2. Acquisition and Construction of the Project. The Owner hereby represents, as of the date hereof, and covenants, warrants and agrees as follows:

(a) The Owner has incurred, or will incur within six months after the Closing Date, a substantial binding obligation to commence the construction of the Project, pursuant to which the Owner is or will be obligated to expend at least the lesser of (i) two and one-half percent (2.5%) of the aggregate principal amount of the Note or (ii) \$100,000.

(b) The Owner's reasonable expectations respecting the total cost of acquisition and construction of the Project and the disbursement of Note proceeds are accurately set forth in the Tax Certificate, which has been delivered to the City on the Closing Date.

(g) Money on deposit in any fund or account in connection with the Note, whether or not such money was derived from other sources, shall not be used by or under the direction of the Owner in a manner which would cause the Note to be an "arbitrage bond" within the meaning of Section 148 of the Code, and the Owner specifically agrees that the investment of money in any such fund shall be restricted as may be necessary to prevent the Note from being an "arbitrage bond" under the Code.

(h) The Owner (and any person related to it within the meaning of Section 147(a)(2) of the Code) will not take or omit to take any action if such action or omission would in any way cause the proceeds from the execution and delivery of the Note to be applied in a manner contrary to the requirements of the Funding Loan Agreement, the Borrower Loan Agreement, or this Regulatory Agreement.

(i) On or concurrently with the final draw by the Owner of amounts representing proceeds of the Note, the expenditure of such draw, when added to all previous disbursements representing proceeds of the Note, will result in not less than ninety-five percent (95%) of all disbursements of Note proceeds having been used to pay or reimburse the Owner for Qualified Project Costs and less than twenty-five percent (25%) of all disbursements having been used to pay for the acquisition of land or any interest therein.

(j) The statements made in the various certificates delivered by the Owner to the City on the Closing Date are true and correct.

(k) All of the amounts received by the Owner from the proceeds of the Note and earnings from the investment of such proceeds will be used to pay Project Costs; and no more than two percent (2%) of the proceeds of the Note shall be used to pay the execution and delivery costs of the Note, within the meaning of Section 147(g) of the Code.

(l) The Owner will not knowingly take or permit, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the exclusion from gross income for federal income tax purposes of the Holders of the Note (other than with respect to interest on any portion thereof for a period during which such portion is held by a "substantial

user” of any facility financed with the proceeds of the Note or a “related person,” as such terms are used in Section 147(a) of the Code), and, if it should take or permit, or omit to take or cause to be taken, any such action, it will take all lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge thereof.

(m) The Owner will take such action or actions as may be necessary, in the written opinion of Tax Counsel to the City, to comply fully with the Act, the Code and all applicable rules, rulings, policies, procedures, Regulations or other official statements promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service to the extent necessary to maintain the exclusion from gross income for federal income tax purposes of the Holder(s) of the Note (other than with respect to interest on any portion of thereof for a period during which such portion is held by a “substantial user” of any facility financed with the proceeds of the Note or a “related person,” as such terms are used in Section 147(a) of the Code).

3. Qualified Residential Rental Property. The Owner hereby acknowledges and agrees that the Project will be owned, managed and operated as a “qualified residential rental project” (within the meaning of Section 142(d) of the Code). The City hereby elects to have the Project meet the requirements of Section 142(d)(1)(B) of the Code and the Owner hereby elects to comply with Section 142(d)(1)(B) of the Code. To that end, and for the term of this Regulatory Agreement, the Owner hereby represents, as of the date hereof, and covenants, warrants and agrees as follows:

(a) The Project is being acquired and constructed for the purpose of providing affordable senior multifamily residential rental property, and the Owner shall own, manage and operate the Project as a project to provide multifamily residential rental property comprised of a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities, in accordance with applicable provisions of Section 142(d) of the Code and Section 1.103-8(b) of the Regulations, and the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time.

(b) All of the residential dwelling units in the Project will be similarly constructed units, and, to the extent required by the Code and the Regulations, each residential dwelling unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range (which may be a countertop cooking range), refrigerator and sink.

(c) None of the residential dwelling units in the Project will at any time be used on a transient basis (e.g., subject to leases that are less than thirty (30) days duration) (including use as a corporate suite), or be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, rest home, retirement house or trailer court or park.

(d) No part of the Project will at any time be owned as a condominium or by a cooperative housing corporation, nor shall the Owner take any steps in connection with a

conversion to such ownership or uses. Other than obtaining a final subdivision map on the Project and a Final Subdivision Public Report from the California Department of Real Estate, the Owner shall not take any steps in connection with a conversion of the Project to a condominium ownership except with the prior written opinion of Tax Counsel that the interest on the Note will not become taxable thereby under Section 103 of the Code.

(e) All of the residential dwelling units in the Project will be available for rental on a continuous basis to members of the general public and the Owner will not give preference to any particular class or group in renting the residential dwelling units in the Project, except to the extent required, by (i) this Regulatory Agreement, (ii) any regulatory or restrictive use agreement to which the Project is subject pursuant to Section 42 of the Code, (iii) any additional tenant income and rent restrictions imposed by any other federal, State or local governmental agencies, (iv) the Ground Lease and (v) any other legal or contractual requirement not excepted by clauses (i) through (iv) of this paragraph, upon receipt by the Owner, the Trustee and the City of an opinion of Tax Counsel to the effect that compliance with such other requirement will not adversely affect the tax-exempt status of interest on the Bonds.

(f) The Site consists of a parcel or parcels that are contiguous and all of the Facilities will comprise a single geographically and functionally integrated project for residential rental property, as evidenced by the ownership, management, accounting and operation of the Project.

(g) No residential dwelling unit in the Project shall be occupied by the Owner. Notwithstanding the foregoing, if the Project contains five or more residential dwelling units, this subsection shall not be construed to prohibit occupancy of residential dwelling units by one or more resident managers or maintenance personnel any of whom may be the Owner; provided that the number of such managers or maintenance personnel is not unreasonable given industry standards in the area for the number of residential dwelling units in the Project.

(h) The Owner shall not discriminate on the basis of race, creed, religion, color, sex, source of income (*e.g.*, AFDC, Section 8 or SSI), physical disability (including HIV/AIDS), age (except as required by the provisions of the Ground Lease), national origin, ancestry, marital or domestic partner status, sexual preference or gender identity in the rental, lease, use or occupancy of the Project or in connection with the employment or application for employment of persons for the construction, operation and management of the Project, except to the extent required hereby.

(i) Should involuntary noncompliance with the provisions of Section 1.103-8(b) of the Regulations be caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in a federal law or an action of a federal agency after the Closing Date which prevents the City from enforcing the requirements of the Regulations, or condemnation or similar event, the Owner covenants that, within a "reasonable period" determined in accordance with the Regulations, it will either prepay the Note or, if permitted under the provisions of the Mortgage and the Funding Loan Agreement, apply any

proceeds received as a result of any of the preceding events to reconstruct the Project to meet the requirements of Section 42(d) of the Code and the Regulations.

(j) The Owner agrees to maintain the Project, or cause the Project to be maintained, during the term of this Regulatory Agreement (i) in a reasonably safe condition and (ii) in good repair and in good operating condition, ordinary wear and tear excepted, making from time to time all necessary repairs thereto and renewals and replacements thereof such that the Project shall be in substantially the same condition at all times as the condition it is in at the time of the completion of the construction of the Project with the proceeds of the Note. Notwithstanding the foregoing, the Owner's obligation to repair or rebuild the Project in the event of casualty or condemnation shall be subject to the terms of the Borrower Loan Agreement and the Mortgage.

