As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. Dear Supervisors,

I am a San Francisco resident and justice advocate. For the past decade, through my work at the San Francisco Public Defender's Office, I have represented many members of our community who have experienced discrimination, mistreatment, and abuse of power at the hands of San Francisco Police Department members. I am also the proud daughter of a 32-year veteran of the New York State Police, who recognizes the integral role the police play in keeping our communities safe. The Police Commission plays a pivotal role in ensuring that our police department maintains the standards of integrity and community-mindedness necessary to maintain the public's trust. The Police Commission is the first line of defense in ensuring that the "bad apples" don't spoil the whole bunch. To that end - I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces

racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident (outer Richmond) and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION. They are here to protect the police and the carceral state, not ordinary San Franciscans.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung is against accountability and oversight. She supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who seek to undermine it.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police

Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

We need to change policing in this country and in SF.

Nancy Tung has taken positions against the safety of San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a Pennsylvania resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I hope this email finds you well. I live in Bernal Heights, and, as a resident of San Francisco, I strongly believe that you should OPPOSE the nominations of Nancy Tung and Geoffrey Gordon-Creed to the police commission.

Now is the time to take concrete actions to reduce police brutality. Excessive use of force by police officers has been in the national consciousness since at least Rodney King, yet no effective measures have been implemented to hold police officers accountable for their discriminatory abuse and terrorizing of black and brown communities.

Nancy Tung has repeatedly opposed prosecuting police officers who were involved in shootings of San Francisco residents to date. As we're seeing now in Minneapolis, failing to hold law enforcement accountable is detrimental to public safety. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have stripped the police commission of the power to oversee taser use-of-force policy. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. The POA is a far-right organization that regularly condones heinous acts of police violence and traffics in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

I appreciate your time in reading this email, and urge you to do what is necessary to make sure that the SF Police Department is held accountable for its actions.

Sincerely,

Dear Supervisors,

I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly ask you to OPPOSE the nominations of Nancy Tung and Geoffrey Gordon-Creed to the Police Commission.

Geoffrey Gordon-Creed does not have the experience or qualifications.

Nancy Tung will not provide any effective oversight of the police if appointed. She is an extremely conservative prosecutor who has a history of supporting policies that are not what San Francisco or this country needs anymore. We have to do things differently.

Nancy Tung has supported policies in the past which would have weakened oversight on the San Francisco Police Department. This is clearly not the time to support someone who thinks that police departments can just be trusted to handle things internally. At some point we must recognize that communities that have suffered decades of extreme over-policing deserve to have civilian oversight boards that recognize that fundamental changes have to occur. And at the very least, we can start by not appointing people who have taken campaign contributions from the San Francisco Police Officers Association.

She supports giving tasers to police officers. Tasers do not make it less likely that police officers will use deadly force but they do make it more likely they will use force. These are not the positions of someone who should be on the San Francisco Police Commission. These are the kinds of appointments that let people know that things will stay the same. One reason that we so many instances of excessive force is because of a very long history of police departments and police officers acting with impunity. We need commissioners who will not give extreme deference to the police.

Please oppose the nominations of Nancy Tung and Geoffrey Gordon-Creed.

Thank you.

The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

Dear Supervisors,

I am writing to urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent San Franciscans on the Police Commission, particularly given her background opposing progressive policing measures. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies. Now more than ever, the Commission needs who have experience engaging in criminal justice reform and who know the impact of policing practices on those who are disproportionately affected by them.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police

Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

Mr. Gordon-Creed, a civil litigation attorney, also is far from qualified to serve on a commission that should be overseeing and reforming SFPD to reduce officer involved shootings and use of force. His only experience with police appears to be that in the early 1990s, he defended the Police Department in litigation as a deputy city attorney. Mr. Gordon-Creed recently said in the press that he believes Chief Scott is pushing forward reforms recommended by the Department of Justice in 2016 as fast as he can. So far, in four years, SFPD has only adopted 18% of these reforms. If Mr. Gordon-Creed thinks this is fast, I'd hate to see what he thinks is slow reform. Like Ms. Tung, he has no experience collaborating with or advocating on behalf of communities of color who are impacted by policing.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident at District 3 and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

Dear Supervisors,

Hello,

I'm a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION. After this week's police violence across the country, it would be extremely tone-deaf and wrong-headed to appoint these two.

I truly don't see why these two should be on the Police Commission, especially in the year 2020. Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies. Based on how San Franciscans have been voting and showing up in the streets, these two do not represent how SF wants to handle issues around policing - please reject them!

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly

about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Crystal Hermann

Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors Hillary Ronen, Catherine Stefani and Gordon Mar,

The Chinese American Democratic Club (CADC) would like to strongly encourage your support for the recommendation from Mayor London Breed of the appointment of Nancy Tung to the San Francisco Police Commission.

The mission of Chinese American Democratic Club (CADC) since 1958 has been to focus on key issues affecting the Chinese American and the API Communities in San Francisco.

Nancy has been an active member of our club over the past two (2) years. Last year, Nancy assisted SFPD in the apprehension of a hit and run auto accident that injured a member of the Chinese community. Nancy, as a private citizen at that time, chased the driver on foot several blocks, and stopped him from fleeing on a MUNI Bus until the police came. Her heroic act was widely covered by the Chinese media.

--She is exceptionally well qualified to serve on the Police Commission, with two decades of experience as a prosecutor. She has a deep understanding of police officers' constitutional responsibilities as well the department's procedures. Her legal training and knowledge about the SFPD will be an asset to the Commission.

--She is very concerned with the growing tide of racism against Chinese and other Asians in San Francisco because of the Coronavirus and existing problems around safety for Chinese elders and daytime robberies and break-ins in Chinatown and other San Francisco neighborhoods, including the Bayview, Visitacion Valley, Portola, Sunset and Richmond. Problems with violence against Asian elders is an historical problem that needs long-term solutions from the Department.

--As the daughter of immigrants, she understands the lack of equal access to the justice system because of language and cultural barriers, and knows that the police department should be doing more to reach out more to all immigrant communities and communities of color. Her priorities include hiring more officers that reflect the racial makeup of San Francisco, including hiring and certifying more officers who are bilingual.

--She has been active with public safety and gun safety groups in San Francisco. She is a member of Moms Demand Action which advocates for reducing gun violence through legislation and supporting violence intervention programs in our community. She knows that gun violence disproportionately affects communities of color, and will be a strong voice to address these issues.

--She has investigated and prosecuted police officers for criminal misconduct and understands how it breaks the public's trust in our police department. She would be the only person on the Police Commission who has taken to trial criminal cases against San Francisco law enforcement officers.

-- She is independent minded and ready to speak out against police misconduct as well as injustice in the court system. In 2010, it came to light that a SFPD drug analyst tampered with the drug evidence, calling into question hundreds of cases that the analyst tested. Nancy was the only prosecutor in the office that told management she refused to prosecute the tainted cases.

--She is independent and has a strong sense of personal integrity. She will do what is right for the people of San Francisco.

Your support for Nancy Tung for appointment to the SF Police Commission would be greatly appreciated.

Respectfully,

Bayard Fong, CADC Vice-President

She has a deep understanding of police officers' constitutional responsibilities as well the department's procedures. Her legal training and knowledge about the SFPD will be an asset to the Commission.

--She is very concerned with the growing tide of racism against Chinese and other Asians in San Francisco because of the Coronavirus and existing problems around safety for Chinese elders and daytime robberies and break-ins in Chinatown and other San Francisco neighborhoods, including the Bayview, Visitacion Valley, Portola, Sunset and Richmond. Problems with violence against Asian elders is an historical problem that needs long-term solutions from the Department.

--As the daughter of immigrants, she understands the lack of equal access to the justice system because of language and cultural barriers, and knows that the police department should be doing more to reach out more to all immigrant communities and communities of color. Her priorities include hiring more officers that reflect the racial makeup of San Francisco, including hiring and certifying more officers who are bilingual.

--She has been active with public safety and gun safety groups in San Francisco. She is a member of Moms Demand Action which advocates for reducing gun violence through legislation and supporting violence intervention programs in our community. She knows that gun violence disproportionately affects communities of color, and will be a strong voice to address these issues.

--She has investigated and prosecuted police officers for criminal misconduct and understands how it breaks the public's trust in our police department. She would be the only person on the Police Commission who has taken to trial criminal cases against San Francisco law enforcement officers.

-- She is independent minded and ready to speak out against police misconduct as well as injustice in the court system. In 2010, it came to light that a SFPD drug analyst tampered with the drug evidence, calling into question hundreds of cases that the analyst tested. Nancy was the only prosecutor in the office that told management she refused to prosecute the tainted cases.

--She is independent and has a strong sense of personal integrity. She will do what is right for the people of San Francisco.

Your support for Nancy Tung for appointment to the SF Police Commission would be greatly appreciated.

Nancy, as a private citizen at that time, chased the driver on foot several blocks, and stopped him from fleeing on a MUNI Bus until the police came. Her heroic act was widely covered by the Chinese media.

--She is exceptionally well qualified to serve on the Police Commission, with two decades of experience as a prosecutor. She has a deep understanding of police officers' constitutional responsibilities as well the department's procedures. Her legal training and knowledge about the SFPD will be an asset to the Commission.

--She is very concerned with the growing tide of racism against Chinese and other Asians in San Francisco because of the Coronavirus and existing problems around safety for Chinese elders and daytime robberies and break-ins in Chinatown and other San Francisco neighborhoods, including the Bayview, Visitacion Valley, Portola, Sunset and Richmond. Problems with violence against Asian elders is an historical problem that needs long-term solutions from the Department.

--As the daughter of immigrants, she understands the lack of equal access to the justice system because of language and cultural barriers, and knows that the police department should be doing more to reach out more to all immigrant communities and communities of color. Her priorities include hiring more officers that reflect the racial makeup of San Francisco, including hiring and certifying more officers who are bilingual.

--She has been active with public safety and gun safety groups in San Francisco. She is a member of Moms Demand Action which advocates for reducing gun violence through legislation and supporting violence intervention programs in our community. She knows that gun violence disproportionately affects communities of color, and will be a strong voice to address these issues.

--She has investigated and prosecuted police officers for criminal misconduct and understands how it breaks the public's trust in our police department. She would be the only person on the Police Commission who has taken to trial criminal cases against San Francisco law enforcement officers.

-- She is independent minded and ready to speak out against police misconduct as well as injustice in the court system. In 2010, it came to light that a SFPD drug analyst tampered with the drug evidence, calling into question hundreds of cases that the analyst tested. Nancy was the only prosecutor in the office that told management she refused to prosecute the tainted cases.

--She is independent and has a strong sense of personal integrity. She will do what is right for the people of San Francisco.

Your support for Nancy Tung for appointment to the SF Police Commission would be greatly appreciated.

