11 ("Port" or "Port Commission"), with the power and duty to use, conduct, operate, maintain,
12 manage, regulate, and control the lands within Port jurisdiction; and

13 WHEREAS, FC Pier 70, LLC, a Delaware limited liability company ("Master
14 Developer") and the City, acting by and through the Port, are parties to a Disposition and
15 Development Agreement (as amended from time to time, "DDA"), including a Financing Plan
16 (as amended from time to time, "Financing Plan"), that governs the disposition and
17 development of approximately 28 acres of land in the waterfront area of the City known as
18 Pier 70 ("Project Site"); and

19 WHEREAS, In the general election held on November 4, 2014, an initiative entitled, the
20 "Union Iron Works Historic District Housing, Waterfront Parks, Jobs and Preservation
21 Initiative" ("Proposition F"), was approved by the voters in the City; and

22 WHEREAS, The DDA contemplates a project ("Project") under which the Port would
23 initially lease the Project Site to the Master Developer for infrastructure development, and,
24
25

1 ultimately, lease and sell parcels in the Project Site to vertical developers, for development of
2 a mixed-use project described in the DDA; and

3 WHEREAS, The City anticipates that, in addition to the public infrastructure and private
4 development described above, future improvements will be necessary to ensure that the
5 shoreline, public facilities, and public access improvements will be protected should sea level
6 rise in the vicinity of the Project Site, and the Board of Supervisors of the City (“Board of
7 Supervisors”) desires to provide a mechanism to pay for the costs of such improvements; and

8 WHEREAS, At its hearing on August 24, 2017, and prior to recommending proposed
9 Planning Code amendments for approval, by Motion No. 19976, the Planning Commission
10 certified a Final Environmental Impact Report (“FEIR”) for the Project (Case
11 No. 2014-001272ENV) pursuant to the California Environmental Quality Act (CEQA)
12 (California Public Resources Code Section 21000 et seq.), the CEQA Guidelines (14 Cal.
13 Code Reg. Section 15000 et seq.), and Chapter 31 of the Administrative Code; a copy of said
14 Motion is on file with the Clerk of the Board of Supervisors in File No. 170930, and is
15 incorporated herein by reference; and

16 WHEREAS, In recommending the proposed Planning Code amendments for approval
17 by this Board of Supervisors at its hearing on August 24, 2017, by Motion No. 19977, the
18 Planning Commission also adopted findings under CEQA, including a statement of overriding
19 consideration, and a Mitigation Monitoring and Reporting Program (“MMRP”); a copy of said
20 Motion and MMRP are on file with the Clerk of the Board of Supervisors in File No. 170930,
21 and is incorporated herein by reference; and

22 WHEREAS, Under Chapter 43, Article X of the San Francisco Administrative Code (as
23 it may be amended from time to time, “Code”), which Code incorporates by reference the
24 Mello-Roos Community Facilities Act of 1982, as amended (“Mello-Roos Act”), this Board of
25

1 Supervisors is authorized to establish a special tax district and to act as the legislative body
2 for a special tax district; and

3 WHEREAS, This Board of Supervisors now desires to proceed with the establishment
4 of a special tax district in order to finance the costs of infrastructure and other authorized
5 facilities and certain services necessary or incident to development of the Project Site,
6 including, without limitation, future improvements necessitated by sea level rise; and

7 WHEREAS, The Financing Plan provides for the possibility of annexation of certain
8 parcels into the proposed special tax district, and this Board of Supervisors further desires to
9 undertake proceedings to provide for future annexation of territory to the proposed special tax
10 district; now, therefore, be it

11 RESOLVED, That this Board of Supervisors proposes to conduct proceedings to
12 establish a special tax district pursuant to the Code and hereby determines that public
13 convenience and necessity require that a future annexation area be established; and, be it

14 FURTHER RESOLVED, That the name proposed for the special tax district is "City and
15 County of San Francisco Special Tax District No. 2019-1 (Pier 70 Condominiums)" ("Special
16 Tax District"); and, be it

17 FURTHER RESOLVED, That the name proposed for the territory proposed to be
18 annexed into the Special Tax District in the future is "City and County of San Francisco
19 Community Facilities District No. 2019-1 (Pier 70 Condominiums) (Future Annexation Area)"
20 ("Future Annexation Area"); and, be it

21 FURTHER RESOLVED, That the proposed boundaries of the Special Tax District and
22 the Future Annexation Area are as shown on the map of them on file with the Clerk of the
23 Board of Supervisors, which boundaries are hereby preliminarily approved and to which map
24 reference is hereby made for further particulars, and the Clerk of the Board of Supervisors is
25 hereby directed to record, or cause to be recorded, the map of the boundaries of the Special

1 Tax District and the Future Annexation Area in the office of the Assessor-Recorder for the City
2 and County of San Francisco within 15 days of the date of adoption of this Resolution; and, be
3 it

4 FURTHER RESOLVED, That, from time to time, parcels within the Future Annexation
5 Area shall be annexed to the Special Tax District only with the unanimous approval (each, a
6 "Unanimous Approval") of the owner or owners of each parcel or parcels at the time that such
7 parcel(s) are annexed; pursuant to Section 43.10.14 of the Code, a Unanimous Approval
8 executed by the owner of a parcel constitutes the vote of the qualified elector in favor of the
9 matters addressed in the Unanimous Approval for purposes of the California Constitution,
10 including, but not limited to, Articles XIII A and XIII C; and, be it

11 FURTHER RESOLVED, That the Board of Supervisors hereby determines that any
12 property for which the owner or owners execute a Unanimous Approval in accordance with
13 applicable law shall be added to the Special Tax District without any further hearings or
14 proceedings and the Clerk of the Board of Supervisors is hereby directed to record an
15 amendment to the notice of special tax lien for the Special Tax District pursuant to Streets &
16 Highways Code Section 3117.5 as a result of which the obligation to pay the Special Tax shall
17 become a lien upon the annexed property; provided, however, the designation of property as
18 Future Annexation Area and the ability to annex property to the Special Tax District based on
19 a Unanimous Approval shall not limit, in any way, the annexation of property in the Future
20 Annexation Area to the Special Tax District pursuant to other provisions of applicable law;
21 and, be it

22 FURTHER RESOLVED, That the Director of the Controller's Office of Public Finance
23 ("Director") is hereby directed, from time to time in her discretion, to cause to be recorded one
24 or more consolidated maps of the Special Tax District reflecting all prior modifications,
25

1 amendments, and annexations pursuant to Section 3113.5 of the Streets & Highways Code;
2 and, be it

3 FURTHER RESOLVED, That the type of facilities proposed to be financed by the
4 Special Tax District and the Future Annexation Area shall consist of those listed as facilities
5 on Exhibit A hereto and hereby incorporated herein ("Facilities"), subject to compliance with
6 the Code, and this Board of Supervisors hereby determines that the Facilities are necessary
7 to meet increased demands placed upon local agencies as the result of development
8 occurring within the Special Tax District and the Future Annexation Area and that the
9 financing of such Facilities constitutes a public purpose of the City; and, be it

10 FURTHER RESOLVED, That in order to advance the public purposes of the City, the
11 Special Taxes and proceeds of bonds and other debt issued by the Special Tax District may
12 be used to finance the incidental expenses described in Exhibit A hereto and hereby
13 incorporated herein ("incidental expenses"); and, be it

14 FURTHER RESOLVED, That this Board of Supervisors hereby finds and determines
15 that the public interest will not be served by allowing the property owners in the Special Tax
16 District to enter into a contract in accordance with Mello-Roos Act Section 53329.5(a), and
17 notwithstanding the foregoing, this Board of Supervisors, on behalf of the Special Tax District,
18 may enter into one or more contracts directly with any of the owners or lessees of property in
19 the Special Tax District with respect to the construction and/or acquisition of any portion of the
20 Facilities; and, be it

21 FURTHER RESOLVED, That the Director is hereby authorized and directed to enter
22 into joint community facilities agreements with any entity that will own or operate any of the
23 Facilities, as may be necessary to comply with the provisions of the Code, and this Board of
24 Supervisors' approval of a joint community facilities agreement shall be conclusively
25 evidenced by the execution and delivery thereof by the Director, and this Board of Supervisors

1 hereby declares that such joint agreements will be beneficial to owners and lessees of
2 property in the area of the Special Tax District; and, be it

3 FURTHER RESOLVED, That the type of services proposed to be financed by the
4 Special Tax District and the Future Annexation Area shall consist of those listed in Exhibit A
5 hereto and hereby incorporated herein ("Services"), subject to compliance with the Code. This
6 Board of Supervisors hereby determines that the Services are necessary to meet increased
7 demands for such services placed upon local agencies as the result of development occurring
8 within the area of the Special Tax District and the Future Annexation Area and that the
9 financing of such Services constitutes a public purpose of the City; and, be it

10 FURTHER RESOLVED, That except to the extent that funds are otherwise available,
11 the City will levy a special tax ("Special Tax") to pay directly for the Facilities, to pay for the
12 Services, to pay for the incidental expenses and to pay the principal and interest on bonds
13 and other debt (as defined in the Mello-Roos Act) of the City issued for the Special Tax
14 District to finance the Facilities; and, be it

15 FURTHER RESOLVED, That the Special Tax will be secured by recordation of a
16 continuing lien against all non-exempt real property in the Special Tax District, and will be
17 levied annually within the Special Tax District, and collected in the same manner as ordinary
18 ad valorem property taxes, or in such other manner as this Board of Supervisors or its
19 designee shall determine, including direct billing of the affected owners or lessees of property
20 in the Special Tax Districts; and, be it

21 FURTHER RESOLVED, That the proposed rate and method of apportionment of the
22 Special Tax among the parcels of real property within the Special Tax District, in sufficient
23 detail to allow each owner of property within the Special Tax District to estimate the maximum
24 amount such owner will have to pay, is described in Exhibit B attached hereto and hereby
25 incorporated herein ("Rate and Method"); and, be it

1 FURTHER RESOLVED, That the Special Tax to be levied in the Special Tax District
2 shall not be levied in the Special Tax District to finance Facilities after the fiscal year
3 established for that purpose in the Rate and Method, except that a Special Tax that was
4 lawfully levied in or before the final tax year and that remains delinquent may be collected in
5 subsequent years. Under no circumstances shall the Special Tax levied against any parcel in
6 the Special Tax District to finance Facilities ("Facilities Special Tax") in any fiscal year be
7 increased in that fiscal year as a consequence of delinquency or default by the owner or
8 lessee of any other parcel or parcels within the Special Tax District by an amount that
9 exceeds 10 percent of the maximum Facilities Special Tax applicable to such parcel for that
10 fiscal year; and, be it

11 FURTHER RESOLVED, That this Board of Supervisors hereby finds that the provisions
12 of Mello-Roos Act Sections 53313.6, 53313.7 and 53313.9 (relating to adjustments to *ad*
13 *valorem* property taxes and schools financed by a community facilities district) are
14 inapplicable to the proposed Special Tax District; and, be it

15 FURTHER RESOLVED, That as required by Mello-Roos Act Section 53339.3(d), this
16 Board of Supervisors hereby determines that the Special Tax proposed to pay for the
17 Facilities to be supplied within the Future Annexation Area that are financed with bonds that
18 have already been issued and that are secured by previously-existing areas of the Special
19 Tax District will be equal to the Special Taxes levied to pay for the same Facilities in
20 previously-existing areas of the Special Tax District, except that (i) a higher Special Tax may
21 be levied within the Future Annexation Area to pay for the same Facilities to compensate for
22 the interest and principal previously paid from Special Taxes in the original area of the Special
23 Tax District, less any depreciation allocable to the financed Facilities and (ii) a higher Special
24 Tax may be levied in the Future Annexation Area to pay for new or additional Facilities, with or
25 without bond financing; and, be it

