Application for Boards, Commissions, Committees, & Task Forces
Golden Gate Bridge Highway and Transportation District Board of Directors
Public-at-Large, Seat 1

Candidate: Sabrina Hernandez, Business Representative/Compliance Officer, IBEW Local Union 6

Candidate statement of qualifications relative to demographic qualities of the City and County of San Francisco pursuant to Charter section 4.101(a)1:

In advocacy for women and minorities; increased diversity in the organized trades; economic justice for women, minorities and youth; pathways to high-skill/high-pay careers:

As a minority woman in an industry dominated by white men (electrical construction) I am both fortunate to have achieved my level of professional success and challenged to create new ways in which I can assist other San Francisco women, minorities and youth to enter and succeed in high-skill, high-pay careers in the organized trades. This is why, throughout my career, I have maintained an active role in community based organizations such as Tradeswomen Inc, and in AFL-CIO constituency organizations such as the Electrical Workers Minority Caucus (EWMC), Pride @ Work, and the Coalition of Labor Union Women (CLUW), all of which advocate for the rights of women and minorities at work. I am particularly excited about IBEW Local 6 plans to partner with the San Francisco Unified School District in creating a pre-apprenticeship program for San Francisco high school students interested in exploring industrial careers.

In addition to the aforementioned efforts, I also serve on the Board of Directors of Asian Neighborhood Design (“AND”), a San Francisco non-profit organization that offers architectural design services and a construction trades pre-apprenticeship training program. Most of AND’s clients are people of color from disadvantaged economic backgrounds; and the majority are being reintroduced to their communities after recent release from prison.

In efforts to defend the rights of the San Francisco immigrant worker community:

As a business representative and public works contract compliance officer for IBEW Local Union 6, I represent the interests of IBEW members and our management partners; however, much of my work benefits non-unionized immigrant workers primarily from China, Korea, Mexico, and Central America. As immigrants, many of whom have limited English language skills, these workers are vulnerable and often taken advantage of; paid less than the wages required by law, asked to perform work in unsafe conditions, not compensated for overtime and otherwise abused of their rights. As I monitor public works projects in San Francisco, I often meet workers experiencing these unfortunate and illegal conditions. My position and training allow me to educate them on their rights under the law and assist them in seeking remedies through the San Francisco Office of Labor Standards Enforcement and other authorities having jurisdiction.

Re: Re-appointment of Bert Hill to
Golden Gate Bridge Highway and
Transit District Board of Directors

Feb 1, 2017

Supervisors of the City and County of San Francisco:

I am pleased to urge you to reappoint Bert Hill to the Golden Gate Bridge Highway and Transit District Board (GGBHTD) of Directors. I am a fellow GGBHTD Board director, and colleague of Bert's on the district board's Transportation Committee.

The breadth of Bert's expertise from an educator in, advocate and strategic policy maker for housing, transportation and bicycle transportation brings an important and valued voice to the decision making on the board. Further, Bert's contributions are grounded in experience, his own and what he garners in his roles teaching bicycling and safety in an urban environment.

It is not surprising to consider his sometimes uniquely insightful comments when one learns of his career experience at Bechtel as a project manager and an IT expert. For example, his comments at the Transportation Committee suggesting the District look at trends and new demographics led staff to consider the viability of providing more recreational trip timing. He is a helpful source of information on matters that affect congestion relief in San Francisco, details of which are not always apparent to Board members from other counties. For example, when reconfiguration of some bus routes was discussed, Bert noted to staff that it would be helpful if the new Route 19 could go as far as Sloat Ave in San Francisco, resulting in staff studying the benefits of that alignment.

He advocates for accessible information, and suggested that the District web based applications and forms be available in different languages. Bert's attendance at Board meetings and meetings of subcommittees, even those to which he is not an assigned member where issues are discussed at length, is exemplary. Finally, and of importance, are his reports from national transportation conferences he attends that inform issues considered by the District Board.

I urge the San Francisco Board of Supervisors to re-appoint Bert Hill to the Golden Gate Bridge Highway and Transit District Board so he can continue his exemplary service to San Francisco that benefits all of us.

Respectfully Submitted

Alice Fredericks
Council member, Town of Tiburon
Director, GGBHTD

Pursuant to Charter, Section 4.101(a)(1), please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

The Excelsior, my home of more than thirty years and one of the City's last working-class neighborhoods, has relatively little representation on boards and commissions. I lead also an organization that has stood for the rights of workers in the City for 121 years. While I am Caucasian, my family is as diverse as imaginable. My wife is American-born Chinese, my two sons half Chinese. My late stepfather was Mexican, from Mexico City. I have a brother-in-law from Puerto Rico, and had another from Togo, who gave me a half-Togolese niece. I officiated the wedding of my older sister to her long-time lesbian partner, a Uruguayan Jew. I have Arab and Vietnamese nieces-in-law. These are the people I love, and our family is the future of the nation and the present of the City.
