(m) The Borrower has furnished to the Issuer, in the Tax Certificate, all information necessary for the Issuer to file an IRS Form 8038 with respect to the Bonds, and all of such information is and will be on the date of filing, true, complete and correct.

(n) The Borrower is not contemplating either the filing of a petition by it, by the General Partner under any state or federal bankruptcy or insolvency law or the liquidation of all or a major portion of its property, and the Borrower has no knowledge of any Person contemplating the filing of any such petition against it or any Obligor.

(o) The Borrower is not an "employee benefit plan," as defined in Section 3(3) of ERISA, subject to Title I of ERISA, and none of the assets of the Borrower constitutes or will constitute "plan assets" of one or more such plans within the meaning of 29 C.F.R. section 2510.3-101.

(p) No part of the proceeds of the Loan will be used for the purpose of purchasing or acquiring any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or for any other purpose that would be inconsistent with such Regulation U or any other Regulation of such Board of Governors, or for any purpose prohibited by Legal Requirements or any Loan Document.

(q) The Borrower is not (i) an "investment company" or a company "controlled" by an "investment company," within the meaning of the Investment Company Act of 1940, as amended; (ii) a "holding company" or a "subsidiary company" of a "holding company" or an "affiliate" of either a "holding company" or a "subsidiary company" within the meaning of the Public Utility Holding Company Act of 1935, as amended; or (iii) subject to any other federal or state law or regulation which purports to restrict or regulate its ability to borrow money.

(r) The Borrower has not entered into the Loan or any Loan Document with the actual intent to hinder, delay, or defraud any creditor, and the Borrower has received reasonably equivalent value in exchange for its obligations under the Loan Documents. Giving effect to the

transactions contemplated by the Loan Documents, the fair saleable value of the Borrower's assets exceeds and will, immediately following the execution and delivery of the Loan Documents, exceed the Borrower's total liabilities, including subordinated, unliquidated, disputed or contingent liabilities. The fair saleable value of the Borrower's assets is and will, immediately following the execution and delivery of the Loan Documents, be greater than the Borrower's probable liabilities, including maximum amount of its contingent liabilities or its debts as such debts become absolute and matured. The Borrower's assets do not and, immediately following the execution and delivery of the Loan Documents, will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. The Borrower does not intend to, and does not believe it will, incur debts and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debts as they mature (taking into account the timing and amounts to be payable on or in respect of obligations of the Borrower).

(s) No written information, exhibit or report furnished to the Issuer by the Borrower in connection with the negotiation of this Loan Agreement or the Loan Documents contains any untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(t) There is no action, suit, proceeding, inquiry or investigation, before or by any court or federal, state, municipal or other governmental authority, pending, or to the knowledge of the Borrower, after reasonable investigation, threatened, against or affecting the Borrower or the assets, properties or operations of the Borrower which, if determined adversely to the Borrower or its interests, would have a material adverse effect upon the consummation of the transactions contemplated by, or the validity of, this Loan Agreement or the Loan Documents, or upon the financial condition, assets, properties or operations of the Borrower, and the Borrower is not in default (and no event has occurred and is continuing which with the giving of notice or the passage of time or both could constitute a default) with respect to any order or decree of any court or any order, regulation or demand of any federal, state, municipal or other governmental authority, which default might have consequences that would materially and adversely affect the consummation of the transactions contemplated by this Loan Agreement or the Loan Documents, or the financial condition, assets, properties or operations of the Borrower. All tax returns (federal, state and local) required to be filed by or on behalf of the Borrower have been filed, and all taxes shown thereon to be due, including interest and penalties, except such, if any, as are being actively contested by the Borrower in good faith, have been paid or adequate reserves have been made for the payment thereof which reserves, if any, are reflected in the audited financial statements described therein. The Borrower enjoys the peaceful and undisturbed possession of all of the premises upon which it is operating its facilities.

(u) All utility services necessary and sufficient for the construction, equipping and operation of the Project shall be, upon Completion of the Project, and thereafter will at all times be, available through dedicated public rights of way or through perpetual private easements with respect to the Borrower's interest in which the Mortgage creates a valid and enforceable first priority mortgage lien. The Borrower has obtained, or promptly will obtain, all utility installations and connections required for the operation and servicing of the Project for its intended purposes.

(v) The rights of way for all roads necessary for the full utilization of the Project for its intended purposes have either been acquired by the appropriate Governmental Authority or have been dedicated to public use and accepted by such Governmental Authority. All such roads shall have been completed, and the right to use all such roads, or suitable substitute rights of way approved by the initial Servicer, shall be maintained at all times for the Project. All curb cuts, driveways and traffic signals shown on the Plans and Specifications are existing or have been fully approved by the appropriate Governmental Authority and after the completion thereof, shall be maintained at all times for the Project.

(w) The acquisition, construction, equipping, use and occupancy of the Project will at times comply with all Legal Requirements. The Borrower will give all notices to, and take all other actions with respect to, such Governmental Authorities as may be required under applicable Legal Requirements to construct and equip the Improvements and to use, occupy and operate the Project.

(x) Except as set forth on *Exhibit C* hereto, the Borrower has obtained all Project Approvals required for the acquisition, construction and equipping of the Project in accordance with the Plans and Specifications. All Project Approvals obtained by the Borrower have been validly issued and are in full force and effect. The Borrower has no reason to believe that any of the Project Approvals required for acquisition, construction and equipping of the Project in accordance with the Plans and Specifications and not heretofore obtained by the Borrower will not be obtained by the Borrower in the ordinary course in order to permit completion of construction and equipping of the Project in accordance with the Plans and Specifications on or before the Completion Date. The Borrower will timely obtain all Project Approvals not heretofore obtained by the Borrower (including those listed and described on *Exhibit C* hereto, those required for use and occupancy of the Project for its intended purpose upon Completion and any other Project Approvals which may hereafter become required, necessary or desirable) and will furnish the Servicer with evidence that the Borrower has obtained such Project Approvals promptly upon their receipt. The Borrower will duly perform and comply with all of the terms and conditions of all Project Approvals obtained at any time. No Project Approvals will terminate, or become void or voidable or terminable, upon any sale, transfer or other disposition of the Project, including any transfer pursuant to foreclosure, deed in lieu of foreclosure or exercise of power of sale under the Mortgage.

(y) The Borrower has furnished the Bank with true and complete sets of the Plans and Specifications. The Plans and Specifications so furnished to the initial Servicer comply with all Legal Requirements, all Project Approvals, and all restrictions, covenants and easements affecting the Project, and have been approved by such Governmental Authority as is required for construction and equipping of the Improvements.

(z) The Development Budget accurately reflects all Project Costs.

(aa) The Survey delivered to the Bank does not fail to reflect any material matter of survey affecting the Project or the title thereto.

(bb) No part of the Land is located in an area identified by the Federal Emergency Management Agency as an area having special flood hazard or to the extent any part of the Land

is an area identified as an area having special flood hazard, adequate flood insurance has been obtained by the Borrower.

(cc) The Borrower is not in default or violation of any order, writ, injunction, decree or demand of any Governmental Authority, the violation of which might materially adversely affect the condition (financial or otherwise) or business of the Borrower. There has not been and shall never be committed by the Borrower or any other Person in occupancy of or involved with the operation or use of the Project any act or omission affording any Governmental Authority the right of forfeiture as against the Project or any part thereof any moneys paid in performance of the Borrower's obligations under any Loan Document.

(dd) The Construction Contract and the Architect's Contract are each in full force and effect and each of the parties thereto are in full compliance with their respective obligations thereunder. The work to be performed by the Contractor under the Construction Contract is the work called for by the Plans and Specifications, and all work required to complete the Improvements in accordance with the Plans and Specifications is provided for under the Construction Contract.

(ee) Each Requisition submitted by the Borrower shall contain an affirmation that the foregoing representations and warranties remain true and correct as of the date hereof.

(ff) The Related Persons are not (and to Borrower's knowledge after diligent inquiry), no other Person holding any legal or beneficial interest whatsoever in the Related Persons, directly or indirectly, is included in, owned by, Controlled by, acting for or on behalf of, providing assistance, support, sponsorship, or services of any kind to, or otherwise associated with any of the Persons referred to or described in any list of persons, entities, and governments issued by the Office of Foreign Assets Control of the United States Department of the Treasury ("OFAC") pursuant to Executive Order 13224 – Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism, as amended ("Executive Order 13224"), or any similar list issued by OFAC or any other department or agency of the United States of America (collectively, the "OFAC Lists").

