In such case, prior approval of the Committee must be obtained. Any transfer made pursuant to this Section may only be made to another project of the same issuer that has been previously approved by the Committee.

Section 6. The Applicant is not authorized to use the Allocation transferred hereby to make a carryforward election with respect to the Project. The Applicant is not authorized to transfer the Allocation to any governmental unit in the State other than the Committee.

Section 12. In consideration of the Allocation transferred to the Applicant and the Project Sponsor, the Applicant and the Project Sponsor shall comply with all of the terms and conditions contained in this Resolution and ensure that these terms and conditions are included in the documents related to the Bonds. Furthermore, the Applicant and the Project Sponsor expressly agree that the terms and conditions of this Resolution may be enforced by the Committee through an action for specific performance or any other available remedy, provided however, that the Committee agrees not to take such action or enforce any such remedy that would be materially adverse to the interests of Bondholders.
