11
12 WHEREAS, The San Francisco Public Utilities Commission (SFPUC) 10-year Capital
13 Plan contains significant funding for major transmission pipeline rehabilitation and
14 replacement projects that are critical to maintain reliable delivery of water to SFPUC's
15 customers; and

16 WHEREAS, On July 27, 2021, by Resolution No. 21-01117, the SFPUC Commission
17 authorized the General Manager to execute Contract No. PRO.0168.A, Engineering Services
18 for Transmission Pipelines with AECOM Technical Services, Inc. (AECOM), for a not to
19 exceed amount of \$7,000,000, and a duration of eight years; and

20 WHEREAS, The original amount of this contract was based on the budget of the 10-
21 Year Water Enterprise Capital Improvement Program for Fiscal Years 2019-2028, approved in
22 February 2018, and provided for engineering support tasks and a portion of specialized
23 engineering design work for the various transmission pipeline projects; and

24 WHEREAS, The projects supported by this contract are still in various phases, from
25 planning to construction. Now that the planning effort is mostly complete, the SFPUC has

1 better-defined project scopes, which has resulted in significantly increased project budgets in
2 the latest capital program to reflect the updated needs; and

3 WHEREAS, On February 13, 2024, the SFPUC adopted the most recent 10-Year
4 Water Enterprise Capital Improvement Program for Fiscal Years 2025-2034, significantly
5 increasing the budgets for several large-diameter transmission pipeline projects to reflect the
6 updated needs for the various transmission pipeline assets; and

7 WHEREAS, Unforeseen site conditions and refinement of project criteria have also
8 increased the scope of specialized engineering work and engineering support tasks needed
9 for several projects; and

10 WHEREAS, Amendment No. 1 is needed to increase the contract by \$7,000,000, to
11 provide additional engineering design and support services for selected transmission pipeline
12 capital improvement projects that have had significant increases in project scopes and
13 budgets since the SFPUC Commission first awarded this contract, increasing the total not to
14 exceed contract amount to \$14,000,000 with no change to the contract duration; and

15 WHEREAS, The Contract Monitoring Division established a 15% Local Business
16 Enterprise (LBE) subcontracting requirement for this contract and the contractor is committed
17 to a 20.25% LBE participation with its bid submittal; and

18 WHEREAS, Charter, Section 9.118(b) requires Board of Supervisors' approval by
19 Resolution of any contract which, when entered into, extends over 10 years, and of any
20 contract which, when entered into, costs the City \$10,000,000 or more; and

21 WHEREAS, On March 25, 2025, by Resolution No. 25-0056, the SFPUC Commission
22 approved Amendment No. 1 to Contract No. PRO.0168.A, Engineering Services for
23 Transmission Pipelines, with AECOM Technical Services, Inc., increasing the contract amount
24 by \$7,000,000 for a new not to exceed amount of \$14,000,000, with no change to the contract
25 duration, to provide additional engineering design and support services for transmission

1 pipeline capital improvement projects funded by the Water Enterprise Capital Improvement
2 Program, subject to Board of Supervisors approval pursuant to Charter, Section 9.118; and

3 WHEREAS, Funds for this Amendment No. 1 are available from individual projects
4 within the Water Enterprise Capital Improvement Program; and

5 WHEREAS, The proposed Amendment No. 1 contained in File No. ., is substantially in
6 final form, with all material terms and conditions included, and only remains to be executed by
7 the parties upon approval of this Resolution; now, therefore, be it

8 RESOLVED, That the Board of Supervisors hereby approves the Amendment in
9 substantially the form contained in File No. 250330; and, be it;

10 FURTHER RESOLVED, That the Board of Supervisors hereby authorizes the General
11 Manager of the SFPUC to execute Amendment No. 1 to Contract No. PRO.0168.A,
12 Engineering Services for Transmission Pipelines, with AECOM Technical Services, Inc.,
13 increasing the contract amount by \$7,000,000 for a new not to exceed amount of
14 \$14,000,000, with no change to the contract duration, to provide additional planning and
15 engineering services for select transmission pipeline capital improvements projects under the
16 Water Enterprise Capital Improvement Program; and, be it

17 FURTHER RESOLVED, That within 30 days of Amendment No. 1 being fully executed
18 by all parties, the SFPUC shall provide the signed revised contracts to the Clerk of the Board
19 for inclusion in the official file.
