5 Christian Association of San Francisco (the “YMCA SF”) for the development and use of  
6 Building 49 located at 701 Illinois Street within Crane Cove Park following approval of the  
7 Existing Lease by the Board of Supervisors, which approval occurred on June 27, 2023,  
8 pursuant to Resolution No. 344-23, and in such resolutions, the Port Commission and the

<b>Item 4</b> <b>File 24-0093</b>	<b>Department:</b> Port Commission (Port)
--------------------------------------	--

**EXECUTIVE SUMMARY**

**Legislative Objectives**

- The proposed resolution would approve an amended and restated lease between the Port and the Young Men’s Christian Association of San Francisco (YMCA SF) for Building 49 to: (a) eliminate the obligation to complete voluntary seismic improvements under the existing lease and eliminate rent credits for seismic improvements; (b) delay the rent commencement date by three months to no later than October 1, 2024; and (c) require the YMCA SF to open the public restrooms by July 1, 2024.

**Key Points**

- In June 2023, the Board of Supervisors approved a lease between the Port and YMCA SF for Building 49 at Pier 70 to develop a community wellness facility, a retail aquatics center and food and beverage space for a term of ten years with options to extend, for a total possible lease term of 34 years and 11 months.
- After execution of the lease, the YMCA SF determined that the voluntary seismic improvements were not feasible due to higher than anticipated costs. The proposed lease preserves YMCA’s obligation to complete required tenant improvements and to contribute at least \$5.0 million towards the improvements but removes YMCA SF’s obligation to complete additional seismic work to partially retrofit the building. The tenant improvements now include less comprehensive seismic resilience work to bring the building into compliance with the Port’s building guidelines.
- The proposed lease would also delay rent commencement by three months from July 1, 2024 to October 1, 2024 due to delays in construction of tenant improvements from changes in the scope of seismic work and reduce the term of the final option to extend from two years to one year. As a result, the total possible lease term is 34 years and two months, which is nine months shorter compared to the existing lease.
- Base rent of \$13.61 per square foot per year is unchanged under the proposed lease and is lower than fair market rent due to the contribution required by the Tenant to occupy. The Port will provide monthly rent credits to offset the costs of operating and maintaining the public restrooms, as well as up to 14 months of rent abatement.

**Fiscal Impact**

- Over the initial 10-year lease term, the Port expects to receive \$788,827 in rent from the YMCA SF, which is \$500,000 greater than anticipated revenues under the existing lease (\$288,827) due to the elimination of the seismic rent credit. However, YMCA SF will not be completing seismic improvements estimated to cost \$1.36 million at lease approval.

**Recommendation**

- Approve the proposed resolution.

**MANDATE STATEMENT**

City Charter Section 9.118(c) states that any lease, modification, amendment, or termination of a lease that had an initial term of ten years or more, including options to extend, or that had anticipated revenues of \$1 million or more is subject to Board of Supervisors approval.

**BACKGROUND**

**Development of Building 49**

The Port of San Francisco (Port) selected the Young Men’s Christian Association of San Francisco (YMCA SF) to develop and operate Building 49 located within Crane Cove Park at 701 Illinois Street through a competitive process. There were two respondents to the competitive request for proposals, and YMCA SF was the higher scoring respondent. In June 2023, the Board of Supervisors approved a lease between the Port and YMCA SF for Building 49 at Pier 70 to develop a community wellness facility, a retail aquatics center and food and beverage space for a term of ten years with options to extend, for a total possible lease term of 34 years and 11 months (File 23-0541).

Building 49 includes a rentable building area of 6,817 square feet. Use of the adjacent outdoor space within Crane Park is covered through a separate license agreement. YMCA SF is the primary tenant of the lease, with two subtenants. Dogpatch Paddle, a human-powered boating (such as stand-up paddle boards and kayaks) business and club, will occupy approximately 2,289 square feet of the water-facing east side of the facility and offer lessons, rentals, classes, youth programs, and a retail store. Daily Driver, female-owned bagel business is the second subtenant and will occupy 455 square feet of the space providing grab-and-go food and beverage service.

**Tenant Improvements and Seismic Improvements**

Under the existing lease, the YMCA SF is responsible for tenant improvements and must contribute at least \$5.0 million to the improvements. Required tenant improvements include: (1) improvements to operate fitness and exercise areas, (2) infrastructure improvements to support the food and beverage retail, as well as the water sports retail shop, (3) electrical, HVAC, water and sewer facilities, and (4) improvements to the building’s exterior. The lease provides for up to 11 months of rent abatement during construction of the tenant improvements. According to Port staff, construction is expected to begin as soon as the building permit is issued and will take place over six months. As of February 2024, total development costs are estimated to be \$6.7 million.<sup>1</sup>

The lease also required that YMCA SF to perform seismic improvements and structural upgrades estimated to cost \$1.36 million although not required by Port building regulations. The lease

---

<sup>1</sup> When the original lease was approved in June 2023, hard costs for tenant improvements were estimated at \$5.2 million. According to the YMCA, hard costs for the tenant improvements are now estimated to costs \$5.4 million, plus an additional \$1.3 million for soft costs, which totals to \$6.7 million in total development costs.

provides for rent credits equal to the lesser of: (a) 50 percent of the actual costs of the seismic strengthening and structural improvement work, or (b) \$500,000.

However, after execution of the lease the YMCA SF determined that the planned seismic improvements were not feasible due to higher than anticipated costs, which have increased from \$1.36 million originally estimated to as much as \$1.7 million. Costs exceeded prior estimates because of overall escalation of construction costs and unanticipated costs associated with potential disturbance of hazardous materials during seismic work. YMCA SF has proposed amendments to the existing lease, including elimination of the obligation to complete seismic improvements.

### DETAILS OF PROPOSED LEGISLATION

The proposed resolution would approve an amended and restated lease between the Port and the YMCA SF for Building 49 to: (a) eliminate the obligation to complete seismic improvements under the existing lease and eliminate rent credits for seismic improvements; (b) delay the rent commencement date to no later than October 1, 2024; and (c) require the YMCA SF to open the public restrooms by July 1, 2024.

#### **Proposed Changes to Existing Lease**

The proposed amended and restated lease preserves YMCA's obligation to complete required tenant improvements and to contribute at least \$5.0 million towards the improvements but removes YMCA SF's obligation to complete additional seismic improvements to partially retrofit the building. Tenant improvements now include construction of a shear wall along the interior perimeter of the building to increase the seismic resilience of the building and bring the building into compliance with the Port's building regulations, according to Port staff. The shear wall will consist of "plywood sheathing supported by metal stud walls" according to the proposed amended lease. The original seismic improvements were more comprehensive and included steel lateral bracing, vertical bracing, and roof truss steel bracing.

The proposed amended and restated lease would also delay rent commencement by three months from July 1, 2024 to October 1, 2024 due to delays in construction of tenant improvements largely due to changes in the scope of seismic work. The lease also reduces the term of the final option to extend from two years to one year. Due to the changes in the rent commencement date, which increases the initial term by three months, and the reduction in the final option to extend, the total possible lease term is 34 years and two months, which is nine months shorter compared to the existing lease.

Finally, to facilitate early occupancy by one of the subtenants, Dogpatch Paddle, the proposed amended and restated lease would require the YMCA SF to open the public restrooms by July 1, 2024 or within five days following issuance of a partial temporary certificate of occupancy, whichever is earlier.

**Base Rent**

Base rent of \$13.61 per square foot per year is unchanged under the proposed lease, which was based on the proposal and subsequent negotiations with YMCA. Under Section 23.30 of the Administrative Code, an appraisal of fair market rent is not required if rent is less than \$45 per square foot per year. The base rent is lower than fair market rent due to the sizable contribution required by the Tenant to occupy (not less than \$5.0 million) according to Port staff. The Port will provide monthly rent credits to offset the costs of operating and maintaining the public restrooms, as well as up to 14 months of rent abatement during the construction of tenant improvements, as the building is unusable until the improvements are complete. If the for-profit subtenants generate sufficient revenues, the Port will also receive a share of gross revenues (percentage rent). Key terms of the proposed amended and restated lease are provided in Exhibit 1 below.