Section 2.3 Covenants by the Borrower. The Borrower hereby covenants and agrees that, on and after the Closing Date, it will:

(a) Give written notice promptly, and in any event at least thirty (30) days prior to the closing thereof, of any intended refinancing of the Project to the Issuer, the Trustee and the Servicer;

(b) Comply with all Legal Requirements and promptly furnish the Issuer, the Trustee and the Servicer with reports of any official searches made by any Governmental Authority and any claims of violations thereof;

(c) Upon reasonable notice and at reasonable times, permit the Servicer, the Majority Owner, the Issuer and the Trustee (or their representatives) to enter upon the Land and inspect the Project;

(d) Indemnify the Issuer, the Trustee, the Owners and the Servicer (the “Indemnified Parties”) against claims of brokers arising by reason of the execution hereof or the consummation of the transactions contemplated hereby, but as to any such Indemnified Party, specifically excluding claims arising solely by the gross negligence or willful misconduct of such Indemnified Party;

(e) Deliver to the Servicer and the Issuer copies of all leases (other than leases to residential tenants in the ordinary course of business in the form set forth in *Exhibit D* hereto) with respect to the Project or any portion thereof, whether executed before or after the date of this Loan Agreement;

(f) Not enter into, cancel or amend any agreement for the furnishing of management or similar services to the Project, without the prior written consent of the Servicer and the Issuer, such consent not to be unreasonably withheld or delayed;

(g) Comply with all restrictions, covenants and easements affecting the Land or the Project;

(h) Take, or require to be taken, such acts as may be required under applicable law or regulation in order that the interest on the Bonds continues to be excludable from gross income for purposes of federal income taxation, and refrain from taking any action which would adversely affect the exclusion from gross income of interest on the Bonds from federal income taxation;

(j) Confirm and assure that the Project, equipment, buildings, plans, offices, apparatus, devices, books, contracts, records, documents and other papers relating thereto shall at all times be maintained in reasonable condition for proper audit and shall be subject to examination and inspection at reasonable times and upon reasonable notice by the Issuer, the Trustee or the Servicer or the duly authorized agent of any of them and shall keep copies of all written contracts or other instruments which affect the Project, all or any of which shall be subject to inspection and examination by the Issuer, the Trustee, the Servicer or the duly authorized agent of any of them;

(k) [Reserved];

(l) Promptly notify the Issuer, the Trustee and the Servicer in writing of any (i) default by the Borrower in the performance or observance of any covenant, agreement, representation, warranty or obligation of the Borrower set forth in this Loan Agreement or any other Loan Documents or (ii) any event or condition which with the lapse of time or the giving of notice, or both would constitute an Event of Default under this Loan Agreement or any other Loan Documents; and commence, pursue and complete construction and equipping of the Improvements as provided herein and in the Construction Disbursement Agreement;

(m) The Borrower covenants to pay all third-party fees of the financing, including but not limited to the following:

(i) All taxes and assessments of any type or character charged to the Issuer or to the Trustee affecting the amount available to the Issuer or the Trustee from payments to be received hereunder or in any way arising due to the transactions contemplated hereby (including taxes and assessments assessed or levied by any public agency or governmental authority of whatsoever character having power to levy taxes or assessments) but excluding franchise taxes based upon the capital and/or income of the Trustee and taxes based upon or measured by the net income of the Trustee; *provided*, that the Borrower shall have the right to protest any such taxes or assessments and to require the Issuer or the Trustee, at the Borrower's expense, to protest and contest any such taxes or assessments levied upon them and that the Borrower shall have the right to withhold payment of any such taxes or assessments pending disposition of any such protest or contest unless such withholding, protest or contest would adversely affect the rights or interests of the Issuer or the Trustee;

(ii) All reasonable fees, charges and expenses of the Trustee and the Servicer for services rendered under the Indenture and/or the Loan Agreement, including, but not limited to, the Trustee Expenses, as and when the same become due and payable;

(iii) The Issuer Fee and the Issuer Annual Fee, payable to the Issuer as set forth in Section 20 of the Regulatory Agreement, and the reasonable fees and expenses of the Issuer or any agents, attorneys, accountants, consultants selected by the Issuer to act on its behalf in connection with this Loan Agreement, the Regulatory Agreement, the Bonds or the Indenture, including, without limitation, any and all reasonable expenses incurred in connection with the authorization, issuance, sale and delivery of the Bonds or in connection with any litigation which may at any time be instituted involving this Loan Agreement, the Regulatory Agreement, other Issuer Documents, the Bonds or the Indenture or any of the other documents contemplated thereby, or in connection with the reasonable supervision or inspection of the Borrower, its properties, assets or operations or otherwise in connection with the administration of the foregoing; and

(iv) These obligations and those in Section 5.19 shall remain valid and in effect notwithstanding repayment of the loan hereunder or termination of this Loan Agreement.

The Borrower acknowledges that, to the extent that regulations of the Comptroller of the Currency or any other applicable regulatory agency require granting the Borrower the right to receive brokerage confirmations of securities transactions as they occur, the Borrower specifically waives the right to receive such confirmations.

ARTICLE 3

LOAN AND PROVISIONS FOR REPAYMENT

Section 3.1 Issuance of Bonds and Delivery of Note and other Loan Documents.

(a) In order to finance a portion of the costs of the acquisition, construction and equipping of the Project, the Issuer has, consistent with its duties and purpose under the Act, issued and caused the Trustee to authenticate and deliver the Bonds pursuant to the Indenture to the initial Owner. The Bonds shall bear interest and are payable as provided therein and in the Indenture. The Bonds shall mature and all Outstanding principal of, interest and Additional Interest (if any) on the Bonds shall be due and payable in full on the Maturity Date, all as provided more fully in the Bonds and the Indenture.

(b) The Issuer agrees to lend the proceeds received from the sale of the Bonds to the Borrower, by causing such amounts to be deposited directly into the Project Fund, subject to the terms and conditions of the Indenture and this Loan Agreement, including the terms and conditions thereof and hereof governing the disbursement of proceeds of the Loan.

(c) Pursuant to the Indenture, the Trustee shall make disbursements from the Project Fund created pursuant to the Indenture to pay or to reimburse the Borrower for costs of the acquisition, construction and equipping of the Project, subject to the conditions of the Indenture and this Loan Agreement. Upon receipt of a properly signed Requisition approved by the Servicer (which approval of the Servicer is expressly subject to the satisfaction of the conditions precedent set forth in the Construction Disbursement Agreement), the Trustee is authorized to act upon such Requisition without further inquiry, and, except for negligence after notice of facts to the contrary or willful misconduct of the Trustee, the Borrower shall hold the Trustee harmless against any and all losses, claims or liabilities incurred in connection with the Trustee's making disbursements from the Project Fund in accordance with such Requisition. Neither the Trustee nor the Issuer shall be responsible for the application by the Borrower of moneys properly disbursed from the Project Fund.

(d) Concurrently with the sale and delivery of the Bonds, and to evidence further the obligation to repay the Loan in accordance with the provisions of this Loan Agreement, the Borrower has executed and delivered the Note and the other Loan Documents. The Note shall be in the original aggregate principal amount of, and shall bear interest at the same rate per annum as, the Bond.

Section 3.2 Loan Repayments and Other Amounts.

(a) The Borrower shall pay to the Trustee, for deposit into the Revenue Fund, on the first day of each month commencing [____], an amount equal to the sum of (i) the interest due on the Bonds on said date (after taking into account funds available for such purpose, if any, in the Capitalized Interest Account of the Project Fund), plus (ii) amounts required to be deposited into the Tax and Insurance Fund pursuant to Section 5.22 of this Loan Agreement) as of such date. Amounts so paid to the Trustee by the Borrower shall be in immediately available funds or shall be such that on the Bond Payment Date they are available funds. The Borrower shall pay to the Trustee, for deposit into the Revenue Fund, the principal of the Loan as provided in subsection (g).

(b) The Borrower understands that the interest rates applicable under the Note and with respect to the Bonds are based upon the assumption that interest income paid on the Bonds will be excludable from the gross income of the Owners under Section 103 of the Code (except

to the extent that an Owner is a “substantial user” of the Project within the meaning of Section 174(a) of the Code or a Related Person to such substantial user) and applicable state law. In the event that an Initial Notification of Taxability shall occur, then the interest rates on the Note and the Bonds, and on all obligations under this Loan Agreement (other than those to which the Alternative Rate applies) shall, effective on the date of such Initial Notification of Taxability, be increased to a rate equal to the Taxable Rate. The Borrower shall, in addition, pay to the Trustee, for deposit into the Revenue Fund, promptly upon demand from the Trustee or the Servicer, an amount equal to the Additional Interest payable on the Bonds. The Borrower shall also indemnify, defend and hold the Owners harmless from any penalties, interest expense or other costs, including reasonable attorneys’ fees (including all reasonably allocated time and charges of Owners’ and Trustee’s “in-house” and “outside” counsel) and accountants’ costs, resulting from any dispute with the Internal Revenue Service concerning the proper tax treatment of the Bonds and any interest payable to any Owner with respect to the Bonds. The obligations of the Borrower under this Section 3.2(b) shall survive termination of this Loan Agreement and the Note and repayment of the Loan. If, following any increase in interest rates pursuant to this Section 3.2(b), a final determination is made, to the satisfaction of the Owners, that interest paid on the Bonds is excludable from the Owners’ gross income under Section 103 of the Code except to the extent that an Owner is a “substantial user” of the Project or a “related person” within the meaning of Section 147(a) of the Code) and applicable state law, the Owners shall promptly refund to the Borrower any Additional Interest and other additional amounts paid by the Borrower pursuant to this Section 3.2(b).

