Section 1. Background and Findings.

(a) On February 10, 2026, the Board of Supervisors (“Board”) adopted Resolution No. 45-26 (the “Resolution of Intent”), a copy of which is on file with the Clerk of the Board in File No. 251218, declaring its intention to order the vacation of the roadway and sidewalk use designations of portions of Christmas Tree Point Road and the eastern alignment of the Twin Peaks Boulevard “Figure 8” from Christmas Tree Point Road to approximately 1,580 feet southerly at the close of the Figure 8, generally bounded by Christmas Tree Point Road and Assessor’s Parcel Block No. 2719C, Lot No. 021, and Assessor’s Parcel Block No. 2643, Lot Nos. 006, 007, 009, and 021, as shown on SUR Map No. 2025-005, dated October 20, 2025 (together, “Eastern Twin Peaks Boulevard”), and to re-designate Eastern Twin Peaks Boulevard as right-of-way for recreation and park purposes to facilitate the Twin Peaks Promenade Project. The Resolution of Intent set a hearing date for the Board to sit as a Committee of the Whole for all persons interested in the proposed vacation. The Resolution of Intent is incorporated herein by reference.

(b) The Clerk of the Board published the Resolution of Intent in the manner required by law and transmitted to the Director of Public Works a certified copy of the Resolution of Intent, and the Director has posted the Resolution of Intent in the manner required by law.

(c) The vacation of the roadway and sidewalk use designations of Eastern Twin Peaks Boulevard is necessary to implement the Twin Peaks Promenade project (“Twin Peaks Promenade Project” or the “Project”), which will include the conversion of Eastern Twin Peaks Boulevard from paved asphalt to a combination of asphalt and aggregate trail surfacing for a

1 multi-use pathway, removal of a portion of a concrete barrier and a metal guardrail along the
2 eastern side of the pavement to provide more expansive views, and installation of new
3 landscaping, vegetation restoration, erosion control measures, bicycle racks, seating areas,
4 interpretive and wayfinding signage, split-rail fencing, a new parking area with an accessible
5 parking space, and placement of removable bollards at emergency vehicle access points.
6 The Project will support additional recreational opportunities for San Francisco residents,
7 visitors, and persons with disabilities, while concurrently maintaining existing two-way
8 vehicular access along the western alignment of the Twin Peaks Boulevard “Figure 8,” which
9 will remain unaltered.

10 (d) The Recreation and Park Department developed the Project and the concept for
11 the Project over the course of more than a decade.

12 (1) On February 16, 2012, the Recreation and Park Commission adopted
13 Resolution No. 1202-003, approving the concept plan for the Twin Peaks Trail Restoration,
14 and Resolution No. 1202-005, recommending that the Board of Supervisors approve the
15 interdepartmental transfer of Assessor’s Parcel Block No. 2643, Lot No. 014, real property
16 maintained by the Recreation and Park Department within Twin Peaks Park, from the
17 Department of Public Works (“Public Works”) to the Recreation and Park Department.

18 (2) On March 2, 2021, pursuant to California Vehicle Code Section 21101, the
19 San Francisco Municipal Transportation Agency Board of Directors adopted Resolution
20 No. 210302-029 to help achieve the “Twin Peaks for All” project goals, finding that Twin Peaks
21 Boulevard between Burnett Avenue and Christmas Tree Point Road, in both directions, is no
22 longer needed for vehicular traffic, except for bicycles and emergency vehicles.

23 (3) On June 16, 2022, the Recreation and Park Commission adopted
24 Resolution No. 2206-006, approving a conceptual plan for the “Twin Peaks Promenade” and,
25 pending confirmation of funding for construction, recommending that the Board transfer

1 jurisdiction of the Twin Peaks Promenade from Public Works to the Recreation and Park
2 Department. The Project encompasses the Twin Peaks Promenade.

3 Copies of the aforementioned resolutions are on file with the Clerk of the Board in File
4 No. 251220, and are incorporated herein by reference.

5 (e) The Recreation and Park Department is charged with implementing the Recreation
6 and Park Department's Significant Natural Resources Management Plan, dated
7 February 2006, which includes some of the City's largest remaining expanses of coastal scrub
8 and coastal prairie communities that provide habitat for the endangered Mission blue butterfly,
9 and which encompasses Assessor's Parcel Block No. 2643, Lot No. 014. The
10 interdepartmental transfer of Assessor's Parcel Block No. 2643, Lot No. 014 will allow the
11 Recreation and Park Department to more effectively manage the Twin Peaks Natural Area. In
12 addition, the interdepartmental transfer of Assessor's Parcel Block No. 2643, Lot No. 014 from
13 Public Works to the Recreation and Park Department is necessary to consolidate certain City
14 property within the control and jurisdiction of the Recreation and Park Department along the
15 Twin Peaks hillside and to implement the renovation of the pedestrian trail that connects
16 Crestline Drive to the Twin Peaks Promenade.

17 (f) The Recreation and Park Department has sought and obtained significant funds for
18 the Project.

19 (1) On October 21, 2021, the Recreation and Park Commission adopted
20 Resolution No. 2110-005 approving the application for Regional Park Program Grant Program
21 funds for Twin Peaks Promenade and Trails Improvement Project from the California
22 Department of Parks and Recreation, and on October 22, 2022, the Board adopted Resolution
23 No. 449-22 authorizing the Recreation and Park Department to accept and expend grant
24 funding from the California Department of Parks and Recreation in the amount of up
25 to \$1,900,000 to support the Project.

1 (2) On May 19, 2022, the Recreation and Park Commission adopted Resolution
2 No. 2205-05 approving the application for Habitat Conservation Funds for the Twin Peaks
3 Trails Improvement Project, and on November 15, 2022, the Board adopted Resolution
4 No. 489-22 authorizing the Recreation and Park Department to accept and expend grant
5 funding from the California Department of Parks and Recreation Habitat Conservation Fund in
6 the amount of \$350,000 to support the Project.

7 (3) On September 21, 2023, the Recreation and Park Commission adopted
8 Resolution No. 2309-010 approving the application to the Recreational Trails Program for the
9 Twin Peaks Promenade Project, and on January 14, 2025, the Board adopted Resolution
10 No. 2-25 authorizing the Recreation and Park Department to accept and expend grant funding
11 from the California Department of Parks and Recreation in the amount of \$1,493,692 to
12 support the Project.

13 (4) On August 15, 2024, the Recreation and Park Commission adopted
14 Resolution No. 2408-003 to accept and expend a cash grant of \$37,000 from the Bay Area
15 Ridge Trail Council to fund the construction of a memorial bench and interpretive and/or
16 wayfinding signs as part of the Twin Peaks Trails Improvements and Promenade Project,
17 which encompasses the Project.

18 Copies of the aforementioned resolutions are on file with the Clerk of the Board in File
19 No. 251220, and are incorporated herein by reference.

20 (g) In Public Works Order No. 212430, dated December 1, 2025 (the "Order"), a copy
21 of which is on file with the Clerk of the Board in File No. 251220, the Director of Public Works
22 and the City Engineer (collectively, the "Public Works Director") recommended that the Board
23 vacate the designation of Eastern Twin Peaks Boulevard as public right-of-way for roadway
24 and sidewalk purposes and re-designate it as public right-of-way for recreation and park
25 purposes to facilitate the development of the Twin Peaks Promenade Project and that the

1 Board make certain determinations and findings including that: (1) vacation of the designation
2 of Eastern Twin Peaks Boulevard as public right-of-way for roadway and sidewalk purposes is
3 proceeding pursuant to California Streets and Highways Code Sections 8300 et seq. and San
4 Francisco Public Works Code Section 787(a); (2) the designation of Eastern Twin Peaks
5 Boulevard as public right-of-way for roadway and sidewalk purposes is no longer necessary
6 for the City’s present or prospective public use; (3) in accordance with California Streets and
7 Highways Code Sections 892 and 8314, Eastern Twin Peaks Boulevard is not useful as a
8 nonmotorized transportation facility, as defined in California Streets and Highways Code
9 Section 887; (4) Public Works obtained the consent of all property owners adjacent to Eastern
10 Twin Peaks Boulevard; (5) Eastern Twin Peaks Boulevard presently contains a catch basin
11 owned and operated by the San Francisco Public Utilities Commission (“SFPUC”), which will
12 continue to be accessible to the SFPUC following the effective date of this ordinance; and (6)
13 Twin Peaks Boulevard presently contains utility facilities owned and operated by Pacific Gas
14 and Electric Company (“PG&E”), which will continue to be accessible to PG&E pursuant to
15 that certain franchise granted to PG&E according to Board Bill No. 326, Ordinance No. 414
16 (Series 1939) following the effective date of this ordinance.

17 In addition, in the Order, Public Works approved excavation backfill standards
18 applicable to Eastern Twin Peaks Boulevard, requiring excavators in Eastern Twin Peaks
19 Boulevard to restore surfaces comprised of plant cover, landscaping, or other special
20 materials in kind; and recommended that the Board approve the jurisdictional transfer of
21 Eastern Twin Peaks Boulevard from Public Works to the Recreation and Park Department,
22 apply the Park Code and Regulations and the excavation and backfill requirements of the
23 Public Works Code and associated orders and regulations to Eastern Twin Peaks Boulevard,
24 enabling the Recreation and Park Department to issue excavation permits concerning Eastern
25 Twin Peaks Boulevard, and approve the jurisdictional transfer of Assessor’s Parcel Block No.

1 2643, Lot No. 014, which is adjacent to Twin Peaks Boulevard, from Public Works to the
2 Recreation and Park Department.

3 (h) From all the evidence submitted at the public hearing noticed in the Resolution of
4 Intent and the associated materials on file with the Clerk of the Board in File No. 251218, the
5 Board finds Eastern Twin Peaks Boulevard is no longer necessary for the City's present or
6 prospective future use as a public right-of-way for roadway and sidewalk purposes, or as a
7 nonmotorized transportation facility.

8 (i) Following enactment of this ordinance, Public Works, the Recreation and Park
9 Department, and SFPUC intend to enter into a memorandum of understanding ("MOU") to
10 memorialize the departments' agreement to coordinate regarding the SFPUC catch basin and
11 other matters concerning Eastern Twin Peaks Boulevard and to memorialize the departments'
12 agreement that Public Works shall provide technical assistance to the Recreation and Park
13 Department in its review and application of the excavation and backfill requirements of the
14 Public Works Code and associated Orders, regulations, standards, and procedures subject to
15 reimbursement from the Recreation and Park Department for Public Works' costs.

16
17 Section 2. Environmental and General Plan Findings.

18 (a) In a letter December 20, 2022 ("Planning Letter"), the Planning Department
19 determined that the vacation of Eastern Twin Peaks Boulevard and the interdepartmental
20 transfer of Eastern Twin Peaks Boulevard and the interdepartmental transfer of Assessor's
21 Parcel Block No. 2643, Lot No. 014 from Public Works to Recreation and Park Department is
22 not a project under the California Environmental Quality Act (California Public Resources
23 Code Sections 21000 et seq.); a copy of said letter is on file with the Clerk of the Board in File
24 No. 251220 and is incorporated herein by reference. The Board hereby affirms this
25 determination.

1 (b) In the Planning Letter, the Planning Department also determined that the proposed
2 vacation of Eastern Twin Peaks Boulevard and other actions contemplated in this ordinance
3 are consistent with the eight priority policies of Planning Code Section 101.1 and are, on
4 balance, in conformity with the City's General Plan. The Board adopts this determination as
5 its own.

6
7 Section 3. Street Vacation and Conditions.

8 (a) California Streets and Highways Code Sections 8300 et seq., and San Francisco
9 Public Works Code Section 787(a) set forth the procedures that the City follows to vacate
10 public streets and public service easements.

11 (b) The Board adopts as its own and incorporates by reference herein as if fully set
12 forth, the findings, recommendations, and determinations of the Public Works Director as set
13 forth in the Order concerning the vacation of the designation of Eastern Twin Peaks Boulevard
14 as public right-of-way for roadway and sidewalk purposes and other actions in furtherance
15 thereof.

16 (c) The Board finds that the designation of Eastern Twin Peaks Boulevard as public
17 right-of-way for roadway and sidewalk purposes is unnecessary for present or prospective
18 public use.

