Subject: Resolution approving continued designation of eight (8) former temporary selling spaces in "mini-plaza" on 17th Street at Castro and Market Streets for street artists certified by Arts Commission

Dear Ms. Calvillo:

On behalf of the Arts Commission and its licensed street artists, we are respectfully requesting that you please submit to the Board the enclosed resolution approving continued designation of eight (8) street artist spaces in the "mini-plaza" located at 17th Street at Castro and Market Streets for street artists certified by the Arts Commission with the exception of certain days in which the spaces shall be used exclusively for a street fair such as the Castro Street Fair of Castro CBD-sponsored events.

This resolution reflects the unanimous approval of the full Arts Commission on September 13, 2010 to request the Board of Supervisors for continued designation of the spaces.

On May 13, 2009 Mayor Gavin Newsom and Supervisor Bevan Dufty opened the "mini-plaza" for a six-month trial period. The proposal for the plaza was initiated by the Castro Upper Market Benefit Community District and was in keeping with the Mayor's longtime plans to create pedestrian-friendly areas of the city. The proposal's inclusion of spaces for street artists was not only endorsed by the Mayor and by Supervisor Dufty but it also received the approval of the Merchants of Upper Market & Castro.

CITY AND COUNTY OF
SAN FRANCISCO

On June 9, 2009, the Arts Commission unanimously voted to request the Board of Supervisors to designate temporary street artist spaces in the "mini-plaza". The Board of Supervisors, in Resolution No. 302-09, designated eight (8) temporary spaces for six (6) months subject to the Board's review after six months in order to determine whether or not the spaces endanger the public or result in congested pedestrian traffic and to consider whether the spaces shall be made permanent.

The staff of the Arts Commission's Street Artists Program has neither heard of nor observed any incident in which the eight spaces endangered the public or caused a congestion of pedestrian traffic.

Therefore, after conducting a public hearing, the full Arts Commission, on September 13, 2010, voted unanimously to request the Board of Supervisors for a continuation of designation of the spaces of the "mini-plaza" for street artists with the exception of certain days in which the plaza shall be used exclusively for a street fair such as the Castro Street Fair or Castro CBD-sponsored events.

We would greatly appreciate your submitting the enclosed resolution for a committee hearing.

An electronic version of this legislation is also being sent to you.

If you have questions, please call me: 252-2583.

Sincerely,

Howard Lazar