(c) The Borrower agrees to pay the Trustee Fee and Trustee Expenses to the Trustee and agrees to pay the Issuer Fee and the Issuer Annual Fee to the Issuer. The Borrower also agrees to pay all fees, charges and expenses of the Trustee and the Issuer, respectively (including, without limitation, the reasonable, actually incurred fees and expenses of counsel to the Issuer, Bond Counsel and counsel to the Trustee), as and when the same become due. The Borrower also agrees to pay the printing and engraving costs of the Bonds, including any certificates required to be prepared for use in connection with any exchanges of Bonds for the cost of which Owners are not liable. The Borrower also agrees to pay the Loan Fees to the Bank on or before the Closing Date, to pay the fees of the Majority Owner and the Servicer, and to pay all reasonable costs and expenses incurred by the Majority Owner and the Servicer in connection with the administration of the Bonds, the Loan or the collateral therefor, and any amendments, modifications or “workouts” thereof, including without limitation reasonable attorneys’ fees and costs (including allocated costs of in-house attorneys), fees and costs of engineers, accountants, appraisers and other consultants, title insurance premiums and recording costs upon receipt of written demand therefor.

(d) The Borrower agrees to pay all Costs of Issuance (in addition to those Costs of Issuance otherwise required to be paid by this Section 3.2).

(e) The Borrower agrees to pay, as and when the same become due, to the Issuer, the Servicer or the Trustee any extraordinary expenses, including, without limitation, any costs of litigation, which may be incurred by the Issuer, the Servicer or the Trustee in connection with this Loan Agreement, the Bonds, or the Indenture, including the reasonable, actually incurred costs and fees of any attorneys or other experts retained by the Issuer, the Servicer or the Trustee in connection therewith.

(f) The Borrower agrees to repay the Loan at the times and in the amounts necessary to enable the Trustee, on behalf of the Issuer, to pay all amounts payable with respect to the Bonds, when due, whether at maturity or upon redemption, acceleration, tender, purchase or otherwise.

(g) If Issuer has not received the full amount of any payment scheduled to be made under this Loan Agreement, other than the final principal payment, by the end of ten (10) calendar days after the date it is due, Borrower shall pay a late charge to Issuer in the amount of five percent (5%) of the overdue payment; provided, however, in no event shall any late charge be payable hereunder without Issuer first having provided Borrower with any notice required by applicable law. Borrower shall pay this late charge only once on any late payment. This late charge shall not be construed as in any way extending the due date of any payment, and is in addition to (and not in lieu of) any other remedy Issuer may have.

Section 3.3 Payments Pledged and Assigned. It is understood and agreed that the Loan Documents and certain other documents and property and all payments required to be made by the Borrower pursuant hereto (except payments to be made to the Issuer in respect of its Reserved Rights and payments to be made to the Servicer and the Trustee pursuant to Section 3.2(b) hereof) have been assigned to the Trustee simultaneously herewith pursuant to the Indenture as and for security for the Bonds. The Borrower hereby consents to such assignment and recognizes the Trustee as the assignee of the Issuer, to the extent of the assignment, for purposes of said documents and property.

Section 3.4 Obligations of Borrower Hereunder Unconditional. The obligations of the Borrower to make any payments required by the terms of this Loan Agreement and the other Loan Documents, including, without limitation, the payments required in Section 3.2 hereof, and to perform and observe the other agreements on its part contained herein and in the other Loan Documents shall be absolute and unconditional and shall not be subject to any defense (other than payment) or any right of set off, counterclaim, abatement or otherwise and, until such time as the principal of and interest on the Bonds shall have been fully paid or provision for the payment thereof shall have been made in accordance with the Indenture. The Borrower (i) will not suspend or discontinue, or permit the suspension or discontinuance of, any payments provided for herein or in the other Loan Documents, (ii) will perform and observe all of its other agreements contained herein and the other Loan Documents and (iii) will not suspend the performance of its obligations hereunder and under the other Loan Documents for any cause including, without limiting the generality of the foregoing, failure to complete construction and equipping of the Project, any acts or circumstances that may constitute failure of consideration, failure of or a defect of title to the Project or any part thereof, eviction or constructive eviction, destruction of or damage to the Project, commercial frustration of purpose, any change in the tax or other laws or administrative rulings of or administrative actions by the United States of America or the State or any political subdivision of either, or any failure of the Issuer to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with this Loan Agreement or the other Loan Documents. The Borrower may, at its own cost and expense and in its own name or in the name of the Issuer (if the Issuer is a necessary party and consents thereto), prosecute or defend any action or proceeding or take any other action involving third persons which the Borrower deems reasonably necessary in order to secure or protect its rights hereunder, and in such event the

Issuer, subject to the provisions of the Indenture, hereby agrees to cooperate fully with the Borrower and to take all action (at the Borrower's cost and expense) necessary to effect the substitution of the Borrower for the Issuer in any such action or proceeding if the Borrower shall so request.

ARTICLE 4

Section 4.1 Requisition. At such time as the Borrower shall desire to obtain an advance from the Loan Account, the Insurance and Condemnation Proceeds Account, or, the Equity Account of the Project Fund, the Borrower shall complete, execute and deliver a Requisition to the Servicer. Each Requisition shall be signed on behalf of the Borrower and shall be in the form attached as *Exhibit G* to the Construction Disbursement Agreement. The Trustee may rely conclusively on the statements and certifications contained in any Requisition. The Borrower shall not submit any Requisition directly to the Trustee. The Borrower will duly pay and discharge, cause to be paid and discharged, or provide a bond satisfactory to the Servicer to pay or discharge, before the same shall become overdue all claims for labor, materials, or supplies that if unpaid might by law become a lien or charge upon any of its property.

Section 5.6 Inspection of Project and Books, Appraisals.

(a) The Borrower shall permit the Issuer, the Trustee and the Servicer upon reasonable notice at reasonable times prior to the first occupancy of the Project by tenants and, thereafter, upon written notice of not fewer than seventy-two (72) hours, at the Borrower's cost and expense, to visit and inspect the Project and all materials to be used in the construction and equipping thereof and will cooperate with the Issuer, the Trustee and the Servicer during such inspections (including making available working drawings of the Plans and Specifications); *provided*, that this provision shall not be deemed to impose on the Issuer, the Trustee, and the Servicer any obligation to undertake such inspections.

(b) The Borrower shall permit the Issuer, the Trustee and the Servicer, upon reasonable notice at reasonable times, at the Borrower's cost and expense, to examine the books of account of the Borrower and the Project (and to make copies thereof and extracts therefrom) and to discuss the affairs, finances and accounts of the Borrower and the Project with, and to be advised as to the same by, its officers, partners, or trustees, all at such reasonable times and intervals as the Issuer, the Trustee and the Servicer may reasonably request; *provided*, that so long as no Event of Default shall have occurred and be continuing, the Borrower shall only be obligated to pay the expenses associated with one (1) such investigation during any twelve (12) month period.

(c) The Issuer, the Trustee and the Servicer shall have the right to obtain from time to time, at the Borrower's cost and expense, updated Appraisals of the Project; *provided*, that so long as no Event of Default shall have occurred and be continuing, the Borrower shall only be obligated to pay for the costs and expenses associated with one (1) such Appraisal during any twelve (12) month period.

(d) The costs and expenses incurred by the Issuer, the Trustee and the Servicer in obtaining such Appraisals or performing such inspections shall be paid by the Borrower promptly upon billing or request by the Issuer, the Trustee and the Servicer for reimbursement.

Section 5.7 Compliance with Laws, Contracts, Licenses, and Permits. The Borrower will comply with (a) all Legal Requirements, (b) the provisions of its Organizational Documents, (c) all applicable decrees, orders and judgments, and (d) all licenses and permits required by applicable laws and regulations for the conduct of its business or the ownership, use or operation of its properties, including all Project Approvals.

Section 5.8 Use of Proceeds. In accordance with the Development Budget, the Borrower will use the proceeds of the Bonds solely for the purpose of paying for Qualified Costs of the Project.