The mission of Chinese American Democratic Club (CADC) since 1958 has been to focus on key issues affecting the Chinese American and the API Communities in San Francisco.

Nancy has been an active member of our club over the past two (2) years. Last year, Nancy assisted SFPD in the apprehension of a hit and run auto accident that injured a member of the Chinese community. Nancy, as a private citizen at that time, chased the driver on foot several blocks, and stopped him from fleeing on a MUNI Bus until the police came. Her heroic act was widely covered by the Chinese media.

--She is exceptionally well qualified to serve on the Police Commission, with two decades of experience as a prosecutor. She has a deep understanding of police officers' constitutional responsibilities as well the department's procedures. Her legal training and knowledge about the SFPD will be an asset to the Commission.

--She is very concerned with the growing tide of racism against Chinese and other Asians in San Francisco because of the Coronavirus and existing problems around safety for Chinese elders and daytime robberies and break-ins in Chinatown and other San Francisco neighborhoods, including the Bayview, Visitacion Valley, Portola, Sunset and Richmond. Problems with violence against Asian elders is an historical problem that needs long-term solutions from the Department.

--As the daughter of immigrants, she understands the lack of equal access to the justice system because of language and cultural barriers, and knows that the police department should be doing more to reach out more to all immigrant communities and communities of color. Her priorities include hiring more officers that reflect the racial makeup of San Francisco, including hiring and certifying more officers who are bilingual.

--She has been active with public safety and gun safety groups in San Francisco. She is a member of Moms Demand Action which advocates for reducing gun violence through legislation and supporting violence intervention programs in our community. She knows that gun violence disproportionately affects communities of color, and will be a strong voice to address these issues.

--She has investigated and prosecuted police officers for criminal misconduct and understands how it breaks the public's trust in our police department. She would be the only person on the Police Commission who has taken to trial criminal cases against San Francisco law enforcement officers.

-- She is independent minded and ready to speak out against police misconduct as well as injustice in the court system. In 2010, it came to light that a SFPD drug analyst tampered with the drug evidence, calling into question hundreds of cases that the analyst tested. Nancy was the only prosecutor in the office that told management she refused to prosecute the tainted cases.

--She is independent and has a strong sense of personal integrity. She will do what is right for the people of San Francisco.

Your support for Nancy Tung for appointment to the SF Police Commission would be greatly appreciated.

Respectfully,

Bayard Fong, CADC Vice-President

Dear Supervisors Hillary Ronen, Catherine Stefani and Gordon Mar,

The Chinese American Democratic Club (CADC) would like to strongly encourage your support for the recommendation from Mayor London Breed of the appointment of Nancy Tung to the San Francisco Police Commission.

The mission of Chinese American Democratic Club (CADC) since 1958 has been to focus on key issues affecting the Chinese American and the API Communities in San Francisco.

Nancy has been an active member of our club over the past two (2) years. Last year, Nancy assisted SFPD in the apprehension of a hit and run auto accident that injured a member of the Chinese community. Nancy, as a private citizen at that time, chased the driver on foot several blocks, and stopped him from fleeing on a MUNI Bus until the police came. Her heroic act was widely covered by the Chinese media.

--She is exceptionally well qualified to serve on the Police Commission, with two decades of experience as a prosecutor. She has a deep understanding of police officers' constitutional responsibilities as well the department's procedures. Her legal training and knowledge about the SFPD will be an asset to the Commission.

--She is very concerned with the growing tide of racism against Chinese and other Asians in San Francisco because of the Coronavirus and existing problems around safety for Chinese elders and daytime robberies and break-ins in Chinatown and other San Francisco neighborhoods, including the Bayview, Visitacion Valley, Portola, Sunset and Richmond. Problems with violence against Asian elders is an historical problem that needs long-term solutions from the Department.

--As the daughter of immigrants, she understands the lack of equal access to the justice system because of language and cultural barriers, and knows that the police department should be doing more to reach out more to all immigrant communities and communities of color. Her priorities include hiring more officers that reflect the racial makeup of San Francisco, including hiring and certifying more officers who are bilingual.

--She has been active with public safety and gun safety groups in San Francisco. She is a member of Moms Demand Action which advocates for reducing gun violence through legislation and supporting violence intervention programs in our community. She knows that gun violence disproportionately affects communities of color, and will be a strong voice to address these issues.

--She has investigated and prosecuted police officers for criminal misconduct and understands how it breaks the public's trust in our police department. She would be the only person on the Police Commission who has taken to trial criminal cases against San Francisco law enforcement officers.

-- She is independent minded and ready to speak out against police misconduct as well as injustice in the court system. In 2010, it came to light that a SFPD drug analyst tampered with the drug evidence, calling into question hundreds of cases that the analyst tested. Nancy was the only prosecutor in the office that told management she refused to prosecute the tainted cases.

--She is independent and has a strong sense of personal integrity. She will do what is right for the people of San Francisco.

Your support for Nancy Tung for appointment to the SF Police Commission would be greatly appreciated.

Respectfully,

Bayard Fong, CADC Vice-President

Dear Supervisors Hillary Ronen, Catherine Stefani and Gordon Mar,

The Chinese American Democratic Club (CADC) would like to strongly encourage your support for the recommendation from Mayor London Breed of the appointment of Nancy Tung to the San Francisco Police Commission.

The mission of Chinese American Democratic Club (CADC) since 1958 has been to focus on key issues affecting the Chinese American and the API Communities in San Francisco.

Nancy has been an active member of our club over the past two (2) years. Last year, Nancy assisted SFPD in the apprehension of a hit and run auto accident that injured a member of the Chinese community. Nancy, as a private citizen at that time, chased the driver on foot several blocks, and stopped him from fleeing on a MUNI Bus until the police came. Her heroic act was widely covered by the Chinese media.

--She is exceptionally well qualified to serve on the Police Commission, with two decades of experience as a prosecutor. She has a deep understanding of police officers' constitutional responsibilities as well the department's procedures. Her legal training and knowledge about the SFPD will be an asset to the Commission.

--She is very concerned with the growing tide of racism against Chinese and other Asians in San Francisco because of the Coronavirus and existing problems around safety for Chinese elders and daytime robberies and break-ins in Chinatown and other San Francisco neighborhoods, including the Bayview, Visitacion Valley, Portola, Sunset and Richmond. Problems with violence against Asian elders is an historical problem that needs long-term solutions from the Department.

--As the daughter of immigrants, she understands the lack of equal access to the justice system because of language and cultural barriers, and knows that the police department should be doing more to reach out more to all immigrant communities and communities of color. Her priorities include hiring more officers that reflect the racial makeup of San Francisco, including hiring and certifying more officers who are bilingual.

--She has been active with public safety and gun safety groups in San Francisco. She is a member of Moms Demand Action which advocates for reducing gun violence through legislation and supporting violence intervention programs in our community. She knows that gun violence disproportionately affects communities of color, and will be a strong voice to address these issues.

--She has investigated and prosecuted police officers for criminal misconduct and understands how it breaks the public's trust in our police department. She would be the only person on the Police Commission who has taken to trial criminal cases against San Francisco law enforcement officers.

-- She is independent minded and ready to speak out against police misconduct as well as injustice in the court system. In 2010, it came to light that a SFPD drug analyst tampered with the drug evidence, calling into question hundreds of cases that the analyst tested. Nancy was the only prosecutor in the office that told management she refused to prosecute the tainted cases.

--She is independent and has a strong sense of personal integrity. She will do what is right for the people of San Francisco.

Your support for Nancy Tung for appointment to the SF Police Commission would be greatly appreciated.

Respectfully,

Bayard Fong, CADC Vice-President

Dear Supervisors Hillary Ronen, Catherine Stefani and Gordon Mar,

The Chinese American Democratic Club (CADC) would like to strongly encourage your support for the recommendation from Mayor London Breed of the appointment of Nancy Tung to the San Francisco Police Commission.

The mission of Chinese American Democratic Club (CADC) since 1958 has been to focus on key issues affecting the Chinese American and the API Communities in San Francisco.

Nancy has been an active member of our club over the past two (2) years. Last year, Nancy assisted SFPD in the apprehension of a hit and run auto accident that injured a member of the Chinese community. Nancy, as a private citizen at that time, chased the driver on foot several blocks, and stopped him from fleeing on a MUNI Bus until the police came. Her heroic act was widely covered by the Chinese media.

--She is exceptionally well qualified to serve on the Police Commission, with two decades of experience as a prosecutor. She has a deep understanding of police officers' constitutional responsibilities as well the department's procedures. Her legal training and knowledge about the SFPD will be an asset to the Commission.

--She is very concerned with the growing tide of racism against Chinese and other Asians in San Francisco because of the Coronavirus and existing problems around safety for Chinese elders and daytime robberies and break-ins in Chinatown and other San Francisco neighborhoods, including the Bayview, Visitacion Valley, Portola, Sunset and Richmond. Problems with violence against Asian elders is an historical problem that needs long-term solutions from the Department.

--As the daughter of immigrants, she understands the lack of equal access to the justice system because of language and cultural barriers, and knows that the police department should be doing more to reach out more to all immigrant communities and communities of color. Her priorities include hiring more officers that reflect the racial makeup of San Francisco, including hiring and certifying more officers who are bilingual.

--She has been active with public safety and gun safety groups in San Francisco. She is a member of Moms Demand Action which advocates for reducing gun violence through legislation and supporting violence intervention programs in our community. She knows that gun violence disproportionately affects communities of color, and will be a strong voice to address these issues.

--She has investigated and prosecuted police officers for criminal misconduct and understands how it breaks the public's trust in our police department. She would be the only person on the Police Commission who has taken to trial criminal cases against San Francisco law enforcement officers.

-- She is independent minded and ready to speak out against police misconduct as well as injustice in the court system. In 2010, it came to light that a SFPD drug analyst tampered with the drug evidence, calling into question hundreds of cases that the analyst tested. Nancy was the only prosecutor in the office that told management she refused to prosecute the tainted cases.

--She is independent and has a strong sense of personal integrity. She will do what is right for the people of San Francisco.

Your support for Nancy Tung for appointment to the SF Police Commission would be greatly appreciated.

Respectfully,

Bayard Fong, CADC Vice-President

Dear Supervisors Hillary Ronen, Catherine Stefani and Gordon Mar,

The Chinese American Democratic Club (CADC) would like to strongly encourage your support for the recommendation from Mayor London Breed of the appointment of Nancy Tung to the San Francisco Police Commission.

The mission of Chinese American Democratic Club (CADC) since 1958 has been to focus on key issues affecting the Chinese American and the API Communities in San Francisco.

Nancy has been an active member of our club over the past two (2) years. Last year, Nancy assisted SFPD in the apprehension of a hit and run auto accident that injured a member of the Chinese community. Nancy, as a private citizen at that time, chased the driver on foot several blocks, and stopped him from fleeing on a MUNI Bus until the police came. Her heroic act was widely covered by the Chinese media.

