Item 10 File 15-1088	Department: Public Utilities Commission (PUC)
EXECUTIVE SUMMARY	
Legislative Objectives	
<ul style="list-style-type: none"> • The proposed resolution would (a) establish a new Power Enterprise Commercial Paper Program in the principal amount not to exceed \$90,000,000, (b) authorize the PUC to sell up to \$90,000,000 in commercial paper, (c) authorize PUC to enter into a credit facility agreement with Bank of America, and (d) authorize the PUC to enter into dealer agreements with Barclays, Goldman Sachs and RBC Capital Markets. 	
Key Points	
<ul style="list-style-type: none"> • The Board of Supervisors previously authorized the sale of power revenue bonds up to approximately \$160.3 million. In May 2015, the Power Enterprise sold \$39,555,000 in 2015 Series A and 2015 Series B Power Revenue Bonds to fund certain power generation and transmission projects in the Hetch Hetchy Water and Power Capital Plan. • Under the City's Administrative Code Section 43.5, the Public Utilities Commission (PUC) may issue short-term debt, including commercial paper, in anticipation of the issuance of revenue bonds. Under the Hetch Hetchy Power Commercial Paper Program, the PUC will use the commercial paper as short term, low interest financing for Hetch Hetchy Power capital projects prior to issuing long term Hetch Hetchy Power Revenue Bonds. This allows PUC to time the issuance of Hetch Hetchy Power Revenue Bonds to achieve better interest rates and meet the needs of the Hetch Hetchy Power capital program. 	
Fiscal Impact	
<ul style="list-style-type: none"> • According to the proposed resolution, the interest rate shall not exceed 12 percent per year. However, according to Mr. Carlos Jacobo, PUC Budget Director, the proposed Power Commercial Paper Program will result in an "all-in" borrowing rate of approximately 1 percent per year, which includes interest payments on the commercial paper and associated fees. • PUC will incur estimated maximum fees of \$1,157,135 over the initial three-year term of the Hetch Hetchy Power Commercial Paper Program, including (1) fees of \$1,028,885 paid to the Bank of America for the LOC, and (2) a maximum total of \$128,250 to the three dealers noted above to sell and remarket the commercial paper to investors. 	
Recommendation	
<ul style="list-style-type: none"> • Approve the proposed resolution. 	

MANDATE STATEMENT

City Charter Section 8B.124 states that the Public Utilities Commission may issue revenue bonds, including notes, commercial paper, or other forms of indebtedness in order to reconstruct, replace, expand, repair or improve Public Utilities Commission water facilities or clean water facilities and that such debt issuances are subject to a two-thirds approval by the Board of Supervisors.

BACKGROUND

The Public Utilities Commission (PUC) approved the 10-Year Capital Plan for Hetch Hetchy Water and Power in May 2014. The Public Utilities Commission updated the 10-Year Capital Plan for Hetch Hetchy Water and Power for FY 2015-16 through FY 2024-25 in February 2015. The Hetch Hetchy Power Enterprise's share of the 10-Year Capital Plan is \$760,000,000 of which \$530,000,000 is planned to be revenue bond funded. The Power Enterprise Capital Plan for FY 2014-15 and FY 2015-16 was approved by the Board of Supervisors as part of the current FY 2014-15 and 2015-16 two-year budget.

The Board of Supervisors previously authorized the sale of power revenue bonds up to approximately \$160.3 million as follows:

- \$112.3 million in June 2014 to finance various Power Enterprise capital projects; and
- \$48 million in March 2015 to finance the reconstruction or replacement of electric power facilities and acquisition, construction, installation, improvement or rehabilitation of equipment or facilities for renewable energy and energy conservation.

In May 2015, the Power Enterprise sold \$39,555,000 in 2015 Series A and 2015 Series B Power Revenue Bonds to fund certain power generation and transmission projects in the Hetch Hetchy Water and Power Capital Plan.

Under the City's Administrative Code Section 43.5, the PUC may issue short-term debt, including commercial paper, in anticipation of the issuance of revenue bonds. Based on estimated cash flow needs of the PUC's capital program and bond authorization, it is proposing a new not to exceed \$90,000,000 Power Commercial Paper Program to meet the interim capital expenditure requirements and provide low-cost capital project funding. The proposed commercial paper program is modeled after the existing Water and Wastewater Enterprises' programs. Any commercial paper sold as interim financing will be repaid with proceeds from revenue bonds that the PUC will subsequently issue according to its 10 Year Capital Plan.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would establish (a) a new Power Enterprise Commercial Paper Program in the principal amount not to exceed \$90,000,000, (b) authorize the PUC to sell up to \$90,000,000 in commercial paper, (c) authorize PUC to enter into a credit facility agreement with Bank of America, and (d) authorize the PUC to enter into dealer agreements with Barclays, Goldman Sachs and RBC Capital Markets.

Credit Facility Provider

PUC selected Bank of America as the proposed credit facility provider through a competitive Request for Proposal (RFP) sent to ten qualified banks. Four proposals were received. The PUC selected Bank of America as the lowest cost, and most responsive and responsible proposal. As short term debt, commercial paper is resold up to every 270 days. Bank of America guarantees sufficient funds to PUC through a Letter of Credit to cover problems with the resale of the commercial paper.

The \$90,000,000 principal amount of the Letter of Credit will be equal to the authorized amount of the proposed commercial paper. The Letter of Credit term will be for three years, with two one-year options to extend. PUC may terminate the Bank of America agreement, with the early termination fee waived, if the bank's short-term rating is downgraded below A-1 (S&P) and F1 (Fitch).

There are four documents that make up the credit facility with Bank of America.

- (1) The Issuing and Payment Agent Agreement between the PUC and the Issuing and Paying Agent (U.S. Bank) sets out the terms by which the PUC issues and repays commercial paper. The agreement establishes various funds into which proceeds of the commercial paper are deposited or from which the PUC repays the credit facility bank (Bank of America) for draws against the credit facility (the Letter of Credit).
- (2) An Irrevocable Letter of Credit would be issued by the Bank of America in favor of the Issuing and Paying Agent (U.S. Bank). If PUC does not make the interest and principal payments on the commercial paper, these payments are made by the Issuing and Paying Agent (U.S. Bank) drawing on the Irrevocable Letter of Credit. The Irrevocable Letter of Credit is direct-pay and is irrevocable, once issued, until it expires or is terminated in certain limited circumstances, as described in the Reimbursement Agreement.
- (3) The Reimbursement Agreement between the PUC and Bank of America sets out the terms by which the Letter of Credit is issued as well as the terms under which the PUC repays the Bank of America for draws on the Letter of Credit.
- (4) The Fee Agreement between the PUC and Bank of America sets out the fees charged by the Bank of America.

Dealers

The proposed dealers, Barclays, Goldman Sachs and RBC Capital Markets, were selected through a competitive RFP sent to the City's Office of Public Finance Underwriter Pool of 24 firms. The annual fee for each is 0.0475% of the \$90,000,000, which is lower than the 0.05% dealer fees obtained in the past for the Water and Wastewater CP Programs and is only paid on the amount of outstanding commercial paper remarketed by each dealer. The proposed term for the dealer agreements is three years, with two one-year options to extend.

There is a separate Dealer Agreement between the PUC and each respective dealer (Barclays, Goldman Sachs and RBC Capital Markets), which sets out the terms by which such dealer may purchase or arrange for the sale of the commercial paper.

FISCAL IMPACT

Under the Hetch Hetchy Power Commercial Paper Program, the PUC will use the commercial paper as short term, low interest financing for Hetch Hetchy Power capital projects prior to issuing long term Hetch Hetchy Power Revenue Bonds. This allows PUC to time the issuance of Hetch Hetchy Power Revenue Bonds to achieve better interest rates and meet the needs of the Hetch Hetchy Power capital program.

Under the Hetch Hetchy Power Commercial Paper Program, PUC can sell up to \$90,000,000 in commercial paper. According to the proposed resolution, the interest rate shall not exceed 12 percent per year. However, according to Mr. Carlos Jacobo, PUC Budget Director, the proposed Power Commercial Paper Program will result in an "all-in" borrowing rate of approximately 1 percent per year.

The all-in borrowing rate includes interest on the commercial paper as well as fees paid to the Bank of America and to the three dealers. PUC will incur estimated maximum fees of \$1,157,135 over the initial three-year term of the Hetch Hetchy Power Commercial Paper Program, including (1) fees of \$1,028,885 paid to the Bank of America for the LOC, and (2) a maximum total of \$128,250 to the three dealers noted above to sell and remarket the commercial paper to investors.

RECOMMENDATION

Approve the proposed resolution.

The Commitment Fee shall accrue from and including the Closing Date to and including the Termination Date. The Commitment Fee shall be payable quarterly in arrears on the first Business Day of April, July, October and January of each calendar year (each, a "**Payment Date**") and on the Termination Date.

(2) In the event the Commission terminates or permanently reduces the Letter of Credit (other than as a result of the refunding of the Notes with Senior Wastewater Bonds or Subordinated Wastewater Bonds that are not enhanced with a credit facility or a liquidity facility or sold in a private placement transaction), whether by replacement or otherwise, prior to the first anniversary of the Closing Date (the "**Anniversary Date**"), the Commission shall pay or cause to be paid to the Bank a non-refundable termination/reduction fee (the "**Termination/Reduction Fee**") equal to the Commitment Fee that would have been payable to the Bank pursuant to this Fee Agreement but for the termination or permanent reduction of the Letter of Credit for the period from and including the date on which the Letter of Credit is terminated or permanently reduced to and including the Anniversary Date assuming (i) a rate per annum equal to the rate per annum at which the Commitment Fee is calculated immediately prior to the termination or permanent reduction of the Letter of Credit and (ii) a Stated Amount equal to the Stated Amount in effect immediately prior to the termination or permanent reduction of the Letter of Credit; *provided, however*, that if the Letter of Credit is terminated at time when the Bank's short-term debt rating is below "P1" by Moody's or below "A-1" by S&P or if the Notes are redeemed, refunded or the rate of interest on the Notes is converted to a fixed rate or another interest mode that does not involve a credit facility or liquidity facility or a direct purchase or loan by a bank or a bank affiliate, then the Commission shall not be required to pay the Termination/Reduction Fee.

(3) A fee of \$250 plus the Bank's customary wire transfer and courier costs in respect of each drawing made under the Letter of Credit and honored by the Bank, which fee, wire transfer and courier cost shall be earned on the date such drawing is honored by the Bank and, unless paid to the Bank at the time each

Drawing is reimbursed, shall be paid in arrears on the first Payment Date that occurs after the date such drawing is honored by the Bank.

(4) A transfer fee equal to \$3,000 upon each transfer of the Letter of Credit in accordance with its terms. A transfer shall be deemed to have occurred whenever the Issuing and Paying Agent is replaced, substituted or changed as a result of sale, assignment, merger, consolidation, reorganization or an act of law. A transfer shall not be deemed to have occurred solely as a result of a change in the legal name of the Issuing and Paying Agent.

(5) At the time any simple (*i.e.*, non-complex) amendment, modification, waiver, supplement or restatement of, or simple (*i.e.*, non-complex) consent sought in respect of, the Agreement, the Basic Documents and any other documents delivered under the Agreement is sought by any person other than the Bank, a fee of \$3,000 plus attorneys' fees and expenses, which fee shall be earned and payable whether or not any such amendment, modification, waiver, supplement or restatement is executed or consent granted. Fees for complex amendments, modifications, waivers, supplements, restatements or consents shall be negotiated on a case-by-case basis.

(6) Not later than five Business Days following the Closing Date, the fees and expenses of counsel to the Bank in connection with the preparation of this Fee Agreement, the Agreement and the Letter of Credit, which fees shall not exceed \$45,000 and which expenses shall be paid on an as incurred basis.

All amounts paid pursuant to this Fee Agreement shall be non-refundable and payable in immediately available funds. Computations of the Commitment Fee and the Termination/Reduction Fee shall be made on the basis of a 360 day year and actual days elapsed. All amounts paid pursuant to this Fee Agreement shall be paid in the manner and to the account set forth in the Agreement.

This Fee Agreement may not be amended or waived except by an instrument in writing signed by the Bank and the Commission.

The provisions of Section 7.14 of the Agreement shall be incorporated by this reference into this Fee Agreement as if such provisions were set forth in their entirety except that references to "this Agreement" shall mean this Fee Agreement and references to "hereunder" or "hereof" shall mean under this Fee Agreement or of this Fee Agreement.

This Fee Agreement may be executed in any number of counterparts, each of which shall be an original, and all of which, when taken together, shall constitute one agreement. Delivery of an executed signature page of this Fee Agreement by electronic transmission shall be effective as delivery of a manually executed counterpart hereof.

This Fee Agreement is delivered to the Commission on the understanding that neither this Fee Agreement nor any of its terms shall be disclosed, directly or indirectly, to any financial institution other than the Issuing and Paying Agent unless such disclosure is made to such financial institution in accordance with the terms of the California Public Records Act.

[Remainder of page intentionally left blank.]

Please confirm that the foregoing is our mutual understanding by signing and returning to the Bank an executed counterpart of this Fee Agreement. This Fee Agreement shall become effective as of the date first above referenced upon our receipt of an executed counterpart of this Fee Agreement from the Commission.

The payment of principal and interest on the Notes will be supported by an irrevocable direct-pay Letter of Credit (the "Letter of Credit"), issued pursuant to the terms of a Reimbursement Agreement, dated as of October __, 2015 (the "Reimbursement Agreement"), by and between the Commission and Bank of America, N.A. (the "Bank"). [Dealer] has agreed to act as a non-exclusive Dealer for the Notes and to perform the duties imposed by this Agreement.

AGREEMENTS

NOW, THEREFORE, for and in consideration of the covenants herein made, and subject to the conditions herein set forth, the parties hereto agree as follows:

Section 1. Definitions. Unless the context clearly indicates a contrary meaning, each capitalized term used in this Agreement shall have the meaning given to that term in the Issuing and Paying Agent Agreement.

Section 2. Appointment of Dealer; Acceptance; Allocations; Evaluations.

(a) Subject to the terms and conditions set forth in this Agreement, the Commission hereby appoints [Dealer] as a Dealer for the Notes, and [Dealer] hereby accepts such appointment and accepts and agrees to perform the duties and obligations imposed upon it as a Dealer under this Agreement, subject to the terms, conditions and limitations set forth in this Agreement.

(b) The Dealer shall act as a non-exclusive Dealer with respect to the Notes and shall be responsible to solicit and arrange sales of the Notes allocated to it, including, without limitation, the initial placement of such Notes and subsequent sales, establishing the rates and maturities of such Notes from time to time. The Dealer acknowledges that the Commission may enter into agreements with other dealers in connection with the offering and sale of the Notes. The Commission reserves the right to allocate and reallocate Notes among the Dealer and the other dealers with respect to the Notes at any time in its sole discretion for any reason.

(c) The Dealer acknowledges that the Commission intends to conduct a regular evaluation of the Dealer. Such evaluation will consider, among other things, an analysis of interest rates on the Notes allocated hereunder and managed by the Dealer in comparison to the interest rates provided by other dealers.

(d) The Dealer acknowledges that the Commission has delivered to it executed copies of the Resolutions, the Issuing and Paying Agent Agreement, the Letter of Credit, the Reimbursement Agreement and a Certificate of Designated Representatives in accordance with Section 6 hereof.

(e) The Dealer hereby agrees that it will comply with all statutes and regulations applicable to it, including without limitation, all applicable securities laws and requirements of the Securities Exchange Commission, the Municipal Securities Rulemaking Board or any regulatory body having jurisdiction over the Dealer, non-compliance with which would adversely affect the Notes or the Commission's Note program.

Section 3. Sale and Purchase of Notes. (a) The Dealer acknowledges that the terms and conditions of the Notes are set forth in the Issuing and Paying Agent Agreement and that in particular, the Notes (i) shall be issued in denominations of \$100,000 and in integral multiples of \$1,000 in excess thereof, (ii) shall bear interest payable at maturity at an annual rate (calculated on the basis of a year consisting of 365 or 366 days, as applicable, and the actual number of days elapsed) payable at maturity which shall not in any event exceed the Maximum Interest Rate of 12%, (iii) shall mature on a Business Day not more than 270 days after their respective issuance dates, but in no event later than the Business Day immediately preceding the Termination Date, and (iv) shall be sold at a price equal to 100% of the principal amount thereof.

(b) The Dealer shall use its best efforts, consistent with commercial customs and practices, to solicit and arrange sales of the Notes at such rates and maturities as may prevail from time to time in the market in accordance with Section 4 below, and, in any

event, the Dealer shall use its best efforts to solicit and arrange sales of the Notes up to the Maximum Interest Rate, as required by the applicable Issuing and Paying Agent Agreement. The Dealer agrees to make a good faith effort to notify Commission if for any reason it believes that it will not be able to sell the Notes on the date such Notes are to be issued. The Dealer and the Commission agree that any Notes which the Dealer may purchase or for which the Dealer may arrange the sale, will be purchased or sold on the terms and conditions and in the manner provided in the Issuing and Paying Agent Agreement and this Agreement. Anything herein to the contrary notwithstanding, to the extent of any conflict between the provisions hereof and the Issuing and Paying Agent Agreement, the provisions of the Issuing and Paying Agent Agreement shall be controlling.

Section 4. Transactions in Notes. All transactions in Notes between the Dealer and the Commission shall be in accordance with the Resolutions, the Ordinances, the Issuing and Paying Agent Agreement, this Agreement, the Letter of Credit, the Reimbursement Agreement and with the customs and practices in the commercial paper market regarding settlement and delivery formally adopted in writing from time to time by the New York Clearinghouse, to the extent not inconsistent with the Issuing and Paying Agent Agreement. As early as possible, but not later than [11:00 a.m.] (New York City time) on the date on which any Notes are to be issued, the Dealer shall notify the Commission and the Director of the City's Office of Public Finance of the City (which shall be deemed to include his or her designee) of the proposed final maturities, prices and interest rates (which interest rates shall not exceed the Maximum Interest Rate) at which the Dealer has arranged for the sale of or will purchase the Notes, and provide the Commission and the Director of the City's Office of Public Finance with any other information as required for delivery of such Notes. The Dealer shall not be obligated to purchase any Notes unless and until agreement, as described in the following sentence, has been reached in each case on the proposed final maturities, prices and interest rates and the Dealer has agreed to such purchase. Not later than [11:45 a.m.] (New York City time) on the date of issuance of the Notes, the Commission and the Director of the City's Office of Public Finance may approve or disapprove of such final maturities, prices and interest rates (provided that if either the Commission or the Director of the City's Office of Public Finance does not provide notice to the Dealer of disapproval then the Commission or the Director of the City's Office of Public Finance, as applicable, shall be deemed to have approved such terms) and such Dealer shall either (a) confirm each transaction made with or arranged by it or (b) notify the Commission and the Issuing and Paying Agent of the difference, if any, between the amount of maturing Notes and the amount of Notes which the Dealer has arranged to sell or has agreed to purchase. Such confirmation or notification shall be given by telephone (or by other telecommunications medium acceptable to the Commission) and confirmed in writing to the Commission and the Issuing and Paying Agent in the Dealer's customary form.

Section 5. Payment for Notes. The Dealer shall pay for the Notes purchased by the Dealer or sold by the Dealer in immediately available funds [by 12:00 p.m. (New York City time)] on the Business Day such Notes are delivered to the Dealer. All Notes will be sold at par, and will be executed in the manner provided for in the Issuing and Paying Agent Agreement.

Section 6. Designated Representative. Note transactions with the Commission, pursuant to Section 4 hereof, shall be with the Director of the City's Office of Public Finance and

any one of the officers or employees of the Commission or the City who are designated as a Designated Representative by a certificate signed by the General Manager of the Commission. The Commission will deliver to the Dealer a Certificate of Designated Representatives in the form appended to the Issuing and Paying Agent Agreement as Exhibit B. The General Manager and the Director of the City's Office of Public Finance agree to provide the Dealer with a revised Certificate of Designated Representatives in substantially said form when and as required by changes in the Designated Representatives. The Dealer may rely upon such Certificate of Designated Representatives unless and until otherwise notified in writing by the General Manager or the Director of the City's Office of Public Finance.

The Controller of the City shall, throughout the term of this agreement, be authorized to initiate Note transactions, notwithstanding any provision hereof or future amendment hereof to the contrary.

Section 7. Certain Representations of the Commission. The Commission represents to the Dealer as follows:

(a) As of the date of each issuance of Notes: (i) the Commission has full power and authority to issue the Notes, to enter into, perform and observe the covenants and agreements on its part contained in this Agreement, the Issuing and Paying Agent Agreement, the Letter of Credit and the Reimbursement Agreement (collectively, the "Documents"); (ii) such Documents have been duly authorized, executed and delivered by the Commission; and such Documents constitute legally valid and binding obligations of the Commission, in accordance with their terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights generally and subject, as to enforceability, to the general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

(b) As of the date of each issuance of Notes, the Resolutions are in full force and effect and have not been repealed, modified or amended since their adoption.

(c) As of the date of each issuance of Notes, the Ordinances are in full force and effect and has not been repealed, modified or amended since their adoption.

(d) As of the date of each issuance of Notes, such Notes have been duly authorized and executed by the Commission, and when authenticated and delivered by the Issuing and Paying Agent, will be in conformity with, and entitled to the benefits of the Resolutions and the Issuing and Paying Agent Agreement.

(e) The then-current Offering Memorandum related to the Notes, as supplemented or amended (the "Offering Memorandum") will not as of its respective date, and as of each date of issuance or resale of one or more Notes pursuant to an Issuance Request, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading (provided that the Commission makes no representation with respect to information therein regarding

the Bank, the Letter of Credit, the Reimbursement Agreement, the Dealer or any other dealers, the Issuing and Paying Agent and DTC and its book-entry only system.)

(f) Although the Notes are exempted from the provisions of Rule 15c-2-12, the Commission has not failed during the previous five years to comply with any previous undertakings in a written continuing disclosure contract or agreement under Rule 15c2-12, except as otherwise disclosed in writing to the Dealer.

(g) The Commission will cooperate with the Dealer in arranging for the qualification of the Notes for sale and the determination of their eligibility for investment under the laws of such jurisdictions as the Dealer may designate and will use its best efforts to continue such qualifications in effect so long as the Notes are being offered by the Dealer; provided, however, that the Commission will not be required to execute a special or general consent to service of process or qualify to do business in connection with action taken under this subsection nor will the Commission be required to incur any material expense.

(h) The adoption by the City of the Ordinances and the Resolutions, and the making and performance by the Commission of the other Documents and the Notes do not and will not materially conflict with or result in a material breach or violation of any of the terms or provisions of, or constitute a default under, any resolution, indenture, deed of trust, mortgage commitment, agreement or other instrument to which the Commission is a party or by which the Commission is bound, or any constitutional provision, existing law, administrative regulation, court order or consent decree to which the Commission or its property is subject.

(i) The Commission shall not adopt any amendment to the Documents that adversely affects the rights or obligations of the Dealer without the Dealer's prior written consent.

Section 8. Offering Memorandum and Disclosure.

(a) The Commission shall prepare or cause to be prepared the Offering Memorandum. The Commission shall prepare or cause to be prepared an update to the Offering Memorandum on an annual basis by December 31 of each year (or at any other time in the sole discretion of the Commission) if in the judgment of the Commission, the then-existing Offering Memorandum is misleading in any material respect.

(b) The Commission shall file on the Electronic Municipal Market Access ("EMMA") database of the Municipal Securities Rulemaking Board ("MSRB") or shall provide the Dealer with:

(i) copies of any notices filed by the Commission in accordance with Rule 15c2-12(b)(5)(i)(C) promulgated under the Securities Exchange Act of 1934 with respect to any outstanding revenue bonds, notes or other obligations for borrowed money of the Commission relating to the Power Enterprise (the "Commission Bonds") promptly following the filing thereof;

(ii) copies of annual reports filed by the Commission in accordance with Rule 15c2-12(b)(5)(i)(A) with respect to Commission Bonds promptly following the filing thereof;

(iii) copies of the official statements or other disclosure documents with respect to Commission Bonds promptly following the issuance thereof;

(iv) prompt notice and a copy of any amendment to the Issuing and Paying Agent Agreement, or of the substitution, termination or extension of the Letter of Credit;

(v) prompt notice of the occurrence and continuance of an event of default under the Issuing and Paying Agent Agreement or the Reimbursement Agreement;

(vi) prompt notice of the suspension, reduction or withdrawal of the rating on any Commission Bonds or the public announcement of the possibility thereof by the Rating Agencies then rating the Commission Bonds; and

(vii) prompt notice of the receipt by the Commission of notification from Bond Counsel that the Commission may not continue to rely on their opinion regarding the validity or tax-exempt status of the Notes.

(c) The Commission will furnish the Dealer such documents and information concerning the business, operations and financial condition of the Commission, as the Dealer may from time to time reasonably request.

(d) If in the reasonable opinion of the Dealer, with the concurrence of Bond Counsel (or the Commission's Disclosure Counsel) and the City Attorney, changes in applicable law require that a disclosure document more extensive than the Offering Memorandum be prepared and distributed, the Commission agrees to prepare such document.

(e) The Dealer shall provide a copy of the Offering Memorandum, as supplemented, amended and updated from time to time, to each person to whom it sells Notes prior to or with the delivery of any payment confirmation. The Dealer agrees to promptly post the Offering Memorandum and any supplements thereto, upon receipt from the Commission, to EMMA and will advise customers that the Offering Memorandum, as supplemented, is available from EMMA and the Commission agrees that this shall satisfy the Dealer's obligations in the previous sentence. The Dealer shall not provide prospective or actual purchasers of the Notes with any written offering materials, disclosure documents or other documents or information in connection with the solicitation of purchases and sales of the Notes other than the Offering Memorandum and any supplements, amendments or updates thereto and the Issuing and Paying Agent Agreement, the Letter of Credit or the Reimbursement Agreement, as the same may be amended, supplemented or replaced from time to time.

(f) The Commission authorizes the use and distribution of copies of the Offering Memorandum by the Dealer in connection with the sale (or potential sale) of the Notes.

Section 9. Conditions To Dealer's Obligations. The obligations of the Dealer under this Agreement have been undertaken in reliance on, and shall be subject to, the due performance by the Commission of its obligations and agreements to be performed hereunder and to the accuracy of and compliance with the respective representations, warranties, covenants and agreements of the Commission contained herein, in each case on and as of the date of delivery of this Agreement and on and as of each date on which the Notes are to be issued. The obligations of the Dealer hereunder with respect to each date on which the Notes are to be issued are also subject, in the discretion of the Dealer, to the following further conditions precedent:

(a) The Documents shall be in full force and effect and the Notes to be issued on such date shall have the full benefits of all of the foregoing, all of which shall not have been amended, modified or supplemented in a manner that adversely affects the Dealer, except as may have been agreed to in writing by the Dealer, and there shall be in full force and effect such additional resolutions, agreements, instruments and certificates (including such certificates as may be required by Sidley Austin LLP, Bond Counsel, regarding the exclusion from gross income of interest on all or a portion of the Notes from federal income tax) and such opinions of counsel, which resolutions, agreements, certificates and opinions of counsel shall be satisfactory in form and substance to the Dealer and there shall have been taken in connection therewith and in connection with the issuance or resale of the Notes all such action as shall, in the opinion of the aforesaid Bond Counsel, be necessary in connection with the transactions contemplated hereby.

(b) No Event of Default (as such term is defined in the Reimbursement Agreement) shall have occurred and be continuing; and no event shall have occurred and be continuing which with the passage of time or giving of notice or both, would constitute such an Event of Default.

(c) The Dealer shall have received:

(i) executed copies of the Letter of Credit, the Reimbursement Agreement and the Issuing and Paying Agent Agreement; together, upon request, with a copy of the transcript of all proceedings relating to the authorization of the Notes certified by a duly authorized official of the Commission;

(ii) an opinion of Sidley Austin LLP, Bond Counsel, in the form attached as Appendix B to the Offering Memorandum;

(iii) a certificate of the Commission executed by any duly authorized official of the Commission, dated as of or prior to such date, to the effect that the information concerning the Commission which is contained in the Offering Memorandum (or other disclosure materials provided by or on behalf of the Commission) is true and correct and does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements

made therein, in light of the circumstances under which they were made, not misleading; and

(iv) copies of such other documents, certificates and opinions as the Dealer shall have reasonably requested in writing.

Section 10. Compensation to Dealer.

(a) For the services to be performed by the Dealer under this Agreement, the Commission agrees to pay the Dealer an annual fee equal to 4.75 basis points (0.0475%) of the average outstanding principal amount of the Notes managed by the Dealer, payable quarterly in arrears, within 30 days after receipt of the bill for the preceding quarter, commencing with the quarter ending December 31, 2015.

(b) The Commission's obligations under this Section 9 which have accrued or arisen prior to the effective date of any termination or expiration of this Agreement shall survive such termination or expiration.

Section 11. Termination or Suspension. This Agreement may be terminated by the Commission at any time with respect to the Dealer and by the Dealer upon not less than 90 days' prior written notice to the Commission and the Bank, provided that the Dealer may terminate with 60 days' prior written notice to the Commission and the Bank if other dealers are in place with respect to the Notes. Notwithstanding the previous sentence, if the Dealer notifies the Commission and the Bank that it believes the Offering Memorandum (or other disclosure materials provided by the Commission) contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading, and the Commission shall fail to cure such defect within 45 days in a manner reasonably satisfactory to the Dealer, the Dealer may suspend its obligations under this Agreement until the Offering Memorandum is appropriately amended or supplemented. Notwithstanding the foregoing, no such termination or suspension shall affect the rights or obligations of the Commission or the Dealer hereunder arising prior to such termination or suspension. In addition the Dealer may suspend its obligations under this Agreement if any of the rating agencies then rating the Notes shall either (i) downgrade its respective rating assigned to the Notes so that such Notes are not an "Eligible Security" as defined under Rule 2a-7 of the Investment Company Act, or (ii) suspend or withdraw its respective then-current rating assigned to the Notes.

Section 12. Counterparts. This Agreement may be executed in several counterparts, each of which shall be regarded as an original but all of which shall constitute one and the same document.

Section 13. Governing Law; Venue. The formation, interpretation and performance of this Agreement shall be governed by the laws of the State of California. Venue for all litigation relative to the formation, interpretation and performance of this Agreement shall be in San Francisco.

Section 14. Notices. Except as otherwise specifically provided herein, all notices required or provided for under this Agreement shall be in writing and shall be delivered by hand,

Section 22. Dealing in Notes by the Dealer; No Obligation to Purchase Notes.

The Dealer may sell any of the Notes at prices above or below par, at any time. The Dealer, in its individual capacity, either as principal or agent, may also engage in or be interested in any financial or other transaction with the Commission and may act as depository, account party, or agent for any committee or body of owners of the Notes or other obligations of the Commission as freely as if it did not act in any capacity hereunder.