1 FURTHER RESOLVED, That as required by the Mello-Roos Act, this Board of
2 Supervisors hereby further determines that the Special Tax proposed to pay for Services to be
3 supplied within the Future Annexation Area shall be equal to any Special Tax levied to pay for
4 the same Services in the existing Special Tax District, except that a higher or lower tax may
5 be levied within the Future Annexation Area to the extent that the actual cost of providing the
6 Services in the Future Annexation Area is higher or lower than the cost of providing those
7 Services in the existing Special Tax District. In so finding, this Board of Supervisors does not
8 intend to limit its ability to levy a Special Tax within the Future Annexation Area to provide new
9 or additional services beyond those supplied within the existing Special Tax District or its
10 ability to implement changes to the extent permitted by law; and, be it

11 FURTHER RESOLVED, That as of the date hereof, there are no Assessor's Parcels
12 (as defined in the Rate and Method) within the proposed boundaries of the Special Tax
13 District that are owned by a public entity, including the United States, the State of California
14 and/or the City, or any departments or political subdivisions thereof ("public entity"), that are
15 intended to be exempt from the levy of Special Taxes except the Tax-Exempt Port Parcels (as
16 defined in the Rate and Method). The Board of Supervisors intends for Assessor's Parcels
17 within the proposed boundaries of the Special Tax District (other than the Tax-Exempt Port
18 Parcels) that are purchased by a public entity after formation of the Special Tax District to be
19 Taxable Parcels (as defined in the Rate and Method), and, if a public entity purchases a
20 Taxable Parcel in the Special Tax District after formation of the Special Tax District, the
21 obligation to pay Special Taxes on such Taxable Parcel shall be governed by Section 53317.3
22 and 53317.5 of the Mello-Roos Act; and, be it

23 FURTHER RESOLVED, That in the event that a portion of the property within the
24 Special Tax District shall become for any reason exempt, wholly or in part, from the levy of the
25 Special Tax, this Board of Supervisors will, on behalf of the Special Tax District, increase the

1 levy to the extent necessary upon the remaining property within the Special Tax District which
2 is not exempt in order to yield the required debt service payments and other annual expenses
3 of the Special Tax District, if any, subject to the provisions of the Rate and Method; and, be it

4 FURTHER RESOLVED, That the levy of the Special Tax in the Special Tax District
5 shall be subject to the approval of the qualified electors of the Special Tax District at a special
6 election, and the proposed voting procedure shall be by mailed or hand-delivered ballot
7 among the landowners in the Special Tax District, with each landowner having one vote for
8 each acre or portion of an acre such landowner owns in the Special Tax District not exempt
9 from the Special Tax; and, be it

10 FURTHER RESOLVED, That the Director, Department of Elections has reported that
11 there were no registered voters in the boundaries of the proposed special tax district as of
12 October 19, 2019; and, be it

13 FURTHER RESOLVED, That this Board of Supervisors has received and hereby
14 approves, ratifies and accepts a Public Agency Statement and Consent executed by the Port
15 Commission in which it declares that the City is a "landowner" in the Special Tax District (as
16 defined in the Mello-Roos Act) and qualified elector for the Special Tax District because the
17 property owned by the City within the proposed boundaries of the Special Tax District either
18 will be (a) transferred by conveyance of the fee interest to private ownership for the
19 construction of improvements, in which case the City agrees that such property will be subject
20 to the special tax on the same basis as private property within the Special Tax District and
21 affirmatively waives any defense based on the fact of public ownership to any action to
22 foreclose on such property in the event of nonpayment of the special tax or (b) leased to a
23 nonexempt person or entity and, pursuant to Section 53340.1 of the Mello-Roos Act, the
24 special tax will be levied on the leasehold interest and payable by the owner of the leasehold
25

1 interest, a copy of which Public Agency Statement and Consent is on file with the Clerk of the
2 Board of Supervisors in File No. 191076 and is incorporated herein by reference; and, be it

3 FURTHER RESOLVED, That this Board of Supervisors has received and hereby
4 accepts a Consent and Waiver Relating to Formation of a Special Tax District executed by the
5 Executive Director of the Port Commission, as authorized representative of 64 PKN Owner,
6 LLC, the other landowner in the boundaries of the proposed Special Tax District, a copy of
7 which Consent and Waiver Relating to Formation of a Special Tax District is on file with the
8 Clerk of the Board of Supervisors in File No. 191076 and is incorporated herein by reference;
9 and, be it

10 FURTHER RESOLVED, That a special tax shall be levied in the Future Annexation
11 Area only with the Unanimous Approval of the owner or owners of each parcel or parcels at
12 the time that parcel or those parcels are annexed into the Special Tax District and in
13 accordance with the procedure established by applicable law; and, be it

14 FURTHER RESOLVED, That it is the intention of this Board of Supervisors, acting as
15 the legislative body of the Special Tax District, to cause bonds of the City and other debt (as
16 defined in the Mello-Roos Act) to be issued for the Special Tax District pursuant to the Code
17 to finance in whole or in part the construction and/or acquisition of the Facilities and the
18 incidental expenses; and, be it

19 FURTHER RESOLVED, That such debt may include an agreement by the Special Tax
20 District (or the City on behalf of the Special Tax District) to repay the City, acting by and
21 through the Port Commission, for one or more advances of land proceeds and other sources
22 of Port funding to pay the costs of the Facilities and incidental expenses ("Advances"), which
23 repayment obligation ("Repayment Obligation") may be evidenced by a promissory note
24 ratified or executed by the Special Tax District (or the City on behalf of the Special Tax
25 District) in favor of the Port Commission; and

1 FURTHER RESOLVED, That the bonds and other debt shall be in the aggregate
2 principal amount of not to exceed \$1,697,600,000 ("Limit"), shall be issued in such series and
3 bear interest payable semi-annually or in such other manner as this Board of Supervisors
4 shall determine, at a rate not to exceed the maximum rate of interest as may be authorized by
5 applicable law at the time of sale of each series of bonds and other debt, and shall mature not
6 later than 40 years from the date of the issuance thereof; and, be it

7 FURTHER RESOLVED, That because the City expects to repay the Repayment
8 Obligation with, among other sources, Special Taxes and proceeds of bonded indebtedness
9 and other debt incurred by or on behalf of the Special Tax District, the Board of Supervisors
10 hereby determines that (i) the Repayment Obligation shall be included in the calculation of the
11 Limit and (ii) any such bonded indebtedness or other debt (as defined in the Mello-Roos Act)
12 incurred by or on behalf of the Special Tax District to repay the Repayment Obligation (and
13 the related costs of issuance and costs of funding a debt service reserve fund) shall not be
14 included in the calculation of the Limit; and, be it

15 FURTHER RESOLVED, That the Director, as the officer having charge and control of
16 the Facilities and the Services in and for the Special Tax District and the Future Annexation
17 Area, is hereby directed to study said proposed Facilities and Services and to make, or cause
18 to be made, and file with the Clerk of the Board of Supervisors a report in writing ("Special Tax
19 District Report") presenting the following:

20 (a) A description of the Facilities and the Services by type which will be required to
21 adequately meet the needs of the Special Tax District and the Future Annexation Area.

22 (b) An estimate of the fair and reasonable cost of the Facilities including the cost of
23 acquisition of lands, rights-of-way and easements, any physical facilities required in
24 conjunction therewith and incidental expenses in connection therewith, including the costs of
25

1 the proposed bond financing and other debt and all other related costs as provided in Mello-
2 Roos Act Section 53345.3.

3 (c) An estimate of the fair and reasonable cost of the Services and incidental
4 expenses in connection therewith, and all other related costs.

5 The Special Tax District Report shall be made a part of the record of the public hearing
6 specified below; and, be it

7 FURTHER RESOLVED, January 14, 2020, at 3:00 p.m. or as soon as possible
8 thereafter, and the Board of Supervisors Chamber, 1 Dr. Carlton B. Goodlett Place, San
9 Francisco, California, are hereby fixed as the time and place when and where this Board of
10 Supervisors, as the legislative body for the Special Tax District, will conduct a public hearing
11 on the establishment of the Special Tax District and the Future Annexation Area, and consider
12 and finally determine whether the public interest, convenience and necessity require the
13 formation of the Special Tax District and the Future Annexation Area and the levy of the
14 Special Tax and, be it

15 FURTHER RESOLVED, That the Clerk of the Board of Supervisors is hereby directed
16 to cause notice of the public hearing to be given by publication one time in a newspaper
17 published in the area of the Special Tax District and the Future Annexation Area. The
18 publication shall be completed at least seven days before the date of the public hearing
19 specified above. The notice shall be substantially in the form specified in Mello-Roos Act
20 Section 53322, with the form summarizing the provisions hereof hereby specifically approved;
21 and, be it

22 FURTHER RESOLVED, Notwithstanding the foregoing, because of the complexity
23 associated with the Project and the Financing Plan, the Board of Supervisors hereby
24 authorizes the Clerk of the Board of Supervisors to determine that the public hearing should
25 be held on a later date or time and to cause notice of such later date or time to be given by

1 publication one time in a newspaper published in the area of the Special Tax District and the
2 Future Annexation Area; and, be it

3 FURTHER RESOLVED, That Mello-Roos Act Section 53314.9 provides that, either
4 before or after formation of the Special Tax District, the City may accept advances of funds
5 and may provide, by resolution, for the use of those funds, including but not limited to pay any
6 cost incurred by the local agency in creating the Special Tax District, and may agree to
7 reimburse the advances under all of the following conditions: (A) the proposal to repay the
8 advances is included both in the resolution of intention and the resolution of formation to
9 establish the Special Tax District; and (B) any proposed special tax is approved by the
10 qualified electors of the Special Tax District and, if the qualified electors of the Special Tax
11 District do not approve the proposed special tax, the City shall return any funds which have
12 not been committed for any authorized purpose by the time of the election and, in furtherance
13 of Mello-Roos Act Section 53314.9, the Board of Supervisors hereby declares its intent to
14 enter into an agreement providing for the advance and reimbursement of funds between the
15 Port and the Master Developer; and, be it

16 FURTHER RESOLVED, That Mello-Roos Act Section 53314.9 provides that, either
17 before or after formation of the Special Tax District, the City may accept work in-kind from any
18 source, including, but not limited to, private persons or private entities, may provide, by
19 resolution, for the use of that work in-kind for any authorized purpose and this Board of
20 Supervisors may enter into an agreement, by resolution, with the person or entity advancing
21 the work in-kind, to reimburse the person or entity for the value, or cost, whichever is less, of
22 the work in-kind, as determined by this Board of Supervisors, with or without interest, under
23 the conditions specified in the Mello-Roos Act. Any work in-kind must be performed or
24 constructed as if the work had been performed or constructed under the direction and
25 supervision, or under the authority of, the City and, in furtherance of Mello-Roos Act

1 Section 53314.9, the Board of Supervisors previously authorized the Port to enter into an
2 acquisition and reimbursement agreement with the Master Developer and other entities
3 responsible for developing the Project pursuant to Resolution No. 401-17, adopted by this
4 Board of Supervisors on October 31, 2017 (which resolution was signed by the Mayor on
5 November 9, 2017); and, be it

6 FURTHER RESOLVED, That this Board of Supervisors reserves to itself the right and
7 authority set forth in Mello-Roos Act Section 53344.1, subject to any limitations set forth in any
8 bond resolution or trust indenture related to the issuance of bonds; and, be it

9 FURTHER RESOLVED, That this Board of Supervisors hereby waives any provisions
10 of the Amended and Restated Local Goals and Policies for Community Facilities Districts and
11 Special Tax Districts ("Goals and Policies") adopted by this Board of Supervisors by
12 Resolution No. 414-13 to the extent the Goals and Policies are inconsistent with the
13 provisions hereof or the DDA; and, be it