(k) The Project will have one hundred twenty-one (121) residential dwelling units of which one (1) unit will be a manager's unit and the balance will be Restricted Units.

(l) The Owner will not sell dwelling units within the Project.

4. Restricted Units. The Owner hereby represents, as of the date hereof, and warrants, covenants and agrees as follows:

(a) Income and Rent Restrictions. In addition to the requirements of Section 5, hereof, the Project shall comply with the income and rent restrictions of this Section 4(a), and any conflict or overlap between any two or more of such provisions shall be resolved in favor of the most restrictive of such provisions.

(i) Restricted Units. All of the Restricted Units in the Project shall be Very Low Income Units and shall be rented to and continuously occupied by households who qualify as Very Low Income Tenants, as set forth in the below chart:

Unit Type	Number of Units	Maximum Percentage of Median Income for the Area (AMI)
1 BR	50	50%
1 BR	67	30%
2 BR	3	50%
Total Units	120	

(ii) The monthly rent charged for all the Very Low Income Units shall not exceed one-twelfth of the amount obtained by multiplying 30% times the applicable Maximum Percentage of Median Income for the Area set forth in the above chart. For the avoidance of doubt, the monthly rent referenced in the preceding sentence does not include any assistance to the Project provided under Section 8 of the Housing Act.

(iii) [Reserved.]

(iv) Income Restrictions Pursuant to the Code. Pursuant to the requirements of Section 142(d) of the Code, for the Qualified Project Period, not less than forty

percent (40%) of the total number of completed units in the Project, or forty-nine (49) units, shall be designated as affordable units and during the Qualified Project Period shall be rented to and continuously occupied by Tenants whose Adjusted Income does not exceed sixty percent (60%) of the lower of City Median Income or Median Income for the Area; provided, however, if all the occupants of a unit are students (as defined under Section 152(f)(2) of the Code), no one of whom is entitled to file a joint return under Section 6013 of the Code, such occupants shall not be qualified Tenants pursuant to this sentence. The Owner shall satisfy the requirements of this Section 4(a)(iii) by complying with the requirements of Section 4(a)(i), to the extent such compliance meets the requirements of Section 142(d)(1)(B) of the Code.

(v) Income and Rent Restrictions Pursuant to the Act. Pursuant to the requirements of Section 52080(a)(1)(B) of the Housing Law, for the Qualified Project Period, not less than forty percent (40%) of the total number of completed units in the Project, or forty-nine (49) units, shall be designated as affordable units and during the Qualified Project Period shall be rented to and continuously occupied by Tenants whose Adjusted Income does not exceed sixty percent (60%) of the lower of City Median Income or Median Income for the Area; provided, however, if all the occupants of a unit are students (as defined under Section 152(f)(2) of the Code), no one of whom is entitled to file a joint return under Section 6013 of the Code, such occupants shall not be qualified Tenants pursuant to this sentence. Pursuant to the requirements of the Section 52080(a)(1)(B) of the Housing Law, the monthly rent charged for such units shall not exceed one-twelfth of the amount obtained by multiplying 30% times 60% of the Median Income for the Area. The Owner shall satisfy the requirements of this Section 4(a)(iv) by complying with the requirements of Section 4(a)(i), to the extent such compliance meets the requirements of Section 52080(a)(1)(B) of the Housing Law.

(vi) CDLAC Requirements. To the extent the income and rent restrictions contained in the CDLAC Requirements are more restrictive, the Owner shall comply with the CDLAC Requirements.

(b) Over-Income Tenants. Notwithstanding the foregoing provisions of Section 4(a), no Tenant qualifying as a Low Income Tenant upon initial occupancy shall be denied continued occupancy of a Restricted Unit in the Project because, after admission, the aggregate Adjusted Income of all Tenants in the Restricted Unit increases to exceed the qualifying limit for such Restricted Unit.

However, should the aggregate Adjusted Income of Tenants in a Restricted Unit, as of the most recent determination thereof, exceed one hundred forty percent (140%) of the applicable income limit for such Restricted Unit occupied by the same number of Tenants, the next available unit of comparable or smaller size must be rented to (or held vacant and available for immediate occupancy by) a Low Income Tenant. The unit occupied by such Tenants whose aggregate Adjusted Income exceeds such applicable income limit shall continue to be treated as occupied by a Low Income Tenant for purposes of the requirements of Section 4(a) hereof unless and until an Available Unit of comparable or smaller size is rented to persons other than Low Income Tenants. Moreover, a unit previously occupied by a Low Income Tenant and then vacated shall be considered occupied by a Low Income Tenant until reoccupied, other than a reoccupation for a temporary period, at which time the character of the unit shall be re-determined. In no event shall such temporary period exceed thirty-one (31) days. The parties

agree that this paragraph shall have no practical effect because 120 of the units in the Project are required to be Restricted Units pursuant to Section 4(a).

(c) Income Certifications. The Owner will obtain, complete and maintain on file an Income Certification Form for each Tenant (i) immediately prior to the initial occupancy of a Restricted Unit by such Tenant, and (ii) thereafter, annually, in each case in the form attached hereto as Exhibit B, together with such information, documentation and certifications as are required therein or by the City, in its discretion, to substantiate the Tenant's Income Certification Form. In addition, the Owner will provide such further information as may be required in the future by the State, the City (on a reasonable basis), the Program Administrator and by the Act, Section 142(d) of the Code or the Treasury Regulations, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to obligations issued under Section 142(d) of the Code.

(d) Certificate of Continuing Program Compliance. Upon the commencement of the Qualified Project Period, and on each February 1st thereafter (or such other date as shall be requested in writing by the City or the Program Administrator) during the term of this Regulatory Agreement, the Owner shall advise the Program Administrator of the status of the occupancy of the Project by delivering to the Program Administrator (with a copy to the Fiscal Agent) a Certificate of Continuing Program Compliance (a form of which is attached hereto as Exhibit D). The Owner shall also timely provide to the City such information as is requested by the City to comply with any reporting requirements applicable to it with respect to the Note or the Project under any federal or State law or regulation, including without limitation, CDLAC regulations.

(e) Recordkeeping. The Owner will maintain complete and accurate records pertaining to the Restricted Units, and will permit any duly authorized representative of the City, the Program Administrator (if other than the City), the Fiscal Agent, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Owner pertaining to the Project upon reasonable notice during normal business hours, including those records pertaining to the occupancy of the Restricted Units, but specifically excluding any material which may be legally privileged.

(f) Annual Certification to Secretary of Treasury. The Owner shall submit to the Secretary of the Treasury annually on or before March 31 of each year, or such other date as is required by the Secretary of the Treasury, a completed Internal Revenue Service Form 8703, and shall provide a copy of each such form to the Program Administrator and the Fiscal Agent. Failure to comply with the provisions of this paragraph will subject the Owner to penalty, as provided in Section 6652(j) of the Code.