Section 5.9 Borrower to Pay Excess Project Costs. The Borrower will pay when due all costs of acquisition, construction and equipping of the Project in excess of the proceeds of the Bonds, regardless of the amount. If at any time, the Servicer shall in its sole but reasonable discretion determine that the remaining undisbursed portion of the Project Fund, together with the undisbursed balance of Required Equity Funds, and any other sums previously deposited or to be deposited by the Borrower in connection with the Project, is or will be insufficient to complete the construction and equipping of the Improvements in accordance with the Plans and Specifications, to operate and carry the Project after Completion until Stabilization, to pay all other Project Costs, to pay all interest accrued or to accrue on the Bonds from and after the date hereof or until Stabilization, and to pay all other sums due or to become due under the Loan Documents (or any budget category or line item), regardless of how such condition may be caused, the Borrower will, within ten (10) days after written notice of such determination from the Servicer, deposit with the Trustee such sums of money in cash as the Servicer may require, in an amount sufficient to remedy the condition described in such notice, and sufficient to pay any liens for labor and materials alleged to be due and payable at the time in connection with the Improvements, and, at the Servicer's direction, no further disbursements from the Project Fund shall be made by the Trustee until the provisions of this Section have been fully complied with.

The Servicer may direct the Trustee to enforce the Completion Agreement in accordance with its terms, and upon such direction, the Trustee shall proceed to enforce the Completion Agreement. All such deposited sums shall constitute additional security under the Loan Documents and, prior to the occurrence of an Event of Default, shall be disbursed by the Trustee in the same manner as disbursements under the Indenture before any further disbursements from the Project Fund shall be made by the Trustee. Notwithstanding the above, in the event amounts deposited hereunder are actually in excess of the amount necessary to achieve Completion, such excess amounts shall be returned to the Borrower in accordance with Section 5.03 of the Indenture.

Section 5.10 Laborers, Subcontractors and Materialmen. The Borrower will furnish to the Issuer, the Trustee or the Servicer, upon reasonable request, and from time to time, affidavits listing all laborers, subcontractors, materialmen, and any other Persons who might or could claim statutory or common law liens and are furnishing or have furnished labor or material to the Project or any part thereof, together with affidavits, or other evidence satisfactory to the Issuer, the Trustee or the Servicer, showing that such parties have been paid all amounts then due for labor and materials furnished to the Project. The Borrower will also furnish to the Issuer, the Trustee, and the Servicer, at any time and from time to time upon reasonable request by the Issuer, the Trustee, or the Servicer, lien waivers bearing a then current date and prepared on a form satisfactory to the Issuer, the Trustee or the Servicer from the Contractor and such subcontractors or materialmen as the Issuer, the Trustee or the Servicer may designate.

Section 5.11 Further Assurance of Title. If at any time the Servicer has reason to believe that any disbursement from the Project Fund is not secured or will or may not be secured by the Mortgage as a first priority mortgage lien and security interest on the Secured Property, then the Borrower shall, within ten (10) days after written notice from the Servicer, do all things and matters necessary, to assure to the satisfaction of the Servicer that any disbursement from the Project Fund previously made hereunder or to be made hereunder is secured or will be secured by the Mortgage as a first priority mortgage lien and security interest on the Secured Property, and the Servicer, at its option, may decline to approve any further Requisitions until the Servicer has received such assurance. Nothing in this Section shall limit the right of the Servicer, at the Borrower's expense, to order searches of title from time to time and to require bringdowns or endorsements extending the effective date of the Title Policy in connection with the making of advances as herein set forth.

Section 5.12 Publicity. The Borrower will permit the Servicer to obtain publicity in connection with the acquisition, construction and equipping of the Improvements through press releases and participation in such events as ground breaking and opening ceremonies and placement of signs on the Land.

Section 5.13 Further Assurances.

(a) **Regarding Construction.** The Borrower will furnish or cause to be furnished to the Issuer, the Trustee and the Servicer all instruments, documents, boundary surveys, footing or foundation surveys, certificates, plans and specifications, title and other insurance, reports and agreements and each and every other document and instrument required to be furnished by the terms of this Loan Agreement or the other Loan Documents, all at the Borrower's expense.

(b) Regarding Preservation of Collateral. The Borrower will execute and deliver to the Issuer, the Trustee and the Servicer such further documents, instruments, assignments and other writings, and will do such other acts necessary or desirable, to preserve and protect the collateral at any time securing or intended to secure the obligations of the Borrower under the Loan Documents, as the Issuer, the Trustee and the Servicer may require.

(c) Regarding this Loan Agreement. The Borrower will cooperate with, and will do such further acts and execute such further instruments and documents as the Issuer, the Trustee and the Servicer shall reasonably request to carry out to their satisfaction the transactions contemplated by this Loan Agreement and the other Loan Documents, provided that no such further acts, instruments or documents shall expand the liability of the parties hereunder or materially change the terms of the Loan Documents.

Section 5.14 Notices. The Borrower will promptly notify the Issuer, the Trustee, the Investor Limited Partner and the Servicer in writing of (i) the occurrence of any Event of Default or event which, with the giving of notice or the passage of time, or both, would constitute an Event of Default; (ii) the Borrower's receipt of notice from any Governmental Authority of any alleged violation of environmental laws or regulations or other Legal Requirements; (iii) any labor problems with respect to the Borrower or the Project; (iv) the occurrence of any other event which would have a material adverse effect on the Project or the business or financial condition of the Borrower; or (v) the receipt by the Borrower of any notice of default or notice of termination with respect to any contract or agreement relating to the ownership, construction, equipping, operation, or use of the Project.

Section 5.15 Solvency; Adequate Capital. The Borrower will:

(a) Remain solvent and pay all of its indebtedness from its assets as the same become due; and

(b) Maintain adequate capital for the normal obligations reasonably foreseeable for a business of its size and character and in light of its contemplated business operations.

Section 5.16 Management Contract.

(a) At all times during the term of this Loan Agreement, the Project shall be managed pursuant to a management contract with the Manager, which contract shall be terminable with or without cause by the Borrower or its successors as owners of the Project and shall otherwise be in form and substance satisfactory to the Servicer. The Borrower acknowledges that the Issuer, the Trustee and the Servicer will rely on the Manager's experience in operating properties such as the Project as a means of maintaining the value of the collateral. In connection with the approval of the Manager, or any replacement management company:

(i) the Manager or holder of the stock or partnership interest therein, shall be a Person whose character, financial strength, stability and experience is acceptable to the Servicer and who shall have experience managing properties of a type and size reasonably similar to the Project; and

(ii) the Manager shall deliver all organizational documentation and other materials evidencing its experience acceptable to the Servicer.

(b) The Borrower shall, from time to time, obtain from the Manager such certificates of estoppel with respect to compliance by the Borrower with the terms of the management contract as may be requested by the Servicer, the Trustee and the Servicer.

(c) The Project will be managed by the Manager pursuant to the Management Agreement. The Borrower acknowledges and agrees that Trustee, as mortgagee under the Mortgage, is and shall be a third-party beneficiary of the Management Agreement and any replacement management agreement. Any amendment to the Management Agreement or delivery of a replacement management agreement must be approved in writing by the Servicer.

Section 5.17 Negative Covenants of the Borrower. The Borrower covenants and agrees that, so long as the Loan is outstanding:

(a) Restrictions on Easements and Covenants. Except for Permitted Encumbrances and matters permitted by Section 5.17(d), the Borrower will not create or suffer to be created or to exist any easement, right of way, restriction, covenant, condition, license or other right in favor of any Person which affects or might affect title to the Project or the use and occupancy of the Project or any part thereof without obtaining the prior written consent of the Servicer, which shall not be unreasonably withheld or delayed so long as the proposed action is necessary for the operation of the Project for the purposes contemplated hereby and the proposed action does not materially impair the validity or priority of the lien of the Mortgage.

(b) No Amendments, Terminations or Waivers. Neither the Borrower nor the General Partner shall amend, supplement terminate or otherwise modify or waive any provision of its Organizational Documents or any documents relating to the contribution of equity by the partners of the Borrower in a manner that would have a material adverse effect on the Issuer or the Owners without obtaining the prior written consent of the Servicer.

(c) Restrictions on Indebtedness. Without obtaining the prior written consent of the Servicer, the Borrower will not create, incur, assume, guarantee or be or remain liable, contingently or otherwise, with respect to any Indebtedness other than:

(i) Indebtedness arising under the Loan Documents;

(ii) current liabilities of the Borrower relating to the Project, incurred in the ordinary course of business but not incurred through (A) the borrowing of money, or (B) the obtaining of credit except for credit on an open account basis customarily extended and in fact extended in connection with normal purchases of goods and services;

(iii) Indebtedness relating to the Project, in respect of taxes, assessments, governmental charges or levies and claims for labor, materials and supplies to the extent that payment therefor shall not at the time be required to be made; and

(iv) Indebtedness arising in connection with the Project to the City and County of San Francisco, as permitted by the Bank in the applicable Loan Documents or elsewhere;

(d) Restrictions on Liens. The Borrower shall not subject the Project, or permit the Project to be subjected, to any Lien or encumbrance except as permitted pursuant to Article 6 of the Mortgage.

(e) General Partner Removal. The removal of Borrower's general partner(s) shall be subject to Section 11 of the Regulatory Agreement.

(f) Merger, Consolidation, Conversion and Disposition of Assets

(i) The Borrower will not become a party to any merger or consolidation, or agree to or effect any asset acquisition or stock acquisition.

