LEGISLATIVE DIGEST

[Park Code - Yerba Buena Gardens]

Ordinance amending the Park Code to allow dogs and certain athletic activities in Yerba Buena Gardens; to clarify that existing law prohibits the riding of bicycles and electric scooters in the Gardens; and to make a non-substantive correction regarding the authority of the Real Estate Division.

Existing Law

The City's Real Estate Division oversees the Yerba Buena Gardens. Animals are not allowed in the Gardens. Certain athletic activities, and the operation of wheeled equipment, are also not allowed in the Gardens.

Amendments to Current Law

The ordinance would allow people to bring dogs to Yerba Buena Gardens, if the dogs stay leashed. The ordinance would also allow roller skating, roller blading, and kite flying in the Gardens, and would clarify that bicycles and electric scooters are prohibited.

Background Information

The ordinance contains a non-substantive correction, to reflect that Yerba Buena Gardens is no longer under the jurisdiction of the former Redevelopment Agency and instead falls under the authority of the Real Estate Division (Board Resolution No. 162-18).

Subject: Ordinance Amending the Park Code To Allow Dogs and Certain Athletic Activities in Yerba Buena Gardens

Dear Board Members:

Attached for your consideration is an Ordinance approving and authorizing amendments to the Park Code to allow dogs and certain athletic activities in yerba Buena gardens; to clarify that existing law prohibits the riding of bicycles and electric scooters in the Gardens; and to make a non-substantive correction regarding the authority of the Real Estate Division.

In or about June 2018, the City and County of San Francisco (City) acquired from the Office of Community Investment and Infrastructure (formerly the Redevelopment Agency) and it was put under the jurisdiction of the Real Estate Division.

On or about June 14, 2019, the City entered into a Master Lease Agreement with the Yerba Buena Gardens Conservancy, a California non-profit public benefit corporation (YBGC) for the Yerba Buena Gardens through 2061. The lease requires YBGC to manage and operate portions of the City-owned urban mixed-use property (the Gardens).

During the last several years, YBGC has been managing the Gardens and noted several issues including: a) All athletic activities are prohibited; b) Dogs are prohibited; and c) Visitors are prohibited from all wheeled equipment including strollers, wagons, etc.

YBGC desires to allow certain athletic activities under permits issued by the Director of Property or the Director's designee; allow leashed dogs; and allow certain wheeled conveyances (strollers, wheelchairs, toys, wagons, etc., and allow bicycles to be walked through the Gardens. This ordinance provides for those changes.

If you have any questions regarding the Ordinance, please contact Claudia Gorham of Real Estate at 415.713.6020 or Claudia.gorham@sfgov.org.

Respectfully,
