Department: Mayor's Office of Housing and Community Development (MOHCD)

EXECUTIVE SUMMARY

Legislative Objectives

- The proposed resolution would approve the Second Amendment to the lease between the City as landlord and La Cocina, Inc. as tenant for property at 101 Hyde Street, extending the term by five years through December 2031, and to authorize the Director of Property to make further immaterial amendments to the lease.

Key Points

- 101 Hyde Street is a one-story building consisting of approximately 7,500 square feet of space that was conveyed to the City in 2016 to develop affordable housing. After conducting a competitive solicitation, the Mayor's Office of Housing and Community Development (MOHCD) selected La Cocina to operate food hall and business incubator space for low-income food service entrepreneurs on the site as a temporary use of the site.
- La Cocina's lease expires December 31, 2026. Under the lease, La Cocina pays annual base rent of \$12,000 plus a percentage rent equal to five percent of net income (which has never been paid due to La Cocina operating at a loss). The lease was amended in 2024 to no longer require La Cocina to pay utility costs.
- MOHCD does not currently have plans to develop the site, though as part of this requested extension MOHCD has committed to issuing the Request for Qualifications to select the development team within two years. Due to stalled plans to develop the site, MOHCD and La Cocina have agreed to extend the lease by five years.

Fiscal Impact

- Under the proposed Second Amendment to the lease, the City would receive \$12,000 per year in base rent, or \$60,000 over the five-year term. The City would also continue to pay utility costs for the building, which totaled \$21,894 in FY 2024-25. Assuming three percent annual escalation, the City would pay approximately \$123,000 over the five-year extension term, for a net cost to the City of approximately \$63,000 after accounting for rent collected.

Policy Consideration

- Because the interim-use lease is a net cost to the City and there are no current plans to develop the site, we consider approval of the proposed resolution to be a policy matter for the Board of Supervisors. The Board of Supervisors could consider requesting that MOHCD amend the proposed lease to add a provision that would allow the City to terminate the lease early if it is able to identify resources to develop the site.

Recommendation

- Approval of the proposed resolution is a policy matter for the Board of Supervisors.

MANDATE STATEMENT

City Administrative Code Section 23.30 states that leases of City-owned property can be for less than market rent if the lease is for a proper public purpose, with Board of Supervisors' approval.

BACKGROUND

101 Hyde Street is a one-story building consisting of approximately 7,500 square feet of space that was formerly used as a U.S. Post Office. In 2016, the property was conveyed to the City to develop affordable housing on the site to satisfy inclusionary housing requirements for a market-rate development at 1066 Market Street (File 16-0550). The developer (affiliated with Shorenstein Properties LLC) also contributed \$5 million to City to construct affordable housing at 101 Hyde Street and \$1 million for developing a temporary use of the site.

In 2016, the Mayor's Office of Housing and Community Development (MOHCD) solicited proposals for a community serving temporary use of 101 Hyde Street. MOHCD selected La Cocina, Inc., a nonprofit organization specializing in assisting low-income clients in launching food-oriented businesses, in association with the Tenderloin Housing Clinic. La Cocina proposed building a food hall and business incubator space for low-income food service entrepreneurs. In March 2019, the Board of Supervisors approved a lease with La Cocina, for a term of approximately six years and six months, from July 7, 2019 through December 31, 2025, with annual base rent of \$12,000 (without escalation), and percentage rent equal to five percent of annual net income (File 19-0166). The lease also stated that the City would reimburse La Cocina up to \$1,465,000 for tenant improvement costs, and La Cocina would reimburse the City for utility and fire and alarm system costs.

After originally operating as a food hall, La Cocina struggled with poor foot traffic starting during the COVID-19 pandemic. La Cocina reported accumulated net losses of approximately \$1.8 million between FY 2020-21 and FY 2022-23 (excluding depreciation). In 2023, La Cocina closed the food hall and converted the space into a shared-use commercial kitchen that is generally not open to the public. In April 2024, the Board of Supervisors approved the First Amendment to the lease, extending the lease by one year through December 2026, reimbursing La Cocina \$106,528 for sidewalk improvements, authorizing the use of light manufacturing or a commercial kitchen in the premises, and removing the requirement for La Cocina to reimburse the City for utility costs (including refunding La Cocina for any utility payments made and forgiving unpaid utility payments owed) (File 24-0341). According to La Cocina's unaudited profit and loss statement for FY 2024-25, La Cocina incurred a net loss of approximately \$300,000 in FY 2024-25, excluding depreciation.

MOHCD has not solicited an affordable housing developer for the site and does not currently have plans to develop the site, though as part of this requested extension MOHCD has committed to issuing the Request for Qualifications to select the development team within two years following execution of the lease extension. Due to the stalled plans, MOHCD and La Cocina have agreed to extend the lease for an additional five years.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would approve the Second Amendment to the lease between the City and La Cocina, extending the term by five years through December 2031, and authorizing the Director of Property to make further immaterial amendments to the lease. Other key terms of the lease, shown in Exhibit 1 below, would not change.

Premises	7,500 square feet
Current Term	July 2019 – December 2026
Extension Term	5 Years, from January 2027 through December 2031

Percentage Rent	Equal to 5% of net income

FISCAL IMPACT

Under the proposed Second Amendment to the lease, the City would receive \$12,000 per year in base rent, or \$60,000 over the five-year term. The City would also continue to pay utility costs for the building, which totaled \$21,894 in FY 2024-25. Assuming three percent annual escalation, the City would pay approximately \$123,000 over the five-year term of the lease extension, which would be a net cost to the City of approximately \$63,000 after accounting for rent collected, as shown in Exhibit 2 below. Utility costs are paid from the Citywide Affordable Housing Fund and Housing Program Fees Fund.

Rent	\$60,000)
Utility Costs	(123,000)
Net Fiscal Impact to City	(\$63,000)

Source: BLA estimates

According to Robert Baca, MOHCD Joint Development Director, La Cocina has never paid percentage rent of net income due to operating at a loss each year.

POLICY CONSIDERATION

As noted above, the 101 Hyde property was conveyed to the City in 2016 as a future affordable housing site. MOHCD has noted that the project has not been prioritized for development because of the Tenderloin's designation as a "low-resourced" area, which makes the site less competitive for state financing. According to Director Baca, MOHCD has committed to issuing an

RFQ to select a developer for the site within two years of the date of execution of the lease extension.

Under the lease, La Cocina pays \$12,000 per year in base rent, or \$1.60 per square foot, which is below market rate. By covering utility costs, the City is subsidizing the lease by an additional amount ranging from \$10,451 to \$41,532 per year, which is generally more than the amount received in rent. The City has also contributed over \$1.5 million for tenant improvements and sidewalk repairs. According to Director Baca, by keeping the premises occupied, the City saves approximately \$500,000 per year in security, cleaning, repairs, graffiti removal, and rodent abatement that would be required if the space were not occupied (based on MOCHD's experience with other vacant sites). Based on La Cocina's unaudited profit and loss statement, La Cocina incurred \$16,000 for security and repairs and maintenance in FY 2024-25, but this does not include potential repairs or abatement that may be required if the site was vacant as it may be more likely to be vandalized.

Because the interim-use lease is a net cost to the City and there are no current plans to develop the site, we consider approval of the proposed resolution to be a policy matter for the Board of Supervisors. The Board of Supervisors could consider requesting that MOHCD amend the proposed lease to add a provision that would allow the City to terminate the lease early if it is able to identify resources to develop the site.

Given the challenges in seeking state financing to build affordable housing on the site and the limited revenues of the lease, MOHCD could also consider: (1) selling the property to a private developer and using the funds to construct affordable housing at a more viable location (which would require new legislation); (2) pursuing a lower-cost construction model, similar to 1633 Valencia Street (File 24-0374), which did not obtain state financing but did require substantial local funding; or (3) renegotiating the La Cocina lease for a higher rental rate and requiring La Cocina to pay utility costs. . According to Director Baca, it is unlikely that La Cocina would be able to pay a higher rental rate.

RECOMMENDATION

Approval of the proposed resolution is a policy matter for the Board of Supervisors.

2.1 Lease Premises

Subject to the provisions of this Lease, City leases to Tenant and Tenant leases from City those premises identified in the Basic Lease Information (the "Premises"). The Premises shall include the Property, the Building, and all other improvements on and appurtenances to the Property.

2.2 Accessibility Disclosures

(a) California Civil Code Section 1938 requires commercial landlords to disclose to tenants whether the property being leased has undergone inspection by a Certified Access Specialist ("CASP") to determine whether the property meets all applicable construction-related accessibility requirements. The law does not require landlords to have the inspections performed. Tenant is hereby advised that the Premises have not been inspected by a CASp.

(b) Tenant acknowledges that prior to the execution of this Lease, City provided Tenant with, and Tenant signed, the Disability Access Obligations Notice described in Section 38.3 of the San Francisco Administrative Code. Tenant and City each agree to use reasonable efforts to notify the other party if making any Alterations (as defined in Section 7.1 (Tenant's Alterations)) that might impact accessibility to the Premises under any disability access laws.

2.3 As Is Condition

TENANT ACKNOWLEDGES AND AGREES THE PREMISES ARE BEING LEASED AND ACCEPTED IN THEIR "AS IS" CONDITION, WITHOUT REPRESENTATION OR WARRANTY OF ANY KIND, AND SUBJECT TO ALL APPLICABLE LAWS, RULES AND ORDINANCES GOVERNING THEIR USE, OCCUPANCY AND POSSESSION. TENANT REPRESENTS AND WARRANTS TO CITY THAT TENANT HAS INVESTIGATED AND INSPECTED, EITHER INDEPENDENTLY OR THROUGH AGENTS OF TENANT'S OWN CHOOSING, THE CONDITION OF THE PREMISES AND THE SUITABILITY OF THE PREMISES FOR TENANT'S INTENDED USE. TENANT HAS DETERMINED, BASED SOLELY ON ITS OWN INVESTIGATION, THAT THE PREMISES ARE SUITABLE FOR TENANT'S BUSINESS AND INTENDED USE. TENANT ACKNOWLEDGES AND AGREES THAT NEITHER CITY NOR ANY OF ITS AGENTS HAVE MADE, AND CITY HEREBY DISCLAIMS, ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, CONCERNING THE RENTABLE AREA OF THE PREMISES, THE PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PREMISES, THE PRESENT OR FUTURE SUITABILITY OF THE PREMISES FOR TENANT'S BUSINESS, THE PRESENCE OR ABSENCE OF ANY HAZARDOUS MATERIALS, OR ANY OTHER MATTER WHATSOEVER RELATING TO THE PREMISES, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

2.4 Access Easements

The Property is subject to pedestrian and vehicular access easements that benefit the properties commonly known as 125 Hyde Street and 129 Hyde Street in San Francisco, California, as further described in the grant deeds recorded in the Official Records of San Francisco County at Book 2378 Page 191, Book 3846 Page 230, and Book 2162 Page 285, and

as amended by the Easement Amendment and Agreements (together, the "Amended Easement Agreements") recorded in the Official Records of San Francisco County on August 5, 2016, as Instrument No. 2016-K302894 and Instrument No. 2016-K302895. Copies of the Amended Easement Agreements are attached as Exhibit C.

3. TERM

3.1 Lease Term

The Premises are leased for a term (the "Term") commencing on the Effective Date. The Term of this Lease shall end on the expiration date specified in the Basic Lease Information, unless sooner terminated pursuant to the provisions of this Lease. City shall deliver the Premises to Tenant on the Effective Date in their then existing as is condition as further provided above, with no obligation of the City to make any improvements, repairs or alterations.

3.2 Confirmation of Rent Commencement Date and Expiration Date

The "Rent Commencement Date" shall be the date the Tenant Improvement Work (as defined in Section 6.1) is completed and City's Department of Building Inspection has issued a temporary certificate of occupancy for the Building. The Term shall terminate on December 31, 2025 (the "Expiration Date"), unless sooner terminated pursuant to the provisions of this Lease. Promptly following the Rent Commencement Date, Tenant shall deliver to City a notice substantially in the form attached hereto as Exhibit D, confirming the actual Rent Commencement Date and the Expiration Date, but Tenant's failure to do so shall not affect the date of either the Rent Commencement Date or the Expiration Date.

Throughout the Term beginning on the Rent Commencement Date, Tenant shall pay to City the annual Base Rent specified in the Basic Lease Information (the "Base Rent"). The Base Rent shall be paid to City in advance, without prior demand and without any deduction, setoff or counterclaim whatsoever, in equal consecutive monthly payments on or before the first day of

the Term and on or before the first day of each month thereafter. If the Rent Commencement Date occurs on a day other than the first day of a calendar month, or the Expiration Date occurs on a day other than the last day of a calendar month, then the Base Rent for such fractional month shall be prorated based on a thirty (30) day month. Within five (5) days after the Rent Commencement Date, Tenant shall pay to City the Base Rent for the month in which the Rent Commencement Date occurs and the following month.

4.2 Percentage Rent

(a) Definitions

(i) "Books and Records" means all of Tenant's (and each of its Agent's) books, records, and accounting reports or statements relating to its business at or use of the Premises, this Lease, the Tenant Improvements, any Alterations, and the operation and maintenance of the Premises, including, without limitation, cash journals, rent rolls, general ledgers, income statements, bank statements, income tax schedules relating to Tenant's business in or use of the Premises, and any other bookkeeping documents Tenant utilizes in its business operations for the Premises. Tenant shall maintain a separate set of accounts to allow a determination of all Operating Expenses, all Operating Income generated directly from the Premises, and all exclusions therefrom.

(ii) "Lease Year" means the twelve (12) month period immediately following the Rent Commencement Date or any anniversary of the Rent Commencement Date.

(iii) "Net Income" means the Operating Income less the Expenses for a Lease Year (or portion thereof).

(iv) "Operating Expenses" means the following reasonable operating and routine maintenance and repair expenses incurred in the operation of the Premises for the uses permitted under this Lease and performing Tenant's obligations under this Lease: (1) commercially-reasonable administrative, payroll, security and general expenses for the Premises; (2) charges for utility services; (3) expenses for repair and maintenance of equipment and furnishings; (4) expenses for routine maintenance and repair of and for cleaning the Premises, including, without limitation, expenses related to vandalism or other damage to the Premises or Tenant's equipment or supplies at the Premises; (5) the cost of supplies and equipment reasonably necessary for the operation of the Premises for the uses permitted under this Lease; (6) license and permit fees not related to the Tenant Improvements or any Alterations; (7) the cost of the insurance policies that Tenant must carry under Article 19 below or to comply with applicable laws to otherwise reasonably insure Tenant against liability relating to the management and operation of the Premises, including workers' compensation insurance, fidelity and surety bonds, casualty insurance, business interruption insurance, and any deductible amounts required under such insurance policies; (8) sales taxes, payroll taxes and all other taxes resulting from operation of the Premises; (9) possessory interest taxes; (10) other expenses incurred by Tenant under this Lease other than the payment of Base Rent or Percentage Rent; (11) the cost of utilities incurred in connection with the use and operation of the Premises; (12) costs and fees of independent professions (including, without limitation, legal, accounting, consultants and other professional expenses), technical consultants, operational experts (including quality assurance inspectors) or other third parties retained to perform services required or permitted hereunder, except to the extent incurred with respect to the design or installation of the Tenant Improvements; and (13) all other costs and expenses that are reasonable and customary operating and maintenance expenses incurred in the operation, leasing, marketing and maintenance of the Premises for the Permitted Use and in compliance with this Lease and approved by City's Director of Property in writing. Operating Expenses shall not include any charges or allowances for depreciation or amortization of Tenant's interest in the Premises or any costs or expenses incurred by Tenant as a result of any default of its obligations under this Lease.

(v) "Operating Income" means, subject only to the exceptions stated below, all sales, payments, revenues, income, fees, rentals, receipts, proceeds and amounts of any kind whatsoever, whether for cash, credit or barter, received or receivable by Tenant from any business, use or occupation (but not those received or receivable by any of its subtenants or Vendors, as defined in Section 16.1 below), or any combination thereof, transacted, arranged or performed, in whole or in part, on the Premises, including without limitation, all returns and refunds, employee meals, discounted and complimentary meals, beverages and services or similar benefits and/or goodwill, the total value, based on price, for the tickets, cover charges, merchandise and any other items and the operation of any event, including any special or fundraising event, and catering or food delivery business conducted by, from or at the Premises (irrespective of where the orders therefor originated or are accepted and irrespective of where the food or beverages are consumed). Except as specified below, Operating Income shall be determined without reserve or deduction for failure or inability to collect (including, without limitation, spillage and waste) and without deduction or allowance for cost of goods sold or other costs, charges or expenses of purchasing or selling incurred by Tenant. No value added tax, no franchise or capital stock tax and no income, gross receipts or similar tax based upon income, profits or gross receipts as such shall be deducted from Operating Income. The following shall be excluded from Operating Income, provided that, Tenant provide separate records to City to support such deductions or exclusions, as the case may be, and separate notations are made for same on the Annual Statements (as defined in Section 4.2(b)):

(A) The amount of any refund made or credit allowed due to a bona fide complaint from a customer concerning the quality of food, beverages, merchandise or service by Tenant;

(B) Sales by redemption of gift certificates or like vouchers, but only to the extent previously reported as part of Operating Income;

(C) Sums collected for any sales or excise tax imposed directly upon Tenant by any duly constituted governmental authority, but only if stated separately from the selling price of the goods or merchandise, or services, and collected from customers and such amounts are in fact paid to the appropriate governmental entities for which they are collected; and

(D) All food and beverage sales to employees of Tenant, not to exceed, however, one percent (1%) of Operating Income in any single month, and provided further that said sales are at a discount; and

(E) Tips paid to Tenant's employees by its customers, so long as such tips go directly to Tenant's employees (and not Tenant or Tenant's management); and

(F) Bona fide promotional discounts to Tenant's customers for food, beverages and other sales, up to a maximum of five percent (5%) of Operating Income in any single month.

(b) Annual Statements

On or before the sixtieth (60th) day immediately following each anniversary of the Rent Commencement Date, Tenant shall deliver a complete statement (each, an "Annual Statement") showing the computation of the Percentage Rent for the immediately preceding Lease Year in a form approved by City. Each Annual Statement shall set forth in reasonable detail the Operating Income for the immediately preceding Lease Year, including an itemized list of any and all deductions or exclusions from Operating Income that Tenant may claim and which are expressly permitted under this Lease, the Operating Expenses for the immediately preceding Lease Year, and a computation of the Percentage Rent for the immediately preceding Lease

Year. Each Annual Statement shall be certified as accurate, complete and current by an independent certified public accounting firm acceptable to City's Director of Property in his or her sole discretion.

If Tenant fails to deliver any Annual Statement within the time period set forth in this subsection (irrespective of whether any Percentage Rent is actually paid or due to City for the preceding Lease Year) and such failure continues for three (3) days after the date Tenant receives (or refuses receipt of) written notice of such failure from City, City shall have the right, among its other remedies under this Lease, to employ a certified public accountant to make such examination of Tenant's Books and Records (and the Books and Records of any other occupant of the Premises) as may be necessary to certify the amount of the Operating Income and Operating Expenses for the period in question. Such certification shall be binding upon Tenant and Tenant shall promptly pay to City the total reasonable cost of the examination and City's other reasonable costs (including attorneys' fees) in exercising its examination rights hereunder, together with the full amount of Percentage Rent due and payable for the period in question. Tenant acknowledges that the late submittal of any Annual Statement will cause City increased costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. The parties agree that the charges set forth in this Section represent a fair and reasonable estimate of the cost that City will incur by reason of Tenant's lateness.

(c) Payments

On or before the one hundred twentieth (120th) day immediately following each anniversary of the Rent Commencement Date, Tenant shall pay to City, in addition to the monthly Base Rent payable by Tenant pursuant to Section 4.1 above, Percentage Rent for the Lease Year immediately preceding such payment date. Notwithstanding anything to the contrary in the foregoing sentence, if this Lease terminates prior to the anniversary of a Rent Commencement Date, Tenant shall pay to City a final payment of Percentage Rent on or before the sixtieth (60th) day immediately following such termination, which payment shall be in an amount equal to five percent (5%) of the Net Income for the period (i) between the last anniversary of the Rent Commencement Date before such termination date and (ii) the termination of this Lease.

City's acceptance of any monies paid to City by Tenant as Percentage Rent as shown by the applicable Annual Statement shall not be an admission of the accuracy of such Annual Statement or the amount of such Percentage Rent payment. City's receipt of a portion of Tenant's Net Income as Percentage Rent shall be deemed strictly as rental and nothing herein shall be construed to create the legal relation of a partnership or joint venture between City and Tenant.

(d) Books and Records

Tenant agrees that the business of Tenant upon the Premises shall be operated with a non-resettable register and so that a duplicate dated sales slip or such other recording method reasonably acceptable to City is issued with each sale, whether for cash, credit or exchange. Furthermore, Tenant shall keep (and shall cause its subtenants and assignees to keep) at the Premises, at all times between the Rent Commencement Date and the expiration or earlier termination of this Lease, complete and accurate Books and Records that contain all information required to permit City to verify Operating Income, deductions and exclusions therefrom, and Operating Expenses that are in accordance with this Lease and with generally accepted accounting practices consistently applied from period to period with respect to all operations of the business to be conducted in or from the Premises. Tenant shall retain (and shall cause its subtenants and assignees to retain) such Books and Records for a period (the "Audit Period") that is the later of (i) four (4) years after the end of each Lease Year (or portion thereof) to which such Books and Records apply or, (ii) if an audit is commenced or if a controversy

should arise between the parties hereto regarding the Percentage Rent payable hereunder, until such audit or controversy is terminated.

(e) Audit

Tenant shall make its Books and Records available to City, any City auditor, or any auditor or representative designated by City (each referred to in this subsection as "City's Audit Representative"), on no less than fifteen (15) business days' prior written notice to Tenant, for the purpose of examining said Books and Records to determine the accuracy of Tenant's reporting of Percentage Rent for a period not to exceed the Audit Period after a Percentage Statement is delivered to City. Tenant shall cooperate with the City's Audit Representative during the course of any audit, provided however, such audit shall occur at Tenant's business office, or at such other location in San Francisco where the Books and Records are kept, and no books or records shall be removed by City's Audit Representative without the prior express written consent of Tenant (provided, however, copies may be made by City's Audit Representative on site), and once commenced, with Tenant's cooperation, such audit shall be diligently pursued to completion by City within a reasonable time of its commencement, provided that Tenant makes available to City's Audit Representative all the relevant Books and Records in a timely manner. If an audit is made of the Books and Records and City claims that errors or omissions have occurred, the Books and Records shall be retained by Tenant and made available to City's Audit Representative until those matters are expeditiously resolved with Tenant's cooperation. If Tenant operates the Premises through one or more subtenants or Agents, Tenant shall require each such subtenant or Agent to provide City with the foregoing audit right with respect to its Books and Records. Upon completion of the audit, City shall promptly deliver a copy of the audit report to Tenant.

If an audit reveals that Tenant has understated its Net Income for the applicable audit period, Tenant shall pay City, promptly upon demand, the difference between the Percentage Rent payment Tenant has paid and the Percentage Rent payment it should have paid to City, plus interest from the date of the error in the payment equal to ten percent (10%) per year or, if a higher rate is legally permissible, the highest rate an individual is permitted to charge under applicable law, if City elects to charge such interest. If an audit reveals that Tenant has overstated its Net Income for the applicable audit period, Tenant shall be entitled to a credit equal to the difference between the amount Tenant has paid and the amount it should have paid to City against the next installment of Percentage Rent owed by Tenant. If Tenant understates the Net Income for any audit period by three percent (3%) or more, Tenant shall pay the reasonable cost of the audit. A second understatement of three percent (3%) or more within any three (3) Lease Year period of the first such understatement shall be considered an Event of Default.

4.3 Additional Charges

Tenant shall pay to City any and all charges and other amounts required under this Lease as additional rent (collectively, "Additional Charges"). All such Additional Charges shall be payable to City at the same place and the same manner as the Base Rent and Percentage Rent are payable. City shall have the same remedies for a default in the payment of any Additional Charges as for a default in the payment of Base Rent or Percentage Rent. As used in this Lease, the term "Rent" shall include the Base Rent, Percentage Rent, Additional Charges and any other amounts Tenant is obligated to pay hereunder, whether or not any such amounts are specifically characterized as rent.

4.4 Late Charges

If Tenant fails to pay any Rent or any portion of Rent within five (5) days following the due date therefor, City shall have the right to require Tenant to pay a late payment charge for such late payment equal to six percent (6%) of the unpaid amount in each instance. The late

payment charge has been agreed upon by City and Tenant, after negotiation, as a reasonable estimate of the additional administrative costs and detriment that City will incur as a result of any such failure by Tenant, the actual costs thereof being extremely difficult if not impossible to determine. The late payment charge constitutes liquidated damages to compensate City for its damages resulting from such failure to pay and shall be paid to City together with such unpaid amount.

4.5 Default Interest

If any Rent or any portion of Rent is not paid within five (5) days following the due date therefor, City shall have the right to require Tenant to pay interest on such amount from the due date until paid at the rate of ten percent (10%) per year or, if a higher rate is legally permissible, at the highest rate an individual is permitted to charge under law (the "Interest Rate"). However, interest shall not be payable on late charges incurred by Tenant nor on any amounts on which late charges are paid by Tenant to the extent this interest would cause the total interest to be in excess of that which an individual is lawfully permitted to charge. Payment of interest shall not excuse or cure any default by Tenant.

4.5 Payments

All sums payable by Tenant to City hereunder shall be paid in cash or by good (cashier's or certified) check to the City and County of San Francisco in care of the Director of Property at the primary address for City specified in the Basic Lease Information, or such other place as City may designate in writing. If Tenant pays by check and such check is not honored, then City may require Tenant to make all future payments in cash or by cashier's check.

5. USE

5.1 Approved Use

Between the Effective Date and the Rent Commencement Date, Tenant shall only use the Premises to perform the Tenant Improvements and to install Tenant's Personal Property (as defined in Section 7.3 below) and for no other purpose unless approved in writing by the City's Director of Property in consultation with the Director of OEWD. Following the Rent Commencement Date, Tenant shall use and continuously occupy the Premises solely for the operation of a restaurant, bar, and/or food market hall and any other purpose approved in advance and in writing by the City's Director of Property in consultation with the Director of OEWD, all of which shall be in compliance with all applicable laws.

5.2 No Unlawful Uses, Nuisances or Waste

Without limiting the foregoing, Tenant shall not use, occupy or permit the use or occupancy of any of the Premises in any unlawful manner or for any illegal purpose, or permit any offensive, noisy or hazardous use or any waste on or about the Premises. Tenant shall take all precautions to eliminate any nuisances or hazards relating to its activities on or about the Premises. Tenant shall not conduct any business, place any sales display, or advertise in any manner in areas outside the Building except identification signs in a location and size and design approved by City in its sole discretion.

5.3 Prevailing Wages for Certain Uses

Tenant shall pay, and shall require its subtenants, and contractors and subcontractors (regardless of tier) to pay, prevailing wages, including fringe benefits or the matching equivalents thereof, to persons performing services for the following activity on the Premises as set forth in and to the extent required by San Francisco Administrative Code Chapter 21C: a Public Off-Street Parking Lot, Garage or Automobile Storage Facility (as defined in Section

21C.3), a Show (as defined in Section 21C.4), a Trade Show and Special Event (as defined in Section 21C.8), and Broadcast Services (as defined in Section 21C.9), Commercial Vehicles, Loading and Unloading for Shows and Special Events (as defined in Section 21C.10), and Security Guard Services for Events (as defined in Section 21C.11).

If Tenant, or its subtenants, contractors, and subcontractors fail to comply with the applicable obligations in San Francisco Administrative Code Chapter 21C, City shall have all available remedies set forth in Chapter 21C and the remedies set forth in this Lease. City may inspect and/or audit any workplace, job site, books and records pertaining to the applicable services and may interview any individual who provides, or has provided, such services. Tenant shall provide to City (and require any subtenant, contractor or subcontractor who maintains such records to provide to City) immediate access to all workers' time sheets, payroll records, and paychecks for inspection on request to the extent they relate to such services.

- The types of covered services related to a Show includes individuals engaged in theatrical or technical services, including rigging, sound, projection, theatrical lighting, videos, computers, draping, carpentry, special effects, and motion picture services.
- The types of covered services related to a Special Event includes individuals engaged in on-site installation, set-up, assembly, and dismantling of temporary exhibits, displays, booths, modular systems, signage, drapery, specialty furniture, floor coverings, and decorative materials in connection with trade shows, conventions, expositions, and other special events on City property.
- The types of covered services related to Broadcast Services includes individuals engaged in the electronic capture and/or live transmission of on-site video, digital, and/or video content for commercial purposes through the use of a remote production or satellite trust on-site, including any technical director, video controller, assistant director, and stage manager, and individuals engaged in audio, camera, capture and playback, graphics and utility functions.

