Item 1 File 11-1152	Department: San Francisco International Airport (Airport)
--------------------------------------	---

EXECUTIVE SUMMARY**Legislative Objective**

- The proposed resolution would authorize a new, approximately nine year and seven month Lease and Use Agreement (Lease) between the San Francisco International Airport (Airport) and Swiss International Air Lines, Limited (Swiss Air), for 632,292 total square feet of exclusive and non-exclusive space in the International Terminal, from approximately December 1, 2011 through June 30, 2021, as a signatory to the 2011 Lease and Use Agreement between the Airport and various airlines. That agreement was previously approved by the Board of Supervisors for 38 other airlines at the Airport.

Key Points

- Airlines can operate at the Airport either by: (a) signing a lease with the Airport authorizing the airline to operate flights in and out of the Airport, including a negotiated amount of exclusive and non-exclusive space for use by the airline as a signatory airline, or (b) obtaining a month-to-month Airline Operating Permit and a month-to-month Terminal Space and Use Permit as a non-signatory airline.
- The Airport has previously entered into a new 2011 Lease and Use Agreement with 38 signatory airlines for a period of ten years, from July 1, 2011 through June 30, 2021, which contain similar terms differentiated only by the number and type of aircraft, landing weights, and square footage of space. The Board of Supervisors has previously approved three resolutions between 2010 and 2011 consisting of 38 different signatory airlines into the 2011 Lease and Use Agreement (File 10-0351, File 10-1213, & File 11-0210). In addition, 12 other airlines operate at the Airport as non-signatory airlines, for a total of 50 airlines currently operating at the Airport.
- Swiss Air has operated at the Airport as a non-signatory airline under a month-to-month Airline Operating Permit and has occupied 631,987 square feet of joint use space under a Terminal Space and Use Permit since June 2, 2010. As of June 27, 2011, Swiss Air has occupied an additional 305 square feet of exclusive use space for a total of 632,292 square feet of space, under their current month to month Terminal Space and Use Permit.

Fiscal Impacts

- From July 1, 2011 through approximately November 30, 2011, Swiss Air is currently paying the Airport \$59,533 per month in landing fees as a non-signatory airline. Under the proposed lease, the landing fees paid by Swiss Air to the Airport would be reduced to \$47,626 per month from the date the proposed signatory lease is approved, or approximately from December 1, 2011, through June 30, 2012. The annual rent now being paid by Swiss Air to the Airport for both exclusive use space (\$49,380) and joint use space (\$1,682,395) in the International Terminal would remain the same for the remainder of FY 2011-12.
- Based on air traffic forecasts, projected revenues, and projections in operating expenses and debt service, the Airport projects that Swiss Air will pay the Airport an estimated total of \$32,696,907 over the total lease term of approximately nine years and seven months from December 1, 2011 through June 30, 2021.
- Under the Airport's residual rate setting methodology (breakeven policy), the rental rates, and landing fees are adjusted annually such that the total amount of airline revenues received by the Airport is equal to the amount that all of the Airport's costs, including debt service and operating costs, exceed all of the non-airline revenues received by the Airport including concession and parking revenues.

Recommendation

- Approve the proposed resolution.

MANDATE STATEMENT / BACKGROUND**Mandate Statement**

Section 2A.173 of the City's Administrative Code authorizes the Airport to negotiate and execute leases of Airport lands and space in Airport buildings without undergoing a competitive bid process, as long as the original term of the lease does not exceed 50 years.

City Charter Section 9.118 states that leases which would result in revenues to the City in excess of \$1,000,000 are subject to Board of Supervisors approval.

Background

The rent and landing fees, which are charged by the Airport to the airlines, are determined by the Airport's "residual rate setting methodology (breakeven policy)." Under such methodology, the rental rates, landing fees, and related fees are adjusted annually such that the total amount of airline revenues received by the Airport is equal to the amount that all of the Airport's costs, including debt service and operating costs, exceed all of the non-airline revenues received by the Airport including concession and parking revenues.

Airlines can operate at San Francisco International Airport (Airport) either by: (a) signing a lease with the Airport as a "signatory airline" authorizing the airline to operate flights in and out of the Airport, including a negotiated amount of exclusive and non-exclusive space for use by the airline, or (b) obtaining a month-to-month Airline Operating Permit and a month-to-month Terminal Space and Use Permit as a "non-signatory airline." Pursuant to Federal law, non-signatory airlines are not required to enter into leases with the Airport.

