To the SF Board of Supervisors,

As a Black San Francisco resident, preschool teacher, and child care advocate, I write to you unequivocally support the San Francisco Reparations Plan and Dream Keeper Initiative and ask you to fund them permanently.

**As a member of the African American Early Childhood Education Policy Council which has received funding via the Dream Keeper Initiative's grant process**, I can attest to the importance of this allocation directly to Black-serving education nonprofits. It is crucial that Black-serving and Black-led community-based organizations are able to access City resources. Almost a third of respondents surveyed by DKI indicated that this funding cycle was the first time they had secured City funds for their programming – that is a significant impact and should continue.

The Dream Keeper Initiative is enacting real and ongoing community accountability and authentic partnership across the City's diverse Black communities. This throughline of what easily falls into a 'For Us, By Us' model has been embraced by and large because it is **empowering and engaging Black San Franciscans in ways that have not been previously seen and supported.**

Thank you for taking the time to consider this matter. **I feel confident that you will do the right thing.**

Sincerely,  
Anna Wolde-Yohannes

Good Day,

As a SF native and life member of the NAACP (purchased by my late grandfather Esau Ferdinand) I am very disappointed and ashamed of your recent email sent to the SF Board. This has nothing to do with the city itself as your letter clearly insinuates. This has more to do with an attempt to provide a small monetary compensation for a larger systemic problem that disproportionately robbed us of civil liberties, life sustainability. Took away billions from our communities and created generational problems . Your ideas are specific to the city's responsibility not in line with what this proposal is truly for.

You do not speak for me as a direct descendant of slavery. My grandfather was lucky to have had the stamina and mindset of owning and prospering against all odds which allowed him to purchase multiple properties in SF despite the redlining and racial inequities he faced. Imagine if he was able to freely dream and build based on HIS needs and wants instead of that of which is left.

He even had the mindset that purchasing his ENTIRE family NAACP memberships could (possibly / hopefully) ensure representation and leadership for his future generations.

I am ashamed of you. I am saddened by you. Jesus came and died so that we may have life and live it abundantly. You should ask members of the community near and far what THEY would prefer or want in the compensation strategies instead of retraumatizing and muddying the process with non relevant opposition options which have no direct benefit to the people that would stand to be included in the proposal. Take your political antics out of this and truly represent yourself as an ally!

---

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Supervisors,

We, the Executive Committee of the Bernal Heights Democratic Club, write to you in support of the draft report and recommendations of the African American Reparations Advisory Committee.

We commend Supervisor Walton for his leadership in crafting the legislation to create the AARAC and you and former members of the Board for unanimously passing that legislation and appointing a stellar group of leaders to serve on the Committee.

The work the AARAC has produced is profound and thoughtfully responds to the many years of economic, geographic, and social discrimination against Black San Franciscans, which drove a devastating migration of valued members of our community to other destinations in search of jobs, affordable housing, healthcare, and services.

While the San Francisco Redevelopment Agency eviscerated Black communities in the Western Addition and Fillmore in the 1950s and 1960s under the vicious and false policies of "urban renewal," the City implemented policies that eliminated working class industries and promoted downtown to be the financial center of the West. That history created the circumstances to solidify the racial disparities that define our city today.

The list of recommended actions in the AARAC draft report is extensive and deserves deep and thoughtful consideration, new and innovative ideas for revenue where necessary, and a clear timeline for implementation.

This is an opportunity to make amends for past and present harms and to repair and move toward the promise of Dr. King's Beloved Community. We urge you to do the right thing and to direct the AARAC to continue their work to refine the draft plan, so that a Reparations Plan can be adopted from the AARAC final report due this summer.

With thanks.

Sincerely,

**BERNAL HEIGHTS DEMOCRATIC CLUB EXECUTIVE COMMITTEE**

Dear Board of Supervisors:

I support reparations for San Francisco African Americans to repair the harms of chattel slavery and repair to the legacy of harms to African American San Franciscans. As someone who fought redevelopment of the San Francisco Japantown community, I especially want to point out how urban renewal and redevelopment has wiped out middle class families in San Francisco and thousands of units of housing making it impossible for African Americans to live in San Francisco, also due to other discriminatory practices.