14 FURTHER RESOLVED, That the Board of Supervisors hereby approves and ratifies
15 the appointment of the Port as the CFD Agent (as defined in the DDA) for the Special Tax
16 District and approves and ratifies all actions taken prior to the date hereof by the Port in its
17 capacity as CFD Agent, including, but not limited to, execution of one or more promissory
18 notes to evidence the Repayment Obligation and execution of one more pledge agreements
19 with an infrastructure financing district to receive property tax revenues to repay the
20 Repayment Obligation; and, be it

21 FURTHER RESOLVED, That in accordance with the actions contemplated herein, this
22 Board of Supervisors has reviewed the FEIR, concurs with its conclusions, affirms the
23 Planning Commission's certification of the FEIR, and finds that the actions contemplated
24 herein are within the scope of the Project described and analyzed in the FEIR; and, be it
25

1 FURTHER RESOLVED, That this Board of Supervisors hereby adopts and
2 incorporates by reference as though fully set forth herein the Planning Commission's CEQA
3 approval findings in the MMRP, including the statement of overriding considerations, and
4 adopts and incorporates by reference as though fully set forth herein the Project's MMRP;
5 and, be it

6 FURTHER RESOLVED, That this Resolution shall in no way obligate this Board of
7 Supervisors to form the Special Tax District and the Future Annexation Area. The formation of
8 the Special Tax District and the Future Annexation Area shall be subject to the approval of
9 this Board of Supervisors by resolution following the holding of the public hearing referred to
10 above; and, be it

11 FURTHER RESOLVED, That if any section, subsection, sentence, clause, phrase, or
12 word of this resolution, or any application thereof to any person or circumstance, is held to be
13 invalid or unconstitutional by a decision of a court of competent jurisdiction, such decision
14 shall not affect the validity of the remaining portions or applications of this resolution, this
15 Board of Supervisors hereby declaring that it would have passed this resolution and each and
16 every section, subsection, sentence, clause, phrase, and word not declared invalid or
17 unconstitutional without regard to whether any other portion of this resolution or application
18 thereof would be subsequently declared invalid or unconstitutional; and, be it

19 FURTHER RESOLVED, That the Mayor, the Controller, the Director, the Clerk of the
20 Board of Supervisors and any and all other officers of the City are hereby authorized, for and
21 in the name of and on behalf of the City, to do any and all things and take any and all actions,
22 including execution and delivery of any and all documents, assignments, certificates,

15 *Step 1.* The Administrator shall review the Building Permit, Certificate of
16 Occupancy, Vertical DDA, condominium plan, architectural drawings,
17 Development Approval Documents, information provided by the Developer,
18 or Vertical Developer, and any other documents or data that estimate or
19 identify the Residential Square Footage or Non-Residential Square Footage
20 anticipated on the Taxable Parcel(s).

21
22 *Step 2.* Using the information from Step 1:

- 23

Square Footage by the total Residential Square Footage expected within each building on the Taxable Parcel(s).

- Based on the Tax Zone in which the Taxable Parcel(s) is located, multiply the applicable Base Facilities Special Tax from Table 1 for Taxable Non-Residential Square Footage by the total Taxable Non-Residential Square Footage expected within each building on the Taxable Parcel(s).

- If, based on the Expected Land Uses, the Administrator determines that there is Expected Taxable Property within any building, multiply the applicable Base Facilities Special Tax from Table 1 based on what had been anticipated on the Expected Taxable Property by the Square Footage of the Expected Land Uses for that Expected Taxable Property.

Prior to the First Bond Sale, the Maximum Facilities Special Tax for the Taxable Parcel(s) shall be the sum of the amounts calculated above, and Steps 3 and 4 below shall not apply.

After the First Bond Sale, the Administrator shall apply Steps 3 and 4 to determine the Maximum Facilities Special Tax for the Taxable Parcel(s).

Step 3. Sum the amounts calculated in Step 2 to determine the Estimated Base Facilities Special Tax Revenues for the Taxable Parcel(s).

1 Step 4. Compare the Estimated Base Facilities Special Tax Revenues from Step 3
2 to the Expected Maximum Facilities Special Tax Revenues, and apply one
3 of the following, as applicable:
4

5 ▪ *If the Estimated Base Facilities Special Tax Revenues are: (i) greater than
6 or equal to the Expected Maximum Facilities Special Tax Revenues or (ii)
7 less than the Expected Maximum Facilities Special Tax Revenues, but the
8 Maximum Facilities Special Tax Revenues, assuming the same land uses
9 that went into the calculation of the Estimated Base Facilities Special Tax
10 Revenues, are still sufficient to provide Required Coverage, then the
11 Maximum Facilities Special Tax for the Taxable Parcel(s) shall be
12 determined by multiplying the applicable Base Facilities Special Taxes by
13 the Square Footage of each Square Footage Category expected within
14 the building(s) on the Taxable Parcel(s). The Administrator shall update
15 Attachment 3 to reflect the adjusted Expected Maximum Facilities Special
16 Tax Revenues and the new Maximum Facilities Special Tax Revenues.*

17
18 ▪ *If the Estimated Base Facilities Special Tax Revenues are less than the
19 Expected Maximum Facilities Special Tax Revenues, and the Maximum
20 Facilities Special Tax Revenues, assuming the same land uses that went
21 into the calculation of the Estimated Base Facilities Special Tax
22 Revenues, are insufficient to provide Required Coverage, then the Base
23 Facilities Special Taxes that were applied in Step 4 shall be increased
24 proportionately until the amount that can be levied on the Taxable
25 Parcel(s), combined with the Expected Maximum Facilities Special Tax*

Revenues from other Planning Parcels in the STD, is sufficient to maintain Required Coverage; provided, however, such increase cannot exceed, in the aggregate, the amount by which Expected Maximum Facilities Special Tax Revenues from the Taxable Parcel exceeds the Estimated Base Facilities Special Tax Revenues from the Taxable Parcel(s).

After proportionately increasing the Base Facilities Special Taxes to an amount that will maintain Required Coverage, the Administrator shall use the adjusted per-square foot rates to calculate the Maximum Facilities Special Tax for each Taxable Parcel for which the increased Base Facilities Special Tax was determined to be necessary pursuant to this Step 4. The Administrator shall also revise Attachment 3 to reflect the new Expected Maximum Facilities Special Tax Revenues.

Table 1 Base Facilities Special Tax		
Square Footage Category	Base Facilities Special Tax in Tax Zone 1 (FY 2019-20) *	Base Facilities Special Tax in Tax Zone 2 (FY 2019-20) *
Residential Square Footage	\$5.22 per Residential Square Foot	\$4.89 per Residential Square Foot
Taxable Non-Residential Square Footage	\$5.22 per Non-Residential Square Foot	\$4.89 per Non-Residential Square Foot

* The Base Facilities Special Taxes shown above shall be escalated as set forth in Section D.1.

Unless and until individual Assessor's Parcels are created for Non-Residential Square Footage and Residential Square Footage within a building, the Administrator shall sum the Facilities Special Tax that, pursuant to Section F below, would be levied on all land uses on a Taxable Parcel and levy this aggregate Facilities Special Tax amount on the Taxable Parcel.

If, in any Fiscal Year, the Maximum Facilities Special Tax is determined for any Parcels of Developed Property for which a Building Permit had not yet been issued and, if, when a Building Permit is issued on the Parcel, the Residential Square Footage or Non-Residential Square Footage is different than the Residential Square Footage or Non-Residential Square Footage that was used to determine the Maximum Facilities Special Tax, then the Administrator shall once again apply Steps 1 through 4 in this Section C.2a to recalculate the Maximum Facilities Special Tax for the Parcel based on the Residential Square Footage or Non-Residential Square Footage that was

1 determined when the Building Permit was issued. The Administrator shall do a final
2 check of the Residential Square Footage and Non-Residential Square Footage for the
3 Parcel when a Certificate of Occupancy is issued. Once again, if the Residential
4 Square Footage or Non-Residential Square Footage is different than the Residential
5 Square Footage or Non-Residential Square Footage that was used to determine the
6 Maximum Facilities Special Tax after the Building Permit was issued, then the
7 Administrator shall apply Steps 1 through 4 in this Section C.2a to recalculate the
8 Maximum Facilities Special Tax for the Parcel.

9
10 **2b. Arts Building Special Tax**

11
12 Prior to the Transition Year, when a Taxable Parcel (or multiple Taxable Parcels within
13 a building) in Tax Zone 2 becomes Developed Property, the Administrator shall use the
14 Base Arts Building Special Taxes shown in Table 2 below and apply the steps set forth
15 in this Section 2b to determine the Maximum Arts Building Special Tax for the Taxable
16 Parcel(s). No Arts Building Special Tax shall be levied on Parcels in Tax Zone 1.

Table 2 Base Arts Building Special Tax in Tax Zone 2		
Square Footage Category	Base Arts Building Special Tax in Tax Zone 2 Before the Transition Year (FY 2019-20) *	Base Arts Building Special Tax in Tax Zone 2 in and After the Transition Year (FY 2019-20) *
Residential Square Footage	\$0.66 per Residential Square Foot	\$0.00 per Residential Square Foot
Taxable Non-Residential Square Footage	\$0.66 per Non-Residential Square Foot	\$0.00 per Non-Residential Square Foot

* The Base Arts Building Special Taxes shown above shall be escalated as set forth in Section D.1.

Step 1. The Administrator shall review the Building Permit, Certificate of Occupancy, Vertical DDA, condominium plan, architectural drawings, Development Approval Documents, information provided by the Port, Developer or Vertical Developer, and any other documents or data that estimate or identify the Square Footage within each Square Footage Category to determine Residential Square Footage or Non-Residential Square Footage anticipated within each building on the Taxable Parcel(s).

Step 2. Using the information from Step 1:

- For Tax Zone 2 only, multiply the applicable Base Arts Building Special Tax from Table 2 for Residential Square Footage by the total Residential Square Footage expected within each building on the Taxable Parcel(s).

1 ▪ For Tax Zone 2 only, multiply the applicable Base Arts Building Special
2 Tax from Table 2 for Taxable Non-Residential Square Footage by the total
3 Taxable Non-Residential Square Footage expected on the Taxable
4 Parcel(s).

5
6 ▪ If, based on the Expected Land Uses, the Administrator determines that
7 there is Expected Taxable Property within the building(s) in Tax Zone 2,
8 multiply the applicable Base Arts Building Special Tax from Table 2 based
9 on what had been anticipated on the Expected Taxable Property by the
10 Square Footage of the Expected Land Uses within each building.

11
12 Prior to the First Bond Sale, the Maximum Arts Building Special Tax for the
13 Taxable Parcel(s) shall be the sum of the amounts calculated above, and
14 Steps 3 and 4 below shall not apply.

15
16 After the First Bond Sale, the Administrator shall apply Steps 3 and 4 to
17 determine the Maximum Arts Building Special Tax for the Taxable
18 Parcel(s).

19
20 *Step 3.* Sum the amounts calculated in Step 2 to determine the Estimated Base
21 Arts Building Special Tax Revenues for the Taxable Parcel(s).