According to Ms. Diane Artz, Senior Property Manager at the Airport, there are currently 50 airlines operating at the Airport. Of the 50 airlines, 38¹ signatory airlines are under the Airport's 2011 Lease and Use Agreement and 12 are non-signatory airlines operating under month-to-month Airline Operating Permits and Terminal Space and Use Permits. The 2011 Lease and Use Agreements with the 38 airlines extend for ten years from July 1, 2011 through June 30, 2021. The Board of Supervisors has previously approved three resolutions between 2010 and 2011 consisting of 38 different signatory airlines into the 2011 Lease and Use Agreement (File 10-0351, File 10-1213, & File 11-0210)

Ms. Artz notes that previous to the 2011 Lease and Use Agreement, there was little incentive for airlines to sign a lease with the Airport as both signatory and non-signatory airlines paid the same rental rates, and landing fees, as calculated by the residual rate setting methodology (breakeven policy). However, as part of the 2011 Lease and Use Agreements, beginning on July 1, 2011, each non-signatory airline is required to pay a 25 percent premium on landing fees in excess of the landing fees paid by the signatory airlines to the Airport. According to Ms. Artz, the 25 percent premium on landing fees for non-signatory airlines was intended to create a financial incentive for non-signatory airlines to enter into long term leases with the Airport.

¹ There were 39 airlines who were part of the 2011 Lease Agreement, however, Mexicana Airlines declared bankruptcy, and could not consummate the lease, and is no longer operating at the Airport.

Swiss International Air Lines, Limited (Swiss Air) has operated at the Airport as a non-signatory airline under a month-to-month Airline Operating Permit and has occupied 631,987 square feet of joint use space under a Terminal Space and Use Permit since June 2, 2010.

As of June 27, 2011, Swiss Air occupied an additional 305 square feet of exclusive use space for a total of 632,292 square feet of space, under their current month to month Terminal Space and Use Permit.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would approve a new Lease and Use Agreement (Lease) between the Airport and Swiss International Airlines, Limited (Swiss Air) for (a) the right to operate flights at the Airport's International Terminal, and (b) occupy a total of 632,292 square feet of space in the International Terminal, including 305 square feet of exclusive use space and 631,987 of joint use space, for the approximately nine year and seven month period of the lease from December 1, 2011 through June 30, 2021.

Currently, Swiss Air is operating at the Airport as a non-signatory airline under a month-to-month Airline Operating Permit and a month to month Terminal Space and Use Permit.

Under the proposed lease agreement, Swiss Air would become a signatory to the existing 2011 Lease and Use Agreement previously approved in 2010 and 2011 by the Board of Supervisors in three resolutions (File 10-0351, File 10-1213, & File 11-0210) for 38 other airlines at the Airport.

FISCAL IMPACT

As shown in Table 1 below, Swiss Air is currently paying a total of approximately \$203,848 per month to the Airport for FY 2011-12. Approval of the proposed resolution would result in Swiss Air paying approximately \$207,680 a month for FY 2012-13, the first full year under the proposed Lease and Use Agreement.

Table 1: Approximate Monthly Revenues paid by Swiss Air to the Airport

	FY 2011-12 Non-Signatory Month-to-Month Permits	FY 2012-13 Proposed New Signatory Lease
Landing Fees	\$59,533	\$51,532
Joint Use Rent	140,200	151,696
Exclusive Use Rent	4,115	4,452
Total Monthly Revenues:	\$203,848	\$207,680

As of July 1, 2011, under the terms of the 2011 Lease and Use Agreement with 38 signatory airlines, the 12 non-signatory airlines, which have operated at the Airport under Airline Operating Permits and Terminal Space and Use Permits, have been required to pay a 25 percent premium on landing fees in excess of the landing fees paid by the signatory airlines operating under lease at the Airport. Currently, under the existing month-to-month Airline Operating Permit, Swiss Air pays the Airport \$59,533 per month in landing fees. As of the date the proposed new signatory lease is executed, or approximately December 1, 2011, Swiss Air will no

longer be required to pay this 25 percent premium, such that Swiss Air will instead pay \$47,626 per month in landing fees for the remainder of FY 2011-12 as a signatory airline.

As shown in the Attachment to this report, based on air traffic forecasts, projected revenues, and projections in operating expenses and debt service, the Airport projects that Swiss Air will pay the Airport total estimated revenues of \$32,696,907 over the total lease term of approximately nine years and seven months, from approximately December 1, 2011 through June 2021, including \$8,113,102 in landing fees, \$23,882,827 for joint use rent space, and \$700,978 for exclusive use rent space.

