8 **~~SEC. 10.100-131. MAYOR'S SUPPORTIVE HOUSING SERVICE FUND.~~**

9 ~~(a) Findings. Housing linked with services, "supportive" or "service-enriched" housing, has~~
10 ~~become widely recognized as an ideal model for addressing the problem of homelessness. This model~~
11 ~~recognizes that low-income people often have multiple unmet needs, including a need for both safe~~
12 ~~affordable housing and readily available support services to effectively stabilize their lives. There are~~
13 ~~opportunities to leverage federal, state and other funds to expand and improve our supportive housing~~
14 ~~stock. However, the requirements for integrated service programs and local matching funds demand~~
15 ~~timely access and coordinated support from a single City source, which has heretofore been~~
16 ~~unavailable.~~

17 ~~(b) Statement of Intent. The Board of Supervisors wishes to address the above concerns by~~
18 ~~establishing a supportive services fund which will both facilitate the development of newly constructed~~
19 ~~or rehabilitated affordable supportive housing and ensure that a portion of the existing affordable~~
20 ~~housing in San Francisco is accessible and appropriate to those with service needs which put them at~~
21 ~~risk of repeated homelessness and hinder them from participating fully in the community. For purposes~~
22 ~~of this ordinance "affordable housing" shall mean housing affordable to low and moderate income~~
23 ~~households as defined by California Health and Safety Code Sections 50052.5, et seq. Such~~
24 ~~affordability shall be maintained for a period of not less than the greater of fifty years or the life of the~~
25 ~~project.~~

1 ~~(c) Establishment of Fund. The Mayor's Supportive Housing Service Fund is established as a~~
2 ~~category eight fund for the purpose of providing financial assistance to the owners of for-profit and~~
3 ~~nonprofit affordable housing developments, where the contribution of monies from the fund will~~
4 ~~provide necessary supportive services to the residents of these affordable housing developments. Said~~
5 ~~fund shall be known as the Supportive Housing Service Fund. Subject to any prior legally binding~~
6 ~~obligations, any grants, gifts or bequests from private or public sources for this purpose and any~~
7 ~~monies appropriated to the fund shall be deposited into said special fund.~~

8 ~~(d) Use of Fund. Monies deposited in the fund shall be expended exclusively in accordance~~
9 ~~with the rules and regulations promulgated pursuant to Subsection (c), below. The supportive housing~~
10 ~~services for which expenditures may be made by this fund are mental health services, services for~~
11 ~~people with HIV/AIDS, services for seniors, social work/case management services, substance abuse~~
12 ~~services, vocational services, child care, and community development services (such as establishing~~
13 ~~tenant councils or facilitating peer support groups). The services must be for the direct benefit of and~~
14 ~~easily accessible to the residents of low and moderate income housing developments.~~

15 ~~(e) Exceptions to Fund Category. The Executive Director of the Mayor's Office of Housing, or~~
16 ~~his or her designee, shall administer expenditures from the fund, subject to the rules and regulations~~
17 ~~established through the process described in (f). Interest shall accrue to the fund if the balance in the~~
18 ~~fund exceeds \$10,000.~~

19 ~~(f) Administration of Fund. The Executive Director of the Mayor's Office of Housing shall~~
20 ~~promulgate such rules and regulations as he or she may deem appropriate to carry out the provisions~~
21 ~~of the fund. Such rules and regulations shall be developed in consultation with the organizations that~~
22 ~~participate in the Council of Community Housing, or successor or similar organization, and any other~~
23 ~~appropriate agencies or organizations with which the Executive Director, or his or her designee, may~~
24 ~~choose to consult. Such rules and regulations shall include, but not be limited to the qualifications of~~
25 ~~applicants and factors to be considered in the award of grants to fund supportive housing services.~~

1 ~~Such rules and regulations shall be designed to ensure that although the highest priority use is~~
2 ~~established for supportive services at proposed new affordable housing developments, that monies from~~
3 ~~this fund may also be expended for supportive services at existing affordable housing developments.~~
4 ~~The rules and regulations shall be subject to a public hearing and approved by resolution of the Board~~
5 ~~of Supervisors.~~

6 ~~The Supportive Housing Services Fund Committee shall consist of those officials currently~~
7 ~~serving as members of the Affordable Housing Loan Committee (the Executive Director of the~~
8 ~~Redevelopment Agency, the Director of the Mayor's Office of Housing and the Mayor's Homeless~~
9 ~~Coordinator, or any respective successors responsible for housing and homeless services as designated~~
10 ~~by the Mayor), a representative from the Department of Social Services and a representative from the~~
11 ~~Department of Public Health who shall be appointed by the respective department head in consultation~~
12 ~~with the Mayor. Vacancies shall be filled by the Mayor as they may occur.~~

13 ~~The Supportive Housing Services Fund Committee shall be delegated the following~~
14 ~~responsibilities:~~

15 ~~— (1) To prepare and distribute announcements and requests for grant proposals to existing~~
16 ~~providers of affordable housing and supportive services, and others who may be interested;~~

17 ~~— (2) To review and evaluate all proposals and requests of housing providers eligible to~~
18 ~~receive funding under this program. The Supportive Housing Services Fund Committee shall consult~~
19 ~~with individuals or groups who have expertise in the particular supportive services or target~~
20 ~~populations under consideration, in making their evaluations;~~

21 ~~— (3) To recommend appropriate action to the Mayor on all proposals and requests~~
22 ~~for funding;~~

23 ~~— (4) To monitor the implementation of the proposals approved for funding under this~~
24 ~~program in compliance with the provisions herein;~~

1 ~~— (5) To submit a semi-annual report to the Budget Committee of the Board of Supervisors~~
2 ~~setting forth an accounting of the amounts disbursed and the uses for which said funds were made.~~

6 ~~fees relating to the loan and grant agreements, and redeposit them into the Fund; (3) allocate funds for~~

(k) Certain Transportation Funds (Proposition 1B Funds). The voters of California adopted Proposition 1B, the Highway Safety, Traffic Reduction, Air Quality, and Port Security Bond Act of 2006, at the November 7, 2006 California General Election. Under the Proposition, the State will appropriate two billion dollars (\$2,000,000,000) into the Local Streets and Road Improvement, Congestion Relief, and Traffic Safety Account of 2006 ("Proposition 1B Local Street and Road Improvement Funds"). These funds will be distributed to cities and counties for improvements to transportation facilities that will assist in reducing local traffic congestion and further deterioration, improving traffic flows, or increasing traffic safety that may include, but not be limited to, street and highway pavement, maintenance, rehabilitation, installation, construction and reconstruction of necessary associated facilities such as drainage and traffic control devices, or the maintenance, rehabilitation, installation,

1 construction and reconstruction of facilities that expand ridership on transit systems, safety
2 projects to reduce fatalities, or as a local match to obtain state or federal transportation funds
3 for similar purposes. The Proposition requires that the funds distributed to the City be
4 deposited in a local account that is designated for the receipt of state funds allocated for local
5 streets and roads.

6 (1) The Board of Supervisors finds that while there are a range of projects
7 involving various City departments that could benefit from the Proposition 1B Local Street and
8 Road Improvement Funds, implementing a coordinated planning process for use of those
9 funds will help ensure the effective and efficient expenditure of funds in a manner that will

16 ~~Improvement Funds expended as of the reporting date and shall describe the progress on the project,~~

2 **~~SEC. 10E.1. DOWNTOWN PLAN.~~**

3 ~~(a) Findings. The Board of Supervisors makes the following findings in support of this~~
4 ~~ordinance.~~

5 ~~—(1) The Planning Commission has adopted the Downtown Plan as part of the General Plan~~
6 ~~of the City and County of San Francisco, and the Board of Supervisors, acting upon the~~
7 ~~recommendation of the Planning Commission, has adopted amendments to the Planning Code called~~
8 ~~for in the Downtown Plan. The Planning Commission and Board of Supervisors have adopted the~~
9 ~~Transit Center District Plan as a sub-area of the Downtown Plan, as well as implementing Planning~~
10 ~~Code provisions.~~

11 ~~—(2) The focus of the Downtown Plan is to prevent development where change would~~
12 ~~diminish the city's character or livability but to allow appropriately scaled development that would~~
13 ~~further the City's economic, fiscal and social objectives.~~

14 ~~—(3) The Downtown Plan is based on certain assessments about the ability of the City to~~
15 ~~absorb the impacts of growth in downtown San Francisco and the desirability of increasing housing,~~
16 ~~ridesharing and transit use in light of the anticipated downtown growth. The Downtown Plan proposes~~
17 ~~various actions which should be taken to achieve the following goals: An increase in the City's housing~~
18 ~~supply by an average of 1,000 to 1,500 new housing units per year; and increase in ridesharing to a~~
19 ~~point where the number of persons commuting by auto or van rises from 1.48 to 1.66 persons per~~
20 ~~vehicle; and an increase in the use of transit by downtown workers from 64 percent to 70 percent of all~~
21 ~~work trips.~~

22 ~~—(4) The Downtown Plan recommends the adoption of a formal process for monitoring~~
23 ~~progress toward Plan goals. This monitoring process is necessary to evaluate the effectiveness of the~~
24 ~~Plan and the impacts of downtown growth, and to make any adjustments deemed appropriate to the~~
25 ~~controls described in the Downtown Plan or to additions to the City's infrastructure and services.~~

1 ~~—(5) The purpose of this monitoring system shall be to determine whether the infrastructure~~
2 ~~and support systems necessary to accommodate the growth of downtown, particularly housing supply~~
3 ~~and transit capacity, have kept pace with development in the C-3 Districts. If downtown is growing at a~~
4 ~~faster pace than the necessary infrastructure and support systems, it may become necessary to make~~
5 ~~further efforts to slow down the pace of development, or devise additional mechanisms for providing~~
6 ~~required infrastructure and support systems.~~

7 ~~—(6) The Planning Department shall undertake a two-tiered monitoring program. The two~~
8 ~~tiers are: A) An annual collection and reporting of data from selected sources that are gathered on a~~
9 ~~regular basis, and B) every five years, a more extensive data collection effort that includes an analysis~~
10 ~~of long-term policy indicators such as the TDR program, urban form goals, any impact fee funds, and~~
11 ~~provides analysis of the Downtown Plan's policy objectives. The annual monitoring should provide an~~
12 ~~early warning system for trends that may develop, indicating a shortfall in the long-range goals.~~

13 ~~(b) Annual Report. The Planning Department shall prepare an annual report detailing the~~
14 ~~effects of downtown growth. The report shall be presented to the Board of Supervisors, Planning~~
15 ~~Commission, Historic Preservation Commission, and Mayor, and shall address: (1) the extent of~~
16 ~~development in the C-3 Districts; (2) the consequences of that development; (3) the effectiveness of the~~
17 ~~policies set forth in the Downtown Plan in maintaining San Francisco's environment and character;~~
18 ~~and (4) recommendations for measures deemed appropriate to deal with the impacts of downtown~~
19 ~~growth.~~

20 ~~—(1) Time Period and Due Date. Reports shall be due by July 1st of each year, and shall~~
21 ~~address the immediately preceding calendar year, except for the five year report, which shall address~~
22 ~~the preceding five calendar years.~~

23 ~~—(2) Data Source. The Planning Department shall assemble a data base for 1984 and~~
24 ~~subsequent years for the purpose of providing the reports. City records shall be used wherever~~
25

1 ~~possible. Outside sources shall be used when data from such sources are reliable, readily available and~~
2 ~~necessary in order to supplement City records.~~

3 ~~——(3) Categories of Information. The following categories of information shall be included:~~

4 ~~——Commercial Space and Employment.~~

5 ~~——(A) The amount of office space "Completed," "Approved," and "Under Construction"~~
6 ~~during the preceding year, both within the C-3 Districts and elsewhere in the City. This inventory shall~~
7 ~~include the location and square footage (gross and net) of those projects, as well as an estimate of the~~
8 ~~dates when the space "Approved" and "Under Construction" will become available for occupancy.~~

9 ~~——(B) Office Vacancy Ratio. An estimate of the current office vacancy rate in the C-3~~
10 ~~Districts and citywide.~~

11 ~~——(C) Citywide and C-3 District Office Employment. An estimate of additional office~~
12 ~~employment, by occupation type, in the C-3 Districts and citywide.~~

14 ~~hotel rooms and additional hotel employment in the C-3 Districts.~~

18 ~~new businesses and business and employment relocation trends and patterns within the City and the~~
19 ~~Bay Area.~~

20 ~~——Housing.~~

21 ~~——(G) Housing Units Certified for Occupancy. An estimate of the number of housing units~~
22 ~~throughout the City newly constructed, demolished, or converted to other uses.~~

23 ~~——(H) Jobs/Housing Linkage Program. A summary of the operation of the Jobs/Housing~~
24 ~~Linkage Program (formerly the Office Affordable Housing Production Program) and the Housing~~
25

1 ~~Affordability Fund, identifying the number and income mix of units constructed or assisted with these~~
2 ~~monies.~~

3 ~~——Transportation.~~

4 ~~——(I) Parking Inventory. An estimate of the net increment of off-street parking spaces~~
5 ~~approved in C-3 Districts.~~

7 ~~entering the City.~~

8 ~~——(K) Transit Service. An estimate of transit ridership for peak periods.~~

9 ~~——(L) Transit Impact Fee. A summary of the use of the transit impact development fee~~

18 ~~improvements as described in the Transit Center District Plan Program Implementation Document.~~

19 ~~——Preservation.~~

20 ~~——(O) Significant or Contributory Buildings. Buildings designated as significant or~~

22 ~~——(P) Transferred Development Rights. An inventory of buildings eligible for the Transfer~~
23 ~~of Development Rights, of buildings where Transfer of Development rights have been completed, and of~~
24 ~~Transfers of Development Rights completed within the year.~~

1 ~~— (4) Report. The analysis of the factors under Commercial Space and Employment will~~
2 ~~provide an estimate of the increase in housing and transit demand. The comparison of increased~~
3 ~~demand with the increase in the supply of housing and in transit ridership will indicate the degree that~~
4 ~~the City is able to accommodate new development. Based on this data, the Department shall analyze~~
5 ~~the effectiveness of City policies governing downtown growth and shall recommend any additional~~
6 ~~measures deemed appropriate.~~

7 ~~(c) Five Year Report. On March 15, 1990, and every fifth year thereafter by July 1st, the report~~
8 ~~submitted shall address the preceding five calendar years and, in addition to the data described above,~~
9 ~~shall include, as deemed appropriate, a cordon count of downtown oriented travel and an~~
10 ~~employer/employee survey and any other information necessary for the purpose of monitoring the~~
11 ~~impact of downtown development. The five year report shall monitor long term policy indicators such~~
12 ~~as the TDR program, urban form goals, progress on the Downtown Streetscape Plan, any impact fee~~
13 ~~funds, and provide analysis of the Downtown Plan's policy objectives. If the Planning Department~~
14 ~~determines that early warnings from the annual reports indicate the need for collection of a cordon~~
15 ~~count and employer/employee survey, it may include such data in any annual report, and may include~~
16 ~~an analysis of data for a period of time earlier than the preceding calendar year.~~

17 ~~(d) Information to be Furnished. It shall be the duty of the heads of all departments, offices,~~
18 ~~commissions, bureaus and divisions of the City and County of San Francisco, upon request by the~~
19 ~~Planning Department, to furnish such information as they may have or be able to obtain relating to the~~
20 ~~matters to be included in the reports required herein.~~

9 community infrastructure improvements.

10 —(3)— The Eastern Neighborhoods Area Plans also establish general public improvements
11 and amenities needed to meet the needs of both existing residents, as well as those needs generated by
12 new development, and identified these in the Eastern Neighborhoods Needs Assessment. A copy of this
13 document is on file with the Clerk of the Board of Supervisors in File No. 081155 and is incorporated

25 ~~Neighborhoods Implementation Matrix shall be responsible for:~~

1 ~~——(A) Reporting to the Planning Department, for incorporation into the Monitoring report,~~

22 ~~Public Benefits Program and incorporated herein by reference. A Capital Expenditure Evaluation, in~~
23 ~~conjunction with the Plan's Monitoring Programs, will provide a means to measure the balance of~~
24 ~~growth against these needed improvements, and to evaluate the effectiveness of the Plans'~~
25 ~~implementation as growth occurs.~~

1 ~~—(2) Controls.~~

2 ~~—(A) Reporting Requirements. By July 1 five years after Plan adoption, and every five~~

9 ~~have been allocated or spent for the purpose of developing capital projects as identified in the Eastern~~
10 ~~Neighborhoods Priority Capital Project list. The Capital Expenditure Evaluation shall specifically~~
11 ~~report on allocations of funds or expenditures, based on their percentages share of the total fees~~
12 ~~collected to date, toward the following Eastern Neighborhoods Priority Capital Project development~~

14 ~~this Section 10E.2, the “Eastern Neighborhoods Priority Capital Project List” shall mean a list of~~
15 ~~capital projects which are a priority subset of the full Eastern Neighborhoods Public Benefits Program~~
16 ~~as set forth in the Eastern Neighborhoods Interdepartmental Memorandum of Understanding and the~~
17 ~~Central SoMa Implementation Program and amended from time to time by the Planning Commission~~
18 ~~with advice from the Eastern Neighborhoods Community Advisory Committee and the South of Market~~
19 ~~Community Planning Advisory Committee. A draft copy of said memorandum is on file with the Clerk~~
20 ~~of the Board of Supervisors in File No. 081446 and is incorporated herein by reference.~~

21 ~~—(B) Office of Controller Assessment. Within 60 days of receiving the Eastern~~
22 ~~Neighborhoods Capital Expenditure Evaluation Report, the Controller shall assess whether funds~~
23 ~~collected from the Eastern Neighborhoods Impact Fee are being effectively utilized for capital projects~~
24 ~~included on the Eastern Neighborhoods Priority Capital Project List, and whether such projects are~~
25 ~~successfully advancing towards implementation. For the purposes of this section, “effectively utilized”~~

1 ~~shall mean approximately eighty percent of total Eastern Neighborhoods impact fees collected in each~~
2 ~~Improvement Type category (as identified in Tables 423.5 and 423.5A) upon issuance of the Eastern~~
3 ~~Neighborhoods Capital Expenditure Evaluation Report have been allocated to one or more of the~~
4 ~~projects identified in the Eastern Neighborhoods Priority Capital Projects list, whether or not such~~
5 ~~projects have been approved or completed, or that all projects in that Improvement Type category have~~
6 ~~been funded. On or after the ten-year anniversary of Plan Adoption the Controller shall also consider~~
7 ~~whether projects that were initially funded by the issuance of the five year report, or any subsequent~~
8 ~~updated or revised report, have been fully funded and/or completed, assuming sufficient funds are~~
9 ~~available from the Eastern Neighborhoods impact fees collected to date.~~

10 ~~——(C) Inclusion in Annual Capital Plan. Each year the Planning Department shall submit~~
11 ~~for inclusion into the City and County of San Francisco Proposed Capital Plan for the current fiscal~~
12 ~~year, in accordance with Sections 3.20 et seq., a schedule of capital improvements to be funded,~~
13 ~~developed and implemented within the Eastern Neighborhoods, by neighborhood. That schedule shall~~
14 ~~illustrate costs and revenue streams, total projects costs and the proposed timeline for implementation.~~

15 ~~——(d) EASTERN NEIGHBORHOODS COMMUNITY ADVISORY COMMITTEE. The Eastern~~
16 ~~Neighborhoods Community Advisory Committee, in Article XXXII of Chapter 5 of the Administrative~~
17 ~~Code, shall serve the purposes and functions stated in that Article XXXII, in the manner described~~
18 ~~therein.~~

19 **~~SEC. 10E.3. BALBOA PARK STATION AREA PLAN MONITORING.~~**

20 ~~(a) Findings.~~

21 ~~——(1) The Planning Commission has adopted the Balboa Park Station Area Plan as part of~~
22 ~~the General Plan of the City and County of San Francisco. The Area Plan outlines specific goals that~~
23 ~~cumulatively frame the community's vision for the management of growth and development in the Plan~~
24 ~~Area. The Balboa Park Station Area Plan introduces innovative policies and land use controls to~~
25 ~~achieve the Plan goals. Successful realization of the Plan's goals requires a coordinated~~

1 ~~implementation of land use controls, community and public service delivery, key policies, and~~
2 ~~community infrastructure improvements. The Balboa Park Station Area Plan also establishes general~~
3 ~~public improvements and amenities needed to meet the needs of both existing residents, as well as those~~
4 ~~needs generated by new development.~~

5 ~~—(2)—In order to ensure a balanced implementation of the Balboa Park Station Area Plan,~~
6 ~~the Planning Department shall institute a formal monitoring program for the Plan's implementation~~
7 ~~measures and policies. This monitoring program shall provide basic statistics on development activity,~~
8 ~~housing construction, and infrastructure improvements in the Balboa Park Plan Area, and shall~~
9 ~~evaluate the effectiveness of the Plans' implementation according to growth in the Plan Area.~~

10 ~~—(3)—The purpose of this Monitoring Program shall be to provide monitoring and review of~~
11 ~~the effectiveness of the Balboa Park Area Plan, to ensure implementation of improvements to~~
12 ~~accompany this growth. The program shall monitor progress towards the Plans' objectives and~~
13 ~~policies, by evaluating advancement according to the Plan's matrix of implementation actions and~~
14 ~~measure the balance of growth against needed improvements.~~

15 ~~(b)—Reporting Requirements.~~

16 ~~—(1)—By July 1st two years after Plan adoption, and on July 1st every five years thereafter,~~
17 ~~the Planning Department shall prepare a report detailing development activity, housing construction,~~
18 ~~and infrastructure improvements in the Plan Area. The information shall be presented to the Board of~~
19 ~~Supervisors, Planning Commission and shall also include recommendations for measures deemed~~
20 ~~appropriate to deal with the impacts of neighborhood growth.~~

21 ~~—(2)—Time Period and Due Date. Reporting shall be presented by July 1st two years after~~
22 ~~Plan adoption to address the time period since plan adoption; and by July 1st during each required~~
23 ~~year thereafter to address the five calendar years immediately preceding.~~

24 ~~—(3)—Data Source. The Planning Department shall assemble data for the purpose of~~
25 ~~providing the reports. City records shall be used wherever possible, Outside sources shall be used~~

1 ~~when data from such sources are reliable, readily available, and necessary in order to supplement City~~
2 ~~records. When data is not available for the exact boundaries of the Plan Area, a similar geography will~~
3 ~~be used and noted.~~

4 ~~—(4) Balboa Park Implementation Matrix. The report shall review progress towards each~~
5 ~~implementation measure specified in the Plan's Implementation Matrix, adopted by reference with the~~
6 ~~Area Plan. It shall evaluate the actions of each responsible agency/ies according to the timeline~~
7 ~~specified in the Implementation Matrix, and recommend amendments to implementation measures~~
8 ~~where relevant. All departments responsible for implementation measures shall cooperate and furnish~~
9 ~~information relating to their responsibilities as stated in the matrices.~~

10 ~~—(5) Development Activity. The report shall detail all development activity in the Plan Area~~
11 ~~over the Monitoring Period, including additions and deletions of residential and non-residential space,~~
12 ~~and shall include unit size, retail space and employment generated, conversions, and other~~
13 ~~development statistics. The monitoring program shall include the following categories of information:~~

14 ~~——(A) Retail Space. Amount of retail space constructed in preceding years and related~~
15 ~~employment.~~

16 ~~——(B) Business Formation and Relocation. An estimate of the rate of the establishment of~~
17 ~~new businesses and business and employment relocation trends and patterns within the City and the~~
18 ~~Bay Area. An assessment of neighborhood serving businesses in the Plan Area, including their~~
19 ~~establishment, displacement, and economic health.~~

20 ~~——(C) Housing. An estimate of the number of housing units newly constructed, demolished,~~
21 ~~or converted to other uses.~~

22 ~~—(6) Public Benefits. The report shall detail the construction of any improvements or~~
23 ~~infrastructure as described in the Balboa Park Community Improvements Program, including the~~
24 ~~following categories of information:~~

1 ~~——(A) Streetscape, Transportation, and Public Realm. A detailed description of any~~
2 ~~transportation-serving infrastructure completed in the preceding five years, including pedestrian, bike,~~
3 ~~traffic and other modes of transportation.~~

4 ~~——(B) Open Space and Recreational Facilities. A summary of new parks, trails, public~~
5 ~~rights-of-way, recreational facilities or activity space completed to serve the purposes of recreation in~~
6 ~~the preceding five years, as well as any improvements to parks or recreational facilities.~~

7 ~~——(C) Community Facilities. An assessment of the existing service capacity of community~~
8 ~~services and facilities, and of any new services or facilities joining the neighborhood in the past five~~
9 ~~years. This shall include a review of child care, library services, and any other categories deemed~~
10 ~~relevant, such as health care centers, human services, and cultural centers.~~

11 ~~——(D) Neighborhood Serving Businesses. An assessment of neighborhood serving~~
12 ~~businesses in the area, including their establishment, displacement, and economic health.~~

13 ~~——(7) Fees and Revenues. The report shall monitor expenditure of all implemented fees,~~
14 ~~including the Balboa Park Impact Fee and all Citywide fees, and tax revenue, as listed below. It shall~~
15 ~~report on studies and implementation strategies for additional fees and programming.~~

16 ~~——(A) Impact Fee. A summary of the collected funds from the Balboa Park Impact Fee~~
17 ~~collected from development and a detailed accounting of its expenditure over that same period.~~

18 ~~——(B) Fiscal Revenues. An estimate of the net increment of revenues by type (property tax,~~
19 ~~business taxes, hotel and sales taxes) from all uses.~~

20 ~~——(C) Fee Adjustments.~~

21 ~~——(i) The Planning Department shall review the amount of the Balboa Park impact fee~~
22 ~~against any increases in construction costs, according to changes published in the Construction Cost~~
23 ~~Index published by Engineering News Record, or according to another similar cost index should there~~
24 ~~be improvements to be funded through the Balboa Park Impact Fee as listed in the Balboa Park~~
25 ~~Community Improvements Program.~~

1 ~~—— (ii) The Planning Department shall review the level of the Balboa Park Impact Fee to~~
2 ~~ensure that it is not so high as to prevent needed housing or commercial development.~~

3 ~~—— (8) Agency Responsibilities. All implementing agencies identified in the Balboa Park~~
4 ~~Implementation Matrix shall be responsible for:~~

5 ~~—— (A) Reporting to the Planning Department, for incorporation into the Monitoring report,~~
6 ~~on action undertaken in the previous reporting period to complete the implementation actions under~~
7 ~~their jurisdiction, as referenced in the Balboa Park Implementation Matrix.~~

8 ~~—— (B) Providing an analysis of the actions to be completed in the next reporting period, for~~
9 ~~incorporation into the Monitoring report, including a description of the integrated approach that will~~
10 ~~be used to complete those tasks.~~

11 ~~—— (i) To the extent the Agencies identified in the Implementation Matrix are outside the~~
12 ~~jurisdiction of this Board, this Board hereby urges such Agencies to participate in this process.~~

13 ~~—— (9) Budget Implications. In cooperation with the Annual Progress reports required by~~
14 ~~Administrative Code Chapter 36.4, and prior to the annual budget process, the Board shall receive a~~
15 ~~presentation by the Interagency Planning and Implementation Committee and its member agencies to~~
16 ~~describe how each agency's proposed annual budget advances the Plans' objectives, including specific~~
17 ~~projects called for by this section. The Board of Supervisors shall give particular consideration to~~
18 ~~proposed agency budgets that meet the implementation responsibilities as assigned by the City's~~
19 ~~General Plan, including the Balboa Park Implementation Matrix. Budget proposals that do not include~~
20 ~~items to meet these implementation responsibilities shall respond to Board inquiries as to why inclusion~~
21 ~~was not possible.~~

22 **SEC. 10E.4. HOUSING ELEMENT PRODUCTION REPORTS AND HEARINGS.**

23 **(a) Findings.**

24 * * * *

1 (3) Pursuant to Government Code Section 65584, the Association of Bay Area
2 Governments (ABAG), in coordination with the California State Department of Housing and
3 Community Development (HCD), determines the Bay Area's regional housing need based on
4 regional trends, projected job growth, and existing needs. ~~ABAG has calculated San Francisco's~~
5 ~~fair share of the regional housing need for January 2007 through—the implementation period for the~~
6 ~~current Housing Element—as 31,390 units, or about 4,160 units per year.~~

7 (4) The regional housing needs assessment (RHNA) determination includes
8 production targets addressing housing needs of a range of household income categories.
9 ABAG has projected that at least ~~39~~40% of new housing demands will be from low and very
10 low income households (households earning under 80% of area median income), and another
11 ~~22~~17% should be affordable to households of moderate means (earning between 80% and
12 120% of area median income). Market-rate housing is considered housing that is generally
13 available to households making at or above 120% of median income. Because the median
14 income in San Francisco is lower than the regional median income, the Mayor's Office of
15 Housing publishes a local AMI standard.

16 * * * *

17 (6) Housing affordability continues to be a major concern as San Francisco has
18 one of the least affordable housing markets in the nation. ~~Under the heading "Why is Housing an~~
19 ~~Issue," Part II: Objectives & Policies of the Housing Element's introduction says:~~

20 ———~~"Based on the growing population, and smart growth goals of providing housing in~~
21 ~~central areas like San Francisco, near jobs and transit, the State Department of Housing and~~
22 ~~Community Development (HCD), with the Association of Bay Area Governments (ABAG), estimates~~
23 ~~that San Francisco must plan for the capacity for roughly 31,000 new units, 60% of which should be~~
24 ~~suitable for housing for the extremely low, very low, low and moderate income households, in the 2007-~~
25 ~~2014 Housing Element period to meet its share of the region's projected housing demand."~~

1 ~~Objective 1 of the San Francisco Housing Element states that the City should "identify and~~
2 ~~make available for development adequate sites to meet the City's housing needs, especially permanently~~
3 ~~affordable housing." Objective 7 states that San Francisco's projected affordable housing needs~~
4 ~~far outpace the capacity for the City to secure subsidies for new affordable units. Therefore,~~
5 ~~the City needs to look for creative ways to facilitate affordable housing development.~~

6 ~~(7) In January 2012, the San Francisco Budget and Legislative Analyst published a~~
7 ~~Performance Audit of San Francisco's Affordable Housing Policies and Programs, which was prepared~~
8 ~~at the request of the Board of Supervisors. Table 1 of the Performance Audit shows that between 1999~~
9 ~~and 2006, San Francisco met 153.4% of its production goal for market rate housing, 82.8% of its goal~~
10 ~~for very low income housing, 52.4% of its goal for low income housing, and 12.9% of its goal for~~
11 ~~moderate income housing. In Table 2 of the Performance Audit, San Francisco's housing production~~
12 ~~goals for 2007-2014 are: 10.6% of all new housing for extremely low income households, 10.6% for~~
13 ~~very low income households, 17.7% for low income households, 21.7% for moderate income~~
14 ~~households, and 39.5% for market rate housing.~~

15 ~~(8) Among other things, the Performance Audit concluded that the Planning~~
16 ~~Commission does not receive a sufficiently comprehensive evaluation of the City's achievement of its~~
17 ~~housing goals and that the Board of Supervisors does not receive consistent information on the overall~~
18 ~~impact of the City's housing policies on the development of affordable housing in San Francisco.~~
19 ~~Among other things, the Budget and Legislative Analyst recommended that:~~

20 ~~(A) Planning Department staff reports to the Planning Commission include~~
21 ~~data on the expected unit type and income level of any proposed projects or area plans under review,~~
22 ~~including how such units would address the City's fair share of the regional housing need;~~

23 ~~(B) the Planning Department resume providing the Commission with a~~
24 ~~Quarterly Housing Production Report, and~~

1 ~~_____ (C) the Planning Department include in the annual Housing Inventory an~~
2 ~~evaluation of~~
3 ~~_____ (i) how residential projects entitled in the preceding calendar year~~
4 ~~contributed to the City's housing goals for each income level and to the Housing Element's policies and~~
5 ~~objectives,~~
6 ~~_____ (ii) how entitled housing projects met inclusionary housing or~~
7 ~~affordable housing fee requirements, and their expected impact on achieving the City's housing goals~~
8 ~~for each income level,~~
9 ~~_____ (iii) whether entitled housing projects advanced various Area Plan~~
10 ~~goals and objectives, and~~
11 ~~_____ (iv) the current and projected status of housing development in the City~~
12 ~~compared to the City's housing goals.~~

13 ~~_____ (7) The reporting obligations in this Section 10E.4 aim to provide a comprehensive,~~
14 ~~centralized evaluation of the City's achievement of its housing goals and progress toward meeting its~~
15 ~~RHNA obligations. The reporting requirements of this Section 10E.4 do not limit or supersede annual~~
16 ~~reporting obligations under the California Government Code, including but not limited to Housing~~
17 ~~Element Annual Progress Reports pursuant to Government Code Section 65400, but instead provide~~
18 ~~additional information to the public and policymakers on housing development in San Francisco and~~
19 ~~the overall impact of the City's housing policies on that development.~~

20
21 **(b) Planning Department Reports.**

22 ~~_____ (1) **Housing Production Summary Attachment.** Beginning within 30 days after the~~
23 ~~effective date of this Section, Planning Department staff reports to the Planning Commission, Historic~~
24 ~~Preservation Commission or the Board of Supervisors on all proposed projects of five residential units~~
25 ~~or more shall include data on the total number of units at all stages of the housing production process,~~

1 ~~within the current Housing Element statutory period, as it contributes towards meeting San Francisco's~~
2 ~~quantified production goals for different household income levels as determined in the General Plan's~~
3 ~~Housing Element, and including data on households earning approximately 120% to 150% of area~~
4 ~~median income based on sponsors' disclosure of unit pricing for market rate housing proposals and~~
5 ~~other available data; senior housing units; the number of efficiency, studio, one bedroom, two bedroom~~
6 ~~and three bedroom and above units (when the ability to collect this data exists); and data tracking~~
7 ~~revenue generated from the Affordable Housing Fee under Planning Code Section 415 et seq. Baseline~~
8 ~~data on housing production for this reporting shall be updated quarterly.~~

9 ~~———(2) **Quarterly Housing Production Reports.** Planning Department staff shall provide~~
10 ~~the Planning Commission with a quarterly Housing Production Report every three months that~~
11 ~~contains, at a minimum, a comparative analysis of current housing production and regional housing~~
12 ~~needs allocation for San Francisco for different household incomes as determined in the General~~
13 ~~Plan's Housing Element, and including data on households earning approximately 120% to 150% of~~
14 ~~area median income based on sponsors' disclosure of unit pricing for market rate housing proposals~~
15 ~~and other available data; senior housing units; the number of efficiency, studio, one bedroom, two~~
16 ~~bedroom and three bedroom and above units (when the ability to collect this data exists); and data~~
17 ~~tracking revenue generated from the Affordable Housing Fee under Planning Code Section 415 et seq.~~
18 ~~This report should also include information regarding the approval process for newly entitled housing.~~
19 ~~Specifically, the report should show which projects were considered at a public hearing before the~~
20 ~~Planning Commission, including Conditional Use or Mandatory Discretionary Review.~~

21 ~~———(3) **Annual Housing Inventory Reports.** The Planning Department shall publish an~~
22 ~~annual Housing Inventory on April 1st of each year that contains at a minimum:~~

23 ~~(1)(A) an evaluation of how residential projects entitled or at any other stage of~~
24 ~~the housing production process during the preceding calendar year contribute to the City's~~
25 ~~quantified regional housing needs allocation for different household income levels as~~

determined in the General Plan's Housing Element, and, to the extent available, (i) affordability levels for all units, including those designated as below-market-rate (BMR) units, along with (ii) data regarding unit type and building size; including data on households earning approximately 120% to 150% of area median income based on sponsors' disclosure of unit pricing for market rate housing proposals and other available data; senior housing units; and the number of efficiency, studio, one bedroom, two bedroom and three bedroom and above units (when the ability to collect this data exists).

~~(2)(B)~~ how residential projects in the housing production process met inclusionary housing requirements as on-site below-market-rate (BMR) units, off-site BMR units, or payment of an in-lieu fee, including data tracking revenue generated from the Affordable Housing Fee under Planning Code Section 415 et seq.; ~~and~~

~~(3)(C)~~ the number of residential projects at any stage of the housing production process during the preceding calendar year within the City's neighborhoods ~~Planning Districts~~ and Plan Areas ~~for different housing income levels as determined in the General Plan's Housing Element~~, and, to the extent available (i) affordability levels for all units, including those designated as below-market-rate (BMR) units, along with (ii) data regarding unit type and building size; including data on households earning approximately 120% to 150% of area median income based on sponsors' disclosure of unit pricing for market rate housing proposals and other available data; senior housing units; and the number of efficiency, studio, one bedroom, two bedroom and three bedroom and above units (when the ability to collect this data exists).

(4) the number of Accessory Dwelling Units constructed, type of permit or other approval(s), and to the extent available, their unit types and affordability levels;

(5) the number of dwellings legalized under Section 207.3 of this Code, and to the extent available, their unit types and affordability levels; and

1 (6) the number of dwelling units at any stage of the housing production process using a
2 state or local density bonus program, which specific density bonus program is being used, and to the
3 extent available, their unit types and affordability levels.