--She is exceptionally well qualified to serve on the Police Commission, with two decades of experience as a prosecutor. She has a deep understanding of police officers' constitutional responsibilities as well the department's procedures. Her legal training and knowledge about the SFPD will be an asset to the Commission.

--She is very concerned with the growing tide of racism against Chinese and other Asians in San Francisco because of the Coronavirus and existing problems around safety for Chinese elders and daytime robberies and break-ins in Chinatown and other San Francisco neighborhoods, including the Bayview, Visitacion Valley, Portola, Sunset and Richmond. Problems with violence against Asian elders is an historical problem that needs long-term solutions from the Department.

--As the daughter of immigrants, she understands the lack of equal access to the justice system because of language and cultural barriers, and knows that the police department should be doing more to reach out more to all immigrant communities and communities of color. Her priorities include hiring more officers that reflect the racial makeup of San Francisco, including hiring and certifying more officers who are bilingual.

--She has been active with public safety and gun safety groups in San Francisco. She is a member of Moms Demand Action which advocates for reducing gun violence through legislation and supporting violence intervention programs in our community. She knows that gun violence disproportionately affects communities of color, and will be a strong voice to address these issues.

--She has investigated and prosecuted police officers for criminal misconduct and understands how it breaks the public's trust in our police department. She would be the only person on the Police Commission who has taken to trial criminal cases against San Francisco law enforcement officers.

-- She is independent minded and ready to speak out against police misconduct as well as injustice in the court system. In 2010, it came to light that a SFPD drug analyst tampered with the drug evidence, calling into question hundreds of cases that the analyst tested. Nancy was the only prosecutor in the office that told management she refused to prosecute the tainted cases.

--She is independent and has a strong sense of personal integrity. She will do what is right for the people of San Francisco.

Your support for Nancy Tung for appointment to the SF Police Commission would be greatly appreciated.

Respectfully,

Dear Supervisors Hillary Ronen, Catherine Stefani and Gordon Mar,

The Chinese American Democratic Club (CADC) would like to strongly encourage your support for the recommendation from Mayor London Breed of the appointment of Nancy Tung to the San Francisco Police Commission.

The mission of Chinese American Democratic Club (CADC) since 1958 has been to focus on key issues affecting the Chinese American and the API Communities in San Francisco.

Nancy has been an active member of our club over the past two (2) years. Last year, Nancy assisted SFPD in the apprehension of a hit and run auto accident that injured a member of the Chinese community. Nancy, as a private citizen at that time, chased the driver on foot several blocks, and stopped him from fleeing on a MUNI Bus until the police came. Her heroic act was widely covered by the Chinese media.

--She is exceptionally well qualified to serve on the Police Commission, with two decades of experience as a prosecutor. She has a deep understanding of police officers' constitutional responsibilities as well the department's procedures. Her legal training and knowledge about the SFPD will be an asset to the Commission.

--She is very concerned with the growing tide of racism against Chinese and other Asians in San Francisco because of the Coronavirus and existing problems around safety for Chinese elders and daytime robberies and break-ins in Chinatown and other San Francisco neighborhoods, including the Bayview, Visitacion Valley, Portola, Sunset and Richmond. Problems with violence against Asian elders is an historical problem that needs long-term solutions from the Department.

--As the daughter of immigrants, she understands the lack of equal access to the justice system because of language and cultural barriers, and knows that the police department should be doing more to reach out more to all immigrant communities and communities of color. Her priorities include hiring more officers that reflect the racial makeup of San Francisco, including hiring and certifying more officers who are bilingual.

--She has been active with public safety and gun safety groups in San Francisco. She is a member of Moms Demand Action which advocates for reducing gun violence through legislation and supporting violence intervention programs in our community. She knows that gun violence disproportionately affects communities of color, and will be a strong voice to address these issues.

--She has investigated and prosecuted police officers for criminal misconduct and understands how it breaks the public's trust in our police department. She would be the only person on the Police Commission who has taken to trial criminal cases against San Francisco law enforcement officers.

-- She is independent minded and ready to speak out against police misconduct as well as injustice in the court system. In 2010, it came to light that a SFPD drug analyst tampered with the drug evidence, calling into question hundreds of cases that the analyst tested. Nancy was the only prosecutor in the office that told management she refused to prosecute the tainted cases.

Dear Legislative Aides,  
Over the past **~60 hours or so 407 constituents have emailed your offices strongly urging you to oppose Nancy Tung and Geoffrey Gordon-Creed's nomination** to the police commission.

We expect more to continue rolling in.

Unfortunately, approximately 402 **of those have gone into your junk folder**. Please take note of these and **remove them from your junk folder and, if you do not want them in your inbox, archive them for your records**. Although, of course we hope you take time to respond to at least some of them.

This incident is especially unfortunate as **1 in 5 of those emails (~18%) were customized emails**, meaning people took the time to alter the email to reflect on their own experiences.

We have **highlighted a few of those in the attached document**. People wrote **about their experiences being Chinese American, being Black, being immigrants, being long-time residents, living in their neighborhood, and about working in the criminal justice space**.

We know that you are busy, but we hope you will take the time to reflect on the volume and breadth of constituent emails. **Emails have come from, every, single district in San Francisco.**

**As you reflect on the protests happening all around the country--** in Minneapolis, Louisville, New York, Los Angeles, Eugene, Las Vegas, Grand Rapids, Houston, and here in San Francisco--we hope that you come to the conclusion that San Franciscans do not want and deserve more than a self-described "[tough on crime](#)", [law-and-order](#) police commissioner.

As one constituent so eloquently put it, "We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community."

Given the high stakes, please have someone from each Supervisor's office email us back to CONFIRM you have received this email.

Thank you

Hi Victor,

I have been on the call since 10:00 am I wanted to speak but can't stay on the call any longer. Anyway, as President Emeritus of the San Francisco Council of District Merchants Associations and currently the co-chair of the SFPD Small Business Community Advisory Forum I am urging the Rules Committee to vote in support of recommending Nancy Tung to appointment to the police commission. We need someone like her, particularly now, to see that the SFPD will be a role model for police forces nation wide.

Thank you!

Hi Victor,

I have been on hold with the Rules Committee for around three hours and may need to drop off the line, but I wanted to express my support of Nancy Tung's nomination to the Police Commission.

Hi, my name is Charley Goss and I am a District 3 resident. I wanted to speak in favor of the nomination of Nancy Tung to the Police Commission. I've had the honor of volunteering and alongside Nancy with the Eastern Neighborhoods Democratic Club over the past year and a half and I've been so impressed with her dedication, work ethic, open-mindedness and her activism.

Now is the time to appoint a highly qualified woman of color to the police commission.

Nancy is well qualified and has been an incredible advocate during her career as a Prosecutor. She has worked to protect victims and the public throughout her career, and will work for accountability and transparency on the Police Commission.

Dear Supervisors,

I provide this letter on behalf of the Gay Asian Pacific Alliance (“GAPA”), a 501(c)(4) social welfare organization committed to furthering the interest of lesbian, gay, bisexual, and transgender Asian and Pacific Islanders/Americans in the San Francisco Bay Area. As Chair, I am a member of GAPA’s Board of Directors and therefore possess the authority and personal knowledge needed to discuss the enclosed facts.

The purpose of this letter is simple: GAPA writes in strong support of Nancy Tung’s appointment to the San Francisco Police Commission. Below is a discussion of our organization’s history, the community we serve, and the insight we now offer regarding the value Nancy shall bring as an San Francisco Police Commissioner.

**Organizational Background**

GAPA, founded in 1988, is one of the oldest nonprofits in the country dedicated to advancing the civil and social rights of Asian and Pacific Islander/American (API/A) sexual minorities. We specifically formed at the height of the AIDS crisis when mainstream LGBT organizations failed to meet the needs of those living and dying of AIDS in our community. GAPA’s work, and the work of our members, benefits broad areas that include the arts, health and well-being , politics, and social (community building).

Building community through GAPA’s social activities are among the most important work that we do as an organization. We provide a space for people identifying as API/A

Our community, family & home

LGBTQ to exist with dignity and without fear. We organize activities such as hikes, happy hour events, and social gatherings known as GAPA Klatch, among other things.

Most of these events are held at publicly accessible spaces. In 2018, ~200 people came to a banquet celebrating GAPA's 30 years of contributions to the communities and people we serve. Elected officials in San Francisco and the surrounding Bay Area came to support us, as well as leaders in the community and in technology. We regularly organize a Pride Parade march contingent in San Francisco. The ~60 people who marched with our members included publicly elected officials and leaders in the community. In short, we're a highly visible and highly active organization.

### **Our Strong Support of Nancy Tung**

Nancy is qualified and independent. She brings with her nearly two decades of public service as a Trial Prosecutor and (former) Deputy California Attorney General, roles she took on to ensure that justice be done for the people of California and the communities she serves. Her record as a powerful independent advocate is clear; in the past, she's prosecuted police misconduct and worked to protect our families.

Just as important to us, Nancy herself is the daughter to Chinese immigrants. Her professional history and personal identity inform her plans as a future Police Commissioner. She is acutely aware of the disturbing upward trends we're seeing in hate crimes against API/A residents and will work in concert with the Commissioners and police in developing a plan to protect every resident. She is likewise committed to ensuring language access for San Francisco's diverse residents so that anyone, anywhere in our 7x7 city can access services they need to protect themselves and live their lives.

As part of the broad and diverse LGBTQ family, we understand the importance of police oversight and share concerns many have on issues of police brutality, mass incarceration, and criminal justice reform. Our conversations with Nancy have instilled confidence that she will be an independent voice on the commission.

Lastly, we understand the power of representation. Currently, no commissioner identifies as Chinese. In a city that is over 20% Chinese, we are disappointed in this lack of representation. We recognize and are grateful for John Hamasaki's service on the

commission. As the API/A community constitutes over 35% of the total population of San Francisco, we need more leaders from our community in public service. With the COVID-19 pandemic surfacing ugly attacks on the Asian community, as well as those who are perceived to be Asian, we need someone on the commission who deeply understands the bias that still exists against our community.

For the reasons above, GAPA supports Nancy and her appointment to the Police Commission.

A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. I'm a lifelong San Franciscan and a resident of District 4.

I support Nancy Tung for the Police Commission because she understands both the challenges the police face, and the necessity for reform. There's no question the murder of George Floyd was absolutely abhorrent, there's no excuse for it. But I also think the events of the past few days illustrate why we need our police departments more than ever.

There are millions of interactions between police and citizens every year, and yes, a few are problematic. Can we do better? Of course we can and we should, but demoralizing the police is not going to help recruit or retain good officers. We don't need bias on the police commission, we need balance.

