## Executive Summary

In 2008, San Francisco voters overwhelmingly approved a City Charter Amendment (section 4.101) establishing as City policy for the membership of Commissions and Boards to reflect the diversity of San Francisco’s population, and that appointing officials be urged to support the nomination, appointment, and confirmation of these candidates. Additionally, it requires the San Francisco Department on the Status of Women to conduct and publish a gender analysis of Commissions and Boards every two years.

The *2019 Gender Analysis of Commissions and Boards* includes more policy bodies such as task forces, committees, and advisory bodies, than previous analyses, which were limited to Commissions and Boards. Data was collected from 84 policy bodies and from a total of 741 members mostly appointed by the Mayor and Board of Supervisors. These policy bodies fall under two categories designated by the San Francisco Office of the City Attorney.<sup>1</sup> The first category, referred to as “Commissions and Boards,” are policy bodies with decision-making authority and whose members are required to submit financial disclosures to the Ethics Commission. The second category, referred to as “Advisory Bodies,” are policy bodies with advisory function whose members do *not* submit financial disclosures to the Ethics Commission. This report examines policy bodies and appointees both comprehensively as a whole and separately by the two categories.

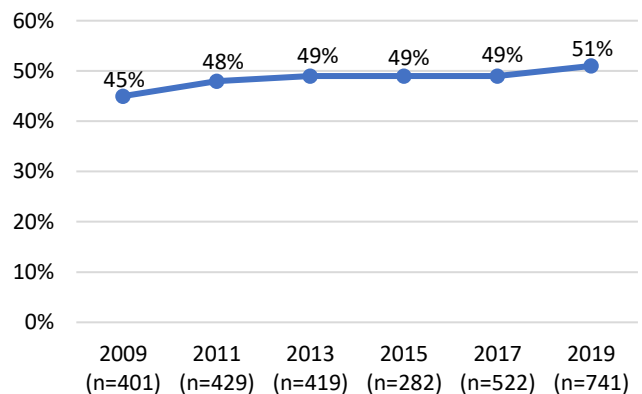

The *2019 Gender Analysis* evaluates the representation of women; people of color; lesbian, gay, bisexual, transgender, queer, and questioning (LGBTQ) individuals; people with disabilities; and veterans on San Francisco policy bodies.

### Key Findings

#### Gender

- Women’s representation on policy bodies is 51%, slightly above parity with the San Francisco female population of 49%.
- Since 2009, there has been a small but steady increase in the representation of women on San Francisco policy bodies.

#### 10-Year Comparison of Representation of Women on Policy Bodies

## Race and Ethnicity

- People of color are underrepresented on policy bodies compared to the population. Although people of color comprise 62% of San Francisco’s population, just 50% of appointees identify as a race other than white.
- While the overall representation of people of color has increased between 2009 and 2019, as the Department collected data on more appointees, the representation of people of color has decreased over the last few years. The percentage of appointees of color decreased from 53% in 2017 to 49% in 2019.
- As found in previous reports, Latinx and Asian groups are underrepresented on San Francisco policy bodies compared to the population. Latinx individuals are 14% of the population but make up only 8% of appointees. Asian individuals are 31% of the population but make up only 18% of appointees.

**10-Year Comparison of Representation of People of Color on Policy Bodies**

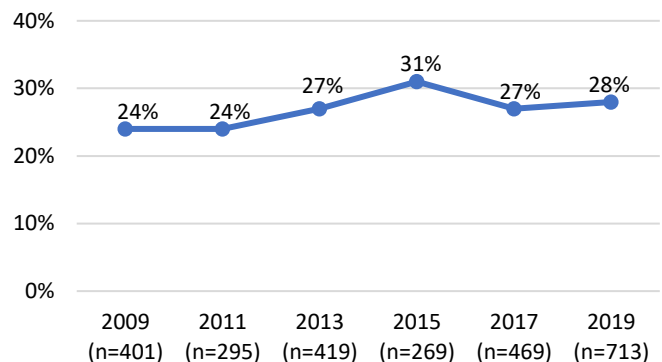

Source: SF DOSW Data Collection & Analysis.

## Race and Ethnicity by Gender

- On the whole, women of color are 32% of the San Francisco population, and 28% of appointees. Although still below parity, 28% is a slight increase compared to 2017, which showed 27% women of color appointees.
- Meanwhile, men of color are underrepresented at 21% of appointees compared to 31% of the San Francisco population.
- Both White women and men are overrepresented on San Francisco policy bodies. White women are 23% of appointees compared to 17% of the San Francisco population. White men are 26% of appointees compared to 20% of the population.
- Black and African American women and men are well-represented on San Francisco policy bodies. Black women are 9% of appointees compared to 2.4% of the population, and Black men are 5% of appointees compared to 2.5% of the population.
- Latinx women are 7% of the San Francisco population but 3% of appointees, and Latinx men are 7% of the population but 5% of appointees.
- Asian women are 17% of the San Francisco population but 11% of appointees, and Asian men are 15% of the population but just 7% of appointees.

**10-Year Comparison of Representation of Women of Color on Policy Bodies**

Source: SF DOSW Data Collection & Analysis.

### Additional Demographics

- Out of the 74% of appointees who responded to the survey question on LGBTQ identity, 19% identify as lesbian, gay, bisexual, transgender, nonbinary, queer, or questioning, and 81% of appointees identify as straight/heterosexual.
- Out of the 70% of appointees who responded to the question on disability, 11% identify as having one or more disabilities, which is just below the 12% of the adult population with a disability in San Francisco.
- Out of the 67% of appointees who responded to the question on veteran status, 7% have served in the military compared to 3% of the San Francisco population.

### Proxies for Influence: Budget & Authority

- Although women are half of all appointees, those Commissions and Boards with the largest budgets have fewer women and especially fewer women of color. Meanwhile, women exceed representation on Boards and Commissions with the smallest budgets and women of color reach parity with the population on the smallest budgeted Commissions and Boards.
- Although still underrepresented relative to the San Francisco population, there is a larger percentage of people of color on Commissions and Boards with both the largest and smallest budgets compared to overall appointees.
- The percentage of total women is greater on Advisory Bodies than Commissions and Boards. Women are 54% of appointees on Advisory Bodies and 48% of appointees on Commissions and Boards. However, the percentages of people of color and women of color on Commissions and Boards exceed the percentages of people of color and women of color on Advisory Bodies.

### Appointing Authorities

- Mayoral appointments include 55% women, 52% people of color, and 30% women of color, which is more diverse by gender and race compared to both Supervisorial appointments and total appointments.

### Demographics of Appointees Compared to the San Francisco Population

	Women	People of Color	Women of Color	LGBTQ	Disability Status	Veteran Status
San Francisco Population	49%	62%	32%	6%-15%*	12%	3%
Total Appointees	51%	50%	28%	19%	11%	7%

## I. Introduction

---

Inspired by the 4th UN World Conference on Women in Beijing, San Francisco became the first city in the world to adopt a local ordinance reflecting the principles of the U.N. Convention on the Elimination of All Forms of Discrimination (CEDAW), an international bill of rights for women. The CEDAW Ordinance was passed unanimously by the San Francisco Board of Supervisors and signed into law by Mayor Willie L. Brown, Jr. on April 13, 1998.<sup>2</sup> In 2002, the CEDAW Ordinance was revised to address the intersection of race and gender and incorporate reference to the UN Convention on the Elimination of all Forms of Race Discrimination. The Ordinance requires City Government to take proactive steps to ensure gender equity and specifies “gender analysis” as a preventive tool to identify and address discrimination. Since 1998, the Department on the Status of Women has employed this tool to analyze the operations of 10 City Departments using a gender lens.

In 2007, the Department on the Status of Women conducted the first gender analysis to evaluate the number of women appointed to City Commissions and Boards. The findings of this analysis informed a City Charter Amendment developed by the Board of Supervisors for the June 2008 Election. This City Charter Amendment (Section 4.101) was overwhelmingly approved by voters and made it city policy that:

- The membership of Commissions and Boards are to reflect the diversity of San Francisco’s population,
- Appointing officials are to be urged to support the nomination, appointment, and confirmation of these candidates, and
- The Department on the Status of Women is required to conduct and publish a gender analysis of Commissions and Boards every 2 years.

The *2019 Gender Analysis* examines the representation of women; people of color; lesbian, gay, bisexual, transgender, queer, and questioning (LGBTQ) individuals; people with disabilities; and veterans on San Francisco policy bodies primarily appointed by the Mayor and the Board of Supervisors. This year’s analysis included more outreach to policy bodies as compared to previous analyses that were limited to Commissions and Boards. As a result, more appointees were included in the data collection and analysis than even before. These policy bodies fall under two categories designated by the San Francisco Office of the City Attorney. The first category, referred to as “Commissions and Boards,” are policy bodies with decision-making authority and whose members are required to submit financial disclosures to the Ethics Commission, and the second category, referred to as “Advisory Bodies,” are policy bodies with advisory function whose members do not submit financial disclosures to the Ethics Commission. A detailed description of methodology and limitations can be found at the end of this report on page 23.

## II. Gender Analysis Findings

Many aspects of San Francisco’s diversity are reflected in the overall population of appointees on San Francisco policy bodies. The analysis includes 84 policy bodies, of which 823 of the 887 seats are filled leaving 7% vacant. As outlined below in the summary chart, slightly more than half of appointees are women, half of appointees are people of color, 28% are women of color, 19% are LGBTQ, 11% have a disability, and 7% are veterans.

**Figure 1: Summary Data of Policy Body Demographics, 2019**

Appointee Demographics	Percentage of Appointees
Women (n=741)	51%
People of Color (n=706)	50%
Women of Color (n=706)	28%
LGBTQ Identified (n=548)	19%
People with Disabilities (n=516)	11%
Veteran Status (n=494)	7%

However, further analysis reveals underrepresentation of particular groups. Subsequent sections present comprehensive data analysis providing comparison to previous years, detailing the variables of gender, race/ethnicity, LGBTQ identity, disability, veteran status, and policy body characteristics of budget size, decision-making authority, and appointment authority.

### A. Gender

On San Francisco policy bodies, 51% of appointees identify as women, which is slightly above parity compared to the San Francisco female population of 49%. The representation of women remained stable at 49% from 2013 until 2017. This year, the representation of women increased by 2 percentage points, which could be partly due to the larger sample size used in this year’s analysis compared to previous years. A 10-year comparison shows that the representation of women appointees has gradually increased since 2009 by a total of six percentage points.

