[Urging the Planning Director to monitor the development of San Francisco State University's Master Plan]

Resolution urging the Planning Director to monitor the development of San Francisco State University's Master Plan.

WHEREAS, San Francisco State University has embarked on a campus Master Plan that will establish a long-term vision for the physical environment and identify improvements to occur over the next decade; and

WHEREAS, Improvements will focus on how to accommodate increased enrollment and academic initiatives; and,

WHEREAS, Currently a draft Environmental Impact Report (EIR) is being prepared in order to assess the impact on each identified area of interest; and,

WHEREAS, The Master Plan attempts to minimize potential impacts on the surrounding neighborhoods by renovating and modernizing academic and residential buildings with an emphasis towards transit-oriented development, including alternative transportation measures such as MUNI and bicycling, providing a greenbelt and expanded open space and recreation areas, and improving water quality in Lake Merced; and

WHEREAS, regardless of the above, the project may nonetheless have an as of yet undetermined impact on the community; and,

WHEREAS, Land use and planning policies governing State owned land differ from those of the City and therefore the project is not subject to local controls and the Planning Department and Board of Supervisors will not have the opportunity for formal review; now, therefore, be it
