12 **SEC. 12P.5.1. ADDITIONAL CONTRACT REQUIREMENTS.**

13 Every Contract and Contract Amendment entered into on or after the Effective Date of the
14 Amendment, shall include the provisions set forth below, in addition to those requirements set forth in
15 Section 12P.5. Where a conflict exists, the provisions of this Section supersede those of Section 12P.5.

16 (a) Failure to comply with the requirements of this Chapter shall constitute a material
17 breach by Contractor of the terms of the Contract. The City in its sole discretion shall determine such
18 failure.

19 (b) If a Contractor fails to comply with the requirements of this Chapter, the City shall have
20 the right to pursue any rights or remedies available under this Chapter, under the terms of the
21 Contract, and under applicable law, consistent with the procedures set forth in Section 12P.6.2.

22 (c) In order to monitor and determine compliance with this Chapter, employees and agents
23 of the City authorized to assist in the administration and enforcement of this Chapter, including
24 employees and agents of the Agency, shall have the right to (1) engage in inspections of a Contractor's
25 job sites and conduct interviews with a Contractor's employees and (2) conduct audits of Contractors.

1 provided that the City gives notice in advance of such audits and the audits are accomplished through
2 an examination of pertinent records at a mutually agreed upon time and location within ten (10) days
3 of the written notice.

4 (d) (1) Contractor may not interfere with, restrain, or deny the exercise of, or the
5 attempt to exercise, any right protected under this Chapter.

6 (2) Contractor may not discharge, threaten to discharge, demote, suspend, or in any
7 manner discriminate or take adverse action against any person in retaliation for exercising rights
8 protected under this Chapter. Such rights include, but are not limited to, the right be paid the
9 Minimum Compensation; the right to use compensated and uncompensated time off pursuant to this

14 uncompensated leave taken under this Chapter as an absence that may lead to or result in discipline,
15 discharge, demotion, suspension, or any other adverse action.

16 (4) The provisions of this Subsection (d) apply to any person who mistakenly but in good
17 faith alleges violations of this Chapter.

18 (5) If the Contractor takes any adverse action against any person within 90 days of the
19 person's doing any of the following, such adverse action shall raise a rebuttable presumption that the
20 Contractor has engaged in retaliation against the person for the exercise of one or more of the rights
21 set forth in this Subsection (d): filing a complaint with the Agency or a court alleging a violation of
22 any provision of this Chapter, informing any person about an employer's alleged violation of this
23 Chapter; cooperating with the Agency or other persons in the investigation or prosecution of any