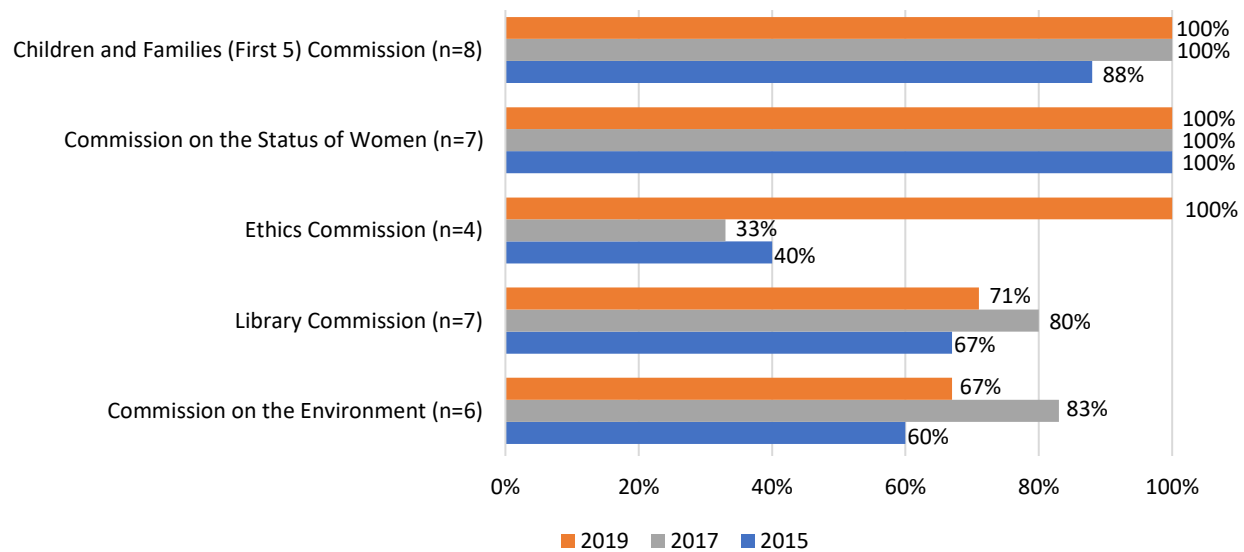

**Figure 2: 10-Year Comparison of Representation of Women on Policy Bodies**

Source: SF DOSW Data Collection & Analysis.

Figures 3 and 4 analyze Commissions and Boards. Figure 3 showcases the five Commissions and Boards with the highest representation of women appointees as compared to 2015 and 2013. The Children and Families (First Five) Commission and the Commission on the Status of Women are currently comprised of all women appointees. This finding has been consistent for the Commission on the Status of Women in 2015 and 2017. While the Ethics Commission has 100% women appointees, much more than 2015 and 2017, its small size of five appointees means that minimal changes in its demographic composition greatly impacts percentages. This is also the case for other policy bodies with a small number of members. The Library Commission and the Commission on the Environment are fourth and fifth on the list at 71% and 67% women, respectively, with long standing female majorities on each.

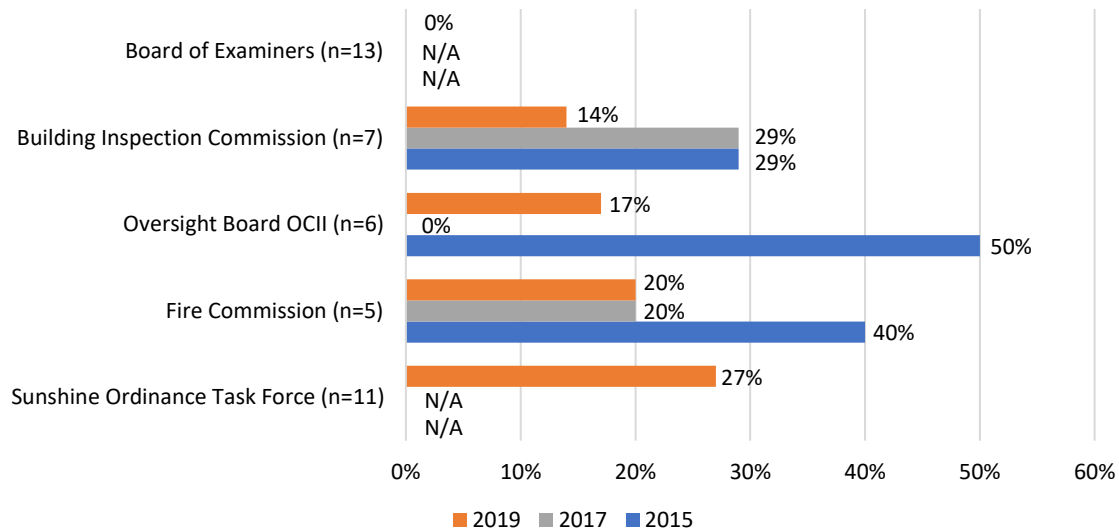

**Figure 3: Commissions and Boards with Highest Percentages of Women, 2019 Compared to 2017, 2015**

Source: SF DOSW Data Collection & Analysis.

Out of the Commissions and Boards in this section, 23 have 40% or less women. The five Commissions and Boards with the lowest representation of women are displayed in Figure 4. The lowest percentage is found on the Board of Examiners where currently *none* of the 13 appointees are women. Unfortunately, demographic data is unavailable for the Board of Examiners for 2017 and 2015. Next is the Building Inspection Commission at 14%, which is a decrease of female representation compared to 2017 and 2015. The Oversight Board of Community Investment and Infrastructure, Fire Commission, and Sunshine Ordinance Task Force also have some of the lowest percentages of women at 17%, 20%, and 27%, respectively. Unfortunately, the Sunshine Ordinance Task Force did not participate in previous analyses and therefore demographics data is unavailable for 2017 and 2015.

In addition to Commissions and Boards, Advisory Bodies were examined for the highest and lowest percentages of women. This is the first year such bodies have been included, thus comparison to previous years is unavailable. Figure 9 below displays the five Advisory Bodies with the highest and the five with the lowest representations of women. The Workforce Community Advisory Committees has the greatest representation of women at 100%, followed by the Office of Early Care and Education Citizen’s Advisory Committee at 89%. The Advisory Bodies with the lowest percentage of women are the Urban Forestry Council at 8% of the 13-member body and the Abatement Appeals Board at 14% of the 7-member body.

## B. Race and Ethnicity

Data on racial and ethnic identity was collected for 706, or 95%, of the 741 surveyed appointees. Although half of appointees identify as a race or ethnicity other than white or Caucasian, people of color are still underrepresented compared to the San Francisco population of 62%. The representation of people of color has increased since 2009 but has decreased following 2015. The number of appointees analyzed increased substantially in 2017 and 2019 compared to 2015, and these larger data samples have coincided with smaller percentages of people of color. The percentage decrease following 2017 could be partially due to the inclusion of more policy and advisory bodies, as the representation of people of color on Commissions and Boards dropped only slightly from 53% in 2017 to 52% in 2019.

**Figure 6: 10-Year Comparison of Representation of People of Color on Policy Bodies**

Source: SF DOSW Data Collection & Analysis.

The racial and ethnic breakdown of policy body members compared to the San Francisco population is shown in Figure 7. This analysis reveals underrepresentation and overrepresentation in San Francisco policy bodies for certain racial and ethnic groups. Half of all appointees are white, an overrepresentation by more than 10 percentage points. The Black and African American community is well represented on appointed policy bodies at 14% compared to 5% of the population of San Francisco. Characterizing this as an overrepresentation is inaccurate given the representation of Black or African American people on policy bodies has been consistent over the years while the San Francisco population has declined over the same period.<sup>3</sup> Furthermore, the most recent nationwide estimate for the Black or African American population is 13%, which is nearly equal to the 14% of Black or African American appointees present on San Francisco policy bodies.<sup>4</sup>

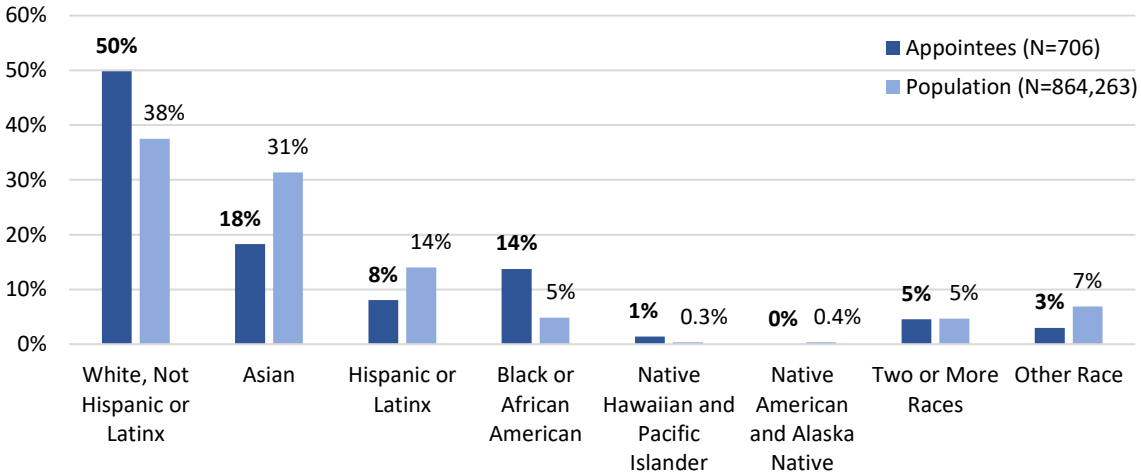

Considerably underrepresented racial and ethnic groups on San Francisco policy bodies compared to the San Francisco population are individuals who identify as Asian or Latinx. While Asians are 31% of the San Francisco population, they only make up 18% of appointees. While the Latinx population of San Francisco is 14%, only 8% of appointees are Latinx. Although there is a small population of Native

Americans and Alaska Natives in San Francisco of 0.4%, none of the surveyed appointees identified themselves as such.

The next two graphs illustrate Commissions and Boards, and Advisory Bodies with the highest and lowest percentages of people of color. As shown in Figure 8, the Commission on Community Investment and Infrastructure remained at 100% from 2017, while the Juvenile Probation Commission has returned to 100% this year after a dip in 2017. Next is the Health Commission, Immigrant Rights Commission, and Housing Authority Commission at 86%, 85%, and 83%, respectively. Percentages of people of color on both the Health Commission and the Housing Authority Commission increased following 2015, and have remained consistent since 2017.

