Dear Acting Director Degrafinried,

By this letter, I'm pleased to extend the City of San Francisco a gift of \$21,993.56 for costs associated with the improvement of Annie North Plaza.

The Yerba Buena Community Benefit District mission is to advance the quality of life for residents and visitors in the Yerba Buena neighborhood and San Francisco on an ongoing basis by fostering a safer and more secure community, enhancing environmental quality and beauty, and reinforcing the viability of our economic base. The Annie North Plaza project advances these goals by improving a neglected and misused public plaza, and supports the goals of the second edition of The Yerba Buena Street Life Plan.

On behalf of the Board of Directors of the Yerba Buena Community Benefit District, please accept this grant and our thanks to San Francisco Public Works for its partnership and hard work on this project. We look forward to working with Public Works staff and our private sector partners to ensure successful completion of this project.

Sincerely,