I heard Supervisor Ronan's question about Prop 47, and the way that it was posed inferred that property crimes by the poor, minority or drug addicted persons shouldn't be prosecuted, but if this city wants to retain their businesses, their tourism dollars, and the revenue stream necessary to pay for essential services, they can't allow lawlessness no matter who the perpetrators are. The citizens and business owners need to be supported too, otherwise the entire system falls apart. Nancy Tung's common sense approach supports the safety of all people.

Please confirm Nancy Tung for the Police Commission. Thank you.

Dear Supervisors and Mr. Young,

Thank you for the opportunity to submit a comment in support of Geoffrey Gordon-Creed's nomination to the Police Commission. I appreciate that this nomination comes at a time when oversight and reform of police practices could not be more urgent for San Francisco and for the entire country.

I have been the president of the S.H. Cowell Foundation for 15 years. The Cowell Foundation makes grants to support and strengthen communities where families are raising children in sustained and severe poverty. We have been privileged to partner with many of the family resource centers in San Francisco, particularly in the Excelsior, the Bayview, the Mission, and Sunnyside. We have also funded the YMCA where Mr. Gordon-Creed is a stand out community leader and volunteer. For 5 years, I have also chaired the board of Legal Services for Children which represents the Bay Area's most vulnerable youth.

I have known Mr. Gordon-Creed for over two decades. We are neighbors; our children attended school together; and we have worked together professionally. Mr. Gordon-Creed is the ideal candidate for the Police Commission at this moment. He is committed, fair, courageous and thoughtful. What may not have come to light is that he is from South Africa and he brings a nuanced perspective of an outsider who has viewed life through the prism of race relations. Geoff is unafraid to act on the courage of his convictions; yet, he is so personable and deeply human that he can collaborate even when confronted with the most stressful and disputatious matters. He approached me several years ago when Legal Services for Children and San Francisco's Dept of Human Services were in a struggle that spilled into litigation over the treatment of immigrant children in the foster care system. Geoff was frank, open, honest and a great listener. He represented the City fairly but had no ego in his desire to do what was best for immigrant children. I support his nomination without reservation and feel fortunate that the City I love might have the benefit of his service.

Dear Members of the Rules Committee-

I am expressing my support for Nancy Tung's appointment to the Police Commission.

I have had the pleasure of getting to know Nancy Tung over the last year as she helped me with a crime of which we were a victim. I can tell you that her knowledge of police protocols, policies and standards was very impressive. Her knowledge of the overall system between the police, crime victims, defendants, prosecution, courts and probation were also clearly a huge asset.

I ask that she be appointed to the Police Commission as she is definitely qualified and has the experience to serve the people of the City & County of San Francisco in the most well rounded way.

## ROSE PAK DEMOCRATIC CLUB POLICE COMMISSION STATEMENT

The Rose Pak Democratic Club (RPDC) considers public safety one of the most significant issues facing the Asian Pacific Islander (API) community in San Francisco. The Police Commission sets the rules and policies that determine how law enforcement interacts with the public. RPDC takes the opportunity to influence who sits on this body with the utmost importance. **After serious deliberation and consideration, RDPC is unable to support the nomination of Nancy Tung and Geoffrey Gordon-Creed to the San Francisco Police Commissioner. We remain neutral with their nominations to the Police Commission.**

When considering the nomination of any commissioner, RPDC reached out to and spoke to each of the candidates. Members of the API community often feel unheard, and so the leaders and members of RPDC did not pass on the opportunity to speak to and be heard by the candidates.

RPDC examined several factors when evaluating the nominees-- professional experience, knowledge of API issues, and demonstrated history of accountability to our community. As a career prosecutor, Nancy had a deep understanding of the San Francisco Police Department (SFPD). We discussed the use of tasers, her relationship with the Police Officer Association (POA), and the 272 Department of Justice reforms. As a former Deputy City Attorney and Ethics Commissioner, Geoffrey Gordon-Creed was well-versed with the structure of the SFPD.

Nancy impressed RPDC with her knowledge of API issues. She had a nuanced understanding of our community's most pressing concerns-- public safety, victim support, and language access. Nancy often broached these topics without prompts-- she was already familiar with the issues we most often hear members of the API community discuss in regards to public safety in San Francisco. Geoffrey spoke about the deep ties to his neighborhood, the Richmond, through his service work with the Richmond YMCA.

While we saw the potential to build a strong relationship with Nancy and Geoffrey, we ultimately decided we could not support their nominations for the San Francisco Police Commission. We were not yet convinced that the candidates reached our standards of demonstrating accountability to the API community in San Francisco. Our API communities deserve commissioners who have a proven record of showing up and doing the hard work in the community alongside us, *prior* to being nominated as Police Commissioner.

As a steward of the API community, RPDC takes great responsibility when making the decision to support candidates for any city Commission seat. We make these decisions knowing the safety of our community rests on our shoulders. Like the late Rose Pak, we understand that we must fight for everything our community deserves-- safety, health, and security.

Now more than ever, our communities need a champion to fight for the issues most pressing to us-- public safety, victim support, and language access. As anti-Asian sentiment grows throughout the country due to the coronavirus pandemic, we have seen increasing reports of discrimination and violence against the API community. And as allies of the Black/African American community, we also are seeking nominees who have the courage to reform a system which is broken and even inflicts violence on other members of our community. We ask that Mayor Breed nominate candidates with a proven track record of working in and with our communities.

Sincerely,

Kitty Fong

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

# Appoint Nancy Tung to the Police Commission to protect public safety 任命湯曉慧為警察委員會委員，以保障公共安全

Marlene Tran (陳美玲) and Sasanna Yee (余嘉雯) started this petition to the San Francisco Board of Supervisors (三藩市市參事議會)

此請願信已譯成中文版本並列於英文版本之下。

San Francisco Mayor London Breed recently nominated Nancy Tung to serve on the San Francisco Police Commission, an important body that sets policy for the Police Department and holds hearings and imposes discipline for officers accused of misconduct. It is now the responsibility of the San Francisco Board of Supervisors to approve the appointment and fill an existing vacancy on the Police Commission.

Nancy Tung is extraordinarily qualified to serve on the Police Commission as a 20 year prosecutor, including 11 years in the San Francisco District Attorney's Office. Nancy has prosecuted domestic violence cases, protected consumers, and has upheld public integrity by prosecuting public misconduct, fraud, and embezzlement. She has also successfully prosecuted officers for misconduct, removing them from the police and sheriff's departments. Nancy is an advocate for public safety and will work with police

department leadership to fully and quickly implement reforms recommended by the U.S. Department of Justice under President Barack Obama's leadership.

As a Chinese-American, Nancy Tung will be the only representative of the Chinese community on the 7-person commission, and one of only two people of Asian descent, in a city that is 22% Chinese and 35% Asian. Even before Coronavirus, the Chinese community was feeling an increase in violent crime. Now, with President Trump's racist and xenophobic remarks about the Chinese community during the COVID-19 pandemic, and new disturbing incidents of violent crime fueled by xenophobia and hate, the Chinese community needs and deserves representation and a strong voice on the Police Commission.

Nancy Tung is a mom, friend, and informed neighbor. She is an advocate for gun reform with Moms Demand Action, and she serves on the board of Stop Crime SF. She is active in local Democratic politics, and in March 2020, Nancy was elected to the San Francisco Democratic County Central Committee by Democratic voters of San Francisco in Assembly District 17. She is also a co-founder and serves on the board of the Eastern Neighborhoods Democratic Club.

Please sign this petition to call on the Board of Supervisors to put politics aside in favor of justice and public safety, and confirm Nancy Tung's appointment to serve our city on the San Francisco Police Commission.

## 任命湯曉慧為警察委員會委員，以保障公共安全

三藩市市長倫敦·布里德最近提名湯曉慧出任警察委員會委員。警察委員是為警察局製定政策，並對被指控行為不檢的警員舉行聽證會及進行紀律處分的重要機構。現在，三藩市市參事議會有責任通過這項任命並填補警察委員會內的現有空缺。

湯曉慧過去 20 年來擔任檢察官，包括其中 12 年間在三藩市地方檢察官辦公室工作，其資格極能勝任服務警察委員會。湯曉慧處理起訴過多宗家庭暴力案件，保護消費者，並通過起訴公職不當行為、欺詐和挪用公款等案件以捍衛公眾誠信。她亦成功地起訴過警員及縣警人員不當行為，把有關人員從警察和縣警部門內開除。湯曉慧倡導公共安全，並將與警察局領導層共同努力，以全面及迅速地實施美國司法部在奧巴馬總統領導下時所提出的改革建議。

華裔及亞裔人口佔三藩市總人口分別為22%和35%，作為華裔美國人的湯曉慧將會是 7 人組成的委員會內唯一華人社區代表，也是兩名擁有亞裔血統的成員之一。在新型冠狀病

毒爆發之前，華人社區就感到暴力犯罪有所增加。現在，隨著特朗普總統在新型冠狀病毒疫情期間針對華人社區的種族主義和仇外言論，以及由仇外心理和仇恨引發令人不安的新增暴力犯罪事件，華人社區需要並應該得到強而有力的代表替社區在警察委員會內發聲。

湯曉慧是一名母親，朋友及好鄰居。她是「母親要求行動」槍枝改革機構的倡導者，並且是「三藩市停止罪案行動組」的董事會成員。湯曉慧活躍於本地民主政治，並於 2020 年 3 月時當選為三藩市民主黨縣中央委員會第 17 眾議院選區委員。她亦是東區鄰里民主黨協會其中一名聯合創辦人，並出任其董事會成員。

請簽署這份請願書，一同呼籲市參事議會能夠放低政治，並以維護公義和公共安全的行動來通過對湯曉慧的任命，讓她在三藩市警察委員會服務同屬我們的城市。

**Re: NAPIPA's Endorsement of Nancy Tung's Appointment to the San Francisco Police Commission**

Dear Chair Ronen, Supervisor Stefani, and Supervisor Mar:

The National Asian Pacific Islander Prosecutors Association (NAPIPA) writes to endorse Nancy Tung's appointment to the San Francisco Police Commission.

NAPIPA is a non-profit professional organization dedicated to advancing the interests of prosecutors of Asian and Pacific Islander (API) heritage and promoting a greater understanding of the criminal justice system in the API community. NAPIPA has members across the country, consisting of federal, state and local prosecutors, elected officials, and law students. NAPIPA is currently made up of five chapters, including New York, Chicago, Southern California, San Diego, and Northern California.

The diversity in our country is one of our greatest strengths. The importance of having a government that matches our population cannot be overstated. When the men and women who govern look more like our country, confidence grows in our leadership.

Although San Francisco's population is over 35% API, there is a severe dearth of APIs serving on San Francisco Boards and Commissions. Should Ms. Tung be appointed to the San Francisco Police Commission, she would be only the second API currently on the commission.