6. TENANT IMPROVEMENTS

6.1 Tenant Improvement Work

City hereby approves the initial plans and specifications dated November 7, 2018 prepared by LMNOP Design Inc., Tenant's architect, copies of which are attached hereto as Exhibit E, for the construction and installation of the tenant improvements at the Premises (such work is referred to as the "Tenant Improvement Work" or "Tenant Improvements" and such plans and specifications are referred to as the "Plans"). Tenant shall cause the Tenant Improvement Work to be performed in accordance with the approved Plans, the standards contained in Section 7.1 (Tenant's Alterations) below, and the requirements of the Work Letter. Tenant shall be responsible, at no cost to City, for performing the Tenant Improvement Work and for obtaining all permits and licenses required in connection with the Tenant Improvements; provided, however, that City shall reimburse Tenant up to \$1,465,000 ("Allowance") for the Tenant Improvement Work construction costs incurred by Tenant on the conditions specified in the Work Letter. No Tenant Improvement Work shall commence in the Premises unless and until the Work Letter is fully executed and this Lease is approved by the City's Board of Supervisors and Mayor as further provided herein and is fully executed. Tenant shall not make any material change to the Plans or consent to any change order during the course of construction without first obtaining City's written approval.

Tenant shall ensure that all work is performed in a manner that does not obstruct access to or through the Building or interfere with the Fire and Alarm System Maintenance or the Permitted Uses. Upon completion of the Tenant Improvements, Tenant shall furnish City with a

copy of the final as-built plans and specifications. No approval by City or any of its Agents of the Plans, any changes thereto or of any Alterations for purposes of this Lease shall be deemed to constitute approval of any federal, state or local regulatory authority with jurisdiction over the Premises or Tenant's use hereunder (including City acting in its regulatory capacity), and nothing herein shall limit Tenant's obligation to obtain all such regulatory approvals at no cost to the City. If any Tenant Improvements would be visible from the exterior of the Building, Tenant, shall obtain the prior written approval of City's Arts Commission to the extent the Arts Commission has jurisdiction over the design of such proposed component under City's Charter Section 5.103.

6.2 Local Hiring Requirements

Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.62 (the "Local Hiring Requirements"). Tenant Improvements and Alterations (as defined in Section 7.1) are subject to the Local Hiring Requirements unless the cost for such work is (i) estimated to be less than \$750,000 per building permit or (ii) meets any of the other exemptions in the Local Hiring Requirements. Tenant agrees that it shall comply with the Local Hiring Requirements to the extent applicable. Before starting any Tenant Improvement Work or any Alteration, Tenant shall contact OEWD to verify if the Local Hiring Requirements apply to the work (i.e., whether the work is a "Covered Project").

Tenant shall include, and shall require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each such contract shall name the City and County of San Francisco as a third party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant shall cooperate, and require its subtenants to cooperate, with the City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Tenant's failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor's or subcontractor's failure to comply with this Section will enable the City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

6.3 Prevailing Wages and Working Conditions

Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.61. Tenant shall require its Contractors and Subcontractors performing (i) labor in connection with a "public work" as defined under California Labor Code Section 1720 *et seq.* (which includes certain construction, alteration, maintenance, demolition, installation, repair, carpet laying, or refuse hauling work if paid for in whole or part out of public funds) or (ii) Covered Construction, at the Premises to (1) pay workers performing such work not less than the Prevailing Rate of Wages, (2) provide the same hours, working conditions and benefits as in each case are provided for similar work performed in San Francisco County, and (3) employ Apprentices in accordance with San Francisco Administrative Code Section 23.61 (collectively, "Prevailing Wage Requirements"). Tenant agrees to cooperate with the City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements.

Tenant shall include, and shall require its subtenants, and Contractors and Subcontractors (regardless of tier), to include the Prevailing Wage Requirements and the agreement to cooperate in City enforcement actions in any Construction Contract with specific reference to San Francisco Administrative Code Section 23.61. Each such Construction Contract shall name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any

Contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Tenant's failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A Contractor's or Subcontractor's failure to comply with this Section will enable the City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party. For the current Prevailing Rate of Wages, see www.sfgov.org/olse or call the City's Office of Labor Standards Enforcement at 415-554-6235.

Tenant shall also pay, and shall require its subtenants, and Contractors and Subcontractors (regardless of tier) to pay, the Prevailing Rate of Wage for the following activities on the Premises as set forth in and to the extent required by San Francisco Administrative Code Chapter 21C: a Public Off-Street Parking Lot, Garage or Automobile Storage Facility (as defined in Section 21C.3), a Show (as defined in Section 21C.4), a Special Event (as defined in Section 21C.8), Broadcast Services (as defined in Section 21C.9), Commercial Vehicles, Loading and Unloading for Shows and Special Events (as defined in Section 21C.10), and Security Guard Services for Events (as defined in Section 21C.11).

6.4 Construction Insurance; Performance and Payment Bond

Prior to commencing the Tenant Improvement Work, Tenant shall comply with the insurance requirements in Section 19.1(b) below and, at least five (5) business days prior to commencing any of the Tenant Improvement Work, Tenant shall provide, at its sole cost and expense, to City (i) a corporate surety payment bond and a performance bond substantially in the form attached hereto as Exhibit F and obtained by each of Tenant's contractors performing any of the Tenant Improvement Work, or (ii) a financial guarantee, in a form approved by City in its sole discretion, from a third party with liquid assets in an amount of no less than one hundred twenty-five percent (125%) of the cost of the Tenant Improvement Work. Each bond shall be in an amount equal to one hundred percent (100%) of the estimated costs of the Tenant Improvement Work. Each performance bond shall guarantee the contractor's faithful performance of its contract(s) with Tenant. Each payment bond shall guarantee the contractor's payment of labor, materials, supplies and equipment used in the performance of its contract(s) with Tenant. The bonds are intended to help protect City against any liability for mechanics' and materialmen's liens, stop notices and to ensure completion of the work. Corporate sureties issuing these bonds shall be legally authorized to engage in the business of furnishing surety bonds in the State of California. All sureties shall have a current A.M. Best Rating of not less than A-, VIII. Each corporate surety bond shall obligate the surety to Tenant and the City and County of San Francisco as co-obligees.

6.5 Delay in Completion of Tenant Improvement Work

If City's Department of Building Inspection does not issue a temporary certificate of completion for the Tenant Improvements on or before (i) the eighteen (18) month anniversary of the Effective Date for any reason under Tenant's reasonable control, or (ii) the twenty-fourth (24th) month anniversary of the Effective Date for any reason, City shall have the right, at its sole election, to terminate this Lease by delivering written notice of such termination to Tenant at any time prior to such issuance of such temporary certificate of completion. If City timely delivers such termination notice to Tenant, the effective date of termination shall be the date specified in such notice.

7. ALTERATIONS

7.1 Tenant's Alterations

(a) General

Tenant shall not make or permit any alterations to the Building or to the heating, ventilating, air conditioning, plumbing, electrical, fire protection, life safety, security and other

mechanical, electrical, communications systems of the Building ("Building Systems"), and shall not make or permit any alterations, installations, additions or improvements, structural or otherwise (collectively, with the Tenant Improvements, "Alterations"), in, to or about the Premises, without City's prior written consent in each instance. All Alterations shall be done at Tenant's expense in accordance with plans and specifications approved by City, only by duly licensed and bonded contractors or mechanics approved by City, and subject to any conditions that City may reasonably impose, including, but not limited to, requiring a performance bond with respect to the performance of such Alterations, requiring such contractors or mechanics to indemnify City with respect to Claims (as defined in Section 18.2) with respect to the Premises or such Alteration, and/or requiring the insurance described in Section 19.1(b). If any Alterations would be visible from the exterior of the Building, Tenant, shall obtain the prior written approval of City's Arts Commission to the extent the Arts Commission has jurisdiction over the design of such proposed alterations under City's Charter Section 5.103.

(b) Asbestos

Without limiting Section 26.2 (No Hazardous Materials) below, in the event that asbestos-containing materials ("ACM") are determined to exist in or about the Premises, Tenant shall ensure that all Alterations and any asbestos related work, as defined in California Health & Safety Code Section 25914.1(b), is performed in compliance with all laws relating to asbestos, including but not limited to California Occupational Safety and Health (OSHA) regulations found in Title 8 of the California Code of Regulations, Sections 1502 and 1529. Additionally, Tenant shall distribute notifications to all employees and contractors as required pursuant to California Health & Safety Code Section 25915 et seq. informing them of the existence of ACM and that moving, drilling, boring, or otherwise disturbing ACM may present a health risk and should not be attempted by an unqualified employee. No Alterations affecting ACM-containing areas or any asbestos related work shall be performed without City's prior written consent in each instance.

(c) Prevailing Wage and Local Hiring Requirements

Tenant and its subtenants shall comply with the applicable requirements of Section 6.2 (Local Hiring Requirements) and Section 6.3 (Prevailing Wages and Working Conditions) above in the performance of any Alterations.

(d) Tenant's Improvements or Alterations that Disturb or Remove Lead-Based Paint

Tenant, on behalf of itself and its Agents or Invitees, shall comply with all requirements of the San Francisco Building Code, Section 3407, and all other applicable present or future federal, state, local and administrative laws, rules, regulations, orders and other governmental requirements, the requirements of any board of fire underwriters or other similar body, any directive or occupancy certificate issued pursuant to any law by any public officer or officers acting in their regulatory capacity (collectively, "Laws"), including, without limitation, the California and United States Occupational Health and Safety Acts and their implementing regulations, when the work of improvement or alteration disturbs or removes exterior lead-based or "presumed" lead-based paint (as defined below). Tenant and its Agents or Invitees shall give to City three (3) business days' prior written notice of any disturbance or removal of exterior lead-based or presumed lead-based paint. Further, Tenant and its Agents or Invitees, when disturbing or removing exterior lead-based or presumed lead-based paint, shall not use or cause to be used any of the following methods: (a) acetylene or propane burning and torching; (b) scraping, sanding or grinding without containment barriers or a High Efficiency Particulate Air filter ("HEPA") local vacuum exhaust tool; (c) hydroblasting or high-pressure wash without containment barriers; (d) abrasive blasting or sandblasting without containment barriers or a HEPA vacuum exhaust tool; and (e) heat guns operating above 1,100 degrees Fahrenheit. Paint on the exterior of buildings built before December 31, 1978, is presumed to be lead-based paint

unless lead-based paint testing, as defined in Section 3407 of the San Francisco Building Code, demonstrates an absence of lead-based paint on the exterior surfaces of such buildings. Under this Section, lead-based paint is "disturbed or removed" if the work of improvement or alteration involves any action that creates friction, pressure, heat or a chemical reaction upon any lead-based or presumed lead-based paint on an exterior surface so as to abrade, loosen, penetrate, cut through or eliminate paint from that surface. Notice to City under this Lease shall not constitute notice to the City's Department of Building Inspection required under Section 3407 of the San Francisco Building Code.

(e) Design Principles

Tenant shall ensure the Tenant Improvement Work and all Alterations result in a creative and adaptive reuse of an existing space and shall design with Crime Prevention Through Environmental Design (CPTED) principles in mind. Whenever possible, Tenant's design decisions for the Tenant Improvement Work and any Alterations shall reflect those principles.

7.2 Title to Improvements

Except for Tenant's Personal Property or as may be specifically provided to the contrary in the approved Plans, all appurtenances, fixtures, improvements, equipment, additions, and other property attached or affixed to or installed in the Premises during the Term, including, without limitation, the Tenant Improvements and any Alterations, shall be and remain City's property. Tenant may not remove any such property at any time during or after the Term unless City so requests as further provided in Section 24 (Surrender of Premises) below.

7.3 Tenant's Personal Property

All furniture, trade fixtures, office equipment and articles of movable personal property installed in the Premises by or for the account of Tenant, without expense to City, and that can be removed without structural or other damage to the Premises (collectively, "Tenant's Personal Property") shall be and remain Tenant's property. Tenant may remove Tenant's Personal Property at any time during the Term, subject to the provisions of Section 24 (Surrender of Premises) below. Tenant shall pay any taxes or other impositions levied or assessed upon Tenant's Personal Property, at least ten (10) days prior to delinquency, and shall deliver satisfactory evidence of such payment to City upon request.

7.4 City's Alterations of the Building and Building Systems

City reserves the right at any time to make alterations, additions, repairs, deletions or improvements to any part of the Building or the Building Systems, provided that any such alterations or additions shall not materially adversely affect the functional utilization of the Premises for the uses permitted hereunder.

8. REPAIRS AND MAINTENANCE

8.1 City's Repairs

Except for providing the Fire and Alarm System Maintenance (as defined in Section 10.1), City shall have no obligation to repair and maintain any portion of the Premises, including, but not limited to, the structural or non-structural portions of the Building, any Building Systems and the sidewalks and curbs at the Premises, except to the extent damaged by any act or omission of Landlord or its Agents (as defined in Section 27.5 (Parties and Their Agents; Approvals) below) at the Premises or under this Lease. For the purpose of making any such repairs of damage caused by the act or omission of Landlord or its Agents, City may use structures in the Premises where reasonably required by the character of the work to be performed, provided that such work shall not unreasonably interfere with Tenant's business.

Tenant waives any claim for damages for any injury or inconvenience to or interference with Tenant's business, any loss of occupancy or quiet enjoyment of the Premises or any other loss occasioned thereby.

8.2 Tenant's Repairs

Tenant shall maintain, at no expense to City, the Premises (including, without limitation, the floors, roof, walls, exterior, interior, plumbing, electrical wiring, fixtures, and equipment) in good repair and working order and in a clean, secure, safe and sanitary condition. Tenant shall promptly make all repairs and replacements: **(a)** at no cost to the City, **(b)** by licensed contractors or qualified mechanics approved by City, **(c)** so that the same shall be at least equal in quality, value and utility to the original work or installation, **(d)** in a manner and using equipment and materials that will not interfere with or impair the operations, use or occupation of the Building or the Building Systems, and **(e)** in accordance with any applicable Building Rules and Regulations (as defined in Section 22 (Rules and Regulations)) and all applicable laws, rules and regulations. Notwithstanding the foregoing, Tenant shall not be required to correct any construction defects in the Building or the Premises in existence as of the Effective Date (an "Existing Defect"). If there is an Existing Defect that materially interferes with the Permitted Uses or threatens public health or safety, Tenant and City shall each have the right to terminate this Lease by delivering no less than thirty (30) days' written notice of such termination to the other party. Tenant hereby waives all rights to make repairs at City's expense under Sections 1941 and 1942 of the California Civil Code or under any similar law, statute or ordinance now or hereafter in effect.

9. LIENS AND ENCUMBRANCES

9.1 Liens

Tenant shall keep the Premises free from any liens arising out of any work performed, material furnished or obligations incurred by or for Tenant. In the event Tenant does not, within five (5) days following the imposition of any such lien, cause the lien to be released of record by payment or posting of a proper bond, City shall have, in addition to all other remedies, the right, but not the obligation, to cause the lien to be released by such means as it shall deem proper, including, but not limited to, payment of the claim giving rise to such lien. All such sums paid by City and all expenses incurred by it in connection therewith (including, without limitation, reasonable attorneys' fees) shall be payable to City by Tenant upon demand. City shall have the right to post on the Premises any notices that City may deem proper for the protection of City, the Premises, and the Building, from mechanics' and material supplier's liens. Tenant shall give to City at least fifteen (15) days' prior written notice of commencement of any Alteration, repair or construction on the Premises. Tenant agrees to indemnify, defend and hold City and its Agents harmless from and against any claims for mechanic's, material supplier's or other liens in connection with any Alterations, repairs or construction on the Premises, or materials furnished or obligations incurred by or for Tenant.

9.2 Encumbrances

Tenant shall not create, permit or suffer any liens or encumbrances affecting any portion of the Premises or City's interest therein or under this Lease.

10. UTILITIES AND SERVICES

10.1 Utilities and Services

City shall provide (i) the utilities described in the attached Exhibit G (the "Standard Utilities") to the Building, subject to the terms and conditions contained therein, and (ii) the basic Building fire sprinkler system and alarm system maintenance (the "Fire and Alarm System

Maintenance") described in the agreements listed in the attached Exhibit J (the "Maintenance Agreements"), subject to the terms and conditions contained therein. Tenant shall pay City, as additional rent, an amount equal to such the City's cost to provide the Standard Utilities and the Fire and Alarm System Maintenance within thirty (30) days of receiving City's invoice therefor. Any City failure to bill Tenant for such costs shall not impair City's right to bill Tenant for such costs at a later date.

Notwithstanding anything to the contrary in the foregoing paragraph, if Tenant reasonably determines the Building fire sprinkler system and/or alarm system must be improved to comply with any applicable laws or meet reasonable and applicable commercial standards, City shall have no obligation to provide Fire and Alarm System Maintenance to such system during the period it is being improved. Tenant shall deliver no less than thirty (30) days' prior written notice to City of any removal or improvement to the Building fire sprinkler system and Tenant shall coordinate with City's Fire and Alarm System Maintenance contractors as may be required in the Maintenance Agreements.

Tenant shall be responsible for furnishing, at Tenant's sole cost, any utilities or services other than or in excess of the Standard Utilities and Fire and Alarm System Maintenance that Tenant may need or desire for its use of the Premises, and for performing all necessary repairs or replacements to the Building fire sprinkler system and alarm system.

10.2 Water and Energy Conservation; Mandatory or Voluntary Restrictions

In the event any law, ordinance, code or governmental or regulatory guideline imposes mandatory or voluntary controls on City or the Premises or any part thereof, relating to the use or conservation of energy, water, gas, light or electricity or the reduction of automobile or other emissions, or the provision of any other utility or service provided with respect to this Lease, or in the event City is required or elects to make alterations to any part of the Building in order to comply with such mandatory or voluntary controls or guidelines, such compliance and the making of such alterations shall in no event entitle Tenant to any damages, relieve Tenant of the obligation to pay the full Base Rent, Percentage Rent, and Additional Charges reserved hereunder or to perform each of its other covenants hereunder or constitute or be construed as a constructive or other eviction of Tenant. City shall have the right at any time to install a water meter in the Premises or otherwise to measure the amount of water consumed on the Premises, and the cost of such meter or other corrective measures and the installation and maintenance thereof shall be paid for by Tenant.

10.3 Excess Use

Tenant shall not: (a) connect or use any apparatus, device or equipment that will impair the proper functioning or capacity of the Building Systems; or (b) connect any apparatus, device or equipment through electrical outlets except in the manner for which such outlets are designed and without the use of any device intended to increase the plug capacity of any electrical outlet; or (c) maintain at any time an electrical demand load in excess of any amount specified therefor in the Rules and Regulations. If at any time during the Term City has reason to believe that Tenant may be using any utility in excess of the amount therefor allowed to the Premises pursuant to the Standard Utilities, City shall have the right to install a separate meter in the Premises or to take other appropriate steps to measure the amount of utility or service used in the Premises, and the cost of such meter and all corrective measures, and the installation and maintenance thereof, shall be paid for by Tenant.

10.4 Floor Load

Without City's prior written consent, which City may give or refuse in its sole discretion, Tenant shall not place or install in the Building any equipment that weighs in excess of the normal load-bearing capacity of the floors of the Building. If City consents to the placement or

installation of any such machine or equipment in the Building, Tenant, at no cost to the City, shall reinforce the floor of the Building, pursuant to plans and specifications approved by City and otherwise in compliance with Section 7.1 (Tenant's Alterations), to the extent necessary to assure that no damage to the Building or weakening of any structural supports will be occasioned thereby.

10.5 Interruption of Services

City's obligation to provide the Standard Utilities and Fire and Alarm System Maintenance for the Premises are subject to the Rules and Regulations of the Building, applicable Legal Requirements (as defined below) (including the rules or actions of the public utility company furnishing the utility or service), and shutdowns for maintenance and repairs, for security purposes, or due to strikes, lockouts, labor disputes, fire or other casualty, acts of God, or other causes beyond the control of City. In the event of an interruption in, or failure or inability to provide any service or utility for the Premises for any reason, such interruption, failure or inability shall not constitute an eviction of Tenant, constructive or otherwise, or impose upon City any liability whatsoever, including, but not limited to, liability for consequential damages or loss of business by Tenant; provided, however, that if such interruption, failure or inability impairs Tenant's ability to carry on its business in the Premises for a period of five (5) or more consecutive business days, then Tenant shall have the right, as Tenant's sole remedy, to abate the Rent based on the extent such interruption, failure or inability impairs Tenant's ability to carry on its business in the Premises. Tenant hereby waives the provisions of California Civil Code Section 1932(1) or any other applicable existing or future Legal Requirement permitting the termination of this Lease due to such interruption, failure or inability.

11. COMPLIANCE WITH LAWS AND RISK MANAGEMENT REQUIREMENTS

11.1 Compliance with Laws

Tenant shall promptly comply, at no cost to the City, with all present or future laws, ordinance, resolution, regulation, requirement, proclamation, order or decree of any municipal, county, state or federal government or other governmental or regulatory authority relating to the Premises or the use or occupancy thereof (the "Legal Requirements") and with any and all recorded covenants, conditions and restrictions affecting the Premises or any portion thereof, whether in effect at the time of the execution of this Lease or adopted or recorded at any time thereafter and whether or not within the present contemplation of the parties. Tenant further understands and agrees that it is Tenant's obligation, at no cost to the City, to cause the Premises and Tenant's uses thereof to be conducted in compliance with the Americans with Disabilities Act, 42 U.S.C. Section 12101 et seq. and any other applicable disability access laws. Tenant shall not be required to make any structural Alterations or Alterations to the Building Systems in order to comply with such laws unless such Alterations shall be occasioned, in whole or in part, directly or indirectly, by the Tenant Improvements or any other Alterations, Tenant's use of the Premises, or any act or omission of Tenant, its Agents or Invitees. Any Alteration made by or on behalf of Tenant pursuant to the provisions of this Section shall comply with the provisions of Section 8.2 (Tenant's Repairs) above. The parties acknowledge and agree that Tenant's obligation to comply with all Legal Requirements as provided herein is a material part of the bargained for consideration under this Lease. Tenant's obligation under this Section shall include, when applicable and without limitation, the responsibility of Tenant to make substantial or structural repairs and Alterations to the Premises (including any of the Tenant Improvements or any of Tenant's Alterations), regardless of, among other factors, the relationship of the cost of curative action to the Rent under this Lease, the length of the then remaining Term hereof, the relative benefit of the repairs to Tenant or City, the degree to which the curative action may interfere with Tenant's use or enjoyment of the Premises, the likelihood that the parties contemplated the particular Legal Requirement involved, and whether the Legal Requirement involved is related to Tenant's particular use of the Premises.

11.2 Regulatory Approvals

(a) Responsible Party

Tenant understands and agrees that Tenant's use of the Premises and construction of the Tenant Improvements permitted hereunder may require authorizations, approvals or permits from governmental regulatory agencies with jurisdiction over the Premises, including, without limitation, City agencies. Tenant shall be solely responsible for obtaining any and all such regulatory approvals. Tenant shall not seek any regulatory approval without first obtaining the written consent of City under this Lease. Tenant shall bear all costs associated with applying for and obtaining any necessary or appropriate regulatory approval and shall be solely responsible for satisfying any and all conditions imposed by regulatory agencies as part of a regulatory approval; provided, however, any such condition that could affect use or occupancy of the Premises or City's interest therein must first be approved by City in its sole discretion. Any fines or penalties levied as a result of Tenant's failure to comply with the terms and conditions of any regulatory approval shall be immediately paid and discharged by Tenant, and City shall have no liability, monetary or otherwise, for any such fines or penalties. Tenant shall Indemnify City and the other Indemnified Parties (as such terms are defined in Section 18.2 (Tenant's Indemnity) below) hereunder against all Claims arising in connection with Tenant's failure to obtain or failure by Tenant, its Agents or Invitees to comply with the terms and conditions of any regulatory approval.

(b) City Acting as Owner of Real Property

Tenant further understands and agrees that City is entering into this Lease in its capacity as a property owner with a proprietary interest in the Premises and not as a regulatory agency with police powers. Nothing in this Lease shall limit in any way Tenant's obligation to obtain any required approvals from City officials, departments, boards or commissions having jurisdiction over the Premises. By entering into this Lease, City is in no way modifying or limiting Tenant's obligation to cause the Premises to be used and occupied in accordance with all applicable laws, as provided further above.

11.3 Compliance with City's Risk Management Requirements

Tenant shall not do anything, or permit anything to be done, in or about the Premises which would be prohibited by or increase rates under a standard form fire insurance policy or subject City to potential premises liability. Tenant shall faithfully observe, at no cost to the City, any and all requirements of City's Risk Manager with respect to Tenant's use and occupancy of the Premises, so long as such requirements do not unreasonably interfere with Tenant's use of the Premises or are otherwise connected with standard prudent commercial practices of other landlords.

12. SUBORDINATION

This Lease is and shall be subordinate to the Access Easements and any other easements, ground lease, facilities lease or other underlying lease and the lien of any mortgage or deed of trust and all renewals, modifications, consolidations, replacements and extensions of any of the foregoing, that may now exist or hereafter be executed by City affecting the Premises, or any part thereof or City's interest therein (each, a "Priority Document"), without the necessity of executing any instrument to effectuate such subordination if such Priority Document is executed before the Effective Date. Tenant shall subordinate this Lease to any Priority Document executed after the Effective Date if Tenant receives a commercially reasonable non-disturbance agreement with respect to such Priority Document. Upon City's request, Tenant, or Tenant's successor-in-interest, shall execute and deliver any and all instruments desired by City evidencing the subordination of this Lease to any Priority Document pursuant to this Section in the manner requested by City. Notwithstanding the foregoing, City or the holder of a Priority

Document shall, in its respective discretion, have the right to subordinate any such interests to this Lease. If any ground lease or underlying lease terminates for any reason or any mortgage or deed of trust is foreclosed or a conveyance in lieu of foreclosure is made for any reason, Tenant shall attorn to the successor-in-interest to City, at the option of such successor-in-interest. The provisions of this Section shall be self-operative and no further instrument shall be required except as otherwise expressly set forth in this Section. Tenant agrees, however, to execute and deliver, upon demand by City and in the form requested by City, any additional documents evidencing the priority or subordination of this Lease (subject to Tenant's receipt of a commercially reasonable non-disturbance agreement with respect to the subordination to any Priority Documents executed after the Effective Date).

13. INABILITY TO PERFORM

No actual or constructive eviction, in whole or in part, shall entitle Tenant to any abatement or diminution of Rent or relieve Tenant from any of its obligations under this Lease. If City is unable to perform or is delayed in performing any of City's obligations under this Lease, by reason of acts of God, accidents, breakage, repairs, strikes, lockouts, other labor disputes, protests, riots, demonstrations, inability to obtain utilities or materials or by any other reason beyond City's reasonable control, no such inability or delay shall constitute an eviction under this Lease, or impose any liability upon City or its Agents by reason of inconvenience, annoyance, interruption, injury or loss to or interference with Tenant's business or use and occupancy or quiet enjoyment of the Premises or any loss or damage occasioned thereby. Tenant hereby waives and releases any right to terminate this Lease under Section 1932, subdivision 1 of the California Civil Code or any similar law, statute or ordinance now or hereafter in effect.

14. DAMAGE AND DESTRUCTION

14.1 Damage and Destruction

If the Premises or the Building is damaged by fire or other casualty, then City shall repair the same provided that funds for such repairs are appropriated by City's Board of Supervisors, in its sole discretion, for such purpose and that such repairs can be made within two hundred ten (210) days after the date of such damage (the "Repair Period"). In the event such conditions are satisfied, this Lease shall remain in full force and effect except that Tenant shall be entitled to a proportionate reduction of Base Rent during the period of such repairs based upon the extent to which such damage and the making of such repairs materially interferes with Tenant's use or occupancy of the Premises.

City shall use reasonable efforts to notify Tenant within ninety (90) days after the date of such damage whether or not such repairs can be made within the Repair Period, and City's determination thereof shall be binding on Tenant. If such repairs cannot be made within the Repair Period, City shall have the option to notify Tenant of: **(a)** City's intention to repair such damage and diligently prosecute such repairs to completion within a reasonable period after the Repair Period, subject to the Board of Supervisor's appropriation of all necessary funds, in which event this Lease shall continue in full force and effect and the Base Rent shall be reduced as provided herein; or **(b)** City's election to terminate this Lease as of a date specified in such notice, which date shall be not less than thirty (30) nor more than sixty (60) days after notice is given by City. In case of termination, the Base Rent shall be reduced as provided above, and Tenant shall pay such reduced Base Rent up to the date of termination.

If at any time during the last twelve (12) months of the Term of this Lease, the Premises or the Building is damaged in a manner that cannot be repaired within sixty (60) days or destroyed, then either City or Tenant may terminate this Lease by giving written notice to the other party of its election to do so within thirty (30) days after the date of the occurrence of such damage; provided, however, Tenant may terminate only if such damage or destruction substantially impairs its use or occupancy of the Premises for the uses permitted hereunder. The

effective date of termination shall be specified in the notice of termination, which date shall not be more than thirty (30) days from the date of the notice.