4 ~~(4) **Annual Jobs-Housing Fit Report.** The Planning Department shall publish a Jobs-~~
5 ~~Housing Fit Report (“Report”) on April 1 of each year, as a companion report to the annual Housing~~
6 ~~Inventory. The Report shall analyze the number, types, and wage distribution by quartile of jobs~~
7 ~~created or lost in the City, and provide an estimate of the housing needs associated with those jobs. The~~
8 ~~Report shall compare those housing needs by wages to actual housing production in San Francisco by~~
9 ~~affordability levels (“Jobs Housing Fit”). The Report shall use available and relevant data from~~
10 ~~regularly published sources on jobs, wages, commercial and housing production, project approvals,~~
11 ~~standard assumptions for jobs per square foot by industry type, occupations and wage distribution by~~
12 ~~quartile associated with those industry types, workers per household and household size, and shall use~~
13 ~~the household income classifications expressed in the Housing Element of the General Plan. The~~
14 ~~Report shall include the following components:~~

15 ~~————— (A) **Ten-year Retrospective Assessment.** The Report shall provide an~~
16 ~~assessment of the Jobs Housing Fit in the City for the preceding ten years through the end of the~~
17 ~~preceding calendar year.~~

18 ~~————— (B) **Pipeline Projection.** The Report shall project the expected Jobs Housing Fit~~
19 ~~for the current pipeline of entitled projects. The projection shall include: commercial and housing~~
20 ~~development projects that have received their first building or site permit; entitled commercial and~~
21 ~~housing developments that have been approved but have not yet received their first building or site~~
22 ~~permit; and projects subject to development agreements, but shall not include the portions of multi-~~
23 ~~phase projects with phases expected to continue beyond ten years. The projection shall use the~~
24 ~~affordability levels associated with entitled housing developments including on-site inclusionary units.~~
25 ~~The Report shall compare projected housing needs by wages directly associated, and indirectly~~

1 ~~associated, to the extent feasible, with the entitled commercial pipeline to the affordability levels of the~~
2 ~~entitled housing pipeline. The Report shall separately evaluate the Jobs-Housing Fit for the extended~~
3 ~~development pipeline including those portions of multi-phase projects extending beyond ten years.~~

4 ~~————— (C) **Area Plan and Major Projects.** For each draft Area Plan and major~~
5 ~~commercial or mixed-use development project larger than two acres subject to a development~~
6 ~~agreement under consideration or approved in the previous two years, the Report shall identify the~~
7 ~~Jobs-Housing Fit for each such project. To the extent Planning Department staff reports already have~~
8 ~~evaluated the Jobs-Housing Fit for these projects, the Report may reference those staff reports.~~

9 ~~(e) **Annual Planning Commission Housing Hearing; Report to the Board of Supervisors.**~~

10 ~~————— (1) **Commission Hearing.** The Planning Commission shall hold an annual public~~
11 ~~hearing subsequent to publishing the Housing Inventory. This hearing shall provide, at a minimum,~~
12 ~~information on:~~

13 ~~————— (A) **Findings of the annual Housing Inventory** regarding how housing~~
14 ~~production trends match with San Francisco's quantified regional housing needs allocation for~~
15 ~~different income levels as determined in the General Plan's Housing Element, and including data on~~
16 ~~households earning approximately 120% to 150% of area median income based on sponsors'~~
17 ~~disclosure of unit pricing for market rate housing proposals and other available data; senior housing~~
18 ~~units; and the number of efficiency, studio, one-bedroom, two-bedroom and three-bedroom and above~~
19 ~~units (when the ability to collect this data exists); and~~

20 ~~————— (B) **Findings of the state-mandated annual Housing Element Progress Report**~~
21 ~~regarding how housing production trends advance the Housing Element's policies and goals.~~

22 ~~————— (C) **Findings of the Annual Jobs-Housing Fit Report** regarding how the housing~~
23 ~~needs associated with job growth compare to actual housing production by income levels. The~~
24 ~~Planning Department, in consultation with the Mayor's Office of Housing and Community~~
25 ~~Development, shall report in writing on the allocated funding, sites, and timing necessary to meet the~~

1 ~~affordable housing needs identified in the Report, and, insofar as the Report identifies unmet past and~~
2 ~~projected needs, the amount of additional funding, and sites for affordable housing, that would need to~~
3 ~~be allocated in order to meet the projected housing needs associated with job growth.~~

4 ~~———(2) **Annual Report to the Board.** The Planning Department shall provide an annual~~
5 ~~report to the Board of Supervisors concerning the results of the Commission's hearing and any~~
6 ~~recommendations for legislation.~~

8 **~~CHAPTER 12D:~~**

9 **~~MINORITY/WOMEN/LOCAL BUSINESS UTILIZATION~~**

10 **~~PROVISIONS EFFECTIVE FOR CONTRACTS SOLICITED PRIOR TO NOVEMBER 1,~~**
11 **~~1998~~**

12 **~~SEC. 12D.1. SHORT TITLE.~~**

13 ~~This ordinance shall be entitled the "Minority/Women/Local Business Utilization Ordinance"~~
14 ~~and may be cited as the "MBE/WBE/LBE Ordinance—III."~~

15
16 **~~SEC. 12D.2. GENERAL FINDINGS.~~**

17 ~~—The Board of Supervisors having adopted Ordinance No. 139-84 on April 2, 1984 to address~~
18 ~~identified discriminatory practices inherent in the City's procurement process which resulted in the~~
19 ~~virtual exclusion of minority and woman owned businesses as contractors on City prime contracts and~~
20 ~~to offset economic disadvantages faced by local businesses that are not shared by nonlocal businesses;~~

21 ~~—And Ordinance No. 139-84 being remedial in nature will expire June 30, 1989 and thus~~
22 ~~required the Human Rights Commission to study minority and woman owned business participation in~~
23 ~~City contracting prior to the expiration of that Ordinance;~~

24 ~~—And the Human Rights Commission, pursuant to Section 12D.15 of Ordinance No. 139-84~~
25 ~~having in June and July of 1988 heard the testimony of 42 witnesses, reviewed the transcript and~~

1 ~~written submittals of 127 minority, women, local and other business representatives, studied the~~
2 ~~testimonial and statistical evidence presented by the public, City departments, and the Commission's~~
3 ~~staff to ascertain whether the objectives of Ordinance No. 139-84 had been met and having submitted~~
4 ~~its October 23, 1988 report to this Board entitled "Investigation into Minority and Women Business~~
5 ~~Participation in City Contracting, Comprehensive Edition: Findings, Recommendations and Support~~
6 ~~Documentation";~~

7 ~~—And the United States Supreme Court on January 23, 1989 having decided City of Richmond~~
8 ~~v. Croson which addresses the constitutionally acceptable quantum of evidence that enables a~~
9 ~~municipality to adopt a race-conscious remedial ordinance in public contracting;~~

10 ~~—And the Budget Analyst at the request of this Board having studied the participation of~~
11 ~~minority and woman owned businesses in City contracts at the prime contractor level during fiscal year~~
12 ~~1987-1988 and compared this business participation to minority and women businesses' share of their~~
13 ~~relevant respective industries or professions and having submitted his report dated March 8, 1989 and~~
14 ~~his revised report dated March 17, 1989 to this Board;~~

15 ~~—And BPA Economics, Inc. at the request of the City Attorney and the Director of the Human~~
16 ~~Rights Commission having evaluated statistical evidence provided by City departments and the Budget~~
17 ~~Analyst, conducted a statistical analysis of these data and having submitted its report entitled~~
18 ~~"Statistical Support for San Francisco's MBE/WBE/LBE Ordinance," dated May 1, 1989 and his~~
19 ~~revised report dated May 15, 1989, to this Board;~~

20 ~~—And this Board, having conducted 10 additional public hearings, taken additional testimony~~
21 ~~and written submittals, and reviewed the 1983 and 1988 reports of the Human Rights Commission, the~~
22 ~~1989 reports of the Budget Analyst, and the 1989 report of BPA Economics, Inc. (all of which shall be~~
23 ~~incorporated herein by reference) and relying upon this Board's knowledge about the City's compliance~~
24 ~~with Ordinance No. 139-84, such knowledge having been acquired during the past five years,~~

25 ~~—This Board hereby makes the following findings:~~

1 —1.— ~~Local businesses that seek to enter into contracts with the City and County of San~~
2 ~~Francisco continue to labor under a competitive disadvantage with businesses from other areas~~
3 ~~because of the higher administrative costs of doing business in the City (e.g., higher taxes, higher rents,~~
4 ~~higher wages and benefits for labor, higher insurance rates, etc.). In 1991, this Board concluded that~~
5 ~~MBEs and WBEs are currently receiving a very small share of City contracts through joint ventures~~
6 ~~with majority-owned firms, while a number of well-established LBEs have taken advantage of the five-~~
7 ~~percent LBE bid preference by joint venturing with each other. The Board concludes that the five-~~
8 ~~percent MBE/WBE bid preference has not proved sufficiently effective in remedying the exclusion of~~
9 ~~MBEs and WBEs from City contracts through the vehicle of joint ventures. Accordingly, the Board is~~
10 ~~granting a seven and one-half percent bid preference to joint ventures with MBE or WBE participation~~
11 ~~between 40 percent and 50.9 percent to provide more incentives for majority firms to joint venture with~~
12 ~~MBEs and WBEs to provide services to the City.~~

13 —2.— ~~The public interest is served by continuing to encourage business to locate and remain~~
14 ~~in San Francisco through the provision of a minimal "good-faith" preference to local businesses in the~~
15 ~~award of City contracts.~~

16 —3.— ~~Policies and programs that enhance the opportunities and entrepreneurial skills of~~
17 ~~minority owned, woman owned, and local businesses will best serve the public interest because the~~
18 ~~growth and development of such businesses will have a significant positive impact on the economic~~
19 ~~health of the City and will serve to reduce racial tension in our community.~~

20 —4.— ~~The testimony of businesses that seek to enter into contracts with the City or are doing~~
21 ~~business with the City, as presented to this Board and as detailed in the Human Rights Commission's~~
22 ~~1988 report, offer clear and persuasive reasons for the Board of Supervisors to take the actions~~
23 ~~proposed by this Ordinance to remedy: (1) City contracting practices and community conditions that~~
24 ~~cause the exclusion or reduce the opportunities of minority and woman owned businesses to be~~
25 ~~awarded City contracts to such an extent that the amount of City contract dollars awarded to them can~~

1 ~~only be explained by discrimination; and (2) competitive disadvantages local business continue to face~~
2 ~~in providing goods and services to the City.~~

3 ~~—5. Outreach and advertising efforts by City departments have served to draw more~~
4 ~~minority and woman business enterprises into the City's procurement process. The City needs to~~
5 ~~intensify its outreach and advertising efforts as well as its education/training programs to reach a~~
6 ~~broadier segment of the MBE/WBE community. However, past experience has taught that outreach and~~
7 ~~advertising efforts alone are not enough to remedy the exclusion of minority and women owned~~
8 ~~businesses as prime contractors with the City.~~

9 ~~—6. Ordinance No. 139-84 has provided City departments with uniform standards and~~
10 ~~criteria in the award of contracts. However, these standards have not been applied consistently City-~~
11 ~~wide. This inconsistent application of the Ordinance continues to give preference to majority~~
12 ~~businesses in the prime award process to the detriment of minority and woman business enterprises.~~

13 ~~—7. The bid preference mechanism has the advantage of affording minority, woman and~~
14 ~~local business enterprises a competitive "plus" when bidding or proposing on City contracts. The bid~~
15 ~~preference mechanism does not exclude any potential contractor. It encourages competition and~~
16 ~~thereby ensures that the City is contracting with responsible, efficient contractors. Consequently, the~~
17 ~~bid preference mechanism has assisted minority, woman and local business enterprises to obtain City~~
18 ~~contracts. The bid preference is allowed to joint ventures where MBEs and WBEs participate at a~~
19 ~~managerial and entrepreneurial level with nonminority and nonwoman entrepreneurs. Affording the~~
20 ~~bid preference to joint ventures has encouraged nonMBE/WBEs to enter into joint venture agreements~~
21 ~~with MBE/WBEs and compete for City contracts. Several joint ventures of minority/woman and~~
22 ~~majority/male owned firms have won large construction and professional services contracts with the~~
23 ~~assistance of the bid preference. The evidence in the record before this Board supports the conclusion~~
24 ~~that the bid preference invites participation by formerly excluded businesses and hence promotes more~~
25 ~~competition, resulting in more competitive bids submitted to the City.~~

1 —8.— ~~In Ordinance No. 175-89 this Board concluded that set-asides of contracts, where~~
2 ~~competition for selected contracts is limited to MBE/WBEs or joint ventures with MBE/WBEs, had been~~
3 ~~authorized by the Director of the Human Rights Commission only on rare occasions over the past five~~
4 ~~years (1984-1985). Before the adoption of Ordinance No. 175-89, the Director had regarded the~~
5 ~~contract set-aside mechanism as a measure to be used in last resort type cases where a department~~
6 ~~could demonstrate, despite its good faith efforts and the application of the bid preference, that it had~~
7 ~~failed substantially to eliminate the exclusion of MBEs and WBEs from City contracting. In 1989, at the~~
8 ~~time Ordinance No. 175-89 was adopted, this Board concluded that despite the claim by several~~
9 ~~departments that the contract set-aside mechanism was essential to ensure participation by~~
10 ~~MBE/WBEs, the City had made steady progress City wide toward the MBE/WBE goals while only~~
11 ~~making sparing use of the contract set-aside mechanism. However, in 1991, this Board found that the~~
12 ~~use of good faith efforts and the application of the bid preference did not appear in all cases to be a~~
13 ~~sufficient remedy for opening the closed environment in which City departments operate or correcting~~
14 ~~the identified discriminatory practices of the City against MBEs and WBEs. The Board reaffirms its~~
15 ~~1991 finding that setting aside contracts limited to competition among MBE/WBEs or joint ventures~~
16 ~~with MBE/WBEs is a necessary remedy in those limited cases where a department can demonstrate,~~
17 ~~despite its good faith efforts and the application of the bid preference, that it has failed substantially to~~
18 ~~eliminate the exclusion of MBEs and WBEs from City contracting.~~

19 —9.— ~~Without the Ordinance, many small MBE /WBEs would be unable to compete for and~~
20 ~~win awards of prime City contracts.~~

21 —10.— ~~Some City departments continue to operate under the "old boy network" when~~
22 ~~awarding contracts. The City's "old boy network" constitutes a closed business system created and~~
23 ~~implemented by the City for all contracts, including those subject to the competitive bid process.~~
24 ~~Discrimination against and insensitivity to MBEs and WBEs continue to persist in the City's~~
25 ~~procurement process. The closed environment in which City businesses operate has excluded MBEs~~

1 and WBEs and has placed them under a competitive disadvantage when competing for City prime
2 contracts.

3 —11.— ~~The statistical evidence before this Board relating to the award of contracts subject to~~
4 ~~this Ordinance for fiscal year 1987-1988 reflects that in almost all areas of contracting MBEs (each~~
5 ~~ethnic group identified as a minority) and WBEs continue to be awarded contract dollars that are~~
6 ~~disproportionately lower than the available numbers of MBEs and WBEs in San Francisco. These data~~
7 ~~are gathered and summarized in Appendix X, which contains utilization indices described as Tables 1~~
8 ~~through 7, and 10 through 11, and is attached to this Ordinance and incorporated herein by reference~~
9 ~~as though fully set forth. These utilization indices measure the disparity between MBEs (as a group and~~
10 ~~each ethnic group identified as a minority) or WBE participation in City prime contracts and their~~
11 ~~share of their relevant industry or profession. That disparity is measured in terms of a statistical~~
12 ~~significance. When measure of the statistical significance is minus two (-2) or less, the Board concludes~~
13 ~~that the disparity cannot be attributed to chance. Based upon the weight of the testimony and other~~
14 ~~evidence before this Board and the Commission in 1983, 1984, 1988 and 1989, the Board finds that the~~
15 ~~statistical disparities can only be attributed to discriminatory procurement practices of the City against~~
16 ~~MBEs and WBEs.~~

17 —Based on the testimony and other evidence before this Board and the Commission in 1983,
18 1984, 1988 and 1989, the Board finds that the aforementioned statistical disparities are also attributed
19 to discrimination in the private sector against MBEs and WBEs that is manifested in and perpetuated
20 and exacerbated by the City's procurement practices.

21 —12.— ~~Consistent with Ordinance No. 139-84, on December 19, 1988 the Board of~~
22 ~~Supervisors adopted legislation which requires the City's Risk Manager to develop uniform insurance~~
23 ~~requirements for City contracts. On May 2, 1989 the Risk Manager established these uniform standards~~
24 ~~which are set forth in a document entitled "Contract Insurance Manual." This manual is intended to be~~
25 ~~a guide for contract administrators to standardize bond and insurance requirements in City contracts.~~

1 —~~13.— Consistent with Ordinance No. 139-84, the Board of Supervisors has also considered~~
2 ~~whether to: (1) create a special revolving fund to assist newly established MBEs and WBEs to meet~~
3 ~~bonding and other fee-related requirements; and (2) relax or waive bonding requirements on certain~~
4 ~~contracts to facilitate MBE/WBE participation. In view of the City's budgetary constraints and the~~
5 ~~opposition voiced by segments of the local business community, this Board finds that creation of a~~
6 ~~special revolving fund, or relaxation or waiver of bonding requirements is not feasible at this time.~~

9 —~~Upon the expiration of Ordinance No. 139-84 this Board having adopted Ordinance No. 175-~~
10 ~~89 on May 30, 1989 to address the same types of practices and to offset the same types of economic~~
11 ~~disadvantages identified in Section 12D.2;~~

12 —~~And Ordinance No. 175-89 as amended being remedial in nature will expire June 30, 1992~~
13 ~~and thus required the Human Rights Commission to study minority and woman-owned business~~

19 ~~staff to ascertain whether the objectives of Ordinance No. 175-89 as amended had been met and having~~
20 ~~submitted to this Board its February 28, 1992, "Sunset Report" and its March 2, 1992 "Progress Report~~
21 ~~FY 1990-91";~~

23 ~~statistical analysis of the MBE/WBE/LBE Progress Reports for fiscal years 1992-93, 1993-94 and~~
24 ~~1994-95 suggesting continuing patterns of underutilization of certified MBE and WBE contractors;~~

1 ~~—And the Human Rights Commission having submitted to this Board its March 3, 1997~~

2 ~~"Resolution Certifying HRC Findings to the Board of Supervisors Supporting the Extension of the~~

11 ~~and having conducted public hearings on April 24, 1997 on the MBE/WBE program and policies and~~
12 ~~on May 8, 1997 at which the Board received additional testimony and written submittals from the~~
13 ~~public (which shall be incorporated by reference), finds that there is a good faith basis for concluding~~
14 ~~that the purposes identified in Section 12D.3 have not yet been achieved;~~

15 ~~—This Board hereby finds that there is a good faith basis to extend Ordinance 155-92, as~~
16 ~~amended, for a six-month period during which time this Board, with the assistance of the Human Rights~~
17 ~~Commission and the City Attorney, will continue with the process of fact finding to ascertain whether a~~
18 ~~strong basis in evidence exists for concluding that the purposes identified in Section 12D.3 have not~~
19 ~~been achieved.~~

20
21 **~~SEC. 12D.2-3. FURTHER ADDITIONAL FINDINGS SUPPORTING THREE-MONTH~~**
22 **~~EXTENSION OF MBE/WBE/LBE ORDINANCE~~**

23 ~~—On November 5, 1996, Californians voted to adopt the California Civil Rights Initiative~~
24 ~~(Proposition 209) as an amendment to their Constitution. Proposition 209 provides that the State and~~
25 ~~its subdivisions shall not discriminate against, or grant preferential treatment to, any individual or~~

1 ~~group on the basis of race, sex, color, ethnicity or national origin in the operation of public~~
2 ~~employment, education or contracting.~~

3 ~~—On December 23, 1996, the United States District Court for the Northern District of~~
4 ~~California, granted a preliminary injunction to prevent the implementation of Proposition 209.~~
5 ~~However, on April 8, 1997, the Ninth Circuit in Coalition v. Wilson reversed the district court's ruling~~
6 ~~and upheld as constitutional Proposition 209. Then on August 21, 1997, the Ninth Circuit denied the~~
7 ~~petition for rehearing the decision in Coalition v. Wilson. Finally, on November 3, 1997, the United~~
8 ~~States Supreme Court denied the petition for certiorari and let stand the Ninth Circuit's decision to~~
9 ~~uphold Proposition 209 as constitutional.~~

10 ~~—As a result of the Ninth Circuit's ruling, Mason Tillman Associates will have to consider the~~
11 ~~impact, if any, of Proposition 209 on its disparity study commissioned by the Human Rights~~
12 ~~Commission on January 13, 1997.~~

13 ~~—And although this Board expected to receive the disparity study on or before August 31, 1997,~~
14 ~~which was on an expedited schedule, the San Francisco International Airport's data requires additional~~
15 ~~verification in order to complete the disparity study. This circumstance has caused the compilation of~~
16 ~~the study's date to take longer than originally anticipated;~~

17 ~~—And where the Mayor's Office and other City departments should have an opportunity to~~
18 ~~provide comment as to any proposed legislative changes to the ordinance before the legislation is~~
19 ~~introduced at the Board;~~

20 ~~—And this Board incorporating by reference the findings set forth in Sections 12D.2, 12D.2-1~~
21 ~~and 12D.2-2 above;~~

22 ~~—This Board hereby finds that there is a good faith basis to extend Ordinance 155-92, as~~
23 ~~amended by Ordinance 210-97, for a three-month period during which time this Board, with the~~
24 ~~assistance of the Human Rights Commission and the City Attorney, will (1) complete the compilation of~~
25 ~~the data sufficient to ascertain whether a strong basis in evidence exists for concluding that the~~

1 ~~purposes identified in Section 12D.3 have not been achieved and (2) receive comment on proposed~~
2 ~~legislative changes, if any, to the ordinance in light of the findings and recommendations set forth in~~
3 ~~the disparity study.~~

6 **~~EXTENSION OF MBE/WBE/LBE ORDINANCE.~~**

7 ~~—On November 3, 1997, the United States Supreme Court denied the petition for writ of~~
8 ~~certiorari in Coalition for Economic Equity et al. v. Pete Wilson et al. As a result of the Supreme~~
9 ~~Court's decision not to grant review, Mason Tillman Associates and the City continue to consider the~~
10 ~~impact, if any, of Proposition 209 on the Disparity Study commissioned by the Human Rights~~
11 ~~Commission on January 13, 1997;~~

12 ~~—And although a draft disparity study has been presented to the Human Rights Commission,~~
13 ~~several new questions regarding the data and how it should be analyzed have been raised by the~~
14 ~~Human Rights Commission and members of the public. In light of the concerns raised, Mason Tillman~~
15 ~~Associates and the Human Rights Commission have determined that additional data gathering and~~
16 ~~analysis is necessary in order to accurately determine whether a strong basis in evidence exists for~~
17 ~~concluding that the purposes identified in Section 12D.3 have not been achieved and what remedy, if~~
18 ~~any, is necessary to ensure that there is no discrimination in public contracting in the City and County~~
19 ~~of San Francisco.~~

20 ~~—And this Board incorporating by reference the findings set forth in Section 12D.2, 12D.2-1,~~
21 ~~12D.2-2 and 12D.2-3 above;~~

22 ~~—This Board hereby finds that there is a good faith basis to extend Ordinance 155-92, as~~
23 ~~amended by Ordinance 210-97 and 457-97, for a three-month period during which time this Board,~~
24 ~~with the assistance of the Human Rights Commission and the City Attorney, will (1) complete the~~
25 ~~compilation of the data sufficient to ascertain whether a strong basis in evidence exists for concluding~~

1 ~~that the purposes identified in Section 12D.3 have not been achieved and (2) receive comment on~~
2 ~~proposed legislative changes, if any, to the ordinance in light of the findings set forth in the final~~
3 ~~disparity study.~~

7 ~~—On November 3, 1997, the United States Supreme Court denied the petition for writ of~~
8 ~~certiorari in Coalition for Economic Equity et al. v. Pete Wilson et al. As a result of the Supreme~~

10 ~~any, of Proposition 209 on the Disparity Study commissioned by the Human Rights Commission on~~
11 ~~January 13, 1997;~~

12 ~~—And although a draft disparity study was presented to the Human Rights Commission, several~~
13 ~~new questions regarding the data and how it should be analyzed were raised by the Human Rights~~
14 ~~Commission and members of the public. In light of the concerns raised, additional necessary data~~
15 ~~gathering and analysis were conducted. Additional time is needed in order to accurately determine~~
16 ~~whether a strong basis in evidence exists for concluding that the purposes identified in Section 12D.3~~
17 ~~have not been achieved and what remedy, if any, is necessary to ensure that there is no discrimination~~
18 ~~in public contracting in the City and County of San Francisco.~~

19 ~~—And this Board incorporation by reference the findings set forth in Section 12D.2, 12D.2-1,~~
20 ~~12D.2-2, 12D.2-3 and 12D.2-4 above;~~

21 ~~—This Board hereby finds that there is a good faith basis to extend Ordinance 155-92, as~~
22 ~~amended by Ordinance 210-97, 457-97, 82-98, for a two-month period during which time this Board,~~
23 ~~with the assistance of the Human Rights Commission and the City Attorney, will (1) complete the~~
24 ~~compilation and analysis of the data sufficient to ascertain whether a strong basis in evidence exists for~~
25 ~~concluding that the purposes identified in Section 12D.3 have not been achieved and (2) receive~~

comment on proposed legislative changes, if any, to the Ordinance in light of the findings set forth in the final Disparity Study.

SEC. 12D.2-6. ADDITIONAL FINDINGS SUPPORTING A TWO-MONTH EXTENSION OF MBE/WBE/LBE ORDINANCE.

~~In light of the United States Supreme Court's denial of the petition for writ of certiorari in Coalition for Economic Equity et al. v. Pete Wilson et al. several new questions with respect to the data collected for the City's disparity study and how it should be analyzed were raised. Because of those concerns, the Human Rights Commission in March of this year embarked upon additional data gathering and analysis in order to accurately determine whether a strong basis in evidence exists for concluding that the purposes identified in Section 12D.3 have not been achieved and what remedy, if any, is necessary to ensure that there is no discrimination in public contracting in the City and County of San Francisco.~~

~~Although the Human Rights Commission has succeeded in gathering such additional data, the data gathering process is not yet complete. Consequently, the analysis of the data is not complete. Additional time is needed in order to accurately determine whether a strong basis in evidence exists for concluding that the purposes identified in Section 12D.3 have not been achieved and what remedy, if any, is necessary to ensure that there is no discrimination in the procurement process of the City and County of San Francisco.~~

~~This Board incorporates by reference findings set forth in Sections 12D.2, 12D.2-2, 12D.2-3, 12D.2-4 and 12D.2-5 above;~~

~~This Board hereby finds that there is a good faith basis to extend Ordinance 155-92, as amended by Ordinances 210-97, 457-97, 82-98 and 186-98 for a two-month period during which time this Board, with the assistance of the Human Rights Commission and the City Attorney, will (1) complete the compilation and analysis of the data to ascertain whether a strong basis in evidence exists~~

1 ~~for concluding that the purposes identified in Section 12D.3 have not been achieved and (2) receive~~
2 ~~comment on proposed legislative changes, if any, to the ordinance in light of the findings set forth in~~
3 ~~the final disparity study.~~

4
5 ***SEC. 12D.3. DECLARATION OF POLICY.***

6 ~~—It is the policy of the City and County of San Francisco to ensure full and equitable~~
7 ~~opportunities for Minority Business Enterprises, Woman Business Enterprises, and local businesses to~~
8 ~~participate as prime contractors in the provision of goods and services to the City. This program is~~
9 ~~intended to correct identified discriminatory practices inherent in the City's procurement process and~~
10 ~~in the award of prime contracts to MBE/WBEs and to develop their status and capability as prime~~
11 ~~contractors of the City. Another goal of this Ordinance is to offset some of the economic disadvantages~~
12 ~~local businesses continue to face that are not shared by nonlocal businesses.~~

13 ~~—The City will continue to rely on the relationship between the percentages of minority (each~~
14 ~~ethnic group identified as a minority) and woman-owned businesses in the relevant sector of the San~~
15 ~~Francisco business community and their respective shares of City contract dollars as a measure of the~~
16 ~~effectiveness of this Ordinance in remedying the effects of the aforementioned discrimination.~~

17 ~~—The City is continuing to use a preference for local business in the award of City contracts in~~
18 ~~order to encourage business to locate and remain in San Francisco and thereby enhance employment~~
19 ~~opportunities for persons living in San Francisco. The cost of locating and doing business in San~~
20 ~~Francisco continues to be as much as 15 percent and greater than the cost of doing business in the~~
21 ~~surrounding communities; affording a five percent bid preference for local businesses bidding on City~~
22 ~~contracts reduces the disadvantages under which City-located businesses labor when competing for~~
23 ~~City contracts, affording them a five percent bid preference makes good sense. In effect the bid~~
24 ~~preference assists these businesses in contributing to the economic health of the City. The five percent~~
25

1 ~~bid preference does not unduly hamper non-local businesses in the contracting process, and parallels~~
2 ~~the preferences awarded in many other local jurisdictions.~~

3
4 ***SEC. 12D.4. SCOPE.***

5 ~~—The race and gender-conscious bid preferences of this Ordinance shall be afforded only to~~
6 ~~economically disadvantaged minority and woman-owned businesses in all specifically enumerated~~
7 ~~categories of City contracts for the procurement of goods and services subject to exemptions~~
8 ~~hereinafter specifically enumerated. The local business bid preference shall be afforded to all local~~
9 ~~businesses in the award of all City contracts for the procurement of goods and services subject to~~
10 ~~exceptions hereinafter specifically enumerated in Section 12D.13.~~

11
12
13
14 ***SEC. 12D.5. DEFINITIONS.***

15 ~~—"Annual participation goals" shall mean the targeted levels of City-wide MBE/WBE~~
16 ~~participation in City prime contracts that reflect the relevant share of MBEs or WBEs in a given~~
17 ~~industry or profession referred to as "percent availability" in the utilization indices contained in~~
18 ~~Appendix X to this Ordinance.~~

19 ~~—"Award of a contract" occurs when a contract is certified by the Controller of the City and~~

21 ~~—"Back contracting" shall mean any agreement or other arrangement between a prime~~
22 ~~contractor and its subcontractor where the prime contractor performs or secures the performance of~~
23 ~~the subcontract in such a fashion and/or under such terms and conditions that the prime contractor~~
24 ~~enjoys the financial benefits of the subcontract. Said agreement or other arrangement includes, but is~~
25 ~~not limited to, situations where either a contractor or subcontractor agrees that any term, condition or~~

1 ~~obligation imposed upon the subcontractor by the subcontract shall be performed by or be the~~
2 ~~responsibility of the prime contractor.~~

3 ~~—"Bid" shall mean and include a quotation, proposal, solicitation or offer by a bidder or~~
4 ~~contractor to perform or provide labor, materials, equipment, supplies or services to the City and~~
5 ~~County of San Francisco for a price.~~

6 ~~—"Bidder" shall mean any business that submits a quotation, bid or proposal to provide labor,~~
7 ~~materials, equipment, supplies or services to the City and County of San Francisco.~~

8 ~~—"City" shall mean the City and County of San Francisco.~~

9 ~~—"Commercially useful function" for purposes of determining whether a business is a Minority~~
10 ~~Business Enterprise, Woman Business Enterprise or Local Business Enterprise shall mean that the~~
11 ~~business is directly responsible for providing the materials, equipment, supplies or services to the City~~
12 ~~as required by the solicitation or request for quotes, bids or proposals. MBEs, WBEs or LBEs who~~
13 ~~engage in the business of providing brokerage, referral or temporary employment services shall not be~~
14 ~~deemed to perform a "commercially useful function" unless the brokerage, referral or temporary~~
15 ~~employment services are those required and sought by the department.~~

16 ~~—"Commission" shall mean the Human Rights Commission of the City and County of San~~
17 ~~Francisco.~~

18 ~~—"Concession" shall include any grant of land or other property by or on behalf of the City and~~

21 ~~—"Contract" shall mean and include any agreement between the City and a person to provide~~
22 ~~or procure labor, materials, equipment, supplies or services to, for or on behalf of the City and County~~
23 ~~of San Francisco. A "contract" shall include an agreement between the City and a person or nonprofit~~

2 ~~——(d) Order the revision of a contract based upon a material breach of contract provisions~~
3 ~~pertaining to MBE or WBE participation;~~

4 ~~——(e) Disqualification of a bidder, contractor, subcontractor, or other business from~~
5 ~~eligibility for providing goods or services to the City for a period not to exceed five years, with a right~~
6 ~~to review and reconsideration by the Commission after two years upon a showing of corrective action~~
7 ~~indicating violations are not likely to recur;~~

8 ~~——8. Not award any contract to a person or business which is disqualified from doing~~
9 ~~business with the City under the provisions of this ordinance, nor shall any contract be awarded to any~~
10 ~~person or business which is disqualified from doing business with any governmental agency based on~~
11 ~~failure to comply with Minority or Women Business Enterprise or contract compliance requirements~~
12 ~~which are substantially the same as those of this ordinance;~~

13 ~~——9. Designate a staff person to be responsible for responding to the Director and~~
14 ~~Commission and to the requirements of this ordinance;~~

15 ~~——10. Maintain accurate records for each contract awarded, its dollar value, the nature of~~
16 ~~the goods or services to be provided, the name of the contractor awarded the contract, the efforts made~~
17 ~~by a construction, architect/engineer contractor to solicit bids from and award subcontracts to MBEs~~
18 ~~and WBEs;~~

19 ~~——11. Where feasible, provide technical assistance to MBEs and WBEs to increase their~~
20 ~~ability to compete effectively for the award of City contracts;~~

21 ~~——12. Work with the Director and the Controller to implement a City-wide prompt payment~~
22 ~~policy requiring that MBEs, WBEs and LBEs be paid by the City within 30 days of the date on which~~
23 ~~the City receives an invoice from an MBE, WBE or LBE for work performed for the City;~~

1 ~~—13.— Provide the Director with written notice of all contract modifications which result in an~~
2 ~~increase or decrease of the contract's dollar amount of more than 10 percent. Such notice shall be~~
3 ~~provided within 30 days of each such contract modification.~~

4 ~~—(C)— Subject to the prior approval of the Director, contract awarding authorities or~~
5 ~~departments may invite, encourage or request businesses to joint venture on any contract to promote~~
6 ~~MBE or WBE participation.~~

7 ~~—(D)— For the purpose of determining Minority and Women Business Enterprise participation:~~
8 ~~— Contracts awarded to joint ventures in which one or more MBEs or WBEs are combined~~
9 ~~with one or more businesses which are not Minority or Women Business Enterprises shall be deemed to~~
10 ~~be awarded to Minority or Women Business Enterprises only to the extent of the Minority or Women~~
11 ~~Business Enterprises' participation in the joint venture.~~

12 ~~—(E)— All contracts subject to this ordinance shall include the following requirements, in~~
13 ~~addition to such other requirements as may be set forth elsewhere:~~

14 ~~—1.— Bidders and contractors on all contracts shall be required to sign before a notary an~~
15 ~~affidavit prepared by the City Attorney, declaring under penalty of perjury their intention fully to~~
16 ~~comply with the provisions of the ordinance;~~

17 ~~—2.— Contracts shall incorporate this ordinance by reference and shall provide that the wilful~~
18 ~~failure of any bidder or contractor to comply with any of its requirements shall be deemed a material~~
19 ~~breach of contract;~~

20 ~~—3.— Contracts shall provide that in the event that the Director finds that any bidder,~~
21 ~~subcontractor or contractor wilfully fails to comply with any of the provisions of this ordinance, rules~~
22 ~~and regulations implementing the ordinance or contract provisions pertaining to MBE or WBE~~
23 ~~participation the bidder, subcontractor or contractor shall be liable for liquidated damages for each~~
24 ~~contract in an amount equal to the bidder's or contractor's net profit on the contract, or 10 percent of~~
25 ~~the total amount of the contract or \$1,000, whichever is greatest, said amount to be determined by the~~

1 ~~Director pursuant to Section 12D.14(C). All contracts shall also contain a provision in which the~~
2 ~~bidder, subcontractor or contractor acknowledges and agrees that the liquidated damages assessed~~
3 ~~shall be payable to the City upon demand and may be set off against any monies due to the bidder,~~
4 ~~subcontractor or contractor from any contract with the City;~~

5 ~~—4.— Contracts shall require bidders, contractors and subcontractors to maintain records~~
6 ~~necessary for monitoring their compliance with this ordinance;~~

7 ~~—5.— Contracts shall require that during the term of the contract, the prime contractor shall~~
8 ~~fulfill the MBE and WBE participation commitments submitted with their bid;~~

9 ~~—6.— Contracts shall require prime contractors to include a contract provision in any~~
10 ~~subcontract with an MBE or WBE which provides MBE and WBE subcontractors with a remedy for a~~
11 ~~prime contractor's noncompliance with his or her commitment to utilize MBE and WBE subcontractors.~~
12 ~~This contractual provision shall include an agreement by the prime contractor to compensate any MBE~~
13 ~~or WBE subcontractor if the prime contractor does not fulfill its commitment to utilize the MBE or~~
14 ~~WBE subcontractor. This contractual provision shall also state that it is enforceable in a court of~~
15 ~~competent jurisdiction;~~

16 ~~—7.— Whenever contract supplements, amendments or change orders are made which~~
17 ~~cumulatively increase the total dollar value of a construction contract by more than 10 percent, the~~
18 ~~contractor shall comply with those MBE and WBE provisions of this ordinance which applied to the~~
19 ~~original contract with respect to the supplement, amendment, or change order;~~

20 ~~—8.— Contracts in which subcontracting is utilized shall prohibit back contracting to the~~
21 ~~prime contractor or lower tier subcontracting for any purpose inconsistent with the provisions of this~~
22 ~~ordinance, rules and regulations adopted pursuant to this ordinance, or contract provisions pertaining~~
23 ~~to MBE and WBE utilization.~~

24 ~~—9.— Contracts in which subcontracting is utilized shall require the prime~~
25 ~~contractor/consultant to pay its MBE or WBE subcontractor/subconsultants within three working days~~

1 ~~after receiving payment from the City unless the prime contractor/consultant notifies the Director in~~
2 ~~writing within 10 working days prior to payment that there is a bona fide dispute between the prime~~
3 ~~contractor/consultant and the MBE or WBE subcontractor/subconsultant. The Director may, upon~~
4 ~~making a determination that a bona fide dispute exists between the prime contractor/consultant and~~
5 ~~subcontractor, waive this contract requirement. In making the determination as to whether or not a~~
6 ~~bona fide dispute exists, the Director will not consider the merits of the dispute.~~

7 ~~—(F) All contracts or other agreements between the City and County of San Francisco and~~
8 ~~persons or entities, public or private, where such persons or entities receive money from or through the~~
9 ~~City for the purpose of contracting with businesses to perform public improvements, shall require such~~
10 ~~persons or entities to comply with the provisions of this ordinance in awarding and administering such~~
11 ~~contracts, except where prohibited by State or Federal law or regulation.~~

12 ~~—(G) Where a department can demonstrate, despite its good faith efforts and application of~~
13 ~~the bid preference(s), that it has failed substantially to eliminate the exclusion of MBEs or WBEs from~~
14 ~~City contracting, the department, after consulting with the Director, may request the Contract Review~~
15 ~~Committee established in Section 12D.8(A)(3) to review and approve the proposed project(s) selected~~
16 ~~by the department for a set aside.~~

17 ~~—(H) City department heads and commissioners shall attend a one-hour mandatory training~~
18 ~~session on an annual basis. The training session shall be organized and conducted by the Director and~~
19 ~~shall inform City department heads and commissioners of the requirements of this ordinance.~~

21 **~~SEC. 12D.9. ADDITIONAL FINDINGS SUPPORTING RACE- AND GENDER-~~**
22 **~~CONSCIOUS BID PREFERENCES AND SUBCONTRACTOR PARTICIPATION~~**
23 **~~GOALSWORKS/CONSTRUCTION; SUBCONTRACTING PROGRAM.~~**

24 ~~—(A) In addition to the general findings set forth in Sections 12D.2, 12D.2-1, 12D.2-2, 12D.2-~~
25 ~~3, 12D.2-4, 12D.2-5 and 12D.2-6 and based upon the record before this Board, the Board hereby~~

1 ~~makes these additional findings in support of the race and gender conscious bid preference provisions~~
2 ~~and subcontractor participation goals for public works/construction contracts:~~

3 ~~—1. In Ordinance No. 139-84 this Board identified discriminatory procurement practices~~
4 ~~against MBEs and WBEs in the award of prime public works/construction contracts.~~

5 ~~—2. The evidence before this Board relating to the award of prime public works/construction~~
6 ~~contracts for fiscal year 1987-1988 reflects that MBEs (each ethnic group identified as a minority) and~~
7 ~~WBEs continue to be awarded contract dollars in amounts that are disproportionately lower than the~~
8 ~~available number of MBE and WBE prime public works/construction contractors willing and able to~~
9 ~~perform City construction work. The evidence before this Board relating to the participation of~~
10 ~~MBE/WBE prime and subcontractors on City construction contracts for fiscal year 1989-1990 reflects~~
11 ~~that MBEs (each ethnic group identified as a minority) and WBEs continue to be awarded contract~~
12 ~~dollars in amounts that are disproportionately lower than the available number of MBE and WBE~~
13 ~~prime and subcontractors willing and able to perform construction work. The statistical results are the~~
14 ~~same for MBEs for fiscal year 1990-91. These results cannot be attributed to chance. In light of the~~
15 ~~testimony before this Board and the Commission in 1983, 1984, 1988, 1989 and 1992, and the~~
16 ~~Redevelopment Agency in 1991, this Board finds that these results can be attributed in part to~~
17 ~~discriminatory procurement practices and in part to discrimination in the local construction industry~~
18 ~~against MBEs and WBEs that is manifested in and perpetuated and exacerbated by the City's~~
19 ~~procurement practices.~~

20 ~~—3. The evidence before this Board supports the conclusion that MBEs and WBEs continue~~
21 ~~to be disadvantaged by discriminatory practices when competing for City prime construction contracts.~~
22 ~~The weight of the testimony and other evidence before this Board supports the conclusion that~~
23 ~~nonminority construction contractors competing for or doing business with the City and/or in the~~
24 ~~public sector limit the participation of MBE and WBE subcontractors on construction contracts by~~
25 ~~engaging in discriminatory business practices.~~

1 ~~—4. Race neutral measures employed by the City in the past for those construction contracts~~
2 ~~subject to the "lowest, reliable, responsible bidder" standard did not prevent the discriminatory~~
3 ~~practices from occurring. Since February 1989 the City has pursued race neutral measures to facilitate~~
4 ~~MBE/WBE subcontractor participation in construction contracts. From about February 1st to June 30,~~
5 ~~1989 the City adopted a race neutral disadvantaged business program for its construction contracts.~~
6 ~~Since July 1, 1989 the City has urged prime construction contractors to voluntarily extend~~
7 ~~subcontracting opportunities to MBE/WBE subcontractors on City construction contracts. These race-~~
8 ~~and gender neutral measures employed by the City have not been successful in increasing MBE/WBE~~
9 ~~subcontractor participation in City construction contracts.~~

10 ~~—5. The Board is granting a competitive advantage, the bid preference, to prime MBEs and~~
11 ~~WBEs to offset the identified competitive disadvantage caused by the City's discriminatory procurement~~
12 ~~practices.~~

13 ~~—6. The evidence before this Board relating to the award of prime public works/construction~~
14 ~~contracts for fiscal year 1990-1991 reflects that WBEs have improved their participation in City~~
15 ~~construction contracts. However, based on the testimony and other evidence before this Board, the~~
16 ~~Board concludes that remedial action continues to be necessary for WBEs competing for construction~~
17 ~~contracts to overcome past discrimination in the award of construction prime and sub-contracts. The~~
18 ~~Director shall closely monitor the participation of WBEs in construction contracts and report the~~
19 ~~results of such monitoring to the Board pursuant to Section 12D.6(B)2.~~

20 ~~—(B) For all public works/construction contracts, the contract awarding authority shall~~
21 ~~furnish the Director with an informational copy of all bid conditions and requests for proposals, along~~
22 ~~with a statement identifying all funds provided by any other governmental agency which will be used in~~
23 ~~payment of the contract.~~

24 ~~—(C) Architect and engineer services provided to the City in connection with a public~~
25 ~~works/construction contract are governed by Section 12D.11.~~

1 ~~—(D) MBE/WBE Subcontracting Program. For all public works/construction contracts in~~
2 ~~which the contract awarding authority reasonably anticipates will include subcontractor participation,~~
3 ~~the contract awarding authority, prior to the solicitation of bids, shall provide the Director with a~~
4 ~~proposed job scope, and may submit written recommendations to the Director regarding MBE and~~
5 ~~WBE subcontractor participation goals to be set for the contract. The Director shall set the~~
6 ~~participation goals pursuant to Section 12D.9.(D)-(1).~~

7 ~~—(D)-(1) Upon receipt of a proposed job scope and/or a written recommendation from a~~
8 ~~contracting awarding authority pursuant to Section 12D.9.(D), the Director shall set the MBE and~~
9 ~~WBE participation goals for each construction contract based upon the following factors:~~

10 ~~—1. The extent of subcontracting opportunities presented by the contract;~~
11 ~~—2. The availability of MBE/WBE subcontractors capable of providing goods and services~~
12 ~~on the construction contract.~~

13 ~~—The Director shall set the MBE and WBE participation goals within 10 working days of the~~
14 ~~date the Director receives from a contract awarding authority a proposed job scope and/or written~~
15 ~~recommendation. If the Director fails to act within 10 days, and if the contract awarding authority~~
16 ~~submitted to the Director recommended goals pursuant to Section 12D.9.(D), the recommended goals~~
17 ~~shall be deemed approved by the Director, provided that the recommended goals are based upon the~~
18 ~~factors identified in Subsections (D)-(1) 1 and 2 above.~~

19 ~~—(D)-(2) Bid conditions shall require bidders on prime construction contracts to do the~~
20 ~~following:~~

21 ~~—1. Demonstrate in their bid that they have used good faith efforts to utilize MBE and WBE~~
22 ~~subcontractors;~~

23 ~~—2. Identify the particular MBEs and WBEs subcontractors to be utilized in performing the~~
24 ~~contract, specifying for each the dollar value of the participation, the type of work to be performed and~~
25 ~~such information as may reasonably be required to determine the responsiveness of the bid.~~