Ms. Tung would be a great addition to the Police Commission. She has helped to protect the people of California for almost 20 years as a public prosecutor in the Attorney General's office, the San Francisco District Attorney's office, and the Alameda County District Attorney's office.

Perhaps her most germane experience is her five years in the Special Prosecutions Unit of the San Francisco District Attorney's office. During that time, she helped to investigate and prosecute police officers for criminal misconduct. She followed the mantra that actions that harm the public's trust in any of our institutions, particularly the Police Department, must be dealt with in a timely and transparent manner.

////

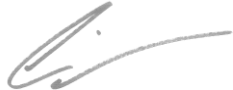

////

////

Ms. Tung received her B.A. from UC Berkeley in 1996 and her J.D. from Georgetown University Law Center in 1999.

NAPIPA endorses Ms. Tung for the San Francisco Police Commission.

Sincerely,

A handwritten signature in grey ink, appearing to read "Paul Jhin", with a long horizontal flourish extending to the right.

To Whom It May Concern:

My name is Rudy Corpuz Jr. I am the Founder and Director of United Playaz, a violence prevention and leadership development organization committed to providing youth with positive role models and activities to engage in as an alternative to involvement with gangs, drugs and other high risk behaviors. I'm writing to express my strong support for Nancy Tung for a position on the Police Commission.

Nancy has been a prosecutor in San Francisco and in other jurisdictions for the last two decades. She understands the Constitutional requirements that police officers must uphold and the damage done to a community when officers violate that trust. She has tried police officers on criminal charges in the past and held them accountable for breaking the law. One of the most important things the Commission does is to hold officers accountable, and I think Nancy will do that and stand up for what's right.

She also understands the importance of community in public safety. She's volunteered with Moms Demand Action for several years and taken on advocacy roles to help secure increases in the state budget for violence intervention programs that work in communities to stop the violence before it begins, much like the mission of United Playaz.

I hope you will vote to approve Nancy for this position. She would be an independent and thoughtful voice on the Police Commission and do what is right for San Francisco. Please feel free to contact me if you have any questions or require additional information at 415-573-6219.

In peace,

A handwritten signature in black ink that reads "Rudy Corpuz Jr." with a stylized flourish at the end.

Dear Sir,

I am writing on behalf of Nancy Tung, whom I have known since she was a junior at Arcadia High School - I was the Kiwanis advisor to the Key Club, of which she was treasurer. I cannot recommend her highly enough, as she is honest, loyal, hard working and one of the most intelligent individuals I have ever known. Please select her for the position she seeks - you will not be disappointed.

Sincerely,

Dr. W. David Goff

Re: Nancy Tung's Nomination for the San Francisco Police Commission

Dear Members of the Board of Supervisors,

I am pleased to write in support of Nancy Tung's nomination for the Police Commission. I am a long time San Francisco criminal defense attorney and know Ms. Tung from her time in the San Francisco District Attorney's Office.

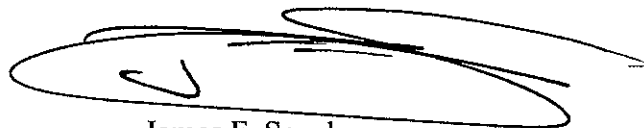

Ms. Tung and I handled a number of cases together, but none that demonstrated her good character, independent thinking, and ethical sense better than the consolidated cases of People v. Mario Bell (San Francisco Superior Court Case Nos. 9000568, 2421316, 2430966). These consolidated cases were the first to go to trial in the spring of 2010 as a scandal broke in the San Francisco Police Crime Lab. Ms. Tung faced enormous pressure from the police, and from certain less ethical voices in her office, to try and hide what was going on in the laboratory – a position that would have compromised Mr. Bell's right to a fair jury trial as guaranteed by the United States Constitution. Rather than bow to this pressure, Ms. Tung took a principled and ethical stance, dismissing the cases against Mr. Bell until his right to a fair trial could be guaranteed. I always liked Nancy Tung, but her handling of this trial demonstrated extraordinary ethical standards, as well as the fortitude to stand up to the powers that be.

I believe that she is exceptionally well qualified to serve on the Commission. With two decades of experience as a prosecutor, Ms. Tung has a nuanced understanding of the constitutional responsibilities of police officers, along with departmental procedures intended to guarantee that these constitutional responsibilities are met. Her many years as a prosecutor will be an invaluable asset to the Commission.

It is with the great enthusiasm that I recommend Nancy Tung for confirmation to the Police Commission.

treatment from a San Francisco law enforcement officer. The jury convicted Lewelling of Penal Code section 149 (felony assault under color of law) and Penal Code section 240 (misdemeanor assault).

I got to observe much of the trial, and I was extremely impressed with Nancy's ability to keep the jury's attention focused on the criminal behavior of Lewelling, when the defense was doing everything in their power to smear the victim Fernando. Even long after the case had ended, Nancy would occasionally check in to see how Fernando was doing.

I believe that it took a lot of courage for Nancy to prosecute that case. It probably was not a popular move, as there is a very strong "same team" mentality between law enforcement and the DAs office – I've seen *that* with my own eyes. She bravely stood up for this human being who had grown so accustomed to being degraded and mistreated that he himself had even begun to believe that he deserved to be beaten that morning.

The story didn't get much press, but all of San Francisco County should be grateful to Nancy for holding this deputy accountable for his criminal behavior. It's for these reasons that I think Nancy would be an excellent fit for the San Francisco Police Commission.

Very truly yours,

/s/

Re: SUPPORT for Nomination of Nancy Tung to Police Commission

Dear Supervisors:

The **Asian American Action Fund of California** strongly supports the nomination of Nancy Tung for the Police Commission.

Since its founding in 2000, the AAA-Fund – a pan-Asian political organization – has been committed to increasing the voice of Asian American and Pacific Islanders (AAPIs) at every level of government. Based in Washington DC, the AAA-Fund has active chapters throughout the country, including the Bay Area.

Ms. Tung has devoted her professional life to public service, having served as a prosecutor for nearly two decades. In that regard, she has developed lasting relationships with community groups across the City.

Of particular concern, the Police Department (SFPD) must do more to support and engage immigrant communities, including the City's under-represented AAPI community. By reaching out and listening to different groups, Ms. Tung will help SFPD better serve the City's residents, businesses, and community-at-large.

Thank you for your time and consideration. Please call me at 415 236 2048 if we may be of any further assistance.

Sincerely,

Subject: In Support of Nancy Tung for the Police Commission.

Dear Rules Committee Members: Mar, Ronen and Stefani

I am writing on behalf of Nancy Tung in support of her confirmation to the San Francisco Police Commission.

I am vexed by the article in the San Francisco Examiner of 4.25.2020 in which it appears the knives are being sharpened at City Hal to torpedo Nancy's candidacy even before she is able to present herself.

During the 2019 District Attorney campaign I was an enthusiastic supporter of Chesa Boudin in terms of time spent and money contributed to his ultimate victory.

Since taking office Chesa is fulfilling his promise to bring restorative justice to the criminal courts.

One of the candidates in the race was the nominee before you, Nancy Tung.

I attended several debates and have had the opportunity to speak with Nancy in person. I am impressed with her honesty and willingness to give the audience her views on criminal justice, particularly when these views are at odds with those of her listeners.

I, too, did not agree with everything in her campaign platform.

Nonetheless I was and still am taken by Nancy's beliefs which are buttressed by her experience as an assistant district attorney.

The Police Commission needs commissioners with street knowledgeable about the police, the courts and have everyday experience with the criminal justice system.

While there will be times when I will not be supportive of Nancy's votes as a commissioner I feel that she will look at each situation with a critical and realistic perspective.

For these reasons I encourage the Board of Supervisors to look beyond the internecine inside politics of San Francisco and put someone on the Police Commission *who will bring integrity and street smarts to the table.*

Hello Victor,

I want to speak in favor of Nancy Tung for SF Police Commission. She is a person of integrity that is fair and balanced with a long history in San Francisco and Alameda County as a prosecutor. In San Francisco we are blessed with a very international community and we need to consider that in the make up of the Police Commission as well so Nancy Tung would represent a Chinese point of view. I stand with many Asians in supporting her to be voted in as a Police Commissioner.

Thank you,

[Fully unique letter]

I am a San Francisco resident and voter in District 9. I strongly oppose Nancy Tung's and Geoffrey Gordon-Creed's nominations to the Police Commission.

I echo what I am sure are sentiments expressed in other letters about how Nancy Tung's positions do not reflect those of city residents'. She is unfit to be a Police Commissioner — her positions facilitate abuses of police powers. She supports stripping the Police Commission of the power to oversee taser use-of-force policy. Protecting the Police Commission's power to meaningfully enforce its policies seems like a baseline qualification for appointment to the Police Commission, a qualification Nancy Tung's own positions demonstrates she does not meet.

She also consistently supports other harsh, punitive, and, most of all, harmful policies that increase the danger the police poses to everyone in the city and especially those who are a part of the city's Black and Latinx communities and who the police disproportionately target. She supports the continued usage of tasers, in spite of the fact that residents voted against them in 2018. Research has proven that they do not decrease the use of force the police use and actually increase in-custody deaths. She opposed closing Juvenile Hall in spite of its documented abuses, its exponentially higher cost in comparison to other methods of redress, and being far less effective those methods in supporting the city's young people. She supports cash bail — another punitive and ineffective policy that often only punishes low-income people who have not even been convicted of a crime. She accepted money from the POA during her campaign for District Attorney. Any financial support from the POA makes her ability to be an impartial judge of the police questionable. She has already opposed prosecuting police officers who were involved in shootings in the city.

Geoffrey Gordon-Creed is not qualified to serve on the Police Commission — or, at the very least, the absence of information on his positions on policing inspire little confidence in his ability to be a valuable addition to the Police Commission and that he will act in a way that reflects the values of the city and its voters. He has no public history of engaging with criminal justice issues or of representing people and communities policing policies impact. He has no public stance on the Taser Use-of-Force Policy, and no indication of any reference to any public engagement with all the incredibly important issues the Police Commission is regularly tasked with overseeing.

We already needed civilian Police Commissioners whose is more interested in protecting the city's residents than in supporting police. I believe current events make that fact impossible to ignore and put that need into sharp relief. The city's police force has already demonstrated that they are dangerous to the public — law enforcement has shot multiple people this year alone, not to mention the shootings of Mario Woods, Luis-Gongara Pat, Alex Nieto, Jessica Williams, and every other person who the SFPD has killed, all of which the city has failed to adequately address with appropriate disciplinary action.

Police Commissioners serve such a vital role in protecting the city from police abuse. It would be a mistake to approve Nancy Tung's and Geoffrey Gordon-Creed's nominations — Nancy Tung for her demonstrated positions that would make her a lax enforcer of police abuse and Geoffrey Gordon-Creed for the absence of any information on his positions for such an important role. San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department.

