Department:
Mayor's Office of Housing (MOH)

EXECUTIVE SUMMARY

Legislative Objectives

- The proposed resolution authorizes the Mayor's Office of Housing (MOH) to enter into a 15-year agreement from December 1, 2012 through November 30, 2027 with 220 Golden Gate Master Tenant, LP (220 Golden Gate), a non-profit organization, for an amount not to exceed \$18,475,118. Under the agreement MOH would pay operating subsidies to 220 Golden Gate to manage and operate at least 172 units of supportive housing for formerly homeless single adults at the Kelly Cullen Community under MOH's Local Operating Subsidy Program (LOSP).

Key Points

- The Mayor's Office of Housing in collaboration with the Department of Public Health (DPH) and the Human Services Agency (HSA), currently provides operating subsidies to owners and operators of 16 supportive housing facilities through its Local Operating Subsidy Program, which was created to bridge the gap between the cost of providing the housing and the amount that tenants can afford to pay (between 35% and 50% of their annual income). Tenants in supportive housing generally have very low incomes (10-15% of Area Median Income).
- Under the proposed agreement, MOH, through its subsidy program, would pay 220 Golden Gate \$574,092 for seven months in FY 2012-13 and \$999,114 for FY 2013-14 for operating 172 Kelly Cullen Community supportive housing units. The DPH FY 2012-13 and FY 2013-14 budgets contain General Fund monies previously appropriated by the Board of Supervisors for these Local Operating Subsidy Program subsidies. Over the 15 year term of the agreement, MOH would pay 220 Golden Gate not-to-exceed \$18,475,118 in operating subsidies.
- 220 Golden Gate Master Tenant, LP is affiliated with the non-profit, Tenderloin Neighborhood Development Corporation (TNDC), through a limited partnership for which 220 Golden Gate Historic Corporation is the managing general partner. TNDC has constructed a two-year, \$91,000,000 renovation of the site which is scheduled for completion in November 2012.
- On October 5, 2012, the Citywide Affordable Housing Loan Committee approved TNDC's request for Local Operating Subsidy Program funds for a 15-year term, which is consistent with the Committee's policy to provide funding to nonprofit housing developers who identify or purchase property for affordable housing development.
- Pursuant to the terms of a federal Social Innovation Fund (SIF) grant that will be used to fund support services, researchers from New York University will use data from the Kelly Cullen Community as part of a national study to test how housing impacts health outcomes and public costs for health care. Findings are intended to be used to create a supportive housing model that can be implemented in other cities.

Fiscal Impacts

- The estimated operating subsidy in FY 2012-13 of \$477 per unit per month for 172 units is based on the difference between tenants' estimated rent payments of approximately \$360 per housing unit per month, and 220 Golden Gate's estimated costs to operate the unit of approximately \$837 per month. Operating costs include property management and office staff, utilities, taxes and licenses, insurance, maintenance, security, reserve deposits, and debt service on non-amortizing

loans.

- Under the proposed agreement between MOH and 220 Golden Gate, after a full year of operations the MOH will re-examine actual operating expenditures and staffing patterns at the Kelly Cullen Community to determine whether the subsidy amount should be adjusted.

Recommendations

- Approve the proposed resolution.
- Request that the Department of Public Health report the findings of the New York University study findings on housing and health outcomes after the completion of the study to the Board of Supervisors.

MANDATE STATEMENT AND BACKGROUND

Mandate Statement

Pursuant to San Francisco Charter Section 9.118, agreements of \$10,000,000 or more, or for a term of more than ten years, are subject to Board of Supervisors approval.

Background

Local Operating Subsidy Program

The Mayor's Office of Housing (MOH), in collaboration with the Department of Public Health (DPH) and the Human Services Agency (HSA), currently provides operating subsidies to owners and operators of 16 supportive housing facilities, through its Local Operating Subsidy Program. The program was started in 2004 as a part of the Mayor's ten year "San Francisco Plan to End Chronic Homelessness," which has a goal of providing 3,000 new supportive housing units between 2006 and 2017 to low income persons who were formerly homeless. Supportive housing provides social and other related services as well as housing to formerly homeless persons in order to improve their social outcomes and in an attempt to reduce the City's associated health, mental health, social services, criminal justice, and other related costs.

According to Ms. Lydia Ely, MOH Project Manager, tenants in supportive housing have very low incomes (10-15% of Area Median Income, or \$7,210 to \$10,815 annually in 2012)¹. Under the agreements between the City and housing operators, rent in supportive housing units is capped to a fixed percentage of a tenant's income (50% in DPH subsidized units, 35% in HSA subsidized units). The Local Operating Subsidy Program was created to bridge the gap between the cost of operating the housing and the amount the tenants can afford to pay, thereby providing long-term financial incentives to owners and operators to create permanent supportive housing units and keep their units affordable for the long term.

General Fund monies for the 16 existing operating subsidy agreements are funded in the DPH and HSA budgets, depending on whether the housing units are sponsored by DPH or HSA, and

¹ The Area Median Income for a single-person household in the San Francisco region, as defined by the federal Department of Housing and Urban Development is \$72,100 in 2012.

are subject to Board of Supervisors appropriations approval. The funds for the operating subsidies are then work-ordered to MOH, which manages the Local Operating Subsidy Program.

In FY 2011-12, MOH paid \$5,063,967 in Local Operating Subsidy Program operating subsidies to 15 supportive housing operators for approximately 788 units throughout the City. According to Ms. Ely, the Local Operating Subsidy Program is projected to subsidize approximately 1,456 units of supportive housing by the end FY 2016-17.

As shown on Table 1 below, in FY 2011-12 the Local Operating Subsidy Program provided subsidies under 15 housing agreements covering 788 units of supportive housing, at an average cost per unit per month of \$536.

As shown in Table 2 below, MOH estimates that by FY 2016-17, the Local Operating Subsidy Program will provide subsidies to 29 housing projects covering 1,456 units of supportive housing under the Local Operating Subsidy Program, at an average cost per unit per month of \$658.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution authorizes the Mayor's Office of Housing to enter into a 15-year agreement with 220 Golden Gate Master Tenant, LP (220 Golden Gate) for an amount not to exceed \$18,475,118 (see Table 5 below). MOH, through the Local Operating Subsidy Program, will pay subsidies to 220 Golden Gate to manage and operate 172 units of supportive housing at the Kelly Cullen Community. The proposed agreement would be effective from December 1, 2012 to November 30, 2027. Funding for the proposed agreement is General Fund monies appropriated annually in the DPH budget and is subject to Board of Supervisors appropriation approval. The proposed agreement is administered by MOH, under a work order agreement between DPH and MOH.

Tenderloin Neighborhood Development Corporation

The Tenderloin Neighborhood Development Corporation is a non-profit public benefit corporation that develops, owns and operates affordable housing units and provides supportive services for low-income people in the Tenderloin District. TNDC is affiliated with the 220 Golden Gate Historic Corporation, which is a managing general partner with the subsidy recipient, 220 Golden Gate Master Tenants, LP.² To date, the TNDC owns and operates 30 affordable housing buildings with 3,000 tenants in the Tenderloin and adjacent communities.

² 220 Golden Gate Master Tenants, LP leases the project from the developer and owner, 220 Golden Gate Associates, LP.

The Kelly Cullen Community

The Kelly Cullen Community is located in the Tenderloin District at 220 Golden Gate Avenue. Kelly Cullen Community is a 138,023 square foot; 9-story historic mixed-used building built in 1909 and was formerly used as the Central YMCA. Tenderloin Neighborhood Development Corporation has spent two years and \$91,000,000 on property renovations to the Kelly Cullen Community with funding from a mix of federal, state and local sources.³ Included in the renovations are 172 affordable housing units that will be available for formerly homeless single adults and average 235 square feet, two managers units, and restored historic community areas. According to Ms. Ely, this development is the largest affordable housing project to receive MOH Local Operating Subsidy Program subsidies. Construction is anticipated to be completed in November 2012 and the tenant move-in date is scheduled for December 1, 2012 at a rate of 30 tenants per month until full capacity is reached on May 31, 2013.

Local Operating Subsidy Program funding for the Kelly Cullen Community will be provided by DPH and each unit, less the manager's units, will be occupied by a DPH referred tenant. Furthermore, all tenants in the Kelly Cullen Community are required to be at or below 40% of the area median income (AMI) for San Francisco, which translates to \$22,200 maximum yearly income for a 1-person household. There will be 111 units available to tenants at or below the 40% AMI level and 61 units available to tenants at or below 25% AMI, which translates to \$19,425 maximum yearly income for a 1-person household.

DPH Integrated Health and Wellness Center

On the ground floor of the Kelly Cullen Community, DPH has developed and is leasing 11,000 square feet for its new Integrated Housing and Behavioral Health Clinic that will provide medical, psychiatric, and substance abuse services and will serve both tenants and residents of San Francisco. DPH staff will provide services and will be funded by a mix of federal Social Innovation Fund (SIF), MHSA, and DPH program dollars, appropriated annually in the DPH budget. Through the SIF grant, researchers from New York University will use data from the Kelly Cullen Community as part of a national study to test how housing impacts health outcomes and public costs for health care in order to create a supportive housing model that can be implemented in other cities.

Approval of Local Operating Subsidy Program Providers

According to Ms. Ely, DPH, HSA and MOH selected the 16 existing Local Operating Subsidy Program providers during review, by the Citywide Affordable Housing Loan Committee⁴, of applications responding to various Notices of Funding Availability (NOFA) for capital funding for acquisition and predevelopment financing for supportive housing for homeless persons, or Requests for Proposals (RFP) for specific development sites.

³ Federal, state and local funding sources include the federal tax credits allocated by the California Tax Credit Allocation Committee, American Reinvestment and Recovery Act, Affordable Housing Fees, Historic Preservation Tax Credits, Affordable Housing Program Loans, and Medical Health Services Act (MHSA) program funds tax credits.

⁴ The Citywide Affordable Housing Committee is composed of the Director's of the Mayor's Office of Housing, the Department of Public Health, and the Human Services Agency and their designee.

The Citywide Affordable Housing Loan Committee approved the subsidies under the Local Operating Subsidy Program, in accordance with the Committee's policy to consider and potentially offer funding to nonprofit housing developers who are able to identify or purchase residential facilities for affordable housing development. The Committee approved the TNDC's request for LOSP funds for a 9-year term on December 16, 2011. Ms. Ely noted that pursuant to the recommendations provided by the Budget and Legislative Analyst's office in the 2012 Performance Audit on San Francisco Affordable Housing Policies and Programs, MOH has altered their practices and is now executing 15-year LOSP agreements which require the Board of Supervisors' approval. Consequently, TNDC returned to the Committee with an updated 15-year proposed budget which was approved October 5, 2012.

Operating Expenditures Subsidized by the Local Operating Subsidy Program

Under the proposed agreement for the Kelly Cullen Community the rent charged to tenants in subsidized units under the Local Operating Subsidy Program (LOSP) is capped at a maximum of 50% of a tenant's gross monthly income. Ms. Ely estimates that the average tenant's rent will be approximately \$360 per unit, per month. To cover all operating expenses, each unit would need to generate \$837 in tenant rent, per month. The \$477 shortfall per unit, per month will be bridged with the LOSP funding.⁵

The operating subsidies from the Local Operating Subsidy Program will be used to subsidize operating expenses which include rent, management fees, salaries and benefits, administration, utilities, taxes and licenses, insurance, maintenance, debt service and reserves. Pursuant to 220 Golden Gate's capital funds loan agreement with the MOH, 220 Golden Gate must maintain a Replacement Reserve Account which requires monthly deposits and can only be used for capital improvements as well as an Operating Reserve Account which also requires monthly deposits based on a defined formula for unexpected operational expenses.

Table 3 shows Kelly Cullen Community's income including the requested Local Operating Subsidy Program funding, and expenditures for FY 2012-2013, which is a seven month period due to the effective date of the agreement (December 1, 2012), and for FY 2013-14. The operating expenses for Kelly Cullen Community for FY 2012-13 are \$1,052,835 and the income is \$478,743 not including the operating subsidy. The requested \$574,092 in Local Operating Subsidy Program funding will bridge the Kelly Cullen Community operating budget's shortfall.

⁵ According to Ms. Ely, LOSP funding is an operations subsidy used to operate the building as a whole and not a per-unit subsidy. The per unit calculations are used for informational and comparison purposes only.

According to Ms. Ely, Kelly Cullen Community will have 14.6 full time operating staff, which MOH and TNDC have determined is the necessary staffing level due to the size of the facility, and needs of potential tenants⁶ as well as the uncertainty in operational needs that is commonly experienced in the first year of an affordable housing project. Moreover, this facility will have 24-hour front desk coverage which will be provided by Desk Clerks (see Table 4) with additional coverage by the Night Managers. Proposed operating staff are shown in Table 4 below. Staffing patterns will be re-examined by MOH and TNDC after the first year of operation to determine whether cost savings can be achieved.

Table 4
Proposed Property Management Staffing for FY 2012-13 through FY 2013-14 for Kelly Cullen Community

Maintenance	2.5
TOTAL	14.6

⁶ 50 tenants will be selected for the San Francisco Health Plan's list of high cost users of Medicaid services and 122 tenants will come from DPH's Direct Access to Housing (DAH) waiting pool which prioritizes homeless individuals with severe behavioral health or medical problems.

According to Ms. Ely, the project costs for the Kelly Cullen Community are higher relative to recent LOSP projects due to the staffing requirements, and the costs of managing large community spaces such as the gymnasium and auditorium that needed to be restored as part of the historic rehabilitation process. To offset operating expenditures, TNDC plans to charge usage fees for several of its community spaces and has developed a marketing plan and fee schedule that was approved by the MOH to advertise these facilities.

FISCAL IMPACTS

As shown in Table 5 below, the Kelly Cullen Community will receive subsidies under the Local Operating Subsidy Program for 172 units in FY 2012-13 at an average estimated subsidy of \$477 per unit per month (based on 7 months from December 1, 2012 through June 30, 2013).

According to Ms. Ely, the MOH's underwriting guidelines require that expenses are escalated by 3.5% each year which is why the program expenditures and subsequently the subsidy per unit, per month increase each year.

FY 2012-13 and FY 2013-14 Kelly Cullen Community operating subsidies were appropriated by the Board of Supervisors in the DPH budget in the amount of \$574,092 and \$999,114, respectively. Each unit is expected to be occupied by May 31, 2013 with DPH referred, formerly homeless single adults who will pay approximately \$360 a month, per unit. The difference between the annual operating expenses per unit, or \$837, and tenant rent payment is \$477, which

is the amount of the subsidy that will be provided by the Local Operating Subsidy Program. Under the proposed agreement, the amount of the subsidy will be adjusted annually by MOH, based on a review of the Kelly Cullen Community's actual operating expenditures, staffing needs, and revenues collected from fees for public use of the KCC's community spaces.

RECOMMENDATIONS

1. Approve the proposed resolution.
2. Request that the Department of Public Health report the findings of the New York University study findings on housing and health outcomes after the completion of the study to the Board of Supervisors.

RE: Resolution Authorizing the Director of the Mayor's Office of Housing to execute a Local Operating Subsidy Program Grant Agreement with 220 Golden Gate Master Tenant, LP, to provide operating subsidies for formerly homeless single adults at Kelly Cullen Community for the period of December 1, 2012 to November 30, 2027, in an amount not to exceed \$18,475,118.

