6 commissions, and advisory bodies established by legislative act of the Board of Supervisors
7 to be resident(s) of the City and County of San Francisco.

As a mother of an 8 year old and having worked in the field of food and nutrition specifically as it relates to maternal and child health, I have a deep understanding and passion regarding the importance and urgency of ending hunger in San Francisco especially among our youngest residents. This passion also drives me to advocate for creating environments that promote and support healthy behaviors such as breastfeeding, consumption of healthy foods and living an active life. As an immigrant to this country, I also understand the unique needs of our immigrant population who are trying so hard to make lives better for themselves and their families.

Business and/or professional experience:

I am currently the Nutrition Services Director with Maternal, Child and Adolescent Program (MCAH) within DPH. The programs that I oversee include the WIC that serves about 12,000 SF women, infant and children and SNAP-Ed. I have worked with the WIC program for 11 years during which I worked with families with young children who were at nutritional risk. As I have moved into leadership roles I continue to advocate for the nutrition programs as they play a critical role in closing the gap for food assistance and help improve diets of the families, prevent chronic diseases, and improve children's cognitive development.