1 ~~—Except as provided in Section 12D.9.(D) (5), bids not meeting the requirements of Section~~
2 ~~12D.9.(D) (2) shall be declared non-responsive.~~

3 ~~—(D) (3) A contract awarding authority may request that the Director waive or reduce the~~
4 ~~MBE and WBE subcontractor participation goals on construction contracts by submitting the reasons~~
5 ~~therefor in writing to the Director prior to the solicitation of bids.~~

6 ~~—(D) (4) A bidder or contractor may request that the Director waive or reduce the amount of~~
7 ~~MBE or WBE subcontractor participation goals on a construction contract by submitting the reasons~~
8 ~~therefor in writing to the contract awarding authority with its bid.~~

9 ~~—(D) (5) The Director may grant the request for waiver or reduction made pursuant to~~
10 ~~Sections 12D.9(D) (3) and (D) (4) upon a determination that:~~

11 ~~—1. The reasonable and necessary requirements of the construction contract render~~
12 ~~subcontracting or the participation of businesses other than bidder unfeasible;~~

13 ~~—2. Qualified MBEs and/or WBEs capable of providing the goods or services required by~~
14 ~~the contract are unavailable, despite the prime contractor's or the department's good faith efforts to~~
15 ~~locate MBEs and WBEs to meet the participation goals; or~~

16 ~~—3. The available MBEs and WBEs have given price quotes which are unreasonably high in~~
17 ~~that they exceed competitive levels beyond amounts which can be attributed to cover costs inflated by~~
18 ~~the present effects of discrimination.~~

19 ~~—(D) (6) Whenever the Director denies a contractor's request to waive or reduce the~~
20 ~~participation goals, the contractor may appeal that denial to the Subcontracting Goals Committee~~
21 ~~established pursuant to Section 12D.8(A)4. The Subcontracting Goals Committee's decision on the~~
22 ~~request shall be final. In reviewing the Director's denial of a contractor's request to waive or reduce~~
23 ~~participation goals, the Subcontracting Goals Committee shall consider the extent of subcontracting~~
24 ~~opportunities presented by the contract and the availability of MBE/WBE subcontractors capable of~~
25 ~~providing goods and services on the construction contract.~~

1 ~~—The Subcontracting Goals Committee may overrule the Director and grant the request for~~
2 ~~waiver or reduction only upon finding that:~~

3 ~~—1. The reasonable and necessary requirements of the construction contract render~~
4 ~~subcontracting or the participation of businesses other than bidder unfeasible;~~

5 ~~—2. Qualified MBEs and/or WBEs capable of providing the goods or services required by~~
6 ~~the contract are unavailable, despite the prime contractor's or the department's good faith efforts to~~
7 ~~locate MBEs and WBEs to meet the participation goals; or~~

8 ~~—3. The available MBEs and WBEs have given price quotes which are unreasonably high in~~
9 ~~that they exceed competitive levels beyond amounts which can be attributed to cover costs inflated by~~
10 ~~the present effects of discrimination.~~

11 ~~—(D)-(7) Prior to entering into any prime construction contract, the contract awarding~~
12 ~~authority shall require bidders on the contracts to contact all MBEs and WBEs before the MBE/WBEs~~
13 ~~are listed as subcontractors in the bid.~~

14 ~~—(D)-(8) During the term of the contract, any failure to comply with the level of MBE and~~
15 ~~WBE subcontractor participation specified in the contract shall be deemed a material breach of~~
16 ~~contract.~~

17
18 ~~**SEC. 12D.10. ADDITIONAL FINDINGS SUPPORTING RACE AND GENDER-**~~
19 ~~**CONSCIOUS BID PREFERENCES CONTRACTS.**~~

20 ~~—(A) In addition to the general findings set forth in Sections 12D.2, 12D.2-1, 12D.2-2, 12D.2-~~
21 ~~3, 12D.2-4, 12D.2-5 and 12D.2-6 and based upon the record before this Board, the Board hereby~~
22 ~~makes these additional findings in support of the race and gender conscious bid preferences for~~
23 ~~purchasing contracts:~~

24 ~~—1. In Ordinance No. 139-84 this Board identified discriminatory procurement practices in~~
25 ~~the award of purchasing contracts.~~

1 ~~—2. The evidence before this Board relating to the award of contracts for fiscal year 1987-~~
2 ~~1988 reflects that MBEs (each ethnic group listed as a minority) and WBEs continue to be awarded~~
3 ~~contract dollars in certain categories of purchasing contracts in dollar amounts that are~~
4 ~~disproportionately lower than the available number of MBEs and WBEs in the private sector. These~~
5 ~~results cannot be attributed to chance. In light of the testimony before this Board and the Commission~~
6 ~~in 1983, 1984, 1988 and 1989, this Board finds that these results can only be attributed to~~
7 ~~discriminatory procurement practices.~~

8 ~~—3. The evidence before this Board supports the conclusion that MBEs and WBEs continue~~
9 ~~to be disadvantaged by discriminatory practices when competing for the aforementioned purchasing~~
10 ~~contracts.~~

11 ~~—4. Race neutral measures employed by the City in the past for those purchasing contracts~~
12 ~~subject to the "lowest, reliable, responsible bidder" standard did not prevent the discriminatory~~
13 ~~practices from occurring.~~

14 ~~—5. The Board is granting a competitive advantage, the bid preference, to MBEs and WBEs~~
15 ~~to offset the identified competitive disadvantage caused by the City's discriminatory procurement~~
16 ~~practices.~~

17 ~~—6. The evidence before this Board relating to the award of purchasing contracts for fiscal~~
18 ~~years 1989-1990 and 1990-1991 reflects that certain minority groups have improved their participation~~
19 ~~in City purchasing contracts. However, based on the testimony and other evidence before this Board,~~
20 ~~the Board concludes that remedial action continues to be necessary to enable these groups to overcome~~
21 ~~past discrimination in the award of purchasing contracts. The Director shall closely monitor the~~
22 ~~participation of these groups in purchasing contracts and report the results of such monitoring to the~~
23 ~~Board pursuant to Section 12D.6(B)(2).~~

1 ~~—(B) Equipment and supplies contracts or general services contracts as defined herein~~
2 ~~awarded by the purchaser shall be subject to the race and gender conscious bid preferences of this~~
3 ~~ordinance.~~

4 ~~—(C) In addition to the duties given the purchaser elsewhere, the purchaser shall maintain,~~
5 ~~with the assistance of the Director, a current list of Minority and Woman Business Enterprises certified~~
6 ~~by the Commission to provide each of those commodities or services subject to this ordinance which the~~
7 ~~purchaser indicates are required by the City. The purchaser shall notify the Director prior to~~
8 ~~solicitation of bids or quotations whenever no such certified businesses are available for a contract~~
9 ~~subject to the race and gender conscious bid preferences of this ordinance, unless the Director waives~~
10 ~~such notification based on the known unavailability of such qualified businesses to perform a particular~~
11 ~~contract. The Director shall attempt to identify qualified businesses, and if successful, shall notify the~~
12 ~~purchaser of their availability; the purchaser shall provide such MBEs and WBEs every practical~~
13 ~~opportunity to submit bids or quotations.~~

14 ~~—(D) The purchaser shall also maintain a central office where all bids, requests for proposals~~
15 ~~and solicitations will be listed and kept current.~~

16
17 ~~**SEC. 12D.11. ADDITIONAL FINDINGS SUPPORTING THE RACE AND GENDER-**~~
18 ~~**CONSCIOUS BID PREFERENCES AND PROFESSIONAL SERVICES.**~~

19 ~~—(A) In addition to the general findings set forth in Sections 12D.2, 12D.2-1, 12D.2-2, 12D.2-~~
20 ~~3, 12D.2-4, 12D.2-5 and 12D.2-6 and based upon the record before this Board, the Board hereby~~
21 ~~makes additional findings in support of the race and gender conscious bid preferences for the~~
22 ~~following specifically enumerated professional services contracts:~~

23 ~~—Legal, architect and engineer, computer systems, management consulting, medical services.~~

24 ~~—1. In Ordinance No. 139-84 this Board identified discriminatory procurement practices~~
25 ~~against MBEs and WBEs in the award of prime professional services contracts.~~

1 —2. ~~The evidence before this Board relating to the award of prime legal services contracts~~
2 ~~for fiscal year 1987-1988 reflects that Black law firms continue to be awarded contract dollars in~~
3 ~~amounts that are disproportionately lower than the available numbers of Black law firms willing and~~
4 ~~able to perform legal services for the City. These results cannot be attributed to chance. This Board~~
5 ~~finds that these results can only be attributed to discriminatory procurement practices.~~

6 —~~The statistical evidence before this Board reflects that there are few Asian, Black, Latino~~
7 ~~and woman owned law firms certified by the Director to provide legal services to the City. An April~~
8 ~~1988 San Francisco Bar Association study concludes that there is significant disparity between equally~~
9 ~~qualified white and minority lawyers in terms of income, current employment positions, hiring,~~
10 ~~promotion and retention in San Francisco. The study also concludes that a high percentage of white~~
11 ~~and minority lawyers believe that racial discrimination plays a role in the employment practices of San~~
12 ~~Francisco legal employers. The report of the Judicial Council Advisory Committee on Gender Bias in~~
13 ~~the Courts on Civil Litigation and Courtroom Demeanor concludes, among other points, that~~
14 ~~opportunities for advancement and promotion in the legal profession appear less available to women~~
15 ~~than to men. In view of these studies, the Board finds that minority lawyers are excluded from~~
16 ~~employment opportunities due to discriminatory employment practices in San Francisco and that~~
17 ~~women lawyers are excluded from employment opportunities due to discriminatory practices in~~
18 ~~California. These employment practices prevent minority and women lawyers from gaining the~~
19 ~~necessary experience that would enable minority and women lawyers to compete for City legal services~~
20 ~~contracts. The City in its award of legal services contracts will become a passive participant in those~~
21 ~~practices.~~

22 —~~The City is granting Asian, Black, Latino and woman owned law firms a bid preference~~
23 ~~pursuant to Section 12D.8.(B)2 to encourage majority law firms to joint venture with these minority~~
24 ~~and woman owned law firms when competing for the award of City contracts for legal services.~~
25 ~~Department shall also grant a seven and one half percent (7.5%) bid/rating preference to any majority~~

1 ~~owned law firm based in San Francisco that enters into an affirmative action program with the~~
2 ~~Director and agrees to take affirmative action to perform the following: (1) increase the recruitment,~~
3 ~~hiring, retention and advancement to partnership of minority lawyers within the firm; (2) have minority~~
4 ~~lawyers within the firm capable of providing the required services included among those who represent~~
5 ~~the City; (3) maintain and expand existing joint ventures or other formal associations with minority~~
6 ~~owned law firms, and retain and otherwise enter into joint ventures or other formal associations with~~
7 ~~minority owned law firms with which the firm does not currently have such a relationship, on legal~~
8 ~~matters of the law firm clientele calling for such a relationship; (4) request all law firms which serve as~~
9 ~~associate counsel, co-counsel or local counsel to the firm to adopt in principle these goals; (5) refer~~
10 ~~conflict of interest situations to minority owned law firms; and (6) take such additional steps as are~~
11 ~~practicable to foster and enhance relations between the majority firm and minority owned law firms,~~
12 ~~including but not limited to providing educational and training opportunities in furtherance of the~~
13 ~~objectives of this Ordinance as it relates to the legal profession. The affirmative action program~~
14 ~~developed pursuant to this subsection shall be effective for a period of 12 months after the date of~~
15 ~~agreement in writing by the law firm and the Director or the term of the legal services contract,~~
16 ~~whichever term is greater.~~

17 ~~— 3. The evidence before this Board relating to the award of prime architect and engineering~~
18 ~~contracts for fiscal year 1987-1988 reflects that Black and woman owned architectural/engineering~~
19 ~~firms continue to be awarded contract dollars in amounts that are disproportionately lower than the~~
20 ~~available numbers of Black and woman owned architectural/engineering firms willing and able to~~
21 ~~perform these services for the City. The evidence before this Board relating to the award of prime~~
22 ~~architect and engineering contracts for fiscal year 1989-1990 reflects that Asian owned~~
23 ~~architectural/engineering firms have been awarded contract dollars in amounts that are~~
24 ~~disproportionately lower than the available numbers of Asian owned architectural/engineering firms~~
25 ~~willing and able to perform these services for the City. Given that Asian owned~~

1 architectural/engineering firms enjoy a relatively large share of this market, these statistically
2 significant results cannot be attributed to chance. This Board finds that these results can only be
3 attributed to discriminatory procurement practices.

4 —The evidence before this Board relating to the award of prime architect and engineering
5 contracts for fiscal year 1989-90 reflects that Latino-owned architectural/engineering firms have not
6 been awarded any contract dollars notwithstanding the available numbers of Latino-owned
7 architectural/engineering firms willing and able to perform these services for the City. Based on the
8 statistical and other evidence before this Board, the Board concludes that the lack of participation by
9 Latino-owned architectural and engineering firms on prime architectural/engineering contracts cannot
10 be attributed to chance. This Board finds that these results can only be attributed to discriminatory
11 procurement practices.

12 —4.—The evidence before this Board relating to the award of prime computer systems services
13 contracts for fiscal year 1987-1988 reflects that Asian, Black and woman-owned computer systems
14 firms continue to be awarded contract dollars in amounts that are disproportionately lower than the
15 available numbers of Asian, Black and woman-owned computer systems firms willing and able to
16 perform these services for the City. These results cannot be attributed to chance. This Board finds that
17 these results can only be attributed to discriminatory procurement practices.

18 —5.—The evidence before this Board relating to the award of prime management consulting
19 services contracts for fiscal year 1987-1988 reflects that Asian, Black and woman-owned management
20 consulting firms continue to be awarded contract dollars in amounts that are disproportionately lower
21 than the available numbers of Asian, Black and woman-owned management consulting firms willing
22 and able to perform these services for the City. These results cannot be attributed to chance. This
23 Board finds that these results can only be attributed to discriminatory procurement practices.

24 —6.—The evidence before this Board relating to the award of prime medical services
25 contracts for fiscal year 1987-1988 reflects that Asian, Latino and woman-owned medical services

1 ~~firms continue to be awarded contract dollars in amounts that are disproportionately lower than the~~
2 ~~available numbers of Asian, Latino and woman owned medical services firms willing and able to~~
3 ~~perform these services for the City. The evidence before this Board relating to the award of prime~~
4 ~~medical services contracts for fiscal year 1989-90 reflects that Black owned medical services firms are~~
5 ~~awarded contract dollars in amounts that are disproportionately lower than the available numbers of~~
6 ~~Black owned medical services firms willing and able to perform these services for the City. These~~
7 ~~results cannot be attributed to chance. This Board finds that these results can only be attributed to~~
8 ~~discriminatory procurement practices.~~

9 ~~—7. The evidence before this Board relating to the award of prime miscellaneous~~
10 ~~professional services contracts for fiscal year 1989-1990 reflects that Asian, Latino, Black and woman~~
11 ~~owned firms which provide miscellaneous professional services are awarded contract dollars in~~
12 ~~amounts that are disproportionately lower than the available numbers of Asian, Latino, Black and~~
13 ~~woman owned firms willing and able to perform these services for the City. These results cannot be~~
14 ~~attributed to chance. This Board finds that these results can only be attributed to discriminatory~~
15 ~~procurement practices.~~

16 ~~—8. The evidence before this Board supports the conclusion that aforementioned MBEs and~~
17 ~~WBEs are disadvantaged by discriminatory practices when competing for City prime professional~~
18 ~~services contracts.~~

19 ~~—9. The Board is granting a competitive advantage, the bid preference, to the MBEs and~~
20 ~~WBEs identified as having been subject to the identified competitive disadvantage caused by the City's~~
21 ~~discriminatory procurement practices in the award of the aforementioned professional services~~
22 ~~contracts.~~

23 ~~—10. The evidence before this Board relating to the award of professional services contracts~~
24 ~~for fiscal year 1990-1991 reflects that certain minority groups have improved their participation in~~
25 ~~certain City professional services contracts. However, based on the testimony and other evidence~~

1 ~~before this Board, the Board concludes that remedial action continues to be necessary to enable these~~
2 ~~groups to overcome past discrimination in the award of professional services contracts. The Director~~
3 ~~shall closely monitor the participation of these groups in professional services contracts and report the~~
4 ~~results of such monitoring to the Board pursuant to Section 12D.6(B)2.~~

5 ~~—(A) (1) In addition to the general findings set forth in Section 12D.2 and the findings set~~
6 ~~forth in 12D.2-2, 12D.2-3, 12D.2-4, 12D.2-5 and 12D.2-6 and 12D.11(A)3, and based upon the record~~
7 ~~before this Board, the Board hereby makes these additional findings in support of establishing~~
8 ~~subcontractor participation goals for architectural/engineering contracts:~~

9 ~~—a. The evidence before this Board relating to the award of architectural and engineering~~
10 ~~prime contracts and subcontracts for fiscal years 1989-1991 shows that Black, Asian, Latino and~~
11 ~~woman owned architectural and engineering firms continue to be awarded contract dollars in amounts~~
12 ~~that are disproportionately lower than the available numbers of Black, Asian, Latino and woman~~
13 ~~owned architectural and engineering firms willing and able to perform these services for the City.~~
14 ~~These statistically significant disparities exist despite the fact that Black, Asian, Latino and woman~~
15 ~~owned firms are entitled to a bid preference on prime architectural and engineering contracts. In light~~
16 ~~of the testimony before this Board and the Commission in 1983, 1984, 1988, 1989, 1991 and 1992, the~~
17 ~~San Francisco Redevelopment Agency in 1991, and the San Francisco Unified School District in 1991~~
18 ~~and 1992, this Board finds that these results can be attributed in part to discriminatory contracting~~
19 ~~practices and in part to discrimination in the local architectural and engineering industries against~~
20 ~~MBE and WBE architects and engineers. This discrimination is manifested in, and perpetuated and~~
21 ~~exacerbated by, the City's contracting practices.~~

22 ~~—b. The evidence before this Board supports the conclusion that MBEs and WBEs continue~~
23 ~~to be disadvantaged by discriminatory practices when competing for City architectural and~~
24 ~~engineering contracts, and when competing to provide subcontractor services on City architectural and~~
25 ~~engineering contracts. The weight of the testimony and other evidence before this Board supports the~~

1 ~~conclusion that nonminority architects and engineers competing for or doing business with the City~~
2 ~~and/or in the private sector limit the participation of MBE and WBE subcontractors on architectural~~
3 ~~and engineering contracts by engaging in discriminatory business practices.~~

4 ~~—c. Race-neutral measures employed by the City in the past did not prevent the~~
5 ~~discriminatory practices from occurring. Since February 1989 the City has pursued race-neutral~~
6 ~~measures to facilitate MBE/WBE subcontractor participation in architectural and engineering~~
7 ~~contracts. From about February 1st to June 30, 1989 the City adopted a race-neutral disadvantaged~~
8 ~~business program for its architectural and engineering contracts. Since July 1, 1989 the City has urged~~
9 ~~prime architects and engineers to voluntarily extend subcontracting opportunities to MBE/WBE~~
10 ~~subcontractors on City architectural and engineering contracts. These race- and gender-neutral~~
11 ~~measures employed by the City have not been successful in increasing MBE/WBE participation in City~~
12 ~~architectural and engineering contracts.~~

13 ~~—(A)-(2) MBE/WBE Subcontracting Program. For all architectural and engineering contracts~~
14 ~~which the contract awarding authority reasonably anticipates will include subcontractor participation~~
15 ~~involving architectural/engineering and related services, the contract awarding authority, prior to~~
16 ~~requesting proposals, shall provide the Director with a proposed job scope, and may submit written~~
17 ~~recommendations to the Director regarding MBE and WBE subcontractor participation goals to be set~~
18 ~~for the contract. The Director shall set the participation goals pursuant to Section 12D.11(A)-(3).~~

19 ~~—(A)-(3) Upon receipt of a proposed job scope and/or a written recommendation from a~~
20 ~~contract awarding authority pursuant to Section 12D.11(A)-(2), the Director, shall set the MBE and~~
21 ~~WBE participation goals for each architectural and engineering contract based on the following~~
22 ~~factors:~~

23 ~~—1. The extent of subcontracting opportunities presented by the contract for~~
24 ~~architectural/engineering and related services;~~

1 ~~—2. The availability of MBE/WBE subcontractors capable of providing such services on the~~
2 ~~contract.~~

3 ~~—The Director shall set the MBE and WBE participation goals within 10 working days of the~~
4 ~~date the Director receives from a contract awarding authority a proposed job scope and/or written~~
5 ~~recommendation. If the Director fails to act within 10 days, and if the contract awarding authority~~
6 ~~submitted to the Director recommended goals pursuant to 12D.11(A) (2), the recommended goals shall~~
7 ~~be deemed approved by the Director, provided that the recommended goals are based upon the factors~~
8 ~~identified in this subsection.~~

9 ~~—(A) (4) Requests for proposals shall require bidders on architectural and engineering~~
10 ~~contracts to do the following:~~

11 ~~—1. Demonstrate in their proposal that they have used good faith efforts to utilize MBE and~~
12 ~~WBE subcontractors;~~

13 ~~—2. Identify the particular MBE and WBE subcontractors (which may include lower tier~~
14 ~~MBE and WBE subcontractors) to be utilized in performing the contract, specifying for each the dollar~~
15 ~~value of participation, the type of work to be performed and such information as may reasonably be~~
16 ~~required to determine the responsiveness of the proposal.~~

17 ~~—Except as provided in Section 12D.11(A) (7), proposals not meeting the requirements of~~
18 ~~Section 12D.11(A) (4) shall be declared nonresponsive.~~

19 ~~—(A) (5) A contract awarding authority may request that the Director waive or reduce the~~
20 ~~MBE and WBE subcontractor participation goals on architectural and engineering contracts by~~
21 ~~submitting the reasons therefor in writing to the Director prior to requesting proposals.~~

22 ~~—(A) (6) A bidder may request that the Director waive or reduce the MBE and WBE~~
23 ~~subcontractor participation goals on an architectural or engineering contract by submitting the~~
24 ~~reasons therefor in writing to the contract awarding authority with its bid.~~

1 ~~—(A) (7) The Director may grant the request for waiver or reduction made pursuant to~~
2 ~~Sections 12D.11(A) (5) and (A) (6) upon a determination that:~~

3 ~~—1. The reasonable and necessary requirements of the architectural or engineering contract~~
4 ~~render subcontracting or the participation of businesses other than the bidder unfeasible;~~

5 ~~—2. Qualified MBEs and/or WBEs capable of providing the services required by the contract~~
6 ~~are unavailable, despite the bidder's or the department's good faith efforts to locate MBEs and WBEs~~
7 ~~to meet the participation goals; or~~

8 ~~—3. The available MBEs and WBEs have given price quotes which are unreasonably high in~~
9 ~~that they exceed competitive levels beyond amounts which can be attributed to cover costs inflated by~~
10 ~~the present effects of discrimination.~~

11 ~~—(A) (8) Whenever the Director denies a bidder's request to waive or reduce the participation~~
12 ~~goals, the bidder may appeal that denial to the Subcontracting Goals Committee established pursuant~~
13 ~~to Section 12D.8(A)4. The Subcontracting Goals Committee's decision on the request shall be final. In~~
14 ~~reviewing the Director's denial of a bidder's request to waive or reduce participation goals, the~~
15 ~~Subcontracting Goals Committee shall consider the extent of subcontracting opportunities presented by~~
16 ~~the contract and the availability of MBE/WBE subcontractors capable of providing services on the~~
17 ~~contract.~~

18 ~~—The Subcontracting Goals Committee may overrule the Director and grant the request for~~
19 ~~waiver or reduction only upon finding that:~~

20 ~~—1. The reasonable and necessary requirements of the contract render subcontracting or the~~
21 ~~participation of businesses other than bidder unfeasible;~~

22 ~~—2. Qualified MBEs and/or WBEs capable of providing the services required by the contract~~
23 ~~are unavailable, despite the bidder's or the department's good faith efforts to locate MBEs and WBEs~~
24 ~~to meet the participation goals; or~~

1 ~~—3. The available MBEs and WBEs have given price quotes which are unreasonably high in~~
2 ~~that they exceed competitive levels beyond amounts which can be attributed to cover costs inflated by~~
3 ~~the present effects of discrimination.~~

4 ~~—(A) (9) The contract awarding authority shall require bidders on architectural and~~
5 ~~engineering contracts to contact all MBEs and WBEs listed as subcontractors in proposals before~~
6 ~~listing such MBEs and WBEs.~~

7 ~~—(A) (10) During the term of the contract, any failure to comply with the level of MBE and~~
8 ~~WBE subcontractor participation specified in the contract shall be deemed a material breach of~~
9 ~~contract.~~

10 ~~—(A) (11) In implementing this subcontracting program, the Director may encourage contract~~
11 ~~awarding authorities and prime contractors to take into consideration when recruiting subcontractors~~
12 ~~the degree of underutilization of MBEs and WBEs within the specific industries or subindustries called~~
13 ~~for by the contract.~~

14 ~~—(B) For all professional services contracts as defined herein, the contract awarding~~
15 ~~authority or the department making the contract award recommendation shall furnish the Director with~~
16 ~~an informational copy of all bid conditions and requests for proposals, if any, along with a statement~~
17 ~~identifying all funds provided by any other governmental agency which will be used in payment of the~~
18 ~~contract. Prior to solicitation of bids or proposals, the Director may make recommendations to the~~
19 ~~contract awarding authority with respect to provisions pertaining to MBE and WBE participation.~~

20 ~~—(C) Professional services contracts, the estimated cost of which exceeds \$10,000, shall be~~
21 ~~awarded and administered in accordance with the following standards and procedures:~~

22 ~~—1. The contract awarding authority or the department making the contract award~~
23 ~~recommendation shall use good faith efforts to solicit bids or proposals from MBEs and WBEs certified~~
24 ~~to provide the specified services. MBEs and WBEs shall be provided every practical opportunity to~~
25 ~~submit bids or proposals;~~

1 ~~—2. City departments shall include amongst consultant selection panelists individuals who~~
2 ~~are women and minorities;~~

3 ~~—3. All consultant selection panels and awarding officers shall apply the bid/rating~~
4 ~~preferences to each stage of the selection process, e.g., qualifications, proposals and interviews. Each~~
5 ~~evaluator shall score each consultant on a point system based on a predetermined evaluation criteria~~
6 ~~and predetermined point value. The selection criteria shall be based solely on objective factors that are~~
7 ~~related to the ability of the contractor to perform the proposed project. The bid/rating preference shall~~
8 ~~be applied to the score attained by the MBE, WBE, and/or LBE as set forth in this ordinance. If the~~
9 ~~highest score is attained by a MBE or WBE, the department shall enter into good faith negotiations~~
10 ~~with that consultant. Subject to the prior approval of the Director and upon a showing that those~~
11 ~~negotiations were undertaken in good faith with the aforementioned MBE or WBE consultant, a~~
12 ~~department may award the contract to another competing consultant.~~

13 ~~—4. The Director is empowered to take actions as are designed to ensure compliance with~~
14 ~~the provisions of this Section, which shall include, but are not limited to:~~

15 ~~——(a) Order the suspension of the selection process;~~

16 ~~——(b) Intervene in the selection process to correct contracting practices which hinder equal~~
17 ~~business opportunities for MBEs and WBEs.~~

18
19 **~~SEC. 12D.12. GOOD-FAITH EFFORTS REQUIRED FOR OTHER CONTRACTS.~~**

20 ~~—(A) All City and County departments, commissions, boards, officers and employees, in the~~
21 ~~deposit of City funds and performance of their other official duties, and in the award of leases,~~
22 ~~franchises, concessions, and contracts not subject to the race and gender conscious bid preferences of~~
23 ~~this ordinance shall make every good faith effort to use the services of Minority Business Enterprises~~
24 ~~and Women Business Enterprises. Such services shall include, but are not limited to, the financial~~
25 ~~services of banks, savings and loan companies and other commercial financial institutions,~~

1 ~~arrangement of travel and accommodations when traveling on official City business and such other~~
2 ~~services needed by City departments. Commissions and boards shall submit to the Director on an~~
3 ~~annual basis a written report on the efforts made pursuant to this Subsection.~~

4 ~~—(B) The City Treasurer, the Controller, the Health Service System and the Retirement Board~~
5 ~~shall report annually to the Director, with copies to the Mayor and the Board of Supervisors, their~~
6 ~~utilization of MBEs and WBEs.~~

7 **~~SEC. 12D.13. EXCEPTIONS AND WAIVERS.~~**

8 ~~—(A) The Director shall waive the race and gender-conscious bid preferences and good faith~~
9 ~~efforts requirements of this ordinance under the following circumstances:~~

10 ~~—1. Whenever the Director finds, with the advice of the contract awarding authority, that~~
11 ~~needed goods or services are available only from a sole source and the prospective contractor is not~~
12 ~~currently disqualified from doing business with the City, or from doing business with any governmental~~
13 ~~agency based on a failure to comply with Minority or Women Business Enterprise or contract~~
14 ~~compliance requirements;~~

15 ~~—2. If the contract awarding authority certifies in writing to the Director that: (1) pursuant~~
16 ~~to Administrative Code Section 6.30 the contract is necessary to respond to an emergency which~~
17 ~~endangers the public health or safety and (2) there is no time to apply the bid preference(s) and no~~
18 ~~MBEs or WBEs capable of performing the emergency work are immediately available; provided that~~
19 ~~such certification shall be made prior to the Controller's contract certification.~~

20 ~~—(B) The Director shall waive the five percent LBE bid preference for contracts in excess of~~
21 ~~\$5,000,000 whenever a contract awarding authority establishes that: (1) sufficient qualified Local~~
22 ~~Business Enterprises capable of providing the needed goods and services required by the contract are~~
23 ~~unavailable and (2) sufficient qualified businesses located outside of San Francisco capable of~~
24 ~~providing the needed goods and services required by the contract are available; or (3) the application~~
25

1 ~~of the five percent LBE preference will result in significant additional costs to the City if the waiver of~~
2 ~~the bid preference is not granted.~~

3 ~~—(C) Pursuant to Administrative Code Section 6.29-2, the bid preference provisions of this~~
4 ~~ordinance are not applicable to any contract for the construction, reconstruction or repair of public~~
5 ~~buildings, streets, utilities or other public work or improvement estimated to cost in excess of~~
6 ~~\$10,000,000.~~

7 ~~—(D) Pursuant to Administrative Code Section 21.11-2, the bid preference provisions of this~~
8 ~~ordinance are not applicable to any contract for the purchase of materials, supplies or equipment~~
9 ~~estimated to cost in excess of \$10,000,000.~~

10
11 **~~SEC. 12D.14. MONITORING AND COMPLIANCE.~~**

12 ~~—(A) The Director shall monitor the City's progress toward achievement of the goals stated in~~
13 ~~Section 12D.3 (declaration of policy). The Director shall issue an exit report for any contract which~~
14 ~~includes MBE/WBE prime contractor participation as a joint venture partner. The purpose of the exit~~
15 ~~report is to ensure that MBE/WBEs are actually performing services on joint ventures.~~

16 ~~—(B) Noncompliance By Contractors. In cases where the Director has cause to believe that a~~
17 ~~contractor acting in good faith has failed to comply with any of the requirements of this ordinance,~~
18 ~~rules and regulations adopted pursuant to this ordinance, or contract provisions pertaining to MBE or~~
19 ~~WBE participation, the Director shall notify the contract awarding authority and shall attempt to~~
20 ~~resolve the noncompliance through conciliation. If the noncompliance cannot be resolved, the Director~~
21 ~~shall submit to the Commission and the contractor a written Finding of Noncompliance. The Human~~
22 ~~Rights Commission shall give the contractor an opportunity to appeal the Finding, and if the~~
23 ~~Commission concurs with the finding of the Director, it shall take such action as will effectuate the~~
24 ~~purposes of this ordinance.~~

1 ~~—(C) Wilful or Bad Faith Noncompliance by Contractors. In cases where the Director has~~
2 ~~cause to believe that any bidder or contractor has wilfully failed to comply with any of the provisions of~~
3 ~~this ordinance, rules and regulations adopted pursuant to this ordinance, or contract provisions~~
4 ~~pertaining to MBE or WBE participation, the Director shall be empowered to conduct an investigation~~
5 ~~and after affording the contractor notice and an opportunity to be heard, may impose sanctions for~~
6 ~~each violation of this subsection. Such sanctions shall include but are not limited to:~~

7 ~~—(a) Declare the bidder or contractor non-responsive and ineligible to receive the award of~~
8 ~~the contract;~~

9 ~~—(b) Declare the bidder or contractor an irresponsible bidder and disqualify the bidder or~~
10 ~~contractor from eligibility for providing goods or services to the City and County for a period of five~~
11 ~~years, with a right of review and reconsideration by the Commission after two years upon a showing of~~
12 ~~corrective action indicating violations are not likely to reoccur;~~

13 ~~—(c) If the bidder or contractor is a MBE, WBE and/or LBE, revoke that business'~~
14 ~~certification as a MBE, WBE and/or LBE;~~

15 ~~—(d) Determine that the bidder or contractor has wilfully failed to comply with the~~
16 ~~provisions of this ordinance and pursuant to the provision in the contract contemplated by Section~~
17 ~~12D.8(E)3 of the ordinance, calculate the liquidated damages for which the bidder or contractor shall~~
18 ~~be liable.~~

19 ~~—Thereafter the Director shall send a written notice to the Controller, the Mayor and to all~~
20 ~~contract awarding authorities or City department officials overseeing any contract with the bidder or~~
21 ~~contractor that a determination of a bad-faith compliance has been made and that all payments due the~~
22 ~~bidder or contractor shall be withheld as agreed to by the bidder or contractor and the City pursuant to~~
23 ~~Section 12D.8(E)3.~~

24 ~~—In addition, the Director shall transmit to the Bureau of Delinquent Revenues a report of the~~
25 ~~determination of liability and ask the Bureau of Delinquent Revenues to coordinate efforts with the~~

1 ~~Controller and other applicable City departments to ensure that the liquidated damages are paid to the~~
2 ~~City.~~

3 ~~—The bidder or contractor may appeal the Director's decision to the Human Rights~~
4 ~~Commission, which may sustain, reverse or modify the Director's findings and sanctions imposed or~~
5 ~~take such other action as will effectuate the purposes of this ordinance.~~

6 ~~—An appeal by a contractor under this subsection shall not stay the Director's findings.~~

7 ~~—(D) The Director may require such reports, information and documentation from~~
8 ~~contractors, bidders, contract awarding authorities and the head of any department, division, or office~~
9 ~~of the City as are reasonably necessary to determine compliance with the requirements of this~~
10 ~~ordinance.~~

11 ~~—(E) Noncompliance by City Departments. Whenever the Director finds after investigation~~
12 ~~that a contract awarding authority has wilfully failed to comply with the provisions of this ordinance, a~~
13 ~~written Finding of Noncompliance specifying the nature of the noncompliance shall be transmitted to~~
14 ~~the contract awarding authority, the Commission, the Mayor and Board of Supervisors; and~~

15 ~~—The Director shall attempt to resolve any noncompliance through conference and~~
16 ~~conciliation. Should such attempt fail to resolve the noncompliance, the Director shall transmit a copy~~
17 ~~of the Finding of Noncompliance along with a finding that conciliation was attempted and failed to the~~
18 ~~Commission which shall notify the contract awarding agency to take appropriate action to secure~~
19 ~~compliance.~~

20 ~~—The Finding of Noncompliance shall be communicated to the Mayor and the Board of~~
21 ~~Supervisors.~~

22 ~~—(F) If the Director has reason to believe that any person has knowingly made, filed, or~~
23 ~~caused to be filed with the City any materially false or misleading statement or report made in~~
24 ~~connection with this ordinance, the Director shall report that information to the City Attorney or the~~
25 ~~District Attorney for appropriate action. The Director shall be empowered to conduct an investigation~~

1 ~~and for each violation of this subsection, 12D.14(F), to impose sanctions as set forth in Section~~
2 ~~12D.14(C).~~

3
4 ***SEC. 12D.15. REPORTING AND REVIEW; EXTENSION.***

5 ~~—(A) Reporting by Departments. By December 31st of each fiscal year all contract awarding~~
6 ~~authorities and departments shall report annually to the Mayor on their progress in the preceding~~
7 ~~fiscal year toward achievement of the MBE and WBE participation goals.~~

8 ~~—(B) Reporting by the Director.~~

9 ~~—1. The Director shall report quarterly to the Commission and the Board of Supervisors~~
10 ~~whether the goals stated in Section 12D.3 have been met in whole or in part.~~

11 ~~—2. The Director shall report to the Commission all waivers acted upon pursuant to Section~~
12 ~~12D.13. Such report shall be made at the first Commission meeting following the granting of the~~
13 ~~waiver.~~

14 ~~—(C) Reporting by the Commission. By March 1st of each fiscal year subject to this ordinance,~~
15 ~~the Commission shall submit an annual report to the Mayor and the Board of Supervisors on the~~
16 ~~progress of the City toward the goals stated in Section 12D.3 of this ordinance, together with an~~
17 ~~identification of problems and specific recommendations for: (1) discontinuing the race or gender-~~
18 ~~conscious bid preferences in those cases where the bid preferences have remedied the identified~~
19 ~~discrimination against MBEs and WBEs; and (2) improving the City's performance in remedying the~~
20 ~~identified discrimination against MBEs and WBEs.~~

21 ~~—(D) The Board of Supervisors shall act upon the Commission's recommendations by the third~~
22 ~~Board meeting of May in each fiscal year subject to this ordinance.~~

23 ~~—(E) Review by the Commission. This ordinance shall expire June 30, 1997 unless the~~
24 ~~Commission, after conducting public hearings, finds that the purposes identified in Section 12D.3 have~~
25 ~~not yet been achieved, in which case it shall certify said finding to the Board of Supervisors no later~~

1 ~~than 120 days prior to the expiration date. Thereafter the Board of Supervisors may extend the~~
2 ~~ordinance for additional three-year periods.~~

3 ~~—(F) Review by the Contract Review Committee. The Contract Review Committee established~~
4 ~~pursuant to Section 12D.8(A)3 shall have the following powers and duties:~~

5 ~~—1. To review contracts referred to it by the Director or a department for determining~~
6 ~~whether the contract should be set aside, where competition for the contract is limited to MBEs, WBEs~~
7 ~~and/or joint ventures with MBE/WBEs;~~

8 ~~—2. Before approving a set aside of a contract, the Contract Review Committee shall first~~
9 ~~determine that: (1) the department seeking or affected by the set aside has complied with all of the~~
10 ~~requirements of Section 12D.8(B); and (2) there are at least three business enterprises which are~~
11 ~~certified or eligible for certification as a MBE or WBE which can compete for the contract set aside.~~

12 ~~—3. After making the findings required by Section 12D.15(F)2, the Contract Review~~
13 ~~Committee may approve that a contract be set aside. However, the Contract Review Committee shall~~
14 ~~first consider the feasibility of approving a set aside where competition is limited to joint ventures with~~
15 ~~MBE and/or WBE participation which equals or exceeds 35 percent. The Contract Review Committee~~
16 ~~shall issue its findings and approval in writing to the department affected by the set aside.~~

17 ~~—(G) Extension. Pursuant to Section 12D.15(E) of Ordinance 155-92, as amended by~~
18 ~~Ordinances 210-97, 457-97, 82-98 and 186-98 and based upon the Further Additional Findings~~
19 ~~Supporting Six Month Extension of MBE/WBE/LBE Ordinances set forth in Section 12D.2-2, the Further~~
20 ~~Additional Findings Supporting a Three Month Extension of MBE/WBE/LBE Ordinances as set forth in~~
21 ~~Section 12D.2-3, Further Additional Findings Supporting a Three Month Extension of MBE/WBE/LBE~~
22 ~~Ordinances as set forth in Section 12D.2-4, Further Additional Findings Supporting a Two Month~~
23 ~~Extension of MBE/WBE/LBE Ordinances as set forth in Section 12D.2-5, and Additional Findings~~
24 ~~Supporting a Two Month Extension of the MBE/WBE/LBE Ordinance as set forth in Section 12D.2-6,~~
25 ~~the Board hereby extends Ordinance 155-92, as amended, to October 31, 1998.~~

13 ~~Charter or of the Administrative Code a proposed ordinance, resolution, contract, lease, franchise,~~
14 ~~license, or other agreement or transaction is submitted to this Board for its adoption or approval, it~~
15 ~~shall be the policy of this Board to adopt legislation or approve those agreements or transactions~~
16 ~~where the department first has demonstrated in writing to this Board that the department has engaged~~
17 ~~in good faith efforts to include the participation of MBEs and WBEs in the department's procurement~~
18 ~~and contract award practices.~~

19
20 **~~SEC. 12D.17. IMPLEMENTING REGULATIONS.~~**

18 ~~This Board initially passed Ordinance No. 139-84 on April 2, 1984 to combat the City and~~
19 ~~County of San Francisco's own active and passive participation in discrimination against minority and~~
20 ~~women-owned businesses, both in its own contracting for goods and services and in the private market~~
21 ~~for such goods and services. At the time of passage, women and minority-owned businesses were~~
22 ~~virtually excluded as contractors on prime City contracts. The ordinance also sought to offset economic~~
23 ~~disadvantages faced by local businesses that are not shared by nonlocal businesses, and to increase~~
24 ~~employment in the City and County of San Francisco by encouraging the participation of local business~~
25 ~~enterprises in City contracting.~~

1 —Since that time, this Board and the City's Human Rights Commission have actively and
2 extensively documented and studied discrimination against and disadvantages faced by these groups to
3 gauge the effectiveness of the prior Minority, Women and Local Business Enterprise Ordinances (the
4 "M/W/LBE Ordinances") and to assess the need for further and continuing action.

