ware and packaging. Aramark is also required to provide written menus to the Sheriff’s Department at least ten days in advance that meet minimum nutritional and serving requirements and ensure adequate food preparation, quality and presentation, and sanitation standards. Finally, Aramark is required to provide monthly meal count reports that detail actual meals served by location to inmates and staff and all preventative maintenance and repairs performed on equipment, to support monthly invoices.

FISCAL IMPACT

The proposed third amendment increases the not-to-exceed amount of the contract by \$4,783,723 to a total of \$24,783,723, which includes an approximately 14.6 percent contingency. The actual and projected expenditures breakdown from November 1, 2018 to October 31, 2025 are shown in Exhibit 1 below.

3.5 **Submitting False Claims.** The full text of San Francisco Administrative Code Chapter 21, Section 21.35, including the enforcement and penalty provisions, is incorporated into this Agreement. Pursuant to San Francisco Administrative Code §21.35, any contractor or subcontractor who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. A contractor or subcontractor will be deemed to have submitted a false claim to the City if the contractor or subcontractor: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (c) conspires to defraud the City by getting a false claim allowed or paid by the City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

3.6 Payment of Prevailing Wages

3.6.1 **Covered Services.** Services to be performed by Contractor under this Agreement may involve the performance of trade work covered by the provisions of Section 6.22(e) [Prevailing Wages] of the Administrative Code (collectively, "Covered Services"). The provisions of Section 6.22(e) of the Administrative Code are incorporated as provisions of this Agreement as if fully set forth herein and will apply to any Covered Services performed by Contractor and its subcontractors.

3.6.2 **Wage Rates.** The latest prevailing wage rates for private employment on public contracts as determined by the San Francisco Board of Supervisors and the Director of the California Department of Industrial Relations, as such prevailing wage rates may be changed during the term of this Agreement, are hereby incorporated as provisions of this Agreement. Copies of the prevailing wage rates as fixed and determined by the Board of Supervisors are available from the Office of Labor Standards and Enforcement ("OLSE") and are also available on the Internet at <http://www.dir.ca.gov/DLSR/PWD>. Contractor agrees that it shall pay not less than the prevailing wage rates, as fixed and determined by the Board, to all workers employed by Contractor who perform Covered Services under this Agreement. Contractor further agrees as follows:

3.6.3 **Subcontract Requirements.** As required by Section 6.22(e)(5) of the Administrative Code, Contractor shall insert in every subcontract or other arrangement, which it may make for the performance of Covered Services under this Agreement, a provision that said subcontractor shall pay to all persons performing labor in connection with Covered Services under said subcontract or other arrangement not less than the highest general prevailing rate of wages as fixed and determined by the Board of Supervisors for such labor or services.

3.6.4 **Posted Notices.** As required by Section 1771.4 of the California Labor Code, Contractor shall post job site notices prescribed by the California Department of Industrial Relations ("DIR") at all job sites where Covered Services are to be performed.

3.6.5 **Payroll Records.** As required by Section 6.22(e)(6) of the Administrative Code and Section 1776 of the California Labor Code, Contractor shall keep or cause to be kept complete and accurate payroll records for all trade workers performing Covered Services. Such records shall include the name, address and social security number of each worker who provided Covered Services on the project, including apprentices, his or her classification, a general description of the services each worker performed each day, the rate of pay (including rates of contributions for, or costs assumed to provide fringe benefits), daily and weekly number of hours worked, deductions made and actual wages paid. Every subcontractor who shall undertake the performance of any part of Covered Services shall keep a like record of each person engaged in the execution of Covered Services under the subcontract. All such records shall at all times be available for inspection of and examination by the City and its authorized representatives and the DIR.

3.6.6 **Certified Payrolls.** Certified payrolls shall be prepared pursuant to Administrative Code Section 6.22(e)(6) and California Labor Code Section 1776 for the period involved for all employees, including those of subcontractors, who performed labor in connection with Covered Services. Contractor and each subcontractor performing Covered Services shall submit certified payrolls to the City and to the DIR electronically. Contractor shall submit payrolls to the City via the reporting system selected by the City. The DIR will

specify how to submit certified payrolls to it. The City will provide basic training in the use of the reporting system at a scheduled training session. Contractor and all subcontractors that will perform Covered Services must attend the training session. Contractor and applicable subcontractors shall comply with electronic certified payroll requirements (including training) at no additional cost to the City.

3.6.7 Compliance Monitoring. Covered Services to be performed under this Agreement are subject to compliance monitoring and enforcement of prevailing wage requirements by the DIR and /or the OLSE. Contractor and any subcontractors performing Covered Services will cooperate fully with the DIR and/or the OLSE and other City employees and agents authorized to assist in the administration and enforcement of the prevailing wage requirements, and agrees to take the specific steps and actions as required by Section 6.22(e)(7) of the Administrative Code. Steps and actions include but are not limited to requirements that: (A) the Contractor will cooperate fully with the Labor Standards Enforcement Officer and other City employees and agents authorized to assist in the administration and enforcement of the Prevailing Wage requirements and other labor standards imposed on Public Works Contractor by the Charter and Chapter 6 of the San Francisco Administrative Code; (B) the Contractor agrees that the Labor Standards Enforcement Officer and his or her designees, in the performance of their duties, shall have the right to engage in random inspections of job sites and to have access to the employees of the Contractor, employee time sheets, inspection logs, payroll records and employee paychecks; (C) the contractor shall maintain a sign-in and sign-out sheet showing which employees are present on the job site; (D) the Contractor shall prominently post at each job-site a sign informing employees that the project is subject to the City's Prevailing Wage requirements and that these requirements are enforced by the Labor Standards Enforcement Officer; and (E) that the Labor Standards Enforcement Officer may audit such records of the Contractor as he or she reasonably deems necessary to determine compliance with the Prevailing Wage and other labor standards imposed by the Charter and this Chapter on Public Works Contractors. Failure to comply with these requirements may result in penalties and forfeitures consistent with analogous provisions of the California Labor Code, including Section 1776(g), as amended from time to time.

3.6.8 Remedies. Should Contractor, or any subcontractor who shall undertake the performance of any Covered Services, fail or neglect to pay to the persons who perform Covered Services under this Contract, subcontract or other arrangement for the Covered Services, the general prevailing rate of wages as herein specified, Contractor shall forfeit, and in the case of any subcontractor so failing or neglecting to pay said wage, Contractor and the subcontractor shall jointly and severally forfeit, back wages due plus the penalties set forth in Administrative Code Section 6.22 (e) and/or California Labor Code Section 1775. The City, when certifying any payment which may become due under the terms of this Agreement, shall deduct from the amount that would otherwise be due on such payment the amount of said forfeiture.

Article 4 Services and Resources

4.1 Services Contractor Agrees to Perform. Contractor agrees to perform the Services provided for in Appendix A, "Scope of Services." Officers and employees of the City are not authorized to request, and the City is not required to reimburse the Contractor for,

Services beyond the Scope of Services listed in Appendix A, unless Appendix A is modified as provided in Section 11.5, "Modification of this Agreement."

4.2 Qualified Personnel. Contractor shall utilize only competent personnel under the supervision of, and in the employment of, Contractor (or Contractor's authorized subcontractors) to perform the Services. Contractor will comply with City's reasonable requests regarding assignment and/or removal of personnel, but all personnel, including those assigned at City's request, must be supervised by Contractor. Contractor shall commit adequate resources to allow timely completion within the project schedule specified in this Agreement.

4.3 Subcontracting.

4.3.1 Contractor may subcontract portions of the Services only upon prior written approval of City. Contractor is responsible for its subcontractors throughout the course of the work required to perform the Services. All Subcontracts must incorporate the terms of Article 10 "Additional Requirements Incorporated by Reference" of this Agreement, unless inapplicable. Neither Party shall, on the basis of this Agreement, contract on behalf of, or in the name of, the other Party. Any agreement made in violation of this provision shall be null and void.

4.3.2 City's execution of this Agreement constitutes its approval of the subcontractors listed below.

Contractor will not employ subcontractors.

4.4 Independent Contractor; Payment of Employment Taxes and Other Expenses.

4.4.1 **Independent Contractor.** For the purposes of this Article 4, "Contractor" shall be deemed to include not only Contractor, but also any agent or employee of Contractor. Contractor acknowledges and agrees that at all times, Contractor or any agent or employee of Contractor shall be deemed at all times to be an independent contractor and is wholly responsible for the manner in which it performs the services and work requested by City under this Agreement. Contractor, its agents, and employees will not represent or hold themselves out to be employees of the City at any time. Contractor or any agent or employee of Contractor shall not have employee status with City, nor be entitled to participate in any plans, arrangements, or distributions by City pertaining to or in connection with any retirement, health or other benefits that City may offer its employees. Contractor or any agent or employee of Contractor is liable for the acts and omissions of itself, its employees and its agents. Contractor shall be responsible for all obligations and payments, whether imposed by federal, state or local law, including, but not limited to, FICA, income tax withholdings, unemployment compensation, insurance, and other similar responsibilities related to Contractor's performing services and work, or any agent or employee of Contractor providing same. Nothing in this Agreement shall be construed as creating an employment or agency relationship between City and Contractor or any agent or employee of Contractor. Any terms in this Agreement referring to direction from City shall be construed as providing for direction as to policy and the result of Contractor's work only, and not as to the means by which such a result is obtained. City does not retain the right to control the

means or the method by which Contractor performs work under this Agreement. Contractor agrees to maintain and make available to City, upon request and during regular business hours, accurate books and accounting records demonstrating Contractor's compliance with this section. Should City determine that Contractor, or any agent or employee of Contractor, is not performing in accordance with the requirements of this Agreement, City shall provide Contractor with written notice of such failure. Within five (5) business days of Contractor's receipt of such notice, and in accordance with Contractor policy and procedure, Contractor shall remedy the deficiency. Notwithstanding, if City believes that an action of Contractor, or any agent or employee of Contractor, warrants immediate remedial action by Contractor, City shall contact Contractor and provide Contractor in writing with the reason for requesting such immediate action.