(g) Lease Provisions Regarding Income Certification Reliance. All leases pertaining to Restricted Units do and shall contain clauses, among others, wherein each Tenant who occupies a Restricted Unit: (1) certifies the accuracy of the statements made in the Income Certification; (2) agrees that the family income and other eligibility requirements shall be deemed substantial and material obligations of the tenancy of such Tenant, that such Tenant

will comply promptly with all requests for information with respect thereto from the Owner or the Program Administrator on behalf of the City, and that the failure to provide accurate information in the Income Certification or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of the tenancy of such Tenant; (3) acknowledges that the Owner has relied on the Income Certification and supporting information supplied by the Tenant in determining qualification for occupancy of the Restricted Unit, and that any material misstatement in such certification (whether intentional or otherwise) will be cause for immediate termination of such lease or rental agreement; and (4) agrees that the Tenant's income is subject to annual certification in accordance with Section 4(c) hereof and that failure to cooperate with the annual recertification process reasonably instituted by the Owner pursuant to Section 4(d) above may provide grounds for termination of the lease.

(h) Maintenance of Tenant Lists and Applications. All tenant lists, applications and waiting lists relating to the Project shall at all times be kept separate and identifiable from any other business which is unrelated to the Project and shall be maintained, as required from time to time by the Program Administrator on behalf of the City, in a reasonable condition for proper audit and subject to examination during normal business hours by representatives of the Project, the City or the Fiscal Agent. Failure to keep such lists and applications or to make them available to the City or the Fiscal Agent shall be a default hereunder.

(i) Tenant Lease Subordination. All tenant leases or rental agreements shall be subordinate to this Regulatory Agreement.

(j) No Encumbrance, Demolition or Non-Rental Residential Use. The Owner shall not take any of the following actions:

(i) encumber any portion of the Project or grant commercial leases of any part thereof, or permit the conveyance, transfer or encumbrance of any part of the Project (except for apartment leases), except (i) pursuant to the provisions of this Regulatory Agreement and on a basis subordinate to the provisions of this Regulatory Agreement, to the extent applicable, (ii) upon receipt by the Owner, the Fiscal Agent and the City of an opinion of Tax Counsel that such action will not adversely affect the tax-exempt status of interest on the Bonds, (iii) for approximately 14,000 square feet of the Project located on the ground floor of the Project which will be subleased for use as a senior center or (iv) upon a sale, transfer or other disposition of the Project in accordance with the terms of this Regulatory Agreement;

(ii) demolish any part of the Project or substantially subtract from any real or personal property of the Project (other than in the ordinary course of business); or

(iii) permit the use of the dwelling accommodations of the Project for any purpose except rental residences.

(k) Compliance with Regulatory Agreement. The Owner shall exercise reasonable diligence to comply with the requirements of this Regulatory Agreement and shall notify the City within fifteen (15) days and correct any noncompliance within sixty (60) days

after such noncompliance is first discovered or would have been discovered by the exercise of reasonable diligence, unless such noncompliance is not reasonably susceptible to correction within sixty (60) days, in which event the Owner shall have such additional time as may be reasonably necessary to effect such correction provided the Owner has commenced such correction after discovery and is diligently prosecuting such correction.

5. Additional Requirements of the City.

(a) Minimum Lease Term. The term of the lease for any Restricted Unit shall be not less than one (1) year.

(b) Limitation on Rent Increases. Annual rent increases on a Restricted Unit shall be limited to the percentage of the annual increase in the City Median Income or the Median Income for the Area, as applicable, for that Unit. Rent increases which are permitted but not made in a given year may not be carried forward and made in any subsequent year.

(c) Appointment of Program Administrator. The Owner acknowledges that the City may appoint a Program Administrator (other than the City), at the sole cost and expense of the City, to administer this Regulatory Agreement and to monitor performance by the Owner of the terms, provisions and requirements hereof. In such event, the Owner shall comply with any reasonable request by the City to deliver to any such Program Administrator, in addition to or instead of the City, any reports, notices or other documents required to be delivered pursuant hereto, and to make the Project and the books and records with respect thereto available for inspection during normal business hours with reasonable notice by the Program Administrator as an agent of the City. The Owner shall have the right to rely on any consent or direction given by the Program Administrator on the same basis as if given by the City.

(d) Management Agent. The Owner shall not enter into any agreement providing for the management or operation of the Project with any party other than McCormack Baron Ragan Management Services, Inc., a Missouri corporation, without the prior written consent of the City, which consent shall not be unreasonably withheld or delayed.

(e) Certificate of Preference Program. To the fullest extent permitted by law, the Owner shall comply with the City's Certificate of Preference Program pursuant to San Francisco Administrative Code Section 24.8, to the extent such compliance is not in conflict with any other requirements imposed on the Project pursuant to Section 142(d) of the Code, the Act, the CDLAC Resolution, or CTCAC.

(f) Nondiscrimination Based on Section 8, Household Size, or Source of Income. The Owner shall accept as tenants, on the same basis as all other prospective tenants, persons who are recipients of federal certificates or vouchers for rent subsidies pursuant to the existing program under Section 8 of the Housing Act, or any successor program or similar State or local governmental assistance program. The Owner shall not apply selection criteria to Section 8 certificate or voucher holders that are more burdensome than criteria applied to all other prospective tenants and the Owner shall not refuse to rent to any tenant on the basis of household size as long as such household size does not exceed two (2) persons for a studio

unit; three (3) persons for a one-bedroom unit; five (5) persons for a two-bedroom unit and seven (7) persons for a three-bedroom unit. The Owner shall not collect any additional fees or payments from such a tenant except security deposits or other deposits required of all tenants. The Owner shall not collect security deposits or other deposits from Section 8 certificate or voucher holders in excess of that allowed under the Section 8 program. The Owner shall not discriminate against tenant applicants on the basis of legal source of income (*e.g.*, TANF, Section 8 or SSI), and the Owner shall consider a prospective tenant's previous rent history of at least one year as evidence of the ability to pay the applicable rent (*i.e.*, ability to pay shall be demonstrated if such a tenant can show that the same percentage or more of the tenant's income has been consistently paid on time for rent in the past as will be required to be paid for the rent applicable to the unit to be occupied, provided that such tenant's expenses have not increased materially).

(g) Overincome Provisions after Expiration of Qualified Project Period. Notwithstanding the provisions of Section 4(b), from and after the expiration of the Qualified Project Period, in the event that Owner's certification of the Very Low Income Tenant's income, pursuant to Section 4(c), indicates that the Very Low Income Tenant's income exceeds one hundred twenty percent (120%) of the Median Income for the Area, the Owner shall terminate such lease upon one hundred twenty (120) days' prior written notice to the Tenant, and the lease for each Restricted Unit shall contain a statement to the foregoing effect. Notwithstanding the foregoing, the Owner shall not be required to terminate the Very Low Income Tenant's lease if any regulation or statute governing the Project or the financing thereof prohibits the termination of the Tenant's lease in this manner.

(h) Consideration for Restrictions. It is hereby acknowledged and agreed that any restrictions imposed on the operation of the Project herein and which are in addition to those imposed pursuant to Section 142(d) of the Code or the Act are at the request of the Owner, and that the Owner has voluntarily agreed to such additional restrictions in order to obtain financial assistance from the City and an allocation of private activity bond volume cap from CDLAC.

(i) Marketing Plan. Owner will market the Restricted Units in accordance with the marketing plan approved by the City, if any.

(j) Extension of Qualified Project Period. Notwithstanding any other provision herein, the Qualified Project Period shall not expire earlier than, and the requirements of this Section 5 shall be in effect until, the date that is fifty-five (55) years after the Closing Date.