**Exhibit 1: Key Terms of Proposed Amended and Restated Lease**

Premises	Building 49 including 6,817 rentable square feet (4,073 for YMCA community facility, 2,289 SF for aquatics center, and 455 square feet for food and beverage space)
Initial Term	11 Years, 2 months; The initial term expires 10 years after the rent commencement date. The Port will provide a maximum of 14 months of rent abatement during the construction of tenant improvements
Options to Extend	Four 5-Year options, followed by one 2-Year option and one 1-Year option to extend. The total possible lease term is 34 years and 2 months, which is 9 months shorter compared to the existing lease.
Required Tenant Improvements	Tenant is required to contribute at least \$5.0 million to the improvements of Building 49. Tenant is solely responsible for these improvements and costs and must complete the initial improvements within 24 months of final approval of the building permit for the initial improvements.
Seismic Improvements and Rent Credit	Eliminated from lease
Maintenance and Repair	Sole responsibility of the tenant
Initial Base Rent	\$92,809.80 annual (\$13.61/rentable square foot per year)
Base Rent Adjustments	3% annual increase during the initial term. Adjusted by average change in CPI during extension terms.
Percentage Rent	6% of gross revenues generated by each for-profit subtenant less the subtenant's share of the Base Rent, unless 6% of gross revenues falls below the subtenant's share of the Base Rent. The allocated share of initial base annual rent is \$35,022 for Dogpatch Paddle and \$16,244 for Daily Driver.
Construction Rent Abatement	Port will provide up to 14 months of rent abatement during the construction of the Tenant Improvements. If Dogpatch Paddle occupies a portion of the building prior to the rent commencement date, partial payment of rent will be due from the date of occupancy based on the subtenant's share of the Base Rent or a pro-rated amount if the subtenant can only occupy a portion of the sublease premises.
Public Restrooms Rent Credit	Tenant shall receive a \$2,000 reduction in base rent each month (\$24,000 annually) in exchange for operating and maintaining the public restrooms, subject to annual increases equal to the base rent adjustment. If the restrooms open before rent (including partial rent) is due, the rent credit will accumulate until rent is due and the credit has been applied in full. If the tenant does not open the restrooms by the required date, there will be no rent credit until the later of the rent commencement date or the date the restrooms open and the credit will be reduced by \$175 per day for each day after the required opening date until the restrooms are open, up to a maximum of \$6,000.

**FISCAL IMPACT**

Over the initial 10-year lease term, the Port expects to receive \$788,827 in rent from the YMCA SF, as shown in Exhibit 2 below. This reflects an increase of \$500,000 compared to anticipated revenues under the existing lease (\$288,827) due to the elimination of the seismic rent credit. However, YMCA SF will not be completing seismic improvements estimated to cost \$1.36 million when the existing lease was approved by the Board of Supervisors.

**Exhibit 2: Proposed Change in Rent Due to Port**

Lease Year	Annual Base Rent	Annual Restroom Credit	Rent Due to Port	Change Compared to Existing Lease from Elimination of Seismic Credit*

Source: Proposed Amended and Restated Lease

\* Under the existing lease, the tenant was not expected to pay rent to the Port until Year 7 of the lease due to application of the seismic rent credit.

Estimated rent of \$788,827 over the initial term does not include any percentage rent generated by gross revenues of for-profit subtenants, which would result in additional revenues to the Port if gross revenues sufficiently offset base rent allocated to each subtenant. According to Port staff, it is possible the Port could receive a percentage rent during the initial term, but it is difficult to estimate the amount at this time since the profits of the for-profit tenants are unknown.

*Additional Rent and Credits Prior to Rent Commencement Date*

If Dogpatch Paddle occupies the sublease premises prior to the rent commencement date, YMCA SF will pay the Port \$2,918 per month (the subtenants allocated share of initial base rent) or a pro-rated amount if the subtenant can only occupy a portion of the sublease premises. If the public restrooms are open by the required date, the tenant will receive a rent credit equal to \$2,000 per month. If Dogpatch Paddle occupies the sublease premises starting July 1, 2024 and the restrooms open to the public on the same date, the tenant will owe \$8,755 in base rent for the three-month period prior to rent commencement, less \$6,000 for the restroom rent credit, for a net amount of \$2,755.

**RECOMMENDATION**

Approve the proposed resolution.

If Port’s written confirmation is silent on whether Tenant may use the Interim Power Line, then it will be deemed as if the Interim Power Line is unavailable for Tenant’s use during the applicable Extension Term.</p> <p>If Port confirms, or is deemed to have confirmed, that the Interim Power Line is unavailable for Tenant’s use during the applicable Extension Term, then Tenant may revoke its Option Notice upon written notice to Port given within ninety (90) days after Port’s confirmation or deemed confirmation.</p> <p>If Port confirms that the Interim Power Line is available for Tenant’s use but only for a portion of the applicable Extension Term or such use is subject to a new limitation (e.g., available but at a lesser capacity), then Tenant may elect to revoke its Option Notice entirely or revoke and provide a modified Option Notice for an Extension Term that is only for the period of availability or only for such period of time as the Interim Power Line is available without being subject to the new limitation. Tenant shall provide such revocation (or revocation and modified Option Notice) within ninety (90) days after receipt of Port’s confirmation.</p>
<p><i>Rent During an Extension Term:</i></p>	<p>On the commencement date of an Extension Term (if any) and on each Anniversary Date of an Extension Term, Monthly Base Rent shall be increased by an amount equal to the product obtained by multiplying the average of any annual (over-the-year) changes in the CPI for the five (5) years immediately preceding the Option Notice Deadline by the Monthly Base Rent, but subject to a minimum for such average of one percent (1%) and maximum of such average of four percent (4%) (the “<b>Extension Term Annual Adjustment</b>”).</p> <p>For the final 2-year and 1-year options, the Extension Term Annual Adjustment will be calculated in the same manner and subject to the same minimum and maximum, except that the average of any changes in the CPI for the two years preceding the Option Notice Deadline will be used.</p> <p>For any Extension Term for which Tenant has given an Option Notice, no later than the date that is Two Hundred Seventy (270) days (or ninety (90) days in the case of the 2-year option and the 1-year option) prior to the commencement date of the relevant Extension Term, Tenant shall provide a calculation showing the applicable Extension Term Annual Adjustment and resulting Base Rent (including to the Monthly Base Rent Allocation for any Subtenants) and Restroom Rent Credit, for Port’s review and written confirmation, which Port will provide within thirty (30) days after receipt. Port will include in its written notice whether Tenant may access the Interim Power Line during the applicable Extension Term. If Port’s written notice is silent on whether Tenant may use the Interim Power Line, then it will be deemed as if the Interim Power Line is unavailable for Tenant’s use during the applicable Extension Term. Tenant shall have the right to revoke, or revoke,</p>