4.4.2 Payment of Employment Taxes and Other Expenses. Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Contractor is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Contractor which can be applied against this liability). City shall then forward those amounts to the relevant taxing authority. Should a relevant taxing authority determine a liability for past services performed by Contractor for City, upon notification of such fact by City, Contractor shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Contractor under this Agreement (again, offsetting any amounts already paid by Contractor which can be applied as a credit against such liability). A determination of employment status pursuant to the preceding two paragraphs shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, Contractor shall not be considered an employee of City. Notwithstanding the foregoing, Contractor agrees to indemnify and save harmless City and its officers, agents and employees from, and, if requested, shall defend them against any and all claims, losses, costs, damages, and expenses, including attorneys' fees, arising from this section.

4.5 Assignment. The Services to be performed by Contractor are personal in character and neither this Agreement nor any duties or obligations hereunder may be assigned or delegated by Contractor unless first approved by City by written instrument executed and approved in the same manner as this Agreement. Any purported assignment made in violation of this provision shall be null and void.

4.6 Warranty. Contractor warrants to City that the Services will be performed with the degree of skill and care that is required by current, good and sound professional procedures and practices, and in conformance with generally accepted professional standards prevailing at the time the Services are performed so as to ensure that all Services performed are correct and appropriate for the purposes contemplated in this Agreement.

4.7 Liquidated Damages. By entering into this Agreement, Contractor agrees that if inmate meals are delivered more than thirty (30) minutes late, or not at all (including those cases where the meal must be re-prepared because, based on the good faith judgment of designated SFSD staff, the initial preparation does not meet the quality, composition or portion size standards specified in Appendix A, attached), City will suffer actual damages that will be impractical or extremely difficult to determine; further, Contractor agrees that a per-meal charge (\$1.615 (one dollar and sixty-one and a half cents)/per-meal) multiplied by the number of meals

affected may be deducted from any money due to Contractor, following notice and a reasonable cure period, and that this is not a penalty, but is a reasonable estimate of the loss that City will incur based on the delay or failure to perform, established in light of the circumstances existing at the time this contract was awarded. City may deduct this sum as liquidated damages. Such deductions shall not be considered a penalty, but rather agreed upon monetary damages sustained by City because of Contractor's failure to furnish deliverables to City within the time fixed. Notwithstanding the foregoing, Contractor shall not be liable for any liquidated damages if the late delivery or failure to deliver inmate meals is not due solely to Contractor's failure to meet its obligations under the contract for reasons within Contractor's control.

Article 5 Insurance and Indemnity

5.1 Insurance.

5.1.1 Required Coverages. Without in any way limiting Contractor's liability pursuant to the "Indemnification" section of this Agreement, Contractor must maintain in force, during the full term of the Agreement, insurance in the following amounts and coverages:

(a) Workers' Compensation, in statutory amounts, with Employers' Liability Limits of \$1,000,000 each accident, injury, or illness; and

(b) Commercial General Liability Insurance with limits of \$5,000,000 each occurrence and \$10,000,000 general aggregate for Bodily Injury and Property Damage, including Contractual Liability, Personal Injury, Food Product Liability; Products and Completed Operations; and

(c) Commercial Automobile Liability Insurance with limits of \$1,000,000 each occurrence, "Combined Single Limit" for Bodily Injury and Property Damage, including Owned, Non-Owned and Hired auto coverage, as applicable.

(d) Contractor shall maintain in force during the full life of the agreement Cyber and Privacy Insurance with limits of \$1,000,000 per occurrence. Such insurance shall include coverage for liability arising from theft, dissemination, and/or use of confidential information, including but not limited to, bank and credit card account information or personal information, such as name, address, social security numbers, protected health information or other personally identifying information, stored or transmitted in electronic form.

5.1.2 Commercial General Liability and Commercial Automobile Liability Insurance policies must be endorsed to provide:

(a) Name as Additional Insured the City and County of San Francisco, its Officers, and Employees.

(b) That such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit is brought.

5.1.3 Contractor shall provide thirty (30) days' advance written notice to the City of cancellation, intended non-renewal, or reduction in coverages, except for non-payment for which no less than ten (10) days' notice shall be provided to City. Notices shall be sent to the City address set forth in Section 11.1 entitled "Notices to the Parties."

5.1.4 Should any of the required insurance be provided under a claims-made form, Contractor shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three years beyond the expiration of this Agreement, to the effect that, should occurrences during the contract term give rise to claims made after expiration of the Agreement, such claims shall be covered by such claims-made policies.

5.1.5 Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

5.1.6 Should any required insurance lapse during the term of this Agreement, requests for payments originating after such lapse shall not be processed until the City receives satisfactory evidence of reinstated coverage as required by this Agreement, effective as of the lapse date. If insurance is not reinstated, the City may, at its sole option, terminate this Agreement effective on the date of such lapse of insurance.

5.1.7 Before commencing any Services, Contractor shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Approval of the insurance by City shall not relieve or decrease Contractor's liability hereunder.

5.1.8 Any insurance coverage (additional insured or otherwise) that Contractor provides for the Additional Insureds shall only cover insured liability assumed by Contractor in this Agreement; such insurance coverage shall not otherwise cover liability in connection with or arising out of the wrongful or negligent acts or omissions of the Additional Insureds.

5.1.9 The Workers' Compensation policy(ies) shall be endorsed with a waiver of subrogation in favor of the City for all work performed by the Contractor, its employees, agents and subcontractors.

5.2 **Indemnification.** Contractor shall indemnify and hold harmless City and its officers, agents and employees from, and, if requested, shall defend them from and against any and all claims, demands, losses, damages, costs, expenses, and liability (legal, contractual, or otherwise) arising from or in any way connected with any: (i) injury to or death of a person, including employees of City or Contractor; (ii) loss of or damage to property; (iii) violation of local, state, or federal common law, statute or regulation, including but not limited to privacy or personally identifiable information, health information, disability and labor laws or regulations; (iv) strict liability imposed by any law or regulation; or (v) losses arising from Contractor's execution of subcontracts not in accordance with the requirements of this Agreement applicable to subcontractors; so long as such injury, violation, loss, or strict liability (as set forth in

subsections (i) – (v) above) arises directly or indirectly from Contractor’s performance of this Agreement, including, but not limited to, Contractor’s use of facilities or equipment provided by City or others, regardless of the negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on City, except to the extent that such indemnity is void or otherwise unenforceable under applicable law, and except where such loss, damage, injury, liability or claim is the result of the active negligence or willful misconduct of City and is not contributed to by any act of, or by any omission to perform some duty imposed by law or agreement on Contractor, its subcontractors, or either’s agent or employee. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City’s costs of investigating any claims against the City.

In addition to Contractor’s obligation to indemnify City, Contractor specifically acknowledges and agrees that it has an immediate and independent obligation to defend City from any claim which actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such claim is tendered to Contractor by City and continues at all times thereafter.

Contractor shall indemnify and hold City harmless from all loss and liability, including attorneys’ fees, court costs and all other litigation expenses for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark, and all other intellectual property claims of any person or persons arising directly or indirectly from the receipt by City, or any of its officers or agents, of Contractor's Services.

Article 6 Liability of the Parties

6.1 Liability of City. CITY’S PAYMENT OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE PAYMENT OF THE COMPENSATION PROVIDED FOR IN SECTION 3.3.1, “PAYMENT,” OF THIS AGREEMENT. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES PERFORMED IN CONNECTION WITH THIS AGREEMENT.

6.2 Liability for Use of Equipment. City shall not be liable for any damage to persons or property as a result of the use, misuse or failure of any equipment used by Contractor, or any of its subcontractors, or by any of their employees, even though such equipment is furnished, rented or loaned by City.

6.3 Liability for Incidental and Consequential Damages. Notwithstanding any other provision of this agreement, Contractor shall not be responsible for incidental and consequential damages resulting in whole or in part from Contractor’s acts or omissions. However, Contractor shall be liable for incidental and consequential damages resulting from (1) damages caused by Contractor’s gross negligence, reckless conduct or willful acts or omissions, (2) claims or damages that fall within the insurance coverage of this agreement, (3) statutory damages specified in this agreement, (4) Contractor’s obligation to indemnify and defend City

for intellectual property infringement, (5) Contractor's warranties under this agreement, (6) wrongful death caused by Contractor, (7) punitive or treble damages, and (8) damages caused by Contractor's default or breach of the agreement.

Article 7 Payment of Taxes

7.1 Except for any applicable California sales and use taxes charged by Contractor to City, Contractor shall pay all taxes, including possessory interest taxes levied upon or as a result of this Agreement, or the Services delivered pursuant hereto. Contractor shall remit to the State of California any sales or use taxes paid by City to Contractor under this Agreement. Contractor agrees to promptly provide information requested by the City to verify Contractor's compliance with any State requirements for reporting sales and use tax paid by City under this Agreement.

7.2 Contractor acknowledges that this Agreement may create a "possessory interest" for property tax purposes. Generally, such a possessory interest is not created unless the Agreement entitles the Contractor to possession, occupancy, or use of City property for private gain. If such a possessory interest is created, then the following shall apply:

7.2.1 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that Contractor, and any permitted successors and assigns, may be subject to real property tax assessments on the possessory interest.

7.2.2 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that the creation, extension, renewal, or assignment of this Agreement may result in a "change in ownership" for purposes of real property taxes, and therefore may result in a revaluation of any possessory interest created by this Agreement. Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report on behalf of the City to the County Assessor the information required by Revenue and Taxation Code section 480.5, as amended from time to time, and any successor provision.

7.2.3 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that other events also may cause a change of ownership of the possessory interest and result in the revaluation of the possessory interest. (see, e.g., Rev. & Tax. Code section 64, as amended from time to time). Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report any change in ownership to the County Assessor, the State Board of Equalization or other public agency as required by law.

7.2.4 Contractor further agrees to provide such other information as may be requested by the City to enable the City to comply with any reporting requirements for possessory interests that are imposed by applicable law.

Article 8 Termination and Default

8.1 Termination for Convenience

8.1.1 Contractor shall have the option, in its sole discretion, to terminate this Agreement, upon 180 days prior written notice to City, for convenience and without cause. The notice shall specify the date on which termination shall become effective. City shall have the option, in its sole discretion, to terminate this Agreement, at any time during the term hereof, for

convenience and without cause. City shall exercise this option by giving Contractor written notice of termination. The notice shall specify the date on which termination shall become effective.