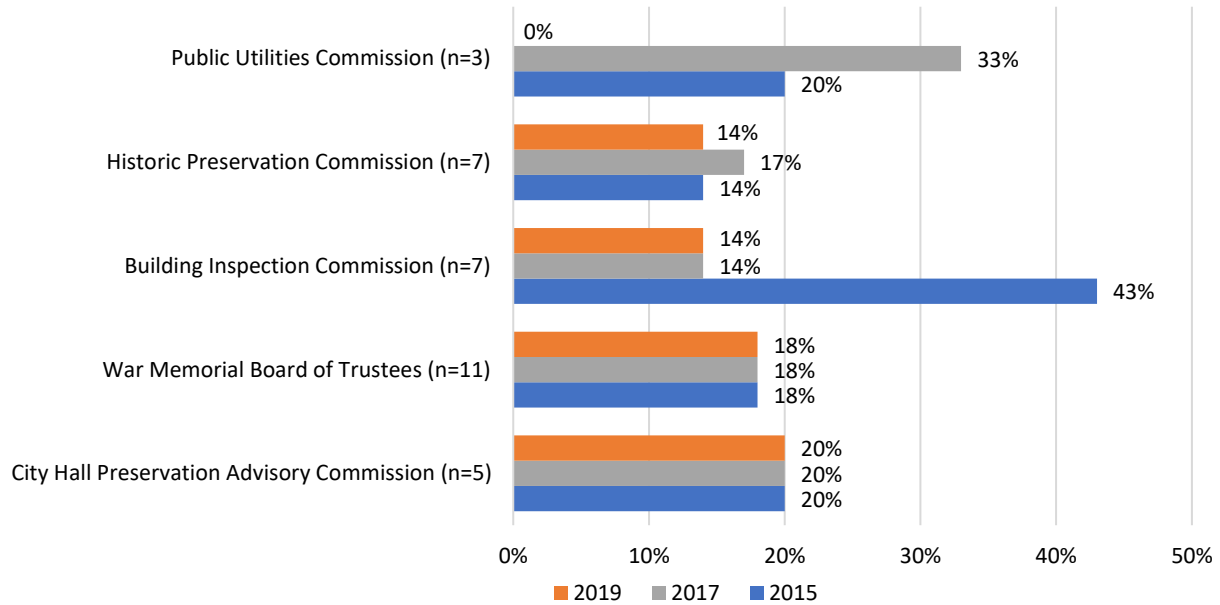

**Figure 8: Commissions and Boards with Highest Percentage of People of Color, 2019 Compared to 2017, 2015**

There are 23 policy bodies that have 40% or less appointees who identified a racial and ethnic category other than white. Although the Public Utilities Commission has two vacancies, *none* of the current appointees identify as people of color. The Historic Preservation Commission and Building Inspection Commission are both at 14% representation for people of color. The Building Inspection Commission had a large drop from 43% in 2015, with the percentage of people of color decreasing to 14% in 2017 and remaining at this percent for 2019. Lastly, the War Memorial Board of Trustees and City Hall Preservation Advisory Commission have 18% and 20%, respectively.

**Figure 9: Commissions and Boards with Lowest Percentage of People of Color, 2019 Compared to 2017, 2015**

In addition to Commissions and Boards, Advisory Bodies were examined for the highest and lowest percentages of people of color. This is the first year such bodies have been included, thus comparison to previous years is unavailable. All members of the Workforce Community Advisory Committee are people of color. People of color comprise 80% of the Sugary Drinks Distributor Tax Advisory Committee, and 75% of appointees on the Children, Youth and Their Families Oversight and Advisory Committee, the Golden Gate Park Concourse Authority, and the Local Homeless Coordinating Board. Out of the five Advisory Bodies with the lowest representation of people of color, the Ballot Simplification Committee and the Mayor’s Disability Council have 25% appointees of color, and the Abatement Appeals Board has 14% appointees of color. The Urban Forestry and the Pedestrian Safety Advisory Committee have no people of color currently serving.

### C. Race and Ethnicity by Gender

White men and women are overrepresented on San Francisco policy bodies, while Asian and Latinx men and women are underrepresented. While women of color continue to be underrepresented at 28% compared to the San Francisco population of 32%, this is a slight increase from 2017 which showed 27% women of color. Meanwhile, men of color are 21% of appointees compared to 31% of the San Francisco population.

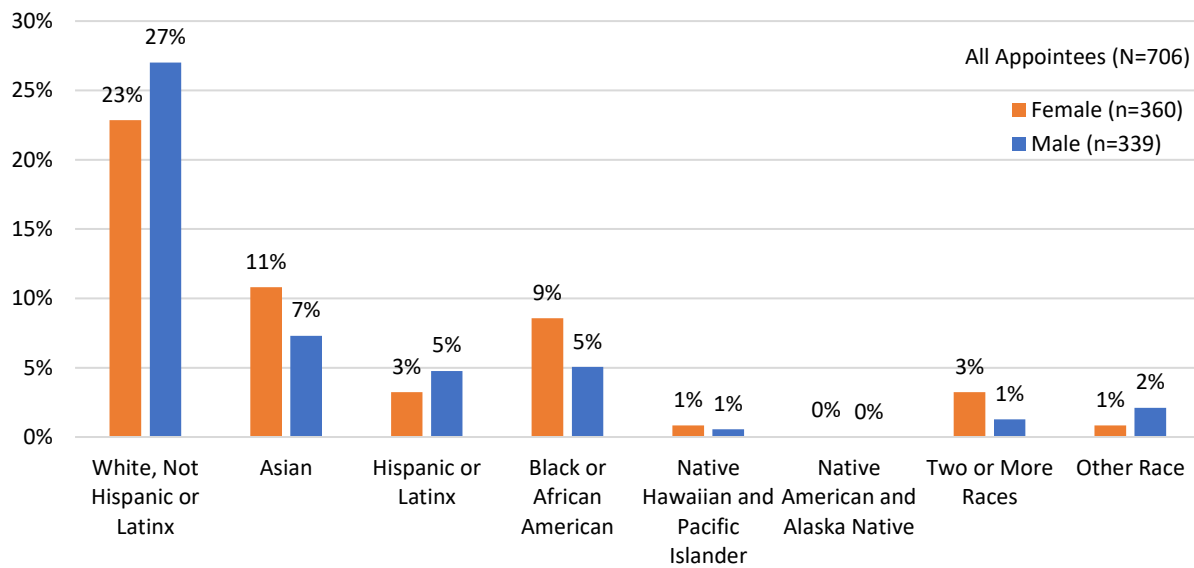

**Figure 11: 10-Year Comparison of Representation of Women of Color on Policy Bodies**

Source: SF DOSW Data Collection & Analysis.

The following figures present the breakdown for appointees and the San Francisco population by race and ethnicity and gender. White men and women are overrepresented, holding 27% and 23% of appointments, respectively, compared to 20% and 17% of the population, respectively. Asian men and women are both greatly underrepresented with Asian women making up 11% of appointees compared to 17% of the population while Asian men comprise 7% of appointees and 15% of the population. Latinx men and women are also underrepresented, particularly Latinx women, who are 3% of appointees and 7% of the population, while Latinx men are 5% of appointees and 7% of the population. Black or African American men and women are well-represented with Black women comprising 9% of appointees and Black men comprising 5% of appointees. Pacific Islander men and women, and multiethnic women also exceed parity with the population. Although Native American men and women make up only 0.4% of San Francisco’s population, none of the surveyed appointees identified themselves as such.

## D. LGBTQ Identity

Lesbian, gay, bisexual, transgender, queer, and questioning (LGBTQ) identity data was collected from 548, or 75%, of the 741 surveyed appointees, which is much more data on LGBTQ identity compared to previous reports. Due to limited and outdated information on the population of the LGBTQ community in San Francisco, it is difficult to adequately assess the representation of the LGBTQ community. However, compared to available San Francisco, larger Bay Area, and national data, the LGBTQ community is well represented on San Francisco policy bodies. Recent research estimates the national LGBT population is 4.5%.<sup>5</sup> The LGBT population of the San Francisco and greater Bay Area is estimated to rank the highest of U.S. cities at 6.2%,<sup>6</sup> while a 2006 survey found that 15.4% of adults in San Francisco identify as LGBT<sup>7</sup>.

Of the appointees who responded to this question, 19% identify as LGBTQ and 81% identify as straight or heterosexual. Of the LGBTQ appointees, 48% identify as gay, 23% as lesbian, 17% as bisexual, 7% as queer, 5% as transgender, and 1% as questioning. Data on LGBTQ identity by race was not captured. Efforts to capture data on LGBTQ identity by race for future reports would enable more intersectional analysis.

## E. Disability Status

Overall, 12% of adults in San Francisco have one or more disabilities, and when broken down by gender, 6.2% are women and 5.7% are men. Disability data for transgender and gender non-conforming individuals in San Francisco is currently unavailable. Data on disability was obtained from 516, or 70%, of the 741 appointees who participated in the survey. Of the 516 appointees, 11.2% reported to have one

or more disabilities, which is near parity with the San Francisco population. Of the 11.2% appointees with one or more disabilities, 6.8% are women, 3.9% are men, 0.4% are trans women, and 0.2% are trans men.

## F. Veteran Status

Overall, 3.2% of the adult population in San Francisco has served in the military. There is a considerable difference by gender, as male veterans are 3% and female veterans are 0.2% of the population. Data on veteran status was obtained from 494, or 67%, of appointees who participated in the survey. Of the 494 appointees who responded to this question, 7.1% have served in the military. Like the San Francisco population, there is a large difference by gender, as men comprise 5.7% and women make up only 1.2% of the total number of veteran appointees. Of participating appointees, 0.2% of veterans are trans women. Veteran status data on transgender and gender non-conforming individuals in San Francisco is currently unavailable.

## G. Policy Bodies by Budget

This report also examines whether policy bodies with the largest and smallest budget sizes and other characteristics are demographically representative of the San Francisco population. In this section, budget size is used as a proxy for influence. Although this report has expanded the scope of analysis to include more policy bodies compared to previous reports, this section of analysis was limited to Commissions and Boards with decision-making authority and whose members file financial disclosures with the Ethics Commission. The purpose of this analysis is to evaluate the demographics for the spectrum of budgetary influence of policy bodies with decision-making authority in San Francisco.

Overall, appointees from the 10 largest budgeted Commissions and Boards are 55% people of color, 41% women, and 23% women of color. Appointees from the 10 smallest budgeted Commissions and Boards are 54% people of color, 52% women, and 32% women of color. Although still below parity with the San Francisco population, the representation of people of color on both the largest and smallest budgeted policy bodies is greater than the percentage of people of color for all appointees combined (50%). For women and women of color, their representation meets or exceeds parity with the population on the 10 smallest budgeted bodies. However, it falls far below parity for the 10 largest budgeted bodies. The representation of total women and women of color is greater on smaller budgeted policy bodies by 27%, and 39%, respectively.

#### H. Comparison of Advisory Body and Commission and Board Demographics

The comparison of the two policy body categories in this section provides another proxy for influence, as Commissions and Boards whose members file disclosures of economic interest have greater decision-making authority in San Francisco than Advisory Bodies whose members do not file economic interest disclosures. The percentages of total women, LGBTQ people, people with disabilities, and veterans are larger for total appointees on Advisory Bodies. However, the percentages of women of color and people of color on Commissions and Boards slightly exceeds the percentages of women of color and people of color on Advisory Bodies.