	<p>modify and re-submit, its Option Notice as set forth above in the “<b>Extension Option</b>” section of this Basic Lease Information.</p> <p>The parties agree that such calculation is a straightforward and objective process; however, if Port rejects Tenant’s calculation, then Port shall provide a written explanation of why it disagrees and shall provide its own calculation. The parties shall negotiate in good faith and use commercially reasonable efforts to reach agreement on the applicable Extension Term Annual Adjustment within sixty (60) days after the expiration of the 30-day period, including the schedule for Tenant to make payment of any amounts due or receive a credit for any overpayment.</p> <p>For illustrative purposes only:</p> <p>If the Rent Commencement Date is November 1, 2023, then the first Extension Term will commence on November 1, 2033 and the Option Notice Deadline is October 31, 2032 and Tenant will perform the calculations in the following manner and submit to Port no later than January 4, 2033.</p> <table data-bbox="544 793 1144 1165"> <tr> <td>October 2027 – October 2028:</td> <td>6.3%*</td> </tr> <tr> <td>October 2028 – October 2029:</td> <td>5.6%</td> </tr> <tr> <td>October 2029 – October 2030:</td> <td>6.4%</td> </tr> <tr> <td>October 2030 – October 2031:</td> <td>0.6%</td> </tr> <tr> <td><u>October 2031 – October 2032:</u></td> <td><u>3.8%</u></td> </tr> <tr> <td>Total:</td> <td>21.5%</td> </tr> <tr> <td>Annual Average:</td> <td>4.3%</td> </tr> <tr> <td>Extension Term Annual Adjustment:</td> <td>4.0% (capped)</td> </tr> </table> <p>*The percentage represents the annual (over-the-year) percentage change in the CPI measured based on the CPI publication date closest to the adjustment date. Tenant’s Completion of the Initial Improvements by the Initial Improvements Completion Date is material consideration for this Lease and Port would not have entered into this Lease absent such terms.</p> <p>Tenant understands and agrees that it will not receive or seek rent credits or other compensation or consideration for any improvements including without limitation the Initial Improvements and agrees that it will not seek additional term for the purpose of amortizing any improvements.</p>
<p><i>Park License:</i></p>	<p>In connection with this Lease, the parties are entering into a license agreement attached hereto as <b>Exhibit F</b> (the “<b>License</b>”).</p>
<p><i>Operations Plan:</i></p>	<p>All Permitted Uses must be performed in compliance with the attached Operations Plan (<b>Exhibit G</b>), as approved by the Port and amended from time to time as necessary. The Operations Plan is supplemental to the Lease; in the event of any conflict or inconsistency between the Lease and the Operations Plan, the Lease will control unless explicitly provided otherwise in this Lease. Tenant must prepare and maintain the Operations Plan to document procedures consistent with Laws, industry standards, best management practices and good housekeeping under this Lease and</p>

	<p>the License. The Operations Plan must address the following operations and components by Tenant and any Subtenants on or about the Premises or License Area as defined in the License (<i>Exhibit F</i>):</p> <ul style="list-style-type: none"> <li>(A) Hours of Operation, Security, Staffing and Safety Plan;</li> <li>(B) List of required and obtained Regulatory Approvals;</li> <li>(C) Fitness class and aquatic activities safety measures (e.g., participant safety gear; participant/instructor ratio; instructor qualifications);</li> <li>(D) Reporting Accidents;</li> <li>(E) Noise Control;</li> <li>(F) Equipment Washing Protocols</li> <li>(G) Park Usage Areas (including paths of travel for staff and patrons).</li> </ul> <p>Failure to comply with the Operations Plan after notice and an opportunity to cure as provided in <i>Section 26</i> is a material breach of this Lease. Port and Tenant may, from time to time, review the Operations Plan and make recommendations for revisions. All revisions to the Operations Plan, whether initiated by Port or Tenant, are subject to Port and Tenant approval, each in its reasonable discretion.</p>
<p><i>Obligations Regarding Public Restrooms:</i></p>	<p>Except as explicitly provided by this Section, all terms, conditions, obligations and liabilities of this Lease apply to the public restrooms (“<b>Restrooms</b>”). In addition, specifically, commencing on the date that is the earlier of (a) five (5) days after the date a Temporary Certificate of Occupancy for all or a portion of the Building is issued, or (b) July 1, 2024 (the “<b>Restroom Opening Date</b>”), Tenant must: (i) regularly clean, stock, and equip the Restrooms so that the Restrooms remain useable during their hours of operation; (ii) maintain clearly visible signage that the Restrooms are open to the public; (iii) ensure Restrooms are open from 9:00 a.m. – 6:00 p.m. Monday through Friday, 9:00 a.m. – 5:00 p.m. on weekends, and 9:00 a.m. – 2:00 p.m. on holidays (other than holidays when Tenant is not open at the Premises); (iv) provide Port with at least fifteen (15) days prior written notice of its intention to close the Restrooms to the public for any period longer than necessary to address any health or safety concerns or to perform routine maintenance and repair and obtain Port’s written consent to do so prior to closing the Restrooms. Subject to <i>Section 14.11</i>, Tenant may install signage in the Restrooms that Tenant considers necessary or appropriate to limit Tenant’s liability for their use.</p> <p>Tenant’s obligations with respect to the Restrooms are material and Port would not have entered into this Lease absent such terms.</p> <p>Provided Tenant opens the Restrooms on the Restroom Opening Date, and provided that Tenant complies with this section titled “Obligations Regarding Public Restrooms” in this Basic Lease Information and subject further to the terms and conditions of</p>

	<p><b>Section 5.11(a)</b>, starting on the Restroom Opening Date, Port will contribute financially to the cost of capital expenses and repairs for the Restrooms by providing a monthly rent credit of Two Thousand Dollars (\$2,000) against Base Rent, which amount shall be adjusted annually by the Annual Adjustment or the Extension Term Annual Adjustment as the case may be (“<b>Restroom Rent Credit</b>”). If the Restrooms are opened to the public on a date after the Restroom Opening Date, then the Restroom Rent Credit will be reduced as set forth below.</p> <p>If Rent (including Partial Base Rent) in the amount of the Restroom Rent Credit is not yet payable as of the Restroom Opening Date, then the Restroom Rent Credit shall accumulate, and Port shall apply such accumulated amount to each subsequent Rent payment until the accumulated amount has been applied in full (i.e., the amount of such accumulated Restroom Rent Credit shall be applied in full at once against any Rent then due and against any subsequent Rent amounts until fully exhausted).</p> <p>Notwithstanding any remedies that otherwise may be available to Port under this Lease, if Tenant does not open the Restrooms by the Restroom Opening Date, then (i) there will be no application of the Restroom Rent Credit until the later of the Rent Commencement Date or the date the Restrooms are open to the public, and (ii) the Restroom Rent Credit will be reduced by \$175.00 for each day after the Restroom Opening Date until the Restrooms are opened to the public (subject to temporary closures, as permitted under this Lease), up to a maximum reduction of \$6000.</p> <p>The Parties agree that the Restroom Rent Credit as established in this Lease is reasonable irrespective of whether Tenant’s costs increase or decrease over the Term.</p>
<p><i>Additional Prohibited Uses:</i></p>	<p>In addition to, and without limiting, the Prohibited Uses specified in <b>Section 10.2</b> below, the following are prohibited:</p> <ul style="list-style-type: none"> <li>(a) No discharges to the Bay;</li> <li>(b) Use of the Premises for operation of a night club, underage parties, raves, pay at the door events or other similar activities.</li> </ul> <p>Port shall have all remedies set forth in this Lease, and at law or equity in the event Tenant performs any of the Prohibited Uses.</p>
<p><i>Maintenance and Repair:</i></p>	<p>Tenant is solely responsible for maintenance and repair of the Premises including without limitation, the Building and all Building Systems including the structure, substructure, roof, core, shell, Utilities and other infrastructure, windows and interiors.</p> <p>Port will have no maintenance or repair obligations with respect to the Premises or the Interim Power Line.</p>

<p><i>Utilities; Services:</i></p>	<p>Port and Tenant acknowledge that as of the Effective Date, the electricity to the Premises is by means of a power line from outside the Premises (“<b>Interim Power Line</b>”). The location of the Interim Power Line is generally depicted on the attached <i>Exhibit A</i> and originates from areas outside the Premises and within Port’s jurisdiction. Tenant has been unable to determine the financial feasibility of designing and constructing a direct connection from the Premises to an electrical power distribution line (“<b>Direct Power Connection</b>”) for the Permitted Uses before the Effective Date.</p> <p>Subject to the terms and conditions set forth herein, without limiting Tenant’s obligations under <i>Section 15.1</i>, Port agrees that Tenant may connect to the Interim Power Line in order to connect to and receive electrical power supplied by the SFPUC (i) while Tenant diligently works to determine the financial feasibility of a Direct Power Connection, (ii) if applicable, if Tenant concludes the Direct Power Connection is financially feasible, during construction of the Direct Power Connection until it is able to receive SFPUC electrical power, and (iii) if applicable, after Tenant reasonably concludes that a Direct Power Connection is financially infeasible.</p> <p>If Tenant reasonably concludes that a Direct Power Connection is financially infeasible, Tenant will promptly provide notice of such conclusion to Port, along with evidence to support such conclusion. The Parties agree that it will be reasonable for Tenant to conclude that a Direct Power Connection is financially infeasible if the cost to Tenant of such connection exceeds \$150,000. Reasonable evidence supporting such cost calculation shall constitute sufficient evidence to support such conclusion. Tenant will cease use of the Interim Power Line once a Direct Power Connection is constructed and SFPUC electrical power flows through the Direct Power Connection to the Premises.</p> <p>Tenant must contract directly with SFPUC and install a separate meter or sub-meter for the actual supply and metering of all electrical power to and at the Premises. Port has no obligation to pay for or reimburse any party, for any electrical power (including any infrastructure) supplied to or used at the Premises.</p> <p>Tenant agrees and acknowledges that (i) if it elects to connect to the Interim Power Line, it will connect to the Interim Power Line in its as-is condition, (ii) the current as-is condition of the Interim Power Line is capable of carrying an adequate supply of electricity for the Permitted Use (“<b>Power Baseline</b>”), and (iii) Port has no obligation to maintain, repair, or replace the Interim Power Line at any time during the Term. Port has made no representation or warranty about the condition or life-span of the Interim Power Line, the feasibility of Tenant using the Interim Power Line for the Permitted Uses throughout the Term, or whether the Power Baseline is sufficient for the Permitted Uses.</p> <p>Notwithstanding the foregoing, during the period when there is no Direct Power Connection, if all of the Premises is without electrical power due solely to the inability of the Interim Power Line to carry electricity (as opposed to the SFPUC’s inability to supply</p>
------------------------------------	--