Notwithstanding anything to the contrary in this Lease, City shall have no obligation to repair the Premises or the Building in the event the damage or destruction is attributable to any act or omission of Tenant, its Agents or Invitees. In no event shall City be required to repair any damage to Tenant's Personal Property or any paneling, decorations, railings, floor coverings, or any Tenant Improvements or Alterations installed or made on the Premises by or at the expense of Tenant. In the event the Premises or the Building is substantially damaged or destroyed and City intends to rebuild for public purposes inconsistent with this Lease, City may terminate this Lease upon written notice to Tenant.

14.2 Waiver

City and Tenant intend that the provisions of this Section govern fully in the event of any damage or destruction and accordingly, City and Tenant each hereby waives the provisions of Section 1932, subdivision 2, Section 1933, subdivision 4 and Sections 1941 and 1942, of the Civil Code of California or under any similar law, statute or ordinance now or hereafter in effect.

15. EMINENT DOMAIN

15.1 Definitions

(a) "Taking" means a taking or damaging, including severance damage, by eminent domain, inverse condemnation or for any public or quasi-public use under law. A Taking may occur pursuant to the recording of a final order of condemnation, or by voluntary sale or conveyance in lieu of condemnation or in settlement of a condemnation action.

(b) "Date of Taking" means the earlier of (i) the date upon which title to the portion of the Premises taken passes to and vests in the condemnor or (ii) the date on which Tenant is dispossessed.

(c) "Award" means all compensation, sums or anything of value paid, awarded or received for a Taking, whether pursuant to judgment, agreement, settlement or otherwise.

(d) "Improvements Pertaining to the Realty" means machinery or equipment installed for use on the Premises that cannot be removed without a substantial economic loss or without substantial damage to the property on which it is installed, regardless of the method of installation. In determining whether particular property can be removed "without a substantial economic loss," the value of the machinery or equipment in place and considered as part of the realty should be compared with its value if it were removed and sold.

15.2 General

If during the Term there is any Taking of all or any part of the Premises or any interest in this Lease, the rights and obligations of the parties hereunder shall be determined pursuant to this Section. City and Tenant intend that the provisions hereof govern fully in the event of a Taking and accordingly, the parties each hereby waive any right to terminate this Lease in whole or in part under Sections 1265.110, 1265.120, 1265.130 and 1265.140 of the California Code of Civil Procedure or under any similar law now or hereafter in effect.

15.3 Total Taking; Automatic Termination

If there is a total Taking of the Premises, then this Lease shall terminate as of the Date of Taking.

15.4 Partial Taking; Election to Terminate

(a) If there is a Taking of any portion (but less than all) of the Premises, then this Lease shall terminate in its entirety under either of the following circumstances: (i) if all of the following exist: (A) the partial Taking renders the remaining portion of the Premises untenable or unsuitable for continued use by Tenant, (B) the condition rendering the Premises untenable or unsuitable either is not curable or is curable but City is unwilling or unable to cure such condition, and (C) Tenant elects to terminate; or (ii) if City elects to terminate; provided, however, that this Lease shall not terminate if Tenant agrees to, and does, pay full Rent and Additional Charges, without abatement, and otherwise agrees to, and does, fully perform all of its obligations hereunder.

(b) If there is a partial Taking of a substantial portion of the Building but not the Premises, City shall have the right to terminate this Lease in its entirety.

(c) Either party electing to terminate under the provisions of this Section 15 shall do so by giving the other party written notice to the other party before or within thirty (30) days after the Date of Taking, and thereafter this Lease shall terminate upon the later of the thirtieth (30th) day after such written notice is given or the Date of Taking.

15.5 Termination of Lease; Rent and Award

Upon termination of this Lease in its entirety pursuant to Section 15.3 (Total Taking; Automatic Termination), or pursuant to an election under Section 15.4 (Partial Taking, Election to Terminate) above, then: (a) Tenant's obligation to pay Rent shall continue up until the date of termination and thereafter shall cease, and (b) City shall be entitled to the entire Award in connection therewith (including, but not limited to, any portion of the Award made for the value of the leasehold estate created by this Lease and any Improvements Pertaining to the Realty), and Tenant shall have no claim against City for the value of any unexpired term of this Lease, provided that Tenant may make a separate claim for compensation, and Tenant shall receive any Award made specifically to Tenant, for Tenant's relocation expenses or the interruption of or damage to Tenant's business or damage to movable Tenant's Personal Property.

15.6 Partial Taking; Continuation of Lease

If there is a partial Taking of the Premises under circumstances where this Lease is not terminated in its entirety under Section 15.4 (Partial Taking; Election to Terminate) above, then this Lease shall terminate as to the portion of the Premises so taken, but shall remain in full force and effect as to the portion not taken, and the rights and obligations of the parties shall be as follows: (a) Base Rent shall be reduced by an amount that is in the same ratio to the Base Rent as the area of the Premises taken bears to the area of the Premises prior to the Date of Taking; provided, however, in no event shall the monthly Base Rent be reduced to less than seventy-five percent (75%) of the monthly Base Rent immediately prior to the Date of Taking, and (b) City shall be entitled to the entire Award in connection therewith (including, but not limited to, any portion of the Award made for the value of the leasehold estate created by this Lease), and Tenant shall have no claim against City for the value of any unexpired term of this Lease, provided that Tenant may make a separate claim for compensation, and Tenant shall receive any Award made specifically to Tenant, for Tenant's relocation expenses or the interruption of or damage to Tenant's business or damage to movable Tenant's Personal Property.

15.7 Temporary Takings

Notwithstanding anything to contrary in this Section, if a Taking occurs with respect to all or any part of the Premises for a limited period of time not in excess of one hundred eighty (180) consecutive days, this Lease shall remain unaffected thereby, and Tenant shall continue to pay Rent and to perform all of the terms, conditions and covenants of this Lease. In the event of

such temporary Taking, Tenant shall be entitled to receive that portion of any Award representing compensation for the use or occupancy of the Premises during the Term up to the total Rent owing by Tenant for the period of the Taking, and City shall be entitled to receive the balance of any Award.

16. ASSIGNMENT AND SUBLETTING

16.1 Restriction on Assignment and Subletting

Except as otherwise set forth in the following paragraph, Tenant shall not directly or indirectly (including, without limitation, by merger, acquisition or other transfer of any controlling interest in Tenant), voluntarily or by operation of law, sell, assign, encumber, pledge or otherwise transfer any part of its interest in or rights with respect to the Premises or its leasehold estate hereunder (collectively, an "Assignment"), or permit or license any portion of the Premises to be used or occupied by anyone other than itself, or sublet any portion of the Premises (collectively, "Sublease"), without City's prior written consent in each instance, as provided hereinbelow.

Tenant shall have the right to enter into an Assignment or Sublease without obtaining the consent of City to any Tenant's Affiliate (as defined below), provided Tenant gives City written notice of its intent thereof at least fifteen (15) business days before the proposed effective date of such transfer. In addition, City acknowledges that Tenant's intended use of the Premises is as a market hall with multiple small vendors that cultivates low-income food entrepreneurs. Accordingly, Tenant shall have the right to Sublease any or all portions of the Premises to vendors (each, a "Vendor") without obtaining the consent of City; provided, however, that Tenant shall use commercially reasonable efforts to select Vendors that are low-income, local businesses, and shall charge commercially reasonable rates to Vendors that are reasonably capable of paying them.

As used in this Section, the term "Tenant's Affiliate" shall mean, any of the following: (a) any person or entity owning, directly or indirectly, fifty percent (50%) or more of the ownership interests of Tenant (an "Owning Person"), (b) any entity, fifty percent (50%) or more of the ownership interests of which are owned, directly or indirectly, by any Owning Person, (c) any entity, fifty percent (50%) or more of the ownership interests of which are owned, directly or indirectly, by Tenant.

16.2 Notice of Proposed Transfer

If Tenant desires to enter into an Assignment or a Sublease that requires City's consent pursuant to Section 16.1 above, it shall give written notice (a "Notice of Proposed Transfer") to City of its intention to do so. The Notice of Proposed Transfer shall identify the proposed transferee and state the terms and conditions of the proposed Assignment or Sublease. Tenant shall deliver to City with its request for City's consent the proposed Assignment or Sublease and current financial statements of the proposed transferee, prepared by an independent certified public accountant, and promptly upon City's request for same, any additional documents or information reasonably related to the proposed transaction or transferee.

16.3 City's Response

Within twenty (20) business days after City's receipt of the Notice of Proposed Transfer (the "Response Period"), City may elect, by written notice to Tenant, to: (a) sublease the portion of the Premises specified in the Notice of Proposed Transfer on the terms and conditions set forth in such notice, except as otherwise provided in Section 16.4 (Sublease or Recapture Space), or (b) terminate this Lease as to the portion (including all) of the Premises that is specified in the Notice of Proposed Transfer, with a proportionate reduction in Base Rent (a "Recapture").

If City declines to exercise either of its options provided above, then Tenant shall have ninety (90) days following the earlier of (i) City's notice that it will not elect either such option or (ii) the expiration of the Response Period, to enter into such Assignment or Sublease, subject to City's prior written approval of the proposed assignee or subtenant (each, a "Transferee") and the terms and conditions of the proposed Sublease or Assignment. However, one hundred percent (100%) of any rent or other consideration realized by Tenant under any such Assignment or Sublease in excess of the Base Rent and Additional Charges payable hereunder (or the amount thereof proportionate to the portion of the Premises subject to such Sublease or Recapture) shall be paid to City, after Tenant has recovered any reasonable brokers' commissions and the reasonable cost of any leasehold improvements that Tenant has incurred in connection with such Sublease or Recapture. Tenant shall provide City with such information regarding the proposed Transferee and the Assignment or Sublease as City may reasonably request. City agrees that it will not unreasonably withhold its approval of any proposed Transferee.

If after City declines to exercise any of the foregoing options Tenant desires to enter into such Assignment or Sublease (A) on terms and conditions materially more favorable to Tenant than those contained in the Notice of Proposed Transfer or (B) with a Transferee that is currently a tenant or other occupant of the Building, then Tenant shall give City a new Notice of Proposed Transfer, which notice shall state the terms and conditions of such Assignment or Sublease and identify the proposed Transferee, and City shall again be entitled to elect one of the options provided in clauses (a) and (b) at any time within twenty (20) business days after City's receipt of such new Notice of Proposed Transfer.

In the event City elects either of the options provided in clauses (a) or (b), City shall be entitled to enter into a lease, sublease or assignment agreement with respect to the Premises (or portion thereof specified in such new Notice of Proposed Transfer) with the proposed Transferee identified in Tenant's notice.

Notwithstanding the foregoing, if any event of default by Tenant is outstanding hereunder at the time of Tenant's Notice of Proposed Transfer (or if any event shall have occurred which with the giving of notice or the passage of time or both would constitute such a default), then City may elect by notice to Tenant to refuse to consent to Tenant's proposed Transfer and pursue any of its right or remedies hereunder or at law or in equity.

16.4 Sublease or Recapture Space

If City elects to Sublease or Recapture from Tenant as described in Section 16.3 (City's Response) the following shall apply:

(a) In the case of a Sublease, (i) City shall have the right to use the portion of the Premises covered by the Notice of Proposed Transfer (the "Sublease Space") for any legal purpose, (ii) the rent payable by City to Tenant shall be the lesser of (A) the amount in the Notice of Proposed Transfer or (B) the Base Rent payable by Tenant under this Lease at the time of the Sublease (or the amount thereof proportionate to the Sublease Space if for less than the entire Premises), (iii) City may make alterations and improvements to the Sublease Space and may remove any such alterations or improvements, in whole or in part, prior to or upon the expiration of the Sublease, provided that City shall repair any damage or injury to the Sublease Space caused by such removal, (iv) City shall have the right to further sublease or assign the Sublease Space to any party, without the consent of Tenant, and (v) Tenant shall pay to City on demand any costs incurred by City in physically separating the Sublease Space (if less than the entire Premises) from the balance of the Premises and in complying with any applicable laws or regulations relating to such separation.

(b) In the case of Recapture, (i) the portion of the Premises subject to the Recapture (the "Recapture Space") shall be deleted from the Premises for all purposes hereunder, and Tenant and City shall be relieved of all their rights and obligations hereunder with respect to

the Recapture Space except to the extent the same would survive the Expiration Date or other termination of this Lease pursuant to the provisions hereof, and (ii) City shall pay any cost incurred in physically separating the Recapture Space (if less than the entire Premises) from the balance of the Premises and in complying with any applicable governmental laws or regulations relating to such separation.

16.5 Effect of Sublease or Assignment

No Sublease or Assignment by Tenant nor any consent by City thereto shall relieve Tenant, or any guarantor, of any obligation to be performed by Tenant under this Lease. Any Sublease or Assignment not in compliance with this Section shall be void and, at City's option, shall constitute a material default by Tenant under this Lease. The acceptance of any Rent or other payments by City from a proposed Transferee shall not constitute consent to such Sublease or Assignment by City or a recognition of any Transferee, or a waiver by City of any failure of Tenant or other transferor to comply with this Section. If there is an Assignment or Sublease, whether in violation of or in compliance with this Section, in the event of default by any Transferee, Tenant's Affiliate, Vendor, or any successor of Tenant, in the performance or observance of any of the terms of this Lease or any Sublease or Assignment agreement, City may proceed directly against Tenant without the necessity of exhausting remedies against such Transferee, Tenant's Affiliate, Vendor, or successor.

16.6 Assumption by Transferee

Each Transferee (other than City), Tenant's Affiliate, and Vendor shall assume all obligations of Tenant under this Lease and shall be liable jointly and severally with Tenant for the payment of the Base Rent, Percentage Rent, and Additional Charges, and for the performance of all the terms, covenants and conditions to be performed on Tenant's part hereunder. No Assignment shall be binding on City unless Tenant or Transferee has delivered to City a counterpart of the Assignment and an instrument in recordable form that contains a covenant of assumption by such Transferee satisfactory in form and substance to City. However, the failure or refusal of such Transferee to execute such instrument of assumption shall not release such Transferee from its liability as set forth above. Tenant shall reimburse City on demand for any reasonable costs that may be incurred by City in connection with any proposed Sublease or Assignment, including, without limitation, the costs of making investigations as to the acceptability of the proposed Transferee and legal costs incurred in connection with the granting of any requested consent.

16.7 Indemnity for Relocation Benefits

Without limiting Section 16.6 (Assumption by Transferee) above, Tenant shall cause any Transferee, Tenant's Affiliate, and Vendor to expressly waive entitlement to any and all relocation assistance and benefits in connection with this Lease. Tenant shall Indemnify City for any and all Losses arising out of any relocation assistance or benefits payable to any Transferee, Tenant's Affiliate, or Vendor.

17. DEFAULT; REMEDIES

17.1 Events of Default

Any of the following shall constitute an event of default (the "Event of Default") by Tenant hereunder:

(a) a failure to pay Base Rent, Percentage Rent or Additional Charges when due, and such failure continues for three (3) days after the date of written notice by City. However, City shall not be required to provide such notice more than twice during any twelve (12)-month period, and any such failure by Tenant after Tenant has received two (2) such notices

in such twelve (12)-month period shall constitute a default by Tenant hereunder without any further action by City or opportunity of Tenant to cure except as may be required by Section 1161 of the California Code of Civil Procedure;

(b) a failure to comply with any other covenant, condition or representation made under this Lease and such failure continues for fifteen (15) days after the date of written notice by City, provided that if such default is not capable of cure within such fifteen (15)-day period, Tenant shall have a reasonable period to complete such cure if Tenant promptly undertakes action to cure such default within such fifteen (15)-day period and thereafter diligently prosecutes the same to completion within sixty (60) days after the receipt of notice of default from City. City shall not be required to provide such notice more than twice in any twelve (12)-month period with respect to any material non-monetary defaults and after the second notice in any calendar year, any subsequent failure by Tenant during such twelve (12)-month period shall constitute an Event of Default hereunder;

(c) a vacation or abandonment of the Premises for a continuous period in excess of five (5) business days; or

(d) an appointment of a receiver to take possession of all or substantially all of the assets of Tenant, or an assignment by Tenant for the benefit of creditors, or any action taken or suffered by Tenant under any insolvency, bankruptcy, reorganization, moratorium or other debtor relief act or statute, whether now existing or hereafter amended or enacted, if any such receiver, assignment or action is not released, discharged, dismissed or vacated within sixty (60) days.

17.2 Remedies

Upon the occurrence of an Event of Default City shall have the following remedies, which shall not be exclusive but shall be cumulative and shall be in addition to any other remedies now or hereafter allowed by law or in equity:

(a) City may terminate Tenant's right to possession of the Premises at any time by written notice to Tenant. Tenant expressly acknowledges that in the absence of such written notice from City, no other act of City, including, but not limited to, its re-entry into the Premises, its efforts to relet the Premises, its reletting of the Premises for Tenant's account, its storage of Tenant's Personal Property and trade fixtures, its acceptance of keys to the Premises from Tenant, its appointment of a receiver, or its exercise of any other rights and remedies under this Section 17.2 or otherwise at law, shall constitute an acceptance of Tenant's surrender of the Premises or constitute a termination of this Lease or of Tenant's right to possession of the Premises.

Upon such termination in writing of Tenant's right to possession of the Premises, this Lease shall terminate and City shall be entitled to recover damages from Tenant as provided in California Civil Code Section 1951.2 or any other applicable existing or future Legal Requirement providing for recovery of damages for such breach, including but not limited to the following:

- (i) The reasonable cost of recovering the Premises; plus
- (ii) The reasonable cost of removing Tenant's Alterations, trade fixtures and improvements; plus
- (iii) All unpaid rent due or earned hereunder prior to the date of termination, less the proceeds of any reletting or any rental received from subtenants prior to the date of termination applied as provided in Section 17.2(b) below, together with interest at the

Interest Rate, on such sums from the date such rent is due and payable until the date of the award of damages; plus

(iv) The amount by which the rent which would be payable by Tenant hereunder, including Additional Charges under Section 4.3 (Additional Charges) above, as reasonably estimated by City, from the date of termination until the date of the award of damages, exceeds the amount of such rental loss as Tenant proves could have been reasonably avoided, together with interest at the Interest Rate on such sums from the date such rent is due and payable until the date of the award of damages; plus

(v) The amount by which the rent which would be payable by Tenant hereunder, including Additional Charges under Section 4.3 (Additional Charges) above, as reasonably estimated by City, for the remainder of the then term, after the date of the award of damages exceeds the amount such rental loss as Tenant proves could have been reasonably avoided, discounted at the discount rate published by the Federal Reserve bank of San Francisco for member banks at the time of the award plus one percent (1%); plus

(vi) Such other amounts in addition to or in lieu of the foregoing as may be permitted from time to time by applicable law, including without limitation any other amount necessary to compensate City for all the detriment proximately caused by Tenant's failure to perform its obligations under this Lease which in the ordinary course of things would be likely to result therefrom.

(b) City has the remedy described in California Civil Code Section 1951.4 (a landlord may continue the lease in effect after the tenant's breach and abandonment and recover rent as it becomes due, if the tenant has the right to sublet and assign subject only to reasonable limitations), and may continue this Lease in full force and effect and may enforce all of its rights and remedies under this Lease, including, but not limited to, the right to recover rent as it becomes due. After the occurrence of an Event of Default, City may enter the Premises without terminating this Lease and sublet all or any part of the Premises for Tenant's account to any person, for such term (which may be a period beyond the remaining term of this Lease), at such rents and on such other terms and conditions as City deems advisable. In the event of any such subletting, rents received by City from such subletting shall be applied (i) first, to the payment of the costs of maintaining, preserving, altering and preparing the Premises for subletting, the other costs of subletting, including but not limited to brokers' commissions, attorneys' fees and expenses of removal of Tenant's Personal Property, trade fixtures and Alterations; (ii) second, to the payment of rent then due and payable hereunder; (iii) third, to the payment of future rent as the same may become due and payable hereunder; and (iv) fourth, the balance, if any, shall be paid to Tenant upon (but not before) expiration of the term of this Lease. If the rents received by City from such subletting, after application as provided above, are insufficient in any month to pay the rent due and payable hereunder for such month, Tenant shall pay such deficiency to City monthly upon demand. Notwithstanding any such subletting for Tenant's account without termination, City may at any time thereafter, by written notice to Tenant, elect to terminate this Lease by virtue of a previous Event of Default.

During the continuance of an Event of Default, for so long as City does not terminate Tenant's right to possession of the Premises and subject to Section 16 (Assignment and Subletting) and the options granted to City thereunder, City shall not unreasonably withhold its consent to an assignment or sublease of Tenant's interest in the Premises or in this Lease.

(c) During the continuance of an Event of Default, City may enter the Premises without terminating this Lease and remove all Tenant's Personal Property, Alterations and trade fixtures from the Premises and store them at Tenant's risk and expense. If City removes such property from the Premises and stores it at Tenant's risk and expense, and if Tenant fails to pay the cost of such removal and storage after written demand therefor and/or to pay any rent then due, then after the property has been stored for a period of thirty (30) days or

more City may sell such property at public or private sale, in the manner and at such times and places as City deems commercially reasonable following reasonable notice to Tenant of the time and place of such sale. The proceeds of any such sale shall be applied first to the payment of the expenses for removal and storage of the property, the preparation for and the conducting of such sale, and for attorneys' fees and other legal expenses incurred by City in connection therewith, and the balance shall be applied as provided in Section 17.2(b) above.

Tenant hereby waives all claims for damages that may be caused by City's reentering and taking possession of the Premises or removing and storing Tenant's Personal Property pursuant to this Section 17.2, and Tenant shall indemnify, defend and hold City harmless from and against any and all Claims resulting from any such act. No reentry by City shall constitute or be construed as a forcible entry by City.

(d) City may require Tenant to remove any and all Alterations from the Premises or, if Tenant fails to do so within ten (10) days after City's request, City may do so at Tenant's expense.

(e) City may cure the Event of Default at Tenant's expense, it being understood that such performance shall not waive or cure the subject Event of Default. If City pays any sum or incurs any expense in curing the Event of Default, Tenant shall reimburse City upon demand for the amount of such payment or expense with interest at the Interest Rate from the date the sum is paid or the expense is incurred until City is reimbursed by Tenant. Any amount due City under this subsection shall constitute additional rent hereunder.

17.3 Waiver of Redemption

Tenant hereby waives, for itself and all persons claiming by and under Tenant, all rights and privileges which it might have under any present or future Legal Requirement to redeem the Premises or to continue this Lease after being dispossessed or ejected from the Premises.

17.4 City's Right to Cure Tenant's Defaults

If Tenant defaults in the performance of any of its obligations under this Lease, then City may, at its sole option, remedy such default for Tenant's account and at Tenant's expense by providing Tenant with three (3) days' prior written or oral notice of City's intention to cure such default (except that no such prior notice shall be required in the event of an emergency as determined by City). Such action by City shall not be construed as a waiver of such default or any rights or remedies of City, and nothing herein shall imply any duty of City to do any act that Tenant is obligated to perform. Tenant shall pay to City upon demand, as additional rent, all costs, damages, expenses or liabilities incurred by City, including, without limitation, reasonable attorneys' fees, in remedying or attempting to remedy such default. Tenant's obligations under this Section shall survive the termination of this Lease.

17.5 Reimbursement of Allowance

If Tenant fails to fully cure an Event of Default under Section 17.1(a) or Section 17.1(b), Tenant shall reimburse the Allowance to City within thirty (30) days of receiving City's written demand for such reimbursement.

18. WAIVER OF CLAIMS; INDEMNIFICATION

18.1 Limitation on City's Liability; Waiver of Claims

City shall not be responsible for or liable to Tenant, and Tenant hereby assumes the risk of, and waives and releases City and its Agents from all Claims for, any injury, loss or damage to any person or property in or about the Premises by or from any cause whatsoever including,

without limitation, **(a)** any act or omission of persons occupying adjoining premises or any part of the Building adjacent to or connected with the Premises, **(b)** theft, **(c)** explosion, fire, steam, oil, electricity, water, gas or rain, pollution or contamination, **(d)** stopped, leaking or defective Building Systems, **(e)** Building defects, and **(f)** any other acts, omissions or causes. Nothing in this Section shall relieve City from liability caused solely and directly by the gross negligence or willful misconduct of City or its Agents, but City shall not be liable under any circumstances for any consequential, incidental or punitive damages.

18.2 Tenant's Indemnity

Tenant, on behalf of itself and its successors and assigns, shall indemnify, defend and hold harmless ("Indemnify") City including, but not limited to, all of its boards, commissions, departments, agencies and other subdivisions, including, without limitation, its Real Estate Division, OEWD, Mayor's Office of Housing and Community Development, and all of its and their Agents, and their respective heirs, legal representatives, successors and assigns (individually, an "Indemnified Party" and collectively, the "Indemnified Parties"), and each of them, from and against any and all liabilities, losses, costs, claims, judgments, settlements, damages, liens, fines, penalties and expenses, including, without limitation, direct and vicarious liability of every kind (collectively, "Claims"), incurred in connection with or arising in whole or in part from: **(a)** any accident, injury to or death of a person, including, without limitation, employees of Tenant, or loss of or damage to property, howsoever or by whomsoever caused, occurring in or about the Premises; **(b)** any default by Tenant in the observation or performance of any of the terms, covenants or conditions of this Lease to be observed or performed on Tenant's part; **(c)** the use or occupancy or manner of use or occupancy of the Premises by Tenant, its Agents or Invitees or any person or entity claiming through or under any of them; **(d)** the condition of the Premises from and after the Effective Date; **(e)** any construction or other work undertaken by Tenant on the Premises whether before or during the Term of this Lease; or **(f)** any acts, omissions or negligence of Tenant, its Agents or Invitees, in, on or about the Premises, all regardless of the active or passive negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on, the Indemnified Parties, except to the extent that such Indemnity is void or otherwise unenforceable under applicable law in effect on or validly retroactive to the date of this Lease and further except only to the extent such Claims are caused by or result from the willful misconduct or negligence of an Indemnified Party. The foregoing Indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any Claim. Tenant specifically acknowledges and agrees that it has an immediate and independent obligation to defend the City from any claim which actually or potentially falls within this indemnity provision even if such allegation is or may be groundless, fraudulent or false, which obligation arises at the time such claim is tendered to Tenant by City and continues at all times thereafter. Tenant's obligations under this Section shall survive the termination of this Lease.

19. INSURANCE

19.1 Tenant's Insurance

(a) Tenant, at no cost to the City, shall procure and keep in effect at all times during the Term insurance as follows:

(i) Commercial general liability insurance with limits not less than Two Million Dollars (\$2,000,000) each occurrence combined single limit for bodily injury and property damage, including contractual liability, independent contractors, broad-form property damage, fire damage legal liability (of not less than Fifty Thousand Dollars (\$50,000)), personal injury, products and completed operations, and explosion, collapse and underground (XCU).

(v) Such other insurance as is generally required by commercial owners of buildings similar in size, character, age and location as the Building, as may change from time to time.

(b) At all times during any period of Tenant's construction of Tenant Improvements or any Alterations (to the extent City is requiring the following insurance during the construction of such Alteration), Tenant shall, at no cost to the City, comply with the following additional insurance requirements:

(i) Tenant shall require Tenant's contractor to maintain (a) commercial general liability insurance with limits of not less than Three Million Dollars (\$3,000,000) combined single limit for bodily injury and property damage (including personal injury and death), and contractor's protective liability; and products and completed operations coverage in an amount not less than Five Hundred Thousand Dollars (\$500,000) per incident, One Million Dollars (\$1,000,000) in the aggregate; (b) comprehensive automobile liability insurance with a policy limit of not less than One Million Dollars (\$1,000,000) each accident for bodily injury and property damage, providing coverage at least as broad as the Insurance Services Office (ISO) Business Auto Coverage form covering Automobile Liability, "any auto", and insuring against all loss in connection with the ownership, maintenance and operation of automotive equipment that is owned, hired or non-owned; (c) worker's compensation with statutory limits and employer's liability insurance with limits of not less than One Hundred Thousand Dollars (\$100,000) per accident, Five Hundred Thousand Dollars (\$500,000) aggregate disease coverage and One Hundred Thousand Dollars (\$100,000) disease coverage per employee; and (d) contractor's pollution liability insurance with limits not less than \$1,000,000 each occurrence combined single limit.

(ii) Tenant shall cause Tenant's Agents (other than Tenant's contractor) to carry such insurance as shall be reasonably approved by City taking into account the nature and scope of the work and industry custom and practice.

(iii) Tenant shall carry "Builder's All Risk" insurance on a form reasonably approved by City, in the amount of one hundred percent (100%) of the completed value of all new construction, insuring all new construction, including all materials and equipment incorporated in, on or about the Premises, and in transit or storage off-site, that are or will be part of the permanent Improvements, against "all risk" and "special form" hazards, water damage (including groundwater damage and water damage resulting from backed up sewers and drains), and flood insurance.

(iv) Tenant shall require all providers of professional services, including architectural, design, engineering, geotechnical, and environmental professionals under contract with Tenant for any Tenant Improvements or any Alterations to maintain professional liability (errors or omissions) insurance, with limits not less than One Million Dollars (\$1,000,000.00) each claim and aggregate, with respect to all professional services provided to Tenant therefor.