With this memo, I am submitting to you for introduction at the Board of Supervisors meeting on October 16, 2012, a resolution regarding a Local Operating Subsidy Program (LOSP) Contract with 220 Golden Gate Master Tenant, LP, for Kelly Cullen Community, a newly renovated affordable housing development located on the site of the former Central YMCA. On December 1, 2012, the project will be ready for occupancy by homeless single adults referred by the Department of Public Health's Direct Access to Housing Program. The attached resolution would authorize Olson Lee, as Director of this office, to execute the LOSP Agreement in an amount not to exceed \$18,475,118, to proceed with actions necessary to implement the Agreement, and to enter into any amendments or modifications to the Agreement, in consultation with the City Attorney.

Kelly Cullen Community, located at 220 Golden Gate Avenue in the Tenderloin, will provide 174 units of efficiency housing, including kitchenettes and private bathrooms, to formerly homeless households earning from 35%-50% AMI. Tenderloin Neighborhood Development Corporation, the developer, has led a two-year, \$50 million renovation of the site. The Department of Public Health has developed and is leasing 11,000 square feet of ground floor space for its new Integrated Health and Wellness Center, which will serve tenants as well as the greater San Francisco community. Supportive tenant services are being funded primarily through a federal Social Innovation Fund grant, with additional support being provided by DPH.

In order to meet the deadline of executing the contract by December 1, 2012, the resolution must be introduced at the Board of Supervisors no later than October 16, 2012, and return to the full Board for approval no later than November 13, 2012. We would appreciate any assistance you can provide to help meet this schedule so that the formerly homeless residents can occupy the project as scheduled on December 1.

The resolution is attached, as is the substantially final form of the Local Operating Subsidy Grant Agreement with 220 Golden Gate Master Tenant, LP. If you have any questions about the resolution or the project, please contact Lydia Ely at 701-5519.

Thank you,

PROJECT SPONSOR

Tenderloin Neighborhood Development Corporation (TNDC) is a nonprofit corporation whose mission is to provide safe, affordable housing with support services for low-income people in the Tenderloin and to be a leader in making the neighborhood a better place to live. Founded in 1981, TNDC owns and operates 30 affordable housing buildings serving 3,000 San Francisco tenants.

SERVICE PROVIDER

ARTICLE 2
APPROPRIATION AND CERTIFICATION OF GRANT FUNDS;
LIMITATIONS ON CITY'S OBLIGATIONS

2.1 Risk of Non-Appropriation of Grant Funds. This Agreement is subject to the budget and fiscal provisions of the Charter. City shall have no obligation to make appropriations for this Agreement in lieu of appropriations for new or other agreements or for other MOH expenditures. Grantee acknowledges that MOH's obligation to make Subsidy Payments under this Agreement is expressly conditioned on the (a) appropriation of sufficient funds to DPH for Subsidy Payments and transfer of such funds from DPH to MOH (or as MOH may direct such funds to be transferred directly by DPH to Grantee), which appropriation and transfer is subject to DPH's annual operating budget, or (b) appropriation of sufficient funds for Subsidy Payments to MOH's annual operating budget. If the funds appropriated for Program subsidy payments in a Fiscal Year will be insufficient to fund the total Program subsidy payments MOH intended to make in such Fiscal Year, MOH shall have the right to reduce the amount of Program subsidy payments and to select the qualifying projects subject to such reduced payments.

Notwithstanding the foregoing, however, qualifying projects that are not financed with State Department of Housing and Community Development Multifamily Housing Program Supportive Housing Component funds ("HCD Funds") will be subject to such Program subsidy payment reductions before any such reductions are made to qualifying projects financed with HCD Funds.

If MOH determines that Subsidy Payments for any given Fiscal Year must be reduced due to a shortfall in appropriated Program funds (a "Non-Appropriation Event"), MOH shall notify Grantee that a Non-Appropriation Event has occurred. City's obligation to make any Subsidy Payments in excess of those for which sufficient funds have been appropriated shall automatically terminate as of such Non-Appropriation Event, except as may be required pursuant to Section 2.5 below. Grantee acknowledges that DPH's and MOH's annual operating budgets are each subject to the discretion of City's Mayor and Board of Supervisors and a Non-Appropriation Event may occur during the Term and, accordingly, that Subsidy Payments may subsequently not be made in the amounts projected pursuant to this Agreement. Grantee's assumption of such risks is part of the consideration for this Agreement.

2.2 Certification of Controller; Guaranteed Maximum Costs. No funds shall be available under this Agreement until prior written authorization certified by the Controller. In addition, as set forth in Section 21.10-1 of the San Francisco Administrative Code:

(a) City's obligations hereunder shall not at any time exceed the amount certified by the Controller for the purpose and period stated in such certification, the current Controller certification for Grant Funds is only for the First Subsidy Payment, and Controller certification will be a condition precedent for all other Subsidy Payments to the extent that Project Transition Reserve Account funds are not available to fund such Subsidy Payments.

(b) Except as may be provided by City ordinances governing emergency conditions, City and its employees and officers are not authorized to request Grantee to perform services or to provide materials, equipment and supplies that would result in Grantee performing services or providing materials, equipment and supplies that are beyond the scope of the services, materials, equipment and supplies specified in this Agreement unless this Agreement is amended in writing and approved as required by law to authorize the additional services, materials, equipment or supplies. City is not required to pay Grantee for services, materials, equipment or supplies provided by Grantee if they are beyond the scope of the services, materials, equipment and supplies agreed upon herein and were not approved by a written amendment to this Agreement lawfully executed by City.

(c) City and its employees and officers are not authorized to offer or promise to Grantee additional funding for this Agreement that would exceed the maximum amount of funding provided for herein. Additional funding for this Agreement in excess of the maximum provided herein shall require lawful approval and certification by the Controller. City is not required to honor any offered or promised additional funding that exceeds the maximum provided in this Agreement, which requires lawful approval and certification of the Controller when the lawful approval and certification by the Controller has not been obtained.

(d) The Controller is not authorized to make payments on any agreement for which funds have not been certified as available for such purposes in the budget of DPH or MOH or by supplemental appropriation.

2.3 Automatic Termination for Nonappropriation or Nontransfer of Funds. This Agreement shall automatically terminate, without penalty, liability or expense of any kind to City, at the end of the period of the Fiscal Year that a Non-Appropriation Event occurs, except as otherwise set forth in Section 2.5.

2.4 SUPERSEDURE OF CONFLICTING PROVISIONS. IN THE EVENT OF ANY CONFLICT BETWEEN ANY OF THE PROVISIONS OF THIS ARTICLE 2 AND ANY OTHER PROVISION OF THIS AGREEMENT, THE APPLICATION DOCUMENTS OR ANY OTHER DOCUMENT OR COMMUNICATION RELATING TO THIS AGREEMENT, THE TERMS OF THIS ARTICLE 2 SHALL GOVERN.

2.5 Program Transition Reserve Account. All LOSP subsidy payments, including the Subsidy Payments, are conditioned on the appropriation of sufficient funds therefor and the transfer of such funds to MOH's annual budget. MOH intends to establish a reserve account, as MOH deems appropriate and in its sole discretion, to fund all or a portion of selected LOSP subsidy payments in the event sufficient funds are not so appropriated or transferred (the "**Program Transition Reserve Account**"). If there is a Non-Appropriation Event, City shall use Program Transition Reserve Account funds to disburse such Subsidy Payments to the extent there are sufficient Program Transition Reserve Account funds for such disbursements.

If there is a Non-Appropriation Event, and City fully funds the following Fiscal Year's Subsidy Payment in the amount shown on Exhibit A (whether with Program Transition Reserve Account funds or otherwise), this Agreement shall remain in effect through the last day of the Fiscal Year for which such Subsidy Payment is made. In the event City continues to fully fund subsequent Subsidy Payments, this Agreement shall remain in effect through the last day of the Fiscal Year for which each such subsequent Subsidy Payment is made.

City shall have no obligation to replenish or supplement the Program Transition Reserve Account. City shall have the right to, at MOH's discretion, use Program Transition Reserve Account funds to make subsidy payments to LOSP grantees other than Grantee. The Program Transition Reserve Account shall remain the City's property at all times and any interest that accrues thereon shall remain the sole property of City and will be deemed part of the Program Transition Reserve Account. If any funds remain in the Program Transition Reserve Account at the expiration of the Term or earlier termination of this Agreement, such funds shall remain with City and Grantee shall have no rights thereto.

Grantee agrees that it shall not allow use of any lease payments made under the Ground Lease to be used to make any distributions or payments of Residual Receipts, as defined in the MOH Loan Agreement, until City has approved the distribution or payment of such Residual Receipts.

ARTICLE 3 TERM

The term of this Agreement (the "**Term**") shall commence on the Effective Date and shall terminate on the fifteenth (15th) anniversary of the Effective Date, unless earlier terminated in accordance with the terms herein.

ARTICLE 4 PERFORMANCE OF GRANT OBLIGATIONS

4.1 Lease of Assisted Units.

(a) City will deliver at least _____ Referral Reports to Grantee on or before the first day immediately following the Effective Date. Commencing on the Initial Leasing Date, Grantee shall lease all of the Assisted Units to the LOSP Clients it selects from such Referral Reports. After the Initial Leasing Date, an Assisted Unit may remain vacant during any Vacancy Period applicable to such Assisted Unit.

If an Assisted Unit lease terminates at any time, Grantee shall deliver written notice of such termination to City within five (5) business days of such termination (the "**Termination Notice Date**"). City shall accordingly deliver at least five (5) Referral Reports to Grantee within fifteen (15) business days of receiving such Assisted Unit lease termination notice and Grantee shall lease such vacated Assisted Unit to an LOSP Client it selects from such Referral Reports within the sixty (60) day period immediately following its receipt of such Referral Reports (each such additional lease up date shall be referred to as an "**Additional Leasing Date**"). The period of time between a Termination Notice Date and the corresponding Additional Leasing Date shall be referred to as a "**Vacancy Period**". If City fails to timely deliver the required Referral Reports at any time, until City delivers such Referral Reports, Grantee can submit a request to City to use a qualified candidate identified by Grantee that satisfies the requirements of **Exhibit B**, and such request shall not be unreasonably denied.

(b) Grantee shall have sole discretion in selecting the LOSP Clients that will be Tenants, provided that Grantee's decision not to rent an Assisted Unit to an LOSP Client referred to Grantee by City shall not be unreasonably withheld or conditioned, and provided further that Grantee shall not discriminate against or permit discrimination against any person or group of persons because of race, color, creed, national origin, ancestry, age, sex, sexual orientation, disability, gender identity, height, weight, source of income or acquired immune deficiency syndrome (AIDS) or AIDS related condition (ARC) in the leasing of the Assisted Units.

(c) Grantee shall comply with the Tenant Selection Plan Policy set forth in the attached Exhibit H.

(d) Grantee shall comply with the Tenant Screening Criteria Policy set forth in the attached Exhibit I.

(e) Grantee shall rent each Assisted Unit to a Tenant pursuant to a separate lease agreement that complies with this Agreement. Each Tenant lease shall provide for termination of such lease and such Tenant's consent to immediate eviction if the Tenant has made any material misrepresentation in the initial income certification made by Tenant to City or in any later income certification made by Tenant to Grantee.

(f) Grantee shall obtain each Tenant's recertification of his/her household income on an annual basis. Such income certifications shall be prepared pursuant to low income housing tax credit guidelines for household income and shall be maintained on file at Grantee's principal office for no less than five (5) years following the date of such certification, and Grantee must file or cause to be filed copies thereof with MOH promptly upon MOH's request therefor.

(g) Security deposits may be required of Tenants only in accordance with applicable federal regulations, state law and this Agreement. Any security deposits collected must be segregated from all other funds of the Project in an account held in trust for the benefit of the Tenants and other tenants of the Project and disbursed in accordance with California law. The balance in such security deposit account must at all times equal or exceed the aggregate of all security deposits collected plus accrued interest thereon, less any security deposits or interest thereon returned to Tenants or any other tenants of the Project.

4.2 Rent Restrictions.

(a) Rent charged to any Tenant shall be the lower of fifty percent (50%) of a Tenant's gross monthly income, or the maximum amount allowed under the MOH Loan Documents.

(b) Unless prohibited under any Applicable Law, each lease for an Assisted Unit must provide for termination of the lease upon one hundred twenty (120) days' prior written notice if Grantee's annual income certification indicates that the Tenant's household income exceeds one hundred twenty percent (120%) of Median Income.

(c) Grantee must provide MOH at least annually a report showing actual household income level and Rent for each Tenant.

(d) A Tenant who is a LOSP Client at initial occupancy may not be required to vacate the Assisted Unit due to subsequent rises in such Tenant's household income, except as provided in subsection (b) above. After any such over-income Tenant vacates an Assisted Unit, the vacant Assisted Unit must be rented to an LOSP Client selected in the manner specified in Section 4.1(a).

(e) If due to increases in a LOSP Client's income, the rent charged to a LOSP Client pursuant to section (a) above equals or exceeds the pro-rated per-unit Operating Costs of the Project, the unit occupied by said LOSP Client shall no longer be counted as an Assisted Unit and the next available comparable unit shall be designated as an Assisted Unit and shall only be rented to a LOSP Client.

4.3 Operating Reserve Account; Subsidy Reserve Account. Grantee shall comply with all of the requirements for the Operating Reserve Account under the MOH Loan Agreement. In addition, if the Subsidy Payment made to Grantee for a Calendar Year exceeds the certified Shortfall for such Calendar Year, as determined pursuant to the reports delivered under Section 6.1, Grantee shall deposit such excess amount in the Subsidy Reserve Account. Grantee shall not use Subsidy Reserve Account funds, or any interest earned thereon, for any purpose other than as provided in this Agreement. The only funds that shall be held in the Subsidy Reserve Account shall be the moneys deposited therein pursuant to this Section and the interest earned thereon.

If the Shortfall for a Calendar Year exceeds the Subsidy Payment made to Grantee for such Calendar Year, Grantee shall first use Subsidy Reserve Account funds, to the extent available, to pay the Operating Costs that comprise such excess Shortfall. If the Subsidy Reserve Account plus Subsidy Payment funds are insufficient to pay all of the Operating Costs in any given Calendar Year, Grantee shall use Operating Reserve Account funds, if any, to pay the remaining Operating Costs, subject to any approval Grantee must obtain from any lender under the Project Loan Documents or Grantee's tax credit limited partner to so use the Operating Reserve Account funds.

4.4 [Intentionally Omitted]

4.5 Annual Operating Budget. The Annual Operating Budget attached hereto as **Exhibit E** sets forth Grantee's anticipated Operating Costs, Project Income and Shortfall for the Term of the Agreement.

Grantee shall pay Operating Costs in conformity with the approved Annual Operating Budget. MOH's prior written consent shall not be required before Grantee can spend funds on Operating Costs that differ in amount from the amounts in the Annual Operating Budget.

Grantee can submit requests to change the amount of the Annual Operating Budget and corresponding Subsidy Payment for any year during the term by supplying a written proposal with the Annual Monitoring Report. Such proposals should include a variance analysis that includes a quantitative assessment of the difference between projected annual income and expenses and actual annual income and expenses, and explanations for the cause of any significant variances.

Additionally, in March 2015, Grantee shall meet with MOH to review the Project's Operating Costs for the previous 3 years and mutually determine in good faith whether to adjust the Annual Operating Budget to reduce costs, through either reductions in staffing or other identifiable cost saving measures.

4.6 Grantee's Board of Directors. Grantee's general partner, or the sole member of the limited liability company general partner, shall at all times be governed by a legally constituted and fiscally responsible board of directors. Such board of directors shall meet regularly and maintain appropriate membership, as established in such entity's bylaws and other governing documents and shall adhere to applicable provisions of federal, state and local laws governing nonprofit corporations. Such entity's board of directors shall exercise such oversight responsibility with regard to this Agreement as is necessary to ensure full and prompt performance by Grantee of its obligations under this Agreement.