electricity) to the Premises in the amount of the Power Baseline, then Tenant will notify Port. If, within thirty (30) days after receipt by Port of such notice, Port has not restored or repaired the Interim Power Line such that it is once again capable of carrying electricity in the amount of the Power Baseline to the Premises, then, from and after such date, all of base Rent shall be abated until the date that is three (3) days after the date on which the Interim Power Line is once again capable of carrying the Power Baseline to the Premises provided Tenant also proportionately reduces the base rent for its Subtenants for the period of Tenant's Rent abatement. The Parties further acknowledge that any Rent abatement will have no effect on the application of the Restroom Rent Credit or any other rent credit.

If, notwithstanding the inability of the Interim Power Line to carry the Power Baseline, Tenant or any subtenants determine that they are able to use part of the Premises (e.g., by using mobile generators), then if the Power Baseline is not restored within thirty (30) days after receipt by Port of Tenant's notice that only a portion of the Power Baseline is being met, Port may, in its sole discretion provide a partial abatement of Rent based on the partial use of the Premises contemplated in the notice.

Provided Tenant has made the determination (and the Port has concurred) that the Direct Power Connection is financially infeasible in accordance with the foregoing provisions in this "Utilities; Services" section of the Basic Lease Information and Tenant has been using the Interim Power Line but the Interim Power Line has not been able to carry the Power Baseline, if Port is unable to complete the restoration or repair of the Interim Power Line sufficient to allow it to carry the Power Baseline within two hundred seventy (270) days after the date of the cessation, then Tenant may terminate the Lease without penalty by giving Port not less than ninety (90) days' prior written notice. Other than the Rent abatement and termination right without penalty permitted under this section of the Basic Lease Information, Tenant's release of Claims set forth in *Sections 22.4 and 22.5* includes the release of all Claims related to the inability of the Interim Power Line to carry the Power Baseline.

For the avoidance of doubt, Tenant shall not be entitled to any Rent abatement if the Interim Power Line ceases to carry electricity as a result of (a) a failure of equipment owned or leased by Tenant or SFPUC, (b) a failure by Tenant to pay SFPUC, (c) an outage at SFPUC, or (d) a SFPUC act, omission, negligence or failure.

Commencing on the Rent Commencement Date, as compensation to Port for Tenant's use of the Interim Power Line, Tenant will pay monthly to Port a "Capacity Charge" in the amount of One Thousand Three Hundred Sixty-Three and 40/100 Dollars (\$1,363.40)(which is equal to \$0.20 per rentable square foot of the Premises (6,817 x \$0.20 = \$1,363.40 per month)). Tenant will pay the Capacity Charge as and when Monthly Base Rent is due. On each Anniversary Date during the Initial Term, the Capacity Charge will increase annually by three percent (3%). On the commencement date of an Extension Term (if any) and on each

	<p>Anniversary Date of an Extension Term, the Capacity Charge will be increased by the same percentage as Monthly Base Rent is increased following calculation of the Extension Term Annual Adjustment.</p> <p>If at any time the Interim Power Line is no longer able to carry the Power Baseline to the Premises and such inability is not the result of (a) a failure of equipment owned or leased by Tenant or a failure by Tenant to pay SFPUC or (b) an outage at SFPUC, then the Capacity Charge shall be abated from and after such date until the date that is three (3) days after the date on which the Interim Power Line is once again capable of carrying the Power Baseline to the Premises (and provided that Tenant provides a similar abatement to any subtenants if applicable).</p> <p>At any time during the Term (including any Extension Term) on not less than thirty (30) days prior written notice, Tenant may terminate use of the Interim Power Line, whereupon Tenant shall cease using such connection and shall no longer be obligated to pay the Capacity Charge. If the date this Lease terminates or the day before the date Tenant no longer requires use of or has use of the Interim Power Line occurs on a date other than the last day of a calendar month, then any payment of the Capacity Charge shall be pro-rated based on the number of days in such month, and Port shall refund any overpayment to Tenant within thirty (30) days after the applicable date.</p> <p>Except as set forth above in this section of the BLI, Tenant’s sole responsibility, as further described in <b>Section 15</b>. Port makes no representation regarding the availability of existing or new Utilities or capacity for the use of the Premises. Port will cooperate with Tenant at no cost to Port to obtain necessary Utilities.</p>
<p><i>Development Project:</i></p>	<p>Events in the Park, including general public events, special events, activation, vending programs, and other uses, including potential future improvements to the Park; redevelopment of the Kneass Building.</p>
<p><i>Port’s Participation in Transfer Proceeds:</i></p>	<p>As detailed in <b>Sections 23.3</b> and <b>23.4</b>, Tenant and all subsequent assignees must pay to Port twelve percent (12%) of Tenant’s Net Sale Proceeds or Net Financing Proceeds from each Transfer concurrently with and as a condition to the Transfer closing (“<b>Transfer Participation Rent</b>”).</p>
<p><i>Facility Conditions Reports:</i></p>	<p>No later than the date that is six (6) months prior to the fifth (5<sup>th</sup>) Anniversary Date of this Lease and no later than the date that is six (6) months prior to the relevant expiration date during any Extension Term, Tenant, at its sole cost, shall assess the Building’s structural elements and key Building Systems (including without limitation, the roof, substructure, HVAC system, Restrooms and fire protection systems) and provide a report in a form acceptable to Port prepared by qualified, California registered structural engineer, including, at a minimum, the following: (i) a narrative description of the current conditions and expected useful life of each element; (ii) relevant photographs; (iii) a list of the immediate and longer term maintenance, repair and replacement needs and estimated cost</p>