Under the proposed new 2011 Lease and Use Agreement, Swiss Air would pay the Airport revenues based on the annual rental rates and landing fees, calculated under the Airport's breakeven policy included under the existing Lease and Use Agreement for the 38 other airlines, such that the lease rates are differentiated only by the number and type of aircraft, landing weights, and square footage of space.

RECOMMENDATION

Approve the proposed resolution.

Subject: Approval of New Lease and Use Agreements between Swiss International Air Lines, Limited, and the City and County of San Francisco, acting by and through its Airport Commission

Dear Ms. Calvillo:

Pursuant to Section 9.118 of the City Charter, I am forwarding for the Board of Supervisors' approval one (1) new 2011 Lease and Use Agreement (the "Lease"), to be effective upon full City approval, between the City and County of San Francisco, acting by and through its Airport Commission, and Swiss International Air Lines, Limited ("Swiss International"), which grants operating rights for flight operations and terminal rental at San Francisco International Airport. The Lease was approved by Airport Commission Resolution No. 11-0182, adopted August 16, 2011.

The Lease provides for terminal rental of approximately three hundred five (305) square feet of Exclusive Use Space, and six hundred sixty-four thousand two hundred forty-three (664,243) square feet of Joint Use Space in the International Terminal. The term of the Lease is approximately nine (9) years and seven (7) months, pending approval of the Board of Supervisors, and has a projected annual rent of approximately \$2.2 Million based on Rates and Charges for Fiscal Year 2011/2012.

The following is a list of accompanying documents (five sets):

- Board of Supervisors Resolution; and
- Approved Airport Commission Resolution No. 11-0182; and
- Commission Memorandum; and
- Two (2) Form SFEC-126: Notification of Contract Approval

A sample of the form of the Lease may be provided via email. You may contact Cathy Widener, Governmental Affairs Manager, at (650) 821-5023 regarding this matter.

Very truly yours,

RESOLUTION NO. 11-0182

APPROVAL OF LEASE AND USE AGREEMENT WITH SWISS INTERNATIONAL AIR LINES, LIMITED PROVIDING FOR OPERATING RIGHTS AND RENTAL OF TERMINAL SPACE AT SAN FRANCISCO INTERNATIONAL AIRPORT.

WHEREAS, Swiss International Air Lines, Limited ("Airline") conducts flight operations at San Francisco International Airport (the "Airport") pursuant to Airline Operating Permit No. 4120; and,

WHEREAS, the Airline wishes to become a signatory airline at the Airport pursuant to a 2011 Lease and Use Agreement (the "2011 Lease"), a lease comparable to one recently approved for thirty-nine (39) other airlines at the Airport; and,

WHEREAS, the 2011 Lease has a term of ten (10) years and provides for terminal rental and landing fees in accordance with the Airport's Rates and Charges; and,

WHEREAS, the Airport Commission of the City and County of San Francisco, acting by and through its Airport Commission (the "Commission") and Airline now desires to enter into the 2011 Lease on the same terms and conditions except that the term will be nine (9) years and approximately eight (8) months, with the exact term dependent upon full approval of the 2011 Lease by the City; now, therefore, be it

RESOLVED, that this Commission approves the 2011 Lease between Swiss International Air Lines, Limited and the City, consistent with the terms of the attached memorandum, subject to the Airline complying with Chapter 12B of the City's Administrative Code and other City contracting requirements, or obtaining the appropriate waivers thereto; and, be it further

RESOLVED, that the Commission Secretary is hereby directed to request Board of Supervisors' approval of said 2011 Lease and Use Agreement for Swiss International Air Lines, Limited pursuant to City Charter Section 9.118.

FROM: Airport Director

SUBJECT: Approval of 2011 Lease and Use Agreement with Swiss International Air Lines, Limited

DIRECTOR'S RECOMMENDATION: ADOPT THE ACCOMPANYING RESOLUTION THAT AUTHORIZES A LEASE AND USE AGREEMENT FOR SWISS INTERNATIONAL AIR LINES, LIMITED FOR OPERATING RIGHTS AND RENTAL OF TERMINAL SPACE AT SAN FRANCISCO INTERNATIONAL AIRPORT.

Executive Summary

On June 30, 2011, all 1981 Airline/Airport Lease and Use Agreements and 1999 Lease and Operating Agreements expired. San Francisco International Airport (the "Airport") and the airlines have negotiated a new Lease and Use Agreement (the "2011 Lease") to be effective July 1, 2011. The 2011 Lease has a term of ten (10) years and continues the current residual rate-setting methodology for terminal rental rates and landing fees based on the Airport's Rates and Charges. Further, the 2011 Lease continues the Annual Service Payment to the City's General Fund.