8.1.2 Upon receipt of the notice of termination, Contractor shall commence and perform, with diligence, all actions necessary on the part of Contractor to effect the termination of this Agreement on the date specified by City and to minimize the liability of Contractor and City to third parties as a result of termination. All such actions shall be subject to the prior approval of City. Such actions shall include, without limitation:

- (a) Halting the performance of all Services under this Agreement on the date(s) and in the manner specified by City.
- (b) Terminating all existing orders and subcontracts.
- (c) Not placing any further orders or subcontracts for materials, Services, equipment or other items.
- (d) At City's direction, assigning to City any or all of Contractor's right, title, and interest under the orders and subcontracts terminated. Upon such assignment, City shall have the right, in its sole discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts.
- (e) Subject to City's approval, settling all outstanding liabilities and all claims arising out of the termination of orders and subcontracts.
- (f) Completing performance of any Services that City designates to be completed prior to the date of termination specified by City.
- (g) Taking such action as may be necessary, or as the City may direct, for the protection and preservation of any property related to this Agreement which is in the possession of Contractor and in which City has or may acquire an interest.

8.1.3 Within 30 days after the specified termination date, Contractor shall submit to City an invoice, which shall set forth each of the following as a separate line item:

- (a) The reasonable cost to Contractor, without profit, for all Services prior to the specified termination date, for which Services City has not already tendered payment. Reasonable costs may include a reasonable allowance for actual overhead, not to exceed a total of 10% of Contractor's direct costs for Services. Any overhead allowance shall be separately itemized. Contractor may also recover the reasonable cost of preparing the invoice.
- (b) A reasonable allowance for profit on the cost of the Services described in the immediately preceding subsection (a), provided that Contractor can establish, to the satisfaction of City, that Contractor would have made a profit had all Services under this Agreement been completed, and provided further, that the profit allowed shall in no event exceed 5% of such cost.
- (c) The reasonable cost to Contractor of handling material or equipment returned to the vendor, delivered to the City or otherwise disposed of as directed by the City.

(d) A deduction for the cost of materials to be retained by Contractor, amounts realized from the sale of materials and not otherwise recovered by or credited to City, and any other appropriate credits to City against the cost of the Services or other work.

8.1.4 In no event shall City be liable for costs incurred by Contractor or any of its subcontractors after the termination date specified by City, except for those costs specifically enumerated and described in Section 8.1.3. Such non-recoverable costs include, but are not limited to, anticipated profits on the Services under this Agreement, post-termination employee salaries, post-termination administrative expenses, post-termination overhead or unabsorbed overhead, attorneys' fees or other costs relating to the prosecution of a claim or lawsuit, prejudgment interest, or any other expense which is not reasonable or authorized under Section 8.1.3.

8.1.5 In arriving at the amount due to Contractor under this Section, City may deduct: (i) all payments previously made by City for Services covered by Contractor's final invoice; (ii) any claim which City may have against Contractor in connection with this Agreement; (iii) any invoiced costs or expenses excluded pursuant to the immediately preceding subsection 8.1.4; and (iv) in instances in which, in the opinion of the City, the cost of any Service performed under this Agreement is excessively high due to costs incurred to remedy or replace defective or rejected Services, the difference between the invoiced amount and City's estimate of the reasonable cost of performing the invoiced Services in compliance with the requirements of this Agreement.

8.1.6 City's payment obligation under this Section shall survive termination of this Agreement.

8.2 Termination for Default; Remedies.

8.2.1 Each of the following shall constitute an immediate event of default ("Event of Default") under this Agreement:

(a) Contractor fails or refuses to perform or observe any term, covenant or condition contained in any of the following Sections of this Agreement:

3.5	Submitting False Claims.	10.10	Alcohol and Drug-Free Workplace
4.5	Assignment	10.13	Working with Minors
Article 5	Insurance and Indemnity	11.10	Compliance with Laws
Article 7	Payment of Taxes	13.1	Nondisclosure of Private, Proprietary or Confidential Information

(b) Contractor fails or refuses to perform or observe any other term, covenant or condition contained in this Agreement, including any obligation imposed by ordinance or statute and incorporated by reference herein, and such default continues for a period of ten days after written notice thereof from City to Contractor.

(c) Contractor (i) is generally not paying its debts as they become due; (ii) files, or consents by answer or otherwise to the filing against it of a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take

advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction; (iii) makes an assignment for the benefit of its creditors; (iv) consents to the appointment of a custodian, receiver, trustee or other officer with similar powers of Contractor or of any substantial part of Contractor's property; or (v) takes action for the purpose of any of the foregoing.

(d) A court or government authority enters an order (i) appointing a custodian, receiver, trustee or other officer with similar powers with respect to Contractor or with respect to any substantial part of Contractor's property, (ii) constituting an order for relief or approving a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction or (iii) ordering the dissolution, winding-up or liquidation of Contractor.

8.2.2 On and after any Event of Default, City shall have the right to exercise its legal and equitable remedies, including, without limitation, the right to terminate this Agreement or to seek specific performance of all or any part of this Agreement. In addition, where applicable, City shall have the right (but no obligation) to cure (or cause to be cured) on behalf of Contractor any Event of Default; Contractor shall pay to City on demand all costs and expenses incurred by City in effecting such cure, with interest thereon from the date of incurrence at the maximum rate then permitted by law. City shall have the right to offset from any amounts due to Contractor under this Agreement or any other agreement between City and Contractor: (i) all damages, losses, costs or expenses incurred by City as a result of an Event of Default; and (ii) any liquidated damages levied upon Contractor pursuant to the terms of this Agreement; and (iii), any damages imposed by any ordinance or statute that is incorporated into this Agreement by reference, or into any other agreement with the City.

8.2.3 All remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules and regulations. The exercise of any remedy shall not preclude or in any way be deemed to waive any other remedy. Nothing in this Agreement shall constitute a waiver or limitation of any rights that City may have under applicable law.

8.2.4 Any notice of default must be sent by registered mail to the address set forth in Article 11.

8.3 **Non-Waiver of Rights.** The omission by either party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants, or provisions hereof by the other party at the time designated, shall not be a waiver of any such default or right to which the party is entitled, nor shall it in any way affect the right of the party to enforce such provisions thereafter.

8.4 Rights and Duties upon Termination or Expiration.

8.4.1 This Section and the following Sections of this Agreement listed below, shall survive termination or expiration of this Agreement:

3.3.2	Payment Limited to Satisfactory Services	9.1	Ownership of Results

Contractor shall transfer title to City, and deliver in the manner, at the times, and to the extent, if any, directed by City, any work in progress, completed work, supplies, equipment, and other materials produced as a part of, or acquired in connection with the performance of this Agreement, and any completed or partially completed work which, if this Agreement had been completed, would have been required to be furnished to City.

Article 9 Rights In Deliverables

9.1 **Ownership of Results.** Any interest of Contractor or its subcontractors, in the Deliverables, including any drawings, plans, specifications, blueprints, studies, reports, memoranda, computation sheets, computer files and media or other documents prepared by Contractor or its subcontractors for the purposes of this agreement, shall become the property of and will be transmitted to City. However, unless expressly prohibited elsewhere in this Agreement, Contractor may retain and use copies for reference and as documentation of its experience and capabilities.

Appendix A details qualifying criteria by level for each of the value categories.

Meet the Baseline in Five Value Categories and Earn 1 Star (5-9 Points)

LOCAL ECONOMIES: Earn 1 Point

- ✓ 1 Point Level 1
 - 15% of all purchases are Level 1 Local Economies

ENVIRONMENTAL SUSTAINABILITY: Earn 1 Point

- ✓ 1 Point Level 1 – Choose One:
 - 15% of all purchases are Level 1 Environmentally Sustainable OR
 - Reduce carbon footprint and water footprint of meat, poultry, and cheese purchases by at least 4% per meal served from baseline year AND perform a food waste audit and implement at least two source reduction strategies that address most wasted food items identified in audit.

⁹ Greater credit is given for full supply chain participation at Level 3. An institution receives 3 points for every 5% increment of product sourced from Level 3 farms, and 3 points for every 15% increment of product sourced from Level 3 processors or distributors (percentages determined related to availability of Level 3 product in sectors of the supply chain). Points are weighted as follows:

- 100% credit if source farm, AND processor or shipper, AND distributor meet Level 3 criteria.
- 66% credit if two of three companies meet Level 3 criteria.
- 33% credit if one of three companies meets Level 3 criteria.

¹⁰ Criteria used to identify voluntary third party certification programs at Level 3 include: adherence to all ILO Fundamental Principles and Rights at Work; a fair wage that at a minimum reaches the prevailing industry wage and charts progress toward a living wage; safe and healthy workplaces for workers; inclusion of independent worker organizations at all stages of standard-setting, monitoring and enforcement, and remediation; a confidential complaint reporting and resolution mechanism with a strictly enforced no-retaliation policy; mandatory worker rights training on the clock, implemented with independent worker organization; regular announced and unannounced audits by well-trained auditors that include secure interviews with a broad swath of workers, and findings that are made available to workers; and a focus on enforcement, with binding legal agreements that ensure real consequence for non-compliance and clear, time-bound plans to remedy violations. If the Center determines that a supplier is not compliant with the standards established by the third-party certification program, the supplier will not receive credit for their participation in the certification program.

¹² Unions cannot be controlled or backed by government or the employer

¹³ As defined by United States Federation of Worker Cooperatives: Worker cooperatives are business entities that are owned and controlled by their members, the people who work in them. All cooperatives operate in accordance with the Cooperative Principles and Values. The two central characteristics of worker cooperatives are: (1) worker-members invest in and own the business together, and it distributes surplus to them and (2) decision-making is democratic, adhering to the general principle of one member-one vote.

¹⁵ USDA Certified Organic will qualify for Level 2 if proposed animal welfare requirements are adopted.

¹⁶ AHA cage-free standards were excluded because AHA's points-based system allows egg facilities to pass an audit (at 85%) without meeting a number of basic welfare standards.

¹⁷ USDA Certified Organic will qualify for Level 2 if proposed animal welfare requirements are adopted.

¹⁸ Because American Humane Certified does not have a set of "Core Criteria" that all certified producers must meet, full audit results must be submitted to the Center to verify that the farm meets all Core Criteria for a product to meet Level 2.