6. Amendment or Waiver by City; Conflicting Provisions. The requirements of Section 4(a)(i) and of Section 5 hereof may be amended, modified or waived (but not increased or made more onerous), at the City's sole discretion, by written amendment signed by the City and the Owner, or expressly waived by the City in writing, but no such waiver by the City shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement except to the extent the City and the Fiscal Agent have received an opinion of Tax Counsel to the effect that any such provision is not required by the Code or the Act and may be waived without adversely affecting the tax exempt status of interest on the Note. Any requirement of

Section 4(a)(i) or Section 5 shall be void and of no force and effect if the City, the Fiscal Agent and the Owner receive a written opinion of Tax Counsel to the effect that compliance with such requirement would be in conflict with the Act or any other applicable state or federal law.

7. Additional Requirements of State Law. In addition to the requirements set forth above, the Owner hereby agrees that it shall also comply for the term of this Agreement set forth in Section 13 hereof with each of the following requirements of Section 52080 of the Housing Law:

(a) Tenants Under Section 8 of the Housing Act. The Owner shall accept as tenants, on the same basis as all other prospective tenants, low-income persons who are recipients of federal certificates or vouchers for rent subsidies pursuant to the existing program under Section 8 of the Housing Act, and shall not permit any selection criteria to be applied to Section 8 certificate or voucher holders that is more burdensome than the criteria applied to all other prospective tenants.

(b) Availability on Priority Basis. The units reserved for occupancy as required by Section 4(a)(v) shall remain available on a priority basis for occupancy at all times.

(c) Binding Covenants and Conditions. The covenants and conditions of this Regulatory Agreement shall be binding upon successors in interest of the Owner.

(d) Recordation of Regulatory Agreement. This Regulatory Agreement shall be recorded in the office of the county recorder of the City and County of San Francisco, California, and shall be recorded in the grantor-grantee index under the names of the Owner as grantor and to the name of the City as grantee.

(e) Low Income Units of Comparable Quality. The Low Income Units shall be of comparable quality and offer a range of sizes and number of bedrooms comparable to those units which are available to other tenants and shall be distributed throughout the Project. Notwithstanding the foregoing, the parties agree that this Section 7(e) shall have no practical effect because one hundred percent (100%) of the Available Units in the Project are required to be Restricted Units pursuant to Section 4.

(f) Availability Following Expiration of Qualified Project Period. Following the expiration or termination of the Qualified Project Period, except in the event of foreclosure, repayment of the Note, deed in lieu of foreclosure, eminent domain, or action of a federal agency preventing enforcement, units reserved for occupancy as required by Section 4(a)(v) shall remain available to any eligible Tenant occupying a Low Income Unit at the date of such expiration or termination, at the rent determined by Section 4(a)(v), until the earliest of (1) the household's income exceeds one hundred forty percent (140%) of the maximum eligible income specified herein, (2) the household voluntarily moves or is evicted for good cause, as defined in the Housing Law, (3) fifty-five (55) years after the date of the commencement of the Qualified Project Period, or (4) the Owner pays the relocation assistance and benefits to households as provided in Section 7264(b) of the California Government Code.

(g) Availability Preceding Expiration of Qualified Project Period. During the three (3) years prior to the later of (i) the expiration of the Qualified Project Period or (ii)

the date that is fifty-five (55) years after the date of commencement of the Qualified Project Period, the Owner shall continue to make available to eligible households reserved units that have been vacated to the same extent that non-reserved units, if any, are made available to non-eligible households.

(h) Notice and Other Requirements. The Owner shall comply with all applicable requirements of Section 65863.10 of the California Government Code, including the requirements for providing notices in Sections (b), (c), (d) and (e) thereof, and shall comply with all applicable requirements of Section 65863.11 of the California Government Code.

(i) Syndication of the Project. As provided in Section 52080(e) of the Housing Law, the City hereby approves the syndication of tax credits with respect to the Project, pursuant to Section 42 of the Code, to the Investor Limited Partner, or any affiliate thereof or successor thereto, pursuant to the terms of the Owner's Partnership Agreement. Any syndication of tax credits with respect to the Project to an affiliate of the Investor Limited Partner shall not require the prior written approval of the City if the Owner's Partnership Agreement will not be amended, modified or supplemented in connection with such syndication except to reflect such transfer of limited partnership interests. The Co-General Partner shall certify to the City that no other amendment, modification or supplement to the Owner's Partnership Agreement will be effected in connection with such syndication, together with copies of any assignments of limited partnership interests and any other syndication documents. Any other syndication of the Project shall be subject to the prior written approval of the Director of the Mayor's Office of Housing of the City, which approval shall be granted only after the City reasonably determines that the terms and conditions of such syndication (1) shall not reduce or limit any of the requirements of the Act or regulations adopted or documents executed pursuant to the Act, (2) shall not cause any of the requirements of the City set forth in this Section 7 hereof to be subordinated to the syndication agreement, and (3) shall not result in the provision of fewer assisted units, or the reduction of any benefits or services, than were in existence prior to the syndication agreement.

8. CDLAC Requirements. The Owner hereby agrees that the construction, equipping and operation of the Project and the financing thereof is and shall be in compliance with the conditions set forth in Exhibit A of CDLAC Resolution No. [\_\_\_\_\_] adopted on November 13, 2013, attached hereto as Exhibit F (the "CDLAC Resolution"), which conditions are incorporated herein by reference and are made a part hereof. The Owner shall annually on each anniversary of the Closing Date, and as otherwise requested by CDLAC, prepare and submit to the City a Certificate of Compliance in substantially the form attached hereto as Exhibit G, executed by an Authorized Owner Representative.

9. Indemnification. The Owner hereby releases the City, the Funding Lender and their respective officers, members, directors, officials and employees from, and covenants and agrees to indemnify, hold harmless and defend the City and the Funding Lender and the officers, members, directors, officials, agents and employees of each of them (collectively, the "Indemnified Parties," and each an "Indemnified Party") from and against any and all claims, losses, costs, damages, demands, expenses, taxes, suits, judgments, actions and liabilities of whatever nature, joint and several (including, without limitation, costs of investigation, reasonable attorneys' fees, litigation and court costs, amounts paid in settlement, and amounts

paid to discharge judgments), directly or indirectly (a) by or on behalf of any person arising from any cause whatsoever in connection with transactions contemplated hereby or otherwise in connection with the Project, the Note, or the execution or amendment of any document relating thereto; (b) arising from any cause whatsoever in connection with the approval of financing for the Project or the making of the Loan or otherwise, including without limitation, any advances of the Loan, or any failure by the Funding Lender, as defined in the Funding Loan Agreement, to make any advance thereunder; (c) arising from any act or omission of the Owner or any of its agents, servants, employees or licensees, in connection with the Loan or the Project; (d) arising in connection with the issuance and sale, resale or reissuance of any bonds or any certifications or representations made by any person other than the City or the party seeking indemnification in connection therewith and the carrying out by the Owner of any of the transactions contemplated by the Funding Loan Agreement, the Loan Agreement and this Regulatory Agreement; (e) arising in connection with the operation of the Project, or the conditions, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation, or construction of, the Project or any part thereof; and (f) arising out of or in connection with the exercise by the Funding Lender or the Servicer of their powers or duties under the Funding Loan Agreement, the Loan Agreement, this Regulatory Agreement or any other agreements in connection therewith to which either of them is a party; provided, however, that this provision shall not require the Owner to indemnify (i) the Funding Lender from any claims, costs, fees, expenses or liabilities arising from the negligence or willful misconduct of the Funding Lender, or (ii) the City for any claims, costs, fees, expenses or liabilities arising solely from the willful misconduct of the City. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Owner, upon written notice from the Indemnified Party, shall assume the investigation and defense thereof, including the engagement of counsel selected by the Indemnified Party; and the Owner shall assume the payment of all reasonable fees and expenses related thereto, with full power to litigate, compromise or settle the same in its discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and to participate in the investigation and defense thereof. The Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party may only employ separate counsel at the expense of the Borrower if and only if in such Indemnified Party's good faith judgment (based on the advice of counsel) a conflict of interest exists or could arise by reason of common representation. Notwithstanding the foregoing, no indemnification obligation shall give rise to an obligation to pay principal and interest on the Loan, which is not otherwise set forth in the Funding Loan Documents, as defined in the Funding Loan Agreement, the Note or any other agreement relating to the Note.