**Figure 23: Demographics of Appointees on Commission and Boards and Advisory Bodies, 2019**

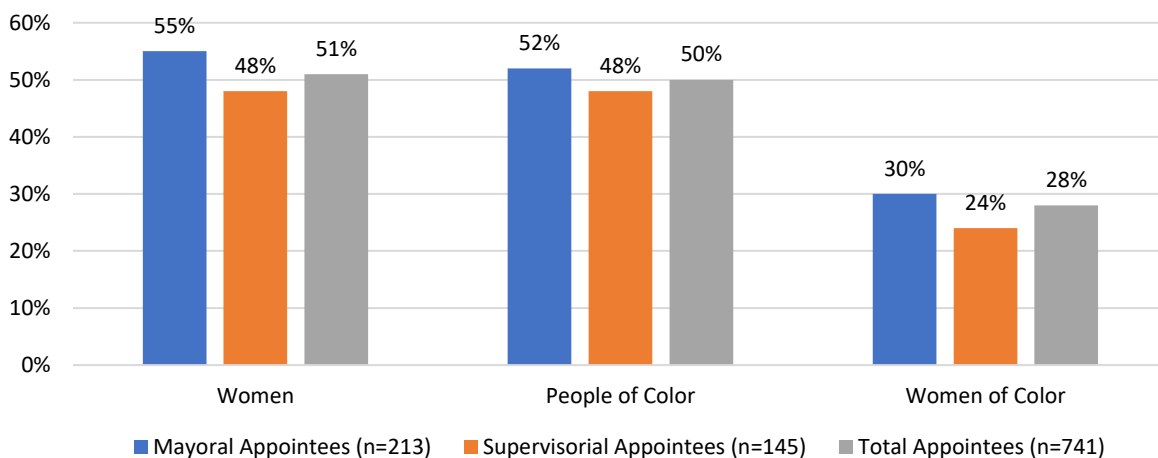

Source: SF DOSW Data Collection & Analysis.

### I. Demographics of Mayoral, Supervisorial, and Total Appointees

Figure 24 compares the representation of women, women of color, and people of color for appointments made by the Mayor, Board of Supervisors, and by the total of all approving authorities combined. Mayoral appointments are more diverse, and consist of more women, women of color, and people of color compared to Supervisorial appointments. Mayoral appointments include 55% women, 30% women of color, and 52% people of color, while Supervisorial appointments are 48% women, 24% women of color, and 48% people of color. The total of all approving authorities combined average out at 51% women, 28% women of color, and 50% people of color. This disparity in diversity between Mayoral and Supervisorial appointments may be due in part to the appointment section process for each authority. The 11-member Board of Supervisors only sees applicants for specific bodies through the 3-member Rules Committee or by designees, stipulated in legislation (e.g. “renter,” “landlord,” “consumer advocate”), whereas the Mayor typically has the ability to take total appointments into account during selections, and can therefore better address gaps in diversity.

### III. Conclusion

---

Since the first gender analysis of Commissions and Boards in 2007, the representation of women appointees on San Francisco policy bodies has gradually increased. The *2019 Gender Analysis* finds the percentage of women appointees is 51%, which slightly exceeds the population of women in San Francisco.

When appointee demographics are analyzed by gender and race, women of color continue to be underrepresented on San Francisco policy bodies compared to the San Francisco population. Most notably underrepresented are Asian women who make up 17% of the population but only 11% of appointees, and Latinx women who make up 7% of the population but only 3% of appointees. Additionally, men of color are underrepresented relative to their San Francisco population, primarily Asian and Latinx men.

Furthermore, when analyzing the demographic composition of larger and smaller budgeted Commissions and Boards, women are underrepresented on those with the largest budgets, and overrepresented or reach parity with the population on smaller budgeted Commissions and Boards. These two trends are amplified for women of color appointees. Women comprise 41% of total appointees on the largest budgeted policy bodies, which is 8 percentage points below the population, and women of color comprise 23% of total appointees on the largest budgeted policy bodies, 9 percentage points below their San Francisco population. Comparatively, women are 52% of total appointees on the smallest budgeted policy bodies, and women of color are 32% of appointees, which is equal to the San Francisco population. However, the issue of largest and smallest budgeted policy bodies does not seem to impact the representation of people of color. People of color make up 55% of appointees on the largest budgeted policy bodies and 54% of appointees on the smallest budgeted policy bodies compared to 50% of total appointees. Nonetheless, these percentages still fall below the San Francisco population of people of color at 62%.

In addition to using budget size as a proxy for influence, this report analyzed demographic characteristics of appointees on Commissions and Boards who file disclosures of economic interest and have decision-making authority, and appointees on Advisory Bodies who do not file economic interest disclosures. Over half (54%) of appointees on Advisory Bodies are women, while 48% of appointees on Commissions and Boards are women. Although 48% is only slightly below the San Francisco population of women, women comprise a decently higher percentage of appointees on Advisory Bodies compared to Commissions and Boards.

This year's report features more data on LGBTQ identity, veteran status, and disability than previous gender analyses. The *2019 Gender Analysis* found a relatively high representation of LGBTQ individuals on San Francisco policy bodies. For the appointees that provided LGBTQ identity information, 19% identify as LGBTQ with the largest subset being gay men at 48%. It is recommended for future gender analyses to collect LGBTQ data by race and gender to provide additional intersectional analysis. The representation of appointees with disabilities is 11%, just below the 12% population. Veterans are highly represented on San Francisco policy bodies at 7% compared to the veteran population of 3%.

Additionally, this report evaluates and compares the representation of women, women of color, and people of color appointees by the Mayor, Board of Supervisors, and by the total of all approving authorities combined. Mayoral appointees include 55% women, 30% women of color, and 52% people

of color, which overall is more diverse by gender and race compared to both Supervisorial appointees and total appointees.

This report is intended to advise the Mayor, Board of Supervisors, and other appointing authorities, as they select appointments for policy bodies of the City and County of San Francisco. In spirit of the 2008 City Charter Amendment that establishes this biennial Gender Analysis report requirement and the importance of diversity on San Francisco policy bodies, efforts to address gaps in diversity and inclusion should remain at the forefront when making appointments in order to accurately reflect the population of San Francisco.

## IV. Methodology and Limitations

---

This report focuses on City and County of San Francisco Commissions, Boards, Task Forces, Councils, and Committees that have the majority of members appointed by the Mayor and Board of Supervisors and that have jurisdiction limited to the City. The gender analysis reflects data from the policy bodies that provided information to the Department on the Status of Women through digital and paper survey.

Data was requested from 90 policy bodies and acquired from 84 different policy bodies and a total of 741 appointees. A Commissioner or Board member's gender identity, race/ethnicity, sexual orientation, disability status, and veteran status were among data elements collected on a voluntary basis. Data on lesbian, gay, bisexual, transgender, queer, or questioning (LGBTQ) identity, disability, and veteran status of appointees were incomplete or unavailable for some appointees but are included to the extent possible. As the fundamental objective of this report is to surface patterns of underrepresentation, every attempt has been made to reflect accurate and complete information in this report. Data for some policy bodies was incomplete, and all appointees who responded were included in the total demographic categories. Only policy bodies with full data on gender and race for all appointees were included in sections comparing demographics of individual bodies. It should be noted that for policy bodies with a small number of members, the change of a single individual greatly impacts the percentages of demographic categories. As such, these percentages should be interpreted with this in mind.

The surveyed policy bodies fall under two categories designated by the San Francisco Office of the City Attorney document entitled *List of City Boards, Commissions, and Advisory Bodies Created by Charter, Ordinance, or Statute*.<sup>8</sup> This document separates San Francisco policy bodies into two different categories. The first category includes Commissions and Boards with decision-making authority and whose members are required to submit financial disclosures with the Ethics Commission, and the second category encompasses Advisory Bodies whose members do not submit financial disclosures with the Ethics Commission. Depending on the analysis criteria in each section of this report, the surveyed policy bodies and appointees are either examined comprehensively as a whole or examined separately in the two categories designated by the Office of the City Attorney.

Data from the U.S. Census 2013-2017 American Community Survey 5-Year Estimates provides a comparison to the San Francisco population. Figures 26 and 27 in the Appendix display these population estimates by race/ethnicity and gender.

Dear Sirs/Ma'am,

I am writing to recommend Nancy Tung, Esq., for this position. I have known her since she was a junior in Arcadia High School - I was the Kiwanis advisor to the Key Club, of which she was treasurer. She is honest, loyal, hard working and one of the most intelligent individuals I have ever met. I know she will fill this position with every capability you could ask for.

Sincerely,

Dr. W. David Goff

Dear Board of Supervisors,

I'm writing to urge you to vote against Nancy Tung to join the board of the Police Commission.

We are at a turning point in SF and this country. We must radically rethink the role that police play in our society and in our city. To that end, we a Police Commission that is ready to pursue reform and to hold police accountable.

From her public statements and record, I do not believe that Nancy Tung is prepared for that role. I urge you to select members of the Police Commission that are prepared to aggressively take on police misconduct, violence, and who will work with Board to redeploy away from police toward social services.

Best,

Andrew

**Subject:** Oppose the Appointment of both Nancy Tung and Geoffrey Gordon-Creed to the Police Commission

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Supervisor Ronen and the rest of the Board of Supervisors,

I sent this message earlier opposing Nancy Tung's and Geoffrey Gordon-Creed's Appointment to the Police Commission, but I think it might have bounced back. Apologies if this is a repeat message:

I am a San Francisco resident and voter in District 9. I strongly oppose Nancy Tung's and Geoffrey Gordon-Creed's nominations to the Police Commission.

I echo what I am sure are sentiments other people have expressed about how Nancy Tung's positions do not reflect those of city residents'. She is unfit to be a Police Commissioner — her policy positions facilitate abuses of police powers. She supports stripping the Police Commission of the power to oversee taser use-of-force policy. Protecting the Police Commission's power to meaningfully enforce its policies seems like a baseline qualification for appointment to the Police Commission, a qualification Nancy Tung's own positions demonstrates she does not meet.

She also consistently supports other harsh, punitive, and, most of all, harmful policies that increase the danger the police poses to everyone in the city and especially those who are a part of the city's Black and Latinx communities and who the police disproportionately target. She supports the continued usage of tasers, in spite of the fact that residents voted against them in 2018. Research has proven that they do not decrease the use of force the police use and actually increase in-custody deaths. She opposed closing Juvenile Hall in spite of its documented abuses, its exponentially higher cost in comparison to other methods of redress, and being far less effective those methods in supporting the city's young people. She supports cash bail — another punitive and ineffective policy that often only punishes low-income people who have not even been convicted of a crime. She accepted money from the POA during her campaign for District Attorney. Any financial support from the POA makes her ability to be an impartial judge of the police questionable. She has already opposed prosecuting police officers who were involved in shootings in the city.

Geoffrey Gordon-Creed is not qualified to serve on the Police Commission — or, at the very least, the absence of information on his positions on policing inspire little confidence in his ability to be a valuable addition to the Police Commission and that he will act in a way that reflects the values of the city and its voters. He has no public history of engaging with criminal justice issues or of representing people and communities policing policies impact. He has no public stance on the Taser Use-of-Force Policy, and no indication of any reference to any public engagement with all the incredibly important issues the Police Commission is regularly tasked with overseeing.