(ii) The Borrower will not convert into any other type of entity.

(iii) The Borrower will not seek the dissolution or winding up, in whole or in part, of the Borrower or voluntarily file, or consent to the filing of, a petition for bankruptcy, reorganization, assignment for the benefit of creditors or similar proceedings.

(g) Sale and Leaseback. The Borrower will not enter into any arrangement, directly or indirectly, whereby the Borrower shall sell or transfer any property owned by it in order then or thereafter to lease such property or lease other property that the Borrower intends to use for substantially the same purpose as the property being sold or transferred.

(h) Preservation of Tax Exemption. The Borrower will not take any action that would adversely affect the exclusion of interest on the Bonds from gross income for purposes of federal income taxation, nor omit or fail to take any action required to maintain the exclusion of interest on the Bonds from gross income for purposes of federal income taxation (in each case, except to the extent that an Owner is a "substantial user" of the Project within the meaning of Section 174(a) of the Code or a Related Person to such substantial user).

Section 5.18 Arbitrage and Tax Matters. The Borrower further represents, warrants and covenants as follows:

(a) Qualified Residential Rental Project Exempt Facility Bonds. The Borrower shall assure that the proceeds of the Bonds are used in a manner such that the Bonds will satisfy the requirements of section 142(d) of the Code relating to qualified residential rental projects.

(b) Federal Guarantee Prohibition. The Borrower shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the Bonds to be "federally guaranteed" within the meaning of section 149(b) of the Code.

(c) Rebate Requirement. The Borrower shall take any and all actions necessary to assure compliance with section 148(f) of the Code, relating to the rebate of excess investment

earnings, if any, to the federal government, to the extent that such section is applicable to the Bonds.

(d) No Arbitrage. The Borrower shall not take, or permit or suffer to be taken by the Trustee or otherwise, any action with respect to the proceeds of the Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the Bonds would have caused the Bonds to be "arbitrage bonds" within the meaning of section 148 of the Code.

(e) Maintenance of Tax-Exemption. The Borrower shall take all actions necessary to assure the exclusion of interest on the Bonds from the gross income of the owners of the Bonds to the same extent as such interest is permitted to be excluded from gross income under the Code as in effect on the date of issuance of the Bonds.

(f) Private Activity Volume Cap. The Bonds upon issuance and delivery shall be considered "private activity bonds" within the meaning of the Code with respect to which the California Debt Limit Allocation Committee has transferred a portion of the State of California's private activity bond allocation (within the meaning of section 146 of the Code) equal to the principal amount of the Bonds.

(g) Limitation on Issuance Costs. The Borrower covenants that, from the proceeds of the Bonds and investment earnings thereon, an amount not in excess of exceed two percent (2%) of the proceeds of the Bonds, will be used for costs of issuance of the Bonds, all within the meaning of section 147(g)(1) of the Code. For this purpose, if the fees of the original purchaser of the Bonds are retained as a discount on the purchase of the Bonds, such retention shall be deemed to be an expenditure of proceeds of the Bonds for said fees.

(h) Limitation of Expenditure of Proceeds. The Borrower covenants that not less than 97 percent of the net proceeds of the Bonds (within the meaning of section 150(a)(3) of the Code) will be paid for Qualified Project Costs.

(i) Limitation on Land. The Borrower covenants that less than twenty-five percent (25%) of the proceeds of the Bonds shall be used, directly or indirectly, for the acquisition of land.

(j) Existing Facilities Limit. The Borrower covenants that no proceeds of the Bonds shall be used for the acquisition of any tangible property or an interest therein, other than land or an interest in land, unless the first use of such property is pursuant to such acquisition; provided, however, that this limitation shall not apply with respect to any building (and the equipment therefor) if rehabilitation expenditures (as defined in section 145(d) of the Code) with respect to such building equal or exceed 15 percent of the portion of the cost of acquiring such building (and equipment) financed with Proceeds ; and provided, further, that this limitation shall not apply with respect to any structure other than a building if rehabilitation expenditures with respect to such structure equal or exceed 100 percent of the portion of the cost of acquiring such structure financed with the proceeds of the Bonds.

(k) Certain Uses Prohibited. The Borrower covenants that no proceeds of the Bonds shall be used directly or indirectly to provide any airplane, skybox or other private luxury box,

health club facility, facility used for gambling or store the principal business of which is the sale of alcoholic beverages for consumption off premises, and no portion of the proceeds of the Bonds shall be used for an office unless (i) the office is located on the premises of the facilities constituting the Project and (ii) not more than a de minimis amount of the functions to be performed at such office is not related to the day-to-day operations of the Project.

(l) Regulatory Agreement. The Borrower agrees to comply with the Regulatory Agreement.

Section 5.19 Indemnification

(a) To the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Issuer, the Servicer, the Trustee, each Owner and each of their respective past, present and future officers, governing members, directors, officials, employees, attorneys and agents (each an “**Indemnified Party**”), against any and all losses, damages, claims, actions, liabilities, reasonable costs and expenses of any nature, kind or character (including, without limitation, reasonable attorneys’ fees, litigation and court costs, amounts paid in settlement (to the extent that the Borrower has consented to such settlement) and amounts paid to discharge judgments) (the “**Liabilities**”) to which the Indemnified Parties, or any of them, may become subject under federal or state securities laws or any other statutory law or at common law or otherwise, to the extent arising out of or based upon or in any way relating to:

(i) The Bonds, Loan Documents and the Indenture or the execution or amendment thereof or in connection with transactions contemplated thereby, including the issuance, sale, transfer or resale of the Bonds, including any Securitization thereof;

(ii) Any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Loan or the Project, the operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation or construction of, the Project or any part thereof;

(iii) Any lien (other than a permitted encumbrance) or charge upon payments by the Borrower to the Trustee hereunder, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges imposed on the Issuer or the Trustee in respect of any portion of the Project;

(iv) Any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Project or any part thereof;

(v) The enforcement of, or any action taken by the Trustee or the Servicer related to remedies under this Loan Agreement, the Indenture and the other Loan Documents relating to the default by the Borrower;

(vi) The defeasance and/or redemption, in whole or in part, of the Bonds;

(vii) Any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact by the Borrower contained in any

offering statement or document for the Bonds, the Indenture or any of the Loan Documents to which the Borrower is a party, or any omission or alleged omission from any offering statement or document for the bonds of any material fact necessary to be stated therein in order to make the statements made therein by the Borrower, in the light of the circumstances under which they were made, not misleading, including without limitation any offering statement or disclosure document in connection with any Securitization or other secondary market transaction with respect to the Bonds;

(viii) Any declaration of taxability of interest on the Bonds or allegations (or regulatory inquiry) that interest on the Bonds, is taxable for federal income tax purposes; or

(ix) The Trustee's acceptance or administration of the trust of the Indenture, or the Trustee's exercise or performance of or failure to exercise or perform any of its powers or duties thereunder or under any of the Loan Documents to which it is a party;

(x) except in the case of the foregoing indemnification of the Servicer or any related Indemnified Party, to the extent such damages are caused by the gross negligence or willful misconduct of such Indemnified Party or any breach by such party of its obligations under the Indenture or any of the Loan Documents or any untrue statement or misleading statement of a material fact by such Indemnified Party contained in any offering statement or document for the Bonds or any of the Loan Documents or any omission or alleged omission from any such offering statement or document of any material fact necessary to be stated therein in order to make the statements made therein by such Indemnified Party not misleading. In the case of the foregoing indemnification of the Issuer, or any related Indemnified Party, they shall not be indemnified by the Borrower with respect to liabilities arising from their own willful misconduct. In the case of the foregoing indemnification of the Trustee, or any related Indemnified Party, they shall not be indemnified by the Borrower with respect to liabilities arising from their own negligence or willful misconduct. Notwithstanding anything herein to the contrary, the Borrower's indemnification obligations to the Servicer specified in Section 5.21 with respect to any Securitization described in Section 5.21 shall be limited to the indemnity set forth in Section 5.21.

(b) In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party (which notice shall be timely given so as not to materially impair the Borrower's right to defend), shall assume the investigation and defense thereof, including the employment of counsel reasonably approved by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; *provided*, that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement, which approval shall not be unreasonably withheld. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and to participate in the investigation and defense thereof; *provided*, that the Issuer has the absolute right to employ separate counsel at the expense of the Borrower. The Borrower shall pay the reasonable fees and expenses of such separate counsel; *provided*, that such Indemnified Party other than the Issuer may only employ separate

counsel at the expense of the Borrower if and only if in such Indemnified Party's good faith judgment (based on the advice of counsel) a conflict of interest exists or could arise by reason of common representation except that the Borrower shall always pay the reasonable fees and expenses of the Issuer's separate counsel.