(v) Should any of the insurance required to be maintained by Tenant (i.e., not by professionals retained by Tenant) be provided under a claims-made form, Tenant shall maintain such coverage continuously throughout the Term and, without lapse, for a period of three (3) years beyond the expiration or termination of this Lease, to the effect that, should occurrences during the Term give rise to claims made after expiration or termination of this Lease, such claims shall be covered by such claims-made policies.

(c) Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general aggregate limit shall double the occurrence or claims limits specified above.

(d) All liability insurance policies shall be endorsed to provide the following:

(i) Name as additional insured the City and County of San Francisco, its officers, agents and employees.

(ii) That such policies are primary insurance to any other insurance available to the additional insureds, with respect to any claims arising out of this Lease, and that insurance applies separately to each insured against whom claim is made or suit is brought.

(e) Each insurance policy required pursuant to Section 19.1(a) above shall be issued by an insurance company licensed in the State of California and with a general policyholders' rating of "A-" or better and a financial size ranking of "Class VIII" or higher in the most recent edition of Best's Insurance Guide.

(f) Tenant shall provide thirty (30) days' prior written notice of cancellation, intended non-renewal, or reduction in coverage for any reason of any insurance policies Tenant is required to maintain hereunder. Notice to City shall be mailed to the address(es) for City set forth in the Basic Lease Information.

(g) Tenant shall deliver to City certificates of insurance and additional insured policy endorsements from insurers for the policies required in Section 19.1(a) in a form satisfactory to City, evidencing the coverage required hereunder, on or before the Effective Date, together with complete copies of the policies promptly upon City's request, and Tenant shall provide City with certificates or policies thereafter at least thirty (30) days before the expiration dates of expiring policies. Tenant shall deliver to City certificates of insurance and additional insured policy endorsements from insurers for the policies required in Section 19.1(b) in a form satisfactory to City, evidencing the coverage required hereunder, on or before the commencement of construction for the applicable Tenant Improvements or Alterations, together with complete copies of the policies promptly upon City's request, and Tenant shall provide City with certificates or policies thereafter at least thirty (30) days before the expiration dates of expiring policies. If Tenant fails to timely procure such insurance, or to timely deliver such policies or certificates, City may procure, at its option, without waiving any rights or remedies which City may have for Tenant's default hereunder, the same for the account of Tenant, and the cost thereof shall be paid to City within five (5) days after delivery to Tenant of bills therefor.

(h) Upon City's request, Tenant and City shall periodically review the limits and types of insurance carried pursuant to this Section. If the general commercial practice in the City and County of San Francisco is to carry liability insurance in an amount or coverage materially greater than the amount or coverage then being carried by Tenant for risks comparable to those associated with the Premises, then Tenant shall, at City's request, increase the amounts or coverage carried by Tenant to conform to such general commercial practice.

(i) Tenant's compliance with the provisions of this Section shall in no way relieve or decrease Tenant's liability under Section 18.2 (Tenant's Indemnity), or any of Tenant's other obligations under this Lease.

(j) Notwithstanding anything to the contrary in this Lease, if any of the required insurance coverage lapses, this Lease shall terminate upon three (3) days' notice to Tenant, unless Tenant renews the insurance coverage within notice period.

19.2 Tenant's Personal Property

Tenant shall be responsible, at no cost to the City, for separately insuring Tenant's Personal Property.

19.3 City's Self Insurance

Tenant acknowledges that City self-insures against casualty, property damage and public liability risks and agrees that City may at its sole election, but shall not be required to, carry any third party insurance with respect to the Building, the Premises or otherwise.

19.4 Waiver of Subrogation

Notwithstanding anything to the contrary in this Lease, City and Tenant (each a "Waiving Party") each hereby waives any right of recovery against the other party for any loss or damage relating to the Building or the Premises or any operations or contents therein, whether or not such loss is caused by the fault or negligence of such other party, to the extent such loss or damage is covered by third party insurance that is required to be purchased by the Waiving Party under this Lease or is actually covered by insurance held by the Waiving Party or its agents, or, in the case of City, since it does not carry insurance, to the extent such loss or damage would have been covered by the insurance customarily maintained by institutional property owners. Each Waiving Party agrees to obtain a waiver of subrogation rights endorsements from applicable insurance carriers issuing policies relating to the Building or the Premises; provided, the failure to obtain any such endorsement shall not affect the above waiver.

20. ACCESS BY CITY

City reserves for itself and any of its designated Agents, the right to enter the Premises as follows: (a) on a regular basis without advance notice to supply any necessary or agreed-upon service to be provided by City hereunder; (b) on an occasional basis, at all reasonable times after giving Tenant reasonable advance written or oral notice, to show the Premises to prospective tenants or other interested parties, to post notices of non-responsibility, to conduct any environmental audit of Tenant's use of the Premises, to repair, alter or improve any part of the Building, Building Systems or the Premises, and for any other lawful purpose; and (c) on an emergency basis without notice whenever City believes that emergency access is required. City shall have the right to use any means that it deems proper to open doors in an emergency in order to obtain access to any part of the Premises, and any such entry shall not be construed or deemed to be a forcible or unlawful entry into or a detainer of, the Premises, or an eviction, actual or constructive, of Tenant from the Premises or any portion thereof. Tenant shall not alter any lock or install any new or additional locking devices without the prior written consent of City. All locks installed in the Premises (excluding Tenant's vaults, safes or special security areas, if any, designated by Tenant in writing to City) shall be keyed to the Building master key system, and City shall at all times have a key with which to unlock all such doors.

21. CERTIFICATES

21.1 Tenant's Estoppel Certificates

Tenant, at any time and from time to time upon not less than ten (10) days' prior notice from City, shall execute and deliver to City or to any party designated by City a certificate stating: **(a)** that Tenant has accepted the Premises, **(b)** the Commencement Date and Expiration Date of this Lease, **(c)** that this Lease is unmodified and in full force and effect (or, if there have been modifications, that the Lease is in full force and effect as modified and stating the modifications), **(d)** whether or not there are then existing any defenses against the enforcement of any of Tenant's obligations hereunder (and if so, specifying the same), **(e)** whether or not there are any defaults then existing under this Lease (and if so specifying the same), **(f)** the dates, if any, to which the Base Rent, Percentage Rent, and Additional Charges have been paid, and **(g)** any other information that may be required.

21.2 City's Certificates

City, at any time and from time to time upon not less than ten (10) days' prior notice from Tenant, shall execute and deliver to Tenant or to any party designated by Tenant a certificate stating: **(a)** the Commencement Date and Expiration Date of this Lease, **(b)** that this Lease is unmodified and in full force and effect (or, if there have been modifications, that the Lease is in full force and effect as modified and stating the modifications), **(c)** whether or not there are any defaults then existing under this Lease (and if so specifying the same), **(d)** the dates, if any, to which the Base Rent, Percentage Rent, and Additional Charges have been paid, and **(e)** any other information that may be required.

22. RULES AND REGULATIONS

Tenant shall faithfully comply with the rules and regulations attached to this Lease as Exhibit H (Building Rules and Regulations) and all modifications thereof and additions thereto that City may from time to time put into effect (the "Rules and Regulations"). City shall not be responsible for the non-performance of the Rules and Regulations by any other tenant or occupant of the Building. In the event of any conflict between any provision of this Lease and any provision of the Rules and Regulations, this Lease shall control.

23. [Intentionally deleted]

24. SURRENDER OF PREMISES

City anticipates demolishing the Building following the Expiration Date. Upon the Expiration Date or other termination of this Lease, Tenant shall peaceably quit and surrender to City the Premises in broom clean condition, together with the Tenant Improvements and all Alterations approved by City, except for any portion of the Premises condemned and any damage and destruction for which Tenant is not responsible hereunder. If this Lease terminates prior to the Rent Commencement Date, Tenant shall cause the Leasehold Improvement Work completed as of such termination date to be in a safe condition. The Premises shall be surrendered free and clear of all liens and encumbrances other than liens and encumbrances existing as of the date of this Lease and any other encumbrances created by City. Except as otherwise set forth in Section 25, immediately before the Expiration Date or other termination of this Lease, Tenant shall remove all of Tenant's Personal Property as provided in this Lease, using commercially reasonable efforts to avoid any damage to any portion of the Premises. If such removal is not completed at the expiration or other termination of this Lease, City may remove the same at Tenant's expense. Tenant's obligations under this Section shall survive the Expiration Date or other termination of this Lease. Any items of Tenant's Personal Property remaining in the Premises after the Expiration Date or sooner termination of this Lease may, at

City's option, be deemed abandoned and disposed of in accordance with Section 1980 et seq. of the California Civil Code or in any other manner allowed by law.

Concurrently with the surrender of the Premises, Tenant shall, if requested by City, execute, acknowledge and deliver to City a quitclaim deed to the Premises and any other instrument reasonably requested by City to evidence or otherwise effect the termination of Tenant's leasehold estate hereunder and to effect such transfer or vesting of title to the Tenant Improvements or other improvements or equipment which remain part of the Premises. The terms of this Section shall survive the expiration or sooner termination of this Lease.

25. REMOVAL OF ELECTRICAL AND TELECOMMUNICATIONS WIRES

25.1 City May Elect to Remove or Retain Wires

Within thirty (30) days after the expiration or sooner termination of this Lease or at any time that the Wires (as defined below) are no longer in active use by Tenant, City may elect by written notice to Tenant to: (a) retain any or all wires, cables and similar installations appurtenant thereto (the "Wires") installed by or on behalf of Tenant within the Premises or any portion of the Building outside the Premises, including, without limitation, the plenums or risers of the Building; or (b) remove any or all of the Wires.

25.2 Compliance with Laws and Discontinuance of Wire Use

Tenant shall comply with all applicable laws with respect to the Wires, subject to City's right to elect to retain the Wires. Within thirty (30) days after Tenant discontinues the use of all or any part of the Wires, Tenant shall deliver to City written notice of such discontinuance, together with a plan or other reasonable description of the current type, quantity, points of commencement and termination, and routes of the Wires to allow City to determine if City desires to retain the Wires.

25.3 Condition of Wires

Tenant covenants that as of the expiration or sooner termination of this Lease, Tenant will be the sole owners of the Wires, Tenant will have the sole right to surrender the Wires, and the Wires shall be free of all liens and encumbrances.

25.4 Survival

The terms of this Section shall survive the expiration or sooner termination of this Lease.

Tenant acknowledges there is asbestos in the black mastic used to affix the mirrors to the walls in the restrooms and may be other Hazardous Material at the Premises. Tenant covenants and agrees that neither Tenant nor any of its Agents or Invitees shall cause or permit any Hazardous Material to be brought upon, kept, used, stored, generated or disposed of in, on or about the Premises, or transported to or from the Premises, with the sole exception that Tenant may keep and use such substances in the Building in such reasonably limited amounts as are customarily used for general office, cleaning, janitorial and cooking purposes and may generate such substances as a result of measures taken pursuant to Articles 7 or 8 of this Lease that disturb or remove lead-based or presumed lead-based paint from the exterior or interior surfaces of the Premises so long as such generation, storage, transportation, use, and disposal are in compliance with all applicable Environmental Laws at all times. Tenant shall give immediate written notice to City of: (a) any action, proceeding or inquiry by any governmental authority (including, without limitation, the California State Department of Health Services, the State or any Regional Water Quality Control Board, the Bay Area Air Quality Management district or any local governmental entity) against Tenant with respect to the presence or Release or suspected presence or Release of Hazardous Material on the Premises or the migration thereof from or to other property; (b) all demands or claims made or threatened by any third party against Tenant or the Premises relating to any loss or injury resulting from any Hazardous Materials; (c) any Release of Hazardous Material on or about the Premises has occurred that may require any Investigation or Remediation; and (d) all matters of which Tenant is required to give notice pursuant to Section 25359.7 of the California Health and Safety Code.

26.3 Tenant's Environmental Indemnity

If Tenant breaches any of its obligations contained in this Section, or, if any act or omission of Tenant, its Agents or Invitees, results in any Release of Hazardous Material in, on, under or about the Premises in violation of any applicable Environmental Laws, including but not limited to Chapter 36 of the San Francisco Building Code, then, without limiting Tenant's Indemnity contained in Section 18.2 (Tenant's Indemnity), Tenant shall, on behalf of itself and its successors and assigns, Indemnify the Indemnified Parties, and each of them, from and against all Claims (including, without limitation, sums paid in settlement of claims, attorneys' fees, consultants' fees and experts' fees and costs) arising during or after the Term of this Lease and relating to such Release. The foregoing Indemnity includes, without limitation, costs incurred in connection with activities undertaken to Investigate and Remediate Hazardous Material and to restore the Premises to its prior condition, fines and penalties assessed for the violation of any applicable Environmental Laws including but not limited to Chapter 36 of the

San Francisco Building Code, and any natural resource damages. Without limiting the foregoing, if Tenant or any of its Agents or Invitees, causes or permits the Release of any Hazardous Materials in, on, under or about the Premises, Tenant shall immediately and at no expense to City take any and all appropriate actions to return the Premises affected thereby to the condition existing prior to such Release and otherwise Investigate and Remediate the Release in accordance with all Environmental Laws. Tenant specifically acknowledges and agrees that it has an immediate and independent obligation to defend the City from any claim which actually or potentially falls within this indemnity provision even if such allegation is or may be groundless, fraudulent or false, which obligation arises at the time such claim is tendered to Tenant by the City and continues at all times thereafter. Tenant shall afford City a full opportunity to participate in any discussions with governmental regulatory agencies regarding any settlement agreement, cleanup or abatement agreement, consent decree, or other compromise or proceeding involving Hazardous Material.

26.4 Survival of Obligation

Tenant's obligations under this Section 26 shall survive the Expiration Date or other termination of this Lease.

27. GENERAL PROVISIONS

27.1 Notices

Any notice given under this Lease shall be effective only if in writing and given by delivering the notice in person or by sending it first-class mail or certified mail with a return receipt requested or by overnight courier, return receipt requested, with postage prepaid, to: (a) Tenant, (i) at Tenant's address set forth in the Basic Lease Information, if sent prior to Tenant's taking possession of the Premises, or (ii) at the Premises if sent on or subsequent to Tenant's taking possession of the Premises, or (iii) at any place where Tenant or any Agent of Tenant may be found if sent subsequent to Tenant's vacating, abandoning or surrendering the Premises; or (b) City, at City's address set forth in the Basic Lease Information; or (c) to such other address as either City or Tenant may designate as its new address for such purpose by notice given to the other in accordance with the provisions of this Section at least ten (10) days prior to the effective date of such change. Any notice hereunder shall be deemed to have been given two (2) days after the date when it is mailed if sent by first class or certified mail, one day after the date it is made if sent by overnight courier, or upon the date personal delivery is made. For convenience of the parties, copies of notices may also be given by telefacsimile to the telephone number set forth in the Basic Lease Information or such other number as may be provided from time to time; however, neither party may give official or binding notice by facsimile. Tenant shall promptly provide City with copies of any and all notices received regarding any alleged violation of laws or insurance requirements or any alleged unsafe condition or practice.

27.2 No Implied Waiver

No failure by City to insist upon the strict performance of any obligation of Tenant under this Lease or to exercise any right, power or remedy arising out of a breach thereof, irrespective of the length of time for which such failure continues, no acceptance of full or partial Base Rent, Percentage Rent, or Additional Charges during the continuance of any such breach, and no acceptance of the keys to or possession of the Premises prior to the expiration of the Term by any Agent of City, shall constitute a waiver of such breach or of City's right to demand strict compliance with such term, covenant or condition or operate as a surrender of this Lease. No express written waiver of any default or the performance of any provision hereof shall affect any other default or performance, or cover any other period of time, other than the default, performance or period of time specified in such express waiver. One or more written waivers of a default or the performance of any provision hereof shall not be deemed to be a waiver of a

subsequent default or performance. Any consent by City hereunder shall not relieve Tenant of any obligation to secure the consent of City in any other or future instance under the terms of this Lease.

27.3 Amendments

Neither this Lease nor any terms or provisions hereof may be changed, waived, discharged or terminated, except by a written instrument signed by the party against which the enforcement of the change, waiver, discharge or termination is sought. No waiver of any breach shall affect or alter this Lease, but each and every term, covenant and condition of this Lease shall continue in full force and effect with respect to any other then-existing or subsequent breach thereof. Whenever this Lease requires or permits the giving by City of its consent or approval, the Director of Property, or his or her designee shall be authorized to provide such approval, except as otherwise provided by applicable law, including the Charter. Any amendments or modifications to this Lease, including, without limitation, amendments to or modifications to the exhibits to this Lease, shall be subject to the mutual written agreement of City and Tenant, and City's agreement may be made upon the sole approval of the Director of Property, or his or her designee; provided, however, material amendments or modifications to this Lease **(a)** changing the legal description of the Premises, **(b)** increasing the Term, **(c)** increasing the Rent, **(d)** changing the general use of the Premises from the use authorized under Section 5.1 (Permitted Use) of this Lease, and **(e)** any other amendment or modification which materially increases the City's liabilities or financial obligations under this Lease shall additionally require the approval of the City's Board of Supervisors.

27.4 Authority

If Tenant signs as a corporation or a partnership, each of the persons executing this Lease on behalf of Tenant does hereby covenant and warrant that Tenant is a duly authorized and existing entity, that Tenant has and is qualified to do business in California, that Tenant has full right and authority to enter into this Lease, and that each and all of the persons signing on behalf of Tenant are authorized to do so. Upon City's request, Tenant shall provide City with evidence reasonably satisfactory to City confirming the foregoing representations and warranties.

27.5 Parties and Their Agents; Approvals

The words "City" and "Tenant" as used herein shall include the plural as well as the singular. If there is more than one Tenant, the obligations and liabilities under this Lease imposed on Tenant shall be joint and several. As used herein, the term "Agents" when used with respect to either party shall include the agents, employees, officers, contractors and representatives of such party, and the term "Invitees" when used with respect to Tenant shall include the clients, customers, invitees, guests, licensees, assignees or subtenants of Tenant. All approvals, consents or other determinations permitted or required by City hereunder shall be made by or through City's Director of Property unless otherwise provided in this Lease, subject to applicable law.

27.6 Interpretation of Lease

The captions preceding the articles and sections of this Lease and in the table of contents have been inserted for convenience of reference only and such captions shall in no way define or limit the scope or intent of any provision of this Lease. This Lease has been negotiated at arm's length and between persons sophisticated and knowledgeable in the matters dealt with herein and shall be interpreted to achieve the intents and purposes of the parties, without any presumption against the party responsible for drafting any part of this Lease. Provisions in this Lease relating to number of days shall be calendar days, unless otherwise specified, provided that if the last day of any period to give notice, reply to a notice or to undertake any other action occurs on a Saturday, Sunday or a bank or City holiday, then the last day for undertaking the action or giving

or replying to the notice shall be the next succeeding business day. Use of the word "including" or similar words shall not be construed to limit any general term, statement or other matter in this Lease, whether or not language of non-limitation, such as "without limitation" or similar words, are used.

27.7 Successors and Assigns

Subject to the provisions of this Lease relating to Assignments and Subleases, the terms, covenants and conditions contained in this Lease shall bind and inure to the benefit of City and Tenant and, except as otherwise provided herein, their personal representatives and successors and assigns; provided, however, that upon any sale, assignment or transfer by City named herein (or by any subsequent landlord) of its interest in the Building as owner or lessee, including any transfer by operation of law, City (or any subsequent landlord) shall be relieved from all subsequent obligations and liabilities arising under this Lease subsequent to such sale, assignment or transfer.

27.8 Brokers

Neither party has had any contact or dealings regarding the leasing of the Premises, or any communication in connection therewith, through any licensed real estate broker or other person who could claim a right to a commission or finder's fee in connection with the lease contemplated herein except as identified in the Basic Lease Information, whose commission, if any is due, shall be paid pursuant to a separate written agreement between such broker and the party through which such broker contracted. In the event that any broker or finder perfects a claim for a commission or finder's fee based upon any such contact, dealings or communication, the party through whom the broker or finder makes a claim shall be responsible for such commission or fee and shall Indemnify the other party from any and all Claims incurred by the indemnified party in defending against the same. The provisions of this Section shall survive any termination of this Lease.

27.9 Severability

If any provision of this Lease or the application thereof to any person, entity or circumstance shall be invalid or unenforceable, the remainder of this Lease, or the application of such provision to persons, entities or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each other provision of this Lease shall be valid and be enforceable to the fullest extent permitted by law, except to the extent that enforcement of this Lease without the invalidated provision would be unreasonable or inequitable under all the circumstances or would frustrate a fundamental purpose of this Lease.

27.10 Governing Law

This Lease shall be construed and enforced in accordance with the laws of the State of California and the City's Charter.

27.11 Entire Agreement

This instrument, including the exhibits hereto, which are made a part of this Lease, contains the entire agreement between the parties and all prior written or oral negotiations, understandings and agreements are merged herein. The parties further intend that this Lease shall constitute the complete and exclusive statement of its terms and that no extrinsic evidence whatsoever (including prior drafts hereof and changes therefrom) may be introduced in any judicial, administrative or other legal proceeding involving this Lease. Tenant hereby acknowledges that neither City nor City's Agents have made any representations or warranties with respect to the Premises, the Building or this Lease except as expressly set forth herein, and

no rights, easements or licenses are or shall be acquired by Tenant by implication or otherwise unless expressly set forth herein.

27.12 Attorneys' Fees

In the event that either City or Tenant fails to perform any of its obligations under this Lease or in the event a dispute arises concerning the meaning or interpretation of any provision of this Lease, the defaulting party or the non-prevailing party in such dispute, as the case may be, shall pay the prevailing party reasonable attorneys' and experts' fees and costs, and all court costs and other costs of action incurred by the prevailing party in connection with the prosecution or defense of such action and enforcing or establishing its rights hereunder (whether or not such action is prosecuted to a judgment). For purposes of this Lease, the terms "court costs and reasonable attorneys' fees" shall mean the fees and expenses of counsel to the Parties, which may include printing, duplicating and other expenses, air freight charges, hiring of experts, and fees billed for law clerks, paralegals, librarians and others not admitted to the bar but performing services under the supervision of an attorney. The term "court costs and attorneys' fees" shall also include, without limitation, all such fees and expenses incurred with respect to appeals, mediation, arbitrations, and bankruptcy proceedings, and whether or not any action is brought with respect to the matter for which such fees and costs were incurred. For the purposes of this Lease, reasonable fees of attorneys of City's Office of the City Attorney shall be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter area of the law for which the City Attorney's services were rendered who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the Office of the City Attorney.

27.13 Holding Over

Tenant acknowledges that if it holds over at the Premises following the expiration or earlier termination of this Lease without City's consent could result in substantial City costs and expenses with respect to the development or other use of the Premises. Without limiting City's other rights and remedies set forth in this Lease, at law, or in equity, if Tenant retains possession of any portion of the Premises after the expiration or the earlier termination of this Lease, then unless City expressly agrees to the holdover in writing, Tenant shall pay City, on a month-to-month basis the Base Rent payable by Tenant hereunder prior to such expiration or termination, together with monthly payments equal to forty percent (40%) of Net Income (the "Holdover Payment") and an amount estimated by City for the monthly Additional Charges payable under this Lease, and shall otherwise be on the terms and conditions herein specified so far as applicable (except for those pertaining to the Term). Any failure by Tenant to surrender, discontinue using, or, if required by City, any failure to remove any property or equipment following written demand for the same by City, shall constitute continuing possession for purposes hereof. Tenant acknowledges that the foregoing provisions shall not serve as permission for the Tenant to hold over, nor serve to extend the term of this Lease beyond the end on the term hereof. Any holding over without City's consent shall constitute a default by Tenant and entitle City to exercise any or all of its remedies as provided herein, notwithstanding that City may elect to accept one or more payments of Rent, and whether or not such amounts are at the holdover rate specified above or the rate in effect at the end of the Term of this Lease. Any holding over after the expiration of the Term with the express consent of City shall be construed to automatically extend the Term of this Lease on a month-to-month basis at a Base Rent equal to the latest Base Rent payable by Tenant hereunder prior to such expiration, together with Percentage Rent and the amount estimated by City for the monthly Additional Charges payable under this Lease, and shall otherwise be on the terms and conditions herein specified so far as applicable (except for those pertaining to the Term).

During any period of holding over, Tenant shall provide monthly statements (each, a "Monthly Statement") for the immediately preceding month in a form approved by City and setting forth in reasonable detail the Gross Revenues for the immediately preceding month,

including an itemized list of any and all deductions or exclusions from Gross Revenues that Tenant may claim and which are expressly permitted under this Lease, the Expenses for the immediately preceding month, and a computation of the Percentage Rent or the Holdover Payment, as applicable, for the immediately preceding month. Each Monthly Statement shall be certified as accurate, complete and current by Tenant's president and chief financial officer. Within the sixty (60) day period immediately following Tenant's vacation of the Premises after any period of holding over, Tenant shall provide a final statement (the "Final Statement"), certified as accurate, complete and current by an independent certified public accounting firm acceptable to City's Director of Property in his or her sole discretion and in a form approved by City, setting forth in reasonable detail the Gross Revenues for such period, including an itemized list of any and all deductions or exclusions from Gross Revenues that Tenant may claim and which are expressly permitted under this Lease, the Expenses for such period, and a computation of the Percentage Rent or Holdover Payments, as applicable, for such period. If the Final Statement shows Tenant underpaid the Percentage Rent or Holdover Payments, as applicable, for the holdover period, Tenant shall deliver the remaining amount owed to City within thirty (30) days of receiving City's invoice therefor, together with interest from the date of the error in the payment equal to ten percent (10%) per year or, if a higher rate is legally permissible, the highest rate an individual is permitted to charge under applicable law, if City elects, in its sole discretion, to charge such interest. If an audit reveals that Tenant has overpaid Percentage Rent or Holdover Payments, as applicable, for the holdover period, within sixty (60) days of receiving the Final Statement, City shall reimburse Tenant in an amount equal to the amount Tenant has overpaid.

If Tenant fails to deliver any Monthly Statement or Final Statement within the time period set forth in this Section (irrespective of whether any Percentage Rent or Holdover Payment, as applicable, is actually paid or due to City for the applicable period) and such failure continues for three (3) days after the date Tenant receives (or refuses receipt of) written notice of such failure from City, City shall have the right, among its other remedies under this Lease, to employ a certified public accountant to make such examination of the Books and Records of Tenant and of any other occupant of the Premises as may be necessary to certify the amount of the Gross Revenues and Expenses for the period in question. Such certification shall be binding upon Tenant and Tenant shall promptly pay to City the total reasonable cost of the examination and City's other reasonable costs (including attorneys' fees) in exercising its examination rights hereunder, together with the full amount of Percentage Rent or Holdover Payment, as applicable, due and payable for the period in question. Tenant acknowledges that the late submittal of any Monthly Statement or Final Statement will cause City increased costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. The parties agree that the charges set forth in this Section represent a fair and reasonable estimate of the cost that City will incur by reason of Tenant's lateness.

Tenant's obligations under this Section shall survive the expiration or termination of this Lease.

27.14 Time of Essence

Time is of the essence with respect to all provisions of this Lease in which a definite time for performance is specified.

27.15 Cumulative Remedies

All rights and remedies of either party hereto set forth in this Lease shall be cumulative, except as may otherwise be provided herein.

27.16 Survival of Indemnities

Termination of this Lease shall not affect the right of either party to enforce any and all indemnities and representations and warranties given or made to the other party under this Lease,

nor shall it affect any provision of this Lease that expressly states it shall survive termination hereof.

27.17 Signs

Tenant agrees that it will not erect or maintain, or permit to be erected or maintained, any signs, notices or graphics upon or about the Premises which are visible from the exterior of the Premises, without City's prior written consent, which City may withhold or grant in its sole discretion.

27.18 Relationship of the Parties

City is not, and none of the provisions in this Lease shall be deemed to render City, a partner in Tenant's business, or joint venturer or member in any joint enterprise with Tenant. Neither party shall act as the agent of the other party in any respect hereunder. This Lease is not intended nor shall it be construed to create any third party beneficiary rights in any third party, unless otherwise expressly provided.

27.19 Light and Air

Tenant covenants and agrees that no diminution of light, air or view by any structure that may hereafter be erected (whether or not by City) shall entitle Tenant to any reduction of the Base Rent, Percentage Rent, or Additional Charges under this Lease, result in any liability of City to Tenant, or in any other way affect this Lease or Tenant's obligations hereunder.

27.20 No Recording

Tenant shall not record this Lease or any memorandum hereof in the public records.

27.21 Public Transit Information

Tenant shall establish and carry on during the Term a program to encourage maximum use of public transportation by personnel of Tenant employed on the Premises, including, without limitation, the distribution to such employees of written materials explaining the convenience and availability of public transportation facilities adjacent or proximate to the Building and encouraging use of such facilities, all at Tenant's sole expense.

27.22 Taxes, Assessments, Licenses, Permit Fees and Liens

(a) Tenant recognizes and understands that this Lease may create a possessory interest subject to property taxation and that Tenant may be subject to the payment of property taxes levied on such interest.