(b) Nothing in this Agreement shall be deemed to constitute the Dealer as an underwriter of the Notes or to obligate the Dealer to purchase any Notes for its own account at any time.

Section 23. No Advisory or Fiduciary Role; Municipal Advisor Rules.

(a) The Commission acknowledges and agrees that (i) the placement of Notes pursuant to this Agreement is an arm's-length commercial transaction between the Commission and the Dealer; (ii) in connection therewith and with the discussions, undertakings and procedures leading up to the consummation of such transaction, the Dealer is and has been acting solely as a principal and is not acting as the agent, advisor,

municipal advisor or fiduciary of the Commission; (iii) the Dealer has not assumed an advisory or fiduciary responsibility in favor of the Commission with respect to the offering contemplated hereby or the discussions, undertakings and procedures leading thereto (irrespective of whether the Dealer has provided other services or is currently providing other services to the Commission on other matters) and the Dealer has no obligation to the Commission with respect to the transactions contemplated hereby except the obligations expressly set forth in this Agreement; (iv) the Dealer and the Commission have different financial interests; and (v) the Commission has consulted its own legal, financial and other advisors to the extent it has deemed appropriate.

(b) The Commission acknowledges that [Dealer] may not be able to perform some of the services the Commission may request of [Dealer] from time to time in connection with [Dealer]'s engagement as Dealer to the extent that such services would cause [Dealer] to be considered a "municipal advisor" under SEC Rel. The Dealer shall comply fully with and be bound by all of the provisions that apply to this Agreement under such Chapters of the San Francisco Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, the Dealer understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Agreement may be assessed against the Dealer and/or deducted from any payments due the Dealer; *provided, however*, that such damages shall not be set off against the payment of rental or other contract related to Commercial Paper Notes or other debt obligations of the City.

(c) *Limitations on Contributions.* Through execution of this Agreement, the Dealer acknowledges that it is familiar with Section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City, including the Commission, for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (A) an individual holding a City elective office if the contract must be approved by the individual, a board on which that individual serves, or a board on which an appointee of that individual serves, (B) a candidate for the office held by such individual, or (C) a committee controlled by such individual, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. The Dealer acknowledges that the foregoing restriction applies only if the contract or combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. The Dealer further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of the Dealer's board of directors; the Dealer's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in the Dealer; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by the Dealer. Additionally, the Dealer acknowledges that the Dealer must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126 of the City's Campaign and Governmental Conduct Code.

(d) *MacBride Principles - Northern Ireland.* Pursuant to San Francisco Administrative Code Section 12F.5, the City urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this Agreement on behalf of the Dealer acknowledges and agrees that he or she has read and understood this section.

(e) *Conflict of Interest.* Through its execution of this Agreement, the Dealer hereby acknowledges that it is familiar with the provision of Section 15.103 of the City's Charter,

Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and Section 87100 *et seq.* and Section 1090 *et seq.* of the Government Code of the State of California, and certifies that it does not know of any facts which constitutes a violation of said provisions and agrees that it will immediately notify the City if it becomes aware of any such fact during the term of this Agreement.

(f) *Earned Income Credit ("EIC") Forms.* San Francisco Administrative Code section 12O requires that employers provide their employees with IRS Form W-5 (The Earned Income Credit Advance Payment Certificate) and the IRS EIC Schedule, as set forth below. Employers can locate these forms at the IRS Office, on the Internet, or anywhere that Federal Tax Forms can be found.

(i) The Dealer shall provide EIC Forms to each Eligible Employee at each of the following times: (A) within thirty days following the date on which this Agreement becomes effective (unless the Dealer has already provided such EIC Forms at least once during the calendar year in which such effective date falls); (B) promptly after any Eligible Employee is hired by the Dealer; and (C) annually between January 1 and January 31 of each calendar year during the term of this Agreement.

(ii) Failure to comply with any requirement contained in the immediately preceding paragraph shall constitute a material breach by the Dealer of the terms of this Agreement. If, within thirty days after the Dealer receives written notice of such a breach, the Dealer fails to cure such breach or, if such breach cannot reasonably be cured within such period of thirty days, the Dealer fails to commence efforts to cure within such period or thereafter fails to diligently pursue such cure to completion, the City may pursue any rights or remedies available under this Agreement or under applicable law.

(iii) Any subcontract entered into by the Dealer shall require the subcontractor to comply, as to the subcontractor's Eligible Employees, with each of the terms of this Section.

(iv) Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Section 12O of the San Francisco Administrative Code.

(g) *Local Business Enterprise Utilization; Liquidated Damages.*

(i) *The LBE Ordinance.* The Dealer shall comply with all the requirements of the Disadvantaged Business Enterprise Ordinance set forth in Chapter 14B of the San Francisco Administrative Code as it now exists or as it may be amended in the future (collectively the "LBE Ordinance"), provided such amendments do not materially increase the Dealer's obligations or liabilities, or materially diminish the Dealer's rights, under this Agreement. Such provisions of the LBE Ordinance are incorporated by reference and made a part of this Agreement as though fully set forth in this section. The Dealer's willful failure to comply with any applicable provisions of the LBE Ordinance is a material breach of the Dealer's obligations under this Agreement and shall entitle City,

subject to any applicable notice and cure provisions set forth in this Agreement, to exercise any of the remedies provided for under this Agreement, under the LBE Ordinance or otherwise available at law or in equity, which remedies shall be cumulative unless this Agreement expressly provides that any remedy is exclusive. In addition, the Dealer shall comply fully with all other applicable local, state and federal laws prohibiting discrimination and requiring equal opportunity in contracting, including subcontracting.

(ii) *Compliance and Enforcement.* If the Dealer willfully fails to comply with any of the provisions of the LBE Ordinance, the rules and regulations implementing the LBE Ordinance, or the provisions of this Agreement pertaining to LBE participation, the Dealer shall be liable for liquidated damages in an amount equal to the Dealer's net profit on this Agreement, or 10% of the total amount of this Agreement, or \$1,000, whichever is greatest. The Director of the City's Human Rights Commission or any other public official authorized to enforce the LBE Ordinance (separately and collectively, the "Director of HRC") may also impose other sanctions against the Dealer authorized in the LBE Ordinance, including declaring the Dealer to be irresponsible and ineligible to contract with the City for a period of up to five years or revocation of the Dealer's LBE certification. The Director of HRC will determine the sanctions to be imposed, including the amount of liquidated damages, after investigation pursuant to the San Francisco Administrative Code Section 14B.17.

By entering into this Agreement, the Dealer acknowledges and agrees that any liquidated damages assessed by the Director of the HRC shall be payable to City upon demand. The Dealer further acknowledges and agrees that any liquidated damages assessed may be withheld from any monies due to the Dealer on any contract with City.

The Dealer agrees to maintain records necessary for monitoring its compliance with the LBE Ordinance for a period of three years following termination or expiration of this Agreement, and shall make such records available for audit and inspection by the Director of HRC or the Controller upon request.

(h) *Drug-Free Workplace Policy.* The Dealer acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on Commission or City premises. The Dealer agrees that any violation of this prohibition by the Dealer, its employees, agents or assigns will be deemed a material breach of this Agreement.

(i) *Compliance with Americans with Disabilities Act.* The Dealer acknowledges that, pursuant to the Americans with Disabilities Act ("ADA"), programs, services and other activities provided by a public entity to the public, whether directly or through a contractor, must be accessible to the disabled public. The Dealer shall provide the services specified in this Agreement in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation. The Dealer agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Agreement and

further agrees that any violation of this prohibition on the part of the Dealer, its employees, agents or assigns will constitute a material breach of this Agreement.

(j) *Sunshine Ordinance.* In accordance with San Francisco Administrative Code Section 67.24(e), contracts, contractors' bids, responses to solicitations and all other records of communications between the Commission or the City and persons or firms seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

(k) *Requiring Minimum Compensation for Covered Employees.*

(i) The Dealer agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance ("MCO"), as set forth in San Francisco Administrative Code Chapter 12P ("Chapter 12P"), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of the Dealer's obligations under the MCO is set forth in this Section. The Dealer is required to comply with all the provisions of the MCO, irrespective of this listing of obligations in this Section.

(ii) The MCO requires the Dealer to pay the Dealer's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and the Dealer is obligated to keep informed of the then-current requirements. Any subcontract entered into by the Dealer shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is the Dealer's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against the Dealer.

(iii) The Dealer shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

(iv) The Dealer shall maintain employee and payroll records as required by the MCO. If the Dealer fails to do so, it shall be presumed that the Dealer paid no more than the minimum wage required under State law.

(v) The City is authorized to inspect the Dealer's job sites and conduct interviews with employees and conduct audits of the Dealer.

(vi) The Dealer's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Dealer fails to comply with these requirements. The Dealer agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for the Dealer's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

(vii) The Dealer understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, the Dealer fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, the Dealer fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(viii) The Dealer represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

(ix) The City may conduct random audits of the Dealer. Random audits shall be (A) noticed in advance in writing; (B) limited to ascertaining whether Covered Employees are paid at least the minimum compensation required by the MCO; (C) accomplished through an examination of pertinent records at a mutually agreed upon time and location within ten days of the written notice; and (D) limited to one audit of the Dealer every two years for the duration of this Agreement. Nothing in this Agreement is intended to preclude the City from investigating any report of an alleged violation of the MCO.

(l) *Requiring Health Benefits for Covered Employees.* Unless exempt, the Dealer agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance ("HCAO"), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated herein by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at <http://www.sfgov.org/lwlh.htm>. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

(i) For each Covered Employee, the Dealer shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If the Dealer chooses to offer the

health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(ii) Notwithstanding the above, if the Dealer is a small business as defined in Section 12Q.3(d) of the HCAO, it shall have no obligation to comply with part (i) above.

(iii) The Dealer's failure to comply with the HCAO shall constitute a material breach of this Agreement. The City shall notify the Dealer if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Agreement for violating the HCAO, the Dealer fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, the Dealer fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in Section 12Q.5(f)(1-5). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.

(iv) Any subcontract entered into by the Dealer shall require the subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. The Dealer shall notify City's Office of Contract Administration when it enters into such a subcontract and shall certify to the Office of Contract Administration that it has notified the subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on subcontractor through the subcontract. The Dealer shall be responsible for its subcontractors' compliance with this Chapter. If a subcontractor fails to comply, the City may pursue the remedies set forth in this Section against the Dealer based on the subcontractor's failure to comply, provided that City has first provided the Dealer with notice and an opportunity to obtain a cure of the violation.

(v) The Dealer shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to the Dealer's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(vi) The Dealer represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(vii) The Dealer shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.

(viii) The Dealer shall keep itself informed of the current requirements of the HCAO.

(ix) The Dealer shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on subcontractors and subtenants, as applicable.

(x) The Dealer shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.

(xi) The Dealer shall allow City to inspect the Dealer's job sites and have access to the Dealer's employees in order to monitor and determine compliance with HCAO.

(xii) The City may conduct random audits of the Dealer to ascertain its compliance with HCAO. The Dealer agrees to cooperate with City when it conducts such audits.

(xiii) If the Dealer is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but the Dealer later enters into an agreement or agreements that cause the Dealer's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Dealer and the City to be equal to or greater than \$75,000 in the fiscal year.

(m) *Prohibition on Political Activity with City Funds.* In accordance with San Francisco Administrative Code Chapter 12.G, the Dealer may not participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure (collectively, "Political Activity") in the performance of the services provided under this Agreement. The Dealer agrees to comply with San Francisco Administrative Code Chapter 12.G and any implementing rules and regulations promulgated by the City's Controller. The terms and provisions of Chapter 12.G are incorporated herein by this reference. In the event the Dealer violates the provisions of this section, the City may, in addition to any other rights or remedies available hereunder, (i) terminate this Agreement, and (ii) prohibit the Dealer from bidding on or receiving any new City contract for a period of two (2) years. The Controller will not consider the Dealer's use of profit as a violation of this section.

(n) *Graffiti Removal.* Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and its residents, and to prevent the further spread of graffiti.

The Dealer shall remove all graffiti from any real property owned or leased by such Dealer in the City and County of San Francisco within forty eight (48) hours of the earlier of such Dealer's (i) discovery or notification of the graffiti or (ii) receipt of notification of the graffiti from the Department of Public Works. This Section is not intended to require any Dealer to breach any lease or other agreement that it may have concerning its use of the real property. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" shall not include: (A) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (B) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. Section 101 et seq.).

Any failure of the Dealer to comply with this Section of this Agreement shall constitute a material breach of this Agreement.

(o) *Food Service Waste Reduction Requirements.* The Dealer agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Agreement as though fully set forth. This provision is a material term of this Agreement. By entering into this Agreement, the Dealer agrees that if it breaches this provision, the City will suffer actual damages that will be impractical or extremely difficult to determine; further, the Dealer agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for the second breach in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that the City will incur based on the violation, established in light of the circumstances existing at the time this Agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by the City because of such Dealer's failure to comply with this provision.

(p) *Preservative-treated Wood Containing Arsenic.* The Dealer may not purchase preservative-treated wood products containing arsenic in the performance of this Agreement unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of the Environment under Section 1304 of the Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. The Dealer may purchase preservative-treated wood products on the list of environmentally preferable alternatives

prepared and adopted by the Department of the Environment. This provision does not preclude the Dealer from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

(q) *Nondisclosure of Private Information.* The Dealer agrees to comply fully with and be bound by all of the provisions of Chapter 12M of the San Francisco Administrative Code (the "*Nondisclosure of Private information Ordinance*"), including the remedies provided. The provisions of the Nondisclosure of Private Information Ordinance are incorporated herein by reference and made a part of this Agreement as though fully set forth. Capitalized terms used in this section and not defined in this Agreement shall have the meanings assigned to such terms in the Nondisclosure of Private Information Ordinance. Consistent with the requirements of the Nondisclosure of Private Information Ordinance, the Dealer agrees to all of the following:

(i) Neither the Dealer nor any of its Subcontractors shall disclose Private Information obtained from the City in the performance of this Agreement to any other Subcontractor, person, or other entity, unless one of the following is true:

(1) the disclosure is authorized by this Agreement;

(2) the Dealer received advance written approval from the Contracting Department to disclose the information; or

(3) the disclosure is required by law or judicial order.

(ii) Any disclosure or use of Private Information authorized by this Agreement shall be in accordance with any conditions or restrictions stated in this Agreement. Any disclosure or use of Private Information authorized by a Contracting Department shall be in accordance with any conditions or restrictions stated in the approval.

(iii) Private Information shall mean any information that: (1) could be used to identify an individual, including without limitation, name, address, social security number, medical information, financial information, date and location of birth, and names of relatives; or (2) the law forbids any person from disclosing.

(iv) Any failure of the Dealer to comply with the Nondisclosure of Private Information Ordinance shall be a material breach of this Agreement. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate this Agreement, debar the Dealer, or bring a false claim action against the Dealer.

(r) *Proprietary or Confidential Information of City.* The Dealer agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority, (c) to the

extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or the enforcement of rights hereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the City and its obligations, (g) with the consent of the City or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Dealer on a nonconfidential basis from a source other than the City. For the purposes of this Section, "Information" means all information received from the City relating to the City or its business, other than any such information that is available to the Dealer on a nonconfidential basis prior to disclosure by the City; *provided* that, in the case of information received from the City after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

(s) *Submitting False Claims; Monetary Penalties.* Pursuant to San Francisco Administrative Code Section 21.35, any contractor, subcontractor or consultant who submits a false claim shall be liable to the City for three times the amount of damages which the City sustains because of the false claim. A contractor, subcontractor or consultant who submits a false claim shall also be liable to the City for the costs, including attorneys' fees, of a civil action brought to recover any of those penalties or damages, and may be liable to the City for a civil penalty of up to \$10,000 for each false claim. A contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the contractor, subcontractor or consultant: (i) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (ii) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (iii) conspires to defraud the City by getting a false claim allowed or paid by the City; (iv) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (v) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

(t) *Subcontracting.* Except as otherwise provided in this Agreement, the Dealer is prohibited from subcontracting this Agreement or any part of it unless such subcontracting is first approved by City in writing. Neither party shall, on the basis of this Agreement, contract on behalf of or in the name of the other party. An agreement made in violation of this provision shall confer no rights on any party and shall be null and void.

(u) *Non-Waiver of Rights.* The omission by either party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants, or provisions hereof by the other party at the time designated, shall not be a waiver of any such

default or right to which the party is entitled, nor shall it in any way affect the right of the party to enforce such provisions thereafter.

(v) *City a Third Party Beneficiary.* The City is hereby designated as a third party beneficiary for the purpose of enforcing all of the obligations of the Dealer contained in this Exhibit A to this Agreement.

Section 1.03. Agreement to Constitute Contract. In consideration of the purchase and acceptance of any or all of the Commercial Paper Notes by those who shall own the same from time to time, the provisions of this Agreement shall be part of the contract of the Commission with Holders of the Commercial Paper Notes, and shall be deemed to be and shall constitute contracts between the Commission, the Issuing and Paying Agent and the Holders from time to time of the Commercial Paper Notes.

ARTICLE II

GENERAL AUTHORIZATION AND ISSUANCE; THE COMMERCIAL PAPER NOTES

Section 2.01. Authorized Amount of Commercial Paper Notes; Terms and Description of Commercial Paper Notes.

(a) No Commercial Paper Notes may be issued under the provisions of this Agreement except in accordance with this Article II.

(b) The Commission hereby authorizes the issuance of its "Public Utilities Commission of the City and County of San Francisco Commercial Paper Notes (Power Series) Series A-1" (the "Commercial Paper Notes") in order to provide interim financing for the Cost of any Power Enterprise Projects, subject to the provisions of this Section 2.01 and as hereinafter provided. The Commercial Paper Notes shall be issued from time to time as provided herein to finance and refinance the Cost of Power Enterprise Projects. Proceeds of Commercial Paper Notes issued to refinance other Commercial Paper Notes may be used to pay or reimburse the Bank for Unpaid Drawings or Advances used to pay principal or interest due on such maturing Commercial Paper Notes. The authorization hereunder specifically includes the authorization to issue and reissue Commercial Paper Notes for the purposes contemplated herein. The aggregate principal amount of Commercial Paper Notes that may be Outstanding at any one time hereunder shall not at any time exceed the lesser of (a) \$90,000,000 or (b) the Principal Portion then available under the Letter of Credit. At no time shall the aggregate amount of interest payable on the Outstanding Commercial Paper Notes exceed the Interest Portion then available under the Letter of Credit.

(c) The Commercial Paper Notes shall be dated the date of their respective authentication and issuance; shall be issued in bearer or registered form, as shall be determined by the General Manager of the Commission, shall be issued in denominations of \$100,000 and in integral multiples of \$1,000 in excess thereof; and interest on the Commercial Paper Notes shall be separately stated by rate and amount on the face of each Commercial Paper Note. Commercial Paper Notes shall bear interest from their respective dates, payable on their respective maturity dates.

(d) The Commercial Paper Notes (i) shall bear interest payable at maturity at an annual rate (calculated on the basis of the actual number of days elapsed and a year consisting of 365 or 366 days, as applicable), which shall not in any event exceed the Maximum Interest Rate (ii) shall mature on a Business Day not more than 270 days after their respective dates, but in no event later than the Business Day immediately preceding the Termination Date, and (iii) shall be sold by a Dealer pursuant to a Dealer Agreement at a price of not less than 100% of the principal amount thereof. The stated interest rate, maturity date and other terms of each Commercial Paper Note, so long as not inconsistent with the terms of this Agreement, shall be as set forth in the Issuance Request required by Section 2.06 hereof directing the issuance of such Commercial Paper Note.

(e) The Commercial Paper Notes shall not be subject to redemption prior to maturity.

(f) The Commercial Paper Notes shall be numbered in such manner as the Issuing and Paying Agent may deem appropriate.

Section 2.02. Payment. The Commission covenants to duly and punctually pay or cause to be paid from proceeds of Drawings made on the Letter of Credit in accordance with this Agreement, the principal of and interest on each and every Commercial Paper Note when due, whether at maturity or because the Issuing and Paying Agent has received a Final Drawing Notice. The Issuing and Paying Agent is authorized and directed to use amounts paid by the Commission to reimburse the Bank for each Unpaid Drawing made on the Letter of Credit in accordance with Section 3.04 hereof and Advances under the Reimbursement Agreement. The principal of and interest on the Commercial Paper Notes shall be paid in federal or other immediately available funds in such coin or currency of the United States of America as, at the respective times of payment, is legal tender for the payment of public and private debts. To the extent Drawings made on the Letter of Credit for the purpose of paying principal of and interest on maturing Commercial Paper Notes, or on Commercial Paper Notes with respect to which the Issuing and Paying Agent has received a Final Drawing Notice, together with Note Proceeds from Commercial Paper Notes issued on such date, are insufficient to pay principal of and interest on maturing Commercial Paper Notes, or on Commercial Paper Notes with respect to which the Issuing and Paying Agent has received a Final Drawing Notice, the Issuing and Paying Agent shall immediately notify the General Manager of the Commission who shall cause the Commission to make all payments of interest and principal directly to the Issuing and Paying Agent in immediately available funds on or prior to 12:00 p.m., New York City time, on the date payment is due on any Commercial Paper Note, whether at maturity or because the Issuing and Paying Agent has received a Final Drawing Notice.

The principal of and the interest on the Commercial Paper Notes shall be payable at the Principal Office of the Issuing and Paying Agent on or before the close of business on any Business Day upon which such Commercial Paper Notes have become due and payable, whether at maturity or because the Issuing and Paying Agent has received a Final Drawing Notice, provided that such Commercial Paper Notes are presented and surrendered on a timely basis. Upon presentation of such a Commercial Paper Note to the Issuing and Paying Agent no later than 9:00 a.m. (New York City time) on a Business Day, payment for such Commercial Paper Note shall be made by the Issuing and Paying Agent in immediately available funds on such Business Day. If a Commercial Paper Note is presented for payment after 9:00 a.m. (New York City time) on a Business Day, payment therefor may be made by the Issuing and Paying Agent on the next succeeding Business Day without the accrual of additional interest thereon.

Notwithstanding the provisions of the previous paragraph, in the event the Commercial Paper Notes are issued as a master note or master notes in book-entry form, they shall be payable at maturity without physical presentation or surrender in accordance with the procedures of the Note Depository.

Section 2.03. Authentication of Commercial Paper Notes. The Issuing and Paying Agent is by this Agreement designated by the Commission as an Authenticating Agent, Registrar and Paying Agent for the Commercial Paper Notes and shall perform such duties in such capacity in accordance with the terms of this Agreement; provided however, the Issuing and Paying Agent when acting hereunder as the Authenticating Agent, Registrar or Paying Agent

shall be afforded the same protections provided to the Issuing and Paying Agent hereunder as if each such provision affording protection to the Issuing and Paying Agent explicitly referred to the Authenticating Agent, Registrar and Paying Agent. Notwithstanding anything herein to the contrary, the Issuing and Paying Agent shall not (i) authenticate Commercial Paper Notes which mature later than the Business Day immediately preceding the Termination Date, (ii) authenticate Commercial Paper Notes if (a) an Event of Default then exists of which it has actual knowledge or (b) after the Issuing and Paying Agent has received a No-Issuance Notice or a Final Drawing Notice, which No-Issuance Notice or Final Drawing Notice has not been withdrawn or rescinded by the Bank.

If any Commercial Paper Notes are to be issued in bearer form, the Commission shall from time to time furnish the Issuing and Paying Agent with an adequate supply of Commercial Paper Notes, each of which shall have attached such number of carbon copies as the Issuing and Paying Agent shall reasonably specify. When any Commercial Paper Notes are delivered to the Issuing and Paying Agent by the Commission, the Issuing and Paying Agent shall execute and deliver to the Commission a receipt therefor and shall hold such Commercial Paper Notes for the account of the Commission in safekeeping in accordance with its customary practice.

Section 2.04. Form of Commercial Paper Notes and Authentication Certificate. The definitive Commercial Paper Notes and the Certificate of Authentication endorsed thereon shall be substantially in the forms set forth in Exhibit A hereto and made a part hereof, with such appropriate variations, omissions and insertions as shall be required or appropriate in order to accomplish the purpose of the transactions authorized by this Agreement.

The Commercial Paper Notes may have endorsed thereon such legends or text as may be necessary or appropriate to conform to any applicable rules and regulations of any governmental authority or any usage or requirement of law or regulation with respect thereto.

Section 2.05. Book-Entry System. Unless the General Manager of the Commission or his or her designee determines that the Commercial Paper Notes shall be issued in bearer form or registered form other than in book-entry form, the Commercial Paper Notes shall initially be issued in book-entry form as further provided in this Section 2.05.

(a) The Commercial Paper Notes issued pursuant to this Agreement shall initially be issued in the form of a separate single fully-registered Note. Except as provided in subsection (c) of this Section 2.05, all of the Commercial Paper Notes shall be registered in the name of the Nominee. Notwithstanding any provision to the contrary in Section 2.06, so long as the Commercial Paper Notes remain in the form of one or more master notes in book-entry form, the issuance of Notes pursuant to an Issuance Request against payment therefor shall not require the physical delivery of note certificates.

The Issuing and Paying Agent and the Commission may treat the registered owner of each Commercial Paper Note as the sole and exclusive owner thereof for the purposes of payment of the principal of or interest on the Commercial Paper Notes, giving any notice permitted or required to be given to Commercial Paper Noteholders under this Agreement, registering the transfer of Commercial Paper Notes, obtaining any consent or other action to be

taken by Commercial Paper Noteholders, and for all other purposes whatsoever, and neither the Issuing and Paying Agent nor the Commission shall be affected by any notice to the contrary.

Neither the Issuing and Paying Agent nor the Commission shall have any responsibility or obligation to any participant in the Note Depository (a "Participant"), any person claiming a beneficial ownership interest in the Commercial Paper Notes under or through the Note Depository or any Participant, or any other person who is not shown on the registration books as being a Commercial Paper Noteholder, with respect to (i) the accuracy of any records maintained by the Note Depository or any Participant; (ii) the payment by the Note Depository or any Participant of any amount in respect of the principal of or interest on the Commercial Paper Notes; (iii) the delivery of any notice which is permitted or required to be given to Commercial Paper Noteholders under this Agreement; (iv) any consent given or other action taken by the Note Depository as Commercial Paper Noteholder; or (v) any other purpose.

The Issuing and Paying Agent shall pay all principal of and interest on the Commercial Paper Notes only to or upon the order of the Note Depository, and all such payments shall be valid and effective to fully satisfy and discharge the Commission's obligations with respect to the payment of the principal of and interest on the Commercial Paper Notes to the extent of the sum or sums so paid. Upon delivery by the Note Depository to the Issuing and Paying Agent of written notice to the effect that the Note Depository has determined to substitute a new Nominee in place of the current Nominee, and subject to the provisions herein with respect to record dates, the word Nominee in this Article II shall refer to such new Nominee.

(b) In order to qualify the Commercial Paper Notes for the Note Depository's Book-Entry System, the appropriate officers or employees of the Commission are hereby authorized and directed to execute, seal, countersign and deliver, with a copy to the Issuing and Paying Agent, on behalf of the Commission to the Note Depository for the Commercial Paper Notes, a Letter of Representation from the Commission representing such matters as shall be necessary to so qualify the Commercial Paper Notes. The execution and delivery of the Letter of Representation shall not in any way limit the provisions of this Section 2.05 or in any other way impose upon the Commission any obligation whatsoever with respect to persons having beneficial ownership interests in the Commercial Paper Notes other than the Commercial Paper Noteholders.

(c) In the event (i) the Note Depository determines not to continue to act as securities depository for Commercial Paper Notes, or (ii) the Commission determines that the Note Depository shall no longer so act and delivers a written certificate to the Issuing and Paying Agent to that effect, then the Commission will discontinue the Book-Entry System with the Note Depository for such Commercial Paper Notes. If the Commission determines to replace the Note Depository for the Commercial Paper Notes with another qualified securities depository, the Commission shall prepare or direct the preparation of a new, single, separate, fully registered Commercial Paper Note for such Commercial Paper Notes registered in the name of such successor or substitute qualified Note Depository or its Nominee, or make such other arrangements acceptable to the Issuing and Paying Agent and such successor or substitute Note Depository as are not inconsistent with the terms of this Agreement. If the Commission fails to identify another qualified Note Depository to replace the incumbent Note Depository for the Commercial Paper Notes, then such Commercial Paper Notes shall no longer be restricted to

being registered in the bond registration books in the name of the incumbent Note Depository or its Nominee, but shall be registered in whatever name or names the incumbent Note Depository or its Nominee transferring or exchanging such Commercial Paper Notes shall designate.

(d) Notwithstanding any provision of this Agreement to the contrary, so long as the Commercial Paper Notes are registered in the name of the Nominee, all payments with respect to principal of and interest on the Commercial Paper Notes and all notices with respect to the Commercial Paper Notes shall be made and given, respectively, as provided in the Letter of Representation or as otherwise instructed by the Note Depository.

(e) The initial Note Depository with respect to the Commercial Paper Notes shall be the Depository Trust Company ("DTC"). The initial Nominee with respect to the Commercial Paper Notes shall be CEDE & CO., as nominee of DTC.

Section 2.06. Conditions Precedent to Delivery of Commercial Paper Notes.

(a) Prior to the issuance of the first Commercial Paper Notes hereunder, Commercial Paper Notes shall be executed by manual or facsimile signature of the General Manager of the Commission and countersigned by the Secretary of the Commission on behalf of the Commission and delivered to the Issuing and Paying Agent, who shall hold such Commercial Paper Notes unauthenticated in safekeeping for the Commission. Subject to the provisions of Sections 2.01 and 2.05 hereof and paragraphs (a), (b), (c) and (d) of this Section 2.06, at any time and from time to time prior to the Termination Date, Commercial Paper Notes shall be manually authenticated and delivered by the Issuing and Paying Agent for the consideration and in the manner hereinafter provided, but only upon receipt by the Issuing and Paying Agent of an Issuance Request in the form attached hereto as Exhibit D or upon oral receipt by the Issuing and Paying Agent of information as set forth in Exhibit D, no later than 10:00 a.m. (New York City time) on the Business Day on which Commercial Paper Notes are to be delivered, directing the Issuing and Paying Agent to authenticate the Commercial Paper Notes referred to therein and to deliver the same to or upon the order of a Dealer. Each Issuance Request shall include: (i) the designation of each Commercial Paper Note to be delivered; (ii) the principal amount and date of each Commercial Paper Note then to be delivered; (iii) the rate and amount of interest thereon; (iv) the maturity date thereof; and (v) if the Commercial Paper Notes are sold at a premium, the purchase price of the Commercial Paper Notes. Any such Issuance Request shall be accompanied by an acknowledgment from the Director of Public Finance, or his or her designee, approving of said Issuance Request. No later than 12:30 p.m. (New York City time) on each Business Day on which the Commission proposes to issue Commercial Paper Notes, each Dealer shall report to the Commission each transaction made with or arranged by it or shall notify the Commission and the Issuing and Paying Agent of the difference, if any, between the amount of maturing Notes and the amount of Notes which such Dealer has arranged to sell or has agreed in its sole discretion to purchase.

