9 WHEREAS, Established in the early 1900's, the San Francisco Marina Yacht Harbor
10 and adjacent Marina Green are situated in one of the most spectacular settings in the world,
11 covering approximately 39 acres of water area and 19 acres of land area; and

12 WHEREAS, The San Francisco Marina is configured into two yacht harbors: the West
13 Harbor and the East Harbor, also known as Gashouse Cove; and

14 WHEREAS, The \$27.3 million San Francisco West Harbor Renovation Project, funded
15 through a California Department of Boating & Waterways Loan, general fund assistance from
16 the Mayor's Office on Disability, and the Harbor Fund, consists of renovations to select marina
17 facilities located within, and serving the West Harbor that included the removal of a portion of
18 the existing breakwater segment known as the West Mole, the construction of two new
19 breakwater segments, extensive maintenance dredging of approximately 180,000 cubic yards
20 of material, the reconstruction of portions of the degraded rip-rap slopes around the interior
21 shorelines, the replacement and reconfiguration of the gates, gangways, docks and floating
22 slips to accommodate more than 325 boats, installation of upgraded electrical, water and
23 telephone service, a new fire suppression system and new security lighting service on all
24 docks, and the construction of a guest dock with sewage pump-out station and a small hand
25 boat launch; and

1 WHEREAS, Additionally, the land-side project improvements under this project
2 included the renovation of the existing Harbor Office building to meet current accessibility
3 codes and site improvements to enhance public access including street and path upgrades,
4 construction of pedestrian rest stops, and installation of signage; now, therefore, be it

5 RESOLVED, That the City and County of San Francisco celebrates the grand
6 reopening of the Marina Yacht Harbor on July 11th, 2013; and, be it

7 FURTHER RESOLVED, That the San Francisco Board of Supervisors commends the
8 San Francisco Recreation and Park Department, the California Department of Boating and
9 Waterways, SF Marina Harbor Association, St. Francis Yacht Club, Golden Gate Yacht Club,
10 Dutra Construction, and the entire project team that made this project so successful for their
11 dedication and hard work to preserving and improving open space in San Francisco and to
12 contributing to make our city home to one of the best urban park systems in the country.