4.7 [Intentionally Omitted]

4.8 Maintenance and Management of Project.

(a) Grantee shall be responsible for ensuring all Project maintenance, repair and management functions, including the collection of rents, routine and extraordinary repairs and replacement of capital items, and for keeping the Project in a safe and sanitary manner and in good operating condition in accordance with all Applicable Laws, the City Loan Documents and the Project Loan Documents (collectively, the "**Maintenance Duties**").

(b) Grantee may contract with a management agent for the performance of the Maintenance Duties subject to MOH's prior written approval of both the management agent and the management contract, provided, however, that the arrangement will not relieve Grantee of responsibility for performance of those duties. A management contract must contain a provision allowing Grantee to terminate the contract without penalty upon no more than thirty (30) days' notice. As of the Agreement Date, the City has approved TNDC as Grantee's management agent.

(c) MOH will provide written notice to Grantee if MOH determines that the Maintenance Duties are not being performed in accordance with this Agreement. If Grantee is then in contract with a management agent pursuant to subsection (b) above, and such management agent fails to fully cure such failure within thirty (30) days of the date that MOH delivers such written notice, Grantee shall exercise such thirty (30) day termination right, terminate the management contract and make immediate arrangements for cure of such failure and for the continuous and continuing performance of the Maintenance Duties. If, at the time of such notice, Grantee is not in contract with a management agent pursuant to subsection (b) above, in addition to MOH's rights hereunder, MOH shall have the right to require that Grantee, at Grantee's sole cost, contract with a management agent to perform the Maintenance Duties, or to make other arrangements the City deems necessary to ensure full and timely performance of the Maintenance Duties.

(d) Grantee shall operate the Project in compliance with all Applicable Laws.

4.9 Services Agreement; Provision of Services.

(a) Grantee shall cause the Services Agreement to be fully executed by no later than December 1, 2012.

(b) Grantee hereby agrees to allow the Tenant Services Contractor (and any subsequent service provider) access to the Project at all reasonable times for the provision of services to the Project's LOSP Clients.

(c) Grantee shall promptly provide written notice to MOH if Grantee obtains knowledge of any default, or event that with notice or the passage of time or both could constitute a default, under the Services Agreement.

(d) In the event that the Services Agreement is terminated for any reason, or that MOH and/or DPH determines that the Tenant Services Contractor needs to be replaced, Grantee shall cooperate in good faith with MOH and DPH in obtaining a new service provider for the LOSP Clients in the Project. In such an event, the selection of a new service provider for the Project shall not require Grantee's prior consent. Grantee hereby agrees and acknowledges that nothing in this Agreement gives Grantee any right to consent to the MOH and/or DPH determination to terminate the Services Agreement or to replace the Tenant Services Contractor.

ARTICLE 5 USE AND DISBURSEMENT OF GRANT FUNDS

5.1 Maximum Amount of Grant Funds; Disbursement of Subsidy Payments. In no event shall the total amount of Grant Funds disbursed hereunder exceed Eighteen Million Four Hundred Seventy Five Thousand One Hundred Eighteen Dollars (\$18,475,118) (the "**Grant Amount**"). Subject to Grantee's performance of its obligations under this Agreement and MOH's receipt of sufficient funds, as further set forth in Article 2, the Grant Funds shall be disbursed through Subsidy Payments.

Provided that Grantee is in compliance with all of the conditions for receipt of the First Subsidy Payment, City shall deliver the First Subsidy Payment to Grantee within ten (10) business days immediately following the Effective Date. For every subsequent Fiscal Year during the Term, provided that Grantee is in compliance with all of the conditions for receipt of a Subsidy Payment, City shall deliver the Subsidy Payment for such Fiscal Year to Grantee within fifteen (15) business days immediately following the commencement of the applicable Fiscal Year.

5.2 Subsidy Payment Amounts and Adjustments.

(a) The 15-Year Cash Flow is the Parties' current expectations of Operating Costs and Shortfalls during the Term. The Parties anticipate that the amount of the First Subsidy Payment and each subsequent Subsidy Payment shall be as shown on **Exhibit A**. The First Subsidy Payment amount reflects the Shortfall for the Fiscal Year starting on the Effective Date. Notwithstanding the foregoing initial calculations of the 15-Year Cash Flow and the Subsidy Payment amounts, however, each Subsidy Payment (including the First Subsidy Payment) is subject to further adjustment pursuant to this Section and City's annual review and approval of the applicable Annual Operating Budget. The City shall reduce the subsequent Subsidy Payments by the amount of any funds held in the Subsidy Reserve Account.

(b) The total amount of all Subsidy Payments made hereunder shall not exceed the Grant Amount. If the total amount of all Subsidy Payments made hereunder equals the Grant Amount at any time prior to the expiration of the Term, no further Subsidy Payments shall be made hereunder. If any Subsidy Payment would, if made, cause the total amount of all Subsidy Payments made hereunder to exceed the Grant Amount, such Subsidy Payment shall be accordingly reduced so the total amount of Subsidy Payments made hereunder equals the Grant Amount.

5.3 Use of Grant Funds. Grantee shall use the Grant Funds only for Operating Costs and for no other purpose. Grantee shall expend the Grant Funds in accordance with the Annual Operating Budget.

5.4 Conditions Precedent to Payment of First Subsidy Payment. Grantee shall fully satisfy each of the following conditions prior to delivery of the First Subsidy Payment.

(a) Grantee must have delivered to the City fully executed (and for documents to be recorded, acknowledged) originals of the following documents, in form and substance satisfactory to the City: (i) this Agreement (in triplicate); (ii) the Opinion; and (iii) the Authorizing Resolutions.

(b) Grantee must have delivered its Charter Documents to the City.

(c) Grantee shall be in compliance with all of its obligations under the Ground Lease.

(d) Owner shall be in compliance with all of its obligations under City Loan Documents and the Project Loan Documents.

(e) The Services Agreement must be fully executed.

(f) Tenant Services Contractor shall be in compliance with all of its obligations under the Services Agreement, and no default, or event that with notice or the passage of time or both could constitute a default, shall exist and remain uncured under the Services Agreement; provided however that disbursement of the First Subsidy Payment shall not be withheld due to an uncured default under the Services Agreement if at the time of expected disbursement, Grantee provides City with sufficient evidence that it is cooperating in good faith with the City and DPH to diligently pursue a cure of said default, which may or may not include Grantee directly providing the required services under the Services Agreement.

(f) No Event of Default, or event that with notice or the passage of time or both could constitute an Event of Default, shall exist and remain uncured as of the date of the Initial Subsidy Payment is to be disbursed hereunder.

5.5 Conditions Precedent to Payment of Subsequent Subsidy Payments. Grantee shall fully satisfy each of the following conditions prior to delivery of any Subsequent Subsidy Payment:

(a) Grantee shall be in compliance with all of its obligations under the Ground Lease.

(b) Owner shall be in compliance with all of its obligations under the City Loan Documents and the Project Loan Documents.

(c) Tenant Services Contractor shall be in compliance with all of its obligations under the Services Agreement, and no default, or event that with notice or the passage of time or both could constitute a default, shall exist and remain uncured under the Services Agreement; provided however that disbursement of any Subsequent Subsidy Payment shall not be withheld due to an uncured default under the Services Agreement if at the time of expected disbursement, Grantee provides City with sufficient evidence that it is cooperating in good faith with the City and DPH to diligently pursue a cure of said default, which may or may not include Grantee directly providing the required services under the Services Agreement.

(d) No Event of Default, or event that with notice or the passage of time or both could constitute an Event of Default, shall exist and remain uncured as of the date of such Subsidy Payment is to be disbursed hereunder.

ARTICLE 6
REPORTING REQUIREMENTS; AUDITS;
PENALTIES FOR FALSE CLAIMS

6.1 Regular Reports; Operating Statements.

Grantee must file electronically with the City no later than one hundred twenty (120) days after the end of Grantee's calendar year annual report forms (the "Annual Monitoring Report") that include audited financial statements including any management letters; an income and expense statement for the Project covering the applicable reporting period "Operating Statement"; a statement of balances, deposits and withdrawals from all Accounts; and evidence of required insurance. The Annual Monitoring Report must be in substantially the form attached as Exhibit G or as later modified by MOH during the Term.

6.2 Organizational Documents. Prior to the Effective Date, Grantee shall provide to City the following documents (collectively, the "Charter Documents"): a certified certificate of status and its partnership agreement, a certified copy of its certificate of partnership, and the organizational documents of its general partner. All certified documents to be provided pursuant to this Section shall be certified by the California Secretary of State or, if the entity for which a certified document is to be provided was not organized in the State of California, certified by the Secretary of State of such entity's state of organization, no earlier than two (2) months prior to the Effective Date. The Charter Documents must be delivered to the City in their original form and as amended from time to time.

6.3 Notification of Defaults or Changes in Circumstances. Grantee shall notify City immediately of (a) any Event of Default or event that, with the passage of time, would constitute an Event of Default; and (b) any change of circumstances that would cause any of the representations and warranties contained in Article 8 to be false or misleading at any time during the term of this Agreement.

6.4 Financial Statements. As noted in Section 6.1, Grantee shall also deliver to City, no later than one hundred twenty (120) days following the end of any Calendar Year, an audited balance sheet and the related statement of income and cash flows for such Calendar Year, certified by a reputable accounting firm as accurately presenting the financial position of Grantee, including any management letters supplied by the auditors.

6.5 Books and Records. Grantee shall establish and maintain accurate files and records of all aspects of Operating Costs and Project Income and the matters funded in whole or in part with Grant Funds during the term of this Agreement. Without limiting the scope of the foregoing, Grantee shall establish and maintain accurate financial books and accounting records relating to Operating Costs incurred and paid and Grant Funds received and expended under this Agreement, together with all invoices, documents, payrolls, time records and other data related to the matters covered by this Agreement, whether funded in whole or in part with Grant Funds. Grantee shall maintain all of the files, records, books, invoices, documents, payrolls and other data required to be maintained under this Section in a readily accessible location and condition for a period of not less than five (5) years after final payment under this Agreement or until any final audit has been fully completed, whichever is later. Grantee agrees to maintain and make available to MOH, during regular business hours, accurate books and accounting records relating to the Project and the Tenants. The State of California or any federal agency having an interest in the subject matter of this Agreement shall have the same rights conferred upon MOH by this Section. All financial reports must be prepared and maintained in accordance with GAAP as in effect at the time of performance.

6.6 Inspection and Audit. Grantee shall make available to MOH, its employees and authorized representatives, during regular business hours all of the files, records, books, invoices, documents, payrolls and other data required to be established and maintained by Grantee under Section 6.5. Grantee shall permit MOH, its employees and authorized representatives to inspect, audit, examine and make excerpts and transcripts from any of the foregoing. The rights of MOH pursuant to this Section shall remain in effect so long as Grantee has the obligation to maintain such files, records, books, invoices, documents, payrolls and other data under this Article 6.

6.7 Submitting False Claims; Monetary Penalties. Grantee acknowledges and agrees that it is a "contractor" under and is subject to San Francisco Administrative Code Section 21.35. Under such Section 21.35, any contractor, subgrantee or consultant who submits a false claim shall be liable to City for three times the amount of damages which City sustains because of the false claim. A contractor, subgrantee or consultant who submits a false claim shall also be liable to City for the costs, including attorney's fees, of a civil action brought to recover any of those penalties or damages, and may be liable to City for a civil penalty of up to Ten Thousand Dollars (\$10,000) for each false claim. A contractor, subgrantee or consultant will be deemed to have submitted a false claim to City if the contractor, subgrantee or consultant: (a) knowingly presents or causes to be presented to an officer or employee of City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by City; (c) conspires to defraud City by getting a false claim allowed or paid by City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to City; or (e) is a beneficiary of an inadvertent submission of a false claim to City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to City within a reasonable time after discovery of the false claim.

6.8 Project Monitoring Generally. Grantee understands and agrees that it will be monitored by the City from time to time to assure compliance with all terms and conditions in this Agreement and all Laws. Grantee acknowledges that the City may also conduct periodic on-site inspections of the Project. Grantee must cooperate with the monitoring by the City and ensure full access to the Project and all information related to the Project as reasonably required by the City.

6.9 Notice Requirement for Changes in Director Positions. Grantee must provide written notice of the replacement of its executive director, director of housing development, director of property management and/or any equivalent position within thirty (30) days after the effective date of such replacement.

ARTICLE 7 TAXES

7.1 Grantee to Pay All Taxes. Grantee shall pay to the appropriate governmental authority, as and when due, any and all taxes, fees, assessments or other governmental charges, including possessory interest taxes and California sales and use taxes, levied upon or in connection with this Agreement, the Grant Funds or any of the activities contemplated by this Agreement.

7.2 Use of City Real Property. If at any time this Agreement entitles Grantee to the possession, occupancy or use of City real property for private gain, the following provisions shall apply:

(a) Grantee, on behalf of itself and any subgrantees, successors and assigns, recognizes and understands that this Agreement may create a possessory interest subject to property taxation and Grantee, and any subgrantee, successor or assign, may be subject to the payment of such taxes.

(b) Grantee, on behalf of itself and any subgrantees, successors and assigns, further recognizes and understands that any assignment permitted hereunder and any exercise of any option to renew or other extension of this Agreement may constitute a change in ownership for purposes of property taxation and therefore may result in a revaluation of any possessory interest

created hereunder. Grantee shall report any assignment or other transfer of any interest in this Agreement or any renewal or extension thereof to the County Assessor within sixty (60) days after such assignment, transfer, renewal or extension.

(c) Grantee shall provide such other information as may be requested by City to enable City to comply with any reporting requirements under applicable law with respect to possessory interests.

7.3 Earned Income Credit (EIC) Forms. Administrative Code Section 12O requires that employers provide their employees with IRS Form W-5 (The Earned Income Credit Advance Payment Certificate) and the IRS EIC Schedule, as set forth below. Employers can locate these forms at the IRS Office, on the Internet, or anywhere that Federal Tax Forms can be found.

(a) Grantee shall provide EIC Forms to each Eligible Employee at each of the following times: (i) within thirty (30) days following the date on which this Agreement becomes effective (unless Grantee has already provided such EIC Forms at least once during the calendar year in which such effective date falls); (ii) promptly after any Eligible Employee is hired by Grantee; and (iii) annually between January 1 and January 31 of each calendar year during the term of this Agreement.

(b) Failure to comply with any requirement contained in subparagraph (a) of this Section shall constitute a material breach by Grantee of the terms of this Agreement. If, within thirty (30) days after Grantee receives written notice of such a breach, Grantee fails to cure such breach or, if such breach cannot reasonably be cured within such period of thirty (30) days, Grantee fails to commence efforts to cure within such period or thereafter fails to diligently pursue such cure to completion, the City may pursue any rights or remedies available under this Agreement or under applicable law.

(c) Any Subcontract entered into by Grantee shall require the subgrantee to comply, as to the subgrantee's Eligible Employees, with each of the terms of this Section.

(d) Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Section 12O of the San Francisco Administrative Code.

ARTICLE 8 REPRESENTATIONS AND WARRANTIES

Grantee represents and warrants each of the following as of the date of this Agreement and at all times throughout the term of this Agreement:

8.1 Organization; Authorization. Grantee shall be a limited liability company or a limited partnership, and Grantee's manager, if Grantee is a limited liability company, or Grantee's general partner, or the general partner's sole member of the general partner (if general partner is a limited liability company), is a nonprofit corporation, duly organized and validly existing and in good standing under the laws of the jurisdiction in which it was formed, and which has established and maintains valid nonprofit status under Section 501(c)(3) of the United States Internal Revenue Code of 1986, as amended, and all rules and regulations promulgated thereunder. Grantee has duly authorized by all necessary action the execution, delivery and performance of this Agreement. Grantee has duly executed and delivered this Agreement and this Agreement constitutes a legal, valid and binding obligation of Grantee, enforceable against Grantee in accordance with the terms hereof.

