Property Descriptions

- A. **450 Pacific Avenue** is located on the north side of Pacific Avenue at the corner of Osgood Place, Assessor's Block 0164, Lot 010. The subject property is located within a C-2 (Community Business) zoning district and a 65-X Height and Bulk district. The subject property is a contributing building to the Article 10 Jackson Square Historic District. It is a four-story, plus basement, brick and timber, office building first constructed c.1887 as the Kentucky Stables Building and rebuilt after the 1906 earthquake and fire.
- B. **1315 Waller Street** is located on the south side of Waller Street between Delmar Street and Masonic Avenue, Assessor's Block 1255, Lot 080. The subject property is located within the RH-3 (Residential House, Three Family) zoning district and 40-X Height and Bulk district. The subject building is a two-and-half-story plus basement, wood-frame, single-family dwelling designed in the Queen Anne style by local shipbuilder John A. Whelan in 1896. 1315 Waller Street, or "Winter" as it also known, is one in a row of four homes referred to as the "Four Seasons" for their associated ornamental detailing. The building was nominated for listing on the National Register of Historic Places before December 31, 2019.
- C. **59 Potomac Street** is located on the west side of Potomac Street between Waller Street and Duboce Avenue, Assessor's Block 0865, Lot 008. The subject property is located within a RH-2 (Residential-House, Two-Family District) zoning district and a 40-X Height and Bulk district. The subject property is a contributing building to the Article 10 Duboce Park Historic District. It is a two story over garage, wood-frame, single-family dwelling built in 1899 and features a gable roof and bay window.

Project Description

This project is for Mills Act Historical Property Contracts for 450 Pacific Avenue, 1315 Waller Street, and 59 Potomac Street.

Ordinance No. 191-96 amended the San Francisco Administrative Code by adding Chapter 71 to implement the California Mills Act, California Government Code Sections 50280 et seq. The Mills Act authorizes local governments to enter into contracts with owners of private historical property who will rehabilitate, restore, preserve, and maintain qualified historical property. As consideration for the rehabilitation, restoration,

preservation and maintenance of the qualified historical property, the City and County of San Francisco may provide certain property tax reductions in accordance with Article 1.9 (commencing with Section 439) of Chapter 3 of Part 2 of Division 1 of the California Revenue and Taxation Code.

San Francisco contains many historic buildings that add to its character and international reputation. Many of these buildings have not been adequately maintained, may be structurally deficient, or may need rehabilitation. The costs of properly rehabilitating, restoring and preserving historic buildings may be prohibitive for property owners. Implementation of the Mills Act in San Francisco will make the benefits of the Mills Act available to many property owners.

The benefits of the Mills Act to the individual property owners must be balanced with the cost to the City and County of San Francisco of providing the property tax reductions set forth in the Mills Act as well as the historical value of individual buildings proposed for historical property contracts, and the resultant property tax reductions, under the Mills Act.

Eligibility

QUALIFIED HISTORICAL PROPERTY

An owner, or an authorized agent of the owner, of a qualified historical property may apply for a historical property contract. For purposes of this Chapter 71, "qualified historical property" shall mean privately owned property that is not exempt from property taxation and that either has submitted a complete application for listing or designation, or has been listed or designated in one of the following ways on or before December 31 of the year before the application is made::

- (1) Individually listed in the National Register of Historic Places;
- (2) Listed as a contributor to an historic district included on the National Register of Historic Places;
- (3) Designated as a City landmark pursuant to San Francisco Planning Code Article 10;
- (4) Designated as contributory to a landmark district designated pursuant to San Francisco Planning Code Article 10; or
- (5) Designated as significant (Categories I or II) or contributory (Categories III or IV) to a conservation district designated pursuant to San Francisco Planning Code Article 11.

