

Transportation Development Act (TDA) Article 3 Grant Funding Acceptance

The San Francisco Municipal Transportation Agency (SFMTA) requests authority to accept and expend up to approximately \$500,000 in Transportation Development Act (TDA) Article 3 grant funds in the Fiscal Year 2020 for various Vision Zero bike and pedestrian improvements. The improvements have not yet been identified and as such have no direct or reasonably foreseeable indirect physical changes to the environment. Any projects that are funded by TDA Article 3 awards that would result in a direct or indirect physical change to the environment will undergo environmental review before a project approval action is undertaken by the SFMTA Board of Directors or any SFMTA official to whom that authority has been delegated by the Board of Directors.

Not a "project" pursuant to CEQA as defined in CEQA Guidelines Sections 15060(c) and 15378(b) because the action would not result in a direct or a reasonably foreseeable indirect physical change to the environment.

A handwritten signature in black ink, appearing to read 'Andrea Contreras', is written over a horizontal line.