I also wanted to add that I have heard that part of the support for Nancy Tung's candidacy is that there is currently no Asian American representation on the board. As a Chinese American resident, I find it insulting that people are suggesting merely appointing a token Asian American member to the Police Commission is sufficient to represent the interests of our complex and multifaceted communities. I want a representative who is not only a member of our communities, but one who is actively invested in protecting our community members most in need —and have demonstrated thoughtful, researched positions that would act in our best interests. Nancy Tung and her harmful policy positions have proven she is not that person.

Please do not approve either Nancy Tung or Geoffrey Gordon-Creed for a position on the Police Commission. San Francisco city residents deserve representatives who are passionate and committed to police reform, not collusion or a total lack of previous public involvement. I urge to vote against both Nancy Tung and Geoffrey Gordon-Creed.

Thank you,

I have been a District 8 resident for the last 12 years, and I am a black immigrant father of two young children. Out of concern for the lives of those young San Franciscans, I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. You need not take my word on that - the voters made that

clear in the last DA election, where she placed a distant third despite robust backing from right-wing racist police and their union. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. My kids deserve a city where they can be safe from police abuse, and where they can find as much justice as rich, white residents. I deserve a city where when I see police assault people who look like me day in and day out, they are held accountable. I strongly urge you to oppose these nominations, and like many voters, particularly the majority who rejected racist police tactics last November, I will be closely watching your votes.

Thank you,  
Mr. Edward Parillon

I am a San Francisco resident in District 3, and I am writing to strongly urge you to OPPOSE the nominations of Nancy Tung and Geoffrey Gordon-Creed to the Police Commission.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

In addition to aligning herself with the divisive San Francisco Police Officers' Association who helped boost her run for District Attorney, Nancy Tung supported their Proposition H measure, which would have stripped the Police Commission of the power to oversee Taser use-of-force policy. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition.

It defies logic to appoint a candidate to the Police Commission who has actively supported, alongside the POA, undermining the Commission's core function of public oversight over SFPD. (Gordon-Creed took no public position on Proposition H.)

Nancy Tung continues to support equipping SFPD with Tasers. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF study found that the deployment of Tasers in California cities **\*\*increased\*\*** use of force and in-custody deaths.

Tung opposed closing Juvenile Hall, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. She opposed ending cash bail, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system.

**There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis G3ngora Pat, Alex Nieto, Jessica Williams, Amilcar Perez-Lopez, or any other person killed by the SFPD, or any of the other aforementioned issues. I remain concerned that Mr. Gordon-Creed's views on critical**

police & incarceration issues are opaque, beyond a record of defending SFPD in police brutality incidents in court. This alone does not inspire confidence. Please oppose his nomination.

We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. Minneapolis is burning right now, and I am **\*\*flabbergasted\*\*** that our mayor sees fit to nominate a candidate who has opposed EVERY single commonsense police reform proposed over the past several years, whose approach to police accountability screams 1920, not 2020. Please oppose Nancy Tung's nomination as well.

Thank you,  
Shanti Singh

There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. My kids deserve a city where they can be safe from police abuse, and where they can find as much justice as rich, white residents. I deserve a city where when I see police assault people who look like me day in and day out, they are held accountable. I strongly urge you to oppose these nominations, and like many voters, particularly the majority who rejected racist police tactics last November, I will be closely watching your votes.

Thank you,  
Mr. Edward Parillon

I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION. Their appointments would set the city backwards in its attempts to become a more just city for all residents.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

I am a long-time San Francisco resident and I am writing to urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. I URGE YOU TO VOTE NO.

Thank you,

-----  
I am a San Francisco resident in District 3, and I am writing to strongly urge you to OPPOSE the nominations of Nancy Tung and Geoffrey Gordon-Creed to the Police Commission.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

In addition to aligning herself with the divisive San Francisco Police Officers' Association who helped boost her run for District Attorney, Nancy Tung supported their Proposition H measure, which would have stripped the Police Commission of the power to oversee Taser use-of-force policy. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition.

It defies logic to appoint a candidate to the Police Commission who has actively supported, alongside the POA, undermining the Commission's core function of public oversight over SFPD. (Gordon-Creed took no public position on Proposition H.)

Nancy Tung continues to support equipping SFPD with Tasers. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF study found that the deployment of Tasers in California cities **\*\*increased\*\*** use of force and in-custody deaths.

Tung opposed closing Juvenile Hall, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. She opposed ending cash bail, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system.

**There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis G3ngora Pat, Alex Nieto, Jessica Williams, Amilcar Perez-Lopez, or any other person killed by the SFPD, or any of the other aforementioned issues. I remain concerned that Mr. Gordon-Creed's views on critical**

police & incarceration issues are opaque, beyond a record of defending SFPD in police brutality incidents in court. This alone does not inspire confidence. Please oppose his nomination.

We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. Minneapolis is burning right now, and I am **\*\*flabbergasted\*\*** that our mayor sees fit to nominate a candidate who has opposed EVERY single commonsense police reform proposed over the past several years, whose approach to police accountability screams 1920, not 2020. Please oppose Nancy Tung's nomination as well.

Thank you,  
Shanti Singh

Dear Chair Ronen, Members of the Rules Committee, and Supervisors:

We write in opposition to the appointments of Nancy Tung and David Gordon-Creed to the San Francisco Police Commission.

In recent years, San Francisco and the State of California have made great strides toward meaningful criminal justice reform, reform of use of force policies, and jail reform. That progress is owed to a long arc of advocacy and activism during the Civil Rights and Black Power Movements, LGBTQ leaders including our namesake and ACT UP activists, and other queer, indigenous and POC leaders dedicated to reform of the carceral state.

Amid a nationwide reckoning on systemic racism and police use of force against black and brown bodies, with protests spurred by police murders of black and brown people in Minneapolis, Louisville and across the country, we have a moral obligation to ensure our political choices represent our values, and the urgent and existential need for racial justice and real reform.

As elected representatives, you have a moral obligation to ensure our Police Commission and other citizen oversight bodies are wholly committed to holding police accountable for acts of brutality, holding themselves accountable to communities most impacted by state violence, and supporting policy changes to realize the reform so deeply needed.

We cannot in good conscience be silent and therefore complicit with regard to the nomination of Nancy Tung to the Police Commission. As recently as last year during her campaign for District Attorney, she made clear her commitment to upholding oppressive and racist systems of law and order that stand in stark contrast to the demands of the movement for black lives.

Specifically, Nancy Tung:

- Would not have supported bringing charges against the police officers who killed Mario Woods [[source](#)]
- Would not have supported bringing charges against any of the police officers who shot or killed 12 San Franciscans, including Mario Woods, Alex Nieto, Alice Brown, Amilcar Perez-Lopez, Giovany Contreras Sandoval, Herbert Benitez, Javier Lopez Garcia, Jessica Williams, Luis Gingora Pat, Matthew Hoffman, Nicholas McWherter, and Shaine Evans [[source](#)]
- Opposed eliminating money bail [[source](#)]
- Supported Proposition H, a dangerous taser use of force policy opposed by the majority of San Franciscans that would have undercut the authority of the very commission she seeks to serve on [[source](#)]
- Supported Proposition Q, which criminalized the existence of homeless people on the street [[source](#)]
- Opposed closing Juvenile Hall [[source](#)]
- Declined to state a position on Prop 62, to end the death penalty [[source](#)]
- Opposed AB 392, the California Act to Save Lives, that established that police can use deadly force “only when necessary” [source: ACLU letter in opposition to Tung’s appointment]
- Opposed Prop 47 [[source](#)]
-

Received the highest possible campaign donation from the San Francisco Police Officers Association, a right-wing organization that has opposed every criminal justice reform and accountability measure in recent memory [[source](#)]

- Currently serves as “Director At-Large” on the board of Stop Crime San Francisco, an organization that recently lobbied against legislation to close the seismically unsafe County Jail #4 [[source](#)]

For these many reasons, we cannot support Nancy Tung, and urge you to oppose her nomination.

On the other hand, David Gordon-Creed’s lack of any meaningful record whatsoever on these critical issues does not inspire confidence that he will take necessary steps toward reform and to hold himself accountable to communities most impacted by state violence.

We therefore urge you to exercise your unqualified discretion under Section 3.100 of the San Francisco Charter to reject Mayor London Breed’s appointments of both Nancy Tung and David Gordon-Creed to the San Francisco Police Commission, and to wait for Mayoral appointees that reflect nationwide protests for greater oversight and accountability of law enforcement.

This moment demands moral clarity from the Board of Supervisors, the Mayor, and the Police Commission. We demand moral clarity in these nominations.

Your choices here will be judged on one side of history or the other, and we urge you to choose the right side, uphold the visceral concerns and needs of black and brown San Franciscans and the growing movements for reform, justice and accountability.

Please oppose these nominations.

Sincerely,

The Executive Board of the Harvey Milk LGBTQ Democratic Club

**Re: Geoffrey Gordon-Creed – Appointment to San Francisco Police Commission**

Dear Supervisors Ronen, Stefani and Mar:

On behalf of Walk San Francisco, I am writing to register our support for Geoffrey Gordon-Creed's appointment to the San Francisco Police Commission.

Walk San Francisco is the city's only pedestrian advocacy organization. Our mission is to make San Francisco the most pedestrian-friendly city in the nation. Walk SF was instrumental in getting our city to adopt the Vision Zero policy goal of eliminating all traffic-related fatalities and serious injuries by 2024. Walk SF leads the Vision Zero Coalition, 35 community-based organizations, nonprofits, and civic groups representing communities across the city, and especially those most impacted by traffic deaths, including low-income communities and communities of color, seniors, and people with disabilities. As well as facilitating the Senior & Disability Working Group of the Vision Zero Coalition. We partner with all the city agencies, including the SF Police Department, to achieve Vision Zero.

Geoffrey Gordon-Creed, and his wife, Jean Fraser, have been members of Walk SF since 2011. He firmly believes that no matter your age or ability, everyone should be able to walk in San Francisco safely, because that is what makes a vibrant and livable city.

Geoff is a needed voice on the commission to help the SF Police Department achieve their Vision Zero goal of 50% of traffic citations are focused on the five most dangerous driving behaviors. Because the department's commitment to this will help save 30 lives and put an end to 600 people suffering from life-changing injuries because of traffic crashes each year.

Walk SF asks that the Rules Committee send his Police Commission nomination to the full Board of Supervisors with a positive recommendation. Geoff has the professional background, community-focused values, and easy-going personality to make him a valuable San Francisco Police Commissioner.

Thank you,

Dear Members of the Board of Supervisors,

I am emailing you in support of Nancy Tung's nomination for the Police Commission.

I met Ms. Tung during the District Attorney's race last year and she was unbelievably helpful to me in navigating the criminal justice system as a crime victim. I found her to have an extremely deep understanding of DA's Office, Courts, Probation and SFPD, which was an invaluable range of knowledge to have when one is involved in the system. Not only did she help me as the victim, but she knew of the services that the justice involved person should be getting as well. Needless to say, I was very impressed with her help and the interest she took in ensuring both sides of the criminal justice equation were served.

