Re: Night Market at 32 3rd Street

Dear Department of Alcoholic Beverage Control Staff:

We are writing to protest the issuance of a type 48 liquor license at 32 3rd Street in San Francisco.

On the grounds that:

- 1) Issuance of this license to the premise would add to undue concentration of licenses.
- 2) Licensing the premises will aggravate an already existing police problem in a high-crime area.
- 3) The premises are located near open spaces, parking garages, educational schools and other points of interest.
- 4) Licensing the premises would create a public nuisance.
- 5) The homeless are already harassing the shoppers and tourists along Market, Mission, and Third Streets and the the safety of these individuals are important.
- 6) Nearby storefronts are not discouraging loitering.

The Alliance for a Better District 6 does not support an over concentration of liquor establishments in this area. By adding another liquor license causes more harm.

The Alliance for a Better District 6 has existed for 20 years in the central city neighborhoods of San Francisco with a membership of a cross section of stakeholders seeking to keep a balance between residents, merchants, and visitors concerns.

Lower The DUI Level To 0.05 Percent? Two California Lawmakers Propose Change To Combat Drunk Driving.

👤 [Ben Adler](#)Wednesday, April 3, 2019 | Sacramento, CA | [🔗 Permalink](#)

Cars drive on Highway 50 in Sacramento.

Andrew Nixon / Capital Public Radio

Two anti-drunk-driving bills are sure to spark major debates this year in the California Legislature.

Assembly Bill 1713 by Asm. Autumn Burke (D-Marina del Rey) would lower the legal blood alcohol content limit to 0.05, down from the current 0.08.

“If I drank four drinks in an hour, I’d be under this podium,” Sen. Jerry Hill (D-San Mateo) said at a news conference outside the state Capitol on Wednesday after noting it would take him four drinks to exceed the current legal limit. “There’s no way, I believe, I could drive a car — much less, drive it safely.”

Business groups and the restaurant and alcohol industries are expected to make the case that the bill is well-meaning but would not save lives. The American Beverage Institute [argued](#) earlier this year

that the measure would merely target “responsible social drinkers who are not meaningfully impaired.”

The other measure, Hill’s Senate Bill 545, would require that everyone convicted of driving under the influence install an ignition interlock device. Under a state law that just took effect this year, the devices are required for all DUI convictions except first-time offenders who were not involved in injury crashes.

The bill is named for Mary Klotzbach’s son Matthew Klotzbach. At Tuesday’s news conference, she said a law like this could have saved her son’s life.

“He is gone because a convicted drunk driver made the choice to drive and drink — this time, on a suspended license, which was meant to keep him off the road,” she said.

Opponents have previously argued that a statewide mandate for all DUI offenses would eliminate judges’ discretion and increase profits for a sparsely regulated industry.

Both bills are expected to face their first committee hearings later this month.

Dear Chair Mandelman and Supervisors Stefani and Walton:

I respectfully urge your committee to vote in favor of Item# 190059: Liquor License Transfer - 32-3rd Street - Night Market.

As you know, SOMA Pilipinas aims to promote, preserve, and expand the Filipino culture and business ownership in the neighborhood.

Night Market is a 21 & up cocktail bar and lounge whose theme and decor pays tribute to the rich culture of Night Markets found across southeast Asia, including The Philippines. Through this theme, Night Market aims to promote what we consider to be not only San Francisco values, but mutually understood American values: the significance of cultural diversity, the important role that southeast Asian and Filipino people play in shaping American culture, the importance of equal work opportunity for all to contribute to the greater good.

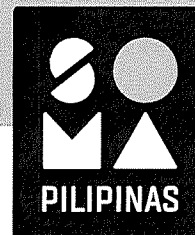

In accordance with SOMA Pilipinas' economic development strategy, we believe that small community-owned businesses are vital in preserving the Filipino character of the neighborhood. SOMA Pilipinas supports entrepreneurs that take an active and positive role in the local community by providing a service that is needed, creating job opportunities for local residents (especially those who have barriers to employment), and being an active and engaged community business that supports initiatives that advances the mission of SOMA Pilipinas.