(b) Tenant agrees to pay taxes of any kind, including possessory interest taxes, that may be lawfully assessed on the leasehold interest hereby created and to pay all other taxes, excises, licenses, permit charges and assessments based on Tenant's usage of the Premises that may be imposed upon Tenant by law, all of which shall be paid when the same become due and payable and before delinquency.

(c) Tenant agrees not to allow or suffer a lien for any such taxes to be imposed upon the Premises or upon any equipment or property located thereon without promptly discharging the same, provided that Tenant, if so desiring, may have reasonable opportunity to contest the validity of the same.

(d) San Francisco Administrative Code Sections 23.38 and 23.39 require that the City and County of San Francisco report certain information relating to this Lease, and any

renewals thereof, to the County Assessor within sixty (60) days after any such transaction, and that Tenant report certain information relating to any assignment of or sublease under this Lease to the County Assessor within sixty (60) days after such assignment or sublease transaction. Tenant agrees to provide such information as may be requested by the City to enable the City to comply with this requirement.

27.23 Non-Liability of City Officials, Employees and Agents

No elective or appointive board, commission, member, officer, employee or other Agent of City shall be personally liable to Tenant, its successors and assigns, in the event of any default or breach by City or for any amount which may become due to Tenant, its successors and assigns, or for any obligation of City under this Agreement.

27.24 Non-Discrimination in City Contracts and Benefits Ordinance

(a) Covenant Not to Discriminate

In the performance of this Lease, Tenant agrees not to discriminate against any employee, any City employee working with Tenant, or applicant for employment with Tenant, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) Subleases and Other Subcontracts

Tenant shall include in all Subleases and other subcontracts relating to the Premises a non-discrimination clause applicable to such Subtenant or other subcontractor in substantially the form of subsection (a) above. In addition, Tenant shall incorporate by reference in all subleases and other subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subtenants and other subcontractors to comply with such provisions. Tenant's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Non-Discrimination in Benefits

Tenant does not as of the date of this Lease and will not during the term of this Lease, in any of its operations in San Francisco, on real property owned by City, or where the work is being performed for the City elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) CMD Form

As a condition to this Lease, Tenant shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (Form CMD-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Contract Monitoring Division. Tenant hereby represents that prior to execution of this Lease, (i) Tenant executed and

submitted to the CMD Form CMD-12B-101 with supporting documentation, and (ii) the CMD approved such form.

(e) Incorporation of Administrative Code Provisions by Reference

The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to non-discrimination by parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Tenant shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of Fifty Dollars (\$50) for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

27.25 No Relocation Assistance; Waiver of Claims

Tenant acknowledges that it will not be a displaced person at the time this Lease is terminated or expires by its own terms, and Tenant fully RELEASES, WAIVES AND DISCHARGES forever any and all Claims against, and covenants not to sue, City, its departments, commissions, officers, directors and employees, and all persons acting by, through or under each of them, under any laws, including, without limitation, any and all claims for relocation benefits or assistance from City under federal and state relocation assistance laws (including, but not limited to, California Government Code Section 7260 et seq.), except as otherwise specifically provided in this Lease with respect to a Taking.

27.26 MacBride Principles - Northern Ireland

The provisions of San Francisco Administrative Code §12F are incorporated herein by this reference and made part of this Lease. By signing this Lease, Tenant confirms that Tenant has read and understood that the City urges companies doing business in Northern Ireland to resolve employment inequities and to abide by the MacBride Principles, and urges San Francisco companies to do business with corporations that abide by the MacBride Principles.

27.27 Tropical Hardwood and Virgin Redwood Ban

The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product. Except as expressly permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environment Code, Tenant shall not provide any items to the construction of Tenant Improvements or the Alterations, or otherwise in the performance of this Lease which are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. In the event Tenant fails to comply in good faith with any of the provisions of Chapter 8 of the San Francisco Environment Code, Tenant shall be liable for liquidated damages for each violation in any amount equal to Tenant's net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

27.28 Restrictions on the Use of Pesticides

Chapter 3 of the San Francisco Environment Code (the Integrated Pest Management Program Ordinance or "IPM Ordinance") describes an integrated pest management ("IPM") policy to be implemented by all City departments. Tenant shall not use or apply or allow the use or application of any pesticides on the Premises or contract with any party to provide pest abatement or control services to the Premises without first receiving City's written approval of

an IPM plan that (i) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the term of this Lease, (ii) describes the steps Tenant will take to meet the City's IPM Policy described in Section 300 of the IPM Ordinance, and (iii) identifies, by name, title, address and telephone number, an individual to act as the Tenant's primary IPM contact person with the City. Tenant shall comply, and shall require all of Tenant's contractors to comply, with the IPM plan approved by the City and shall comply with the requirements of Sections 300(d), 302, 304, 305(f), 305(g), and 306 of the IPM Ordinance, as if Tenant were a City department. Among other matters, such provisions of the IPM Ordinance: (a) provide for the use of pesticides only as a last resort, (b) prohibit the use or application of pesticides on property owned by the City, except for pesticides granted an exemption under Section 303 of the IPM Ordinance (including pesticides included on the most current Reduced Risk Pesticide List compiled by City's Department of the Environment), (c) impose certain notice requirements, and (d) require Tenant to keep certain records and to report to City all pesticide use at the Premises by Tenant's staff or contractors.

If Tenant or Tenant's contractor will apply pesticides to outdoor areas at the Premises, Tenant must first obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation ("CDPR") and any such pesticide application shall be made only by or under the supervision of a person holding a valid, CDPR-issued Qualified Applicator certificate or Qualified Applicator license. City's current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the San Francisco Department of the Environment website, <http://sfenvironment.org/ipm>.

27.29 First Source Hiring Agreement

Tenant and City are parties to the First Source Agreement attached to this Lease as Exhibit G pursuant to San Francisco Administrative Code, Chapter 83 (the "First Source Agreement"). Any default by Tenant under the First Source Agreement shall be a default under this Lease.

27.30 Sunshine Ordinance

In accordance with Section 67.24(e) of the San Francisco Administrative Code, contracts, contractors' bids, leases, agreements, responses to Requests for Proposals, and all other records of communications between City and persons or firms seeking contracts will be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract, lease, agreement or other benefit until and unless that person or organization is awarded the contract, lease, agreement or benefit. Information provided which is covered by this Section will be made available to the public upon request.

27.31 Conflicts of Interest

Through its execution of this Lease, Tenant acknowledges that it is familiar with the provisions of Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which would constitute a violation of said provisions, and agrees that if Tenant becomes aware of any such fact during the term of this Lease Tenant shall immediately notify the City.

27.32 Charter Provisions

This Lease is governed by and subject to the provisions of the Charter of the City and County of San Francisco.

27.33 Drug-Free Workplace

Tenant acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession or use of a controlled substance is prohibited on City premises. Tenant agrees that any violation of this prohibition by Tenant, its Agents or assigns shall be deemed a material breach of this Lease.

27.34 Prohibition of Tobacco Sales and Advertising

Tenant acknowledges and agrees that no advertising or sale of cigarettes or tobacco products is allowed on the Premises. This advertising prohibition includes the placement of the name of a company producing cigarettes or tobacco products or the name of any cigarette or tobacco product in any promotion of any event or product.

27.35 Counterparts

This Lease may be executed in two or more counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.

27.36 Effective Date

This Lease shall become effective on the date upon which (a) City's Board of Supervisors and the Mayor, in their sole and absolute discretion, adopt a resolution or enact an ordinance approving this Lease in accordance with all applicable laws and (b) this Lease is duly executed and delivered by the parties hereto.

27.37 Acceptance of Lease by Tenant

This Lease shall be null and void unless Tenant accepts it and returns to City three (3) fully executed counterparts hereof on or before 5:00 p.m. San Francisco Time on February 16, 2018.

27.38 Requiring Health Benefits for Covered Employees

Unless exempt, Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated herein by reference and made a part of this Lease as though fully set forth. The text of the HCAO is available on the web at <http://www.sfgov.org/olse/hcao>. Capitalized terms used in this Section and not defined in this Lease shall have the meanings assigned to such terms in Chapter 12Q.

(a) For each Covered Employee, Tenant shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Tenant chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(b) Notwithstanding the above, if the Tenant is a small business as defined in Section 12Q.3(d) of the HCAO, it shall have no obligation to comply with subsection (a) above.

(c) Tenant's failure to comply with the HCAO shall constitute a material breach of this Lease. City shall notify Tenant if such a breach has occurred. If, within thirty (30) days after receiving City's written notice of a breach of this Lease for violating the HCAO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of thirty (30) days, Tenant fails to commence efforts to cure within such period, or thereafter

fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in Section 12Q.5(f)(1-5). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.

(d) Any Subcontract entered into by Tenant shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Tenant shall notify City's Purchasing Department when it enters into such a Subcontract and shall certify to the Purchasing Department that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. Each Tenant shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Tenant based on the Subcontractor's failure to comply, provided that City has first provided Tenant with notice and an opportunity to obtain a cure of the violation.

(e) Tenant shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Tenant's compliance or anticipated compliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(f) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(g) Tenant shall keep itself informed of the current requirements of the HCAO.

(h) Tenant shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.

(i) Tenant shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least five (5) business days to respond.

(j) City may conduct random audits of Tenant to ascertain its compliance with HCAO. Tenant agrees to cooperate with City when it conducts such audits.

(k) If Tenant is exempt from the HCAO when this Lease is executed because its amount is less than Fifty Thousand Dollars (\$50,000), but Tenant later enters into an agreement or agreements that cause Tenant's aggregate amount of all agreements with City to reach Seventy-Five Thousand Dollars (\$75,000), all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Tenant and the Contracting Department to be equal to or greater than Seventy-Five Thousand Dollars (\$75,000) in the fiscal year.

27.39 Notification of Limitations on Contributions

For the purposes of this Section, a "City Contractor" is a party that contracts with, or seeks to contract with, the City for the sale or leasing of any land or building to or from the City whenever such transaction would require the approval by a City elective officer, the board on which that City elective officer serves, or a board on which an appointee of that individual serves. Through its execution of this Agreement, Tenant acknowledges that it is familiar with Section 1.126 of the San Francisco Campaign and Governmental Conduct Code, which prohibits a City Contractor from making any campaign contribution to (1) the City elective officer, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual

or candidate, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for that contract or twelve (12) months after the date that contract is approved. Tenant acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$100,000 or more. Tenant further acknowledges that (i) the prohibition on contributions applies to Tenant, each member of Tenant's board of directors, Tenant's chief executive officer, chief financial officer and chief operating officer, any person with an ownership interest of more than ten percent (10%) in Tenant, any subcontractor listed in the contract, and any committee that is sponsored or controlled by Tenant, and (ii) within thirty (30) days of the submission of a proposal for the contract, the City department seeking to enter into the contract must notify the Ethics Commission of the parties and any subcontractor to the contract. Additionally, Tenant certifies it has informed each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126 by the time it submitted a proposal for the contract to the City, and has provided the names of the persons required to be informed to the City department seeking to enter into that contract within thirty (30) days of submitting its contract proposal to the City department receiving that submittal, and acknowledges the City department receiving that submittal was required to notify the Ethics Commission of those persons.

27.40 Preservative-Treated Wood Containing Arsenic

Tenant may not purchase preservative-treated wood products containing arsenic in the performance of this Lease unless an exemption from the requirements of Environment Code Chapter 13 is obtained from the Department of Environment under Section 1304 of the Environment Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniac copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Tenant may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of Environment. This provision does not preclude Tenant from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

27.41 Resource-Efficient City Buildings

Tenant acknowledges that the City and County of San Francisco has enacted San Francisco Environment Code Sections 700 to 713 relating to green building requirements for the design, construction, and operation of buildings owned or leased by City. Tenant hereby agrees that it shall comply with all applicable provisions of such code sections.

26.42 Food Service and Packaging Waste Reduction Ordinance

All undefined, initially-capitalized terms used in this Section shall have the meanings given to them in Chapter 15 of the San Francisco Environment Code (the "Food Service and Packaging Waste Reduction Ordinance"), which among other things, prohibits the provision of Prepared Food in Food Service Ware made, in whole or part, from Polystyrene Foam or in Food Service Ware that is not Compostable or Recyclable. Tenant agrees to comply fully with and be bound by all of the provisions of the Food Service and Packaging Waste Reduction Ordinance, including the remedies provided therein, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Lease as though fully set forth herein. This provision is a material term of this Lease. By entering into this Lease, Tenant agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine. Without limiting City's other rights and remedies, Tenant agrees that the sum of One Hundred Dollars (\$100.00) liquidated damages for the first breach, Two Hundred Dollars (\$200.00) liquidated damages for the second breach in the

same year, and Five Hundred Dollars (\$500.00) liquidated damages for subsequent breaches in the same year is a reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Lease was made. Such amounts shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Tenant's failure to comply with this provision.

26.43 San Francisco Packaged Water Ordinance

Tenant agrees to comply with San Francisco Environment Code Chapter 24 ("Chapter 24"). Tenant shall not sell, provide or otherwise distribute Packaged Water, as defined in Chapter 24 (including bottled water), in the performance of this Agreement or on City property unless Tenant obtains a waiver from the City's Department of the Environment. If Tenant violates this requirement, the City may exercise all remedies in this Agreement and the Director of the City's Department of the Environment may impose administrative fines as set forth in Chapter 24.

27.44 Criminal History in Hiring and Employment Decisions

(a) Unless exempt, Tenant agrees to comply with and be bound by all of the provisions of San Francisco Administrative Code Chapter 12T (Criminal History in Hiring and Employment Decisions; "Chapter 12 T"), which are hereby incorporated as may be amended from time to time, with respect to applicants and employees of Tenant who would be or are performing work at the Premises.

(b) Tenant shall incorporate by reference the provisions of Chapter 12T in all subleases of some or all of the Premises, and shall require all subtenants to comply with such provisions. Tenant's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Tenant and subtenants shall not inquire about, require disclosure of, or if such information is received base an Adverse Action on an applicant's or potential applicant for employment, or employee's: (1) Arrest not leading to a Conviction, unless the Arrest is undergoing an active pending criminal investigation or trial that has not yet been resolved; (2) participation in or completion of a diversion or a deferral of judgment program; (3) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (4) a Conviction or any other adjudication in the juvenile justice system; (5) a Conviction that is more than seven years old, from the date of sentencing; or (6) information pertaining to an offense other than a felony or misdemeanor, such as an infraction.

(d) Tenant and subtenants shall not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any conviction history, unresolved arrest, or any matter identified in subsection (c) above. Tenant and subtenants shall not require such disclosure or make such inquiry until either after the first live interview with the person, or after a conditional offer of employment.

(e) Tenant and subtenants shall state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment with Tenant or subtenant at the Premises, that the Tenant or subtenant will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Chapter 12T.

(f) Tenant and subtenants shall post the notice prepared by the Office of Labor Standards Enforcement ("OLSE"), available on OLSE's website, in a conspicuous place at the Premises and at other workplaces within San Francisco where interviews for job opportunities at the Premises occur. The notice shall be posted in English, Spanish, Chinese, and

any language spoken by at least 5% of the employees at the Premises or other workplace at which it is posted.

(g) Tenant and subtenants understand and agree that upon any failure to comply with the requirements of Chapter 12T, the City shall have the right to pursue any rights or remedies available under Chapter 12T or this Lease, including but not limited to a penalty of \$50 for a second violation and \$100 for a subsequent violation for each employee, applicant or other person as to whom a violation occurred or continued, termination or suspension in whole or in part of this Lease.

(h) If Tenant has any questions about the applicability of Chapter 12T, it may contact the City's Real Estate Division for additional information. City's Real Estate Division may consult with the Director of the City's Office of Contract Administration who may also grant a waiver, as set forth in Section 12T.8.

27.45 Cooperative Drafting

This Lease has been drafted through a cooperative effort of both parties, and both parties have had an opportunity to have the Lease reviewed and revised by legal counsel. No party shall be considered the drafter of this Lease, and no presumption or rule that an ambiguity shall be construed against the party drafting the clause shall apply to the interpretation or enforcement of this Lease.

27.46 Vending Machines; Nutritional Standards

Tenant shall not install or permit any vending machine on the Premises without the prior written consent of the Director of Property. Any permitted vending machine must comply with the food nutritional and calorie labeling requirements set forth in San Francisco Administrative Code section 4.9-1(c), as may be amended from time to time (the "Nutritional Standards Requirements"). Tenant agrees to incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section shall be deemed a material breach of this Lease. Without limiting Landlord's other rights and remedies under this Lease, Landlord shall have the right to require the immediate removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements. In addition, any restaurant located on the Premises is encouraged to ensure that at least 25% of Meals offered on the menu meet the nutritional standards set forth in San Francisco Administrative Code section 4.9-1(e), as may be amended.

27.47 All-Gender Toilet Facilities

If applicable, Tenant shall comply with San Francisco Administrative Code Section 4.1-3 requiring at least one all-gender toilet facility on each floor of any new building on City-owned land and within existing buildings leased by the City where extensive renovations are made. An "all-gender toilet facility" means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures, and "extensive renovations" means any renovation where the construction cost exceeds 50% of the cost of providing the toilet facilities required by this section. If Tenant has any question about applicability or compliance, Tenant should contact City's Director of Property for guidance.

27.48 Employee Signature Authorization Ordinance

City has adopted an Employee Signature Authorization Ordinance (S.F. Admin Code Sections 23.50-23.56). That ordinance requires employers of employees in hotel or restaurant projects on public property with fifty (50) or more employees (whether full-time or part-time) to

enter into a "card check" agreement with a labor union regarding the preference of employees to be represented by a labor union to act as their exclusive bargaining representative. Tenant shall comply with the requirements of such ordinance, if applicable, including, without limitation, any requirements in the ordinance with respect to its subtenants, licensees, and operators.

27.49 Tenant's Compliance with City Business and Tax and Regulations Code

Tenant acknowledges that under Section 6.10-2 of the San Francisco Business and Tax Regulations Code, the City Treasurer and Tax Collector may require the withholding of payments to any vendor that is delinquent in the payment of any amounts that the vendor is required to pay the City under the San Francisco Business and Tax Regulations Code. If, under that authority, any payment City is required to make to Tenant under this Lease is withheld, then City will not be in breach or default under this Lease, and the Treasurer and Tax Collector will authorize release of any payments withheld under this paragraph to Tenant, without interest, late fees, penalties, or other charges, upon Tenant coming back into compliance with its San Francisco Business and Tax Regulations Code obligations.

NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS LEASE, TENANT ACKNOWLEDGES AND AGREES THAT NO OFFICER OR EMPLOYEE OF CITY HAS AUTHORITY TO COMMIT CITY TO THIS LEASE UNLESS AND UNTIL CITY'S BOARD OF SUPERVISORS SHALL HAVE DULY ADOPTED A RESOLUTION OR ENACTED AN ORDINANCE APPROVING THIS LEASE AND AUTHORIZING THE TRANSACTIONS CONTEMPLATED HEREBY. THEREFORE, ANY OBLIGATIONS OR LIABILITIES OF CITY HEREUNDER ARE CONTINGENT UPON ADOPTION OF SUCH A RESOLUTION OR ORDINANCE, AND THIS LEASE SHALL BE NULL AND VOID IF CITY'S MAYOR AND THE BOARD OF SUPERVISORS DO NOT APPROVE THIS LEASE, IN THEIR RESPECTIVE SOLE DISCRETION. APPROVAL OF THIS LEASE BY ANY DEPARTMENT, COMMISSION OR AGENCY OF CITY SHALL NOT BE DEEMED TO IMPLY THAT SUCH RESOLUTION OR ORDINANCE WILL BE ENACTED, NOR WILL ANY SUCH APPROVAL CREATE ANY BINDING OBLIGATIONS ON CITY.

DEPICTION OF PREMISES

EXHIBIT B

(101 Hyde Street, San Francisco, California)

This Work Letter is part of the Lease dated as of July 7 1, 2019 (the "Lease"), executed concurrently herewith, by and between the City and County of San Francisco, a municipal corporation ("City"), and La Cocina, Inc., a California non-profit corporation ("Tenant"), covering certain premises described in the Lease ("Premises"). All initially- capitalized, undefined terms used in this Work Letter shall have the same meanings given to them in the Lease.

Tenant, at its sole cost and expense (except as otherwise specifically set forth herein) and through its Contractor (as defined in Section 2 below), shall furnish and install within the Premises the improvements shown on the Construction Documents (as defined in Section 1 below) that are affixed to the Premises and approved by City pursuant to Section 1 below (the "Tenant Improvements"), in accordance with the provisions of this Work Letter.

1. Plans and Specifications

a. Construction Documents. City and Tenant hereby approve the final plans, specifications and working drawings for the Tenant Improvements prepared by Perkins and Will, Inc., a Delaware corporation ("Architect") for PW Project No. 000035.049, dated April 3, 2019 (collectively, the "Construction Documents"); provided, however, such approval shall not limit Tenant's obligations hereunder.

b. Approval of Change Orders. Any Change Orders (as defined in Section 1.d below) to the Construction Documents shall be subject to approval by City as owner of the Premises, which approval shall not be unreasonably withheld or delayed, in accordance with the following procedure. After submission of the proposed Change Order by Tenant to City, City shall have five (5) days to disapprove any element thereof. If City does so, then City shall notify Tenant within such period of its disapproval and of the revisions that City reasonably requires in order to obtain approval consistent with the terms of this Work Letter. As soon as reasonably possible thereafter, but in no event later than five (5) days after receipt of such notice, Tenant shall submit to City documents incorporating the required revisions. Such revisions shall be subject to approval by City, which shall not be unreasonably withheld or delayed. Such revisions shall be deemed approved by City if City fails to notify Tenant of any objection within five (5) days after receipt of the revision. City's approval of any proposed Change Order pursuant to this Work Letter shall be, and City's prior approval of the Construction Documents and the schematic design ("Schematic Design") and design development documents ("Design Development Documents") for the Tenant Improvements was, for its sole purpose as owner and landlord of the Premises and shall not imply City's review of such items, or obligate City to review such items, for quality, design, Code compliance, or other similar matters. Accordingly, notwithstanding City's review of the Schematic Design, the Design Development Documents, the Construction Documents, or any proposed Change Order pursuant to this Work Letter, City shall have no liability in connection therewith and shall not be responsible for any omissions or errors contained therein. Tenant's waiver and indemnity under Section 18.2 of the Lease shall specifically apply to the Schematic Design, Design Development Documents, Construction Documents and any Change Order.

c. Payment for Plans. The costs of preparing the Schematic Design, Design Development Documents, Construction Documents, and any Change Orders shall be paid by Tenant. Tenant shall evidence payment of such costs by invoices and other substantiation as City may reasonably require.

d. Changes to Approved Construction Documents.

i. Change Orders. If Tenant requests any change, addition or alteration to the Construction Documents relating to the design or specifications of the Tenant Improvements (each, a "Change Order"), Tenant shall cause the Architect or FTF Engineering, Inc., a California corporation ("Engineer"), as applicable, to prepare plans and specifications the cost that would be incurred, and any delay in the anticipated date of Substantial Completion that would result, by reason of such proposed Change Order. City shall have five (5) days of receipt of the plans and specifications and the information required in the foregoing sentence from Tenant to approve or disapprove the requested Change Order. If City approves of such Change Order, then Contractor may proceed with such Change Order. If City does not approve such Change Order within the above-mentioned five (5) day period, construction of the Premises shall proceed in accordance with the original completed and approved Construction Documents. Tenant shall be responsible for the costs incurred by Tenant in preparing the plans and specifications relating to any Change Order, provided Tenant shall have the right to deduct such costs, as evidenced by invoices or other substantiation reasonably required by City, against the Allowance to the extent they are Reimbursable Costs, as defined in Section 4.a. below.

ii. Appointment of Representatives. City and Tenant shall each designate and maintain at all times during the design and construction period a project representative ("Representative"), and an alternate for such Representative ("Alternate"), each of whom shall be authorized to confer and attend meetings and represent such party on any matter relating to this Work Letter. City and Tenant shall not make any inquiries of or requests to, and shall not give any instructions or authorizations to, any other employee or agent of the other party, including without limitation, the other party's architect, engineers, consultants and contractors or any of their agents or employees, with regard to matters associated with this Work Letter. The initial Representatives and Alternates shall be:

City:	Representative -- Mara Blitzer Alternate -- Jonathan Gagen
Tenant:	Representative -- Linda Esposito Alternate -- Caleb Zigas

Each party may at any time and from time to time change its Representative or Alternate by written notice to the other party. Each party's Representative or Alternate shall be available during ordinary business hours so that questions and problems may be quickly resolved and so that the Tenant Improvements may be completed economically and in accordance with the Construction Schedule. All approvals made by City's Representative or Alternate shall be made in writing.

2. Contractor and Tenant Improvement Contract

a. Contractor. "Contractor" shall mean BCCI Construction Company, a California corporation.

b. Contract. Tenant and Contractor shall have a written agreement for the performance of the Tenant Improvements ("Contract"). The Contract shall be in a form reasonably-acceptable to City and shall include the following: (i) the prevailing wage and local hire language in Section 6.2 and Section 6.3 of the Lease, (ii) insurance requirements that, at a minimum, meet the requirements of Section 19.1(b) of the Lease, (iii) require the completion of the Tenant Improvements within the eighteen (18) month anniversary of the Effective Date (as defined in the Lease), (iv) to the extent possible, permit the assignment of the warranties provided under the Contract to City on the expiration or termination of the Lease, (v) the indemnity language attached to this Work Letter as Exhibit A, and (vi) require Contractor to have its contracts with any subcontractors for the Tenant Improvements include the indemnity

language attached to this Work Letter as Exhibit A, as modified to replace all references to "Contractor" with references to such subcontractor.

Prior to executing the Contract, Tenant shall deliver it to City for approval, which approval shall not be unreasonably withheld or delayed. Following any City approval of the form of Contract, Tenant shall deliver a copy of the fully executed Contract to City within five (5) days following such full execution.

3. Construction

a. Permits. Tenant shall have the responsibility for obtaining all governmental permits and approvals (including any required of City acting in its regulatory capacity) required to commence and complete the Tenant Improvements, and promptly on receipt thereof shall deliver copies of all of such permits and approvals to City. Tenant shall use its best efforts to obtain all such approvals and permits on or before December 31, 2019. Tenant shall have the responsibility of calling for all inspections required by City's Department of Building Inspection.

b. Construction of Tenant Improvements. Following City's approval of the Construction Documents, Tenant shall cause the Tenant Improvements to be constructed and installed in a good and professional manner in accordance with sound building practice and in conformity with the Construction Documents, as revised by any Change Orders, and the terms of this Work Letter. City shall not have any obligation with respect to any such work.

c. Construction Schedule. Within five (5) days after approval of all required permits for construction in accordance with the approved Construction Documents, Tenant shall commence construction of the Tenant Improvements and shall diligently pursue such construction to completion, all in accordance with the construction schedule attached hereto as Exhibit B (the "Construction Schedule"). Tenant shall promptly notify City in writing if there are any changes to the Construction Schedule.

d. Status Reports; Inspections. Tenant shall keep City apprised of the status of permit approval and the progress of construction. Tenant or its Contractor shall furnish City with monthly reports on construction. From time to time during the design and construction of the Tenant Improvements, City shall have the right on reasonable advance oral or written notice to Tenant to enter the Premises at reasonable times to inspect the Premises, provided such inspections do not unreasonably interfere with the construction. Tenant or its Representative may accompany City during any such inspection of the Tenant Improvements.

e. General Conditions. The performance of all Tenant Improvements by Tenant shall be subject to the following terms and conditions:

i. All of the Tenant Improvements shall be performed in compliance with all laws, codes, regulations and building requirements (collectively, "Laws") bearing on, and permits issued for, construction of the Tenant Improvements;

ii. Without limiting the foregoing, the construction of the Tenant Improvements shall comply with all requirements of the Americans With Disabilities Act of 1990 and Title 24 of the California Code of Regulations and all other applicable federal, state, local and administrative laws, rules, regulations, orders and requirements intended to provide equal accessibility for persons with disabilities (collectively, "Disabled Access Laws");

iii. Tenant and its Contractor shall be responsible for all required insurance;

iv. Tenant and its Contractor shall comply with all applicable provisions of the Lease with respect to the Tenant Improvements, including, but not limited to, the requirements of Article 6 and Section 19.1(b), Section 27.27, Section 27.40, Section 27.41, and Section 27.47 of the Lease.

f. Cooperation. Tenant shall cooperate at all times with City in bringing about the timely completion of the Tenant Improvements. Tenant shall resolve any and all disputes arising out of the construction of the Tenant Improvements in a manner which shall allow work to proceed expeditiously.

g. Asbestos Related Work. If Tenant or Contractor, or their respective consultants, agents or subcontractors encounter any asbestos containing materials (ACM) in the Premises in connection with the Tenant Improvements, Tenant shall be responsible for all legally required work or other work necessary relating to the proper containment, abatement, removal and disposal of such ACM and all costs thereof. In no event shall any such costs be City's responsibility, except to the extent that Tenant elects to use the Allowance to pay such costs if they are Reimbursable Costs.

h. Construction Improvements that Disturb or Remove Exterior Paint. Tenant, on behalf of itself and its agents, employees, officers and contractors (including Contractor), shall comply with all requirements of the San Francisco Building Code Chapter 34 and all other applicable local, state, and Federal laws, including but not limited to the California and United States Occupational and Health Safety Acts and their implementing regulations, when the work of improvement or alteration disturbs or removes exterior or interior lead-based or "presumed" lead-based paint (as defined below). Tenant, its agents, employees, officers and contractors (including Contractor) shall give to City three (3) days' prior written notice of any disturbance or removal of exterior or interior lead-based or presumed lead-based paint. Tenant acknowledges that the required notification to City's Department of Building Inspection regarding the disturbance or removal of exterior lead-based paint pursuant to Chapter 34 of the San Francisco Building Code does not constitute notification to City as landlord under the Lease or this Work Letter and similarly that notice under the Lease or this Work Letter does not constitute notice under Chapter 34 of the San Francisco Building Code. Further, Landlord and its agents, employees, officers and contractors (including Contractor), when disturbing or removing exterior or interior lead-based or presumed lead-based paint, shall not use or cause to be used any of the following methods: (a) acetylene or propane burning and torching; (b) scraping, sanding or grinding without containment barriers or a High Efficiency Particulate Air filter ("HEPA") local vacuum exhaust tool; (c) hydroblasting or high-pressure wash without containment barriers; (d) abrasive blasting or sandblasting without containment barriers or a HEPA vacuum exhaust tool; and (e) heat guns operating above 1,100 degrees Fahrenheit. Tenant covenants and agrees to comply with the requirements of Title 17 of the California Code of Regulations when taking measures that are designed to reduce or eliminate lead hazards. Under this Section, paint on the exterior or interior of buildings built before January 1, 1979 is presumed to be lead-based paint unless a lead-based paint test, as defined by Chapter 34 of the San Francisco Building Code, demonstrates an absence of lead-based paint on the interior or exterior surfaces of such buildings. Under this Section, lead-based paint is "disturbed or removed" if the work of improvement or alteration involves any action that creates friction, pressure, heat or a chemical reaction on any lead-based or presumed lead-based paint on a surface so as to abrade, loosen, penetrate, cut through or eliminate paint from that surface.

i. Accessibility Improvements. Tenant shall cause Contractor to furnish and install all improvements that are required to bring the Premises into full compliance with all Disabled Access Laws. All costs of such work shall be performed at Tenant's sole cost and expense, except to the extent that Tenant elects to properly apply any of the Allowance to such costs if they are Reimbursable Costs.