In my case, it was also very clear to me that Ms. Tung was well aware of the police officers' responsibilities to a crime victim as well the department's procedures in handling criminal cases. There is no question in my mind that her legal training and knowledge about the SFPD would be an asset to the Commission.

It is with the utmost enthusiasm that I recommend Nancy Tung for confirmation to the Police Commission.

If you have any questions, please do not hesitate to ask me.

Dear Board Of Supervisors,

I respectfully ask that you apply a rational decision in approving Nancy Tung to one of the currently vacant seats on the police commission. Nancy is an experienced jurist and she is well qualified for the given position based on her track record of supporting police reforms and actually charging police officers in the past.

There's been a lot of blatant lies and miss information recently tweeted by one of the Chesa Boudin's staff members (specifically by Dana Dru) regarding Nancy's track record as a jurist, and it's my sincere hope that you would listen to the overwhelming support from constituents that have sent you a signed petition in support of Nancy's candidacy, those that have emailed and will still email you before Monday, and that you'll make the right decision in approving Nancy to be one of the commissioners on the police commission board.

Thank you,  
Oleg

Please make this a matter of record

Dear Committee,

My name is Spencer Guthrie. I am a 22yr resident of SF and a current resident in the Inner Richmond. I fully support Nancy Tung for police commission. I was on the call on sfgov.tv at 10AM today and stayed on until noon, but was unable to stay on longer to make comment. As a matter of order, I believe in the future that citizens should be allowed to give comment 1<sup>st</sup> as their point of view is as important or more important than those of the supervisors who took 1 hr pontificating on the issue prior to even allowing the candidates to speak. A politicized summary may be more appropriate at the end after you've heard from everyone, instead of at the beginning.

At a time when racism is rampant in the country and police force, I think its highly important to select a member of the Chinese community like Nancy Tung. In addition, she is clearly very qualified with years of experience including prosecuting police. She is also a neutral objective person which is important to not highly politicize this position at this time. I cant think of a more important time to have an objective neutral party in this role.

In addition, as a privileged white male, I feel strongly that it would be racist for the also privileged white supervisors on the Board of Supervisors to oppose a highly qualified woman of color to this position.

I also don't think it was appropriate for Hilary Ronen to lecture at the beginning. She is a very strong anti-housing activist supervisor, of which her anti-housing policies disproportionately affect people of color. At the same time, we have a very liberal African American mayor, who grew up poor in the projects, whose family has been affected by the justice system, has supported the candidate. The same supervisor pontificated at length, ad nauseam, on each and every question, while continually cutting off Nancy Tung. Of note, she did not cut off the non-minority candidate. Her questions were clearly biased against Nancy Tung, and her biased showed throughout the hearing.

Again, I fully support Nancy Tung, I fully support listening to constituents 1st next time, and I strongly oppose the racist tone from Hilary Ronen.

The jovial tone and joint laughing of Hilary Ronen with the non-minority candidate when he did not answer yes/no questions was in stark contrast to her negative and opposing tone to Nancy Tung, the highly qualified woman of color candidate. This racist behavior is not acceptable. Using Racist undertones is a common form of racism by white educated people of privilege, as opposed to the overt racism that one may see from less educated racists in the south, but it is still racism and

shouldn't be acceptable from a SF elected official.

Best Regards,  
Spencer Guthrie

Dear Legislative Aides,  
Over the past **~60 hours or so 407 constituents have emailed your offices strongly urging you to oppose Nancy Tung and Geoffrey Gordon-Creed's nomination** to the police commission.

We expect more to continue rolling in.

Unfortunately, approximately 402 **of those have gone into your junk folder**. Please take note of these and **remove them from your junk folder and, if you do not want them in your inbox, archive them for your records**. Although, of course we hope you take time to respond to at least some of them.

This incident is especially unfortunate as **1 in 5 of those emails (~18%) were customized emails**, meaning people took the time to alter the email to reflect on their own experiences.

We have **highlighted a few of those in the attached document**. People wrote **about their experiences being Chinese American, being Black, being immigrants, being long-time residents, living in their neighborhood, and about working in the criminal justice space**.

We know that you are busy, but we hope you will take the time to reflect on the volume and breadth of constituent emails. **Emails have come from, every, single district in San Francisco.**

**As you reflect on the protests happening all around the country--** in Minneapolis, Louisville, New York, Los Angeles, Eugene, Las Vegas, Grand Rapids, Houston, and here in San Francisco--we hope that you come to the conclusion that San Franciscans do not want and deserve more than a self-described "[tough on crime](#)", [law-and-order](#) police commissioner.

As one constituent so eloquently put it, "We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community."

Given the high stakes, please have someone from each Supervisor's office email us back to CONFIRM you have received this email.

Thank you

Dear Chair Ronen,

I would like to express my strong support for Nancy Tung's nomination to the Police Commission.

Nancy is uniquely qualified for this position. Nancy has served as a Deputy District Attorney in Alameda County since 2017, where she focused on investigating and prosecuting civil law enforcement actions against corporations based on California's Unfair Competition Law and False Advertising Law. She also served as an Assistant District Attorney in San Francisco from 2006 to 2017. As a trial prosecutor and former Deputy California AG with nearly two decades of experience, Nancy has handled thousands of cases in local, state, and federal courts.

Nancy's experience will play an invaluable role on the Commission, as she embraces the community's goals for a model police department. Nancy will bring legal expertise and community-driven passion to the role, which is critical to collaborating with other Commissioners on fair and progressive oversight.

In her free time, Nancy is an active member of Moms Demand Action, using her experience as a prosecutor and mom to fight for sensible gun laws in America. She serves on the board of Stop Crime SF, a local group dedicated to protecting victims and holding public officials and the criminal justice system accountable. She also has been a mentor with Big Brothers Big Sisters, developing a lifelong relationship with the girl she was matched with over a decade ago. Nancy leads an informal group of EMILY's List graduates, which trains and supports women who run for public office,

and she has served on the boards of local Democratic clubs. Nancy will contribute a focused mindset and collaborative professionalism to the Commission, as she has to her other many voluntary roles in service of the public.

I know that Nancy will bring all of her experiences to bear in this role and will step in and work quickly towards solutions for our City and our citizens in these unprecedented times. I ask you to please recommend Nancy Tung for the Police Commission to the Board of Supervisors.

Many thanks,

Annie Gaus

Dear Chair Ronen,

I am writing to express my support for Nancy Tung as Mayor London Breed's nominee for the Police Commission.

Nancy has served as a Deputy District Attorney in Alameda County since 2017, focusing on investigating and prosecuting civil law enforcement actions against corporations based on California's Unfair Competition Law and False Advertising Law. She served as an Assistant District Attorney in San Francisco from 2006 to 2017. A trial prosecutor and former Deputy California Attorney General with nearly two decades of experience delivering justice for the People, Nancy has handled thousands of cases in local, state, and federal courts. Nancy's experience will play an invaluable role on the Commission, as she embraces the community's goals for a model police department. Nancy will bring legal expertise and community-driven

passion to the role, critical to collaborating with other Commissioners on fair and progressive oversight.

In her free time, Nancy is an active member of Moms Demand Action, using her experience as a prosecutor and mom to fight for sensible gun laws in America. She serves on the board of Stop Crime SF, a local group dedicated to protecting victims and holding public officials and the criminal justice system accountable. She also has been a mentor with Big Brothers Big Sisters, developing a lifelong relationship with the girl she was matched with over a decade ago. Nancy leads an informal group of EMILY's List graduates, which trains and supports women who run for public office, and she has served on the boards of local Democratic clubs. Dear San Francisco Board of Supervisors,

I worked my whole adult life to become a San Francisco homeowner, a dream I fulfilled closed to nine years ago. But I've been alarmed as the City has descended into an abyss—the worst property crime of any major U.S. city, watching my friends and neighbors get mugged, their cars stolen, and worse. It is rapidly spiraling out of control.

I urge you to support Nancy Tung to serve on the Police Commission. She has a wealth of experience and is uniquely qualified for this position with 20 years experience as a top-notch prosecutor.

Nancy Tung will be the sole representative of the Chinese-American community on the 7-person commission. Even before the COVID-19 pandemic, the Chinese community was feeling an increase in crime and is now experiencing disturbing incidents of violent crime fueled by xenophobia.

In these times of relentless assault on our quality of life as San Francisco residents, Nancy Tung will be a strong voice to ensure our safety, and that the justice system functions as intended, for all of us. Please vote to confirm her appointment.

Amy Johnson, homeowner

District 7

Dear S.F. Board of Supervisors,

My name is Jenny. I'm a current city resident, registered voter and native San Franciscan. I'm writing in support of Nancy Tung as S.F. Police Commissioner. I first met Nancy during her candidacy for District S.F. Attorney but got to know her more through Moms Demand Action.

As a native San Franciscan, Chinese American, and daughter of immigrants, I believe she'd be great at the position, especially during these divisive times. Xenophobia is at its peak, nationally and locally, even in our ever diverse city. The multiple recorded incidents during which Chinese seniors were stalked, harassed, humiliated, robbed and/or brutalized are not minor incidents to dismiss. Most importantly, these upsurge in attacks against Asian Americans; China-bashing, are neither recent phenomenons nor isolated incidents.

As Retired Superior Court Judge Julie Tang stated in her KPFA interview titled 'Anti-Asian Violence in Response to Covid19':

“If we look at some of the statistics compiled by Chinese For Affirmative Action, Asian Pacific Council in San Francisco State University, there's a website that they put up called StopAAPIHate.org. They documented 1500 cases in 17 days of violence against Asians.”

She went on to say that San Francisco has twice the rate of reported incidents than that of New York and Los Angeles.

Her interview and referenced hate crimes against local Chinese residents have gone viral. They've ruined the city's historical reputation for promoting and embracing diversity. Sadly, these crimes are nothing new. They've occurred for decades. It's during the Digital Age of social media and smart phones that these matters have finally been brought to light. If you as a Board are truly committed to repairing, maintaining and strengthening community policing and uprooting the virus of hate, one strategy would be to have Nancy at the table.

Growing up, my neighbors, family and I would have loved to see someone like Nancy at the table to turn to. I grew up in part in Bayview Hunter's Point. I witnessed my mother, brother and neighbors being repeatedly harassed, beaten, robbed, and hard-earned property vandalized. They were victimized by fellow community members. I would've intervened but understandably no one can or should expect a grade school girl to. Incidents like these have been occurring for decades but remain underreported.