SOMA Pilipinas support Night Market as a small locally-owned business that is community minded and will work in collaboration with Night Market to help advance the goals of SOMA Pilipinas around cultural celebration and visibility, community development and economic and social justice.

I urge you to approve their application. Please feel free to call me if I might be of further assistance.

Thank you!

Dear Supervisor Haney and Officers of the SF ALU,

On behalf of the California Music & Culture Association, I am writing today to ask you, enthusiastically, to support the Night Market project located on 32 3rd St. in San Francisco. The members of the California Music & Culture Association and our leadership are deeply concerned at the pressures and stresses put on our small businesses in the nightlife community. We are especially frustrated at the processes and bureaucracy that prevent responsible, proven business owners from adding new establishments into new spaces. Our workforces are moving away; our rents are soaring; and our payrolls and healthcare costs are astronomical. We need to support and encourage new businesses, especially ones with proven operators who have shown strong commitments to their communities before it's too late!

This is exactly why we hope you will help to foster and support Night Market as it applies for its permit in the space on 3rd St. in SF. The owners are well known for their integrity and strong business practices. Their location is ideal for a cocktail lounge. And they are acting in the utmost good faith to complete this onerous process without cutting corners. I'd be happy to discuss this more with you and can be reached on my email, ben@tngsf.com or on my cell, 415.999.5053.

Dear Supervisor Haney and Officers of the SF ALU,

As the founder of the SF Bar Owner Alliance, I am writing to express my enthusiastic support of the Night Market pending ABC license and proposed plans to open at 32 3rd Street in SF.

In this time of great stress on our nightlife and bar industries, we need more responsible, proven owners to open establishments in SF. A huge part of this is local government and law enforcement supporting and assisting projects just like Night Market to open and flourish.

The owners of Night Market have proven over and over again to be committed to the well being of their employees, responsible in their business practices, and positive members of their communities. They are exactly the kinds of owners whom we all should be supporting in efforts just like this. We hope you will do everything in your power to help facilitate their success.

Thank you kindly,

The opening of Night Market will help bring increased foot traffic to the neighborhood, benefiting area businesses, tenants and homeowners.

My daily commute involves walking to the Montgomery Street BART station via 3rd Street and this will be a welcome addition to the neighborhood. It will be right in my path be a great place to meet colleagues and clients.

As the owners already operate numerous well run, award-winning businesses in the neighborhood and around San Francisco, and they are known for being wonderful neighbors and supporters of the community, I am confident they will be responsible business owners that contribute positively to the community.

Thank you for your time and consideration.

Sincerely,

RE: Night Market at 32 3rd Street LP / ABC pending file #48-606806

CC: District 6 Supervisor Matt Haney
CC: SFPD ABC Liaison Unit, Inspector

To Whom It May Concern:

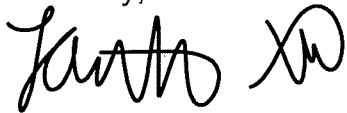

I live at 1 Hawthorne St, and am a strong supporter of the Night Market pending ABC license and proposed plans to open at 32 3rd Street.

The opening of Night Market will be a positive development for our community. For one, they are opening their business in a commercial property that has sat vacant for many years, so the filling of this longtime vacancy is highly desirable. Furthermore, the opening of Night Market will create a minimum of 10 new jobs and help bring increased foot traffic and business patrons to the neighborhood, benefiting area businesses, tenants, and homeowners alike.

As the owners already operate numerous businesses in San Francisco and one in the neighborhood, and are known for being wonderful neighbors who are incredibly supportive of their community, I am confident that in their new endeavor they will continue to be responsible business owners that contribute positively to our community.

Thank you for your time and consideration.

Sincerely,

Night Market will be an anchor business for the neighborhood and block. This
project will help create more than 15 local jobs, and contribute to the
revitalization of the 3rd Street.