I urge the Board of Supervisors to accept the Draft Reparations Plan proposed by the San Francisco African American Reparations Advisory Committee and commit to making the recommendations in the Plan to be made law by Ordinance or Executive Order of the Mayor.

Thank you for your consideration.

Hello,

I read the article in the SF Chronicle about what the reparations to Black Americans might look like.

I wondered if anyone has proposed a plan to create a trust that would pay for any Black American student to go to college and have his/her college expenses paid? Of course there would be contingencies like maintaining a B average etc;. A Black American student coming out of college with no debt would be huge for the future of Black Americans. Those students will become doctors, teachers, start-up entrepreneurs, nurses, and open up businesses which will support their upward mobility in our society.

In my opinion, just giving some people money won't help the situation for all future Black Americans which I assume is the intent of this plan. Yes, offering Black Americans support in buying a home will help some. Yes, mental health services for Black Americans will help some. All of the proposed plans I read offer support for some Black Americans.

How about adding a plan that provides support for all future Black Americans?

Just my opinion.

Thank you.

Hello, my name is Tonya and I was born and raised in San Francisco. I am here to demand your support for the recommendations in the Draft San Francisco Reparations Plan.

**The Board of Supervisors must take action NOW.**

If you support these recommendations, then it is YOUR job to determine how you fund them. You don't ask the people you've hurt to do your homework and figure out how to pay for the damage you caused. It's on this body to provide redress for the very specific actions taken to cause harm to Black San Franciscans

We want student loan debt to be eliminated for Black students that suffered through the San Francisco school district that did not prepare us for jobs that could pay those loans back.

We want a school that focuses on Black-centered curriculum where Black students Pre-K through 12th grade can receive high-quality, culturally-affirming education.

Warm regards,  
Tonya Strickling

To whom it may concern,

My name is Rhonda Collins. I grew up in San Francisco before my family relocated to Napa Valley. My parents chose to move because raising 5 children had become unsafe in Hunter's Point and The Bayview areas and they wanted us to have better education, resources and safety. My talking point is EDUCATION. As a child, I was bussed from the Bayview to the Excelsior District in the 4th grade. This became an extra expense and worry for my parents as NO BUSSES WERE PROVIDED and I had to take Muni. I was 9 at that time and my parents were unable to take me to school. No parent should have to worry about their children's safety, extensive travel before and after school or their receiving sub-par education which is why we were bussed. I write this letter on behalf of my brothers Tyrone Moore, Phillip Moore, Jermaine Moore, mother Dorothy Moore and myself.

Thank you

To whom it may concern,

My name is Bruce Collins. I both lived in San Francisco and was an instructor for the SF City College for more than 30 years, working on the main campus, Southeast Campus, Evans Campus, Mission Campus and Gough Street. My talking point is EDUCATION. I saw firsthand the disparity in educational opportunities and resources available to people of color, particularly at the Southeast Campus. I personally witnessed the dwindling resources in the Black community and lack of effort given to recruit Blacks to fill available courses. Many of the classes were removed and offered only at other campuses which were difficult to travel and enroll. Education must remain available and affordable for all.

Thank You

Hello Board of Supervisors,

My name is Nikcole Cunningham and I'm a native San Franciscan from "Filmoe" aka The Filmore. I am part of the San Francisco African American Reparations Advisory Committee seat 6 (someone who has been discriminated in the workplace) and I'm asking that you fully accept our San Francisco Reparations Draft from December 2022 and sign in all 111 recommendations into LAW. We need/want/desire to have the recommendations signed in as an executive order, ordinance or any means necessary to make these recommendations law. Please do **NOT** send any of these recommendations to the people of San Francisco to vote on as I am positive that most Americans in San Francisco and throughout this country do not want Black people to receive reparations of any kind. A vote from the people will fail and Black people will continue to be harmed.

We need all of you to sign these recommendations into law so that Black folks can receive our due, these are not gifts, they're debts owed for life long suffering.