LIMITATIONS ON ELIGIBILITY

Eligibility for historical property contracts shall be limited to sites, buildings, or structures with an assessed valuation as of December 31 of the year before the application is made of \$3,000,000 or less for single-family dwellings and \$5,000,000 or less for multi-unit residential, commercial, or industrial buildings, unless the individual property is granted an exemption from those limitations by the Board of Supervisors. For the purposes of this section, "assessed valuation" shall not include any portion of the value of the property that is already exempt from payment of property taxes.

EXEMPTION FROM LIMITATIONS ON ELIGIBILITY

The Historic Preservation Commission may recommend that the Board of Supervisors grant an exemption from the limitations imposed by this section upon finding that:

- (1) The site, building, or structure is a particularly significant resource; and
- (2) Granting the exemption will assist in the preservation of a site, building, or structure that would

otherwise be in danger of demolition, substantial alteration, or disrepair.

Properties applying for an exemption must provide evidence that it meets the exemption criteria, including a Historic Structure Report (HSR) to substantiate the exceptional circumstances for granting the exemption.

The Board of Supervisors may approve a historical property contract not otherwise meeting the eligibility requirements set forth in Section 71.2, subsection (b) if it finds that the property is a qualified historical property that meets the requirements of subsection (a) and is especially deserving of a contract due to the exceptional nature of the property and other special circumstances.

Application for Mills Act Historical Property Contract

WHO MAY APPLY AND APPLICATION CONTENT

An owner, or an authorized agent of an owner, of a qualified historical property may submit an application for a historical property contract to the Planning Department on forms provided by the Planning Department. The property owner shall provide, at a minimum, the address and location of the qualified historical property, evidence that the property is a qualified historical property and meets the valuation requirements of Section 71.2(b), the nature and cost of the rehabilitation, restoration or preservation work to be conducted on the property, financial information necessary for the Assessor-Recorder to conduct the valuation assessment under the Mills Act, including any information regarding income generated by the qualified historical property, and a plan for continued maintenance of the property. The Planning Department, the Historic Preservation Commission, or the Assessor-Recorder may require any further information necessary to make a recommendation on or conduct the valuation of the historical property contract.

APPLICATION DEADLINES

The annual application deadline for a historical property contract shall be May 1. Application for a historical property contract may be submitted to the Planning Department between January 1 and May 1 of each year.

Approval Process

ASSESSOR-RECORDER REVIEW

The Planning Department shall refer an application for a historical property contract to the Assessor-Recorder for review and recommendation. Within 60 days of the receipt of a complete application, the Assessor-Recorder shall provide to the Board of Supervisors and Historic Preservation Commission a report estimating the yearly property tax revenue to the City under the proposed Mills Act contract valuation method and under the standard method without the proposed Mills Act contract and showing the difference in property tax assessments under the two valuation methods. If the Assessor-Recorder determines that the proposed rehabilitation includes substantial new construction or a change of use, or the valuation is otherwise complex the Assessor-Recorder may extend this period for up to an additional 60 days by providing written notice of the extension to the applicant, the Historic Preservation Commission, and the Board of Supervisors. Such notice shall state the basis for the extension. If the Assessor-Recorder fails to provide a report and recommendation within the time frames set forth here, the Historic Preservation Commission and Board of Supervisors may proceed with their actions without such report and recommendation.

HISTORIC PRESERVATION COMMISSION REVIEW

The Historic Preservation Commission shall have the authority to recommend approval, disapproval, or modification of historical property contracts to the Board of Supervisors. For this purpose, the Historic Preservation Commission shall hold a public hearing to review the application for the historical property contract and make a recommendation regarding whether the Board of Supervisors should approve, disapprove, or modify the historical property contract within 90 days of receipt of the Assessor-Recorder's report or within 90 days of the date the report should have been provided if none is received. The recommendation of the Historic Preservation Commission may include recommendations regarding the proposed rehabilitation, restoration, and preservation work, the historical value of the qualified historical property, and any proposed preservation restrictions or maintenance requirements to be included in the historical property contract. The Planning Department shall forward the application and the recommendation of the Historic Preservation Commission to approve or modify a historical property contract to the Board of Supervisors. Failure of the Historic Preservation Commission to act within the 90-day time limit shall constitute a recommendation of disapproval for the purposes of this subsection, and the Planning Department shall notify the property owner in writing of the Historic Preservation Commission's failure to act; provided, however, that the Board of Supervisors by resolution may grant an extension of time to the Historic Preservation Commission for its review. If the Historic Preservation Commission recommends disapproval of the historical property contract, such decision shall be final unless the property owner files an appeal with the Clerk of the Board of Supervisors within 10 days of the final action of the Historic Preservation Commission or within 10 days of the Planning Department's notice of the Historic Preservation Commission's failure to act.