5 —The earlier studies are documented in the legislative history of the previous amendments and
6 re-enactments of the ordinance, including Ordinance Nos. 175-89, 155-92, 210-97, 457-97, 82-98, 296-
7 98, 210-99 and 283-99. The 1989 Ordinance was challenged in federal court and upheld by the Ninth
8 Circuit Court of Appeals. See *Associated General Contractors of California v. Coalition for Economic*
9 *Equity*, 950 F.2d 1401 (9th Cir. 1991).

10 —The findings underlying the 1984 and 1989 ordinances have been reviewed and analyzed in
11 the preparation of the current ordinance and are hereby incorporated by reference into the legislative
12 history of this ordinance. These materials, prepared up to and including May 1989, include disparity
13 studies, transcripts of live testimony by dozens of witnesses, case studies of discrimination, and
14 voluminous other materials. An index and a separate synopsis of this material are on file with the Clerk
15 of this Board in File No. 98-0612.

16 —Since 1989, the City has devoted substantial additional resources to the task of understanding
17 and documenting discrimination against women and minorities in awarding City contracts and in the
18 private market for such contracts. Given the prior findings of discrimination and the need for this
19 ordinance, this Board examined whether the identified discrimination had been eradicated.

20 —Between 1989 and 1998, together this Board and the Human Rights Commission held 14
21 hearings on the subject of women and minority-owned business enterprises, heard live testimony from
22 254 witnesses, reviewed videotaped oral histories by numerous witnesses, reviewed many volumes of
23 social science materials, three disparity studies undertaken by the City and County of San Francisco
24 and numerous other relevant statistical disparity studies undertaken by the City agencies and various
25 other groups and governments from around the Bay Area. The Board also reviewed case studies and

1 ~~other statistical information gathered by the Human Rights Commission. These materials are all~~
2 ~~incorporated by reference into the legislative history of this ordinance and are in file with the Clerk of~~
3 ~~this Board in File No. 98-0612.~~

4 ~~—In its hearings on the MBE/WBE/LBE ordinance between 1989 and 1998, this Board gave~~
5 ~~close consideration to the need for adding Native Americans and Arab Americans to the list of minority~~
6 ~~groups covered by the ordinance. As part of this process, the Board and the Human Rights Commission~~
7 ~~heard or reviewed testimony from 47 individuals concerning discrimination against Arab Americans~~
8 ~~and Native Americans. In addition, a Mason Tillman Associates study covering City contracting in the~~
9 ~~years 1992 through 1995 found statistically significant evidence of discrimination against Native~~
10 ~~Americans and Arab Americans in several categories of contracting. That study also closely reviewed~~
11 ~~testimonial evidence of discrimination against these groups.~~

12 ~~—In 1997 and 1998, this Board and the Human Rights Commission held eight public hearings~~
13 ~~at which testimony was given by 170 individuals concerning discrimination against Minority and~~
14 ~~Women Business Enterprises, the transcripts of which, the written submittals accompanying same, and~~
15 ~~other evidence that was before the Board are in file with the Clerk of this Board in Board File No. 98-~~
16 ~~0612.~~

17 ~~—On January 4, 1999 and June 30, 1999, the Human Rights Commission issued reports~~
18 ~~regarding discrimination in City contracting against Iranian Americans. Those reports recounted~~
19 ~~testimony from HRC hearings regarding discrimination against Iranian American contractors.~~

20 ~~—In addition, the Board considered and reviewed oral histories from many persons involved in~~
21 ~~the bidding and compliance process taken in the summer of 1998. Many of the oral histories have been~~
22 ~~preserved on video tape. These oral histories recount personal incidents of discrimination as well as~~
23 ~~compliance difficulties. The oral histories were taken in this manner because many of the individuals~~
24 ~~were fearful of retaliation and further discrimination if they testified at a public forum. In fact, this fear~~
25 ~~caused some of the oral histories to be given in a manner in which the identities of those testifying were~~

1 ~~not identified. An index and a separate synopsis of the oral histories are on file with the Clerk of this~~
2 ~~Board in File Nos. 98-0612, 99-0266 and 99-1326.~~

3 ~~—The findings and evidence underlying the 1998 ordinance and the subsequent amendments to~~
4 ~~that ordinance have been reviewed and analyzed in the preparation of the current ordinance and are~~
5 ~~hereby incorporated by reference into the legislative history of this ordinance.~~

6 ~~—In 2002 and 2003, this Board and the Human Rights Commission held additional public~~
7 ~~hearings to determine the extent to which the remedies provided by this Ordinance continue to be~~
8 ~~necessary. At these hearings, 134 individuals and organizations testified about the discrimination~~
9 ~~minorities and women continue to face in City contracting and in obtaining contracts in the Bay Area~~
10 ~~that are not subject to affirmative action programs. Additionally, in 2002 and 2003, the Human Rights~~
11 ~~Commission and this Board received written statements of individuals describing the discrimination~~
12 ~~minorities and women continue to experience in City contracting and in other contracting in the Bay~~
13 ~~Area. In December 2001, the Human Rights Commission issued a report entitled "Violence in Our City:~~
14 ~~Research and Recommendations to Empower Our Community" regarding increasing violence and~~
15 ~~discrimination against African Americans in San Francisco.~~

16 ~~—In September 2002, the Human Rights Com-mission issued a report entitled "Blacklash,~~
17 ~~Violence, Human Rights Violations & Discrimination in San Francisco in the Wake of September 11,~~
18 ~~2001." The report found that the bombing of the World Trade Center and Pentagon on September 11,~~
19 ~~2001 have led to a significant increase in San Francisco in discrimination and violence against those~~
20 ~~who are perceived to have Middle Eastern ancestry.~~

21 ~~—In April 2003, the Human Rights Commission conducted a disparity analysis of the utilization~~
22 ~~of minority-owned businesses and women-owned businesses in prime contracting and subcontracting.~~
23 ~~Even with the remedial programs set forth in this Ordinance in place, the study shows statistically~~
24 ~~significant underutilization of minorities and women in most City contracting programs.~~

1 ~~—But as the Tenth Circuit Court of Appeals recently recognized in upholding the City and~~
2 ~~County of Denver's remedial contracting program in Concrete Works of Colorado, Inc. v. City and~~
3 ~~County of Denver (10th Cir. 2003) 321 F.3d 950, a public entity cannot reliably ascertain whether a~~
4 ~~remedial race and gender conscious affirmative action contracting program that has been in place~~
5 ~~should be continued based on a disparity analysis of the utilization of minority and women owned~~
6 ~~businesses in the public entity's contracting programs. That the remedial program in place has given~~
7 ~~some minorities and women contracting opportunities in certain limited industries provides little~~
8 ~~evidence of whether minorities and women would be given those opportunities in the absence of the~~
9 ~~remedial program. Instead, the Tenth Circuit concluded that disparities in private markets in the region~~
10 ~~provide a strong indicator of the extent to which minorities and women would be used in public entity's~~
11 ~~contracting programs absent the remedial affirmative action program.~~

12 ~~—Accordingly, the Human Rights Commission retained the National Economic Research~~
13 ~~Associates (NERA)—the same firm whose studies about discrimination in the Denver metropolitan area~~
14 ~~the Tenth Circuit found to be so persuasive conduct studies to assess the level of discrimination against~~
15 ~~minority and women owned businesses in the Bay Area private sector. NERA examined business~~
16 ~~formation and earnings rates, and NERA found significant disparities in the formation and earnings~~
17 ~~rates of minorities and women as compared to majority men. These disparities are especially~~
18 ~~pronounced for African Americans and Latino Americans. NERA also examined the market for credit~~
19 ~~and capital and found strong evidence of discrimination against minorities, as well as evidence of~~
20 ~~recent discrimination against women. Consistent with the Tenth Circuit's ruling, NERA concluded that~~
21 ~~the evidence of discrimination it found in Bay Area private markets is a valid substitute for evidence of~~
22 ~~actual discrimination in City contracting programs.~~

23 ~~—In April 2003, the Human Rights Commission also retained Godbe Research to conduct a~~
24 ~~telephone survey of minority and women owned businesses certified with the HRC. Twenty-one~~
25 ~~percent of the 266 firms surveyed reported that since 1998 they have been declined Bay Area~~

1 ~~subcontracting work that was not subject to affirmative action requirements by prime contractors who~~
2 ~~typically do award them work on contracts that are subject to the remedial subcontracting~~
3 ~~requirements of this Ordinance. And each of those firms that experienced such discrimination reported~~
4 ~~that it had been rejected as a subcontractor by a prime contractor who gave it work on City contracts~~
5 ~~on average 13 times in the last five years.~~

6 ~~—Additionally, the Board has reviewed studies undertaken by various public entities in the Bay~~
7 ~~Area, and testimony, articles and studies prepared by academicians. All of these materials are~~
8 ~~incorporated by reference into the legislative history of this Ordinance. The collection and analysis of~~
9 ~~relevant information is ongoing.~~

10 ~~—As a result of these hearings and review of these materials and the materials archived by the~~
11 ~~Human Rights Commission and the relevant statistical and social science data, oral histories, articles~~
12 ~~and studies, the Board makes the following findings:~~

13 ~~—1. In April 2003, NERA conducted studies to assess the level of discrimination against~~
14 ~~minority and women owned businesses in the Bay Area private sector. NERA examined business~~
15 ~~formation rates, earnings rates, and disparities in the market for credit and capital.~~

16 ~~—NERA reported significant disparities in the formation rates of minority and women owned~~
17 ~~business as compared to businesses owned by Caucasian men. In particular, African Americans, Asian~~
18 ~~Americans, Latino Americans, and women have statistically significantly lower business formation~~
19 ~~rates in the Bay Area than do comparable Caucasian men in the construction, architectural and~~
20 ~~engineering, professional services, general services and goods and services industries. These~~
21 ~~disparities are especially large in the construction industry, where, for example, business formation~~
22 ~~rates for African Americans are approximately 12 percentage points lower than for comparable~~
23 ~~Caucasian men. Further, NERA found that the disparities for African Americans and Latino Americans~~
24 ~~are especially pronounced and have increased in the recent six years over the prior fourteen years.~~

1 —NERA further reported significant disparities in the earnings of self-employed minorities and
2 women compared to the earnings of self-employed Caucasian men. The disparity in earnings between
3 self-employed African Americans and self-employed Caucasians, for example, has increased
4 dramatically from 1991-2002 over the prior 13 years, and is much greater than the disparity between
5 African American wage and salary workers and Caucasian wage and salary workers over the same
6 time period.

7 —NERA also reported discrimination against minorities and women in the credit markets in all
8 industries, which NERA concluded partially explains the large disparities found in minority and
9 women-owned business formation rates. NERA reported that even when controlling for firm size, credit
10 history and other valid credit worthiness factors, the loan applications of minority-owned firms were
11 substantially more likely to be denied than the loan applications of Caucasian firms. For example, the
12 loan rejection rates for African American and Latino American firms are roughly twice that of
13 Caucasian firms. NERA also found that minority firms are more likely not to apply for loans because of
14 the low loan approval rate for such firms, and that when minority businesses did receive loans, they
15 had to pay higher interest rates, regardless of their credit worthiness or geography. NERA further
16 reported that credit market conditions are a far bigger concern for minority-owned firms than for
17 Caucasian-owned firms, and that a greater share of minority-owned firms than Caucasian-owned firms
18 believe that credit availability is the most important issue likely to confront the firm in the next 12
19 months. NERA also reported that discrimination in the market for credit has increased for minority
20 groups during the 1990s, and re-appeared for women in the late 1990s.

21 —Based on NERA's studies, the testimony and all of the other evidence before the Board, the
22 Board finds that minority and women-owned businesses continue to face systemic race and gender
23 discrimination in public and private markets in the Bay Area.

24 —2.—In April 2003, the City conducted a comprehensive disparity study to gauge
25 discrimination against women and minority-owned businesses in the City's contracting from 1998 to

1 ~~early 2003. Under a fair and equitable system of awarding contracts, the proportion of contract dollars~~
2 ~~awarded to minority and women-owned business enterprises would be equal to the proportion of~~
3 ~~willing and able minority and women-owned enterprises in the relevant market area. If, based on~~
4 ~~statistical testing, there is a very low probability of attributing to chance the existence of a disparity~~
5 ~~between these proportions, the Supreme Court has stated that an inference of discrimination can be~~
6 ~~made.~~

7 ~~—3. The Human Rights Commission's 2003 study thoroughly and conclusively documented~~
8 ~~the fact that with the City's remedial contracting programs in place and women-owned business~~
9 ~~enterprises continue to receive a smaller share of certain types of contracts for the purchases of goods~~
10 ~~and services by the City than would be expected based on the number of able and available women-~~
11 ~~and minority-owned businesses. This poor utilization cannot be attributed to chance. This Board finds,~~
12 ~~based on these statistical studies, testimony and on all the other evidence of persistent discrimination~~
13 ~~presented to the Board, that the disproportionately small share of City contracting and subcontracting~~
14 ~~that goes to women and minority-owned businesses in certain industries is due to discrimination by the~~
15 ~~City and discrimination in the private market.~~

16 ~~—4. The Human Rights Commission's April 2003 study also documents that in the last five~~
17 ~~years, in certain limited industries, some minority groups and women have received City contract~~
18 ~~dollars close to or above the level that would be expected based on their availability. Based on the~~
19 ~~studies and reports issued by NERA and Godbe Associates, the testimonial evidence, the history of~~
20 ~~discrimination against minority and women contractors in City contracting programs and the other~~
21 ~~materials before the Board, the Board finds that these favorable minority utilization rates are~~
22 ~~attributable to the fact that the City has remedial contracting programs in place, and that the~~
23 ~~discrimination the City previously identified in its prime contracting and subcontracting programs has~~
24 ~~not yet been eradicated. In particular, the Board finds that if the City were to discontinue, at this time,~~
25 ~~the race and gender-conscious bid discount program or the subcontracting program authorized by this~~

1 ~~Ordinance, minority and women utilization rates in City contracting would plummet. Under those~~
2 ~~circumstances, the Board finds that minority and women utilization rates would likely return to the~~
3 ~~same judicially recognized low levels to which they fell in 1989 after the City discontinued its prior~~
4 ~~race- or gender-conscious remedial contracting programs. In fact, many minorities and women report~~
5 ~~that they are frequently refused subcontracting opportunities on contracts that are not subject to a~~
6 ~~race- or gender-conscious affirmative action program by the same prime contractors that do hire them~~
7 ~~on contracts that are subject to a race- and gender-conscious affirmative action program. And, many~~
8 ~~minority- and women-owned businesses that have benefited from the City's remedial program and have~~
9 ~~since graduated from the program, report that prime contractors who gave them subcontracts on~~
10 ~~contracts subject to the City's subcontracting requirements before they graduated, refuse to give them~~
11 ~~subcontracts now that they are no longer certified under the M/WBE program.~~

12 ~~—5. The Human Rights Commission Study reviewed contracts entered into by the City and~~
13 ~~County of San Francisco in a variety of areas and categories from 1998 through early 2003 and~~
14 ~~determined the following:~~

15 ~~—A. For prime construction contracts, even with the race- and gender-conscious~~
16 ~~bid/ratings discount program in place, African Americans, Arab Americans, Asian Americans and~~
17 ~~women still received fewer construction prime contracting dollars than would be expected given their~~
18 ~~availability. The disparity was statistically significant for African Americans, Asian Americans and~~
19 ~~Arab Americans. Although African Americans represent 4.49 percent of the available construction~~
20 ~~firms, they received only 1.01 percent of the construction contract dollars. Although Arab Americans~~
21 ~~represent 0.14 percent of the available construction firms, they received no construction contract~~
22 ~~dollars at all. Although Asian Americans represent 13.74 percent of the available construction firms,~~
23 ~~they received only 4.98 percent of the construction contract dollars. Although women represent 8.84~~
24 ~~percent of the available construction firms, they received only 8.23 percent of the construction contract~~
25 ~~dollars. Although Caucasian men represent 67.74 percent of available construction firms, they received~~

1 ~~70.79 percent of the construction contract dollars. Although Latino American firms received more~~
2 ~~construction contracts than expected based on their availability, the Board finds, based on the studies,~~
3 ~~statistics, testimony and other evidence before it of discrimination against Latino Americans in City~~
4 ~~contracting and contracting in other Bay Area markets, that in the absence of the bid/ratings discount~~
5 ~~program that the City has had in place, Latino Americans would receive well below the level of prime~~
6 ~~City construction contracts that one would expect based on their availability.~~

7 ~~——B. For architecture and engineering prime contracts between 1998 and early 2003, even~~
8 ~~with the race- and gender-conscious bid/ratings discount program in place, African Americans, Arab~~
9 ~~Americans, Asian Americans, Iranian Americans, Latino Americans, and women received fewer~~
10 ~~contracts than would be expected given their availability. Notwithstanding the bid/ratings discount~~
11 ~~program, more than 87 percent of the contracts in this area went to Caucasian male-owned businesses,~~
12 ~~even though those firms represent less than 63 percent of the available architecture and engineering~~
13 ~~firms. The disparities against Arab Americans, Asian Americans, Iranian Americans, Latino~~
14 ~~Americans, and women, and the particularly pronounced disparity in favor of Caucasian men, were~~
15 ~~statistically significant.~~

16 ~~——C. For professional services prime contracts in the years 1998 through early 2003, even~~
17 ~~with the race-conscious bid/ratings discount program in place, Arab Americans, Iranian Americans~~
18 ~~and Latino Americans received fewer contracts than expected based on their availability, and the~~
19 ~~disparities were statistically significant for those groups. Arab Americans, who represent .11 percent of~~
20 ~~the available professional service firms, received only .08 percent of the professional services contract~~
21 ~~dollars. Iranian Americans, who represent .11 percent of the available professional services firms,~~
22 ~~received 0.00 percent of the professional services dollars. Latino Americans, who represent .79 percent~~
23 ~~of the professional services firms, received .22 percent of the professional service dollars. And,~~
24 ~~although African Americans, Asian Americans and women received more than the number of~~
25 ~~professional service contracts one would expect based on their availability, the Board finds, based on~~

1 ~~the studies, statistics, testimony and other evidence before it of discrimination against African~~
2 ~~Americans, Asian Americans and women in City contracting and contracting in other Bay Area~~
3 ~~markets, that in the absence of the bid/ratings discount program that the City has had in place, African~~
4 ~~Americans, Asian Americans and women would receive well below the level of prime City professional~~
5 ~~service contracts that one would expect based on their availability.~~

6 ~~——D. For purchases of goods and services prime contracts for 1998 through early 2003,~~
7 ~~even with the race- and gender-conscious bid/ratings discount in place, Asian Americans, Iranian~~
8 ~~Americans and women received fewer contract dollars than expected. Although Asian Americans~~
9 ~~represent 4.15 percent of the available goods and services firms, those firms received only 1.84 percent~~
10 ~~of the goods and services contract dollars. Similarly, although Iranian Americans represent .22 percent~~
11 ~~of the available goods and services firms, those firms received only .17 percent of the goods and~~
12 ~~services contract dollars. Although women represent 6.22 percent of the available goods and services~~
13 ~~firms, women received only 4.60 of the goods and services contract dollars. Although African~~
14 ~~Americans, Arab Americans and Latino Americans received slightly more than the number of good and~~
15 ~~services contracts one would expect based on their availability, the Board finds, based on the studies,~~
16 ~~statistics, testimony and other evidence before it of discrimination against African Americans, Arab~~
17 ~~Americans and Latino Americans in City contracting and contracting in other Bay Area markets, that~~
18 ~~in the absence of the bid/ratings discount program that the City has had in place, African American,~~
19 ~~Arab American and Latino American firms would receive well below the level of prime City goods and~~
20 ~~services contracts that one would expect based on their availability.~~

21 ~~——E. For general services prime contracts for 1998 through early 2003, even with the race-~~
22 ~~and gender-conscious bid/ratings discount in place, African Americans, Arab Americans, Asian~~
23 ~~Americans and Iranian Americans received fewer contract dollars than expected based on their~~
24 ~~availability. Although African Americans represent 1.28 percent of the available general services firms,~~
25 ~~those firms received only .64 percent of the general services contract dollars. Similarly, although Arab~~

1 ~~Americans represent .04 percent of the available general services firms, those firms received only .01~~
2 ~~percent of the general services contract dollars. Although Asian Americans represent 2.60 percent of~~
3 ~~the available general service firms, they received only 1.11 percent of the general services contract~~
4 ~~dollars. Although Iranian Americans represent .09 percent of the general services firms, they received~~
5 ~~0.00 percent of the general services contract dollars. The disparities against African Americans and~~
6 ~~Iranian Americans are statistically significant. Although Latino Americans and women received~~
7 ~~somewhat more than the number of general services contracts one would expect based on their~~
8 ~~availability, the Board finds, based on the studies, statistics, testimony and other evidence before it of~~
9 ~~discrimination against Latino Americans and women in City contracting and contracting in other Bay~~
10 ~~Area markets, that in the absence of the bid/ratings discount program that the City has had in place,~~
11 ~~Latino Americans and women would receive well below the level of prime City general services~~
12 ~~contracts that one would expect based on their availability.~~

13 ~~——F. For telecommunications prime contracts entered into between 1998 and early 2003,~~
14 ~~even with the race- and gender-conscious bid/ratings discounts in place, African Americans, Asian~~
15 ~~Americans, Iranian Americans and women received fewer contract dollars than expected based on~~
16 ~~their availability. Although African Americans represent 2.26 percent of the telecommunications firms,~~
17 ~~they received only .19 percent of the telecommunications contract dollars. Although Asian Americans~~
18 ~~represent 13.53 percent of the telecommunications firms they received only 2.93 percent of the~~
19 ~~telecommunications contract dollars. Although Iranian Americans represent .75 percent of the~~
20 ~~telecommunications firms, they received .01 percent of the telecommunications contract dollars.~~
21 ~~Although women represent 14.29 percent of the telecommunications firms, they received only 12.86~~
22 ~~percent of the telecommunication contract dollars. Even with the bid/ratings discount program in~~
23 ~~place, although Caucasian men represent 70.68 percent of the available telecommunications firms, they~~
24 ~~received 77.56 percent of the telecommunication contract dollars. The disparities against African~~
25 ~~Americans, Asian Americans and Iranian Americans are statistically significant. Although Latino~~

1 ~~Americans received more than the number of telecommunication contracts one would expect based on~~
2 ~~their availability, the Board finds, based on the studies, statistics, testimony and other evidence before~~
3 ~~it of discrimination against Latino Americans in City contracting and contracting in other Bay Area~~
4 ~~markets, that in the absence of the bid/ratings discount program that the City has had in place, Latino~~
5 ~~Americans would receive well below the level of prime City telecommunication contracts that one~~
6 ~~would expect based on their availability.~~

7 ~~——G. For City construction subcontracts entered into between 1998 and early 2003, even~~
8 ~~with the race-conscious subcontracting program in place, Arab Americans and Asian Americans still~~
9 ~~received fewer construction subcontracts than expected based on their availability. Although Arab~~
10 ~~Americans represent .14 percent of the available construction firms, they received only .05 percent of~~
11 ~~the construction subcontract dollars. Although Asian Americans represent 13.74 percent of the~~
12 ~~construction firms, they received only 12.99 percent of the construction subcontract dollars. Although~~
13 ~~African Americans, Latino Americans and women received more than the number of construction~~
14 ~~subcontracts one would expect based on their availability, the Board finds, based on the studies,~~
15 ~~statistics, testimony and other evidence before it of discrimination against African Americans, Latino~~
16 ~~Americans and women in City contracting and contracting in other Bay Area markets, that in the~~
17 ~~absence of the subcontracting program that the City has had in place, African Americans, Latino~~
18 ~~Americans and women would receive well below the level of City construction subcontracts that one~~
19 ~~would expect based on their availability.~~

20 ~~——H. For City architectural and engineering subcontracts entered into between 1998 and~~
21 ~~early 2003, even with the race and gender-conscious subcontracting program in place, African~~
22 ~~Americans, Arab Americans, Latino Americans and women received fewer architectural and~~
23 ~~engineering subcontracts than expected based on their availability. Although African Americans~~
24 ~~represent 4.67 percent of the available architectural and engineering firms, they received only 4.48~~
25 ~~percent of the architectural and engineering subcontract dollars. Although Arab Americans represent~~

1 ~~.98 percent of the architectural and engineering firms, they received only .40 percent of the~~
2 ~~architectural and engineering subcontract dollars. Although Latino Americans represent 4.18 of the~~
3 ~~available architectural and engineering firms, they received only 2.51 percent of the architectural and~~
4 ~~engineering subcontract dollars. Although women represent 12.53 percent of the available~~
5 ~~architectural and engineering firms, they received only 9.29 percent of the architectural and~~
6 ~~engineering subcontract dollars. Although Asian Americans and Iranian Americans received slightly~~
7 ~~more than the number of architectural and engineering subcontracts one would expect based on their~~
8 ~~availability, the Board finds, based on the studies, statistics, testimony and other evidence before it of~~
9 ~~discrimination against Asian Americans and Iranian Americans in City contracting and contracting in~~
10 ~~other Bay Area markets, that in the absence of the subcontracting program that the City has had in~~
11 ~~place, Asian Americans and Iranian Americans would receive well below the level of City architectural~~
12 ~~and engineering subcontracts that one would expect based on their availability.~~

13 ~~——I. For City professional services subcontracts entered into between 1998 and early 2003,~~
14 ~~even with the race-conscious and gender-conscious subcontracting program in place, Arab Americans~~
15 ~~Iranian Americans and Latino Americans received fewer professional services subcontracts than~~
16 ~~expected based on their availability. Arab Americans and Iranian Americans received no professional~~
17 ~~services subcontracts at all. Although Latino Americans represent .79 percent of the professional~~
18 ~~services firms, they received only .46 percent of the professional services subcontract dollars. Although~~
19 ~~African Americans, Asian Americans and women received more than the number of professional~~
20 ~~service subcontracts one would expect based on their availability, the Board finds, based on the~~
21 ~~studies, statistics, testimony and other evidence before it of discrimination against African Americans,~~
22 ~~Asian Americans and women in City contracting and contracting in other Bay Area markets, that in the~~
23 ~~absence of the subcontracting program that the City has had in place, African Americans, Asian~~
24 ~~Americans and women would receive well below the level of City professional services subcontracts~~
25 ~~that one would expect based on their availability.~~

1 ~~—J. For City telecommunications subcontracts entered into between 1998 and early 2003,~~
2 ~~even with the race- and gender-conscious subcontracting program in place, African Americans, Asian~~
3 ~~Americans, Iranian Americans and women received fewer telecommunications subcontracts than~~
4 ~~expected based on their availability. Iranian Americans received no telecommunications subcontracts~~
5 ~~at all. Although Asian Americans represent 13.82 percent of the available telecommunications firms,~~
6 ~~they received only .83 percent of the telecommunications subcontract dollars. Although women~~
7 ~~represent 13.82 percent of the telecommunications firms, they received only 8.84 percent of the~~
8 ~~telecommunications subcontract dollars. Although African Americans represent 2.44 percent of the~~
9 ~~telecommunications firms, they received only 2.22 percent of the telecommunications subcontract~~
10 ~~dollars. The disparity is statistically significant for Asian Americans. And, even with the subcontracting~~
11 ~~program in place, although Caucasian men represent less than 70 percent of the telecommunications~~
12 ~~firms, they received more than 86 percent of the telecommunications subcontracts. Although Latino~~
13 ~~Americans received somewhat more than the number of telecommunication subcontracts one would~~
14 ~~expect based on their availability, the Board finds, based on the studies, statistics, testimony and other~~
15 ~~evidence before it of discrimination against Latino Americans in City contracting and contracting in~~
16 ~~other Bay Area markets, that in the absence of the bid/ratings discount program that the City has had~~
17 ~~in place, Latino Americans would receive well below the level of City telecommunications subcontracts~~
18 ~~that one would expect based on their availability.~~

19 ~~—6. In 2002 and 2003, the Human Rights Commission and this Board heard testimony from~~
20 ~~134 individuals at public hearings about discrimination against minority- and women-owned~~
21 ~~businesses and received written statements documenting such discrimination. Additionally, in 2003,~~
22 ~~Godbe Research conducted a telephone survey of HRC-certified MBEs and WBEs.~~

23 ~~—Based on this evidence, and the findings and evidence supporting the 1984, 1989 and 1998~~
24 ~~Ordinances, and amendments to those ordinances, the Board finds that minorities and women~~
25 ~~continuously face racial prejudice in both the public and private sector markets in San Francisco. The~~

1 ~~prejudice against minorities takes the form of stereotyping, prejudging, discomfort in working with~~
2 ~~minorities, an absence of opportunities to prove one's skill and ability, exclusion, networking~~
3 ~~difficulties, and racial slurs. Women also face prejudging and stereotyping. Women are often made to~~
4 ~~feel that they are not qualified to be running a company and that they are innately incapable of certain~~
5 ~~tasks. Women also sometimes face questions as to whether they are really running their firms. Women-~~
6 ~~and minority-owned firms also face overt hostility from majority male firms, reporting harassment,~~
7 ~~intimidation, and undue pressure during the course of doing business with majority male firms.~~
8 ~~Women and minority-owned businesses also are often subjected to increased and higher standards of~~
9 ~~review of their work than Caucasian, male-owned firms. Minorities and women also reported~~
10 ~~difficulties and discrimination in obtaining financing and credit for their firms, difficulty obtaining~~
11 ~~bonding and insurance, and other forms of business institutional discrimination.~~

12 ~~—Minorities and women also report of discrimination in the award of City prime contracts.~~
13 ~~Minorities and women report that project managers in many City Departments continue to operate~~
14 ~~under an "old boy network in awarding City prime contracts. The practice creates a barrier to the entry~~
15 ~~of women and minority-owned businesses and puts those firms at a competitive disadvantage in their~~
16 ~~efforts to secure City prime contracts.~~

17 ~~—Minority and women-owned businesses also reported being discriminated against by prime~~
18 ~~contractors, by, for example, being given inadequate lead time to bid on projects, being paid late after~~
19 ~~a bid award, being listed on a bid without permission, and having the scope of their work reduced or~~
20 ~~canceled after the bid award. Minority and women-owned businesses report that the only reason they~~
21 ~~are able to get work from many prime City contractors is because the City requires prime contractors~~
22 ~~to provide minorities and women with opportunities to compete for City subcontracts. In particular,~~
23 ~~many minorities and women report that they are frequently refused subcontracting opportunities on~~
24 ~~contracts that are not subject to a race or gender-conscious affirmative action program by the same~~
25 ~~prime contractors that do hire them on contracts that are subject to a race- and gender-conscious~~

1 ~~affirmative action program. And, many minority- and women-owned businesses that succeeded because~~
2 ~~of the City's remedial program, and graduated from the program, report that prime contractors who~~
3 ~~gave them subcontracts on contracts subject to the City's subcontracting requirements before they~~
4 ~~graduated, refuse to give them subcontracts now. Finally, minorities and women report of hostility in~~
5 ~~the industry toward the M/WBE program.~~

6 —7. In February 1998, the Human Rights Commission issued a report that documents
7 hostility and active resistance to the W/MBE program by various City departments and agencies. The
8 HRC report also found the following discriminatory practices at work in City contracting: (1) listing
9 minority- and women-owned enterprises as subcontractors but never using the listed minority- and
10 women-owned subcontracting firms; (2) the use of additional nonminority, male subcontractors never
11 listed on the relevant HRC forms; and (3) the creation of fraudulent joint ventures involving minority-
12 or women-owned and majority, men-owned firms. In particular, the HRC's investigation found that in
13 at least four out of 86 contracts involving joint ventures, the minority- or women-owned firms listed in
14 the joint venture did not perform any work on the project. A report issued by the HRC in May 2003
15 reveals that these discriminatory practices continue, and that the HRC has encountered the following
16 additional discriminatory practices in City contracting: (1) attempts by City personnel to improperly
17 influence contract selection panels to ensure that MBEs/WBEs do not obtain City prime contracts; (2)
18 attempts by City personnel to blame MBEs/WBEs unjustifiably for project delays; (3) the imposition of
19 unnecessary minimum requirements on City contracts that act as a barrier to MBEs/WBEs; (4) the
20 failure by City departments to submit draft requests for proposals to HRC with sufficient time to permit
21 the HRC to ensure that adequate MBE/WBE subcontracting goals have been set; (5) attempts by City
22 departments to circumvent the requirements of this ordinance by extending or modifying existing
23 contracts rather than putting new contract out to bid; (6) the failure by City departments to comply
24 with the prompt payment provisions of this ordinance which ensure that MBEs/WBEs do not suffer
25 unnecessary financial hardships; and (7) resistance by City prime contractors to provide the City with

1 ~~required subcontractor payment information, making it difficult for the City to ensure that MBE/WBE~~
2 ~~subcontractors receive prompt payment for their work on City contracts.~~

3 ~~—8. Based on the studies, reports, testimony and other evidence before it, the Board finds~~
4 ~~that the race and gender conscious remedial programs authorized by this Ordinance continue to be~~
5 ~~necessary to remedy discrimination against minority and women-owned businesses in City prime~~
6 ~~contracting and subcontracting. The Board finds that the City and County of San Francisco is actively~~
7 ~~discriminating against women and minority groups in its contracting, and is passively participating in~~
8 ~~discrimination in the private sector. This Board finds that the evidence before it establishes that the~~
9 ~~City's current contracting practices are in violation of federal law and that, as a result, this ordinance~~
10 ~~continues to be required by federal law to bring the City into compliance with federal civil rights laws~~
11 ~~in its contracting practices.~~

12 ~~—9. In addition, the Board has reviewed numerous studies by San Francisco-based agencies.~~
13 ~~These studies, although narrower in scope than San Francisco's study, support the findings undertaken~~
14 ~~to assess discrimination against women and minorities in City contracting:~~

15 ~~—In 1991, the San Francisco Unified School District undertook a disparity study of its~~
16 ~~contracting in various categories. The study found "substantial evidence of statistically significant~~
17 ~~disparities between utilization and availability of minority and women contractors." For prime~~
18 ~~contracts over \$15,000 in value, the study found statistically significant evidence of discrimination~~
19 ~~against African Americans, Latino Americans, and other minorities, in the number of contracts willing~~
20 ~~and able firms owned by these groups were able to obtain. For prime contracts under \$15,000 in total~~
21 ~~value, the study found statistically significant evidence of discrimination against Asian Americans,~~
22 ~~Latino Americans, minorities in general, and women, in the number of contracts willing and able firms~~
23 ~~owned by members of these groups were able to obtain. For subcontracts, the study found statistically~~
24 ~~significant evidence of discrimination in the number of subcontracts that African American, Asian~~
25 ~~American, Latino American, and minority firms in general were able to obtain. In a review of contracts~~

1 under its Earthquake program, the study found statistically significant evidence of discrimination
2 against Asian Americans, minorities in general, and women in the number of contracts businesses
3 owned by members of these groups were able to obtain. In construction-related professional services,
4 the study found statistically significant evidence of discrimination against African Americans, Asian
5 Americans, minorities in general and women. In printing and publishing contracts, the study found
6 statistically significant discrimination against African Americans, Asian Americans, Latino Americans,
7 minorities in general, and women. The study also reviewed testimonial evidence of discrimination that
8 supported its findings of discrimination.

9 —In November 1992, the San Francisco Redevelopment Agency ("SFRA") issued a study of its
10 use of minority and women-owned business enterprises. The comprehensive study found that women-
11 owned business enterprises received none of the publicly funded prime contract dollars and only 24
12 percent of the privately funded contract dollars SFRA would have expected given their availability. The
13 study found from a survey of private construction contractors that minority and women-owned
14 businesses received none of the prime contracts and only 2.32 percent of the subcontract dollars. The
15 study also surveyed 95 local minority and women-owned construction firms, out of which 75 percent
16 reported that prime contractors who use their firms on public contracts with W/MBE requirements
17 never use their firms on private contracts.

18 —In May 1993, the Regional Transit Association of the San Francisco Bay Area issued a report
19 entitled "The Utilization of Minority and Women-Owned Business Enterprises by Member Agencies of
20 the Regional Transit Association." The study found significant underutilization of minority and women-
21 owned enterprises in those jurisdictions in the Bay Area without programs designed to increase
22 minority and women participation. The study also found that for each transit agency, including San
23 Francisco's Municipal Railway, "M/WBEs were used less than we would expect given their
24 availability." The study also examined anecdotal evidence of discrimination from 502 minority and
25 women-owned enterprises in the Bay Area.

1 —In December 2001, the Human Rights Commission issued a report entitled "Violence in Our
2 City: Research and Recommendations to Empower Our Community," which addresses the increase in
3 violence against African Americans that began in 2000, and discrimination against African Americans
4 in San Francisco. This report supports the finding of the Board that an ordinance encouraging
5 minority-owned enterprise participation in City contracting is necessary to remedy race discrimination
6 against African American-owned firms in San Francisco.

7 —10.—A number of broad disparity studies undertaken by State and other local governments
8 and agencies also support the findings of discrimination in San Francisco's studies, including:

9 —In 1992, the Contra Costa County issued a comprehensive study of the use of women and
10 minority-owned businesses by that county. The study examined Contra Costa's own contracts, data
11 about subcontractors collected from prime contractors, data on Contra Costa's payments to vendors,
12 data on 7,993 minority and women-owned vendors in the Bay Area identified from various directories,
13 questionnaires on purchasing practices by Contra Costa officials and census data, testimony Contra
14 Costa solicited in public hearings in Alameda and San Francisco, and Bay Area wide mail surveys of
15 540 women and minority-owned businesses. The study found that minorities received a smaller share
16 of Contra Costa County contracts than would be expected given their availability. The study also
17 examined the private sector for construction in San Francisco, Oakland, and San Jose and found that
18 minority and women-owned businesses received a smaller share of prime and subcontracts than would
19 be expected given their availability. The study also found strong evidence of discrimination against
20 women and minority firms in Contra Costa's professional services contracting and commodity
21 purchases.

22 —In 1996, the City of Oakland and the Oakland Redevelopment Agency issued a study of the
23 utilization of minorities and women in their contracting programs. The study revealed that even after
24 having programs aimed at increasing contracting opportunities for minority and women-owned
25 businesses, those businesses still get fewer contracts than one would expect based on their availability.

1 ~~The study revealed that a culture of discrimination among prime contractors, lending institutions, and~~
2 ~~other businesses prevented minority and women-owned businesses from competing for public~~
3 ~~contracting opportunities in Oakland. For instance, even though the majority of ready and willing~~
4 ~~construction contractors in Oakland were African American-owned, Caucasian male contractors~~
5 ~~received more than twice the contract dollars from 1991-1994 as African American contractors. And~~
6 ~~although nearly 68 percent of all ready and willing contractors were minority and women-owned~~
7 ~~businesses, Caucasian male-owned firms received more than 55 percent of the contract dollars during~~
8 ~~this period. Even those minorities who achieved statistical parity in contract availability during the~~
9 ~~study period suffered from discrimination. Anecdotal evidence gathered for the study revealed that~~
10 ~~prime contractors often refuse to allow the minority and women-owned businesses to perform~~
11 ~~subcontracting work after the contract has been awarded. Women contractors reported that they must~~
12 ~~ask male co-workers to present their ideas to prime contractors, since otherwise their ideas are~~
13 ~~ignored.~~

14 ~~—In 1994, the City of Richmond, California commissioned a study to determine whether its~~
15 ~~race and gender-conscious remedial contracting programs continued to be necessary. The study~~
16 ~~revealed great disparities between Caucasian male-owned firms, and minority and women-owned~~
17 ~~businesses. For instance, although Caucasian men represented only 49 percent of the available~~
18 ~~contracting firms, 85 percent of all contract dollars went to those firms. The disparity was even greater~~
19 ~~in Richmond's professional services contracts, where Caucasian firms received 95 percent of the~~
20 ~~contract dollars even though such firms represent only 15 percent of the available firms. The study~~
21 ~~further revealed that although minority and women-owned firms represented between 32 and 71~~
22 ~~percent of the available firms depending on the particular industry (construction, professional services,~~
23 ~~engineering, and procurement), minority and women-owned businesses never received more than 14.8~~
24 ~~percent of the contract dollars in any industry. And testimonial evidence revealed that Richmond's~~
25 ~~MBE/WBE ordinance had done little to address the underlying causes of discrimination. Minorities and~~

1 ~~women were consistently faced with obstacles not placed before Caucasian male contractors, based~~
2 ~~solely on their race and gender. In fact, based on their experience, some MBEs and WBEs gave up~~
3 ~~trying to contract with Richmond in the future.~~

4 ~~—In 1995 the California Senate Office of Research issued a report entitled "The Status of~~
5 ~~Affirmative Action in California." The report explained, in part, that "[c]ities and counties have~~
6 ~~affirmative action programs as a matter of public policy, as a requirement for contracting with the~~
7 ~~State, or because they receive federal money that requires attention to nondiscrimination hiring." The~~
8 ~~report concluded that despite past affirmative action efforts, "salaries remain disparate among racial~~
9 ~~and ethnic groups and between men and women."~~

10 ~~—In April 1996, the California Senate Office of Research issued a report entitled "Exploring the~~
11 ~~Glass Ceiling and Salary Disparities in California State Government." The report examined the salary~~
12 ~~levels of 164,000 state civil service employees and compared compensation according to gender, race~~
13 ~~and ethnicity. The study found that women of equal educational attainment earn only \$.74 for every~~
14 ~~dollar earned by their male counterparts.~~

15 ~~—11.—Based on the testimony, studies and reports contained in Board File Nos. 98-0612, 99-~~
16 ~~0266 and 99-1326, and the evidence before the Board in support of this Ordinance, the Board finds that~~
17 ~~Arab and Iranian Americans continue to suffer discrimination in the City's procurement process. In~~
18 ~~fact, discrimination against Arab Americans and Iranian Americans has increased dramatically. Based~~
19 ~~on testimony presented at public hearings before the Human Rights Commission and this Board~~
20 ~~between 2001 and 2003, and the Human Rights Commission Report issued in September 2002, the~~
21 ~~Board finds that since September 11, 2001, there has been a sharp increase in threats, harassment,~~
22 ~~violence, and discrimination against individuals perceived as having Middle Eastern origins in both the~~
23 ~~private sector in San Francisco as well as in the City's procurement processes. As a direct result of this~~
24 ~~systemic discrimination, Arab American and Iranian American-owned businesses have been prevented~~
25 ~~from obtaining City prime contracting and subcontracting.~~

1 —12.— In 1989, based on the significant evidence before it, this Board found that Native
2 Americans who sought prime and subcontracting opportunities have received fewer such contracts than
3 expected based on their availability, and that such underutilization was attributable to discrimination
4 both in the private sector and in the City's procurement practices. Based on the historical record of
5 discrimination against Native Americans, and the testimonial evidence given at public hearings, the
6 Board found that there was compelling evidence of discrimination to support the addition of Native
7 Americans to the MBE program and to justify remedial measures on their behalf. The HRC's 2003
8 disparity study reveals that there are no longer any San Francisco-based businesses in any industry
9 that are owned by Native Americans and available to perform City prime contracts or subcontracts.
10 Based on the significant evidence before it, the Board finds that the pervasive discrimination and
11 hostility against Native Americans in the Bay Area and in the City's procurement processes has
12 resulted in the recent disappearance of available San Francisco-based Native American-owned
13 contractors. The Board further finds that this discrimination against Native Americans will prevent
14 Native Americans from re-establishing businesses in San Francisco without the bid/ratings discount
15 program and subcontracting program set forth in this Ordinance. For that reason, the Board finds it
16 necessary to continue to extend its remedial contracting program to businesses owned by Native
17 Americans.