Before you all say, "there's no money," I want to recommend some ideas and ways to find money:

Create taxes on anything and everything that people **MUST/WILL** use like:

PG&E tax

Internet tax

CRV tax (soda/water)

marijuana tax

bag tax

water bill tax

garbage bill tax

alcohol tax

cigarette tax

\$1 for every parking ticket in San Francisco

Gas tax is good, but would end in 2035 based on Gavin Gavin Newsom's electric cars only bill.

President Joe Biden didn't ask me to send BILLIONS of dollars to Ukraine, but he found the money to send it abroad to "others" when Black folks at home in the US are suffering daily.

Here's some of the things I'm passionate about and would like you to pay special attention to. All 111 recommendations are all equally important and necessary.

### **Economic**

1) getting Black people to the median income for the next 250 years... currently, \$97K (annual income for white folks is \$130K, Black folks is \$35K)

- 2) debt forgiveness, payday loans, school loans, etc.
- 3) tax credits, home, payroll, business, no taxes at all for 250 years
- 4) BMRs are trash and not helpful. Allowing people with certificate of preference, low income, Section 8 folks to use/own those BMRs (Below Market Rate)

### **Education**

- 1) early childhood education, early start in SFUSD
- 2) all schools have adequate funding
- 3) financial benefits to families negatively impacted by racial barriers in SFUSD
- 4) build a K-12 school for Black children with Black teachers and therapists who live in San Francisco
- 5) culturally competent school professionals and curriculum for all children in public schools and hospitals

### **Health**

- 1) hospital or clinic that is geared to serve Black people, Black doctor's and other staff
- 2) compensation to the families who have been impacted by the pollution from the Navy shipyard
- 3) provide funding for schools, churches etc to increase culturally appropriate wellness for Black people
- 4) reduce the number of liquor stores, dispensaries, and fast food restaurants in Black communities, this is killing us. Clean up the Bayview Hunter's Point Shipyard and fund families injured and harmed by the toxins of the Shipyard.
- 5) Declare community violence as a public health crisis and fund resources for effective interventions.

### **Policy**

- 1) reword current laws that negatively impact Black people to no longer negatively impact us. White people over 400 years ago implement laws that are currently negatively impacted Black people and we need to change that

Respectfully,  
A Proud, Black Native San Franciscan ,  
Member Nikcole Cunningham

There are two separate conversations:

1. We are demanding that they make the Reparations a statute by executive order. If this goes to vote, it will not pass. The publicity around \$5 million per person may not be the final number because it's more about providing African Americans access to resources that have been intentionally denied by the city through a just and transparent process.

2. We want to keep the DreamKeeper Dollars that were removed from the police to stay in the community. These dollars have been leveraged in so many different ways and it has benefited the resource lack area of Lakeview in District 11.

**Ways dream keeper support that have been added to community: (just to name a few)**

1. Opening of the Novation Lab, Community Computer Lab
2. Stipends for attending Early Educator Workshop classes
3. Science Workshops/Field Trips
4. Various community events/festivals for families (Stem Frenzy)
5. Expanded Resources
6. Job Readiness Training
7. Computer help
8. Pre-ELS Supports
10. Grants and Loans for Early Childhood Educators
11. Ask A Bookkeeper Series
12. Expanded Summer Programming/Stipends
13. Additionally Cultural books
14. Mental Health Supports
15. Supplies
16. Kindergartener Kits
17. Educational Pipelines

This has truly widen the door for conversations on how the city should do better and appreciate your time and listening

I believe from what I read the San Francisco board of supervisors will be discussing giving each black person \$5 million dollars.

I think you would be fools. I grew up in northern California with all white kids, and at least half of them didn't graduate from high school because they thought black people and their hip hop/ partying culture was cool.

Black people might have once been slaves, but their influence in society over the last 30 years has destroyed a lot of lives of white people. I don't ever hear a black person say they don't like rap music and I can't believe the garbage that is in their songs. I don't know why you would want to give those kinds of people money. Most of them are bad influences on society.

President Peskin and Board of Supervisors:

I am a San Francisco resident of Bernal Heights and employee of the City and County of San Francisco, writing in support of the draft SF Reparations Plan presented today. I urge you to accept the draft through the resolution before you. This resolution is just one step in towards taking the appropriately radical actions towards accountability, redress and repair.