8.2 Location. Grantee's operations, offices and headquarters are located at the address for notices set forth in Section 15.

8.3 No Misstatements. No document furnished or to be furnished by Grantee to MOH in connection with the Application Documents, this Agreement, or any other document relating to any of the foregoing, contains or will contain any untrue statement of material fact or omits or will omit a material fact

necessary to make the statements contained therein not misleading, under the circumstances under which any such statement shall have been made.

8.4 Conflict of Interest. Through its execution of this Agreement, Grantee acknowledges that it is familiar with the provision of Section 15.103 of the City's Charter, Article III, Chapter 2 of the City's Campaign and Governmental Conduct Code, and Section 87100 *et seq.* and Section 1090 *et seq.* of the Government Code of the State of California, and certifies that it does not know of any facts which constitutes a violation of said provisions and agrees that it will immediately notify MOH if it becomes aware of any such fact during the term of this Agreement.

8.5 [Intentionally Omitted]

ARTICLE 9 INDEMNIFICATION AND GENERAL LIABILITY

9.1 Indemnification. Grantee shall indemnify, protect, defend and hold harmless each of the Indemnified Parties from and against any and all Losses arising from, in connection with or caused by: (a) a material breach of this Agreement by Grantee; (b) a material breach of any representation or warranty of Grantee contained in this Agreement; (c) any personal injury caused, directly or indirectly, by any act or omission of Grantee or its employees, subgrantees or agents; (d) any property damage caused, directly or indirectly by any act or omission of Grantee or its employees, subgrantees or agents; (e) the use, misuse or failure of any equipment or facility used by Grantee, or by any of its employees, subgrantees or agents, regardless of whether such equipment or facility is furnished, rented or loaned to Grantee by an Indemnified Party; (f) any tax, fee, assessment or other charge for which Grantee is responsible under Article 7; or (g) any infringement of patent rights, copyright, trade secret or any other proprietary right or trademark of any person or entity in consequence of the use by any Indemnified Party of any goods or services furnished to such Indemnified Party in connection with this Agreement. Grantee's obligations under the immediately preceding sentence shall apply to any Loss that is caused in whole or in part by the active or passive negligence of any Indemnified Party, but shall exclude any Loss caused solely by the willful misconduct or gross negligence of the Indemnified Party. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any claims against the City.

9.2 Duty to Defend; Notice of Loss. Grantee acknowledges and agrees that its obligation to defend the Indemnified Parties under Section 9.1: (a) is an immediate obligation, independent of its other obligations hereunder; (b) applies to any Loss which actually or potentially falls within the scope of Section 9.1, regardless of whether the allegations asserted in connection with such Loss are or may be groundless, false or fraudulent; and (c) arises at the time the Loss is tendered to Grantee by the Indemnified Party and continues at all times thereafter. The Indemnified Party shall give Grantee prompt notice of any Loss under Section 9.1 and Grantee shall have the right to defend, settle and compromise any such Loss; provided, however, that the Indemnified Party shall have the right to retain its own counsel at the expense of Grantee if representation of such Indemnified Party by the counsel retained by Grantee would be inappropriate due to conflicts of interest between such Indemnified Party and Grantee. An Indemnified Party's failure to notify Grantee promptly of any Loss shall not relieve Grantee of any liability to such Indemnified Party pursuant to Section 9.1, unless such failure materially impairs Grantee's ability to defend such Loss. Grantee shall seek the Indemnified Party's prior written consent to settle or compromise any Loss if Grantee contends that such Indemnified Party shares in liability with respect thereto.

9.3 Incidental and Consequential Damages. Losses covered under this Article 9 shall include any and all incidental and consequential damages resulting in whole or in part from Grantee's acts or omissions. Nothing in this Agreement shall constitute a waiver or limitation of any rights that any Indemnified Party may have under applicable law with respect to such damages.

9.4 LIMITATION ON LIABILITY OF CITY. CITY'S OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE AGGREGATE AMOUNT OF GRANT FUNDS ACTUALLY DISBURSED HEREUNDER. NOTWITHSTANDING ANY OTHER PROVISION CONTAINED IN THIS AGREEMENT, THE APPLICATION DOCUMENTS OR ANY OTHER DOCUMENT OR COMMUNICATION RELATING TO THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, THE GRANT FUNDS OR ANY ACTIVITIES PERFORMED IN CONNECTION WITH THIS AGREEMENT.

ARTICLE 10 INSURANCE

10.2 Additional Requirements for General and Automobile Coverage. Commercial General Liability and Commercial Automobile Liability insurance policies shall:

- (a) Name as additional insured City and its officers, agents and employees.
- (b) Provide that such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit is brought, except with respect to limits of liability.

10.3 Additional Requirements for All Policies. All policies shall be endorsed to provide at least thirty (30) days' advance written notice to City of cancellation of policy for any reason, nonrenewal or reduction in coverage and specific notice mailed to City's address for notices pursuant to Article 15.

10.4 Required Post-Expiration Coverage. Should any of the insurance required hereunder be provided under a claims-made form, Grantee shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three (3) years beyond the expiration or termination of this Agreement, to the effect that, should occurrences during the term hereof give rise to claims made after expiration or termination of the Agreement, such claims shall be covered by such claims-made policies.

10.5 General Annual Aggregate Limit/Inclusion of Claims Investigation or Legal Defense Costs. Should any of the insurance required hereunder be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

10.6 Evidence of Insurance. Before commencing any operations under this Agreement, Grantee shall furnish to City certificates of insurance, and additional insured policy endorsements, in form and with insurers satisfactory to City, evidencing all coverages set forth above, and shall furnish complete copies of policies promptly upon City's request. Before commencing any operations under this Agreement, Grantee shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Failure to maintain insurance shall constitute a material breach of this Agreement.

10.7 Effect of Approval. Approval of any insurance by City shall not relieve or decrease the liability of Grantee hereunder.

ARTICLE 11 EVENTS OF DEFAULT AND REMEDIES

11.1 Events of Default. The occurrence of any one or more of the following events shall constitute an "Event of Default" under this Agreement:

(a) **False Statement.** Any statement, representation or warranty contained in this Agreement, in the Application Documents, or in any other document submitted to City under this Agreement is found by City to be false or misleading when made.

(b) **Improper Use of Grant Funds; Failure to Perform Other Covenants and Obligations.** Grantee uses Grant Funds for any purpose other than for the payment of Operating Costs (or reimbursement for its advance payment thereof), fails to use the Subsidy Payments it receives to pay Operating Costs (or reimbursement for its advance payment thereof), or otherwise fails to perform or breaches any other agreement or covenant of this Agreement to be performed or observed by Grantee as and when performance or observance is due and such failure or breach continues for a period of ten (10) days after the date on which such performance or observance is due, or if such breach can not be cured in ten (10) days, then City shall not exercise its remedies hereunder as long as Grantee continues to diligently pursue a cure of the breach; provided, however, that: (i) in the case of an improper use of Grant Funds, in no event shall such cure period extend beyond thirty (30) days after the date on which such performance or observance is due, and (ii) in the case of other defaults under this Section 11.1(b), in no event shall such cure period extend beyond ninety (90) days after the date on which such performance or observance is due.

(c) **Default under Ground Lease, City Loan Documents, Project Loan Documents or Services Agreement.** Grantee defaults under the Ground Lease (after expiration of any grace period expressly stated in any such agreement), Owner defaults under any City Loan Document or any of the Project Loan Documents (after expiration of any grace period expressly stated in any such agreement), or Tenant Services Contractor defaults under the Services Agreement (after expiration of any grace period expressly stated therein); provided however that a default by Tenant Services Contractor under the Services Agreement shall only be a default under this Agreement so long as Tenderloin Neighborhood Development Center (or an affiliate thereof) is the Tenant Services Contractor.

(d) **Voluntary Insolvency.** Grantee or Owner (i) is generally not paying its debts as they become due, (ii) files, or consents by answer or otherwise to the filing against it of, a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction, (iii) makes an assignment

for the benefit of its creditors, (iv) consents to the appointment of a custodian, receiver, trustee or other officer with similar powers of Grantee or Owner, respectively, or of any substantial part of Grantee's or Owner's property, respectively or (v) takes action for the purpose of any of the foregoing.

(e) **Involuntary Insolvency.** Without consent by Grantee or Owner, as applicable, a court or government authority enters an order, and such order is not vacated within 60 days, (i) appointing a custodian, receiver, trustee or other officer with similar powers with respect to Grantee or Owner, respectively, or with respect to any substantial part of Grantee's or Owner's property, respectively, (ii) constituting an order for relief or approving a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction or (iii) ordering the dissolution, winding-up or liquidation of Grantee or Owner.

(f) **New Encumbrances.** Any lien is recorded against all or any part of the Real Property, the Ground Lease or the Project without MOH's prior written consent, and the lien is not removed from title or otherwise remedied to MOH's satisfaction within thirty (30) days after Grantee's receipt of written notice from MOH to cure the default, or, if the default cannot be cured within a thirty (30) day period, Grantee will have sixty (60) days to cure the default, or any longer period of time deemed necessary by MOH, provided that Grantee commences to cure the default within the thirty (30) day period and diligently pursues the cure to completion.

(g) **Damage or Destruction.** All or a substantial or material portion of the Project is damaged or destroyed by fire or other casualty or is condemned, seized or appropriated by any non-City governmental agency or subject to any action or other proceeding instituted by any non-City governmental agency for any purpose with the result that the Project cannot be operated for its intended purpose.

(h) **Dissolution.** Grantee, Grantee's general partners, Owner, or Owner's general partners are dissolved or liquidated or merged with or into any other entity or ceases to exist in its present form and (where applicable) in good standing and duly qualified under the laws of the jurisdiction of formation and California for any period of more than ten (10) days, or all or substantially all of Grantee's or Owner's assets, respectively, are sold or otherwise transferred except as permitted.

(i) **Assignment.** Without MOH's prior written consent, Grantee assigns or attempts to assign any rights or interest under this Agreement or encumber its interests hereunder, whether voluntarily or involuntarily, or voluntarily or involuntarily assigns or attempts to sell, lease, assign, encumber or otherwise transfer all or any portion of the ownership interests in Grantee or of its right, title or interest in the Project or the Real Property, other than: (a) leases, subleases or occupancy agreements to occupants of Units and/or Commercial Space in the Project; or (b) security interests for the benefit of lenders securing loans for the Project as approved by the City on terms and in amounts as approved by City in its reasonable discretion (c) transfers of any limited partnership or membership interest in Grantee to an investor pursuant to the tax credit syndication of the Project or any subsequent transfer of a limited partnership interest in Grantee by an investor limited partner in Grantee, or any direct or indirect transfer of a limited partnership interest or membership interest in any investor limited partner in Grantee; (f) any transfer permitted under the City Documents; or (g) the grant or exercise of an option agreement between Grantee and Grantee's general partner or manager or any of its affiliates in connection with the tax credit syndication of the Project. Any other transfer, assignment, encumbrance or lease without the City's prior written consent will be voidable and, at the City's election, constitute an Event of Default under this Agreement. The City's consent to any specific assignment, encumbrance, lease or other transfer will not constitute its consent to any subsequent transfer or a waiver of any of the City's rights under this Agreement.

(j) **Account Transfers.** Without MOH's prior written consent, to the extent such consent is required pursuant to this Agreement, Grantee transfers, or authorizes the transfer of, funds in any account required or authorized under this Agreement.

(k) **Changed Financing Condition.** Any material adverse change occurs in the financial condition or operations of Grantee or Owner, such as a loss of services funding or rental subsidies (excluding the reduction of any Subsidy Payment hereunder) that has a material adverse impact on the Project.

An Event of Default under this Agreement that remains uncured shall be a default under the City Loan Documents.

11.2 Remedies Upon Event of Default. Upon and during the continuance of an Event of Default, City may do any of the following, individually or in combination with any other remedy:

(a) **Termination.** City may terminate this Agreement by giving a written termination notice to Grantee and, on the date specified in such notice, this Agreement shall terminate and all rights and obligations of Grantee hereunder shall be extinguished. In the event of such termination, the City will allow Grantee to use previously disbursed Subsidy Payment funds to pay for only Operating Costs incurred prior to the termination date. The remaining balance of any Subsidy Payment not used to pay for previously incurred Operating Costs must be returned to the City.

(b) **Withholding of Grant Funds.** City may withhold all or any portion of Grant Funds not yet disbursed hereunder. Any Grant Funds withheld pursuant to this Section and subsequently disbursed to Grantee after cure of applicable Events of Default shall be disbursed without interest.

(c) **Offset.** City may offset against all or any portion of undisbursed Grant Funds hereunder or against any payments due to Grantee under the MOH Loan Agreement or any other agreement between Grantee and City the amount of any outstanding Loss incurred by any Indemnified Party, including any Loss incurred as a result of the Event of Default.

(d) **Return of Grant Funds.** City may demand the immediate return of any previously disbursed Grant Funds that have been claimed or expended by Grantee in breach of the terms of this Agreement, together with interest thereon from the date of disbursement at the maximum rate permitted under applicable law.

11.3 Remedies Nonexclusive. Each of the remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available under this Agreement, any other City Document and/or Applicable Laws. The remedies contained herein are in addition to all other remedies available to City at law or in equity by statute or otherwise and the exercise of any such remedy shall not preclude or in any way be deemed to waive any other remedy.

ARTICLE 12 DISCLOSURE OF INFORMATION AND DOCUMENTS

12.1 Proprietary or Confidential Information of City. Grantee understands and acknowledges that, in the performance of this Agreement or in contemplation thereof, Grantee may have access to private or confidential information that may be owned or controlled by City and that such information may contain proprietary or confidential information, the disclosure of which to third parties may be damaging to City. Grantee agrees that all information disclosed by City to Grantee shall be held in confidence and used only in the performance of this Agreement. Grantee shall exercise the same standard of care to protect such information as a reasonably prudent nonprofit entity would use to protect its own proprietary or confidential data.

12.2 Sunshine Ordinance. Grantee acknowledges and agrees that this Agreement and the Application Documents are subject to Section 67.24(e) of the San Francisco Administrative Code, which provides that contracts, including this Agreement, grantee's bids, responses to Requests for Proposals (RFPs) and all other records of communications between City and persons or entities seeking contracts, shall be open to

inspection immediately after a contract has been awarded. Nothing in such Section 67.24(e) (as it exists on the date hereof) requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. All information provided by Grantee that is covered by such Section 67.24(e) (as it may be amended from time to time) will be made available to the public upon request.

12.3 Financial Projections. Pursuant to San Francisco Administrative Code Section 67.32, Grantee has on or before the date hereof provided to City financial projections, including profit and loss figures, for the Project. The Grantee acknowledges and agrees that the financial projections and audited financial statements required under this Agreement shall be public records subject to disclosure upon request.

ARTICLE 13 ASSIGNMENTS AND SUBCONTRACTING

13.1 No Assignment by Grantee. Grantee shall not, either directly or indirectly, assign, transfer, hypothecate, subcontract or delegate all or any portion of this Agreement or any rights, duties or obligations of Grantee hereunder without the prior written consent of City. This Agreement shall not, nor shall any interest herein, be assignable as to the interest of Grantee involuntarily or by operation of law without the prior written consent of City. A change of ownership or control of Grantee or a sale or transfer of substantially all of the assets of Grantee shall be deemed an assignment for purposes of this Agreement. Notwithstanding any provision of this Agreement to the contrary, this Section 13.1 shall not prevent transfers that are expressly permitted under the City Loan Documents.