Public Convenience and Necessity Justification

- The opening of Night Market will be a positive development for the 3rd Street, Yerba Buena Gardens, and SOMA area community
- Night Market is filling a commercial property that has sat vacant for many years, filling this longtime vacancy is highly desirable as it will result in having a well lit, active business operating within which is supportive of public safety measures
- The opening of Night Market will create a minimum of 10 new jobs, with a focus on hiring from the local community
- Night Market will drive foot traffic during off peak times for the neighborhood (nights and weekends), benefiting area businesses, tenants, and homeowners
- The Night Market co-owners Andrew Chun, Kevin Diedrich, and Jan Winginton safely and responsibly already operate numerous alcohol serving businesses in San Francisco and one in the neighborhood / District 6 (Press Club, 20 Yerba Buena Lane), all bartenders they work with are TIPS Certified and the business will utilize security cameras
- The owners have a longstanding reputation in San Francisco of being wonderful neighbors who are incredibly supportive of their community
- The owners are personally committed to working with neighboring residents and businesses to swiftly address any issues or concerns
- Night Market is largely focused on serving the happy hour and the after work crowd, just like with our other San Francisco businesses Press Club, Pacific Cocktail Haven, and Schroeder's.

Public Outreach Conducted

*Since June 2019

District 6 Supervisor Matt Haney and Staff

We met with Supervisor Haney's Legislative Aide Honey Mahogany to discuss the plans for our Night Market and recommendations from the Supervisor's office regarding our desire to be supportive of the local community (see "Community Givebacks" section) and have kept the Supervisor and his staff abreast of plans as they develop.

Community Outreach

We have reached out to, shared information with, presented for, or met with the following entities in our immediate vicinity:

- SOMA Pilipinas

- St. Patrick's Church
- Yerba Buena Alliance
- YBA Moscone
- Yerba Buena Conservancy
- Yerba Buena CBD
- The Ritz Carlton Club and Residences
- St. Regis Hotel
- The Paramount
- Residents of One Hawthorne
- 246 Second Street
- The Four Seasons
- Contemporary Jewish Museum
- American Bookbinders Museum
- Mexican Museum
- MoAD

Community Givebacks

Overview

We currently are long term, steadfast supporters of the Yerba Buena Alliance (YBA) via our other District 6 business (Press Club). One of the numerous ways we support YBA is by donating all the wine for their annual event.

With the opening of Night Market, we are interested in being even more involved with YBA and also getting involved with and being supportive of SOMA Pilipinas -- Night Market co-owner Kevin Diedrich is Filipino and we appreciate and celebrate the rich cultural history and heritage of the neighborhood.

Givebacks to SOMA Pilipinas

Co-Owner Kevin Diedrich met with SOMA Pilipinas and agreed to do the following:

- Host quarterly fundraisers for SOMA Pilipinas non-profits
 - For fundraisers, SOMA Pilipinas uses venue rent free and Night Market will donate 10% of bar proceeds
 - Provide bar services and products for free for SOMA Pilipinas holiday party (as long as there is no schedule conflict).
- Create SOMA Pilipinas cocktail on menu and donate proceeds to the district
- Attend an ethno-tour to learn about the Cultural Heritage District
- Hire local artists for any interior art
- Use event posters from the district for interior collages
- Work with local non-profits to hire Night Market employees
- Join the Allied Merchant Program

Protest Mitigation Efforts

Once we were granted access to protester contact information on September 12, 2019, we mailed a copy of the below letter to the 18 individuals who protested our license on September 17th, 2019.

It appears that none of the license protesters are our immediate neighbors, and to the best of our knowledge, none of our immediate residential neighbors have any issue with our plans and have been overwhelmingly supportive (see "Letters of Support" section below).

We focused our outreach efforts on our most immediate neighbors and the entities that represent them. That said, we absolutely make ourselves available to discuss with any District 6 business owner or resident any concerns they may have about the plans for Night Market and are open to hearing feedback and suggestions.

RE: Night Market at 32 3rd Street

To Whom It May Concern:

My name is Andrew Chun and I am one of the owners of Night Market, slated to open at 32 3rd Street. I am sorry I didn't have an opportunity to respond to your protest of Night Market's liquor license sooner, I was only given your contact info late last week.

I have read your letter regarding objections you have about the plans for Night Market and want to make myself fully available to discuss with you what your concerns are, hear your feedback, and share further info on our business plans with you as you wish. Furthermore, after the opening of Night Market, I will always make myself available to address any needs or concerns that may arise.