I also urge you to respond affirmatively to the asks presented to you by AARAC representatives today, including attending monthly AARAC meetings and supporting their demands for investments in ***this budget season.***

I also echo Sup. Engardio's request to **fully staff the HRC Office of Racial Equity.** As a City employee involved in my Department's (MTA) Racial Equity Action Plan efforts, I have witnessed firsthand the effects of this office being understaffed. As a result, there has been stagnation in our efforts and many missed opportunities to address some of the most pressing racial equity challenges internally and externally.

Finally, I was disheartened to hear from the AARAC representatives during today's hearing that actions and statements of the BOS to the press and the public are undermining their important work, whether intentionally or unintentionally. The Board has the responsibility to fully acknowledge and consider *all* of the facts and recommendations in the Reparations Plan. If there are any board members whose words or actions are actively thwarting or impairing the City's ability to do so, they should be formally censured.

Sincerely,  
Erin McAuliff

I am an Irish American, living in San Francisco, whose ancestors (from County Clare) were routinely discriminated against and treated as "sub humans" and "beasts" during the 1800s in the United States. Including San Francisco. See below.

When can I expect my \$5 million reparation payment for

The Iberians are believed to have been originally an African race, who thousands of years ago spread themselves through Spain over Western Europe. Their remains are found in the barrows, or burying places, in sundry parts of these countries. The skulls are of low, prognathous type. They came to Ireland, and mixed with the natives of the South and West, who themselves are supposed to have been of low type and descendants of savages of the Stone Age, who, in consequence of isolation from the rest of the world, had never been out-competed in the healthy struggle of life, and thus made way, according to the laws of nature, for superior races.

Although, I could not be at the hearing today for Item 230078, I have been watching and listening-LIVE.

I have heard all of you pronounce your support for San Francisco Reparations Plan Draft and its 111 Recommendations. Thank you for speaking out against the fear-mongering narratives against Reparations that are being lauded in public and private spaces. Thank you for following through with your affirmative vote.

Please support the work of the African American Reparations Advisory Committee that has taken up the arduous task of providing you, the Mayor, the City, the State, the Nation, and the World with the critical information you need to understand some semblance of all the harms that black people have experienced in San Francisco. I include my family in that my mother and granddaughter both born at SF General Hospital, sixty-six (66) years apart, as we are still experiencing harms of structural and embedded racism ***TODAY*** in the City and County of San Francisco.

Please support the HRC's Dr. Sheryl Davis and the amazingly successful Dream Keeper Initiative under her leadership. As well as the other well researched programs, initiatives, and sections of the Human Rights Commission/Department.

I thank you for your time and sincere attention.

To the SF Board of Supervisors,

As a Black San Francisco resident, preschool teacher, and child care advocate, I write to you unequivocally support the San Francisco Reparations Plan and Dream Keeper Initiative and ask you to fund them permanently.

**As a member of the African American Early Childhood Education Policy Council which has received funding via the Dream Keeper Initiative's grant process**, I can attest to the importance of this allocation directly to Black-serving education nonprofits. It is crucial that Black-serving and Black-led community-based organizations are able to access City resources. Almost a third of respondents surveyed by DKI indicated that this funding cycle was the first time they had secured City funds for their programming – that is a significant impact and should continue.

The Dream Keeper Initiative is enacting real and ongoing community accountability and authentic partnership across the City's diverse Black communities. This throughline of what easily falls into a 'For Us, By Us' model has been embraced by and large because it is **empowering and engaging Black San Franciscans in ways that have not been previously seen and supported.**

Thank you for taking the time to consider this matter. **I feel confident that you will do the right thing.**

Dear Mayor and Supervisor Mandelman,  
I read you will vote soon on reparation for Black Americans in SF.

Reparation of 5 million each Black Americans in SF is absolutely wrong!

Japanese people who went to jail did not get 5 million EACH in Reagan era.

Tech boom affected EVERYONE not only BLACKS.

If you are going to pass this reparations in SF then make it FAIR in every Race including Japanese descendants of people who went to camps!