13.2 Agreement Made in Violation of this Article. Any agreement made in violation of Section 13.1 shall confer no rights on any person or entity and shall automatically be null and void.

13.3 Subcontracting. Grantee shall not subcontract or assign any portion of this Agreement to any other party without the prior written consent of City, notwithstanding the foregoing, Grantee may subcontract for property management and maintenance without the consent of the City.

13.4 Grantee Retains Responsibility. Grantee shall in all events remain liable for the performance by any assignee or subgrantee of all of the covenants, terms and conditions contained in this Agreement.

ARTICLE 14 INDEPENDENT CONTRACTOR STATUS

14.1 Nature of Agreement. Grantee shall be deemed at all times to be an independent contractor and is solely responsible for the manner in which Grantee uses the Grant Funds. Grantee shall at all times remain solely liable for the acts and omissions of Grantee, its officers and directors, employees and agents. Nothing in this Agreement shall be construed as creating a partnership, joint venture, employment or agency relationship between City and Grantee.

14.2 Direction. Any terms in this Agreement referring to direction or instruction from MOH or City shall be construed as providing for direction as to policy and the result of Grantee's work only, and not as to the means by which such a result is obtained.

14.3 Consequences of Recharacterization.

(a) Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Grantee is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Grantee which can be applied against this liability). City shall subsequently forward such amounts to the relevant taxing authority.

(b) Should a relevant taxing authority determine a liability for past services performed by Grantee for City, upon notification of such fact by City, Grantee shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Grantee under this Agreement (again, offsetting any amounts already paid by Grantee which can be applied as a credit against such liability).

(c) A determination of employment status pursuant to either subsection (a) or (b) of this Section 14.3 shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, Grantee shall not be considered an employee of City. Notwithstanding the foregoing, if any court, arbitrator, or administrative authority determine that Grantee is an employee for any other purpose, Grantee agrees to a reduction in City's financial liability hereunder such that the aggregate amount of Grant Funds under this Agreement does not exceed what would have been the amount of such Grant Funds had the court, arbitrator, or administrative authority had not determined that Grantee was an employee.

ARTICLE 16 COMPLIANCE

16.1 Left blank by agreement of the Parties.

16.2 Nondiscrimination; Penalties.

(a) **Grantee Shall Not Discriminate.** In the performance of this Agreement, Grantee agrees not to discriminate against any employee, City and County employee working with such grantee or subgrantee, applicant for employment with such grantee or subgrantee, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) **Subcontracts.** Grantee shall incorporate by reference in all subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subgrantees to comply with such provisions. Grantee's failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.

(c) **Non-Discrimination in Benefits.** Grantee does not as of the date of this Agreement and will not during the term of this Agreement, in any of its operations in San Francisco or where the work is being performed for the City or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) **Condition to Contract.** As a condition to this Agreement, Grantee shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (Form HRC-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Human Rights Commission.

(e) **Incorporation of Administrative Code Provisions by Reference.** The provisions of Chapters 12B and 12C of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Grantee shall comply fully with and be bound by all of the provisions that apply to this Agreement under such Chapters of the Administrative Code, including the remedies provided in such Chapters. Without limiting the foregoing, Grantee understands that pursuant to Sections 12B.2(h) and 12C.3(g) of the San Francisco Administrative Code, a penalty of Fifty Dollars (\$50) for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Agreement may be assessed against Grantee and/or deducted from any payments due Grantee.

16.3 MacBride Principles--Northern Ireland. Pursuant to San Francisco Administrative Code Section 12F.5, City urges companies doing business in Northern Ireland to move towards resolving employment

inequities, and encourages such companies to abide by the MacBride Principles. City urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Grantee acknowledges and agrees that he or she has read and understood this Section.

16.4 Tropical Hardwood and Virgin Redwood Ban. Pursuant to Section 804(b) of the San Francisco Environment Code, City urges all grantees not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.

16.5 Drug-Free Workplace Policy. Grantee acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on City premises. Grantee and its employees, agents or assigns shall comply with all terms and provisions of such Act and the rules and regulations promulgated thereunder.

16.6 Resource Conservation; Liquidated Damages. Chapter 5 of the San Francisco Environment Code (Resource Conservation) is incorporated herein by reference. Failure by Grantee to comply with any of the applicable requirements of Chapter 5 will be deemed a material breach of contract. If Grantee fails to comply in good faith with any of the provisions of Chapter 5, Grantee shall be liable for liquidated damages in an amount equal to Grantee's net profit under this Agreement, or five percent (5%) of the total contract amount, whichever is greater. Grantee acknowledges and agrees that the liquidated damages assessed shall be payable to City upon demand and may be offset against any monies due to Grantee from any contract with City.

16.7 Compliance with ADA. Grantee acknowledges that, pursuant to the ADA, programs, services and other activities provided by a public entity to the public, whether directly or through a grantee or contractor, must be accessible to the disabled public. Grantee shall not discriminate against any person protected under the ADA in connection with its activities hereunder and shall comply at all times with the provisions of the ADA.

16.8 Requiring Minimum Compensation for Employees.

a. Grantee agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Grantee's obligations under the MCO is set forth in this Section. Grantee is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

b. The MCO requires Grantee to pay Grantee's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Grantee is obligated to keep informed of the then-current requirements. Any subcontract entered into by Grantee shall require the subgrantee to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is Grantee's obligation to ensure that any subgrantees of any tier under this Agreement comply with the requirements of the MCO. If any subgrantee under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Grantee.

c. Grantee shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

d. Grantee shall maintain employee and payroll records as required by the MCO. If Grantee fails to do so, it shall be presumed that the Grantee paid no more than the minimum wage required under State law.

e. The City is authorized to inspect Grantee's job sites and conduct interviews with employees and conduct audits of Grantee

f. Grantee's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Grantee fails to comply with these requirements. Grantee agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for Grantee's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

g. Grantee understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Grantee fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Grantee fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

h. Grantee represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

i. If Grantee is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Grantee later enters into an agreement or agreements that cause Grantee to exceed that amount in a fiscal year, Grantee shall thereafter be required to comply with the MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Grantee and this department to exceed \$25,000 in the fiscal year.

16.9 Limitations on Contributions. Through execution of this Agreement, Grantee acknowledges that it is familiar with Section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (1) an individual holding a City elective office if the contract must be approved by the individual, a board on which that individual serves, or a board on which an appointee of that individual serves, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. Grantee acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. Grantee further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of Grantee's board of directors; Grantee's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in Grantee; any subgrantee listed in the bid or contract; and any committee that is sponsored or controlled by Grantee.

Additionally, Grantee acknowledges that Grantee must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126.

16.10 First Source Hiring Program.

a. Incorporation of Administrative Code Provisions by Reference. The provisions of Chapter 83 of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Contractor shall comply fully with, and be bound by, all of the provisions that apply to this Agreement under such Chapter, including but not limited to the remedies provided therein. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 83.

b. First Source Hiring Agreement. As an essential term of, and consideration for, any contract or property contract with the City, not exempted by the FSHA, the Contractor shall enter into a first source hiring agreement ("agreement") with the City, on or before the effective date of the contract or property contract. Contractors shall also enter into an agreement with the City for any other work that it performs in the City. Such agreement shall:

(1) Set appropriate hiring and retention goals for entry level positions. The employer shall agree to achieve these hiring and retention goals, or, if unable to achieve these goals, to establish good faith efforts as to its attempts to do so, as set forth in the agreement. The agreement shall take into consideration the employer's participation in existing job training, referral and/or brokerage programs. Within the discretion of the FSHA, subject to appropriate modifications, participation in such programs maybe certified as meeting the requirements of this Chapter. Failure either to achieve the specified goal, or to establish good faith efforts will constitute noncompliance and will subject the employer to the provisions of Section 83.10 of this Chapter.

(2) Set first source interviewing, recruitment and hiring requirements, which will provide the San Francisco Workforce Development System with the first opportunity to provide qualified, economically disadvantaged individuals for consideration for employment for entry level positions. Employers shall consider all applications of qualified economically disadvantaged individuals referred by the System for employment; provided however, if the employer utilizes nondiscriminatory screening criteria, the employer shall have the sole discretion to interview and/or hire individuals referred or certified by the San Francisco Workforce Development System as being qualified economically disadvantaged individuals. The duration of the first source interviewing requirement shall be determined by the FSHA and shall be set forth in each agreement, but shall not exceed 10 days. During that period, the employer may publicize the entry level positions in accordance with the agreement. A need for urgent or temporary hires must be evaluated, and appropriate provisions for such a situation must be made in the agreement.

(3) Set appropriate requirements for providing notification of available entry level positions to the San Francisco Workforce Development System so that the System may train and refer an adequate pool of qualified economically disadvantaged individuals to participating employers. Notification should include such information as employment needs by occupational title, skills, and/or experience required, the hours required, wage scale and duration of employment, identification of entry level and training positions, identification of English language proficiency requirements, or absence thereof, and the projected schedule and procedures for hiring for each occupation. Employers should provide both long-term job need projections and notice before initiating the interviewing and hiring process. These notification requirements will take into consideration any need to protect the employer's proprietary information.

(4) Set appropriate record keeping and monitoring requirements. The First Source Hiring Administration shall develop easy-to-use forms and record keeping requirements for documenting compliance with the agreement. To the greatest extent possible, these requirements shall utilize the employer's existing record keeping systems, be nonduplicative, and facilitate a coordinated flow of information and referrals.

(5) Establish guidelines for employer good faith efforts to comply with the first source hiring requirements of this Chapter. The FSHA will work with City departments to develop employer good faith effort requirements appropriate to the types of contracts and property contracts handled by each department. Employers shall appoint a liaison for dealing with the development and implementation of the employer's agreement. In the event that the FSHA finds that the employer under a City contract or property contract has taken actions primarily for the purpose of circumventing the requirements of this Chapter, that employer shall be subject to the sanctions set forth in Section 83.10 of this Chapter.

(6) Set the term of the requirements.

(7) Set appropriate enforcement and sanctioning standards consistent with this Chapter.

(8) Set forth the City's obligations to develop training programs, job applicant referrals, technical assistance, and information systems that assist the employer in complying with this Chapter.

(9) Require the developer to include notice of the requirements of this Chapter in leases, subleases, and other occupancy contracts.

c. Hiring Decisions. Contractor shall make the final determination of whether an Economically Disadvantaged Individual referred by the System is "qualified" for the position.

d. Exceptions. Upon application by Employer, the First Source Hiring Administration may grant an exception to any or all of the requirements of Chapter 83 in any situation where it concludes that compliance with this Chapter would cause economic hardship.

e. Liquidated Damages. Contractor agrees:

(1) To be liable to the City for liquidated damages as provided in this section;

(2) To be subject to the procedures governing enforcement of breaches of contracts based on violations of contract provisions required by this Chapter as set forth in this section;

(3) That the contractor's commitment to comply with this Chapter is a material element of the City's consideration for this contract; that the failure of the contractor to comply with the contract provisions required by this Chapter will cause harm to the City and the public which is significant and substantial but extremely difficult to quantify; that the harm to the City includes not only the financial cost of funding public assistance programs but also the insidious but impossible to quantify harm that this community and its families suffer as a result of unemployment; and that the assessment of liquidated damages of up to \$5,000 for every notice of a new hire for an entry level position improperly withheld by the contractor from the first source hiring process, as determined by the FSHA during its first investigation of a contractor, does not exceed a fair estimate of the financial and other damages that the City suffers as a result of the contractor's failure to comply with its first source referral contractual obligations.

(4) That the continued failure by a contractor to comply with its first source referral contractual obligations will cause further significant and substantial harm to the City and the public, and that a second assessment of liquidated damages of up to \$10,000 for each entry level position improperly withheld from the FSHA, from the time of the conclusion of the first investigation forward, does not

exceed the financial and other damages that the City suffers as a result of the contractor's continued failure to comply with its first source referral contractual obligations;

(5) That in addition to the cost of investigating alleged violations under this Section, the computation of liquidated damages for purposes of this section is based on the following data:

A. The average length of stay on public assistance in San Francisco's County Adult Assistance Program is approximately 41 months at an average monthly grant of \$348 per month, totaling approximately \$14,379; and

B. In 2004, the retention rate of adults placed in employment programs funded under the Workforce Investment Act for at least the first six months of employment was 84.4%. Since qualified individuals under the First Source program face far fewer barriers to employment than their counterparts in programs funded by the Workforce Investment Act, it is reasonable to conclude that the average length of employment for an individual whom the First Source Program refers to an employer and who is hired in an entry level position is at least one year;

therefore, liquidated damages that total \$5,000 for first violations and \$10,000 for subsequent violations as determined by FSHA constitute a fair, reasonable, and conservative attempt to quantify the harm caused to the City by the failure of a contractor to comply with its first source referral contractual obligations.

(6) That the failure of contractors to comply with this Chapter, except property contractors, may be subject to the debarment and monetary penalties set forth in Sections 6.80 et seq. of the San Francisco Administrative Code, as well as any other remedies available under the contract or at law; and

Violation of the requirements of Chapter 83 is subject to an assessment of liquidated damages in the amount of \$5,000 for every new hire for an Entry Level Position improperly withheld from the first source hiring process. The assessment of liquidated damages and the evaluation of any defenses or mitigating factors shall be made by the FSHA.

f. **Subcontracts.** Any subcontract entered into by Contractor shall require the subcontractor to comply with the requirements of Chapter 83 and shall contain contractual obligations substantially the same as those set forth in this Section.

16.11 Prohibition on Political Activity with City Funds. In accordance with S. F. Administrative Code Chapter 12.G, no funds appropriated by the City and County of San Francisco for this Agreement may be expended for organizing, creating, funding, participating in, supporting, or attempting to influence any political campaign for a candidate or for a ballot measure (collectively, "Political Activity"). The terms of San Francisco Administrative Code Chapter 12.G are incorporated herein by this reference. Accordingly, an employee working in any position funded under this Agreement shall not engage in any Political Activity during the work hours funded hereunder, nor shall any equipment or resource funded by this Agreement be used for any Political Activity. In the event Grantee, or any staff member in association with Grantee, engages in any Political Activity, then (i) Grantee shall keep and maintain appropriate records to evidence compliance with this Section, and (ii) Grantee shall have the burden to prove that no funding from this Agreement has been used for such Political Activity. Grantee agrees to cooperate with any audit by the City or its designee in order to ensure compliance with this Section. In the event Grantee violates the provisions of this Section, the City may, in addition to any other rights or remedies available hereunder, (i) terminate this Agreement and any other agreements between Grantee and City, (ii) prohibit Grantee from bidding on or receiving any new City contract for a period of two (2) years, and (iii) obtain reimbursement of all funds previously disbursed to Grantee under this Agreement.

16.12 Preservative-treated Wood Containing Arsenic. Grantee may not purchase preservative-treated wood products containing arsenic in the performance of this Agreement unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of

the Environment under Section 1304 of the Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Grantee may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Grantee from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

16.13 16. Supervision of Minors. Grantee, and any subgrantees, shall comply with California Penal Code section 11105.3 and request from the Department of Justice records of all convictions or any arrest pending adjudication involving the offenses specified in Welfare and Institution Code section 15660(a) of any person who applies for employment or volunteer position with Grantee, or any subgrantee, in which he or she would have supervisory or disciplinary power over a minor under his or her care.

If Grantee, or any subgrantee, is providing services at a City park, playground, recreational center or beach (separately and collectively, "Recreational Site"), Grantee shall not hire, and shall prevent its subgrantees from hiring, any person for employment or volunteer position to provide those services if that person has been convicted of any offense that was listed in former Penal Code section 11105.3 (h)(1) or 11105.3(h)(3).