Subject to the provisions of Sections 2.01 and 2.05 hereof and paragraphs (a), (b), (c) and (d) of this Section 2.06, upon receipt of such Issuance Request (which may be (a) mailed, (b) telephoned, (c) transmitted through an electronic instruction and reporting communication service offered by the issuing and paying agent, and/or (d) transmitted by facsimile device to the Issuing and Paying Agent), the Issuing and Paying Agent shall, by 2:15 p.m. (New York City

time) on such day, complete each Commercial Paper Note then to be delivered as to amount, date, maturity date, interest rate and interest amount specified in such Issuance Request, and deliver each such Commercial Paper Note to or upon the order of the requesting Dealer upon receipt of payment therefor; provided, however, that no such Commercial Paper Notes shall be delivered by the Issuing and Paying Agent if such delivery would result in the aggregate principal amount of Commercial Paper Notes Outstanding being in excess of (i) \$90,000,000 or (ii) the Principal Portion then available under the Letter of Credit, or would result in the aggregate amount of interest payable on the Commercial Paper Notes to exceed the Interest Portion then available under the Letter of Credit. Notwithstanding any provision herein to the contrary, no such Commercial Paper Notes shall be delivered by the Issuing and Paying Agent if (A) it shall have received notice from a Designated Representative directing the Issuing and Paying Agent to cease authenticating and delivering Commercial Paper Notes until such time as such direction is withdrawn by similar notice, (B) it shall have actual knowledge that an Event of Default shall have occurred and be continuing, (C) it shall have received notice from Bond Counsel that their opinion regarding the exclusion of interest on the Commercial Paper Notes from gross income for federal income tax purposes thereof is being withdrawn, (D) the maturity date of such Commercial Paper Notes would extend beyond the Business Day immediately preceding the Stated Expiration Date of the Letter of Credit or (E) the Issuing and Paying Agent shall have received a No-Issuance Notice or a Final Drawing Notice. If an Issuance Request is received after 10:00 a.m. (New York City time) on a given day, the Issuing and Paying Agent shall not be obligated to deliver the requested Commercial Paper Notes until the next succeeding Business Day.

A copy of each Commercial Paper Note authenticated in bearer form by the Issuing and Paying Agent shall be promptly mailed by U.S. mail, first class, postage prepaid, to the Commission by the Issuing and Paying Agent. The Issuing and Paying Agent shall furnish the Commission with such additional information with respect to the carrying out of its duties hereunder as the Commission from time to time shall reasonably request.

(b) In addition to the Issuance Request described above in this Section 2.06, and as a further condition to the issuance of any Commercial Paper Notes, the Designated Representative shall certify to the Issuing and Paying Agent that, as of the date of delivery of such Commercial Paper Notes, (i) the Letter of Credit is in full force and effect; (ii) after the issuance of such Commercial Paper Notes and the application of the proceeds thereof, the aggregate principal amount of Commercial Paper Notes Outstanding will not exceed the amount that at the time is authorized to be Outstanding as provided in Section 2.01(b) hereof; (iii) the interest rates borne by the Commercial Paper Notes to be delivered on such date do not exceed the lesser of the Maximum Interest Rate or the rate used in calculating the applicable Interest Portion of the Letter of Credit; (iv) the facts, estimates, circumstances and representations set forth or made (as the case may be) in the Tax Certificate continue to exist and are reaffirmed on such date; (v) the terms of the Commercial Paper Notes do not exceed 270 days and the maturity dates of such Commercial Paper Notes set forth in the Issuance Request do not extend beyond the Business Day immediately preceding the Stated Expiration Date of the Letter of Credit or the latest maturity date allowed by the Ordinances; (vi) the Commission has not been notified by Bond Counsel that their opinion with respect to the validity of the Commercial Paper Notes and the tax treatment of the interest on the Commercial Paper Notes delivered prior to the initial issuance of the Commercial Paper Notes has been revised or withdrawn or, if any such revisions or

withdrawal has occurred, the revised opinion or a substitute opinion acceptable to the Dealers has been delivered; (vii) no Event of Default has occurred and is then continuing; (viii) all of the conditions precedent to the issuance of such Commercial Paper Notes, including the consent of the Director of Public Finance to the delivery of such Issuance Request, set forth in this Section 2.06 have been satisfied and (ix) it has not received a No-Issuance Notice or Final Drawing Notice from the Bank.

The delivery of any Issuance Request to the Issuing and Paying Agent by a Designated Representative in the manner provided in this Section 2.06 shall constitute the certification and representation of the Commission as of the date of such Issuance Request as to the matters set forth in the immediately preceding paragraph.

(c) Any Issuance Request made by telephone pursuant to this Section 2.06 may be recorded by the Issuing and Paying Agent and confirmed promptly in writing by a Designated Representative; *provided, however*, that the failure so to confirm any such Issuance Request, or any conflict between any such recorded oral Issuance Request and the written confirmation thereof, shall not affect the validity of any recorded oral Issuance Request received by the Issuing and Paying Agent as provided herein. If the Issuing and Paying Agent does not record an oral Issuance Request, and a conflict exists between such oral Issuance Request and the written confirmation thereof, the terms of the written confirmation shall control.

(d) Prior to the initial delivery of the Commercial Paper Notes under this Agreement and as a condition to such initial issuance, the Commission shall be notified by the Issuing and Paying Agent that the Issuing and Paying Agent has received:

(i) The fully executed Reimbursement Agreement;

(ii) The executed Letter of Credit;

(iii) The opinions of the United States counsel (and foreign counsel if the Bank is a United States branch or agency of a bank organized under the laws of a country other than the United States) to the Bank, addressed to the Commission, the City and the Issuing and Paying Agent, to the effect that the Letter of Credit is a valid and binding obligation of the Bank, enforceable in accordance with its terms; and

(iv) Fully executed counterparts of the Dealer Agreements.

Section 2.07. Commercial Paper Notes. The Commission and the Issuing and Paying Agent may deem and treat the bearer of Commercial Paper Notes in bearer form or the registered owner of Commercial Paper Notes in registered form as the absolute owner thereof (whether or not such Commercial Paper Note shall be overdue and notwithstanding any notation of ownership or other writing thereon made by anyone other than the Issuing and Paying Agent), for the purpose of receiving payment thereof or on account thereof and for all other purposes, and neither the Commission nor the Issuing and Paying Agent shall be affected by any notice to the contrary.

Section 2.08. Mutilated, Lost, Stolen or Destroyed Commercial Paper Notes. If any Commercial Paper Note shall become mutilated, the Commission, at the expense of the Holder

of such Commercial Paper Note, shall execute or cause to be executed, and the Issuing and Paying Agent shall thereupon authenticate and deliver a new Commercial Paper Note of like tenor bearing a different number in exchange and substitution for the Commercial Paper Note so mutilated, but only upon surrender to the Issuing and Paying Agent of the Commercial Paper Note so mutilated. If any Commercial Paper Note shall be lost, destroyed or stolen, evidence of the ownership thereof, and of such loss, destruction or theft may be submitted to the Commission and the Issuing and Paying Agent and, if such evidence be satisfactory to both and indemnity satisfactory to them shall be given, the Commission, at the expense of the Holder, shall execute, and the Issuing and Paying Agent shall thereupon authenticate and deliver a new Commercial Paper Note of like tenor and bearing a different number in lieu of and in substitution for Commercial Paper Note so lost, destroyed or stolen (or if any such Commercial Paper Note shall have matured or shall be about to mature, instead of issuing a substitute Commercial Paper Note, the Commission may direct the Issuing and Paying Agent to pay the same without surrender thereof). The Commission and Issuing and Paying Agent may require payment by the registered Holder of a Commercial Paper Note of a sum not exceeding the actual cost of preparing each new Commercial Paper Note executed and delivered pursuant to this paragraph and of the expenses which may be incurred by the Commission and the Issuing and Paying Agent. Any Commercial Paper Note executed and delivered under these provisions in lieu of any Commercial Paper Note alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the Commission whether or not Commercial Paper Note so alleged to be lost, destroyed or stolen shall be at any time enforceable by anyone, and shall be entitled to the benefits of this Agreement with all other Commercial Paper Notes secured by this Agreement.

Section 2.09. Surrender of Commercial Paper Notes. All Commercial Paper Notes surrendered for payment or registration of transfer, if surrendered to any person other than the Issuing and Paying Agent, shall be delivered to the Issuing and Paying Agent and shall be promptly cancelled by the Issuing and Paying Agent. The Commission may at any time deliver to the Issuing and Paying Agent for cancellation any Commercial Paper Notes previously authenticated and delivered hereunder which the Commission may have acquired in any manner whatsoever, and all Commercial Paper Notes so delivered shall promptly be cancelled by the Issuing and Paying Agent. No Commercial Paper Note shall be authenticated in lieu of or in exchange for any Commercial Paper Notes cancelled as provided herein, except as expressly permitted hereunder. All cancelled Commercial Paper Notes held by the Issuing and Paying Agent shall be disposed of as directed by the Commission.

Section 2.10. Execution and Authentication of Commercial Paper Notes. The Commercial Paper Notes shall be executed by and in the name of the Commission under this Agreement, by the signature of the President or the Vice President of the Commission attested by the Secretary of the Commission and shall be delivered to the Issuing and Paying Agent. Such signature shall be manually affixed to the Commercial Paper Notes, except that if the Commercial Paper Notes shall have been manually authenticated by the Issuing and Paying Agent, the signature of the President or the Vice President, and Secretary of the Commission may be a printed, lithographed or engraved facsimile thereof. The Issuing and Paying Agent is hereby authorized to cause the blank spaces in forms of Commercial Paper Notes attached hereto to be filled in as may be appropriate and to deliver the Commercial Paper Notes to the Dealers in accordance with the terms and provisions of the Dealer Agreements.

Section 2.11. Temporary Commercial Paper Notes.

(a) Until definitive Commercial Paper Notes are prepared, the Commission may execute and deliver, or, in the case of registered Commercial Paper Notes, upon request by the Commission, the Authenticating Agent shall authenticate and deliver, temporary Commercial Paper Notes that may be typewritten, printed or otherwise reproduced in lieu of definitive Commercial Paper Notes subject to the same provisions, limitations and conditions as definitive Commercial Paper Notes. The temporary Commercial Paper Notes shall be dated as provided herein, shall be in such denomination or denominations and shall be numbered as the Commission shall determine, and shall be of substantially the same tenor as the definitive Commercial Paper Notes, but with such omissions, insertions and variations as the officers of the Commission executing the same may determine. The temporary Commercial Paper Notes shall only be issued in fully registered form, and may be issued in the form of a single Commercial Paper Note.

(b) Without unreasonable delay after the issuance of any temporary Commercial Paper Notes, the Commission shall cause the definitive Commercial Paper Notes to be prepared, executed and delivered. Any temporary Commercial Paper Notes issued shall be exchangeable for definitive Commercial Paper Notes upon surrender to the Issuing and Paying Agent or, in the case of registered Commercial Paper Notes, to the Registrar of any such temporary Commercial Paper Note or Commercial Paper Notes, and, upon request by the Commission, the Authenticating Agent shall authenticate and deliver to the Holder of the temporary Commercial Paper Note or Commercial Paper Notes, in exchanges therefor, a like principal amount of definitive Commercial Paper Notes in authorized denominations of the same interest rate and maturity date. Until so exchanged the temporary Commercial Paper Notes shall in all respects be entitled to the same benefits as definitive Notes executed and delivered pursuant hereto.

(c) All temporary Commercial Paper Notes surrendered in exchange for a definitive Commercial Paper Note or Commercial Paper Notes shall forthwith be cancelled by the Issuing and Paying Agent or the Registrar.

Section 2.12. Non-Presentation of Commercial Paper Notes; Unclaimed Money.

(a) If any Commercial Paper Notes are not presented for payment when the principal thereof becomes due, all liability of the Commission to the Holder thereof for the payment of such Commercial Paper Notes shall be completely discharged if funds sufficient to pay such Commercial Paper Notes and the interest due thereon to the stated maturity date shall be held by the Issuing and Paying Agent for the benefit of such Holder, and thereupon it shall be the duty of the Issuing and Paying Agent to hold such funds subject to subsection (b) below, without liability for interest thereon, for the benefit of such Holder, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature under this Agreement or on, or with respect to, such Commercial Paper Note.

(b) Anything contained herein to the contrary notwithstanding, any money held by the Issuing and Paying Agent in trust for the payment and discharge of any Commercial Paper Notes which remains unclaimed for two (2) years after the date when the payments on such Commercial Paper Notes have become payable, if such money was held by the Issuing and

Paying Agent on such date, or for two (2) years after the date of deposit of such money if deposited with the Issuing and Paying Agent after the date when the principal of such Commercial Paper Notes have become payable, shall upon written notice from the Commission be repaid by the Issuing and Paying Agent to the Commission as its absolute property free from trust, and the Issuing and Paying Agent shall thereupon be released and discharged with respect thereto and the Holders shall look only to the Commission for the payment of the principal of such Commercial Paper Notes and the interest due thereon to the stated maturity date; provided that before being required to make any such payment to the Commission, the Issuing and Paying Agent shall, at the expense of the Commission, publish once in The Wall Street Journal a notice that such money remains unclaimed and that after a date named in such notice, which date shall not be less than sixty (60) days after the date of the earliest publication of such notice, the Issuing and Paying Agent shall promptly pay to the Bank so much of such money as the Bank certifies to the Issuing and Paying Agent, with notice to the Commission and the City, that the Commission owes to the Bank with respect to any Commercial Paper Note or under the Reimbursement Agreement or this Agreement, and the balance of such money then unclaimed will be returned to the Commission.

Section 2.13. Money Market Issuance System. The Commission understands that all instructions under this Agreement are to be directed to the Issuing and Paying Agent's Commercial Paper Operations Department. The Issuing and Paying Agent shall provide the Commission with access to the Issuing and Paying Agent's Money Market Issuance System or other electronic means (collectively, the "System") in order that the Issuing and Paying Agent may receive electronic instructions for the issuance of the Commercial Paper Notes. Electronic instructions will be subject to an acceptance of terms issued by the Issuing and Paying Agent if the Commission elects to use the Issuing and Paying Agent's internet-based communications program to access the System. Electronic instructions must be transmitted in accordance with the procedures furnished by the Issuing and Paying Agent to the Commission in connection with the System. These transmissions shall be the equivalent to the giving of a written Issuance Request to the Issuing and Paying Agent. If the System is inoperable at any time, the Designated Representatives may deliver written, telephone or facsimile instructions to the Issuing and Paying Agent, which instructions shall be verified in accordance with any security procedures agreed upon by the parties.

Section 3.02. Deposit of Proceeds of Commercial Paper Notes. Section 3.03. Application of Moneys in Construction Fund.

(a) Moneys in the Construction Fund shall be applied to the payment of the Cost of Power Enterprise Projects and to the payment of the administrative costs related to the Commercial Paper Notes, including but not limited to the fees and expenses of the Dealers, the Issuing and Paying Agent, the Rating Agencies, the Bank and any other attorneys, consultants or service providers, which administrative costs shall be paid by the Commission on or about the last day of March, June, September and December of each year.

(b) The General Manager of the Commission is hereby authorized to disburse from the Construction Account the amount required for the payment of the Cost of Power Enterprise Projects and administrative costs and is directed to make such disbursements upon receipt of a warrant drawn by the Controller.

Section 3.04. Deposits Into and Uses of the Debt Service Account and the Bank Payment Account.

(a) On or before 2:15 p.m., New York City time, on the maturity date of each Commercial Paper Note or on the date on which the Bank honors payment of a Drawing in connection with a Final Drawing Notice, the Commission shall deposit with the Issuing and Paying Agent in immediately available funds from amounts representing proceeds of sale of Commercial Paper Notes or from Available Power Enterprise Revenues (or borrowings secured thereby) for deposit in the Bank Payment Account, an amount sufficient, together with all other amounts available to the Issuing and Paying Agent in the Bank Payment Account which the Issuing and Paying Agent shall immediately apply to reimburse the Bank in full for the amounts to be drawn under the Letter of Credit to pay principal of and interest due on all Commercial Paper Notes on such maturity date or on the date on which the Bank honors payment of a Drawing in connection with a Final Drawing Notice and unreimbursed Advances under the Reimbursement Agreement. (b) Each Drawing received by the Issuing and Paying Agent as a result of a drawing under the Letter of Credit to pay the principal of and/or interest on maturing Commercial Paper Notes (including a Drawing in connection with a Final Drawing Notice) shall be deposited into the Debt Service Account and used solely to pay the principal of and interest on such maturing Commercial Paper Notes upon the proper presentment thereof.

(c) Moneys in the Debt Service Account and the Bank Payment Account shall not be invested.

(d) Any lien that the Issuing and Paying Agent may have on any proceeds received by it from Drawings under the Letter of Credit shall be expressly subordinate to the lien on such proceeds created for the benefit of the holders of the Commercial Paper Notes.

Section 3.05. Drawings Under the Letter of Credit. The Issuing and Paying Agent agrees to hold the Letter of Credit in trust for the benefit of the Holders, from time to time, of the Commercial Paper Notes. On or before each maturity date for any Commercial Paper Note, an authorized officer of the Issuing and Paying Agent shall present all required drawing certificates and accompanying documentation, if required, to the Bank and demand payment be made under the Letter of Credit on such maturity date at such time and in such amount not in excess of the Stated Amount so as to be timely and sufficient to pay the entire amount of principal and interest becoming due on all Commercial Paper Notes on such date; provided that, in each case any certificates of the Issuing and Paying Agent shall be signed by one who states therein that such person is a duly authorized officer of the Issuing and Paying Agent. Upon receipt of a Final Drawing Notice from the Bank, the Issuing and Paying Agent shall draw on the Letter of Credit no later than the second Business Day prior to the Termination Date after the receipt of such notice in an amount at least equal to the principal of and interest accrued and to accrue until the scheduled maturity date on all related outstanding Commercial Paper Notes.

The Issuing and Paying Agent shall not make any Drawing on the Letter of Credit for the purpose of paying any Commercial Paper Notes registered in the name of the Commission or the Bank or its nominee.

Section 3.06. Investments Authorized. Money held by the Issuing and Paying Agent in any fund or account hereunder shall be invested by the Issuing and Paying Agent in Qualified Investments pending application as provided herein solely at the written direction of a Designated Representative, shall be registered in the name of the Issuing and Paying Agent where applicable, as Issuing and Paying Agent, and shall be held by the Issuing and Paying Agent. Money held in any fund, account, or subaccount hereunder (other than the Rebate Fund) may be commingled for purposes of investment only; provided, however, that each fund, account, or subaccount held by the Issuing and Paying Agent hereunder shall be accounted for separately and provided, further, that moneys in the Debt Service Account and the Bank Payment Account shall not be invested.

Section 3.07. Moneys Remaining in Funds and Accounts. At any time there are no Commercial Paper Notes Outstanding or any Bank Notes Outstanding, the Commission may withdraw moneys from any Fund or Account established hereunder by written direction to the

Issuing and Paying Agent. Upon receipt of such a written request, the Issuing and Paying Agent shall deliver any amounts so specified to, or upon the order of, the Commission.

ARTICLE IV

THE BANK NOTES

Section 4.01. Authorization and Terms of Bank Notes.

(a) The Commission hereby authorizes the issuance of one or more series of its Bank Notes, subject to the provisions of this Section 4.01 and as hereinafter provided. Bank Notes shall be issued from time to time as provided herein in the event that any Drawing is not reimbursed on the same Business Day such Drawing is made or, if required by the Bank, shall be issued on the date the Letter of Credit is delivered to evidence the obligation of the Commission to repay any Unpaid Drawings. Any Bank Notes issued for the Bank shall be designated the "San Francisco Public Utilities Commission Bank Notes (Power Series) Bank of America, N.A.", with any subsequent Bank Notes substituting the appropriate Bank name in the designation. Bank Notes shall be issued in consideration of the payment of all Unpaid Drawings and Advances. The aggregate principal amount of Bank Notes that may be Outstanding at any one time hereunder shall not at any time exceed the applicable Stated Amount of the Letter of Credit on its issuance date.

(b) The Bank Notes shall be dated the date of their respective authentication and issuance; shall be issued in registered form only; shall be issued in any denomination and shall bear interest at the Bank Rate (calculated on the basis of the actual number of days elapsed and a year consisting of 365 or 366 days, as applicable); provided, however, that the interest payable on the Bank Notes for any given period shall not exceed the Maximum Interest Rate in effect for such period. Bank Notes shall bear interest from their respective dates, payable in accordance with the Reimbursement Agreement. Principal of Bank Notes shall be the date on which the Letter of Credit has terminated and all amounts due and owing under the Reimbursement Agreement have been paid in full.

(c) The maturity date and other terms of each Bank Note, so long as not inconsistent with the terms of this Agreement shall be as set forth in the certificate of a Designated Representative directing the issuance of such Bank Note.

(d) Bank Notes shall be subject to optional prepayment prior to maturity in accordance with, and upon notice as provided by, the Reimbursement Agreement.

(e) Bank Notes shall be numbered consecutively from No. 1 upward. The Issuing and Paying Agent may make additional provision for numbering, including additional prefixes and suffixes, as it may deem appropriate.

Section 4.02. Issuance of Bank Notes. In the event that any Bank shall have made a Drawing that has not been reimbursed on the same Business Day, such Bank shall provide notice in writing to the Commission and the Issuing and Paying Agent requesting the issuance of a Bank Note and stating: (i) the amount of the Drawing that remains unreimbursed; (ii) the final

maturity date of such Bank Note; and (iii) the amount of each scheduled principal installment on such Bank Note; provided, however, that no such notice need be given if such Bank Note was delivered on the date of issuance of the Letter of Credit as provided in Section 4.01(a) hereof. On the date of issuance of the Letter of Credit or upon receipt of the notice provided in the first sentence of this Section 4.02, the Issuing and Paying Agent shall authenticate a Bank Note and, in accordance with such notice and the certificate of a Designated Representative delivered to the Issuing and Paying Agent pursuant to Section 2.06(c) hereof, shall deliver such Bank Note to or upon the order of the Bank. No approval of the Commission or the City is necessary for the issuance of any Bank Notes.

Section 4.03. Form of Bank Notes and Authentication Certificate. The definitive Bank Notes and the Certificate of Authentication endorsed thereon shall be substantially in the form set forth in Exhibit A to the Reimbursement Agreement, with such appropriate variations, omissions and insertions as shall be necessary or appropriate in order to accomplish the purpose of the transaction authorized by this Agreement.

The Bank Notes may have endorsed thereon such legends or text as may be necessary or appropriate to conform to any applicable rules and regulations of any governmental authority or any usage or requirement of law or regulation with respect thereto.

Section 4.04. Transfers of Bank Notes. To the extent permitted by applicable law, the Bank Notes shall be negotiable and transferable solely to the extent provided in Section 7.3 of the Reimbursement Agreement.

Section 4.05. Deposits of Available Power Enterprise Revenues in Bank Note Account.

(a) On or before the Business Day before each Bank Note Payment Date, the General Manager of the Commission shall allocate and transfer to the Issuing and Paying Agent in immediately available funds for deposit in the Bank Note Debt Service Account amounts from Available Power Enterprise Revenues (or at the Commission's option, the proceeds of any commercial paper or Power Bonds), as follows:

(i) An amount equal to the aggregate amount of interest due and payable on such Bank Note Payment Date on all Bank Notes Outstanding payable from Available Power Enterprise Revenues; and

(ii) An amount equal to the aggregate amount of principal due and payable on such Bank Note Payment Date on all Bank Notes Outstanding payable from Available Power Enterprise Revenues.

(b) Amounts in the Bank Note Debt Service Account shall be invested in Qualified Investments by the Issuing and Paying Agent as directed in writing by a Designated Representative, with the approval of the Bank (which approval shall not be unreasonably withheld).

(c) The Bank Notes shall not be payable from the proceeds of any Drawing or any Advance.

ARTICLE V

COVENANTS; REPRESENTATIONS

Section 5.01. No Arbitrage. The Commission shall not take, nor permit to be taken by the Issuing and Paying Agent or otherwise, any action which, if such action had been reasonably expected to have been taken or had been deliberately and intentionally taken on the date of the issuance of any Commercial Paper Notes, would have caused such Commercial Paper Notes to be “arbitrage bonds” within the meaning of Section 148(a) of the Code and Regulations. To that end, the Commission will comply with all requirements of Section 148 of the Code to the extent applicable to the Commercial Paper Notes. In the event that at any time the Commission is of the opinion that for purposes of this Section 5.01 it is necessary to restrict or to limit the yield on the investment of any moneys held by the Issuing and Paying Agent under this Agreement, the Commission shall so instruct the Issuing and Paying Agent in writing, and the Issuing and Paying Agent shall take such action as may be necessary in accordance with such instructions.

Section 5.02. Rebate to United States. The Commission will pay or cause to be paid to the United States Government the amounts required by Section 148(f) of the Code and any Regulations promulgated thereunder at the times required thereby. To further the satisfaction of such rebate requirement, there is hereby created, to be held by the Issuing and Paying Agent as a separate fund for the Commercial Paper Notes distinct from all other funds and accounts held by the Issuing and Paying Agent under the Agreement, a fund designated as the “Rebate Fund.” The Issuing and Paying Agent shall hold any payments received from the Commission for deposit into the Rebate Fund for purposes of ultimate rebate to the United States, all as more particularly described in the Tax Certificate. Pending payment to the United States, moneys held in the Rebate Fund are hereby pledged to secure such payments to the United States as provided herein and in the Tax Certificate, and neither the Commission, the Owners nor any other person shall have any rights in or claim to such moneys. The Issuing and Paying Agent shall invest all amounts held in the Rebate Fund as directed in writing by a Designated Representative in Nonpurpose Investments (as defined in the Tax Certificate), as directed by the Commission in the Tax Certificate.

Computations of the rebate amount and all calculations under this Section and the Tax Certificate shall be furnished by or on behalf of the Commission. The Issuing and Paying Agent shall be deemed conclusively to have complied with the provisions of this Section if it follows the payment directions of the Designated Representative. The Issuing and Paying Agent shall have no liability or responsibility to enforce compliance by the Commission with the Tax Certificate. The Issuing and Paying Agent shall have no obligation to pay any amounts required to be rebated pursuant to this Section, other than from moneys required to be held in the funds and accounts created under this Agreement, including the Rebate Fund, or from other moneys provided to it by the Commission.

The Commission and the Issuing and Paying Agent shall keep and retain, for a period of two (2) years following the retirement of the Commercial Paper Notes, records of the determinations made pursuant to this Section 5.02.

In order to provide for the administration of this Section 5.02, the Commission may provide for the employment of independent attorneys, accountants and consultants, who shall be selected by the Commission with reasonable care and compensated on such reasonable basis as the Commission may deem appropriate, and the Issuing and Paying Agent may rely conclusively upon the opinions, calculations, determinations and advice of such attorneys, accountants and consultants employed hereunder.

Section 5.03. Tax Covenant. The Commission shall not use or knowingly permit the use of any proceeds of the Commercial Paper Notes or any other funds of the Commission, directly or indirectly, in any manner, and shall not take or permit to be taken any other action or actions, which would result in any of the Commercial Paper Notes being treated as an obligation not described in Section 103(a) of the Code. Without limiting the generality of the foregoing, the Commission will comply with all the requirements and covenants contained in the Tax Certificate. This covenant shall survive the payment in full or defeasance of the Commercial Paper Notes.

Section 5.04. [Reserved].

Section 5.05. Letter of Credit. The Commission hereby covenants to maintain in effect the Letter of Credit or an Alternate Facility meeting the requirements hereof at all times that Commercial Paper Notes are Outstanding hereunder. The Commission further covenants that if it is unable to obtain a commitment for an Alternate Facility at least 90 days prior to the Expiration Date, it shall use its best efforts, to the extent permitted by law, to endeavor to refinance the outstanding Commercial Paper Notes or Bank Notes, as the case may be.

Section 5.06. Amounts of Rates and Charges. The Commission covenants to establish, maintain and collect rates and charges with respect to the Power Enterprise sufficient (after giving effect to the expected receipt of refinancing proceeds from the sale of Commercial Paper Notes or Power Bonds) to pay the Commercial Paper Notes, the Bank Notes, all other amounts due and owing under the Reimbursement Agreement and all other obligations payable from the Power Enterprise.

Section 5.07. Limitation on Additional Debt. The Commission will not issue any additional bonds, notes or other obligations for borrowed money payable from revenues of the Power Enterprise unless the Commission provides a certificate of a Designated Representative of the Commission to the effect that (i) actual revenues of such enterprise for the most recently completed Fiscal Year, or (ii) projected revenues for the next three Fiscal Years following the issuance of such additional bonds, notes or other indebtedness are or will be sufficient to satisfy Section 5.06 hereof, assuming the issuance of such bonds, notes or other indebtedness to pay any maturing Commercial Paper Notes, the Bank Notes and all other amounts due and owing under the Reimbursement Agreement.

Section 5.08. Financial Statements. The Commission will keep proper books of records and accounts of the Power Enterprise, separate and apart from all other records and accounts of the Commission, in which complete and correct entries shall be made of all transactions relating to the Power Enterprise. Such books and records shall at all times during regular business hours be available to the Bank and to the Holders of the Commercial Paper Notes or their

representatives authorized (at the cost of such Holders as the Commission may charge) in writing, at reasonable hours and upon prior written notice to the Commission and under reasonable conditions. The Commission shall be entitled to charge the cost of copying any such records to the Bank or the Holders of Commercial Paper Notes, or their representatives, as the case may be.

ARTICLE VI

PLEDGE OF AVAILABLE REVENUES; LIMITED LIABILITY OF THE COMMISSION

Section 6.01. Available Power Enterprise Revenues. The Commercial Paper Notes and the Bank Notes are revenue obligations, are not secured by the taxing power of the Commission or the City and shall be payable as to both principal and interest from, and shall be secured solely by a pledge (which pledge shall be effected in the manner and to the extent hereinafter provided) of, the Available Power Enterprise Revenues. The Available Power Enterprise Revenues, including the Funds and Accounts created hereunder with respect thereto (except the Rebate Fund), constitute a trust fund for the security and payment of the interest on and principal of the Commercial Paper Notes and the Bank Notes and all obligations of the Commission relating to such Notes hereunder and under the Reimbursement Agreement and all Parity Notes secured by Available Power Enterprise Revenues. The Available Power Enterprise Revenues are hereby pledged to the payment of the Commercial Paper Notes and the Bank Notes and all obligations of the Commission relating to such Commercial Paper Notes hereunder and under the Reimbursement Agreement without priority or distinction of one over the other, except as expressly provided hereunder. The pledge of Available Power Enterprise Revenues herein made shall be irrevocable until all of the Commercial Paper Notes and the Bank Notes and any Parity Notes secured by Available Power Enterprise Revenues have been paid and retired and any related obligations of the Commission under the Reimbursement Agreement have been satisfied.