18 —13.— The Board has also reviewed and considered several volumes of collected social
19 science materials concerning discrimination against women and minorities in the Bay Area and in
20 public contracting in California. These social science materials strongly support, and are consistent
21 with, the findings in the statistical and testimonial evidence that discrimination exists against women
22 and minorities in the City's contracting and in the private market for similar contracts.

23 —14.— The Board has considered a substantial body of evidence in enacting the ordinance.
24 The findings set forth herein represent certain salient portions derived from the evidence and hearings.
25 These findings, however, are intended to be representative and non-exhaustive of the evidence and

1 ~~reasons supporting the enactment herein. The Board will consider relevant evidence that continues to~~
2 ~~be collected.~~

3 ~~—15.— In enacting this ordinance, the Board considered and relied on (a) the fact that a~~
4 ~~substantial percentage of City agencies receive federal funds, a vast portion of which is expended in~~
5 ~~City contracts, (b) the federal requirements for eradication of discrimination, including the evidence~~
6 ~~supporting those requirements, and (c) all applicable constitutional standards including those that~~
7 ~~apply to federally funded projects.~~

8 ~~—16.— This Board finds that the testimony of minority and women business owners who seek~~
9 ~~to enter into contracts with the City or are doing business with the City, as presented to this Board and~~
10 ~~the Human Rights Commission, offer clear and persuasive evidence of discrimination to such an extent~~
11 ~~that the disparity of contract dollars awarded to minority and women-owned enterprises can only be~~
12 ~~explained by discrimination. The statistical evidence, oral and written histories, and social science~~
13 ~~evidence reviewed by this Board also support this finding. Accordingly, this Board adopts this~~
14 ~~ordinance to remedy the specifically identified City contracting practices and conditions in the~~
15 ~~Community and industries that cause the exclusion or reduction of contracting opportunities for~~
16 ~~minority and women-owned businesses in City prime and subcontracting programs.~~

17 ~~—17.— Based on a comparative review of the use of minority and women-owned businesses in~~
18 ~~the public and private sectors in the City, oral and written histories and additional evidence, this Board~~
19 ~~finds that there is a substantial reduction in the use of minority and women-owned firms in private~~
20 ~~sector contracting in the absence of MBE/WBE requirements such as those found in this ordinance. In~~
21 ~~the private sector, substantial evidence demonstrates that minority and women-owned businesses are~~
22 ~~seldom or never used by prime contractors for projects that do not have MBE/WBE goal requirements.~~
23 ~~Therefore, this Board finds that if this ordinance were not enacted and the MBE/WBE goal~~
24 ~~requirements eliminated, the discrimination against and nonutilization of minority and women-owned~~
25

1 ~~businesses now existing in the private sector would occur immediately in the awarding of City~~
2 ~~contracts.~~

3 ~~—18. This Board further finds that local businesses that seek prime contracting and~~
4 ~~subcontracting opportunities in City contracting continue to labor under a competitive disadvantage~~
5 ~~with businesses from other areas because of the higher administrative costs of doing business in the~~
6 ~~City (e.g., higher taxes, higher rents, higher wages and benefits for labor, higher insurance rates, etc.).~~

7 ~~—19. This Board finds that public interest is served by encouraging economically~~
8 ~~disadvantaged businesses to locate and to remain in San Francisco through the provision of bid~~
9 ~~discounts to such San Francisco businesses in the award of City contracts and by requiring prime~~
10 ~~contractors to use good faith efforts to use such businesses as subcontractors when there are~~
11 ~~subcontracting opportunities available on City contracts.~~

12 ~~—20. Additionally, this Board finds that policies and programs that enhance the~~
13 ~~opportunities and entrepreneurial skills of local businesses will best serve the public interest because~~
14 ~~the growth and development of such businesses will have a significant positive impact on the economic~~
15 ~~health of San Francisco by, among other things, the creation of local jobs and increased tax revenue.~~

16 ~~—21. The Board finds that affording a five percent bid discount for economically~~
17 ~~disadvantaged local businesses bidding on City contracts reduces the disadvantages under which these~~
18 ~~businesses compete.~~

19 ~~—22. The bid discount mechanism in this ordinance is used to assure equality in the~~
20 ~~treatment of opportunities to any bidder for City contracts. This Board further finds that the failure to~~
21 ~~use such a bid discount would result in discrimination against or preferential treatment to certain~~
22 ~~individuals and/or groups.~~

1 ***SEC. 12D.A.3. DECLARATION OF POLICY.***

2 ~~—It is the policy of the City and County of San Francisco to ensure full and equitable~~
3 ~~opportunities for minority business enterprises, woman business enterprises, and local business~~
4 ~~enterprises to participate as prime contractors in providing goods and services to the City. This~~
5 ~~program is intended to correct identified discriminatory practices inherent in the City's procurement~~
6 ~~process and in the award of prime contracts to MBE/WBEs. Another goal of this ordinance is to offset~~
7 ~~some of the economic disadvantages local businesses continue to face that are not shared by nonlocal~~
8 ~~businesses.~~

9 ~~—The City will continue to rely on the relationship between the percentages of MBEs/WBEs in~~
10 ~~the relevant sector of the San Francisco business community and their respective shares of City~~
11 ~~contract dollars as a measure of the effectiveness of this ordinance in remedying the effects of the~~
12 ~~forementioned discrimination.~~

13 ~~—The City is continuing to use a discount for local business in the award of City contracts in~~
14 ~~order to encourage businesses to locate and to remain in San Francisco and thereby enhance~~
15 ~~employment opportunities for persons living in San Francisco. The cost of locating and doing business~~
16 ~~in San Francisco continues to be as much as 15 percent and greater than the cost of doing business in~~
17 ~~the surrounding communities. Providing a five-percent bid discount for local businesses bidding on~~
18 ~~City contracts reduces the disadvantages under which City located businesses labor when competing~~
19 ~~for City contracts. For that reason, affording them a five-percent bid discount makes good sense. In~~
20 ~~effect, the bid discount assists these businesses in contributing to the economic health of the City. The~~
21 ~~five-percent bid discount does not unduly hamper nonlocal businesses in the contracting process, and~~
22 ~~parallels the discounts awarded in many other local jurisdictions.~~

1 ***SEC. 12D.A.4. SCOPE.***

2 ~~—The race and gender-conscious bid discounts of this ordinance shall be afforded only to~~
3 ~~economically disadvantaged minority and women-owned businesses in all specifically enumerated~~
4 ~~categories of City contracts for the procurement of goods and services subject to exemptions~~
5 ~~hereinafter specifically enumerated. The local business bid discount shall be afforded to all~~
6 ~~economically disadvantaged local businesses in the award of all City contracts for the procurement of~~
7 ~~goods and services subject to exceptions hereinafter specifically enumerated in Section 12D.A.15.~~

8
9 ***SEC. 12D.A.5. DEFINITIONS.***

10 ~~—"Architect/Engineering Contracts" shall mean an agreement for architects, engineers, and~~
11 ~~other outside temporary professional design, consultant or construction management services for a~~
12 ~~public work project.~~

13 ~~—"Back contracting" shall mean any agreement or other arrangement between a prime~~
14 ~~contractor and its subcontractor that requires the prime contractor to perform or to secure the~~
15 ~~performance of the subcontract in such a fashion and/or under such terms and conditions that the~~
16 ~~prime contractor enjoys the financial benefits of the subcontract. Such agreements or other~~
17 ~~arrangements include, but are not limited to, situations in which either a prime contractor or~~
18 ~~subcontractor agrees that any term, condition or obligation imposed upon the subcontractor by the~~
19 ~~subcontract shall be performed by or be the responsibility of the prime contractor.~~

20 ~~—"Best efforts" when required of contract awarding authority shall mean reasonable efforts to~~
21 ~~include minorities, MBEs, women, or WBEs in City contracting.~~

22 ~~—"Bid" shall mean and include a quotation, proposal, solicitation or offer by a bidder or~~
23 ~~contractor to perform or provide labor, materials, equipment, supplies or services to the City and~~
24 ~~County of San Francisco for a price.~~

1 ~~—"Bidder" shall mean any business that submits a quotation, bid or proposal to provide labor,~~
2 ~~materials, equipment, supplies or services to the City and County of San Francisco.~~

3 ~~—"City" shall mean the City and County of San Francisco.~~

4 ~~—"Commercially useful function" shall mean that the business is directly responsible for~~
5 ~~providing the materials, equipment, supplies or services to the City as required by the solicitation or~~
6 ~~request for quotes, bids or proposals. MBEs, WBEs or LBEs that engage in the business of providing~~
7 ~~brokerage, referral or temporary employment services shall not be deemed to perform a "commercially~~
8 ~~useful function" unless the brokerage, referral or temporary employment services are those required~~
9 ~~and sought by the City. When the City requires and seeks specialty products made to order for the City~~
10 ~~or otherwise seeks products which, by industry practice, are not regularly stocked in warehouse~~
11 ~~inventory but instead are purchased directly from the manufacturer, the value of the "commercially~~
12 ~~useful function" provided by a supplier or distributor shall be valued at no more than five percent of the~~
13 ~~cost of the product. When the City requires and seeks products which are, by industry practice, stocked~~
14 ~~in warehouse inventory and are in fact, regularly stocked by the listed supplier or distributor, the value~~
15 ~~of the "commercially useful function" provided by the supplier or distributor shall not exceed sixty~~
16 ~~percent of the cost of the product. If the listed supplier or distributor does not regularly stock the~~
17 ~~required product, the value of the "commercially useful function" provided by the supplier or~~
18 ~~distributor shall be valued at no more than five percent of the cost of the product.~~

19 ~~—"Commission" shall mean the Human Rights Commission of the City and County of San~~
20 ~~Francisco.~~

21 ~~—"Commodity" shall mean products, including materials, equipment and supplies, purchased~~
22 ~~by the City.~~

23 ~~—"Concession" shall mean any privilege conferred by the City on a person to engage in~~
24 ~~business on property owned or leased by the City.~~

1 ~~—"Contract" shall mean and include any agreement between the City and a person to provide~~
2 ~~or procure labor, materials, equipment, supplies or services to, for or on behalf of the City. A~~
3 ~~"contract" shall include an agreement between the City and a person or nonprofit entity to perform~~
4 ~~construction related services or fund the performance of such services. A "contract" does not include:~~
5 ~~(1) awards made by the City with federal/State grant or City funds to a nonprofit entity where the City~~
6 ~~offers assistance, guidance, or supervision on a project or program and the recipient of the grant~~
7 ~~award uses the grant monies to provide services to the community; (2) sales transactions where the~~
8 ~~City sells its personal or real property; (3) a loan transaction where the City is acting as a debtor or a~~
9 ~~creditor; (4) lease, franchise, or concession agreements; (5) agreements to use City real property; (6)~~
10 ~~gifts of materials, equipment, supplies or services to the City; or (7) agreements with a public agency~~
11 ~~except as provided in Section 12D.A.9(E).~~

12 ~~—"Contract awarding authority" shall mean the City officer, department, commission, employee~~
13 ~~or board authorized to enter into contracts on behalf of the City. In the case of an agreement with a~~
14 ~~person or nonprofit entity to perform or fund the performance of construction related services, the term~~
15 ~~"contract awarding authority" shall mean the person or nonprofit entity receiving funds from the City~~
16 ~~to perform or fund the performance of such services.~~

17 ~~—"Contractor" shall mean any person(s), firm, partnership, corporation, or combination~~
18 ~~thereof, who submits a bid or proposal to perform, performs any part of, agrees with a person to~~
19 ~~provide services relating to and/or enters into a contract with department heads and officers or~~
20 ~~contract awarding authorities empowered by law to enter into contracts on the part of the City for~~
21 ~~public works or improvements to be performed, or for goods or services or supplies to be purchased at~~
22 ~~the expense of the City or to be paid out of monies deposited in the treasury or out of trust monies~~
23 ~~under the control of or collected by the City.~~

24 ~~—"Control" of a business shall refer to the possession of the legal authority and power to~~
25 ~~manage business assets, good will and daily operations of the business, and the active and continuous~~

1 ~~exercise of such authority and power in determining the policies and directing the operations of the~~
2 ~~business.~~

13 ~~—(A) In addition to the duties and powers given to the Human Rights Commission elsewhere,~~
14 ~~the Commission shall:~~

15 ~~—1. Collect, analyze and periodically report to this Board relevant data that will assist this~~
16 ~~Board in determining whether (a) the scope of this ordinance in terms of race or gender conscious~~
17 ~~remedies shall be expanded to include new contract areas or minority groups and (b) whether the~~
18 ~~scope of this ordinance should be limited because the City has met its obligation to adopt and to~~
19 ~~implement necessary measures to remedy both its active discrimination and its passive perpetuation of~~
20 ~~private discrimination;~~

21 ~~—2. Levy the same sanctions that a contracting awarding authority may levy as specified in~~
22 ~~Section 12D.A.9(A)(7);~~

23 ~~—3. When necessary, subpoena persons and records, books and documents for a proceeding~~
24 ~~of the Commission or an investigation by the Director or an audit pursuant to Section 12D.A.6(E)~~
25 ~~conducted to further the purposes of this ordinance;~~

1 —4. ~~Adopt rules and regulations establishing standards and procedures for effectively~~
2 ~~carrying out this ordinance. Among other things, the rules and regulations shall provide for~~
3 ~~administrative procedures that will allow a business to prove and the Commission to recommend to this~~
4 ~~Board that the ordinance's remedial measures should not be applied to an industry or profession~~
5 ~~because MBE/WBE participation in City prime contracts has reached parity with MBE/WBE~~
6 ~~participation in the relevant business community and that MBE/WBEs no longer suffer from a~~
7 ~~discrimination-induced competitive disadvantage in the applicable industry or profession. The~~
8 ~~regulations shall also provide a mechanism for contractors to seek a determination by the Director that~~
9 ~~a MBE or WBE may not be granted a race or gender conscious bid discount where it is demonstrated~~
10 ~~that the MBE's or WBE's bid price is not attributable to the effects of past discrimination;~~

11 —5. ~~Issue forms for the Controller or contract awarding departments to collect information~~
12 ~~from contractors as prescribed by this ordinance;~~

13 —6. ~~Hear appeals challenging: (i) the Director's disqualification of a bidder or Contractor~~

15 ~~certification of a business as an MBE, WBE, or LBE, as specified in Section 12D.A.6(B)(2), or (iii) the~~
16 ~~Director's denial of a request to waive or to reduce subcontractor participation goals as specified in~~
17 ~~Section 12D.A.17(H);~~

18 —7. ~~By regulation require contract awarding authorities, departments and the Controller to~~
19 ~~provide to the Director such information as will be necessary to enable the Director to keep a database~~
20 ~~from which discrimination can be identified, to report to the Mayor and the Board of Supervisors at the~~
21 ~~end of each fiscal year on the progress each City department has made towards the achievement of~~
22 ~~MBE and WBE participation goals and to perform his/her other duties. The database is a public record~~
23 ~~available to the public as provided by state and local law;~~

24 —8. ~~Adopt rules and regulations as deemed necessary by the Director to ensure that the joint~~
25 ~~venture bid/ratings discount is applied only to joint ventures where the MBE, WBE or LBE has~~

1 ~~sufficient skill, experience, and financial capacity to perform the portion of the work identified for the~~
2 ~~MBE, WBE or LBE.~~

3 ~~—9.— Consistent with the provisions of the ordinance make such other rules and regulations as~~
4 ~~are necessary to guide its implementation.~~

5 ~~—(B) In addition to the duties and powers given to the Director elsewhere, the Director shall~~
6 ~~have the following duties and powers:~~

7 ~~—1.— Through appropriately promulgated procedures, the Director shall certify businesses as~~
8 ~~bona fide MBEs/WBEs/LBEs. These procedures shall provide that any business seeking certification as~~

14 ~~Francisco office in which business is transacted that is appropriately equipped for the type of business~~
15 ~~for which the enterprise seeks certification as an LBE; (6) a conspicuously displayed business sign at~~
16 ~~the San Francisco business premises except where the business operates out of a residence; and (7)~~
17 ~~licenses issued to the business owner appropriate for the type of business for which the enterprise seeks~~
18 ~~certification;~~

19 ~~—2.— Except where the Director cannot certify a business because the business has not been~~
20 ~~established in San Francisco for the requisite six months, whenever the Director denies an application~~
21 ~~for or revokes the certification of a business as a MBE, WBE, LBE because the business is not eligible~~
22 ~~to be certified as a bona fide MBE, WBE, LBE, the Director shall, within three working days of his/her~~
23 ~~decision, notify the aggrieved business in writing of the basis for revocation or denial of certification~~
24 ~~and the date on which the business will be eligible to reapply for certification. The notice shall be~~
25 ~~transmitted to the business via certified mail or via facsimile. The Director shall require a business to~~

1 wait at least six months but not more than two years after the denial or revocation before reapplying to
2 the Director for certification as a MBE, WBE or LBE. The Director shall provide any business whose
3 certification is revoked an opportunity to be heard within three business days of the revocation. A
4 business may appeal the Director's denial or revocation of certification of a business as an MBE, WBE,
5 or LBE to the Commission. The appeal must be filed with the Commission within three business days
6 following receipt of the Director's decision. Notice by the Director to the business of denial or
7 revocation of certification as an MBE, WBE or LBE shall apprise the business of its right to appeal the
8 decision;

9 — 3. The Director shall have the ultimate responsibility for ensuring that the necessary data
10 is collected and analyzed. Annually, and more often if the Director deems necessary, the Director shall
11 analyze the most recently available data of MBEs and WBEs in the various industries and professions
12 doing business with the City. Applying statistically sound methods of analysis and considering other
13 evidence of discrimination, the Director shall identify areas of contracting where the City or any of its
14 departments (a) is failing to meet the participation goals to such an extent that an inference of
15 discrimination can be made, or (b) is otherwise discriminating in its contracts. In addition, the Director
16 shall identify areas of contracting where the City is meeting and/or exceeding participation goal to
17 such an extent that the MBE or WBE bid discounts can no longer be justified. The results of this study
18 shall be included in the Commission's annual report required by Section 12D.A.18(B);

19 — 4. Not later than July 1st of each fiscal year, the Director shall transmit to this Board
20 proposed amendments to this ordinance that the Director deems necessary to ensure that the ordinance
21 provides adequate remedies for identified discrimination while going no further than necessary to
22 remedy the identified discrimination;

23 — 5. The Director shall work with the Controller and City departments to implement a City-
24 wide prompt payment policy requiring that MBEs, WBEs and LBEs be paid by the City, within 30 days
25

1 ~~after the date on which the City receives an invoice from an MBE, WBE or LBE for work performed for~~
2 ~~the City;~~

3 ~~—6. The Director shall provide information and other assistance to MBEs and WBEs to~~
4 ~~increase their ability to compete effectively for the award of City contracts;~~

5 ~~—7. The Director shall assist the City to increase participation by MBEs and WBEs in City~~
6 ~~contracts;~~

7 ~~—8. The Director shall continue to develop and to strengthen education and training~~
8 ~~programs for MBEs and WBEs and City contract awarding personnel;~~

9 ~~—9. The Director shall grant waivers as set forth in Sections 12D.A.15 and 12D.A.17(E)~~
10 ~~through (H), and may disqualify a bidder or contractor as set forth in Section 12.D.A.16(b).~~

11 ~~—(C) The requirements of this ordinance are in addition to those imposed by the United States~~
12 ~~or the State of California as a condition of financial assistance or otherwise. In contracts which involve~~
13 ~~the use of any funds furnished, given or loaned by the government of the United States or the State of~~
14 ~~California, all laws, rules and regulations of the government of the United States or the State of~~
15 ~~California or of any of its departments relative to the performance of such work and the conditions~~
16 ~~under which the work is to be performed, shall prevail over the requirements of this ordinance when~~
17 ~~such laws, rules or regulations are in conflict. In addition, the Director may authorize the substitution~~
18 ~~of such State or federal minority business enterprise and women business enterprise requirements for~~
19 ~~the requirements of this ordinance whenever such State or federal requirements are substantially the~~
20 ~~same as those of this ordinance.~~

21 ~~—(D) The Director, with the approval of the Commission, may enter into cooperative~~
22 ~~agreements with agencies, public and private, concerned with increasing the use of MBEs and WBEs in~~
23 ~~government contracting, subject to the approval of this Board.~~

24 ~~—(E) The Director, in cooperation with the Controller, shall randomly audit at least three~~
25 ~~prime contractors each fiscal year in order to insure their compliance with the provisions of this~~

1 ~~ordinance. The Director, in cooperation with the Controller, shall furthermore randomly audit 10~~
2 ~~percent of the joint ventures granted bid discounts in each fiscal year. The Controller shall have the~~
3 ~~right to audit the books and records of the contractors, joint venture participants, and any and all~~
4 ~~subcontractors to insure compliance with the provisions of this ordinance.~~

5
6 **~~SEC. 12D.A.7. POWERS AND DUTIES OF THE CONTROLLER.~~**

7 ~~—(A) In addition to the duties given to the Controller elsewhere, the Controller shall work~~
8 ~~cooperatively with the Director to provide such contractual encumbrance and payment data as the~~
9 ~~Director advises are necessary to form the basis of the Commission's report to the Mayor, this Board~~
10 ~~and the public on the participation of MBEs and WBEs in City prime contracts. If any department~~
11 ~~refuses or fails to provide the required data to the Controller, the Controller shall immediately notify~~
12 ~~the Mayor, this Board and the Director.~~

13 ~~—(B) The Controller shall not certify the award of any contract subject to this ordinance~~
14 ~~where the Director has notified the Controller that the contract awarding authority has not provided~~
15 ~~the information the Director advises is necessary under this ordinance.~~

16 ~~—(C) Each request for payment to a City contractor submitted to the contract awarding~~
17 ~~authority shall be accompanied by a subcontractor participation form approved by the Commission.~~
18 ~~That form shall contain information that the Commission has determined is necessary to enable the~~
19 ~~Commission and the Director (1) to monitor compliance by City departments and their prime~~
20 ~~contractors with their obligations under this ordinance (2) to determine whether City departments are~~
21 ~~achieving their prime and subcontracting goals under this ordinance, (3) to determine whether to~~
22 ~~recommend changes in this ordinance to ensure that the ordinance continues to serve as a remedy for~~
23 ~~discrimination in contracting while going no further than necessary to remedy that discrimination, and~~
24 ~~(4) to make such other reports and analyses as are required by this ordinance.~~

1 ~~—In the event that a request for payment fails to include the information required pursuant to~~
2 ~~this Section, the contract awarding authority shall, within two working days, notify the Director and the~~
3 ~~affected prime contractor[s] of the failure and afford each affected prime contractor an opportunity to~~
4 ~~be heard promptly. That notice shall inform the contractor that the contract awarding authority has~~
5 ~~tentatively determined that the information has not been provided, what information is missing and that~~
6 ~~if this failure is substantiated, then the Controller will be notified to withhold 20 percent of the payment~~
7 ~~until the information is provided. If the Controller finds, after consultation with the Director and the~~
8 ~~notice and opportunity to be heard, that the information has not been provided, the Controller shall~~
9 ~~withhold 20 percent of the payment otherwise due until the information is provided.~~

10 ~~—(D) It is the City's policy that MBEs, WBEs and LBEs should be paid by the City within 30~~
11 ~~days of the date on which the City receives an invoice from an MBE, WBE or LBE for work performed~~
12 ~~for the City. The Controller shall work with the Director and representatives of City departments to~~
13 ~~implement this City-wide prompt payment policy.~~

14 ~~—(E) The contract awarding authority shall require all prime contractors to submit, within 10~~
15 ~~days following payment to the prime contractor of moneys owed for work completed on a project, an~~
16 ~~affidavit under penalty of perjury, that all subcontractors on the project or job have been paid and the~~
17 ~~amounts of each of those payments. The name, telephone number and business address of every~~
18 ~~subcontractor shall be listed on the affidavit. If a prime contractor fails to submit this affidavit, the~~
19 ~~contract awarding authority shall notify the Director who shall take appropriate action as authorized~~
20 ~~under Section 12D.A.16(B) and (F).~~

21
22 **~~SEC. 12D.A.8. POWERS AND DUTIES OF THE MAYOR.~~**

23 ~~—In addition to the duties given to the Mayor elsewhere, the Mayor shall:~~

24 ~~—1. By July 1st of each fiscal year, issue notices to all City departments informing them of~~
25 ~~their duties under this ordinance. The notice shall contain the following information: (1) the City-wide~~

~~MBE/WBE participation goals that departments are expected to use good faith efforts to attain during the fiscal year and that a department's failure to use good faith efforts to attain the MBE/WBE participation goals shall be reported to this Board in the Commission's annual report; and (2) the data each department is required to provide the Controller on each contract award;~~

3 ~~be performed by the nonMBE or nonWBE joint venture partner. The MBE or WBE joint venture's~~
4 ~~portion of the contract must be assigned a commercially reasonable dollar value;~~

5 ~~— 3. Arrange contracting by size and type of work to be performed so as most effectively to~~
6 ~~enhance the opportunity for participation by MBEs and WBEs to the maximum extent feasible. As soon~~
7 ~~as practical before soliciting quotes, bids or proposals, all contract awarding authorities or in the case~~
8 ~~of a professional services contract, the department making the contract award recommendation, shall~~
9 ~~submit all large proposals to the Director for review. The purpose of the Director's review is to~~
10 ~~determine whether the proposed project can be divided into smaller projects so as to enhance the~~

12 ~~"large project" shall mean the following: (1) any public works/construction project estimated to cost~~
13 ~~more than \$5,000,000; and (2) any professional services contract estimated to cost more than~~

23 ~~meet bonding requirements and/or obtain construction loans;~~

24 ~~— 6. Submit to the Office of Contract Administration (OCA) in electronic format or a format~~
25 ~~specified by the all bid opportunities, requests for proposals and Solicitations for which published~~

1 ~~notice or advertising is required, no later than 10 calendar days prior to the announcement of the bid~~
2 ~~opportunity, request for proposal or Solicitation. A contract awarding authority must obtain a waiver~~
3 ~~from its commission, or in the case of a department that has no commission, from the Board of~~
4 ~~Supervisors, if it cannot meet the requirements of this Section 12D.A.9(A)6. The OCA shall cause to be~~
5 ~~posted upon a website the following information concerning current bids, requests for proposals and~~
6 ~~Solicitations: the title and number; the name of the contract awarding authority; and the name and~~
7 ~~telephone number of the person to be contacted for further information. Such information shall be~~
8 ~~posted with sufficient lead time to provide adequate notice and opportunity to potential City~~
9 ~~contractors and vendors to participate in the bid opportunity, request for proposals or Solicitation, but~~

11 ~~proposals or Solicitation;~~

13 ~~with the provisions of this ordinance, which shall include, but are not limited to:~~

14 ~~——(a) Refuse to award a contract,~~
15 ~~——(b) Order the suspension of a contract,~~
16 ~~——(c) Order the withholding of funds,~~
17 ~~——(d) Order the revision of a contract based upon a material breach of contract provisions~~
18 ~~pertaining to MBE or WBE participation,~~
19 ~~——(e) Disqualify a bidder, contractor, subcontractor, or other business from eligibility for~~
20 ~~providing goods or services to the City for a period not to exceed five years, based on the standards set~~
21 ~~forth in this ordinance and rules and regulations promulgated by the Commission. Any business~~
22 ~~disqualified under this subsection shall have a right to review and reconsideration by the Commission~~
23 ~~after two years upon a showing of corrective action indicating that violations are not likely to recur;~~

24 ~~—8. Not award any contract to a person or business that is disqualified from doing business~~
25 ~~with the City under the provisions of this ordinance;~~

1 ~~—9. Designate a staff person to be responsible for responding to the Director and~~
2 ~~Commission regarding the requirements of this ordinance;~~

3 ~~—10. Maintain accurate records as required by the Director and the Commission for each~~
4 ~~contract awarded, its dollar value, the nature of the goods or services to be provided, the name of the~~
5 ~~contractor awarded the contract, the efforts made by a contractor to solicit bids from and award~~
6 ~~subcontracts to MBEs and WBEs and LBEs;~~

10 ~~policy requiring that MBEs, WBEs and LBEs be paid by the City within 30 days of the date on which~~
11 ~~the City receives an invoice from an MBE, WBE or LBE for work performed for the City;~~

12 ~~—13. Provide the Director with written notice of all contract amendments, modifications,~~
13 ~~supplements and change orders that cumulatively result in an increase or decrease of the contract's~~
14 ~~dollar amount of more than 10 percent. Such notice shall be provided within 10 days of each such~~
15 ~~contract modification;~~

16 ~~—14. Whenever contract amendments, modifications, supplements or change orders~~
17 ~~cumulatively increase the total dollar value of a contract by more than 10 percent, the contract~~
18 ~~awarding authority shall require compliance with those MBE and WBE provisions of this ordinance~~
19 ~~that applied to the original contract;~~

20 ~~—15. All contract amendments, modifications, supplements or change orders that~~
21 ~~cumulatively increase by more than 20 percent the total dollar value of all contracts originally valued~~
22 ~~at \$50,000 or more shall be subject to prior approval of the Director, who shall review the proposed~~
23 ~~amendment, modification, supplement or change order to correct contracting practices that exclude~~
24 ~~women or minorities from new contracting opportunities.~~

1 ~~—(B)—Contract awarding authorities or departments may invite, encourage or request~~
2 ~~businesses to joint venture on any contract to promote MBE or WBE participation.~~

3 ~~—(C)—For the purpose of determining MBE and WBE participation, contracts awarded to joint~~
4 ~~ventures in which one or more MBEs or WBEs are combined with one or more businesses that are not~~
5 ~~MBEs or WBEs shall be deemed by the contract awarding authority to be awarded to MBEs or WBEs~~
6 ~~only to the extent of the MBEs or WBEs participation in the joint venture. MBE and/or WBE~~
7 ~~participation in the supply of goods shall be included in determining MBE and/or WBE participation in~~
8 ~~a joint venture if the goods are supplied in accordance with established general industry practice.~~

9 ~~—(D)—Contract awarding authorities shall ensure that all contracts subject to this ordinance~~
10 ~~include the following requirements, in addition to such other requirements as may be set forth~~
11 ~~elsewhere:~~

12 ~~—1.—Each bidder, proposer and contractor shall be required to sign an affidavit, declaring~~
13 ~~under penalty of perjury, attesting to its intention to comply fully with the provisions of this ordinance~~
14 ~~and attesting to the truth and accuracy of all information provided regarding such compliance;~~

15 ~~—2.—Each contract shall incorporate this ordinance by reference and shall provide that the~~
16 ~~wilful failure of any bidder or contractor to comply with any of its requirements shall be deemed a~~
17 ~~material breach of contract;~~

18 ~~—3.—Contracts shall provide that in the event that the Director finds that any bidder,~~
19 ~~subcontractor or contractor that wilfully fails to comply with any of the provisions of this ordinances,~~
20 ~~rules and regulations implementing the ordinance or contract provisions pertaining to MBE or WBE~~
21 ~~participation bidder, subcontractor or contractor shall be liable for liquidated damages for each~~

2 ~~from any contract with the City;~~

3 ~~—4. Contracts shall require all contractors to maintain records, including such information~~

10 ~~WBE a provision requiring the prime contractor to compensate any MBE or WBE subcontractor for~~
11 ~~damages for breach of contract or liquidated damages equal to 5% of the subcontract amount,~~
12 ~~whichever is greater, if the prime contractor fails to comply with its commitment to use MBE and WBE~~
13 ~~subcontractors as specified in the bid/proposal unless the Commission and the contract awarding~~
14 ~~authority both give advance approval to the prime contractor to substitute subcontractors or otherwise~~
15 ~~modify the commitments in the bid/proposal documents. Contracts shall also require prime contractors~~
16 ~~to compensate any MBE or WBE subcontractor for breach of contract or liquidated damages equal to~~
17 ~~5% of the subcontract amount, whichever is greater, if the prime contractor does not fulfill its~~
18 ~~commitment to use the MBE or WBE subcontractor as specified in the bid/proposal unless the~~
19 ~~Commission and the contract awarding authority both give advance approval to the prime contractor~~
20 ~~to substitute subcontractors or otherwise modify the commitments in the bid/proposal documents. This~~
21 ~~provision shall also state that it is enforceable in a court of competent jurisdiction;~~

1 ~~—8.— Contracts shall require prime contractors to submit to the Director for approval all~~
2 ~~contract amendments, modifications, supplements, and change orders that cumulatively increase by~~
3 ~~more than 20 percent the total dollar value of all contracts originally valued at \$50,000 or more. The~~

5 ~~any contracting practices that exclude women and minorities from new contracting opportunities;~~

6 ~~—9.— Contracts in which subcontracting is used shall prohibit back contracting to the prime~~
7 ~~contractor or lower tier subcontracting for any purpose inconsistent with the provisions of this~~
8 ~~ordinance, rules and regulations adopted pursuant to this ordinance, or contract provisions pertaining~~
9 ~~to MBE and WBE utilization;~~

10 ~~—10.— Contracts in which subcontracting is used shall require the prime contractor to pay its~~
11 ~~subcontractors within three working days after receiving payment from the City unless the prime~~
12 ~~contractor notifies the Director in writing within 10 working days prior to receiving payment from the~~
13 ~~City that there is a bona fide dispute between the prime contractor and the subcontractor, in which~~
14 ~~case the prime contractor may withhold the disputed amount but shall pay the undisputed amount. The~~
15 ~~Director may, upon making a determination that a bona fide dispute exists between the prime~~
16 ~~contractor and subcontractor, waive this three day payment requirement. In making the determination~~
17 ~~as to whether a bona fide dispute exists, the Director shall not consider the merits of the dispute.~~
18 ~~Contracts in which subcontracting is used shall also require the contractor/consultant, within 10~~
19 ~~working days following receipt of payment from the City, to file an affidavit, under penalty of perjury,~~

6 ***SEC. 12D.A.10. PUBLIC WORKS CONTRACTS.***

7 ~~—(A) In addition to the general findings set forth in Section 12D.A.2, and based upon the~~
8 ~~record before this Board, the Board hereby finds that the evidence before the Board relating to the~~
9 ~~award of prime public works contracts for fiscal years 1992-93, 1993-94, 1994-95, 1996-97, 1997-98~~
10 ~~and 1998-2003 reflects that MBEs and WBEs continue to be disadvantaged by discriminatory practices~~
11 ~~when competing for City prime public works contracts. Further, the Board finds that race-neutral~~
12 ~~measures employed by the City have not prevented such discrimination against MBEs and WBEs from~~
13 ~~occurring.~~

14 ~~—(B) Contract awarding authorities shall apply bid discounts as enumerated in Section~~
15 ~~12D.A.9(A) to all public work contracts the estimated cost of which exceeds \$10,000.~~

16 ~~—(C) Bonding and Financial Assistance Program.~~

17 ~~—1. Program Description. The City and County of San Francisco, acting through its Human~~
18 ~~Rights Commission ("HRC"), intends to provide guarantees to private bonding companies and~~
19 ~~financial institutions in order to induce those entities to provide required bonding and financing to~~
20 ~~eligible contractors and subcontractors bidding on and performing City public work contracts. This~~
21 ~~bonding and financial assistance program is subject to the provisions of this Subsection 12D.A.10(C).~~

22 ~~—2. Eligible Contracts. The assistance described in this Subsection 12D.A.10(C) shall be~~
23 ~~available for any City public works contract awarded in accordance with San Francisco Administrative~~
24 ~~Code Chapter 6.~~

1 ~~3. Eligible Businesses. Businesses must meet the following criteria to qualify for assistance~~
2 ~~under this Subsection 12D.A.10(C):~~

3 ~~—— (a) The business may be either a prime contractor or subcontractor; and~~

4 ~~—— (b) The business must be certified by the HRC as a Minority Business Enterprise~~
5 ~~("MBE"), Woman Business Enterprise ("WBE") or Local Business Enterprise ("LBE") according to the~~
6 ~~requirements of San Francisco Administrative Code Chapter 12D.A:~~

7 ~~—— (c) The business may be required to participate in a "bonding assistance training~~
8 ~~program" as offered by the HRC, which is anticipated to provide the following:~~

9 ~~—— (i) Bond application assistance,~~

10 ~~—— (ii) Assistance in developing financial statements,~~

11 ~~—— (iii) Assistance in development of a pre-bond surety profile,~~

12 ~~—— (iv) Identification of internal financial control systems,~~

13 ~~—— (v) Development of accurate financial reporting tools, and~~

14 ~~4. Agreements Executed by the Human Rights Commission. The HRC is hereby authorized~~
15 ~~to enter into the following agreements in order to implement the bonding and financial assistance~~
16 ~~program described in this Subsection 12D.A.10(C):~~

17 ~~—— (a) With respect to a surety bond, the agreement to guaranty up to 40 percent of the face~~
18 ~~amount of the bond or \$750,000, whichever is less;~~

19 ~~—— (b) With respect to a construction loan to be made to a contractor or subcontractor, an~~
20 ~~agreement to guaranty up to 50 percent of the original principal amount of the construction loan or 50~~
21 ~~percent of the actual loss suffered by the financial institution as a result of a loan default, whichever is~~
22 ~~less; provided that in any event the City's obligations with respect to a guaranty shall not exceed~~
23 ~~\$750,000;~~

1 ~~——(c) Any other documents deemed necessary by the HRC to carry out the objectives of this~~
2 ~~program, provided that such documents shall be subject to review and approval by the City Attorney's~~
3 ~~Office.~~

4 ~~——5. Monitoring and Enforcement. The HRC shall maintain records on the use and~~
5 ~~effectiveness of this program, including but not limited to (1) the identities of the businesses and~~
6 ~~bonding companies participating in this program, (2) the types and dollar amounts of public work~~
7 ~~contracts for which the program is utilized, and (3) the types and dollar amounts of losses which the~~
8 ~~City is required to fund under this program. The HRC shall submit written reports to the Board of~~
9 ~~Supervisors every six months beginning January 1, 2001, advising the Board of the status of this~~
10 ~~program and its funding capacity, and an analysis of whether this program is proving to be useful and~~
11 ~~needed.~~

16 ~~——(b) Each Department authorized to contract for public works or improvements pursuant~~
17 ~~to San Francisco Administrative Code Chapter 6 shall commit to this program up to ten percent (10%),~~
18 ~~but not less than one percent (1%), of the budget for every public work or improvement undertaken. (A~~
19 ~~"public work or improvement" is defined in San Francisco Administrative Code Chapter 6.) This~~
20 ~~subsection is effective for those public works or improvements where the award of the construction~~
21 ~~contract (as defined and regulated by Administrative Code Chapter 6) occurs after July 1, 2001.~~

22 ~~——(c) The Treasurer of the City and County of San Francisco is hereby authorized to~~
23 ~~negotiate a line(s) of credit or any credit enhancement program(s) or financial products(s) with a~~
24 ~~financial institution(s) to provide funding; the program's guaranty pool may serve as collateral for any~~
25 ~~such line of credit.~~

1 ~~—In the event the City desires to provide credit enhancement under this Subsection for a period~~
2 ~~in excess of one fiscal year, the full aggregate amount of the City's obligations under such credit~~
3 ~~enhancement must be placed in a segregated account encumbered solely by the City's obligations under~~
4 ~~such credit enhancement.~~

5 ~~—7.—Term of Bonding Assistance Program. The HRC is authorized to enter into the~~
6 ~~agreements described in this Subsection for a period ending on the earlier of (1) June 30, 2008 or (2)~~
7 ~~the date on which the Controller is no longer able to certify the availability of funds for any new~~
8 ~~guarantee agreement.~~

9 ~~—8.—Default on Guarantees. The Human Rights Commission shall decertify any contractor~~
10 ~~that defaults on a loan or bond for which the City has provided a guarantee on the contractor's behalf.~~
11 ~~However, the Human Rights Commission may in its sole discretion refrain from such decertification~~
12 ~~upon a finding that the City has contributed to such default.~~

13
14 **~~SEC. 12D.A.11. PURCHASING CONTRACTS.~~**

15 ~~—(A)—In addition to the general findings set forth in Section 12D.A.2, and based upon the~~
16 ~~record before this Board, the Board finds that the evidence before the Board relating to the award of~~
17 ~~prime contracts for commodities and general services for fiscal years 1992-93, 1993-94, 1994-95,~~
18 ~~1996-97, 1997-98 and 1998-2003 reflects that MBEs and WBEs continue to be disadvantaged by~~