BUDGET ANALYST REVIEW

Upon receipt of the recommendation of the Historic Preservation Commission or upon receipt of a timely appeal, the Clerk of the Board of Supervisors shall forward the application and Assessor-Recorder's report to the Budget Analyst, who, notwithstanding any other provision of this Code, shall prepare a report to the Board of Supervisors on the fiscal impact of the proposed historical property contract.

BOARD OF SUPERVISORS DECISION

The Board of Supervisors shall conduct a public hearing to review the Historic Preservation Commission's recommendation, the Assessor-Recorder's report if provided, the Budget Analyst's report, and any other information the Board requires in order to determine whether the City should execute a historical property contract for a particular property. The Board of Supervisors shall have full discretion to determine whether it is in the public interest to enter into a historical property contract regarding a particular qualified historical property. The Board of Supervisors may approve, disapprove, or modify and approve the terms of the historical property contract. Upon approval, the Board of Supervisors shall authorize the Director of Planning and the Assessor-Recorder to execute the historical property contract.

Terms of the Mills Act Historical Property Contract

The historical property contract shall set forth the agreement between the City and the property owner that as long as the property owner properly rehabilitates, restores, preserves and maintains the qualified historical property as set forth in the contract, the City shall comply with California Revenue and Taxation Code Article 1.9 (commencing with Section 439) of Chapter 3 of Part 2 of Division 1, provided that the specific provisions of the

Revenue and Taxation Code are applicable to the property in question. A historical property contract shall contain, at a minimum, the following provisions:

- (1) The initial term of the contract, which shall be for a minimum period of 10 years;
- (2) The owner's commitment and obligation to preserve, rehabilitate, restore and maintain the property in accordance with the rules and regulations of the Office of Historic Preservation of the California Department of Parks and Recreation and the United States Secretary of the Interior's Standards for the Treatment of Historic Properties;
- (3) Permission to conduct periodic examinations of the interior and exterior of the qualified historical property by the Assessor-Recorder, the Department of Building Inspection, the Planning Department, the Office of Historic Preservation of the California Department of Parks and Recreation and the State Board of Equalization as may be necessary to determine the owner's compliance with the historical property contract;
- (4) That the historical property contract is binding upon, and shall inure to the benefit of, all successors in interest of the owner;
- (5) An extension to the term of the contract so that one year is added automatically to the initial term of the contract on the anniversary date of the contract or such other annual date as specified in the contract unless notice of nonrenewal is given as provided in the Mills Act and in the historical property contract;
- (6) Agreement that the Board of Supervisors may cancel the contract, or seek enforcement of the contract, when the Board determines, based upon the recommendation of any one of the entities listed in Subsection (3) above, that the owner has breached the terms of the contract. The City shall comply with the requirements of the Mills Act for enforcement or cancellation of the historical property contract. Upon cancellation of the contract, the property owner shall pay a cancellation fee of 12.5 percent of the full value of the property at the time of cancellation (or such other amount authorized by the Mills Act), as determined by the Assessor-Recorder without regard to any restriction on such property imposed by the historical property contract; and
- (7) The property owner's indemnification of the City for, and agreement to hold the City harmless from, any claims arising from any use of the property.
 - (a) The City and the qualified historical property owner shall comply with all provisions of the Mills Act, including amendments thereto. The Mills Act, as amended from time to time, shall apply to the historical property contract process and shall be deemed incorporated into each historical property contract entered into by the City.
 - (b) The Planning Department shall maintain a standard form "Historical Property Contract" containing all required provisions specified by this section and state law. Any modifications to the City's standard form contract made by the applicant shall be subject to approval by the City Attorney prior to consideration by the Historic Preservation Commission and the Board of Supervisors.