We already needed civilian Police Commissioners whose is more interested in protecting the city's residents than in supporting police. I believe current events make that fact impossible to ignore and put that need into sharp relief. The city's police force has already demonstrated that they are dangerous to the public — law enforcement has shot multiple people this year alone, not to mention the shootings of Mario Woods, Luis-Gongara Pat, Alex Nieto, Jessica Williams, and every other person who the SFPD has killed, all of which the city has failed to adequately address with appropriate disciplinary action.

Police Commissioners serve such a vital role in protecting the city from police abuse. It would be a mistake to approve Nancy Tung's and Geoffrey Gordon-Creed's nominations — Nancy Tung for her demonstrated positions that would make her a lax enforcer of police abuse and Geoffrey Gordon-Creed for the absence of any information on his positions for such an important role. San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department.

I also wanted to add that I have heard that part of the support for Nancy Tung's candidacy is that there is currently no Chinese American representation on the board. As a Chinese American resident of the city, I find it insulting that people are suggesting merely appointing a token Chinese American member to the Police Commission is sufficient to represent the interests of our complex and multifaceted communities. I want a representative who not only happens to be Chinese American, but one who is actively invested in protecting our community members most in need —and have demonstrated thoughtful, researched positions that would act in our best interests. Nancy Tung and her harmful policy positions have proven she is not that person.

Please do not approve either Nancy Tung or Geoffrey Gordon-Creed for a position on the Police Commission. San Francisco city residents deserve representatives who are passionate and committed to police reform, not collusion or a total lack of previous public involvement. I urge you to vote against both Nancy Tung and Geoffrey Gordon-Creed.

Thank you,  
Y. Faye Wang

My name is Jason Kruta and I live in the Richmond District,

Nancy Tung is completely unfit to serve on the Police Commission. SF voters overwhelmingly rejected her far-right candidacy for District Attorney last year, and it is wrong for her to now be re-introduced as a criminal justice authority via this back door. Tung has repeatedly sided with and been supported by the Police Officers Association, including by supporting Proposition H which would have neutered the very board she is seeking to serve on now. I will remind you that Prop H was so extreme it was opposed even by Police Chief Scott (and London Breed who has now decided to show her true beliefs by appointing Tung). The POA is a racist hate group, not a labor union, and any support from or association with them should be automatically disqualifying for any public office. It was only a year ago that they were dancing on Jeff Adachi's grave before the body was even cold.

In contrast to Tung who is thoroughly disqualified for this commission, Mr. Gordon-Creed has shown himself to have no qualifications whatsoever for this board other than having defended the very same officers he is now being asked to be a watchdog over. A nominee of the police commission should be well-versed in police accountability and reform and far too many of Mr. Gordon-Creed's answers at the Rules Committee today (6/1/20) have shown a complete lack of any background, expertise, or even interest in the issues he will be asked to weigh in on as a commissioner. He has also, by his own admission, never met with a single community group focused on criminal justice or policing, or any community group at all other than the Rose Pak Democratic Club. It is insulting that Mr. Gordon-Creed could not form an opinion about the Mario Woods or Jessica Williams shootings yet seeks to serve on the commission which oversees police conduct. How can we expect Mr. Gordon-Creed to be an informed and engaged member of the Commission if he couldn't even prep for his job interview?

The role of the Police Commission is not to "be a bridge between the police and the public" (as Mr. Gordon-Creed put it), it is to serve as an independent watchdog over the police to protect the public. It is not enough to support implicit bias trainings which have shown very little effectiveness at reducing police violence, and body cameras which are consistently turned off, obscured, and otherwise misused by the police. We must defund, demilitarize, and disarm the police, and appoint committed reformers to the police commission. In overwhelmingly rejecting Prop H in 2018 and in electing Chesa Boudin last year, the people of SF have made clear their desire for fundamental change in law enforcement.

Sincerely,  
Jason Kruta

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT

ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Hello Board of Supervisors,

My name is Kiera Collins. I was born and raised in San Francisco and I am disgusted by the current practices of the SFPD. I urge you strongly to VOTE NO on Police Commission nominees Nancy Tung and Geoffrey Gordon-Creed. These nominees are NOT advocates of police reform and racial justice. Nancy Tung has supported policies to further militarize the police force and she was against charging the officers who brutally murdered Mario Woods. Geoffrey Gordon-Creed has no record of engaging in criminal issues or of representing communities impacted by police brutality. These are not the people we need in power. If you care about dismantling white supremacy and violence within SFPD you will vote NO to these nominations.

Thank you for taking the time to read this email,

Dear Supervisors,

The way I was introduced to Nancy Tung was by reading a newspaper article about her fighting with Kamala Harris, at the time SF's DA and Nancy's boss. Nancy was advocating for the DA's office to drop charges in 750 cases where the evidence had been compromised. Harris disagreed and most of the cases were not dismissed, despite the obvious wrongdoing on the part of the DA's office. ([source](#))

I support Nancy because she believes in the rules of evidence. Nancy's advocacy undoubtedly hurt her career in the SF DA's office, but she did it anyway, because she is the kind of person who believes in the integrity of the process - even when, as a DA, she was advocating following a rule that favored defendants.

Nancy has also successfully prosecuted law enforcement officers. If appointed, she will be the only member of the police commission with experience convicting law enforcement officers, which is something we want the police commission to know how to do. ([source](#))

Nancy Tung will be the only representative of the Chinese community on the 7-person commission, and one of only two people of Asian descent, in a city that is 22% Chinese and 35% Asian. Police reform is possibly one of the most important issues of our time, and we will not be successful in implementing it if all communities aren't represented in the process.

There are a lot of people opposing Nancy's appointment to the Police Commission who really want to help the cause of police reform, and that's good. They might have heard about this hearing from Shawn King. There are millions of public decision points out there, and people should definitely get involved in them.

Also, people need to do their own research, because no one in public service is perfectly aligned with anything. If you apply purity tests to everyone, then you will not be able to work with anyone.

For example, Matt Haney, SF Supervisor, who before being elected, worked for Cut50, which is a major decarceration effort, happily accepted the endorsement of the SF Sheriff's Association - a police union - when running for supervisor. He also regularly calls for increasing police presence in the Tenderloin and recently complained he is unable to order the police to clear the streets in the TL ([source](#)). When asked why he accepted the Sheriff's endorsement when they are also

supporters of Blue Lives Matter, Matt claimed he didn't know what blue lives matter was. ([source](#))

Supervisor Sandra Lee Fewer, who recently authored legislation speeding up the process of closing the SF jail, also opposed releasing the disciplinary file of her husband, an SF Police officer who has been repeatedly disciplined for excessive use of force. ([source](#))

Former SF DA George Gascon, who was endorsed by Shawn King when he recently ran for DA in LA, and has a reputation of being a criminal justice reformer, is the person who ultimately decided NOT to press charges against Mario Wood's killers. ([source](#))

Despite what Nancy's opponents have been saying, the SF POA did NOT endorse Nancy in her race for SF DA. They endorsed another guy, who lost. ([source](#))

Everyone in advocacy and politics is complex, and will appear at one time or another to be on more than one side of an issue. That is because no issue has only 2 sides. Please help build a representative and productive police commission. Vote Yes for Nancy Tung.

Best,  
Sonja Trauss

RE: Oppose Police Commission Appointees Tung and Gordon-Creed

Dear Board of Supervisors:

We are writing on behalf of San Francisco Rising to urge you to oppose Mayor Breed's appointment of Nancy Tung and Geoffrey Gordon-Creed to the San Francisco Police Commission. SF Rising is an alliance of working class, communities of color organizing in the Chinese, Black, Latinx, and Filipino community. Our 8 member organizations include: Causa Justa Just Cause, Chinese Progressive Association, Coleman Advocates for Children and Youth, People Organizing to Demand Environmental and Economic Rights, Filipino Community Center, Mujeres Unidas y Activas, South of Market Community Action Network, and Dolores Street Community Services.

As diverse communities, we recognize that all of us deserve to feel safe in our neighborhoods, and that law enforcement should act in partnership with community, but that is not the case as we have seen time and again. We have seen police murdering our black and brown community members with impunity, and in the Chinese community there has been frustration and anger about lack of action in regards to violent assaults that have occurred to senior citizens. We deserve to have police commissioners who are deeply trusted by the community serving on the Police Commission, and who have deep ties and relationships to our organizations and our members. Unfortunately, neither Nancy Tung nor Geoffrey Gordon-Creed have any history of working with communities of color to address their needs in relationship to the SF Police Department.

The Police Commission is tasked with: 1) Setting policy for the police department, 2) Conducting disciplinary hearings on charges of police misconduct, 3) Imposing discipline for misconduct; and 4) Hearing police officers' appeals from discipline imposed by the Chief of Police. Police accountability is a central role of the Police Commissioners, and it is one of the few public bodies where the public can weigh in on the SF Police Department's actions. Given the recent brutal murder of George Floyd by police in Minnesota and the national outrage and outcry over the last week, it is now more critical than ever to ensure we have police commissioners who take their role of holding police accountable seriously.

However, as recently as last year, Deputy District Attorney Nancy Tung has opposed police accountability. During her campaign for San Francisco District Attorney in November 2019, in response to a questionnaire from the ACLU of Northern California, San Francisco Rising, and the Immigrant Legal Resource Center, she expressly opposed AB 392 (The California Act to Save Lives). Championed by families whose loved ones were killed by the police, AB 392 established that police can use deadly force “only when necessary” to defend against threat of death or serious bodily injury, replacing the vague and dangerous standard that authorized officers to use deadly force whenever “reasonable.”

Additionally, Tung has opposed the closure of the SF Juvenile Hall as well as the County Jail 7 at 850 Bryant. On these issues, a majority of the SF Board of Supervisors has supported closing Juvenile Hall and County Jail 7, with broad community support. Given these examples of Tung's positions, we have serious concerns about her ability to represent community needs in regards to public safety, police accountability, or investing in rehabilitation and not incarceration.

While many of our community members wish to see Chinese representation on the Commission, which has none despite the city's  $\frac{1}{3}$  population of Chinese residents, we are sorely disappointed by Tung, who has little to no connection to the Chinese immigrant community. The two San Francisco based organizations that Tung is active in, Stop Crime SF and Moms Demand Action SF Chapter, have no history of engagement with the Chinese immigrant community or other communities of color.

While Tung's record has been made public as a candidate for District Attorney and DCCC, Gordon-Creed has almost no public track record to speak of. We are unclear what his experience is in holding police officers accountable or on the various issues we've raised. Additionally, it is unknown what experience he brings to the area of police accountability in the last 25 years since his days as a Deputy City Attorney where he represented police officers.

Therefore, we strongly urge the Board of Supervisors to oppose the appointment of both Tung and Gordon-Creed. We believe the Mayor can and should appoint commissioners that more accurately align with community values, have authentic and deep ties to the community, and who have a track record to justify their appointment to such an important office. Our communities deserve to be represented by Commissioners who are trusted and have our support.