The perspective Nancy would bring as the daughter of Chinese immigrants would be diversity to the Police Commission. How do monolingual, immigrant, working-class and/or behaviorally/culturally reserved people feel empowered to speak up when they're victimized and have no familiar face at the table to turn to? Many Chinese and Chinese Americans still practice and hold on to dated cultural norms of silence. This is especially true for women. Consequently, victims are traumatized further, held hostage by the lack of fluency and/or fear. And for the few who summon enough courage to report it, acid is poured on their wounds when their pleas fall on unfamiliar faces and culturally estranged ears.

Nancy would be an asset to this Commission, not just because of her ethnicity, but also because of her knowledge regarding law and the role of the police. She is an accomplished prosecutor, but also holds dear values around transparency and accountability from our police department. She has criminally prosecuted law

enforcement officers in criminal cases and strongly believes that anyone who abuses the trust public trust should be held to answer. All of San Francisco would benefit from her service on the Police Commission.

Sincerely,  
Jenny Shao

Dear Supervisors -

As you well know, San Francisco has the highest rate of property crimes of any major city in the U.S. -- including more than 25,000 auto break-ins annually in recent years. Out-of-town drug dealers have plagued our neighborhoods such as the Tenderloin, condemning thousands to addiction and generating thefts, robberies, and violent crimes citywide. Homicides in our city were up 67% this April over last year, and burglaries are up 40%.

We need Nancy Tung on the Police Commission.

I urge you to support Nancy to serve on the Police Commission. She has a wealth of experience and is uniquely qualified for this position with 20 years as a prosecutor.

Dear Honorable Supervisors,

I urge you to please support Nancy Tung to serve on the Police Commission. She has a wealth of experience and is uniquely qualified for this position with 20 years as a prosecutor.

Nancy Tung will be the only representative of the Chinese-American community on the 7-person commission. Even before the pandemic, the Chinese community was feeling an increase in crime and is now experiencing further incidents of crime.

She will be a strong and balanced voice for justice and public safety. Please vote to confirm her appointment.

Thank you very much for your kind consideration!

Best,

Kevin Mangan

**Subject:** Rules Committee support for Nancy Tung for Police Commission

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Board of Supervisors Rules Committee members Mar, Stefani and Ronen,

I am emailing to urge you to support Nancy Tung to serve on the Police Commission. She has a wealth of experience and is uniquely qualified for this position.

As a prosecutor, she understands law enforcement. At the same time, she is even handed and guided by the public good as exemplified by her successful prosecution of members of the police and sheriff's department.

As a Chinese-American, Nancy Tung will be the only representative of the Chinese community on the 7-person commission, and one of only two people of Asian descent, in a city that is 22% Chinese and 35% Asian. Even before Coronavirus, the Chinese community was feeling an increase in violent crime. Now, with President Trump's racist and xenophobic remarks about the Chinese community during the COVID-19 pandemic, and new disturbing incidents of violent crime fueled by xenophobia and hate, the Chinese community needs and deserves representation and a strong voice on the Police Commission.

Nancy Tung is a mom, community leader, and informed neighbor. She is an advocate for gun reform with Moms Demand Action, and she serves on the board of Stop Crime SF. She is active in local Democratic politics, and in March 2020, Nancy was elected to the San Francisco Democratic County Central Committee by Democratic voters of San Francisco in Assembly District 17. She is also a co-founder and serves on the board of the Eastern Neighborhoods Democratic Club.

With a big picture view of what law enforcement is supposed to do, as well as decades of experience participating in criminal justice and community organizing, Nancy is the right person to serve on this commission.

Thank you for your consideration,  
Anna Roumiantseva  
Upper Noe Valley

I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. I am a San Francisco resident and voter in District 3. I strongly oppose Nancy Tung and Geoffrey Gordon-Creed's nominations to the Police Commission.

I echo what I am sure are sentiments expressed in other letters about how Nancy Tung's positions do not reflect those of city residents. She is unfit to be a Police Commissioner as her positions facilitate abuses of police powers. She supports stripping the Police Commission of the power to oversee taser use-of-force policy. Protecting the Police Commission's power to meaningfully enforce its policies seems like a baseline qualification for appointment to the Police Commission, a qualification Nancy Tung's own positions demonstrates she does not meet.

She also consistently supports other harsh, punitive, and, most of all, harmful policies that increase the danger the police poses to everyone in the city and especially those who are a part of the city's Black and Latinx communities and who the police disproportionately target. She supports the continued usage of tasers, in spite of the fact that residents voted against them in 2018. Research has proven that they do not decrease the use of force the police use and actually increase in-custody deaths. She opposed closing Juvenile Hall in spite of its documented abuses, its exponentially higher cost in comparison to other methods of redress, and being far less effective those methods in supporting the city's young people. She supports cash bail as another punitive and ineffective policy that often only punishes low-income people who have not even been convicted of a crime. She accepted money from the POA during her campaign for District Attorney. Any financial support from the POA makes her ability to be an impartial judge of the police questionable. She has already opposed prosecuting police officers who were involved in shootings in the city.

Geoffrey Gordon-Creed is not qualified to serve on the Police Commission or, at the very least, the absence of information on his positions on policing inspire little confidence in his ability to be a valuable addition to the Police Commission and that he will act in a way that reflects the values of the city and its voters. He has no public history of engaging with criminal justice issues or of representing people and communities policing policies impact. He has no public stance on the Taser Use-of-Force Policy, and no indication of any reference to any public engagement with all the incredibly important issues the Police Commission is regularly tasked with overseeing.

I imagine you've received a number of these form letters and as a result may not read the details of each one, but I wanted to add that the specifics in the letter below speak for me, as someone who lent my voice against the SFPD adoption of tasers and currently works on criminal record clearance across the country. I urge you all to reject Tung and Creed's nominations to the police commission. Thank you.

I have been a District 8 resident for the last 12 years, and I am a Black immigrant father of two young children. Out of concern for the lives of those young San Franciscans, I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. You need not take my word on that - the voters made that clear in the last DA election, where she placed a distant third despite robust backing from right-wing racist police and their union. I am a San Francisco resident in District 3, and I am writing to strongly urge you to **OPPOSE** the nominations of Nancy Tung and Geoffrey Gordon-Creed to the Police Commission.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

In addition to aligning herself with the divisive San Francisco Police Officers' Association who helped boost her run for District Attorney, Nancy Tung supported their Proposition H measure, which would have stripped the Police Commission of the power to oversee Taser use-of-force policy. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition.

It defies logic to appoint a candidate to the Police Commission who has actively supported, alongside the POA, undermining the Commission's core function of public oversight over SFPD. (Gordon-Creed took no public position on Proposition H.)

Nancy Tung continues to support equipping SFPD with Tasers. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF study found that the deployment of Tasers in California cities **\*\*increased\*\*** use of force and in-custody deaths.

Tung opposed closing Juvenile Hall, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. She opposed ending cash bail, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system.

There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis GÃ³ngora Pat, Alex Nieto, Jessica Williams, Amilcar Perez-Lopez, or any other person killed by the SFPD, or any of the other aforementioned issues. I remain concerned that Mr. Gordon-Creed's views on critical police & incarceration issues are opaque, beyond a record of defending SFPD in police brutality incidents in court. This

I am a 35 year San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A

RE: Oppose Police Commission Appointees Tung and Gordon-Creed

Dear Board of Supervisors:

We are writing on behalf of San Francisco Rising to urge you to oppose Mayor Breed's appointment of Nancy Tung and Geoffrey Gordon-Creed to the San Francisco Police Commission. SF Rising is an alliance of working class, communities of color organizing in the Chinese, Black, Latinx, and Filipino community. Our 8 member organizations include: Causa Justa Just Cause, Chinese Progressive Association, Coleman Advocates for Children and Youth, People Organizing to Demand Environmental and Economic Rights, Filipino Community Center, Mujeres Unidas y Activas, South of Market Community Action Network, and Dolores Street Community Services.

As diverse communities, we recognize that all of us deserve to feel safe in our neighborhoods, and that law enforcement should act in partnership with community, but that is not the case as we have seen time and again. We have seen police murdering our black and brown community members with impunity, and in the Chinese community there has been frustration and anger about lack of action in regards to violent assaults that have occurred to senior citizens. We deserve to have police commissioners who are deeply trusted by the community serving on the Police Commission, and who have deep ties and relationships to our organizations and our members. Unfortunately, neither Nancy Tung nor Geoffrey Gordon-Creed have any history of working with communities of color to address their needs in relationship to the SF Police Department.

The Police Commission is tasked with: 1) Setting policy for the police department, 2) Conducting disciplinary hearings on charges of police misconduct, 3) Imposing discipline for misconduct; and 4) Hearing police officers' appeals from discipline imposed by the Chief of Police. Police accountability is a central role of the Police Commissioners, and it is one of the few public bodies where the public can weigh in on the SF Police Department's actions. Given the recent brutal murder of George Floyd by police in Minnesota and the national outrage and outcry over the last week, it is now more critical than ever to ensure we have police commissioners who take their role of holding police accountable seriously.

However, as recently as last year, Deputy District Attorney Nancy Tung has opposed police accountability. During her campaign for San Francisco District Attorney in November 2019, in response to a questionnaire from the ACLU of Northern California, San Francisco Rising, and the Immigrant Legal Resource Center, she expressly opposed AB 392 (The California Act to Save Lives). Championed by families whose loved ones were killed by the police, AB 392 established that police can use deadly force “only when necessary” to defend against threat of death or serious bodily injury, replacing the vague and dangerous standard that authorized officers to use deadly force whenever “reasonable.”

Additionally, Tung has opposed the closure of the SF Juvenile Hall as well as the County Jail 7 at 850 Bryant. On these issues, a majority of the SF Board of Supervisors has supported closing Juvenile Hall and County Jail 7, with broad community support. Given these examples of Tung's positions, we have serious concerns about her ability to represent community needs in regards to public safety, police accountability, or investing in rehabilitation and not incarceration.

While many of our community members wish to see Chinese representation on the Commission, which has none despite the city's  $\frac{1}{3}$  population of Chinese residents, we are sorely disappointed by Tung, who has little to no connection to the Chinese immigrant community. The two San Francisco based organizations that Tung is active in, Stop Crime SF and Moms Demand Action SF Chapter, have no history of engagement with the Chinese immigrant community or other communities of color.

While Tung's record has been made public as a candidate for District Attorney and DCCC, Gordon-Creed has almost no public track record to speak of. We are unclear what his experience is in holding police officers accountable or on the various issues we've raised. Additionally, it is unknown what experience he brings to the area of police accountability in the last 25 years since his days as a Deputy City Attorney where he represented police officers.

Therefore, we strongly urge the Board of Supervisors to oppose the appointment of both Tung and Gordon-Creed. We believe the Mayor can and should appoint commissioners that more accurately align with community values, have authentic and deep ties to the community, and who have a track record to justify their appointment to such an important office. Our communities deserve to be represented by Commissioners who are trusted and have our support.

Sincerely,
