14 Section 1. Findings. (a) The Planning Department is able to recover the cost of long

17 entitlement fees.

18 (b) The current fee structure is set to recover a portion of long range planning cost
19 through said fees, but the cost of long range planning, which includes historic preservation
20 survey and designation work, is increasing beyond the annual cost of living adjustment.

21 (c) It is in the public interest for the private project sponsor to reimburse the City for
22 the benefit he or she derives as a consequence of public supported planning. This Board of
23 Supervisors finds that this Ordinance is consistent with the General Plan and Priority Policies
24 of Section 101.1(b) of the Planning Code for the reasons set forth in the Planning Commission
25 Resolution No. _____ and incorporates said Resolution herein by reference. A
copy of said resolution is on file with the Clerk of the Board of Supervisors in File No.

3 forth in Planning Commission Resolution No. _____ and incorporates said
4 Resolution herein by reference. A copy of said resolution is on file with the Clerk of the Board
5 of Supervisors in File No. _____.

6 (d) Environmental Finding. The Planning Department has determined that the
7 proposed fee adjustments are statutorily excluded from CEQA under the CEQA Guidelines
8 Section 15273(a), which exempts rates, tolls, fares and charges such as those proposed here.
9 Said determination is on file with the Clerk of the Board of Supervisors in File No.
10 _____ and is incorporated herein by reference.

11 Section 2. The San Francisco Planning Code is hereby amended by amending Section
12 350 to read as follows:

13 **SEC. 350. - FEES, GENERAL.**

14 Fees shall be imposed in order to compensate the Planning Department for the cost of
15 processing applications and for the development and revision of land use controls. Fees shall
16 be charged and collected as indicated for each class of application, permit, filing request or
17 activity listed in Sections 351 through 358 below.

18 (a) Estimated construction costs are as defined by the San Francisco Building Code.

19 (b) All fees are payable at time of filing application or request, except where noted
20 otherwise. However, the Director of Planning or his/her designee may authorize phased
21 collection of the fee for a project whose work is projected to span more than one fiscal year. A
22 nonrefundable processing fee of ~~\$50~~52 is required to set-up any installment payment plan for
23 all application fees. The balance of phased payments must be paid in full one week in
24 advance of the first scheduled public hearing before the Planning Commission to consider the
25 project or before issuance of the first site permit if no hearing is required.

1 (c) Time and Materials. The Planning Department shall charge the applicant for any
2 time and materials cost incurred in excess of the initial fee charged if required to recover the
3 Department's costs for providing services.

4 (1) The Department shall charge time and materials to recover the cost of correcting
5 code violations and violations of Planning Commission and Department conditions of approval
6 of use if such costs are not covered by the monitoring fee for conditions of approval specified
7 in Section 351(e)(1).

8 (2) Where a different limitation on time and material charges is set forth elsewhere in
9 this Article, that limitation shall prevail.

10 (3) The Planning Department may also charge for any time and material costs incurred
11 by other departments or agencies of the City and County of San Francisco.

12 (4) Any balance of time and materials costs for active and open projects must be paid
13 in full one week in advance of a scheduled public hearing before the Planning Commission to
14 consider the project or before issuance of the first site permit if no hearing is required.

15 (d) Refunds. When an application is withdrawn by the applicant prior to a public
16 hearing, or deemed canceled by the Planning Department due to inactivity on the part of the
17 applicant, then the applicant shall be entitled to a refund of the fee paid to the Department
18 less the time and materials expended minus a ~~\$400~~427 processing fee. Refund requests must
19 be submitted within six months of the project closure date.

20 (e) Deferred or Reduced Fee.

4 until (1) before final Planning Department approval of the building permit, preparatory to
5 issuance of the building permit, before the building permit is released to the applicant, or (2)
6 within one year of the date of action on the application, whichever comes first. This exemption
7 shall apply notwithstanding the inclusion in the development of other nonprofit ancillary or
8 accessory uses. Should the project be withdrawn prior to final Planning approval, the
9 applicant shall pay time and material costs pursuant to Section 350(c).

10 (2) An exemption from paying the full fees specified under Section 352d and 352n may
11 be granted when the requestor's income is not enough to pay for the fee without affecting their
12 abilities to pay for the necessities of life, provided that the person seeking the exemption
13 demonstrates to the Planning Director or his/her designee that they are substantially affected
14 by the proposed project.

15 (f) Late Payment.

16 (1) Charges and Collection of Overdue Accounts. The Director or his/her designee
17 shall call upon the Bureau of Delinquent Revenues or duly licensed collection agencies for
18 assistance in collecting delinquent accounts more than 60 days in arrears, in which case any
19 additional costs of collection may be added to the fee amount outstanding. If the Department
20 seeks the assistance of a duly licensed collection agency, the approval procedures of
21 Administrative Code Article 5, Section 10.39-1 et seq. will be applicable.
