RE: Department of Public Health Transmittal of Report of Delinquent Accounts for Code Enforcement Cases with Delinquent Assessment of Costs and Penalties Pursuant to Sections 1131, 1133, 1134(c), 1150, 1151(a), 1151(c), 1155(b), and 1176 of the San Francisco Health Code and Article XX of Chapter 10 of the San Francisco Administrative Code (commencing with Section 10.230)

Dear Ms. Calvillo:

Enclosed please find the referenced report for the public hearing scheduled before the Board of Supervisors on Tuesday, May 24, 2022, pursuant to Sections 10.231-10.233 of the San Francisco Administrative Code. Please note that for the convenience of the Board, some required information for the Report of Delinquent Charges has been summarized in tabular format below.

Following observations of significant violations of Article 21 of the San Francisco Health Code on August 6, 2019, and continuing thereafter (including Health Code Section 1150, which prohibits unauthorized releases of hazardous materials), the San Francisco Department of Public Health (DPH) issued administrative civil penalties to the responsible parties. In accordance with Section 1137(a)(1) of the Health Code, a Director's Hearing was held on February 20, 2020, and the resulting Director's Hearing Order was issued on March 20, 2020, further authorizing the administrative civil penalties and recovery of costs (see Attachment 1). DPH issued the invoices authorized by the Hearing Order to the responsible parties on March 26, 2020 (see Attachment 2). Because the responsible parties did not remit payment by April 26, 2020, DPH issued Notices of Non-Payment and Proposed Liens to the responsible parties on May 11, 2020 (see Attachment 3) and February 22, 2022 (see Attachment 4). To date, the responsible parties have failed to remit payment.

DPH has concluded that the lien procedure is appropriate for this delinquent account. An update to this report will be submitted prior to the hearing in the event of any changes resulting from receipt of payment for the delinquent charges.

I would like to thank you and your staff for your assistance with this matter. If you have any questions or need further information, please contact Senior Industrial Hygienist Jonathan Piakis at (415) 252-3911 or jonathan.piakis@sfdph.org.

Sincerely,

P. P.

Director's Hearing Order

DBA: TP Pham LLC, Goldman Architects, T N Construction Company

Owner: Phuong Thanh Pham

Address: 930 Grove Street, San Francisco, CA 94117

Responsible Parties: Phuong Thanh Pham, John Goldman, Tinh Truong

Hearing Date: February 20, 2020

Hearing Case Number: ASB-20-01

Health Code: Article 21 Section 1150 and 1151

Dear Ms. Pham, Mr. Goldman, and Mr. Truong:

You were cited to appear at the Director of Health Hearing on the above date relevant to the above-referenced Health Code and based on the Administrative Civil Complaint No. 2019-A-001 dated December 4, 2019.

After a full and fair consideration of the evidence and testimony received at the hearing, THE DIRECTOR FINDS AND DETERMINES THE FOLLOWING:

1. That notice of the hearing has been duly given as required by law.
2. That you attended the hearing on February 20, 2020.
3. That the findings stated in paragraphs 1 and 4-46, inclusive, of the Administrative Civil Complaint No. 2019-A-001 dated December 4, 2019 are true.
4. That John Goldman is not a responsible party as defined by San Francisco Health Code section 1102(kk). SFHC section 1102(kk) provides in relevant part, "(kk) 'Responsible party' means (i) for a hazardous materials release site, a person or business that **owns, operates, occupies or controls** the hazardous materials release site..."
5. That the uncontradicted evidence proved that Ms. Pham, the property owner, sent Mr. Truong to 930 Grove Street, (hereinafter the Property) to do work. Ms. Pham did not tell Mr. Goldman, nor consult him about this decision. Mr. Truong declared under penalty of perjury that the work he did was not authorized by Mr. Goldman, nor directed by Mr. Goldman. Ms. Pham concurred in her own Declaration.