19 (d) The vacation of the designation of Eastern Twin Peaks Boulevard as public right-of-
20 way for roadway and sidewalk purposes is necessary to implement and to fulfill the objectives
21 and requirements of the Project.

22 (e) The Board finds that the public interest, convenience, and necessity require that
23 the vacation of the designation of Eastern Twin Peaks Boulevard as public right-of-way for
24 roadway and sidewalk purposes be done as declared in this ordinance.

1 (f) The vacation of the designation of Eastern Twin Peaks Boulevard as public right-of-
2 way for roadway and sidewalk shall be subject to the following conditions, which shall take
3 effect following the transfer of jurisdiction of Eastern Twin Peaks Boulevard from Public Works
4 to the Recreation and Park Department:

5 (1) Eastern Twin Peaks Boulevard shall remain a right-of-way dedicated to
6 public use and shall be re-designated for recreation and park purposes under the jurisdiction
7 of the Recreation and Park Department in perpetuity.

8 (2) Permits to excavate within Eastern Twin Peaks Boulevard shall be issued by
9 the Recreation and Park Department pursuant to the Public Works Code and the associated
10 Public Works Orders, regulations, standards, and procedures governing excavation; provided,
11 however, that the Recreation and Park Department shall be exempt from complying with the
12 Public Works Code and the associated Public Works Orders, regulations, standards, and
13 procedures governing excavation.

14 (3) All other permits shall be issued by the Recreation and Park Department
15 pursuant to the Park Code.

16
17 Section 4. Interdepartmental Property Transfer.

18 Notwithstanding the requirements of Administrative Code Chapter 23, the Board
19 hereby approves the interdepartmental property transfer of Eastern Twin Peaks Boulevard
20 and Assessor's Parcel Block No. 2643, Lot No. 014 from Public Works to the Recreation and
21 Park Department, and directs the Director of the Division of Real Estate to modify the City's
22 records concerning City property ownership and jurisdiction accordingly. Until such transfers
23 occur, Eastern Twin Peaks Boulevard and Assessor's Parcel Block No. 2643, Lot No. 014
24 shall remain under the jurisdiction of Public Works. There shall be no cost to the Recreation
25

1 and Park Department for the transfer of Eastern Twin Peaks Boulevard and Assessor's Parcel
2 Block No. 2643, Lot No. 014 from Public Works to the Recreation and Park Department.

3
4 Section 5. Clarification Regarding Resolution No. 2-25.

5 On January 16, 2025, the Board adopted Resolution No. 2-25 authorizing the
6 Recreation and Park Department to accept and expend grant funding from the California
7 Department of Parks and Recreation in the amount of \$1,493,692 to support the Project.
8 Resolution No. 2-25 states that the Grant Contract requires the City to agree to maintain the
9 area developed with grant funds as public open space in perpetuity, while it also includes
10 language stating that this use restriction was for only 20 years. This Section 5 is intended to
11 clarify and reaffirm that the Board previously agreed and continues to agree to maintain the
12 area developed with grant funds as public open space in perpetuity as stated in the Grant
13 Contract.

14
15 Section 6. Official Acts in Connection with the Ordinance.

16 The Board authorizes the Clerk of the Board, the Director of the Real Estate Division,
17 the County Surveyor, the General Manager of the Recreation and Park Department, and the
18 Public Works Director to take any and all actions which they or the City Attorney may deem
19 necessary or advisable to effectuate the purpose and intent of this ordinance, including,
20 without limitation, the filing of this ordinance in the Official Records of the City and County of
21 San Francisco, confirmation of the satisfaction of the conditions to the effectiveness of the
22 vacation of the roadway and sidewalk designation of Eastern Twin Peaks Boulevard, if any,
23 and execution and delivery of any evidence of the same, which shall be conclusive as to the
24 satisfaction of the conditions.

LEGISLATIVE DIGEST

[Street Vacation Order, Interdepartmental Property Transfer - Twin Peaks Promenade Project]

Ordinance 1) ordering the conditional vacation of the designation of portions of Christmas Tree Point Road and the eastern alignment of Twin Peaks Boulevard, generally bounded by Assessor’s Parcel Block No. 2719C, Lot No. 021, and Assessor’s Parcel Block No. 2643, Lot Nos. 006, 007, 009, and 021 (together, “Eastern Twin Peaks Boulevard”) as public right-of-way for roadway and sidewalk purposes, and ordering the re-designation of Eastern Twin Peaks Boulevard as public right-of-way for recreation and park purposes to facilitate the development of the Twin Peaks Promenade Project; 2) approving the interdepartmental transfer of Eastern Twin Peaks Boulevard and Assessor’s Parcel Block No. 2643, Lot No. 014 from Public Works to the Recreation and Park Department, notwithstanding Administrative Code, Chapter 23; 3) applying the Park Code and regulations and the excavation and backfill requirements of the Public Works Code and associated orders, regulations, standards, and procedures to Eastern Twin Peaks Boulevard, enabling the Recreation and Park Department to issue excavation permits for Eastern Twin Peaks Boulevard; 4) clarifying that the City has approved a grant restriction requiring that the Twin Peaks Promenade be operated as public open space in perpetuity; 5) authorizing official acts in connection with this Ordinance, as defined herein; 6) affirming the Planning Department’s determination under the California Environmental Quality Act; and 7) making findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1.

Existing Law

California Streets and Highways Code sections 8300 et seq. and Public Works Code section 787(a) govern the process for the vacation of City streets and public service easements.

Amendments to Current Law

This ordinance would order the conditional vacation of the designation of portions of Christmas Tree Point Road and the eastern alignment of Twin Peaks Boulevard, generally bounded by Assessor’s Parcel Block No. 2719C, Lot No. 021, and Assessor’s Parcel Block No. 2643, Lot Nos. 006, 007, 009, and 021 (together, “Eastern Twin Peaks Boulevard”) as public right-of-way for roadway and sidewalk purposes, and this ordinance would order the re-designation of Eastern Twin Peaks Boulevard as public right-of-way for recreation and park purposes to facilitate the development of the Twin Peaks Promenade Project (defined below).

In addition, this ordinance would approve the interdepartmental transfer of Eastern Twin Peaks Boulevard and Assessor's Parcel Block No. 2643, Lot No. 014, from Public Works to the Recreation and Park Department, notwithstanding Administrative Code Chapter 23.

Moreover, this ordinance would apply the Park Code and regulations and the excavation and backfill requirements of the Public Works Code and associated orders, regulations, standards, and procedures to Eastern Twin Peaks Boulevard, enabling the Recreation and Park Department to issue excavation permits for Eastern Twin Peaks Boulevard. Under the applicable Public Works Order, with respect to any excavation of Eastern Twin Peaks Boulevard, surfaces comprised of plant cover, landscaping, or other special materials would need to be restored in kind based on specifications to be approved by the Recreation and Park Department.

In addition, this ordinance would clarify that the City has approved a grant-related restriction requiring that the Twin Peaks Promenade be operated as public open space in perpetuity.

Following the adoption of this ordinance, Eastern Twin Peaks Boulevard would remain public right-of-way. Therefore, the San Francisco Public Utilities Commission ("SFPUC") would continue to have access to the SFPUC facilities located within Eastern Twin Peaks Boulevard. In addition, the utility facilities that Pacific Gas and Electric Company ("PG&E") currently owns and operates within Eastern Twin Peaks Boulevard would remain accessible to PG&E pursuant to that certain franchise granted to PG&E according to Board Bill No. 326, Ordinance No. 414 (Series 1939), following the adoption of this ordinance.

Background Information

The vacation of the roadway and sidewalk use designations of Eastern Twin Peaks Boulevard is necessary to implement the Twin Peaks Promenade project ("Twin Peaks Promenade Project" or the "Project"), which will include the conversion of Eastern Twin Peaks Boulevard from paved asphalt to a combination of asphalt and aggregate trail surfacing for a multi-use pathway, removal of a portion of a concrete barrier and a metal guardrail along the eastern side of the pavement to provide more expansive views, and installation of new landscaping, vegetation restoration, erosion control measures, bicycle racks, seating areas, interpretive and wayfinding signage, split-rail fencing, a new parking area with an accessible parking space, and placement of removable bollards at emergency vehicle access points. The Project will support additional recreational opportunities for San Francisco residents, visitors, and persons with disabilities, while concurrently maintaining existing two-way vehicular access along the western alignment of the Twin Peaks Boulevard "Figure 8," which will remain unaltered.

The Recreation and Park Department has developed the Project and the concept for the Project over the course of more than a decade.

Twin Peaks Open Space Overview

- Twin Peaks is a 31-acre iconic open space
- A regional destination/ internationally-recognized tourist attraction
- Offers panoramic views of the City and surrounding Bay Area

TO FACILITATE THE DEVELOPMENT OF THE TWIN PEAKS PROMENADE PROJECT, RECOMMENDING THAT THE BOARD OF SUPERVISORS VACATE THE DESIGNATION OF PORTIONS OF CHRISTMAS TREE POINT ROAD AND THE EASTERN ALIGNMENT OF TWIN PEAKS BOULEVARD, GENERALLY BOUNDED BY ASSESSOR’S PARCEL BLOCK NO. 2719C LOT NO. 021, ASSESSOR’S PARCEL BLOCK NO. 2643 LOT NOS. 006, 007, 009 AND 021 (TOGETHER “EASTERN TWIN PEAKS BOULEVARD”), AS PUBLIC RIGHT-OF-WAY FOR ROADWAY AND SIDEWALK PURPOSES, AND RE-DESIGNATE EASTERN TWIN PEAKS BOULEVARD AS PUBLIC RIGHT-OF-WAY FOR RECREATION AND PARK PURPOSES; APPROVE THE JURISDICTIONAL TRANSFER OF EASTERN TWIN PEAKS BOULEVARD FROM PUBLIC WORKS TO THE RECREATION AND PARK DEPARTMENT; APPLY THE PARK CODE AND REGULATIONS AND THE EXCAVATION AND BACKFILL REQUIREMENTS OF THE PUBLIC WORKS CODE AND ASSOCIATED ORDERS AND REGULATIONS TO EASTERN TWIN PEAKS BOULEVARD, ENABLING THE RECREATION AND PARK DEPARTMENT TO ISSUE EXCAVATION PERMITS CONCERNING EASTERN TWIN PEAKS BOULEVARD; AND APPROVE THE JURISDICTIONAL TRANSFER OF ASSESSOR’S PARCEL BLOCK NO. 2643 LOT NO. 014, WHICH IS ADJACENT TO TWIN PEAKS BOULEVARD, FROM PUBLIC WORKS TO THE RECREATION AND PARK DEPARTMENT; AND APPROVING EXCAVATION BACKFILL STANDARDS APPLICABLE TO EASTERN TWIN PEAKS BOULEVARD.