21 ~~—(B)—Contract awarding authorities shall apply all bid discounts as enumerated in Section~~
22 ~~12D.A.9(A) to all commodities contracts the estimated cost of which exceeds \$2,500 and general~~

13 ~~occurring.~~

14 ~~—(B) Contract awarding authorities and architect/engineering selection panels shall apply all~~
15 ~~bid/rating discounts as enumerated in Section 12D.A.9(A) to all bids and proposals for~~
16 ~~architect/engineering contracts, the estimated cost of which exceeds \$10,000. Where~~
17 ~~Architect/Engineering contracts are formally bid, all consultants selection panels and awarding~~
18 ~~officers shall apply the bid/rating discounts to each stage of the selection process, e.g., qualifications,~~
19 ~~proposals and interviews. Minorities and women shall be included on consultant selection panels.~~

20 ~~—(C) The Director is empowered to take actions to ensure compliance with the provisions of~~
21 ~~this ordinance, including, without limitation, intervening in the selection process, by modifying the~~
22 ~~criteria used for selecting selection panelists or prime architect/engineering contractors to correct any~~
23 ~~contracting practices that hinder equal business opportunities for MBEs and WBEs.~~

1 **~~SEC. 12D.A.13. CONSULTANTS AND PROFESSIONAL SERVICES CONTRACTS.~~**

2 ~~—(A) In addition to the general findings set forth in Section 12D.A.2, and based upon the~~

5 ~~and 1998-2003 reflects that MBEs and WBEs continue to be disadvantaged by discriminatory practices~~
6 ~~when competing for City prime professional service contracts. Further, the Board finds that race-~~
7 ~~neutral measures employed by the City do not prevent such discrimination against MBEs and WBEs~~
8 ~~from occurring.~~

9 ~~—(B) Contract awarding authorities shall apply bid/ratings discounts as enumerated in~~
10 ~~Section 12D.A.9(A) to all bids and proposals as enumerated in Section 12D.A.9(A) to all professional~~

20 **~~SEC. 12D.A.14. BEST EFFORTS REQUIRED FOR OTHER CONTRACTS.~~**

21 ~~—All City departments, commissions, boards, officers and employees, in the performance of~~

7 ~~adopted pursuant to this ordinance or contract provisions pertaining to MBE or WBE participation, the~~
8 ~~Director shall notify the contract awarding authority and shall attempt to resolve the noncompliance~~
9 ~~through conference and conciliation. If the noncompliance cannot be resolved, the Director shall~~

11 ~~The Director's finding shall indicate whether the contractor acted in good faith or whether~~
12 ~~noncompliance was based on willful or bad faith noncompliance with requirements of this ordinance,~~
13 ~~rules and regulations adopted pursuant to this ordinance or contract provisions pertaining to MBE or~~
14 ~~WBE participation. Where the Director finds that the contractor acted in good faith, after affording the~~
15 ~~contractor notice and an opportunity to be heard, the Director shall recommend that the contract~~
16 ~~awarding authority take appropriate action. Where the Director finds willful or bad faith~~
17 ~~noncompliance, after affording the contractor notice and an opportunity to be heard, the Director shall~~
18 ~~impose sanctions for each violation of the ordinance, rules and regulations adopted pursuant to this~~
19 ~~ordinance or contract provisions pertaining to MBE or WBE participation that may include:~~

20 ~~—1. Declaring the bidder or contractor nonresponsive and ineligible to receive the award of~~
21 ~~any pending contract;~~

22 ~~—2. Declaring the bidder or contractor to be an irresponsible bidder and disqualifying the~~
23 ~~bidder or contractor from eligibility for providing goods or services to the City for a period of up to~~
24 ~~five years, with a right of review and reconsideration by the Commission after two years upon a~~
25 ~~showing of corrective action indicating violations are not likely to recur;~~

1 ~~—3. If the bidder or contractor is a MBE, WBE and/or LBE, revoking that business'~~
2 ~~certification as a MBE, WBE and/or LBE;~~

3 ~~—4. Determining that the bidder or contractor has wilfully failed to comply with the~~
4 ~~provisions of this ordinance and, pursuant to the provision in the contract contemplated by Section~~
5 ~~12D.A.9(D)(3) of this ordinance, calculating the liquidated damages for which the bidder or contractor~~
6 ~~shall be liable. Thereafter the Director shall send a written notice to the Controller, the Mayor and all~~
7 ~~contract awarding authorities overseeing any contract with the bidder or contractor, that a~~
8 ~~determination of willful or bad faith compliance has been made and that all payments due the bidder or~~
9 ~~contractor shall be withheld as agreed by the bidder or contractor and the City pursuant to Section~~
10 ~~12D.A.9(D)(3).~~

11 ~~—(C) The bidder or contractor may appeal the Director's decision to the Commission. The~~
12 ~~Commission may sustain, reverse or modify the Director's findings and sanctions imposed or take such~~
13 ~~other action to effectuate the purpose of this ordinance. An appeal by a contractor under this~~
14 ~~subsection shall not stay the Director's findings.~~

15 ~~—(D) The Director may require such reports, information and documentation from~~
16 ~~contractors, subcontractors, bidders, contract awarding authorities, and heads of departments,~~
17 ~~divisions, and offices of the City as are reasonably necessary to determine compliance with the~~
18 ~~requirements of this ordinance.~~

19 ~~—(E) Wilful Noncompliance by Contract Awarding Authority. Whenever the Director finds~~
20 ~~after investigation that a contract awarding authority has willfully failed to comply with its duties~~
21 ~~pursuant to Section 12D.A.9, the Director shall transmit a written finding of noncompliance specifying~~
22 ~~the nature of the noncompliance, to the contract awarding authority, the Commission, the Mayor and~~
23 ~~this Board.~~

24 ~~—The Director shall attempt to resolve any noncompliance through conference and~~
25 ~~conciliation. Should such attempt fail to resolve the noncompliance, the Director shall transmit a copy~~

1 ~~of the finding of noncompliance along with a finding that conciliation was attempted and failed to the~~
2 ~~Commission and this Board.~~

3 ~~—The finding of noncompliance shall be communicated to the Mayor for appropriate action to~~
4 ~~secure compliance pursuant to Section 12D.A.8(2).~~

5 ~~—(F) If the Director has reason to believe that any person has knowingly made, filed, or~~
6 ~~caused to be filed with the City any materially false or misleading statement or report made in~~
7 ~~connection with this ordinance, the Director shall report that information to the City Attorney or the~~
8 ~~District Attorney for appropriate action. The Director shall be empowered to conduct an investigation~~
9 ~~and for each violation of this Subsection 12D.A.16(F), to impose sanctions as set forth in Subsection~~
10 ~~12D.A.16.~~

11
12 **~~SEC. 12D.A.17. SUBCONTRACTOR PARTICIPATION GOALS; SUBCONTRACTING~~**
13 **~~PROGRAM.~~**

14 ~~—(A) The findings set forth in Section 12D.A.2 that relate to MBEs, WBEs are hereby~~
15 ~~incorporated by reference. This Board further finds that requiring prime contractors to demonstrate~~
16 ~~good faith efforts to use MBEs and WBEs as subcontractors on the City's contracts would offset some~~
17 ~~of the disadvantages that such businesses face and would promote competition by requiring prime~~
18 ~~contractors to solicit the participation of MBEs and WBEs that they might not otherwise solicit.~~

19 ~~—(B) For all public works/construction, architect/engineering, professional service, and~~
20 ~~general service contracts which the contract awarding authority reasonably anticipates will include~~
21 ~~subcontractor participation, prior to the solicitation of bids or proposals, the contract awarding~~
22 ~~authority shall provide the Director with a proposed job scope, and may submit written~~
23 ~~recommendations to the Director regarding MBE and WBE subcontractor participation goals to be set~~
24 ~~for the contract.~~

1 ~~—(C) Upon receipt of a proposed job scope and/or a written recommendation from a~~
2 ~~contracting awarding authority pursuant to Section 12D.A.9 (A)(3), the Director shall set the MBE and~~
3 ~~WBE participation goals for each public works/construction, architect/engineering, professional~~
4 ~~services, and general service contract based upon the following factors:~~

5 ~~—1. The extent of subcontracting opportunities presented by the contract;~~

6 ~~—2. The availability of MBE/WBE subcontractors capable of providing goods and services~~
7 ~~on the contract.~~

8 ~~—3. The Director shall set these goals within 10 working days of the date the Director~~
9 ~~receives from a contract awarding authority a proposed job scope and/or written recommendation. If~~
10 ~~the Director fails to act within 10 days, and the contract awarding authority submitted to the Director~~
11 ~~recommended goals, the recommended goals shall be deemed approved by the Director, provided the~~
12 ~~goals are based upon the factors identified above.~~

13 ~~—(D) All solicitations for bidders on prime public works/construction, architect/engineering,~~
14 ~~professional services, and general service contracts shall require each bidder to do the following:~~

15 ~~—1. Demonstrate in its bid that it has used good faith efforts to use MBE and WBE~~
16 ~~subcontractors; and~~

17 ~~—2. Identify the particular MBEs and WBEs subcontractors to be used in performing the~~
18 ~~contract, specifying for each the dollar value of the participation, the type of work to be performed and~~
19 ~~such information as may reasonably be required to determine the responsiveness of the bid.~~

20 ~~—Except as provided in Section 12D.A.17, bids not meeting the requirements of Section~~
21 ~~12D.A.17 shall be declared nonresponsive.~~

22 ~~—(E) A contract awarding authority may request that the Director waive or reduce the MBE~~
23 ~~and WBE subcontractor participation goals on public works/construction, architect/engineering and~~
24 ~~professional services contracts by submitting the reasons therefor in writing to the Director prior to the~~
25 ~~solicitation of bids.~~

1 ~~—(F) A bidder or contractor may request that the Director waive or reduce the amount of~~
2 ~~MBE or WBE subcontractor participation goals on a public works/construction, architect/engineering,~~
3 ~~professional service, and general service contract by submitting in writing with its bid to the contract~~
4 ~~awarding authority the reasons therefor.~~

5 ~~—(G) The Director may grant the request for waiver or reduction made pursuant to Sections~~
6 ~~12D.A.17(E) and (F) upon a determination that:~~

7 ~~—1. The reasonable and necessary requirements of the public works/construction,~~
8 ~~architect/engineering, professional service, and general service contract render subcontracting or the~~
9 ~~participation of businesses other than the public works/bidder unfeasible;~~

10 ~~—2. Qualified MBEs and/or WBEs capable of providing the goods or services required by~~
11 ~~the contract are unavailable, despite the prime contractor's or the department's good faith efforts to~~
12 ~~locate MBEs and WBEs to meet the participation goals; or~~

13 ~~—3. The available MBEs and WBEs have given price quotes that exceed competitive levels~~
14 ~~beyond amounts that can be attributed to cover costs inflated by the present effects of discrimination.~~

15 ~~—(H) Whenever the Director denies a contractor's request to waive or reduce the participation~~
16 ~~goals, the contractor may appeal that denial to the Commission. The Commission's decision on the~~
17 ~~request shall be final. In reviewing the Director's denial of a contractor's request to waive or to reduce~~
18 ~~participation goals, the Commission shall consider the extent of subcontracting opportunities presented~~
19 ~~by the contract and the availability of MBE/WBE subcontractors capable of providing goods and~~
20 ~~services on the contract.~~

21 ~~—The Commission may overrule, sustain or modify the Director's decision by applying the same~~
22 ~~standards that the Director is required to apply, as set forth in Subsection (G) above.~~

23 ~~—(I) The contract awarding authority shall require bidders or proposers on the contracts to~~
24 ~~contact MBEs and WBEs before listing them as subcontractors in the bid or proposal. The contract~~
25 ~~awarding authority shall declare bids or proposals that fail to satisfy this requirement nonresponsive.~~

1 ~~—(J) During the term of the contract, any failure to comply with the level of MBE and WBE~~
2 ~~subcontractor participation specified in the contract shall be deemed a material breach of contract.~~

3
4 **~~SEC. 12D.A.18. REPORTING AND REVIEW.~~**

5 ~~—(A) Reporting by the Director. Commencing November 1, 2003 and no later than the first~~
6 ~~day of every third month thereafter, the Director shall issue a written report to this Board. That report~~
7 ~~shall document each City department's performance under the terms of this ordinance, including,~~
8 ~~among other things, each City department's progress in meeting its MBE/WBE goals and the success of~~
9 ~~each department's prime contractors complying with its best efforts obligations to meet MBE/WBE~~
10 ~~subcontracting goals. That report shall also state whether or not each City department has fully~~
11 ~~reported all data required by this ordinance or requested by HRC or the Controller.~~

12 ~~—1. Whenever the Director's report concludes that a department management's intentional~~
13 ~~disregard or negligent performance of obligations imposed by this ordinance has contributed to that~~
14 ~~department's failure to meet its prime contracting goals or the failure of its prime contractors to use~~
15 ~~their best efforts to meet their subcontracting goals or whenever the Director's report concludes that a~~
16 ~~City department has failed to provide any data required by this ordinance or requested by the HRC or~~
17 ~~the Controller, the Clerk of this Board shall schedule before the appropriate committee of the Board a~~
18 ~~hearing on that report. The Clerk shall also give notice of that hearing to the heads of the departments~~
19 ~~identified in the report and request the attendance of the heads of those departments at the committee~~
20 ~~hearing. The Clerk's notice shall inform the department heads that they must be prepared to respond to~~
21 ~~the Director's finding of intentional disregard and/or negligent performance and to explain what steps~~
22 ~~they intend to take to forestall repetition of the problems, identified in the Directors' report. The same~~
23 ~~procedure shall be followed whenever the Director's report identifies any department as having failed~~
24 ~~to meet its prime or subcontracting goals for three consecutive quarters. If the Director's report~~
25 ~~indicates that a City department has not met its goals for three consecutive quarters, HRC and the City~~

1 ~~department shall institute a targeted program to remedy lack of participation by or in any affected~~
2 ~~ethnic group/gender/industry.~~

3 ~~—2. The Director shall report to the Commission all waivers acted upon pursuant to Section~~
4 ~~12D.A.15. Such report shall be made on a monthly basis following the granting of the waiver.~~

5 ~~—(B) Reporting by the Commission. By July 1st of each fiscal year subject to this ordinance,~~
6 ~~the Commission shall submit an annual report to the Mayor and this Board on the progress of the City~~
7 ~~toward the goals stated in Section 12D.A.3 of this ordinance, together with an identification of~~
8 ~~problems and specific recommendations for: (1) discontinuing the race or gender-conscious bid~~
9 ~~discounts in those cases where the bid discounts have remedied the identified discrimination against~~
10 ~~MBEs and WBEs; and (2) improving the City's performance in remedying the identified discrimination~~
11 ~~against MBEs and WBEs.~~

12 ~~—(C) This Board shall act upon the Commission's recommendations by the first Board meeting~~
13 ~~of January in each fiscal year subject to this ordinance.~~

14 ~~—(D) By the last day of each fiscal year, all contract awarding authorities and City~~
15 ~~departments shall report annually to the Mayor on their progress in the preceding fiscal year toward~~
16 ~~the achievement of the MBE and WBE participation goals.~~

17
18 **~~SEC. 12D.A.19. SEVERABILITY.~~**

19 ~~—The provisions of this ordinance are declared to be separate and severable. The invalidity of~~
20 ~~any clause, sentence, paragraph, subdivision, section or portion of this ordinance, or the invalidity of~~
21 ~~the application thereof to any person or circumstances shall not affect the validity of the remainder of~~
22 ~~this ordinance, or the validity of its application to other persons or circumstances.~~

1 **~~SEC. 12D.A.20. GENERAL WELFARE CLAUSE.~~**

2 ~~—In undertaking the enforcement of this ordinance, the City is assuming an undertaking only to~~
3 ~~promote the general welfare. It is not assuming, nor is it imposing on its officers and employees, an~~
4 ~~obligation for breach of which it is liable in money damages to any person who claims that such breach~~
5 ~~proximately caused injury.~~

6
7 **~~SEC. 12D.A.21. OPERATIVE DATE.~~**

8 ~~—This ordinance shall become operative on July 1, 2003, and shall govern all contracts for~~
9 ~~which a bid or proposal has not been solicited by the operative date.~~

18 *The City, and every commission, department, officer and employee, shall fully and vigorously*
19 *enforce all laws prohibiting discrimination and requiring equal opportunity in City contracting. All*
20 *City contracts require contractors to comply with all such applicable local, state and federal laws.*

1 ~~material breach of contract. The City shall vigorously pursue appropriate remedies for any breach by~~
2 ~~any contractor of such obligations under law or contract to the maximum extent allowed by law.~~

3 ~~Effective immediately upon the passage of this ordinance, all provisions of Administrative Code~~
4 ~~Chapter 12D.A and any other contracting program invalidated by the Superior Court order dated July~~
5 ~~26, 2004, in Coral Construction, Inc. v. City and County of San Francisco (Sup. Ct. No. 421249) shall~~
6 ~~be and are suspended and are of no force and effect; provided, however, the provisions of Chapter~~
7 ~~12D.A and any other contracting program invalidated by the court order shall be suspended only so~~
8 ~~long as, and only to the extent that, the City is enjoined by the court from enforcing the provisions of~~
9 ~~Chapter 12D.A or other similar program. If the injunction is lifted or stayed in its entirety, Chapter~~
10 ~~12D.A and any other contracting program previously invalidated by the court order shall automatically~~
11 ~~become effective and enforceable, and this Chapter 14A shall be suspended for such period of time~~
12 ~~during which Chapter 12D.A is operative.~~

13
14 ***SEC. 14A.02. OPERATIVE DATE; APPLICABILITY.***

15 ~~This ordinance shall become effective and operative immediately upon passage, and shall~~
16 ~~expire on the 61st day following passage unless reenacted as provided by Section 2.107 of the San~~
17 ~~Francisco Charter.~~

18 ~~The provisions of this ordinance are intended to substitute, on a temporary emergency basis,~~
19 ~~only a DBE program for the MBE and WBE programs that the Superior Court invalidated in its order~~
20 ~~of July 26, 2004, in Coral Construction, Inc. v. City and County of San Francisco (Sup. Ct. No.~~
21 ~~421249). When any provision of local law refers to Chapter 12D.A of the Administrative Code or any~~
22 ~~other contracting program enjoined by the court's order of July 26, 2004, it shall be read as referring~~
23 ~~instead to Chapter 14A as set forth in this emergency ordinance.~~

1 ~~This ordinance shall govern all contracts initiated on or after July 26, 2004 and any~~
2 ~~Amendment to a Pre-existing Contract as that term is defined in Section 14A.4 and as those contracts~~
3 ~~are governed by Section 14A.14(k).~~

5 **~~SEC. 14A.03. REENACTING EMERGENCY ORDINANCE.~~**

6 ~~The emergency ordinance enacted by the Board of Supervisors on August 10, 2004, which~~
7 ~~amended the San Francisco Administrative Code by adding Chapter 14A to establish a Disadvantaged~~
8 ~~Business Enterprise Program and suspend Chapter 12D.A; adopted a declaration of emergency; made~~
9 ~~applicable certain emergency contracting procedures; and provided for data collection to ensure~~
10 ~~nondiscrimination in City contracting, is hereby reenacted as provided under Section 2.107 of the San~~
11 ~~Francisco Charter.~~

12 ~~This ordinance shall become effective and operative immediately upon passage, and shall~~
13 ~~expire on the 61st day following passage unless reenacted as provided by Section 2.107 of the San~~
14 ~~Francisco Charter.~~

15
16 **~~SEC. 14A.04. ENACTING CHAPTER 14A AS A NON-EMERGENCY ORDINANCE.~~**

17 ~~(A) This Chapter 14A, which was initially enacted by the Board of Supervisors as an~~
18 ~~emergency ordinance, is hereby enacted as a non-emergency ordinance. Chapter 14A shall apply to (1)~~
19 ~~all contracts in which the Contractor agreed to comply with Chapter 14A and any amendment to those~~
20 ~~contracts and (2) all contracts initiated on or after July 26, 2004 and before September 1, 2006 and~~
21 ~~any amendment to such contracts; provided, however, that if a competitive solicitation for an~~
22 ~~agreement to the proposed changes to the contract is required by law, or the law would otherwise~~
23 ~~require execution of a new contract, rather than an amendment to an existing contract, the provisions~~
24 ~~of Chapter 14B and not Chapter 14A shall apply.~~

1 ~~(B) Any amendment to a contract initiated before July 26, 2004 in which the Contractor~~
2 ~~agreed to comply with Chapter 12D.A shall be governed by Chapter 12D.A; provided, however, that if~~
3 ~~a competitive solicitation for an agreement to the proposed changes to the contract is required by law,~~
4 ~~or the law would otherwise require execution of a new contract, rather than an amendment to an~~
5 ~~existing contract, the provisions of Chapter 14B and not Chapter 12D.A shall apply.~~

6 ~~(C) All contracts initiated on or after September 1, 2006 shall be governed by Chapter 14B.~~

7
8 **~~SEC. 14A.1. SHORT TITLE.~~**

9 ~~This ordinance shall be entitled the "Disadvantaged Business Enterprise Ordinance."~~

10
11 **~~SEC. 14A.2. FINDINGS.~~**

12 ~~1.—The Board finds that San Francisco's small businesses drive our economy and form the~~
13 ~~backbone of our neighborhoods. Small businesses pump hundreds of millions of dollars into San~~
14 ~~Francisco's economy each year. Through payroll taxes alone, small businesses make a significant~~
15 ~~contribution to the economic health of our City and the quality of life of its citizens and visitors.~~

16 ~~2.—Because San Francisco's small businesses experience higher costs, they suffer disadvantage~~
17 ~~in any competition with big and/or out of town businesses. The Board finds that small local businesses~~
18 ~~are at a competitive disadvantage in competing for work on public contracts, both as prime contractors~~
19 ~~and as subcontractors.~~

20 ~~3.—The Board finds that the public has an interest in fostering a strong and vibrant network of~~
21 ~~small businesses in San Francisco. In part, San Francisco can accomplish this goal by ensuring that~~
22 ~~small local businesses can compete for public contracts on a level playing field.~~

23 ~~4.—The Board finds that the disadvantages suffered by small local businesses in competing as~~
24 ~~prime contractors on public contracts can be reduced by discounting their bids and ratings by ten~~
25 ~~percent. Granting a ten percent discount does not unduly burden businesses not eligible for such~~

1 ~~discounts, and is similar to the corrective adjustments given to small local businesses in other~~
2 ~~jurisdictions. The Board also finds that the disadvantages suffered by small local businesses in~~
3 ~~competing for subcontracting opportunities on public contracts can be reduced by requiring prime~~
4 ~~contractors to use good faith efforts to use such businesses as subcontractors. Requiring good faith~~
5 ~~efforts to use small local businesses does not unduly burden prime contractors or businesses not~~
6 ~~eligible for such efforts, and is similar to subcontracting requirements in other jurisdictions.~~

7
8 **~~SEC. 14A.3. SCOPE.~~**

9 ~~The disadvantaged business enterprise ("DBE") bid/ratings discount shall be afforded to~~
10 ~~economically disadvantaged local businesses certified under Section 14A.5 in the award of all City~~
11 ~~contracts subject to exceptions hereinafter specifically enumerated in Sections 14A.12 and 14A.19.~~

12
13 **~~SEC. 14A.4. DEFINITIONS.~~**

14 ~~"Amendment to a Pre-existing Contract" shall mean a substantive change to the terms of any~~
15 ~~contract the term of which has not expired on or before the date that this emergency ordinance takes~~
16 ~~effect, but shall not include amendments to decrease the scope of work or decrease the amount to be~~
17 ~~paid under a contract.~~

18 ~~"Architect/Engineering Contracts" shall mean an agreement for architects, engineers, and other~~
19 ~~outside temporary professional design, consultant or construction management services for a public~~
20 ~~work project.~~

21 ~~"Back contracting" shall mean any agreement or other arrangement between a prime~~
22 ~~contractor and its subcontractor that requires the prime contractor to perform or to secure the~~
23 ~~performance of the subcontract in such a fashion and/or under such terms and conditions that the~~
24 ~~prime contractor enjoys the financial benefits of the subcontract. Such agreements or other~~
25 ~~arrangements include, but are not limited to, situations in which either a prime contractor or~~

1 ~~subcontractor agrees that any term, condition or obligation imposed upon the subcontractor by the~~
2 ~~subcontract shall be performed by or be the responsibility of the prime contractor.~~

3 ~~"Best efforts" when required of contract awarding authority shall mean reasonable efforts to~~
4 ~~include DBEs in City contracting.~~

5 ~~"Bid" shall mean and include a quotation, proposal, solicitation or offer by a bidder or~~
6 ~~contractor to perform or provide labor, materials, equipment, supplies or services to the City and~~
7 ~~County of San Francisco for a price.~~

8 ~~"Bidder" shall mean any business that submits a quotation, bid or proposal to provide labor,~~
9 ~~materials, equipment, supplies or services to the City and County of San Francisco.~~

10 ~~"City" shall mean the City and County of San Francisco.~~

11 ~~"Commercially useful function" shall mean that the business is directly responsible for~~
12 ~~providing the materials, equipment, supplies or services to the City as required by the solicitation or~~
13 ~~request for quotes, bids or proposals. Businesses that engage in the business of providing brokerage,~~
14 ~~referral or temporary employment services shall not be deemed to perform a "commercially useful~~
15 ~~function" unless the brokerage, referral or temporary employment services are those required and~~
16 ~~sought by the City. When the City requires and seeks specialty products made to order for the City or~~
17 ~~otherwise seeks products which, by industry practice, are not regularly stocked in warehouse inventory~~
18 ~~but instead are purchased directly from the manufacturer, the value of the "commercially useful~~
19 ~~function" provided by a supplier or distributor shall be valued at no more than five percent of the cost~~
20 ~~of the product. When the City requires and seeks products which are, by industry practice, stocked in~~
21 ~~warehouse inventory and are in fact, regularly stocked by the listed supplier or distributor, the value of~~
22 ~~the "commercially useful function" provided by the supplier or distributor shall not exceed sixty percent~~
23 ~~of the cost of the product. If the listed supplier or distributor does not regularly stock the required~~
24 ~~product, the value of the "commercially useful function" provided by the supplier or distributor shall be~~
25 ~~valued at no more than five percent of the cost of the product.~~

1 ~~"Commission" shall mean the Human Rights Commission of the City and County of San~~
2 ~~Francisco.~~

3 ~~"Commodity" shall mean products, including materials, equipment and supplies, purchased by~~
4 ~~the City.~~

5 ~~"Concession" shall mean any privilege conferred by the City on a person to engage in business~~
6 ~~on property owned or leased by the City.~~

7 ~~"Contract" shall mean and include any agreement between the City and a person to provide or~~
8 ~~procure labor, materials, equipment, supplies or services to, for or on behalf of the City for a price. A~~
9 ~~"contract" shall include an agreement between the City and a person or nonprofit entity to perform~~
10 ~~construction related services or fund the performance of such services. A "contract" does not include:~~
11 ~~(1) awards made by the City with federal/State grant or City funds to a nonprofit entity where the City~~
12 ~~offers assistance, guidance, or supervision on a project or program and the recipient of the grant~~
13 ~~award uses the grant monies to provide services to the community; (2) sales transactions where the~~
14 ~~City sells its personal or real property; (3) a loan transaction where the City is acting as a debtor or a~~
15 ~~creditor; (4) lease, franchise, or concession agreements; (5) agreements to use City real property; (6)~~
16 ~~gifts of materials, equipment, supplies or services to the City; or (7) agreements with a public agency~~
17 ~~except as provided in Section 14A.8(E).~~

18 ~~"Contract awarding authority" shall mean the City officer, department, commission, employee~~
19 ~~or board authorized to enter into contracts on behalf of the City. In the case of an agreement with a~~
20 ~~person or nonprofit entity to perform or fund the performance of construction related services, the term~~
21 ~~"contract awarding authority" shall mean the person or nonprofit entity receiving funds from the City~~
22 ~~to perform or fund the performance of such services.~~

23 ~~"Contractor" shall mean any person(s), firm, partnership, corporation, or combination thereof,~~
24 ~~who submits a bid or proposal to perform, performs any part of, agrees with a person to provide~~
25 ~~services relating to and/or enters into a contract with department heads and officers or contract~~

1 ~~awarding authorities empowered by law to enter into contracts on the part of the City for public works~~
2 ~~or improvements to be performed, or for goods or services or supplies to be purchased at the expense~~
3 ~~of the City or to be paid out of monies deposited in the treasury or out of trust monies under the control~~
4 ~~of or collected by the City.~~

17 ~~Commission shall:~~

18 ~~— 1. Levy the same sanctions that a contracting awarding authority may levy as specified in~~
19 ~~Section 14A.8(A)(7);~~

20 ~~— 2. When necessary, subpoena persons and records, books and documents for a proceeding~~
21 ~~of the Commission or an investigation by the Director or an audit pursuant to Section 14A.5(E)~~
22 ~~conducted to further the purposes of this ordinance;~~

23 ~~— 3. Adopt rules and regulations establishing standards and procedures for effectively~~
24 ~~carrying out this ordinance;~~

1 ~~—4. Issue forms for the Controller or contract awarding departments to collect information~~
2 ~~from contractors as prescribed by this ordinance;~~

3 ~~—5. Hear appeals challenging: (i) the Director's disqualification of a bidder or Contractor~~
4 ~~as specified in Section 14A.13(B), (ii) the Director's denial of an application for or revocation of the~~
5 ~~certification of a business as a DBE, as specified in Section 14A.5(B), or (iii) the Director's denial of a~~
6 ~~request to waive or to reduce subcontractor participation goals as specified in Section 14A.14(H);~~

7 ~~—6. By regulation require contract awarding authorities, departments and the Controller to~~
8 ~~provide to the Director such information as will be necessary to enable the Director to report to the~~
9 ~~Mayor and the Board of Supervisors at the end of each fiscal year on the progress each City~~
10 ~~department has made towards the achievement of DBE participation goals and to perform his/her other~~
11 ~~duties. The database is a public record available to the public as provided by state and local law;~~

12 ~~—7. Adopt rules and regulations as deemed necessary by the Director to ensure that the joint~~
13 ~~venture bid/ratings discount is applied only to joint ventures where the DBE has sufficient skill,~~
14 ~~experience, and financial capacity to perform the portion of the work identified for the DBE.~~

15 ~~—8. Consistent with the provisions of the ordinance make such other rules and regulations as~~
16 ~~are necessary to guide its implementation.~~

17 ~~(B) In addition to the duties and powers given to the Director elsewhere, the Director shall~~
18 ~~have the following duties and powers:~~

19 ~~—1. Through appropriately promulgated procedures, if any, the Director shall certify~~
20 ~~businesses as a DBE any business that:~~

21 ~~——(a) has average gross annual receipts in the three fiscal years immediately preceding its~~
22 ~~application for certification as a DBE that do not exceed the following limits: (1) public~~
23 ~~works/construction; specialty construction contractors; (2) goods/materials/equipment and general~~
24 ~~services suppliers; (3) professional services and architect/engineering; (4) trucking; and (5)~~
25 ~~telecommunications. Any business under common ownership, in whole or in part, with any other~~

1 ~~business(es) shall meet the requirements of this subparagraph only if the aggregate gross annual~~
2 ~~receipts of all of the businesses under such common ownership do not exceed the limits specified~~
3 ~~herein. All businesses owned by married spouses or domestic partners shall be considered under~~
4 ~~common ownership unless the businesses are in unrelated industries and no community property or~~
5 ~~other jointly owned assets were used to establish or are used to operate either business.~~

6 ~~——(b) is an independent and continuing business for profit;~~

7 ~~——(c) performs a commercially useful function as defined in Section 14A.4;~~

8 ~~——(d) has fixed offices or distribution points, as defined in Section 14A.4, located within the~~
9 ~~geographical boundaries of the City where a commercially useful function is performed. Businesses~~
10 ~~that supply commodities must continuously maintain warehouses stocked with inventory within the~~
11 ~~geographical boundaries of the City. Truckers must park their registered vehicles and trailers within~~
12 ~~the geographical boundaries of the City. Post office box numbers or residential addresses shall not~~
13 ~~suffice to establish a local office;~~

14 ~~——(e) is listed in the Permits and License Tax Paid File with a San Francisco business~~
15 ~~street address;~~

16 ~~——(f) possesses a current Business and Tax Registration Certificate at the time of the~~
17 ~~application for certification as a DBE;~~

18 ~~——(g) has been located and doing business in the City for at least six months preceding its~~
19 ~~application for certification as a DBE;~~

20 ~~——(h) has business cards for the San Francisco office;~~

21 ~~——(i) has business stationary for the San Francisco office;~~

22 ~~——(j) has a written agreement for occupancy of a San Francisco office including~~
23 ~~documentation of payment of monetary rent (receipts and copies of cancelled checks);~~

24 ~~——(k) is a listed business in an appropriate business buyers guide such as a telephone~~
25 ~~yellow pages listing San Francisco based businesses;~~

1 ~~——(l) has a San Francisco office in which business is transacted that is appropriately~~
2 ~~equipped for the type of business for which the enterprise seeks certification as a DBE;~~

3 ~~——(m) has a conspicuously displayed business sign at the San Francisco business premises,~~
4 ~~except where the business operates out of a residence; and~~

5 ~~——(n) has licenses issued to the business owner appropriate for the type of business for~~
6 ~~which the enterprise seeks certification.~~

7 ~~——Notwithstanding the criteria in this subsection, no business that is owned in part or in~~
8 ~~whole by a full time City employee or City officer shall be considered a DBE.~~

9 ~~——2. Because San Francisco Administrative Code 12D.A required a business to meet all of~~
10 ~~the criteria listed in 14A.5(B)1 in order to be certified as a Local Business Enterprise ("LBE") under~~
11 ~~Section 12D.A, and because every business certified as an LBE under Section 12D.A did meet those~~
12 ~~criteria, the prior LBE certification under San Francisco Administrative Code 12D.A shall constitute a~~
13 ~~DBE certification under this ordinance, unless the Director determines that any such business no~~
14 ~~longer meets the criteria set forth for certification in Section 14A.5(B)1. DBE certification under this~~
15 ~~Subsection shall expire on the date that the LBE certification under Section 12D.A would have expired.~~

16 ~~——3. The Director shall deem any application for LBE certification under Section 12D.A that~~
17 ~~is pending on the effective date of this ordinance to be an application for DBE certification under this~~
18 ~~ordinance.~~

19 ~~——4. Except where the Director cannot certify a business because the business has not been~~
20 ~~established in San Francisco for the requisite six months, whenever the Director denies an application~~
21 ~~for or revokes the certification of a business as a DBE because the business is not eligible to be~~
22 ~~certified as a bona fide DBE, the Director shall, within three working days of his/her decision, notify~~
23 ~~the aggrieved business in writing of the basis for revocation or denial of certification and the date on~~
24 ~~which the business will be eligible to reapply for certification. The notice shall be transmitted to the~~
25 ~~business via certified mail or via facsimile. The Director shall require a business to wait at least six~~

1 ~~months but not more than two years after the denial or revocation before reapplying to the Director for~~
2 ~~certification as a DBE. The Director shall provide any business whose certification is revoked an~~
3 ~~opportunity to be heard within three business days of the revocation. A business may appeal the~~
4 ~~Director's denial or revocation of certification of a business as a DBE to the Commission. The appeal~~
5 ~~must be filed with the Commission within three business days following receipt of the Director's~~
6 ~~decision. Notice by the Director to the business of denial or revocation of certification as a DBE shall~~
7 ~~apprise the business of its right to appeal the decision;~~

8 ~~—5. The Director shall have the ultimate responsibility for ensuring that the necessary data~~
9 ~~is collected and analyzed. Annually, and more often if the Director deems necessary, the Director shall~~
10 ~~identify areas of contracting where the City or any of its departments are failing to meet DBE~~
11 ~~participation goals. In addition, the Director shall identify areas of contracting where the City is~~
12 ~~meeting and/or exceeding participation goals to such an extent that the DBE discounts can no longer~~
13 ~~be justified. The results of this study shall be included in the Commission's annual report required by~~
14 ~~Section 14A.15.~~

15 ~~—6. The Director shall work with the Controller and City departments to implement a City-~~
16 ~~wide prompt payment policy requiring that DBEs be paid by the City within 30 days after the date on~~
17 ~~which the City receives an invoice from a DBE for work performed for the City;~~

18 ~~—7. The Director shall provide information and other assistance to DBEs to increase their~~
19 ~~ability to compete effectively for the award of City contracts;~~

20 ~~—8. The Director shall assist the City to increase participation by DBEs in City contracts;~~

21 ~~—9. The Director shall continue to develop and to strengthen education and training~~
22 ~~programs for DBEs and City contract awarding personnel;~~

23 ~~—10. The Director shall grant waivers as set forth in Sections 14A.12 and 14A.14(E) and~~
24 ~~(F), and may disqualify a bidder or contractor as set forth in Section 14A.13(B).~~

1 ~~—(C) The requirements of this ordinance are in addition to those imposed by the United States~~
2 ~~or the State of California as a condition of financial assistance or otherwise. In contracts which involve~~
3 ~~the use of any funds furnished, given or loaned by the government of the United States or the State of~~
4 ~~California, all laws, rules and regulations of the government of the United States or the State of~~
5 ~~California or of any of its departments relative to the performance of such work and the conditions~~
6 ~~under which the work is to be performed, shall prevail over the requirements of this ordinance when~~
7 ~~such laws, rules or regulations are in conflict. In addition, the Director may authorize the substitution~~
8 ~~of such State or federal DBE requirements for the requirements of this ordinance whenever such State~~
9 ~~or federal requirements are substantially the same as those of this ordinance.~~

10 ~~(D) The Director, with the approval of the Commission, may enter into cooperative~~
11 ~~agreements with agencies, public and private, concerned with increasing the use of DBEs in~~
12 ~~government contracting, subject to the approval of this Board.~~

13 ~~(E) The Director, in cooperation with the Controller, shall randomly audit at least three prime~~
14 ~~contractors each fiscal year in order to insure their compliance with the provisions of this ordinance.~~
15 ~~The Director, in cooperation with the Controller, shall furthermore randomly audit 10 percent of the~~
16 ~~joint ventures granted bid discounts in each fiscal year. The Controller shall have the right to audit the~~
17 ~~books and records of the contractors, joint venture participants, and any and all subcontractors to~~
18 ~~insure compliance with the provisions of this ordinance.~~

19 ~~(F) The powers and duties of the Commission and the Director shall be as set forth in this~~
20 ~~ordinance, subject to the power to reorganize functions as provided in Section 4.132 of the San~~
21 ~~Francisco Charter.~~

22 23 **~~SEC. 14A.6. POWERS AND DUTIES OF THE CONTROLLER.~~**

24 ~~(A) In addition to the duties given to the Controller elsewhere, the Controller shall work~~
25 ~~cooperatively with the Director to provide such contractual encumbrance and payment data as the~~

1 ~~Director advises are necessary to monitor the participation of DBEs in City prime contracts. If any~~
2 ~~department refuses or fails to provide the required data to the Controller, the Controller shall~~
3 ~~immediately notify the Mayor, this Board and the Director.~~

4 ~~(B) The Controller shall not certify the award of any contract subject to this ordinance where~~
5 ~~the Director has notified the Controller that the contract awarding authority has not provided the~~
6 ~~information the Director advises is necessary under this ordinance.~~

7 ~~(C) Each request for payment to a City contractor submitted to the contract awarding~~
8 ~~authority shall be accompanied by a subcontractor participation form approved by the Commission.~~
9 ~~That form shall contain information that the Commission has determined is necessary to enable the~~
10 ~~Commission and the Director (1) to monitor compliance by City departments and their prime~~
11 ~~contractors with their obligations under this ordinance, (2) to determine whether City departments are~~
12 ~~achieving their prime and subcontracting goals under this ordinance, and (3) to make such other~~
13 ~~reports and analyses as are required by this ordinance.~~

14 ~~—In the event that a request for payment fails to include the information required pursuant to~~
15 ~~this Section, the contract awarding authority shall, within two working days, notify the Director and the~~
16 ~~affected prime contractor[s] of the failure and afford each affected prime contractor an opportunity to~~
17 ~~be heard promptly. That notice shall inform the contractor that the contract awarding authority has~~
18 ~~tentatively determined that the information has not been provided, what information is missing and that~~
19 ~~if this failure is substantiated, then the Controller will be notified to withhold 20 percent of the~~
20 ~~requested payment until the information is provided. If the Controller finds, after consultation with the~~
21 ~~Director and the notice and opportunity to be heard, that the information has not been provided, the~~
22 ~~Controller shall withhold 20 percent of the payment otherwise due until the information is provided.~~

23 ~~(D) It is the City's policy that DBEs should be paid by the City within 30 days of the date on~~
24 ~~which the City receives an invoice for work performed for the City. The Controller shall work with the~~
25 ~~Director and representatives of City departments to implement this City-wide prompt payment policy.~~

1 ~~(E) The contract awarding authority shall require all prime contractors to submit, within 10~~
2 ~~days following payment to the prime contractor of moneys owed for work completed on a project, an~~
3 ~~affidavit under penalty of perjury, that all subcontractors on the project or job have been paid and the~~
4 ~~amounts of each of those payments. The name, telephone number and business address of every~~
5 ~~subcontractor shall be listed on the affidavit. If a prime contractor fails to submit this affidavit, the~~
6 ~~contract awarding authority shall notify the Director who shall take appropriate action as authorized~~
7 ~~under Section 14A.13(B) and (F).~~

8
9 **~~SEC. 14A.7. POWERS AND DUTIES OF THE MAYOR.~~**

10 ~~In addition to the duties given to the Mayor elsewhere, the Mayor shall:~~

11 ~~—1. By July 1st of each fiscal year, issue notices to all City departments informing them of~~
12 ~~their duties under this ordinance. The notice shall contain the following information: (1) the City-wide~~
13 ~~DBE participation goals that departments are expected to use good faith efforts to attain during the~~
14 ~~fiscal year and that a department's failure to use good faith efforts to attain the DBE participation~~
15 ~~goals shall be reported to this Board in the Commission's annual report; and (2) the data each~~
16 ~~department is required to provide the Controller on each contract award;~~