¹⁹ USDA Certified Organic will qualify for Level 2 if proposed animal welfare requirements are adopted.

²⁰ GAP Step 1 may be added to Level 1 upon the adoption of requirements for enrichments and for slower-growing chicken strains at Step 1.

²¹ Certified Humane Free Range, despite being pasture-based, is in Level 2 because unlike those in Level 3, it does not require slower-growth genetics.

²² USDA Certified Organic will qualify for Level 2 if proposed animal welfare requirements are adopted.

²³ USDA Certified Organic will qualify for Level 2 if proposed animal welfare requirements are adopted.

3.1 **Certification of Funds; Budget and Fiscal Provisions; Termination in the Event of Non-Appropriation.** This Agreement is subject to the budget and fiscal provisions of the City's Charter. Charges will accrue only after prior written authorization certified by the Controller, and the amount of City's obligation hereunder shall not at any time exceed the amount certified for the purpose and period stated in such advance authorization. This Agreement will terminate without penalty, liability or expense of any kind to City at the end of any fiscal year if funds are not appropriated for the next succeeding fiscal year. If funds are appropriated for a portion of the fiscal year, this Agreement will terminate, without penalty, liability or expense of any kind at the end of the term for which funds are appropriated. City has no obligation to make appropriations for this Agreement in lieu of appropriations for new or other agreements. City budget decisions are subject to the discretion of the Mayor and the Board of Supervisors. Contractor's assumption of risk of possible non-appropriation is part of the consideration for this Agreement.

THIS SECTION CONTROLS AGAINST ANY AND ALL OTHER PROVISIONS OF THIS AGREEMENT.

3.2 Guaranteed Maximum Costs. The City's payment obligation to Contractor cannot at any time exceed the amount certified by City's Controller for the purpose and period stated in such certification. Absent an authorized Emergency per the City Charter or applicable Code, no City representative is authorized to offer or promise, nor is the City required to honor, any offered or promised payments to Contractor under this Agreement in excess of the certified maximum amount without the Controller having first certified the additional promised amount and the Parties having modified this Agreement as provided in Section 11.5, "Modification of this Agreement."

3.3 Compensation.

3.3.1 Payment. Contractor shall provide an invoice to the City on a monthly basis for Services completed in the immediate preceding month, unless a different schedule is set out in Appendix B, "Calculation of Charges." Compensation shall be made for Services identified in the invoice that the Sheriff, in his or her sole discretion, concludes has been satisfactorily performed. Payment shall be made within 30 calendar days of receipt of the invoice, unless the City notifies the Contractor that a dispute as to the invoice exists. In no event shall the amount of this Agreement exceed Twenty Million Dollars (\$20,000,000). The breakdown of charges associated with this Agreement appears in Appendix B, "Calculation of Charges," attached hereto and incorporated by reference as though fully set forth herein. A portion of payment may be withheld until conclusion of the Agreement if agreed to both parties as retainage, described in Appendix B. In no event shall City be liable for interest or late charges for any late payments.

3.3.2 Payment Limited to Satisfactory Services. Contractor is not entitled to any payments from City until the Sheriff's Department approves Services, including any furnished Deliverables, as satisfying all of the requirements of this Agreement. Payments to Contractor by City shall not excuse Contractor from its obligation to replace unsatisfactory Deliverables, including equipment, components, materials, or Services even if the unsatisfactory character of such Deliverables, equipment, components, materials, or Services may not have been apparent or detected at the time such payment was made. Deliverables, equipment, components, materials and Services that do not conform to the requirements of this Agreement may be rejected by City and in such case must be replaced by Contractor without delay at no cost to the City.

3.3.3 Withhold Payments. If Contractor fails to provide Services in accordance with Contractor's obligations under this Agreement, the City may withhold any and all payments due Contractor until such failure to perform is cured, and Contractor shall not stop work as a result of City's withholding of payments as provided herein.

3.3.4 Invoice Format. Invoices furnished by Contractor under this Agreement must be in a form acceptable to the Controller and City, and must include a unique invoice number. Payment shall be made by City as specified in 3.3.6, " or in such alternate manner as the Parties have mutually agreed upon in writing.

3.3.5 Reserved. (LBE Payment and Utilization Tracking System.)

3.3.6 Getting paid for goods and/or services from the City.

(a) All City vendors receiving new contracts, contract renewals, or contract extensions must sign up to receive electronic payments through the City's Automated Clearing House (ACH) payments service/provider. Electronic payments are processed every business day and are safe and secure. To sign up for electronic payments, visit www.sfgov.org/ach.

(b) The following information is required to sign up: (i) The enroller must be their company's authorized financial representative, (ii) the company's legal name, main telephone number and all physical and remittance addresses used by the company, (iii) the company's U.S. federal employer identification number (EIN) or Social Security number (if they are a sole proprietor), and (iv) the company's bank account information, including routing and account numbers.

3.4 **Audit and Inspection of Records.** Contractor agrees to maintain and make available to the City, during regular business hours, accurate books and accounting records relating to its Services. Contractor will permit City to audit, examine and make excerpts and transcripts from such books and records, and to make audits of all invoices, materials, payrolls, records or personnel and other data related to all other matters covered by this Agreement, whether funded in whole or in part under this Agreement. Contractor shall maintain such data and records in an accessible location and condition for a period of not fewer than five years after final payment under this Agreement or until after final audit has been resolved, whichever is later. The State of California or any Federal agency having an interest in the subject matter of this Agreement shall have the same rights as conferred upon City by this Section. Contractor shall include the same audit and inspection rights and record retention requirements in all subcontracts.

3.5 **Submitting False Claims.** The full text of San Francisco Administrative Code Chapter 21, Section 21.35, including the enforcement and penalty provisions, is incorporated into this Agreement. Pursuant to San Francisco Administrative Code §21.35, any contractor or subcontractor who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. A contractor or subcontractor will be deemed to have submitted a false claim to the City if the contractor or subcontractor: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (c) conspires to defraud the City by getting a false claim allowed or paid by the City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

3.6 Payment of Prevailing Wages

3.6.1 **Covered Services.** Services to be performed by Contractor under this Agreement may involve the performance of trade work covered by the provisions of Section 6.22(e) [Prevailing Wages] of the Administrative Code (collectively, "Covered Services"). The provisions of Section 6.22(e) of the Administrative Code are incorporated as provisions of this Agreement as if fully set forth herein and will apply to any Covered Services performed by Contractor and its subcontractors.

3.6.2 **Wage Rates.** The latest prevailing wage rates for private employment on public contracts as determined by the San Francisco Board of Supervisors and the Director of the California Department of Industrial Relations, as such prevailing wage rates may be changed during the term of this Agreement, are hereby incorporated as provisions of this Agreement. Copies of the prevailing wage rates as fixed and determined by the Board of Supervisors are available from the Office of Labor Standards and Enforcement ("OLSE") and are also available on the Internet at <http://www.dir.ca.gov/DLSR/PWD>. Contractor agrees that it shall pay not less than the prevailing wage rates, as fixed and determined by the Board, to all workers employed by Contractor who perform Covered Services under this Agreement. Contractor further agrees as follows:

3.6.3 **Subcontract Requirements.** As required by Section 6.22(e)(5) of the Administrative Code, Contractor shall insert in every subcontract or other arrangement, which it may make for the performance of Covered Services under this Agreement, a provision that said subcontractor shall pay to all persons performing labor in connection with Covered Services under said subcontract or other arrangement not less than the highest general prevailing rate of wages as fixed and determined by the Board of Supervisors for such labor or services.

3.6.4 **Posted Notices.** As required by Section 1771.4 of the California Labor Code, Contractor shall post job site notices prescribed by the California Department of Industrial Relations ("DIR") at all job sites where Covered Services are to be performed.

3.6.5 **Payroll Records.** As required by Section 6.22(e)(6) of the Administrative Code and Section 1776 of the California Labor Code, Contractor shall keep or cause to be kept complete and accurate payroll records for all trade workers performing Covered Services. Such records shall include the name, address and social security number of each worker who provided Covered Services on the project, including apprentices, his or her classification, a general description of the services each worker performed each day, the rate of pay (including rates of contributions for, or costs assumed to provide fringe benefits), daily and weekly number of hours worked, deductions made and actual wages paid. Every subcontractor who shall undertake the performance of any part of Covered Services shall keep a like record of each person engaged in the execution of Covered Services under the subcontract. All such records shall at all times be available for inspection of and examination by the City and its authorized representatives and the DIR.

3.6.6 **Certified Payrolls.** Certified payrolls shall be prepared pursuant to Administrative Code Section 6.22(e)(6) and California Labor Code Section 1776 for the period involved for all employees, including those of subcontractors, who performed labor in connection with Covered Services. Contractor and each subcontractor performing Covered Services shall submit certified payrolls to the City and to the DIR electronically. Contractor shall submit payrolls to the City via the reporting system selected by the City. The DIR will

specify how to submit certified payrolls to it. The City will provide basic training in the use of the reporting system at a scheduled training session. Contractor and all subcontractors that will perform Covered Services must attend the training session. Contractor and applicable subcontractors shall comply with electronic certified payroll requirements (including training) at no additional cost to the City.

3.6.7 Compliance Monitoring. Covered Services to be performed under this Agreement are subject to compliance monitoring and enforcement of prevailing wage requirements by the DIR and /or the OLSE. Contractor and any subcontractors performing Covered Services will cooperate fully with the DIR and/or the OLSE and other City employees and agents authorized to assist in the administration and enforcement of the prevailing wage requirements, and agrees to take the specific steps and actions as required by Section 6.22(e)(7) of the Administrative Code. Steps and actions include but are not limited to requirements that: (A) the Contractor will cooperate fully with the Labor Standards Enforcement Officer and other City employees and agents authorized to assist in the administration and enforcement of the Prevailing Wage requirements and other labor standards imposed on Public Works Contractor by the Charter and Chapter 6 of the San Francisco Administrative Code; (B) the Contractor agrees that the Labor Standards Enforcement Officer and his or her designees, in the performance of their duties, shall have the right to engage in random inspections of job sites and to have access to the employees of the Contractor, employee time sheets, inspection logs, payroll records and employee paychecks; (C) the contractor shall maintain a sign-in and sign-out sheet showing which employees are present on the job site; (D) the Contractor shall prominently post at each job-site a sign informing employees that the project is subject to the City's Prevailing Wage requirements and that these requirements are enforced by the Labor Standards Enforcement Officer; and (E) that the Labor Standards Enforcement Officer may audit such records of the Contractor as he or she reasonably deems necessary to determine compliance with the Prevailing Wage and other labor standards imposed by the Charter and this Chapter on Public Works Contractors. Failure to comply with these requirements may result in penalties and forfeitures consistent with analogous provisions of the California Labor Code, including Section 1776(g), as amended from time to time.

