

Amy Campbell, AIA

- CA Licensed Architect License No. C 36755
- 16 years of professional experience with a focus on Building Repositioning, Rehabilitation, Preservation and Adaptive Reuse
- Meets the Secretary of the Interior's Professional Qualifications in Historic Architecture
- Gensler San Francisco Studio Director
- Gensler Northwest Regional Practice Area Leader for Building Transformation and Adaptive Reuse projects

Amy is an organizational and team leader who brings together powerful people skills with a design sensibility honed through a unique pathway to architecture. Her work focuses on the existing built environment weaving creativity, historic sensitivity and 16+ years of architectural problem-solving skills. She consistently delivers artfully-driven, inspiring and timeless design solutions.

Amy has been a San Francisco resident for over 18 years and resides in the Castro with her family. She is currently dabbling in ceramics at the Randall Museum and is active in the Parent Faculty Club at Harvey Milk Civil Rights Academy public elementary where both of her children have attended school.
