9
10 Section 2. The Planning Code is hereby amended by revising Section 724, to read as
11 follows:

12 **SEC. 724. SACRAMENTO STREET NEIGHBORHOOD COMMERCIAL DISTRICT.**

13 Located in the Presidio Heights neighborhood in north-central San Francisco, the
14 Sacramento Street Neighborhood Commercial District functions as a small-scale linear
15 shopping area. It extends along Sacramento Street between Lyon and Spruce *Streets*.
16 Interspersed among residential buildings and garages, the district's daytime-oriented retail
17 stores provide a limited array of convenience goods to the immediate neighborhood.
18 Sacramento Street also has many elegant clothing, accessory, and antique stores and
19 services, such as hair salons, which attract customers from a wider trade area. Its numerous
20 medical and business offices draw clients from throughout the City. Evening activity in the
21 district is limited to one movie theater, a few restaurants, and some stores near Presidio
22 Avenue.

23 The Sacramento Street District controls are designed to promote adequate growth
24 opportunities for development that is compatible with the surrounding low-density residential
25 neighborhood. The building standards monitor large-scale development and protect rear yards

1 at the grade level and above. Most new commercial development is permitted at the first
 2 story; general retail uses are permitted at the second story only if such use would not involve
 3 conversion of any existing housing units. Special controls are designed to protect existing
 4 neighborhood-serving ground-story retail uses. New medical service uses are prohibited at all
 5 stories ~~except a change of use is permitted on the first story or below from a business or professional~~
 6 ~~service use to medical service use under certain circumstances.~~ Personal and business services are
 7 restricted at the ground story and prohibited on upper stories. Limits on new ground-story
 8 eating and drinking uses, as well as new entertainment and financial service uses, are
 9 intended to minimize the environmental impacts generated by the growth of such uses. The
 10 daytime orientation of the district is encouraged by prohibiting bars and restricting late-night
 11 commercial activity. New hotels and parking facilities are limited in scale and operation to
 12 minimize disruption to the neighborhood. Most new automobile and drive-up uses are
 13 prohibited to promote continuous retail frontage.

14 Housing development in new buildings is encouraged above the second story. Existing
 15 residential units are protected by limitations on demolitions and prohibitions of upper-story
 16 conversions.
