Dear Rick:

I appreciate your recent phone call to share the Golden State Warrior's exciting news that you propose to change the name of South Street to Warriors Way. As we discussed, there is only one structure currently with a South Street address, and it is our firm's parking garage at 450 South Street. Providing the Golden State Warriors' sports and entertainment arena and its surrounding district of restaurants, retail, office, and open space with a distinctive street frontage and property address is a well-deserved recognition for what your project will provide to the Mission Bay neighborhood and the City of San Francisco. So on behalf of Alexandria Real Estate Equities, we offer our full support to rename South Street as Warriors Way.

Sincerely,

Stephen Richardson

President & Chief Operating Officer

Via email to: RWelts@warriors.com

Dear Rick:

The Mission Bay Citizens' Advisory Committee (MBCAC) appreciated Peter Bryan's presentation at our December 14, 2017 meeting to share the Golden State Warriors' proposal to change the name of South Street to Warriors Way.

As Peter presented, South Street offers a good candidate for renaming as it is only two short blocks long, it isn't 'South' of anything in particular, the name has no historic connection with Mission Bay, and there is only one structure currently with a South Street address, Alexandria Real Estate Equities'(ARE) parking garage at 450 South Street. Providing the Golden State Warriors' sports and entertainment arena and its surrounding district of restaurants, retail, office, and open space with a distinctive street frontage and property address is a well-deserved recognition for what your project will provide to the Mission Bay neighborhood and the City of San Francisco.

The Committee members and community neighbors present at the December CAC meeting voiced support for the name change. While the MBCAC did not formally vote on the proposal (absent a quorum), I think the consensus is that the name change will be acceptable to the community. We also understand that ARE and UCSF support the change.

On behalf of the Mission Bay Citizens' Advisory Committee, we offer our support to rename South Street as Warriors Way.

Mr. Rick Welts
President and Chief Operating Officer
Golden State Warriors

Dear Rick:

I appreciate your recent phone call to share the Golden State Warrior's proposal to change the name of South Street to Warriors Way.

I asked my colleagues on the board of the South Beach / Rincon / Mission Bay Neighborhood Association if they would be OK with this change, and we are all in agreement that this would be a good thing. South Street offers the perfect candidate for renaming as it is only two short blocks long, isn't 'south' of anything in particular, and there is only one structure currently with a South Street address, -- Alexandria Real Estate's parking garage at 450 South Street.

We look forward to having the Golden State Warriors join our neighborhood as we continue to expand this great part of the City. Your sports and entertainment arena with its restaurants, retail, office, and open space with a distinctive street frontage will be great additions for the Mission Bay neighborhood and the City of San Francisco.

We are happy to offer our full support to rename South Street as Warriors Way.

Hi Erica,

I spoke with Chief Hayes-White about the request and the San Francisco Fire Department does not have any objections to the proposal and is in support of the resolution.

When the resolution is passed, the Fire Department's recommendation is that the Department of Emergency Management be contacted in order for the street name change to be entered into the Computer Assisted Dispatch (CAD) system.
