Director of Health

City and County of San Francisco
Daniel Lurie
Mayor

Memorandum

To: Honorable Members of the Board of Supervisors

From: San Francisco Department of Public Health

Date: Friday, January 10, 2025

RE: **Retroactivity re: File 241176:** Accept and Expend Grant - Retroactive - Centers for Disease Control and Prevention - Strengthening STD Prevention and Control for Health Departments (STD PCHD) - \$13,635,302

This Resolution seeks authorization for the Department of Public Health (DPH) to retroactively accept and expend funds in the amount of \$13,635,302 from the Centers for Disease Control and Prevention (CDC).

This grant accept and expend is retroactive because DPH received notices of the grant increase after the pre-determined budget period start date. SFDPH received notices of this grant increase on January 31, 2024, and August 28, 2024, for the budget period start date of January 1, 2023.

Upon receiving the notices of the grant increase, DPH put together the accept and expend packet and forwarded it to the Controller's Office for review on October 23, 2024. The Controller's Office approved the accept and expend packet and forwarded it to the Mayor's Office on November 25, 2024, for introduction on December 3, 2024. We respectfully request retroactive authorization for this item.

Please contact Christina Chiong, SFDPH Accept & Expend Unit Manager, at christina.chiong@sfdph.org for any questions about this request for retroactive authorization.