While it's understandable there are some concerns about public safety and concentration of businesses that sell alcohol, I want to emphasize that me and my business partners operate numerous other businesses that sell alcohol in San Francisco, including one in District 6 (Press Club at 20 Yerba Buena Lane). None of our other businesses have ever had any issue with being a public nuisance or having any negative impact on public safety.

As you may already know, we are filling a long term vacancy at 32 3rd Street which will allow the entire block to be safer and better lit -- vacancies are bad for public safety. At Night Market, just like at all my other businesses, all staff will be TIPS Certified and we will utilize security cameras.

I can be reached at info@pacificcocktailsf.com and look forward to hearing from you so I have an opportunity to address your concerns.

Sincerely,
Andrew Chun

Letters of Support from Community Entities, Neighbors, and HOAs

We are submitting 42 letters of support, including letters from the following entities and community leaders, representing the largest HOA / residents and business associations in closest proximity to Night Market, in addition to a letter of support from a member organization of SOMA Pilipinas:

- Yerba Buena Alliance
- SOMA Pilipinas
- St. Regis HOA
- Four Seasons Director of Residences
- Desi Danganan, Kultivate Labs (member organization, SOMA Pilipinas)
- Genevieve V. Jopanda, Chief of Staff to Fiona Ma, California State Treasurer

Supporting Petitions (1,828 signatories)

We have gathered 1,828 signatures in support of our business and liquor license application -- digital and hard copy signatures, included in this report. The overwhelming majority of signatories for digital petition are San Francisco residents, and signatories of the hard copy petition live or work in District 6.

RE: Night Market at 32 3rd Street LP / ABC pending file #48-606806

To Whom It May Concern:

Please allow this correspondence to serve as official notice from The St. Regis San Francisco, 125 3rd Street, San Francisco, California, 94103, as a supporter of the Night Market pending ABC license and proposed plans to open at 32 3rd Street.

The opening of Night Market will be a positive development for our community. For one, they are opening their business in a commercial property that has sat vacant for many years, so the filling of this longtime vacancy is highly desirable. Furthermore, the opening of Night Market will create a minimum of 10 new jobs and help bring increased foot traffic and business patrons to the neighborhood, benefiting area businesses, tenants, and homeowners alike.

As the owners already operate numerous businesses in San Francisco and one in the neighborhood, and are known for being wonderful neighbors who are incredibly supportive of their community, I am confident that in their new endeavor they will continue to be responsible business owners that contribute positively to our community.

Thank you for your time and consideration.

Sincerely,

Jacqueline Volkart

Letter of Support

To Whom It May Concern:

I am a resident (855 Brannan St) and business owner in SOMA (981 Mission St) at and am a strong supporter of the Night Market pending ABC license and proposed plans to open at 32 3rd Street.

The opening of Night Market will be a positive development of the SOMA Pilipinas Cultural District because it brings a new Filipino owned business to the district. SOMA Pilipinas is lacking a commercial corridor of businesses to make the district visible and attract visitors. The Night Market concept also activates a commercial property that has sat vacant for many years, so the filling of this longtime vacancy is highly desirable. Furthermore, the opening of Night Market will create a minimum of 10 new jobs and help bring increased foot traffic and business patrons to the neighborhood, benefiting area businesses, tenants, and homeowners alike.

The owners are also committed to making Night Market a model business of community benefits for SOMA Pilipinas by integrating the artists of the district in the design, cues to the history of Filipinos in SOMA, and hosting non-profit fundraisers. I am confident that in their new endeavor they will continue to be responsible business owners that contribute positively to our community.

Thank you for your time and consideration.

RE: Night Market at 32 3rd Street LP / ABC pending file #48-606806

To Whom It May Concern:

I have known Kevin Diedrich in many contexts, but most recently as the owner of Pacific Cocktail Haven (PCH) on Sutter St. in Nob Hill. I have been following Kevin and his mixology for almost 10 years since he was at Burritt Room. Kevin's background and hard work has led him to be one of San Francisco's well sought out bartenders elevating the City's bar scene. He has earned esteemed awards such as Bartender of the year and has even showcased his talent at the James Beard House in New York

As a resident of Nob Hill (1420 Taylor St. #B), I have personally witnessed the positive impacts that Kevin and the Pacific Cocktail Haven have contributed to the neighborhood. A strong example is "Miracle at PCH", a curation of décor and limited menu cocktails catered to the Holiday theme. "Miracle at PCH" provides a unique experience that makes patrons feel prized and welcomed attracting locals and visitors.