You can not solve Black history by giving money! You can offer free education, grants on essential needs, free housing, free inpatient rehabilitation, free cars for work and school BUT NOT money because SF don't have money to cover \$5 million each!

If they REFUSED to be educated, refused to work , just want CASH then pretty soon SF will be a Gotham City! It is just like giving them money for guns and mostly more drugs!

Dear Board of Supervisors,

Your reparations hearing made national news today. It was apparent that the public speakers were largely Black because non-Blacks are likely afraid to voice their opinion without being assaulted.

I found the speech by the Black woman who retired as a "peace officer" particularly disturbing. She made no justification for the \$5 million per person reparations award other than she is entitled to the money because of her Black privilege and victim mentality. She was gainfully employed in a good paying job for years, but that was not good enough. Based on her age, her family likely moved from Louisiana to CA in the 1960s or 1970s, or 100 years after slavery ended.

If the Board agrees to the reparations shakedown, the impact will be as follows:

1. All Blacks in San Francisco will be targeted with extortion and fraud, whether they got the money or not. They will be considered rich targets. You will see an uptick in kidnappings and ransom demands. You will also see an increase in assaults against Blacks for the same reason (e.g., envy) that Blacks assault Asians.
2. The money granted will be spent quickly by the recipients and their "hanger-on" relatives. They will live large for a few years, just like NFL players, and then they will be broke because they have little financial skills or education.
3. The reparations cause will spread to other Democrat-run hellholes and you will witness White flight from cities to avoid higher taxes, loss of employers and outward disdain directed by Whites who never owned slaves or discriminated against Blacks to undeserving Blacks who were unaffected by slavery.
4. Your actions could be the match that lights off the fuse for the next Civil War. The difference between Civil War 1 and Civil War 2 is that in the first Civil War, northern Whites defended Blacks and eliminated slavery. In the next Civil Wars, Blacks will be the targets. With 87% of the country being non-Black and 13% being Black, I would not want to be a Black person.

The endless victim mentality and false narrative of systemic racism pushed by Democrats needs to stop. If you want to repay victims, maybe you should focus on the descendants of the thousands of Japanese laborers who emigrated to San Francisco and were transported offshore in the early 1900s and dumped into the ocean.

You have an opportunity to stop the insanity or contribute to it. You decide.

In the Bible the book of Numbers, God told the Jewish people when he led them out from Egypt, he told them he did not want them to do what was done to them in Egypt but he knew they were going to do it anyway so he set rules and laws for it. Man has always enslaved man Don't matter the the race or color they have slave each other. Example Sicily was invaded by Northern Africa, the people of Sicily were turning into slaves and serve the people of Northern Africa. Before America turned into America, the people at that time had to fight for their independence, why because they were slaves to Britain, anyone under the queen was a slave that would include Christopher Columbus. When the people fort for their Independence, they became free and when they became free, they wanted slaves themselves. Because they were slaves themselves. I know of a woman whose great grandfather was a slave in Egypt, when he was set free and went back to Africa he got himself slaves for himself and when he couldn't afford them he killed them. There was only one party that formed at the time and that was a Democrat party there was no other, those people at the time were slaves to Britain, once again when they when they're Independence they wanted slaves because they were slaves, the founding fathers knew this this is why they wanted to put it to an end, but the particular people at the time didn't want to give up their slaves because they were slaves themselves. How in the world do you come to the conclusion that is The White Man's fault, when all men of all colors have having slaves each other, if you want to pull money out of your own pocket and give it to them people of our time now that would be perfectly fine but to take money from taxpayers knowing that all of our ancestors were slaves makes no sense. If I was in your state I would take you to court and sue you. On the grounds that men who were slaves wanted slaves themselves.

I am asking you to vote NO on giving African-American people money in San Francisco when the practice of slavery was not done here in the first place.

As far as giving money to any one it should be given to the American Indians who we used as slaves and harmed and kick them off there own lands to make way for the people coming here at that time. I am feeling this is not fair to all the others in this state who have worked hard there whole life's to achieve a comfortable life while just because of the color of your skin you can get free money. This is so wrong in so many ways. Please vote No on this issue.