Section 6.02. Limited Obligations. The obligation of the Commission to pay the Holders from time to time of Commercial Paper Notes shall be only from Available Power Enterprise Revenues. No Holder of any Commercial Paper Note shall ever have the right to compel any exercise of the taxing power of the City to pay any Commercial Paper Note or the interest thereon. The credit of the City is not pledged for the payment of the principal or interest on any Commercial Paper Note or any Bank Note, and the general fund of the City is not liable for the payment of the Commercial Paper Notes or the Bank Notes. The Holder of the Commercial Paper Notes shall not be entitled to compel the forfeiture of any property of the Commission or the City.

Neither the Commission nor any officer or employee thereof shall be liable or obligated for the payment of the principal of or interest on any Commercial Paper Notes or Bank Notes or for any payment agreed to be made or contemplated pursuant to the terms of this Agreement, save and except from Available Power Enterprise Revenues, and the other moneys pledged thereto under the terms of this Agreement.

ARTICLE VII

ISSUING AND PAYING AGENT; DEALER

Section 7.01. Appointment of Issuing and Paying Agent. The Commission hereby appoints U.S. Bank National Association to serve as Issuing and Paying Agent hereunder. The Issuing and Paying Agent hereby accepts such appointment and hereby agrees to hold such funds, and fulfill such other duties of the Issuing and Paying Agent as more fully set forth in this Agreement. The Commission acknowledges that (i) the Issuing and Paying Agent has previously entered into a commercial paper certificate agreement (the "Certificate Agreement") with DTC, a copy of which is on file with the Commission and the Issuing and Paying Agent, and (ii) the continuing effectiveness of the Certificate Agreement is a necessary prerequisite to the Issuing and Paying Agent's providing services related to the issuance and payment of the Commercial Paper Notes while the Commercial Paper Notes are in book-entry only form and DTC is the Note Depository.

Section 7.02. Reports, Records and Accounts.

(a) The Issuing and Paying Agent shall at all times keep or cause to be kept proper books and records, as shall be consistent with prudent industry practice, in which complete and accurate entries shall be made of all transactions, including without limitation a complete record of all Issuance Requests, made by it relating to the proceeds of the Commercial Paper Notes and all Funds and Accounts established and maintained by the Issuing and Paying Agent hereunder. Such records shall be available for inspection by the Commission, the City and the Bank on each Business Day upon reasonable notice during reasonable business hours and by any Commercial Paper Noteholder or its agent or representative duly authorized in writing at reasonable hours upon reasonable notice.

(b) The Issuing and Paying Agent shall provide to the Commission each month a report of the amounts deposited in each Fund and Account held by it under this Agreement and the amount disbursed from such Funds and Accounts, the earnings thereon, if any, the ending balance in each such Fund and Account, and the investments in each such Fund and Account. The Issuing and Paying Agent shall also make available to the Commission such information regarding the issuance of Commercial Paper Notes during the subject month as the Commission shall reasonably request.

(c) The Issuing and Paying Agent shall maintain such books, records, and accounts as may be necessary to evidence the obligations of the Commission resulting from the Commercial Paper Notes, the principal amounts owing thereunder, the maturity schedule therefor, the respective rates of interest thereon and the principal and interest paid from time to time thereunder. So long as the Commercial Paper Notes are in book-entry form, in any legal action or proceeding with respect to a master note, the entries made in such books, records or accounts shall be, absent manifest error, conclusive evidence of the existence and the amounts of the obligations of the Commission therein recorded.

Section 7.03. Duties. The Issuing and Paying Agent's duties and responsibilities in connection with the payment of the Commercial Paper Notes shall include:

(a) upon presentment at maturity of a Commercial Paper Note, to pay the principal of and interest on the Commercial Paper Note to the Holder thereof;

(b) to make the necessary and timely drawings under the Letter of Credit in accordance with the terms and provisions thereof in order to effectuate the timely payment of principal of and interest on the Commercial Paper Notes as the same becomes due;

(c) to credit amounts received from the Commission for the payment of the principal of or interest on the Commercial Paper Notes to the Bank Payment Account;

(d) to credit amounts received from the Bank as a result of drawings under the Letter of Credit to the Debt Service Account;

(e) to keep amounts on deposit in the Debt Service Account separate from all other funds and accounts of the Issuing and Paying Agent and to utilize such amounts in accordance with the terms hereof; and

(f) the Issuing and Paying Agent agrees that it will not reduce, or consent to the reduction of, the Stated Amount of the Letter of Credit below the amount of Commercial Paper Notes outstanding, together with interest to accrue thereon.

In requesting Advances under the Reimbursement Agreement, the Issuing and Paying Agent shall be acting solely on behalf and for the benefit of the Owners of the Commercial Paper Notes, and not as agent of the Commission.

The Issuing and Paying Agent acknowledges that, prior to the issuance of any Commercial Paper Notes, it shall accept delivery of the Letter of Credit. In making Drawings on the Letter of Credit, the Issuing and Paying Agent shall be acting solely on behalf and for the benefit of the Owners of the Commercial Paper Notes, and not as agent of the Commission.

Section 7.04. Compensation. The Commission agrees to pay compensation for the Issuing and Paying Agent's services hereunder in accordance with the Issuing and Paying Agent's fee schedule, as amended from time to time (with notice to and the consent of the Commission), and to reimburse the Issuing and Paying Agent for such disbursements (including the reasonable fees and expenses of counsel). The Issuing and Paying Agent's fee schedule is attached hereto as Exhibit E. The Commission shall also reimburse the Issuing and Paying Agent for any fees and charges imposed by the Note Depository with respect to Commercial Paper Notes issued in book-entry form as set forth in the fee schedule. The Issuing and Paying Agent shall have no lien on Commercial Paper proceeds or on any Drawing under the Letter of Credit for payment of its compensation hereunder.

Section 7.05. Liability. The Commission agrees that the Issuing and Paying Agent shall not be liable for any losses, damages, liabilities or costs suffered or incurred by the Commission as a result of (a) the Issuing and Paying Agent's having duly executed Issuance Requests in good faith in accordance therewith and with this Agreement; (b) the Issuing and Paying Agent's improperly executing or failing to execute any Issuance Requests because of erroneous Issuance Requests, failure of communications media, or any other circumstances beyond the Issuing and Paying Agent's control; (c) the actions or inactions of DTC or any broker, dealer, consignee or

agent not selected by the Issuing and Paying Agent; or (d) any other acts or omissions of the Issuing and Paying Agent (or of any of its agents, directors, officers, employees or correspondents) relating to this Agreement or the transactions or activities contemplated hereby except to the extent, if any, that such other acts or omissions constitute negligence or willful misconduct by the Issuing and Paying Agent (or by any of its agents, directors, officers, employees or correspondents). This Section 7.05 shall survive any termination of this Agreement and the issuance and payment of any Commercial Paper Notes.

Section 7.06. Additional Information. Upon the reasonable written request of the Commission, the City or the Bank, as applicable, the Issuing and Paying Agent agrees promptly to provide the Commission, the City or the Bank, as applicable, with information with respect to the Commercial Paper Notes, including without limitation the Bank Notes, issued and paid hereunder. Such request shall be in written form and shall include the principal amount, date of issue, maturity date, interest rate and amount of interest, as applicable, of each Commercial Paper Note which has been issued or paid by the Issuing and Paying Agent and for which the request is being made.

Section 7.07. Resignation and Replacement of Issuing and Paying Agent. The Issuing and Paying Agent may at any time resign and be discharged of the duties and obligations created by this Agreement by giving at least 30 days' written notice to the Bank, the City and the Commission. The Issuing and Paying Agent may be removed, with the written consent of the Bank, which consent shall not be unreasonably withheld, at any time by an instrument signed by a Designated Representative and filed with the Issuing and Paying Agent and the Bank. No such resignation or removal shall become effective, however, until a successor Issuing and Paying Agent has been selected and assumed the duties of the Issuing and Paying Agent hereunder and the Letter of Credit has been transferred to the successor Issuing and Paying Agent in accordance with its terms.

In the event of the resignation or removal of the Issuing and Paying Agent, the Issuing and Paying Agent shall pay over, assign and deliver to the Commission any moneys held by it in such capacity to its successor.

The Issuing and Paying Agent shall, at all times, be a bank or trust company having an office in New York, New York and shall at all times be a corporation or a national banking association organized and doing business under the laws of the United States of America or of any state with a combined capital and surplus of at least \$50,000,000 and authorized under such laws to exercise corporate trust powers and be subject to supervision or examination by federal or state authority. If such corporation or national banking association publishes reports of condition at least annually pursuant to law or the requirements of such authority, then for the purposes of this section, the combined capital and surplus of such corporation or national banking association shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

Any corporation or national banking association into which any Issuing and Paying Agent may be merged or converted or with which it may be consolidated, or any corporation or national banking association resulting from any merger, consolidation or conversion to which any Issuing and Paying Agent shall be a party, or any corporation or national banking association

succeeding to the corporate trust business of any Issuing and Paying Agent shall be the successor of the Issuing and Paying Agent if such successor corporation or national banking association is otherwise eligible under this Section, without the execution or filing of any further act on the part of the Issuing and Paying Agent or such successor corporation or national banking association.

Section 7.08. Dealers. The Commission hereby agrees that, at or prior to the time of issuance of any Commercial Paper Notes, the Commission will enter into a Dealer Agreement with each Dealer. The Commission covenants that at all times after the initial issuance of any Commercial Paper Notes and prior to the Termination Date, it will maintain in effect one or more Dealer Agreements, pursuant to which each Dealer will agree to fulfill the duties and obligations of the Dealer as set forth in this Agreement and its Dealer Agreement.

Section 7.09. Compliance with City Requirements. The Issuing and Paying Agent hereby agrees to comply with Section 9.23 hereof.

ARTICLE VIII

EVENTS OF DEFAULT AND REMEDIES OF COMMERCIAL PAPER NOTEHOLDERS

Section 8.01. Events of Default. If one or more of the following events (herein called "Events of Default") shall happen, that is to say --

(a) if default shall be made in the due and punctual payment of the principal of any Commercial Paper Notes when and as the same shall become due and payable, whether at maturity as therein expressed, by declaration or otherwise;

(b) if default shall be made in the due and punctual payment of any installment of interest on any Commercial Paper Notes when and as such interest installment shall become due and payable; or

(c) if the principal of any Commercial Paper Note or any Bank Note shall be declared due and payable prior to the maturity thereof pursuant to the Commercial Paper Note or any Bank Note or this Agreement or the Reimbursement Agreement, as the case may be;

then, and in every such event, (i) any Holder of any Commercial Paper Notes at the time outstanding may, by notice to the Commission, declare the principal of such Holder's Commercial Paper Notes, and the interest accrued thereon, to be due and payable immediately, whereupon the same shall become and shall be immediately due and payable, anything in this Agreement or in the Commercial Paper Notes contained to the contrary notwithstanding and the Issuing and Paying Agent shall, to the extent the Letter of Credit so provides, immediately make thereafter a Drawing under the Letter of Credit to pay the amount of interest and principal then due on the Commercial Paper Notes and; (ii) the Bank may, by notice to the Commission, declare the principal of the Bank Notes, and the interest accrued thereon (and the Unpaid Drawings and Advances evidenced thereby), to be due and payable immediately, whereupon the same shall become and shall be immediately due and payable, anything in this Agreement or in the Commercial Paper Notes or in the Reimbursement Agreement contained to the contrary

notwithstanding, provided however, this clause (ii) shall be of no effect if said Event of Default was caused by a failure of the Bank to honor a properly presented and conforming Drawing made on the Letter of Credit in conformance with the terms hereof.

Section 8.02. Suits at Law or in Equity and Mandamus. In case one or more Events of Default shall occur, then and in every such case any Holder of any Commercial Paper Note at the time outstanding and the Bank shall be entitled to proceed to protect and enforce such Holder's rights or the Bank's rights, as the case may be, by such appropriate judicial proceeding as such enforcer shall deem most effectual to protect and enforce any such right, whether by mandamus or other suit or proceeding at law or in equity, for the specific performance of any covenant or agreement contained in this Agreement, or in aid of the exercise of any power granted in this Agreement, or to enforce any other legal or equitable right. The provisions of this Agreement shall be a contract with the Bank and with each and every Holder of Commercial Paper Notes, and the duties of the Commission and of the Board shall be enforceable by the Bank (subject to Section 8.04 hereof) or any Commercial Paper Noteholder by mandamus or other appropriate suit, action or proceeding in any court of competent jurisdiction.

Section 8.03. Remedies Not Exclusive. No remedy herein conferred upon the Bank or the Holders of Commercial Paper Notes is intended to be exclusive of any other remedy. Every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing, at law or in equity or by statute or otherwise, and may be exercised at any time or from time to time, and as often as may be necessary, by the Bank (subject to Section 8.04 hereof) or the Holder of any one or more of the Commercial Paper Notes.

Section 8.04. Bank to Control Remedies. So long as the Bank is not insolvent and has not failed to honor a properly presented and conforming Drawing under the Letter of Credit, no remedy (other than the right of the Issuing and Paying Agent to make a Drawing under the Letter of Credit) under this Agreement with respect to the Commercial Paper Notes may be pursued without the prior written consent of the Bank. The Bank shall have the right to direct the Issuing and Paying Agent to pursue any right, power, or remedy available under this Agreement. If, at any time, more than one Bank is eligible to exercise the powers provided in this Section 8.04, the Issuing and Paying Agent must obtain the consent of all eligible Banks when the consent of a Bank is required, and the Issuing and Paying Agent need not follow any direction in accordance with the preceding sentence unless such direction is approved in writing by all eligible Banks.

Section 8.05. Waiver of Events of Default. No Event of Default with respect to the Commercial Paper Notes or the Bank Notes shall be waived pursuant to Section 8.04 unless after such waiver the Letter of Credit shall have been reinstated and shall be in full force and effect.

ARTICLE IX

MISCELLANEOUS

Section 9.01. Supplemental Agreements. The Commission may modify or amend this Agreement and the rights and obligations of the Bank and the Holders of Commercial Paper Notes and the Commission hereunder at any time by a supplemental agreement, without notice to

or the consent of the Bank or any Commercial Paper Noteholder, but only to make such provisions for the purpose of (i) curing any ambiguity or formal defect or omission herein, (ii) curing, correcting or supplementing any defective provision contained in this Agreement which may be inconsistent with any provision herein, or to make any other provisions with respect to matters or questions arising hereunder which shall not have a material adverse affect on the Holders or the Bank; (iii) granting or conferring upon the Holders and the Bank any additional rights, remedies, powers or authority that may be lawfully granted or conferred; (iv) securing additional revenues or providing additional security for the payment of any Commercial Paper Notes and the Bank Notes; (v) complying with requirements of the Code, in order to satisfy the covenants of Section 5.01 hereof; (vi) adding requirements the compliance of which is required by a Rating Agency in connection with issuing or maintaining a rating on the Commercial Paper Notes and (vii) making any other change or addition hereto which, in the opinion of Bond Counsel, shall not have a material adverse affect on the interests of the Holders or the Bank. The Commission shall provide a copy of any such amendment to the Bank and the City promptly upon its execution.

Section 9.02. Alternate Facility. Notwithstanding anything herein to the contrary, the Commission may obtain an Alternate Facility to replace the Letter of Credit or Alternate Facility then in effect (the "Then Current Facility") hereunder so long as said Alternate Facility shall go into effect at least one Business Day prior to the termination of the Then Current Facility, and the Expiration Date with respect to such Alternate Facility shall be no earlier than the earlier of (i) six (6) months after its date or (ii) the Expiration Date set forth in the Then Current Facility. The Alternate Facility shall have a Stated Amount (as such term is used in the Letter of Credit) at least as great as the Then Current Facility being replaced. The following are further conditions to the Issuing and Paying Agent's ability to release a Then Current Facility and accept an Alternate Facility:

(a) The Commission shall deliver written notice of the proposed Alternate Facility to the Issuing and Paying Agent, the Bank, the City and each Dealer not less than 45 days prior to the substitution date.

(b) At least one day prior to the substitution date, there shall be delivered to the Commission and/or the Issuing and Paying Agent written evidence from each Rating Agency then maintaining a rating on the Commercial Paper Notes, that such substitution will not, in and of itself, result in any rating then assigned to the Commercial Paper Notes being suspended, reduced or withdrawn.

(c) The Issuing and Paying Agent shall deliver written notice of such substitution to the registered Holders of the Commercial Paper Notes at least 30 days prior to the substitution date. If any Outstanding Note is in bearer form, the Issuing and Paying Agent shall publish notice of the substitution of such Alternate Facility in a newspaper in which the Commission regularly publishes its legal notices at least 30 days prior to the substitution date.

(d) An opinion or opinions of counsel to the successor Bank shall be delivered to the effect that the Alternate Facility is a legal, valid and binding obligation of the issuing Bank and is enforceable against the Bank in accordance with its terms.

(e) An opinion of Bond Counsel shall be delivered to the Issuing and Paying Agent to the effect that the substitution is authorized hereunder and will not, in and of itself, adversely affect the exclusion from gross income for federal tax purposes of interest on the Commercial Paper Notes.

Section 9.03. Amendments to Power Bonds Indenture. The Commission hereby covenants not to make any amendment to the Power Bonds Indenture which would materially adversely affect the interest of the Holders from time to time of the Commercial Paper Notes or the Bank, unless the Commission shall have first obtained the consents to such amendments by the Bank. Upon the execution of any such amendment without the consents of the Bank, the Commission shall be required to certify that such amendment to the Power Bonds Indenture, will not have such effect.

Section 9.04. Timeliness of Deposits. Funds shall be deemed transferred for purposes of timeliness of receipt under this Agreement when transfer instructions for transfer by federal reserve wire have been given and a federal wire number confirmation has been received; provided that the party to receive such funds shall not be required to take any action required to be taken hereunder with respect to such funds until it has confirmation of actual receipt of such funds.

Section 9.05. Defeasance of Commercial Paper Notes. The Issuing and Paying Agent acknowledges that the foregoing restriction applies only if the contract or combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. The Issuing and Paying Agent further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of the Issuing and Paying Agent's board of directors; the Issuing and Paying Agent's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in the Issuing and Paying Agent; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by the Issuing and Paying Agent. Additionally, the Issuing and Paying Agent acknowledges that the Issuing and Paying Agent must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126 of the City's Campaign and Governmental Conduct Code.

(d) *MacBride Principles - Northern Ireland.* Pursuant to San Francisco Administrative Code Section 12F.5, the City urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this Agreement on behalf of the Issuing and Paying Agent acknowledges and agrees that he or she has read and understood this section.

(e) *Conflict of Interest.* Through its execution of this Agreement, the Issuing and Paying Agent hereby acknowledges that it is familiar with the provision of Section 15.103 of the

City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and Section 87100 *et seq.* and Section 1090 *et seq.* of the Government Code of the State of California, and certifies that it does not know of any facts which constitutes a violation of said provisions and agrees that it will immediately notify the City if it becomes aware of any such fact during the term of this Agreement.

(f) *Earned Income Credit ("EIC") Forms.* San Francisco Administrative Code section 12O requires that employers provide their employees with IRS Form W-5 (The Earned Income Credit Advance Payment Certificate) and the IRS EIC Schedule, as set forth below. Employers can locate these forms at the IRS Office, on the Internet, or anywhere that Federal Tax Forms can be found.

(i) The Issuing and Paying Agent shall provide EIC Forms to each Eligible Employee at each of the following times: (A) within thirty days following the date on which this Agreement becomes effective (unless the Issuing and Paying Agent has already provided such EIC Forms at least once during the calendar year in which such effective date falls); (B) promptly after any Eligible Employee is hired by the Issuing and Paying Agent; and (C) annually between January 1 and January 31 of each calendar year during the term of this Agreement.

(ii) Failure to comply with any requirement contained in the immediately preceding paragraph shall constitute a material breach by the Issuing and Paying Agent of the terms of this Agreement. If, within thirty days after the Issuing and Paying Agent receives written notice of such a breach, the Issuing and Paying Agent fails to cure such breach or, if such breach cannot reasonably be cured within such period of thirty days, the Issuing and Paying Agent fails to commence efforts to cure within such period or thereafter fails to diligently pursue such cure to completion, the City may pursue any rights or remedies available under this Agreement or under applicable law.

(iii) Any subcontract entered into by the Issuing and Paying Agent shall require the subcontractor to comply, as to the subcontractor's Eligible Employees, with each of the terms of this Section.

(iv) Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Section 12O of the San Francisco Administrative Code.

(g) *Local Business Enterprise Utilization; Liquidated Damages.*

(i) *The LBE Ordinance.* The Issuing and Paying Agent shall comply with all the requirements of the Disadvantaged Business Enterprise Ordinance set forth in Chapter 14B of the San Francisco Administrative Code as it now exists or as it may be amended in the future (collectively the "LBE Ordinance"), provided such amendments do not materially increase the Issuing and Paying Agent's obligations or liabilities, or materially diminish the Issuing and Paying Agent's rights, under this Agreement. Such provisions of the LBE Ordinance are incorporated by reference and made a part of this Agreement as though fully set forth in this section. The Issuing and Paying Agent's

willful failure to comply with any applicable provisions of the LBE Ordinance is a material breach of the Issuing and Paying Agent's obligations under this Agreement and shall entitle City, subject to any applicable notice and cure provisions set forth in this Agreement, to exercise any of the remedies provided for under this Agreement, under the LBE Ordinance or otherwise available at law or in equity, which remedies shall be cumulative unless this Agreement expressly provides that any remedy is exclusive. In addition, the Issuing and Paying Agent shall comply fully with all other applicable local, state and federal laws prohibiting discrimination and requiring equal opportunity in contracting, including subcontracting.

(ii) *Compliance and Enforcement.* If the Issuing and Paying Agent willfully fails to comply with any of the provisions of the LBE Ordinance, the rules and regulations implementing the LBE Ordinance, or the provisions of this Agreement pertaining to LBE participation, the Issuing and Paying Agent shall be liable for liquidated damages in an amount equal to the Issuing and Paying Agent's net profit on this Agreement, or 10% of the total amount of this Agreement, or \$1,000, whichever is greatest. The Director of the City's Human Rights Commission or any other public official authorized to enforce the LBE Ordinance (separately and collectively, the "Director of HRC") may also impose other sanctions against the Issuing and Paying Agent authorized in the LBE Ordinance, including declaring the Issuing and Paying Agent to be irresponsible and ineligible to contract with the City for a period of up to five years or revocation of the Issuing and Paying Agent's LBE certification. The Director of HRC will determine the sanctions to be imposed, including the amount of liquidated damages, after investigation pursuant to the San Francisco Administrative Code Section 14B.17.

By entering into this Agreement, the Issuing and Paying Agent acknowledges and agrees that any liquidated damages assessed by the Director of the HRC shall be payable to City upon demand. The Issuing and Paying Agent further acknowledges and agrees that any liquidated damages assessed may be withheld from any monies due to the Issuing and Paying Agent on any contract with City.

The Issuing and Paying Agent agrees to maintain records necessary for monitoring its compliance with the LBE Ordinance for a period of three years following termination or expiration of this Agreement, and shall make such records available for audit and inspection by the Director of HRC or the Controller upon request.

(h) *Drug-Free Workplace Policy.* The Issuing and Paying Agent acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on Commission or City premises. The Issuing and Paying Agent agrees that any violation of this prohibition by the Issuing and Paying Agent, its employees, agents or assigns will be deemed a material breach of this Agreement.

(i) *Compliance with Americans with Disabilities Act.* The Issuing and Paying Agent acknowledges that, pursuant to the Americans with Disabilities Act ("ADA"), programs, services and other activities provided by a public entity to the public, whether directly or through a

contractor, must be accessible to the disabled public. The Issuing and Paying Agent shall provide the services specified in this Agreement in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation. The Issuing and Paying Agent agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Agreement and further agrees that any violation of this prohibition on the part of the Issuing and Paying Agent, its employees, agents or assigns will constitute a material breach of this Agreement.

(j) *Sunshine Ordinance.* In accordance with San Francisco Administrative Code Section 67.24(e), contracts, contractors' bids, responses to solicitations and all other records of communications between the Commission or the City and persons or firms seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

(k) *Requiring Minimum Compensation for Covered Employees.*

(i) The Issuing and Paying Agent agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance ("MCO"), as set forth in San Francisco Administrative Code Chapter 12P ("Chapter 12P"), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of the Issuing and Paying Agent's obligations under the MCO is set forth in this Section. The Issuing and Paying Agent is required to comply with all the provisions of the MCO, irrespective of this listing of obligations in this Section.

(ii) The MCO requires the Issuing and Paying Agent to pay the Issuing and Paying Agent's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and the Issuing and Paying Agent is obligated to keep informed of the then-current requirements. Any subcontract entered into by the Issuing and Paying Agent shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is the Issuing and Paying Agent's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against the Issuing and Paying Agent.

(iii) The Issuing and Paying Agent shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

(iv) The Issuing and Paying Agent shall maintain employee and payroll records as required by the MCO. If the Issuing and Paying Agent fails to do so, it shall be presumed that the Issuing and Paying Agent paid no more than the minimum wage required under State law.

(v) The City is authorized to inspect the Issuing and Paying Agent's job sites and conduct interviews with employees and conduct audits of the Issuing and Paying Agent.

(vi) The Issuing and Paying Agent's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Issuing and Paying Agent fails to comply with these requirements. The Issuing and Paying Agent agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for the Issuing and Paying Agent's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

(vii) The Issuing and Paying Agent understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, the Issuing and Paying Agent fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, the Issuing and Paying Agent fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(viii) The Issuing and Paying Agent represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

(ix) The City may conduct random audits of the Issuing and Paying Agent. Random audits shall be (A) noticed in advance in writing; (B) limited to ascertaining whether Covered Employees are paid at least the minimum compensation required by the MCO; (C) accomplished through an examination of pertinent records at a mutually agreed upon time and location within ten days of the written notice; and (D) limited to one audit of the Issuing and Paying Agent every two years for the duration of this Agreement. Nothing in this Agreement is intended to preclude the City from investigating any report of an alleged violation of the MCO.

(l) *Requiring Health Benefits for Covered Employees.* Unless exempt, the Issuing and Paying Agent agrees to comply fully with and be bound by all of the provisions of the Health

Care Accountability Ordinance (“HCAO”), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated herein by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at <http://www.sfgov.org/lwlh.htm>. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

(i) For each Covered Employee, the Issuing and Paying Agent shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If the Issuing and Paying Agent chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(ii) Notwithstanding the above, if the Issuing and Paying Agent is a small business as defined in Section 12Q.3(d) of the HCAO, it shall have no obligation to comply with part (i) above.

(iii) The Issuing and Paying Agent’s failure to comply with the HCAO shall constitute a material breach of this Agreement. The City shall notify the Issuing and Paying Agent if such a breach has occurred. If, within 30 days after receiving City’s written notice of a breach of this Agreement for violating the HCAO, the Issuing and Paying Agent fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, the Issuing and Paying Agent fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in Section 12Q.5(f)(1-5). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.

(iv) Any subcontract entered into by the Issuing and Paying Agent shall require the subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. The Issuing and Paying Agent shall notify City’s Office of Contract Administration when it enters into such a subcontract and shall certify to the Office of Contract Administration that it has notified the subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on subcontractor through the subcontract. The Issuing and Paying Agent shall be responsible for its subcontractors’ compliance with this Chapter. If a subcontractor fails to comply, the City may pursue the remedies set forth in this Section against the Issuing and Paying Agent based on the subcontractor’s failure to comply, provided that City has first provided the Issuing and Paying Agent with notice and an opportunity to obtain a cure of the violation.

(v) The Issuing and Paying Agent shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to the Issuing and Paying Agent’s noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(vi) The Issuing and Paying Agent represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(vii) The Issuing and Paying Agent shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.

(viii) The Issuing and Paying Agent shall keep itself informed of the current requirements of the HCAO.

(ix) The Issuing and Paying Agent shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on subcontractors and subtenants, as applicable.

(x) The Issuing and Paying Agent shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.

(xi) The Issuing and Paying Agent shall allow City to inspect the Issuing and Paying Agent's job sites and have access to the Issuing and Paying Agent's employees in order to monitor and determine compliance with HCAO.

(xii) The City may conduct random audits of the Issuing and Paying Agent to ascertain its compliance with HCAO. The Issuing and Paying Agent agrees to cooperate with City when it conducts such audits.

(xiii) If the Issuing and Paying Agent is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but the Issuing and Paying Agent later enters into an agreement or agreements that cause the Issuing and Paying Agent's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Issuing and Paying Agent and the City to be equal to or greater than \$75,000 in the fiscal year.

(m) *Prohibition on Political Activity with City Funds.* In accordance with San Francisco Administrative Code Chapter 12.G, the Issuing and Paying Agent may not participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure (collectively, "Political Activity") in the performance of the services provided under this Agreement. The Issuing and Paying Agent agrees to comply with San Francisco Administrative Code Chapter 12.G and any implementing rules and regulations promulgated by the City's Controller. The terms and provisions of Chapter 12.G are incorporated herein by this reference. In the event the Issuing and Paying Agent violates the provisions of this section, the City may, in addition to any other rights or remedies available hereunder, (i) terminate this Agreement, and (ii) prohibit the Issuing and Paying Agent from bidding on or receiving any new City contract for

a period of two (2) years. The Controller will not consider the Issuing and Paying Agent's use of profit as a violation of this section.

(n) *Graffiti Removal.* Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and its residents, and to prevent the further spread of graffiti.

The Issuing and Paying Agent shall remove all graffiti from any real property owned or leased by such Issuing and Paying Agent in the City and County of San Francisco within forty eight (48) hours of the earlier of such Issuing and Paying Agent's (i) discovery or notification of the graffiti or (ii) receipt of notification of the graffiti from the Department of Public Works. This Section is not intended to require any Issuing and Paying Agent to breach any lease or other agreement that it may have concerning its use of the real property. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" shall not include: (A) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (B) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. Section 101 et seq.).

Any failure of the Issuing and Paying Agent to comply with this Section of this Agreement shall constitute a material breach of this Agreement.

(o) *Food Service Waste Reduction Requirements.* The Issuing and Paying Agent agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Agreement as though fully set forth. This provision is a material term of this Agreement. By entering into this Agreement, the Issuing and Paying Agent agrees that if it breaches this provision, the City will suffer actual damages that will be impractical or extremely difficult to determine; further, the Issuing and Paying Agent agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for the second breach in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that the City will incur based on the violation, established in

light of the circumstances existing at the time this Agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by the City because of such Issuing and Paying Agent's failure to comply with this provision.