The Owner also shall pay and discharge and shall indemnify and hold harmless the City and the Funding Lender from (i) any lien or charge upon payments by the Owner to the City and the Funding Lender hereunder and (ii) any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges in respect of any portion of the Project. If any such claim is asserted, or any such lien or charge upon payments, or any such taxes, assessments, impositions or other charges, are sought to be imposed, the City or the Funding Lender shall give prompt notice to the Owner, and the Owner shall have the sole right and duty to assume, and will assume, the defense thereof, including the employment of counsel

approved by the Indemnified Party in such party's reasonable discretion, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its discretion; provided that the City and the Funding Lender shall have the right to review and approve or disapprove any such compromise or settlement. If a potential conflict exists between Owner's defense and the interests of any Indemnified Party, then such Indemnified Party shall have the right to engage separate counsel in any such action or proceeding and participate in the investigation and defense thereof, and the Owner shall pay the reasonable fees and expenses of such separate counsel.

Notwithstanding any transfer of the Project to another Owner in accordance with the provisions of Section 12 of this Regulatory Agreement, the Owner shall remain obligated to indemnify the City pursuant to this Section 9 if such subsequent Owner fails to so indemnify the City, unless at the time of transfer the City has consented to the transfer to the extent such consent is required hereunder.

The provisions of this Section 9 shall survive the term of the Note and this Regulatory Agreement.

The obligations of the Owner under this Section are independent of any other contractual obligation of the Owner to provide indemnity to the Indemnified Parties or otherwise, and the obligation of the Owner to provide indemnity hereunder shall not be interpreted, construed or limited in light of any other separate indemnification obligation of the Owner. The Indemnified Parties shall be entitled simultaneously to seek indemnity under this Section and any other provision under which it is entitled to indemnity.

In addition thereto, the Owner will pay upon demand all of the fees and expenses paid or incurred by the Indemnified Parties in enforcing the provisions hereof.

10. Consideration. The City has executed the Note and delivered the Loan to provide funds for the purpose of financing the Project, all for the purpose, among others, of inducing the Owner to acquire, construct, equip and operate the Project. In consideration of the making of the Loan by the City, the Owner has entered into this Regulatory Agreement and has agreed to restrict the use of the Project on the terms and conditions set forth herein.

11. Reliance. The City and the Owner hereby recognize and agree that the representations, warranties, covenants and agreements set forth herein may be relied upon by all persons interested in the legality and validity of the Note, and in the exclusion from gross income for federal income tax purposes of the interest on the Note. In performing its duties and obligations hereunder, the City may rely upon statements and certificates of the Owner, the Low Income Tenants, and upon audits of the books and records of the Owner pertaining to the Project. In addition, the City may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the City hereunder in good faith and in conformity with such opinion.

12. Sale or Transfer of the Project. The Owner intends to hold the Project for its own account, has no current plans to sell, transfer or otherwise dispose of the Project (except in accordance with the option granted pursuant to Section [\_\_\_] of the Partnership Agreement),

and hereby covenants and agrees not to sell, transfer or otherwise dispose of the Project, or any portion thereof (other than for individual tenant use as contemplated hereunder and/or pursuant to the aforementioned option) or interest therein, including any interest in the Owner, without obtaining the prior written consent of the City, which consent shall not be unreasonably withheld, and receipt by the City of (i) evidence satisfactory to the City that the Owner's purchaser or transferee has assumed in writing and in full, the Owner's duties and obligations under this Regulatory Agreement, (ii) an opinion of counsel of the transferee that the transferee has duly assumed the obligations of the Owner under this Regulatory Agreement and that such obligations and this Regulatory Agreement are binding on the transferee, (iii) evidence acceptable to the City that either (A) the purchaser or assignee has experience in the ownership, operation and management of rental housing projects in the City such as the Project without any record of material violations of discrimination restrictions or other state or federal laws or regulations applicable to such projects, or (B) the purchaser or assignee agrees to retain a property management firm with the experience and record described in subparagraph (A) above or (C) if the purchaser or assignee does not have management experience, the City may cause the Program Administrator to provide on-site training in program compliance if the City determines such training is necessary, (iv) evidence satisfactory to the City that no event of default exists under this Regulatory Agreement, the Loan Agreement or any document related to the Loan, and payment of all fees and expenses of the City and the Fiscal Agent due under any of such documents is current, and (v) an opinion of Tax Counsel to the effect that such transfer will not, in itself, cause interest on the Note to become includable in the gross income of the recipients thereof for federal income tax purposes. It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the Project in violation of this Section 12 shall be null, void and without effect, shall cause a reversion of title to the Owner, and shall be ineffective to relieve the Owner of its obligations under this Regulatory Agreement. Nothing in this Section 12 shall affect any provision of any other document or instrument between the Owner and any other party which requires the Owner to obtain the prior written consent of such other party in order to sell, transfer or otherwise dispose of the Project. Not less than sixty (60) days prior to consummating any sale, transfer or disposition of any interest in the Project, the Owner shall deliver to the City a notice in writing explaining the nature of the proposed transfer. Notwithstanding the foregoing, the provisions of this Section 12 shall not apply, and the consent of the City shall not be required, to the transfer of all or any portion of (a) the limited partner interest of the Investor Limited Partner (which is instead subject to paragraph (i) of Section 7), (b) the Co-General Partner interest to an affiliate of the Co-General Partner, (c) the Managing General Partner interest to an affiliate of the Managing General Partner, or (d) the removal and replacement, pursuant to the Owner's Partnership Agreement, of a General Partner with an affiliate of the Investor Limited Partner for a period not to exceed ninety (90) days.

13. Term. Subject to the following paragraph of this Section 13, Section 8 hereof and to any other provision expressly agreed herein to survive the termination of this Regulatory Agreement, this Regulatory Agreement and all of the terms hereof shall become effective upon its execution and delivery and shall remain in full force and effect for the longer of (a) the Qualified Project Period or (b) fifty-five (55) years after the date on which at least fifty percent (50%) of the units in the Project are first occupied.