My name is Jason Kruta and I live in the Richmond District,

Nancy Tung is completely unfit to serve on the Police Commission. SF voters overwhelmingly rejected her far-right candidacy for District Attorney last year, and it is wrong for her to now be re-introduced as a criminal justice authority via this back door. Tung has repeatedly sided with and been supported by the Police Officers Association, including by supporting Proposition H which would have neutered the very board she is seeking to serve on now. I will remind you that Prop H was so extreme it was opposed even by Police Chief Scott (and London Breed who has now decided to show her true beliefs by appointing Tung). The POA is a racist hate group, not a labor union, and any support from or association with them should be automatically disqualifying for any public office. It was only a year ago that they were dancing on Jeff Adachi's grave before the body was even cold.

In contrast to Tung who is thoroughly disqualified for this commission, Mr. Gordon-Creed has shown himself to have no qualifications whatsoever for this board other than having defended the very same officers he is now being asked to be a watchdog over. A nominee of the police commission should be well-versed in police accountability and reform and far too many of Mr. Gordon-Creed's answers at the Rules Committee today (6/1/20) have shown a complete lack of any background, expertise, or even interest in the issues he will be asked to weigh in on as a commissioner. He has also, by his own admission, never met with a single community group focused on criminal justice or policing, or any community group at all other than the Rose Pak Democratic Club. It is insulting that Mr. Gordon-Creed could not form an opinion about the Mario Woods or Jessica Williams shootings yet seeks to serve on the commission which oversees police conduct. How can we expect Mr. Gordon-Creed to be an informed and engaged member of the Commission if he couldn't even prep for his job interview?

The role of the Police Commission is not to "be a bridge between the police and the public" (as Mr. Gordon-Creed put it), it is to serve as an independent watchdog over the police to protect the public. It is not enough to support implicit bias trainings which have shown very little effectiveness at reducing police violence, and body cameras which are consistently turned off, obscured, and otherwise misused by the police. We must defund, demilitarize, and disarm the police, and appoint committed reformers to the police commission. In overwhelmingly rejecting Prop H in 2018 and in electing Chesa Boudin last year, the people of SF have made clear their desire for fundamental change in law enforcement.

Sincerely,  
Jason Kruta

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT

ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors Ronen, Stefani, and Mar,

I am writing today to humbly urge you to support Nancy Tung for SF Police Commission. I have known Nancy for years and worked closely with her, and am certain she is the best person to serve on the Police Commission.

As an attorney, public servant, and a civically engaged citizen of San Francisco, Nancy always puts the community first. She is level-headed, incredibly moral, and dedicated to justice. Nancy will address the underlying issues that plague our city and criminal justice system (no superficial bandaid fixes) and will hold police accountable (and has done so in her career as a deputy DA).

She is not only an incredibly talented attorney, but a genuinely good person who wants to make San Francisco a better and safer place to live.

If there is anyone who should serve on the Police Commission, there is no one with more integrity, sense of equitable justice, and morality than Nancy Tung.

Sincerely,

I'm a lifelong San Franciscan and a resident of District 4.

I support Nancy Tung for the Police Commission because she understands both the challenges the police face, and the necessity for reform. There's no question the murder of George Floyd was absolutely abhorrent, there's no excuse for it. But I also think the events of the past few days illustrate why we need our police departments more than ever.

There are millions of interactions between police and citizens every year, and yes, a few are problematic. Can we do better? Of course we can and we should, but demoralizing the police is not going to help recruit or retain good officers. We don't need bias on the police commission, we need balance.

I heard Supervisor Ronan's question about Prop 47, and the way that it was posed inferred that property crimes by the poor, minority or drug addicted persons shouldn't be prosecuted, but if this city wants to retain their businesses, their tourism dollars, and the revenue stream necessary to pay for essential services, they can't allow lawlessness no matter who the perpetrators are. The citizens and business owners need to be supported too, otherwise the entire system falls apart. Nancy Tung's common sense approach supports the safety of all people.

Please confirm Nancy Tung for the Police Commission. Thank you.

Dear Supervisors - I'm a retired nurse, a senior and tenant in San Francisco for over 40 years, and have to join the voices of people asking you to reject Nancy Tung and Geoffrey Gordon-Creed for the Police Commission.

The Police Commission hasn't been strong, and these applicants would make it even weaker. I've had the honor to get to know several families in the Mission whose sons, brothers, cousins, sisters, fathers, etc., have been murdered by SFPD, and have been part of communities who've fought to have the officers fired and charged, to no avail. The families have not even been given any resources to help them cope with the trauma and pain of love at the hands of SFPD. Now, at this critical time in our city, state, and country, the Police Commission has to have the strength to hold SFPD accountable for all its actions. As you know, Nancy Tung has shown support of the SFPOA (including their Prop H for wide use of tasers), and Geoffrey Gordon-Creed seems woefully unprepared for the serious life and death issues that the Police Comm regularly deals with.

You have all the information. I'm sorry that I'm late writing this email but I've been sick and couldn't get it together. I appreciate that you're focusing on racist practices in the city, who gets hired by SFPD (thank you, Supervisor Walton), and all the issues that hurt people of color every day (including curfews).

Thank you so much - Iris Biblowitz, RN

Dear Mayor Breed and City Supervisors,

My name is Kiyomi Takeda and, as a lifelong resident of San Francisco, I respectfully ask that the current two mayoral appointees for the Police Commission be rejected.

Now, as our entire country is an uproar and demanding police reform, it is imperative that we fill these positions on the Police Commission with people clearly independent of the Police Officers Association in order to be effective as an accountability measure. We need to have people well versed and passionate about reform.

As you know, the San Francisco Police Department has only implemented 15% of the Department of Justice reforms that they pledged to implement back in 2016. In a letter that the Department of Justice wrote this year, they stated that SFPD has "reports of anti Black bias within the department and the persistent disproportionate use of force against African American and Latino individuals." Reforming SFPD is an important racial justice issue. We need Police Commissioners who have a clear vision for implementing all 272 of these reforms and have a track record in police reform. Nancy Tung and Geoffrey Gordon-Creed made it clear in their statements that they do not have a plan for implementation and they do not have expertise in police reform .

In the hearing, Nancy Tung stated that she does not believe that the officers who killed Mario Woods and Jessica Williams should be charged or fired. Given our current context of people protesting in the streets about police officers not being charged for the murder of George Floyd, I just cannot support a Police Commissioner nominee who does not believe that Black Lives Matter.

Today, I was proud that my city's mayor actually stood up at a rally and spoke, saying "I will do everything I can to push for the right policies for our law enforcement here." But those words ring hollow if these are the candidates currently being pushed.

Sincerely,  
Kiyomi Takeda

Hello Board of Supervisors,

My name is Benjamin Sheiner. I was born and raised in San Francisco's beautiful Bernal heights district and I am disgusted by the current practices of the SFPD. I urge you strongly to VOTE NO on Police Commission nominees Nancy Tung and Geoffrey Gordon-Creed. These nominees are NOT advocates of police reform and racial justice. Nancy Tung has supported policies to further militarize the police force and she was against charging the officers who brutally murdered Mario Woods. Geoffrey Gordon-Creed has no record of engaging in criminal issues or of representing communities impacted by police brutality. These are not the people we need in power. If you care about dismantling white supremacy and violence within SFPD you will vote NO to these nominations. Otherwise you will be making it abundantly clear to your constituents whose side you are on and you won't have jobs come next election. Yes that is a threat.

San Francisco, CA 94102

Dear Chair Ronen,

I am writing to express my support for Nancy Tung as Mayor London Breed's nominee for the Police Commission.

Nancy has served as a Deputy District Attorney in Alameda County since 2017, focusing on investigating and prosecuting civil law enforcement actions against corporations based on California's Unfair Competition Law and False Advertising Law. She served as an Assistant District Attorney in San Francisco from 2006 to 2017. A trial prosecutor and former Deputy California Attorney General with nearly two decades of experience delivering justice for the People, Nancy has handled thousands of cases in local, state, and federal courts. Nancy's experience will play an invaluable role on the Commission, as she embraces the community's goals for a model police department. Nancy will bring legal expertise and community-driven passion to the role, critical to collaborating with other Commissioners on fair and progressive oversight.

In her free time, Nancy is an active member of Moms Demand Action, using her experience as a prosecutor and mom to fight for sensible gun laws in America. She serves on the board of Stop Crime SF, a local group dedicated to protecting victims and holding public officials and the criminal justice system accountable. She also has been a mentor with Big Brothers Big Sisters, developing a lifelong relationship with the girl she was matched with over a decade ago. Nancy leads an informal group of EMILY's List graduates, which trains and supports women who run for public office, and she has served on the boards of local Democratic clubs. Nancy will contribute a focused mindset and collaborative professionalism to the Commission, as she has to her other many voluntary roles in service of the public.

Personally, she has been a mentor and has always been incredibly insightful whenever I sought her advice. Her wisdom and experience are second only to her thoughtfulness in policy. She will be a role model for the Asian American community as she is to me with her leadership.

I am confident that Nancy will bring all of her experiences to bear in this role and will step in and work quickly towards solutions for our City and our citizens in these unprecedented times. I ask you to recommend Nancy Tung for the Police Commission to the Board of Supervisors.

Thank you,

Nelson Zhao

Dear Supervisors,

Please see the attached letter from a number of survivors of rape and sexual assault urging you to vote against the appointments of Nancy Tung and Geoffrey Gordon Creed to the Police Commission.

The additional attachment is the Jane Doe letter to the Department of Justice investigator who was conducting the civil rights review of SFPD in 2016. Thank you for your consideration in this important matter. Please do not hesitate to contact me with questions or to join our community in discussion. We meet next on Wednesday evening at 6:15 via Zoom and would welcome your participation. Although some individuals have previously gone on record with their names linked to rape and assault in hearings, news articles, public statements, and civil lawsuits, we are signing this as a small grassroots community and prefer to keep a measure of privacy around publicly linking our names to sexual violence when possible.

Kindly,

Members of the SF Survivor Community

To Whom It May Concern:

As 26-year resident of the Mission, 20 of which have been on a street plagued by organized criminal prostitution which has never been adequately addressed by the City, I wish it to be known that my household wholeheartedly endorses these two appointees.

With a non-prosecutor as DA and an historically lax attitude toward punishing crime, our City needs Nancy and Geoffrey now more than ever. Their professionalism and credentials speak volumes, and it's disturbing to see their appointments held up by political hacks who value grandstanding more than the safety of their constituents. Please drop the shenanigans and confirm them now.

Dear Board of Supervisors,  
Please support Nancy Tung for the Commission.  
We voted for her for DA. We are permanent residents of SF. Along with many of our neighbors we no longer feel safe in our City. Given the current DA we feel that balance is needed to protect our citizens and our property.  
Please confirm Nancy. Her strong showing in the election shows her support in our community.

Re: Mayor Breed's two proposed appointments to the San Francisco Police Commission

Dear Honorable Supervisors,

The Racial Justice Committee<sup>1</sup> of the San Francisco Public Defenders Office (RJC) writes to express its considered opposition to the appointments of Nancy Tung and Gordon Creed to the San Francisco Police Commission (Commission.)