If Grantee, or any of its subgrantees, hires an employee or volunteer to provide services to minors at any location other than a Recreational Site, and that employee or volunteer has been convicted of an offense specified in Penal Code section 11105.3(c), then Grantee shall comply, and cause its subgrantees to comply with that section and provide written notice to the parents or guardians of any minor who will be supervised or disciplined by the employee or volunteer not less than ten (10) days prior to the day the employee or volunteer begins his or her duties or tasks. Grantee shall provide, or cause its subgrantees to provide City with a copy of any such notice at the same time that it provides notice to any parent or guardian.

Grantee shall expressly require any of its subgrantees with supervisory or disciplinary power over a minor to comply with this section of the Agreement as a condition of its contract with the subgrantee.

Grantee acknowledges and agrees that failure by Grantee or any of its subgrantees to comply with any provision of this section of the Agreement shall constitute an Event of Default.

16.14 Protection of Private Information. Grantee agrees to comply fully with and be bound by all of the provisions of Chapter 12M of the San Francisco Administrative Code ("Protection of Private Information"), including the remedies provided. The provisions of Chapter 12M are incorporated herein by reference and made a part of this Agreement as though fully set forth. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12M. Consistent with the requirements of Chapter 12M, Grantee agrees to all of the following:

(a) Neither Grantee nor any of its subgrantees shall disclose Private Information obtained from the City in the performance of this Agreement to any other subgrantee, person, or other entity, unless one of the following is true:

- (1) The disclosure is authorized by this Agreement;
- (2) The Grantee received advance written approval from the Contracting Department to disclose the information; or
- (3) The disclosure is expressly required by a judicial order.

(b) Any disclosure or use of Private Information authorized by this Agreement shall be in accordance with any conditions or restrictions stated in this Agreement. Any disclosure or use of Private Information authorized by a Contracting Department shall be in accordance with any conditions or restrictions stated in the approval.

(c) "Private Information" shall mean any information that: (1) could be used to identify an individual, including without limitation, name, address, social security number, medical information, financial information, date and location of birth, and names of relatives; or (2) the law forbids any person from disclosing.

(d) Any failure of Grantee to comply with Chapter 12M shall be a material breach of this Agreement. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate this Agreement, debar Grantee, or bring a false claim action against Grantee.

16.15 Public Access to Meetings and Records. If the Grantee receives a cumulative total per year of at least \$250,000 in City funds or City-administered funds and is a non-profit organization as defined in Chapter 12L of the San Francisco Administrative Code, the Grantee shall comply with and be bound by all the applicable provisions of that Chapter. By executing this Agreement, the Grantee agrees to open its meetings and records to the public in the manner set forth in Sections 12L.4 and 12L.5 of the Administrative Code. The Grantee further agrees to make good-faith efforts to promote community membership on its Board of Directors in the manner set forth in Section 12L.6 of the Administrative Code. The Grantee acknowledges that its material failure to comply with any of the provisions of this paragraph shall constitute a material breach of this Agreement. The Grantee further acknowledges that such material breach of the Agreement shall be grounds for the City to terminate and/or not renew the Agreement, partially or in its entirety.

16.16 Graffiti Removal. Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and County and its residents, and to prevent the further spread of graffiti.

Grantee shall remove all graffiti from any real property owned or leased by Grantee in the City and County of San Francisco within forty eight (48) hours of the earlier of Grantee's (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This Section is not intended to require a Grantee to breach any lease or other agreement that it may have concerning its use of the real property. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" shall not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 *et seq.*) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. Sections 101 *et seq.*).

Any failure of Grantee to comply with this Section shall constitute an Event of Default of this Agreement.

16.17 Food Service Waste Reduction Requirements. Grantee agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Agreement as though fully set forth. This provision is a material term of this Agreement. By entering into this Agreement, Grantee agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Grantee agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for the second breach in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Grantee's failure to comply with this provision.

16.18 Slavery Era Disclosure.

(a) Grantee acknowledges that this Agreement shall not be binding upon the City until the Director receives the affidavit required by the San Francisco Administrative Code's Chapter 12Y, "San Francisco Slavery Era Disclosure Ordinance."

(b) In the event the Director finds that Grantee has failed to file an affidavit as required by Section 12Y.4(a) and this Agreement, or has willfully filed a false affidavit, the Grantee shall be liable for liquidated damages in an amount equal to the Grantee's net profit on the Agreement, 10 percent of the total amount of the Agreement, or \$1,000, whichever is greatest as determined by the Director. Grantee acknowledges and agrees that the liquidated damages assessed shall be payable to the City upon demand and may be set off against any monies due to the Grantee from any Agreement with the City.

(c) Grantee shall maintain records necessary for monitoring their compliance with this provision.

16.19 Compliance with Other Laws. Without limiting the scope of any of the preceding sections of this Article 16, Grantee shall keep itself fully informed of City's Charter, codes, ordinances and regulations and all state, and federal laws, rules and regulations affecting the performance of this Agreement and shall at all times comply with such Charter codes, ordinances, and regulations rules and laws.

**ARTICLE 17
MISCELLANEOUS**

17.1 No Waiver. No waiver by MOH or City of any default or breach of this Agreement shall be implied from any failure by MOH or City to take action on account of such default if such default persists or is repeated. No express waiver by MOH or City shall affect any default other than the default specified in the waiver and shall be operative only for the time and to the extent therein stated. Waivers by City or MOH of any covenant, term or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term or condition. The consent or approval by MOH or City of any action requiring further consent or approval shall not be deemed to waive or render unnecessary the consent or approval to or of any subsequent similar act.

17.2 Modification. This Agreement may not be modified, nor may compliance with any of its terms be waived, except by written instrument executed and approved in the same manner as this Agreement.

17.3 Administrative Remedy for Agreement Interpretation. Should any question arise as to the meaning or intent of this Agreement, the question shall, prior to any other action or resort to any other

17.8 Severability. Should the application of any provision of this Agreement to any particular facts or circumstances be found by a court of competent jurisdiction to be invalid or unenforceable, then (a) the validity of other provisions of this Agreement shall not be affected or impaired thereby, and (b) such provision shall be enforced to the maximum extent possible so as to effect the intent of the parties and shall be reformed without further action by the parties to the extent necessary to make such provision valid and enforceable.

17.9 Successors; No Third-Party Beneficiaries. Subject to the terms of Article 13, the terms of this Agreement shall be binding upon, and inure to the benefit of, the parties hereto and their successors and assigns. Exhibit B - Kelly Cullen Community Resident Selection Criteria and Marketing Plan

TENDERLOIN NEIGHBORHOOD DEVELOPMENT CORPORATION

KELLY CULLEN COMMUNITY

RESIDENT SELECTION CRITERIA AND MARKETING PLAN

PROJECT DESCRIPTION

Kelly Cullen Community will provide housing to 172 formerly homeless people and will be home to a Department of Public Health Medical and Wellness Clinic. In addition to these services, the historic theater and common spaces at Kelly Cullen Community, including a media room and roof garden, will provide social activities and recreational opportunities for residents of the Tenderloin. The project scope for the rehabilitation of the former YMCA fitness and hotel facility has included restoring and preserving a historic auditorium, gymnasium, lobby, atrium, mezzanine and re-introducing a grand entry staircase.

The rehabilitated building will house a health and wellness center operated by San Francisco's Department of Public Health to serve the low-income Tenderloin neighborhood, where many residents can not afford the high cost of health care. The building will also provide approximately 1,450 square feet of retail space to help revitalize the neighborhood.

The building's 172 efficiency studio units will average 235 net square feet with private bathrooms and kitchenettes that include a sink, refrigerator, cook-top stove, microwave, and cabinets. Common space amenities include community lounges, a library and media room, a community kitchen, laundry facilities, secured entry, an historic auditorium and gymnasium, and a landscaped roof deck.

TNDC's Social Workers will provide on-site support services for the building's formerly homeless tenant population, many with behavioral and physical health needs.

PURPOSE OF TENANT SELECTION PLAN

The purpose of the Tenant Selection Plan is to establish fair and equitable guidelines for selecting applicants to occupy these housing units. All applicants must complete an initial certification of income and assets, and meet all eligibility criteria, prior to being offered a unit. The criteria listed below apply to all applicants applying for residency to the Kelly Cullen Community and are in addition to the application process and requirements for the Department of Public Health's Direct Access to Housing (DAH) program.

An applicant must complete and sign an application in order to be considered for admission for housing. An applicant will be processed and considered *conditionally* eligible for housing based solely on statements given on the application form. **Acceptance of an application by TNDC does not assure the applicant housing at the building.**

As a condition of admission to any unit in the project, an applicant must sign any releases and consents authorizing any federal, state, or local agency, company, or organization to furnish or release to TNDC such information as TNDC and the applicable project regulations determine to be necessary.

AFFIRMATIVE MARKETING AND COMMUNITY OUTREACH

Policy on Non-Discrimination

It is the policy of Tenderloin Neighborhood Development Corporation (TNDC) to comply fully with Title VI of the Civil Rights Act of 1964, Title VIII and Section 3 of the Civil Rights Act of 1968 (as amended by the

EQUAL OPPORTUNITY HOUSING

Rev. 9/12/2012

Community Development Act of 1974), Executive Order 11063, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, Fair Housing Amendments of 1988, the California Fair Employment and Housing Act, the California Unruh Civil Rights Act and any legislation protecting the individual rights of tenants, applicants, or staff.

TNDC shall not discriminate on the basis of race, color, ancestry, national origin, sex, sexual orientation, familial status, religion, age, marital status, disability, HIV/AIDS status, source of income, or place of residence in the leasing, rental, or other disposition of housing or related facilities.

Advertisement

TNDC does not accept applications for housing directly for Kelly Cullen Community. All applicants will be referred to Kelly Cullen Community by the Department of Public Health (DPH).

Marketing Records

The property shall keep records of its activities in implementing the affirmative marketing plan, including records of advertisement and other community outreach efforts. Racial and ethnic characteristics of tenants will be maintained at the management office and will be updated annually for the Mayor's Office of Housing and the Department of Housing and Urban Development.

Reasonable Accommodation or Modification

TNDC will apply the same screening criteria to all applicants. TNDC complies with applicable laws and regulations intended to offer applicants with disabilities additional consideration in the application of rules, policies, and practices, or services and structural alterations, intended to enable an otherwise eligible applicant or tenant with a disability an equal opportunity to access and enjoy the housing program. TNDC is not, however, required to make an accommodation or physical modification if the accommodation or modification will be an undue financial or administrative burden to the building or if it requires TNDC to fundamentally alter or change the nature of the housing program. If the disability is not obvious, TNDC will require reliable third party verification of the disability and the needed accommodation. TNDC will make all efforts to comply with a requested accommodation, and if TNDC finds that the accommodation requested is not reasonable, TNDC will make all efforts to find an accommodation that is both effective and reasonable.

Reasonable accommodation for persons with disabilities will be provided at all stages of the application, interview, selection and residency process. If an applicant knows before submitting a rental application to TNDC that s/he will not meet TNDC's Resident Selection Criteria and believes his/her inability to meet TNDC's Resident Selection Criteria is due to a disability, the applicant may request a reasonable accommodation with the rental application submittal. All reasonable accommodation requests and requests for an appeal or grievance hearing will be forwarded to the Section 504 Coordinator who is TNDC's designated person to oversee its Section 504 Compliance efforts.

Questions or requests for assistance regarding any aspect of the application process may be directed to the General Manager, Assistant Manager, or other members of the leasing staff at the property.

*** Applicants may also reach the Section 504 Coordinator, Brandon Flannery, Compliance Manager of Property Management, at (415) 776-2151 and **TDD** users may dial (415) 776-4819 ***

EQUAL OPPORTUNITY HOUSING

Rev. 9/20/2012

ELIGIBILITY FOR HOUSING UNITS

During the initial lease-up of Kelly Cullen Community, TNDC will process applicants in the order as they are received from DPH. Advertisements for vacant units will inform prospects that they must be referred directly from DPH in order to qualify for residency at Kelly Cullen Community.

During regular building operations, TNDC will take applications from DPH for housing units on a first-come, first-served basis when the property has vacant units or is expecting vacancies in the near future. Applicants must meet all project requirements to be eligible.

All applicants must pass a resident selection screening and have their income and assets third-party certified in order to move in to any unit.

DPH DAH Units

These units will be filled by homeless or at-risk of homeless adults with multiple chronic illnesses who are at risk for either acute hospitalization or long-term institutionalization. Applicants will be referred to TNDC by the Department of Public Health (DPH) Direct Access to Housing (DAH) program. DAH units are funded by the City and County of San Francisco's Local Operating Subsidy Program (LOSP) and will comply with LOSP requirements during the period in which the LOSP is in operation and the City provides such subsidy to the Project.

MHSA Units

These units are funded by the Mental Health Services Act (MHSA)(Full Service Partnership providers will refer consumers to DAH with documentation of homelessness and a certification of disability status in accordance with San Francisco MHSA guidelines.

TCAC ARRA Units

These units are funded by the California Tax Credit Allocation Committee American Reinvestment and Recovery Act. TCAC ARRA unit residents are filled by homeless or at risk of homelessness adults who must also meet one of these criteria: diagnosed, disabling mental illness; or documented HIV positive test result or diagnosis of AIDS; or verification of substance abuse disability. Applicants will be referred to TNDC by the Department of Public Health (DPH) Direct Access to Housing (DAH) program (DPH-DAH).

APPLICATION AND INTERVIEW PROCESS

- 1. Referral.** Upon initial lease up of the project or as vacancy occurs, Property Management staff will alert DPH of vacancies. DPH will send applications to the TNDC Social Work Unit Manager. The TNDC Property Management Unit will work in concert with designated supportive services providers (e.g. DPH-DAH, TNDC Social Services Unit staff) to process applications and determine eligibility. The Social Work Unit Manager will then provide appropriate sections of the application to the Social Work and Property Management staff to process.
- 2. Interview.** All applicants must have a personal eligibility interview with TNDC Property Management staff at which TNDC will explain the Resident Selection Criteria and process the paperwork to determine eligibility. Property Management staff will call the applicant to schedule the eligibility interview and will alert and coordinate with Social Work staff so that s/he will be present. All applicants will meet with Property Management staff at the beginning of the interview and will then proceed immediately thereafter to meet with the TNDC Social Work staff along with their outside Case Management staff from their referring agency.