4. Tenant Improvement Allowance

a. Amount; Reimbursable Costs. Tenant shall be entitled to a one-time tenant improvement allowance up to \$1,465,000 (the "Allowance") for the labor and material costs and architect and engineering fees Tenant incurs for the design and construction of the Tenant Improvements that are completed in compliance with the Construction Documents and applicable Laws and permits (the "Reimbursable Costs"); provided, however, that Reimbursable Costs shall not include (i) the cost of any work that is not authorized by the Construction Documents or any City-approved Change Orders, (ii) costs resulting from Tenant's default of its obligations under this Work Letter or the Lease, (iii) costs resulting from any default by the Architect, Engineer, Contractor, or Tenant's other design professionals that design any portion of the Tenant Improvements, or (iv) costs that are recovered or are reasonably recoverable by Tenant from a third party (e.g., insurers, warrantors, or tortfeasors). Any Reimbursable Costs that exceed the Allowance shall be paid by Tenant at its sole cost. City shall not be responsible for, and the Reimbursable Costs shall exclude, any review, supervision, administration or management fees of any person or entity, any overhead or other general expenses of Tenant or any other person or entity, and any charges for parking or use of hoists. Tenant shall timely pay all Tenant Improvement costs when due.

b. Disbursement. Following the commencement of the Tenant Improvements, City shall make monthly disbursements of the Allowance for Reimbursable Costs incurred and paid by Tenant as follows:

i. Following the commencement of the Tenant Improvements and City's approval of the Final Budget (as defined in Section 4.c. below), Tenant shall have the right to request reimbursement of the Reimbursable Costs from City up to the Allowance, provided, however, that such request shall not be made more than once every calendar month. To request such reimbursement, Tenant shall deliver the following materials to City (collectively, a "Draw Request"): (A) Contractor's request for payment detailing the percentage of completion of the Tenant Improvements by trade at the time of such request, detailing the portion of the Tenant Improvements that has and has not been completed as of the date of such request; (B) invoices from all subcontractors, laborers, materialmen, and suppliers used by Tenant and the Contractor (collectively, "Tenant's Agents") for the Tenant Improvements for labor rendered and materials delivered to the Premises for the Tenant Improvements, together with executed mechanic's lien releases from all of Tenant's Agents for such labor and materials, which releases shall comply with the appropriate provisions of California Civil Code Section 8124 as reasonably determined by City; (C) reasonable evidence of Tenant's payment of such submitted Contractor's request for payment and invoices of Tenant's Agents; (D) Tenant's certification that there are no overdue payments for the Tenant Improvements owing to the Architect, Engineer, Contractor, or any of their respective subcontractors as of the date Tenant delivers the Draw Request to City, and (E) all other information reasonably requested by City. Tenant's submission of a Draw Request shall be deemed Tenant's acceptance and approval of the furnished work and/or supplied materials described in such Draw Request.

ii. Until the first \$250,000 of the Allowance is disbursed, City's Real Estate Division shall submit documentation to City's Controller for payment to Tenant of an amount equal to the Reimbursable Costs set forth in such Draw Request within three (3) days following City's receipt of a complete and correct Draw Request subject to Section 4.c. below.

iii. After the first \$250,000 of the Allowance is disbursed, City's Real Estate Division shall submit documentation to City's Controller for payment to Tenant of an amount equal to fifty percent (50%) of the Reimbursable Costs set forth in such Draw Request within five (5) days following City's receipt of a complete and correct Draw Request subject to Section 4.c. below.

iv. Notwithstanding anything to the contrary in the foregoing (ii) and (iii), City shall have the right, in its sole discretion, to withhold a disbursement of the Allowance until Tenant provides City with reasonable evidence that Tenant holds, or has the right to receive, all funds necessary for the full payment of the Tenant Improvements at the time City would otherwise be obligated to such disbursement.

v. Any City disbursement of the Allowance shall not be deemed City's approval or acceptance of the work furnished or materials supplied as set forth in the Draw Request submitted for such disbursement.

c. Budget and Payment Schedule. The draft budget and payment schedule for the cost of the Tenant Improvements, which includes a detailed breakdown, by trade, of the anticipated costs and the anticipated timing of Tenant's disbursement requests of the Allowance, is attached as Exhibit C to this Work Letter. At the time Tenant delivers the Contract to City for its approval pursuant to Section 2.b. above, Tenant shall deliver an updated budget and payment schedule to City for approval, which approval shall not be unreasonably withheld or delayed. Any updated budget and payment schedule approved by City pursuant to this subsection shall be the "Final Budget". The Final Budget shall restrict all costs projected to be reimbursed by the Allowance to line items in cost categories of the budget. Tenant shall obtain City's prior written approval to any change to the Final Budget.

If the Tenant Improvements cannot be completed in strict conformity with the most recently approved construction budget, Landlord shall immediately submit to City for its approval a revised construction budget and shall identify to City changes in line items and the reasons for the changes. If further changes are required, Landlord shall seek City's approval, following the same procedures. No Reimbursable Costs shall be reimbursed from the Allowance unless and until City approves the Final Budget and any revisions thereto. City shall have the right to approve or disapprove any construction budget or revisions in its reasonable judgment. No such approval or disapproval shall be unreasonably delayed. The most recently approved construction budget shall supersede all previously approved budgets.

d. Required Documentation of Costs. In addition to the invoices submitted with any Draw Request, Tenant shall provide City with copies of (i) all invoices received by Tenant from the Contractor in connection with the construction of the Tenant Improvements and all invoices received by Tenant from the Architect or Engineer in connection with the design of the Tenant Improvements, (ii) satisfactory evidence of payment of such invoices, including unconditional lien waivers, or if such invoices have not been paid, conditional lien waivers, all such lien waivers being in the form prescribed by California Civil Code Section 8124 and executed by each subcontractor and material supplier, and (iii) such additional supporting data substantiating the Contractor's, Architect's, or Engineer's (as applicable) right to payment as City may reasonably require, such as copies of requisitions from subcontractors and material suppliers.

e. No Waiver of Conditions. Each waiver by City of a condition of a disbursement of the Allowance must be expressly made by City in writing. If City makes a disbursement before fulfillment of one or more required conditions, that payment alone shall not be a waiver of such conditions, and City reserves the right to require the fulfillment of such conditions before making any subsequent disbursements. If all conditions are not satisfied, City, acting in its reasonable judgment, may make disbursements for certain items or categories of Reimbursable Costs and not others.

5. Substantial Completion

a. Construction Schedule. Tenant shall complete the Tenant Improvements on or before the eighteen (12) month anniversary of the Effective Date as extended by any Unavoidable Delays (as such term is defined in Section 6 below) in accordance with the

Construction Schedule attached hereto. When construction progress so permits, but not less than fifteen (15) days in advance of completion, Tenant shall notify City of the approximate date on which the Tenant Improvements will be substantially completed in accordance with the approved Construction Documents and the provisions hereof. Tenant shall notify City when the Tenant Improvements are in fact Substantially Completed (as defined in the following subsection) and the Premises are ready for occupancy by Tenant, and City or its representatives shall be permitted to accompany Tenant or its architect on an inspection of the Premises on such date or other mutually agreeable date soon thereafter.

b. Substantial Completion. The Tenant Improvements shall be deemed to be "Substantially Completed" under this Work Letter when (i) all necessary inspections required for occupancy of the Premises have been completed and signed off as approved by the appropriate governmental authority(ies), (ii) a temporary certificate of occupancy with respect to Tenant's occupancy of the Premises has been issued by the appropriate governmental authority, and (iii) the Architect reasonably determines and certifies in writing to City that the Tenant Improvements have been Substantially Completed in accordance with the Construction Documents to the extent necessary to enable Tenant to occupy the Premises and to conduct its normal business operations therein without unreasonable impairment or interference, but subject to "punchlist" items, the completion of which will not unreasonably interfere with Tenant's normal business operations therein. If there are any remaining punchlist items after the Tenant Improvements are Substantially Completed, Tenant shall diligently pursue such punchlist items to completion.

6. Delays in Construction

a. Unavoidable Delays. For purposes hereof, "Unavoidable Delays" shall mean any delays by reason of acts of God, accidents, breakage, repairs, strikes, lockouts, other labor disputes, inability to obtain labor or materials after using diligent and timely efforts, enemy action, civil commotion, protests, riots, demonstrations, or by any other reason without fault and beyond the reasonable control of the party obligated to perform. If there is any such delay, the party affected by such delay shall give prompt written notice to the other of the occurrence of such event and the projected delay in performance, and thereafter shall keep the other party regularly informed of the status of such Unavoidable Delay. Under no circumstances shall the number of days of Unavoidable Delays exceed a total of sixty (60) days.

b. City Delays. Subject to any Unavoidable Delay, City shall be responsible for any delay (a "City Delay") in the construction of the Tenant Improvements due solely and directly to City's delay in granting its reasonable approval of plans and specifications or any requested Change Order (beyond the period granted therefor) after receiving all materials Tenant is required to deliver to City pursuant to this Work Letter for City's review in considering such plans and specifications or Change Order. Any City Delays in the completion of construction of the Tenant Improvements shall extend the date for Substantial Completion hereunder. Notwithstanding the foregoing, City shall be responsible and the date for Substantial Completion shall be extended only to the extent any delays are actually and directly caused by City Delays.

7. General Provisions.

a. Notices. Except as may be otherwise specifically provided herein, any notice given under this Work Letter shall be in writing and given by delivering the notice in person, by commercial courier or by sending it by first class mail, certified mail with a return receipt requested, or U.S. Postal Service Express Mail, return receipt requested, with postage prepaid, and addressed to the parties as follows:

or such other address as a party may designate to the others as its new address for such purpose by notice given to the others in accordance with the provisions of this subsection. Any notice hereunder shall be deemed to have been given and received two (2) days after the date when it is mailed if sent by first class, certified mail, one day after the date when it is mailed if sent by overnight courier, or on the date personal delivery is made. Neither party may give official or binding notice by facsimile.

b. Duty to Notify City. Tenant shall promptly notify City in writing of (i) any written communication that Tenant may receive from any governmental, judicial or legal authority, giving notice of any claim or assertion that the Property, Building or Tenant Improvements fail in any respect to comply with applicable laws, rules and regulations; (ii) any known material adverse change in the physical condition of the Property, including, without limitation, any damage suffered as a result of earthquakes; and (iii) any known default by the Contractor or any subcontractor or material supplier, or any known material adverse change in the financial condition or business operations of any of them.

c. Days. Unless otherwise provided herein, all periods specified by a number of days shall refer to business days. Saturdays, Sundays and recognized City holidays shall not constitute business days.

d. Approvals. Landlord understands and agrees that City is entering into this Work Letter in its proprietary capacity as owner of the Premises and not as a regulatory agency with certain police powers. Notwithstanding anything to the contrary herein, no approval by City of the plans for the Tenant Improvements (including the Design Development Documents or Construction Documents), completion of the Tenant Improvements nor any other approvals by City hereunder shall be deemed to constitute approval of any governmental or regulatory authority with jurisdiction over the Premises. All approvals or other determinations of City as tenant hereunder may be made by City's Director of Property unless otherwise specified herein.

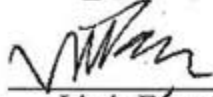

8. Time of the Essence. Time is of the essence with respect to all provisions of this Work Letter in which a definite time for performance is specified, including, without limitation, the date for Substantial Completion.

Contract Indemnity Language

(a) Consistent with California Civil Code Section 2782, Contractor shall assume the defense of, indemnify and hold harmless the City, its boards and commissions, and all of their officers, agents, members, employees, authorized representatives, or any other persons deemed necessary by any of them acting within the scope of the duties entrusted to them, from all claims, suits, actions, losses and liability of every kind, nature and description, including, but not limited to attorneys fees, directly or indirectly arising out of, connected with or resulting from the performance of this contract. This indemnification shall not be valid in the instance where the loss is caused by the sole negligence or intentional tort of any person indemnified herein.

(b) Contractor acknowledges that any claims, demands, losses, damages, costs, expenses, and legal liability that arises out of, result from, or are in any way connected with the release or spill of any legally designated hazardous material or waste or contaminated material as a result of the work performed under this contract are expressly within the scope of this indemnity, and that the costs, expenses, and legal liability for environmental investigations, monitoring, containment, removal, repair, cleanup, restoration, remedial work, penalties, and fines arising from the violation of any local, state, or federal law or regulation, attorney's fees, disbursements, and other response costs are expressly within the scope of this indemnity.

(c) The City will provide Contractor with prompt written notice after receipt of any claim, action or demand ("claim") made by a third party against the City and/or other indemnified party, provided, however, that no delay on the part of the City or other indemnified party shall relieve Contractor from any obligation hereunder. Contractor shall obtain the City's and other indemnified parties' consent for Contractor's choice of counsel and such consent shall not be unreasonably withheld or delayed, such that any responsive pleadings may be timely filed and in every instance, within thirty (30) days after City or other indemnified party has given notice of the claim, and provided further that City and other indemnified party may retain separate counsel co-counsel at their expense and participate in the defense of the claim. If the interests of Contractor and the City and/or other indemnified party conflict and counsel chosen by Contractor cannot, in City's or other indemnified parties' reasonable opinion, adequately represent Contractor, City and/or other indemnified party, then the cost and expense associated with the City and/or other indemnified party retaining separate counsel shall be borne by Contractor, otherwise, the cost and expense of separate co-counsel retained by City and/or other indemnified party shall be borne by the City or other indemnified party, as applicable. Subject to Contractor's obligation to reimburse City's and other indemnified parties' costs of same, City and other indemnified parties will assist Contractor in the defense of the claim by providing cooperation, information and witnesses, as needed to the extent there is no material conflict of interest.

i. So long as Contractor has assumed and is conducting the defense of a claim in accordance with the preceding subsection, (i) Contractor will not consent to the entry of any judgment or enter any settlement with respect to the claim without the prior written consent of City or other indemnified party, as applicable, which consent will not be unreasonably withheld, unless the judgment or proposed settlement involves only the payment of money damages by Contractor and does not impose any obligation upon the City and/or other indemnified party in connection with such judgment or settlement and Contractor obtains the full and complete release of City and/or other indemnified parties; and (ii) City and/or other indemnified parties will not consent to the entry of judgment or enter into any settlement without the prior written consent of Contractor.

ii. If Contractor does not assume and conduct the defense of claim as required above, (i) City or other indemnified party may defend against, and consent to, the entry of any judgment or enter into any settlement with respect to the claim in any manner it reasonably may deem

appropriate, and City or other indemnified party need not consult with, or obtain any consent from, Contractor, and (ii) Contractor will remain responsible for any losses City and/or other indemnified party may suffer resulting from, arising out of, relating to, in the nature of, or caused by the claim to the fullest extent provided in this Section.

This Easement Amendment and Agreement ("Agreement") is entered into on this 4 day of August, 2016 ("Effective Date"), by and between the CITY AND COUNTY OF SAN FRANCISCO, a municipal corporation ("Grantor") and THE JUSTICE AND DIVERSITY CENTER OF THE BAR ASSOCIATION OF SAN FRANCISCO, a California nonprofit mutual benefit corporation ("Grantee"), referred to collectively as "parties" and individually as "party" or "each party."

RECITALS

- A. Grantor is the owner of record of certain real property as described in the attached Exhibit A, commonly described as 101 Hyde Street, San Francisco, California (the "101 Hyde Property").
- B. Grantee is the owner of record of certain real property as described in the attached Exhibit B, commonly described as 125 Hyde Street, San Francisco, California (the "125 Hyde Property").
- C. The 125 Hyde Property is benefited by an easement for ingress and egress burdening the western portion of the 101 Hyde Property as granted in the grant deed dated June 1, 1932 in Book 2378 of the Official Records of the City and County of San Francisco at Page 191 and as granted in the grant deed dated January 22, 1942 in Book 3846 of the Official Records of the City and County of San Francisco at Page 230 (the "Existing Access Easement").
- D. Grantor and Grantee enter into this Agreement for the purpose of amending the Existing Access Easement for the express purposes described below in this Agreement over a portion of the 101 Hyde Property.

NOW, THEREFORE, with regard to the foregoing Recitals and for good and sufficient consideration, the adequacy of which is acknowledged, Grantor and Grantee agree as follows:

AGREEMENT

1. **Recitals.** The forgoing Recitals are hereby incorporated in this Agreement and made a part hereof by reference.
2. **Amendment of Existing Access Easements.** Grantee and Grantor hereby amend the Existing Access Easement, such that the Existing Access Easement shall retain priority over later-recorded documents.
3. **Grant of Easement.** Grantor hereby amends the Existing Access Easement to allow Grantee a non-exclusive access easement over and across a portion of the 101 Hyde Property determined as follows: a portion of the 101 Hyde Property with a width of at least sixteen (16) feet and a height of at least twelve (12) feet sufficient for the Permitted Uses (as defined below) (collectively, the "Easement Area"). The Easement Area shall commence within 18 inches and run the entire distance of the 101 Hyde Property's western border and allow Grantee to engage in the Permitted Uses between Golden Gate Avenue, to the south, and the border of the 125 Hyde Property, to the north. The Easement Area may be located on the surface of the 101 Hyde Property or within a structure constructed by Grantor and/or may be behind a gate; provided that if the Easement Area intended for Pedestrian Uses is within a structure, such Easement Area shall meet all requirements of the San Francisco Municipal Code ("Code") for emergency pedestrian egress, as such Code requirements apply at the time of construction of any such structure within the Easement Area. If there is any locked or gated entry to the 101 Hyde Property, access arrangements shall be made to allow Grantee to engage in Permitted Uses of the Easement Area at all times (i.e., 24-hour a day access to the Easement Area). In all cases, in the case of any new development on the 101 Hyde Property, Grantor shall be responsible for providing a locked or gated entry on the north end of the Easement Area between the 101 Hyde Property and the 125 Hyde Property. Grantor and Grantee shall from time-to-time execute a separate agreement to document reasonable provisions relating to such access.
4. **Permitted Uses/Grantee's Use of the Easement Area.** Grantee may make use of the Easement Area for the following (collectively, the "Permitted Uses"): (i) routine vehicular ingress and egress between Golden Gate Avenue and Grantee's parking spaces located in the rear of the 125 Hyde Property (the "Vehicular Uses"); and (ii) routine pedestrian ingress and egress for employees, contractors, guests, and visitors accessing the 125 Hyde Property (including but not limited to the regular relocation of garbage, composting and recycling receptacles between the 125 Hyde Property and Golden Gate Avenue), and emergency pedestrian egress from the 125 Hyde Property (the "Pedestrian Uses"). Subject to the rights of Grantee to use the Easement Area for the Permitted Uses (subject to disruptions permitted pursuant to Section 5 below) Grantor shall retain for itself the full right to use the Easement Area for any and all purposes, including without limitation: pedestrian and vehicular ingress and egress to its own property, maintenance, and construction of temporary or permanent structures.
5. **Temporary Closures of Easement Area.** Grantor (or the subsequent owner of the 101 Hyde Property) will use best efforts to minimize any disruptions to the Permitted Uses. Grantor (or the subsequent owner of the 101 Hyde Property) shall provide notice to Grantee of any construction or use of the Easement Area that might disrupt Grantee's Permitted Uses of the Easement Area. For disruptions to the Permitted Uses lasting more or reasonably expected to

last more than 24 continuous hours, Grantor (or the subsequent owner of the 101 Hyde Property) will provide or pay for Grantee's use of offsite parking for up to three (3) cars, and will bear all efforts and costs of reasonably accommodating Grantee's Pedestrian Uses, for as long as such disruption persists. For construction and development of the 101 Hyde Property, Grantor (or the subsequent owner of the 101 Hyde Property) and Grantee shall execute a separate agreement to reasonably accommodate Grantee's Permitted Uses throughout the time of construction.

6. **Runs with the Land.** The benefits and burdens of this Agreement will run with the land in accordance with California Civil Code §§ 1460-1471. Each covenant of either party to this Agreement to do or refrain from doing some act stated in this Agreement is expressly for the benefit of the land of the other party to this Agreement, which is described in this Agreement. The successive owners of each of those properties owned by either party are bound by this Agreement for the benefit of the other property. Each covenant runs with both the land owned by or granted to the Grantor and the land owned by or granted to the Grantee and will benefit or be binding on each successive owner, during his, her, or its ownership, of any portion of the land affected by this Agreement and on each person having any interest in it derived through any owner thereof. Immediately on its execution, this Agreement will be recorded in the Official Records of the County of San Francisco, State of California.

7. **Dedication.** Nothing contained in this Agreement shall be deemed to be a gift or dedication of any portion of the Easement Area or the 101 Hyde Property to the general public for any public purpose whatsoever, except for use by the Grantee as provided in this Agreement.

8. **Entire Agreement.** This Agreement, including all recitals and exhibits to this Agreement, constitutes the entire agreement between the parties with respect to the subject matter of this Agreement, and supersedes any prior or contemporaneous understandings, negotiations, representations, promises, and agreements, oral or written, by or between the parties, with respect to the subject matter of this Agreement.

9. **Notices.** All notices under this Agreement shall be deemed duly given: (a) when personally delivered to the recipient; (b) on the first business day following confirmed overnight delivery and (c) on actual receipt or five (5) days following deposit in United States registered or certified mail, postage prepaid and return receipt requested, addressed to the parties as set forth below. 10. Amendment. This Agreement may be amended, modified, or supplemented only by a writing signed by all parties.
11. Waiver. No waiver of any provision of this Agreement shall be binding unless executed in writing by the party making the waiver. Any suit involving any dispute or matter arising under this Agreement may only be brought in the applicable court with jurisdiction over this matter located in the City and County of San Francisco, California. The parties hereby consent to the exercise of personal jurisdiction by any such court with respect to any such proceeding.

15. Further Actions. In particular the parties agree: (i) upon request of either party, to execute such documentation confirming the location of the Easement Area as the same may exist from time-to-time; and (ii) upon request of Grantee, to execute and record a separate easement with respect to the emergency egress Pedestrian Uses, which easement shall name the City and County of San Francisco as a third party beneficiary thereto and shall otherwise be in a form required by the City and County of San Francisco to allow such easement to satisfy any emergency egress requirements of the 125 Hyde Property; provided that no such separate easement imposes any additional burdens on Grantor than those imposed hereunder.
16. Attorney Fees and Costs. Each party will bear its own fees and costs in reviewing this Agreement. Grantor shall, at its sole cost and expense, record this Agreement with the San Francisco County Recorder's Officer. In the event any action or proceeding to enforce or

interpret this Agreement or otherwise arising out of or in connection with the subject matter of this Agreement (including, but not limited to, any suit, arbitration, entry of judgment, post judgment motion, or enforcement, appeal, bankruptcy litigation, attachment, or levy) is instituted, the prevailing party shall be entitled to recover its costs and expenses, including, but not limited to, reasonable attorneys' fees, expert fees, consultant fees, and costs.

17. **Time of the Essence.** Time is of the essence in the performance of the parties' respective obligations under this Agreement.

18. **Effectiveness.** This Agreement shall become effective only when signed and delivered by the parties and recorded with the San Francisco County Recorder's Officer.

19. **Counterparts.** This Agreement may be executed in counterparts, each of which shall constitute an original and all of which, when taken together, shall constitute one and the same instrument.

This Easement Amendment and Agreement ("Agreement") is entered into on this 4 day of August, 2016 ("Effective Date"), by and between the CITY AND COUNTY OF SAN FRANCISCO, a municipal corporation ("Grantor"), and LARKIN STREET YOUTH SERVICES, a California nonprofit public benefit corporation ("Grantee"), referred to collectively as "parties" and individually as "party" or "each party."

RECITALS

- A. Grantor is the owner of record of certain real property as described in the attached Exhibit A, commonly described as 101 Hyde Street, San Francisco, California (the "101 Hyde Property").
- B. Grantee is the owner of record of certain real property as described in the attached Exhibit B, commonly described as 129 Hyde Street, San Francisco, California (the "129 Hyde Property").
- C. The 129 Hyde Property is benefited by an easement for ingress and egress burdening the western portion of the 101 Hyde Property as granted in the grant deed dated February 20, 1931 in Book 2162 of the Official Records of the City and County of San Francisco at Page 285 (the "Existing Access Easement").
- D. Grantor and Grantee enter into this Agreement for the purpose of amending the Existing Access Easement for the express purposes described below in this Agreement over a portion of the 101 Hyde Property.

NOW, THEREFORE, with regard to the foregoing Recitals and for good and sufficient consideration, the adequacy of which is acknowledged, Grantor and Grantee agree as follows:

AGREEMENT

1. **Recitals.** The forgoing Recitals are hereby incorporated in this Agreement and made a part hereof by reference.
2. **Amendment of Existing Access Easements.** Grantee and Grantor hereby amend the Existing Access Easement, such that the Existing Access Easement shall retain priority over later-recorded documents.
3. **Grant of Easement.** Grantor hereby amends the Existing Access Easement to allow Grantee a non-exclusive access easement over and across a portion of the 101 Hyde Property determined as follows: a portion of the 101 Hyde Property with a width of at least sixteen (16) feet and a height of at least twelve (12) feet sufficient for the Permitted Uses (as defined below) (collectively, the "Easement Area"). The Easement Area shall commence within 18 inches and run the entire distance of the 101 Hyde Property's western border and allow Grantee to engage in the Permitted Uses between Golden Gate Avenue, to the south, and the border of 125 Hyde Street, San Francisco, California, to the north. The Easement Area may be located on the surface of the 101 Hyde Property or within a structure constructed by Grantor and/or may be behind a gate; provided that if the Easement Area intended for Pedestrian Uses is within a structure, such Easement Area shall meet all requirements of the San Francisco Municipal Code ("Code") for emergency and non-emergency pedestrian egress, as such Code requirements apply at the time of construction of any such structure within the Easement Area. If there is any locked or gated entry to the 101 Hyde Property, access arrangements shall be made to allow Grantee to engage in Permitted Uses of the Easement Area at all times (i.e., 24-hour a day access to the Easement Area). In connection with any new development on the 101 Hyde Property, Grantor shall provide a locked or gated entry on the north end of the Easement Area between the 101 Hyde Property and the 125 Hyde Property; provided, Grantor shall have no liability for the unauthorized use or access of the Easement Area. Grantor and Grantee shall from time-to-time execute a separate agreement to document reasonable provisions relating to such access. This Agreement shall not alter the Existing Access Easement as to any portion of the Existing Access Easement that exists outside the bounds of the 101 Hyde Property.
4. **Permitted Uses/Grantee's Use of the Easement Area.** Grantee may make use of the Easement Area for the following (collectively, the "Permitted Uses"): (i) routine vehicular ingress and egress between Golden Gate Avenue and the rear of the 129 Hyde Property (the "Vehicular Uses"); and (ii) routine pedestrian ingress and egress for employees, contractors, guests, and visitors accessing the 129 Hyde Property (including but not limited to the regular relocation of garbage, composting and recycling receptacles between the 129 Hyde Property and Golden Gate Avenue), and emergency pedestrian egress from the 129 Hyde Property (the "Pedestrian Uses"). 5. **Temporary Closures of Easement Area.** Grantor (or the subsequent owner of the 101 Hyde Property) will use best efforts to minimize any disruptions to the Permitted Uses. Grantor

(or the subsequent owner of the 101 Hyde Property) shall provide notice to Grantee of any construction or use of the Easement Area that might disrupt Grantee's Permitted Uses of the Easement Area. For disruptions to the Permitted Uses lasting more or reasonably expected to last more than 24 continuous hours, Grantor (or the subsequent owner of the 101 Hyde Property) will bear all efforts and costs of reasonably accommodating Grantee's Pedestrian Uses, for as long as such disruption persists. For construction and development of the 101 Hyde Property, Grantor (or the subsequent owner of the 101 Hyde Property) and Grantee shall execute a separate agreement to reasonably accommodate Grantee's Pedestrian Uses throughout the time of construction.