22
23 *Step 4.* Compare the Estimated Base Arts Building Special Tax Revenues from
24 Step 3 to the Expected Maximum Arts Building Special Tax Revenues, and
25 apply one of the following, as applicable:

▪ *If the Estimated Base Arts Building Special Tax Revenues are: (i) greater than or equal to the Expected Maximum Arts Building Special Tax Revenues or (ii) less than the Expected Maximum Arts Building Special Tax Revenues, but the Maximum Arts Building Special Tax Revenues, assuming the same land uses that went into the calculation of the Estimated Base Arts Building Special Tax Revenues, are still sufficient to provide Required Coverage, then the Maximum Arts Building Special Tax for each Taxable Parcel shall be determined by multiplying the applicable Base Arts Building Special Taxes by the Square Footage of each Square Footage Category expected within the building(s) on the Taxable Parcel(s). The Administrator shall update Attachment 3 to reflect the adjusted Expected Maximum Arts Building Special Tax Revenues and the new Maximum Arts Building Special Tax Revenues.*

▪ *If the Estimated Base Arts Building Special Tax Revenues are less than the Expected Maximum Arts Building Special Tax Revenues, and the Maximum Arts Building Special Tax Revenues, assuming the same land uses that went into the calculation of the Estimated Base Arts Building Special Tax Revenues, are insufficient to provide Required Coverage, then the Base Arts Building Special Taxes that were applied in Step 4 shall be increased proportionately until the amount that can be levied on the Taxable Parcel(s), combined with the Expected Maximum Arts Building Special Tax Revenues from other Planning Parcels in the STD, is sufficient to maintain Required Coverage; provided, however, such*

1 increase cannot exceed, in the aggregate, the amount by which Expected
2 Maximum Arts Building Special Tax Revenues from the Taxable Parcel
3 exceeds the Estimated Base Arts Building Special Tax Revenues from
4 the Taxable Parcel(s).

5
6 After proportionately increasing the Base Arts Building Special Taxes to
7 an amount that will maintain Required Coverage, the Administrator shall
8 use the adjusted per-square foot rates to calculate the Maximum Arts
9 Building Special Tax for each Taxable Parcel for which the increased
10 Base Arts Building Special Tax was determined to be necessary
11 pursuant to this Step 4. The Administrator shall also revise Attachment
12 3 to reflect the new Expected Maximum Arts Building Special Tax
13 Revenues.

14
15 Unless and until individual Assessor's Parcels are created for Non-Residential Square
16 Footage and Residential Square Footage within a building, the Administrator shall sum
17 the Arts Building Special Tax that, pursuant to Section F below, would be levied on all
18 land uses on a Parcel and levy this aggregate Arts Building Special Tax amount on the
19 Parcel.

20
21 If, in any Fiscal Year, the Maximum Arts Building Special Tax is determined for any
22 Parcels of Developed Property for which a Building Permit had not yet been issued
23 and, if, when a Building Permit is issued on the Parcel, the Residential Square Footage
24 or Non-Residential Square Footage is different than the Residential Square Footage or
25 Non-Residential Square Footage that was used to determine the Maximum Arts

1 Building Special Tax, then the Administrator shall once again apply Steps 1 through 4
2 in this Section C.2b to recalculate the Maximum Arts Building Special Tax for the
3 Parcel(s) based on the Residential Square Footage or Non-Residential Square
4 Footage that was determined when the Building Permit was issued. The Administrator
5 shall do a final check of the Residential Square Footage and Non-Residential Square
6 Footage within the building when a Certificate of Occupancy is issued. Once again, if
7 the Residential Square Footage or Non-Residential Square Footage is different than
8 the Residential Square Footage or Non-Residential Square Footage that was used to
9 determine the Maximum Arts Building Special Tax after the Building Permit was issued,
10 then the Administrator shall apply Steps 1 through 4 in this Section C.2b to recalculate
11 the Maximum Arts Building Special Tax for the Parcel.

12
13 If one or more Building Permits have been issued for development of structures on a
14 Taxable Parcel, and additional structures are anticipated to be built on the Taxable
15 Parcel as shown in the Development Approval Documents, the Administrator shall,
16 regardless of the definitions set forth herein, categorize the buildings for which Building
17 Permits have been issued as Developed Property and, if the 36-month anniversary of
18 the VDDA Execution Date has not occurred in a previous Fiscal Year, any remaining
19 buildings for which Building Permits have not yet been issued shall not be subject to the
20 Arts Building Special Tax until either: (i) a Building Permit is issued for such remaining
21 buildings, or (ii) the Fiscal Year in which the 36-month anniversary of the VDDA
22 Execution Date. To determine the Arts Building Special Tax for any such Parcel, the
23 Administrator shall take the sum of the Arts Building Special Taxes determined for each
24 building.

- 20
- 21 *Step 1.* Review the Certificate of Occupancy, Building Permit, Vertical DDA,
- 22 condominium plan, Development Approval Documents, architectural
- 23 drawings, information provided by the Port, Developer or Vertical Developer,
- 24 and coordinate with the Review Authority to determine the Residential

1 Square Footage and Non-Residential Square Footage anticipated within
2 each building.

3
4 *Step 2.* Using the information from Step 1:

5
6 ■ After consideration of the Tax Zone for the building and the Transition
7 Year, multiply the applicable Base Services Special Tax from Table 3 for
8 Residential Square Footage by the total Residential Square Footage
9 within each building.

10
11 ■ Based on the Tax Zone in which the building is located and the Transition
12 Year, multiply the applicable Base Services Special Tax from Table 3 for
13 Taxable Non-Residential Square Footage by the total Taxable Non-
14 Residential Square Footage expected in the building.

15
16 The Maximum Services Special Tax for the Parcel shall be the sum of the amounts
17 calculated pursuant to this Step 2.

18
19 If additional structures are anticipated to be built on the Parcel as shown in the
20 Development Approval Documents, the Administrator shall, regardless of the definitions
21 set forth herein, categorize each building for which a Certificate of Occupancy has been
22 issued as Developed Property, and any remaining buildings for which Certificates of
23 Occupancy have not yet been issued shall not be subject to a Services Special Tax until
24 a Certificate of Occupancy is issued for such remaining buildings. To determine the
25

1 Services Special Tax for any such Parcel, the Administrator shall take the sum of the
2 Services Special Taxes determined for each building.

3
4 **3. *Expected Taxable Property***

5
6 Depending on the Tax Zone in which a Parcel of Expected Taxable Property is located, the
7 Maximum Facilities Special Tax and, if applicable, Maximum Arts Building Special Tax assigned
8 to the Parcel shall be the Expected Maximum Facilities Special Tax Revenues and, if applicable,
9 Expected Maximum Arts Building Special Tax Revenues that were assigned to the Parcel (as
10 determined by the Administrator) based on the Expected Land Uses prior to the Administrator
11 determining that such Parcel had become Expected Taxable Property. In the Transition Year
12 and each Fiscal Year thereafter, no Arts Building Special Tax shall be levied on Expected
13 Taxable Property.

14
15
16 **D. CHANGES TO THE MAXIMUM SPECIAL TAXES**

17
18 **1. *Annual Escalation of Facilities Special Tax and Arts Building Special Tax***

19
20 Beginning July 1, 2020 and each July 1 thereafter, each of the following amounts shall
21 be increased by 2% of the amount in effect in the prior Fiscal Year: the Base Facilities Special
22 Tax for each Tax Zone in Table 1; the Base Arts Building Special Tax for Tax Zone 2 in Table
23 2; the Expected Maximum Facilities Special Tax Revenues in Attachment 3, the Expected
24 Maximum Arts Building Special Tax Revenues in Attachment 3, and the Maximum Facilities

2. Annual Escalation of Services Special Tax

Beginning July 1, 2020 and each July 1 thereafter, the Base Services Special Tax for each Tax Zone in Table 3 and the Maximum Services Special Tax assigned to each Taxable Parcel shall be adjusted by the Escalator.

3. Changes in Square Footage Category on a Parcel of Developed Property

If any Parcel that had been taxed as Developed Property in a prior Fiscal Year is rezoned or otherwise has a Land Use Change, the Administrator shall, separately for each of the Special Taxes, multiply the applicable Base Special Tax by the total Residential Square Footage and Taxable Non-Residential Square Footage on the Parcel after the Land Use Change; if the First Bond Sale has not yet occurred, the combined amount of the applicable Special Taxes shall be the Maximum Special Tax for the Parcel. If the First Bond Sale has taken place, the Administrator shall apply the remainder of this Section D.3.

If the Maximum Special Tax that would apply to the Parcel after the Land Use Change is greater than the Maximum Special Tax that applied to the Parcel prior to the Land Use Change, the Administrator shall increase the Maximum Special Tax for the Parcel to the amount calculated based on the Land Use Change. If the Maximum Special Tax after the Land Use Change is less than the Maximum Special Tax that applied prior to the Land Use Change, there shall be no change to the Maximum Special Tax for the Parcel. Under no circumstances shall the Maximum Special Tax on any Parcel of Developed Property be reduced, regardless of changes

1 in Square Footage Category or Square Footage on the Parcel, including reductions in Square
2 Footage that may occur due to demolition, fire, water damage, or acts of God.

3
4 **4. *Changes to Planning Parcels and Expected Land Uses***

5
6 If, at any time prior to the First Bond Sale, the Developer or a Vertical Developer makes changes
7 to the boundaries of the Planning Parcels or the Expected Land Uses within one or more
8 Planning Parcels, the Administrator shall update the Expected Land Uses and Expected
9 Maximum Facilities Special Tax Revenues and Expected Maximum Arts Building Special Tax
10 Revenues, which will be reflected on an updated Attachment 3. In addition, the Administrator
11 will request updated Attachments 1 and 2 from the Developer.

12
13 If, after the First Bond Sale, the Developer or a Vertical Developer proposes to make changes
14 to the boundaries of the Planning Parcels or the Expected Land Uses within one or more
15 Planning Parcels, the Administrator shall meet with the Port, Developer, and any affected
16 Vertical Developers to review the proposed changes and evaluate the impact on the Expected
17 Maximum Facilities Special Tax Revenues and Expected Maximum Arts Building Special Tax
18 Revenues. If the Administrator determines that such changes will not reduce Required
19 Coverage on Bonds that have been issued, the Port will decide whether to allow the proposed
20 changes and corresponding redistribution of the Maximum Facilities Special Tax Revenues and
21 Maximum Arts Building Special Tax Revenues. If such changes are permitted, the
22 Administrator will update Attachment 3 and request updated Attachments 1 and 2 from the
23 Developer. If the Administrator determines that the proposed changes will reduce Required
24 Coverage on Bonds that have been issued, the Port will not permit the changes.

1 **5. *Reduction in Maximum Facilities Special Taxes Prior to First Bond Sale***

2
3 Prior to the First Bond Sale, as set forth in the Financing Plan, the Port, Developer, and any
4 affected Vertical Developer in Tax Zone 1 may agree to a proportional or disproportional
5 reduction in the Base Facilities Special Tax. If the parties agree to such a reduction, the Port
6 will direct the Administrator to use the reduced Base Facilities Special Tax for purposes of
7 levying the taxes pursuant to this RMA, and such reduction shall be codified by recordation of
8 an amended Notice of Special Tax Lien against all Taxable Parcels within the STD. The
9 reduction shall be made without a vote of the qualified STD electors.

10
11
12 **E. ANNEXATIONS**

13
14 If, in any Fiscal Year, a property owner within the Future Annexation Area wants to annex
15 property into Zone 2 of the STD, the Administrator shall apply the following steps as part of the
16 annexation proceedings:

17
18 *Step 1.* Working with Port staff, the Administrator shall determine the Expected Land
19 Uses for the area to be annexed.

20
21 *Step 2.* The Administrator shall prepare or have prepared updated Attachments 1, 2,
22 and 3 to reflect the annexed property and identify the revised Expected Land
23 Uses, Expected Maximum Facilities Special Tax Revenues and Expected
24 Maximum Arts Building Special Tax Revenues. After the annexation is
25 complete, the application of this RMA shall be based on the adjusted Expected

1 Land Uses and Maximum Facilities Special Tax Revenues and Maximum Arts
2 Building Special Tax Revenues, as applicable, including the newly annexed
3 property.

4
5 *Step 3.* The Administrator shall ensure that a Notice of Special Tax Lien is recorded
6 against all Parcels that are annexed to the STD.