3.6.8 Remedies. Should Contractor, or any subcontractor who shall undertake the performance of any Covered Services, fail or neglect to pay to the persons who perform Covered Services under this Contract, subcontract or other arrangement for the Covered Services, the general prevailing rate of wages as herein specified, Contractor shall forfeit, and in the case of any subcontractor so failing or neglecting to pay said wage, Contractor and the subcontractor shall jointly and severally forfeit, back wages due plus the penalties set forth in Administrative Code Section 6.22 (e) and/or California Labor Code Section 1775. The City, when certifying any payment which may become due under the terms of this Agreement, shall deduct from the amount that would otherwise be due on such payment the amount of said forfeiture.

Article 4 Services and Resources

4.1 Services Contractor Agrees to Perform. Contractor agrees to perform the Services provided for in Appendix A, "Scope of Services." Officers and employees of the City are not authorized to request, and the City is not required to reimburse the Contractor for,

Services beyond the Scope of Services listed in Appendix A, unless Appendix A is modified as provided in Section 11.5, "Modification of this Agreement."

4.2 Qualified Personnel. Contractor shall utilize only competent personnel under the supervision of, and in the employment of, Contractor (or Contractor's authorized subcontractors) to perform the Services. Contractor will comply with City's reasonable requests regarding assignment and/or removal of personnel, but all personnel, including those assigned at City's request, must be supervised by Contractor. Contractor shall commit adequate resources to allow timely completion within the project schedule specified in this Agreement.

4.3 Subcontracting.

4.3.1 Contractor may subcontract portions of the Services only upon prior written approval of City. Contractor is responsible for its subcontractors throughout the course of the work required to perform the Services. All Subcontracts must incorporate the terms of Article 10 "Additional Requirements Incorporated by Reference" of this Agreement, unless inapplicable. Neither Party shall, on the basis of this Agreement, contract on behalf of, or in the name of, the other Party. Any agreement made in violation of this provision shall be null and void.

4.3.2 City's execution of this Agreement constitutes its approval of the subcontractors listed below.

Contractor will not employ subcontractors.

4.4 Independent Contractor; Payment of Employment Taxes and Other Expenses.

4.4.1 **Independent Contractor.** For the purposes of this Article 4, "Contractor" shall be deemed to include not only Contractor, but also any agent or employee of Contractor. Contractor acknowledges and agrees that at all times, Contractor or any agent or employee of Contractor shall be deemed at all times to be an independent contractor and is wholly responsible for the manner in which it performs the services and work requested by City under this Agreement. Contractor, its agents, and employees will not represent or hold themselves out to be employees of the City at any time. Contractor or any agent or employee of Contractor shall not have employee status with City, nor be entitled to participate in any plans, arrangements, or distributions by City pertaining to or in connection with any retirement, health or other benefits that City may offer its employees. Contractor or any agent or employee of Contractor is liable for the acts and omissions of itself, its employees and its agents. Contractor shall be responsible for all obligations and payments, whether imposed by federal, state or local law, including, but not limited to, FICA, income tax withholdings, unemployment compensation, insurance, and other similar responsibilities related to Contractor's performing services and work, or any agent or employee of Contractor providing same. Nothing in this Agreement shall be construed as creating an employment or agency relationship between City and Contractor or any agent or employee of Contractor. Any terms in this Agreement referring to direction from City shall be construed as providing for direction as to policy and the result of Contractor's work only, and not as to the means by which such a result is obtained. City does not retain the right to control the

means or the method by which Contractor performs work under this Agreement. Contractor agrees to maintain and make available to City, upon request and during regular business hours, accurate books and accounting records demonstrating Contractor's compliance with this section. Should City determine that Contractor, or any agent or employee of Contractor, is not performing in accordance with the requirements of this Agreement, City shall provide Contractor with written notice of such failure. Within five (5) business days of Contractor's receipt of such notice, and in accordance with Contractor policy and procedure, Contractor shall remedy the deficiency. Notwithstanding, if City believes that an action of Contractor, or any agent or employee of Contractor, warrants immediate remedial action by Contractor, City shall contact Contractor and provide Contractor in writing with the reason for requesting such immediate action.

4.4.2 Payment of Employment Taxes and Other Expenses. Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Contractor is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Contractor which can be applied against this liability). City shall then forward those amounts to the relevant taxing authority. Should a relevant taxing authority determine a liability for past services performed by Contractor for City, upon notification of such fact by City, Contractor shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Contractor under this Agreement (again, offsetting any amounts already paid by Contractor which can be applied as a credit against such liability). A determination of employment status pursuant to the preceding two paragraphs shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, Contractor shall not be considered an employee of City. Notwithstanding the foregoing, Contractor agrees to indemnify and save harmless City and its officers, agents and employees from, and, if requested, shall defend them against any and all claims, losses, costs, damages, and expenses, including attorneys' fees, arising from this section.

4.5 Assignment. The Services to be performed by Contractor are personal in character and neither this Agreement nor any duties or obligations hereunder may be assigned or delegated by Contractor unless first approved by City by written instrument executed and approved in the same manner as this Agreement. Any purported assignment made in violation of this provision shall be null and void.

4.6 Warranty. Contractor warrants to City that the Services will be performed with the degree of skill and care that is required by current, good and sound professional procedures and practices, and in conformance with generally accepted professional standards prevailing at the time the Services are performed so as to ensure that all Services performed are correct and appropriate for the purposes contemplated in this Agreement.

4.7 Liquidated Damages. By entering into this Agreement, Contractor agrees that if inmate meals are delivered more than thirty (30) minutes late, or not at all (including those cases where the meal must be re-prepared because, based on the good faith judgment of designated SFSD staff, the initial preparation does not meet the quality, composition or portion size standards specified in Appendix A, attached), City will suffer actual damages that will be impractical or extremely difficult to determine; further, Contractor agrees that a per-meal charge (\$1.615 (one dollar and sixty-one and a half cents)/per-meal) multiplied by the number of meals

affected may be deducted from any money due to Contractor, following notice and a reasonable cure period, and that this is not a penalty, but is a reasonable estimate of the loss that City will incur based on the delay or failure to perform, established in light of the circumstances existing at the time this contract was awarded. City may deduct this sum as liquidated damages. Such deductions shall not be considered a penalty, but rather agreed upon monetary damages sustained by City because of Contractor's failure to furnish deliverables to City within the time fixed. Notwithstanding the foregoing, Contractor shall not be liable for any liquidated damages if the late delivery or failure to deliver inmate meals is not due solely to Contractor's failure to meet its obligations under the contract for reasons within Contractor's control.

Article 5 Insurance and Indemnity

5.1 Insurance.

5.1.1 Required Coverages. Without in any way limiting Contractor's liability pursuant to the "Indemnification" section of this Agreement, Contractor must maintain in force, during the full term of the Agreement, insurance in the following amounts and coverages:

(a) Workers' Compensation, in statutory amounts, with Employers' Liability Limits of \$1,000,000 each accident, injury, or illness; and

(b) Commercial General Liability Insurance with limits of \$5,000,000 each occurrence and \$10,000,000 general aggregate for Bodily Injury and Property Damage, including Contractual Liability, Personal Injury, Food Product Liability; Products and Completed Operations; and

(c) Commercial Automobile Liability Insurance with limits of \$1,000,000 each occurrence, "Combined Single Limit" for Bodily Injury and Property Damage, including Owned, Non-Owned and Hired auto coverage, as applicable.

(d) Contractor shall maintain in force during the full life of the agreement Cyber and Privacy Insurance with limits of \$1,000,000 per occurrence. Such insurance shall include coverage for liability arising from theft, dissemination, and/or use of confidential information, including but not limited to, bank and credit card account information or personal information, such as name, address, social security numbers, protected health information or other personally identifying information, stored or transmitted in electronic form.

5.1.2 Commercial General Liability and Commercial Automobile Liability Insurance policies must be endorsed to provide:

(a) Name as Additional Insured the City and County of San Francisco, its Officers, and Employees.

(b) That such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit is brought.

5.1.3 Contractor shall provide thirty (30) days' advance written notice to the City of cancellation, intended non-renewal, or reduction in coverages, except for non-payment for which no less than ten (10) days' notice shall be provided to City. Notices shall be sent to the City address set forth in Section 11.1 entitled "Notices to the Parties."

5.1.4 Should any of the required insurance be provided under a claims-made form, Contractor shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three years beyond the expiration of this Agreement, to the effect that, should occurrences during the contract term give rise to claims made after expiration of the Agreement, such claims shall be covered by such claims-made policies.

5.1.5 Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

5.1.6 Should any required insurance lapse during the term of this Agreement, requests for payments originating after such lapse shall not be processed until the City receives satisfactory evidence of reinstated coverage as required by this Agreement, effective as of the lapse date. If insurance is not reinstated, the City may, at its sole option, terminate this Agreement effective on the date of such lapse of insurance.

5.1.7 Before commencing any Services, Contractor shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Approval of the insurance by City shall not relieve or decrease Contractor's liability hereunder.

5.1.8 Any insurance coverage (additional insured or otherwise) that Contractor provides for the Additional Insureds shall only cover insured liability assumed by Contractor in this Agreement; such insurance coverage shall not otherwise cover liability in connection with or arising out of the wrongful or negligent acts or omissions of the Additional Insureds.

5.1.9 The Workers' Compensation policy(ies) shall be endorsed with a waiver of subrogation in favor of the City for all work performed by the Contractor, its employees, agents and subcontractors.