Departmental Monitoring Report

On March 31, 2013 and every three years thereafter, the Assessor-Recorder and the Planning Department shall submit a joint report to the Board of Supervisors and the Historic Preservation Commission providing the Departments' analysis of the historical property contract (Mills Act) program. The report shall be calendared for

hearing before the Board of Supervisors and the Historic Preservation Commission. Please see Attachment D for Departmental Monitoring Report.

Priority Criteria Considerations

In addition, the Department reviews all applications on the merits of five Priority Consideration. The five priority considerations are:

Necessity: The project will require a financial incentive to help ensure the preservation of the property. This criterion will establish that the property is in danger of deterioration and in need of substantial rehabilitation and restoration that has significant associated costs. Properties with open complaints, enforcement cases or violations will not meet this criterion.

Investment: The project will result in additional private investment in the property other than for routine maintenance. This may include seismic retrofitting and substantial rehabilitation and restoration work. This criterion will establish that the owner is committed to investing in the restoration, rehabilitation and maintenance the property.

Distinctiveness: The project preserves a distinctive example of a property that is especially deserving of a contract due to its exceptional nature.

Recently Designated City Landmarks: properties that have been recently designated landmarks will be given priority consideration.

Legacy Business: The project will preserve a property at which a business included in the Legacy Business Registry is located. This criterion will establish that the owner is committed to preserving the property, including physical features that define the existing Legacy Business.

Issues & Other Considerations

- A. **450 Pacific Avenue:** The subject property is listed a contributor to the Jackson Square Historic District and is thus a qualified historical property. The subject commercial property is currently valued by the Assessor's Office as over \$5,000,000 and required a Historic Structure Report (see attached). The property meets one of the two requirements for granting exemption from the limitations on eligibility. The property is a particularly significant resource because it was constructed as early as 1887 as the Kentucky Stables building, a carriage house and livery, that survived the 1906 earthquake and fires. 450 Pacific Avenue is an important contributor to the Jackson Square Historic District for its early construction date, its survival through the ravages of the 1906 earthquake and fires, its historic use as a livery stable – which was a common early San Francisco building type that has become increasingly rare – and for its architectural design, which includes its brick façade and simple classical design articulation. The building contributes to the narrative of Jackson Square as the only significant collection of structures that represent San Francisco's nineteenth-century commercial heritage.

Although the property is not in danger of demolition, substantial alteration, or disrepair, staff supports

an eligibility exemption because of the applicant's commitment to address deferred maintenance and reverse years of unsympathetic alterations. The proposed rehabilitation program also includes the wholesale restoration of the ground story storefront, which is currently incompatible with the historic property. This work will be completed in addition to scopes of rehabilitation work to repair aspects of the property that are in fair condition, including brickwork and repointing.

The owner of the qualified historical property submitted an application for a historical property contract to the Department by the May 1, 2020 application deadline with the required Historic Structure Report prepared by Page and Turnbull.

The Assessor-Recorder estimated the property owner will receive \$99,225 in property tax savings as a result of the Mills Act Contract. Please refer to the attached Market Analysis and Income Approach Report and Preliminary Valuation spreadsheet prepared by the Assessor-Recorder for detailed information.

As detailed in the application, the applicant proposes to rehabilitate and maintain the historic property. The proposed Rehabilitation Plan (Exhibit A) includes the restoration of the historic storefront, which was removed to install an incompatible recessed arcade and modern glazed entry system at an unknown date; replacing parapet flashing; repairing roofing and window parge; treating all exterior or exposed steel and skylights; and repointing, patching and cleaning of brickwork. The estimated cost of the proposed rehabilitation work is \$782,655 over ten years.