7
8
9 **F. METHOD OF LEVY OF THE SPECIAL TAXES**

10
11 **1. *Facilities Special Tax***

12
13 Each Fiscal Year, the Administrator shall determine the Facilities Special Tax Requirement for
14 the Fiscal Year, and the Facilities Special Tax shall be levied according to the steps outlined
15 below:

16
17 **a. In Any Fiscal Year in Which There is No Developer Private Agreement or**
18 **Developer Public Agreement in Place**

19
20 *Step 1.* In all Fiscal Years, the Maximum Facilities Special Tax shall be levied on all
21 Parcels of Developed Property regardless of debt service on Bonds (if any),
22 and any Remainder Special Taxes collected shall be applied as set forth in
23 the Indenture and the Financing Plan.

1 *Step 2.* After the First Bond Sale, if additional revenue is needed after Step 1 in order
2 to meet the Facilities Special Tax Requirement after Capitalized Interest has
3 been applied to reduce the Facilities Special Tax Requirement, the Facilities
4 Special Tax shall be levied Proportionately on each Parcel of Expected
5 Taxable Property, up to 100% of the Maximum Facilities Special Tax for each
6 Parcel of Expected Taxable Property.

7
8 **b. In Any Fiscal Year in Which There is Either or Both a Developer Private**
9 **Agreement and/or a Developer Public Agreement in Place**

10
11 *Step 1.* In all Fiscal Years, the Maximum Facilities Special Tax shall be levied on all
12 Parcels of Developed Property regardless of debt service on Bonds (if any),
13 and any Remainder Special Taxes collected shall be applied as set forth in
14 the Indenture and the Financing Plan.

15
16 *Step 2.* After the First Bond Sale, but only if a Developer Private Agreement is in place,
17 if additional revenue is needed after Step 1 in order to meet the Facilities
18 Special Tax Requirement after Capitalized Interest has been applied to reduce
19 the Facilities Special Tax Requirement, the Facilities Special Tax shall be
20 levied Proportionately on each Parcel of Undeveloped Property that is not a
21 Port-Owned Development Parcel, up to 100% of the Maximum Facilities
22 Special Tax for each Parcel of Undeveloped Property that is not a Port-Owned
23 Development Parcel for such Fiscal Year.

Step 4: After the First Bond Sale, if additional revenue is needed after Step 3 in order to meet the Facilities Special Tax Requirement, the Facilities Special Tax shall be levied Proportionately on each Parcel of Expected Taxable Property, up to 100% of the Maximum Facilities Special Tax for each Parcel of Expected Taxable Property.

2. ***Arts Building Special Tax***

Step 1. Each Fiscal Year the Maximum Arts Building Special Tax shall be levied on each Taxable Parcel of Developed Property. Any Remainder Special Taxes collected shall be applied as set forth in the Financing Plan. The Arts Building Special Tax may not be levied on Undeveloped Property.

3. ***Services Special Tax***

Each Fiscal Year, the Administrator shall coordinate with the City and the Port to determine the Services Special Tax Requirement for the Fiscal Year. The Services Special Tax shall then be levied Proportionately on each Parcel of Developed Property, up to 100% of the Maximum Services Special Tax for each Parcel of Developed Property for such Fiscal Year until the amount levied is equal to the Services Special Tax Requirement. The Services Special Tax may not be levied on Undeveloped Property or Expected Taxable Property.

G. **COLLECTION OF SPECIAL TAXES**

Special Taxes shall be collected in the same manner and at the same time as ordinary ad valorem property taxes on the regular tax roll, provided, however, that the City may directly bill Special Taxes, may collect Special Taxes at a different time or in a different manner, and may collect delinquent Special Taxes through foreclosure or other available methods as authorized by the CFD Law. The Board of Supervisors has ordered any Special Taxes to be levied on leasehold interests to be levied on the secured roll. The Special Tax bill for any Parcel subject

1 to a leasehold interest will be sent to the same party that receives the possessory interest tax
2 bill associated with the leasehold.

3
4 In calculating the Facilities Special Tax Requirement, under no circumstances may the Facilities
5 Special Tax that is levied on a Taxable Parcel in a Fiscal Year be increased by more than ten
6 percent (10%) of the Maximum Facilities Special Tax for that Parcel (or such lesser amount
7 required by the CFD Law) as a consequence of delinquency or default in payment of Facilities
8 Special Taxes levied on another Parcel(s) in the STD.

9
10 The Facilities Special Tax shall be levied and collected on a Taxable Parcel until the Fiscal Year
11 that is the 120th Fiscal Year in which the Facilities Special Tax has been levied on the Taxable
12 Parcel.

13
14 The Arts Building Special Tax shall be levied and collected until the earlier of: (i) the Transition
15 Year, and (ii) the 120th Fiscal Year in which the Arts Building Special Tax has been levied on
16 the Taxable Parcel.

17
18 The Services Special Tax shall be levied and collected in perpetuity.

19
20
21 **H. EXEMPTIONS**

22
23 Notwithstanding any other provision of this RMA, no Special Taxes shall be levied on Affordable
24 Housing Projects, Tax-Exempt Port Parcels, or Exempt Association Square Footage unless
25 such uses are Expected Taxable Property.

I. INTERPRETATION OF SPECIAL TAX FORMULA

The City may interpret, clarify, and revise this RMA to correct any inconsistency, vagueness, or ambiguity, by resolution or ordinance, as long as such interpretation, clarification, or revision does not materially affect the levy and collection of the Special Taxes and any security for any Bonds.

J. SPECIAL TAX APPEALS

Any taxpayer who wishes to challenge the accuracy of computation of the Special Taxes in any Fiscal Year may file an application with the Administrator. The Administrator, in consultation with the City Attorney, shall promptly review the taxpayer's application. If the Administrator concludes that the computation of the Special Taxes was not correct, the Administrator shall correct the Special Tax levy and, if applicable in any case, a refund shall be granted. If the Administrator concludes that the computation of the Special Taxes was correct, then such determination shall be final and conclusive, and the taxpayer shall have no appeal to the Board from the decision of the Administrator.

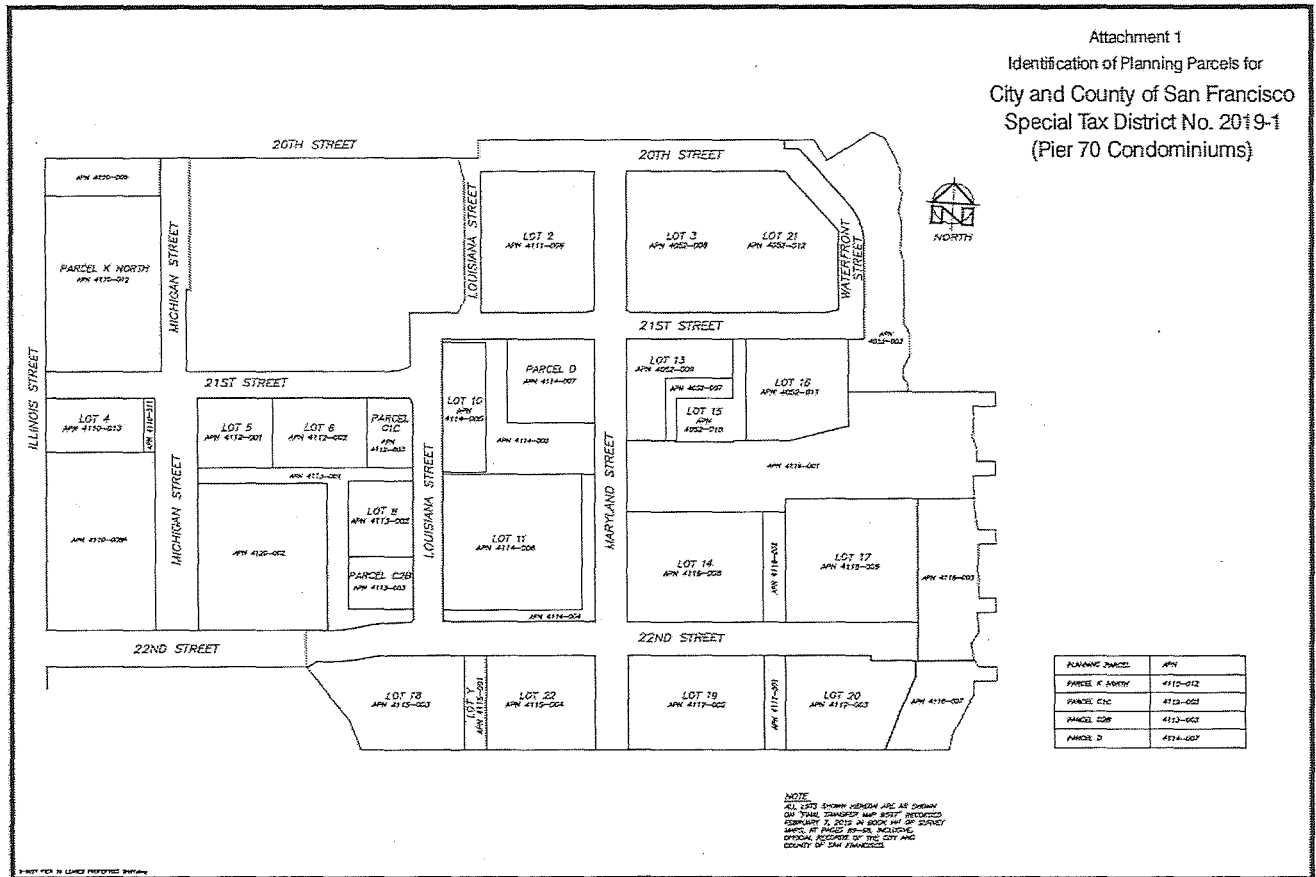

The filing of an application or an appeal shall not relieve the taxpayer of the obligation to pay the Special Taxes when due.

Nothing in this Section J shall be interpreted to allow a taxpayer to bring a claim that would otherwise be barred by applicable statutes of limitation set forth in the CFD Law or elsewhere in applicable law.

Board of Supervisors of the
City and County of San Francisco
1 Dr. Carlton B. Goodlett Place
San Francisco, CA 94102

Members of the Board of Supervisors:

The Board of Supervisors of the City and County of San Francisco (the "City") has initiated formation of City and County of San Francisco Special Tax District No. 2019-1 (Pier 70 Condominiums) (the "Special Tax District") under Chapter 43, Article X of the San Francisco Administrative Code (as it may be amended from time to time, the "Code"), which Code incorporates by reference the Mello-Roos Community Facilities Act of 1982, as amended (the "Mello-Roos Act"). This Public Agency Statement and Consent (this "Statement") is submitted in connection with the formation of the Special Tax District pursuant to Sections 53317(f)(1), 53317(f)(3) and 53326(a) of the Mello-Roos Act.

1. Property Owner. This Statement is submitted by the entity identified below (the "Property Owner"), which is the owner of the fee simple title of the parcels of land identified by the Assessor Parcel Numbers listed on Exhibit B attached hereto and incorporated herein by reference (the "Property"). The undersigned warrants to the City with respect to the Property that it is authorized to execute this Statement and that the submission of this Statement and participation in the proceedings to form the Special Tax District will not conflict with or constitute a breach of or default under any applicable law or administrative rule or regulation of the State of California, the United States of America, or of any department, division, agency or instrumentality of the State of California or the United States of America, or under any applicable court or administrative decree or order, or under any loan agreement, note, resolution, indenture, fiscal agent agreement, contract, agreement or other instrument to which the Property Owner is a party or is otherwise subject or bound.

2. Consent to Proceedings. The Property Owner hereby consents to proceedings under the Code to create the Special Tax District. The Property Owner acknowledges that a two-thirds vote of the qualified electors in the Special Tax District that vote on the issues is required for (i) the levy of special taxes in the Special Tax District pursuant to the Rate and Method of Apportionment of Special Tax (the "Rate and Method") to be prepared by the City, (ii) the issuance of special tax bonds and the incurrence of other debt (as defined in the Mello-Roos Act) for the Special Tax District in an amount to be determined during the formation proceedings and (iii) the establishment of an appropriations limit for the Special Tax District in an amount to be determined during the formation proceedings.

