1 [Proposition J Contract Certification - Contracted-Out Department Services for the Department
2 of Public Health]

3 **Resolution concurring with the Controller's certification that department services can**
4 **be performed by private contractor for a lower cost than similar work performed by City**
5 **and County employees, for security services (Department of Public Health).**

6
7 WHEREAS, The Electorate of the City and County of San Francisco passed
8 Proposition J in November 1976, allowing City and County Departments to contract with
9 private companies for specific services that can be performed for a lower cost than similar
10 work by City and County employees (Charter, Section 10.104.15); and

11 WHEREAS, The Controller has determined that a Purchaser's award of a contract for
12 the services listed below to a private contractor will continue to achieve substantial cost
13 savings for the City; and

14 WHEREAS, The Controller's certification, which confirms that said services can be
15 performed at lower costs to the City and County by private contractor than by employees
16 of the City and County, is on file with the Clerk of the Board of Supervisors in File No. 210665,
17 which is hereby declared to be part of this Resolution as if set forth fully herein; now,
18 therefore, be it;

19 RESOLVED, That the Board of Supervisors hereby concurs with the Controller's
20 certification and approves the Proposition J Resolution concerning the Purchaser's award of
21 a contract to a private contractor for the services listed below for the period of July 1, 2021,

RE: Contracting for Clinic Security – FY 2021-22

The cost information and supplemental data provided by your office on the proposed contract referenced above have been reviewed by my staff.

If these services are provided at the proposed contract price, it appears they can be performed at a lower cost than if the work were performed by City employees.

The requirements of Charter Section 10.104.15 relative to the Controller's findings that work or services can be practically performed under private contract at a lesser cost than similar work performed by employees of the City and County of San Francisco have been satisfied. Attached is a statement of projected cost and estimated savings for Fiscal Year 2021-22 and the informational items provided by the department pursuant to San Francisco Administrative Code Section 2.15.

Following the approval of the Board of Supervisors, we will notify your department and the Purchaser that this Charter requirement has been met.

Please contact Risa Sandler at 415-554-5254 if you have any questions regarding this determination.

Sincerely,

/s/

Ben Rosenfield,
Controller