WHEREAS, The City and County of San Francisco has fee title ownership of property underlying the public right-of-ways pertaining to this order; and

WHEREAS, The Recreation and Park Department (“RPD”) has sought and obtained grant funds to implement the Twin Peaks Promenade project, which will include the conversion of the roadway along the eastern alignment of Twin Peaks Boulevard, between Christmas Tree Point Road to a point approximately 1,580 feet south at the point of closure of the “Figure 8” atop Twin Peaks Boulevard, from paved asphalt to a multi-use pathway material, removal of a portion of concrete barrier and a small section of metal guardrail along the western side of the pavement to provide more expansive views for park users, removal of a dirt trail east of the concrete barrier, and installation of new landscaping, landscape accent elements, bicycle racks, interpretive and wayfinding signage, split-rail fencing, parking area striping and accessible parking spaces, and placement of bollards or boulders for fire and emergency access (the “Project”); and

WHEREAS, The Project will support additional recreational opportunities for San Francisco residents, visitors, and persons with disabilities, while concurrently maintaining existing vehicular access along the western alignment of the Twin Peaks “Figure 8” which will remain unaltered; and

WHEREAS, On February 16, 2012, the Recreation and Park Commission adopted Resolution No. 1202-003, approving the concept plan for the Twin Peaks Trail Restoration, and Resolution No. 1202-005, recommending that the Board of Supervisors approve the interdepartmental transfer of Assessor's Parcel Block No. 2643, Lot No. 014, real property maintained by the Recreation and Park Department within Twin Peaks Park from the Department of Public Works ("Public Works") to the Recreation and Park Department; and

WHEREAS, On March 2, 2021, pursuant to California Vehicle Code section 21101, the San Francisco Municipal Transportation Agency Board of Directors adopted Resolution No. 201302-029 to help achieve the "Twin Peaks for All" project goals, finding that Twin Peaks Boulevard between Burnett Avenue and Christmas Tree Point Road, in both directions, is no longer needed for vehicular traffic, except for bicycles and emergency vehicles; and

WHEREAS, On October 21, 2021, the Recreation and Park Commission adopted Resolution No. 2110-005, approving the application for Regional Park Program Grant Funds for Twin Peaks Promenade and Trails Improvement Project from the California Department of Parks and Recreation, and on October 25, 2022, the Board of Supervisors adopted Resolution No. 449-22, authorizing the Recreation and Park Department to accept and expend grant funding from the California Department of Parks and Recreation in the amount of up to \$1,900,000 to support the Project; and

WHEREAS, On May 19, 2022, the Recreation and Park Commission adopted Resolution No. 2205-005, approving the application for Habitat Conservation Funds for the Twin Peaks Trails Improvement Project, and on November 15, 2022, the Board of Supervisors adopted Resolution No. 489-22, authorizing the Recreation and Park Department to accept and expend grant funding from the California Department of Parks and Recreation Habitat Conservation Fund in the amount of \$350,000 to support the Project; and

WHEREAS, On June 16, 2022, the Recreation and Park Commission adopted Resolution No. 2206-006, approving a conceptual plan for the Twin Peaks Promenade and, pending confirmation of funding for construction, recommending that the Board of Supervisors transfer jurisdiction of the Twin Peaks Promenade from Public Works to the Recreation and Park Department; and

WHEREAS, On September 21, 2023, the Recreation and Park Commission adopted Resolution No. 2309-010, approving the application to the Recreational Trails Program for the Twin Peaks Promenade Project, and on January 14, 2025, the Board of Supervisors adopted Resolution No. 2-25, authorizing the Recreation and Park Department to accept and expend grant funding from the California Department of Parks and Recreation in the amount of \$1,493,692 to support the Project; and

WHEREAS, On August 15, 2024, the Recreation and Park Commission adopted Resolution No. 2408-003 to accept and expend a cash grant of \$37,000 from the Bay Area Ridge Trail Council to fund the construction of a memorial bench and interpretive and/or wayfinding signs as part of the Twin Peaks Trails Improvements and Promenade Project; and

WHEREAS, The area to be vacated of its roadway designation consists of an undeveloped portion of the eastern alignment of Twin Peaks Boulevard, generally bounded by Christmas Tree Point Road and Assessor's Parcel Block No. 2719C Lot No. 021 to the north, Assessor's Parcel Block No. 2643 Lots 006 and 21 to the west, Assessor's Parcel Block 2643 No. Lot 007 to the east, and Assessor's Parcel Block

No. 2643 Lot No. 009 to the south, as shown on SUR Map No. 2025-005, dated October 20, 2025 (“Eastern Twin Peaks Boulevard”); and

WHEREAS, The re-designation of the Eastern Twin Peaks Boulevard as recommended in this Order is necessary to ensure that Eastern Twin Peaks Boulevard will be used for recreational and park purposes in perpetuity, as intended by the Project and not for roadway purposes; and

WHEREAS, Presently, Eastern Twin Peaks Boulevard contains facilities owned by Pacific Gas and Electric (“PG&E”) and one catch basin owned by the San Francisco Public Utilities Commission (“SFPUC”); and

WHEREAS, To facilitate the Project while enabling PG&E to continue to exercise its franchise rights that apply to City streets that have been publicly dedicated and accepted by the Board of Supervisors for maintenance and liability, pursuant to that certain franchise granted to PG&E according to Board Bill No. 326, Ordinance No. 414 (Series 1939), the Department recommends that the Board vacate the “roadway” designation of Eastern Twin Peaks Boulevard while retaining the City right-of-way designation of the Eastern Twin Peaks Boulevard and re-designating the Eastern Twin Peaks Boulevard as right-of-way for recreation and park purposes; and

WHEREAS, In a letter dated December 20, 2022 (Case No. 2022-011364GPR), the Planning Department found the vacation of Eastern Twin Peaks Boulevard to be in conformity with the General Plan and consistent with the Eight Priority Policies of Planning Code Section 101.1; and

WHEREAS, In the same letter, the Planning Department determined the vacation of the Eastern Twin Peaks Boulevard is not a project under Guidelines Sections 15378 and 15060(c)(2) of the California Environmental Quality Act (“CEQA”); and

WHEREAS, On May 4, 2022, the Planning Department determined that the Twin Peaks Promenade Project is exempt from the California Environmental Quality Act (“CEQA”) under the Class 1 (Guidelines Section 15301), Class 3 (Guidelines Section 15303), and Class 5 (Guidelines

Section 15304) categorical exemptions (2022-003295ENV); and

WHEREAS, The jurisdictional transfer of Assessor’s Parcel Block No. 2643 Lot No. 014 from Public Works to the Recreation and Park Department is necessary to consolidate certain City property within the control and jurisdiction of the Recreation and Park Department along the Twin Peaks hillside and to implement the renovation of the pedestrian trail that connects Crestline Drive to the future promenade at Twin Peaks Boulevard; and

WHEREAS, The Recreation and Park Department is charged with implementing the Significant Natural Resources Management Plan, which includes some of the City’s largest remaining expanses of coastal scrub and coastal prairie communities that provide habitat for the endangered Mission blue butterfly, and which encompasses Assessor’s Parcel Block No. 2643 Lot 014; and the jurisdictional transfer of

Assessor's Parcel Block No. 2643 Lot No. 014 will allow the Recreation and Park Department to more effectively manage the Twin Peaks Natural Area; and

WHEREAS, Pursuant to California Streets and Highway Code Sections 8300 et seq. and Public Works Code Section 787(a), Public Works has initiated the process to vacate Eastern Twin Peaks Boulevard; and

WHEREAS, Public Works sent notice of the proposed street vacation, the draft SUR map drawing, a copy of the petition letter, and a Public Works referral letter to the San Francisco Municipal Transportation Agency, the San Francisco Fire Department, the San Francisco Public Utilities Commission, the San Francisco Planning Department, Point to Point, Inc., Level 3 Communications, LLC, Pacific Gas and Electric Co., AT&T, ExteNet Systems, LLC, Wave Broadband, NRG Energy, Inc., Verizon Communications, Sprint / T-Mobile, XO Communications, and the Bay Area Rapid Transit; and

WHEREAS, No public or private utility company or agency objected to the proposed vacation; and

WHEREAS, The Department finds the Eastern Twin Peaks Boulevard is unnecessary for present or prospective public use as public right-of-way for sidewalk and roadway purposes; and

WHEREAS, The vacation of the roadway designation of Eastern Twin Peaks Boulevard is being carried out pursuant to the California Streets and Highways Code sections 8300 *et seq.*, and section 787 of the San Francisco Public Works Code; and

WHEREAS, The vacation of the roadway designation of Eastern Twin Peaks Boulevard does not deprive any private landowner of access to the built public street grid; and

WHEREAS, The public interest, convenience, and necessity do not require the City to reserve any other easements or other rights for any public or private utilities or facilities that may be in place in Eastern Twin Peaks Boulevard and that any rights based upon any such public or private utilities or facilities are unnecessary and should be extinguished, provided however, that the proposed vacation is not intended to alter PG&E's franchise rights in Eastern Twin Peaks Boulevard; and

WHEREAS, In accordance with Streets and Highways Code, Sections 892 and 8314, the right-of-way and parts thereof proposed for vacation are not useful as a nonmotorized transportation facility, as defined in Streets and Highways Code Section 887; and

WHEREAS, The Department obtained the consent of all property owners adjacent to Eastern Twin Peaks Boulevard to vacate the designation of Eastern Twin Peaks Boulevard as public right-of-way for sidewalk and roadway purposes; and

WHEREAS, Eastern Twin Peaks Boulevard is presently in Public Works' jurisdiction and if the Board of Supervisors approves the street vacation and the designation of Eastern Twin Peaks Boulevard as public right-of-way for recreation and park purposes, the Recreation and Park Department shall have jurisdiction over Eastern Twin Peaks Boulevard and shall apply the excavation and backfill requirements of the Public Works Code and associated Orders and regulations and the Park Code and regulations to Eastern Twin Peaks Boulevard, with the assistance of Public Works, subject to reimbursement from the Recreation and Park Department for Public Works' costs, the terms of which will be memorialized in a memorandum of understanding between the Public Works, the Recreation and Park Department, and the SFPUC, and

SFPUC shall coordinate with the Recreation and Park Department with regard to the SFPUC catch basin and other matters concerning Eastern Twin Peaks Boulevard.

NOW, THEREFORE, BE IT ORDERED THAT:

The Director adopts the preceding recitals as findings and based on the recitals stated in this Order, the Director approves the ordinance and the SUR Map in substantial form as attached herein and referenced in numbers 1 and 2 below, respectively, and the excavation backfill requirements set forth in number 3 below:

1. *Ordinance*. Proposed Ordinance to vacate the roadway designation of the Eastern Twin Peaks Boulevard as shown on Department of Public Works SUR Map No. 2025-005, dated October 20, 2025, and to designate the Eastern Twin Peaks Boulevard as public right-of-way for recreation and park purposes; to approve the jurisdictional transfer of Assessor's Parcel Block No. 2643 Lot No. 014 from Public Works to the Recreation and Park Department; to apply the excavation and backfill requirements of the Public Works Code and associated Orders and regulations and the Park Code and regulations to Eastern Twin Peaks Boulevard, with the assistance of Public Works, subject to reimbursement from the Recreation and Park Department for Public Works' costs; and to exempt the Recreation and Park Department from any permits issued under the Public Works Code.
2. *SUR Map*. SUR Map No. 2025-005 dated October 20, 2025.
3. *Excavation Backfill Requirements for Eastern Twin Peaks Boulevard*. Surfaces comprised of plant cover, landscaping, or other special materials shall be restored in kind. Excavation permittee shall contact RPD for specifications; if specifications are not available, excavator shall submit in kind material submittals for RPD's approval.

In addition, the Director recommends that the Board of Supervisors adopts the findings, recommendations, and determinations of the Director concerning the vacation of the designation of Eastern Twin Peaks Boulevard as public right-of-way for roadway and sidewalk purposes and approve the ordinance to vacate said Eastern Twin Peaks Boulevard, as set forth and subject to the conditions in this Order.

The Director further recommends the Board of Supervisors authorize the Mayor, Clerk of the Board, Director of Property, Recreation and Park General Manager, County Surveyor, and Director of Public Works to take any and all actions which they or the City Attorney may deem necessary or advisable to effectuate the purpose and intent of said vacation.

The new Twin Peaks Promenade will formalize the Bay Area Ridge Trail alignment by converting the closed roadway into a linear park. A portion of the roadway will be resurfaced to create a multi-use trail for pedestrians, bicyclists, roller skaters/skate boarders, and persons with disabilities.

RE: Application for DPW Public Street Vacation for Twin Peaks Promenade Project

Dear Director Short:

The Recreation and Park Department (RPD) hereby submits the DPW Public Street Vacation Application for the Twin Peaks Promenade project. The project was issued a CEQA categorical exemption by the San Francisco Planning Department on May 4, 2022 (Case No. 2022-003295ENV, see attached). Additional project approvals to be secured include approval of the conceptual design by the Recreation and Park Commission and a General Plan Referral determination from the San Francisco Planning Department which will be provided to the DPW-assigned planner once issued.

The Twin Peaks Promenade project proposes the street vacation of a portion of the asphalt roadway atop the Twin Peaks "Figure 8" (eastern alignment only from Christmas Tree Point Road to approximately 1,580 feet southerly). The area of the proposed vacation footprint aligns with the existing eastern alignment roadway and is generally bounded by Christmas Tree Point Rd to the north and the Twin Peaks Blvd split to the south. As part of a previous pilot program, the vacation site was closed to vehicular traffic while remaining available as open space to allow SFMTA to evaluate circulation impacts and solicit community feedback for permanent closure of the eastern alignment of the Figure 8. Permanent street closure was approved by the SFMTA Board on April 21, 2020 per Resolution No. 200421-041 (see attached).

