9 against police harassment at Compton's Cafeteria in the Tenderloin neighborhood in August
10 of 1966; and

17 intersection of Taylor and Turk Streets where fighting continued; and

18 WHEREAS, According to historians, the riot attracted hundreds of Tenderloin residents

13 pieces of legislation targeting the LGBTQ+ community having been introduced across 40
14 states in 2024 alone; and

15 WHEREAS, These bills aim to limit the rights of TGNCI2S people by criminalizing
16 gender affirming healthcare, restricting use of public bathrooms, forcing teachers to out their
17 students, and preventing youth from participating in school activities; and

18 WHEREAS, Anti-transgender legislation contributes to violence against the
19 transgender community, including 32 murders in 2023 and 20 murders in 2024 in the United