Thank you , Susan Epidendio

# San Francisco considers reparations proposal to give \$5 million per Black person

Progressive city's Board of Supervisors meeting to debate reparations recommendations despite backlash

By Aaron Kliegman | Fox News

## Leo Terrell slams San Francisco reparations plan: This is unconstitutional

Fox News contributor Leo Terrell and 'The Five' co-host Geraldo Rivera react to San Francisco's proposed \$5 million reparations plan and the Washington D.C. crime code overhaul.

The San Francisco Board of Supervisors is meeting Tuesday to review a proposal [to dole out \\$5 million each](#) to qualifying Black residents in reparations as a way to make amends for slavery.

No ,No ,No!!!

No reparation for selected group or businesses! Tax payer money should benefit all CITIZENS of the city. Put the money into needed areas. Example: Mental health, clean up the drug and crime problem on the streets, then we can effectively help the truly homeless and hire real police not ambassadors that just stand and chat on the corners with their friends.

You are so far out of control on subject matter. I have never seen so many ignorant people in a room. There is no way in hell you can afford 5 million dollars and all the other proposed goodies. You can't even run your city efficiently as it is let alone make the totally unrealistic reparations payouts you are proposing. You all need to resign and let a new more conservative board take over with more realistic goals.

This is the most outrageous and ridiculous out of control downhill spiral of ideology. There is no way that you can ever believe that you can be fair and honest in providing reparations for over a 150 year old history. Let me remind you that your party of Democrat/Socialists are the ones who have kept people down by not providing the best in education for all minorities. You are the ones that have perpetuated the welfare system. You are the ones that have done nothing to help the homeless, drug addicts and quality of life. You have run this city and state for decades and it gets worse every year and I am sick and tired of the crap. This is virtue signaling straight and simple. How dare you think that those of us who have worked hard our entire lives to provide for our families and futures that we should be liable for a history of over 150 year old. If that is the case than why aren't you providing reparations for the Native Americans, Mexicans, Chinese, Irish and others.

For those of us who worked hard to purchase our homes, provide education for our children and futures this is a slap in the face. I have seen nothing good come out of San Francisco leadership and it continues to get worse with ideological crap that you push on the everyday citizen. This is just one of the many that has driven people out of this state. Do you ever listen to yourselves or take a hard look at what your policies have done to this city... probably not. It saddens me that my once beautiful city and state is now one of the worst governed. This is your legacy.

A proud American

Good morning everyone,

Sending this on behalf of our SF team.

First, thank you Supervisor Walton for bringing the Reparations Plan for past, current and **perhaps** even future wrong doings.

Best way of stating this, I noticed a long time ago I don't look like some of my friends on this email and many on the Board of Supervisors. I'm from many backgrounds including Creole. My friends are my friends and have been for many years no matter what each of us look like. We grew up in the Ingleside in the 60's. We have experienced much and personally I feel I have experienced more than my friends based on how I look. I was "that kid" that was followed around in a store while my friends were not. I was pulled over a few times by the SFPD while my friends were not. But my friends always had my back. That's what friends do.

I've shared with my friends, that although we lived on the same block, sometimes, we lived in different worlds. It's an experience that many can not fully understand. I call it The Black Experience.

I saw so many great Community people speak the other night at the Board Meeting. And Mr. Walton, you should understand, the fact, People know sincerity. We feel it. We can tell. It's really offensive to me when some people who are not black, talk black in a futile attempt to connect. I heard safai, ronon and peskin do that.

There was:

Erica Burrell, Latoya Pitcher, and others who called Members of the Board for being on their phones and not paying attention.

**And Mr. Rory Gambrel shows up for a fourth time to get a Hearing date!!** It appeared Mr. Gambrel was calling out peskin. It sounded like peskin was running down the stairs. Mr. Gambrel deserves a Public Hearing.

Then there was the embarrassing disgraceful behavior of:  
a) ahsha safai, comes off as a grandstanding, arrogant, ignorant idiot. He was grandstanding when he made his comments on Agenda item # 14 Reparations. He took African American studies at MIT? But he has not spent a minute in the Black Experience. Huh? He understands the Black Experience??  
Okay.