	to address them; (iv) recommendations for further investigation by engineers or construction specialists; and (v) an explanation of cost estimating methodologies and assumptions (“ <b>Facility Conditions Report</b> ”). In addition, Tenant must provide a Facility Conditions Report as reasonably requested by Port as to any element of the Building or Building Systems.
<i>Construction Warranties:</i>	<p>Notwithstanding any other provision of this Lease, Tenant shall not take any action that might impair the construction and associated manufacturing warranties listed in <b>Schedule 5</b> (“<b>Construction Warranties</b>”) associated with Port’s recent construction work at the Building or Port’s ability to enforce the Construction Warranties, including without limitation, in performing Tenant’s maintenance and repair obligations under this Lease. Tenant represents and warrants to Port that Tenant has received and reviewed the Construction Warranties listed in <b>Schedule 5</b>.</p> <p>Port and Tenant agree to cooperate as needed in order to enforce the Construction Warranties. At Tenant’s request, Port will use commercially reasonable efforts to cause the applicable contractor or subcontractor to perform its obligations under the applicable Construction Warranty including assignment of the warranty to Tenant (if requested by Tenant and at Tenant’s sole cost and expense and by a commercially reasonable form of assignment and assumption agreement with respect to any such warranty(ies)).</p>
<i>California Environmental Quality Act; Mitigation Measures and Reporting Program (“MMRP”):</i>	In order to mitigate any potential significant environmental impacts, Tenant agrees that its development and operation will be in accordance with the MMRP attached as <b>Exhibit H</b> and fully incorporated herein. Tenant is responsible for implementation and compliance with all required measures relating to Tenant’s activities. As appropriate, in addition, Tenant will incorporate the MMRP into any contract for the development and/or operation of the Premises. Failure to comply with the requirements of the MMRP Section shall be a default of this Lease; provided that, for any requirement for which Port is the enforcing agency, Port will provide notice and an opportunity to cure as provided in <b>Section 26</b> .
<i>Diversity, Equity &amp; Inclusion Plan:</i>	Tenant on behalf of itself, its Subtenants and any Transferees, acknowledges the importance of furthering the values of diversity, equity, and inclusion. Tenant agrees to abide by the “ <b>DEI Plan</b> ” generally described in <b>Exhibit L</b> attached hereto, which may be reasonably amended, updated, and clarified by Tenant from time to time at its own initiative or at Port’s suggestion. Tenant will promptly provide Port with a copy of any amended DEI Plan.
<i>Prior Licenses:</i>	The Parties agree that as of the Commencement Date, License 16931, dated June 3, 2022 for reference purposes, and License 16906, dated April 27, 2022 for reference purposes (the “ <b>Prior Licenses</b> ”) between Tenant and Port expired by their terms. The Parties shall continue to be liable for any obligations under the Prior Licenses which have accrued prior to the date of termination

	and any obligations which by their terms survive the termination or expiration of the Prior Licenses.

### 3. PREMISES; AS-IS CONDITION.

**3.1. Premises.** Subject to the provisions of this Lease, Port hereby leases to Tenant, and Tenant hereby leases from Port, the Premises identified in the Basic Lease Information. The Premises has the address and contains the square footage specified in the Basic Lease Information. The location and dimensions of the Premises are depicted on *Exhibit A* attached hereto and incorporated herein by reference. Port and Tenant agree and acknowledge that any statement of rentable or usable (if applicable) square footage set forth in this Lease is an approximation which Port and Tenant agree is reasonable and that the usable square footage of the Premises may be less than the rentable square footage of the Premises.

### **3.2. Accessibility Inspection Disclosure.**

California law requires commercial landlords to disclose to tenants whether the property being leased has undergone inspection by a Certified Access Specialist (“CASp”) to determine whether the property meets all applicable construction-related accessibility requirements. The law does not require landlords to have the inspections performed. Tenant is hereby advised that the Premises has not been inspected by a CASp and Port shall have no liability or responsibility to make any repairs or modifications to the Premises in order to comply with accessibility standards. The following disclosure is required by law:

“A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises.”

**3.3. San Francisco Disability Access Disclosures.** Tenant is hereby advised that the Premises may not currently meet all applicable construction-related accessibility standards, including standards for public restrooms and ground floor entrances and exits. Tenant understands and agrees that Tenant may be subject to legal and financial liabilities if the Premises does not comply with applicable federal and state disability access Laws. As further set forth in **Section 11** (Compliance with Laws), Tenant further understands and agrees that it is Tenant’s obligation, at no cost to Port, to cause the Premises, and Tenant’s use thereof to be conducted in compliance with the Disability Laws and any other federal or state disability access Laws. Tenant shall notify Port if it is making any Alterations or Improvements to the Premises that might impact accessibility standards required under federal and state disability access Laws.

### **3.4. No Right to Encroach.**

(a) If Tenant (including, its Agents, Invitees, successors and assigns) uses or occupies space outside the Premises other than use in a manner allowable by the general public in a public space without the prior written consent of Port (the “**Encroachment Area**”), then upon written notice from Port (“**Notice to Vacate**”), Tenant shall immediately vacate such Encroachment Area and pay as Additional Rent for each day Tenant used, occupied, uses or occupies such Encroachment Area, an amount equal to the rentable square footage of the Encroachment Area, multiplied by the higher of the (i) highest rental rate then approved by the San Francisco Port Commission for the Premises, or (ii) then current fair market rent for such Encroachment Area, as reasonably determined by Port (the “**Encroachment Area Charge**”). If Tenant uses or occupies such Encroachment Area for a fractional month, then the Encroachment Area Charge for such period shall be prorated based on a thirty (30) day month. In no event shall acceptance by Port of the Encroachment Area Charge be deemed a consent by Port to the use or occupancy of the Encroachment Area by Tenant, its Agents, Invitees, successors or assigns, or a waiver (or be deemed as a waiver) by Port of any and all other rights and remedies of Port under this Lease (including Tenant’s obligation to Indemnify Port as set forth in **Section 3.4(c)**), at law or in equity.

(b) In addition, Tenant shall pay to Port, as Additional Rent, an amount equaling Two Hundred Dollars (\$200.00) upon delivery of the initial Notice to Vacate plus the actual cost associated with a survey of the Encroachment Area. In the event Port determines during subsequent inspection(s) that Tenant has failed to vacate the Encroachment Area, then Tenant shall pay to Port, as Additional Rent, an amount equaling Three Hundred Dollars (\$300.00) for each additional Notice to Vacate, if applicable, delivered by Port to Tenant following each inspection. The parties agree that the charges associated with each inspection of the

Encroachment Area, delivery of each Notice to Vacate and survey of the Encroachment Area represent a fair and reasonable estimate of the administrative cost and expense which Port will incur by reason of Port's inspection of the Premises, issuance of each Notice to Vacate and survey of the Encroachment Area. Tenant's failure to comply with the applicable Notice to Vacate and Port's right to impose the foregoing charges shall be in addition to and not in lieu of any and all other rights and remedies of Port under this Lease, at law or in equity.

(c) In addition to Port's rights and remedies under this Section, the terms and conditions of the indemnity and exculpation provision set forth in **Section 22** (Indemnity and Exculpation) shall also apply to Tenant's (including, its Agents, Invitees, successors and assigns) use and occupancy of the Encroachment Area as if the Premises originally included the Encroachment Area, and Tenant shall additionally Indemnify Port from and against any and all loss or liability resulting from delay by Tenant in surrendering the Encroachment Area including, without limitation, any loss or liability resulting from any Claims against Port made by any tenant or prospective tenant founded on or resulting from such delay and losses to Port due to lost opportunities to lease any portion of the Encroachment Area to any such tenant or prospective tenant, together with, in each case, actual attorneys' fees and costs.

(d) All amounts set forth in this Section shall be due within three (3) business days following the applicable Notice to Vacate and/or separate invoice relating to the actual cost associated with a survey of the Encroachment Area. By signing this Lease, each party specifically confirms the accuracy of the statements made in this Section and the reasonableness of the amount of the charges described in this Section.

**3.5. Proximity of Development Project.** Tenant acknowledges that during the Term, a Port program or project and/or the Development Project(s) described in the Basic Lease Information, if any, is scheduled to be, or may be, conducted in the vicinity of the Premises. Tenant is aware that such project(s) and the activities associated with such projects will generate certain adverse impacts which may result in some inconvenience to or disturbance of Tenant. Impacts may include, but are not limited to, increased vehicle and truck traffic, traffic delays and re-routing, loss of street and public parking, dust, dirt, construction noise and visual obstructions. Tenant hereby waives any and all Claims against Port, City and their Agents arising out of such inconvenience or disturbance. To the extent a Port program or project or Development Project is undertaken by Port, Port shall use commercially reasonable efforts to conduct any of the foregoing activities in a manner that, to the extent reasonably practicable, will minimize inconvenience or disturbance to Tenant, but Port will have no obligation to minimize inconvenience or disturbance to Tenant if a Port program or project Development Project is necessary, in Port's sole and absolute discretion, to maintain Port property in a safe, hazard-free condition.

**3.6. No Light, Air or View Easement.** This Lease does not include an air, light, or view easement. Any diminution or shutting off of light, air or view by any structure which may be erected on lands near or adjacent to the Premises or by any vessels berthed near the Premises shall in no way affect this Lease or impose any liability on Port, entitle Tenant to any reduction of Base Rent or Additional Rent, or affect this Lease in any way or Tenant's obligations hereunder.