17 ~~—2. Coordinate and enforce cooperation and compliance by all departments with this~~
18 ~~ordinance.~~

19
20 **~~SEC. 14A.8. POWERS AND DUTIES OF CONTRACT AWARDING AUTHORITIES.~~**

21 ~~(A) Contract awarding authorities shall:~~

22 ~~—1. Use good faith efforts as defined in Section 14A.4 for all contracts subject to the~~
23 ~~bid/ratings discount provisions of this ordinance to solicit and to obtain quotes, bids or proposals from~~
24 ~~DBEs on all solicitations, or document their unavailability;~~

1 ~~—2. Unless otherwise indicated in this ordinance, extend the following bid/rating discount to~~
2 ~~all bids, proposals and contracts from DBEs: (1) five percent to a joint venture with DBE participation~~
3 ~~that equals or exceeds 35 percent but is under 40 percent; or (2) seven and one-half percent to a joint~~
4 ~~venture with DBE participation that equals or exceeds 40 percent; (3) ten percent to a DBE or a joint~~
5 ~~venture among DBEs. Contract awarding authorities shall apply the bid/rating discount to each stage~~
6 ~~of the selection process, including qualifications, proposals and interviews.~~

7 ~~—The contract awarding authority shall apply the aforementioned appropriate bid/ratings~~
8 ~~discount only to a joint venture (1) that meets the requirements contained in this ordinance, and (2)~~
9 ~~when the DBE is an active partner in the joint venture and performs work, manages the job and takes~~
10 ~~financial risks in proportion to the required level of participation stated in the bid documents and is~~
11 ~~responsible for a clearly defined portion of the work to be performed, and shares proportionately in the~~
12 ~~ownership, control, management responsibilities, risks, and profits of the joint venture. The portion of~~
13 ~~the DBE joint venture's work shall be set forth in detail separately from the work to be performed by~~
14 ~~the nonDBE venture partner. The DBE joint venture's portion of the contract must be assigned a~~
15 ~~commercially reasonable dollar value;~~

16 ~~—3. Arrange contracting by size and type of work to be performed so as most effectively to~~
17 ~~enhance the opportunity for participation by DBEs to the maximum extent feasible. As soon as~~
18 ~~practical before soliciting quotes, bids or proposals, all contract awarding authorities or in the case of~~
19 ~~a professional services contract, the department making the contract award recommendation, shall~~
20 ~~submit all large proposals to the Director for review. The purpose of the Director's review is to~~
21 ~~determine whether the proposed project can be divided into smaller projects so as to enhance the~~
22 ~~opportunity for participation by DBEs in the project. For purposes of this subsection, the term "large~~
23 ~~project" shall mean the following: (1) any public works/construction project estimated to cost more~~
24 ~~than \$5,000,000; and (2) any professional services contract estimated to cost more than \$100,000. If~~
25 ~~the Director determines, after consulting with the contract awarding authority or department~~

1 ~~responsible for the project, that the project can be divided into smaller projects, the contract awarding~~
2 ~~authority or department shall comply with the Director's determination and issue the solicitation for~~
3 ~~quotes, bids or proposals in accordance with the Director's determination;~~

4 ~~— 4. Adjust bid bonding and insurance requirements in accordance with the most current~~
5 ~~version of the City's "Contract Insurance Manual" or as otherwise authorized by the City Risk~~
6 ~~Manager, Department of Administrative Services;~~

7 ~~— 5. Use the City's Surety Bonding Program set forth in Section 14A.11 to assist DBEs~~
8 ~~bidding on and performing City public works contracts to meet bonding requirements and/or obtain~~
9 ~~construction loans;~~

10 ~~— 6. Submit to the Office of Contract Administration (OCA) in electronic format or a format~~
11 ~~specified by the OCA all bid opportunities, requests for proposals and solicitations for which published~~
12 ~~notice or advertising is required, no later than 10 calendar days prior to the announcement of the bid~~
13 ~~opportunity, request for proposal or solicitation. A contract awarding authority must obtain a waiver~~
14 ~~from its commission, or in the case of a department that has no commission, from the Board of~~
15 ~~Supervisors, if it cannot meet the requirements of this Section.~~

16 ~~— 7. Impose such sanctions or take such other actions as are designed to ensure compliance~~
17 ~~with the provisions of this ordinance, which shall include, but are not limited to:~~

18 ~~— (a) Refuse to award a contract,~~
19 ~~— (b) Order the suspension of a contract,~~
20 ~~— (c) Order the withholding of funds,~~
21 ~~— (d) Order the revision of a contract based upon a material breach of contract provisions~~
22 ~~pertaining to DBE participation,~~

23 ~~— (e) Disqualify a bidder, contractor, subcontractor, or other business from eligibility for~~
24 ~~providing goods or services to the City for a period not to exceed five years, based on the standards set~~
25 ~~forth in this ordinance and rules and regulations promulgated by the Commission. Any business~~

1 ~~disqualified under this subsection shall have a right to review and reconsideration by the Commission~~
2 ~~after two years upon a showing of corrective action indicating that violations are not likely to recur;~~

3 ~~—8. Not award any contract to a person or business that is disqualified from doing business~~
4 ~~with the City under the provisions of this ordinance;~~

5 ~~—9. Designate a staff person to be responsible for responding to the Director and~~
6 ~~Commission regarding the requirements of this ordinance;~~

7 ~~—10. Maintain accurate records as required by the Director and the Commission for each~~
8 ~~contract awarded, its dollar value, the nature of the goods or services to be provided, the name of the~~
9 ~~contractor awarded the contract, the efforts made by a contractor to solicit bids from and award~~

16 ~~—13. Provide the Director with written notice of all contract amendments, modifications,~~

1 ~~at \$50,000 or more shall be subject to prior approval of the Director, who shall review the proposed~~
2 ~~amendment, modification, supplement or change order to correct contracting practices that exclude~~
3 ~~DBEs from new contracting opportunities.~~

4 ~~(B) Contract awarding authorities or departments may invite, encourage or request businesses~~
5 ~~to joint venture on any contract to promote DBE participation.~~

6 ~~(C) For the purpose of determining DBE participation, contracts awarded to joint ventures in~~
7 ~~which one or more DBEs are combined with one or more businesses that are not DBEs shall be deemed~~
8 ~~by the contract awarding authority to be awarded to DBEs only to the extent of the DBE participation~~
9 ~~in the joint venture. DBE participation in the supply of goods shall be included in determining DBE~~

11 ~~industry practice.~~

12 ~~(D) Contract awarding authorities shall ensure that all contracts subject to this ordinance~~
13 ~~include the following requirements, in addition to such other requirements as may be set forth~~
14 ~~elsewhere:~~

15 ~~—1. Each bidder, proposer and contractor shall be required to sign an affidavit, declaring~~

17 ~~and attesting to the truth and accuracy of all information provided regarding such compliance;~~

24 ~~to DBE participation, the bidder, subcontractor or contractor shall be liable for liquidated damages for~~
25 ~~each contract in an amount equal to the bidder's or contractor's net profit on the contract, 10 percent~~

1 ~~of the total amount of the contract or \$1,000, whichever is greatest, as determined by the Director~~
2 ~~pursuant to Section 14A.13(C). All contracts shall also contain a provision in which the bidder,~~

14 ~~breach of contract or liquidated damages equal to 5% of the subcontract amount, whichever is greater,~~
15 ~~if the prime contractor fails to comply with its commitment to use the DBE subcontractor as specified in~~
16 ~~the bid/proposal unless the Commission and the contract awarding authority both give advance~~
17 ~~approval to the prime contractor to substitute subcontractors or otherwise modify the commitments in~~
18 ~~the bid/proposal documents. Contracts shall also require prime contractors to compensate any DBE~~
19 ~~subcontractor for breach of contract or liquidated damages equal to 5% of the subcontract amount,~~
20 ~~whichever is greater, if the prime contractor does not fulfill its commitment to use the DBE~~
21 ~~subcontractor as specified in the bid/proposal unless the Commission and the contract awarding~~
22 ~~authority both give advance approval to the prime contractor to substitute subcontractors or otherwise~~
23 ~~modify the commitments in the bid/proposal documents. This provision shall also state that it is~~
24 ~~enforceable in a court of competent jurisdiction;~~
25

1 ~~—7.— Contracts shall require prime contractors, whenever amendments, modifications,~~
2 ~~supplements, or change orders cumulatively increase the total dollar value of a construction contract~~

6 ~~contract amendments, modifications, supplements, and change orders that cumulatively increase by~~
7 ~~more than 20 percent the total dollar value of all contracts originally valued at \$50,000 or more. The~~
8 ~~Director shall review the proposed amendment, modification, supplement or change order to correct~~
9 ~~any contracting practices that exclude women and minorities from new contracting opportunities;~~

10 ~~—9.— Contracts in which subcontracting is used shall prohibit back contracting to the prime~~
11 ~~contractor or lower tier subcontracting for any purpose inconsistent with the provisions of this~~
12 ~~ordinance, rules and regulations adopted pursuant to this ordinance, or contract provisions pertaining~~
13 ~~to DBE utilization;~~

14 ~~—10.— Contracts in which subcontracting is used shall require the prime contractor to pay its~~
15 ~~subcontractors within three working days after receiving payment from the City unless the prime~~
16 ~~contractor notifies the Director in writing within 10 working days prior to receiving payment from the~~
17 ~~City that there is a bona fide dispute between the prime contractor and the subcontractor, in which~~
18 ~~case the prime contractor may withhold the disputed amount but shall pay the undisputed amount. The~~
19 ~~Director may, upon making a determination that a bona fide dispute exists between the prime~~
20 ~~contractor and subcontractor, waive this three day payment requirement. In making the determination~~
21 ~~as to whether a bona fide dispute exists, the Director shall not consider the merits of the dispute.~~
22 ~~Contracts in which subcontracting is used shall also require the contractor/consultant, within 10~~
23 ~~working days following receipt of payment from the City, to file an affidavit, under penalty of perjury,~~

21 ~~Such information shall be posted with sufficient lead time to provide adequate notice and opportunity to~~
22 ~~potential City contractors and vendors to participate in the bid opportunity, request for proposals or~~
23 ~~solicitation, but in no event less than 10 calendar days prior to the due date for such bid opportunity,~~
24 ~~request for proposals or solicitation.~~

22 ~~best efforts to use the services of DBEs.~~

23 ~~(C) The Director is empowered to take actions to ensure compliance with the provisions of this~~

4 **~~SEC. 14A.11. BONDING AND FINANCIAL ASSISTANCE PROGRAM.~~**

5 ~~1.—Program Description. The City and County of San Francisco, acting through its Human~~
6 ~~Rights Commission ("HRC"), intends to provide guarantees to private bonding companies and~~
7 ~~financial institutions in order to induce those entities to provide required bonding and financing to~~
8 ~~eligible contractors and subcontractors bidding on and performing City public work contracts. This~~
9 ~~bonding and financial assistance program is subject to the provisions of this Section 14A.11.~~

10 ~~2.—Eligible Contracts. The assistance described in this Section 14A.11 shall be available for~~
11 ~~any City public works or construction contract to which this ordinance applies.~~

12 ~~3.—Eligible Businesses. Businesses must meet the following criteria to qualify for assistance~~
13 ~~under this Section 14A.11:~~

14 ~~—(a) The business may be either a prime contractor or subcontractor; and~~

15 ~~—(b) The business must be certified by the HRC as DBE according to the requirements of~~
16 ~~Section 14A5(B).~~

17 ~~—(c) The business may be required to participate in a "bonding assistance training~~
18 ~~program" as offered by the HRC, which is anticipated to provide the following:~~

19 ~~—(i) Bond application assistance,~~

20 ~~—(ii) Assistance in developing financial statements,~~

21 ~~—(iii) Assistance in development of a pre-bond surety profile,~~

22 ~~—(iv) Identification of internal financial control systems,~~

23 ~~—(v) Development of accurate financial reporting tools, and~~

1 ~~4.—Agreements Executed by the Human Rights Commission. The HRC is hereby authorized to~~
2 ~~enter into the following agreements in order to implement the bonding and financial assistance~~
3 ~~program described in this Subsection 14A.11:~~

7 ~~agreement to guaranty up to 50 percent of the original principal amount of the construction loan or 50~~
8 ~~percent of the actual loss suffered by the financial institution as a result of a loan default, whichever is~~
9 ~~less; provided that in any event the City's obligations with respect to a guaranty shall not exceed~~
10 ~~\$750,000;~~

11 ~~—(c) Any other documents deemed necessary by the HRC to carry out the objectives of this~~
12 ~~program, provided that such documents shall be subject to review and approval by the City Attorney's~~
13 ~~Office.~~

14 ~~5.—Monitoring and Enforcement. The HRC shall maintain records on the use and effectiveness~~
15 ~~of this program, including but not limited to (1) the identities of the businesses and bonding companies~~
16 ~~participating in this program, (2) the types and dollar amounts of public work contracts for which the~~
17 ~~program is utilized, and (3) the types and dollar amounts of losses which the City is required to fund~~
18 ~~under this program. The HRC shall submit written reports to the Board of Supervisors every six months~~
19 ~~beginning January 1, 2005, advising the Board of the status of this program and its funding capacity,~~
20 ~~and an analysis of whether this program is proving to be useful and needed.~~

21 ~~6.—Funding and Accounts. Funding for this program may be derived from the following~~

24 ~~of this program.~~

1 ~~—(b) Each Department authorized to contract for public works or improvements pursuant to~~
2 ~~San Francisco Administrative Code Chapter 6 may commit to this program up to ten percent (10%);~~
3 ~~but not less than one percent (1%), of the budget for every public work or improvement undertaken. (A~~
4 ~~"public work or improvement" is defined in San Francisco Administrative Code Chapter 6.) This~~
5 ~~subsection is effective for those public works or improvements where the award of the construction~~
6 ~~contract (as defined and regulated by Administrative Code Chapter 6) occurs after August 10, 2004.~~

7 ~~—(c) The Treasurer of the City and County of San Francisco is hereby authorized to~~
8 ~~negotiate a line(s) of credit or any credit enhancement program(s) or financial products(s) with a~~
9 ~~financial institution(s) to provide funding; the program's guaranty pool may serve as collateral for any~~
10 ~~such line of credit.~~

11 ~~—In the event the City desires to provide credit enhancement under this Subsection for a~~
12 ~~period in excess of one fiscal year, the full aggregate amount of the City's obligations under such credit~~
13 ~~enhancement must be placed in a segregated account encumbered solely by the City's obligations under~~
14 ~~such credit enhancement.~~

15 ~~7.—Term of Bonding Assistance Program. The HRC is authorized to enter into the agreements~~
16 ~~described in this Section for so long as the Controller is able to certify the availability of funds for any~~
17 ~~new guarantee agreement.~~

18 ~~8.—Default on Guarantees. The Human Rights Commission shall decertify any contractor that~~
19 ~~defaults on a loan or bond for which the City has provided a guarantee on the contractor's behalf.~~
20 ~~However, the Human Rights Commission may in its sole discretion refrain from such decertification~~
21 ~~upon a finding that the City has contributed to such default.~~

22 23 **~~SEC. 14A.12. EXCEPTIONS AND WAIVERS.~~**

24 ~~(A) The Director shall waive the DBE bid/ratings discounts and good faith efforts~~
25 ~~requirements of this ordinance under the following circumstances:~~

1 ~~—1. Whenever the Director finds, with the advice of the contract awarding authority and the~~
2 ~~Office of Contract Administration, that needed goods or services are available from a sole source that~~
3 ~~is not currently disqualified from doing business with the City.~~

4 ~~—2. If the contract awarding authority certifies in writing to the Director, prior to the~~
5 ~~Controller's contract certification, that (a) the contract is being awarded under emergency~~
6 ~~circumstances as described and defined in Administrative Code Section 6.60 or Administrative Code~~
7 ~~Section 21.15 and (b) (i) there is no time to apply bid/ratings discounts or establish subcontracting~~
8 ~~goals, or (ii) there are no immediately available DBEs that are capable of performing the emergency~~
9 ~~work.~~

10 ~~(B) The Director shall waive the DBE bid/rating discount for contracts in excess of \$5,000,000~~
11 ~~whenever a contract awarding authority establishes that:~~

12 ~~—1. Sufficient qualified DBEs capable of providing the needed goods and services required~~
13 ~~by the contract are unavailable and sufficient qualified businesses located outside San Francisco~~
14 ~~capable of providing the needed goods and services required by the contract are available; or~~

15 ~~—2. The application of the DBE discount will result in significant additional costs to the City~~
16 ~~if the waiver of the bid discount is not granted.~~

17 ~~(C) The bid/ratings discount provisions of this ordinance are not applicable to any contract~~
18 ~~estimated by the contract awarding authority to cost in excess of \$10,000,000.~~

19
20 **~~SEC. 14A.13. MONITORING AND COMPLIANCE.~~**

21 ~~(A) The Director shall monitor the City's utilization of DBEs in City Contracting. The Director~~
22 ~~shall issue an exit report for any contract that includes DBE subcontracting participation or DBE~~
23 ~~prime contract participation as a joint venture partner. The purpose of this exit report is to ensure that~~
24 ~~prime contractors are complying with their commitments to use DBE subcontractors and DBEs are~~
25 ~~performing services as set forth in the bid/proposal and contract documents for the joint ventures.~~

1 ~~(B) Noncompliance By Contractors. In cases in which the Director has cause to believe that a~~
2 ~~contractor has failed to comply with any of the requirements of this ordinance, rules and regulations~~
3 ~~adopted pursuant to this ordinance or contract provisions pertaining to DBE participation, the~~
4 ~~Director shall notify the contract awarding authority and shall attempt to resolve the noncompliance~~
5 ~~through conference and conciliation. If the noncompliance cannot be resolved, the Director shall~~
6 ~~conduct an investigation and, where the Director so finds, issue a written finding of noncompliance.~~
7 ~~The Director's finding shall indicate whether the contractor acted in good faith or whether~~
8 ~~noncompliance was based on willful or bad faith noncompliance with requirements of this ordinance,~~
9 ~~rules and regulations adopted pursuant to this ordinance or contract provisions pertaining to DBE~~
10 ~~participation. Where the Director finds that the contractor acted in good faith, after affording the~~
11 ~~contractor notice and an opportunity to be heard, the Director shall recommend that the contract~~
12 ~~awarding authority take appropriate action. Where the Director finds willful or bad faith~~
13 ~~noncompliance, after affording the contractor notice and an opportunity to be heard, the Director shall~~
14 ~~impose sanctions for each violation of the ordinance, rules and regulations adopted pursuant to this~~
15 ~~ordinance or contract provisions pertaining to DBE participation that may include:~~

16 ~~—1. Declaring the bidder or contractor nonresponsive and ineligible to receive the award of~~
17 ~~any pending contract;~~

18 ~~—2. Declaring the bidder or contractor to be an irresponsible bidder and disqualifying the~~
19 ~~bidder or contractor from eligibility for providing goods or services to the City for a period of up to~~
20 ~~five years, with a right of review and reconsideration by the Commission after two years upon a~~
21 ~~showing of corrective action indicating violations are not likely to recur;~~

22 ~~—3. If the bidder or contractor is a DBE, revoking that business' certification as a DBE;~~

23 ~~—4. Determining that the bidder or contractor has wilfully failed to comply with the~~
24 ~~provisions of this ordinance and, pursuant to the provision in the contract required by Section~~
25 ~~14A.8(B)(3) of this ordinance, calculating the liquidated damages for which the bidder or contractor~~

1 ~~shall be liable. Thereafter the Director shall send a written notice to the Controller, the Mayor and all~~
2 ~~contract awarding authorities overseeing any contract with the bidder or contractor, that a~~
3 ~~determination of willful or bad faith compliance has been made and that all payments due the bidder or~~
4 ~~contractor shall be withheld as agreed by the bidder or contractor and the City pursuant to Section~~
5 ~~14A.8(B)(3).~~

6 ~~(C) The bidder or contractor may appeal the Director's decision to the Commission. The~~
7 ~~Commission may sustain, reverse or modify the Director's findings and sanctions imposed or take such~~
8 ~~other action to effectuate the purpose of this ordinance. An appeal by a contractor under this~~
9 ~~subsection shall not stay the Director's findings.~~

10 ~~(D) The Director may require such reports, information and documentation from contractors,~~
11 ~~subcontractors, bidders, contract awarding authorities, and heads of departments, divisions, and~~
12 ~~offices of the City as are reasonably necessary to determine compliance with the requirements of this~~
13 ~~ordinance.~~

14 ~~(E) Wilful Noncompliance by Contract Awarding Authority. Whenever the Director finds after~~
15 ~~investigation that a contract awarding authority has willfully failed to comply with its duties pursuant~~
16 ~~to Section 14A.8, the Director shall transmit a written finding of noncompliance specifying the nature~~
17 ~~of the noncompliance, to the contract awarding authority, the Commission, the Mayor and this Board.~~

18 ~~—The Director shall attempt to resolve any noncompliance through conference and~~
19 ~~conciliation. Should such attempt fail to resolve the noncompliance, the Director shall transmit a copy~~
20 ~~of the finding of noncompliance along with a finding that conciliation was attempted and failed to the~~
21 ~~Commission and this Board.~~

22 ~~—The finding of noncompliance shall be communicated to the Mayor for appropriate action to~~
23 ~~secure compliance pursuant to Section 14A.7.~~

24 ~~(F) If the Director has reason to believe that any person has knowingly made, filed, or caused~~
25 ~~to be filed with the City any materially false or misleading statement or report made in connection with~~

1 ~~this ordinance, the Director shall report that information to the City Attorney or the District Attorney~~
2 ~~for appropriate action. The Director shall be empowered to conduct an investigation and for each~~
3 ~~violation of this Subsection 14A.13(F), to impose sanctions as set forth in Subsection 14A.13.~~

4
5 ***SEC. 14A.14. SUBCONTRACTING PROGRAM.***

6 ~~(A) For all public works/construction, architect/engineering, professional service, and general~~
7 ~~service contracts which the contract awarding authority reasonably anticipates will include~~
8 ~~subcontractor participation, prior to the solicitation of bids or proposals, the contract awarding~~
9 ~~authority shall provide the Director with a proposed job scope, and may submit written~~
10 ~~recommendations to the Director regarding DBE subcontractor participation goals to be set for the~~
11 ~~contract.~~

12 ~~(B) Upon receipt of a proposed job scope and/or a written recommendation from a contracting~~
13 ~~awarding authority pursuant to Section 14A.13(A), the Director shall set the DBE participation goals~~
14 ~~for each public works/construction, architect/engineering, professional service, and general service~~
15 ~~contract based upon the following factors:~~

16 ~~—1. The extent of subcontracting opportunities presented by the contract;~~

17 ~~—2. The availability of DBE subcontractors capable of providing goods and services on the~~
18 ~~contract.~~

19 ~~(C) The Director shall set these goals within 10 working days of the date the Director receives~~
20 ~~from a contract awarding authority a proposed job scope and/or written recommendation. If the~~
21 ~~Director fails to act within 10 days, and the contract awarding authority submitted to the Director~~
22 ~~recommended goals, the recommended goals shall be deemed approved by the Director, provided the~~
23 ~~goals are based upon the factors identified above.~~

24 ~~(D) All solicitations for bidders on prime public works/construction, architect/engineering,~~
25 ~~professional service, and general service contracts shall require each bidder to do the following:~~

1 ~~—1. Demonstrate in its bid that it has used good faith efforts (as defined in Section 14A.4) to~~
2 ~~use DBE subcontractors; and~~

3 ~~—2. Identify the particular DBEs subcontractors to be used in performing the contract,~~
4 ~~specifying for each the dollar value of the participation, the type of work to be performed and such~~
5 ~~information as may reasonably be required to determine the responsiveness of the bid.~~

6 ~~—Except as provided in Section 14A.14, bids not meeting the requirements of Section 14A.14~~
7 ~~shall be declared nonresponsive.~~

8 ~~(E) A contract awarding authority may request that the Director waive or reduce the DBE~~
9 ~~subcontractor participation goals by submitting the reasons therefor in writing to the Director prior to~~
10 ~~the solicitation of bids.~~

11 ~~(F) A bidder or contractor may request that the Director waive or reduce the DBE~~
12 ~~subcontractor participation goals by submitting in writing with its bid to the contract awarding~~
13 ~~authority the reasons therefor.~~

14 ~~(G) The Director may grant the request for waiver or reduction made pursuant to Sections~~
15 ~~14A.14(E) and (F) upon a determination that:~~

16 ~~—1. The reasonable and necessary requirements of the contract render subcontracting or the~~
17 ~~participation of businesses other than the public works/bidder unfeasible;~~

18 ~~—2. Qualified DBEs capable of providing the goods or services required by the contract are~~
19 ~~unavailable, despite the prime contractor's or the department's good faith efforts to locate DBEs to~~
20 ~~meet the participation goals; or~~

21 ~~—3. The available DBEs have given price quotes that exceed competitive levels beyond~~
22 ~~amounts that can be attributed to the increased costs faced by small local businesses.~~

23 ~~(H) Whenever the Director denies a contractor's request to waive or reduce the participation~~
24 ~~goals, the contractor may appeal that denial to the Commission. The Commission's decision on the~~
25 ~~request shall be final. In reviewing the Director's denial of a contractor's request to waive or to reduce~~

1 ~~participation goals, the Commission shall consider the extent of subcontracting opportunities presented~~
2 ~~by the contract and the availability of DBE subcontractors capable of providing goods and services on~~
3 ~~the contract. The Commission may overrule, sustain or modify the Director's decision by applying the~~
4 ~~same standards that the Director is required to apply, as set forth in Subsection (G) above.~~

5 ~~(I) The contract awarding authority shall require bidders or proposers on the contracts to~~
6 ~~contact DBEs before listing them as subcontractors in the bid or proposal. The contract awarding~~
7 ~~authority shall declare bids or proposals that fail to satisfy this requirement nonresponsive.~~

8 ~~(J) During the term of the contract, any failure to comply with the level of DBE subcontractor~~
9 ~~participation specified in the contract shall be deemed a material breach of contract.~~

10 ~~(K) The provisions of this subsection (K) shall govern any Amendment to a Pre-existing~~
11 ~~contract as that term is defined in Section 14A.4 for types of contracts enumerated in subsection (A) of~~
12 ~~this Section. The Contract Awarding authority shall notify the Director of the proposed Amendment to~~
13 ~~a Pre-existing Contract and the Director shall set the DBE participation goals for the contract based~~
14 ~~on the factors set forth in subsection (B) of this Section. The Director may grant a request for a waiver~~
15 ~~or reduction based on the factors set forth in subsection (G) of this Section. The DBE participation~~
16 ~~goals shall apply when the Contractor hires new subcontractors. The Director or the Commission may~~
17 ~~adopt regulations governing the application of DBE participation goals under this subsection.~~

18 19 ***SEC. 14A.15. REPORTING AND REVIEW.***

20 ~~(A) Reporting by the Director. Commencing October 1, 2004 and no later than the first day of~~
21 ~~every third month thereafter, the Director shall issue a written report to this Board. That report shall~~
22 ~~document each City department's performance under the terms of this ordinance, including, among~~
23 ~~other things, each City department's progress in meeting its DBE goals and the success of each~~
24 ~~department's prime contractors complying with its best efforts obligations to meet DBE subcontracting~~
25

1 goals. That report shall also state whether or not each City department has fully reported all data

25

1 **~~SEC. 84.1. FINDINGS.~~**

2 ~~The Board of Supervisors hereby finds and declares:~~

3 ~~(a) Congress enacted the Quality Housing and Work Responsibility Act of 1998 ("QHWRA,"~~
4 ~~Public Law 105-276) amending Section 214 of the Housing and Community Development Act of 1980~~
5 ~~(Public Law 96-399) and amending Section 576 of the Illegal Immigration Reform and Immigrant~~
6 ~~Responsibility Act of 1996 (Division C of Public Law 104-208). These amendments require recipients~~
7 ~~of identified housing subsidies to affirmatively verify their immigration status. (42 U.S. § 1436a.)~~

8 ~~(b) These changes in federal legislation are likely to result in disruption or loss of housing for~~
9 ~~some City residents, particularly some San Francisco Housing Authority residents. It is in the City's~~
10 ~~interest to minimize the homelessness and disruption to individuals and families resulting from this~~
11 ~~change in federal law.~~

12 ~~(c) The City and County of San Francisco wishes to provide humanitarian assistance through~~
13 ~~residential rent subsidies to San Francisco residents whose federal rent subsidy has been reduced or~~
14 ~~revoked due to failure to meet federal immigration status verification and related requirements under~~
15 ~~QHWRA, including tenants in San Francisco Housing Authority units or Section 8 units ("Section 8" of~~
16 ~~the United States Housing Act of 1937, 42 U.S.C. 1437(f).~~

17 ~~(d) This is a pilot program with the primary goal of preserving households in low-income~~
18 ~~federally subsidized housing. This legislation will focus on San Francisco Housing Authority tenants~~
19 ~~and San Francisco Housing Authority-based Section 8 tenants, and may be later extended to other~~
20 ~~federally subsidized tenants. To maximize the use of limited funding, the program will pay a maximum~~
21 ~~of 60% of the increased tenant payment for one year, and program recipients must pay the remainder~~
22 ~~of the increased tenant payment. The subsidy will be reduced annually after the first year to 40%, then~~
23 ~~to 20%, and then to zero, respectively. Program recipients who are actively pursuing adjustment of~~
24 ~~their immigration status can continue to receive a 20% subsidy, for three years subject to available~~
25 ~~funding.~~

1 ~~(e) This pilot program will also provide two mini-grants of \$5,000 each, to be made available~~
2 ~~by the Program Administrator to culturally and linguistically competent community-based~~
3 ~~organizations, to provide immediate outreach to San Francisco Housing Authority tenants regarding~~
4 ~~QHWRA and this program, to provide referrals to individuals and families for assistance with~~
5 ~~adjustment of immigration status, and to provide information to the San Francisco Housing Authority~~
6 ~~about the numbers of affected individuals and families.~~

7 ~~(f) The Board of Supervisors also wishes to reaffirm that the City and County of San Francisco~~
8 ~~is a City and County of Refuge. This humanitarian assistance shall therefore be administered consistent~~
9 ~~with the provisions of San Francisco Administrative Code Chapter 12H "Im-migration Status."~~

16 ~~(a) Purpose. The purpose of this legislation is to preserve households in low-income federally~~
17 ~~subsidized housing by providing residential rent assistance to tenants in San Francisco Housing~~
18 ~~Authority units and Section 8 units whose federal residential rent subsidy has been reduced or revoked~~
19 ~~due to the tenants' failure to meet the immigration status verification requirements or related~~
20 ~~requirements of QHWRA.~~

21 ~~(b) Eligible Persons. In order to be eligible to receive funds from the Program, the person~~
22 ~~must be a tenant in a San Francisco residential rental unit subsidized by a federal rent subsidy~~
23 ~~program, such as a San Francisco Housing Authority unit or a Section 8 unit, whose subsidy has been~~
24 ~~reduced or revoked because of the person's failure to meet the immigration status verification~~
25 ~~requirements or related requirements of QHWRA.~~

1 ~~(c) Limits on QHWRA Disqualification Rent Assistance. Program rent assistance funds shall~~
2 ~~only be used to partially supplant a federal residential rent subsidy provided to an eligible person prior~~
3 ~~to his or her QHWRA disqualification for housing in the City and County of San Francisco.~~

7 ~~— (2) The Fund Administrator shall promulgate rules and regulations to implement and~~
8 ~~administer this Program, including provision for the following:~~

9 ~~— (A) An individual may apply to the Program by submitting evidence to the Fund~~
10 ~~Administrator demonstrating the eligibility criteria set forth above. A parent or guardian or other~~
11 ~~appropriate person, as determined by the Fund Administrator, may apply on behalf of a minor child.~~

12 ~~— (B) An application must clearly state the amount of funding the applicant is requesting.~~

13 ~~— (C) Subject to available Program funds, rent assistance received by an eligible person~~
14 ~~will not initially fall below 60% of that individual's increased tenant payment at the time of~~
15 ~~disqualification (see Section 84.2(c)(1)), provided that the individual meets all of the eligibility~~
16 ~~requirements for the federal rent subsidy except for the QHWRA disqualification. If the individual's~~
17 ~~eligibility changes, the Program subsidy may be adjusted accordingly. The subsidy will be reduced~~
18 ~~annually after the first year to 40%, then to 20%, and then to zero, respectively. Program recipients~~
19 ~~who are actively pursuing adjustment of their immigration status can continue to receive a 20% subsidy~~
20 ~~for three years, subject to available funding.~~

2 ~~with San Francisco Administrative Code Chapter 91 "Equal Access to Services."~~

3 ~~—(4) The Fund Administrator may contract out some or all of the program administration to~~
4 ~~another governmental agency and/or a community service organization serving immigrants, consistent~~
5 ~~with other applicable City contracting requirements.~~

7 ~~culturally and linguistically competent community-based organizations to provide immediate outreach~~
8 ~~to San Francisco Housing Authority tenants regarding QHWRA and this program, to provide referrals~~
9 ~~to individuals and families for assistance with adjustment of immigration status, and to provide~~
10 ~~information to the San Francisco Housing Authority about the numbers of affected individuals and~~
11 ~~families.~~

12 ~~(e) Cooperation by the San Francisco Housing Authority. The Board of Supervisors strongly~~
13 ~~uses the San Francisco Housing Authority (SFHA) to fully advise all potentially eligible persons about~~
14 ~~the Program. The Board further strongly urges the SFHA to provide applicants with all necessary~~
15 ~~SFHA documentation for submission of an application to the Program. In addition, the Board strongly~~
16 ~~urges SFHA to track the total number of households affected by QHWRA disqualification, whether or~~
17 ~~not any member of such household applies for or is granted assistance under this Program, in order to~~
18 ~~more comprehensively measure the impact of QHWRA disqualification on the San Francisco~~
19 ~~community.~~

20
21 **~~SEC. 84.3. FUNDING PROCEDURE.~~**

22 ~~(a) Funding for the QHWRA Disqualification Rent Assistance Program shall come from the~~
23 ~~City's General Fund.~~

3 ~~No. 011041.~~

4 ~~(c) For each year following the first full fiscal year of this Program's operation the Fund~~
5 ~~Administrator shall report to the Finance Committee of the Board of Supervisors (or its successor~~
6 ~~Committee) on the administration of the Fund, and shall recommend a level of funding for the following~~
7 ~~fiscal year that is sufficient to meet projected need. The Finance Committee shall recommend a~~
8 ~~Program funding level to the full Board of Supervisors for each year following the first fiscal year of~~
9 ~~the Program's operation, after receipt and consideration of the Fund Administrator's annual report and~~
10 ~~recommendation.~~

11 ~~(d) Appropriated funds that are not expended by the Program during a fiscal year shall be~~
12 ~~applied toward meeting the funding level approved for the Program for the following fiscal year.~~

13 ~~(e) Funding disbursements shall be made available to eligible persons as determined by the~~
14 ~~Fund Administrator, upon the effective date of this legislation.~~

15
16 **~~SEC. 84.4. GENERAL WELFARE.~~**

17 ~~In undertaking this QHWRA Disqualification Rent Assistance Program the City and County of~~
18 ~~San Francisco is assuming an undertaking only to promote the general welfare. It is not assuming, nor~~
19 ~~is it imposing on its officers and employees, an obligation for breach of which it is liable in money~~
20 ~~damages to any person who claims that such breach proximately caused injury.~~

21
22 **~~SEC. 84.5. SEVERABILITY.~~**

23 ~~If any section, subsection, subdivision, paragraph, sentence, clause or phrase of this Chapter 84~~
24 ~~or any part thereof is, for any reason, held to be unconstitutional or invalid or ineffective by any court~~

12 ~~The Entertainment Commission may submit to the Board of Supervisors the report mandated by~~

15 ~~of Supervisors; and provided further that all parts of the report are submitted to the Board of~~
16 ~~Supervisors by no later than July 1, 2010.~~

17 ~~Nothing in this section is intended or shall be construed to interfere with or override Section~~
18 ~~4.105 of the Charter or any other Charter provision. Nothing in this section is intended or shall be~~

1 **CHAPTER 92:**

2 **REAL ESTATE LOAN COUNSELING AND EDUCATION**

3 **SEC. 92.1. FINDINGS AND PURPOSE.**

4 ~~This Board makes the following findings:~~

5 ~~—1. Many San Franciscans, particularly poor, elderly, and minority residents, have~~
6 ~~expressed concern and apprehension regarding home lenders who aggressively market high-cost home~~
7 ~~loans in their neighborhoods and who may engage in unfair or fraudulent credit practices with the~~
8 ~~potential to destroy financial resources based on home equity.~~

9 ~~—2. The HUD-Treasury Task Force on Predatory Lending, in its report entitled "Curbing~~
10 ~~Predatory Home Mortgage Lending" (the "HUD/Treasury report"), has documented and analyzed the~~
11 ~~problem of predatory lending in home mortgage lending. The HUD/Treasury report identified the four~~
12 ~~major predatory practices occurring in the sub-prime lending market as "loan flipping" (successive~~
13 ~~refinancing with added fees and prepayment penalties), "packing" (unjustifiably high fees and hidden~~
14 ~~fees), "asset based lending" (lending without regard for the borrower's ability to pay) and outright~~
15 ~~fraud and abuse. The burden of these practices fall predominantly on minorities, women and the elderly~~
16 ~~in minority or low-income neighborhoods without access to mainstream sources of credit.~~

17 ~~—3. The HUD/Treasury report found that consumer literacy and disclosure would assist~~
18 ~~borrowers in avoiding predatory practices and recommended expanded access to consumer loan~~
19 ~~counseling.~~

20 ~~—4. The State legislature recently passed AB 489, adding Division 1.6 to the Financial Code,~~
21 ~~and imposing requirements on consumer loans secured by real property. AB 489 prohibits various~~
22 ~~practices associated with predatory lending and provides civil penalties for violations.~~

23 ~~—5. State and federal regulation of real estate lenders and loans, in combination with legally~~
24 ~~mandated loan disclosure requirements are insufficient to provide protection of targeted communities~~
25 ~~against the abuses of predatory lenders. The Board finds that a consumer counseling and education~~

1 ~~program at the local level is the most effective way to provide consumer protection against predatory~~
2 ~~lending practices within the City and County of San Francisco.~~

3 ~~—6. The Department of Disability and Aging Services currently provides assistance to~~
4 ~~victims of predatory lending practices in San Francisco. The Department works with nonprofit and~~
5 ~~other organizations involved in predatory lending counseling and education programs, but has no~~
6 ~~mandate or funding to develop its own program for these vitally needed services.~~

7
8 **~~SEC. 92.2. PILOT CONSUMER LOAN EDUCATION PROGRAM.~~**

9 ~~A. The Department of Disability and Aging Services shall develop and commence a one-year~~
10 ~~program to educate San Franciscans about predatory loan practices and to prevent sub-prime lenders~~
11 ~~from targeting low-income neighborhoods for predatory loans. All City Departments shall cooperate~~
12 ~~with and assist the Department of Disability and Aging Services in developing and administering the~~
13 ~~consumer loan education program.~~

14 ~~B. The program shall, at a minimum:~~

15 ~~—1. Provide a clear definition of predatory lending and an easy to understand explanation of~~
16 ~~predatory lending practices in selected educational materials.~~

17 ~~—2. Provide and distribute educational materials and training on consumer loans secured by~~
18 ~~real property. All education materials and training sessions shall be available in multiple languages,~~
19 ~~consistent with the San Francisco population base.~~

20 ~~—3. Specify interest rate, fee and point triggers to assist consumers in identifying high-cost~~
21 ~~loans.~~

22 ~~—4. Distribute consumer information and telephone referral numbers of governmental and~~
23 ~~nonprofit agencies which provide assistance to victims of predatory loan practices. Information shall~~
24 ~~be provided to San Francisco residents through mailed brochures in property tax bills, postcards,~~
25

1 ~~public service announcements and cooperation with local nonprofit organizations and community~~
2 ~~groups to organize seminars on predatory lending.~~

3 ~~C. The Department may provide consumer loan educational services using City personnel,~~
4 ~~cooperating nonprofit organizations and institutions, consultants and contractors, or any combination~~
5 ~~of these resources in an effort to reach a citywide audience.~~

6
7 **~~SEC. 92.3. PILOT CONSUMER LOAN COUNSELING PROGRAM.~~**

8 ~~A. The Department of Disability and Aging Services shall commence a one-year program to~~
9 ~~provide free or low-cost financial counseling to individuals with outstanding loans and individuals who~~
10 ~~apply for loans secured by their residence property located in San Francisco. Financial counseling~~
11 ~~shall include:~~

12 ~~—1. Review of loan documents and an explanation of all terms and conditions of a consumer~~
13 ~~loan.~~

14 ~~—2. An explanation of consumer rights under state and federal laws which regulate loan~~
15 ~~practices, verification that all loan documents have been supplied, and that all required disclosures are~~
16 ~~complete.~~

17 ~~B. The Department shall not make personal financial assessments for individuals, recommend~~
18 ~~particular lenders, or provide legal advice. The Department may provide consumer loan counseling~~
19 ~~services using City personnel, cooperating nonprofit organizations and institutions, consultants and~~
20 ~~contractors, or any combination of these resources in an effort to reach a citywide audience. All City~~
21 ~~Departments shall cooperate with and assist the Department of Disability and Aging Services in~~
22 ~~developing and administering the consumer loan counseling program.~~

- ~~—B. A survey of the neighborhoods where predatory or potentially predatory practices are most prevalent, including information on targeted loan advertising in those neighborhoods.~~
- ~~—C. A survey of the consumers subjected to predatory practices, including data on neighborhood, age, race, income, and other factors common to the sub-prime loan applicant and borrower pool in San Francisco.~~

HEALTHCARE IMPACT REPORTS

~~—The Board makes the following findings:~~

~~—A. The cost of healthcare continues to increase, making it harder for people to obtain the proper care they need.~~

~~—B. The City and County of San Francisco's financial resources are strained and healthcare services the City now provides are either being cut or are at risk of being cut.~~

1 ~~—C.— Section 4.110 of the Charter of the City and County of San Francisco provides that the~~
2 ~~Health Department and Health Commission shall provide for the preservation, promotion and~~
3 ~~protection of the physical and mental health of the inhabitants of the City and County of San Francisco.~~

4 ~~—D.— Section 127340(a) of the California Health and Safety Code provides that "private not-~~
5 ~~for-profit hospitals meet certain needs of their communities through the provision of essential~~
6 ~~healthcare and other services. Public recognition of their unique status has led to favorable tax~~
7 ~~treatment by the government. In exchange, nonprofit hospitals assume a social obligation to provide~~
8 ~~community benefits in the public interest."~~

9 ~~—E.— Due to their size, larger non-government healthcare providers have significant impact on~~
10 ~~the health of the people of the City and County of San Francisco. Therefore such providers have a~~
11 ~~responsibility to work along with government healthcare agencies and facilities to maintain the health~~
12 ~~of the communities they serve.~~

13
14 **SEC. 97.2. DEFINITIONS.**

15 ~~—The words and phrases as used in this Section and for the purposes of this Section, unless a~~

21 ~~County of San Francisco in any of the following categories, as defined in the Accounting and Reporting~~

7 ~~using all modes of transportation. Furthermore, the Healthcare Impact Report shall analyze the~~
8 ~~Applicant Hospital's current performance in the following areas and compare it with that of other~~
9 ~~private, non-governmental hospitals in the City and County of San Francisco:~~

10 ~~1.—Charitable Care: The amount of charitable care provided by the Applicant Hospital as~~
11 ~~defined in the San Francisco Health Code, Article 3, Section 130(b), and expressed as a percentage of~~
12 ~~net patient revenue.~~

13 ~~—2.—Price of Care: The fees charged by the Applicant Hospital for a standardized set of~~
14 ~~hospital services, prescription and nonprescription drugs, medical supplies, and medical equipment.~~

19 ~~made available by the Applicant Hospital for caregiver training, education, and development.~~

17 ~~timeframe, Sections 97.3 (D, E, F) and 97.4 shall not apply.~~

18 ~~—D.—A permit application or other request for approval with an agency or department of the~~
19 ~~City and Count of San Francisco seeking approval for land use or construction activities involving the~~
20 ~~replacement or addition of more than two hundred (200) licensed hospital beds shall not be considered~~
21 ~~complete until the Healthcare Impact Report is completed and distributed as described in this Section.~~

22 ~~—E.—The Board of Supervisors or an agency or department of the City and County of San~~
23 ~~Francisco shall not approve an amendment to a Redevelopment Plan until it has received and reviewed~~
24 ~~a Healthcare Impact Report, when such a Healthcare Impact Report is required under this Section.~~

1 ~~—F. The Board of Supervisors, Planning Commission, Health Commission, and any other City~~
2 ~~departments or agencies provided with the Healthcare Impact Report by the Health Department shall~~
3 ~~review and consider the Healthcare Impact Report and use the comparisons therein as a criterion for~~
4 ~~determining whether or not to enact any legislation, grant any approval, or make any recommendations~~
5 ~~regarding amending a Redevelopment Plan or allowing or enabling the Applicant Hospital to replace~~
6 ~~or add more than two hundred (200) licensed hospital beds by building a new or retrofitting or~~

11 **SEC. 500. FINDINGS.**

12 The Board of Supervisors of the City and County of San Francisco hereby finds and
13 declares as follows:

14 (A) The California Integrated Waste Management Act (Public Resources Code §
15 40000 et seq.) requires all cities and counties to reduce their waste by 50% by the year 2000
16 or face potential penalties of up to \$10,000 per day. The City must take a leadership role and
17 act quickly and responsibly to implement the necessary measures to achieve this mandate.

