Thank you for the link.

I don't know how to get this on the official record, but I want to once again state that a statement made by the Appellant in their official submittal (includes the signatures of 5 Supervisors) is a blatant misrepresentation of the situation.

This statement is 100% false: "We challenge denial based clustering of cannabis retail **due to the fact that there is no other cannabis retail store for 1 mile in any direction**".

There is a existing cannabis store (2442 Bayshore) on the the same block.

The Appellant was a participant during the Planning Commission's hearing on this matter and is fully aware that a second store on the same block was and is the main reason the neighborhood opposes this project.

Thank you.