The proposed Maintenance Plan (Exhibit B) includes annual inspection of roofing, flashing, pointing, metal corrosion, drainage points, and biological growth. Any needed repairs will be made in kind and will avoid altering, removing or obscuring character-defining features of the building. When 60% or more of the windows on either the Pacific Avenue or Osgood Place facades are deteriorated beyond repair, the property owner will replace all the windows with new wood double-hung windows that are compatible with the historic character of the building. Maintenance work is estimated to cost approximately \$14,725 annually.

No changes to the use of the property are proposed. The Department has determined that the proposed work, as detailed in Exhibits A and B, will be in conformance with the *Secretary of Interior's Standards for Rehabilitation*. Please refer to the attached Rehabilitation and Maintenance Plan for a full description of the proposed work.

The subject property meets three of the five Priority Considerations: Necessity, Investment and Distinctiveness. The proposed rehabilitation will require significant associated costs to ensure the preservation of the subject property. The property owner will invest additional money towards the rehabilitation other than for routine maintenance. Finally, the proposed rehabilitation project will preserve a distinctive example of a pre-1906 carriage house. The subject property does not meet the Recently Designated City Landmarks or the Legacy Business criteria. Jackson Square was designated an Article 10 landmark district in 1972 and therefore is not a recent landmark. A Legacy Business is not located at the subject property.

- B. **1315 Waller Street:** The subject property is listed on the National Register of Historic Places and is thus a qualified historical property. The subject property is currently valued by the Assessor's Office as over

\$3,000,000 and required a Historic Structure Report (see attached). The property meets the requirements for granting exemption from the limitations on eligibility. The property is a particularly significant resource it is a Queen Anne style building designed by local shipbuilder John A. Whelan in 1896 and known as “Winter,” it is one in a row of four homes referred to as the “Four Seasons” for their associated ornamental detailing. Although the property is fully occupied and the Historic Structure Report prepared for the property found the property to be in fair to good condition, staff supports an eligibility exemption because of the applicant’s commitment to address deferred maintenance. The applicant has proposed replacement of the missing front landing, select dry rot repair of ornamental wood elements at the front elevation, and full roof replacement. This work will be completed in addition to scopes of rehabilitation work to repair and replace some windows.

The owner of the qualified historical property submitted an application with the required Historic Structure Report for a historical property contract to the Department by the May 1, 2020 application deadline.

The Assessor-Recorder estimated the property owner will receive \$20,467 in property tax savings as a result of the Mills Act Contract. Please refer to the attached Market Analysis and Income Approach Report and Preliminary Valuation spreadsheet prepared by the Assessor-Recorder for detailed information.

As detailed in the application, the applicant proposes to rehabilitate and maintain the historic property. The proposed Rehabilitation Plan (Exhibit A) includes restore front entry marble steps and iron handrail, restore missing front entry landing, repair or replace select windows, replace roof, and fully repaint and repair all elevations. In 2018, the applicant had replaced the building foundation, added shear walls and structural steel beams. Rehabilitation work is estimated to cost \$416,635 over ten years.

The proposed Maintenance Plan (Exhibit B) includes annual inspection of roof, gutters and downspouts, windows, doors, foundation, and wood siding and trim. Any needed repairs will be made in kind and will avoid altering, removing or obscuring character-defining features of the building. Maintenance work is estimated to cost approximately \$9,920 annually.

No changes to the use of the property are proposed. The Department has determined that the proposed work, as detailed in Exhibits A and B, will be in conformance with the Secretary of Interior’s Standards for Rehabilitation. Please refer to the attached Rehabilitation and Maintenance Plan for a full description of the proposed work.