Between the period of March 16, 2010, and April 7, 2011, the 2011 Lease between the thirty-nine (39) airlines and the City was approved by the Airport Commission and Board of Supervisors. Staff is now seeking approval of the 2011 Lease with Swiss International Air Lines, Limited ("Swiss International") under the same terms and conditions except that the term will commence upon full approval by the City and terminate on June 30, 2021.

Background

Most of the airlines operating at the Airport were parties to the 1981 Airline/Airport Lease and Use Agreement or the 1999 Lease and Operating Agreement, all of which expired on June 30, 2011. Over the past several years, the Airport and the airlines negotiated the terms of the 2011 Lease, to be effective July 1, 2011, which has a term of ten (10) years and continues the current residual rate-setting methodology for terminal rental rates and landing fees based on the Airport's Rates and Charges. As of July 1, 2011, thirty-nine (39) airlines have become signatory airlines pursuant to the 2011 Lease, as listed on *Attachment A* hereto. The major business terms of the 2011 Lease are provided on *Attachment B* hereto.

The Airport continued to offer the 2011 Lease to any remaining airlines that wish to obtain signatory status at the Airport. On April 27, 2011, Swiss International executed the 2011 Lease, for rental of Exclusive space and a participant in International Terminal Joint Use space as summarized on *Attachment C*. This lease for Swiss International is the same terms and conditions except that the term of the 2011 Lease will be approximately nine (9) years and eight (8) months, becoming effective on the date that their 2011 Lease is fully approved by the City. Staff is now seeking Commission approval of the 2011 Lease with Swiss International, contingent upon approval of the Board of Supervisors.

Swiss International is in full compliance with the Equal Benefits Ordinance and will be obligated to be in compliance with other City contracting requirements, as applicable.

Recommendation

I recommend adoption of the accompanying resolution that authorizes the Director to execute a 2011 Lease with Swiss International, and direct the Commission Secretary to request Board of Supervisors' approval of such 2011 Lease in accordance with City Charter Section 9.118.

Basic Provisions of 2011 Lease & Use Agreement

The 2011 Lease continues many of the provisions of the current 1981 Lease and Use Agreement and the 1999 Lease and Operating Agreement, with some important improvements and updates, as summarized below:

TERM

- Ten (10) years, effective July 1, 2011, through June 30, 2021. (Note: the Swiss International 2011 Lease will be effective on that date that it receives full approval by the City, therefore the Term will be nine (9) years and a number of months, yet to be determined).
- Leases can be terminated by airlines upon certain extraordinary events such as destruction of the leased space or closure of the Airport.
- Each signatory airline will be given a mid-term option to surrender up to 20% of their Exclusive Use Space on July 1, 2016.

ANNUAL SERVICE PAYMENT

The 2011 Lease continues the Airport Commission's payment of the Annual Service Payment to the City's General Fund in the amount of fifteen percent (15%) of concession revenues.

TYPES OF SPACE

Space shall be leased in the following five (5) categories of space shown below:

Type	Category
Ticket Counters, Gate Holdrooms	I
Airline Ticket Office (ATO)	II
VIP Clubs and Lounges	II
Other Enclosed Space, Departure Level and above	II
Baggage Claim Lobbies	II
Baggage Service Offices	II
Curbside Check-in	II
Other Enclosed Space, Arrivals Level and below	III
Inbound/Outbound Baggage Handling Areas and Baggage Transfer Areas	IV
Equipment Rooms	IV
Unenclosed or Covered Area - Ramp Level	V

ATTACHMENT B

A. Exclusive Use Space – International Terminal

- Each 2011 Lease may include Exclusive Use Space consisting of ATO, baggage service office, ramp operations office, administrative office, VIP clubroom and/or other support space.
- Each 2011 Lease will incorporate the deletion of all Explosive Detection System (EDS) space, currently charged as Category IV rent to airlines for baggage screening.

B. Exclusive Use Space – Domestic Terminals

- Each 2011 Lease may include Exclusive Use Space consisting of ticket counter, ATO, baggage service office, ramp operations office, administrative office, VIP clubroom and/or other support space. The amount of Exclusive Use Space included in each 2011 Lease is described on *Attachment C*.
- Each 2011 Lease will incorporate the deletion of all Explosive Detection System (EDS) space, currently charged as Category IV rent to airlines for baggage screening.
- The 2011 Leases will no longer allow gate holdrooms to be leased on an exclusive use basis to airlines. All gate holdrooms in the domestic terminals will be used by airlines on a preferential or common use basis as further described below, thus allowing for the more efficient utilization of Airport resources and the accommodation of new entrants.