18 (B) City departmental operations and activities have been found to contribute
19 significantly to San Francisco's solid waste stream. The waste management and buy recycled
20 provisions of this ordinance are necessary to help departments reduce their waste.

21 (C) On September 14, 1998, the President of the United States signed Executive
22 Order 13101 *Greening the Government through Waste Prevention, Recycling, and Federal*
23 *Acquisition* to "strengthen the role of the Federal government as an enlightened,
24 environmentally conscious and concerned consumer." The State and Federal governments
25

1 have strongly encouraged local governments to procure recycled and environmentally
2 preferable products and services as a way to increase market demand for such products.

3 (D) Local agencies that use appropriated federal funds to procure \$10,000 or more
4 worth of a designated item in a given year are subject to the federal comprehensive
5 procurement guidelines for recycled products.

6 ~~—(E) Pursuant to Board of Supervisors Resolution No. 246-99, Establishing Dioxin as a High~~
7 ~~Priority for Immediate Action for the City and County of San Francisco in Order to Restore Water~~
8 ~~Quality and Protect the Public Health and Enabling the San Francisco Commission on the~~
9 ~~Environment to Create a Task Force and Report Back on Strategies to Ensure that Less Toxic, Non-~~
10 ~~Chlorinated Sustainable Products and Processes are Actively Supported, each City department must~~
11 ~~report to the Board of Supervisors on strategies they are using to ensure that less toxic, non-~~
12 ~~chlorinated products sustainable alternative products, such as chlorine free paper and PVC free~~
13 ~~plastics, are actively supported and used.~~

14 (FE) The landfill capacity available to San Francisco at the Altamont Landfill is
15 expected to last only until approximately 2012.

16 (GF) The discard of useable or recyclable materials into the waste stream deprives
17 the City of the economic benefit of the value of these materials while creating unnecessary
18 expenses for collection and disposal.

19 (HG) This Chapter applies the Precautionary Principle to the selection of
20 commodities used in City operations that minimize impacts on natural resources by
21 maximizing recycled content, recycling, and reuse.

22 23 **SEC. 909. IMPLEMENTATION OF ALL-ELECTRIC BUILDING STANDARD.**

3 to support San Francisco residents, workers, and businesses through the transition to building
4 electrification.

6 annual report from the Department of Building Inspection detailing the status of
7 applications for permits to construct new Mixed-Fuel Buildings pursuant to an exception to

8 generate a return that is commensurate with returns on investments in other enterprises
9 having corresponding risks and is sufficient to attract capital.

10 (~~fe~~) **Violations.** Violations of this Section may be punished under the provisions of
11 Section 1705. Collection of the Checkout Bag Charge shall not excuse any violation of any
12 other provisions of this Chapter 17.

9 the City from pursuing any other remedies that may be available at law, equity or under any
10 contract or property contract.

11 (ml) The contractor or subcontractor will meet the following standards for compliance:

12 (1) If the contractor or subcontractor has been held to be an irresponsible bidder
13 under Section 131.2(i) hereof, the contractor or subcontractor shall furnish evidence that it has
14 established and is carrying out a program in conformity with the nondiscrimination provisions
15 of this Article.

16 (2) The contractor or subcontractor may be required to file with the Commission a
17 basic compliance report, which may be a copy of the federal EEO-1, or a more detailed report
18 as determined by the Commission. Wilful false statements made in such reports shall be
19 punishable as provided by law. No contractor or subcontractor shall be held in noncompliance
20 for not filing such a report with the Commission unless it has been specifically required to do
21 so in writing by the Commission.

22 (3) Personally, or through its representatives, the contractor or subcontractor
23 shall, through negotiations with the unions with whom it has collective bargaining or other
24 agreements requiring the contractor or subcontractor to obtain or clear its employees through
25

1 the union, or when the contractor or subcontractor otherwise uses a union as an employment
2 resource, attempt to develop an agreement which will:

3 (A) Define and outline responsibilities for nondiscrimination in hiring, referral,
4 upgrading and training;

5 (B) Otherwise implement a nondiscrimination program in terms of the unions'
6 specific areas of skill and geography, such as an apprenticeship program, to the end that
7 minority workers will be available and given an equal opportunity for employment.

8 (4) The contractor or subcontractor shall notify the awarding authority of
9 opposition to the nondiscrimination provisions of a contract by individuals, firms or
10 organizations during the term of the contract.

19 ~~Species Act, 16 U.S.C. 1531, et seq., and all other regulatory requirements; and for transferring Sharp~~
20 ~~Park to, or developing a joint management agreement with, the Golden Gate National Recreation Area,~~

22 ~~Park to the City and County of San Francisco and San Francisco Administrative Code Section 23.41.~~

5 Section 7. Articles 1, 2, 3, 4, 6, and 7 of the Planning Code are hereby amended by
6 revising Sections 103, 155.3, 169.6, 207, 207.1, 207.2, 207.3, 243, 303, 321, 342.3, and

8 609.12, and 701.2, to read as follows:

10 ***SEC. 103. HOUSING BALANCE MONITORING AND REPORTING.***

11 ~~(a) Purposes. To maintain a balance between new affordable and market rate housing City-~~
12 ~~wide and within neighborhoods, to make housing available for all income levels and housing need~~
13 ~~types, to preserve the mixed income character of the City and its neighborhoods, to offset the~~
14 ~~withdrawal of existing housing units from rent stabilization and the loss of single room occupancy~~
15 ~~hotel units, to ensure the availability of land and encourage the deployment of resources to provide~~
16 ~~sufficient housing affordable to households of very low, low, and moderate incomes, to ensure adequate~~
17 ~~housing for families, seniors and the disabled community, to ensure that data on meeting affordable~~
18 ~~housing targets City wide and within neighborhoods informs the approval process for new housing~~
19 ~~development, and to enable public participation in determining the appropriate mix of new housing~~
20 ~~approvals, there is hereby established a requirement, as detailed in this Section 103, to monitor and~~
21 ~~regularly report on the housing balance between market rate housing and affordable housing.~~

22 ~~(b) Findings.~~

23 ~~—(1) In November 2014, the City voters enacted Proposition K, which established City~~
24 ~~policy to help construct or rehabilitate at least 30,000 homes by 2020. More than 50% of this housing~~
25 ~~would be affordable for middle class households, with at least 33% affordable for low and moderate-~~

1 ~~income households, and the City is expected to develop strategies to achieve that goal. This Section 103~~
2 ~~sets forth a method to track performance toward the City's Housing Element goals and the near-term~~
3 ~~Proposition K goal that 33% of all new housing shall be affordable housing, as defined herein.~~

4 ~~—(2) The City's rent stabilized and permanently affordable housing stock serves very low-,~~
5 ~~low-, and moderate-income families, long-time residents, elderly seniors, disabled persons and others.~~
6 ~~The City seeks to achieve and maintain an appropriate balance between market rate housing and~~
7 ~~affordable housing City-wide and within neighborhoods because the availability of decent housing and~~
8 ~~a suitable living environment for every San Franciscan is of vital importance. Attainment of the City's~~
9 ~~housing goals requires the cooperative participation of government and the private sector to expand~~
10 ~~housing opportunities to accommodate housing needs for San Franciscans at all economic levels and to~~
11 ~~respond to the unique needs of each neighborhood where housing will be located.~~

12 ~~—(3) For tenants in unsubsidized housing, affordability is often preserved by the Residential~~
13 ~~Rent Stabilization and Arbitration Ordinance's limitations on the size of allowable rent increases~~
14 ~~during a tenancy. As documented in the Budget and Legislative Analyst's October 2013 Policy Analysis~~
15 ~~Report on Tenant Displacement, San Francisco is experiencing a rise in units withdrawn from rent~~
16 ~~controls. Such rises often accompany periods of sharp increases in property values and housing prices.~~
17 ~~From 1998 through 2013, the Rent Board reported a total of 13,027 no fault evictions (i.e., evictions in~~
18 ~~which the tenant had not violated any lease terms, but the owner sought to regain possession of the~~
19 ~~unit). Total evictions of all types have increased by 38.2% from Rent Board Year (i.e. from March~~
20 ~~through February) 2010 to Rent Board Year 2013. During the same period, Ellis Act evictions far~~
21 ~~outpaced other evictions, increasing by 169.8% from 43 in Rent Board Year 2010 to 116 in Rent Board~~
22 ~~Year 2013. These numbers do not capture the large number of owner buyouts of tenants, which~~
23 ~~contribute further to the loss of rent stabilized units from the housing market. Any fair assessment of~~
24 ~~the affordable housing balance must incorporate into the calculation units withdrawn from rent~~
25 ~~stabilization.~~

1 — ~~(4) Pursuant to Government Code Section 65584, the Association of Bay Area~~
2 ~~Governments (ABAG), in coordination with the California State Department of Housing and~~
3 ~~Community Development (HCD), determines the Bay Area's regional housing need based on regional~~
4 ~~trends, projected job growth, and existing needs. The regional housing needs assessment (RHNA)~~
5 ~~determination includes production targets addressing housing needs of a range of household income~~
6 ~~categories. For the RHNA period covering 2015 through 2022, ABAG has projected that at least 39 of~~
7 ~~new housing demands for San Francisco will be from very low and low income households (households~~
8 ~~earning under 80% of area median income), and another 22 of new housing demands to be affordable~~
9 ~~to households of moderate means (earning between 80% and 120% of area median income). Market-~~
10 ~~rate housing is considered housing with no income limits or special requirements attached.~~

11 — ~~(5) The Housing Element of the City's General Plan states: "Based on the growing~~
12 ~~population, and smart growth goals of providing housing in central areas like San Francisco, near jobs~~
13 ~~and transit, the State Department of Housing and Community Development (HCD), with the~~
14 ~~Association of Bay Area Governments (ABAG), estimates that in the current 2015-2022 Housing~~
15 ~~Element period San Francisco must plan for the capacity for roughly 28,870 new units, 57% of which~~
16 ~~should be suitable for housing for the extremely low, very low, low and moderate income households to~~
17 ~~meet its share of the region's projected housing demand." Objective 1 of the Housing Element states~~
18 ~~that the City should "identify and make available for development adequate sites to meet the City's~~
19 ~~housing needs, especially permanently affordable housing." Objective 7 states that San Francisco's~~
20 ~~projected affordable housing needs far outpace the capacity for the City to secure subsidies for new~~
21 ~~affordable units.~~

22 — ~~(6) In 2012, the City enacted Ordinance 237-12, the "Housing Preservation and~~
23 ~~Production Ordinance," codified in Administrative Code Section 10E.4, to require Planning~~
24 ~~Department staff to regularly report data on progress toward meeting San Francisco's quantified~~
25 ~~production goals for different household income levels as provided in the General Plan's Housing~~

1 ~~Element. That Ordinance requires data on the number of units in all stages of the housing production~~
2 ~~process at various affordability levels to be included in staff reports on all proposed projects of five~~
3 ~~Residential Units or more and in quarterly housing production reports to the Planning Commission.~~
4 ~~The Planning Department has long tracked the number of affordable housing units and total number of~~
5 ~~housing units built throughout the City and in specific areas and should be able to track the ratio called~~
6 ~~for in this Section 103.~~

7 ~~— (7) As the private market has embarked upon, and government officials have urged, an~~
8 ~~ambitious program to produce significant amounts of new housing in the City, the limited remaining~~
9 ~~available land makes it essential to assess the impact of the approval of new market rate housing~~
10 ~~developments on the availability of land for affordable housing and to encourage the deployment of~~
11 ~~resources to provide such housing.~~

12 ~~(c) Housing Balance Calculation.~~

13 ~~— (1) For purposes of this Section 103, “Housing Balance” shall be defined as the~~
14 ~~proportion of all new housing units affordable to households of extremely low, very low, low, or~~
15 ~~moderate income households, as defined in California Health & Safety Code Sections 50079.5 et seq.,~~
16 ~~as such provisions may be amended from time to time, less the number of units removed from rent-~~
17 ~~controlled or below market status, to the total number of all new housing units for a 10-year Housing~~
18 ~~Balance Period.~~

19 ~~— (2) The Housing Balance Period shall begin with the first quarter of year 2005 to the last~~
20 ~~quarter of 2014, and thereafter for the ten years prior to the most recent calendar quarter.~~

21 ~~— (3) For each year that data is available, beginning in 2005, the Planning Department shall~~
22 ~~report net housing construction by income levels, as well as units that have been withdrawn from~~
23 ~~protection afforded by City law, such as laws providing for rent-controlled and single resident~~
24 ~~occupancy (SRO) units. The affordable housing categories shall include net new units, as well as~~
25 ~~existing units that were previously not restricted by deed or regulatory agreement that are acquired for~~

1 ~~preservation as permanently affordable housing as determined by the Mayor's Office of Housing and~~
2 ~~Community Development (MOHCD) (not including refinancing or other rehabilitation under existing~~
3 ~~ownership), protected by deed or regulatory agreement for a minimum of 55 years. The report shall~~
4 ~~include, by year, and for the latest quarter, all units that have received Temporary Certificates of~~
5 ~~Occupancy within that year, a separate category for units that obtained a site or building permit, and~~
6 ~~another category for units that have received approval from the Planning Commission or Planning~~
7 ~~Department, but have not yet obtained a site or building permit to commence construction (except any~~
8 ~~entitlements that have expired and not been renewed during the Housing Balance Period). Master~~
9 ~~planned entitlements, including but not limited to such areas as Treasure Island, Hunters Point~~
10 ~~Shipyards, and Park Merced, shall not be included in this latter category until individual building~~
11 ~~entitlements or site permits are approved for specific housing projects. For each year or approval~~
12 ~~status, the following categories shall be separately reported:~~

13 ~~——(A) Extremely Low Income Units, which are units available to individuals or families~~
14 ~~making between 0-30% Area Median Income (AMI) as defined in California Health & Safety Code~~
15 ~~Section 50106, and are subject to price or rent restrictions between 0-30% AMI;~~

16 ~~——(B) Very Low Income Units, which are units available to individuals or families making~~
17 ~~between 30-50% AMI as defined in California Health & Safety Code Section 50105, and are subject to~~
18 ~~price or rent restrictions between 30-50% AMI;~~

19 ~~——(C) Lower Income Units, which are units available to individuals or families making~~
20 ~~between 50-80% AMI as defined in California Health & Safety Code Section 50079.5, and are subject~~
21 ~~to price or rent restrictions between 50-80% AMI;~~

22 ~~——(D) Moderate Income Units, which are units available to individuals or families making~~
23 ~~between 80-120% AMI and are subject to price or rent restrictions between 80-120% AMI;~~

24 ~~——(E) Middle Income Units, which are units available to individuals or families making~~
25 ~~between 120-150% AMI and are subject to price or rent restrictions between 120-150% AMI;~~

1 ~~——(F) Market-rate units, which are units not subject to any deed or regulatory agreement~~
2 ~~with price restrictions;~~

3 ~~——(G) Housing units withdrawn from protected status, including units withdrawn from rent~~
4 ~~control (except those units otherwise converted into permanently affordable housing), including all~~
5 ~~units that have been subject to rent control under the San Francisco Residential Rent Stabilization and~~
6 ~~Arbitration Ordinance but that a property owner removes from the rental market including but not~~
7 ~~limited to through owner move-in pursuant to Administrative Code Section 37.9(a)(8), through~~
8 ~~condominium conversion pursuant to Administrative Code Section 37.9(a)(9), demolition or alterations~~
9 ~~(including dwelling unit mergers), or permanent removal pursuant to Administrative Code Section~~
10 ~~37.9(a)(10) or removal pursuant to the Ellis Act under Administrative Code Section 37.9(a)(13);~~

11 ~~——(H) Public housing replacement units and substantially rehabilitated units through the~~
12 ~~HOPE SF and Rental Assistance Demonstration (RAD) programs, as well as other substantial~~
13 ~~rehabilitation programs managed by MOHCD.~~

14 ~~——(4) The Housing Balance shall be expressed as a percentage, obtained by dividing the~~
15 ~~cumulative total of extremely low, very low, low, and moderate income affordable housing units (all~~
16 ~~units 0-120% AMI) minus the lost protected units described in subsection (c)(3)(G) above, by the total~~
17 ~~number of net new housing units within the Housing Balance Period. The Housing Balance shall also~~
18 ~~provide two calculations:~~

19 ~~——(A) the Cumulative Housing Balance, consisting of housing units that have already been~~
20 ~~constructed (and received a Temporary Certificate of Occupancy or other certificate that would allow~~
21 ~~occupancy of the units) within the 10-year Housing Balance Period, plus those units that have obtained~~
22 ~~a site or building permit. A separate calculation of the Cumulative Housing Balance shall also be~~
23 ~~provided, which includes HOPE SF and RAD public housing replacement and substantially~~
24 ~~rehabilitated units (but not including general rehabilitation/maintenance of public housing or other~~
25 ~~affordable housing units) that have received Temporary Certificates of Occupancy within the Housing~~

1 ~~Balance Period. The Housing Balance Reports will show the Cumulative Housing Balance with and~~
2 ~~without public housing included in the calculation; and~~

3 ~~——(B) the Projected Housing Balance, which shall include any residential project that has~~
4 ~~received approval from the Planning Commission or Planning Department, even if the housing project~~
5 ~~has not yet obtained a site or building permit to commence construction (except any entitlements that~~
6 ~~have expired and not been renewed during the Housing Balance period). Master planned entitlements~~
7 ~~shall not be included in the calculation until individual building entitlements or site permits are~~
8 ~~approved.~~

9 ~~(d) Bi-annual Housing Balance Reports. By June 1, 2015, the Planning Department shall~~
10 ~~calculate the Cumulative and Projected Housing Balance for the most recent two quarters City-wide,~~
11 ~~by Supervisorial District, Plan Area, and by neighborhood Planning Districts, as defined in the annual~~
12 ~~Housing Inventory, and publish it as an easily visible and accessible page devoted to Housing Balance~~
13 ~~and Monitoring and Reporting on the Planning Department's website. By October 1 and April 1 of~~
14 ~~each year, the Planning Department shall publish and update the Housing Balance Report, and present~~
15 ~~this report at an informational hearing to the Planning Commission and Board of Supervisors, as well~~
16 ~~as to any relevant body with geographic purview over a plan area upon request, along with the other~~
17 ~~quarterly reporting requirements of Administrative Code Section 10E.4. The annual report to the Board~~
18 ~~of Supervisors shall be accepted by resolution of the Board, which resolution shall be introduced by the~~
19 ~~Planning Department. The Housing Balance Report shall also be incorporated into the Annual~~
20 ~~Planning Commission Housing Hearing and Annual Report to the Board of Supervisors required in~~
21 ~~Administrative Code Section 10E.4.~~

22 ~~(e) Annual Hearing by Board of Supervisors.~~

23 ~~——(1) The Board of Supervisors shall hold a public Housing Balance hearing on an annual~~
24 ~~basis by April 15 of each year, to consider progress towards the City's affordable housing goals,~~

1 ~~including the goal of a minimum 33% affordable housing to low and moderate income households, as~~
2 ~~well as the City's General Plan Housing Element housing production goals by income category.~~

3 ~~—(2) The hearing shall include reporting by the Planning Department, which shall present~~
4 ~~the latest Housing Balance Report City-wide and by Supervisorial District and Planning District; the~~
5 ~~Mayor's Office of Housing and Community Development, the Mayor's Office of Economic and~~
6 ~~Workforce Development, the Rent Stabilization Board, by the Department of Building Inspection, and~~
7 ~~the City Economist on strategies for achieving and maintaining a housing balance in accordance with~~
8 ~~San Francisco's housing production goals. If the Cumulative Housing Balance has fallen below 33% in~~
9 ~~any year, MOHCD shall determine how much funding is required to bring the City into a minimum~~
10 ~~33% Housing Balance and the Mayor shall submit to the Board of Supervisors a strategy to accomplish~~
11 ~~the minimum of 33% Housing Balance. City Departments shall at minimum report on the following~~
12 ~~issues relevant to the annual Housing Balance hearing: MOHCD shall report on the annual and~~
13 ~~projected progress by income category in accordance with the City's General Plan Housing Element~~
14 ~~housing production goals, projected shortfalls and gaps in funding and site control, and progress~~
15 ~~toward the City's Neighborhood Stabilization goals for acquiring and preserving the affordability of~~
16 ~~existing rental units in neighborhoods with high concentrations of low and moderate income~~
17 ~~households or historically high levels of evictions; the Planning Department shall report on current~~
18 ~~and proposed zoning and land use policies that affect the City's General Plan Housing Element housing~~
19 ~~production goals; the Mayor's Office of Economic and Workforce Development shall report on current~~
20 ~~and proposed major development projects, dedicated public sites, and policies that affect the City's~~
21 ~~General Plan Housing Element housing production goals; the Rent Board shall report on the~~
22 ~~withdrawal or addition of rent-controlled units and current or proposed policies that affect these~~
23 ~~numbers; the Department of Building Inspection shall report on the withdrawal or addition of~~
24 ~~Residential Hotel units and current or proposed policies that affect these numbers; and the City~~
25

1 ~~Economist shall report on annual and projected job growth by the income categories specified in the~~
2 ~~City's General Plan Housing Element.~~

3 ~~—(3) All reports and presentation materials from the annual Housing Balance hearing shall~~
4 ~~be maintained by year for public access on the Planning Department's website on its page devoted to~~
5 ~~Housing Balance Monitoring and Reporting.~~

6
7 **SEC. 155.3. BICYCLE PARKING REQUIREMENTS FOR CITY-OWNED AND**
8 **LEASED PROPERTIES.**

9 * * * *

10 (f) ~~Monitoring. The Planning Department shall, every five years, beginning with 2013, survey~~
11 ~~the amount, location, and usage of both Class 1 and Class 2 bicycle parking spaces at (A) City Hall,~~
12 ~~(B) the Main Library, (C) the 25 other City-owned or leased buildings which have the highest square~~
13 ~~footage as identified in a list published by the City's Department of Real Estate, and (D) City-owned~~
14 ~~garages in order to report compliance with this Section and to ascertain whether current requirements~~
15 ~~are adequate to meet demand for such parking spaces. Such survey of usage shall be conducted during~~
16 ~~the months of March through October and shall document usage on at least two fair-weather non-~~
17 ~~holiday week days. A report on such findings shall be submitted to the Planning Commission and the~~
18 ~~San Francisco Municipal Transportation Agency Board of Directors. If current requirements are~~
19 ~~inadequate, the Director shall draft and submit to the Board of Supervisors proposed legislation that~~
20 ~~would remedy the deficiency. For the purposes of this subsection, "inadequate" shall mean an~~
21 ~~occupancy of greater than 85 percent or in cases where bicycles are clearly parked in non-standard~~
22 ~~locations due to crowding of the provided facilities.~~

23 (g) **Miscellaneous Standards and Requirements.**

24 (1) In any City-owned or leased building, non-accessory parking garage, or
25 parking lot that contains more than the required number of bicycle parking spaces as set forth

1 above, the Responsible City Official or private parking garage owner shall not remove such
2 additional bicycle parking spaces without petitioning the Zoning Administrator. Such a petition
3 may not be filed until at least one year after the effective date of this Section. That petition
4 shall demonstrate that the spaces the Responsible City Official or private parking garage
5 owner seeks authority to remove have not been necessary to meet the demand of Employees
6 and other building users.

7 (2) For existing buildings owned, leased or purchased by the City and City-owned
8 parking garages, the Responsible City Official shall comply with this Section 155.3. The Board
9 of Supervisors does not intend to impose requirements of this Section on any Responsible
10 City Official where such application would impair obligations of contract.

12 **169.6. TRANSPORTATION DEMAND MANAGEMENT PROGRAM STANDARDS.**

13 * * * *

14 ~~(c) One year after the effective date of the TDM Program, the Planning Department shall~~
15 ~~prepare a report analyzing the implementation of the TDM Program and describing any changes to the~~
16 ~~TDM Program Standards. Every four years, following the periodic updates to the San Francisco~~
17 ~~Countywide Transportation Plan that the San Francisco County Transportation Authority prepares, the~~
18 ~~Planning Department shall prepare a report containing the same information. The Planning~~
19 ~~Department shall present such reports to the Planning Commission, and may present them to the Board~~
20 ~~of Supervisors during a public hearing, if a Supervisor chooses to request a hearing on the matter.~~

22 **~~SEC. 206.8. AFFORDABLE HOUSING BONUS PROGRAM EVALUATION.~~**

23 ~~(a) Within one year from March 22, 2015, the Planning Department shall provide an~~
24 ~~informational presentation to the Planning Commission, and any other City agency at their request,~~
25 ~~presenting an overview of all projects that request or receive development bonuses under the HOME-~~

1 ~~SF Program, the 100 Percent Affordable Housing Bonus Program and the Analyzed and Individually~~
2 ~~Requested State Density Bonus Program (“the Bonus Programs”).~~

3 ~~(b) Annual Reporting. The Planning Department, in coordination with MOHCD, shall include~~
4 ~~information on projects which request and receive development bonuses under the Bonus Programs, in~~
5 ~~the Housing Inventory Report.~~

6 ~~(c) Report Contents. The Housing Inventory shall include, but not be limited to, information on~~
7 ~~the:~~

8 ~~— (1) number of projects utilizing the Bonus Programs;~~

9 ~~— (2) number of units approved and constructed under the Bonus Programs and the AMI~~
10 ~~levels of such units;~~

11 ~~— (3) number of additional affordable units in excess of that otherwise required by Section~~
12 ~~415;~~

13 ~~— (4) geographic distribution of projects, including the total number of units in each project,~~
14 ~~utilizing the Bonus Programs;~~

15 ~~— (5) number of larger unit types, including the number of 3-bedroom units;~~

16 ~~— (6) square feet of units by bedroom count;~~

17 ~~— (7) number of projects with nine or fewer units that participate; and~~

18 ~~— (8) Number of appeals of projects in the Bonus Program and stated reason for appeal.~~

19 ~~— (d) Program Evaluation and Update.~~

20 ~~— (1) Purpose and Contents. Every five years, beginning five years from March 22, 2015, the~~
21 ~~Department shall prepare a Program Evaluation and Update. The Program Evaluation and Update~~
22 ~~shall include an analysis of the Bonus Programs’ effectiveness as it relates to City policy goals~~
23 ~~including, but not limited to Proposition K (November 2014) and the Housing Element. The Program~~
24 ~~Evaluation and Update shall include a review of all of the following:~~
25

1 ~~——(A) Target income levels for the HOME-SF Program in relation to market values and~~
2 ~~assessed affordable housing needs.~~

3 ~~——(B) Feasibility of the HOME-SF Program, in relation to housing policy goals, program~~
4 ~~production, and current market conditions.~~

5 ~~——(C) Requested and granted concessions and incentives, including consideration of~~
6 ~~whether the menu of zoning modification or concessions and incentives set forth in Section 206.3(d)(4),~~
7 ~~206.4(c)(5) and 206.5(c)(4) respond to the needs of projects seeking approvals under the Bonus~~
8 ~~Programs; consideration of whether the elected zoning modifications or incentives and concessions~~
9 ~~result in a residential project that responds to the surrounding neighborhood context; and review and~~
10 ~~recommendation for additions or modifications to the list of zoning modifications or concessions and~~
11 ~~incentives in 206.3(d)(4), 206.4(c)(5) and 206.5(c)(4).~~

12 ~~——(D) Geography and neighborhood specific considerations. Review and analysis of where~~
13 ~~Bonus Program projects are proposed and approved, including an analysis of land values, zoning,~~
14 ~~height controls, and neighborhood support.~~

15 ~~——(E) Review of the process for considering projects under the Bonus Program, including a~~
16 ~~review of Section 328, the appeal process, Section 303 and other relevant process considerations.~~

17 ~~——(2) Public Hearing. The Program Evaluation and Update shall be prepared no less than~~
18 ~~every five years, beginning five years from March 22, 2015, and may be completed as a series of~~
19 ~~reports and in coordination with ongoing monitoring of affordable housing policies, or feasibility~~
20 ~~analyses. The Planning Commission shall hold a hearing on the Program Evaluation and Update and~~
21 ~~any recommendations for modification to any of the Bonus Program.~~

22 ~~(e) Program Expansion Report. The Board of Supervisors directs the Planning Department~~
23 ~~and MOHCD to research, analyze and provide recommendations for further density and development~~
24 ~~bonuses for 100% affordable or mixed income developments. The Program Expansion Report shall be~~
25 ~~published within one year of March 22, 2015.~~

1 **SEC. 207. DWELLING UNIT DENSITY LIMIT**

2 * * * *

3 **(c) Exceptions to Dwelling Unit Density Limits.** An exception to the calculations
4 under this Section 207 shall be made in the following circumstances:

5 * * * *

6 **(8) Residential Density Exception in RH Districts.**

7 * * * *

8 ~~(H) Annual Report on Housing Affordability, Racial Equity, and Language Access~~
9 ~~Goals. To help the City evaluate whether the implementation of this Section 207(c)(8) comports with~~
10 ~~the City's housing affordability, racial equity, and language access goals, each year the Planning~~
11 ~~Department, in consultation with other City departments including the Department of Building~~
12 ~~Inspection, the Rent Board, and the Office of the Assessor-Recorder, shall prepare a report addressing~~
13 ~~the characteristics and demographics of the applicants to and participants in the program established~~

8 **~~SEC. 341. BETTER NEIGHBORHOODS AREA PLAN MONITORING PROGRAM.~~**

9 ~~Sections 341.1 to 341.4 set forth the requirements and procedures for the Market and Octavia~~
10 ~~Community Monitoring Program.~~

11
12 **~~SEC. 341.1. FINDINGS.~~**

13 ~~(a) The Planning Commission has adopted the Market and Octavia Area Plan as part of the~~
14 ~~General Plan of the City and County of San Francisco. The Area Plan, in conjunction with the Market~~
15 ~~and Octavia Neighborhood Plan, outlines specific goals that cumulatively frame the community's vision~~
16 ~~for the management of growth and development in the plan area. The Market and Octavia~~
17 ~~Neighborhood Plan introduces innovative policies and land use controls to achieve the plan goals.~~
18 ~~Successful fruition of the plan's goals requires a coordinated implementation of land use controls,~~
19 ~~community and public service delivery, key policies, and community infrastructure improvements.~~

20 ~~(b) In order to ensure a balanced implementation of the Market and Octavia Neighborhood~~
21 ~~Plan, the Planning Department will implement a formal monitoring program, with a focus on key~~
22 ~~indicators. The monitoring program is necessary to evaluate the effectiveness of the Plan and the~~
23 ~~impacts of growth, particularly housing supply, neighborhood character, and transportation~~
24 ~~infrastructure and service. The monitoring program will determine whether necessary infrastructure~~
25 ~~improvements have keep pace with development in the Plan Area. If monitoring surveys indicate an~~

1 ~~imbalance in growth of neighborhood and relevant infrastructure and support, the Planning~~
2 ~~Department must recommend policy changes to balance development with infrastructure and services.~~
3 ~~Appropriate responses may include further study of specific conditions, temporary or permanent~~
4 ~~alterations to Market and Octavia Neighborhood Plan policies, amendments to the Planning Code, and~~
5 ~~the dedication of additional revenue for planned improvements.~~

6 ~~(c) Monitoring reports are a standard tool used to ensure a plan's success. The Downtown~~
7 ~~Plan of 1985 implemented a model monitoring system, which includes both an annual and 5-year~~
8 ~~monitoring cycle. Annual monitoring efforts for the Market and Octavia Plan Area should be~~
9 ~~coordinated with these efforts, but include a focus on policies and indicators relevant to the Market and~~
10 ~~Octavia Neighborhood Plan. The Market and Octavia time series monitoring report should be~~
11 ~~published independently.~~

12 ~~(d) The Market and Octavia Plan is a pilot planning effort, implementing modern planning~~
13 ~~strategies. Data on the successes will be a useful contribution to the field of planning and to other~~
14 ~~municipalities aiming to achieve transit-oriented communities.~~

15 ~~(e) The Planning Department will execute a two-tiered monitoring program. The two tiers are:~~
16 ~~1) An annual collection and reporting of data from selected sources that are gathered on a regular~~
17 ~~basis, and 2) every five years, a more extensive data collection effort that includes a evaluation of~~
18 ~~policy objectives specific to the Market and Octavia Area Plan and reporting of neighborhood trends.~~
19 ~~The annual monitoring will provide notice for trends that may develop, gauging progress towards long~~
20 ~~range goals. The time series report will provide in depth analysis of the Plan Area, including a~~
21 ~~discussion of qualitative trends.~~

22 ~~(f) In coordination with relevant Board of Supervisor representatives and related City~~
23 ~~agencies a Citizens Advisory Committee shall be formed to participate in the on-going implementation~~
24 ~~of the Market and Octavia Plan. This Committee shall participate in monitoring efforts, as needed, and~~
25 ~~be presented a copy of all reports.~~

1 **~~SEC. 341.2. ANNUAL REPORTING.~~**

2 ~~The Planning Department shall prepare an annual report detailing the housing supply and~~
3 ~~development, commercial activities, and transportation trends in the Market and Octavia Plan Area.~~
4 ~~The information shall be presented to the Board of Supervisors, Planning Commission, the Citizens~~
5 ~~Advisory Committee, and Mayor, and shall address: (1) the extent of development in the Market and~~
6 ~~Octavia Plan Area; (2) the consequences of that development; (3) the effectiveness of the policies set~~
7 ~~forth in the Market and Octavia Area Plan in maintaining San Francisco's environment and character;~~
8 ~~and (4) recommendations for measures deemed appropriate to deal with the impacts of neighborhood~~
9 ~~growth.~~

10 ~~(a) Time Period and Due Date. Reporting shall be presented by July 1st of each year, and~~
11 ~~shall address the immediately preceding calendar year.~~

12 ~~(b) Data Source. The Planning Department shall assemble data for the purpose of providing~~
13 ~~the reports. City records shall be used wherever possible. Outside sources shall be used when data~~
14 ~~from such sources are reliable, readily available and necessary in order to supplement City records.~~
15 ~~When data is not available for the exact boundaries of the Plan Area, a similar geography will be used~~
16 ~~and noted.~~

17 ~~(c) Categories of Information. The following categories of information shall be included:~~
18 ~~Commercial Space and Employment.~~

19 ~~— (1) The amount of office space "Completed," "Approved," and "Under Construction"~~
20 ~~during the preceding year, both within the Plan Area and elsewhere in the City. This inventory shall~~
21 ~~include the location and square footage (gross and net) of those projects, as well as an estimate of the~~
22 ~~dates when the space "Approved" and "Under Construction" will become available for occupancy.~~

23 ~~— (2) Plan Area and Citywide Employment trends. An estimate of additional employment, by~~
24 ~~occupation type, in the Plan Area and Citywide.~~

1 ~~—(3) Retail Space and Employment. An estimate of the net increment of retail space and of~~
2 ~~the additional retail employment relocation trends and patterns Plan Area and Citywide.~~

3 ~~—(4) Business Formation and Relocation. An estimate of the rate of the establishment of new~~

7 ~~the Plan Area and throughout the City newly constructed, demolished, or converted to other uses.~~

14 ~~throughout the City, including condo conversion, and eviction cases.~~

15 ~~—(9) Enforcement of Project Entitlements. A summary of successful compliance with~~
16 ~~conditions and design standards for development projects approved in the Plan Area and any~~
17 ~~enforcement actions taken to ensure compliance or adjudicate complaints~~

18 ~~Transportation.~~

20 ~~Districts.~~

21 ~~—(11) Transit Service. An estimate of transit capacity for peak periods.~~

22 ~~—(12) Transit infrastructure and capacity improvements. A summary of new transit~~
23 ~~infrastructure and capacity improvements in the Plan Area and affecting the Plan Area as projected in~~
24 ~~the Market/Octavia Plan, including a comparison of that increased and improved transit service~~
25 ~~relative to the number of new housing units and office space approved during the same period.~~

1 ~~—(13) Transit Impact Fee. A summary of the use of the transit impact development fee funds,~~
2 ~~identifying the number of vehicles, personnel and facilities acquired.~~

3 ~~(d) Report. The analysis of the factors under Commercial Space, Housing and Transportation~~
4 ~~will compare Plan Area trends to existing conditions, Citywide trends, and regional trends, when~~
5 ~~relevant. The comparisons will indicate the degree that the City is able to accommodate new~~
6 ~~development as projected within the Plan Area. Based on this data, the Department shall analyze the~~
7 ~~effectiveness of City policies governing Plan Area growth and shall recommend any additional~~
8 ~~measures deemed appropriate.~~

9
10 ***SEC. 341.3. TIME SERIES REPORT.***

11 ~~By July 15, 2008, and every fifth year thereafter on July 15th, the report submitted shall address~~
12 ~~the preceding five calendar years and, in addition to the data described above, shall include a cordon~~
13 ~~count of the following key indicators:~~

14 ~~(a) Implementation of Proposed Programming. The area plan proposes the implementation of~~
15 ~~various programs including impact fees for development, parking and curb cuts, residential permit~~
16 ~~parking reform, shared parking programs, and historic preservation survey. Implementation of said~~
17 ~~programs shall report the following:~~

18 ~~—(1) Fees. Monitor expenditure of all implemented fees. Report on studies and~~
19 ~~implementation strategies for additional fees and programming.~~

2 ~~areas of open space, transportation, pedestrian realm, and community services. Implementation of~~
3 ~~improvements will be documented, including a focus on the following:~~

4 ~~—(1) Transportation Infrastructure and Services. Successful implementation of the Market~~
5 ~~and Octavia Plan requires that transportation services keep pace with existing and new demands.~~
6 ~~Citywide efforts to improve transit services, including the Transit Effectiveness Project (TEP), must be~~
7 ~~implemented in order to provide adequate service to the area. The time series reports shall report on~~
8 ~~the City's coordination of transit services with projected development, and provide recommendations~~
9 ~~for balancing transportation infrastructure with projected growth.~~

10 ~~—(2) Affordable Housing. Development of subsidized housing, below market rate units, off-~~
11 ~~site inclusionary housing, affordable housing built with in-lieu fee payments, and other types of~~
12 ~~affordable housing~~

23 ~~evaluated.~~