City shall give Tenant reasonable advance notice, in accordance with the provisions of this Lease, of any material modifications and additions, which shall be subject to the reasonable approval of Tenant.

Subject to the terms and conditions of this Lease, City shall provide the following basic utilities and services:

At all times, Tenant's use of electric current shall not exceed the capacity of feeders to the Building or the risers or wiring installation, except as provided in working drawings to City.

City shall in all cases retain the right to control and prevent access thereto of all persons whose presence in the judgment of City would be prejudicial to the safety, character, reputation and interests of the Building, provided that nothing herein contained shall be construed to prevent such access to persons with whom Tenant normally deals in the ordinary course of its business, unless such persons are engaged in illegal activities. Tenant shall not go upon the roof of the Building without the written consent of City or, except in areas that City may designate as "Common Areas" from time to time.

All approved signs or lettering on doors shall be printed, painted, affixed or inscribed at the expense of Tenant by a person approved by City, which approval will not be unreasonably withheld. City's approval as Landlord does not imply any necessary regulatory approvals that Tenant may be required to obtain.
3. Any cooking done by Tenant on the Premises shall be in accordance with all applicable federal, state and local laws, codes, ordinances, rules and regulations.
4. No person or persons other than those approved by City shall be permitted to enter the Building for the purpose of cleaning same.

Tenant shall not make or have made additional keys without City's prior written consent, which consent shall not be unreasonably withheld or delayed. Tenant shall not alter any lock or install any new or additional locking devices without the prior written consent of City. All locks installed in the Premises, excluding Tenant's vaults and safes, or special security areas (which shall be designated by Tenant in a written notice to City), shall be keyed to the Building master key system. City may make reasonable charge for any additional lock or any bolt (including labor) installed on any door of the Premises. Tenant, upon the termination of its tenancy, shall deliver to City all keys to doors in the Premises. If Tenant loses any keys, Tenant shall pay City for the cost of re-keying the Premises.
6. Tenant shall schedule with City, by written notice given no less than forty-eight (48) hours in advance, its move into or out of the Building, which moving shall occur only on weekend days if required by City; and Tenant shall reimburse City upon demand for any additional security or other charges incurred by City as a consequence of such moving. The persons employed by Tenant to move equipment or other items in or out of the Building must be acceptable to City. City shall have the right to prescribe the weight, size and position of all equipment, materials, supplies, furniture or other property brought into the Building. Heavy objects shall, if considered necessary by City, stand on wood strips of such thickness as is necessary to properly distribute the weight of such objects. City will not be responsible for loss of or damage to any such property from any cause, and all damage done to the Building by moving or maintaining Tenant's property shall be repaired at the expense of Tenant.

7. Tenant shall not use or keep in the Premises or the Building any kerosene, gasoline or flammable, combustible or noxious fluid or materials or use any method of heating or air conditioning other than those limited quantities necessary for the operation and maintenance of Tenant's business. Tenant shall not use, keep or permit or suffer the Premises to be occupied or used in a manner offensive or objectionable to City by reason of noise, odors, and/or vibrations.
8. No curtains, draperies, blinds, shutters, shades, screens or other coverings, hangings or decorations shall be attached to, hung or placed in, or used in connection with any window of the Building without City's prior written consent.
9. Tenant shall see that the doors of the Premises are closed and locked and that all water faucets, water apparatus and utilities are shut off before Tenant or Tenant's employees leave the Premises, so as to prevent waste or damage, and for any default or carelessness in this regard Tenant shall make good all injuries sustained by other tenants or occupants of the Building or City. Tenant shall at all times comply with any rules or orders of the fire department with respect to ingress and egress.
10. The toilet rooms, toilets, urinals, wash bowls and other apparatus shall not be used for any purpose other than that for which they were constructed, no foreign substance of any kind whatsoever shall be deposited therein. The expense of any breakage, stoppage or damage resulting in any violation of this rule shall be borne by Tenant.
11. Except with City's prior consent or as otherwise permitted in the Lease, Tenant shall not sell, or permit the sale from the Premises of, or use or permit the use of any sidewalk or mall area adjacent to the Premises for the sale of, newspapers, magazines, periodicals, theater tickets or any other goods, merchandise or service, nor shall Tenant carry on, or permit or allow any employee or other person to carry on, business in or from the Premises for the service or accommodation of occupants or any other portion of the Building, nor shall the Premises be used for manufacturing of any kind, or for any business or activity other than that specifically provided for in Tenant's lease or as otherwise consented to by City in writing.
12. Tenant shall not install any radio or television antenna, loudspeaker, or other device on or about the roof area or exterior walls of the Building. Tenant shall not interfere with radio or television broadcasting or reception from or in the Building or elsewhere.
13. Tenant shall not use in any space, or in the common areas of the Building, any hand-trucks except those equipped with rubber tires and side guards or such other material-handling equipment as City may approve. No other vehicles of any kind shall be brought by Tenant into the Building or kept in or about the Premises without prior written consent of City.
14. Tenant shall store all its trash and garbage within the Premises until removal of the same to such location in the Building as may be designated from time to time by City. No material shall be placed in the Building trash boxes or receptacles if such material is of such nature that it may not be disposed of in the ordinary and customary manner of removing and disposing of trash and garbage in the City of San Francisco without being in violation of any law or ordinance governing such disposal.
15. All loading and unloading of merchandise, supplies, materials, garbage and refuse shall be made only through such entryways and freight elevators and at such times as City shall designate. In its use of the loading areas of the Building, Tenant shall not obstruct or permit the obstruction of said loading areas, and at no time shall Tenant park vehicles therein except for immediate loading and unloading purposes.

16. Canvassing, soliciting, peddling or distribution of handbills or any other written material in the Building is prohibited and Tenant shall cooperate to prevent the same.
17. Tenant shall immediately, upon request from City (which request need not be in writing), reduce its lighting in the Premises for temporary periods designated by City, when required in City's judgment to prevent overloads of the mechanical or electrical systems of the Building.
18. City reserves the right to select the name of the Building and to make such change or changes of name as it may deem appropriate from time to time, and Tenant shall not refer to the Building by any name other than: (i) the name as selected by City (as the same may be changed from time to time), or (ii) the postal address approved by the United States Post Office. Tenant shall not use the name of the Building in any respect other than as an address of its operation in the Building without the prior written consent of the City.
19. Tenant assumes all responsibility for protecting its Premises from theft, robbery and pilferage, which includes keeping doors locked and other means of entry closed.
20. No vending machine shall be maintained or operated within the Premises or the Building without City's prior written consent.
21. City reserves the right to exclude or expel from the Building any person who is, in the judgment of City, intoxicated or under the influence of drugs or who is in violation of any of the Rules or Regulations of the Building.
22. No animal or bird shall be permitted in the Premises or the Building, except for seeing eye dogs or other licensed service animals when in the company of their masters.
23. The requirements of Tenant will be attended to only upon application by telephone or writing or in person at the management office of the Building. Employee of City shall not perform any work or do anything outside of their regular duties unless under special instructions from City.
24. City may waive any one or more of these Rules and Regulations for the benefit of any particular tenant or tenants, but no such waiver by City shall be construed as a waiver of these Rules and Regulations in favor of any other tenant or tenants, nor prevent City from thereafter enforcing any such Rules and Regulations against any or all of the tenants of the Building.
25. Wherever the word "Tenant" occurs in these Rules and Regulations, it is understood and agreed that it shall mean Tenant's associates, agents, clerks, employees and visitors. Wherever the word "City" occurs in these Rules and Regulations, it is understood and agreed that it shall mean City's assigns, agents, officers, employees and visitors.
26. These Rules and Regulations are in addition to, and shall not be construed in any way to modify, alter or amend, in whole or part, the terms, covenants, agreements and conditions of any lease of premises in the Building.
27. City reserves the right to make such other and reasonable rules and regulations as in its judgment may from time to time be needed for the safety, care and cleanliness of the Building, and for the preservation of good order therein.
28. Tenant shall be responsible for the observance of all the foregoing Rules and Regulations by Tenant's employees, agents, clients, customers, invitees and guests.

Form B: First Source Hiring Agreement For Tenant/Concessionaire/Franchisee/Easement Holder of City Property

This First Source Hiring Agreement (this "Agreement"), is made as of May 30th, 2019, by and between La Cocina, Inc. (the "Lessee"), and the First Source Hiring Administration, (the "FSHA"), collectively the "Parties":

RECITALS

WHEREAS, Lessee plans to occupy the property owned or controlled by the City and County of San Francisco ("City") at 101 Hyde Street ("Premises") pursuant to a lease between Lessee and City dated March 9th, 2019 ("Lease") which requires a First Source Hiring Agreement between Lessee and FSHA; and,

WHEREAS, as a material part of the consideration given by Lessee under the Lease, Lessee has agreed to execute this Agreement and the First Source Employer's Projection of Entry-Level Positions form attached to this Agreement as *Exhibit A* (the "Projection Form") and participate in the Workforce System managed by the Office of Economic and Workforce Development ("OEWD") as established by the City and County of San Francisco pursuant to Chapter 83 of the San Francisco Administrative Code ("Chapter 83"); and

WHEREAS, Lessee is required to provide notice of the requirements of Chapter 83 in leases, subleases and other occupancy contracts for use of the Premises;

NOW, THEREFORE, in consideration of the mutual covenants set forth herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Parties covenant and agree as follows:

1. DEFINITIONS

For purposes of this Agreement, initially capitalized terms shall be defined as follows:

- a. **Entry Level Position:** Any non-managerial position that requires no education above a high school diploma or certified equivalency, and less than two (2) years training or specific preparation, and shall include temporary, permanent, trainee and intern positions.

- b. Workforce System: The First Source Hiring Administrator established by the City and managed by OEWD.
- c. Referral: A member of the Workforce System who has been identified by OEWD as having the appropriate training, background and skill sets for a Lessee specified Entry Level Position.

2. OEWD WORKFORCE SYSTEM PARTICIPATION

- a. Lessee shall notify OEWD's Business Team of every available Entry Level Position and provide OEWD 10 business days to recruit and refer qualified candidates prior to advertising such position to the general public. Lessee shall provide feedback including but not limited to job seekers interviewed, including name, position title, starting salary and employment start date of those individuals hired by the Lessee no later than 10 business days after date of interview or hire. Lessee will also provide feedback on reasons as to why referrals were not hired. Lessee shall have the sole discretion to interview any Referral by OEWD and will inform OEWD's Business Team why specific persons referred were not interviewed. Hiring decisions shall be entirely at the discretion of Lessee.
- b. This Agreement shall be in full force and effect throughout the term of the Lease.

3. GOOD FAITH EFFORT TO COMPLY WITH ITS OBLIGATIONS HEREUNDER

Lessee will make good faith efforts to comply with its obligations under this Agreement. Determination of good faith efforts shall be based on all of the following:

- a. Lessee will execute and deliver this Agreement and the Projection Form to OEWD upon entering into the Lease. Lessee will also accurately complete and submit the Projection Form annually to reflect employment conditions.
- b. Lessee agrees to register with OEWD's Referral Tracking System, upon execution of this Agreement.
- c. Lessee shall notify OEWD's Business Services Team of all available Entry Level Positions 10 business days prior to posting with the general public. The Lessee must identify a single point of contact responsible for communicating Entry-Level Positions and take active steps to ensure continuous communication with OEWD's Business Services Team

- d. If Lessee's operations create Entry Level Positions, Lessee will use good faith efforts to meet the hiring goals established by the FSHA for filling open Entry Level Positions with First Source referrals. Specific hiring decisions shall be the sole discretion of the Lessee.
- e. Nothing in this Agreement shall be interpreted to prohibit the continuation of existing workforce training agreements or to interfere with consent decrees, collective bargaining agreements, or existing employment contracts. In the event of a conflict between this Agreement and an existing agreement, the terms of the existing agreement shall supersede this Agreement.

Lessee's failure to meet the criteria set forth in this Section 3 does not impute "bad faith" and shall trigger a review of the referral process and compliance with this Agreement. Failure and noncompliance with this Agreement will result in penalties as defined in Chapter 83, Lessee agrees to review Chapter 83, and execution of this Agreement denotes that Lessee agrees to its terms and conditions.

Equipment will be verified during the initial test. Any difference may result in a change to this Agreement; adjustment to the contract amount may become necessary.

Testing frequency for fire alarm systems is governed by NFPA 72 that is adapted by the State of California. During the course of this agreement if changes are made to the testing frequency, once it becomes effective in California, PAFA will adjust our testing accordingly. At the time of the next rate amendment, we will adjust the cost associated with the testing.

Operating Software: Most current fire alarm systems are computer based and use operating software that is Underwriters Laboratories, Inc. (UL) listed as part of the Fire Alarm Control Unit (FACU). From time to time the software requires upgrade to enhance the system operation, or occasionally to correct omissions. The owner of the system is responsible for these upgrades. PAFA is available to assist the customer with some of the services required for the upgrade. The labor for the upgrade is not included in this agreement and will be invoiced at the discounted labor rate as indicated in Appendix B.

Equipment of Others – PAFA has no responsibility for the condition or operation of equipment installed or provided by the customer or others that may be connected to or operated in conjunction with the fire alarm system, and have no obligation to repair, test or maintain such equipment (e.g. a sprinkler system devices, elevator recall, elevator power shutdown, HVAC services, door unlocking devices). It is customer's responsibility to keep such devices in good operation and repair. PAFA will not be responsible for any damage to such devices occurring during a test or inspection we may conduct, unless such damage is caused solely by our negligence or willful misconduct.

Integrated Systems: A number of other types of systems are being integrated with fire alarm systems as they are required by various codes to be monitored and/or controlled by the fire alarm system. Unless these systems are specifically indicated in this agreement they are not being tested and serviced under this agreement.

Devices monitored by the fire control equipment will be tested for proper supervision under this Agreement. Testing & maintenance of the device being supervised is the responsibility of the customer for routine servicing. Upon request from customer, PAFA is available to assist (separately billed on a time and material basis) with testing by other contractors.

(x)	()	Operational Manuals
(x)	()	Manufacturer's Proper Testing and Maintenance Requirements
(x)	()	Device Address List/Conventional Device Location List

In cases where a record set of fire alarm drawings are not available at the service site, copies of the record set of drawings may be obtained from local Authority Having Jurisdiction (AHJ) Department of Building Inspections through microfiche. This can be done by the building owner or owner's representative. In some cases, due to the age of the fire alarm system, drawings will not be available through AHJ. It is a requirement to have a record set of drawings produced when not available at AHJ.

Customer will notify employees and tenants of the date and time of the periodic fire alarm testing. Access will be provided to all locked areas where testing is required. Ladders (or lifts) will be provided to reach any equipment located at unusual heights or locations.

EXHIBIT 1

TESTING FREQUENCY **As required by NFPA 72, 2016 Edition**

Manual Pull Stations: All stations to be functionally tested through the system for alarm and proper Supervision once annually.

Smoke Detectors: (Includes area, duct, plenum, flame, gas, and beam detectors) All detectors to be tested functionally through the system for alarm and supervision once each year. Smoke detector sensitivity shall be checked within one year after installation and every alternate year thereafter. (See page 3 of this agreement for further details regarding sensitivity testing frequency. Cost for sensitivity testing of conventional system smoke detectors is not included in this proposal. Sensitivity testing is proposed and billed separately through PAFA service department.)

Water flow Devices: Devices will be tested semi-annually. Flow switches are tested by means of the inspectors test valve for provision to indicate the flow of water in sprinkler system by an alarm signal within 90 seconds after flow of water at alarm initiating device equal to or greater than from a single sprinkler head.

Tamper Switches: Devices will be tested semi-annually. Valve tamper switches are operated and signal receipt is verified to be within the first two revolutions of the hand wheel or within one-fifth of the travel distance.

Audible/Visual Notification Appliances: All units to be tested through the system one time annually. All audible units will be activated to verify audibility and coverage. Visual units will be put into alarm to verify proper operation and coverage.

Each signaling line circuit, including those on which addressable devices operate, will be tested for reporting capability by operating initiating device(s) connected. Test will be conducted to verify all status modes. PAFA will verify that each test signal is properly received and processed by the central control unit and peripheral devices providing control and annunciation functions.

Batteries: Semi-annual load voltage test will be conducted to verify the voltage level does not fall below the levels specified in manufacturer's recommendations.

Appendix A
TERMS & CONDITIONS (Rev 09/2016)
General

These are the Terms & Conditions that accompany and are incorporated into the Agreement for Pacific Auxiliary Fire Alarm Co. ("PAFA") to provide services to Customer. (These Terms & Conditions and the Agreement shall be referred to collectively as the "Agreement." PAFA and Customer may be referred to collectively as the "parties" or separately as a "party.") The Agreement shall become binding only when the Customer has signed the Agreement and either PAFA also has signed the Agreement or when PAFA begins to provide services. The Customer shall promptly notify PAFA of any malfunction in the system(s), which comes to the Customer's attention.

After the original term, the Agreement shall automatically be renewed for successive one (1) year terms unless either party notifies the other in writing of their termination of the Agreement at the end of such term, not less than thirty (30) calendar days prior to the expiration of the original term or any renewal term thereof. The last day of the original term of the Agreement and the last day of each successive term of the Agreement shall be referred to as the "Anniversary Date." Unless agreed otherwise, the pricing for each year after the first year of the original term of the Agreement and each year of each renewal of the Agreement shall be ascertained as the pricing for the immediate prior year plus a rate increase based upon the US Department of Labor, Bureau of Labor Statistics Urban Consumer Price Index-All Urban Consumers U.S. PAFA will send corresponding Service Rate Amendment thirty (30) calendar days prior to the Anniversary Date.

Payments

PAFA shall invoice ("Invoice") Customer as provided in this Agreement. Invoices will be sent in advance of PAFA's performance of its services. The parties agree that all Invoices are deemed to be received by Customer three (3) business days from mailing by PAFA. Invoices are due and payable net thirty (30) from receipt. Customer agrees to pay all taxes including state or local sales or excise taxes however designated, levied or based on the service charges pursuant to this Agreement.

If Customer fails to pay any amount due as stated on an Invoice within ten (10) days after the same is due and payable, or if Customer fails to perform any other requirements hereof within ten (10) days after PAFA shall have requested in writing performance thereof, or if any proceeding in bankruptcy, receivership or insolvency shall be commenced by or against Customer or his property, or if Customer makes any assignment for the benefit of creditors, PAFA shall have the right but shall not be obligated to exercise any one or more of the following remedies, in addition to any other remedy allowed by law: (a) recover the existing amounts due from Customer and continue to monitor the System/provide its services, in which case PAFA shall be entitled to recover, in addition to any other amounts due and owing, the monthly amounts thereafter due and payable under the Agreement for said services; or (b) discontinue all services upon five (5) days written notice and recover from Customer PAFA's equipment and all sums PAFA may be entitled to under the law. In addition to the foregoing, in the event Customer fails to pay an Invoice when due, Customer shall pay PAFA a late charge in the amount of 1.5% monthly of the amount of such delinquent Invoice as a reasonable estimation of the administrative expense for PAFA having to deal with such an Invoice, and the entire amount of such delinquent Invoice (including the late charge) shall accumulate and Customer shall pay interest at the rate of ten percent per annum, starting from the date of the delinquency until paid, but not to exceed the maximum amount permitted by California law. Customer agrees to pay and PAFA shall be awarded all fees and costs (including any expert witness fees) incurred by PAFA to collect payment owed pursuant to this Agreement and/or to enforce the terms of this Agreement, in addition to any other relief awarded. Customer's abandonment of the premises where PAFA's services are provided shall not relieve Customer of its obligations under the terms of this Agreement. Notwithstanding the foregoing, if PAFA believes that Customer has abandoned such premises, then PAFA shall provide Customer with

written notice of such belief. If Customer fails to respond in writing within five (5) business days of the date of such notice confirming no such abandonment has occurred, PAFA may but is not obligated to immediately discontinue all services and terminate this Agreement, and take such actions permitted by law to retrieve its equipment from the abandoned premises. In the event PAFA elects such discontinuation and termination, PAFA shall provide Customer with written notice thereof.

Prevailing Wage Rate Determination

Where applicable, PAFA will pay the higher rate of compensation, which has been determined by current federal and state law. Customer will be invoiced the differential, if any, where necessary to conform to state labor code.

Certified Payroll

Unless specifically stated in a special provision of the Agreement, PAFA will not provide a certified payroll for its services. Customer's request for a certified payroll after the execution of this Agreement must be in writing and agreed to by PAFA as a change order, and extra charges will be incurred and payable by Customer.

Indemnification

PAFA agrees to defend (with counsel of PAFA's choice), indemnify and hold Customer harmless from and against any and all loss, cost, liability and expense where PAFA's services are determined by a court of competent jurisdiction to be the sole, direct and proximate cause of any property damage or personal injury (as opposed to cases where failure or malfunction of equipment merely contributes to a loss or injury started from another source), or where a PAFA employee causes personal injury or property damage in performing the installation or servicing of equipment and while on Customer's premises or where the loss or injury is caused by acts or omissions of PAFA or its employees constituting intentional or willful misconduct.

Limitation of Liability

Notwithstanding PAFA's indemnity obligations set forth above, Customer understands and agrees that: (a) PAFA is not an insurer of Customer's property or the personal safety of persons in or about Customer's premises; (b) this Agreement is not in any way an insurance policy or a substitute for an insurance policy, insurance, if any, shall be the responsibility of and obtained by the Customer; (c) the amounts paid to PAFA under this Agreement are based only on the value of services PAFA provides and not on the value of Customer's premises or its contents; (d) it is difficult to determine in advance the value of the property that might be lost, damaged or destroyed if the fire alarm system or PAFA's services (including installation, monitoring and repair services) fail to operate properly; (e) the fire alarm system may not and this Agreement does not obligate PAFA to observe, detect or prevent any fire, smoke, water flow activation on the Customer's premises or any other emergency condition; (f) it is difficult to determine in advance and PAFA is not responsible for how fast the fire department or others would respond to a fire alarm signal or a request for assistance; and (g) it is difficult to determine what portion, if any, of any property loss, personal injury or death would be proximately caused by PAFA's breach of this agreement, failure to perform, negligence, or a failure of the system or services. Therefore, Customer agrees that even if a court or arbitrator decides that PAFA's breach of this Agreement, a failure of the system, any services provided by PAFA or PAFA's negligence caused or allowed any harm or damage (whether property damage, personal injury or death) to Customer or anyone in or about Customer's premises (including employees and invitees), PAFA's liability shall be limited to the greater of One Thousand US Dollars (\$1,000.00) or the Annual Contract Amount under the Agreement that is in effect at the time of such injury or damage event.

The limitation of liability contained in this section of the Agreement shall not apply: (i) if PAFA's services are the sole, direct proximate cause of any property damage or personal injury (as opposed to cases where failure or malfunction of the system or PAFA's services merely contributes to a loss or injury started from another source), or (ii) where an employee or subcontractor of PAFA causes personal injury or property damage in performing the installation and servicing of equipment while on Customer's premises or where loss or injury is caused by the intentional or willful misconduct of PAFA, its employees, agents or representatives. In addition, this provision is not intended to apply to PAFA's breach of contractual obligation to sell or lease and install the System, or PAFA's obligation to provide monitoring or repair service or replace defective parts under the provisions of PAFA's limited warranty, if provided set forth in the Agreement. Notwithstanding the foregoing or anything in the

Agreement to the contrary, in no event will PAFA be liable for lost profits, loss of use or consequential damages of Customer arising from or related to PAFA's breach of the Agreement, act, omission, negligence or intentional conduct. Labor for all services under this agreement is warranted for Ninety (90) days after the work is performed.

Third Party Indemnity

Notwithstanding PAFA's indemnity obligation set forth above, if anyone other than Customer asserts a claim against PAFA seeking payment for any harm or damages (including property damage, personal injury or death) connected with or resulting from (i) a failure of the fire alarm system or services, (ii) PAFA's negligence, (iii) any other improper or careless activity of PAFA in providing the fire alarm system or services or (iv) a claim for indemnification or contribution, Customer will repay to PAFA (a) any amount which a court or arbitrator orders PAFA to pay or which PAFA reasonably agrees to pay in settlement of such claim, and (b) the amount of PAFA's reasonable attorney's fees and any other losses and costs that PAFA incurs in connection with responding to and/or defending against the claim for such harm or damages. Anything in this Agreement to the contrary notwithstanding, Customer's obligation to indemnify PAFA as provided in this section shall not apply where any service provided hereunder is the sole direct and proximate cause of any property damage or personal injury (as opposed to cases where failure or malfunction of equipment or service contributes to a loss or injury started from another source), or where a PAFA employee causes personal injury or property damage in performing the installation or servicing of equipment and while on Customer's premises or where the loss or injury is caused by the intentional or willful misconduct of PAFA or its employees. Unless prohibited by Customer's property insurance policy, Customer agrees to release PAFA from any claims of any parties suing through Customer's authority or in Customer's name, such as Customer's insurance PAFA, and Customer agrees to defend PAFA against any such claim.

Customer Responsibilities

Customer agrees:

- to obtain, at its expense, all licenses, permits required for the installation of the System and the services to be provided hereunder.
- to provide free access to the equipment, and ensure PAFA's access to the premises;
- to provide necessary equipment to reach inaccessible equipment and peripheral devices;
- to supply suitable electrical services; and that in the event of an emergency or system failure, reasonable safety precautions will be taken to protect life and property during the period of time from when PAFA is first notified of the emergency or failure and until such time as PAFA notifies the Customer that the system is operational or the emergency has cleared.

Customer's Duties

Customer will notify PAFA in writing of any change in its Fire Rating Bureau or agency. Customer shall obtain at Customer's sole expense all necessary permits and licenses that may be required by any governmental agency for the use and operation of the alarm System and all equipment to be provided by PAFA under the Agreement. Customer shall provide all electrical currents and outlets necessary for the operation of the alarm system. If any defect in operation of the System develops, or in the event of a power failure or other interruption at Customer's premises, Customer shall notify PAFA immediately. Customer agrees to furnish to PAFA a written list of the names, titles, addresses, and phone numbers of all persons authorized to be notified in the event of an emergency. All changes, revisions, and modifications to the above shall be supplied to PAFA in writing.

False Alarms

In the event an excessive number of false alarms are caused (as determined by PAFA) by Customer's carelessness, malicious action or accidental use of the system, excessive (i.e., more than 5 during any 1 month period of time while PAFA is providing its services under this Agreement) signal transmissions to the remote station caused by Customer's fire alarm system, or in the event Customer in any manner (as determined by PAFA) misuses or abuses the system, PAFA may in its sole discretion deem this to be a material breach of contract on the part of Customer and, at its option, in addition to all other legal remedies set forth below, be excused from further performance upon giving ten (10) days written notice to Customer. PAFA's excuse from performance shall not affect its right to recover damages from Customer. In the event of excessive signal transmission, Customer

will be billed for all telephone charges incurred. In the event of a fine, penalty or fee is assessed against PAFA by any governmental or municipal agency as a result of any alarm originating from Customer's premises Customer agrees to reimburse PAFA for it immediately upon request. In the event PAFA dispatches an agent to respond to an alarm originating from Customer's premises, where Customer intentionally, accidentally or negligently has activated the alarm signal, and no alarm condition exists, or if PAFA makes any repair call caused (as determined by PAFA) by the inadvertence or negligence of Customer, PAFA may charge and include in its Invoice to Customer and Customer shall pay for each such call. Customer represents it fully understands that the equipment, because of its sensitivity and nature, is subject to the influence of external events which are not within the control of PAFA and which may cause the alarm to activate. Any or all of such alarms shall not excuse any of the obligations of Customer as set forth in this Agreement.