(p) *Preservative-treated Wood Containing Arsenic.* The Issuing and Paying Agent may not purchase preservative-treated wood products containing arsenic in the performance of this Agreement unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of the Environment under Section 1304 of the Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. The Issuing and Paying Agent may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude the Issuing and Paying Agent from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

(q) *Nondisclosure of Private Information.* The Issuing and Paying Agent agrees to comply fully with and be bound by all of the provisions of Chapter 12M of the San Francisco Administrative Code (the "*Nondisclosure of Private information Ordinance*"), including the remedies provided. The provisions of the Nondisclosure of Private Information Ordinance are incorporated herein by reference and made a part of this Agreement as though fully set forth. Capitalized terms used in this section and not defined in this Agreement shall have the meanings assigned to such terms in the Nondisclosure of Private Information Ordinance. Consistent with the requirements of the Nondisclosure of Private Information Ordinance, the Issuing and Paying Agent agrees to all of the following:

(i) Neither the Issuing and Paying Agent nor any of its Subcontractors shall disclose Private Information obtained from the City in the performance of this Agreement to any other Subcontractor, person, or other entity, unless one of the following is true:

- (1) the disclosure is authorized by this Agreement;
- (2) the Issuing and Paying Agent received advance written approval from the Contracting Department to disclose the information; or
- (3) the disclosure is required by law or judicial order.

(ii) Any disclosure or use of Private Information authorized by this Agreement shall be in accordance with any conditions or restrictions stated in this Agreement. Any disclosure or use of Private Information authorized by a Contracting Department shall be in accordance with any conditions or restrictions stated in the approval.

(iii) Private Information shall mean any information that: (1) could be used to identify an individual, including without limitation, name, address, social security

number, medical information, financial information, date and location of birth, and names of relatives; or (2) the law forbids any person from disclosing.

(iv) Any failure of the Bark to comply with the Nondisclosure of Private Information Ordinance shall be a material breach of this Agreement. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate this Agreement, debar the Issuing and Paying Agent, or bring a false claim action against the Issuing and Paying Agent.

(r) *Proprietary or Confidential Information of City.* The Issuing and Paying Agent agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority, (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or the enforcement of rights hereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the City and its obligations, (g) with the consent of the City or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Issuing and Paying Agent on a nonconfidential basis from a source other than the City. For the purposes of this Section, "Information" means all information received from the City relating to the City or its business, other than any such information that is available to the Issuing and Paying Agent on a nonconfidential basis prior to disclosure by the City; *provided* that, in the case of information received from the City after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

(s) *Submitting False Claims; Monetary Penalties.* Pursuant to San Francisco Administrative Code Section 21.35, any contractor, subcontractor or consultant who submits a false claim shall be liable to the City for three times the amount of damages which the City sustains because of the false claim. A contractor, subcontractor or consultant who submits a false claim shall also be liable to the City for the costs, including attorneys' fees, of a civil action brought to recover any of those penalties or damages, and may be liable to the City for a civil penalty of up to \$10,000 for each false claim. A contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the contractor, subcontractor or consultant: (i) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (ii) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (iii) conspires to defraud the City by getting a false claim allowed or paid by the City; (iv) knowingly makes,

uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (v) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

(t) *Subcontracting.* Except as otherwise provided in this Agreement, the Issuing and Paying Agent is prohibited from subcontracting this Agreement or any part of it unless such subcontracting is first approved by City in writing. Neither party shall, on the basis of this Agreement, contract on behalf of or in the name of the other party. An agreement made in violation of this provision shall confer no rights on any party and shall be null and void.

(u) *Non-Waiver of Rights.* The omission by either party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants, or provisions hereof by the other party at the time designated, shall not be a waiver of any such default or right to which the party is entitled, nor shall it in any way affect the right of the party to enforce such provisions thereafter.

(v) *City a Third Party Beneficiary.* The City is hereby designated as a third party beneficiary for the purpose of enforcing all of the obligations of the Issuing and Paying Agent contained in this Exhibit F to this Agreement.

Public Utilities Commission
of the City and County of San Francisco
Commercial Paper Notes
(Power Series)
Series A-1 (Tax-Exempt)**

The Public Utilities Commission of the City and County of San Francisco Commercial Paper Notes (Power Series) Series A-1 (Tax-Exempt) (the "Commercial Paper Notes"), are special obligations of the Public Utilities Commission of the City and County of San Francisco (the "Commission") payable solely from and secured by a pledge of Available Power Enterprise Revenues (as defined herein).

The Commission has entered into a reimbursement agreement with Bank of America, N.A. (the "Bank"), pursuant to which the Bank will issue an irrevocable direct-pay letter of credit (the "Letter of Credit") for the account of the Commission supporting payment of principal of and interest on maturing Commercial Paper Notes. If for any reason the Bank fails to make a payment due under the Letter of Credit, the Commission would have no obligation to make any payments with respect to the Commercial Paper Notes except from Available Power Enterprise Revenues, but it is unlikely that the Commission would have sufficient funds on hand and available to make the corresponding payment of principal of and/or interest on the Commercial Paper Notes. Prospective investors therefore should base their investment decision on the credit standing of the Bank, rather than of the Commission.

**Bank of America 
Merrill Lynch**

The Commercial Paper Notes are payable from Available Power Enterprise Revenues (as defined herein) on a subordinate basis to the Commission's outstanding Power Revenue Bonds (as described herein) and other Senior Debt. See "THE COMMISSION AND THE POWER ENTERPRISE—Senior and Parity Indebtedness" herein.

THE GENERAL FUND OF THE CITY AND COUNTY OF SAN FRANCISCO IS NOT LIABLE, AND NEITHER THE CREDIT NOR THE TAXING POWER OF THE CITY AND COUNTY OF SAN FRANCISCO IS PLEDGED, FOR THE PAYMENT OF THE COMMERCIAL PAPER NOTES AND THE INTEREST THEREON.

The Commercial Paper Notes have not been registered under the Securities Act of 1933, as amended (the "Act"), in reliance upon an exemption from registration contained in the Act.

APPENDIX C – POWER ENTERPRISE FINANCIAL STATEMENTS.....	C-1

In the opinion of Sidley Austin LLP, San Francisco, California, Bond Counsel, under existing statutes, regulations, rulings and judicial decisions and assuming compliance with certain covenants set forth in the documents pertaining to the Commercial Paper Notes and requirements of the Internal Revenue Code of 1986, as amended, as described herein, interest on the Commercial Paper Notes is not includable in the gross income of the owners of the Commercial Paper Notes for federal income tax purposes. In the further opinion of Bond Counsel, interest on the Commercial Paper Notes is not treated as an item of tax preference in calculating the alternative minimum taxable income of individuals or corporations. Such interest, however, is included as an adjustment in the calculation of federal corporate alternative minimum taxable income and may therefore affect a corporation's alternative minimum tax liability. In the further opinion of Bond Counsel, interest on the Commercial Paper Notes is exempt from personal income taxes imposed by the State of California (the "State"). See "TAX MATTERS" herein.

THE COMMISSION AND THE POWER ENTERPRISE

The Commission

The Commission, governed by five members appointed by the Mayor of the City (the "Mayor"), is a department of the City responsible for the maintenance, operation and development of the Water Enterprise, the Wastewater Enterprise and the Hetch Hetchy Water and Power Enterprise (which is composed of two component funds: Hetch Hetchy Water and Hetch Hetchy Power, the latter being referred to hereinafter as the "Power Enterprise"). The Water Enterprise provides retail drinking water to the City and wholesale water to customers in three other Bay Area counties. The Wastewater Enterprise, formerly known as the Clean Water Enterprise, consists of a sanitary waste and stormwater collection, treatment and disposal system for the City. The Hetch Hetchy Water and Power Enterprise consists of water supply facilities and a hydroelectric generating system, and, through the Power Enterprise, provides power to City agencies, the Modesto Irrigation District, the Turlock Irrigation District and certain other customers. Each of the Commission's enterprises is operated and managed as a separate financial entity and separate enterprise funds are maintained for each enterprise. No revenues from either the Water Enterprise or the Wastewater Enterprise have been pledged for payment of the Power Enterprise Commercial Paper Notes and no such revenues shall be available for the repayment thereof.

The Commission operates and maintains dams and reservoirs, power generation and transmission facilities, water transmission facilities, water and wastewater treatment plants, water distribution facilities, wastewater collection facilities and power distribution facilities. The Commission's facilities extend from the Hetch Hetchy watershed in the Sierra Nevada, across the Central Valley, over and around the southern end of San Francisco Bay and north along the San Francisco Peninsula to the City.

The Power Enterprise

Hetch Hetchy Water and Power is comprised of two key components: Hetch Hetchy Water, which operates and maintains the Hetch Hetchy Project, and Hetch Hetchy Power (known as the "Power Enterprise"), which is responsible for all SFPUC power utility commercial transactions and in-City power operations. The Hetch Hetchy Project provides water for distribution through the Water Enterprise, and hydroelectric power to municipal and other customers through the Power Enterprise.

A number of the facilities of the Hetch Hetchy Project are joint assets and are used for both water transmission and power generation and transmission, benefitting both Hetch Hetchy Water and the Power Enterprise. All power sales revenues are allocated to the Power Enterprise. Operating and capital costs benefitting the Power Enterprise and 55% of operating and capital costs that jointly benefit both Hetch Hetchy Water and the Power Enterprise are allocated to the Power Enterprise. Operating and capital costs benefitting Hetch Hetchy Water and 45% of operating capital costs jointly benefitting both Hetch Hetchy Water and the Power Enterprise are allocated to the SFPUC's Water Enterprise.

The Power Enterprise was created in February 2005 as a separate system and accounting unit within Hetch Hetchy Water and Power. The Power Enterprise provides retail electric service to meet the municipal requirements of the City, including power to operate the SFMTA's streetcars and electric buses, San Francisco General Hospital, City Hall, police stations, fire stations and schools, certain Port facilities, street and traffic lights, municipal buildings and other City facilities, such as SFO and to certain public agencies and retail customers and provides pedestrian and streetlight operation and maintenance services, energy efficiency, and distributed generation services to City residents and businesses and other customers. Additionally, the Power Enterprise provides power to the Modesto and Turlock Irrigation Districts and to other customers consistent with prescribed contractual obligations and federal law.

Community Choice Aggregation Service

California state law allows a local government entity to sell electricity directly to customers within the entity's jurisdiction through a Community Choice Aggregation ("CCA") program. Under a CCA program, a public entity may develop a portfolio of energy supplies that it purchased or produced to meet specific local targets for renewable energy or to meet other policy and service objectives. Transmission and distribution services would continue to be provided by the local utility subject to CPUC tariffs. Customers within a CCA's jurisdiction may choose to opt-out of the program.

The SFPUC has developed a CCA program called "CleanPowerSF" for customers in San Francisco. After many years of study and development, Phase 1 of CleanPowerSF is planned to be launched in early 2016. The SFPUC does not anticipate that any of the Power Enterprise's customers would become CCA customers as the Power Enterprise's customers are not eligible under state law and the Power Enterprise already offers a clean energy portfolio at competitive rates. The Power Enterprise has committed to provide certain initial development funding to help launch CleanPowerSF's program until such time that CleanPowerSF is financially independent and can repay the Power Enterprise using revenues collected from its CCA customers.

The Power Enterprise's Trust Indenture requires that any city-wide retail electric power program, such as a CCA, be a "Separate System." As such, CleanPowerSF is deemed to be a separate utility system apart from the Power Enterprise electric system, with CleanPowerSF's costs supported by revenues received by its CCA customers.

Senior and Parity Indebtedness

As of October 1, 2015, the Power Enterprise had \$39,555,000 in outstanding aggregate principal amount of Power Revenue Bonds (the "Series 2015 A and B Power Revenue Bonds"). The Commercial Paper Notes are secured on a subordinate basis to the Series 2015 A and B Power Revenue Bonds. The Series 2015 A and B Power Revenue Bonds have underlying ratings of AA- by Fitch, Inc. ("Fitch") and A+ by Standard & Poor's Ratings Services ("Standard & Poor's").

As of October 1, 2015, the Power Enterprise also had \$17,766,855 in outstanding aggregate principal amount of Subordinate Obligations. The Subordinate Obligations consist of certain federal subsidy bonds (clean renewable energy bonds, new clean renewable energy bonds and qualified energy conservation bonds) that were privately placed on a non-rated basis. The Commission intends to issue, on a privately-placed, non-rated basis, \$4,100,000 of new clean renewable energy bonds (the "2015 NCREBs") in mid-October 2015. The 2015 NCREBs will also be Subordinate Obligations of the Power Enterprise. The Commercial Paper Notes are secured on a parity basis to the Subordinate Obligations.

Subject to the rate covenant and additional bonds test discussed under the caption "THE COMMERCIAL PAPER NOTES—Limited Obligation of Commercial Paper Notes," there is no limitation in the Charter, the Resolutions, the Ordinances or the Issuing and Paying Agent Agreement on Commission indebtedness senior to the Commercial Paper Notes. The Commission can, with majority voter approval or a two-thirds vote of the Board, authorize additional Power Revenue Bonds, the payment of which will be prior to the payment of the Commercial Paper Notes. The Commission also can authorize additional indebtedness on parity with the Commercial Paper Notes, including additional Subordinate Obligations, without notice to, or consent of, any holder of the Commercial Paper Notes.

Timely payment of the Commercial Paper Notes may be dependent upon the availability of the funds under the Letter of Credit.

Investment Policy

The investment policy of the City is reviewed annually and is subject to change. A copy of the City's Annual Statement of Investment Policy can be found at <http://www.sftreasurer.org/>.

The financial statements of the Power Enterprise for the Fiscal Year ended June 30, 2014 are attached hereto as Appendix C. Additional financial and operating data relating to the Commission may be found in the Commission's most recent Continuing Disclosure Annual Report filed annually with the Municipal Securities Rulemaking Board, and may also be found on the Commission's official website at www.sfwater.org. See "ADDITIONAL INFORMATION."

THE COMMERCIAL PAPER NOTES

The Commercial Paper Notes are authorized to be issued pursuant to the Charter; Article V of Chapter 43 of Part I of the San Francisco Administrative Code, enacted by Ordinance No. 203-98 (the "Procedural Ordinance"), adopted on June 8, 1998 by the Board and signed by the Mayor on June 19, 1998, as amended by Ordinance 270-06 adopted on October 24, 2006 by the Board and signed by the Mayor on October 31, 2006, to establish a procedure for the Commission to issue commercial paper; Resolution No. _____ adopted on _____, 2015 by the Commission; and Ordinance No. 106-14, adopted on June 24, 2014 by the Board and signed by the Mayor on July 2, 2014, Ordinance No. 40-15, adopted on March 24, 2015 by the Board and signed by the Mayor on April 2, 2015, Ordinance No. 41-

15, adopted on March 24, 2015 by the Board and signed by the Mayor on April 2, 2015 and Ordinance No. _____, adopted on _____, 2015 by the Board and signed by the Mayor on _____, 2015 (collectively, the "Approving Ordinance" and collectively with the Procedural Ordinance, the "Ordinances"), providing for and approving of the issuance by the Commission of not to exceed \$90,000,000 principal amount of Commercial Paper Notes.

The Commercial Paper Notes are issued pursuant to the terms of the Issuing and Paying Agent Agreement.

The Commercial Paper Notes will be issued from time to time to finance projects associated with the Commission's Power Enterprise. The Commission may issue, and have outstanding at any one time, an aggregate principal amount of Commercial Paper Notes up to \$90,000,000.

The Commercial Paper Notes are dated the date of their original issuance, issued in book-entry form only in denominations of \$100,000, and in integral multiples of \$1,000 in excess of \$100,000, and bear interest at separately stated interest rates not to exceed 12% per annum.

The Commercial Paper Notes are fully registered notes registered in the name of Cede & Co., as registered owner and nominee for The Depository Trust Company ("DTC"), New York, New York. Beneficial ownership interests in the Commercial Paper Notes are available in book-entry form only, and purchasers of the Commercial Paper Notes will not receive certificates representing their interests in the Commercial Paper Notes purchased. While held in book-entry form, all payments of principal of and interest on the Commercial Paper Notes will be made by wire transfer to DTC or its nominee as the sole registered owner of the Commercial Paper Notes. Payments to the beneficial owners are the responsibility of DTC and its participants. See APPENDIX A – "BOOK-ENTRY SYSTEM FOR COMMERCIAL PAPER NOTES."

Each Commercial Paper Note will bear interest payable at maturity at an annual rate calculated on the basis of actual days elapsed and a year of 365 or 366 days, as applicable.

Each Commercial Paper Note will mature not more than 270 days after its issuance date, but in no event later than the Business Day immediately preceding the Termination Date of the Letter of Credit (defined below).

Each Commercial Paper Note (i) will be sold at a price of not less than 100% of the principal amount thereof, and (ii) will mature on a Business Day. The Commercial Paper Notes will not be subject to redemption prior to maturity. Payments of principal of and interest on maturing Commercial Paper Notes will be made by the Issuing and Paying Agent directly to DTC.

Limited Obligation of Commercial Paper Notes

The Commercial Paper Notes will be payable solely from the proceeds of Commercial Paper Notes, Available Power Enterprise Revenues or amounts drawn pursuant to the related Letter of Credit, as provided in the Issuing and Paying Agent Agreement. THE GENERAL FUND OF THE CITY AND COUNTY OF SAN FRANCISCO IS NOT LIABLE, AND NEITHER THE CREDIT NOR THE TAXING POWER OF THE CITY AND COUNTY OF SAN FRANCISCO IS PLEDGED, FOR THE PAYMENT OF THE COMMERCIAL PAPER NOTES. Capitalized terms used below and not defined have the respective meanings given such terms in the Issuing and Paying Agent Agreement or the Power Bonds Indenture.

“Available Power Enterprise Revenues,” means all of the moneys in the Revenue Fund (as defined in the Power Bonds Indenture and comprised primarily of Power Enterprise Revenues and earnings thereon) remaining after (a) the payments required by Subsections 5.5(a)-(e) of the Power Bonds Indenture, and all other amounts payable on parity with amounts paid under Subsection 5.1(f) of the Power Bonds Indenture pursuant to the terms thereof and (b) all amounts required to be paid for principal, interest, reserve fund and any other debt service or other requirements under any other indenture or resolution of the Commission relating to any Subordinate Obligations (including the Commercial Paper Notes) as the same become due and payable.

“Power Enterprise Revenues” has the meaning ascribed to the term “Net Revenues” in the Power Bonds Indenture, which is defined as, for any Fiscal Year (or other designated twelve-month period), Revenues in such Fiscal Year (or other designated twelve-month period), less (a) Operation and Maintenance Expenses, and (b) any Priority R&R Fund Deposit for such Fiscal Year (or other designated twelve-month period).

“Revenues” means all revenues, rates and charges received and accrued by the Commission for electric power and energy and other services, facilities and commodities sold, furnished or supplied by the Power Enterprise, together with income, earnings and profits therefrom (including interest earnings on the proceeds of any Bonds pending application thereof), as determined in accordance with GAAP. “Revenues” includes payments to the Power Enterprise on or with respect to loans from any Separate System maintained by the Commission. “Revenues” do not include (a) proceeds from the issuance of any obligations for borrowed money, (b) amounts loaned to the Power Enterprise, (c) Swap Agreement Receipts, (d) proceeds from taxes, (e) customer deposits while retained as such, (f) contributions in aid of construction, (g) gifts, (h) grants, (i) insurance or condemnation proceeds that are properly allocable to a capital account, (j) non-cash revenues or gains that may be required or permitted under GAAP, including mark-to-market gains and deferred revenues, (k) money received by the Commission as the proceeds of the sale of any portion of the properties of the Power Enterprise, (l) amounts by their terms not available for the payment of Operation and Maintenance Expenses or Principal and interest on the Bonds, (m) Refundable Credits; (n) revenues of any Separate System, (n) Water Enterprise revenues as defined in the document or agreement governing the then-outstanding senior lien obligations of the Water Enterprise for borrowed money, and (o) Wastewater Enterprise revenues as defined in the document or agreement governing the then-outstanding senior lien obligations of the Wastewater Enterprise for borrowed money.

Under the Issuing and Paying Agent Agreement, the Commission will covenant to establish, maintain and collect rates and charges with respect to the Power Enterprise sufficient (after giving effect to the expected receipt of refinancing proceeds from the sale of Commercial Paper Notes or Power Revenue Bonds) to pay the Commercial Paper Notes, including any Bank Notes that are outstanding. The Commission also will covenant not to issue any additional bonds, notes or other obligations for borrowed money payable from or secured by the revenues of the Power Enterprise unless the Commission certifies that either (i) actual revenues for the most recently completed fiscal year or (ii) projected revenues for the next three fiscal years following the issuance of such additional bonds, notes or other indebtedness, are or will be sufficient to satisfy the rate covenant defined above, assuming the issuance of such additional bonds, notes or other indebtedness to pay any maturing Commercial Paper Notes.

LETTER OF CREDIT AND REIMBURSEMENT AGREEMENT

The following description is a summary of certain provisions of the Letter of Credit and the Reimbursement Agreement. Such summary does not purport to be a complete description or restatement of the material provisions of the Letter of Credit or the Reimbursement Agreement. Investors should obtain and review copies of the Letter of Credit and the Reimbursement Agreement in order to understand

all of the terms of those documents. All capitalized terms appearing under this heading "LETTER OF CREDIT AND REIMBURSEMENT AGREEMENT" shall have the meanings assigned to them in the Reimbursement Agreement.

The Issuing and Paying Agent is authorized to draw on the Letter of Credit in an aggregate amount not to exceed the Stated Amount of the Letter of Credit and in accordance with the terms and conditions and, subject to the reductions and reinstatements as described therein, in amounts as set forth in the Letter of Credit, in one or more Drawings (as defined in the Letter of Credit), payable as set forth in the Letter of Credit on any Business Day (as defined in the Letter of Credit), by presentation of the appropriate certifications, (i) for the payment at maturity of the principal of and interest on Commercial Paper Notes or (ii) for the payment at maturity of the principal of and interest to maturity on Commercial Paper Notes that otherwise mature on or after the date that the Issuing and Paying Agent receives a Final Drawing Notice (as defined in the Letter of Credit) from the Bank.

Upon the Bank honoring any Drawing, the Stated Amount and the amount available to be drawn under the Letter of Credit by the Issuing and Paying Agent pursuant to any subsequent Drawing shall be automatically decreased by an amount equal to the amount of such Drawing. In connection therewith, the Stated Amount shall be increased when and to the extent, but only when and to the extent (i) (A) of transfer by the Issuing and Paying Agent to the Bank on the date such Drawing is honored of proceeds of Commercial Paper Notes issued on such date or (B) the Issuing and Paying Agent receives written notice from the Bank that the Bank has been reimbursed by or on behalf of the Commission for any amount drawn under the Letter of Credit by any Drawing, and (ii) that the Issuing and Paying Agent has not received a No-Issuance Notice (as defined in the Letter of Credit) from the Bank.

The Letter of Credit shall expire at the close of business of Bank of America, on the date (the earliest of such date to occur referred to as the "Termination Date") which is the earliest of (i) _____, 2017 (unless extended pursuant to the terms of the Letter of Credit), (ii) the later of the date on which the Bank receives written notice from the Issuing and Paying Agent that an Alternate Facility (as defined in the Issuing and Paying Agent Agreement) has been substituted for the Letter of Credit in accordance with the Issuing and Paying Agent Agreement and the effective date of any such Alternate Facility (after the Bank honors any properly presented and conforming Drawing on such date), (iii) the date on which the Bank receives written notice from the Issuing and Paying Agent that there are no longer any Commercial Paper Notes Outstanding within the meaning of the Issuing and Paying Agent Agreement and that the Issuing and Paying Agent elects to terminate the Letter of Credit, and (iv) the earlier of (a) the fifteenth (15th) calendar day after the date on which the Issuing and Paying Agent receives the Final Drawing Notice, and (b) the date on which the Drawing resulting from the delivery of the Final Drawing Notice is honored under the Letter of Credit.

RATINGS

Fitch Ratings has assigned a rating of “___” on the Commercial Paper Notes. Standard & Poor’s Ratings Services, a Standard & Poor’s Financial Services, LLC business, has assigned a rating of “___” on the Commercial Paper Notes. Each of such ratings is based on the understanding that the Letter of Credit has been executed and delivered by the Bank.

Such ratings reflect only the views of such organizations and an explanation of the significance of such ratings may be obtained only from the agencies at the following addresses: Fitch Ratings, 99 Church Street, New York, New York 10004 and Standard & Poor’s Ratings Services, a Standard & Poor’s Financial Services LLC business, 55 Water Street, New York, New York 10004. The Commission furnished to such rating agencies certain information and materials regarding the Commercial Paper Notes and the Power Enterprise. In addition, the Bank furnished certain information to such rating agencies regarding the Bank and its Letter of Credit and Reimbursement Agreement. There is no assurance such ratings will continue for any given period or that they will not be revised downward or withdrawn entirely by the rating agencies, if in the judgment of such rating agencies, circumstances so warrant and, therefore, any prospective purchaser should confirm the ratings prior to purchasing the Commercial Paper Notes. Any such change in or withdrawal of such ratings could have an adverse effect on the market for or market price of the Commercial Paper Notes. The above ratings are not recommendations to buy, sell or hold the Commercial Paper Notes. The Commission has not undertaken to provide notice to the holders of the Commercial Paper Notes of any change in the ratings on the Commercial Paper Notes.

The ratings on the Commercial Paper Notes may be adversely affected by a downgrade of the credit ratings of the Bank. The Commission undertakes no responsibility to oppose any such change or withdrawal. Although the Commission has covenanted to maintain a liquidity facility for the Commercial Paper Notes, it is not obligated to replace the Bank in the event of a downgrade of the Bank’s rating. The Commission has not covenanted to provide notice to holders of the Commercial Paper Notes of any downgrade of the credit ratings of the Bank.

ABSENCE OF LITIGATION

There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body pending or, to the best of the knowledge of the Commission after reasonable investigation, threatened in any way (i) seeking to restrain or enjoin the issuance, sale or delivery of any of the Commercial Paper Notes or (ii) challenging the validity of the Commercial Paper Notes.

THE DEALERS

The Commission has appointed RBC Capital Markets, LLC, Goldman, Sachs & Co., and Barclays Capital Inc., each as a non-exclusive dealer with respect to the offering and sale of the Commercial Paper Notes.

TAX MATTERS

General

In the opinion of Sidley Austin LLP, San Francisco, California, Bond Counsel, under existing statutes, regulations, rulings and judicial decisions and assuming compliance with certain covenants set forth in the Issuing and Paying Agent Agreement and requirements of the Internal Revenue Code of 1986, as amended, regarding the use, expenditure and investment of proceeds of the Commercial Paper Notes and the timely payment of certain investment earnings to the United States, interest on the Commercial Paper Notes is not includable in the gross income of the owners of the Commercial Paper Notes for federal income tax purposes. Failure to comply with such covenants and requirements may cause interest on the Commercial Paper Notes to be included in gross income retroactively to the date of issuance of the Commercial Paper Notes.

In the further opinion of Bond Counsel, interest on the Commercial Paper Notes is not treated as an item of tax preference in calculating the alternative minimum taxable income of individuals and corporations. Such interest, however, is included as an adjustment in the calculation of federal corporate alternative minimum taxable income and may therefore affect a corporation's alternative minimum tax liability.

Ownership of, or the receipt of interest on, tax-exempt obligations may result in collateral income tax consequences to certain taxpayers, including, without limitation, financial institutions, property and casualty insurance companies, certain foreign corporations doing business in the United States, certain S corporations with excess passive income, individual receipts of Social Security or Railroad Retirement benefits, and taxpayers that may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations and taxpayers who may be eligible for the earned income tax credit. Bond Counsel expresses no opinion as to any collateral tax consequences and, accordingly, prospective purchasers of the Commercial Paper Notes should consult their tax advisors as to the applicability of any collateral tax consequences.

Certain requirements and procedures contained or referred to in the Issuing and Paying Agent Agreement and other relevant documents may be changed, and certain actions may be taken, under the circumstances and subject to the terms and conditions set forth in such documents, upon the advice or with the approving opinion of counsel nationally recognized in the area of tax-exempt obligations. Bond Counsel expresses no opinion as to the effect of any change to any document pertaining to the Commercial Paper Notes or of any action taken or not taken where such change is made or action is taken or not taken without Bond Counsel's approval or in reliance upon the advice of counsel other than Bond Counsel with respect to the exclusion from gross income of interest on the Commercial Paper Notes for federal income tax purposes.

Information Reporting and Backup Withholding

Interest paid on tax-exempt obligations is subject to information reporting in a manner similar to interest paid on taxable obligations. While this reporting requirement does not, by itself, affect the excludability of interest from gross income for federal income tax purposes, the reporting requirement

causes the payment of interest with respect to the Commercial Paper Notes to be subject to backup withholding if such interest is paid to beneficial owners that (a) are not “exempt recipients,” and (b) either fail to provide certain identifying information (such as the beneficial owner’s taxpayer identification number) in the required manner or have been identified by the IRS as having failed to report all interest and dividends required to be shown on their income tax returns. Generally, individuals are not exempt recipients, whereas corporations and certain other entities are exempt recipients. Amounts withheld under the backup withholding rules from a payment to a beneficial owner are allowed as a refund or credit against such beneficial owner’s federal income tax liability so long as the required information is furnished to the IRS.

State Tax-Exemption

In the further opinion of Bond Counsel, interest on the Commercial Paper Notes is exempt from personal income taxes imposed by the State.

Future Developments

Future or pending legislative proposals, if enacted, regulations, rulings or court decisions may cause interest on the Commercial Paper Notes to be subject, directly or indirectly, to federal income taxation or to State or local income taxation, or may otherwise prevent beneficial owners from realizing the full current benefit of the tax status of such interest. Legislation or regulatory actions and future or pending proposals may also affect the economic value of the federal or State tax exemption or the market value of the Commercial Paper Notes. Prospective purchasers of the Commercial Paper Notes should consult their tax advisors regarding pending or proposed federal or State tax legislation, regulations, rulings or litigation, as to which Bond Counsel expresses no opinion.

For example, various proposals have been made in Congress and by the President that would subject interest on bonds that is otherwise excludable from gross income for federal income tax purposes, including interest on the Bonds, to federal income tax payable by certain bondholders with adjusted gross income in excess of specified thresholds. Prospective purchasers should consult their tax advisors as to the effect of such proposals on their individual situations.

A copy of the form of opinion of Bond Counsel is attached hereto as APPENDIX B.

NO CONTINUING DISCLOSURE

The Commercial Paper Notes are exempt from the continuing disclosure requirements of Securities and Exchange Commission Rule 15c2-12, and the Commission has not undertaken to provide annually any secondary market information with respect to the Commercial Paper Notes.

