Southern Pacific Brewing LLC requests a PCN letter from the Board of Supervisors for our 75-Brewpub license application with ABC at 620 Treat Ave, SF. We feel our request for PCN letter should be approved as our project will provide multiple benefits to both the Mission District and City/County of San Francisco:

- Our establishment will provide locally made artisanal ales for both the Mission and the City, as part of a Bay Area movement towards locally-made and sustainable food & beverage sources.
- Our restaurant will serve lunch and dinner meals with quality local ingredients, and do so with lower price points in order to make these meals available to all classes of San Franciscans, especially Mission District residents
- Our patio will provide something San Francisco is seriously lacking in— places to eat and drink outdoors and enjoy the sun!
- We will provide jobs in the service industry that will support and enhance opportunity for local residents and support local initiatives like paid healthcare, employee leave, and a living wage
- We will also provide jobs in the Production/Distribution industry for our brewing operations employees, in accordance with the Eastern Neighborhoods Plan
- Both our retail and wholesale operations will contribute sales, excise, payroll and property taxes to the City in these times of budget cuts and deficits
- We intend to utilize the City's Green Building program for solar panels, insulation, and waste-reduction improvements once the program is fully established
- Our build-out will employ San Francisco contractors and builders only, putting the building and trades industry to work and keeping our dollars in the City
- We will be the pioneers of the Mission's brewing industry revival- getting our neighborhood back to the days when major breweries like Rainier, Hamm's, Lucky Lager, Milwaukee's Best and others provided local pride, blue collar jobs, and a healthy tax base for the City.

We hope that for the reasons listed above, our request for a PCN letter will be approved and we can bring the brewing industry back to the Mission and the City.

Thank you