Transmission Lines

Customer shall pay all charges made by any telephone company or utility or municipality for installation and service charges of telephone lines connecting Customer's premises to the Monitoring Facility. Customer acknowledges that the signals from Customer's System are transmitted over Customer's regular telephone lines, and in the event Customer's telephone is out of order, disconnected, placed on vacation, or otherwise interrupted, signals from the System will not be received at the Monitoring Facility during any such interruption in telephone service and the interruption will not be known to PAFA and PAFA shall not be responsible for the consequences of any such interruption. Customer further acknowledges and agrees that the signals are transmitted over telephone company lines, which are wholly beyond the control and jurisdiction, and not the responsibility of PAFA and are maintained in service by the applicable telephone company/Customer's service provider or utility. Customer will not install or allow DSL, VoIP lines (voice over internet) or other broadband service on any telephone lines used for alarm transmission related to a system provided or serviced by PAFA.

Cancellation of Underwriters Laboratories Certification

The National Fire Code requires Customer to maintain the fire alarm system to local fire codes and Underwriters Laboratories standards and is required to have a current fire alarm system service agreement. Failure, by Customer, to meet above requirements is a violation of the local fire code and a cause for cancellation of the UL Certification. Customer understands that, should there be a cancellation of the UL Certification, PAFA is required by local fire code to notify the local fire department, in writing, of said cancellation.

Interruption; Cancellation, Termination

PAFA assumes no liability for interruption of service due to strikes, riots, floods, storms, earthquakes, fires, power failures, acts of God, or for any other cause beyond the control of PAFA and will not be required to supply service to Customer while interruption of service due to any such cause continues. This Agreement may be suspended or canceled, at the sole option of and upon written notification from PAFA, if Customer's, PAFA's or the monitoring facility's premises or equipment are destroyed by fire or other catastrophe, or so substantially damaged that it is impractical to continue service, or in the event PAFA is unable to render service as a result of any action by any governmental authority, or Customer causes an excessive number of false alarms. Upon cancellation or termination of this Agreement for any reason, Customer hereby authorizes PAFA to enter Customer's premises for the purpose of disconnecting Customer's system from PAFA's monitoring network, and removing PAFA's transmitting equipment.

In the event that the system or any equipment or component thereof is altered, modified, changed, or moved by anyone other than PAFA and/or without PAFA's express consent, this Agreement may be immediately terminated at the sole option of and upon written notification from PAFA.

Assignees and Subcontractors of PAFA

PAFA shall have the right to assign this Agreement to any other person, firm or corporation without notice to Customer, and shall have the further right to subcontract any services which it may perform. Customer acknowledges that this Agreement, and particularly those paragraphs relating to PAFA's maximum liability, liquidated damages, and third party identification, inure to the benefit of and are applicable to any assignees, and/or subcontractors (including any monitoring facility), and that they bind Customer with respect to said assignees, and/or subcontractors with the same force and effect as they bind Customer to PAFA.

Purchase Orders

It is understood and agreed by and between the parties thereto, that if there is any conflict between this Agreement and Customer's purchase order, or any other document, this Agreement will govern, whether such purchase order or other document is prior or subsequent to this Agreement.

Invalid Provisions

If any provisions of the Agreement or the application thereof to any person, place or circumstance shall be held by a court of competent jurisdiction to be invalid, unenforceable, or void, the remainder of this Agreement and such provision as applied to other persons, places, and circumstances shall remain in full force and effect.

Signatures on this Agreement transmitted via facsimile, via pdf attached to e-mail, and/or photocopies of signatures have the same force and effect and are considered the same as originals.

FIRST AMENDMENT TO LEASE

This First Amendment to Lease ("First Amendment") is made as of June 6, 2024 (the "First Amendment Effective Date"), in San Francisco, California, by and between CITY AND COUNTY OF SAN FRANCISCO, a municipal corporation ("City"), acting by and through its Real Estate Division and the Mayor's Office of Housing and Community Development, and LA COCINA, INC., a California non-profit corporation ("Tenant").

RECITALS

A. City and Tenant are parties to that certain Lease dated as of July 7, 2019 (the "Lease") pursuant to which City leases to Tenant certain premises located at 101 Hyde Street, San Francisco, California (the "Building"). Capitalized terms not defined in this First Amendment will have the same meanings set forth in the Lease.

B. The term of the Lease is scheduled to expire on December 31, 2025. City and Tenant desire to extend the term of the Lease for an additional twelve (12) month period.

C. Pursuant to the Lease, City agreed to reimburse Tenant the Allowance to fund Tenant Improvement Work. In addition to Tenant Improvement Work, as required by the San Francisco Department of Public Works ("DPW"), Tenant completed improvements to bring the sidewalk outside the front entrance to the Building up to present day accessibility standards ("Sidewalk Improvements"). The City has approved and, in addition to the Allowance, agreed to reimburse Tenant for the Sidewalk Improvements necessary to complete the Tenant Improvement Work and obtain approval from DPW.

D. City and Tenant have agreed that Tenant will not be responsible for the cost of Standard Utilities for the period commencing March 1, 2020 and ending on the date the Lease expires or terminates.

E. City and Tenant have agreed to expand the scope of Approved Uses under the Lease to include light manufacturing and the operation of a shared-use commercial kitchen.

F. The parties now desire to enter into this First Amendment to set forth the Extension Term (as defined below), the Sidewalk Reimbursement Amount (as defined below), the allocation of costs for the Standard Utilities, the expanded scope of Approved Uses, and the terms and conditions of their agreement in connection therewith and to otherwise amend the Lease as more particularly set forth below.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the City and Tenant hereby agree as follows:

1. Term. City and Tenant hereby agree to amend the existing Term of the Lease for an additional period twelve months and now ending on December 31, 2026 (the "Term"), upon and subject to all of the existing terms of the Lease, except as otherwise hereinafter provided.

2. Sidewalk Reimbursement Amount. Section 6.1 (Tenant Improvement Work) is hereby amended to add the following paragraph:

Notwithstanding anything to the contrary in this Section 6.1, in performing the Tenant Improvement Work, Tenant incurred additional expenses in the amount of One Hundred Six Thousand Five Hundred Twenty-Eight Dollars and Two Cents (\$106,528.02) (the "Sidewalk Reimbursement Amount") to complete improvements to bring the sidewalk outside the front entrance to the Building up to present day accessibility standards (the "Sidewalk Improvements") required by the San Francisco Department of Public Works that were necessary to complete the Tenant Improvement Work. On November 6, 2020, Tenant delivered to City the request for reimbursement attached hereto as Exhibit A ("Sidewalk Reimbursement Request"), requesting approval of the Sidewalk Improvements and reimbursement of the Sidewalk Reimbursement Amount. City hereby approves the Sidewalk Reimbursement Request and agrees to reimburse Tenant the Sidewalk Reimbursement Amount as set forth in the Sidewalk Reimbursement Request without additional request or documentation required or any setoff or deduction.

3. Utilities.

a. Basic Lease Information. The paragraph of Section 1 of the Lease titled "Utilities and Services (Section 10.1)" is hereby deleted in its entirety and replaced with the following:

City shall provide the Standard Utilities (as defined in Section 10.1) at no cost to Tenant. City shall also provide the Fire and Alarm System Maintenance (as defined in Section 10.1); provided, however, that Tenant shall reimburse City for such costs. Tenant shall provide, at its sole cost, all other utilities and services it wishes to receive at the Premises.

b. Utilities and Services. The first paragraph of Section 10.1 of the Lease is hereby deleted in its entirety and replaced with the following:

City shall provide (i) the utilities described in the attached Exhibit G (the "Standard Utilities") to the building, subject to the terms and conditions contained therein, and (ii) the basic building fire sprinkler system and alarm system maintenance (the "Fire and Alarm System Maintenance") described in the agreements listed in the attached Exhibit J (the "Maintenance Agreements"), subject to the terms and conditions contained therein. City shall provide the Standard Utilities at no cost to Tenant. Tenant shall pay City, as additional rent, an amount equal to City's cost to provide the Fire and Alarm System Maintenance within thirty (30) days of receiving City's invoice therefor. Any City failure to bill Tenant for such costs shall not impair City's right to bill Tenant for such costs at a later date.

c. Utility Forgiveness. City shall (i) reimburse Tenant for any payment made by Tenant to City for the Standard Utilities and (ii) release Tenant from any and all liability under the Lease for Tenant's failure to pay for the cost of Standard Utilities, both for the period commencing on March 1, 2020 and ending December 31, 2026. For the avoidance of doubt, Tenant

shall not be required to pay any amounts to City for the Standard Utilities accruing from March 1, 2020 through the Term.

4. Approved Use.

a. Basic Lease Information. The paragraph of Section 1 of the Lease titled "Use (Section 5.1)" is hereby deleted in its entirety and replaced with the following:

Light manufacturing and/or the operation of a restaurant, bar, food market hall, and/or shared-use commercial kitchen and any other legal use approved in advance by the Director of Property in consultation with the Director of City's Office of Workforce and Economic Development ("OEWD").

b. Approved Use. The second sentence of Section 5.1 of the Lease is hereby deleted in its entirety and replaced with the following:

Following the Rent Commencement Date, Tenant shall use and continuously occupy the Premises solely for light manufacturing and/or the operation of a restaurant, bar, food market hall, and/or shared-use commercial kitchen and any other purpose approved in advance and in writing by the City's Director of Property in consultation with the Director of OEWD, all of which shall be in compliance with all applicable laws.

5. No Other Amendments. Except as amended by this First Amendment, the Lease shall remain unmodified and in full force and effect.

6. Relationship of the Parties. City is not, and none of the provisions in this First Amendment shall be deemed to render City, a partner in Tenant's business, or joint venturer or member in any joint enterprise with Tenant. Neither party shall act as the agent of the other party in any respect hereunder. This First Amendment is not intended nor shall it be construed to create any third party beneficiary rights in any third party, unless otherwise expressly provided.

7. References. No reference to this First Amendment is necessary in any instrument or document at any time referring to the Lease. Any future reference to the Lease shall be deemed a reference to such document as amended hereby.

8. Governing Law. This First Amendment shall be governed by, construed and enforced in accordance with the laws of the State of California and the City's Charter.

9. Counterparts; Electronic Signatures. Re: Urgent Opposition to Five-Year Lease Extension for La Cocina, Inc. at 101 Hyde Street – A Site Plagued by Crime, Mismanagement, and Betrayal of Affordable Housing Promises

Dear MOHCD Leadership and Honorable Members of the Budget and Finance Committee,

The Tenant Associations Coalition of San Francisco demands an immediate halt to the proposed five-year extension of the master lease for La Cocina, Inc. at 101 Hyde Street. This prime city-owned parcel in the Tenderloin – donated a decade ago *exclusively* for 85 units of life-saving affordable housing – has instead become a symbol of bureaucratic inertia, fiscal irresponsibility, and public safety neglect. Subsidizing a floundering commercial food hall with restricted housing funds is not just illegal; it is a moral outrage that endangers lives, diverts millions from the homeless, and mocks the City's own commitments.

As detailed in the attached **Exhibit A: Six-Year Report on Illegal Activity and Crime at 101 Hyde Street and the Hyde/Golden Gate Corner (2019–2025)**, this site has been a hotspot for drug dealing, violent assaults, thefts, and even fatalities – crises worsened by La Cocina's failure to provide adequate security for its sub-tenants, staff, and customers. Extending this lease to 2031 would condemn another generation of Tenderloin families to the streets while rewarding mismanagement. We cannot – we *must not* – allow this travesty to continue.

1. Illegal Diversion of Restricted Affordable Housing Funds

The Citywide Affordable Housing Fund (Administrative Code § 10.100-120) and Housing Program Fees Fund (§ 10.100-49) are sacred trusts, limited *solely* to acquiring, building, rehabilitating, and preserving affordable homes for those the market has abandoned.¹ These revenues – from linkage fees, in-lieu payments, and repayments – cannot be squandered on rent subsidies, utilities, or maintenance for a nonprofit's commercial venture.² Yet La Cocina has drained over \$1.4 million in public dollars for exactly that, turning a housing lifeline into a private profit center. This is not stewardship; it is theft from the vulnerable.

2. Breaching the Sacred 2015 Shorenstein Community Benefits Agreement – With \$5 Million Still Gathering Dust

Shorenstein Properties didn't donate 101 Hyde Street out of charity. In exchange for entitlements on their 304-unit luxury project at 1066 Market/50 Jones, they pledged:

- A \$12.5 million property gift *expressly* for 85 units of 100% affordable housing;
- A \$5 million cash endowment, locked in a San Francisco Foundation trust *exclusively* for this site's development.³

A decade later, the building festers in commercial limbo, and that \$5 million – fully intact as of Q3 2025 – sits idle, earning interest on unbuilt dreams.⁴ Every delayed brick is a betrayal of the deal that built Shorenstein's towers. How many more years will we let developers off the hook while families sleep rough?

3. La Cocina's Failed "Interim" Use: From Community Promise to Private Peril

What began as a hopeful "activation" has devolved into a ghost of itself. The public Municipal Marketplace shuttered in 2023 amid dismal foot traffic, leaving a husk for private catering and incubator ops – far from the vibrant hub sold to justify public subsidies.⁵ Worse, as Exhibit A reveals, rampant crime on and around the site has terrorized users, with La Cocina's lessees and security team openly decrying the nonprofit's inadequate protections. Drug dealers

loiter openly, assaults spike after dark, and even a death in the restroom went unchecked. This isn't incubation; it's endangerment.

4. **Defying the City's Own Tenderloin Community Action Plan – A Blueprint for Betrayal**

Just six months ago, in June 2025, the Board unanimously adopted the Tenderloin Community Action Plan after exhaustive community input.⁶ It demands an end to non-housing uses on city parcels, fast-tracks 100% affordable projects, and *names 101 Hyde Street as a priority for 85 deeply affordable units by 2028*.⁷ A lease extension spits in the face of this mandate, prioritizing a troubled nonprofit over the 2,500–3,000 unsheltered souls the Plan seeks to shelter. Will the City honor its word, or hollow it out with excuses?

5. **The Tenderloin's Agonizing Crisis: 101 Hyde Street's Delay is a Death Sentence**

No neighborhood embodies San Francisco's housing apocalypse like the Tenderloin:

- 35,000 souls crammed into 31 blocks, the densest knot of poverty, elders, immigrants, and ex-homeless in the city;⁸
- 2,500–3,000 visible on sidewalks daily – 40% of SF's unsheltered horror;⁹
- SROs bursting with illegal overcrowding, families doubled up in rooms meant for one;¹⁰
- Rents devouring souls: \$2,800–\$3,400 for a one-bedroom, over half of residents rent-burdened beyond 50% of income;¹¹
- A pipeline of promised projects stalled, sites like 101 Hyde hijacked for "better" uses that never materialize.

Rooted in decades of underbuilding (one unit per 10 jobs since 2010), soaring costs, and open-air drug hells, this crisis claims lives daily – overdoses on track for 800+ in 2025 alone.¹² Every year 101 Hyde languishes, 85 households – seniors, youth exiting foster care, longtime Tenderloiners – cycle through shelters and streets. Exhibit A's crime chronicle shows how commercial misuse amplifies this chaos, turning a potential sanctuary into a danger zone. We beg you: End the delay. Build the homes. Save the lives.

6. **Tainted Support and Ethical Shadows**

The staff report's lone endorsement? A letter from the Tenderloin Community Benefit District, led by Naomi Maisel – La Cocina co-founder and ex-CEO, still entangled in its web.¹³ This isn't community voice; it's cronyism. And Supervisor Bilal Mahmood, sponsor of the extension bill, once called 50 Jones home – the very Shorenstein project birthing this housing debt.¹⁴ No malice implied, but ethics demand scrutiny (Campaign Code § 3.200). The public deserves transparency, not shadows.

Imperative Demands for Justice

The evidence is damning, the stakes existential. We implore you to:

1. **Reject the extension outright** – evict commercial pretense from 101 Hyde Street today.
2. **Halt all housing fund misuse** – audit and claw back every illicit dollar funneled to La Cocina.
3. **Launch an RFQ/RFP in 90 days** – empower a proven nonprofit to deliver the 85-unit haven.
4. **Unlock the \$5 million Shorenstein gift** – direct MOHCD and the Foundation to deploy it for groundbreaking now.
5. **Mandate 0–50% AMI units** – with binding priority for Tenderloin locals, seniors, and foster youth.
6. **Expedite via SB 423 and Bonus Program** – target Q4 2027 groundbreaking, no excuses.
7. **Invalidate conflicted endorsements** – purge bias from the record.
8. **Trigger Ethics Commission review** – probe Supervisor Mahmood's ties for the public's trust.

San Francisco stands at a crossroads: Will we warehouse a crime-ridden relic while thousands perish in plain sight, or seize this site to forge hope from despair? The Tenderloin's cries – and our city's soul – demand the latter. Act now, or history will judge us complicit.

With fierce urgency,

What the correct the misinformation that 101 Hyde Street was called the Civic Center Box section and General Delivery the location never offered postal retail services, therefore it was not an actual Post Office.

Exhibit A:
Six-Year Report on Illegal Activity and Crime at 101 Hyde Street and the Hyde/Golden Gate Corner, San Francisco (2019–2025)
Prepared by: Tenant Associations Coalition of San Francisco
Date: December 9, 2025

Purpose: This report documents the persistent illegal activities and criminal incidents at 101 Hyde Street – the site of La Cocina, Inc.'s leased commercial operations since 2019 – and the adjacent Hyde/Golden Gate Avenue corner in San Francisco's Tenderloin district. Drawing from SFPD incident reports, news archives, and community accounts, it underscores how La Cocina's inadequate security measures have exposed sub-tenants, employees, and customers to heightened risks, contributing to the food hall's 2023 closure and ongoing site perils. Data reflects the block's status as a notorious drug market epicenter, exacerbating the housing emergency by deterring safe redevelopment.

Overview of the Location and Context

101 Hyde Street sits at the Tenderloin's volatile core, bounded by Golden Gate Avenue (a major artery for open-air drug sales) and Turk Street. The Tenderloin Police District logs the city's highest per-capita rates of violent crime, drug offenses, and thefts – with Hyde/Golden Gate consistently ranking among SF's most dangerous intersections (SF Chronicle, 2016–2025 analyses). La Cocina's 2019 lease promised "interim activation" with robust security, but vendor testimonies and incident logs reveal chronic understaffing: only 1–2 guards for a 7,000 sq ft hall, often absent during peak risks, leaving doors unlocked and sidewalks unmonitored (Fox News, July 2023; SF Chronicle, Sept. 2023). This neglect amplified harms, scaring away patrons and forcing the public hall's shuttering amid "drug dealing and public defecation" (security guards' statements). Overall SF crime dipped 6–20% in 2025 (SFPD Dashboard), but this block's intensity persists, with gun violence up 6% citywide and Tenderloin homicides at 40% of total (SFPD, Apr. 2025).

Annual Summary of Key Incidents and Trends

Compiled from SFPD Historical Incident Reports (data.sfgov.org), SpotCrime logs, and verified news (e.g., SF Chronicle, SFGATE). Focus: Violent crimes (assaults, shootings, homicides), drug-related offenses, thefts/burglaries, and fatalities. Frequencies are conservative estimates for the 100-block radius; exact address matches noted.

Year	Total Incidents (Est.)	Key Categories & Examples	La Cocina/Security Link
2019	~150 (drugs/thefts dominant)	- Drug sales/possession: 80+ arrests on Hyde/Golden Gate block (notorious "dope sidewalk," California Healthline, Jan. 2021). - Pedestrian fatality: Man struck/killed at Golden Gate/Hyde corner (SFGATE, May 2019). - 40+ vehicle break-ins near site.	- Pre-La Cocina opening; baseline chaos sets stage for unaddressed risks. - Thefts:

2020	~180 (pandemic surge in street crimes)	- Assaults: 50+ (e.g., Hyde/Golden Gate stabbings tied to drug disputes, SFPD logs). - Drug offenses: 90+ (open markets intensified by lockdowns). - Burglaries: 20+ attempts on nearby commercial spaces.	La Cocina lease begins; minimal security amid rising street violence leaves early vendors vulnerable (Guardian, May 2023 retrospective).
2021	~200 (peak fentanyl crisis)	- Homicides/shootings: 5+ (e.g., double shooting precursor at Golden Gate/Hyde, echoing 2018 fatality). - Drug-related: 110+ incidents; Hyde block dubbed "ground zero" for fentanyl (SF Chronicle, Feb. 2021). - Thefts: 50+ (shoplifting spikes post-opening).	Hall opens April; security team (2 guards) overwhelmed – daily cleanups of needles/defecation, but no 24/7 patrols. Vendors report "after-dark crime" unchecked (SF Chronicle, Sept. 2023).
2022	~170 (slight dip, but violence persists)	- Assaults: 60+ (e.g., robberies at Hyde/Golden Gate bus stops). - Drug arrests: 70+; public use rampant. - Fatal OD: 1+ near site (Tenderloin Housing Clinic data).	Operations falter; guards complain of police inaction, leaving sub-tenants to fend off loiterers (Fox News, July 2023). One vendor: "Security was a joke – doors propped open during rushes."
2023	~160 (hall closure accelerates decline)	- Violent crimes: 40+ assaults/shootings (e.g., restroom death inside La Cocina, suspected OD, SF Chronicle, Sept. 2023). - Drugs/thefts: 80+; public defecation/drug deals scare diners. - Burglary: Hall targeted post-closure.	Closure Sept. 1 cited "security concerns" (SF Examiner, July 2023). Guards blame nonprofit's underfunding: "No backup from City Hall" – exposing customers to unchecked threats like a dead body discovery.
2024	~140 (modest drop, but block hotspot)	- Shootings: 4+ near Golden Gate/Hyde (e.g., life-threatening injury, SF Chronicle, Sept. 2025 preview). - Drugs: 60+ arrests (KTVU, June 2025). - Thefts: 30+ commercial break-ins.	Post-closure private use; lingering inadequate measures (e.g., no enhanced lighting/fencing) perpetuate risks for remaining staff.
2025 (YTD)	~100 (ongoing; gun violence +6%)	- Homicides: 2+ in Tenderloin, 1 near Hyde/Golden Gate (SFPD, Sept./Oct. 2025). - Shootings: 3+ (e.g., arrests after Golden Gate incident, SFPD Oct. 2025). - Drugs/assaults: 50+; 380g narcotics seized in June sweep (KTVU).	Extension proposal ignores history; current lessee ops report sporadic intrusions, with sub-tenants demanding better security – unmet despite subsidies.

Analysis: La Cocina's Security Failures as a Catalyst for Harm

La Cocina's lease obligated "adequate security" for operations (2019 agreement), yet implementation was woefully deficient:

- **Understaffing:** Relied on 1–2 unarmed guards for daytime hours, none overnight – insufficient for a high-risk zone (Guardian, May 2023).
- **Incident Response Gaps:** Vendors recounted ignored alerts (e.g., drug deals inside hall) and delayed police calls, fostering a "free-for-all" after 6 PM (SF Chronicle interviews, 2023).
- **Direct Impacts:** The 2023 restroom death and guest exodus from "scared" conditions (Fox News) trace to lax protocols; one guard: "We cleaned up messes, but couldn't stop them." Financial woes masked as "pandemic recovery" were code for crime deterrence failure (SF Standard, July 2023).
- **Broader Ramifications:** This neglect not only doomed the hall but stalled housing – who would develop amid such volatility? Exhibit ties directly to Tenderloin's 40% unsheltered share, where crime deters investment in safe homes.

Recommendations

- Terminate lease to enable secure redevelopment.
- Audit La Cocina's security expenditures (subsidized by housing funds).
- Integrate community policing into future site plans.

Re: Opposition to Lease Extension and Misuse of Affordable Housing Funds at 101 Hyde Street

Dear MOHCD Leadership and Honorable Members of the Budget and Finance Committee,

I am writing to formally oppose the proposed extension of the lease for La Cocina, Inc. at 101 Hyde Street and to express concern regarding the continued use of the San Francisco Citywide Affordable Housing Fund and the Housing Program Fees Fund to subsidize this non-housing commercial operation. The use of these restricted funds for utility payments and operational support at this location directly conflicts with their legally defined purposes and undermines San Francisco's affordable housing goals.

Purpose of the Affordable Housing Fund and Housing Program Fees Fund

The Citywide Affordable Housing Fund was created to support the development, acquisition, rehabilitation, and preservation of affordable housing for low- and moderate-income residents. It is funded by developer impact fees, Jobs-Housing Linkage Fees, inclusionary housing in-lieu fees, loan repayments, and other housing-related revenues. These funds are legally restricted to the creation and preservation of affordable housing.

Likewise, the Housing Program Fees Fund is designed to support the administration of housing programs—and when surplus funds exist, to supplement the Affordable

Housing Fund. It is not intended for subsidizing commercial operations such as food halls, incubator kitchens, or culinary marketplaces.

Concern Regarding Misallocation of Funds

Using dedicated affordable housing funds to subsidize the operating or utility costs of La Cocina's commercial activities is inconsistent with the purpose of these funds and diverts critical resources away from vulnerable residents who need affordable housing. While La Cocina's mission may serve small business entrepreneurs, this does not justify the use of housing-designated funds for a commercial venture that does not produce or preserve affordable housing.

Concerns About the Only Letter of Support and Conflict of Interest

It is also deeply concerning that the only cited community letter of support for the lease extension comes from the Tenderloin Community Benefit District (TLCBD) CEO. This support raises legitimate questions of conflict of interest, given that the President of the TLCBD Board of Directors, Naomi Maisel, occupies a Business Owner Seat and is affiliated with La Cocina at 101 Hyde Street.

This dual role—serving as Board President of the TLCBD while simultaneously connected to the tenant seeking a lease extension—creates an appearance of bias that should be fully disclosed and carefully considered. Community endorsements carry weight, and MOHCD as well as the Budget and Finance Committee should not rely on letters of support that may be influenced by overlapping organizational leadership roles, especially when public funds and public land are at stake.

Given this conflict, the TLCBD's letter should not be treated as a neutral or representative expression of community backing.

Need to Proceed With the Originally Planned Affordable Housing Development

The property at 101 Hyde Street was promised as a future affordable housing development site. The surrounding Tenderloin and Mid-Market neighborhoods face some of the City's highest levels of housing instability, overcrowding, and homelessness. Extending a commercial lease for another five years delays urgently needed affordable housing and contradicts the City's own stated priorities.

It is critical that MOHCD and the Board of Supervisors honor the original purpose of this parcel and initiate the process of securing a qualified affordable housing developer to advance the project without further delay.

Request

Accordingly, I respectfully request that MOHCD and the San Francisco Board of Supervisors Budget and Finance Committee:

1. Deny the proposed lease extension for La Cocina, Inc. at 101 Hyde Street.
2. End the use of the Citywide Affordable Housing Fund and Housing Program Fees Fund for non-housing commercial purposes.
3. Initiate the selection of a housing developer and restart planning for the

affordable housing originally identified for this site.

4. Disregard conflicted or non-neutral sources of support when evaluating lease decisions.

San Francisco's affordable housing funds must be used transparently, responsibly, and in alignment with their legally defined purpose. Our communities cannot afford further delay in delivering the deeply affordable homes that were promised for this site.

Thank you for your attention to this matter and for your ongoing commitment to serving the City's housing needs.

Sincerely,

Tenderloin Community Benefit District

Dear Board of Supervisors and Budget and Finance Committee,

I am writing on behalf of TLCBD in support of La Cocina's 5-year lease extension at 101 Hyde St., San Francisco, CA 94102. La Cocina's transformation of 101 Hyde has ensured ongoing and meaningful impact in the Tenderloin neighborhood and beyond. The commercial kitchen currently supports the growth of 13+ small food businesses, and is available to Tenderloin residents at a discounted rate. New businesses are incubated in the space, with a new cohort joining 2-3 times a year. Five La Cocina businesses actively sell in the Tenderloin through Heart of the City Farmers Market and brick-and-mortar locations, and they actively seek sales opportunities within and around the Tenderloin. La Cocina regularly hosts free business orientations and ticketed events that dually support entrepreneurs in incubation while creating positive activations. For these events, they offer subsidized ticketing to Tenderloin residents and partners. In addition to significant neighborhood efforts, La Cocina is helping prevent a return to a harmful, vacant corner through daily cleaning, mural maintenance, and trash removal - all of which involve significant investment.

La Cocina's proposed lease extension would serve to further this impact, making it possible to apply for funding to support community programming and space, including but not limited to office use, event venue, catering, pop-up events, night markets, cooking classes, and more. Programming and community space offerings such as these would further our collective goal of creating inviting spaces in the Tenderloin that feel safe and vibrant for residents, families, students and employees. Having these activations rooted in spaces led by immigrant women and women of color only strengthens our commitment to keeping the spirit of the Tenderloin alive while building towards a more stable and economically flourishing neighborhood.

TLCBD offers its full support of this extension, and looks forward to an ongoing partnership with La Cocina to bring to the Tenderloin affordable commercial kitchen space, small business incubation and technical assistance, accessible meeting and event venue space, and subsidized activations and community programs.

Sincerely,