5.2 **Indemnification.** Contractor shall indemnify and hold harmless City and its officers, agents and employees from, and, if requested, shall defend them from and against any and all claims, demands, losses, damages, costs, expenses, and liability (legal, contractual, or otherwise) arising from or in any way connected with any: (i) injury to or death of a person, including employees of City or Contractor; (ii) loss of or damage to property; (iii) violation of local, state, or federal common law, statute or regulation, including but not limited to privacy or personally identifiable information, health information, disability and labor laws or regulations; (iv) strict liability imposed by any law or regulation; or (v) losses arising from Contractor's execution of subcontracts not in accordance with the requirements of this Agreement applicable to subcontractors; so long as such injury, violation, loss, or strict liability (as set forth in

subsections (i) – (v) above) arises directly or indirectly from Contractor’s performance of this Agreement, including, but not limited to, Contractor’s use of facilities or equipment provided by City or others, regardless of the negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on City, except to the extent that such indemnity is void or otherwise unenforceable under applicable law, and except where such loss, damage, injury, liability or claim is the result of the active negligence or willful misconduct of City and is not contributed to by any act of, or by any omission to perform some duty imposed by law or agreement on Contractor, its subcontractors, or either’s agent or employee. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City’s costs of investigating any claims against the City.

In addition to Contractor’s obligation to indemnify City, Contractor specifically acknowledges and agrees that it has an immediate and independent obligation to defend City from any claim which actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such claim is tendered to Contractor by City and continues at all times thereafter.

Contractor shall indemnify and hold City harmless from all loss and liability, including attorneys’ fees, court costs and all other litigation expenses for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark, and all other intellectual property claims of any person or persons arising directly or indirectly from the receipt by City, or any of its officers or agents, of Contractor's Services.

Article 6 Liability of the Parties

6.1 Liability of City. CITY’S PAYMENT OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE PAYMENT OF THE COMPENSATION PROVIDED FOR IN SECTION 3.3.1, “PAYMENT,” OF THIS AGREEMENT. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES PERFORMED IN CONNECTION WITH THIS AGREEMENT.

6.2 Liability for Use of Equipment. City shall not be liable for any damage to persons or property as a result of the use, misuse or failure of any equipment used by Contractor, or any of its subcontractors, or by any of their employees, even though such equipment is furnished, rented or loaned by City.

6.3 Liability for Incidental and Consequential Damages. Notwithstanding any other provision of this agreement, Contractor shall not be responsible for incidental and consequential damages resulting in whole or in part from Contractor’s acts or omissions. However, Contractor shall be liable for incidental and consequential damages resulting from (1) damages caused by Contractor’s gross negligence, reckless conduct or willful acts or omissions, (2) claims or damages that fall within the insurance coverage of this agreement, (3) statutory damages specified in this agreement, (4) Contractor’s obligation to indemnify and defend City

for intellectual property infringement, (5) Contractor's warranties under this agreement, (6) wrongful death caused by Contractor, (7) punitive or treble damages, and (8) damages caused by Contractor's default or breach of the agreement.

Article 7 Payment of Taxes

7.1 Except for any applicable California sales and use taxes charged by Contractor to City, Contractor shall pay all taxes, including possessory interest taxes levied upon or as a result of this Agreement, or the Services delivered pursuant hereto. Contractor shall remit to the State of California any sales or use taxes paid by City to Contractor under this Agreement. Contractor agrees to promptly provide information requested by the City to verify Contractor's compliance with any State requirements for reporting sales and use tax paid by City under this Agreement.

7.2 Contractor acknowledges that this Agreement may create a "possessory interest" for property tax purposes. Generally, such a possessory interest is not created unless the Agreement entitles the Contractor to possession, occupancy, or use of City property for private gain. If such a possessory interest is created, then the following shall apply:

7.2.1 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that Contractor, and any permitted successors and assigns, may be subject to real property tax assessments on the possessory interest.

7.2.2 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that the creation, extension, renewal, or assignment of this Agreement may result in a "change in ownership" for purposes of real property taxes, and therefore may result in a revaluation of any possessory interest created by this Agreement. Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report on behalf of the City to the County Assessor the information required by Revenue and Taxation Code section 480.5, as amended from time to time, and any successor provision.

7.2.3 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that other events also may cause a change of ownership of the possessory interest and result in the revaluation of the possessory interest. (see, e.g., Rev. & Tax. Code section 64, as amended from time to time). Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report any change in ownership to the County Assessor, the State Board of Equalization or other public agency as required by law.

7.2.4 Contractor further agrees to provide such other information as may be requested by the City to enable the City to comply with any reporting requirements for possessory interests that are imposed by applicable law.

Article 8 Termination and Default

8.1 Termination for Convenience

8.1.1 Contractor shall have the option, in its sole discretion, to terminate this Agreement, upon 180 days prior written notice to City, for convenience and without cause. The notice shall specify the date on which termination shall become effective. City shall have the option, in its sole discretion, to terminate this Agreement, at any time during the term hereof, for

convenience and without cause. City shall exercise this option by giving Contractor written notice of termination. The notice shall specify the date on which termination shall become effective.

8.1.2 Upon receipt of the notice of termination, Contractor shall commence and perform, with diligence, all actions necessary on the part of Contractor to effect the termination of this Agreement on the date specified by City and to minimize the liability of Contractor and City to third parties as a result of termination. All such actions shall be subject to the prior approval of City. Such actions shall include, without limitation:

(a) Halting the performance of all Services under this Agreement on the date(s) and in the manner specified by City.

(b) Terminating all existing orders and subcontracts.

(c) Not placing any further orders or subcontracts for materials, Services, equipment or other items.

(d) At City's direction, assigning to City any or all of Contractor's right, title, and interest under the orders and subcontracts terminated. Upon such assignment, City shall have the right, in its sole discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts.

(e) Subject to City's approval, settling all outstanding liabilities and all claims arising out of the termination of orders and subcontracts.

(f) Completing performance of any Services that City designates to be completed prior to the date of termination specified by City.

(g) Taking such action as may be necessary, or as the City may direct, for the protection and preservation of any property related to this Agreement which is in the possession of Contractor and in which City has or may acquire an interest.

8.1.3 Within 30 days after the specified termination date, Contractor shall submit to City an invoice, which shall set forth each of the following as a separate line item:

(a) The reasonable cost to Contractor, without profit, for all Services prior to the specified termination date, for which Services City has not already tendered payment. Reasonable costs may include a reasonable allowance for actual overhead, not to exceed a total of 10% of Contractor's direct costs for Services. Any overhead allowance shall be separately itemized. Contractor may also recover the reasonable cost of preparing the invoice.

(b) A reasonable allowance for profit on the cost of the Services described in the immediately preceding subsection (a), provided that Contractor can establish, to the satisfaction of City, that Contractor would have made a profit had all Services under this Agreement been completed, and provided further, that the profit allowed shall in no event exceed 5% of such cost.

(c) The reasonable cost to Contractor of handling material or equipment returned to the vendor, delivered to the City or otherwise disposed of as directed by the City.

(d) A deduction for the cost of materials to be retained by Contractor, amounts realized from the sale of materials and not otherwise recovered by or credited to City, and any other appropriate credits to City against the cost of the Services or other work.

8.1.4 In no event shall City be liable for costs incurred by Contractor or any of its subcontractors after the termination date specified by City, except for those costs specifically enumerated and described in Section 8.1.3. Such non-recoverable costs include, but are not limited to, anticipated profits on the Services under this Agreement, post-termination employee salaries, post-termination administrative expenses, post-termination overhead or unabsorbed overhead, attorneys' fees or other costs relating to the prosecution of a claim or lawsuit, prejudgment interest, or any other expense which is not reasonable or authorized under Section 8.1.3.

8.1.5 In arriving at the amount due to Contractor under this Section, City may deduct: (i) all payments previously made by City for Services covered by Contractor's final invoice; (ii) any claim which City may have against Contractor in connection with this Agreement; (iii) any invoiced costs or expenses excluded pursuant to the immediately preceding subsection 8.1.4; and (iv) in instances in which, in the opinion of the City, the cost of any Service performed under this Agreement is excessively high due to costs incurred to remedy or replace defective or rejected Services, the difference between the invoiced amount and City's estimate of the reasonable cost of performing the invoiced Services in compliance with the requirements of this Agreement.

8.1.6 City's payment obligation under this Section shall survive termination of this Agreement.

8.2 Termination for Default; Remedies.

8.2.1 Each of the following shall constitute an immediate event of default ("Event of Default") under this Agreement:

(a) Contractor fails or refuses to perform or observe any term, covenant or condition contained in any of the following Sections of this Agreement:

Appendix H
Good Food Purchasing - Star Level 1

1 STAR GOOD FOOD PURCHASING PROGRAM VALUE CATEGORY TARGETS: EXAMPLE

The minimum requirement to become a Good Food Provider in the Good Food Purchasing Program is to earn 1 Star. The Program is structured to give institutions and their vendors the flexibility to make Good Food choices that are right for their budgets, clientele, and priorities. This document outlines the pathway to achieving 1 Star, but a vendor can source additional product at each level to earn up to 5 Stars in the Program. Appendix A details qualifying criteria by level for each of the value categories.

Meet the Baseline in Five Value Categories and Earn 1 Star (5-9 Points)

LOCAL ECONOMIES: Earn 1 Point

- ✓ 1 Point Level 1
 - 15% of all purchases are Level 1 Local Economies

ENVIRONMENTAL SUSTAINABILITY: Earn 1 Point

- ✓ 1 Point Level 1 – Choose One:
 - 15% of all purchases are Level 1 Environmentally Sustainable OR
 - Reduce carbon footprint and water footprint of meat, poultry, and cheese purchases by at least 4% per meal served from baseline year AND perform a food waste audit and implement at least two source reduction strategies that address most wasted food items identified in audit.

VALUED WORKFORCE: Earn 1 Point

- ✓ 1 Point Level 1
 - Comply with reporting requirements and vendor/supplier follow-up requirements AND
 - 5% of all purchases are Level 1 Valued Workforce

ANIMAL WELFARE: Earn 1 Point

 - 15% of meat, poultry, and dairy purchases are Level 1 Animal Welfare OR
 - Replace 15% of the total volume of *animal* products purchased with plant-based protein.

