Hello,

I am writing to offer support in favor of formally recognizing February as Teen Dating Violence Awareness Month on behalf of 3rd Street Youth Center & Clinic.

3rd Street Youth Center & Clinic serves youth ages 12-24 residing in Bayview Hunters Point and beyond with our free youth clinic, youth development programming, behavioral health and counseling, housing support, and more. Across each of our services, we've worked with youth

of varied lived experiences, which unfortunately includes those of domestic violence, dating violence, and abuse. We're often asked to host workshops for middle and high school age youth around topics of healthy relationships and have found that this education should be vitally paired with sexual health education. To help prevent further harm of and between our youth, we support the recognition of Teen Dating Violence Awareness Month.

Thank you,

Danielle "Dani" Coquia-Guzman, MPH (she/her)