The Property Owner hereby declares that it is a "landowner" (as defined in Section 53317(f) of the Mello-Roos Act) for purposes of the formation proceedings for the Special Tax District because the Property either will be (a) transferred by conveyance of the fee interest to private ownership for the construction of improvements, in which case the Property Owner hereby agrees that the Property will be subject to the special tax on the same basis as private property within the Special Tax District and affirmatively waives any defense based on the fact of public ownership to any action to foreclose on the Property in the event of nonpayment of the special tax or (b) leased to a nonexempt person or entity and, pursuant to Section 53340.1 of the Mello-Roos Act, the special tax will be levied on the leasehold interest and payable by the owner of the leasehold interest.

3. Boundaries of CFD. The Property Owner hereby consents to the Property being included within the boundaries of the Special Tax District.

4. Purpose of CFD. The Property Owner acknowledges that the Special Tax District will be created for the purpose of financing the facilities, public services and other costs described in Exhibit A attached hereto and incorporated herein by reference.

5. Elections. The Property Owner hereby consents to a special election being held under the Code to authorize the special taxes and the issuance of the bonds and other debt and to establish an appropriations limit for the Special Tax District, to the consolidation of the matters into a single election and to the election being conducted by the City and its officials, using mailed or hand-delivered ballots, with such ballots being opened and canvassed and the results certified at the same meeting of the Board of Supervisors as the public hearings on the Special Tax District under the Code or as soon thereafter as possible.

6. Waivers. To expedite the completion of the proceedings for the Special Tax District, all notices of hearings and all notices of election, applicable waiting periods under the Code for the election and all ballot analyses and arguments for the election are hereby waived. The Property Owner also waives any requirement as to the specific form of the ballot to be used for the election, whether under the Code, the California Elections Code or otherwise.

This Statement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

By executing this Statement, the Property Owner agrees to all of the above.

The Administrator shall also determine: (i) whether each Taxable Parcel is Developed Property, Undeveloped Property (including Port-Owned Development Parcels), or Expected Taxable Property; (ii) the Planning Parcel and Tax Zone within which each Assessor’s Parcel is located; (iii) for Developed Property, the For-Sale Residential Square Footage, Rental Residential Square Footage, Exempt Non-Residential Square Footage, and Taxable Non-Residential Square Footage on each Parcel; and (iv) the Facilities Special Tax Requirement, Arts Building Special Tax Requirement, and Services Special Tax Requirement for the Fiscal Year.

The Administrator shall also: (i) coordinate with the Deputy Director to determine whether the Transition Event occurred in the prior Fiscal Year; (ii) coordinate with the Treasurer-Tax Collector’s Office to determine if there have been any Special Tax delinquencies or repayment of Special Tax delinquencies in prior Fiscal Years; (iii) in consultation with the Review Authority, review the Development Approval Documents and communicate with the Developer and

Vertical Developers regarding proposed Land Use Changes; and (iv) upon each annexation, Land Use Change, and notification of executed Vertical DDAs, update Attachment 3 to reflect the then-current Expected Land Uses, Expected Maximum Facilities Special Tax Revenues and Expected Maximum Arts Building Special Tax Revenues. The Developer, Port, and Vertical Developer shall notify the Administrator each time a Vertical DDA is executed in order for the Administrator to keep track of VDDA Execution Dates for each Vertical DDA.

In any Fiscal Year, if it is determined that (i) a parcel map or condominium plan was recorded after January 1 of the prior Fiscal Year (or any other date after which the Assessor will not incorporate the newly-created Parcels into the then current tax roll), (ii) because of the date the map or plan was recorded, the Assessor does not yet recognize the newly-created Parcels, and (iii) one or more of the newly-created Parcels meets the definition of Developed Property, the Administrator shall calculate the Special Taxes for the property affected by recordation of the map or plan by determining the Special Taxes that applies separately to each newly-created Parcel, then applying the sum of the individual Special Taxes to the Parcel that was subdivided by recordation of the parcel map or condominium plan.

C. MAXIMUM SPECIAL TAXES

In calculating Maximum Special Taxes pursuant to this Section C, in any Fiscal Year in which the boundaries of the Planning Parcels are not identical to the boundaries of the then-current Assessor's Parcels, the Administrator shall review the Expected Land Uses for each Planning Parcel and assign the Maximum Special Taxes to the then-current Assessor's Parcels. The Maximum Special Tax Revenues after such allocation shall not be less than the Maximum Special Tax Revenues prior to the allocation.

1. *Undeveloped Property*

1a. Facilities Special Tax

The Maximum Facilities Special Tax for Undeveloped Property in all Tax Zones shall be the Expected Maximum Facilities Special Tax Revenues shown in Attachment 3 of this RMA, as it may be amended as set forth herein.

1b. Arts Building Special Tax and Services Special Tax

No Arts Building Special Tax or Services Special Tax shall be levied on Parcels of Undeveloped Property in any Tax Zone within the STD.

2. *Developed Property*

2a. Facilities Special Tax

When a Taxable Parcel (or multiple Taxable Parcels within a building) becomes Developed Property, the Administrator shall use the Base Facilities Special Taxes shown in Table 1 below and apply the steps set forth in this Section 2a to determine the Maximum Facilities Special Tax for the Parcel(s):

Step 1. The Administrator shall review the Building Permit, Certificate of Occupancy, Vertical DDA, condominium plan, architectural drawings, Development Approval Documents, information provided by the Developer, or Vertical Developer, and any other documents or data that estimate or identify the Residential Square Footage or Non-Residential Square Footage anticipated on the Taxable Parcel(s).

Step 2. Using the information from Step 1:

- Based on the Tax Zone in which the Taxable Parcel(s) is located, multiply the applicable Base Facilities Special Tax from Table 1 for Residential Square Footage by the total Residential Square Footage expected within each building on the Taxable Parcel(s).
- Based on the Tax Zone in which the Taxable Parcel(s) is located, multiply the applicable Base Facilities Special Tax from Table 1 for Taxable Non-Residential Square Footage by the total Taxable Non-Residential Square Footage expected within each building on the Taxable Parcel(s).
- If, based on the Expected Land Uses, the Administrator determines that there is Expected Taxable Property within any building, multiply the applicable Base Facilities Special Tax from Table 1 based on what had been anticipated on the Expected Taxable Property by the Square Footage of the Expected Land Uses for that Expected Taxable Property.

Prior to the First Bond Sale, the Maximum Facilities Special Tax for the Taxable Parcel(s) shall be the sum of the amounts calculated above, and Steps 3 and 4 below shall not apply.

After the First Bond Sale, the Administrator shall apply Steps 3 and 4 to determine the Maximum Facilities Special Tax for the Taxable Parcel(s).

Step 3. Sum the amounts calculated in Step 2 to determine the Estimated Base Facilities Special Tax Revenues for the Taxable Parcel(s).

Step 4. Compare the Estimated Base Facilities Special Tax Revenues from Step 3 to the Expected Maximum Facilities Special Tax Revenues, and apply one of the following, as applicable:

- *If the Estimated Base Facilities Special Tax Revenues are: (i) greater than or equal to the Expected Maximum Facilities Special Tax Revenues or (ii) less than the Expected Maximum Facilities Special Tax Revenues, but the Maximum Facilities Special Tax Revenues, assuming the same land uses that went into the calculation of the Estimated Base Facilities Special Tax Revenues, are still sufficient to provide Required Coverage, then the Maximum Facilities Special Tax for the Taxable Parcel(s) shall*

be determined by multiplying the applicable Base Facilities Special Taxes by the Square Footage of each Square Footage Category expected within the building(s) on the Taxable Parcel(s). The Administrator shall update Attachment 3 to reflect the adjusted Expected Maximum Facilities Special Tax Revenues and the new Maximum Facilities Special Tax Revenues.

- *If the Estimated Base Facilities Special Tax Revenues are less than the Expected Maximum Facilities Special Tax Revenues, and the Maximum Facilities Special Tax Revenues, assuming the same land uses that went into the calculation of the Estimated Base Facilities Special Tax Revenues, are insufficient to provide Required Coverage, then the Base Facilities Special Taxes that were applied in Step 4 shall be increased proportionately until the amount that can be levied on the Taxable Parcel(s), combined with the Expected Maximum Facilities Special Tax Revenues from other Planning Parcels in the STD, is sufficient to maintain Required Coverage; provided, however, such increase cannot exceed, in the aggregate, the amount by which Expected Maximum Facilities Special Tax Revenues from the Taxable Parcel exceeds the Estimated Base Facilities Special Tax Revenues from the Taxable Parcel(s).*

After proportionately increasing the Base Facilities Special Taxes to an amount that will maintain Required Coverage, the Administrator shall use the adjusted per-square foot rates to calculate the Maximum Facilities Special Tax for each Taxable Parcel for which the increased Base Facilities Special Tax was determined to be necessary pursuant to this Step 4. The Administrator shall also revise Attachment 3 to reflect the new Expected Maximum Facilities Special Tax Revenues.

Table 1 Base Facilities Special Tax		
Square Footage Category	Base Facilities Special Tax in Tax Zone 1 (FY 2017-18) *	Base Facilities Special Tax in Tax Zone 2 (FY 2017-18) *
Residential Square Footage	\$5.02 per Residential Square Foot	\$4.70 per Residential Square Foot
Taxable Non-Residential Square Footage	\$5.02 per Non-Residential Square Foot	\$4.70 per Non-Residential Square Foot

* The Base Facilities Special Taxes shown above shall be escalated as set forth in Section D.1.

Unless and until individual Assessor's Parcels are created for Non-Residential Square Footage and Residential Square Footage within a building, the Administrator shall sum the Facilities Special Tax that, pursuant to Section F below, would be levied on all land

uses on a Taxable Parcel and levy this aggregate Facilities Special Tax amount on the Taxable Parcel.

If, in any Fiscal Year, the Maximum Facilities Special Tax is determined for any Parcels of Developed Property for which a Building Permit had not yet been issued and, if, when a Building Permit is issued on the Parcel, the Residential Square Footage or Non-Residential Square Footage is different than the Residential Square Footage or Non-Residential Square Footage that was used to determine the Maximum Facilities Special Tax, then the Administrator shall once again apply Steps 1 through 4 in this Section C.2a to recalculate the Maximum Facilities Special Tax for the Parcel based on the Residential Square Footage or Non-Residential Square Footage that was determined when the Building Permit was issued. The Administrator shall do a final check of the Residential Square Footage and Non-Residential Square Footage for the Parcel when a Certificate of Occupancy is issued. Once again, if the Residential Square Footage or Non-Residential Square Footage is different than the Residential Square Footage or Non-Residential Square Footage that was used to determine the Maximum Facilities Special Tax after the Building Permit was issued, then the Administrator shall apply Steps 1 through 4 in this Section C.2a to recalculate the Maximum Facilities Special Tax for the Parcel.

2b. Arts Building Special Tax

Prior to the Transition Year, when a Taxable Parcel (or multiple Taxable Parcels within a building) in Tax Zone 2 becomes Developed Property, the Administrator shall use the Base Arts Building Special Taxes shown in Table 2 below and apply the steps set forth in this Section 2b to determine the Maximum Arts Building Special Tax for the Taxable Parcel(s). No Arts Building Special Tax shall be levied on Parcels in Tax Zone 1.

Table 2 Base Arts Building Special Tax in Tax Zone 2		
Square Footage Category	Base Arts Building Special Tax in Tax Zone 2 Before the Transition Year (FY 2017-18) *	Base Arts Building Special Tax in Tax Zone 2 in and After the Transition Year (FY 2017-18) *
Residential Square Footage	\$0.64 per Residential Square Foot	\$0.00 per Residential Square Foot
Taxable Non-Residential Square Footage	\$0.64 per Non-Residential Square Foot	\$0.00 per Non-Residential Square Foot

* The Base Arts Building Special Taxes shown above shall be escalated as set forth in Section D.1.