**3.7. Unique Nature of Premises.** Tenant acknowledges that: (a) the Premises is located along the waterfront; (b) Port's regular maintenance may involve activities, such as pile driving, that create noise and other effects not normally encountered in locations elsewhere in San Francisco due to the waterfront location of the Premises; and (c) there is a risk that all or a portion of the Premises will be inundated with water due to floods or sea level rise.

**3.8. As-Is Condition.** Tenant acknowledges and agrees that Tenant is familiar with the Premises, the Premises is being leased and accepted in their "as-is" condition, without any improvements or alterations by Port, without representation or warranty of any kind, and subject to all applicable Laws governing their use, occupancy and possession. Tenant represents and

warrants to Port that Tenant has received and reviewed the FEMA disclosure notice attached as *Schedule 2* and a copy of the report(s), if any, relating to the substructure and/or structure of the Building, as further described in *Schedule 3* attached hereto. Tenant further represents and warrants to Port that Tenant has investigated and inspected, either independently or through agents of Tenant's own choosing, the condition of the Premises and the suitability of the Premises for Tenant's business and intended use. Tenant acknowledges and agrees that neither Port nor any of its agents have made, and Port hereby disclaims, any representations or warranties, express or implied, concerning the rentable area of the Premises, the physical or environmental condition of the Premises, the present or future suitability of the Premises for Tenant's business, or any other matter whatsoever relating to the Premises, including, without limitation, any implied warranties of merchantability or fitness for a particular purpose.

**3.9. Release and Waiver.** As part of its agreement to accept the Premises in their "As Is With All Faults" condition, Tenant, on behalf of itself and its successors and assigns, will be deemed to waive any right to recover from, and forever release, acquit and discharge, Port and the other Indemnified Parties of and from any and all Claims, whether direct or indirect, known or unknown, foreseen or unforeseen, that Tenant may now have or that may arise on account of or in any way be connected with (i) the physical, geotechnical or environmental condition in, on, under, above, or about the Premises, including any Hazardous Materials in, on, under, above or about the Premises (including soil and groundwater conditions), (ii) the suitability of the Premises for the development of the Improvements and the Permitted Uses, (iii) any Laws applicable thereto, including Environmental Laws as of the Effective Date, (iv) damages by death of or injury to any Person, or to property of any kind whatsoever and to whomever belonging, and (v) goodwill, or business opportunities arising at any time and from any cause in, on, around, under, and pertaining to the Premises, including all claims arising from the joint, concurrent, active or passive negligence of any of Indemnified Parties, but excluding any intentionally harmful acts committed solely by Port or City.

**3.10. Port's Rights Regarding Premises.** Port shall have the full right and authority to make, revoke, impose, and amend any Rules and Regulations pertaining to and reasonably necessary for the proper use, operation and maintenance of the Premises and Tenant agrees to be bound by any such Rules and Regulations upon prior written notice by Port. Tenant also acknowledges that Port's exercise of any of its rights regarding the Premises and other Port property in the vicinity of the Premises will not entitle Tenant to any abatement or diminution of Rent.

#### **4. TERM.**

**4.1. Term.** The Term of this Lease includes the Construction Term, Initial Term and any Extension Term as defined in this Lease.

**4.2. Delivery.** If Port is unable to deliver possession of the Premises to Tenant on or before the Commencement Date, then the validity of this Lease shall not be affected thereby and Port shall not be liable to Tenant for any Claims resulting therefrom, and Tenant waives all provisions of any Laws to the contrary. In such case, the Term and regular payments of Rent shall not commence until Port delivers possession of the Premises. Notwithstanding anything to the contrary above, if Port's inability to deliver possession of the Premises on the estimated Commencement Date results from Tenant's or its Agents' acts or omissions, then Base Rent and Additional Rent payable by Tenant hereunder shall commence on the date when Port would have delivered possession of the Premises but for such acts or omissions.

**4.3. Waiver of Relocation Benefits.** To the extent allowed by applicable Law, Tenant hereby waives any and all rights, benefits or privileges of the California Relocation Assistance Law, California Government Code §§ 7260 et seq., or under any similar law, statute or ordinance now or hereafter in effect, except as specifically provided in this Lease.

## 5. RENT.

Tenant shall pay to Port, in the manner herein described, the following Rent:

**5.1. Base Rent; Annual Base Rent Adjustment.** Throughout the Initial Term and any Extension Term, Tenant shall pay to Port the Base Rent set forth in the Basic Lease Information. Base Rent shall not be reduced due to subtenant vacancies. Tenant shall make the first payment of Base Rent from no later than the Rent Commencement Date and thereafter shall pay the Base Rent, in advance, on or before the first day of each calendar month throughout the Initial Term and during any Extension Term. If the Expiration Date is other than the last day of the month, the Base Rent for that month shall be apportioned based on a thirty (30) day month.

**5.2. Percentage Rent.** As described in the Basic Lease Information and subject to Port's consent to each Sublease as required in **Section 23.5**, Tenant agrees to pay to Port, in addition to the monthly Base Rent payable by Tenant pursuant to **Section 5.1**, a monthly Percentage Rent in the amount described in the Basic Lease Information in the following manner:

(a) Percentage Rent shall be calculated monthly and shall be paid by Tenant quarterly for each Lease Quarter within thirty (30) days after the end of the prior Lease Quarter, except that in the event this Lease expires or terminates on a day other than the last day of a Lease Quarter, Percentage Rent for such Lease Quarter shall be paid within thirty (30) days after such expiration or termination date. On the date Percentage Rent is determined and due, Tenant shall furnish a complete statement (the "**Quarterly Percentage Rent Statement**") in a form approved by Port. In addition, Tenant shall furnish to Port, within sixty (60) days after the expiration of each applicable Subtenant's fiscal year as stated in the relevant Sublease, a complete statement, showing the computation of the Percentage Rent for the immediately preceding Lease Year ("**Annual Statement**") in a form approved by Port. The Annual Statement is for verification and certification of Quarterly Percentage Rent Statements only and shall not result in any averaging of monthly Percentage Rent. Each Quarterly Percentage Rent Statement and Annual Statement shall set forth in reasonable detail Gross Revenues for such immediately preceding Lease Quarter or Lease Year, as applicable, including an itemized list of any and all deductions or exclusions from Gross Revenues that Tenant may claim and which are expressly permitted under this Lease, and a computation of the Percentage Rent for the immediately preceding Lease Quarter or Lease Year, as applicable.

(b) Each Quarterly Percentage Rent Statement and Annual Statement shall be Certified. Tenant must submit payment of the balance owing together with any Annual Statement showing that Tenant has underpaid Percentage Rent. At Port's option, overpayments may be refunded to Tenant, applied to any other amount then due under the Lease and unpaid, or applied to Rent due at the first opportunity following Tenant's delivery of any Annual Statement showing an overpayment.

(c) If Tenant fails to (i) pay the Percentage Rent on the date due as provided above; (ii) submit the Quarterly Percentage Rent Statement therewith (even if the statement indicates that Percentage Rent is not due); or (iii) fails to submit the Annual Statement, such failure in each instance shall be subject to a Late Charge. Tenant shall also pay any costs including attorneys' fees reasonably incurred by Port by reason of such failure. Additionally, if Tenant fails to deliver any Quarterly Percentage Rent Statement or Annual Statement within the time period set forth in this **Section 5.2** (irrespective of whether any Percentage Rent is actually paid or due to Port) and such failure continues for thirty (30) days after the date Tenant receives (or refuses receipt of) written notice of such failure from Port, Port shall have the right, among its other remedies under this Lease, to employ a CPA to make such examination of Tenant's Books and Records (and the Books and Records of any other occupant of the Premises) as may be necessary to certify the amount of Percentage Rent due under this Lease for the period in question and the certification so made shall be binding upon Tenant and Tenant shall promptly pay to Port the total reasonable cost of the examination, together with the full amount of

Percentage Rent due and payable for the period in question, including any Late Charge. Tenant acknowledges that late submittal of the Quarterly Percentage Rent and Annual Statements and late payment of Percentage Rent will cause Port increased costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. The parties agree that the charges set forth in this Section represent a fair and reasonable estimate of the cost that Port will incur by reason of Tenant's lateness.