The purpose of the vacation is to lay the groundwork for a repurposing of the site from vehicular use to pedestrian and bicycle-oriented recreational open space atop one of San Francisco's most iconic destinations: Twin Peaks. Specifically, RPD seeks to redevelop the site as a new Twin Peaks promenade that would include comprehensive surface improvements to create pedestrian and bicycle pathways with associated landscaping, seating, signage, bicycle parking and other amenities (per Twin Peaks Promenade project plans attached). The envisioned promenade would establish a recreational and open space connection between the two peaks and broader trail system to support additional recreational opportunities for San Francisco residents and visitors, while concurrently maintaining existing vehicular access along the western half the Figure 8 which would remain unaltered.

The project supports numerous policies under Objective 3 of the Recreation and Open Space Element of the San Francisco General Plan to “Improve Access and Connectivity to Open Space”. The project also supports the City’s Climate Action goals related to ecosystem management and restoration and Objective 4 of the Open Space Element to “preserve, protect and restore local biodiversity,” as it will enhance sustainability and resiliency by replacing a large expanse of asphalt roadway with native drought-tolerant plants and permeable surfaces that will bolster soil health while reducing urban heat island effects.

Respectfully,

Chris Townes

<p>Project description for Planning Department approval.</p> <p>REC & PARK: Twin Peaks Promenade - The scope of work includes: 1. Conversion of 1/3 to 1/2 of the roadway (approximately 10,000-20,000 SF) from paved asphalt to a different pathway material (such as Park Tread, decomposed granite w/binding, or light colored permeable concrete). 2. Removal of all or most of the concrete barrier and small section of existing metal guardrail along the western side of the pavement, in order to provide more expansive views for park users and to minimize graffiti. 3. Removal of narrow informal dirt trail just east of the concrete barrier. 4. New landscaping, including: 1. Seeding the length and width of the narrow informal dirt trail, just east of the paved roadway and concrete barrier, to match existing plants on the eastern flank of Twin Peaks and provide a natural buffer to the sloped hillside. 2. Possible minimal roadway planting, to be 100% drought-tolerant species. 3. Installation of landscape accent elements (i.e.- boulders or other simple seating). 4. Installation of bicycle racks (estimated 3-5, likely provided through SFMTA program; see representative photo in attached materials board). 5. Two interpretive signs, each with unique content (see representative photo in attached materials board). 6. STEP 1: EXEMPTION TYPE

The project has been determined to be exempt under the California Environmental Quality Act (CEQA).	
<input checked="" type="checkbox"/>	Class 1 - Existing Facilities. Interior and exterior alterations; additions under 10,000 sq. ft.
<input checked="" type="checkbox"/>	Class 3 - New Construction. Up to three new single-family residences or six dwelling units in one building; commercial/office structures; utility extensions; change of use under 10,000 sq. ft. if principally permitted or with a CU.
<input type="checkbox"/>	<p>Class 32 - In-Fill Development. New Construction of seven or more units or additions greater than 10,000 sq. ft. and meets the conditions described below:</p> <p>(a) The project is consistent with the applicable general plan designation and all applicable general plan policies as well as with applicable zoning designation and regulations.</p> <p>(b) The proposed development occurs within city limits on a project site of no more than 5 acres substantially surrounded by urban uses.</p> <p>(c) The project site has no value as habitat for endangered rare or threatened species.</p> <p>(d) Approval of the project would not result in any significant effects relating to traffic, noise, air quality, or water quality.</p> <p>(e) The site can be adequately served by all required utilities and public services.</p> <p>FOR ENVIRONMENTAL PLANNING USE ONLY</p>
<input checked="" type="checkbox"/>	Other _____ CLASS 4: MINOR ALTERATIONS TO LAND
<input type="checkbox"/>	Common Sense Exemption (CEQA Guidelines section 15061(b)(3)). It can be seen with certainty that there is no possibility of a significant effect on the environment. FOR ENVIRONMENTAL PLANNING USE ONLY

STEP 2: ENVIRONMENTAL SCREENING ASSESSMENT

TO BE COMPLETED BY PROJECT PLANNER

<input type="checkbox"/>	<p>Air Quality: Would the project add new sensitive receptors (specifically, schools, day care facilities, hospitals, residential dwellings, and senior-care facilities within an Air Pollution Exposure Zone? Does the project have the potential to emit substantial pollutant concentrations (e.g. use of diesel construction equipment, backup diesel generators, heavy industry, diesel trucks, etc.)? <i>(refer to The Environmental Information tab on the San Francisco Property Information Map)</i></p>
<input type="checkbox"/>	<p>Hazardous Materials: If the project site is located on the Maher map or is suspected of containing hazardous materials (based on a previous use such as gas station, auto repair, dry cleaners, or heavy manufacturing, or a site with underground storage tanks): Would the project involve 50 cubic yards or more of soil disturbance - or a change of use from industrial to residential?</p> <p>Note that a categorical exemption shall not be issued for a project located on the Cortese List if box is checked, note below whether the applicant has enrolled in or received a waiver from the San Francisco Department of Public Health (DPH) Maher program, or if Environmental Planning staff has determined that hazardous material effects would be less than significant. (refer to The Environmental Information tab on the San Francisco Property Information Map)</p>
<input type="checkbox"/>	<p>Transportation: Does the project involve a child care facility or school with 30 or more students, or a location 1,500 sq. ft. or greater? Does the project have the potential to adversely affect transit, pedestrian and/or bicycle safety (hazards) or the adequacy of nearby transit, pedestrian and/or bicycle facilities?</p>
<input type="checkbox"/>	<p>Archeological Resources: Would the project result in soil disturbance/modification greater than two (2) feet below grade in an archeological sensitive area or eight (8) feet in a non-archeological sensitive area? If yes, archeology review is required.</p>
<input type="checkbox"/>	<p>Subdivision/Lot Line Adjustment: Does the project site involve a subdivision or lot line adjustment on a lot with a slope average of 20% or more? <i>(refer to The Environmental Information tab on the San Francisco Property Information Map)</i> If box is checked, Environmental Planning must issue the exemption.</p>
<input type="checkbox"/>	<p>Average Slope of Parcel = or > 25%, or site is in Edgehill Slope Protection Area or Northwest Mt. Sutro Slope Protection Area: Does the project involve any of the following: (1) New building construction, except one-story storage or utility occupancy, (2) horizontal additions, if the footprint area increases more than 50%, or (3) horizontal and vertical additions increase more than 500 square feet of new projected roof area? <i>(refer to The Environmental Planning tab on the San Francisco Property Information Map)</i> If box is checked, a geotechnical report is likely required and Environmental Planning must issue the exemption.</p>
<input type="checkbox"/>	<p>Seismic Hazard: <input type="checkbox"/> Landslide or <input type="checkbox"/> Liquefaction Hazard Zone:</p> <p>Does the project involve any of the following: (1) New building construction, except one-story storage or utility occupancy, (2) horizontal additions, if the footprint area increases more than 50%, (3) horizontal and vertical additions increase more than 500 square feet of new projected roof area, or (4) grading performed at a site in the landslide hazard zone? <i>(refer to The Environmental tab on the San Francisco Property Information Map)</i> If box is checked, a geotechnical report is required and Environmental Planning must issue the exemption.</p>

STEP 7: MODIFICATION OF A CEQA EXEMPT PROJECT

TO BE COMPLETED BY PROJECT PLANNER

In accordance with Chapter 31 of the San Francisco Administrative Code, when a California Environmental Quality Act (CEQA) exempt project changes after the Approval Action and requires a subsequent approval, the Environmental Review Officer (or his or her designee) must determine whether the proposed change constitutes a substantial modification of that project. This checklist shall be used to determine whether the proposed changes to the approved project would constitute a "substantial modification" and, therefore, be subject to additional environmental review pursuant to CEQA.

MODIFIED PROJECT DESCRIPTION

Modified Project Description:

DETERMINATION IF PROJECT CONSTITUTES SUBSTANTIAL MODIFICATION

Compared to the approved project, would the modified project:

<input type="checkbox"/>	Result in expansion of the building envelope, as defined in the Planning Code;
<input type="checkbox"/>	Result in the change of use that would require public notice under Planning Code Sections 311 or 312;
<input type="checkbox"/>	Result in demolition as defined under Planning Code Section 317 or 19005(f)?
<input type="checkbox"/>	Is any information being presented that was not known and could not have been known at the time of the original determination, that shows the originally approved project may no longer qualify for the exemption?

If at least one of the above boxes is checked, further environmental review is required

DETERMINATION OF NO SUBSTANTIAL MODIFICATION

<input type="checkbox"/>	The proposed modification would not result in any of the above changes.
If this box is checked, the proposed modifications are exempt under CEQA, in accordance with prior project approval and no additional environmental review is required. This determination shall be posted on the Planning Department website and office and mailed to the applicant, City approving entities, and anyone requesting written notice. In accordance with Chapter 31, Sec 31.08j of the San Francisco Administrative Code, an appeal of this determination can be filed to the Environmental Review Officer within 10 days of posting of this determination.

RESOLUTION No. 200421-041

WHEREAS, Twin Peaks is an iconic open space landmark in San Francisco, to be enjoyed by all in safety and comfort; and,

WHEREAS, The Twin Peaks Boulevard Figure 8 Pilot Project has allowed the SFMTA to evaluate circulation impacts and solicit community feedback for permanent closure of the eastern alignment of the Figure 8; and,

WHEREAS, Vehicle circulation at Twin Peaks remained relatively unchanged under the Pilot Project, and vehicles are traveling at safer speeds; and,

WHEREAS, SFMTA staff have determined that the eastern alignment of Twin Peaks Boulevard in the the “Figure 8” loop is no longer needed for vehicular traffic pursuant to California Vehicle Code section 21101, except for bicycles and emergency vehicles, because it is necessary for the safety and comfort of vulnerable street users; and,

WHEREAS, SFMTA staff have proposed to make permanent the Pilot Project’s traffic modifications as follows:

- A. ESTABLISH - ROAD CLOSURE, EXCEPT, BICYCLES AND EMERGENCY VEHICLES - Twin Peaks Boulevard, eastern alignment, from Christmas Tree Point Road to 1,700 feet southerly (closes existing northbound one-way portion of figure eight loop to vehicles)
- B. ESTABLISH - TWO-WAY STREET - Twin Peaks Boulevard, western alignment, from Christmas Tree Point Road to 1,500 feet southerly (converts existing southbound one-way portion of figure eight loop to two-way operation); and,

WHEREAS, The public has been notified about the proposed modifications and has been given the opportunity to comment on these modifications through the SFMTA Engineering Public Hearing process; and,

WHEREAS, The proposed Twin Peaks Permanent Project is subject to the California Environmental Quality Act (CEQA); CEQA provides a categorical exemption from environmental review for operation, repair, maintenance, or minor alteration of existing highways and streets, sidewalks, gutters, bicycle and pedestrian trails, and similar facilities as defined in Title 14 of the California Code of Regulations Section 15301; and,

WHEREAS, On April 2, 2020, the San Francisco Planning Department determined (Case Number 2020-003882ENV) that the proposed Twin Peaks Permanent Project is categorically exempt from CEQA pursuant to Title 14 of the California Code of Regulations Section 15301; and,

WHEREAS, The proposed action is the Approval Action as defined by S.F. Administrative Code Chapter 31; and,

WHEREAS, A copy of the CEQA determination is on file with the Secretary to the SFMTA Board of Directors, and may be found in the records of the Planning Department at 1650 Mission Street in San Francisco, and are incorporated herein by reference; and,

WHEREAS, Final SFMTA decisions, whether made by the City Traffic Engineer or the SFMTA Board, can be reviewed by the Board of Supervisors pursuant to Ordinance 127-18; however, none of the proposed traffic modifications are subject to the review by the Board of Supervisors pursuant to Ordinance 127-18; now therefore be it

RESOLVED, That the San Francisco Municipal Transportation Agency Board of Directors finds that Twin Peaks Boulevard, eastern alignment, from Christmas Tree Point Road to the southern end of the “Figure 8” roadway is no longer needed for vehicular traffic pursuant to California Vehicle Code Section 21101, except for bicycles and emergency vehicles, because it is necessary for the safety and comfort of vulnerable street users; and, be it further

RESOLVED, That the San Francisco Municipal Transportation Agency Board of Directors approves permanently closing Twin Peaks Boulevard, eastern alignment, from Christmas Tree Point Road to the southern end of the “Figure 8” roadway to vehicular traffic except for bicycles and emergency vehicles, and changing the one-way direction of Twin Peaks Boulevard, western alignment, from Christmas Tree Point Road to the northern end of the “Figure 8” roadway to two-way, as set forth in Items A and B above.