RJC formed in November 2013 in response to ongoing scandals in the San Francisco Police Department (SFPD) and to cumulative information we were receiving from our clients regarding their treatment at the hands of SFPD officers. More broadly, we organized because America has a problem with police brutality in our black communities. RJC members have served on SFPD working groups to update the

---

<sup>1</sup>. Our group meets once a month and is comprised of attorneys, paralegals, social workers and investigators. We focus our efforts on internal office trainings on the role of bias in the criminal legal system, legislative advocacy, and education of our attorneys regarding local and national issues affecting their practice.

Departmental General Orders (DGOs), and we regularly appear to speak regarding matters that are before the Commission. Recently, our members spoke during public commentary (5/20/2020) encouraging the Commission to adopt SFPD's newly drafted DGO 5.17 on biased policing. Thus, we are familiar with the role Commission members play vis a vis the police department.

San Francisco residents entrust the Commission with oversight of the SFPD and with shaping policy to help reform its practices and policies. Commission members must be thought leaders, subject matter experts on 21<sup>st</sup> Century policing, and impartial arbiters of discipline. For these reasons we are profoundly dismayed by Mayor Breed's selection of two people who don't register above zero on any of these scales. We will address Tung and Creed separately.

### **NANCY TUNG**

Nancy Tung ran for District Attorney last year, losing to Chesa Boudin, a police department reform candidate, and coming in *third* overall. Clearly, she was not the voter's choice.

But, Nancy Tung *was the POA's choice* for District Attorney and that disturbing organization, which used ethically questionably tactics, contributed early to her campaign.

The POA often voices extreme opposition to any police reform measures, and vehemently opposes officer discipline in shootings of unarmed suspects, calling every single one an act of self-defense, no matter the facts. Nancy Tung's interview with Heather Knight reveal she offers similar justification, including for the killing of Mario Woods.<sup>2</sup>

The POA also tried to block changing the rules to allow releasing the responsible officers' names, thus revealing that they oppose accountability. The POA lost all its credibility when it vigorously defended the police officers caught in the racist text message scandal four years back. The POA's defense of white supremacist language by its on-duty officers should immediately disqualify any candidate they promote for office.

The POA would love nothing more than to have nine Nancy Tungs on the Commission so that they wouldn't ever have to answer to the voters or obey the Constitution.

Ironically, Nancy Tung supported Prop H (2018), which would have stripped the Commission of its oversight regarding taser use-of-force policy. SF voters overwhelmingly rejected Prop H. She also supports arming police officers with

Tasers. This position shows that she hasn't read the studies on Taser use, because anyone who has read them knows that Tasers have proven to be a *deadly* use of force and have killed over a 1000 people nationwide. Tasers aren't meant to *replace* guns, they are *meant to be used more readily* than guns, and are holstered just like a gun. Let us not forget that BART Officer Johannes Mehserle, when he shot and killed a prone Oscar Grant, said that he thought he was pulling out his Taser.

Nancy Tung's final, anachronistic policy is her continued belief that incarcerating young children rehabilitates them. This position is not only contrary to the Board of Supervisor's vote on the failed and inhumane Youth Guidance Center, but is contrary to the science and literature on adolescent development.

Nancy Tung's career as a prosecutor means that she has worked closely with police for over 20 years. This shouldn't by itself disqualify her, but the manner in which she debated and campaigned last year is all the proof this Board needs that she will be incapable of providing the neutral, but rigorous oversight required of each police commissioner.

### **GEOFFREY GORDON-CREED**

Much less is known about Mr. Creed, but what little we do know reveals that he has no resume to recommend him for a seat on the Police Commission. Appointing a person to the Commission who has done no research or work in the areas of community policing or police department reform does a great disservice to San Francisco.

San Francisco voters overwhelmingly are choosing reform and better accountability for police misconduct and excessive use of force. It is baffling that Mayor Breed's choices for the Commission are the antithesis of the voters' expressed preferences at the ballot box. She is capable of making better choices. RJC implores you to help her do so. What we are seeing today around the country proves that our country has reached a tipping point on police violence against brown and black people. Mayor Breed's choices would tip us backwards.

Police Chief Scott has made significant strides in reforming the SFPD. Chief Scott is focused on better training, and he wants to root out racial intolerance, and biased views in his department. This is no easy task. He needs all the support he can get from the Board of Supervisors and the Police Commission to bring about the transformations that are desperately needed to bring peace to San Francisco.

Choosing two candidates who would transport us back to the 20<sup>th</sup> Century disrespects Chief Scott's efforts and defies the voters. The Racial Justice Committee respectfully asks that you reject both of these nominations and ask Mayor Breed to nominate appointees who don't have burdensome conflicts of interest and who have a demonstrated record of supporting 21<sup>st</sup> Century reforms in police departments.

Thank you for your time.

Very truly yours,

Dear Chair Ronen,

I would like to express my strong support for Nancy Tung's nomination to the Police Commission.

Nancy is uniquely qualified for this position. Nancy has served as a Deputy District Attorney in Alameda County since 2017, where she focused on investigating and prosecuting civil law enforcement actions against corporations based on California's Unfair Competition Law and False Advertising Law. She also served as an Assistant District Attorney in San Francisco from 2006 to 2017. As a trial prosecutor and former Deputy California AG with nearly two decades of experience, Nancy has handled thousands of cases in local, state, and federal courts.

Nancy's experience will play an invaluable role on the Commission, as she embraces the community's goals for a model police department. Nancy will bring legal expertise and community-driven passion to the role, which is critical to collaborating with other Commissioners on fair and progressive oversight.

In her free time, Nancy is an active member of Moms Demand Action, using her experience as a prosecutor and mom to fight for sensible gun laws in America. She serves on the board of Stop Crime SF, a local group dedicated to protecting victims and holding public officials and the criminal justice system accountable. She also has been a mentor with Big Brothers Big Sisters, developing a lifelong relationship with the girl she was matched with over a decade ago. Nancy leads an informal group of EMILY's List graduates, which trains and supports women who run for public office,

and she has served on the boards of local Democratic clubs. Nancy will contribute a focused mindset and collaborative professionalism to the Commission, as she has to her other many voluntary roles in service of the public.

I know that Nancy will bring all of her experiences to bear in this role and will step in and work quickly towards solutions for our City and our citizens in these unprecedented times. I ask you to please recommend Nancy Tung for the Police Commission to the Board of Supervisors.

Many thanks,

Annie Gaus

Dear San Francisco Board of Supervisors,

I worked my whole adult life to become a San Francisco homeowner, a dream I fulfilled closed to nine years ago. But I've been alarmed as the City has descended into an abyss—the worst property crime of any major U.S. city, watching my friends and neighbors get mugged, their cars stolen, and worse. It is rapidly spiraling out of control.

I urge you to support Nancy Tung to serve on the Police Commission. She has a wealth of experience and is uniquely qualified for this position with 20 years experience as a top-notch prosecutor.

Nancy Tung will be the sole representative of the Chinese-American community on the 7-person commission. Even before the COVID-19 pandemic, the Chinese community was feeling an increase in crime and is now experiencing disturbing incidents of violent crime fueled by xenophobia.

In these times of relentless assault on our quality of life as San Francisco residents, Nancy Tung will be a strong voice to ensure our safety, and that the justice system functions as intended, for all of us. Please vote to confirm her appointment.

Amy Johnson, homeowner

District 7

Dear S.F. Board of Supervisors,

My name is Jenny. I'm a current city resident, registered voter and native San Franciscan. I'm writing in support of Nancy Tung as S.F. Police Commissioner. I first met Nancy during her candidacy for District S.F. Attorney but got to know her more through Moms Demand Action.

As a native San Franciscan, Chinese American, and daughter of immigrants, I believe she'd be great at the position, especially during these divisive times. Xenophobia is at its peak, nationally and locally, even in our ever diverse city. The multiple recorded incidents during which Chinese seniors were stalked, harassed, humiliated, robbed and/or brutalized are not minor incidents to dismiss. Most importantly, these upsurge in attacks against Asian Americans; China-bashing, are neither recent phenomenons nor isolated incidents.

As Retired Superior Court Judge Julie Tang stated in her KPFA interview titled 'Anti-Asian Violence in Response to Covid19':

“If we look at some of the statistics compiled by Chinese For Affirmative Action, Asian Pacific Council in San Francisco State University, there's a website that they put up called StopAAPIHate.org. They documented 1500 cases in 17 days of violence against Asians.”

She went on to say that San Francisco has twice the rate of reported incidents than that of New York and Los Angeles.

Her interview and referenced hate crimes against local Chinese residents have gone viral. They've ruined the city's historical reputation for promoting and embracing diversity. Sadly, these crimes are nothing new. They've occurred for decades. It's during the Digital Age of social media and smart phones that these matters have finally been brought to light. If you as a Board are truly committed to repairing, maintaining and strengthening community policing and uprooting the virus of hate, one strategy would be to have Nancy at the table.

Growing up, my neighbors, family and I would have loved to see someone like Nancy at the table to turn to. I grew up in part in Bayview Hunter's Point. I witnessed my mother, brother and neighbors being repeatedly harassed, beaten, robbed, and hard-earned property vandalized. They were victimized by fellow community members. I would've intervened but understandably no one can or should expect a grade school girl to. Incidents like these have been occurring for decades but remain underreported.

The perspective Nancy would bring as the daughter of Chinese immigrants would be diversity to the Police Commission. How do monolingual, immigrant, working-class and/or behaviorally/culturally reserved people feel empowered to speak up when they're victimized and have no familiar face at the table to turn to? Many Chinese and Chinese Americans still practice and hold on to dated cultural norms of silence. This is especially true for women. Consequently, victims are traumatized further, held hostage by the lack of fluency and/or fear. And for the few who summon enough courage to report it, acid is poured on their wounds when their pleas fall on unfamiliar faces and culturally estranged ears.

Nancy would be an asset to this Commission, not just because of her ethnicity, but also because of her knowledge regarding law and the role of the police. She is an accomplished prosecutor, but also holds dear values around transparency and accountability from our police department. She has criminally prosecuted law

enforcement officers in criminal cases and strongly believes that anyone who abuses the trust public trust should be held to answer. All of San Francisco would benefit from her service on the Police Commission.

Sincerely,  
Jenny Shao

Dear Supervisors -

As you well know, San Francisco has the highest rate of property crimes of any major city in the U.S. -- including more than 25,000 auto break-ins annually in recent years. Out-of-town drug dealers have plagued our neighborhoods such as the Tenderloin, condemning thousands to addiction and generating thefts, robberies, and violent crimes citywide. Homicides in our city were up 67% this April over last year, and burglaries are up 40%.

We need Nancy Tung on the Police Commission.

I urge you to support Nancy to serve on the Police Commission. She has a wealth of experience and is uniquely qualified for this position with 20 years as a prosecutor.

Dear Board of Supervisors Rules Committee members Mar, Stefani and Ronen,

I am emailing to urge you to support Nancy Tung to serve on the Police Commission. She has a wealth of experience and is uniquely qualified for this position.