The mission of the San Francisco Department of Public Health is to protect and promote the health of all San Franciscans.
We shall ~ Assess and research the health of the community ~ Develop and enforce health policy ~ Prevent disease and injury ~
~ Educate the public and train health care providers ~ Provide quality, comprehensive, culturally-proficient health services ~ Ensure equal access to all

grant.colfax@sfdph.org ♦ (415) 554-2526 ♦ 101 Grove Street, Room 308, San Francisco, CA 94102

6. That Mr. Goldman did not hold any funds for Ms. Pham to pay any contractors and had no authority to hire anyone to do work at the Property. Instead, Mr. Goldman had been paid on an hourly basis since 2004 to plan the renovation of the Property. Mr. Goldman suggested a general contractor for the project.
7. As of the date of the hearing, Ms. Pham never hired a general contractor for the project. Furthermore, Mr. Goldman described the process that would have happened once Ms. Pham hired a general contractor. That process included the requisite asbestos and lead studies *before* any interior work whatsoever was to occur. Mr. Goldman advised Ms. Pham several times as to how to properly proceed. Ms. Pham does not appear to have followed his advice. For example, Ms. Pham clearly ignored Mr. Goldman's direction to remove Mr. Truong from the Property immediately on August 1, 2019. Ms. Pham then consistently directed DPH's questions to Mr. Goldman instead of taking responsibility herself, and Mr. Goldman tried repeatedly to direct Ms. Pham and assist her through this process. Those facts do not make Mr. Goldman a responsible party as defined in section 1102(kk).
8. That Ms. Pham and Mr. Truong are both responsible parties as defined by San Francisco Health Code section 1102(kk), but for different periods of time.
9. That Ms. Pham is the owner of the Property. Ms. Pham is thus a responsible party for all relevant time periods, i.e., August 1, 2019 until February 20, 2020, the hearing date. Ms. Pham is the only party with continuous access to and control of the Property with the power to hire and pay the appropriate contractors to conduct and complete the required abatement work.
10. That Mr. Truong, a licensed general contractor for 25 years, entered and disturbed asbestos-containing material at the Property at Ms. Pham's direction. Mr. Truong thus occupied and controlled the Property during the key period of the initial release, August 1-August 6, 2019. Mr. Truong was therefore a responsible party from August 1, 2019 to August 6, 2019. This was the period that Mr. Truong was directed to work at the Property and granted access to and control over the Property. Regardless of whether he was actively working on the Property each day during that period, he alone caused the initial release of hazardous material over that time frame.
11. After August 6, 2019, all evidence showed that Mr. Truong was not qualified to conduct any work at the Property, had no access to or control over the Property, and had no ability to hire or pay contractors to conduct the required clean up.
12. That the release of friable asbestos constitutes a serious risk to human health. There is no safe level of exposure. Friable asbestos fibers may become trapped in the lungs. There is no known method of removing the fibers, which can cause major lung issues and mesothelioma, a fatal cancer.
13. Uncontradicted evidence established that Mr. Truong's work caused the disturbance of significant amounts of asbestos-containing material, resulting in an unauthorized release of friable asbestos. A preponderance of the evidence proved that up to the date of the hearing, that unauthorized release continued, having never been fully abated.
14. That each time DPH inspected the Property up to the hearing date, inspectors observed that proper plastic lining, wet methods, and proper HEPA filtration with adequate negative pressure were not in use. The Department produced testimonial evidence from a qualified industrial hygienist that containment of the hazard had not been attained. Additionally, respondents produced no evidence by any qualified person to the contrary. The totality of the evidence thus proves by a preponderance of evidence that the hazard continued up to the date of the hearing.
15. That the owner repeatedly showed either a lack of understanding, lack of caring and/or a lack of urgency as to the nature of the threat and the expediency needed in this situation.

