MOTION NO.

1	[Affirming the Categorical Exemption Determination - Proposed 2142-22nd Street Project]
2	
3	Motion affirming the determination by the Planning Department that the proposed
4	project at 2142-22nd Street is categorically exempt from environmental review.
5	
6	WHEREAS, On December 12, 2024, the Planning Department determined that the
7	proposed 2142-22nd Street Project (the Project), at Assessor's Parcel Block No. 4094, Lot
8	No. 038, is categorically exempt from the California Environmental Quality Act (CEQA) under
9	the Class 1 (Existing Facilities) and Class 3 (New Construction or Conversion of Small
10	Structures) categorical exemptions - Sections 15301 and 15303 of the CEQA Guidelines,
11	respectively; and
12	WHEREAS, The Project proposes to demolish an existing single-family dwelling and
13	construct a new six story building with five new units (including a one one-bedroom unit and
14	four three-bedroom units), five off-street parking spaces housed within stackers, and five
15	bicycle parking spaces; and
16	WHEREAS, CEQA Guidelines, Sections 15301 through 15333 list the categorical
17	exemptions for classes of projects that have been determined not to have a significant effect
18	on the environment and that are exempt from further environmental review; and
19	WHEREAS, CEQA Guidelines, Section 15301 (Existing Facilities), or Class 1, applies
20	to minor alterations of existing facilities, including demolition and removal of small structures
21	such as a small commercial structure and additions to existing structures provided that the
22	addition will not result in an increase of more than 10,000 square feet if the project is in an
23	area where all public services and facilities are available to allow for maximum development
24	permissible in the General Plan, and further provided that the area in which the project is
25	located is not environmentally sensitive; and

1 WHEREAS, CEQA Guidelines, Section 15303 (New Construction or Conversion of 2 Small Structures), or Class 3, applies to projects that include new construction or changes of 3 use under 10,000 square feet, if such change of use is principally permitted or permitted with 4 a Conditional Use Authorization; and WHEREAS, The Planning Department determined that the Project is exempt under 5 6 both the Class 1 and Class 3 categorical exemptions, because it meets the criteria for 7 applicability of the exemptions, and none of the exceptions that would preclude application of 8 the exemptions listed under CEQA Guidelines, Section 15300.2 are present; and 9 WHEREAS, On January 2, 2025, the Planning Department issued the Planning 10 Approval Letter for the Project; and WHEREAS, On January 30, 2025, James Purchase, on behalf of 2132-2136 22nd 11 12 Street HOA (Appellant), filed an appeal with the Office of the Clerk of the Board of 13 Supervisors of the categorical exemption for the Project; and 14 WHEREAS, By memorandum to the Clerk of the Board dated February 5, 2025, the 15 Planning Department's Environmental Review Officer determined that the appeal was timely 16 filed; and 17 WHEREAS, On March 18, 2025, this Board held a duly noticed public hearing to 18 consider the appeal filed by Appellant; and WHEREAS, In reviewing the appeal, this Board reviewed and considered the CEQA 19 20 determination, the appeal letter, the responses to the appeal documents that the Planning 21 Department and the project sponsor prepared, the other written records before the Board of Supervisors and all of the public testimony made in support of and opposed to the appeal; and 22 23 WHEREAS, Following the conclusion of the public hearing, the Board of Supervisors 24 affirmed the CEQA determination, based on the written record before the Board of 25

Supervisors as well as all of the testimony at the public hearing in support of and opposed to
 the appeal; and

WHEREAS, The written record and oral testimony in support of and opposed to the
appeal and the oral and written testimony at the public hearing before the Board of
Supervisors by all parties and the public in support of and opposed to the appeal, including
the deliberations by the members of the Board, is in the Clerk of the Board of Supervisors File
No. 250134, and is incorporated in this Motion as though set forth in its entirety; now,
therefore, be it

9 MOVED, That the Board of Supervisors hereby adopts as its own and incorporates by 10 reference in this Motion, as though fully set forth, the CEQA determination; and, be it 11 FURTHER MOVED, That the Board of Supervisors finds that based on the whole 12 record before it there are no substantial Project changes, no substantial changes in Project 13 circumstances, and no new information of substantial importance that would change the 14 conclusions set forth in Planning Department's determination that the Project is categorically 15 exempt from environmental review; and, be it

FURTHER MOVED, That after carefully considering the appeal of the CEQA determination, including the written information submitted to the Board of Supervisors and the public testimony presented to the Board of Supervisors at the hearing on the CEQA determination, this Board concludes that the Project qualifies for a categorical exemption under CEQA, as determined by the Planning Department.