NUTRITION: Earn 1 Point

- ✓ 1 Point Level 1
 - Comply with 51-64.9% of items on Nutrition Checklist

⁹ Greater credit is given for full supply chain participation at Level 3. An institution receives 3 points for every 5% increment of product sourced from Level 3 farms, and 3 points for every 15% increment of product sourced from Level 3 processors or distributors (percentages determined related to availability of Level 3 product in sectors of the supply chain). Points are weighted as follows:

- 100% credit if source farm, AND processor or shipper, AND distributor meet Level 3 criteria.
- 66% credit if two of three companies meet Level 3 criteria.
- 33% credit if one of three companies meets Level 3 criteria.

¹⁰ Criteria used to identify voluntary third party certification programs at Level 3 include: adherence to all ILO Fundamental Principles and Rights at Work; a fair wage that at a minimum reaches the prevailing industry wage and charts progress toward a living wage; safe and healthy workplaces for workers; inclusion of independent worker organizations at all stages of standard-setting, monitoring and enforcement, and remediation; a confidential complaint reporting and resolution mechanism with a strictly enforced no-retaliation policy; mandatory worker rights training on the clock, implemented with independent worker organization; regular announced and unannounced audits by well-trained auditors that include secure interviews with a broad swath of workers, and findings that are made available to workers; and a focus on enforcement, with binding legal agreements that ensure real consequence for non-compliance and clear, time-bound plans to remedy violations. If the Center determines that a supplier is not compliant with the standards established by the third-party certification program, the supplier will not receive credit for their participation in the certification program.

¹² Unions cannot be controlled or backed by government or the employer

¹³ As defined by United States Federation of Worker Cooperatives: Worker cooperatives are business entities that are owned and controlled by their members, the people who work in them. All cooperatives operate in accordance with the Cooperative Principles and Values. The two central characteristics of worker cooperatives are: (1) worker-members invest in and own the business together, and it distributes surplus to them and (2) decision-making is democratic, adhering to the general principle of one member-one vote.

¹⁵ USDA Certified Organic will qualify for Level 2 if proposed animal welfare requirements are adopted.

¹⁶ AHA cage-free standards were excluded because AHA's points-based system allows egg facilities to pass an audit (at 85%) without meeting a number of basic welfare standards.

¹⁷ USDA Certified Organic will qualify for Level 2 if proposed animal welfare requirements are adopted.

¹⁸ Because American Humane Certified does not have a set of "Core Criteria" that all certified producers must meet, full audit results must be submitted to the Center to verify that the farm meets all Core Criteria for a product to meet Level 2.

¹⁹ USDA Certified Organic will qualify for Level 2 if proposed animal welfare requirements are adopted.

²⁰ GAP Step 1 may be added to Level 1 upon the adoption of requirements for enrichments and for slower-growing chicken strains at Step 1.

²¹ Certified Humane Free Range, despite being pasture-based, is in Level 2 because unlike those in Level 3, it does not require slower-growth genetics.

²² USDA Certified Organic will qualify for Level 2 if proposed animal welfare requirements are adopted.

²³ USDA Certified Organic will qualify for Level 2 if proposed animal welfare requirements are adopted.

²⁴ Standards for farm raised fish are in development and will be added to the Good Food Purchasing Standards as soon as possible.

**Table 5: Nutrition Checklist**

High Priority (Worth two checks per item met)	
Healthy Procurement	
1	Increase the amount of whole or minimally processed foods purchased by 5% from baseline year, with a 25% increase goal within 5 years. ²⁵
2	If meat is offered, reduce purchase of red and processed meat by 5% from baseline year, with a 25% reduction goal within 5 years. ^{26,27}
3	Fruits, vegetables, and whole grains account for at least 50% of total food purchases by volume. ²⁸
4	All individual food items contain ≤ 480 mg sodium per serving ²⁹ . Purchase “low-sodium” (≤ 140 mg sodium per serving) whenever possible.
5	Added sugars (including natural and artificial sweeteners) in purchased food items should be no more than 10% of Daily Value per serving (DV is 50g). Or, commit to implementing an added sugar reduction plan in overall food and beverage purchases.
Healthy Food Service Environment	
6	Healthy beverages account for 100% of beverage options offered, and diet drinks containing artificial sweeteners are eliminated. If healthy beverages account for at least 50% of beverage options offered, one check will be earned. ³⁰
7	Offer free drinking water at all meals, preferably cold tap water in at least a 4 ounce cup.
8	Offer plant-based main dishes at each meal service. ³¹
Health Equity	

²⁵ See Appendix C for definitions for whole/minimally processed, processed, and ultraprocessed (Source: San Diego County Department of Public Health Eat Well Standards).

²⁶ Processed meats include any meat preserved by curing, salting, smoking, or have other chemical preservation additives. If processed meats are offered, recommend using only products with no more than 480mg of sodium per 2 oz.

²⁷ One strategy to reduce red and processed meat purchases is to limit portion sizes based on current US Dietary Guidelines. Average per-meal amount for meat, poultry and eggs for a 2000 calorie diet is 1.9 oz. (The range for a 1000-2200 calorie diet is .7-2 oz per meal). See the [USDA Food Patterns: Healthy U.S.-Style Eating Pattern](#) for more information.

²⁸ Grain-based foods are considered whole grain when the first ingredient listed on the ingredient list is a whole grain. Whole grain ingredients include brown rice, buckwheat, bulgur, millet, oatmeal, quinoa, rolled oats, whole-grain barley, whole-grain corn, whole-grain sorghum, whole-grain triticale, whole oats, whole rye, whole wheat, and wild rice.

²⁹ With the exception of the following foods:

Sodium Standards for Purchased Food

- Canned and frozen seafood: ≤ 290 mg sodium per serving;
- Canned and frozen poultry: ≤ 290 mg sodium per serving;
- Sliced sandwich bread: ≤ 180 mg sodium per serving;
- Baked goods (e.g. dinner rolls, muffins, bagels, tortillas): ≤ 290 mg sodium per serving;
- Cereal: ≤ 215 mg sodium per serving;
- Canned or frozen vegetables: ≤ 290 mg sodium per serving;
- Recommend “reduced” sodium (per FDA definition) sauce and other condiments;
- Recommend purchasing cheese: ≤ 215 mg sodium per serving

³⁰ Health Care Without Harm *Healthy Beverage Defined: Water (filtered tap, unsweetened, seltzer or infused); 100 percent fruit juice (optimal 4oz serving); 100% vegetable juice (optimal sodium less than 140 mg); Milk (unflavored); Non-dairy milk alternatives (plain, unsweetened); Teas and Coffee (unsweetened with only naturally occurring caffeine). To the best possible ability, beverages should be dispensed by tap or fountain AND reusable beverage containers should be encouraged.

³¹ Recommend plant-based main dishes to include fruits, vegetables, beans and/or legumes.

Section 4.2. Except as otherwise provided by law, the Common Stock shall have the exclusive right to vote for the election of directors and for all other purposes. Each share of Common Stock shall have one vote, and the Common Stock shall vote together as a single class.

ARTICLE V

Unless and except to the extent that the By-Laws of the Corporation shall so require, the election of directors of the Corporation need not be by written ballot.

ARTICLE VI

In furtherance and not in limitation of the powers conferred by law, the Board of Directors of the Corporation (the "Board") is expressly authorized and empowered to make, alter and repeal the By-Laws of the Corporation by a majority vote at any regular or special meeting of the Board or by written consent, subject to the power of the stockholders of the Corporation to alter or repeal any By-Laws made by the Board.

ARTICLE VII

The Corporation reserves the right at any time from time to time to amend, alter, change or repeal any provision contained in this Certificate of Incorporation, and any other provisions authorized by the laws of the State of Delaware at the time in force may be added or inserted, in the manner now or hereafter prescribed by law; and all rights, preferences and privileges of whatsoever nature conferred upon stockholders, directors or any other persons whomsoever by and pursuant to this Certificate of Incorporation in its present form or as hereafter amended are granted subject to the right reserved in this Article.

ARTICLE VIII

A director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent such exemption from liability or limitation thereof is not permitted under the General Corporation Law of the State of Delaware as the same exists or may hereafter be amended.

Any repeal or modification of the foregoing paragraph shall not adversely affect any right or protection of a director of the Corporation existing hereunder with respect to any act or omission occurring prior to such repeal or modification.

ARTICLE IX

Each person who was or is made a party or is threatened to be made a party to or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter a "proceeding"), by reason of the fact that he or she or a person of whom he or she is the legal representative is or was a director or an officer of the Corporation or is or was serving at the request of the Corporation as a director, officer or trustee of another corporation, or as its representative in a partnership, joint venture, trust or other enterprise, including service with respect to an employee benefit plan (hereinafter an "indemnitee"), whether the basis of such proceeding is alleged action in an official capacity as a director, officer, trustee or representative or in any other capacity while serving as a director, officer, trustee or representative, shall be indemnified and held harmless by the Corporation to the fullest extent authorized by the DGCL, as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than such law permitted the Corporation to provide prior to such amendment), against all expense, liability and loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) reasonably incurred or suffered by such indemnitee in connection therewith; provided, however, that, except as provided in this Article

Ninth with respect to proceedings to enforce rights to indemnification and "advancement of expenses" (as defined below), the Corporation shall indemnify any such indemnitee in connection with a proceeding (or part thereof) initiated by such indemnitee only if such proceeding (or part thereof) was authorized by the Board of Directors of the Corporation.

In addition to the right to indemnification conferred in this Article Ninth, an indemnitee shall also have the right to be paid by the Corporation the expenses (including attorney's fees) incurred in defending any such proceeding in advance of its final disposition (hereinafter an "advancement of expenses"); provided, however, that, if the DGCL requires, an advancement of expenses incurred by an indemnitee in his or her capacity as a director or officer (and not in any other capacity in which service was or is rendered by such indemnitee, including, without limitation, service to an employee benefit plan) shall be made only upon delivery to the Corporation of an undertaking (hereinafter an "undertaking"), by or on behalf of such indemnitee, to repay all amounts so advanced if it shall ultimately be determined by final judicial decision from which there is no further right to appeal (hereinafter a "final adjudication") that such indemnitee is not entitled to be indemnified for such expenses under this Article Ninth or otherwise.