As a prosecutor, she understands law enforcement. At the same time, she is even handed and guided by the public good as exemplified by her successful prosecution of members of the police and sheriff's department.

As a Chinese-American, Nancy Tung will be the only representative of the Chinese community on the 7-person commission, and one of only two people of Asian descent, in a city that is 22% Chinese and 35% Asian. Even before Coronavirus, the Chinese community was feeling an increase in violent crime. Now, with President Trump's racist and xenophobic remarks about the Chinese community during the COVID-19 pandemic, and new disturbing incidents of violent crime fueled by xenophobia and hate, the Chinese community needs and deserves representation and a strong voice on the Police Commission.

Nancy Tung is a mom, community leader, and informed neighbor. She is an advocate for gun reform with Moms Demand Action, and she serves on the board of Stop Crime SF. She is active in local Democratic politics, and in March 2020, Nancy was elected to the San Francisco Democratic County Central Committee by Democratic voters of San Francisco in Assembly District 17. She is also a co-founder and serves on the board of the Eastern Neighborhoods Democratic Club.

With a big picture view of what law enforcement is supposed to do, as well as decades of experience participating in criminal justice and community organizing, Nancy is the right person to serve on this commission.

Thank you for your consideration,  
Anna Roumiantseva

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Dear Supervisors Hillary Ronen, Catherine Stefani and Gordon Mar,

The Chinese American Democratic Club (CADC) would like to strongly encourage your support for the recommendation from Mayor London Breed of the appointment of Nancy Tung to the San Francisco Police Commission.

The mission of Chinese American Democratic Club (CADC) since 1958 has been to focus on key issues affecting the Chinese American and the API Communities in San Francisco.

Nancy has been an active member of our club over the past two (2) years. Last year, Nancy assisted SFPD in the apprehension of a hit and run auto accident that injured a member of the Chinese community. Nancy, as a private citizen at that time, chased the driver on foot several blocks, and stopped him from fleeing on a MUNI Bus until the police came. Her heroic act was widely covered by the Chinese media.

--She is exceptionally well qualified to serve on the Police Commission, with two decades of experience as a prosecutor. She has a deep understanding of police officers' constitutional responsibilities as well the department's procedures. Her legal training and knowledge about the SFPD will be an asset to the Commission.

--She is very concerned with the growing tide of racism against Chinese and other Asians in San Francisco because of the Coronavirus and existing problems around safety for Chinese elders and daytime robberies and break-ins in Chinatown and other San Francisco neighborhoods, including the Bayview, Visitacion Valley, Portola, Sunset and Richmond. Problems with violence against Asian elders is an historical problem that needs long-term solutions from the Department.

--As the daughter of immigrants, she understands the lack of equal access to the justice system because of language and cultural barriers, and knows that the police department should be doing more to reach out more to all immigrant communities and communities of color. Her priorities include hiring more officers that reflect the racial makeup of San Francisco, including hiring and certifying more officers who are bilingual.

--She has been active with public safety and gun safety groups in San Francisco. She is a member of Moms Demand Action which advocates for reducing gun violence through legislation and supporting violence intervention programs in our community. She knows that gun violence disproportionately affects communities of color, and will be a strong voice to address these issues.

--She has investigated and prosecuted police officers for criminal misconduct and understands how it breaks the public's trust in our police department. She would be the only person on the Police Commission who has taken to trial criminal cases against San Francisco law enforcement officers.

-- She is independent minded and ready to speak out against police misconduct as well as injustice in the court system. In 2010, it came to light that a SFPD drug analyst tampered with the drug evidence, calling into question hundreds of cases that the analyst tested. Nancy was the only prosecutor in the office that told management she refused to prosecute the tainted cases.

--She is independent and has a strong sense of personal integrity. She will do what is right for the people of San Francisco.

Your support for Nancy Tung for appointment to the SF Police Commission would be greatly appreciated.

Respectfully,

Bayard Fong, CADC Vice-President

Josephine Zhao, CADC President

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police

Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE-ASIAN AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

We need nominees who are interested in dismantling the police state, in holding murderers in the police force accountable, and in completely changing the way that we hold ourselves accountable that doesn't devolve into racist profiling that the SFPD has demonstrated over the years and decades.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE-ASIAN AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

As a San Franciscan, I ask that you OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Ms. Tung opposes views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Tung supported Prop H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

Tung supports giving Tasers to SFPD officers, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

Tung opposes closing YGC, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's juvenile hall. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

During her campaign last year, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

Tung has opposed ending money bail, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Tung also OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

San Francisco NEEDS civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

Our city deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE-ASIAN AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident in District 9 and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and traffics in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public

statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE-ASIAN AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE-ASIAN AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE-ASIAN AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE-ASIAN AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE-ASIAN AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE-ASIAN AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE-ASIAN AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE-ASIAN AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident in District 3, and I am writing to strongly urge you to OPPOSE the nominations of Nancy Tung and Geoffrey Gordon-Creed to the Police Commission.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

In addition to aligning herself with the divisive San Francisco Police Officers' Association who helped boost her run for District Attorney, Nancy Tung supported their Proposition H measure, which would have stripped the Police Commission of the power to oversee Taser use-of-force policy. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition.

It defies logic to appoint a candidate to the Police Commission who has actively supported, alongside the POA, undermining the Commission's core function of public oversight over SFPD. (Gordon-Creed took no public position on Proposition H.)

Nancy Tung continues to support equipping SFPD with Tasers. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF study found that the deployment of Tasers in California cities **\*\*increased\*\*** use of force and in-custody deaths.

Tung opposed closing Juvenile Hall, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. She opposed ending cash bail, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system.

There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis Góngora Pat, Alex Nieto, Jessica Williams, Amilcar Perez-Lopez, or any other person killed by the SFPD, or any of the other aforementioned issues. I remain concerned that Mr. Gordon-Creed's views on critical police & incarceration issues are opaque, beyond a record of defending SFPD in police brutality incidents in court. This alone does not inspire confidence. Please oppose his nomination.

We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. Minneapolis is burning right now, and I am **\*\*flabbergasted\*\*** that our mayor sees fit to nominate a candidate who has opposed EVERY single commonsense police reform proposed over the past several years, whose approach to police accountability screams 1920, not 2020. Please oppose Nancy Tung's nomination as well.

Thank you,  
Shanti Singh

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE-ASIAN AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE-ASIAN AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I have been a District 8 resident for the last 12 years, and I am a black immigrant father of two young children. Out of concern for the lives of those young San Franciscans, I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. You need not take my word on that - the voters made that clear in the last DA election, where she placed a distant third despite robust backing from right-wing racist police and their union. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN

SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. My kids deserve a city where they can be safe from police abuse, and where they can find as much justice as rich, white residents. I deserve a city where when I see police assault people who look like me day in and day out, they are held accountable. I strongly urge you to oppose these nominations, and like many voters, particularly the majority who rejected racist police tactics last November, I will be closely watching your votes.

Thank you,

A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE-ASIAN AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE-ASIAN AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE-ASIAN AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE-ASIAN AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE-ASIAN AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a former San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE-AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco / D5 resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I imagine you've received a number of these form letters and as a result may not read the details of each one, but I wanted to add that the specifics in the letter below speak for me, as someone who lent my voice against the SFPD adoption of tasers and currently works on criminal record clearance across the country. I urge you all to reject Tung and Creed's nominations to the police commission. Thank you.

Christa

She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

Dear Supervisors,

I am a San Francisco resident and voter in District 9. I strongly oppose Nancy Tung's and Geoffrey Gordon-Creed's nominations to the Police Commission.

I echo what I am sure are sentiments expressed in other letters about how Nancy Tung's positions do not reflect those of city residents'. She is unfit to be a Police Commissioner — her positions facilitate abuses of police powers. She supports stripping the Police Commission of the power to oversee taser use-of-force policy. Protecting the Police Commission's power to meaningfully enforce its policies seems like a baseline qualification for appointment to the Police Commission, a qualification Nancy Tung's own positions demonstrates she does not meet.

She also consistently supports other harsh, punitive, and, most of all, harmful policies that increase the danger the police poses to everyone in the city and especially those who are a part of the city's Black and Latinx communities and who the police disproportionately target. She supports the continued usage of tasers, in spite of the fact that residents voted against them in 2018. Research has proven that they do not decrease the use of force the police use and actually increase in-custody deaths. She opposed closing Juvenile Hall in spite of its documented abuses, its exponentially higher cost in comparison to other methods of redress, and being far less effective those methods in supporting the city's young people. She supports cash bail — another punitive and ineffective policy that often only punishes low-income people who have not even been convicted of a crime. She accepted money from the POA during her campaign for District Attorney. Any financial support from the POA makes her ability to be an impartial judge of the police questionable. She has already opposed prosecuting police officers who were involved in shootings in the city.

Geoffrey Gordon-Creed is not qualified to serve on the Police Commission — or, at the very least, the absence of information on his positions on policing inspire little confidence in his ability to be a valuable addition to the Police Commission and that he will act in a way that reflects the values of the city and its voters. He has no public history of engaging with criminal justice issues or of representing people and communities policing policies impact. He has no public stance on the Taser Use-of-Force Policy, and no indication of any reference to any public engagement with all the incredibly important issues the Police Commission is regularly tasked with overseeing.

We already needed civilian Police Commissioners whose is more interested in protecting the city's residents than in supporting police. I believe current events make that fact impossible to ignore and put that need into sharp relief. The city's police force has already demonstrated that they are dangerous to the public — law enforcement has shot multiple people this year alone, not to mention the shootings of Mario Woods, Luis-Gongara Pat, Alex Nieto, Jessica Williams, and every other person who the SFPD has killed, all of which the city has failed to adequately address with appropriate disciplinary action.

Police Commissioners serve such a vital role in protecting the city from police abuse. It would be a mistake to approve Nancy Tung's and Geoffrey Gordon-Creed's nominations — Nancy Tung for her demonstrated positions that would make her a lax enforcer of police abuse and Geoffrey Gordon-Creed for the absence of any information on his positions for such an important role. San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department.

I also wanted to add that I have heard that part of the support for Nancy Tung's candidacy is that there is currently no Asian American representation on the board. As a Chinese American resident, I find it insulting that people are suggesting merely appointing a token Asian American member to the Police Commission is sufficient to represent the interests of our complex and multifaceted communities. I want a representative who is not only a member of our communities, but one who is actively invested in protecting our community members most in need —and have demonstrated thoughtful, researched positions that would act in our best interests. Nancy Tung and her harmful policy positions have proven she is not that person.

Please do not approve either Nancy Tung or Geoffrey Gordon-Creed for a position on the Police Commission. San Francisco city residents deserve representatives who are passionate and committed to police reform, not collusion or a total lack of previous public involvement. I urge to vote against both Nancy Tung and Geoffrey Gordon-Creed.

Thank you,  
Y. Faye Wang

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,  
Alex

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.