LEGAL MATTERS

Upon the issuance of the Commercial Paper Notes, Sidley Austin LLP, San Francisco, California, Bond Counsel, will render the legal opinion described in “TAX MATTERS” above, the form of which is set forth in Appendix B hereto. Bond Counsel is not passing upon and undertakes no responsibility for the accuracy, completeness or fairness of the information contained in this Offering Memorandum. APPENDIX A

BOOK-ENTRY SYSTEM FOR COMMERCIAL PAPER NOTES

General

One master Commercial Paper Note in the aggregate principal amount not exceeding the \$90,000,000 available to secure the Commercial Paper Notes (Power Series) Series A-1 under the Letter of Credit has been registered in the name of Cede & Co., as nominee of The Depository Trust Company (“DTC”), New York, NY. DTC will act as securities depository for the Commercial Paper Notes.

Book-Entry System

DTC will act as securities depository for the Commercial Paper Notes. The Commercial Paper Notes will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered security certificate will be issued for the Commercial Paper Notes, in the aggregate principal amount of the Commercial Paper Notes, and will be deposited with DTC.

DTC, the world’s largest depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

Purchases of the Commercial Paper Notes under the DTC system must be made by or through Direct Participants, which will receive a credit for the Commercial Paper Notes on DTC’s records. The ownership interest of each actual purchaser of each Commercial Paper Note (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Commercial Paper Notes are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Commercial Paper Notes, except in the event that use of the book-entry system for the Commercial Paper Notes is discontinued.

To facilitate subsequent transfers, all Commercial Paper Notes deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Commercial Paper Notes with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Commercial Paper Notes; DTC's records reflect only the identity of the Direct Participants to whose accounts such Commercial Paper Notes are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Commercial Paper Notes may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Commercial Paper Notes. For example, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Commercial Paper Notes unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Commercial Paper Notes are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Payments of principal of and interest on the Commercial Paper Notes will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Commission or the Issuing and Paying Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC (nor its nominee), the Issuing and Paying Agent, or the Commission, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal of and interest evidenced by the Commercial Paper Notes to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Commission or the Issuing and Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

NEITHER THE COMMISSION NOR THE ISSUING AND PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO DTC PARTICIPANTS, INDIRECT PARTICIPANTS OR BENEFICIAL OWNERS WITH RESPECT TO THE PAYMENTS OR THE PROVIDING OF NOTICE TO DTC PARTICIPANTS, INDIRECT PARTICIPANTS OR BENEFICIAL OWNERS.

Neither the Commission nor the Issuing and Paying Agent can give any assurances that DTC, DTC Participants, Indirect Participants or others will distribute payments of principal of and interest on the Commercial Paper Notes paid to DTC or its nominee, as the registered Owner, or any redemption or other notice, to the Beneficial Owners or that they will do so on a timely basis or that DTC will serve and act in a manner described in this Offering Memorandum.

Discontinuation of the Book-Entry Only System

DTC may discontinue providing its services as securities depository with respect to the Commercial Paper Notes at any time by giving reasonable notice to the Commission or the Issuing and Paying Agent. Under such circumstances, in the event that a successor securities depository is not obtained, Commercial Paper Note certificates will be printed and delivered as described in the Issuing and Paying Agent Agreement.

The Commission may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Commercial Paper Note certificates will be printed and delivered as described in the Issuing and Paying Agent Agreement.

SO LONG AS CEDE & CO. IS THE REGISTERED OWNER OF THE COMMERCIAL PAPER NOTES, AS NOMINEE OF DTC, REFERENCES HEREIN TO THE OWNERS OR HOLDERS OF THE COMMERCIAL PAPER NOTES (OTHER THAN UNDER THE CAPTION "TAX MATTERS" HEREIN) SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE COMMERCIAL PAPER NOTES.

NEITHER THE COMMISSION, THE ISSUING AND PAYING AGENT, NOR THE DEALERS WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO DTC DIRECT PARTICIPANTS, INDIRECT PARTICIPANTS, OR TO ANY BENEFICIAL OWNER WITH RESPECT TO (I) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY DTC DIRECT PARTICIPANT, OR INDIRECT PARTICIPANT; (II) THE DELIVERY OF ANY NOTICE THAT IS PERMITTED OR REQUIRED TO BE GIVEN TO THE OWNERS OF THE COMMERCIAL PAPER NOTES UNDER THE ISSUING AND PAYING AGENT AGREEMENT; (III) THE PAYMENT BY DTC OR ANY DTC DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OR INTEREST DUE WITH RESPECT TO THE COMMERCIAL PAPER NOTES; (IV) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS THE REGISTERED OWNER OF COMMERCIAL PAPER NOTES; OR (V) ANY OTHER MATTER.

FORM OF BOND COUNSEL OPINION

_____, 2015

Public Utilities Commission

\$90,000,000
Public Utilities Commission
of the City and County of San Francisco
Commercial Paper Notes
(Power Series)
Series A-1

Ladies and Gentlemen:

We have acted as bond counsel to the Public Utilities Commission (the "Commission") of the City and County of San Francisco (the "City") in connection with the issuance of the Commission's Commercial Paper Notes (Power Series) Series A-1 (the "Commercial Paper Notes"). The Commercial Paper Notes are being issued pursuant to the Charter of the City and County of San Francisco, Article V of Chapter 43 of Part I of the San Francisco Administrative Code, enacted by Ordinance No. 203-98 adopted by the Board of Supervisors of the City (the "Board") on June 8, 1998 and signed by the Mayor of the City (the "Mayor") on June 19, 1998, as amended by Ordinance No. 270-06 adopted on October 24, 2006 by the Board and signed by the Mayor on October 31, 2006, Ordinance No. 266-06 adopted on October 24, 2006 by the Board and signed by the Mayor on October 31, 2006, Ordinance No. 106-14, adopted on June 24, 2014 by the Board and signed by the Mayor on July 2, 2014, Ordinance No. 40-15, adopted on March 24, 2015 by the Board and signed by the Mayor on April 2, 2015, Ordinance No. 41-15, adopted on March 24, 2015 by the Board and signed by the Mayor on April 2, 2015 and Resolution No. _____ adopted on _____, 2015 by the Board and signed by the Mayor on _____, 2015 (collectively, the "Ordinances"), Resolution No. _____ adopted by the Commission on _____, 2015, and Resolution No. 15-_____, adopted by the Commission on _____, 2015] (collectively, the "Resolutions"), with respect to the Commercial Paper Notes, an Issuing and Paying Agent Agreement, dated as of October 1, 2015 (the "Issuing and Paying Agent Agreement"), by and between the Commission and U.S. Bank National Association (in such capacity, the "Issuing and Paying Agent").

The Commercial Paper Notes are supported by an irrevocable direct pay Letter of Credit (the "Letter of Credit"), issued pursuant to the terms of a Reimbursement Agreement, dated as of October ___, 2015 (the "Reimbursement Agreement"), by and between the Commission and Bank of America, N.A. (the "Bank"). Capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Issuing and Paying Agent Agreement.

In our capacity as bond counsel, we have reviewed the Charter of the City, the Ordinances, the Resolutions, the Issuing and Paying Agent Agreement, the Letter of Credit, the Reimbursement Agreement, certifications of the City, the Commission, the Bank and others, opinions of the City Attorney and of counsel for the Bank and such other documents, opinions and instruments as we deemed necessary to render the opinions set forth herein. Our services as bond counsel were limited to such examination and to rendering the opinions set forth below.

We have assumed the genuineness of all documents and signatures presented to us. We have not undertaken to verify, and have assumed, the accuracy of the factual matters represented, warranted or certified in the documents. Furthermore, we have assumed compliance with all covenants and agreements contained in the Issuing and Paying Agent Agreement, including (without limitation) covenants and agreements compliance with which is necessary to assure that future actions, omissions or events will not cause interest on the Commercial Paper Notes to be included in gross income for federal income tax purposes.

Certain requirements and procedures contained or referred to in the Issuing and Paying Agent Agreement and other relevant documents may be changed and certain actions may be taken or not taken under the circumstances and subject to the terms and conditions set forth in such documents, upon the advice or with the approving opinion of nationally recognized bond counsel. We express no opinion as to the effect of any change to any document pertaining to the Commercial Paper Notes or of any action taken or not taken where such change is made or action is taken or not taken without our approval or in reliance upon the advice of counsel other than our firm with respect to the exclusion from gross income of the interest on the Commercial Paper Notes for federal income tax purposes.

Our opinion in item 2 below is subject to the limitations on the imposition of fees and charges by the Commission relating to the Power Enterprise under Articles XIII C and XIII D of the California Constitution and to bankruptcy, insolvency, reorganization, arrangement, moratorium and other similar laws affecting creditors' rights, to the application of general equitable principles (regardless of whether considered in a proceeding in equity or at law), to the exercise of judicial discretion in appropriate cases and to the limitations on legal remedies against public agencies in the State of California. In addition, we express no opinion with respect to any indemnification, contribution, penalty, choice of forum or waiver provisions contained in the foregoing documents.

Based on and subject to the foregoing, and in reliance thereon, as of the date hereof, we are of the following opinions:

1. The Commercial Paper Notes have been duly authorized and issued by the Commission and in accordance with the laws of the State of California in accordance with the terms of the Issuing and Paying Agent Agreement, and will constitute valid, legal and binding obligations of the Commission, payable from and secured by a pledge of Available Power Enterprise Revenues. The Commercial Paper Notes are also payable from the proceeds of refunding Notes or refunding bonds authorized for such purpose and from drawings under the Letter of Credit, as described above.

2. The Issuing and Paying Agent Agreement has been duly authorized, executed and delivered by the Commission and assuming due authorization, execution and delivery by the Issuing and Paying Agent, constitutes a valid, legal and binding obligation of the Commission enforceable against the Commission in accordance with its terms. The Issuing and Paying Agent Agreement creates a valid pledge, to secure the payment of the principal of and interest on the Commercial Paper Notes, of the Available Power Enterprise Revenues, as and to the extent set forth in the Issuing and Paying Agent Agreement and subject to the provisions of the Issuing and Paying Agent Agreement permitting the application thereof for the purposes and on the terms and conditions set forth therein.

3. The Commercial Paper Notes are limited obligations of the Commission and are payable exclusively from and are secured by a pledge of Available Power Enterprise Revenues from the proceeds of Commercial Paper Notes or drawings under the Letter of Credit as aforesaid. The general fund of the City is not liable, and the credit or taxing power of the City is not pledged, for the payment of the Commercial Paper Notes or the interest thereon.

4. Under existing statutes, regulations, rulings and judicial decisions and assuming continuing compliance by the Commission with certain covenants in the Issuing and Paying Agent Agreement and requirements of the Internal Code of 1986, as amended, regarding the use, expenditure and investment of proceeds of the Commercial Paper Notes and the timely payment of certain investment earnings to the United States, interest on the Commercial Paper Notes is not includable in gross income of the owners of the Commercial Paper Notes for purposes of federal income taxation. Failure to comply with such covenants and requirements may cause interest on the Commercial Paper Notes to be included in federal gross income retroactively to the date of issuance of the Commercial Paper Notes.

5. Interest on the Commercial Paper Notes is not treated as an item of tax preference in calculating the alternative minimum taxable income of individuals or corporations. Such interest, however, is included as an adjustment in the calculation of federal corporate alternative minimum taxable income and may therefore affect a corporation's alternative minimum tax liability.

6. Interest on the Commercial Paper Notes is exempt from personal income tax imposed by the State of California.

Other than as described herein, we have neither addressed nor are we opining on the tax consequences to any person of the investment in, or other receipt of interest on, the Commercial Paper Notes.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions. Such opinions may be adversely affected by actions taken or events occurring, including a change in law, regulation or ruling (or in the application or official interpretation of any law, regulation or ruling) after the date hereof. We have not undertaken to determine, or to inform any person, whether such actions are taken or such events occur, and we have no obligation to update this opinion in light of any such actions or events.

Unless otherwise notified by us, you may continue to rely on this opinion to the extent that (i) there is no change in pertinent existing state or federal law; (ii) the representations and warranties of the parties contained in the Issuing and Paying Agent Agreement, the Letter of Credit, the Reimbursement Agreement, and certain certificates, dated the date hereof and delivered by authorized officers of the Commission, remain true and accurate; (iii) no amendment has been made to the Issuing and Paying Agent Agreement, the Letter of Credit, the Reimbursement Agreement, or the Commercial Paper Notes without our prior written consent; and (iv) no litigation affecting the issuance or legality is pending or threatened at the time of the delivery of any such instruments. We undertake no obligation to determine, at any time, whether the conditions described in (i) through (iv) of the preceding sentence have been met.

This opinion is limited to the laws of the State of California and the federal laws of the United States. The opinions in this letter are expressed solely as of the date hereof for your benefit and may not be relied upon in any manner for any purpose by any other person.

Respectfully submitted,

ARTICLE 2

LETTER OF CREDIT

Section 2.1 **Issuance of Letter of Credit.** Upon the terms, subject to the conditions and relying upon the representations and warranties set forth in this Agreement or incorporated into Section 4.7 hereof, the Bank agrees to issue the Letter of Credit substantially in the form of Appendix I hereto. The Letter of Credit will be in the original stated amount of \$97,989,042 (the “Original Stated Amount”), which is the sum of (i) the aggregate principal amount of the Notes authorized to be issued under the Issuing and Paying Agent Agreement, plus (ii) interest thereon at the rate of 12 percent (12%) per annum for a period of two hundred seventy (270) days calculated on the basis of a 365-day year (and rounded up to the nearest dollar).

Section 2.2 **Letter of Credit Drawings.** The Issuing and Paying Agent is authorized to make Drawings under the Letter of Credit in accordance with its terms. The Commission authorizes the Bank to make payments under the Letter of Credit in the manner therein provided. The Commission irrevocably approves reductions and reinstatements of the Stated Amount as provided in the Letter of Credit.

Section 2.3 **Reimbursement.** Subject to the provisions of Section 2.4 hereof, the Commission agrees to pay, or to cause to be paid, to the Bank (i) on each date on which the Bank honors any demand for payment under the Letter of Credit (each such payment by the Bank being referred to as a “Drawing”) a sum equal to the amount so paid under the Letter of Credit (any amount so paid until reimbursed being referred to as an “Unpaid Drawing”), plus (ii) interest on the amount of each such Unpaid Drawing from and including the date such Drawing is paid until

the Bank is reimbursed in full for such Drawing equal to the Default Rate. Subject to the provisions of Section 2.4 hereof respecting Advances (each of which Advances when made will constitute reimbursement of a Drawing in an amount equal to the amount of such Advance), the Commission is obligated, without notice of a Drawing or demand for reimbursement (which notice is waived by the Commission), to reimburse the Bank for all Drawings on the same day as made. The amount of any Drawing relating to accrued interest on the related Notes must be reimbursed by the Commission on the date on which such Drawing is made. The Commission and the Bank agree that the reimbursement in full of each Drawing on the day such Drawing is made is intended to be a contemporaneous exchange for new value given to the Commission by the Bank. If a Drawing is reimbursed at or prior to 4:00 p.m. on the same day on which it is made, no interest will be payable on such Drawing.

Section 2.4 **Advances; Term Loans.**

(a) *Making of Advances.* The Bank agrees that if (i) the Bank pays any Drawing under the Letter of Credit, (ii) the portion of such Drawing relating to the principal amount of the related Notes will not be reimbursed in full on the date of such Drawing by payment to the Bank as provided in Section 2.3 hereof and (iii) (A) the representations and warranties of the Commission contained in Article Four of this Agreement are true and correct as of the date of such Drawing, (B) no Material Litigation shall be pending; (C) no event has occurred and is continuing which has or is having a material adverse effect on the Commission's obligations under this Agreement, the Fee Agreement, the Bank Note or the any of the other Basic Documents to which the Commission is a party or the ability of the Commission to perform its obligations in connection herewith or therewith and (D) no Default or Event of Default has occurred and is continuing on the date of such Drawing, the portion of such Drawing relating to the principal amount of the related Notes (or the portion thereof) which is not so reimbursed by the Commission to the Bank will automatically constitute an advance (individually an "Advance" and, collectively, the "Advances") made by the Bank to the Commission on the date of and in an amount equal to the amount of such Drawing relating to the principal amount of the related Notes (or portion thereof) which is not so reimbursed by the Commission to the Bank. For purposes of Section 2.3 hereof, each Advance when made will constitute reimbursement of the portion of the related Drawing relating to the principal amount of the related Notes in an amount equal to the amount of such Advance; and each Advance when made will preclude, to the extent of the amount of such Advance, the portion of the related Drawing relating to the principal amount of the related Notes from being or constituting an Unpaid Drawing. Unless the Commission has otherwise previously advised the Bank in writing, payment by the Bank of any Drawing under the Letter of Credit will be deemed to constitute a representation and warranty by the Commission that on the date of such Drawing (i) the representations and warranties of the Commission contained in Article Four hereof are true and correct on such date, (ii) no Material Litigation shall be pending on such date, (iii) no event has occurred and is continuing which has or is having a material adverse effect on the Commission's obligations under this Agreement, the Fee Agreement, the Bank Note or the any of the other Basic Documents to which the Commission is a party or the ability of the Commission to perform its obligations in connection herewith or therewith and (iv) no Default or Event of Default has occurred and is continuing on such date.

(b) *Payment of Principal and Interest on Advances.* Except as otherwise required or permitted by Section 2.4(c), 2.4(d) or 2.4(e) of this Agreement, the Commission shall repay, or cause to be repaid, the unpaid principal amount of each Advance on the earlier to occur of (i) the

ninetieth (90th) day following the date such Advance was made and (ii) the Termination Date (with respect to such Advance, the "*Term Loan Conversion Date*"). The Commission shall pay interest on the unpaid amount of each Advance from the date of such Advance until paid in full at the Bank Rate from time to time in effect; *provided* that, from and after the occurrence of an Event of Default, each Advance will bear interest at the Default Rate. Interest on each Advance shall be payable monthly, in arrears, on the first Business Day of each month (commencing with the first such date to occur after the making of the related Advance) and upon prepayment or maturity of such Advance. The amount of accrued interest on any Advance must be reimbursed by the Commission on the Term Loan Conversion Date.

(c) *Mandatory Prepayment of Advances and Term Loans.* The Commission shall prepay Advances and Term Loans if the aggregate proceeds of the issuance of Notes exceed the aggregate principal amount of Notes maturing on the date of such issuance. On the date of each such prepayment of Advances or Term Loans, as applicable (or portions thereof), the Commission shall pay to the Bank interest accrued and unpaid to the date of such prepayment on the aggregate amount of the Advances and Term Loans (or portions thereof) prepaid. Upon the Bank's receipt of any payment or prepayment of any Advance or Term Loan, the amount of such Advance and/or Term Loan shall be reduced by the amount of such payment or prepayment. Any prepayment pursuant to this paragraph (c) or paragraph (d) below will be applied first to outstanding Term Loans, in the inverse order of maturity, and then to outstanding Advances in the inverse order of maturity.

(d) *Optional Prepayment.* The Commission may prepay Advances in whole, or in part in a minimum amount of \$500,000 and in integral multiples of \$100,000 in excess thereof, in each case without penalty or premium, on one Business Day's prior written notice, such prepayment to be applied as set forth in paragraph (c) above.

(e) *Term Loan Option.* On a Term Loan Conversion Date, each Advance maturing on such date will, if the conditions set forth in Section 2.4(f) hereof have been satisfied, be converted to a term loan (a "*Term Loan*").

(f) *Conditions Precedent to Term Loans.* Principal amounts owed by the Commission for Advances remaining unpaid on their respective Term Loan Conversion Dates will be converted to Term Loans if and only if:

(i) the representations and warranties of the Commission contained in Article Four of this Agreement are true and correct on and as of the Term Loan Conversion Date, and deemed made as of such date, as though made on and as of such date;

(ii) no Material Litigation shall be pending;

(iii) no event has occurred and is continuing which has or is having a material adverse effect on the Commission's obligations under this Agreement, the Fee Agreement, the Bank Note or the any of the other Basic Documents to which the Commission is a party or the ability of the Commission to perform its obligations in connection herewith or therewith;

(iv) no Default or Event of Default has occurred and is continuing or would result from converting the Advance to a Term Loan; and

(v) neither a No-Issuance Notice nor a Final Drawing Notice is in effect.

(g) *Repayment of Term Loans.* The Commission agrees to pay to the Bank an amount equal to the unpaid principal amount of each Term Loan made by the Bank, together with interest thereon from and including the Term Loan Conversion Date to but excluding the date the Bank is reimbursed therefor at a rate per annum equal to the Bank Rate; *provided* that, from and after the occurrence of an Event of Default, each Term Loan will bear interest at the Default Rate. Interest on the unpaid balance of each Term Loan must be paid to the Bank monthly in arrears on the first Business Day of each calendar month during the term of such Term Loan (commencing with the first such date to occur after the applicable Term Loan Conversion Date) and on the Term Loan Maturity Date. Each Term Loan must be repaid in equal (or as nearly as possible) quarterly installments (each such installment referred to as a "*Principal Payment*"), such Principal Payments to commence on the first Quarterly Date that is at least ninety (90) days following the date of the related Advance and on each Quarterly Date thereafter and with the final installment being due and payable on the Term Loan Maturity Date, until paid in full; *provided* that the unpaid amount of each Term Loan must be paid in full not later than the applicable Term Loan Maturity Date; *provided, further,* that if the Commission elects to prepay a Term Loan in part, such prepayment will be applied (i) to the Term Loans in inverse order of the Term Loan Conversion Dates of the Term Loans and (ii) to the remaining Principal Payments relating to each Term Loan prepaid in inverse order of the due dates of such Principal Payments.

(h) *Prepayment of Term Loans.* The Authority may prepay any Term Loan in whole, or in part in a minimum amount of \$500,000 and in integral multiples of \$100,000 in excess thereof, in each case without penalty, on two Business Days' prior written notice, such prepayment to be applied as set forth in paragraph (g) above.

Section 2.5 Fees. The Commission agrees to pay and perform its obligations provided for in the Fee Agreement, including the payment of all fees and expenses provided for therein in the amounts and on the dates set forth therein. The terms and provisions of the Fee Agreement are incorporated herein by reference. All references to amounts due under this Agreement will be deemed to include all amounts and obligations (including, but not limited to, fees and expenses) due under the Fee Agreement. All fees paid under this Agreement and the Fee Agreement will be fully earned when due and nonrefundable when paid.

Section 2.6 The Bank Note. All Reimbursement Obligations will be evidenced by one promissory note of the Commission, designated "San Francisco Public Utilities Commission Series [A-1] Bank Note, (Power Revenues)," in substantially the form of Exhibit A hereto (the "*Bank Note*"), to be issued on the Closing Date, payable to the Bank in a principal amount equal to the Original Stated Amount. All Reimbursement Obligations owed to the Bank and all payments and prepayments made on account of principal and interest thereof will be recorded by the Bank on the schedule (or a continuation thereof) attached to the Bank Note, it being understood, however, that failure by the Bank to make any such endorsement will not affect the obligations of the Commission hereunder or under the Bank Note in respect of unpaid principal of and interest on the Reimbursement Obligations. The Commission shall pay principal and interest on the Bank Note on the dates and at the rates provided for in Sections 2.3 and 2.4 hereof with respect to Unpaid Drawings, Advances and Term Loans. The Commission's obligations to repay each Advance and Term Loan and to pay interest thereon as provided herein shall be evidenced and secured by the Bank Note, and the Commission shall redeem the Bank Note on each date on which the

Commission is required to make a principal payment on an Advance or Term Loan, as applicable, in an amount equal to the Advance or Term Loan payment, as applicable, due on such date.

Section 2.7 Termination of Letter of Credit; Reduction of Stated Amount.

(a) Notwithstanding any provision of this Agreement to the contrary, the Commission agrees not to terminate or replace the Letter of Credit, except upon (i) the payment to the Bank of all Obligations payable hereunder and under the Bank Note and the Fee Agreement and (ii) the Commission providing the Bank with thirty (30) days' prior written notice of its intent to terminate or replace the Letter of Credit; *provided* that all Obligations to the Bank must be paid to the Bank at or prior to the time of termination and any such termination or replacement of the Letter of Credit must be in compliance with the terms of the Issuing and Paying Agent Agreement.

(b) Notwithstanding any provision of this Agreement to the contrary, the Commission agrees not to permanently reduce the Stated Amount, except upon the Commission providing the Bank with thirty (30) days' prior written notice of its intent to permanently reduce the Stated Amount.

Section 2.8 Computation of Interest and Fees. Fees payable hereunder and under the Fee Agreement will be calculated on the basis of a year of 360 days and the actual number of days elapsed. Interest payable hereunder and under the Bank Note will be calculated on the basis of a year of 365 or 366 days, as the case may be, and the actual number of days elapsed. Interest will accrue during each period during which interest is computed from and including the first day thereof to but excluding the last day thereof.

Section 2.9 Payment Due on Non-Business Day to Be Made on Next Business Day. If any sum becomes payable pursuant to this Agreement on a day which is not a Business Day, the date for payment thereof will be extended, without penalty, to the next succeeding Business Day, and such extended time will be included in the computation of interest and fees.

Section 2.10 Default Rate. If any Obligation is not paid when due, such Obligation will bear interest until paid in full at a rate per annum equal to the Default Rate, payable on demand. Upon the occurrence and during the continuance of an Event of Default, the Obligations of the Commission hereunder will bear interest at the Default Rate, which interest will be payable by the Commission to the Bank upon demand therefor and be calculated on the basis of a 365- or 366-day year, as the case may be, and actual days elapsed.

Section 2.11 Source of Funds. All payments made by the Bank pursuant to the Letter of Credit will be made from funds of the Bank and not from the funds of any other Person.

Section 2.12 Extension of Stated Expiration Date. If the Commission on any date which is not more than one hundred twenty (120) days nor less than ninety (90) days prior to the Stated Expiration Date (as the same may be extended from time to time) submits to the Bank a written request for an extension of the Stated Expiration Date for a period as specified in such written request (not to exceed three years), the Bank shall make reasonable efforts to respond to such request within thirty (30) days after receipt of all information necessary, in the Bank's reasonable judgment, to permit the Bank to make an informed credit decision. If the Bank fails to definitively respond to such request within such period of time, the Bank will be deemed to have refused to

grant the extension requested. The Bank may, in its sole and absolute discretion, decide to accept or reject any such proposed extension, and no extension will become effective unless the Bank has consented thereto in writing. The consent of the Bank, if granted, is conditioned upon the preparation, execution and delivery of documentation in form and substance reasonably satisfactory to the Bank and consistent with this Agreement. If such an extension request is accepted by the Bank in its sole and absolute discretion, the then current Stated Expiration Date for the Letter of Credit will be extended to the date agreed to by the Commission and the Bank.

Section 2.13 Taxes.

(a) *Payments Free of Taxes.* Any and all payments by or on account of any obligation of the Commission hereunder, under the Bank Note or under the Fee Agreement must be made free and clear of and without reduction or withholding for any Indemnified Taxes or Other Taxes; *provided* that if the Commission is required by Applicable Law to deduct any Indemnified Taxes (including any Other Taxes) from such payments, then (i) the sum payable will be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section) the Bank or any Participant receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Commission shall make such deductions and (iii) the Commission shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with Applicable Law.

(b) *Payment of Other Taxes by the Commission.* Without limiting the provisions of paragraph (a) above, the Commission shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with Applicable Law.

(c) *Indemnification by the Commission.* The Commission shall indemnify the Bank and each Participant, within thirty (30) days after demand therefor, for the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) paid by the Bank or such Participant and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate stating the amount of such payment or liability delivered to the Commission by the Bank or any Participant will be conclusive absent manifest error. In addition, the Commission shall indemnify the Bank and each Participant, within thirty (30) days after demand therefor, for any incremental Taxes that may become payable by the Bank or such Participant as a result of any failure of the Commission to pay any Taxes when due to the appropriate Governmental Authority or to deliver to the Bank or such Participant pursuant to paragraph (d) below, documentation evidencing the payment of Taxes.

(d) *Evidence of Payments.* As soon as practicable after any payment of Indemnified Taxes or Other Taxes by the Commission to a Governmental Authority, the Commission shall deliver to the Bank or the applicable Participant the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Bank or such Participant, as applicable.

(e) *Treatment of Certain Refunds.* If the Bank or any Participant determines, in its sole discretion, that it has received a refund of any Taxes or Other Taxes as to which it has been

indemnified pursuant to this Section (including additional amounts paid by the Commission pursuant to this Section), it shall pay to the applicable indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, under this Section with respect to the Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Bank or such Participant, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); *provided* that the applicable indemnifying party, upon the request of the Bank or such Participant, as applicable, agrees to repay the amount paid over pursuant to this Section (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Bank or such Participant in the event the Bank or such Participant is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (e), in no event will the Bank or any Participant be required to pay any amount to an indemnifying party pursuant to this paragraph (e) the payment of which would place the Bank or such Participant in a less favorable net after-Tax position than the Bank or such Participant would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. This paragraph will not be construed to require the Bank or any Participant to make available its tax returns (or any other information relating to its taxes which it deems confidential) to the Commission or any other Person.

(f) *Survival.* Without prejudice to the survival of any other agreement of the Commission hereunder, the agreements and obligations of the Commission contained in this Section will survive the termination of this Agreement and the Letter of Credit and the payment in full of the Bonds and the obligations of the Commission thereunder and hereunder.

Section 2.14 **Increased Costs.**

(a) *Increased Costs Generally.* If any Change in Law:

(i) imposes, modifies or deems applicable any reserve, liquidity ratio, special deposit, insurance premium, fee, financial charge, monetary burden, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or advances, loans or other credit extended or participated in by, the Bank or any Participant, or funding any Drawing under the Letter of Credit or maintaining the Letter of Credit, or complying with any term of this Agreement, or against assets held by, or deposits with or for the account of, the Bank or such Participant;

(ii) subjects the Bank or any Participant to any Tax of any kind whatsoever with respect to this Agreement, the Bank Note, the Fee Agreement or the Letter of Credit or changes the basis of taxation of payments to the Bank or such Participant in respect thereof (except for Indemnified Taxes or Other Taxes covered by Section 2.13 and the imposition of, or any change in the rate of, any Excluded Tax payable by the Bank or any Participant);

(iii) subject credits or commitments to extend credit extended by the Bank or any Participant to any assessment or other cost imposed by the Federal Deposit Insurance Corporation or any successor thereto; or

(iv) imposes on the Bank or any Participant any other condition, cost or expense affecting this Agreement, the Bank Note, the Fee Agreement or the Letter of Credit;

and the result of any of the foregoing is to increase the cost to the Bank or such Participant related to funding any Drawing under the Letter of Credit or issuing or maintaining the Letter of Credit or its participation therein, as the case may be, or to reduce the amount of any sum received or receivable by the Bank or such Participant hereunder, under the Bank Note or under the Fee Agreement (whether of principal, interest or any other amount), then, upon written request of the Bank or such Participant as set forth in paragraph (c) of this Section, the Commission shall promptly pay to the Bank or such Participant, as the case may be, such additional amount or amounts as will compensate the Bank or such Participant, as the case may be, for such additional costs incurred or reduction suffered.