Step 1. The Administrator shall review the Building Permit, Certificate of Occupancy, Vertical DDA, condominium plan, architectural drawings, Development Approval Documents, information provided by the Port, Developer or Vertical Developer, and any other documents or data that estimate or identify the Square Footage within each Square Footage Category to determine Residential Square Footage or Non-Residential Square Footage anticipated within each building on the Taxable Parcel(s).

Step 2. Using the information from Step 1:

- For Tax Zone 2 only, multiply the applicable Base Arts Building Special Tax from Table 2 for Residential Square Footage by the total Residential Square Footage expected within each building on the Taxable Parcel(s).
- For Tax Zone 2 only, multiply the applicable Base Arts Building Special Tax from Table 2 for Taxable Non-Residential Square Footage by the total Taxable Non-Residential Square Footage expected on the Taxable Parcel(s).
- If, based on the Expected Land Uses, the Administrator determines that there is Expected Taxable Property within the building(s) in Tax Zone 2, multiply the applicable Base Arts Building Special Tax from Table 2 based on what had been anticipated on the Expected Taxable Property by the Square Footage of the Expected Land Uses within each building.

Prior to the First Bond Sale, the Maximum Arts Building Special Tax for the Taxable Parcel(s) shall be the sum of the amounts calculated above, and Steps 3 and 4 below shall not apply.

After the First Bond Sale, the Administrator shall apply Steps 3 and 4 to determine the Maximum Arts Building Special Tax for the Taxable Parcel(s).

Step 3. Sum the amounts calculated in Step 2 to determine the Estimated Base Arts Building Special Tax Revenues for the Taxable Parcel(s).

Step 4. Compare the Estimated Base Arts Building Special Tax Revenues from Step 3 to the Expected Maximum Arts Building Special Tax Revenues, and apply one of the following, as applicable:

- *If the Estimated Base Arts Building Special Tax Revenues are: (i) greater than or equal to the Expected Maximum Arts Building Special Tax Revenues or (ii) less than the Expected Maximum Arts Building Special Tax Revenues, but the Maximum Arts Building Special Tax Revenues, assuming the same land uses that went into the calculation of the Estimated Base Arts Building Special Tax Revenues, are still sufficient to provide Required Coverage, then the Maximum Arts Building Special Tax for each Taxable Parcel shall be determined by multiplying the applicable Base Arts Building Special Taxes by the Square Footage of each Square Footage Category expected within the building(s) on the Taxable Parcel(s). The Administrator shall update Attachment 3 to reflect the adjusted Expected Maximum Arts Building Special Tax Revenues and the new Maximum Arts Building Special Tax Revenues.*
- *If the Estimated Base Arts Building Special Tax Revenues are less than the Expected Maximum Arts Building Special Tax Revenues, and the*

Maximum Arts Building Special Tax Revenues, assuming the same land uses that went into the calculation of the Estimated Base Arts Building Special Tax Revenues, are insufficient to provide Required Coverage, then the Base Arts Building Special Taxes that were applied in Step 4 shall be increased proportionately until the amount that can be levied on the Taxable Parcel(s), combined with the Expected Maximum Arts Building Special Tax Revenues from other Planning Parcels in the STD, is sufficient to maintain Required Coverage; provided, however, such increase cannot exceed, in the aggregate, the amount by which Expected Maximum Arts Building Special Tax Revenues from the Taxable Parcel exceeds the Estimated Base Arts Building Special Tax Revenues from the Taxable Parcel(s).

After proportionately increasing the Base Arts Building Special Taxes to an amount that will maintain Required Coverage, the Administrator shall use the adjusted per-square foot rates to calculate the Maximum Arts Building Special Tax for each Taxable Parcel for which the increased Base Arts Building Special Tax was determined to be necessary pursuant to this Step 4. The Administrator shall also revise Attachment 3 to reflect the new Expected Maximum Arts Building Special Tax Revenues.

Unless and until individual Assessor's Parcels are created for Non-Residential Square Footage and Residential Square Footage within a building, the Administrator shall sum the Arts Building Special Tax that, pursuant to Section F below, would be levied on all land uses on a Parcel and levy this aggregate Arts Building Special Tax amount on the Parcel.

If, in any Fiscal Year, the Maximum Arts Building Special Tax is determined for any Parcels of Developed Property for which a Building Permit had not yet been issued and, if, when a Building Permit is issued on the Parcel, the Residential Square Footage or Non-Residential Square Footage is different than the Residential Square Footage or Non-Residential Square Footage that was used to determine the Maximum Arts Building Special Tax, then the Administrator shall once again apply Steps 1 through 4 in this Section C.2b to recalculate the Maximum Arts Building Special Tax for the Parcel(s) based on the Residential Square Footage or Non-Residential Square Footage that was determined when the Building Permit was issued. The Administrator shall do a final check of the Residential Square Footage and Non-Residential Square Footage within the building when a Certificate of Occupancy is issued. Once again, if the Residential Square Footage or Non-Residential Square Footage is different than the Residential Square Footage or Non-Residential Square Footage that was used to determine the Maximum Arts Building Special Tax after the Building Permit was issued, then the Administrator shall apply Steps 1 through 4 in this Section C.2b to recalculate the Maximum Arts Building Special Tax for the Parcel.

If one or more Building Permits have been issued for development of structures on a Taxable Parcel, and additional structures are anticipated to be built on the Taxable Parcel as shown in the Development Approval Documents, the Administrator shall, regardless of the definitions set forth herein, categorize the buildings for which Building Permits

have been issued as Developed Property and, if the 36-month anniversary of the VDDA Execution Date has not occurred in a previous Fiscal Year, any remaining buildings for which Building Permits have not yet been issued shall not be subject to a Arts Building Special Tax until either: (i) a Building Permit is issued for such remaining buildings, or (ii) the Fiscal Year in which the 36-month anniversary of the VDDA Execution Date. To determine the Arts Building Special Tax for any such Parcel, the Administrator shall take the sum of the Arts Building Special Taxes determined for each building.

2c. Services Special Tax

Upon issuance of the first Certificate of Occupancy for a building on a Taxable Parcel, the Administrator shall reference Table 3 and apply the steps below to determine the Maximum Services Special Tax for the Parcel:

Table 3 Base Services Special Tax			
Square Footage Category	Base Services Special Tax in Tax Zone 1 (FY 2017-18)*	Base Services Special Tax in Tax Zone 2 Before the Transition Year (FY 2017-18) *	Base Services Special Tax in Tax Zone 2 In and After the Transition Year (FY 2017-18) *
Residential Square Footage	\$1.57 per Residential Square Foot	\$1.25 per Residential Square Foot	\$1.89 per Residential Square Foot
Taxable Non-Residential Square Footage	\$1.57 per Non-Residential Square Foot	\$1.25 per Non-Residential Square Foot	\$1.89 per Non-Residential Square Foot

* The Base Services Special Tax for each Tax Zone shown above shall be escalated as set forth in Section D.2.

Step 1. Review the Certificate of Occupancy, Building Permit, Vertical DDA, condominium plan, Development Approval Documents, architectural drawings, information provided by the Port, Developer or Vertical Developer, and coordinate with the Review Authority to determine the Residential Square Footage and Non-Residential Square Footage anticipated within each building.

Step 2. Using the information from Step 1:

- After consideration of the Tax Zone for the building and the Transition Year, multiply the applicable Base Services Special Tax from Table 3 for Residential Square Footage by the total Residential Square Footage within each building.
- Based on the Tax Zone in which the building is located and the Transition Year, multiply the applicable Base Services Special Tax from Table 3 for Taxable Non-Residential Square Footage by the total Taxable Non-Residential Square Footage expected in the building.

The Maximum Services Special Tax for the Parcel shall be the sum of the amounts calculated pursuant to this Step 2.

If additional structures are anticipated to be built on the Parcel as shown in the Development Approval Documents, the Administrator shall, regardless of the definitions set forth herein, categorize each building for which a Certificate of Occupancy has been issued as Developed Property, and any remaining buildings for which Certificates of Occupancy have not yet been issued shall not be subject to a Services Special Tax until a Certificate of Occupancy is issued for such remaining buildings. To determine the Services Special Tax for any such Parcel, the Administrator shall take the sum of the Services Special Taxes determined for each building.

3. *Expected Taxable Property*

Depending on the Tax Zone in which a Parcel of Expected Taxable Property is located, the Maximum Facilities Special Tax and, if applicable, Maximum Arts Building Special Tax assigned to the Parcel shall be the Expected Maximum Facilities Special Tax Revenues and, if applicable, Expected Maximum Arts Building Special Tax Revenues that were assigned to the Parcel (as determined by the Administrator) based on the Expected Land Uses prior to the Administrator determining that such Parcel had become Expected Taxable Property. In the Transition Year and each Fiscal Year thereafter, no Arts Building Special Tax shall be levied on Expected Taxable Property.

D. CHANGES TO THE MAXIMUM SPECIAL TAXES

1. *Annual Escalation of Facilities Special Tax and Arts Building Special Tax*

Beginning July 1, 2018 and each July 1 thereafter, each of the following amounts shall be increased by 2% of the amount in effect in the prior Fiscal Year: the Base Facilities Special Tax for each Tax Zone in Table 1; the Base Arts Building Special Tax for Tax Zone 2 in Table 2; the Expected Maximum Facilities Special Tax Revenues in Attachment 3, the Expected Maximum Arts Building Special Tax Revenues in Attachment 3, and the Maximum Facilities Special Tax and Maximum Arts Building Special Tax assigned to each Taxable Parcel.

2. *Annual Escalation of Services Special Tax*

Beginning July 1, 2018 and each July 1 thereafter, the Base Services Special Tax for each Tax Zone in Table 3 and the Maximum Services Special Tax assigned to each Taxable Parcel shall be adjusted by the Escalator.

3. *Changes in Square Footage Category on a Parcel of Developed Property*

If any Parcel that had been taxed as Developed Property in a prior Fiscal Year is rezoned or otherwise has a Land Use Change, the Administrator shall, separately for each of the Special Taxes, multiply the applicable Base Special Tax by the total Residential Square Footage and Taxable Non-Residential Square Footage on the Parcel after the Land Use Change; if the First Bond Sale has not yet occurred, the combined amount of the applicable Special Taxes shall be the Maximum Special Tax for the Parcel. If the First Bond Sale has taken place, the Administrator shall apply the remainder of this Section D.3.

If the Maximum Special Tax that would apply to the Parcel after the Land Use Change is greater than the Maximum Special Tax that applied to the Parcel prior to the Land Use Change, the Administrator shall increase the Maximum Special Tax for the Parcel to the amount calculated based on the Land Use Change. If the Maximum Special Tax after the Land Use Change is less than the Maximum Special Tax that applied prior to the Land Use Change, there shall be no change to the Maximum Special Tax for the Parcel. Under no circumstances shall the Maximum Special Tax on any Parcel of Developed Property be reduced, regardless of changes in Square Footage Category or Square Footage on the Parcel, including reductions in Square Footage that may occur due to demolition, fire, water damage, or acts of God.

4. Changes to Planning Parcels and Expected Land Uses

If, at any time prior to the First Bond Sale, the Developer or a Vertical Developer makes changes to the boundaries of the Planning Parcels or the Expected Land Uses within one or more Planning Parcels, the Administrator shall update the Expected Land Uses and Expected Maximum Facilities Special Tax Revenues and Expected Maximum Arts Building Special Tax Revenues, which will be reflected on an updated Attachment 3. In addition, the Administrator will request updated Attachments 1 and 2 from the Developer.