The terms of this Regulatory Agreement to the contrary notwithstanding, the requirements of this Regulatory Agreement shall terminate and be of no further force and effect

in the event of (i) involuntary noncompliance with the provisions of this Regulatory Agreement caused by fire, seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date, which prevents the City from enforcing such provisions, or (ii) foreclosure, exercise of power of sale, transfer of title by deed in lieu of foreclosure, or condemnation or a similar event, but only if, in case of the events described in either clause (i) or (ii) above, within a reasonable period, either the Note is retired or amounts received as a consequence of such event are used to provide a project that meets the requirements hereof; provided, however, that the preceding provisions of this sentence shall cease to apply and the restrictions contained herein shall be reinstated if, at any time subsequent to the termination of such provisions as the result of the foreclosure, exercise of power of sale, or the delivery of a deed in lieu of foreclosure or a similar event, the Owner or any related person (within the meaning of Section 1.103-10(e) of the Regulations) obtains an ownership interest in the Project for federal income tax purposes. The Owner hereby agrees that, following any foreclosure, exercise of power of sale, transfer of title by deed in lieu of foreclosure or similar event, neither the Owner nor any such related person as described above will obtain an ownership interest in the Project for federal tax purposes. Notwithstanding any other provisions of this Regulatory Agreement to the contrary, this entire Regulatory Agreement, or any of the provisions or sections hereof, may be terminated upon agreement by the City and the Owner subject to compliance with any of the provisions contained in this Regulatory Agreement only if there shall have been received an opinion of Tax Counsel that such termination will not adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Note or the exemption from State personal income taxation of the interest on the Note. The Owner shall provide written notice of any termination of this Regulatory Agreement to the City.

Upon the termination of the terms of this Regulatory Agreement, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of the terms hereof; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms.

14. Covenants to Run With the Land. The Owner hereby subjects the Project to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The City and the Owner hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Owner's successors in title to the Project; provided, however, that on the termination of this Regulatory Agreement said covenants, reservations and restrictions shall expire. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments. No breach of any of the provisions of this Regulatory Agreement shall defeat or render invalid the lien of a mortgage made in good faith and for value encumbering the Site.

15. Burden and Benefit. The City and the Owner hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the land in that the Owner's legal interest in the Project is rendered less valuable thereby. The City and the Owner hereby further declare their understanding and intent that the benefit of such covenants touch

and concern the land by enhancing and increasing the enjoyment and use of the Project by Low Income Tenants, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Note was executed and delivered.

16. Uniformity: Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use, development and improvement of the Site.

17. Enforcement. If the Owner defaults in the performance or observance of any covenant, agreement or obligation of the Owner set forth in this Regulatory Agreement, and if such default remains uncured for a period of sixty (60) days after written notice thereof shall have been given by the City to the Owner (provided, however, that the City may at its sole option extend such period if the default is of the nature which would reasonably require more than sixty (60) days to cure and if the Owner provides the City, if requested by the City, with an opinion of Tax Counsel to the effect that such extension will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Note), then the City may declare an “event of default” to have occurred hereunder, and, subject to the provisions of the Funding Loan Agreement, may take any one or more of the following steps:

(a) by mandamus or other suit, action or proceeding at law or in equity, require the Owner to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the City hereunder; or

(b) have access to and inspect, examine and make copies of all of the books and records of the Owner pertaining to the Project; or

(c) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Owner hereunder.

Notwithstanding anything contained in this Regulatory Agreement to the contrary, the occurrence of an event of default under this Regulatory Agreement shall not be deemed, under any circumstances whatsoever, to be a default under the Mortgage except as may be otherwise specified in the Mortgage.

Notwithstanding anything contained in this Regulatory Agreement to the contrary, the City agrees that any cure of any default made or tendered by the Investor Limited Partner shall be deemed to be a cure by the Owner and shall be accepted or rejected on the same basis as if made or tendered by the Owner.

18. Recording and Filing. The Owner shall cause this Regulatory Agreement and all amendments and supplements hereto and thereto, to be recorded and filed in the real property records of the City and County of San Francisco and in such other places as the City may reasonably request. The Owner shall pay all fees and charges incurred in connection with any such recording.

19. Payment of Fees. Notwithstanding any prepayment of the Loan and notwithstanding a discharge of the Funding Loan Agreement and/or the Loan Agreement, the Owner shall continue to pay the City’s annual administrative fee as calculated and described

below. Upon the occurrence of an event of default hereunder, the Owner shall continue to pay to the City compensation for any services rendered by any of them hereunder and reimbursement for all expenses incurred by it in connection therewith.

The Owner shall pay to the City (i) on the Closing Date, an initial issuance fee of [\$71,250] (which is equal to one quarter of one percent (0.25%) of the principal amount of the Note) and (ii) an annual administrative fee: a) as of the Closing Date to the Conversion Date, equal to one eighth of one percent (0.125%) of the maximum principal amount of the Note and b) on and after the Conversion Date, an annual administrative fee equal to one eighth of one percent (0.125%) of the principal amount of the Note then outstanding, but not less than \$2,500, commencing on the Closing Date and thereafter on each anniversary date of the Closing Date thereafter during the term of this Regulatory Agreement.

In case any action at law or in equity, including an action for declaratory relief, is brought against the Owner to enforce the provisions of this Regulatory Agreement, the Owner agrees to pay reasonable attorney's fees and other reasonable expenses incurred by the City, the Funding Lender, and/or the Program Administrator in connection with such action.

20. Governing Law. This Regulatory Agreement shall be governed by the laws of the State of California.

21. Amendments. To the extent any amendments to the Act, the Treasury Regulations or the Code shall, in the written opinion of Tax Counsel filed with the City, the Fiscal Agent and the Owner, impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Regulatory Agreement which must be complied with in order to maintain the tax-exempt status of interest on the Note, this Regulatory Agreement shall be deemed to be automatically amended to impose such additional or more restrictive requirements. Otherwise, this Regulatory Agreement shall be amended only by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the real property records of the City and County of San Francisco, provided that any amendment to the CDLAC Requirements shall also be subject to the consent of CDLAC.

22. City Contracting Provisions. The Owner covenants and agrees to comply with the provisions set forth in Exhibit H to this Regulatory Agreement, which is incorporated in and made a part of this Regulatory Agreement by this reference.

Notice. All notices, certificates or other communications shall be sufficiently given and shall be deemed given on the date personally delivered or on the second day following the date on which the same have been mailed by first class mail, postage prepaid, addressed as follows: If to the

23. Severability. If any provision of this Regulatory Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions hereof shall not in any way be affected or impaired thereby.

24. Multiple Counterparts. This Regulatory Agreement may be executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

25. Third-Party Beneficiaries. The parties to the Regulatory Agreement recognize and agree that the terms of the Regulatory Agreement and the enforcement of those terms are

entered into for the benefit of various parties, including CDLAC. The parties hereto acknowledge that the Funding Lender is a third party beneficiary of this Regulatory Agreement. CDLAC shall accordingly have contractual rights in this Regulatory Agreement and shall be entitled (but not obligated) to enforce, in accordance with Section 17 hereof, the terms hereof and the terms of the CDLAC Resolution. In addition, CDLAC is intended to be and shall be a third-party beneficiary of this Regulatory Agreement. Pursuant to Section 52080(k) of the Housing Law, the provisions of Sections 4(a)(v), 4(b), and 7 hereof may be enforced either in law or in equity by any resident, local agency, entity, or by any other person adversely affected by the Owner's failure to comply with that Section.

## EXHIBIT H

### CITY AND COUNTY OF SAN FRANCISCO MANDATORY CONTRACTING PROVISIONS

The following provisions shall apply to this Regulatory Agreement as if set forth in the body thereof. Capitalized terms used but not defined in this Exhibit shall have the meanings given in this Regulatory Agreement.

1. Nondiscrimination; Penalties.

(i) Nondiscrimination. In the performance of this Regulatory Agreement, the Owner agrees not to discriminate against any employee, City employee working with the Owner, applicant for employment with the Owner, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(ii) Subcontracts. The Owner shall incorporate by reference in all subcontracts the provisions of §§12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code (copies of which are available from the City) and shall require all subcontractors to comply with such provisions. The Owner's failure to comply with the obligations in this subsection shall constitute a material breach of this Regulatory Agreement.