I certify that the foregoing resolution was adopted by the San Francisco Municipal Transportation Agency Board of Directors at its meeting of April 21, 2020.

RE: Letter of Intent to Transfer Jurisdiction of the Twin Peaks Promenade Project Site from the SF Department of Public Works to the SF Recreation and Park Department

Dear Mr. Ginsburg:

The San Francisco Department of Public Works is the current jurisdictional owner of the proposed Twin Peaks Promenade Project. We have received your application for a street vacation for this section of the roadway. Traffic was removed from this roadway section by the SFMTA Board of Directors on April 21, 2020. I understand that RPD is applying for a grant from California State Parks; this letter confirms Public Works' support of the proposed street vacation to allow the City to move forward with the Twin Peaks Promenade Project, pending approval from the Board of Supervisors.

Project Site: Eastern alignment roadway atop Twin Peaks "Figure 8" from Christmas Tree Point Rd to approx. 1,580 feet southerly. See below:

TWIN PEAKS PROMENADE CONCEPT DESIGN PLAN

I commit that Public Works will move forward with the associated land transfer to the Recreation and Park Department, subject to receipt of all required documentation and subsequent approval

though the City's legislative process. The street vacation and transfer will occur upon securing grant funds to convert the closed roadway into a multi-use trail/promenade.

Thank You,

Project Description

The Recreation and Park Department (RPD) proposes two street vacations and inter-jurisdictional property transfers. RPD also proposes classification of a State of California Department of Transportation (CalTrans) parcel as “park” within the Park Code. These decisions require a General Plan Referral prior to action by the Board of Supervisors (BOS). See a description of each project below.

- 1. Twin Peaks “Figure-8” ROW and adjacent parcel:** RPD seeks to vacate and transfer jurisdiction of the eastern alignment of the Twin Peaks Boulevard “Figure 8” from Christmas Tree Point Road to approximately 1,580 feet southerly at the close of the “Figure 8” (located between Assessor Block 2643, Lots 006, 021, and 007) from the Department of Public Works (DPW) to RPD. RPD also seeks to transfer jurisdiction of Assessor Block 2643, Lot 014 to RPD since this parcel is sandwiched between RPD-jurisdiction properties and is currently maintained by RPD. This street vacation and inter-jurisdictional transfer will support a renovation that will convert the eastern alignment of the Twin Peaks Boulevard “Figure 8” from a roadway permanently closed to vehicular traffic into a promenade that would include

comprehensive surface improvements to create pedestrian and bicycle pathways with associated landscaping, seating, signage, bicycle parking, and other amenities. The envisioned promenade would also establish recreational and open space connection between the two peaks and broader trail system to support additional recreational opportunities for San Francisco residents and visitors, while concurrently maintaining vehicular access along the western half of the “Figure 8,” which would remain unaltered. See Exhibits 1 and 2.

2. **Esprit Park perimeter ROW:** RPD seeks to vacate and transfer jurisdiction of a portion of the ROW’s along the entire perimeter of Esprit Park (fronting Block 4061, Lot 002, ranging in width from roughly three feet to 12 feet) from DPW to RPD. This includes ROW along Indiana Street, 20th Street, Minnesota Street, and 19th Street. These park edges are currently improved as park land and will be renovated along with the interior of the park. The proposed vacation and transfer will allow RPD to improve, utilize and maintain the entire park area consistent with the Esprit Park Renovation plan. See Exhibit 3.
3. **Selby Palou for CalTrans lease:** Selby Palou Mini Park is composed of three lots, two RPD-owned lots (Block 5331, Lot 055 and Lot 057) and one State of California Department of Transportation (CalTrans)-owned lot (Block 5331, Lot 056). As part of the lease agreement with CalTrans, RPD proposes to amend the Park Code to designate Block 5331, Lot 056 as “park” when used in the Park Code. This will allow RPD to manage and utilize the parcel in the same manner as the adjacent, RPD-owned parcels. See Exhibits 4 and 5.

Environmental Review

Not defined as a project under CEQA Guidelines Sections 15378 and 15060(c)(2) because it would not result in a direct or indirect physical change in the environment.

General Plan Compliance and Basis for Recommendation

As described below, this project is consistent with the Eight Priority Policies of Planning Code Section 101.1 and is, on balance, **in conformity** with the General Plan.

RECREATION AND OPEN SPACE ELEMENT

OBJECTIVE 1

ENSURE A WELL-MAINTAINED, HIGHLY UTILIZED, AND INTEGRATED OPEN SPACE SYSTEM

Policy 1.1

Encourage the dynamic and flexible use of existing open spaces and promote a variety of recreation and open space uses, where appropriate.

The street vacation and inter-jurisdictional transfer of the eastern alignment of the Twin Peaks “Figure-8” ROW allows for the future establishment of dynamic and flexible recreation and open space uses in the form of an envisioned pedestrian and bicycle promenade.

Policy 1.4

Maintain and repair recreational facilities and open spaces to modern maintenance standards.

The interjurisdictional transfer of DPW-owned ROW along the perimeter of Esprit Park will allow RPD to improve, utilize, and maintain the entire park area consistent with the Esprit Park Renovation plan.

OBJECTIVE 2

INCREASE RECREATION AND OPEN SPACE TO MEET THE LONG-TERM NEEDS OF THE CITY AND BAY REGION

Policy 2.1

Prioritize acquisition of open space in high needs areas.

All three named projects effectively acquire additional open space for recreation. Specifically, the lease and “park” designation of a CalTrans-owned parcel at Selby-Palou Mini Park allows RPD to administer this area like RPD-owned adjacent parcels that together compose the park.

Policy 2.8

Consider repurposing underutilized City-owned properties as open space and recreational facilities.

For both the interjurisdictional transfers of the Twin Peaks “Figure-8” eastern alignment and Esprit Park perimeter ROW, RPD explicitly intends to repurpose underutilized DPW-owned land as new or improved open space and recreational facilities.

OBJECTIVE 3

IMPROVE ACCESS AND CONNECTIVITY TO OPEN SPACE

Policy 3.1

Creatively develop existing publicly-owned right-of-ways and streets into open space.

For the interjurisdictional transfer of the Twin Peaks “Figure-8” eastern alignment, RPD explicitly intends to develop creatively existing public ROW as new or improved open space, such as a bike and pedestrian promenade. The Esprit Park interjurisdictional transfer will enable RPD to improve and maintain the subject ROW space as official park space, where currently it is only unofficial park space.

Policy 3.4

Encourage non-auto modes of transportation – transit, bicycle and pedestrian access—to and from open spaces while reducing automobile traffic and parking in public open spaces.

For the interjurisdictional transfer of the Twin Peaks “Figure-8” eastern alignment, RPD explicitly intends to create a new bike and pedestrian promenade on an existing street, which would enhance bicycle and pedestrian access at Twin Peaks while limiting automobile traffic in and around this open space area.

TRANSPORTATION ELEMENT

OBJECTIVE 19

ESTABLISH A STREET HIERARCHY SYSTEM IN WHICH THE FUNCTION AND DESIGN OF EACH STREET ARE CONSISTENT WITH THE CHARACTER AND USE OF ADJACENT LAND.

Policy 19.5

Mitigate and reduce the impacts of automobile traffic in and around parks and along shoreline recreation areas.

For the interjurisdictional transfer at the Twin Peaks “Figure-8” eastern alignment, RPD explicitly intends to create a new bike and pedestrian promenade on an existing permanently closed roadway, which would mitigate and reduce the impacts of automobile traffic in and around existing park area.

OBJECTIVE 29

ENSURE THAT BICYCLES CAN BE USED SAFELY AND CONVENIENTLY AS A PRIMARY MEANS OF TRANSPORTATION, AS WELL AS FOR RECREATIONAL PURPOSES.

Policy 29.9

Identify and expand recreational bicycling opportunities.

For the interjurisdictional transfer at the Twin Peaks “Figure-8” eastern alignment, RPD explicitly intends to create a new bike and pedestrian promenade on an existing permanently closed roadway, which would expand recreational bicycling opportunities in the area.

CENTRAL WATERFRONT AREA PLAN**OBJECTIVE 5.5**

ENSURE THAT EXISTING OPEN SPACE, RECREATION AND PARK FACILITIES ARE WELL MAINTAINED

Policy 5.5.2

Renovate run-down or outmoded park facilities to provide high quality, safe and long-lasting facilities. Identify at least one existing park or recreation facility in the Central Waterfront for renovation.

The proposed vacation and interjurisdictional transfer of the Esprit Park perimeter ROW will allow RPD to improve, utilize, and maintain the entire park area consistent with the Esprit Park Renovation plan.

BAYVIEW HUNTERS POINT AREA PLAN**OBJECTIVE 12**

PROVIDE AND MAINTAIN ADEQUATELY LOCATED, WELL DESIGNED, FULLY EQUIPPED RECREATION FACILITIES AND ENCOURAGE THEIR USE.

Policy 12.1

Make better use of existing facilities.

The lease and “park” designation of a CalTrans-owned parcel at Selby-Palou Mini Park would make better use of existing recreational facilities by allowing RPD to manage and utilize the parcel in the same manner as the adjacent, RPD-owned parcels.

Policy 12.3

Renovate and expand Bayview's parks and recreation facilities, as needed.

The lease and "park" designation of a CalTrans-owned parcel at Selby-Palou Mini Park would effectively expand parks and recreation facilities in Bayview.

Planning Code Section 101 Findings

Planning Code Section 101.1 establishes Eight Priority Policies and requires review of discretionary approvals and permits for consistency with said policies. The Project is found to be consistent with the Eight Priority Policies as set forth in Planning Code Section 101.1 for the following reasons:

1. That existing neighborhood-serving retail uses be preserved and enhanced and future opportunities for resident employment in and ownership of such businesses enhanced;

Inter-jurisdictional transfers, or designation of land as "park" in the Park Code, of land used for recreation will not affect existing neighborhood-serving retail uses or employment opportunities.

2. That existing housing and neighborhood character be conserved and protected to preserve the cultural and economic diversity of our neighborhoods;

Inter-jurisdictional transfers, or designation of land as "park" in the Park Code, of land used for recreation will not affect existing housing or neighborhood character.

3. That the City's supply of affordable housing be preserved and enhanced;

Inter-jurisdictional transfers, or designation of land as "park" in the Park Code, of land used for recreation will not affect existing or future supply of affordable housing.

4. That commuter traffic does not impede MUNI transit service or overburden our streets or neighborhood parking;

Inter-jurisdictional transfers, or designation of land as "park" in the Park Code, of land used for recreation will not affect impede Muni service or generate parking demand.

5. That a diverse economic base be maintained by protecting our industrial and service sectors from displacement due to commercial office development, and that future opportunities for resident employment and ownership in these sectors be enhanced;

Inter-jurisdictional transfers, or designation of land as "park" in the Park Code, of land used for recreation will not cause displacement of industrial or service sector businesses.

6. That the City achieve the greatest possible preparedness to protect against injury and loss of life in an earthquake;

Inter-jurisdictional transfers, or designation of land as "park" in the Park Code, of land used for recreation will not affect the City's preparedness for earthquakes.

7. That the landmarks and historic buildings be preserved;

Inter-jurisdictional transfers, or designation of land as "park" in the Park Code, of land used for recreation will not affect existing landmarks or historic properties.