(b) *Capital Requirements.* If the Bank or any Participant determines that any Change in Law affecting the Bank or such Participant or the Bank's or such Participant's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on the Bank's or such Participant's capital or liquidity or on the capital or liquidity of the Bank's or such Participant's holding company, if any, as a consequence of this Agreement, the Bank Note, the Fee Agreement or the Letter of Credit, to a level below that which the Bank or such Participant or the Bank's or such Participant's holding company could have achieved but for such Change in Law (taking into consideration the Bank's or such Participant's policies and the policies of the Bank's or such Participant's holding company with respect to capital adequacy), then from time to time, upon written request of the Bank or such Participant as set forth in paragraph (c) of this Section, the Commission will pay to the Bank or such Participant such additional amount or amounts as will compensate the Bank or such Participant or the Bank's or such Participant's holding company for any such reduction suffered. Notwithstanding the foregoing, the amount that any Participant will be entitled to receive under this Section 2.14(b) will in no event exceed the amount that the Bank would have been entitled to receive under this Section 2.14(b) had such Participant's funding obligation been a direct obligation of the Bank.

(c) *Certificates for Reimbursement.* A certificate of the Bank or a Participant setting forth the amount or amounts necessary to compensate the Bank or such Participant or the Bank's or such Participant's parent or holding company, as the case may be, as specified in paragraph (a) or (b) of this Section and delivered to the Commission, will be conclusive absent manifest error. The Commission shall pay the Bank or such Participant, as the case may be, the amount shown as due on any such certificate within thirty (30) days after receipt thereof.

(d) *Delay in Requests.* Failure or delay on the part of the Bank or any Participant to demand compensation pursuant to this Section will not constitute a waiver of the Bank's or such Participant's right to demand such compensation; *provided* that the Commission is not required to compensate the Bank or such Participant pursuant to this Section for any increased costs incurred or reductions suffered more than one hundred eighty (180) days prior to the date that the Bank or such Participant, as the case may be, notifies the Commission of the Change in Law giving rise to such increased costs or reductions, and of the Bank's or such Participant's intention to claim compensation therefor (except that (i) if the Change of Law giving rise to such increased costs or reductions is retroactive, then the one hundred eighty day period referred to above will be extended to include the period of retroactive effect thereof and (ii) if the Bank or any such Participant had no actual knowledge of the action resulting in such increased costs as of the date six months prior to the date of notice to the Commission, then the six-month period referred to above will not apply).

(e) *Survival.* Without prejudice to the survival of any other agreement of the Commission hereunder, the agreements and obligations of the Commission contained in this Section will survive the termination of this Agreement and the Letter of Credit and the payment in full of the Bank Note and the obligations of the Commission thereunder and hereunder.

Section 2.15 Margin Regulations. No portion of the proceeds of any Drawing under the Letter of Credit may be used by the Commission (or the Issuing and Paying Agent or any other Person on behalf of the Commission) for the purpose of “purchasing” or “carrying” any margin stock or used in any manner which might cause the borrowing or the application of such proceeds to violate Regulation U, Regulation T or Regulation X of the Board of Governors of the Federal Reserve System or any other regulation of said Board of Governors or to violate the Securities Exchange Act of 1934, as amended, in each case as in effect on the date or dates of such Drawings or such use of proceeds.

Section 2.16 Maximum Rate; Payment of Fee. Anything in Section 2.3, 2.4 or 2.10 hereof to the contrary notwithstanding, the amount of interest payable hereunder for any interest period will not exceed the Maximum Rate. If for any interest period the applicable interest rate would exceed the Maximum Rate, then (i) such interest rate will not exceed but will be capped at such Maximum Rate and (ii) in any interest period thereafter that the applicable interest rate is less than the Maximum Rate, any Obligation hereunder will bear interest at the Maximum Rate until the earlier of (x) payment to the Bank of an amount equal to the amount which would have accrued but for the limitation set forth in this Section and (y) the Term Loan Maturity Date. Upon the Term Loan Maturity Date or, if no Term Loan is or could be outstanding on the Termination Date, the Termination Date, in consideration for the limitation of the rate of interest otherwise payable hereunder, to the extent permitted by Applicable Law, the Commission shall pay to the Bank a fee in an amount equal to the amount which would have accrued but for the limitation set forth in this Section that has not previously been paid to the Bank in accordance with the immediately preceding sentence.

Section 2.17 Security of Obligations. Notwithstanding any other provision of this Agreement or any other Basic Document to the contrary, all obligations to the Bank under this Agreement, including, without limitation, the Bank Note, are limited obligations of the Commission payable solely from Revenues, as provided in the Issuing and Paying Agent Agreement, and subject to application as set forth in the Master Trust Indenture. The Obligations and the Bank Note are Subordinate Obligations (as defined in the Master Trust Agreement).

Section 2.18 Commercial Paper Operations.

(a) *Issuance Generally.* The Commission shall permit Notes to be issued, and authorize the Issuing and Paying Agent to issue Notes, only in accordance with the terms of the Issuing and Paying Agent Agreement and this Agreement.

(b) *No-Issuance Notices; Final Drawing Notice.* Notes may be issued from time to time prior to the Stated Expiration Date in accordance herewith and with the Issuing and Paying Agent Agreement so long as (i) the Issuing and Paying Agent is not in receipt of a No-Issuance Notice by the Bank that has not been rescinded and (ii) the Issuing and Paying Agent is not in receipt of the Final Drawing Notice. The Bank may deliver a No-Issuance Notice at any time a Default or an Event of Default has occurred and is continuing. The Bank may deliver the Final

Drawing Notice at any time when an Event of Default has occurred and is continuing. A No-Issuance Notice or the Final Drawing Notice is effective when received by the Issuing and Paying Agent; *provided, however*, that a No-Issuance Notice or the Final Drawing Notice received by the Issuing and Paying Agent after 12:00 Noon on any day on which Notes are being issued will be effective on the next succeeding day. A No-Issuance Notice or the Final Drawing Notice may be given by facsimile or electronic mail transmission, confirmed in writing within 24 hours, but the failure to so confirm such No-Issuance Notice or the Final Drawing Notice in writing will not render such No-Issuance Notice or the Final Drawing Notice ineffective. The Bank shall furnish a copy of any No-Issuance Notice or the Final Drawing Notice to the Commission and the Dealers promptly following delivery thereof to the Issuing and Paying Agent, but the failure to furnish any such copy will not render ineffective such No-Issuance Notice or the Final Drawing Notice.

(c) *Reduction in Program Size.* In the event the Commission elects not to issue Notes up to the Maximum Rate, or otherwise limits the interest rate on a rollover of Notes to a rate of interest less than the Maximum Rate and, as a result of these actions the Bank is not reimbursed for a Drawing made to pay maturing Notes, then the Bank may deliver written notice to the Commission with a copy to the Issuing and Paying Agent and the Dealer or Dealers for the Notes instructing the Commission to permanently reduce the Program Size by the principal amount of the Drawing made to purchase such maturing Notes (the "*Reduction Amount*"). In the event the Bank delivers such a notice, the Commission shall cause the Issuing and Paying Agent to promptly deliver to the Bank a reduction certificate in the form of Annex G to the Letter of Credit requesting that the principal component of the Letter of Credit be reduced by the Reduction Amount and that the interest component of the Letter of Credit be proportionately reduced. Notwithstanding any other provision of this Agreement to the contrary, the Commission shall repay the amount of any Advance resulting from an Unpaid Drawing contemplated by this Section 2.18(c) together with accrued interest thereon no later than the date that is thirty (30) days following the date of such Advance.

Section 2.19 Method of Payment; Etc. All payments to be made by the Commission under this Agreement, the Bank Note or the Fee Agreement must be made to the Payment Account not later than 4:00 p.m. on the date when due and must be made in lawful money of the United States of America in freely transferable and immediately available funds. Any payment received after such time shall be deemed to be received on the next succeeding Business Day for purposes of calculating any interest payable in respect thereof.

ARTICLE 3

CONDITIONS PRECEDENT

Section 3.1 Conditions Precedent to Effectiveness. As conditions precedent to the obligation of the Bank to issue the Letter of Credit, each of the following conditions precedent must have been fulfilled to the satisfaction of the Bank and its counsel:

(a) *Opinions.* The Bank has received (i) an opinion of the City Attorney of the City dated the Closing Date and addressed to the Bank (or on which the Bank may rely) to the effect that (A) the Commission is duly organized and validly existing as a commission of the City pursuant to the Charter with full legal power and authority to execute this Agreement, the Fee Agreement and the other Basic Documents to which it is a party and to issue the Notes; (B) this Agreement, the Fee

Agreement and the other Basic Documents to which it is a party are valid and binding agreements of the Commission enforceable against the Commission in accordance with their respective terms, subject to bankruptcy, insolvency, moratorium or other laws affecting creditors' rights, to general principles of equity and to limitations on remedies against public agencies; (C) no authorization, approval, consent or order of any agency or body having jurisdiction over the Commission is required in connection with the issuance of the Notes which has not been obtained; (D) the issuance of the Notes and the execution, delivery and performance of this Agreement, the Fee Agreement and the other Basic Documents to which it is a party do not conflict with any law or material agreements to which the Commission is a party or cause a default under any material documents to which the Commission is a party; and (E) no litigation is pending or, to the best knowledge of the City Attorney, threatened against the Commission threatening its existence or power, its ability to issue the Notes or to enter into and perform its obligations under this Agreement, the Fee Agreement and the other Basic Documents to which it is a party or in which a final adverse decision could materially adversely affect the business, operations or financial condition of the Commission, such opinion (or, in lieu thereof, a reliance letter) to be addressed to the Bank, dated the Closing Date and in form and substance satisfactory to the Bank; and (ii) an opinion of the Bond Counsel dated the Closing Date and addressed to the Bank (or on which the Bank may rely) to the effect that (1) the Commission is duly organized and validly existing as a commission of the City pursuant to the Charter with full legal power and authority to execute this Agreement, the Fee Agreement and the other Basic Documents and to issue the Notes; (2) this Agreement, the Fee Agreement and the other Basic Documents are valid and binding agreements of the Commission enforceable in accordance with their respective terms, subject to bankruptcy, insolvency, moratorium or other laws affecting creditors' rights, to general principles of equity and to limitations on remedies against public agencies and (3) the interest on the Notes is excludable from the gross income of the recipients thereof for Federal income tax purposes and for State of California income tax purposes.

(b) *Documents.* The Bank has received executed copies of this Agreement, the Fee Agreement, the Ordinance, each Dealer Agreement that is to be in effect on the Closing Date, the Resolution, the Issuing and Paying Agent Agreement and the Bank Note, including all amendments and supplements, if any, to the foregoing, certified by the Secretary of the Commission, the Clerk of the Board or any Authorized Representative or the Board, as applicable, as being in full force and effect on and as of the Closing Date.

To the best knowledge of the Commission, the Offering Memorandum does not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided*, that no representation is made with respect to information included in the Offering Memorandum concerning (i) the Bank, furnished in writing by the Bank expressly for inclusion therein, or (ii) DTC, furnished in writing by DTC expressly for inclusion therein.

Section 4.9 No Default.

(a) No Default or Event of Default under this Agreement has occurred and is continuing that is or would, with the passage of time or the giving of notice, or both, constitute a default by the Commission in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any Basic Document to which it is a party.

(b) No "event of default" has occurred and is continuing under any other material mortgage, indenture, contract, agreement or undertaking to which the Commission is a party or which purports to be binding on the Commission or on any of its property.

On the basis of such review, the Commission does not believe that Environmental Laws are likely to have a material adverse effect on the ability of the Commission to make any payments in respect of the Notes, the Bank Note or any of its obligations hereunder or under the Fee Agreement.

Section 4.13 Tax Status of Interest on Notes. The Commission represents to the Bank that it has not taken any action, and knows of no action that any other Person has taken, which would cause interest on the Notes to be includable in the gross income of the recipients thereof for Federal income tax purposes or which would cause interest on the Notes to be includable in the gross income of the recipients thereof for State of California income tax purposes.

Section 4.14 Issuing and Paying Agent; Dealers. The Commission represents that U.S. Bank National Association has been duly appointed the Issuing and Paying Agent for the Notes and that [____], [____] and [____], collectively, have each been duly appointed to serve as Dealers for the Notes under its Dealer Agreement and the Resolutions.

Section 4.16 Liens. The Issuing and Paying Agent Agreement creates a valid Lien on and pledge of the Available Power Enterprise Revenues, subject only to the provisions of the Issuing and Paying Agent Agreement permitting the application thereof for purposes and on the terms and conditions set forth therein, and the moneys and other property described in Article [VI] thereof to provide security for the payment of the principal of and interest on the Notes and the obligations of the Commission under this Agreement, the Fee Agreement and the Bank Note, and no filings, recordings, registrations or other actions are necessary to create or perfect such Lien.

Section 4.17 Sovereign Immunity. The Commission is not entitled to immunity from legal proceedings to enforce this Agreement, the Fee Agreement, the Bank Note, the Notes or any other Basic Document to which the Commission is a party (including, without limitation, immunity from service of process or immunity from jurisdiction of any court otherwise having jurisdiction) and is subject to claims and suits for damages in connection with its obligations under this Agreement, the Fee Agreement, the Bank Note, the Notes or any other Basic Document to which the Commission is a party.

Section 4.18 City Business Days. Attached to this Agreement as Exhibit C is a complete and accurate list of the days that are legal holidays of the City for 2015, as well as any other day the City is authorized by law to be closed for official business during 2015.

Section 4.19 Usury. The terms of this Agreement and the Basic Documents to which the Commission is a party regarding the calculation and payment of interest and fees do not violate any applicable usury laws.

Section 4.20 Insurance. As of the Closing Date, the Commission maintains such insurance, including self-insurance, as is required by Section 5.1(k) hereof.

(g) *Litigation Notice.* The Commission shall promptly give notice to the Bank of any action, suit or proceeding actually known to it at law or in equity or by or before any court, governmental instrumentality or other agency which, if adversely determined, would materially impair the ability of the Commission to perform its obligations under the Notes, the Bank Note, this Agreement, the Fee Agreement or any other Basic Document.

(h) *Bank Agreements.* In the event that Commission shall enter into or otherwise consent to any amendment, supplement or other modification of any Bank Agreement after the Closing Date which Bank Agreement contains additional or more restrictive covenants or additional or more restrictive events of default ("*Improved Provisions*," which for the avoidance of doubt does not include pricing, termination fees and provisions related to interest rates), then the Commission shall provide the Bank with a copy of such Bank Agreement and the Improved Provisions shall automatically be deemed incorporated into this Agreement and the Bank shall have the benefit of the Improved Provisions until such time as the Bank Agreement containing such

Improved Provisions terminates. The Commission shall promptly cooperate with the Bank to enter into an amendment of this Agreement to include such Improved Provisions.

(i) *Further Assurances.* The Commission shall execute, acknowledge where appropriate and deliver, and cause to be executed, acknowledged where appropriate and delivered, from time to time, promptly at the request of the Bank, all such instruments and documents as are usual and customary or advisable to carry out the intent and purpose of this Agreement, the Bank Note and the other Basic Documents.

(j) *Notices.* The Commission shall promptly furnish, or cause to be furnished, to the Bank (i) notice of the occurrence of any "event of default" under the Issuing and Paying Agent Agreement, any other Basic Document to which it is a party or any other document pursuant to which Power Enterprise Debt is issued, incurred, enhanced or purchased, (ii) notice of the failure by any Dealer or the Issuing and the Paying Agent to perform any of their respective obligations under the applicable Dealer Agreement or the Issuing and Paying Agent Agreement, as applicable, (iii) copies of any communications received from any taxing authority, securities regulatory authority or Rating Agency with respect to the Notes, the transactions contemplated hereby or any other Power Enterprise Debt which are not restricted or prohibited from being shared under the law or the direction of a court of competent jurisdiction or other Governmental Authority or, with respect to Rating Agency reports, confidential draft Rating Agency reports, (iv) notice of any proposed substitution of this Agreement, (v) notice of any proposed amendment to the Issuing and Paying Agent Agreement or the Resolutions or any other Basic Document and copies of all such amendments promptly following the execution thereof and (vi) notice of the passage of any state or local Law not of general applicability to all Persons of which the Commission has knowledge, which could reasonably be expected to have a material adverse effect on the Commission's ability to perform its obligations under this Agreement or the other Basic Documents or to result in a material adverse effect on the enforceability or validity of this Agreement or any of the other Basic Documents.

(k) *Maintenance of Insurance.* The Commission shall maintain, or cause to be maintained, at all times, insurance on and with respect to its properties with responsible and reputable insurance companies; *provided, however,* that the Commission may maintain self-insurance general liability on its properties not covered by the public entity property insurance program policy, for worker's compensation and vehicle liability and, with the consent of the Bank, such other self-insurance as it deems prudent. Such insurance must include casualty, liability and workers' compensation and be in amounts and with deductibles and exclusions customary and reasonable for governmental entities of similar size and with similar operations as the Commission. The Commission shall, upon request of the Bank, furnish evidence of such insurance to the Bank. The Commission shall also procure and maintain at all times adequate fidelity insurance or bonds on all officers and employees handling or responsible for any Revenues or funds of the Power Enterprise, such insurance or bond to be in an aggregate amount at least equal to the maximum amount of such Revenues or funds at any one time in the custody of all such officers and employees or in the amount of one million dollars (\$1,000,000), whichever is less. The insurance described above may be provided as part of any comprehensive fidelity and other insurance and not separately for the Power Enterprise.

(l) *Alternate Facility.*

(i) The Commission shall use commercially reasonable efforts to obtain an Alternate Facility to replace the Letter of Credit (or otherwise refinance the Notes) if (A) the Bank decides not to extend the Stated Expiration Date pursuant to Section 2.12 hereof, (B) an Event of Default has occurred and is continuing, (C) the Commission terminates the Letter of Credit pursuant to Section 2.7 hereof or (D) the Bank declares all amounts due hereunder, under the Fee Agreement and under the Bank Note immediately become due and payable. The Commission shall not cause an Alternate Facility to become effective with respect to less than all the Notes without the prior written consent of the Bank.

(ii) The Commission agrees that any termination of this Agreement as a result of the provision of any Alternate Facility will require, as a condition thereto, that the Commission provide funds on the date of such termination, which funds will be sufficient to pay all amounts due to the Bank hereunder and under the Fee Agreement including, but not limited to, the amounts due with respect to the Bank Note together, in each case, with accrued but unpaid interest thereon. On the date of such termination, the Commission shall pay to the Bank an amount equal to the outstanding principal amount, together with any accrued by unpaid interest thereon, of any and all other obligations due and owing hereunder and under the Fee Agreement.

(m) *Preservation of Security.* The Commission shall take any and all actions necessary or reasonably requested by the Bank to maintain the security pledged in favor of this Agreement and the Bank Note as described in Section 5.1(n) hereof.

(n) *Pledge of Available Power Enterprise Revenues.* The Available Power Enterprise Revenues are hereby pledged to the payment of the Notes and the obligations of the Commission under this Agreement, the Fee Agreement and the Bank Note without priority or distinction of one over the other. The pledge of Available Power Enterprise Revenues herein made is irrevocable until all of the Notes and the obligations of the Commission under this Agreement, the Fee Agreement, the Bank Note and any Parity Debt secured by Available Power Enterprise Revenues have been paid and retired and any related obligations of the Commission under this Agreement have been satisfied. The Commission will not issue Debt secured by or payable from the Revenues on a basis that is senior to the obligations owed to the Bank hereunder, under the Fee Agreement under the Bank Note other than Bonds issued pursuant to the Master Trust Indenture.

(o) *Rates.* The Commission shall fix, establish, maintain and collect rates and charges for electric power and energy and other services, facilities and commodities sold, furnished or supplied through the facilities of the Power Enterprise, which shall be fair and nondiscriminatory and adequate to provide the Commission with Revenues in each Fiscal Year sufficient:

(i) To pay, to the extent not paid from other available moneys, (A) the Operation and Maintenance Expenses during such Fiscal Year, (B) Annual Debt Service on the Bonds due and payable in such Fiscal Year, (C) the amounts, if any, required to be deposited into the Reserve Fund established pursuant to the Master Trust Indenture during such Fiscal Year and (D) any and all other amounts the Commission is obligated to pay or set aside from the Revenues by law or contract in such Fiscal Year, including, without limitation and without duplication, amounts payable to the Bank under this Agreement, the Fee Agreement and the Bank Note and the principal of any interest on all Notes outstanding and/or expected to be outstanding during such Fiscal Year;

- (ii) To maintain a Bond Coverage Ratio of at least 1.0 to 1.0; and
- (iii) Together with Available Funds, to maintain a Bond Coverage Ratio of at least 1.25 to 1.00;

provided, however, the failure of the Commission to maintain the Bond Coverage Ratios in any Fiscal Year shall not constitute a default in the observance of the covenants of this subsection if:

(1) within 60 days after the Commission first determines that the Bond Coverage Ratio was not met or 60 days after the Commission's receipt of audited financial statements showing that the Bond Coverage Ratio was not met (whichever is earlier), the Commission engages a Consulting Engineer to deliver a report to the Commission within 60 days after such engagement which includes recommendations as to how the Commission can increase Revenues and/or reduce Operation and Maintenance Expenses so as to satisfy the Bond Coverage Ratios; and

(2) (A) within 120 days after receipt of the Consulting Engineer's report the Commission implements the recommendations set forth in such report; or (B) the report states that the Power Enterprise cannot generate Revenues and/or reduce Operation and Maintenance Expenses sufficient to enable the Commission to maintain the Bond Coverage Ratios while satisfying the other covenants set forth in the Master Trust Indenture, and the Commission increases its Revenues and/or reduces its Operation and Maintenance Expenses to the extent otherwise recommended in such report; or (C) the Commission is prevented from taking any such action by order of any court of competent jurisdiction.

Notwithstanding the foregoing, failure for two (2) consecutive Fiscal Years to maintain the Bond Coverage Ratios shall in all events constitute an Event of Default.

(p) *Budget.* The Commission shall include in each annual budget of the Commission all amounts reasonably anticipated to be necessary to pay all obligations due to the Bank hereunder, under the Fee Agreement and under the Bank Note. If the amounts so budgeted are not adequate for the payment of the obligations due hereunder, under the Fee Agreement and under the Bank Note, the Commission shall take such action as may be necessary to cause such annual budget to be amended, corrected or augmented so as to include therein the amounts required to be paid to the Bank during the course of the Fiscal Year to which such annual budget applies.

(q) *Payment of Taxes, Etc.* The Commission shall pay and discharge, or cause to be paid and discharged, all taxes, assessments and other governmental charges which may hereafter be lawfully imposed upon the Commission on account of the Power Enterprise or any portion thereof and which, if unpaid, might impair the security of the Notes, this Agreement, the obligations of the Commission under the Fee Agreement and the Bank Note when the same become due, but nothing herein contained will require the Commission to pay any such tax, assessment or charge so long as it in good faith contests the validity thereof. The Commission shall duly observe and comply with all valid material requirements of any Governmental Authority relative to the Power Enterprise or any part thereof.

(r) *Notice of Rating Change.* The Commission shall use its best efforts to notify the Bank as soon as practicable of any suspension, reduction or withdrawal in the senior long-term rating of any Power Enterprise Debt.

(s) *Issuing and Paying Agent and Dealer.*

(i) The Commission shall at all times maintain a Dealer with respect to the Notes. The Commission shall use its best efforts at all times to enforce the Dealer Agreement. The Commission agrees to cause the Dealer to use its best efforts to sell the Notes up to the maximum rate applicable to the Notes in order to repay maturing Notes. Each Dealer Agreement shall provide that the related Dealer may not resign until the earlier of (i) the appointment of a Dealer which is acceptable to the Bank and such Dealer's acceptance of such appointment and (ii) the date which is at least sixty (60) days following the receipt by the Commission, the Issuing and Paying Agent and the Bank of prior written notice of such resignation.

(ii) On and after the Closing Date, the Commission shall at all times maintain an Issuing and Paying Agent pursuant to the terms of the Issuing and Paying Agent. Any successor Issuing and Paying Agent (or any parent or affiliate of such Issuing and Paying Agent) shall have capital of not less than \$500,000,000, and underlying ratings from Moody's, S&P and Fitch of at least "A3" (or its equivalent), "A-" (or its equivalent) and "A-" (or its equivalent), respectively (unless, in each instance, the Bank in its discretion provides in writing an exception for a particular Issuing and Paying Agent under specified circumstances).

(iii) In no event shall the Commission permit any Dealer other than a Qualified Dealer to act as dealer for the Notes. In the event that any material adverse change occurs in the status of the financial condition of any Dealer for the Notes or its ability to perform its obligations under the Dealer Agreement to which it is a party, the Commission shall promptly disqualify and, if it desires, replace such Dealer and appoint another Qualified Dealer with respect to the Notes. If any Advance or Term Loan remains outstanding for a period of thirty (30) consecutive calendar days or any Dealer fails to perform its duties under the Dealer Agreement to which it is a party, the Commission shall, at the written direction of the Bank, cause the related Dealer (that has been unable to sell rollover Notes or fails to perform its duties) to be replaced with a Qualified Dealer within thirty (30) calendar days after receipt of such written direction. Any successor Dealer (or any parent or affiliate of such Dealer) shall have capital of not less than \$500,000,000, and underlying ratings from Moody's, S&P and Fitch of at least "A3" (or its equivalent), "A-" (or its equivalent) and "A-" (or its equivalent), respectively (unless, in each instance, the Bank in its discretion provides in writing an exception for a particular Dealer under specified circumstances).

(t) *Maintenance of Ratings on Notes.* The Commission shall at all times (i) maintain at least one short-term rating on the Notes by any of Fitch, Moody's and S&P, (ii) require at least two of Moody's, Fitch and S&P to maintain a long-term unenhanced debt rating on Senior Debt and (iii) cause at least one of Moody's, Fitch and S&P to maintain a long-term rating on the Bank Note.

Section 5.2 **Negative Covenants.** So long as the Letter of Credit has not expired or terminated or any Obligations remain outstanding under this Agreement, the Fee Agreement or the Bank Note the Commission shall not, unless the Bank otherwise consents in writing:

(a) *Amendments.* Subject to Section 5.1(c) hereof, directly or indirectly amend, supplement or terminate any of the Basic Documents or the Master Trust Indenture, except that (i) the Commission may amend or modify, or permit to be amended or modified, any of the Basic Documents (as and to the extent the Commission's participation is required for such purpose) in a manner (A) not relating to the duties, obligations or rights of the Bank under this Agreement and (B) not having a material adverse effect on (x) the ability of the Commission to pay when due the principal of or interest on the Notes and the obligations of the Commission under this Agreement, the Fee Agreement and the Bank Note or (y) the security, rights or remedies of the Bank hereunder, under the Bank Note or under any other Basic Document; and (ii) the Commission may amend the Offering Memorandum to update information relating to any entity described therein other than the Bank. The Commission agrees to deliver to the Bank copies of all such amendments, modification, supplements or other changes at least ten (10) Business Days prior to the effective date of any such amendment, modification, supplement or other change. The Bank shall, within five (5) Business Days, inform the Commission in writing if, in its reasonable discretion, such amendment, modification, supplement or other change requires the prior written consent of the Bank in accordance with this Section 5.2(a). Notwithstanding the foregoing, the Commission, without the Bank's prior written consent, may perform ministerial duties, make such provisions for the purpose of curing any ambiguity, inconsistency or omission, or of curing or correcting any defective provision, as the Commission may deem necessary or desirable, in any case which do not materially adversely affect the security, rights or remedies of the Bank hereunder, under the Bank Note, or under any other Basic Document and, solely in connection with the issuance of additional Debt, issue Debt in strict compliance with the terms of the governing documents related thereto.

(b) *Merger, Disposition of Assets.* Consolidate or merge with or into any Person or sell, lease or otherwise transfer all or substantially all of its assets to any Person.

(c) *Preservation of Corporate Existence, Etc.* Take any action to terminate its existence as a body politic and corporate and a political subdivision of the State or its rights and privileges as such entity within the State.

(d) *Total Outstanding.* Permit the aggregate principal amount of all Notes and the Bank Note outstanding at any time to exceed \$97,989,042 (except as provided in Section 5.2(f) hereof); or permit the aggregate principal amount of and interest on all Notes outstanding at any time to exceed the Stated Amount at such time.

(e) *Exempt Status.* Take any action, omit to take any action or cause or permit another Person to take any action or omit to take any action, which, if taken or omitted, would adversely affect the excludability of interest on the Notes (other than those issued as taxable Notes) from the gross income of the holders thereof for purposes of Federal income taxation.