(d) Acceptance by Port of any monies paid to Port by Tenant as Percentage Rent as shown by any Quarterly Percentage Rent Statement or Annual Statement, shall not be an admission of the accuracy of said Quarterly Percentage Rent Statement or Annual Statement or the amount of such Percentage Rent payment.

(e) Tenant agrees to submit Quarterly Percentage Rent Statements on a monthly basis if requested by Port with no less than twelve (12) months prior written notice, in which case, all references in this Lease to Quarterly Percentage Rent Statements will be changed to "Monthly Percentage Rent Statements" and all requirements pertaining to Quarterly Percentage Rent Statements shall apply to Monthly Percentage Rent Statements.

**5.3. Participation Rent.** As described in the Basic Lease Information and subject to Port's consent to each Sublease as required in *Section 23.5*, Tenant agrees to pay to Port, in addition to the monthly Base Rent payable by Tenant pursuant to *Section 5.1*, and the Percentage Rent pursuant to *Section 5.2*, Tenant agrees to pay to Port immediately upon receipt all Participation Rent, less Subletting Expenses in the amounts and manner approved by Port in its reasonable discretion, as Additional Rent.

**5.4. Books and Records.** Tenant agrees that the business of Subtenants upon the Premises shall be operated with a non-resettable register and so that a duplicate dated sales slip or such other recording method reasonably acceptable to Port shall be issued with each sale, whether for cash, credit or exchange. Furthermore, Tenant shall keep (and shall cause its Subtenants and assignees to keep) at the Premises or at a convenient location in San Francisco at all times during the Term complete and accurate Books and Records that contain all information required to permit Port to verify Gross Revenues and deductions and exclusions therefrom that are in accordance with this Lease and with generally accepted accounting practices consistently applied with respect to all operations of the business to be conducted in or from the Premises and shall retain such Books and Records until the later of (i) four (4) years after the end of each Lease Year to which such Books and Records apply or, (ii) if an audit is commenced or if a controversy should arise between the parties hereto regarding the Percentage Rent payable hereunder, until such audit or controversy is concluded even if such audit period extends beyond the expiration or earlier termination of the Lease (the "**Audit Period**").

**5.5. Audit.**

(a) Tenant on its own behalf and on behalf of its Subtenants agrees to make all Books and Records available to Port, or to any City auditor, or to any auditor or representative designated by Port or City (hereinafter collectively referred to as "**Port Representative**"), upon no less than thirty (30) business days prior written notice to Tenant, for the purpose of examining said Books and Records to determine the accuracy of Tenant's reporting of Percentage Rent for a period not to exceed the Audit Period after a Percentage Statement is delivered to the Port. Tenant shall cooperate with the Port Representative during the course of any audit, provided however, such audit shall occur at Tenant's business office, or at such other location in San Francisco where the Books and Records are kept, and no books or records shall be removed by Port Representative without the prior express written consent of Tenant (provided, however, copies may be made by the Port Representative on site), and once commenced, with Tenant's cooperation, such audit shall be diligently pursued to completion by Port within a reasonable time of its commencement, provided that Tenant makes available to the Port Representative all the relevant Books and Records in a timely manner. If an audit is made of Tenant's Books and Records and Port claims that errors or omissions have occurred, the

Books and Records shall be retained by Tenant and made available to the Port Representative until those matters are expeditiously resolved with Tenant's cooperation. If Tenant operates the Premises through one or more Subtenants or Agents (other than Port), Tenant shall require each such Subtenant or Agent to provide the Port with the foregoing audit right with respect to its Books and Records. Upon completion of the audit, Port shall promptly deliver a copy of the audit report to Tenant.

(b) If an audit reveals that Tenant has understated Gross Revenues for said audit period, Tenant shall pay Port, promptly upon demand, the difference between the amount Tenant has paid and the amount it should have paid to Port, plus interest at the Interest Rate from the date of the error in the payment. If an audit reveals that Tenant has overstated Gross Revenues for said audit period, Tenant shall be entitled to a credit against rent for either Base Rent or Percentage Rent next owed equal to the difference between the amount Tenant has paid and the amount it should have paid to Port. If Tenant understates Gross Revenues for any audit period by three percent (3%) or more (subject to a minimum understatement of five thousand dollars (\$5,000), increased annually by three percent (3%)), Tenant shall pay the cost of the audit. A second understatement within any three (3) Lease Year period of the first such understatement shall be considered an Event of Default.

**5.6. *Default Interest.*** Any Rent, if not paid within five (5) days following the due date and any other payment due under this Lease not paid by the applicable due date, shall bear interest from the due date until paid at the Interest Rate. However, interest shall not be payable on Late Charges incurred by Tenant nor on other amounts to the extent this interest would cause the total interest to be in excess of that which an individual is lawfully permitted to charge. Payment of interest shall not excuse or cure any default by Tenant. Tenant shall also pay any costs, including attorneys' fees incurred by Port by reason of Tenant's failure to pay Rent or other amounts when due under this Lease.

**5.7. *Late Charges/Habitual Late Payer.*** Tenant acknowledges that late payment by Tenant to Port of Rent or other sums due under this Lease will cause Port increased costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Accordingly, if Tenant fails to pay Rent on the date due, such failure shall be subject to a Late Charge at Port's discretion; provided that such Late Charge shall be imposed with respect to the first two (2) occurrences of such a delinquency in any twelve (12)-month period only if Tenant fails to cure such delinquency within five (5) days after written notice from Landlord thereof. Tenant shall also pay any costs including attorneys' fees incurred by Port by reason of Tenant's failure to timely pay Rent. Additionally, in the event Tenant is notified by Port that Tenant is considered to be a Habitual Late Payer, Tenant shall pay, as Additional Rent, an amount equal to Fifty Dollars (\$50.00) (as such amount may be adjusted from time to time by the Port Commission) upon written notification from Port of Tenant's Habitual Late Payer status. The parties agree that the charges set forth in this Section represent a fair and reasonable estimate of the cost that Port will incur by reason of any late payment. Such charges may be assessed without notice and cure periods and regardless of whether such late payment results in an Event of Default. Payment of the amounts under this Section shall not excuse or cure any default by Tenant.

**5.8. *Returned Checks.*** If any check for a payment for any Lease obligation is returned without payment for any reason, Tenant shall pay, as Additional Rent, an amount equal to Fifty Dollars (\$50.00) (as such amount may be adjusted from time to time by the Port Commission) and the outstanding payment shall be subject to a Late Charge as well as interest at the Interest Rate.

**5.9. *Net Lease.*** It is the purpose of this Lease and intent of Port and Tenant that all Rent shall be absolutely net to Port, so that this Lease shall yield to Port the full amount of the Rent at all times during the Term, without deduction, abatement or offset. Except as otherwise expressly set forth in this Lease, under no circumstances, whether now existing or hereafter

arising, and whether or not beyond the present contemplation of the Parties shall Port be expected or required to incur any expense or make any payment of any kind with respect to this Lease or Tenant's use or occupancy of the Premises, including any Improvements. Without limiting the foregoing, but except as expressly provided to the contrary in this Lease, Tenant shall be solely responsible for paying each item of cost or expense of every kind and nature whatsoever, the payment of which Port would otherwise be or become liable by reason of Port's estate or interests in the Premises and any Improvements, any rights or interests of Port in or under this Lease, or the ownership, leasing, operation, management, maintenance, repair, rebuilding, remodeling, renovation, use or occupancy of the Premises, any Improvements, or any portion thereof. No occurrence or situation arising during the Term, nor any present or future Law, whether foreseen or unforeseen, and however extraordinary, shall relieve Tenant from its liability to pay all of the sums required by any of the provisions of this Lease, or shall otherwise relieve Tenant from any of its obligations under this Lease, or shall give Tenant any right to terminate this Lease in whole or in part, except as otherwise expressly provided in this Lease. Tenant waives any rights now or hereafter conferred upon it by any existing or future Law to terminate this Lease or to receive any abatement, diminution, reduction or suspension of payment of such sums, on account of any such occurrence or situation, provided that such waiver shall not affect or impair any right or remedy expressly provided Tenant under this Lease.