EQUAL OPPORTUNITY HOUSING

Rev. 9/20/2012

3. **Submit Application.** All prospective tenants shall complete and submit a TNDC rental application at the time of the eligibility interview and will be asked to sign forms that will be sent out to verify the information given on the application (e.g., income and asset information) prior to any offer to rent a unit. False, inaccurate or incomplete information may disqualify a prospective tenant. Intentionally providing false information on any part of the application is considered fraud and may result in failure of the applicant to obtain a TNDC unit, or if discovered after an applicant becomes a tenant, may result in loss of the housing unit.
4. **Applicant Identification Requirement.** TNDC requires that all initial tenant application paperwork include proof of current and valid government-issued identification of the applicant. Applications without appropriate identification must be returned to DPH. The only standing exception to this policy is instances where the applicant is an undocumented foreign resident without a visa who is unable to secure identification from their country of emigration. Any other exceptions to this policy must be approved in advance by the Compliance Manager.
5. **Background Check.** TNDC will run an eviction history and criminal background check. The General Manager will request criminal and eviction checks from a reputable service on each applicant within one business day of receiving the Application Packet. The three required components of the background check are: Unlawful detainer/housing history, social security and local criminal history. A history of evictions or illegal criminal behavior will not necessarily disqualify an applicant; however, this history will be discussed with the applicant, in order to assess the applicant's commitment to avoiding repeating the same behavior that caused prior evictions. If a decision cannot be made based on the first interview, in lieu of immediate rejection the Property Management Unit may require a second interview with the applicant, to address the specific issue(s) that would otherwise cause rejection of the application (e.g., if the background check shows evictions, incarceration, or charges related to violence or housing). TNDC (Property Management and Social Work Unit) and Service Partner Agencies (DPH-DAH) may meet with the applicant separately from the intake/interview process to address those specific issues.
6. **Eligibility Guidelines.** In addition to meeting specific DAH and/or MHSA Program criteria, TNDC will use the following eligibility guidelines when determining each applicant's eligibility for residency.
 - a. Applicants must be a direct referral from the San Francisco Department of Public Health.
 - b. Applicants must be income eligible as per the regulations of the Mayor's Office of Housing of which is at or below 50% of the San Francisco Adjusted Area Median Income as provided annually by the San Francisco Mayor's Office of Housing. *(Please see Attachment A for these income guidelines.)*
 - c. Applicant's household must meet the minimum and maximum occupancy standard for unit size: efficiency studio – 2 persons.
 - d. Applicants must have current, legal government-issued (government does not mean exclusively the United States) photo identification (driver's license, state-issued identification card, passport, or any other government issued photo identification). Examples of unacceptable identification include: Muni cards, check cashing identification, and other privately issued identification.
 - e. Applicants must intend to use the unit as his or her principal place of residence. Staff will ask the applicant if they will maintain any other residence during the period of their lease.
 - f. A Verification of Homeless certification will be requested and required. *(DAH will obtain written verification from the referring agency to certify that the applicant is homeless or at-risk of homeless.)*

EQUAL OPPORTUNITY HOUSING

- g. Applicants must be able to live independently with or without assistance and to maintain housing in accordance with local health standards.
- h. For units specifically designated for those with a diagnosis of being Mentally Ill/Disabled, third-party verification must be provided by the agency responsible for determining eligibility for the designated unit (e.g., the MHSA-funded Full Service Partnership referring the applicant will provide MHSA certification).
- i. All income and assets will be verified by TNDC via third party confirmation, i.e. verification form completed by employer, verification form completed by a financial institution, etc. In addition to the third party verification, applicants must submit certain second-party verification documentation, such as three months consecutive paychecks, three months consecutive bank statements, a letter from Social Security and/or Public Assistance, etc.

7. Disqualification Guidelines. Disqualification may result from:

- a. Two evictions in the past seven years;
- b. An applicant who has past eviction(s) strictly for non-payment of rent, will not be automatically declined under the eviction history criterion. *(It is a condition of eligibility that each applicant will have a verified payee to assist them with timely rent payment upon move-in, and throughout residency as it is essential to ensure timely payment of rent);*
- c. A felony drug-related conviction or conviction of producing or selling drugs in the past three years;
- d. A conviction for violence in the past five years or any conviction for a sex offense;
- e. A criminal report that demonstrates a history of burglary, robbery, vandalism, violence or other crimes against persons or property in the last five years may be a basis for disqualification. *The Property and Social Work Unit Team may interview the applicant a second time to address those specific issues.*
- f. All the information in the application must be truthful and accurate. Applicants who knowingly provide falsified information will not be selected (this provision shall not apply to minor mistakes that in fact provide no benefit to the applicant).
- g. If the applicant is abusive, blatantly disrespectful, disruptive or otherwise exhibits behaviors that would indicate the applicant may pose a significant threat and/or danger to him or herself and/or other tenants or property during the required interview, or such threatening behavior is witnessed by TNDC staff outside of the interview or is otherwise known to TNDC staff by credible, objective evidence to exhibit any of these behaviors, the applicant will not be accepted. The housing interview will also be terminated if the applicant is clearly unable or unwilling to actively participate in the interview for housing. *(Serious or repeated behavior of this type by the applicant may result in denial of the application.)*

8. Second Interview. The Property Management Team may require a second interview with the applicant, to address the specific issue(s) that would otherwise cause rejection of the application when at least one of the following conditions are true:

- Applicant displayed volatile behavior during the interview process and/or made statements to the effect that physical violence is a viable way of resolving conflict;

EQUAL OPPORTUNITY HOUSING

Rev. 9/20/2012

- General Manager becomes aware of documented, recent (in the past seven years) history of violent crimes including arson, armed burglary, rape, child molestation, domestic violence and/or murder;
- General Manager becomes aware of recent (last seven years) history of evictions/housing challenges due to violence or the threat of violence against staff or tenants.
- General Manager becomes aware of some other troubling situation **and** the Section 504 Coordinator agrees that a 2nd interview is warranted.

Upon Section 504 Coordinator approval, the General Manager may set up a second interview for the purpose of asking the applicant about the specific information that triggered the interview. The Social Work Unit may be asked to participate.

9. **Approval of Applicant.** Once a final housing decision has been made, Property Management will notify the applicant and designated referring case manager with the referring agency (e.g., MHSA or FSP) of its decision in writing and will copy the TNDC Social Work Unit on all communications. Property Management will also notify the DAH Clinical Intake Coordinator of all applicant outcomes by completing the DAH Referral Outcome form within five (5) days after making the final housing decision. The General Manager will schedule an appointment for the applicant to pay the move-in costs and sign a lease agreement and meet with Property Management and the Social Work Unit to conduct the New Tenant Orientation. The term of the lease shall commence for a period of one (1) year (and thereafter, on a month to month basis), until either party terminates the lease. Applicants must accept the first offer of apartment (qualified applicants will be offered only one apartment.)
10. **TNDC may hold a unit for an applicant for up to seven (7) days from the offer date**, upon provision of the security deposit or "promise to provide" from an agency participating in a rental/move-in assistance program, e.g., Season of Sharing.
11. **If the applicant does not wish to rent an available unit or fails to move in on the agreed upon date**, the applicant will be disqualified, his/her application will be declined, and the unit will be offered to the next qualified applicant.
12. **Rejection and Appeal Process.** An applicant may be denied at any time if they have not met one or more of the Resident Selection Criteria. TNDC Property Management staff will consult with TNDC Social Work Unit and the Medical Director of DAH and others when considering the rejection of an applicant. **The General Manager must consult with and get the approval of the Section 504 Coordinator before taking this step.** If an applicant is denied, s/he will be notified by a letter which will state the reason for denial.

A DAH applicant may be withdrawn from consideration if:

- Within ten (10) business days of notification, the applicant fails to respond to the housing site for the required Property Management interview and the Social Work Unit orientation;
- Within ten (10) business days of being contacted by on-site staff, the applicant fails to follow-up; or
- Within ten (10) business days of being offered a lease, the applicant fails to contact the housing site.

If an applicant loses consideration, Property Management will submit to the DAH Intake Team the required DAH Intake Referral Form to indicate that the applicant was not housed.

The applicant has fourteen (14) days after the date of the denial letter to submit a written appeal to TNDC Appeals – 201 Eddy Street, San Francisco, CA 94102. If a denial letter is sent to an applicant, and no response or new evidence is received within fourteen (14) days, TNDC will close the file permanently.

EQUAL OPPORTUNITY HOUSING

Rev. 9/20/2012

An appeal must consist of documentation refuting the stated reason for rejecting the applicant or requesting a reasonable accommodation and the basis for such an accommodation. TNDC will consider any mitigating circumstances that the applicant feels would have an effect on their application and that would overcome or outweigh information already gathered in the resident screening process. Mitigating circumstances must be documented in the appeal, and must corroborate the reason(s) given by the applicant for the disqualifying circumstances.

TNDC will notify the applicant of their final decision within fourteen (14) days of receiving the applicant's written notice of appeal, unless further information or research is required to give full consideration to the appeal.

INCOME ELIGIBILITY REQUIREMENTS

In order to be eligible for a unit, the applicant's gross annual income cannot exceed the Area Median Income for the programs as provided in Attachment A.

PREFERENCES

Applicants with preferences are selected from the waiting list and receive an opportunity for a unit sooner than those without preferences. These preferences are to ensure that housing opportunities will be provided for all, especially for those who may need it the most. This does not mean that the general applicant will not receive housing; instead it simply implies that the preferences affect only the order of applicants on the waiting list. Management will inform all applicants about available preferences and give all the opportunity to show that they qualify for that preference(s).

HUD 221(d)(3) Statutory Preference

TNDC will give preference to applicants who otherwise meet the eligibility criteria who have been displaced from units by government action or a presidentially declared disaster. This will be verified through the displacing agency or by reviewing documentation provided by government agency as necessary.

Listed below are two preferences that apply equally across TNDC housing:

City-funded Rehab Displacement

TNDC shall give first priority to Certificate of Preference (COP) holders who have been displaced from other units in the City and County of San Francisco by construction or rehabilitation work which has been financed in whole or in part by the City. COP holders are primarily households displaced by the actions of the Redevelopment Agency in Redevelopment Project Areas during the 1960's and 1970's, but may also include other persons displaced by Agency action. This preference will be verified by 3rd party means through the Mayor's Office of Housing or the displacing agency themselves.

Accessible Unit Preference

In the event that an accessible unit designed to meet the special needs of persons with mobility impairments becomes available, preference will be given to a current tenant in the building who requires and has requested an accessible unit. Tenants or applicants may also request a modification to any unit in the building to accommodate special needs as a result of a disability. These needs will be verified via 3rd party with a licensed professional following TNDC Reasonable Accommodation Protocol.

EQUAL OPPORTUNITY HOUSING

Rev. 9/20/2012

In the event that no tenant is available for transfer, TNDC will request from DPH a new applicant referral to individuals with mobility impairment before filling an accessible unit with an individual who does not need its features. If all efforts do not result in finding such an applicant, the unit will be offered to the next eligible applicant. Should the unit be offered to an applicant or tenant who does not need its modifications, s/he will be required to sign an agreement to transfer to a comparable non-accessible unit within the building should a tenant or applicant require an accessible unit. Failure to transfer as agreed shall be deemed non-compliance with the Lease and be cause for termination of the Lease.

UNIT TRANSFER

At all times preference will be given to a current resident over a new applicant that needs a transfer within a building for Mandatory Administrative Transfers.

Mandatory Administrative Transfers are:

- A transfer for a medical reason certified by a doctor;
- A transfer based on the need for an accessible unit; or
- A transfer based on affordability restrictions.

Transfers do not occur from one property to the next within TNDC's portfolio. Each property is considered a separate entity with individual funding requirements. This means that any TNDC resident desiring to live in another TNDC property must follow the same procedures that a new applicant would follow.

PRIVACY POLICY

It is the policy of TNDC to guard the privacy of applicants as conferred by the Federal Privacy Act of 1974 and to ensure the protection of such applicants' records maintained by TNDC.

Therefore, neither TNDC, nor its agents or employees shall disclose any personal information contained in its records to any person or agency unless the individual about whom information is requested shall give written consent to such disclosure.

This Privacy Policy in no way limits TNDC's ability to collect such information as it may need to determine eligibility, compute rent, or determine suitability for tenancy.

Consistent with the intent of Section 504 of the Rehabilitation Act of 1973, any information obtained regarding a disability or disability status will be treated in a confidential manner.

Attachment to Resident Selection Criteria and Marketing Plan

Applicant Referral and Certification Process San Francisco Department of Public Health

I. Introduction

The San Francisco Department of Public Health, Community Behavior Health Services (CBHS) established this Mental Health Services Act (MHSA) Housing Program Applicant Referral and Certification Process ("Process").

The community planning process for San Francisco's CSS Plan identified the service priorities of the MHSA target population by age group. Subsequently San Francisco initially funded eight Full Service Partnership / Intensive Case Management (FSP/ICM) programs: two for children, youth, and families; two for transition-aged youth (TAY); three for adults; and one for older adults. The CSS Plan identifies supportive housing as a priority service need and service strategy for three of the four target population age groups: TAY, adults and older adults. Accordingly, CBHS designed its MHSA Housing Program to meet the housing needs of these target populations in coordination with designated FSP/ICMs.

II. Threshold Eligibility for MHSA Housing Program

A. MHSA Housing Program Eligibility

1. Homelessness

To be considered "homeless," the individual must be moving from emergency shelter or transitional housing, or the individual must be currently homeless, meaning that s/he:

- a. Lacks fixed, regular and adequate nighttime residence, or
- b. Has a nighttime residence that is a publicly or privately operated shelter designed to provide temporary living accommodations (including welfare hotels, congregate shelters, and transitional housing for the mentally ill), or
- c. Has a nighttime residence that is an institution that provides a temporary residence for individuals intended to be hospitalized, or
- d. Has a nighttime residence that is a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings.

2. At-Risk for Homelessness

To be defined as "at-risk for homelessness," the individual must be:

- a. An individual discharged from an institutional setting, which includes hospitals and acute psychiatric hospitals/health facilities, or
- b. An individual discharged from a skilled nursing facility with a certified special treatment program for the mentally ill, or
- c. An individual currently residing at a crisis and transitional residential setting,
- d. An individual released from County jail, or
- e. An individual temporarily living in Residential Care facility upon discharge from one of the institutional settings cited above, or

EQUAL OPPORTUNITY HOUSING

Rev. 9/20/2012

- f. An individual who is currently receiving SF DPH mental health services and is at imminent risk for homelessness. "Imminent risk" is defined as individuals or families becoming homeless within 14 days.

3. Adult Target Population Criteria for Mental Illness

To meet MHSA criteria for mental illness, the applicant must have:

- a. A mental disorder as identified in the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders, except those diagnoses that are specifically excluded by the State Department of Mental Health, or
- b. Co-occurring Disorders (mental illness and substance abuse or mental illness and a developmental disability), or
- c. Other diagnoses or criteria established in the future by SFDPH's Community Behavioral Health Services (CBHS) as allowed by the Mental Health Services Act and in accordance with the priorities identified in the Community Services Supports component of San Francisco's Three-year Program and Expenditure Plan.

AND Applicants must also meet at least one of the following criteria:

- a. Functional impairments due to an untreated or under-treated mental illness that prevents engagement in meaningful activities and inability to remain in housing, or
- b. Frequent incarceration or psychiatric hospitalizations due to untreated or under-treated illness, or
- c. Multiple encounters at public clinics, health and social service agencies resulting in a "revolving door" cycle of unmet service needs, or
- d. Special consideration will be given to the ethnically and culturally unserved/underserved populations among the homeless and mentally ill, especially in the African American, Asian, Latino, and multi-ethnic communities.
- e. Local Eligibility Criteria

All applicants referred to screening for MHSA housing must also meet eligibility requirements established by SFDPH's Direct Access to Housing (DAH) program, which will be providing operating subsidies to MHSA units.

To qualify for the DAH program, an applicant must:

- Be a San Francisco resident. An applicant must be proven homeless or at-risk of homelessness—in accordance with DAH definitions—in San Francisco.
- Be considered "extremely low-income." An applicant is considered "extremely low" income if his/her income is equal to or less than 30% of median income for San Francisco.
- Enroll and participate in Third-Party Rent Payment services prior to lease signing. Applicants with a pre-existing payee may continue that payee relationship; those lacking a payee will be connected to an authorized service provider through DAH.
- Ability to participate in and complete the application process. This means that the applicant:
 - Is prepared to attend an interview within at least seven (7) days of submitting his/her application, and
 - Is willing to participate in Third-Party Rent Payment, and
 - Is willing and able to live independently in a community setting.

EQUAL OPPORTUNITY HOUSING

Rev. 9/20/2012

- Meets additional building specific eligibility criteria, if necessary. Some DAH housing sites have additional eligibility criteria based on funding source or target population.

III. Eligibility Certification Process

The SF Department of Public Health commits to a standardized Applicant Certification Application for all potential tenants of the MHSA funded housing units.