(c) Notwithstanding any transfer of the Project to another owner in accordance with the provisions of this Loan Agreement or the Regulatory Agreement, the Borrower shall remain obligated to indemnify each Indemnified Party pursuant to this Section 5.19 if such subsequent owner fails to indemnify any party entitled to be indemnified hereunder, unless the Issuer, the Trustee and the Servicer have consented to such transfer and to the assignment of the rights and obligations of the Borrower hereunder.

(d) The rights of any persons to indemnity hereunder and rights to payment of fees and reimbursement of expenses hereunder shall survive the final payment or defeasance of the Bonds and in the case of the Trustee any resignation or removal. The provisions of this Section shall survive the termination of this Loan Agreement.

(e) Nothing in this Section 5.19 shall in any way limit (i) the Borrower's indemnification and other payment obligations set forth in the Regulatory Agreement, or (ii) the Guarantor's payment obligations under the Payment Guaranty.

Section 5.20 Agreements Between Borrower and its Affiliates. Borrower shall not enter into any agreement, written or otherwise, directly or indirectly relating to the Project with an Affiliate of the Borrower without the prior written consent of the Servicer. Servicer consents to the Management Contract with the Guarantor and the Development Services Agreement with the Guarantor.

Section 5.21 [Reserved].

Section 5.22 Tax and Insurance Fund.

The Borrower acknowledges the creation of the Tax and Insurance Fund pursuant to the Indenture. The Tax and Insurance Fund shall be funded, and moneys in it shall be disbursed, in accordance with the provisions of the Indenture and this Section 5.22. Upon demand of the Servicer, following the occurrence of any failure of the Borrower to pay Impositions as the same become due, as required in Section 5.2 of the Mortgage, the Borrower shall deposit into the Tax and Insurance Fund, on each Interest Payment Date, a sum equal to one-twelfth of the annual amount of Impositions. The Borrower may make written request to the Servicer for disbursement of amounts in the Tax and Insurance Fund for payment of Impositions as they become due. Following receipt of any such request, the Servicer shall authorize the disbursement of funds from the Tax and Insurance Fund in amounts sufficient to make the required payments.

Section 5.23 Covenants Regarding Tax Credits. The Borrower hereby agrees to comply with all of the following covenants (each, a "Tax Credit Covenant"):

(a) To observe and perform all obligations imposed on the Borrower in connection with the Tax Credits, including the obligation to have the Project "placed in service" (within the

meaning given in Section 42 of the Code) in a timely manner; and to operate the residential units of the Project, and to use the Borrower's best efforts to cause all appropriate parties to operate the same, in accordance with all requirements, statutes, and regulations governing the Tax Credits;

(b) To preserve at all times the allocation and availability of the Tax Credits;

(c) Not to release, forego, alter, amend, or modify its rights to the Tax Credits without the Servicer's prior written consent, which the Servicer may give or withhold in the Servicer's reasonable discretion;

(d) Not to execute any residential lease of all or any portion of the Project which does not comply fully with all requirements, statutes, and regulations governing the Tax Credits, without the Servicer's prior written consent, which the Servicer may give or withhold in the Servicer's sole and absolute discretion;

(e) To cause to be kept all records, and cause to be made all elections and certifications, pertaining to the number and size of apartment units, occupancy thereof by tenants, income level of tenants, set-asides for low-income tenants, and any other matters now or hereafter required to qualify for and maintain the Tax Credits in connection with the low-income occupancy of the Project;

(f) To comply with the appropriate minimum low-income set-aside requirements under the Code or applicable federal regulations (the "**Federal Laws**") and all laws and regulations of the State (the "**State Laws**") applicable to the creation, maintenance and continued availability of the Tax Credits;

(g) To certify compliance with the set-aside requirements and report the dollar amount of qualified basis and maximum applicable percentage, date of placement in service and any other information required for the Tax Credits at such time periods as required by Federal Laws or State Laws for such Tax Credits;

(h) To set aside the appropriate number of units for households with incomes meeting the required standards of the median income of the county in which the Project is located to qualify for the Tax Credits (as determined pursuant to Section 42 of the Code and/or State Laws), adjusted for family size, and to operate and maintain all such units as "low-income units" qualifying for the Tax Credits under Section 42(i)(3) of the Code and/or State Laws (reserving one unit for a manager's unit);

(i) To exercise good faith in all activities relating to the operation and maintenance of the Project in accordance with the requirement of Federal Laws and State Laws; and

(j) To promptly deliver to the Servicer true and correct copies of all notices or other documents or communications received or given by the Borrower with regard to or relating in any way to the Borrower's partnership interests and/or the Tax Credits. Immediately upon receipt thereof, the Borrower shall deliver to the Servicer a copy of (i) the fully-executed allocation of Tax Credits for the Project; (ii) the basis audit (as required by Section 42 of the Code) for the Project (including a certificate of the Borrower's accountant or attorneys if

requested by the Servicer); (iii) the first annual income certification for all tenants of the Project showing that the tenants are qualified for purposes of the Borrower's obtaining Tax Credits, and (iv) the fully-completed Form 8609 (required by the Code) issued for the Project. The Borrower shall deliver promptly to the Servicer such other certificates, income certificates, reports and information as the Servicer may request.

The Borrower understands and acknowledges that the Bank is purchasing the Bonds based, in part, upon the value of the Tax Credits, and the Tax Credits, directly or indirectly, constitute part of Trustee's security on behalf of the Owners of the Bonds, for the obligations of the Borrower in connection with the Loan. The Borrower agrees to indemnify, defend, and hold the Servicer and the Owners harmless for, from, and against any and all actions, suits, claims, demands, liabilities, losses, damages, obligations, and costs or expenses, including litigation costs and reasonable attorneys' fees, arising from or in any way connected with the Borrower's failure to comply with one or more Tax Credit Covenants, excepting those arising out of, or resulting, solely from the gross negligence or willful misconduct of the Servicer.

Section 5.24 Leasing.

(a) The Servicer (and all other parties whose approval is required) must approve the Borrower's standard form of residential lease or rental agreement prior to its use by the Borrower. The Borrower may not materially modify the approved standard form of residential lease without the Servicer's prior written consent in each instance (which consent shall not be unreasonably withheld), together with the approval of all other parties whose consent is required. Each lease, other than leases on the Borrower's standard form of residential lease, of any part of the Project is subject to the Servicer's written approval as to form and substance prior to execution and delivery. Despite the foregoing, the Borrower may enter into residential leases (and amendments) in the ordinary course of business with bona fide third party tenants without the Servicer's prior written consent if the Borrower uses the approved standard form of residential lease and:

(i) Within fifteen (15) days after the Servicer's written request therefor, the Servicer receives a copy of the executed lease (accompanied by all financial information and certificates obtained by the Borrower pertaining to the tenant);

(ii) The Borrower, acting in good faith and exercising due diligence, has determined that the tenant qualifies as a low-income family for purposes of meeting the requirements for obtaining Tax Credits;

(iii) The lease meets the standards required by Section 42 of the Code;

(iv) The lease meets the requirements of the Servicer, the Issuer, and the Investor Limited Partner;

(v) The lease reflects an arm's-length transaction and, so long as the Construction Disbursement Agreement is in effect, conforms to the projections of the Pro Forma Schedule attached thereto;

(vi) The lease does not affect more than one (1) residential unit within the Improvements and is for a minimum term of twelve (12) months, unless otherwise agreed in writing by the Servicer; and

(vii) So long as the Construction Disbursement Agreement is in effect, the lease, together with all leases previously executed, does not cause the Loan to become “out of balance” as that term is defined in Section 1.2(a) of the Construction Disbursement Agreement.

(b) The Servicer in the exercise of its sole discretion may consider any executed lease it receives to be unsatisfactory if the lease fails to meet any of the requirements of this Loan Agreement. If this happens, or if the Borrower at any time fails to submit any executed lease (and accompanying information) at the time required by this Section, or if any Event of Default has occurred and is continuing, the Servicer may make written demand on the Borrower to submit all future leases for the Servicer’s approval prior to execution. The Borrower must comply with any such demand by the Servicer.

(c) The Servicer’s approval of any lease is for the sole purpose of protecting the Servicer’s security and preserving the Servicer’s rights under the Loan Documents. No approval by the Servicer will result in a waiver of any default of the Borrower. In no event will the Servicer’s approval of any lease be a representation of any kind with regard to the lease, its enforceability or the financial capacity of any tenant or guarantor.

(d) The Borrower must perform all obligations required to be performed by it as landlord under any lease affecting any part of the Land or any space within the Improvements.

Section 5.25 Compliance with Anti-Terrorism Regulations.

(a) None of the Related Persons will be included in, owned by, controlled by, act for or on behalf of, provide assistance, support, sponsorship, or services of any kind to, or otherwise associate with any of the Persons referred to or described in any list of persons, entities, and governments issued by OFAC pursuant to Executive Order 13224 or any other OFAC List.