8. That our parks and open space and their access to sunlight and vistas be protected from development;

Inter-jurisdictional transfers, or designation of land as "park" in the Park Code, of land used for recreation will not affect access to sunlight and vistas at parks; the proposed project will support the continued maintenance and operation of San Francisco parks.

Finding: The project, on balance, is **in conformity** with the General Plan.

<p>Project description for Planning Department approval. REC & PARK: Twin Peaks Promenade - The scope of work includes: 1. Conversion of 1/3 to 1/2 of the roadway (approximately 10,000-20,000 SF) from paved asphalt to a different pathway material (such as Park Tread, decomposed granite w/binding, or light colored permeable concrete). 2. Removal of all or most of the concrete barrier and small section of existing metal guardrail along the western side of the pavement, in order to provide more expansive views for park users and to minimize graffiti. 3. Removal of narrow informal dirt trail just east of the concrete barrier. 4. New landscaping, including: 1. Seeding the length and width of the narrow informal dirt trail, just east of the paved roadway and concrete barrier, to match existing plants on the eastern flank of Twin Peaks and provide a natural buffer to the sloped hillside. 2. Possible minimal roadway planting, to be 100% drought-tolerant species. 3. Installation of landscape accent elements (i.e.- boulders or other simple seating). 4. Installation of bicycle racks (estimated 3-5, likely provided through SFMTA program; see representative photo in attached materials board). 5. Two interpretive signs, each with unique content (see representative photo in attached materials board). 6. Wayfinding signage (approximately 4 park map signs and 6 wayfinding sign posts; see to help park). FULL PROJECT DESCRIPTION ATTACHED</p>		

STEP 1: EXEMPTION TYPE

The project has been determined to be exempt under the California Environmental Quality Act (CEQA).	
<input checked="" type="checkbox"/>	Class 1 - Existing Facilities. Interior and exterior alterations; additions under 10,000 sq. ft.
<input checked="" type="checkbox"/>	Class 3 - New Construction. Up to three new single-family residences or six dwelling units in one building; commercial/office structures; utility extensions; change of use under 10,000 sq. ft. if principally permitted or with a CU.
<input type="checkbox"/>	<p>Class 32 - In-Fill Development. New Construction of seven or more units or additions greater than 10,000 sq. ft. and meets the conditions described below:</p> <p>(a) The project is consistent with the applicable general plan designation and all applicable general plan policies as well as with applicable zoning designation and regulations.</p> <p>(b) The proposed development occurs within city limits on a project site of no more than 5 acres substantially surrounded by urban uses.</p> <p>(c) The project site has no value as habitat for endangered rare or threatened species.</p> <p>(d) Approval of the project would not result in any significant effects relating to traffic, noise, air quality, or water quality.</p> <p>(e) The site can be adequately served by all required utilities and public services.</p> <p>FOR ENVIRONMENTAL PLANNING USE ONLY</p>
<input checked="" type="checkbox"/>	Other _____ CLASS 4: MINOR ALTERATIONS TO LAND
<input type="checkbox"/>	Common Sense Exemption (CEQA Guidelines section 15061(b)(3)). It can be seen with certainty that there is no possibility of a significant effect on the environment. FOR ENVIRONMENTAL PLANNING USE ONLY

STEP 2: ENVIRONMENTAL SCREENING ASSESSMENT

TO BE COMPLETED BY PROJECT PLANNER

<input type="checkbox"/>	<p>Air Quality: Would the project add new sensitive receptors (specifically, schools, day care facilities, hospitals, residential dwellings, and senior-care facilities within an Air Pollution Exposure Zone? Does the project have the potential to emit substantial pollutant concentrations (e.g. use of diesel construction equipment, backup diesel generators, heavy industry, diesel trucks, etc.)? <i>(refer to The Environmental Information tab on the San Francisco Property Information Map)</i></p>
<input type="checkbox"/>	<p>Hazardous Materials: If the project site is located on the Maher map or is suspected of containing hazardous materials (based on a previous use such as gas station, auto repair, dry cleaners, or heavy manufacturing, or a site with underground storage tanks): Would the project involve 50 cubic yards or more of soil disturbance - or a change of use from industrial to residential?</p> <p>Note that a categorical exemption shall not be issued for a project located on the Cortese List if box is checked, note below whether the applicant has enrolled in or received a waiver from the San Francisco Department of Public Health (DPH) Maher program, or if Environmental Planning staff has determined that hazardous material effects would be less than significant. (refer to The Environmental Information tab on the San Francisco Property Information Map)</p>
<input type="checkbox"/>	<p>Transportation: Does the project involve a child care facility or school with 30 or more students, or a location 1,500 sq. ft. or greater? Does the project have the potential to adversely affect transit, pedestrian and/or bicycle safety (hazards) or the adequacy of nearby transit, pedestrian and/or bicycle facilities?</p>
<input type="checkbox"/>	<p>Archeological Resources: Would the project result in soil disturbance/modification greater than two (2) feet below grade in an archeological sensitive area or eight (8) feet in a non-archeological sensitive area? If yes, archeology review is required.</p>
<input type="checkbox"/>	<p>Subdivision/Lot Line Adjustment: Does the project site involve a subdivision or lot line adjustment on a lot with a slope average of 20% or more? <i>(refer to The Environmental Information tab on the San Francisco Property Information Map)</i> If box is checked, Environmental Planning must issue the exemption.</p>
<input type="checkbox"/>	<p>Average Slope of Parcel = or > 25%, or site is in Edgehill Slope Protection Area or Northwest Mt. Sutro Slope Protection Area: Does the project involve any of the following: (1) New building construction, except one-story storage or utility occupancy, (2) horizontal additions, if the footprint area increases more than 50%, or (3) horizontal and vertical additions increase more than 500 square feet of new projected roof area? <i>(refer to The Environmental Planning tab on the San Francisco Property Information Map)</i> If box is checked, a geotechnical report is likely required and Environmental Planning must issue the exemption.</p>
<input type="checkbox"/>	<p>Seismic Hazard: <input type="checkbox"/>Landslide or <input type="checkbox"/>Liquefaction Hazard Zone:</p> <p>Does the project involve any of the following: (1) New building construction, except one-story storage or utility occupancy, (2) horizontal additions, if the footprint area increases more than 50%, (3) horizontal and vertical additions increase more than 500 square feet of new projected roof area, or (4) grading performed at a site in the landslide hazard zone? <i>(refer to The Environmental tab on the San Francisco Property Information Map)</i> If box is checked, a geotechnical report is required and Environmental Planning must issue the exemption.</p>

**STEP 3: PROPERTY STATUS - HISTORIC RESOURCE
TO BE COMPLETED BY PROJECT PLANNER**

PROPERTY IS ONE OF THE FOLLOWING: (refer to <i>Property Information Map</i>)	
<input type="checkbox"/>	Category A: Known Historical Resource. GO TO STEP 5.
<input checked="" type="checkbox"/>	Category B: Potential Historical Resource (over 45 years of age). GO TO STEP 4.
<input type="checkbox"/>	Category C: Not a Historical Resource or Not Age Eligible (under 45 years of age). GO TO STEP 6.

**STEP 4: PROPOSED WORK CHECKLIST
TO BE COMPLETED BY PROJECT PLANNER**

Check all that apply to the project.	
<input type="checkbox"/>	1. Change of use and new construction. Tenant improvements not included.
<input checked="" type="checkbox"/>	2. Regular maintenance or repair to correct or repair deterioration, decay, or damage to building.
<input type="checkbox"/>	3. Window replacement that meets the Department's <i>Window Replacement Standards</i> . Does not include storefront window alterations.
<input type="checkbox"/>	4. Garage work. A new opening that meets the <i>Guidelines for Adding Garages and Curb Cuts</i> , and/or replacement of a garage door in an existing opening that meets the Residential Design Guidelines.
<input type="checkbox"/>	5. Deck, terrace construction, or fences not visible from any immediately adjacent public right-of-way.
<input type="checkbox"/>	6. Mechanical equipment installation that is not visible from any immediately adjacent public right-of-way.
<input type="checkbox"/>	7. Dormer installation that meets the requirements for exemption from public notification under <i>Zoning Administrator Bulletin No. 3: Dormer Windows</i> .
<input type="checkbox"/>	8. Addition(s) that are not visible from any immediately adjacent public right-of-way for 150 feet in each direction; does not extend vertically beyond the floor level of the top story of the structure or is only a single story in height; does not have a footprint that is more than 50% larger than that of the original building; and does not cause the removal of architectural significant roofing features.
Note: Project Planner must check box below before proceeding.	
<input type="checkbox"/>	Project is not listed. GO TO STEP 5.
<input type="checkbox"/>	Project does not conform to the scopes of work. GO TO STEP 5.
<input type="checkbox"/>	Project involves four or more work descriptions. GO TO STEP 5.
<input checked="" type="checkbox"/>	Project involves less than four work descriptions. GO TO STEP 6.

**STEP 5: ADVANCED HISTORICAL REVIEW
TO BE COMPLETED BY PRESERVATION PLANNER**

Check all that apply to the project.	
<input type="checkbox"/>	1. Reclassification of property status. (Attach HRER Part I) <input type="checkbox"/> Reclassify to Category A a. Per HRER b. Other (specify): <input type="checkbox"/> Reclassify to Category C (No further historic review)
<input type="checkbox"/>	2. Project involves a known historical resource (CEQA Category A) as determined by Step 3 and conforms entirely to proposed work checklist in Step 4.
<input type="checkbox"/>	3. Interior alterations to publicly accessible spaces that do not remove, alter, or obscure character defining features.
<input type="checkbox"/>	4. Window replacement of original/historic windows that are not "in-kind" but are consistent with existing historic character.
<input type="checkbox"/>	5. Façade/storefront alterations that do not remove, alter, or obscure character-defining features.

<input type="checkbox"/>	6. Raising the building in a manner that does not remove, alter, or obscure character-defining features.
<input type="checkbox"/>	7. Restoration based upon documented evidence of a building's historic condition, such as historic photographs, plans, physical evidence, or similar buildings.
<input checked="" type="checkbox"/>	8. Work consistent with the <i>Secretary of the Interior Standards for the Treatment of Historic Properties (Analysis required)</i> : PLEASE SEE ATTACHED
<input type="checkbox"/>	9. Work compatible with a historic district (Analysis required):
<input type="checkbox"/>	10. Work that would not materially impair a historic resource (Attach HRER Part II).
Note: If ANY box in STEP 5 above is checked, a Preservation Planner MUST sign below.	
<input checked="" type="checkbox"/>	Project can proceed with exemption review. The project has been reviewed by the Preservation Planner and can proceed with exemption review. GO TO STEP 6.
Comments (optional):

STEP 6: EXEMPTION DETERMINATION
TO BE COMPLETED BY PROJECT PLANNER

<input checked="" type="checkbox"/>	No further environmental review is required. The project is exempt under CEQA. There are no unusual circumstances that would result in a reasonable possibility of a significant effect.

Full Project Description

REC & PARK: Twin Peaks Promenade - The scope of work includes:

1. Conversion of 1/3 to 1/2 of the roadway (approximately 10,000-20,000 SF) from paved asphalt to a different pathway material (such as Park Tread, decomposed granite w/binding, or light colored permeable concrete).
2. Removal of all or most of the concrete barrier and small section of existing metal guardrail along the western side of the pavement, in order to provide more expansive views for park users and to minimize graffiti.
3. Removal of narrow informal dirt trail just east of the concrete barrier
4. New landscaping, including: 1. Seeding the length and width of the narrow informal dirt trail, just east of the paved roadway and concrete barrier, to match existing plants on the eastern flank of Twin Peaks and provide a natural buffer to the sloped hillside. 2. Possible minimal roadway planting, to be 100% drought-tolerant species
5. Installation of landscape accent elements (i.e.- boulders or other simple seating)
6. Installation of bicycle racks (estimated 3-5, likely provided through SFMTA program; see representative photo in attached materials board)
7. Two interpretive signs, each with unique content (see representative photo in attached materials board)
8. Wayfinding signage (approximately 4 park map signs and 6 wayfinding sign posts; see to help park users better navigate between the promenade and adjacent trails and site access points (see representative details attached)
9. Approximately 100 linear feet of low split-rail fencing to discourage park users from traversing planted habitat areas
10. Minimal striping and configuration adjustments to parking between peaks that was established via road closure
11. Bollards or boulders with chain or gate at access points, for fire / emergency access

Step 5: #8 Work Consistent With the Secretary of the Interior Standards for the Treatment of Historic Properties Analysis

STEP 7: MODIFICATION OF A CEQA EXEMPT PROJECT

TO BE COMPLETED BY PROJECT PLANNER

In accordance with Chapter 31 of the San Francisco Administrative Code, when a California Environmental Quality Act (CEQA) exempt project changes after the Approval Action and requires a subsequent approval, the Environmental Review Officer (or his or her designee) must determine whether the proposed change constitutes a substantial modification of that project. This checklist shall be used to determine whether the proposed changes to the approved project would constitute a "substantial modification" and, therefore, be subject to additional environmental review pursuant to CEQA.

