Pursuant to Charter, Section 4.101(a)(1), please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

As a former consumer, I had to rely on friends and family when I broke my ankle and was in a cast for six weeks. Living alone at the time, it quickly became apparent that I needed assistance with daily tasks of shopping, housekeeping and doctors appointments. I could not have done it alone. In addition, my 85 year old mother and two sisters who are both dealing with advanced chronic illnesses are currently IHSS consumers. One sister was able to be taken out of a nursing home in 2010 to live independently with the support of the many devoted providers that have helped me and my family through the years. As a former provider I recognize the vital function that the Public Authority serves to those in need.

Business and/or professional experience:

For over nine years I've worked at Progress Foundation. Currently I'm the Director of Relief Counselors overseeing the day to day management of approximately 100 Relief counselors insuring our residential treatment programs have the support they need to operate 24 hours a day.

I have many years of supervision, sales and customer service experience as an account manager with Levi Strauss, The Metropolitan Transit authority of Houston and other companies.

Civic Activities:

I've done several precinct walks deliveriing door hangers on propositions and elections that would benefit the community. Also worked on election day helping to setup assigned polling locations and assisting with other election day related duties as needed.

Have you attended any meetings of the Board/Commission to which you wish appointment? Yes No