No provision, covenant or agreement contained in this Loan Agreement, the Indenture or the Bonds, or any obligation herein or therein imposed upon the Issuer, or the breach thereof, shall constitute or give rise to or impose upon the Issuer a pecuniary liability or a charge. No recourse shall be had for the enforcement of any obligation, covenant, promise, or agreement of the Issuer contained in this Loan Agreement or in any Bond or for any claim based hereon or otherwise in respect hereof or upon any obligation, covenant, promise, or agreement of the Issuer contained in any agreement, instrument, or certificate executed in connection with the Project or the issuance and sale of the Bonds, against any member of the governing board of the Issuer, its officers, counsel, financial advisor, employees or agents, as such, in his or her individual capacity, past, present, or future, or of any successor thereto, whether by virtue of any Constitutional provision, statute, or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly agreed and understood that no personal liability whatsoever shall attach to, or be incurred by, any member of the governing board, officers, counsel, financial advisors, employees or agents, as such, in his or her individual capacity, past, present, or future, of the Issuer or of any successor thereto, either directly or by reason of any of the obligations, covenants, promises, or agreements entered into between the Issuer and the Trustee or the Borrower to be implied therefrom as being supplemental hereto or thereto, and that all personal liability of that character against every such director, officer, counsel, financial advisor, employee or agent, is, by the execution of the Bonds, this Loan Agreement, and the Indenture, and as a condition of, and as part of the consideration for, the execution of the Bonds, this Loan Agreement, and the Indenture, expressly waived and released.

Section 8.14 Waiver of Personal Liability. No member of the governing board, officer, agent or employee of the Issuer or any director, officer, agent or employee of the Issuer shall be individually or personally liable for the payment of any principal (or redemption price) of or interest on the Bonds or any other sum hereunder or be subject to any personal liability or accountability by reason of the execution and delivery of this Loan Agreement; but nothing herein contained shall relieve any such member, director, officer, agent or employee from the performance of any official duty provided by law or by this Loan Agreement.

Section 8.15 PATRIOT Act Notice. Issuer hereby notifies Borrower and Guarantor that, pursuant to the requirements of the PATRIOT Act, it is required to obtain, verify and record information that identifies Borrower and Guarantor, which information includes the names and addresses of Borrower and Guarantor and other information that will allow Issuer to identify Borrower and Guarantor in accordance with the PATRIOT Act.

IN WITNESS WHEREOF, the Issuer, the Trustee and the Borrower have caused this Loan Agreement to be executed in their respective names, all as of the date first above written.

CITY AND COUNTY OF SAN FRANCISCO MANDATORY CONTRACTING PROVISIONS

The following provisions shall apply to this Loan Agreement as if set forth in the body thereof. Capitalized terms used but not defined in this Exhibit shall have the meanings given in this Loan Agreement.

Section 1. Nondiscrimination; Penalties.

(i) *Nondiscrimination.* In the performance of this Loan Agreement, the Borrower agrees not to discriminate against any employee, City employee working with the Borrower, applicant for employment with the Borrower, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(ii) *Subcontracts.* The Borrower shall incorporate by reference in all subcontracts the provisions of §§12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code (copies of which are available from the City) and shall require all subcontractors to comply with such provisions. The Borrower's failure to comply with the obligations in this subsection shall constitute a material breach of this Loan Agreement.

(iii) *Nondiscrimination in Benefits.* The Borrower does not as of the date of this Loan Agreement and will not during the term of this Loan Agreement, in any of its operations in San Francisco, on real property owned by the City, or where work is being performed for the City elsewhere in the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in §12B.2(b) of the San Francisco Administrative Code.

(iv) *Condition to Contract.* As a condition to this Loan Agreement, the Borrower shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (form HRC-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Human Rights Commission.

(v) *Incorporation of Administrative Code Provisions by Reference.* The provisions of Chapters 12B and 12C of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Loan Agreement as though fully set forth herein. The Borrower shall comply fully with and be bound by all of the provisions that apply to this Loan Agreement under such Chapters, including but not limited to the remedies provided in such

Chapters. Without limiting the foregoing, the Borrower understands that pursuant to §§12B.2(h) and 12C.3(g) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Loan Agreement may be assessed against the Borrower and/or deducted from any payments due the Borrower.

Section 2. Local Business Enterprise Utilization; Liquidated Damages.

(i) *The LBE Ordinance.* As a condition to this Loan Agreement, the Borrower shall comply with all the requirements of the Local Business Enterprise and Non-Discrimination in Contracting Ordinance set forth in Chapter 14B of the San Francisco Administrative Code as it now exists or as it may be amended in the future (collectively the “LBE Ordinance”), provided that such amendments do not materially increase Borrower’s obligations or liabilities, or materially diminish Borrower’s rights, under this Loan Agreement. Such provisions of the LBE Ordinance are incorporated by reference and made a part of this Loan Agreement as though fully set forth in this section. Borrower’s willful failure to comply with any applicable provisions of the LBE Ordinance is a material breach of Borrower’s obligations under this Loan Agreement and shall entitle Issuer, subject to any applicable notice and cure provisions set forth in this Loan Agreement, to exercise any of the remedies provided for under this Loan Agreement, under the LBE Ordinance or otherwise available at law or in equity, which remedies shall be cumulative unless this Loan Agreement expressly provides that any remedy is exclusive. In addition, Borrower shall comply fully with all other applicable local, state and federal laws prohibiting discrimination and requiring equal opportunity in contracting, including subcontracting.

(ii) *Compliance and Enforcement.* If Borrower willfully fails to comply with any of the provisions of the LBE Ordinance, the rules and regulations implementing the LBE Ordinance, or the provisions of this Loan Agreement pertaining to LBE participation, Borrower shall be liable for liquidated damages in an amount equal to Borrower’s net profit on this Loan Agreement, or 10% of the total amount of this Loan Agreement, or \$1,000, whichever is greatest. The Director of the Issuer’s Human Rights Commission or any other public official authorized to enforce the LBE Ordinance (separately and collectively, the “Director of HRC”) may also impose other sanctions against Borrower authorized in the LBE Ordinance, including declaring the Borrower to be irresponsible and ineligible to contract with the Issuer for a period of up to five years or revocation of the Borrower’s LBE certification. The Director of HRC will determine the sanctions to be imposed, including the amount of liquidated damages, after investigation pursuant to Administrative Code §14B.17.

By entering into this Loan Agreement, Borrower acknowledges and agrees that any liquidated damages assessed by the Director of the HRC shall be payable to Issuer upon demand. Borrower further acknowledges and agrees that any liquidated damages assessed may be withheld from any monies due to Borrower on any contract with Issuer.

Borrower agrees to maintain records necessary for monitoring its compliance with the LBE Ordinance for a period of three years following termination or expiration of this Loan Agreement, and shall make such records available for audit and inspection by the Director of HRC or the Controller upon request.

Section 3. *Prevailing Wages.* Every contract for the rehabilitation or construction of housing must contain a provision requiring the payment of not less than the wages prevailing in the locality, as predetermined by the Secretary of Labor pursuant to the Davis-Bacon Act (40 U.S.C. §§ 276a-276a-5), to all laborers and mechanics employed in the development of any part of the housing, and contracts involving their employment will be subject to the provisions, as applicable, of the Contract Work Hours and Safety Standards Act (40 U.S.C. §§ 327-332). The prevailing wage requirements of this Section apply to all laborers and mechanics employed in the development of the Project, including portions other than the assisted Units.

Section 4. *MacBride Principles—Northern Ireland.* Pursuant to San Francisco Administrative Code §12F.5, the City urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing this Loan Agreement, the person executing this Loan Agreement on behalf of the Borrower acknowledges and agrees that he or she has read and understood this Section.

Section 5. *Tropical Hardwood and Virgin Redwood Ban.* Pursuant to §804(b) of the San Francisco Environment Code, the City urges contractors not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.

Section 6. *Drug-Free Workplace Policy.* The Borrower acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on City premises. The Borrower agrees that any violation of this prohibition by the Borrower, its employees, agents or assigns will be deemed a material breach of this Loan Agreement.

Section 7. *Compliance with Americans with Disabilities Act.* The Borrower acknowledges that, pursuant to the Americans with Disabilities Act (ADA), programs, services and other activities provided by a public entity to the public, whether directly or through a contractor, must be accessible to the disabled public. The Borrower shall provide the services specified in this Loan Agreement in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation. The Borrower agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Loan Agreement and further agrees that any violation of this prohibition on the part of the Borrower, its employees, agents or assigns will constitute a material breach of this Loan Agreement.

Section 8. *Sunshine Ordinance.* In accordance with San Francisco Administrative Code §67.24(e), contracts, contractors' bids, responses to solicitations and all other records of communications between the City and persons or firms seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

Section 9. *Limitations on Contributions.* Through execution of this Loan Agreement, the Borrower acknowledges that it is familiar with Section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (1) an individual holding a City elective office if the contract must be approved by the individual, a board on which that individual serves, or the board of a state agency on which an appointee of that individual serves, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. The Borrower acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. The Borrower further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of the Borrower's board of directors; the Borrower's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in the Borrower; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by the Borrower. Additionally, the Borrower acknowledges that the Borrower must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126. The Borrower further agrees to provide to the City the names of each person, entity or committee described above.