Based on the findings set forth above, THE DIRECTOR HEREBY ORDERS:

1. Phuong Thanh Pham is to complete all requirements set forth on the Notice of Violation ("NOV") issued on 8/9/19 and Emergency Order issued on 8/12/19.
2. Pursuant to San Francisco Health Code ("SFHC") Article 21 section 1134(c)(1), Phuong Thanh Pham is liable to the Department of Public Health ("Department") for an administrative civil penalty in an amount not to exceed \$2,000 per day for the violations from August 1, 2019 until September 20, 2019.
3. Pursuant to San Francisco Health Code ("SFHC") Article 21 section 1134(c)(1), Tinh Truong is liable to the Department of Public Health ("Department") for an administrative civil penalty in an amount not to exceed \$2,000 per day for the violations from August 1, 2019 until August 6, 2019.
4. Pursuant to SFHC Article 21 section 1134(c)(2), Phuong Thanh Pham is liable to the Department for an administrative penalty in an amount not to exceed \$5,000 per day for the violations from September 21, 2019, and for each day in which the violation continues to occur and remains unabated.
5. Taking into consideration the factors set forth in SFHC Article 21 section 1134(d), Phuong Thanh Pham is civilly liable to the Department for an administrative civil penalty in the amount of \$260,100.00 for the violations outlined in Administrative Civil Complaint No. 2019-A-001 as calculated through February 20, 2020 (see Administrative Civil Complaint No. 2019-A-001 Attachment 13- Worksheet for Determining Administrative Civil Penalties as of 2/20/20).
6. Taking into consideration the factors set forth in SFHC Article 21 section 1134(d), Tinh Truong is civilly liable to the Department for an administrative civil penalty in the amount of \$3,600 (\$2,000 per day x 6 days x .30 multiplier) for the violations outlined in Administrative Civil Complaint No. 2019-A-001 as calculated through August 6, 2019.
7. In addition to the administrative civil penalty, the Responsible Parties (both Tinh Truong and Phuong Thanh Pham) are liable to the Department for costs incurred in cleaning up and abating the effects of the violation, or taking other remedial action, including but not limited to administrative costs, inspection costs and attorney's fees. As of January 31, 2020, these costs are \$18,385.50. All costs for which payment is not received within 30 days of the issuance of a notice to the responsible party of payment due, shall be delinquent and subject to a penalty of 10 percent, not to exceed \$2,000, and interest at the rate of one percent per month on the outstanding balance from the date payment is due. In addition, the City may impose a special assessment lien against the Property as provided in SFHC Article 21 section 1136.
8. The Department shall issue an invoice to the Responsible Parties within 10 days of issuance of this Director's Hearing Order for the total amount of penalties as of February 20, 2020 and costs as of January 31, 2020. The responsible parties shall have 30 days from the date of issuance of the invoice to submit payment.
9. In addition, the responsible parties shall be liable to the Director for administrative civil penalties and cost recovery in accordance with SFHC Article 21 section 1133 (b)(4), 1134(c)(2), and 1134(d) for the period after February 20, 2020 and after January 31, 2020 respectively until the completion of the abatement work in accordance with the Emergency Order and Approved Work Plan. The Department shall issue an invoice to the responsible parties within 10 days after confirmation that the abatement work has been completed for the total amount of penalties accrued after February 20, 2020 and costs after January 31, 2020. The responsible parties shall have 30 days from the date of issuance of the invoice to submit payment.
10. Pursuant to SFHC Article 21 section 1136, if the cost incurred by the City including administrative cost is not paid within 30 days after mailing of the notice, lien proceedings in accordance with the requirements of Article XX of Chapter 10 of the San Francisco Administrative Code will be initiated against the Property.

This Order is final however you may have the right to appeal as follows:

- Pursuant to SFHC Article 21 section 1133(c)(4), within 30 days after service of a copy of a decision issued by the Director, any person so served may file with the superior court a petition for writ of mandate for review of the decision. Any person who fails to file the petition within this 30-day period may not challenge the reasonableness or validity of a decision or order of the Director in any judicial proceedings brought to enforce the decision or order or for other remedies. Except as otherwise provided in SFHC Article 21 Section 1133, section 1094.5 of the California Code of Civil Procedure shall govern any proceedings conducted pursuant to the aforementioned code section. In all proceedings pursuant to this code section, the court shall uphold the decision of the Department if the decision is based upon substantial evidence in the whole record. The filing of a petition for writ of mandate shall not stay any accrual of any penalties assessed pursuant to SFHC Article 21. This subdivision does not prohibit the court from granting any appropriate relief within its jurisdiction.

Should you have any questions, please contact Industrial Hygienist Jonathan Piakis at (415) 252-3911 or jonathan.piakis@sfdph.org.