(iii) Nondiscrimination in Benefits. The Owner does not as of the date of this Regulatory Agreement and will not during the term of this Regulatory Agreement, in any of its operations in San Francisco, on real property owned by the City, or where work is being performed for the City elsewhere in the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in §12B.2(b) of the San Francisco Administrative Code.

(iv) Condition to Contract. As a condition to this Regulatory Agreement, the Owner shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (form HRC-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Human Rights Commission.

(v) Incorporation of Administrative Code Provisions by Reference. The provisions of Chapters 12B and 12C of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Regulatory Agreement as though fully set forth herein. The Owner shall comply fully with and be bound by all of the provisions that

apply to this Regulatory Agreement under such Chapters, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, the Owner understands that pursuant to §§12B.2(h) and 12C.3(g) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Regulatory Agreement may be assessed against the Owner and/or deducted from any payments due the Owner.

2. Local Business Enterprise Utilization; Liquidated Damages.

(i) The LBE Ordinance. As a condition to this Regulatory Agreement, the Owner shall comply with all the requirements of the Local Business Enterprise and Non-Discrimination in Contracting Ordinance set forth in Chapter 14B of the San Francisco Administrative Code as it now exists or as it may be amended in the future (collectively the “LBE Ordinance”), provided such amendments do not materially increase Owner’s obligations or liabilities, or materially diminish Owner’s rights, under this Regulatory Agreement. Such provisions of the LBE Ordinance are incorporated by reference and made a part of this Regulatory Agreement as though fully set forth in this section. Owner’s willful failure to comply with any applicable provisions of the LBE Ordinance is a material breach of Owner’s obligations under this Regulatory Agreement and shall entitle the City, subject to any applicable notice and cure provisions set forth in this Regulatory Agreement, to exercise any of the remedies provided for under this Regulatory Agreement, under the LBE Ordinance or otherwise available at law or in equity, which remedies shall be cumulative unless this Regulatory Agreement expressly provides that any remedy is exclusive. In addition, Owner shall comply fully with all other applicable local, state and federal laws prohibiting discrimination and requiring equal opportunity in contracting, including subcontracting.

(ii) Compliance and Enforcement. If Owner willfully fails to comply with any of the provisions of the LBE Ordinance, the rules and regulations implementing the LBE Ordinance, or the provisions of this Regulatory Agreement pertaining to LBE participation, Owner shall be liable for liquidated damages in an amount equal to Owner’s net profit on this Regulatory Agreement, or 10% of the total amount of this Regulatory Agreement, or \$1,000, whichever is greatest. The Director of the City’s Human Rights Commission or any other public official authorized to enforce the LBE Ordinance (separately and collectively, the “Director of HRC”) may also impose other sanctions against Owner authorized in the LBE Ordinance, including declaring the Owner to be irresponsible and ineligible to contract with the City for a period of up to five years or revocation of the Owner’s LBE certification. The Director of HRC will determine the sanctions to be imposed, including the amount of liquidated damages, after investigation pursuant to Administrative Code §14B.17.

By entering into this Regulatory Agreement, Owner acknowledges and agrees that any liquidated damages assessed by the Director of the HRC shall be payable to the City upon demand. Owner further acknowledges and agrees that any liquidated damages assessed may be withheld from any monies due to Owner on any contract with City.

Owner agrees to maintain records necessary for monitoring its compliance with the LBE Ordinance for a period of three years following termination or expiration of this Regulatory

Agreement, and shall make such records available for audit and inspection by the Director of HRC or the Controller upon request.

3. Prevailing Wages. Owner understands and agrees that all provisions of section 1770, *et seq.*, of the California Labor Code are required to be incorporated into every contract for any public work or improvement and are hereby incorporated into this contract. Owner also understands and agrees that all provisions of sections 6.22E and 6.22F of the San Francisco Administrative Code are hereby incorporated into this contract. Owner also understands and agrees that all applicable provisions of the Davis-Bacon Act (40 U.S.C. §§3141 *et seq.*) are hereby incorporated into this Regulatory Agreement.

4. MacBride Principles—Northern Ireland. Pursuant to San Francisco Administrative Code §12F.5, the City urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing this Regulatory Agreement, the person executing this Regulatory Agreement on behalf of the Owner acknowledges and agrees that he or she has read and understood this Section.

5. Tropical Hardwood and Virgin Redwood Ban. Pursuant to §804(b) of the San Francisco Environment Code, the City urges contractors not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.

6. Drug-Free Workplace Policy. The Owner acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on City premises. The Owner agrees that any violation of this prohibition by the Owner, its employees, agents or assigns will be deemed a material breach of this Regulatory Agreement.

7. Compliance with Americans with Disabilities Act. The Owner acknowledges that, pursuant to the Americans with Disabilities Act (ADA), programs, services and other activities provided by a public entity to the public, whether directly or through a contractor, must be accessible to the disabled public. The Owner shall provide the services specified in this Regulatory Agreement in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation. The Owner agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Regulatory Agreement and further agrees that any violation of this prohibition on the part of the Owner, its employees, agents or assigns will constitute a material breach of this Regulatory Agreement.

8. Sunshine Ordinance. In accordance with San Francisco Administrative Code §67.24(e), contracts, contractors' bids, responses to solicitations and all other records of communications between the City and persons or firms seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or

organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

9. Limitations on Contributions. Through execution of this Regulatory Agreement, the Owner acknowledges that it is familiar with Section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (1) an individual holding a City elective office if the contract must be approved by the individual, a board on which that individual serves, or the board of a state agency on which an appointee of that individual serves, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. The Owner acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. The Owner further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of the Owner's board of directors; the Owner's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in the Owner; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by the Owner. Additionally, the Owner acknowledges that the Owner must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126. The Owner further agrees to provide to the City the names of each person, entity or committee described above.

10. Requiring Minimum Compensation for Covered Employees. The Owner agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Sections 12P.5 and 12P.5.1 of Chapter 12P are incorporated herein by reference and made a part of this Regulatory Agreement as though fully set forth. The text of the MCO is available on the web at [www.sfgov.org/olse/mco](http://www.sfgov.org/olse/mco). A partial listing of some of the Owner's obligations under the MCO is set forth in this Section. The Owner is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

(i) The MCO requires the Owner to pay the Owner's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and the Owner is obligated to keep informed of the then-current requirements. Any subcontract entered into by the Owner shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is the Owner's obligation to ensure that any subcontractors of any tier under this Regulatory Agreement comply with the requirements of the MCO. If any subcontractor under this Regulatory Agreement fails to comply, the City may pursue any of the remedies set forth in this Section against the Owner.

(ii) The Owner shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

(iii) The Owner shall maintain employee and payroll records as required by the MCO. If the Owner fails to do so, it shall be presumed that the Owner paid no more than the minimum wage required under State law.

(iv) The City, upon reasonable notice to the Owner, is authorized to inspect the Owner's job sites during normal business hours, conduct interviews with employees and conduct audits of the Owner.

(v) The Owner's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Regulatory Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Owner fails to comply with these requirements. The Owner agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for the Owner's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

(vi) The Owner understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Regulatory Agreement for violating the MCO, the Owner fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, the Owner fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(vii) The Owner represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

(viii) If the Owner is exempt from the MCO when this Regulatory Agreement is executed because the cumulative amount of agreements with the City for the fiscal year is less than \$25,000, but the Owner later enters into an agreement or agreements that cause the Owner to exceed that amount in a fiscal year, the Owner shall thereafter be required to comply with the MCO under this Regulatory Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Owner and the City to exceed \$25,000 in the fiscal year.