Section 10. *Requiring Minimum Compensation for Covered Employees.* The Borrower agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Sections 12P.5 and 12P.5.1 of Chapter 12P are incorporated herein by reference and made a part of this Loan Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of the Borrower's obligations under the MCO is set forth in this Section. The Borrower is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

(i) The MCO requires the Borrower to pay the Borrower's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and the Borrower is obligated to keep informed of the then-current requirements. Any subcontract entered into by the Borrower shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is the Borrower's obligation to ensure that any subcontractors of any tier under this Loan Agreement comply with the requirements of the MCO. If any subcontractor under this Loan Agreement fails to comply, the City may pursue any of the remedies set forth in this Section against the Borrower.

(ii) The Borrower shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such

actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

(iii) The Borrower shall maintain employee and payroll records as required by the MCO. If the Borrower fails to do so, it shall be presumed that the Borrower paid no more than the minimum wage required under State law.

(iv) The City, upon reasonable notice to the Borrower, is authorized to inspect the Borrower's job sites during normal business hours, conduct interviews with employees and conduct audits of the Borrower.

(v) The Borrower's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Loan Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Borrower fails to comply with these requirements. The Borrower agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for the Borrower's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

(vi) The Borrower understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Loan Agreement for violating the MCO, the Borrower fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, the Borrower fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(vii) The Borrower represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

(viii) If the Borrower is exempt from the MCO when this Loan Agreement is executed because the cumulative amount of agreements with the City for the fiscal year is less than \$25,000, but the Borrower later enters into an agreement or agreements that cause the Borrower to exceed that amount in a fiscal year, the Borrower shall thereafter be required to comply with the MCO under this Loan Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Borrower and the City to exceed \$25,000 in the fiscal year.

Section 11. *Requiring Health Benefits for Covered Employees.* The Borrower agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to

time. The provisions of Section 12Q.5.1 of Chapter 12Q are incorporated by reference and made a part of this Loan Agreement as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Loan Agreement shall have the meanings assigned to such terms in Chapter 12Q.

(i) For each Covered Employee, the Borrower shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If the Borrower chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(ii) Notwithstanding the above, if the Borrower is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (i) above.

(iii) The Borrower's failure to comply with the HCAO shall constitute a material breach of this Loan Agreement. The City shall notify the Borrower if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Loan Agreement for violating the HCAO, the Borrower fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, the Borrower fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(iv) Any Subcontract entered into by the Borrower shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. The Borrower shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. The Borrower shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against the Borrower based on the Subcontractor's failure to comply, provided that the City has first provided the Borrower with notice and an opportunity to obtain a cure of the violation.

(v) The Borrower shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying the City or the City with regard to the Borrower's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(vi) The Borrower represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(vii) The Borrower shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the Loan Agreement.

(viii) The Borrower shall keep itself informed of the current requirements of the HCAO.

(ix) The Borrower shall provide reports to the City in accordance with any reporting standards promulgated by the City or the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.

(x) The Borrower shall provide the City with access to records pertaining to compliance with HCAO after receiving a written request from the City to do so and being provided at least ten business days to respond.

(xi) The Borrower shall allow the City to inspect the Borrower's job sites and have access to the Borrower's employees in order to monitor and determine compliance with HCAO.

(xii) The City may conduct random audits of the Borrower to ascertain its compliance with HCAO. The Borrower agrees to cooperate with the City when it conducts such audits.

(xiii) If the Borrower is exempt from the HCAO when this Loan Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but the Borrower later enters into an agreement or agreements that cause the Borrower's aggregate amount of all agreements with the City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Borrower and the City to be equal to or greater than \$75,000 in the fiscal year.

Section 12. *Prohibition on Political Activity with City Funds.* In accordance with San Francisco Administrative Code Chapter 12.G, the Borrower may not participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure (collectively, "Political Activity") in the performance of the services provided under this Loan Agreement. The Borrower agrees to comply with San Francisco Administrative Code Chapter 12.G and any implementing rules and regulations promulgated by the City's Controller. The terms and provisions of Chapter 12.G are incorporated herein by this reference. In the event the Borrower violates the provisions of this Section, the City may, in addition to any other rights or remedies available hereunder, (i) terminate this Loan Agreement, and (ii) prohibit the Borrower from bidding on or receiving any new City contract for a period of two (2) years. The Controller will not consider the Borrower's use of profit as a violation of this Section.

Section 13. *Protection of Private Information.* The Borrower has read and agrees to the terms set forth in San Francisco Administrative Code Sections 12M.2, "Nondisclosure of Private Information," and 12M.3, "Enforcement" of Administrative Code Chapter 12M, "Protection of Private Information," which are incorporated herein as if fully set forth. The Borrower agrees that any failure of the Borrower to comply with the requirements of Section 12M.2 of this Chapter shall be a material breach of this Loan Agreement. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate this Loan Agreement, bring a false claim action against the Borrower pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar the Borrower.

Section 14. *Graffiti Removal.* Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and its residents, and to prevent the further spread of graffiti.

The Borrower shall remove all graffiti from any real property owned or leased by the Borrower in the City and County of San Francisco within forty eight (48) hours of the earlier of the Borrower's (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This Section is not intended to require the Borrower to breach any lease or other agreement that it may have concerning its use of the real property. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" shall not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 et seq.).

Any failure by the Borrower to comply with this section of this Loan Agreement shall constitute a material breach of this Loan Agreement.

Section 15. *Submitting False Claims; Monetary Penalties.* Pursuant to San Francisco Administrative Code §21.35, any contractor, subcontractor or consultant who submits a false claim shall be liable to the City for penalties set forth in that Section. The text of Section 21.35, along with the entire San Francisco Administrative Code is available on the web at <http://www.municode.com/Library/clientCodePage.aspx?clientID=4201>. A contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the contractor, subcontractor or consultant: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (c) conspires to defraud the City by getting a false claim allowed or paid by the City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

Section 16. *Conflict of Interest.* Through its execution of this Loan Agreement, the Borrower acknowledges that it is familiar with the provision of Section 15.103 of the City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitutes a violation of said provisions and agrees that it will immediately notify the City if it becomes aware of any such fact during the term of this Loan Agreement.

Section 17. *Food Service Waste Reduction Requirements.* The Borrower agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Loan Agreement as though fully set forth. This provision is a material term of this Loan Agreement. By entering into this Loan Agreement, the Borrower agrees that if it breaches this provision, the City will suffer actual damages that will be impractical or extremely difficult to determine; further, the Borrower agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for the second breach in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that the City will incur based on the violation, established in light of the circumstances existing at the time this Loan Agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by the City because of the Borrower's failure to comply with this provision.

Section 18. *Proprietary or Confidential Information of City.* The Borrower understands and agrees that, in the performance of the work or services under this Loan Agreement or in contemplation thereof, the Borrower may have access to private or confidential information which may be owned or controlled by City and that such information may contain proprietary or confidential details, the disclosure of which to third parties may be damaging to City. The Borrower agrees that all information disclosed by City to the Borrower shall be held in confidence and used only in the performance of the Loan Agreement. The Borrower shall exercise the same standard of care to protect such information as a reasonably prudent contractor would use to protect its own proprietary data.

Section 19. *Earned Income Credit (EIC) Forms.* Administrative Code Section 12O requires that employers provide their employees with IRS Form W-5 (The Earned Income Credit Advance Payment Certificate) and the IRS EIC Schedule, as set forth below. Employers can locate these forms at the IRS Office, on the Internet, or anywhere that Federal Tax Forms can be found. The Borrower shall provide EIC Forms to each Eligible Employee at each of the following times: (i) within thirty days following the date on which this Loan Agreement becomes effective (unless the Borrower has already provided such EIC Forms at least once during the calendar year in which such effective date falls); (ii) promptly after any Eligible Employee is hired by the Borrower; and (iii) annually between January 1 and January 31 of each calendar year during the term of this Loan Agreement. Failure to comply with any requirement contained in subparagraph (a) of this Section shall constitute a material breach by the Borrower of the terms of this Loan Agreement. If, within thirty days after the Borrower receives written notice of such a breach, the Borrower fails to cure such breach or, if such breach cannot reasonably be

cured within such period of thirty days, the Borrower fails to commence efforts to cure within such period or thereafter fails to diligently pursue such cure to completion, the City may pursue any rights or remedies available under this Loan Agreement or under applicable law. Any Subcontract entered into by the Borrower shall require the subcontractor to comply, as to the subcontractor's Eligible Employees, with each of the terms of this Section. Capitalized terms used in this Section and not defined in this Loan Agreement shall have the meanings assigned to such terms in Section 12O of the San Francisco Administrative Code.