**At the end of the general Public Comment item at mark 7:15:25 ahsha and ronon are joyful that Public comment is over. they were happy that Community was done speaking. ahsha has a degree from MIT, it looks like has a degree at SHIT! That's his Legacy. That's how they will be remembered.**

b) hillary ronen: nice to hear her grandstand on the reparations item also. she is ready to "throw down" for the Community. And she accepts human beings to be, in her words, sex workers. But she won't get involved to help when the pimp is around. In ronen's words, a sex worker put her kid through college. Cool hillary. Let's grandstand on the kids feelings. And sure enough ronen "the barbarian" is happy and giggling about the end of Public comment. Cool. We were wondering, if she "is really starting to believe her own bullshit or is it more of your bullshit." Who's words were those? And those bogus photos of campaign workers doing whatever.. And remember, ronen's choice for interim mayor was mark farrell rather than Mayor Breed.

**Check out the Meat Puppet ronen the barbarian at mark 7:14:20. Is there something funny about what the speaker said about guns?** So how women have been sexually assaulted or raped in your district? Could a gun possibly stopped the assault and or rape? Are you that brain dead to not understand that? Who's words were ""The Mission is worse than I've seen it since I took office six years so." Wow! So you admit you failed your District residents. So why not just resign. Welfare recipient!

**And as mentioned at the end of Public comment at mark 7:15:25....The Meat Puppet is overjoyed Public comment is over. Perhaps next time thousands of Community Members will show up to use more colorful language that the First Amendment protects.**

c) princess catherine stefani has no clue on the value of the gun and how it protects. she should look at how many sexual assault, rapes and other violent crimes occurred in her district

and all districts throughout the City and how a holstered firearm could have stopped these attacks.. Hopefully she understands the US has 330 million People and 400 million guns. Why would this be?? It's called Responsibility, Responsible car drivers, Responsible gun owners.

The biggest questions are how did the Community feel when speaking to the Board the other night? Through Community's eyes, how confident are they in this Board in making progress? Who is on the Board is real? Who on the Board is fake and who is real fake?

And who on the Board, besides Supervisor Walton, goes to Community Meetings on the Reparation matter that you tabled?

One last point. Best case scenario is the Community receives everything they seek, however, at the end of the day, some will always judge us on the color of our skin and the sick, mentally ill racism will continue.

We will continue to follow this matter and other matters concerning Community.

The Community, Public and People

Hello,

I've been reading about Shaman Walton's committee to make SF pay reparations to Black people for historical wrongs.

It's good to city government hard art work not addressing current issues with the city like HOMELESSNESS. You are instead concocting ways for spend my tax money fixing non city issues. Fixing national historical wrongs is not the role of city government . One report I read is that you want to give \$5 million to every black person in San Francisco as reparations for slavery. I realize this probably seems like a pretty good deal for Shaman Walton and other black members of city government but THIS IS NOT THE ROLE OF CITY GOVERNMENT. Before I realized you clowns actually had a reparations committee, I would have written this off as a joke.

Now get in your clowns and roll through the Misson or the Tenderloin and take a good look around . People are struggling and ,shockingly, they are not all black. Fixing a historical racist problem cannot by fixed by introducing a new racist problem.

Yes. THE BOARD OF SUPERVISORS ARE RACISTS. Think about that while you are collecting money to run a city.

Supervisor Walton. The Team ( My Friends) reminded me of one last item. Financials. It sounded like many in the Community expected a vote and even payment ASAP of \$ 5 Million. We wondering how that figure came to be and how and why the current immediate expectations of Community were set. We believe REAL and HONEST Transparency should be set to the Community as it sounds like Billions of dollars need to be allocated that might not be allocated by the City of SF.

So, please give Community the Transparency they deserve.

Thank you

tabled?

One last point. Best case scenario is the Community receives everything they seek, however, at the end of the day, some will always judge us on the color of our skin and the sick, mentally ill racism will continue.

We will continue to follow this matter and other matters concerning Community.