MODIFIED PROJECT DESCRIPTION

Modified Project Description:

DETERMINATION IF PROJECT CONSTITUTES SUBSTANTIAL MODIFICATION

Compared to the approved project, would the modified project:

- | | |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <input type="checkbox"/> | Result in expansion of the building envelope, as defined in the Planning Code; |
| <input type="checkbox"/> | Result in the change of use that would require public notice under Planning Code Sections 311 or 312; |
| <input type="checkbox"/> | Result in demolition as defined under Planning Code Section 317 or 19005(f)? |
| <input type="checkbox"/> | Is any information being presented that was not known and could not have been known at the time of the original determination, that shows the originally approved project may no longer qualify for the exemption? |

If at least one of the above boxes is checked, further environmental review is required

DETERMINATION OF NO SUBSTANTIAL MODIFICATION

- | | |
|--------------------------|-------------------------------------------------------------------------|
| <input type="checkbox"/> | The proposed modification would not result in any of the above changes. |
|--------------------------|-------------------------------------------------------------------------|

If this box is checked, the proposed modifications are exempt under CEQA, in accordance with prior project approval and no additional environmental review is required. This determination shall be posted on the Planning Department website and office and mailed to the applicant, City approving entities, and anyone requesting written notice. In accordance with Chapter 31, Sec 31.08j of the San Francisco Administrative Code, an appeal of this determination can be filed to the Environmental Review Officer within 10 days of posting of this determination.

**APPROVING THE GRANT OF FUNDS FROM THE STATE COASTAL
CONSERVANCY FOR TWIN PEAKS TRAIL IMPROVEMENT PROJECT**

WHEREAS, The Legislature of the State of California has established the State Coastal Conservancy (“Conservancy”) under Division 21 of the California Public Resources Code, and has authorized the Conservancy to award grants to public agencies and nonprofit organizations to implement the provisions of Division 21; and

WHEREAS, The Conservancy awards grants for projects that it determines are consistent with Division 21 of the Public Resources Code and with the Conservancy’s Strategic Plan and that best achieve the Conservancy’s statutory objectives, in light of limited funding; and

WHEREAS, At its May 27, 2021 meeting, the Conservancy adopted a resolution authorizing a grant to the City and County of San Francisco (“grantee”) for the Twin Peaks Trail Project] (“the project”). The resolution was adopted by the Conservancy pursuant to and is included in the Conservancy May 27, 2021 staff recommendation, a copy of which is on file with the grantee and with the Conservancy.

WHEREAS, The Conservancy requires that the governing body of the grantee certify through a resolution that it approves the award of Conservancy grant funding and authorizes the execution by a representative of the grantee of a grant agreement on terms and conditions required by the Conservancy grant agreement number 21-007; Now, therefore be it

RESOLVED, that the grantee hereby:

1. Approves the award of grant funding from the Conservancy for the project.
2. Acknowledges that it has or will have sufficient funds to complete the project and, if any property is acquired as part of the project to operate and maintain the property, and, if any facilities are constructed as a part of the project, to operate and maintain the facilities for a reasonable period, not less than the useful life of the facilities.
3. Agrees to be bound by all terms and conditions of the grant agreement and any other agreement or instrument as may be required by the Conservancy and as may be necessary to fulfill the terms of the grant agreement and to complete the project.
4. Authorizes any person holding any of the following positions with the grantee to act as a representative of the grantee, to negotiate and execute on behalf of the grantee all agreements and instruments necessary to complete the project and to comply with the

Conservancy's grant requirements, including, without limitation, the grant agreement:
General Manager, Director of Planning and Capital Division, Director of Policy and

RESOLUTION No. 200421-041

WHEREAS, Twin Peaks is an iconic open space landmark in San Francisco, to be enjoyed by all in safety and comfort; and,

WHEREAS, The Twin Peaks Boulevard Figure 8 Pilot Project has allowed the SFMTA to evaluate circulation impacts and solicit community feedback for permanent closure of the eastern alignment of the Figure 8; and,

WHEREAS, Vehicle circulation at Twin Peaks remained relatively unchanged under the Pilot Project, and vehicles are traveling at safer speeds; and,

WHEREAS, SFMTA staff have determined that the eastern alignment of Twin Peaks Boulevard in the the “Figure 8” loop is no longer needed for vehicular traffic pursuant to California Vehicle Code section 21101, except for bicycles and emergency vehicles, because it is necessary for the safety and comfort of vulnerable street users; and,

WHEREAS, SFMTA staff have proposed to make permanent the Pilot Project’s traffic modifications as follows:

- A. ESTABLISH - ROAD CLOSURE, EXCEPT, BICYCLES AND EMERGENCY VEHICLES - Twin Peaks Boulevard, eastern alignment, from Christmas Tree Point Road to 1,700 feet southerly (closes existing northbound one-way portion of figure eight loop to vehicles)
- B. ESTABLISH - TWO-WAY STREET - Twin Peaks Boulevard, western alignment, from Christmas Tree Point Road to 1,500 feet southerly (converts existing southbound one-way portion of figure eight loop to two-way operation); and,

WHEREAS, The public has been notified about the proposed modifications and has been given the opportunity to comment on these modifications through the SFMTA Engineering Public Hearing process; and,

WHEREAS, The proposed Twin Peaks Permanent Project is subject to the California Environmental Quality Act (CEQA); CEQA provides a categorical exemption from environmental review for operation, repair, maintenance, or minor alteration of existing highways and streets, sidewalks, gutters, bicycle and pedestrian trails, and similar facilities as defined in Title 14 of the California Code of Regulations Section 15301; and,

WHEREAS, On April 2, 2020, the San Francisco Planning Department determined (Case Number 2020-003882ENV) that the proposed Twin Peaks Permanent Project is categorically exempt from CEQA pursuant to Title 14 of the California Code of Regulations Section 15301; and,

WHEREAS, The proposed action is the Approval Action as defined by S.F. Administrative Code Chapter 31; and,

WHEREAS, A copy of the CEQA determination is on file with the Secretary to the SFMTA Board of Directors, and may be found in the records of the Planning Department at 1650 Mission Street in San Francisco, and are incorporated herein by reference; and,

WHEREAS, Final SFMTA decisions, whether made by the City Traffic Engineer or the SFMTA Board, can be reviewed by the Board of Supervisors pursuant to Ordinance 127-18; however, none of the proposed traffic modifications are subject to the review by the Board of Supervisors pursuant to Ordinance 127-18; now therefore be it

RESOLVED, That the San Francisco Municipal Transportation Agency Board of Directors finds that Twin Peaks Boulevard, eastern alignment, from Christmas Tree Point Road to the southern end of the “Figure 8” roadway is no longer needed for vehicular traffic pursuant to California Vehicle Code Section 21101, except for bicycles and emergency vehicles, because it is necessary for the safety and comfort of vulnerable street users; and, be it further

RESOLVED, That the San Francisco Municipal Transportation Agency Board of Directors approves permanently closing Twin Peaks Boulevard, eastern alignment, from Christmas Tree Point Road to the southern end of the “Figure 8” roadway to vehicular traffic except for bicycles and emergency vehicles, and changing the one-way direction of Twin Peaks Boulevard, western alignment, from Christmas Tree Point Road to the northern end of the “Figure 8” roadway to two-way, as set forth in Items A and B above.

RESOLUTION No. 210302-029

WHEREAS, Twin Peaks is an iconic open space landmark in San Francisco, to be enjoyed safely and comfortably by residents; and,

WHEREAS, The Twin Peaks for All project was initiated to improve overall access to the peak for all users at all times and to examine the needs and impacts of the overall area; and,

WHEREAS, To help achieve the Twin Peaks for All project goals, the SFMTA project team developed five design options for Twin Peaks Boulevard between the Burnett Avenue and Portola gates that were vetted by SFMTA and Recreation and Parks Department staff; and,

WHEREAS, To allow access for all users at all times, SFMTA staff is recommending Option 2 to permanently close the Burnett Avenue gate at all times on Twin Peaks Boulevard between Burnett Avenue and Christmas Tree Point Road and restrict vehicle traffic between Burnett Avenue and Christmas Tree Point Road to the top of Twin Peaks except for emergency vehicles and bicycles; and,

WHEREAS, SFMTA staff have determined that Twin Peaks Boulevard between Burnett Avenue and Christmas Tree Point Road, in both directions, is no longer needed for vehicular traffic, except for bicycles and emergency vehicles. This is authorized under state law to close because SFMTA staff have determined that this portion of Twin Peaks Boulevard is no longer needed for vehicular traffic pursuant to California Vehicle Code section 21101 since under Option 2, the Portola Drive gate would be open and provide alternative vehicular access to the top of Twin Peaks via Twin Peaks Boulevard between Portola Drive and Christmas Tree Point Road; and,

WHEREAS, For traffic traveling through the area of Twin Peaks and for neighborhood access surrounding Twin Peaks Boulevard, Laguna Honda Boulevard, Clarendon Avenue, Market Street, and Portola Drive provide direct vehicular access; and,

WHEREAS, The proposed closure will enhance safety and comfort for vulnerable street users and provide more public space protected from traffic, as well as a safer connection to the natural areas of Twin Peaks; and,

WHEREAS, The goals of the Twin Peaks for All project include ensuring access to the viewpoint for all, especially for people with disabilities, providing space for people walking and rolling that allows for physical distancing, reducing negative impacts by park users on neighbors, and retaining the extraordinary increase in new park users by maintaining safe, continuous routes for those traveling on foot, bicycle and assistive mobility devices; and,

WHEREAS, SFMTA staff propose making traffic modifications to provide additional space for non-motorized transportation; and,

A. ESTABLISH – ROAD CLOSURE, EXCEPT EMERGENCY VEHICLES AND BICYCLES

Twin Peaks Boulevard, between Christmas Tree Point Road and Burnett Avenue (closes the segment to most vehicles)

WHEREAS, The public has been notified about the proposed modifications and has been given the opportunity to comment on those modifications through the public hearing process; and,

WHEREAS, The proposed Twin Peaks for All project is subject to the California Environmental Quality Act (CEQA); CEQA provides an exemption from environmental review for projects that consist of “minor alteration[s] of existing public or private structures ... involving negligible or no expansion of existing or former use.” This includes minor alterations to existing highways and streets that do not create additional automobile lanes. (Title 14 of the California Code of Regulations Section 15301; and,

WHEREAS, On February 12, 2021, the Planning Department determined that the proposed Twin Peaks for All project is categorically exempt from CEQA, pursuant to Title 14 of the California Code of Regulations Section 15301; and,

WHEREAS, The proposed action is the Approval Action as defined by the S. F. Administrative Code Chapter 31; and,

WHEREAS, A copy of the CEQA determination is on file with the Secretary to the SFMTA Board of Directors, and may be found in the records of the Planning Department at <https://sfplanning.org/> and 49 South Van Ness Avenue, Suite 1400 in San Francisco, and is incorporated herein by reference; now therefore be it,

RESOLVED, That the San Francisco Municipal Transportation Agency Board of Directors finds that closing Twin Peaks Boulevard between Burnett Avenue and Christmas Tree Point Road, in both directions, will enhance safety and comfort for vulnerable street users and provide more public space protected from traffic, as well as a safer connection to the natural areas of Twin Peaks; and, be it further,

RESOLVED, That the San Francisco Municipal Transportation Agency Board of Directors finds that Twin Peaks Boulevard between Burnett Avenue and Christmas Tree Point Road, in both directions, is no longer needed for vehicular traffic, except for bicycles and emergency vehicles and is authorized under state law to close this portion of Twin Peaks Boulevard because SFMTA staff have determined that this portion of Twin Peaks Boulevard is no longer needed for vehicular traffic pursuant to California Vehicle Code section 21101; and, be it further,

RESOLVED, That the San Francisco Municipal Transportation Agency Board of Directors approves the proposed traffic modification, associated with the “Twin Peaks for All” project, listed in Item A above.

