## About Domaine SF

Domaine SF is a retail concept that aims to be an authority for natural wine in the Bay Area. We will sell natural wine, local artisan foods, cheese & charcuterie boards for take-out. We will also host wine tasting and food pairing events featuring the growers, producers and makers we support in our store.

Our goal is to bring together people seeking a better life through gastronomy with ethical growers, food artisans and small production wine makers who prioritize craftsmanship and sustainability above all else. Our specialty is natural wine, which means wine free of stabilizers and other additives and produced using grapes grown pesticide-free respecting the cycles of nature. We will represent small-producers and stock natural wines from regions all over the world, creating one of the most expansive and diverse natural wine offerings in the Bay Area.

Beyond wine, we will offer cheese & charcuterie grazing boards and crated gift sets. We will have a small marketplace featuring the local foods, organic produce, and artisan craftworks we incorporate into our grazing boards and our farm-to-table gift boxes.

Currently Dog Patch does not have a dedicated natural wine merchant. There are several wine bars and restaurants in the neighborhood, but not a dedicated retail experience where the community can learn about and try natural wine and purchase bottles for off-premise consumption. We are planning to merchandise close to 300 labels, making Domaine SF a destination for wine lovers all over the Bay Area. For the local community, we hope to become a hub for gatherings and community building.

It is my sincere hope that the Board of Supervisors will approve the issuance of an ABC Type 42 license for this location.

Yours truly,

Keri Johnson