(f) *Issue Power Enterprise Debt.*

(1) Issue any Senior Debt or Parity Debt unless:

(i) no "event of default" shall have occurred and be continuing under the agreement or instrument pursuant to which any outstanding Senior Debt or Parity Debt was issued or incurred and no event shall have occurred which, but for the passage of time or the giving of notice, would constitute an "event of default" under any such agreement or instrument;

(ii) such Senior Debt or Parity Debt does not exceed at any time any limitation set forth in the Constitution or other laws of the State, the Charter, the Resolution, the Ordinance, the Master Trust Indenture or any supplement thereto, any other resolutions adopted by the Commission, Ordinances adopted by the Board or the Issuing and Paying Agent Agreement;

(iii) in the case of Senior Debt, either:

(A) a Certificate of the Commission stating that, in each of the first three (3) full Fiscal Years after the sale of such Senior Debt, projected Net Revenues (1) *plus* Available Funds, are at least 1.25 times Annual Debt Service on the outstanding Senior Debt, after giving effect to the issuance of such Senior Debt, and (2) are at least 1.0 times Annual Debt Service on the outstanding Senior Debt, plus required deposits into any Reserve Fund established pursuant to the Master Trust Indenture, after giving effect to the issuance of such Senior Debt; or

(B) a Certificate of the Commission stating that Net Revenues from any twelve consecutive months of the prior 24 months: (1) *plus* Available Funds, are at least 1.25 times Annual Debt Service on the outstanding Senior Debt, after giving effect to the issuance of such Senior Debt, and (2) are at least 1.0 times Annual Debt Service on the outstanding Senior Debt, plus required deposits into any Reserve Fund established pursuant to the Master Trust Indenture after giving effect to the issuance of such Senior Debt; *provided, however*, for purposes of this paragraph (B) the following adjustments may be made to Net Revenues for such period, if so stated in the Certificate of the Commission; (I) an allowance for additional Revenues anticipated from any additions, extensions and improvements to the Power Enterprise to be acquired or constructed from proceeds of such or a prior Senior Debt and for any changes in Operation and Maintenance Expenses resulting therefrom, that are not reflected in Net Revenues for such Fiscal Year, but only if such additional Revenues and changes in Operation and Maintenance Expenses represent a full twelve months' change in Net Revenues attributable to such additions, extensions and improvements; and (II) An allowance for additional Revenues attributable to any increase in the rates and charges imposed by the Commission that (x) was in effect prior to the issuance of such Senior Debt but which, during all or part of such Fiscal Year, was not in effect, or (y) was adopted by the Commission prior to the issuance of such Senior Debt and will be in effect within 90 days after such issuance, but in either case only if such additional

Revenues represent a full twelve months' change in Net Revenues attributable to such increase in rates and charges;

(iv) in the case of Parity Debt, either:

(A) a Certificate of the Commission stating that, in each of the first three (3) full Fiscal Years after the sale of such Parity Debt, Revenues will be sufficient to pay (I) the Operation and Maintenance Expenses during each such Fiscal Year, (II) Annual Debt Service on the Bonds due and payable in each such Fiscal Year, (III) the amounts, if any, required to be deposited into the Reserve Fund established pursuant to the Master Trust Indenture during each such Fiscal Year and (IV) any and all other amounts the Commission is obligated to pay or set aside from the Revenues by law or contract in such Fiscal Year, including, without limitation and without duplication, amounts payable to the Bank under this Agreement, the Fee Agreement and the Bank Note and the principal of and interest on all Notes expected to be outstanding during any such Fiscal Year, including the Parity Debt to be issued; or

(B) a Certificate of the Commission stating that Net Revenues from any twelve consecutive months of the prior 24 months were sufficient to pay (I) the Operation and Maintenance Expenses during such twelve consecutive month period, (II) Annual Debt Service on the Bonds due and payable in such twelve consecutive month period, (III) the amounts, if any, required to be deposited into the Reserve Fund established pursuant to the Master Trust Indenture during such twelve consecutive month period and (IV) any and all other amounts the Commission was obligated to pay or set aside from the Revenues by law or contract in such twelve consecutive month period, including, without limitation and without duplication, amounts payable to the Bank under this Agreement, the Fee Agreement and the Bank Note during such twelve consecutive month period, the principal of and interest on all Notes outstanding during such twelve consecutive month period and the principal of and interest on the Parity Debt to be issued (assuming such Parity Debt had been outstanding during such twelve consecutive month period);

(v) the issuance of Parity Debt will not result in the creation of a Lien on the Available Power Enterprise Revenues that is senior to the Lien securing the Notes or the obligations under the Agreement, the Fee Letter and the Bank Note; and

(vi) any such Parity Debt is issued in compliance with Section [5.07] of the Issuing and Paying Agent Agreement;

(vii) in connection with the issuance of any additional Senior Debt, the Commission provides certificates demonstrating compliance with the requirements

set forth in Section 3.4 or Section 3.5, as the case may be, of the Master Trust Indenture;

(viii) in connection with the issuance of any additional Parity Debt, the Commission provides a certificate demonstrating compliance with the requirements set forth in Section [5.07] of the Issuing and Paying Agent Agreement; and

(ix) no Default or Event of Default has occurred and is continuing hereunder as a result thereof.

(2) The Commission will not issue Debt secured by or payable from the Revenues on a basis that is senior to the obligations owed to the Bank hereunder, under the Fee Agreement and the Bank Note other than the Bonds.

(g) *Use of Bank's Name.* Permit the use of the Bank's name in any official statement or other offering document unless the Bank has approved in writing the description of the Bank contained in such document.

(h) *Arbitrage Bonds; Tax-Exempt Status of Notes.* Invest the proceeds of the Notes in any way that would violate the Code or cause the Notes to be deemed "arbitrage bonds" or take any action or omit to take any action if such action or omission would adversely affect the exclusion of interest on the Notes from gross income of the holders thereof for Federal income tax purposes.

(i) *Swap Agreements.* Without the prior written consent of the Bank, enter into any Swap Agreement secured by Revenues (a) wherein any termination payments thereunder are senior to or on parity with the payment of the Notes or the Obligations or (b) which requires the Commission to post cash collateral to secure its obligations thereunder.

(j) *Liens.* Create or suffer to exist or permit any Lien on the Revenues other than the Liens created or permitted by the Master Trust Indenture, the Issuing and Paying Agent Agreement, this Agreement and Liens that are junior and subordinate to the Lien created by the Issuing and Paying Agent Agreement and this Agreement under terms and conditions satisfactory to the Bank.

(k) *Sovereign Immunity.* Assert the defense of any future right of sovereign immunity in a legal proceeding to enforce or collect upon the obligations of the Commission under this Agreement, the Fee Agreement or the Bank Note or the transactions contemplated hereby and thereby.

(l) *Power Enterprise.* Construct, operate or maintain, and shall not within the scope of its powers permit any other public or private corporation, political subdivision, district or agency or any Person whatsoever to construct, operate or maintain, within the City or any part thereof, any system or utility competitive with the Power Enterprise. The Commission shall have in effect, or cause to have in effect, at all times an ordinance or resolution requiring all customers of the Power Enterprise to pay the fees, rates and charges applicable to the services and facilities furnished by the Power Enterprise. The Commission shall not provide any service of the Power Enterprise free of charge to any Person, except (i) for free use by the City and its agencies, (ii) to the extent that any such free use is required by the terms of any existing contract or agreement and (iii) for incidental insignificant free use so long as such free use does not prevent the Commission from

satisfying the other covenants of this Agreement, including, without limitation, Section 5.1(o) hereof.

(m) *Preservation of Existence, Etc.* Take any action pursuant to the Charter to accomplish a merger of the Power Enterprise with any other entity or enterprise, unless and until the Commission has provided a method for segregating the Revenues from the revenues of said other entity or enterprise in a manner that will, or shall otherwise, preserve the Lien on the Available Power Enterprise Revenues for the payment of the Notes and the Obligations provided in Section 4.3 hereof and has obtained an opinion of counsel from a firm nationally recognized in the practice of tax-exempt financing that such merger will not, in and of itself, (i) affect the exclusion from gross income of the interest on the Notes or (ii) cause the Lien created by this Agreement to be no longer valid as required by Section 5.1(n) hereof. If the Commission does effect such a merger, the Commission shall provide written notice thereof to the Bank and shall deliver a copy of the aforementioned opinion to the Bank.

(n) *Use of Proceeds.* Use the proceeds of any credit extension, whether directly or indirectly, and whether immediately, incidentally or ultimately, to purchase or carry margin stock (within the meaning of Regulation U of the Board of Governors of the Federal Reserve System) or to extend credit to others for the purpose of purchasing or carrying margin stock or to refund indebtedness originally incurred for such purpose, in each case in violation of, or for a purpose which violates, or would be inconsistent with, Regulation T, U or X of the Board of Governors of the Federal Reserve System. The Commission shall not use the proceeds of the Notes or the Bank Note for any purpose other than as provided for in the Resolutions and not in contravention of applicable Law.

(o) *Notes.* Permit any Note issued pursuant to the Resolutions or the Issuing and Paying Agent Agreement to mature more than two hundred seventy (270) days after the date of issuance or after the Stated Expiration Date.

(a) All covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto will survive the making of any Drawing or Advance hereunder and will continue in full force and effect until all of the Obligations hereunder are paid in full. Whenever in this Agreement any of the parties hereto is referred to, such reference will, subject to the last sentence of this Section, be deemed to include the successors and assigns of such party, and all covenants, promises and agreements by or on behalf of the Commission which are contained in this Agreement will inure to the benefit of the successors and assigns of the Bank. This Agreement is made solely for the benefit of the Commission and the Bank, and no other Person (including, without limitation, the Issuing and Paying Agent, any Dealer or any holder of Notes) will have any right, benefit or interest under or because of the existence of this Agreement; *provided, further*, that the Commission's liability to any Participant will not in any event exceed that liability which the Commission would owe to the Bank but for such participation.

(b) Notwithstanding the foregoing, the Bank will be permitted to grant to one or more financial institutions (each a "*Participant*") a participation or participations in all or any part of the Bank's rights and benefits and obligations under this Agreement, the Bank Note, the Fee Agreement and the Letter of Credit on a participating basis but not as a party to this Agreement (a "*Participation*") without the consent of the Commission. In the event of any such grant by the Bank of a Participation to a Participant, the Bank shall remain responsible for the performance of its obligations hereunder and under the Letter of Credit, and the Commission may continue to deal solely and directly with the Bank in connection with the Bank's rights and obligations under this Agreement, the B and under the Letter of Credit. The Commission agrees that each Participant will, to the extent of its Participation, be entitled to the benefits of this Agreement as if such Participant were the Bank, *provided* that no Participant will have the right to declare, or to take actions in response to, an Event of Default under Section 6.1 hereof.

Section 7.4 Unconditional Obligations. The obligations of the Commission under this Agreement and under the Fee Agreement are absolute, unconditional, irrevocable and payable strictly in accordance with the terms of the Issuing and Paying Agent Agreement, this Agreement

and the other Basic Documents to which the Commission is a party, under all circumstances whatsoever, including, without limitation, the following:

- (a) any lack of validity or enforceability of this Agreement, the Letter of Credit, the Fee Agreement or the Notes or any other Basic Document;
- (b) any amendment or waiver of or any consent to departure from the terms of the Issuing and Paying Agent Agreement or all or any of the other Basic Documents to which the Bank has not consented in writing (unless pursuant to Section 5.2(a) hereof such consent is not required);
- (c) the existence of any claim, counterclaim, set-off, recoupment, defense or other right which any Person may have at any time against the Bank, the Commission, the Issuing and Paying Agent, any Dealer or any other Person, whether in connection with this Agreement, the other Basic Documents or any transaction related thereto;
- (d) any statement or any other document presented under the Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect;
- (e) payment by the Bank under the Letter of Credit against presentation of a draft or certificate which does not comply with the terms of the Letter of Credit; and
- (f) any other circumstances or happening whatsoever, whether or not similar to any of the foregoing.

Section 7.5 Liability of Bank; Indemnification.

(a) To the extent permitted by the law of the State, the Commission assumes all risks of the acts or omissions of the Issuing and Paying Agent with respect to the use of the Letter of Credit or the use of proceeds thereunder; *provided* that this provision with respect to the Bank is not intended to and will not preclude the Commission from pursuing such rights and remedies as it may have against the Issuing and Paying Agent under any other agreements. Neither the Bank nor any of its respective officers or directors will be liable or responsible for (i) the use of the Letter of Credit, the Drawings or the Advances, the proceeds of the Notes or the transactions contemplated hereby and by the other Basic Documents or for any acts or omissions of the Issuing and Paying Agent or any Dealer, (ii) the validity, sufficiency or genuineness of any documents determined in good faith by the Bank to be valid, sufficient or genuine, even if such documents, in fact, prove to be in any or all respects invalid, fraudulent, forged or insufficient, (iii) payments by the Bank against presentation of requests for Drawings or requests which the Bank in good faith has determined to be valid, sufficient or genuine and which subsequently are found not to comply with the terms of this Agreement or (iv) any other circumstances whatsoever in making or failing to make payment hereunder; *provided* that the Commission is not required to indemnify the Bank for any claims, losses, liabilities, costs or expenses to the extent, but only to the extent, caused by the gross negligence or willful misconduct of the Bank.

(b) To the extent permitted by the law of the State, the Commission indemnifies and holds harmless the Bank from and against any and all direct, as opposed to consequential, claims, damages, losses, liabilities, costs and expenses (including specifically reasonable attorneys' fees)

which the Bank may incur (or which may be claimed against the Bank by any Person whatsoever) by reason of or in connection with (i) the execution and delivery of this Agreement, the Fee Agreement, the Letter of Credit and the transactions contemplated hereby or thereby and (ii) any untrue statement or alleged untrue statement of any material fact contained in the Offering Memorandum prepared and distributed in connection with the Notes or the omission or alleged omission to state therein a material fact necessary to make such statements, in the light of the circumstances under which they are or were made, not misleading; *provided* that the Commission is not required to indemnify the Bank to the extent, but only to the extent, any such claim, damage, loss, liability, cost or expense is caused by the Bank's willful misconduct or gross negligence. The Bank is expressly authorized and directed to honor any demand for payment which is made under the Letter of Credit without regard to, and without any duty on its part to inquire into the existence of, any disputes or controversies between the Commission, any Dealer, the Issuing and Paying Agent or any other Person or the respective rights, duties or liabilities of any of them or whether any facts or occurrences represented in any of the documents presented under the Letter of Credit are true and correct.

(c) To the fullest extent permitted by applicable law, the Commission shall not assert, and waives, any claim against the Bank, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, the Letter of Credit, any other Basic Document or any agreement or instrument contemplated hereby or thereby, the transactions contemplated hereby or thereby or the use of the proceeds thereof.

(d) The obligations of the Commission under this Section 7.5 will survive the termination of this Agreement.

Section 7.6 Expenses. Upon receipt of a written invoice, the Commission shall promptly pay (i) the reasonable fees and expenses of counsel to the Bank incurred in connection with the preparation, execution and delivery and administration of this Agreement, the Letter of Credit, the Fee Agreement and the other Basic Documents as set forth in the Fee Agreement, (ii) the reasonable out-of-pocket expenses of the Bank incurred in connection with the preparation, execution and delivery and administration of this Agreement, the Letter of Credit, the Fee Agreement and the other Basic Documents (*provided* that such expenses to be paid in connection with the preparation and execution and delivery will not exceed the amount specified in the Fee Agreement), (iii) the fees and disbursements of counsel to the Bank with respect to advising the Bank as to its rights and responsibilities under this Agreement after the occurrence of an Event of Default and (iv) all costs and expenses, if any, in connection with the administration and enforcement of this Agreement and any other documents which may be delivered in connection herewith, including in each case the fees and disbursements of counsel to the Bank. In addition, and notwithstanding the foregoing, the Commission agrees to pay, after the occurrence of an Event of Default, all costs and expenses (including attorneys' fees and costs of settlement) incurred by the Bank in enforcing any obligations or in collecting any payments due from the Commission hereunder by reason of such Event of Default or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "workout" or of any insolvency or bankruptcy proceedings. The obligations of the Commission under this Section 7.6 will survive the termination of this Agreement.

Section 7.7 No Waiver; Conflict. Neither any failure nor any delay on the part of the Bank in exercising any right, power or privilege hereunder, nor any course of dealing with respect to any of the same, will operate as a waiver thereof or preclude any other or further exercise thereof, nor will a single or partial exercise thereof, preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The remedies herein provided are cumulative and not exclusive of any remedies provided by law. To the extent of any conflict between this Agreement, the Letter of Credit and any other Basic Documents, this Agreement will control solely as between the Commission and the Bank.

Section 7.8 Modification, Amendment, Waiver, Etc. No modification, amendment or waiver of any provision of this Agreement will be effective unless the same is in writing and signed in accordance with Section 7.1 hereof.

Section 7.9 Dealing with the Commission, the Issuing and Paying Agent and/or the Dealer. The Bank and its affiliates may accept deposits from, extend credit to and generally engage in any kind of banking, trust or other business with the Commission, the Issuing and Paying Agent and/or any Dealer regardless of the capacity of the Bank hereunder.

Section 7.10 Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction will, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provision in any other jurisdiction, and all other remaining provisions hereof will be construed to render them enforceable to the fullest extent permitted by law. The parties shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic or legal effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 7.11 Counterparts. This Agreement may be executed in two or more counterparts, each of which constitutes an original, but when taken together constitute but one agreement, and any of the parties hereto may execute this Agreement by signing any such counterpart. This Agreement may be delivered by the exchange of signed signature pages by facsimile transmission or by e-mail with a pdf copy or other replicating image attached, and any printed or copied version of any signature page so delivered will have the same force and effect as an originally signed version of such signature page.

Further, the Commission shall comply, and cause any of its subsidiaries to comply, with all applicable Bank Secrecy Act laws and regulations, as amended.

The

Commission agrees to provide such documentary and other evidence of the Commission's identity as may be requested by the Bank at any time to enable the Bank to verify the Commission's identity or to comply with any applicable law or regulation, including, without limitation, the Act.

Section 7.17 Electronic Transmissions. The Bank is authorized to accept and process any amendments, transfers, assignments of proceeds, Drawings, consents, waivers and all documents relating to the Letter of Credit which are sent to Bank by electronic transmission, including SWIFT, electronic mail, telex, telecopy, courier, mail or other computer generated telecommunications and such electronic communication will have the same legal effect as if written and will be binding upon and enforceable against the Commission. The Bank may, but shall not be obligated to, require authentication of such electronic transmission or that the Bank receives original documents prior to acting on such electronic transmission.

The General Manager or his or her designee is authorized and directed to execute and deliver the Issuing and Paying Agent Agreement, subject to such additions thereto or changes therein which the General Manager, upon consultation with the City Attorney and Director, shall approve, such approval to be conclusively evidenced by the execution and delivery of such Issuing and Paying Agent Agreement; and be it

FURTHER RESOLVED, If the Board adopts the Proposed Resolution, the General Manager or his or her designee is hereby authorized and directed to select and appoint one or more qualified commercial paper dealers from the pool of dealers that contract with the Commission to market its commercial paper upon such terms as the General Manager or his or her designee, upon consultation with the Director and the City Attorney determines are in the best interest of the Commission. The Dealer Agreement, in substantially the form submitted to this Commission, is hereby approved and recommended to the Director for approval pursuant to

Article V. The General Manager or his or her designee is authorized and directed to execute and deliver one or more Dealer Agreements in substantially said form, subject to such additions thereto or changes therein which the General Manager, upon consultation with the City Attorney and Director, shall approve, such approval to be conclusively evidenced by the execution and delivery of such Dealer Agreements, provided that the Dealer Agreement(s) are awarded to one or more qualified commercial paper dealers for a period not to exceed three years, with optional annual extensions not to exceed five years from the commencement date of the initial term; and be it

The General Manager (or the designee thereof) is further authorized and directed to distribute or cause to be distributed, in connection in the sale of any Commercial Paper Notes, one or more Offering Memoranda in such form, as the General Manager, upon consultation with the City Attorney and the Director, shall approve; and be it,

FURTHER RESOLVED, This Resolution is subject to adoption of the Proposed Resolution by the Board, and approved by the Mayor. The General Manager is hereby authorized and directed to submit the Proposed Resolution to the Board of Supervisors requesting consideration and approval of the establishment of a Power Enterprise Commercial Paper Program and the issuance from time to time of Power Enterprise Commercial Paper Notes in an aggregate principal amount not to exceed \$90,000,000. The General Manager is further authorized, in consultation with the City Attorney and the Director, to execute amendments to extend the term of the Reimbursement Agreement for an aggregate period not exceeding five years from its commencement date(s), provided that the annual facility fee payable to Bank of America shall not exceed \$350,000 per year in the aggregate for the CP Notes and no other terms are changed which would increase the financial risk to the Commission. The General Manager is further authorized, in consultation with the City Attorney and the Director, to execute one or more amendments to extend the term of any Dealer Agreement authorized hereunder for a period not to exceed three years, with optional annual extensions not to exceed five years from the commencement date of the initial term, so long as the total compensation to the commercial paper dealer(s) for their services with respect to the CP Notes shall not exceed an aggregate of \$50,000 per year; and be it

Administrative Code Sections 15000 et seq., (the "CEQA Guidelines"), and San Francisco Administrative Code Chapter 31 that the establishment of the Power CP Program and the issuance of the CP Notes is not subject to CEQA because as the establishment of a government financing mechanism that

does not identify individual specific projects to be constructed with the funds, it is not a project as defined by CEQA and the CEQA Guidelines and that the Commission shall consult with the City Attorney as to necessary CEQA findings and determinations with respect to any project prior to the expenditure of CP Note funds; and be it

FURTHER RESOLVED, The General Manager is authorized to delegate any of the responsibilities or duties set forth in this resolution to the Assistant General Manager, Business Services and Chief Financial Officer of the Commission; and be it

I hereby certify that the foregoing resolution was adopted by the Public Utilities Commission at its meeting of September 8, 2015.

APPROVAL

COMMISSION
SECRETARY

Result of Inaction:	SFPUC would not be in compliance with Charter Section 8B.123. Not approving this item would delay the 10-Year Capital Plan submittal to the Capital Planning Committee, the Mayor's Office, and the Board of Supervisors.

3 which have been authorized in accordance with the Charter.

4 Section 2. Part I of the San Francisco Municipal Code (the San Francisco
5 Administrative Code) is hereby amended by adding Chapter 84, to read as follows:

6 SEC. 84.1 DEFINITIONS. For purposes of this Chapter, the following terms shall
7 have the meanings given below:

8 (a) The term "Board" shall mean the Board of Supervisors of the City.

10 (c) The term "City" shall mean the City and County of San Francisco.

11 (d) The term "Commission" shall mean the Public Utilities Commission of the City.

12 (e) The term "Director" shall mean Director of the Mayor's Office of Public Finance

16 Commission pursuant to Section 9.107 of the Charter, the Commission, in anticipation of the
17 issuance of such revenue bonds, may incur short-term indebtedness in the form of
18 commercial paper, temporary notes or other forms of indebtedness subject to the limitations
19 set forth below.

20 The issuance of such short-term indebtedness, and certain of the terms and conditions
21 thereof, shall be subject to prior authorization by the Board.

23 indebtedness shall be limited to the purposes for which the applicable revenue bonds were
24 approved by the voters or by the Board, as the case may be. Short-term indebtedness
25 incurred pursuant to this Chapter shall not result in interest costs or a maturity date exceeding

1 the limits, if any, fixed by the voters or the Board, as the case may be, with respect to the
2 applicable revenue bond approval(s).

3 Such short-term indebtedness shall be payable solely from the proceeds of the
4 applicable revenue bonds, or revenues of the Commission pledged, or to be pledged, to the
5 payment of such revenue bonds. If any of the principal of such short-term indebtedness is
6 paid from revenues of the Commission (other than revenues derived from grants) rather than
7 from the proceeds of revenue bonds, the principal amount of revenue bonds the Commission
8 is thereafter authorized to issue shall be reduced by the principal amount of short-term
9 indebtedness paid from revenues (other than revenues derived from grants).

10 Any pledge of revenues by the Commission for the payment of short-term

12 Commission, be subordinate to any pledge of the Commission for its revenue bonds.

14 debt of the City, nor a legal or equitable pledge, charge, lien or encumbrance upon any
15 property of the City, or upon any income, receipt, revenue of the City, except the revenues or
16 funds, if any, pledged by the Commission.

17 All short-term indebtedness incurred pursuant to this Chapter must additionally comply
18 with each of the following provisions:

19 (a) shall be evidenced by notes, warrants, commercial paper or other
20 evidences of indebtedness maturing not later than five (5) years from
21 their issuance date; and

22 (b) any draw on such short-term indebtedness shall be subject to approval
23 by the Director.

24 Such short-term indebtedness may be sold at the discretion of the Director, upon
25 recommendation of the Commission, by public or private sale. All other terms and conditions

1 for such short-term indebtedness shall be determined by the Director, upon recommendation
2 of the Commission.

3 SEC. 84.3 CREDIT OR LIQUIDITY SUPPORT. The Director, upon
4 recommendation of the Commission, may arrange for credit or liquidity support for short-term
5 indebtedness issued pursuant to this Chapter or may arrange for credit or liquidity support to
6 provide an additional source of repayment for such short-term indebtedness.

7 Notwithstanding anything to the contrary in this Chapter, any monies paid by a
8 financial institution under any agreement for credit or liquidity support (a "Credit Facility")
9 shall:

- 10 (a) be repaid over a period not exceeding the maximum maturity, if any,
11 fixed by the voters or the Board, as the case may be, with respect to the
12 applicable revenue bond approval;
- 13 (b) bear interest at a rate that does not cause the aggregate average
14 interest cost to exceed the maximum approved interest cost on such
15 short-term indebtedness over the entire period such short-term
16 indebtedness is outstanding; and
- 17 (c) have such other terms and conditions as the Director, upon the
18 recommendation of the Commission, shall fix.

19 SEC. 84.4 MAXIMUM SHORT-TERM INDEBTEDNESS. The maximum principal
20 amount of all short-term indebtedness outstanding and incurred under this Chapter, including
21 any amounts outstanding under any Credit Facility, together with the outstanding principal
22 amount of related revenue bonds, shall not at any time exceed the maximum principal
23 amount of the applicable revenue bonds approved by the voters or the Board, as the case
24 may be.

25 ///

1 SEC. 84.5 REFUNDING SHORT-TERM INDEBTEDNESS. The Commission, with
2 the prior approval of the Director, may issue commercial paper, refunding notes, warrants, or
3 other evidences of short-term indebtedness, in anticipation of the issuance of revenue bonds,
4 for the purpose of paying and redeeming, at or prior to maturity, outstanding short-term
5 indebtedness issued in accordance with this Chapter. Notwithstanding the preceding
6 sentence, any short-term indebtedness issued to refund outstanding short-term indebtedness
7 may not:

- 8 (a) exceed the interest cost limitation set forth in Section 84.2; and
- 9 (b) exceed the limitation on the maximum principal amount of short-term

12 original short-term indebtedness it is refunding.

13 Short-term indebtedness issued to refund outstanding short-term indebtedness may be
14 refunded by the Commission in accordance with this Section 84.5.

13 Be it ordained by the People of the City and County of San Francisco:

14 Section 1. Findings. The Board of Supervisors (the "Board") of the City hereby finds
15 and declares as follows:

16 A. Pursuant to Charter Section 9.107(8), the San Francisco Public Utilities
17 Commission (the "Commission") is authorized to issue revenue bonds, without a vote of the
18 voters, to finance or refinance the acquisition, construction, installation, equipping,
19 improvement or rehabilitation of equipment or facilities for renewable energy and energy
20 conservation; and

21 B. By Resolution 14-0032 adopted by the Commission on February 11, 2014 (the
22 "Commission Resolution") the Commission has determined to issue revenue bonds (the
23 "Revenue Bonds") to finance the costs of various capital projects benefitting the SFPUC
24 Hetch Hetchy Power Enterprise (the "Capital Improvement Projects"), pursuant to the
25 Charter, and has formally requested this Board of Supervisors to authorize the issuance and

1 sale of such revenue bonds for such purposes, such Commission Resolution being on file
2 with the Clerk of the Board in File No. 140482, which is hereby declared to be a part of this
3 Ordinance as if set forth fully herein; and

4 C. The Commission has paid, beginning no earlier than 60 days prior to the
5 adoption of this Ordinance and will pay, on and after the date hereof, certain expenditures
6 (the "Expenditures") in connection with the acquisition, construction and/or equipping of the
7 Capital Improvements Project.

8 D. This Board of Supervisors, on behalf of the Commission, hereby determines that
9 those moneys previously advanced and to be advanced by the Commission on and after the
10 date hereof to pay the Expenditures are available only for a temporary period and it is
11 necessary to reimburse the Commission for the Expenditures from the proceeds of the
12 Revenue Bonds, which shall be issued on a tax-exempt basis.

13 E. This Board of Supervisors, on behalf of the Commission, adopts this Ordinance
14 as official action of the Commission in order to comply with Treasury Regulation §1.150-2
15 and any other regulations of the Internal Revenue Service relating to the qualification for
16 reimbursement of Commission expenditures incurred prior to the date of issue of the
17 Revenue Bonds.

18 F. In order to finance the costs of the Capital Improvement Projects, the Board now
19 desires to authorize the issuance and sale of power revenue bonds for such purposes.

20 Section 2. Approval of the Revenue Bonds. The Board hereby approves the
21 issuance and sale of the Revenue Bonds from time to time by the Commission pursuant to
22 Charter Section 9.107(8) and in accordance with the Commission Resolution in an
23 aggregate principal amount not to exceed \$112,346,843 ~~111,326,843~~ (inclusive of related
24 financing costs), at a maximum rate or rates of interest of not to exceed twelve percent
25 (12%) per annum to finance a portion of the costs of the design, acquisition and construction

1 of various capital projects in furtherance of the Capital Improvement Projects. The
2 Commission is hereby authorized to determine the timing, amount and manner of sale (i.e.,
3 competitive or negotiated methods of sale) of each series of Revenue Bonds issued
4 pursuant to this authorization; provided however, the Commission's authorization to issue
5 Revenue Bonds is subject to approval by the Commission's Board of the substantially final
6 form of offering document prior to the issuance of any bonds herein authorized.

7 Section 3. Declaration of Official Intent. The Board, on behalf of the Commission,
8 hereby declares the official intent of the Commission to reimburse the Commission with
9 proceeds of the Bonds for the Expenditures with respect to the Capital Improvements
10 Project made on and after a date that is no more than 60 days prior to the adoption of this
11 Ordinance. The Commission reasonably expects on the date hereof that it will reimburse
12 the Expenditures with proceeds of the Bonds. Each said Expenditure was and will be either
13 (A) of a type properly chargeable to a capital account under general federal income tax
14 principles (determined in each case as of the date of the Expenditure), (B) a cost of
15 issuance with respect to the Bonds, (C) a nonrecurring items that is not customarily payable
16 from current revenues, or (D) a grant to pay a party that is not related to or an agent of the
17 issuer so long as such grand does not impose any obligation or condition (directly or
18 indirectly) to repay any amount to or for the benefit of the Commission. The maximum
19 principal amount of the Revenue Bonds to be issued for the Capital Improvement Projects is
20 \$112,346,843 ~~\$111,326,843~~ (inclusive of financing costs).

21 The Commission will make a reimbursement allocation, which is a written allocation by
22 the Issuer that evidences the Commission's use of proceeds of the Revenue Bonds to
23 reimburse an Expenditure, no later than 18 months after the later of the date on which the
24 Expenditure is paid or the component of the Capital Improvement Projects is placed in service
25 or abandoned, but in no event more than three years after the date on which the Expenditure

1 is paid. The Commission recognizes that exceptions are available for certain "preliminary
2 expenditures," costs of issuance, certain *de minimis* amounts, expenditures by "small issuers"
3 (based on the year of issuance and not the year of expenditure) and expenditures for
4 construction projects of at least 5 years.

5 Section 4. General Authority. The Controller, Treasurer, the City Attorney and other
6 officers of the City and their duly authorized deputies and agents are hereby authorized and
7 directed, jointly and severally, to take such actions and to execute and deliver such
8 certificates, agreements, requests or other documents, as they may deem necessary or
9 desirable to facilitate the issuance, sale and delivery of the Revenue Bonds, to obtain bond
10 insurance or other credit enhancements with respect to the Revenue Bonds, to obtain
11 surety, to obtain title and other insurance with respect to the facilities to be financed, and
12 otherwise to carry out the provisions of this Ordinance.

13 Section 5. Ratification of Prior Actions. All actions authorized and directed by this
14 Ordinance and heretofore taken are hereby ratified, approved and confirmed by this Board.

15 Section 6. File Documents. All documents referred to as on file with the Clerk of the
16 Board are in File Nos. 140482.

17 Section 7. Effective Date. Pursuant to Charter Section 14.102, this Ordinance shall
18 take effect thirty (30) days after its adoption.