11. Requiring Health Benefits for Covered Employees. The Owner agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Section 12Q.5.1 of Chapter 12Q are incorporated by reference and made a part of this Regulatory Agreement as though fully set forth herein. The text of the HCAO is available on the web at [www.sfgov.org/olse](http://www.sfgov.org/olse). Capitalized terms used in this Section and not defined in this Regulatory Agreement shall have the meanings assigned to such terms in Chapter 12Q.

(i) For each Covered Employee, the Owner shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If the Owner chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(ii) Notwithstanding the above, if the Owner is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (a) above.

(iii) The Owner's failure to comply with the HCAO shall constitute a material breach of this Regulatory Agreement. The City shall notify the Owner if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Regulatory Agreement for violating the HCAO, the Owner fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, the Owner fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(iv) Any Subcontract entered into by the Owner shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. The Owner shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. The Owner shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against the Owner based on the Subcontractor's failure to comply, provided that the City has first provided the Owner with notice and an opportunity to obtain a cure of the violation.

(v) The Owner shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying the City or the City with regard to the Owner's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(vi) The Owner represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(vii) The Owner shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the Regulatory Agreement.

(viii) The Owner shall keep itself informed of the current requirements of the HCAO.

(ix) The Owner shall provide reports to the City in accordance with any reporting standards promulgated by the City or the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.

(x) The Owner shall provide the City with access to records pertaining to compliance with HCAO after receiving a written request from the City to do so and being provided at least ten business days to respond.

(xi) The Owner shall allow the City to inspect the Owner's job sites and have access to the Owner's employees in order to monitor and determine compliance with HCAO.

(xii) The City may conduct random audits of the Owner to ascertain its compliance with HCAO. The Owner agrees to cooperate with the City when it conducts such audits.

(xiii) If the Owner is exempt from the HCAO when this Regulatory Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but the Owner later enters into an agreement or agreements that cause the Owner's aggregate amount of all agreements with the City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Owner and the City to be equal to or greater than \$75,000 in the fiscal year.

12. Prohibition on Political Activity with City Funds. In accordance with San Francisco Administrative Code Chapter 12.G, the Owner may not participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure (collectively, "Political Activity") in the performance of the services provided under this Regulatory Agreement. The Owner agrees to comply with San Francisco Administrative Code Chapter 12.G and any implementing rules and regulations promulgated by the City's Controller. The terms and provisions of Chapter 12.G are incorporated herein by this reference. In the event the Owner violates the provisions of this Section, the City may, in addition to any other rights or remedies available hereunder, (i) terminate this Regulatory Agreement, and (ii) prohibit the Owner from bidding on or receiving any new City contract for a period of two (2) years. The Controller will not consider the Owner's use of profit as a violation of this Section.

13. Protection of Private Information. The Owner has read and agrees to the terms set forth in San Francisco Administrative Code Sections 12M.2, "Nondisclosure of Private Information," and 12M.3, "Enforcement" of Administrative Code Chapter 12M, "Protection of

Private Information,” which are incorporated herein as if fully set forth. The Owner agrees that any failure of the Owner to comply with the requirements of Section 12M.2 of this Chapter shall be a material breach of this Regulatory Agreement. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate this Regulatory Agreement, bring a false claim action against the Owner pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar the Owner.

14. Graffiti Removal. Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City’s property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and its residents, and to prevent the further spread of graffiti.

The Owner shall remove all graffiti from any real property owned or leased by the Owner in the City and County of San Francisco within forty eight (48) hours of the earlier of the Owner’s (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This Section is not intended to require the Owner to breach any lease or other agreement that it may have concerning its use of the real property. The term “graffiti” means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner’s authorized agent, and which is visible from the public right-of-way. “Graffiti” shall not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 *et seq.*) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 *et seq.*).

Any failure by the Owner to comply with this section of this Regulatory Agreement shall constitute a material breach of this Regulatory Agreement.

15. Submitting False Claims; Monetary Penalties. Pursuant to San Francisco Administrative Code §21.35, any contractor, subcontractor or consultant who submits a false claim shall be liable to the City for penalties set forth in that Section. The text of Section 21.35, along with the entire San Francisco Administrative Code is available on the web at <http://www.municode.com/Library/clientCodePage.aspx?clientID=4201>. A contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the contractor, subcontractor or consultant: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or

approved by the City; (c) conspires to defraud the City by getting a false claim allowed or paid by the City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

16. Conflict of Interest. Through its execution of this Regulatory Agreement, the Owner acknowledges that it is familiar with the provision of Section 15.103 of the City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and Section 87100 *et seq.* and Section 1090 *et seq.* of the Government Code of the State of California, and certifies that it does not know of any facts which constitutes a violation of said provisions and agrees that it will immediately notify the City if it becomes aware of any such fact during the term of this Regulatory Agreement.

17. Food Service Waste Reduction Requirements. The Owner agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Regulatory Agreement as though fully set forth. This provision is a material term of this Regulatory Agreement. By entering into this Regulatory Agreement, the Owner agrees that if it breaches this provision, the City will suffer actual damages that will be impractical or extremely difficult to determine; further, the Owner agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for the second breach in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that the City will incur based on the violation, established in light of the circumstances existing at the time this Regulatory Agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by the City because of the Owner's failure to comply with this provision.

18. Proprietary or Confidential Information of City. The Owner understands and agrees that, in the performance of the work or services under this Regulatory Agreement or in contemplation thereof, the Owner may have access to private or confidential information which may be owned or controlled by City and that such information may contain proprietary or confidential details, the disclosure of which to third parties may be damaging to City. The Owner agrees that all information disclosed by City to the Owner shall be held in confidence and used only in the performance of the Regulatory Agreement. The Owner shall exercise the same standard of care to protect such information as a reasonably prudent contractor would use to protect its own proprietary data.

19. Earned Income Credit (EIC) Forms. Administrative Code Section 12O requires that employers provide their employees with IRS Form W-5 (The Earned Income Credit Advance Payment Certificate) and the IRS EIC Schedule, as set forth below. Employers can locate these forms at the IRS Office, on the Internet, or anywhere that Federal Tax Forms can be found. The Owner shall provide EIC Forms to each Eligible Employee at each of the following times: (i) within thirty days following the date on which this Regulatory Agreement becomes

effective (unless the Owner has already provided such EIC Forms at least once during the calendar year in which such effective date falls); (ii) promptly after any Eligible Employee is hired by the Owner; and (iii) annually between January 1 and January 31 of each calendar year during the term of this Regulatory Agreement. Failure to comply with any requirement contained in subparagraph (a) of this Section shall constitute a material breach by the Owner of the terms of this Regulatory Agreement. If, within thirty days after the Owner receives written notice of such a breach, the Owner fails to cure such breach or, if such breach cannot reasonably be cured within such period of thirty days, the Owner fails to commence efforts to cure within such period or thereafter fails to diligently pursue such cure to completion, the City may pursue any rights or remedies available under this Regulatory Agreement or under applicable law. Any Subcontract entered into by the Owner shall require the subcontractor to comply, as to the subcontractor's Eligible Employees, with each of the terms of this Section. Capitalized terms used in this Section and not defined in this Regulatory Agreement shall have the meanings assigned to such terms in Section 12O of the San Francisco Administrative Code.