If a claim under this Article Ninth is not paid in full by the Corporation within sixty (60) days after a written claim has been received by the Corporation, except in the case of a claim for an advancement of expenses, in which case the applicable period shall be twenty (20) days, the indemnitee may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim. If successful in whole or in part in any such suit, or in a suit brought by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the indemnitee shall be entitled to be paid also the expense of prosecuting or defending such suit. In (i) any suit brought by the indemnitee to enforce a right to indemnification hereunder (but not in a suit brought by the indemnitee to enforce a right to an advancement of expenses) it shall be a defense that, and (ii) in any suit brought by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the Corporation shall be entitled to recover such expenses upon a final adjudication that, the indemnitee has not met any applicable standard for indemnification set forth in the DGCL. Neither the failure of the Corporation (including its directors who are not parties to such action, a committee of such directors, independent legal counsel, or its stockholders) to have made a determination prior to the commencement of such suit that indemnification of the indemnitee is proper in the circumstances because the indemnitee has met the applicable standard of conduct set forth in the DGCL, nor an actual determination by the Corporation (including its directors who are not parties to such action, a committee of such directors, independent legal counsel, or its stockholders) that the indemnitee has not met such applicable standard of conduct, shall create a presumption that the indemnitee has not met the applicable standard of conduct or, in the case of such a suit brought by the indemnitee, be a defense to such suit. In any suit brought by the indemnitee to enforce a right to indemnification or to an advancement of expenses hereunder, or brought by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the burden of proving that the indemnitee is not entitled to be indemnified, or to such advancement of expenses, under this Article Ninth or otherwise shall be on the Corporation.

The rights to indemnification and to the advancement of expenses conferred in this Article Ninth shall not be exclusive of any other right which any person may have or hereafter acquire under any statute, the Corporation's Certificate of Incorporation, by-laws, agreement, vote of stockholders or directors or otherwise.

The Corporation may maintain insurance, at its expense, to protect itself and any director, officer, employee or agent of the Corporation or another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under the DGCL.

The Corporation may, to the extent authorized from time to time by the Board of Directors, grant rights to indemnification and to the advancement of expenses to any employee or agent of the Corporation to the fullest extent of the provisions of this Article Ninth with respect to the indemnification and advancement of expenses of directors and officers of the Corporation.

The rights conferred upon indemnitees in this Article Ninth shall be contract rights and such rights shall continue as to an indemnitee who has ceased to be a director, officer or trustee and shall inure to the benefit of the indemnitee's heirs, executors and administrators. Any amendment, alteration or repeal of this Article Ninth that adversely affects any right of an indemnitee or its successors shall be prospective only and shall not limit or eliminate any such right with respect to any proceeding involving any occurrence or alleged occurrence of any action or omission to act that took place prior to such amendment or repeal.

Contractor certifies that it has informed each such person of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for the contract, and has provided the names of the persons required to be informed to the City department with whom it is contracting.

3.6 Distribution of Beverages and Water. *The following is hereby added to Article 10 of the Agreement, replacing the previous Section 10.17 in its entirety:*

10.17 Distribution of Beverages and Water.

The requirements stated in the Emergency Declaration and Contractor Vaccination Policy are material terms and conditions of this Agreement, which include but are not limited to, the following:

Unless required by law, Contractor shall not respond to Legal Requests related to City without first notifying City other than to notify the requestor that the information sought is potentially covered under a non-disclosure agreement. Unless required by law, Contractor shall retain and preserve City Data in accordance with the City’s instruction and requests, including, without limitation, any retention schedules and/or litigation hold orders provided by the City to Contractor, independent of where the City Data is stored.

13.4 Management of City Data and Confidential Information.

13.4.1 Use of City Data and Confidential Information. Contractor agrees to hold City’s Confidential Information received from, or created on behalf of, the City, in strictest confidence. Contractor shall not use or disclose City’s Data or Confidential Information except as permitted or required by the Agreement or as otherwise authorized in writing by the City. Aramark may disclose to their legal counsel de-identified Confidential Information as needed. Aramark shall require any persons to which it discloses COR-CLETS information to comply with the access requirements imposed by the CLETS Policies, Practices, and Procedure Manual, which includes a background check, LiveScan fingerprinting and mandated training. Any work using, or sharing or storage of, City’s Confidential Information outside the United States is subject to prior written authorization by the City. Access to City’s Confidential Information must be strictly controlled and limited to Contractor’s staff assigned to this project on a need-to-know basis only. Contractor is provided a limited non-exclusive license to use the City Data or Confidential Information solely for performing its obligations under the Agreement and not for Contractor’s own purposes or later use. Nothing herein shall be construed to confer any license or right to the City Data or Confidential Information, by implication, estoppel or otherwise, under copyright or other intellectual property rights, to any third-party. Unauthorized use of City Data or Confidential Information by Contractor, subcontractors or other third-parties is prohibited. For purpose of this requirement, the phrase “unauthorized use” means the data mining or processing of data, stored or transmitted by the service, for commercial purposes, advertising or advertising-related purposes, or for any purpose other than security or service delivery analysis that is not explicitly authorized.

13.4.2 Disposition of Confidential Information. Upon request of City or termination or expiration of this Agreement, and pursuant to any document retention period required by this Agreement, Contractor shall promptly, but in no event later than thirty (30) calendar days, return all Confidential Information, which includes all original media. Once

Contractor has received written confirmation from City that Confidential Information has been successfully transferred to City, Contractor shall within ten (10) business days clear or purge all Confidential Information from its servers, any hosted environment Contractor has used in performance of this Agreement, work stations that were used to process the data or for production of the data, and any other work files stored by Contractor in whatever medium. Contractor shall provide City with written certification that such purge occurred within ten (10) business days of the purge.

City agrees that after the first 24 months of the contract term, either party may request a renegotiation of the per meal price one time every 12 months, but that any upward adjustment of these prices may not result in an annual projected cost increase in excess of that justified by the U.S. Department of Labor Consumer Price Index – All Urban Consumers, San Francisco Area, Food Away from Home, for the calculated average percent change of the monthly Consumer Price Index for the twelve (12) months prior to the agreed effective date of the renegotiated per meal price.

In addition, the parties agree that the financial arrangements in this Agreement are based on conditions existing as of the Effective Date including any representations regarding existing and future conditions made by City in connection with the negotiation and execution of this Agreement. If such conditions change due to causes beyond ARAMARK's control, including, but not limited to, a change in the scope of ARAMARK's services; menu changes outside of the scope of services detailed in Appendix A; a decrease in the City's inmate population below 900 or a decrease to available inmate labor below 18 assigned to assist in the daily food service in each shift at County Jail No. 4 and County Jail No. 5; a change in Federal, State and local sales, and other taxes; an increase to the minimum wage per Section 10.7 Minimum Compensation Ordinance, then ARAMARK shall give City written notice of Aramark's request for an increase or change, and within thirty (30) calendar days after such notice, ARAMARK and City shall mutually agree upon modification(s) to offset the impact of the increase or change, which modifications may include any or a combination of the following: an adjustment to ARAMARK's price per meal, modifications to the menu or product offerings, changes to product pricing or modifications to ARAMARK's scope of services. Modifications to the contract cannot be made without the approval of the SFSO.

*In the event SFSO staff selects a la carte food items in lieu of a full Staff Meal.

Contractor Attestation Affirming Compliance With San Francisco’s Covid-19 Contractor Vaccination Policy

City Department: _____

Contractor (Company name): _____

Contract name/number: _____

Background On October 8, 2021, Mayor London Breed issued the Thirty-Eighth Supplement to the Proclamation of Local Emergency concerning the COVID-19 pandemic.

This Supplement mandates that City contractors with employees who work with City employees at City worksites be fully vaccinated against COVID-19 or obtain a valid medical or religious exemption from the vaccination requirement.

Under Mayor Breed’s order and the resulting City Contractor Vaccination Policy, contractors under “Covered Contracts” are being asked to affirm that they intend to comply with the Vaccination Policy.

A “Covered Contract” is a City contract where employees of the contractor or subcontractor work in-person with City employees at a City owned, leased, or controlled facility, provided at least one of the contractor’s or subcontractor’s employees meet the definition of Covered Employee.

A “Covered Employee” is a person that either:

- (a) works in an indoor office workspace where City employees regularly work, or
- (b) otherwise regularly works within six feet of one or more City employees, for more than 4 cumulative hours in a day, more than 15 cumulative hours in a 7-day period, or more than 20 cumulative hours in a 14-day period.

All City contractors must complete an Attestation respecting their intention to comply with the Contractor Vaccination Policy. Please complete one of the following two attestations.

Attestation 1: No Covered Employees.

As the authorized representative of Contractor, I affirm that:

- (1) I have read the Contractor Vaccination Policy pertaining to the obligations of City Contractors to ensure all Covered Employees are fully vaccinated for COVID-19 or obtain an exemption based on medical or religious grounds,
- (2) to my knowledge, there are no Covered Employees working on the above-referenced contract, and
- (3) if Covered Employees perform work under this contract in the future, they will be fully vaccinated for COVID-19 or granted an exemption based on medical or religious grounds.

Your name: _____

Title: _____

Signature: _____

Attestation 2: Covered Employees

As the authorized representative of Contractor, I affirm that:

- (1) I have read the Contractor Vaccination Policy pertaining to the obligations of City Contractors to ensure all Covered Employees are fully vaccinated for COVID-19 or obtain an exemption based on medical or religious grounds, and
- (2) to my knowledge, Contractor currently complies with, and will continue to comply with, the Contractor Vaccination Policy during the term of the Contract.

Attachment E lists all Covered Employees who have been granted an exemption on medical or religious grounds, if any. We will update Attachment E, and provide the same to the City, if and when any additional Covered Employees are granted an exemption on medical or religious grounds.

I further affirm that the Contractor Vaccination Policy permits the City to request records from Contractor to confirm compliance.

City Department: _____

Contractor (Company name): _____

Under the Contractor Vaccination Policy, a Contractor or Subcontractor on a Covered Contract may grant an exemption from the vaccination requirement to a Covered Employee for Qualifying Medical Reasons or Religious Beliefs. If the Contractor or Subcontractor grants such exemptions, the City department must determine whether the exempt Covered Employees can be reasonably accommodated with appropriate safety precautions consistent with those the City affords to City employees in the work setting. The Department may request a meeting with Contractor to seek additional information to determine whether the employee(s) identified below can be safely accommodated. The Contractor or Subcontractor may not allow the Covered Employees to work at the work setting until the City has made a determination.