The initial pool of potential tenants will be current FSP/ICM applicants who are homeless or at-risk of homelessness as defined by MHSA. At its discretion, SFDPH may expand eligibility to include non-FSP/ICM MHSA applicants using a similar eligibility assessment process.

The DAH Placement Office will track MHSA housing vacancies and will act as the centralized point of entry into vacant units. During initial MHSA rent-up - and thereafter as vacancies become available, the DAH Placement Office will notify relevant FSP/ICMs of vacancies and solicit housing applications. In turn, FSP/ICMs will select eligible prospective tenants to apply for vacancies, ensure that eligible applicants meet all application and certification requirements, and will facilitate the applicant referral process.

FSP/ICMs will also be responsible for securing all eligibility documentation and certifying applicant eligibility using the standardized Tenant Certification Application. The FSP/ICM will submit the completed housing application, along with the Tenant Certification Application, to the DAH Placement Office. The application must be submitted within one week of the FSP/ICM being notified of the vacancy.

Upon receipt of the application, the DAH Placement Office will make sure all information is complete; if incomplete, the DAH Placement Office will contact the referring FSP/ICM and ask that any missing information be provided. The DAH Placement Office will also ensure that all required supporting documentation is included in the application. Such documentation will include:

- Signed documentation indicating that the referral is FSP/ICM-eligible / approved.
- Diagnosis Certification. All referrals from the Full Service Partnerships to MHSA Housing must be accompanied by a copy of the mental health diagnosis from the applicant's clinician.
- Certification of Homelessness. For homelessness, DAH will obtain written verification from the referring agency that the applicant is homeless as certified by staff of:
 - A transitional housing facility, emergency shelter, other shelter designed to provide temporary living accommodations for homeless individuals.
 - An acute psychiatric facility which admitted the individual from homelessness.
 - A hospital which admitted the individual from homelessness.
 - San Francisco City and County jail which admitted the individual from homelessness.
 - If a homeless applicant is coming directly from the streets or other place not meant for human habitation, the verification could come from staff of an outreach, service or other organization that has assisted the applicant in the recent past.
 - If unable to obtain third-party verification, the applicant, PSC or supportive services program staff may prepare a short statement about the person's previous living situation for the applicant to sign.

EQUAL OPPORTUNITY HOUSING

Rev. 9/20/2012

For documentation of “at-risk-of-homelessness,” DAH will obtain from the referring agency written verification from the staff of the following systems and/or institutions:

- For TAY, from the agency from which the youth will exit (e.g., child welfare or juvenile justice systems).
- Hospitals, including acute psychiatric hospitals, psychiatric health facilities.
- Skilled nursing facilities with a certified special treatment program for the mentally ill, and mental health rehabilitation centers.
- Crisis and transitional residential settings.
- San Francisco City and County jail.
- Residential care facilities.
- Certification from an SFDPH service provider when the individual and/or family is at imminent risk of homelessness

IV. MHSA Housing Program Wait List

San Francisco’s MHSA Housing Program will not maintain a wait list for MHSA units, per current policy. Rather, when MHSA units become available, the DAH Placement Office will notify the relevant FSP/ICMs of unit availability. FSP/ICMs may opt to maintain an internal referral wait list of their clients in need of housing if they choose.

When a new development in the MHSA Housing program is being rented up, or as previously filled units become vacant, the housing provider will notify the DAH Placement Office. The DAH Placement Office will notify the relevant FSP/ICMs of the unit’s availability and solicit applications from FSP/ICM client households of the appropriate size. The FSP/ICM must respond within one week, after which the Housing Liaison will solicit an application from another FSP/ICM or MHSA service agency. The FSP/ICM will establish which client or clients will apply after determining:

- The type of housing available, and
- Any programmatic requirements associated with the development in question.

The FSP/ICM will then assist the client in completing the MHSA Housing Program Applicant Certification Application and application for housing in the specific MHSA housing development.

V. Eligibility Determination for a Specific Unit

The DAH Placement Office will forward applications to the specific development with an MHSA vacancy. The prospective MHSA tenant will then be screened per the development’s established screening protocols.

A. Interviews

As part of the application process, each applicant will participate in:

- A housing interview with Property Management.
- An orientation session with appropriate on-site Support Services staff.

To minimize any burden on the applicant, Property Management and on-site Support Services will interview applicants separately but will coordinate the interviews in close succession—on the same day whenever possible.

EQUAL OPPORTUNITY HOUSING

Rev. 9/20/2012

1. Property Management Interview

Each applicant will participate in a housing interview with Property Management, the scheduling and outcomes of which will be communicated to applicants by the referring FSP/ICM. Each applicant's case manager will accompany him/her to the Property Management interview, which will, on average, last approximately 30 minutes.

The housing provider may only ask the individual questions that are directly related to the individual's ability to meet tenancy requirements. This includes questions about source of income to pay rent, a history of nonpayment of rent, or a history of evictions for failure to maintain the premises. Housing providers may also ask the individual if s/he has a criminal conviction, but the request should be related to the terms and conditions of tenancy and determining whether the individual can comply with the lease.

In screening the individual for tenancy, the housing provider should consider whether any conditions described by the applicant that might typically be grounds for denying tenancy (e.g. non-payment of rent, failure to maintain the premises) could be due in part to the circumstances that resulted in the individual being eligible for MHSA services. For example, a seriously mentally ill individual may have had difficulty maintaining his/her apartment and may thus have been evicted. Consistent with MHSA's intent, the housing provider will consider whether the MHSA services available to the housing unit and/or tenant will enable the prospective tenant to meet the conditions of tenancy.

The final decision of whether to house an applicant rests with the property management team, which may consult with the referring FSP/ICM and on-site Support Services regarding any clinical concerns. After completing the interview and collecting/reviewing all necessary documentation, property management will decide each applicant's referral outcome based on the development's own resident selection criteria.

2. On-Site Support Services Orientation

Each applicant will meet with appropriate building-specific on-site Support Services staff before Property Management determines the applicant's housing outcome. During the session, on-site Support Services will have the opportunity to engage the applicant and referring case manager to discuss clinical issues and/or better assess any need for reasonable accommodation. The orientation will last, on average, between 15 and 20 minutes.

B. Background Checks

Property Management will run applicant background checks prior to interviews being scheduled / taking place as not to create delays in the screening process.

VI. Applicant Approval Notification and Move-In

Once an applicant has been selected for tenancy in a specific unit, the applicant, and applicant's case manager will be notified in writing and provided a specific occupancy date. FSP/ICM staff will be available to assist the individual in making arrangements for and completing the move in.

VII. Applicant Rejection and Notification; Appeals Process

If the individual is not selected for tenancy, the housing provider should notify the applicant and applicant's case manager in writing and provide a basis for non-selection. The housing provider should also notify the individual of his/her right to appeal the decision. Each provider should establish and maintain a process for managing such appeals. The housing provider will also submit a Referral Outcome Form to the DAH Placement Office.

Notice of Availability of 2011 Annual Monitoring Report Form and Reminder of Deadline

The Annual Monitoring Report (AMR) form for Reporting Year 2011 (RY2011) is now available. The reporting forms can be downloaded from the [Asset Management page](#) of the MOH web site. The report is due on April 30 for projects whose business year ends December 31, and on October 31 for projects whose business year ends June 30. Submissions for RY2011 and any outstanding reports from prior reporting years will be accepted only in the RY2011 format.

The RY2011 AMR form has been revised somewhat from the form for RY2010. The revisions are summarized as follows.

- Worksheet 1 – Property & Tenant Info has been divided into two worksheets: Worksheet 1A – Property & Residents and Worksheet 1B – Transitional Programs Only.
- Worksheet 1A requires the same information as the previous Worksheet 1, but to improve the usability of the form, the order of questions has been rearranged and redundant questions have been eliminated. In addition, some questions may now be skipped for transitional housing programs.
- Worksheet 1B must now be completed for all transitional housing programs, shelters, residential treatment programs and group homes.

Completion and Submission Instructions

The AMR consists of the following 3 parts:

I. Project Activity Report – This is a Microsoft Excel spreadsheet that is comprised of the following worksheets:

- | | |
|--------------------------------------|----------------------------------|
| • Instructions | 2. Fiscal Activity |
| • Checklist (revised) | 3. Occupancy & Rent Info |
| 1A. Property & Residents (revised) | 4. Narrative |
| 1B. Transitional Programs Only (new) | 5. Project Funding Summary (new) |

Provide all applicable information that is requested in worksheets 1-5. Use the Instructions to help you complete each form and the Checklist to help you to determine when each worksheet is complete and to compile all submittals required for the entire AMR.

Use Question #9 on the Narrative worksheet to explain any data that you provide that may be unclear or better understood with additional information. In addition, certain questions in this report prompt you to supply an explanation for your answers on the Narrative worksheet. *Failure to supply the required explanation will render your submission incomplete.*

Submit this report as an Excel file only; do not convert it to pdf or another file type. Changing the format of the Project Activity Report without MOH's prior approval is not allowed. Do not overwrite any validations for any of the cells, alter any formulas or add or delete any rows or columns. If you need to revise the form in order to successfully complete the report, submit a request to moh.amr@sfgov.org.

 - be written in language that is clear and readily understandable.
- **First Interview.** In accordance with the housing provider policies, each applicant with the minimum eligibility requirements for housing unit shall be offered the opportunity for an interview.
- **Second Interview.** Before issuing a denial, the housing provider should consider offering a second interview to resolve issues and inconsistencies, gather additional information, and assist as much as possible with a determination to admit the applicant.
- **Confidentiality.** All information provided will be kept confidential and be used only by the housing provider, the referring agency and the funding agency for the purpose of assisting and evaluating the applicant in the admission process.
- **Delays in the Process.** If delays have occurred or are likely to occur in the application and screening process or the process exceeds the housing provider's normal timeline for application and screening, the housing provider must immediately inform the referring agency and the funding agency, of the status of the application, the reason for the delay and the anticipated time it will take to complete the application process.
- **Problems with the Referring Agency.** If at any point the housing provider has difficulty reaching or getting a response from the applicant and referring agency, the housing provider must immediately contact the referring agency, if possible, and the funding agency, DPH or HSA.
- **Limited English Proficiency Policy.** Throughout the application process, the housing provider must comply with the language access requirements for applicants with limited English proficiency.

Reasonable Accommodation and Modification Policy

Reasonable Accommodation: The application process should provide information about how an applicant may make a reasonable accommodation request. At any stage in the admission process, an

applicant may request a reasonable accommodation, if the applicant has a disability and as a result of the disability needs a modification of the provider's rules, policies or practices, including a change in the way that the housing provider communicates with or provides information to the applicant that would give the applicant an equal chance to be selected by the housing provider to live in the unit.

Reasonable Modification: Applicant may request a reasonable modification if he or she has a disability and as a result of the disability needs:

- a physical change to the room or housing unit that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site;
- a physical change in some other part of the housing site that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site.

Response to Request: The housing provider shall respond to a request for reasonable accommodation or modification within ten (10) business days. The response may be to grant, deny, or modify the request, or seek additional information in writing or by a meeting with the applicant. The housing provider will work with the applicant and referring agency to determine if there are ways to accommodate the applicant.

The housing provider shall grant the request if the provider determines that:

- the applicant has a disability;
- reasonable accommodation or modification is necessary because of the disability; and
- the request is reasonable (i.e., does not impose an undue financial or administrative burden or fundamentally alter the nature of the housing program.)

If the reasonable accommodation request is denied, the rejection must explain the reasons in writing. If the denial of the reasonable accommodation request results in the applicant being denied admission to the unit, the provisions of the section on Notice of Denial and Appeal Process apply.

Notice of Denial and Appeal Process

- The housing provider shall:
 - promptly send a written and electronic notice (to the addresses provided) to each applicant denied admission with a written and/or electronic copy to the referring agency and the funding agency. The notice should:
 - list all the reasons for the rejection, including the particular conviction or convictions that led to the decision in cases where past criminal offenses were a reason for rejection;
 - explain how the applicant can request an in person appeal to contest the decision;
 - state that an applicant with a disability is entitled to request a reasonable accommodation to participate in the appeal;
 - inform the applicant that he or she is entitled to bring an advocate or attorney to the in person appeal;
 - provide referral information for local legal services and housing rights organizations;
 - describe the evidence that the applicant can present at the appeal;
 - give applicants denied admission a date within which to file the appeal, which shall be at least ten (10) business days from the date of the notice;
 - unless an extension is agreed to by the applicant and the housing provider, hold the appeal within ten (10) business days of the request for the appeal;
 - confine the subject of the appeal to the reason for denial listed in the notice;
 - give the applicant a chance to present documents and/or witnesses showing that he or she will be a suitable tenant;

- have an impartial supervisor or manager from the housing provider, but who is not the person who made the initial decision or a subordinate of the person who made the initial decision, conduct the appeal;
 - within 5 business days of the in person appeal, provide the applicant with a written decision that states the reason for the decision and the evidence relied upon. A copy of the written decision must be sent (electronically or otherwise) to the referring agency and the funding agency.
- If the rejection is based on a criminal background check obtained from a tenant screening agency, the Fair Credit Reporting Act and the Investigative Consumer Reporting Agencies Act impose additional notice requirements.²

EXHIBIT I
Tenant Screening Criteria Policy

The City expects that housing providers will use maximum feasible efforts to ensure that those individuals and families who are referred are accepted for occupancy in a timely fashion. To that end, the City has adopted the following screening criteria for applicants with a criminal record. If a problem arises in the application and screening process that may cause unreasonable delay in screening outcome, the housing provider should immediately notify the referring agency and DPH or HSA to assist with an expeditious resolution.

The screening criteria and considerations outlined below encourage providers to “screen in” rather than “screen out” applicants who have a criminal record. They describe a minimum level of leniency; providers are encouraged to adopt less restrictive policies and processes whenever appropriate. For example, providers may opt not to review or consider applicant criminal records at all.

Screening Criteria

- Housing providers shall not automatically bar applicants who have a criminal record³ in recognition of the fact that past offenses do not necessarily predict future behavior, and many applicants with a criminal record are unlikely to re-offend.
- Housing providers shall not consider:
 - arrests that did not result in convictions, except for an open arrest warrant;
 - convictions that have been expunged or dismissed under Cal. Penal Code § 1203.4 or 1203.4a;⁴
 - juvenile adjudications.
- Housing providers shall consider:
 - the individual circumstances of each applicant; and
 - the relationship between the offense, and
 - (1) the safety and security of other tenants, staff and/or the property; and
 - (2) mitigating circumstances such as those listed below.
 - only those offenses that occurred in the prior 3 years, except in exceptional situations, which must be documented and justified, such as where the housing provider staff is aware that the applicant engaged in violent criminal activity against staff, residents or community members and/or that the applicant intentionally submitted an application with materially false information regarding criminal activity. As necessary, DPH or HSA will assess the justification for a longer look-back period and determine whether an exception is warranted. In these exceptional situations, the housing provider may consider offenses that occurred in the prior 5 years.
 - mitigating factors, including, but not limited to:
 - (1) the seriousness of the offense;
 - (2) the age and/or circumstances of the applicant at the time of the offense;
 - (3) evidence of rehabilitation, such as employment, participation in a job training program, continuing education, participation in a drug or alcohol treatment program, or letters of support from a parole or probation officer, employer, teacher, social worker, medical professional, or community leader;
 - (4) if the offense is related to acts of domestic violence committed against the applicant;
 - (5) if the offense was related to a person’s disability

³ The policy recognizes that some housing may be subject to mandatory laws that require the exclusion of an applicant based upon certain types of criminal activity.

⁴ The purpose of the statute is allow a petitioner to request a dismissal of the criminal accusations, a change in plea or setting aside of a verdict and to seek to have certain criminal records sealed or expunged and a release “from all penalties and disabilities resulting from the offense.”