Additionally, I wanted to mention the enrichment programs that Kevin provides for his team. The PCH team started a "Bartenders Who Box" program where bartenders work out together at a boxing gym to challenge themselves through a healthy lifestyle. They also travel all over the world exploring and constantly educating and challenging themselves so they can bring back new techniques and recipes to keep their menu current and innovative. These are reflections of strong leadership and team dynamic in a business that provides positive contributions to the community and reflected in their customer service.

I am a strong supporter of the Night Market pending ABC license and proposed plans to open at 32 3rd Street. The opening of Night Market will be a positive development for our community. For one, they are opening their business in a commercial property that has sat vacant for many years, so the filling of this longtime vacancy is highly desirable. Furthermore, the opening of Night Market will create a minimum of 10 new jobs and help bring increased foot traffic and business patrons to the neighborhood, benefiting area businesses, tenants, and homeowners alike.

Kevin and the PCH team has demonstrated their commitment to their community, their business, and to San Francisco. I am confident that in their new endeavor they will continue to be responsible business owners that contribute positively to our community.

My Very Best,

To Whom It May Concern:

I [~~LIVE~~ / WORK] OWN A HOME OR BUSINESS] at the below-listed address, and am a strong supporter of the Night Market pending ABC license and proposed plans to open at 32 3rd Street.

The opening of Night Market will be a positive development for our community. For one, they are opening their business in a commercial property that has sat vacant for many years, so the filling of this longtime vacancy is highly desirable. Furthermore, the opening of Night Market will create a minimum of 10 new jobs and help bring increased foot traffic and business patrons to the neighborhood, benefiting area businesses, tenants, and homeowners alike.

As the owners already operate numerous businesses in San Francisco and one in the neighborhood, and are known for being wonderful neighbors who are incredibly supportive of their community, I am confident that in their new endeavor they will continue to be responsible business owners that contribute positively to our community.

Thank you for your time and consideration.

Re: Liquor License "PCN" Request
Type 48, Pending License 606806
32 3rd Street, San Francisco, CA 94103

To the Clerk of the Board,

The purpose of this letter is to respectfully request to be placed on the Board's calendar for Public Convenience and Necessity approval with regard to our Type 48 license. We are taking over the premises at 32 3rd Street and wish to operate as a lively cocktail bar and lounge, where local happy hours, small events, and San Francisco visitors are all equally at home. Our operations will be unlike nearby establishments, as we will provide a detailed cocktail menu that explores a variety of spirits and profiles, and promises to offer original cocktails not seen anywhere else in San Francisco.

Our business proves to be necessary in San Francisco, as we will recreate the flavor and energy from the open air bazaars and food stalls in Asia, Africa and Europe. Inspired by these night markets, our operations will offer a smorgasbord of sights and flavors designed to give customers a unique experience.

Our desired hours of operation are Mon-Tue 3pm-12am, Wed-Fri 3pm-2am, Sat 6pm-2am, closed on Sundays. We will vigilantly monitor the surrounding area to ensure the safety of our business and customers at all times and maintain a lawful business. Our team is composed of highly successful industry professionals with extensive experience in San Francisco. Kevin Diedrich has been behind several of San Francisco's most respected cocktail bars, such as Burritt Room, Jasper's and BDK. Andrew Chun and Jan Wiginton are the partners behind Press Club, Schroeder's Restaurant, Pacific Cocktail Haven and The Elite Café. This team's reputation and experience in San Francisco is unmatched.

We seek the SF Board of Supervisor's affirmative ruling that our application serves the public convenience and necessity of our City.

Please contact our representative, Carrie A Peters, for scheduling our hearing date. She can be reached at 415-235-3921 or via email at Carrie@ABCLicenseCompany.com. Thank you for your kind consideration of this request.

Sincerely,

Andrew Chun, Manager