The subject property meets three of the five Priority Considerations: Necessity, Investment and Distinctiveness. The proposed rehabilitation will require significant associated costs to ensure the preservation of the subject property. The property owner will invest additional money towards the rehabilitation other than for routine maintenance. Finally, the proposed rehabilitation project will preserve a distinctive example of Victorian style home. The subject property does not meet the Recently Designated City Landmarks or the Legacy Business criteria. Although the building was recently nominated for listing on the National Register of Historic Places, it is not a City Landmark under Article 10. A Legacy Business is not located at the subject property.

- D. **59 Potomac Street:** The subject property is a contributor to the Duboce Park Historic District and is thus

a qualified historical property. The subject property is currently valued by the Assessor's Office as under \$3,000,000 and did not require a Historic Structure Report. The owner of the qualified historical property submitted an application for a historical property contract to the Department by the May 1, 2020 application deadline.

The Assessor-Recorder estimated the property owner will receive \$23,165 in property tax savings as a result of the Mills Act Contract. Please refer to the attached Market Analysis and Income Approach Report and Preliminary Valuation spreadsheet prepared by the Assessor-Recorder for detailed information.

As detailed in the application, the applicant proposes to rehabilitate and maintain the historic property. The proposed Rehabilitation Plan (Exhibit A) includes seismic strengthening, roof replacement, wood siding repair and painting, window replacement, front stair replacement, and permeable driveway. Rehabilitation work is estimated to cost \$296,500 over ten years.

The proposed Maintenance Plan (Exhibit B) includes annual inspection of roof, gutters and downspouts, windows, and wood siding and trim an inspection of the roof every five years. Any needed repairs will be made in kind and will avoid altering, removing or obscuring character-defining features of the building. Maintenance work is estimated to cost approximately \$2,000 annually.

No changes to the use of the property are proposed. The Department has determined that the proposed work, as detailed in Exhibits A and B, will be in conformance with the Secretary of Interior's Standards for Rehabilitation. Please refer to the attached Rehabilitation Plan and Maintenance Plan for a full description of the proposed work.

The subject property meets three of the five Priority Considerations: Necessity, Investment and Distinctiveness. The proposed rehabilitation will require significant associated costs to ensure the preservation of the subject property. The property owner will invest additional money towards the rehabilitation other than for routine maintenance. Finally, the proposed rehabilitation project will preserve a distinctive example of Victorian style home. The subject property does not meet the Recently Designated City Landmarks or the Legacy Business criteria. The building was designated an Article 10 landmark district in 2013 and therefore is not a recent landmark. A Legacy Business is not located at the subject property.

Public/Neighborhood Input

The Department has received no inquiries from the public about the proposed project.

Environmental Review Status

The Project is exempt from the California Environmental Quality Act ("CEQA") as a Class 1 categorical exemption.

Basis for Recommendation

- A. **450 Pacific Avenue:** The Department recommends APPROVAL of the Mills Act Historical Property Contract as it meets the provisions of Chapter 71 of the Administration Code and the Priority Considerations. The proposed rehabilitation and maintenance work conforms with the *Secretary of Interior's Standards for Rehabilitation*. Granting the Mills Act historical property contract will help the property owner mitigate rehabilitation expenditures and adequately maintain the property in the future.
- B. **1315 Waller Street:** The Department recommends APPROVAL of the Mills Act Historical Property Contract as it meets the provisions of Chapter 71 of the Administration Code and the Priority Considerations. The proposed rehabilitation and maintenance work conforms with the *Secretary of Interior's Standards for Rehabilitation*. Granting the Mills Act historical property contract will help the property owner mitigate rehabilitation expenditures and adequately maintain the property in the future.
- C. **59 Potomac Street:** The Department recommends APPROVAL of the Mills Act Historical Property Contract as it meets the provisions of Chapter 71 of the Administration Code and the Priority Considerations. The proposed rehabilitation and maintenance work conforms with the *Secretary of Interior's Standards for Rehabilitation*. Granting the Mills Act historical property contract will help the property owner mitigate rehabilitation expenditures and adequately maintain the property in the future.