If, after the First Bond Sale, the Developer or a Vertical Developer proposes to make changes to the boundaries of the Planning Parcels or the Expected Land Uses within one or more Planning Parcels, the Administrator shall meet with the Port, Developer, and any affected Vertical Developers to review the proposed changes and evaluate the impact on the Expected Maximum Facilities Special Tax Revenues and Expected Maximum Arts Building Special Tax Revenues. If the Administrator determines that such changes will not reduce Required Coverage on Bonds that have been issued, the Port will decide whether to allow the proposed changes and corresponding redistribution of the Maximum Facilities Special Tax Revenues and Maximum Arts Building Special Tax Revenues. If such changes are permitted, the Administrator will update Attachment 3 and request updated Attachments 1 and 2 from the Developer. If the Administrator determines that the proposed changes will reduce Required Coverage on Bonds that have been issued, the Port will not permit the changes.

5. Reduction in Maximum Facilities Special Taxes Prior to First Bond Sale

Prior to the First Bond Sale, as set forth in the Financing Plan, the Port, Developer, and any affected Vertical Developer in Tax Zone 1 may agree to a proportional or disproportional reduction in the Base Facilities Special Tax. If the parties agree to such a reduction, the Port will direct the Administrator to use the reduced Base Facilities Special Tax for purposes of levying the taxes pursuant to this RMA, and such reduction shall be codified by recordation of an amended Notice of Special Tax Lien against all Taxable Parcels within the STD. The reduction shall be made without a vote of the qualified STD electors.

E. ANNEXATIONS

If, in any Fiscal Year, a property owner within the Future Annexation Area wants to annex property into the STD, the Administrator shall apply the following steps as part of the annexation proceedings:

- Step 1.* Working with Port staff, the Administrator shall determine the Expected Land Uses for the area to be annexed and the Tax Zone into which the property will be placed.
- Step 2.* The Administrator shall prepare or have prepared updated Attachments 1, 2, and 3 to reflect the annexed property and identify the revised Expected Land Uses, Expected Maximum Facilities Special Tax Revenues and Expected Maximum Arts Building Special Tax Revenues. After the annexation is complete, the application of this RMA shall be based on the adjusted Expected Land Uses and Maximum Facilities Special Tax Revenues and Maximum Arts Building Special Tax Revenues, as applicable, including the newly annexed property.
- Step 3.* The Administrator shall ensure that a Notice of Special Tax Lien is recorded against all Parcels that are annexed to the STD.

F. METHOD OF LEVY OF THE SPECIAL TAXES

1. *Facilities Special Tax*

Each Fiscal Year, the Administrator shall determine the Facilities Special Tax Requirement for the Fiscal Year, and the Facilities Special Tax shall be levied according to the steps outlined below:

a. In Any Fiscal Year in Which There is No Developer Private Agreement or Developer Public Agreement in Place

- Step 1.* In all Fiscal Years, the Maximum Facilities Special Tax shall be levied on all Parcels of Developed Property regardless of debt service on Bonds (if any), and any Remainder Special Taxes collected shall be applied as set forth in the Indenture and the Financing Plan.
- Step 2.* After the First Bond Sale, if additional revenue is needed after Step 1 in order to meet the Facilities Special Tax Requirement after Capitalized Interest has been applied to reduce the Facilities Special Tax Requirement, the Facilities Special Tax shall be levied Proportionately on each Parcel of Expected Taxable Property, up to 100% of the Maximum Facilities Special Tax for each Parcel of Expected Taxable Property.

b. In Any Fiscal Year in Which There is Either or Both a Developer Private Agreement and/or a Developer Public Agreement in Place

- Step 1.* In all Fiscal Years, the Maximum Facilities Special Tax shall be levied on all Parcels of Developed Property regardless of debt service on Bonds (if any), and any Remainder Special Taxes collected shall be applied as set forth in the Indenture and the Financing Plan.

Step 2. After the First Bond Sale, but only if a Developer Private Agreement is in place, if additional revenue is needed after Step 1 in order to meet the Facilities Special Tax Requirement after Capitalized Interest has been applied to reduce the Facilities Special Tax Requirement, the Facilities Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property that is not a Port-Owned Development Parcel, up to 100% of the Maximum Facilities Special Tax for each Parcel of Undeveloped Property that is not a Port-Owned Development Parcel for such Fiscal Year.

Step 3. After the First Bond Sale, but only if a Developer Public Agreement is in place, if additional revenue is needed after Step 2 in order to meet the Facilities Special Tax Requirement after Capitalized Interest has been applied to reduce the Facilities Special Tax Requirement, the Facilities Special Tax shall be levied Proportionately on each Port-Owned Development Parcel, up to 100% of the Maximum Facilities Special Tax for each Port-Owned Development Parcel for such Fiscal Year.

Step 4. After the First Bond Sale, if additional revenue is needed after Step 3 in order to meet the Facilities Special Tax Requirement, the Facilities Special Tax shall be levied Proportionately on each Parcel of Expected Taxable Property, up to 100% of the Maximum Facilities Special Tax for each Parcel of Expected Taxable Property.

2. *Arts Building Special Tax*

Step 1. Each Fiscal Year the Maximum Arts Building Special Tax shall be levied on each Taxable Parcel of Developed Property. Any Remainder Special Taxes collected shall be applied as set forth in the Financing Plan. The Arts Building Special Tax may not be levied on Undeveloped Property.

Step 2. After the First Bond Sale, if additional revenue is needed after Step 1 in order to meet the Arts Building Special Tax Requirement, the Arts Building Special Tax shall be levied Proportionately on each Parcel of Expected Taxable Property, up to 100% of the Maximum Arts Building Special Tax for each Parcel of Expected Taxable Property.

3. *Services Special Tax*

Each Fiscal Year, the Administrator shall coordinate with the City and the Port to determine the Services Special Tax Requirement for the Fiscal Year. The Services Special Tax shall then be levied Proportionately on each Parcel of Developed Property, up to 100% of the Maximum Services Special Tax for each Parcel of Developed Property for such Fiscal Year until the amount levied is equal to the Services Special Tax Requirement. The Services Special Tax may not be levied on Undeveloped Property or Expected Taxable Property.

G. COLLECTION OF SPECIAL TAXES

Special Taxes shall be collected in the same manner and at the same time as ordinary ad valorem property taxes on the regular tax roll, provided, however, that the City may directly bill Special Taxes, may collect Special Taxes at a different time or in a different manner, and may collect delinquent Special Taxes through foreclosure or other available methods as authorized by the CFD Law. The Board of Supervisors has ordered any Special Taxes to be levied on leasehold interests to be levied on the secured roll. The Special Tax bill for any Parcel subject to a leasehold interest will be sent to the same party that receives the possessory interest tax bill associated with the leasehold.

The Facilities Special Tax shall be levied and collected on a Taxable Parcel until the Fiscal Year that is the 120th Fiscal Year in which the Facilities Special Tax has been levied on the Taxable Parcel.

The Arts Building Special Tax shall be levied and collected until the earlier of: (i) the Transition Year, and (ii) the 120th Fiscal Year in which the Arts Building Special Tax has been levied on the Taxable Parcel.

The Services Special Tax shall be levied and collected in perpetuity.

H. EXEMPTIONS

Notwithstanding any other provision of this RMA, no Special Taxes shall be levied on Affordable Housing Projects or Tax-Exempt Port Parcels unless such parcels are Expected Taxable Property.

Notwithstanding any other provision of this RMA, no Facilities Special Taxes or Arts Building Special Taxes shall be levied on Public Property unless all of the following conditions apply: (i) the First Bond Sale has occurred; (ii) based on reference to Attachment 3 (as may be updated as set forth herein), a Parcel was assigned Expected Land Uses; and (iii) if the Parcel were to be exempt from the Facilities Special Tax or Arts Building Special Tax, the Expected Maximum Facilities Special Tax Revenues or Expected Maximum Arts Building Special Tax Revenues would be reduced to a point at which the applicable Required Coverage on Bonds (if any) could not be maintained. If all of the above conditions apply, the Administrator can levy the Facilities Special Tax or Arts Building Special Tax on Public Property as needed to maintain Required Coverage.

Parcels of Public Property shall only be exempt from Facilities Special Taxes or Arts Building Special Taxes if: (a) the First Bond Sale has not occurred and the Port determines that it is in the best interest of the parties to exempt the Parcel(s); or (b) the First Bond Sale has occurred, the Port determines that it is in the best interest of the parties to exempt the Parcel(s), and such exemption will not reduce the Expected Maximum Facilities Special Tax Revenues or Expected Maximum Arts Building Special Tax Revenues to the point at which the applicable Required Coverage cannot be maintained. Unless an exemption is provided pursuant to (a) or (b) above, Parcels of Public Property shall be taxed as Developed Property, Undeveloped Property, or

Expected Taxable Property, as determined by the Port. Services Special Taxes will not be levied on Public Property.

I. INTERPRETATION OF SPECIAL TAX FORMULA

The City may interpret, clarify, and revise this RMA to correct any inconsistency, vagueness, or ambiguity, by resolution or ordinance, as long as such interpretation, clarification, or revision does not materially affect the levy and collection of the Special Taxes and any security for any Bonds.

J. SPECIAL TAX APPEALS

Any taxpayer who wishes to challenge the accuracy of computation of the Special Taxes in any Fiscal Year may file an application with the Administrator. The Administrator, in consultation with the City Attorney, shall promptly review the taxpayer's application. If the Administrator concludes that the computation of the Special Taxes was not correct, the Administrator shall correct the Special Tax levy and, if applicable in any case, a refund shall be granted. If the Administrator concludes that the computation of the Special Taxes was correct, then such determination shall be final and conclusive, and the taxpayer shall have no appeal to the Board from the decision of the Administrator.

The filing of an application or an appeal shall not relieve the taxpayer of the obligation to pay the Special Taxes when due.

Nothing in this Section J shall be interpreted to allow a taxpayer to bring a claim that would otherwise be barred by applicable statutes of limitation set forth in the CFD Law or elsewhere in applicable law.

Classification of Property

At the time of formation of the Pier 70 Condo CFD, the Property will constitute Undeveloped Property. The Property will become Developed Property for purposes of the levy of

the Facilities Special Tax and the Services Special Tax as set forth in the definition of Developed Property in the Rate and Method:

(1) For levy of the Facilities Special Tax: all Taxable Parcels for which the 36-month anniversary of the VDDA Execution Date has occurred in a preceding Fiscal Year, regardless of whether a Building Permit has been issued.

(2) For levy of the Services Special Tax: all Taxable Parcels for which a Certificate of Occupancy was issued on or prior to June 30 of the preceding Fiscal Year, but not prior to January

1, 2018. **Maximum Special Taxes**

The Maximum Facilities Special Tax and the Maximum Services Special Tax are defined in the Rate and Method as follows:

“Maximum Facilities Special Tax” means the greatest amount of Facilities Special Tax that can be levied on a Taxable Parcel in any Fiscal Year determined in accordance with Sections C, D, and E of the Rate and Method. Table 1 in the Rate and Method identifies the Base Facilities Special Tax, which will be used to determine the Maximum Facilities Special Tax when a Taxable Parcel becomes Developed Property.

“Maximum Services Special Tax” means the greatest amount of Services Special Tax that can be levied on a Taxable Parcel in any Fiscal Year determined in accordance with Sections C, D, and E of the Rate and Method. Table 3 in the Rate and Method identifies the Base Services Special Tax, which will be used to determine the Maximum Services Special Tax upon issuance of the first Certificate of Occupancy on a Taxable Parcel. **Adjustments to the Maximum Special Taxes**

Section D of the Rate and Method describes the circumstances in which the Maximum Facilities Special Tax and the Maximum Services Special Taxes may be adjusted, including annual escalation, rezoning or other Land Use Changes, changes in Expected Land Uses and changes in the boundaries of the Planning Parcels. In addition, the Maximum Facilities Special Taxes may be reduced prior to the First Bond Sale as described in Section D.