Public Comment Submission

=====

Greetings respectfully Board of Supervisors and President of the Board,

Racism and slavery did not end in 1865 with the 13<sup>th</sup> Amendment. It transcended and became disguised as structured institutions, the government, laws, US Justice System, Black Codes, Jim Crowe, Prisons/penitentiary's, corporations, including introducing laws like Affirmative Action and most recent in San Francisco the Office of Racial Equity, in an effort to make things appear progressive but really aren't.

San Francisco has tried to keep its participation in slavery quiet, when it is a well-known fact that slaves were brought to San Francisco California as slave chattel to work in gold mines. Slavery and indentured servitude was NOT only operative in Southern states.

San Francisco is guilty and remains complicit for many harms that continue to keep blacks and African Americans marginalized. Redlining, theft of properties/land, racially

segregated neighborhoods, segregated schools, forced to live in densely populated and polluted areas of the City.

The City of San Francisco continues to maintain its status quo by continuing these practices until this very day, as Black and African Americans are the lowest paid and most underrepresented when it comes to jobs and home ownership or securing affordable housing.

15 million men women and children were victims of genocide caused by the transatlantic slave trade. Our ancestors were stolen by white people, bought/sold and separated from family (only to never see them again) raped, beaten, lynched, maimed, mutilated, stripped of native languages and cultures, names changes, women and young girls forced to breed more children for financial gain unable to read, speak or write English,....and denied EVERY basic human fundamental right known to man.

An atonement, for 400 plus years of slavery is equal to 365 days x's 400= 146,000 days of **forced free labor**, that allowed white people, still operating many businesses and institutions today, to build unfathomable generational wealth, white supremacy and white privilege.

Wages were not paid to slaves who worked, dark early morning until dark night, in extremely harmful weather conditions, dying right in the fields while our ancestors were forced to continue

working. We inherited family sicknesses and diseases due to the lack of nourishment and non-existent health care. We carry our ancestors' traumas every single day.

### Let's do the Math

In the early 1700 records, wages for a white laborer was \$1.00 per day for 8 to 9 hours of work. Our black slave ancestors worked for over 18 hours per day and at that rate;

- **1.00 per day (roughly .05 cents per hour) in 1635 is now valued at \$36.04 per day x's 146,000 days (400 years) = \$5,261,840.00 of LOST GENERATIONAL WEALTH**

Now the average family size consisted of a minimum of 5 to 9 members spread out over various plantations ( this leaves lots of ancestors' on other plantations who were lost or killed that cannot be accounted for), so at minimum even if we take the lowest number by using 5 family members accrued generational wealth, that comes up to **\$26,309,200.00** of lost generational wealth EVEN with leaving out numerous unaccounted family members.

This isn't a matter on whether or not Black people deserve reparations.... BECAUSE NO ONE is giving us **anything**. It is an atonement to **RETURN** what was **stolen** from the very

beginning. **White PEOPLE STOLE BLACK PEOPLE** for profit, and built generational wealth, the more slaves the more influential white people were.

What would a National Class Action Lawsuit look like if Black descendants went after every white family heir, that obtained generational wealth from the forced free labors of our ancestors, and made them forfeit their illegal, murderous, and criminally obtained wealth and pay each family what they are rightfully owed, including returning all stolen land and money (acquired then up until now).

San Francisco Board of Supervisors and People of San Francisco let's rewrite history and settle this long-awaited atonement. San Francisco has Blood on their hands if they do not.

God speed!

*Kathy L. Broussard*

To San Francisco Board of Supervisors:

The Tenderloin People's Congress supports the work of the San Francisco African American Reparations Advisory Committee and the Human Rights Commission to address generations of redlining, disinvestment and other forms of systemic racism. We strongly and with utmost urgency ask for your support for the Reparations Resolution before you.

We urge you to vote yes today. While the harms caused by the horrors of slavery, racist practices and discriminatory systems, from the past to the present cannot be undone, moving our institutions towards compensation is the beginning of healing. It is the right thing to do.

While it is way past time for San Francisco to go on record and begin correcting the many years of injustice propagated against our African American San Franciscans, there is no time like the present to begin the process. Please cast your vote to get on the correct side of history and move us all forward.

In sincerity and solidarity,  
Tenderloin People's Congress