Re: Twin Peaks Open Space - XT-38-009 - \$350,000

Dear Toni Moran:

Congratulations! California State Parks' Office of Grants and Local Services (OGALS) is pleased to inform you that the project identified above has been selected for funding under the Habitat Conservation Fund (HCF) Program.

A representative from your agency must attend an HCF Grant Administration workshop to learn more about the HCF contract and grant administration process. Workshop attendance is mandatory prior to receiving a grant contract. Information on the mandatory workshop will be provided soon. **Do not begin project work until you receive a fully-executed grant contract.** OGALS will initiate a contract and send it to you for signature after attending the mandatory workshop.

HCF grant administration information is available at www.parks.ca.gov/hcf. If you have questions about your project or the HCF Program, please contact your Grant Administration Project Officer.

Congratulations again on your successful application! OGALS looks forward to working with you to deliver quality recreation opportunities to your constituents.

Sincerely,

Re: Project Number: RX-38-003, Twin Peaks Open Space, \$1,900,000

Dear Toni Moran:

Congratulations! The Department of Parks and Recreation is pleased to inform you that the project above has been selected for funding through the Proposition 68 Regional Park Program (RPP).

Programs such as the Regional Park Program help advance the "[Outdoor Access for All](#)" initiative championed by Governor Gavin Newsom and First Partner Jennifer Siebel Newsom. This effort expands outdoor access to park poor and disadvantaged communities throughout California.

We look forward to working with your agency to ensure successful completion of the project. Your project file has been transferred to the Department's Office of Grants and Local Services grant administration section. Your grant administration Project Officer will contact you soon to schedule a mandatory grant administration technical assistance workshop. As a reminder, funding is not guaranteed until the grant contract is signed by your agency's authorized representative and the State of California. If you have any questions, please contact the Grant Administration Project Officer Anne Davigeadono at Anne.Davigeadono@parks.ca.gov.

We appreciate our partnership to provide new recreational opportunities to improve the health and quality of life of Californians. Again, congratulations on this project selection!

Sincerely,

RE: Twin Peaks Promenade Street Vacation Project – Ordinance

The Recreation and Park Department's (RPD) Twin Peaks Promenade Project proposes to vacate the designation of portions of the asphalt roadway atop the Twin Peaks "Figure 8" as public right-of-way for roadway purposes, and redesignate them as public right-of-way for recreational and park purposes; and transfer the jurisdiction of Block 2643 Lot 014 from the Department of Public Works (PW) to RPD, in accordance with a 2012 Recreation and Park Commission resolution.

Attached are the following documents to support the Ordinance Twin Peaks Promenade Project - Street Vacation Order, Interdepartmental Property Transfer:

1. Ordinance - Twin Peaks Street Vacation and Interdepartmental Transfer (Final 12.1.25)
 2. Twin Peaks Promenade Concept Plan
 3. PW Order -- TP Street Vacation (12.1.25)
 4. SFPW Street Vacation Application (TP Promenade)
- A – L. (items from various departments related to Twin Peaks)

BACKGROUND

The area of the proposed vacation footprint aligns with the existing eastern alignment roadway and is generally bounded by Christmas Tree Point Rd to the north and the Twin Peaks Blvd split to the south. As part of a pilot program initiated in 2016, the street vacation site was closed to vehicular traffic while remaining available as open space to allow SFMTA to evaluate circulation impacts and solicit community feedback for permanent closure of the eastern alignment of the "Figure 8". Permanent street closure was approved by the SFMTA Board on April 21, 2020, per Resolution No. 200421-041 as a premise for the anticipated Twin Peaks Promenade project.

The purpose of the roadway vacation is to formalize the repurposing of the project site from vehicular use to pedestrian and bicycle-oriented recreational open space and improve accessibility atop one of San Francisco's most iconic destinations, Twin Peaks. Specifically, RPD seeks to redevelop the project site as a promenade that would include comprehensive

surface improvements to create pedestrian and bicycle pathways with associated vegetation restoration, seating, signage, bicycle parking, vehicular parking including ADA parking, and other amenities (see concept plans attached).

The promenade would establish a recreational and open space connection between the two peaks, connecting neighborhoods and the broader regional trail system to support additional recreational opportunities for San Francisco residents and visitors, while concurrently maintaining the City right-of-way designation to allow PG&E and PUC to continue to exercise their franchise rights in maintaining their existing facilities. The existing two-way vehicular access/circulation along the western alignment of the "Figure 8" would remain unaltered. The jurisdictional transfer of Block 2643 Lot 014 from PW to RPD is being sought to consolidate RPD's jurisdiction of RPD-owned properties atop Twin Peaks that are maintained by RPD and located within RPD's Natural Resource Management Plan Natural Area. This jurisdictional transfer was previously approved by the Recreation and Park Commission in 2012, under resolution No. 1202-005.

BLOCK

Continued from page A1

est annual report. While 2,472 of its workers were based outside the U.S., it's unclear how many are still in San Francisco or the Bay Area.

Block announced Thursday it plans to cut more than 4,000 of its global employees. The company didn't say how many of those affected by the cuts are based locally. As of Friday morning, the state Employment Development Department had not received any layoff notifications from Block regarding cuts in San Francisco or elsewhere in California.

In a post on the social-media platform X, Dorsey wrote that he was making the cuts was because "something has changed." The AI tools the company is using and developing have "fundamentally" altered "what it means to build and run a company, and that's accelerating rapidly," he wrote.

Block representatives did not respond to an email seeking comment about the cuts.

But there's reason to be skeptical about Dorsey's claims.

The cuts came as Block reported that its sales were flat last year and its profit fell by more than half to \$1.3 billion. They also came as its stock price had declined 16% over the preceding year.

Dorsey, though, insisted the cuts were not in response to financial pressures.

"We're not making this decision because we're in trouble," he wrote in his post on X. "Our business is strong ... we continue to serve more and more customers."

ALFONSO DURAN © 2021 THE NEW YORK TIMES COMPANY

In a post on social-media site X, Block CEO Jack Dorsey — seen in 2021 — attributed layoffs announced this week to the company's adoption and use of artificial-intelligence tools.

Dorsey and Block also did not disclose what positions the company is cutting or whether the layoffs are focused on particular departments. That makes it impossible to know from the outside whether the company sees the technology gaining traction with specific kinds of tasks or workloads.

The capabilities of AI software-coding

tools appear to have jumped significantly in recent months, said James Landay, a professor in Stanford's computer-science department and the co-director of the Stanford Institute for Human-Centered AI. Some startups and founders have shown they can use new AI tools to quickly create prototypes and become

more productive, he said.

But many companies have found they can't just easily plug in AI and improve productivity or replace workers, Landay said. Instead, he said, many are discovering

that they have to spend a lot of time and effort to redesign their roles and processes to accommodate the technology — and even then, success isn't certain.

"We don't really know which of these things are going to work and which ones are going to be digitization-AI failures as they find it harder to replace people than they thought," he said.

In his X post, Dorsey himself seemed to suggest that Block wasn't entirely certain how its move to replace AI with workers will turn out, Landay said. In the post, Dorsey acknowledged that the move came with "risk" and that Block might have "gotten some of [the cuts] wrong."

He also announced fairly generous severance packages that include a base of 20 weeks' pay plus an additional week for each year of service at the company.

"It almost feels like they're cutting way deeper than they need to, and then they're going to see, 'Where did we mess up?' and then bring people back," Landay said.

GOVERNMENT
CITY COUNCIL, CITY OF DALY CITY, STATE OF CALIFORNIA
ORDINANCE SUMMARY
AN ORDINANCE OF THE CITY OF DALY CITY ADDING CHAPTER 5.96 TO THE DALY CITY MUNICIPAL CODE RE: ENTERTAINMENT ZONE.
1. SUMMARY
This Ordinance shall add Chapter 5.96 to the Daly City Municipal Code to establish an entertainment zone program pursuant to California Business and Professions code Sections 23039.5, 23357, 25690, 25691 & 25692 as amended by SB969. Effective January 1, 2025, cities are allowed to create "Entertainment Zones" which permit the consumption of alcoholic beverages in specified public rights-of-way under controlled conditions. The purpose of this Chapter is to promote economic activity, pedestrian-oriented social spaces, special events, and cultural activation, while protecting public health and safety, mitigating negative externalities such as underage consumption, littering, and drug activity, and ensuring proper coordination among the City, law enforcement, licensees and event organizers. Creating such entertainment zones will promote economic vitality of commercial districts.
2. CERTIFICATION AND POSTING AFTER ADOPTION
This Ordinance was adopted on February 23, 2026. Within fifteen days after adoption (1) the Summary of this Ordinance was published in a newspaper of general circulation and circulated in the City, and (2) a certified copy of this Ordinance, with the names of those City Council members voting for or against, or otherwise voting, was posted in my office, all in accordance with Government Code Section 36923. The vote was recorded as follows:

Please contact: Leo Chaudoir, Sentinel Realty Co., 2108 Ensenada Way, San Mateo, CA 94403, telephone no. (650) 465-0406 for viewing of the property.
Bids on said property are hereby invited. A bid will be accepted ONLY if made in writing on forms furnished by the Public Administrator. Completed bid forms may be left with the agent at any time and delivered to said Public Administrator personally in said County of San Mateo, at any time after the first publication of this Notice, and before making of the Sale. Bids must be sealed, and will be opened at the Office of the Public Administrator.
TERMS AND CONDITIONS OF SALE: Cash in lawful money of the United States. The Bid is to be accompanied by cash or certified check, in the amount of at least ten percent (10%) of the amount bid. The PUBLIC ADMINISTRATOR RESERVES THE RIGHT TO ACCEPT OR REJECT ALL BIDS. The balance of the amount bid is to be paid upon confirmation of sale by the Superior Court.
In accordance with a recent change in the law, the Public Administrator/Conservator will only be responsible for its own realtor's commission. Any buyer (including any successful overbidder in open court) of this property shall separately negotiate an acceptable commission for the buyer's own realtor as those two individuals see fit. The Public Administrator/Conservator has no role or responsibility with regard to a buyer or seller's commission from this sale.
Taxes, rents, operating and maintenance expenses and premiums on insurance acceptable to the Purchaser or Purchasers will be prorated as of the date of the sale. The examination of title, recording of conveyance and any title insurance policy shall be at the expense of Purchaser or Purchasers. Unless the Administrator has given written permission for extension of the escrow period beyond forty-five (45) days from the date of confirmation of sale by the Superior Court, the Purchaser or Purchasers shall pay ten percent (10%) interest per annum on that portion of the purchase price not received by the Office of the Public Administrator at the time of confirmation; interest will be charged for the period beginning forty-six (46) days from the Court confirmation date to, and including, the date on which escrow closes. If, after confirmation, the sale is not completed for any reason, Bidder agrees to forfeit the deposit to cover the expenses of the sale. Documentary transfer taxes will be split equally between the purchaser(s) and seller.
The parties to this agreement further covenant and agree that damages are difficult or impossible to ascertain should buyer fail to perform his/her obligation to purchase the real property. Therefore, the parties agree that seller, the Public Administrator in and for the County of San Mateo, shall be entitled to liquidated damages in the amount of three percent (3%) of the purchase price of the real property if the sale is not completed for any reason. Bidder agrees to forfeit the deposit to cover the expenses of the sale. Documentary transfer taxes will be split equally between the purchaser(s) and seller.
The parties to this agreement further covenant and agree that damages are difficult or impossible to ascertain should buyer fail to perform his/her obligation to purchase the real property. Therefore, the parties agree that seller, the Public
