Dear Ms. Calvillo and Supervisor Breed,

On January 21, 2015 the San Francisco Historic Preservation Commission (hereinafter "HPC") conducted a regularly scheduled public hearing at which time they unanimously passed Resolution No. 743 recommending the Board of Supervisors **approve** an Article 11 Change of Designation for 149-155 9th Street, known historically as the Western Manufacturing Company Building. The proposed amendments have been determined to be categorically exempt from environmental review under the California Environmental Quality Act Section 15060(c)(2).

Supervisor Kim, if you would like to take sponsorship of the proposed Ordinance please contact the Clerk of the Board of Supervisors at your earliest convenience.

Please find attached documents relating to the HPC's action. If you have any questions or require further information please do not hesitate to contact me.

Sincerely,