C. Joint Use Space

- Each 2011 Lease for space in the International Terminal will continue the current Joint Use structure for all airline shared operational space in the Airport's International Terminal, including ticket counters, holdrooms, baggage claim and FIS space, and baggage handling related areas, as shown on *Attachment C*.
- Scheduling of Joint Use Space in the International Terminal will continue to be managed by an airline consortium in accordance with established protocols with Airport oversight.
- Ticket counter check-in positions in the International Terminal assigned to each airline will be based on flight activity in accordance with current Ticket Counter Management Protocols. Assignments will continue to be managed by an airline consortium with Airport oversight.
- Certain 2011 Leases may include a Joint Use structure for designated airline shared operational space in the Airport's Domestic Terminals, including certain baggage claim, baggage handling and other shared areas in Terminals 1 and 2, as shown on *Attachment C*.

D. Preferential Use Space – Domestic Terminals

- Domestic Terminal gate holdrooms will convert from Exclusive Use Space under the current leases to a Preferential Use Gate system which will be leased to Signatory Airlines.

ATTACHMENT B

- Preferential Use Gates will be assigned annually to signatory airlines for domestic operations based upon their share of all scheduled seats in the previous month of August.
- The 2011 Lease allows the Airport to permit any airline to use a Preferential Use Gate during periods of time when it is not actively being used by the signatory airline to which it is assigned, thus promoting the efficient utilization of Airport resources and the accommodation of new entrants.

E. Common-Use Gates – All Terminals

- The 2011 Lease will provide the Airport an annual opportunity to designate Common Use Gates for domestic operations in both the Domestic and International Terminals to maintain flexibility. In no event may the number of designated Common Use Gates in Domestic Terminals exceed ten percent (10%) of the total number of Domestic Terminal gates.

SECURITY DEPOSIT

The 2011 Lease provides for a standardized security deposit requirement of two (2) months of terminal rent and landing fees, instead of the security deposits under current leases which vary from two to six months.

RENTALS AND FEES

All airlines will pay terminal rent based on square footage for Exclusive Use Space and Preferential Use Space, including ticket counters, gates and support facilities, as well as landing fees in accordance with Airport Rates and Charges, as adjusted from fiscal year to fiscal year commencing on July 1, 2011, through Fiscal Year 2020/21.

Terminal rent for Joint Use Space will continue to be charged on the basis of the current Joint Use Formula, with 20% of the charges divided equally among all airlines using each Joint Use Space and 80% of the charges allocated based on each airline's number of passengers compared to the total number of passengers of all airlines using the Joint Use Space facilities.

Terminal rent for Preferential Use Space will be charged on the basis the average gate holdroom square footage in the respective boarding area.

Airlines will pay per-use fees for use of Common Use space, such as ticket counters, gates and support facilities. These fees will be reviewed annually in connection with Airport Rates and Charges.

JANITORIAL RESPONSIBILITY

In order to ensure a consistent appearance and uniform level of cleanliness in all public areas, the Airport will assume janitorial responsibility in the Domestic Terminals for all areas in full public view including gate holdrooms, baggage claim and Common Use areas. Individual airlines will be relieved of carpet replacement costs in the gate holdrooms and baggage claim areas.

ATTACHMENT B

The Airport will continue to provide janitorial service in the International Terminal and cease the "special charge" to the airline consortium as of FY11/12. All costs related to these services will be included within the Rates and Charges.

NON-SIGNATORY AIRLINES

Any airline that does not sign the 2011 Lease will be considered a non-signatory airline and will be issued the appropriate Operating Permit and/or Space Permit, and be subject to the following impacts:

- A security deposit requirement equal to six (6) months of terminal rental and landing fees.
- A twenty-five percent (25%) premium on Landing Fees. Non-signatory airlines that are "Affiliate Airlines" of signatory airlines, as defined in the 2011 Lease, will pay the same Landing Fees as signatory airlines.
- Charges for the use of terminal space to support passenger operations will be applied in accordance with Common Use fees as established in Rates and Charges each Fiscal Year.
- Non-signatory airlines will not be eligible to lease Preferential Gates in Domestic Terminals, but may be accommodated at such gates if not actively in use by the applicable signatory airline, if Common Use gates are not available.