**5.10. Additional Charges.** Without limiting Port's other rights and remedies set forth in this Lease, at law or in equity, in the event Tenant fails to submit to the appropriate party, on a timely basis, the items identified in *Sections: 15* (Utilities), *18.3* (Tenant's Environmental Condition Notification Requirements), *18.8* (Storm Water Pollution Prevention), *34.1(d)* (CMD Form), and *38* (Estoppel Certificate) or to provide evidence of the required insurance coverage described in *Section 19 below*, then within twenty (20) days after written notice from Port of such failure, Tenant shall pay, as Additional Rent, an amount equaling One Hundred Dollars (\$100.00). In the event Tenant fails to provide the necessary document within the time period set forth in the initial notice (which shall not be less than fifteen (15) days under this Lease) and Port delivers to Tenant additional written notice requesting such document, then Tenant shall pay to Port, as Additional Rent, an amount equaling One Hundred Fifty Dollars (\$150.00) for each additional written notice Port delivers to Tenant requesting such document. The parties agree that the charges set forth in this *Section 5.10* represent a fair and reasonable estimate of the administrative cost and expense which Port will incur by reason of Tenant's failure to provide the documents identified in this *Section 5.10* and that Port's right to impose the foregoing charges shall be in addition to and not in lieu of any and all other rights under this Lease, at law or in equity. By signing this Lease, each party specifically confirms the accuracy of the statements made in this *Section 5.10* and the reasonableness of the amount of the charges described in this *Section 5.10*.

**5.11. Rent Credits.**

**(a) Conditions for All Rent Credits.**

**(i)** Tenant agrees and acknowledges that any right or claim Tenant may have to any rent credit that has not yet been actually applied against Rent shall, upon the earlier to occur of (i) Tenant's failure to submit to Port within ninety (90) days adequate evidence of expenditures (if submission is required under this Lease); or (ii) the expiration or earlier termination of this Lease, be immediately terminated, without notice, and Port shall have no liability or obligation to pay or credit Tenant all or any portion of the unused rent credit.

**(ii)** Rent credits cannot be applied retroactively.

**(iii)** Notwithstanding anything to the contrary contained herein, in no event shall Tenant receive any rent credit during any existing Event of Default. Upon the occurrence of an Event of Default during the period Tenant is eligible for rent credits, Tenant's right to receive any rent credit shall cease and shall not be reinstated until the Event of Default is cured. If an Event of Default occurs on a day other than the first day of the calendar month or an

Event of Default is cured on a day other than the last day of the calendar month, Base Rent due to Port shall be apportioned based on a thirty (30) day month. In no event shall the cessation in the application of any rent credit extend the rent credit period or amount.

## 6. TENANT'S MANAGEMENT AND OPERATING COVENANTS.

**6.1. *Operating Standards/Covenants.*** Tenant will maintain and operate the Premises, or cause the Premises to be maintained and operated, in a manner consistent with (i) the maintenance and operation of other YMCA of San Francisco locations in San Francisco, California or, if YMCA of San Francisco is no longer the Tenant, then consistent with the maintenance and operation of similar fitness facilities in San Francisco and (ii) with respect to all other uses, consistent with the maintenance and operation of a similar first-class development of the same or similar use located in the Dogpatch neighborhood of San Francisco, and in, in all cases, in accordance with this Lease. Tenant is exclusively responsible, at no cost to Port, for the management and operation of the Premises. In connection with managing and operating the Premises, Tenant will provide (or require Subtenants or others to provide), services as necessary and appropriate for the use of the Improvements, including (a) repair and maintenance of the Improvements, as more fully described in **Section 13**; (b) utility and telecommunications (including internet/Wi-Fi) services; and (c) cleaning, janitorial, pest extermination, recycling, composting, and trash and garbage removal.

**6.2. *Continuous Operations.*** Tenant shall use commercially reasonable efforts to ensure that all of the Premises are used continuously during the opening hours set forth in this Lease including in the Operations Plan and shall not allow any portion of the Premises to remain unoccupied or unused without the prior written consent of Port, which consent may be withheld in Port's reasonable discretion. Notwithstanding the foregoing, the Port shall not withhold its consent to any cessation of operations of any portion of the Premises for any reasonably necessary time period due to the following causes or in the following circumstances: (a) if the Premises or a portion thereof becomes untenable due to fire or other Casualty, (b) as may be necessary in connection with performing Improvements, Alterations or major maintenance activities that materially impact the ability to use the Premises or a portion thereof, (c) while conducting periodic inventory of Tenant's goods and merchandise, or (d) during re-subtenanting. Notwithstanding anything to the contrary, the Restrooms shall remain open on the terms and conditions stated in the Basic Lease Information at any time that Tenant is operating at the Premises.

**6.3. *Subleasing Program.*** Consistent with the purpose of this Lease to support maritime recreation and promote public access to the Bay and shoreline, Tenant will make every reasonable effort to obtain and retain desirable Subtenants that are consistent with the tidelands public trust for commerce, navigation and fisheries, including the statutory trust imposed by the Burton Act as set forth in the Burton Act ("**Public Trust**"). In the event of vacant subleasable space, Tenant shall first market to Public Trust-consistent users offering similar retail goods and services as the original Subtenants (i.e. aquatics center; food and beverage). Nothing in this section is intended to require Tenant to enter into any Sublease that represents a below market rate or that will materially reduce the economic return to Tenant from the Sublease or require Tenant to enter into an agreement with someone that is not otherwise qualified. Tenant agrees to meet with Port from time to time, and, to consider in good faith whether to implement such steps as the Port may recommend to increase usage for Public Trust-related uses. In the event of any subtenant vacancies, Tenant will provide Port with quarterly reports on the status of its subleasing efforts (the "**Leasing Activity Report**") and maintain accurate records as to space leased, optioned, and available to lease to ensure the best placement of tenants taking into consideration options to extend and to expand. The Leasing Activity Report is due by the twentieth (20<sup>th</sup>) day of each Lease Quarter for the immediately preceding quarter and will be submitted concurrently with the applicable Quarterly Percentage Rent Statement.

**6.4. Restaurant/Retail Businesses Open to the General Public.** Any restaurant and/or retail operation (other than trade-only showrooms) on the Premises must be open to the general public and operated in a manner consistent with *Section 6.1* and *Section 10* and the Operations Plan.

**6.5. Flags.** Throughout the Term, a Port flag will fly on the Building. At Port's sole cost, Port will provide the Port flag to Tenant and will promptly replace worn Port flags. Tenant will promptly, at no charge, install, raise, lower, and remove Port flags at Port's request. The dimensions of Port flags will be similar to the dimensions of Port flags flown on the roofs of Port buildings. Tenant also may fly other flags on the Building, provided that such other flags, other than the flags of the United States and the State of California, must be placed beneath the Port flag and Port must first reasonably approve the dimensions, color, text, design, and materials for each flag. If Port determines that Tenant's response to Port's request to raise or lower Port flags is inadequate, then at Port's election, Port may exercise its rights to access the Flagpoles as further described in *Section 29*.

If Port does not provide a replacement flag to replace a worn Port flag, then Tenant shall provide Port with notice requesting that a replacement flag be provided ("**Replacement Notice**"). If Port reasonably believes the flag in question is not worn sufficiently enough to warrant its replacement, Port shall notify Tenant within five (5) days following receipt of the Replacement Notice, and such flag shall remain in place and not be replaced. If Port has not timely notified Tenant that Port disputes the need to replace the flag and if Port does not provide Tenant with a replacement flag within thirty (30) days following the Replacement Notice, then Tenant shall deliver to Port a second notice, which notice shall include a statement in bold, all caps, and underlined that if Port does not provide Tenant with a replacement flag within ten (10) days of such second notice, then Tenant shall have the right to remove the worn flag. If Port does not provide Tenant with a replacement flag within five (5) days of such second notice, then Tenant shall have the right to remove the worn flag; provided, however, if Port notifies Tenant that Port cannot provide Tenant with a replacement flag due to unavailability of a replacement flag, Tenant shall not remove the worn flag until Port is able to obtain a replacement flag, but in no event shall Tenant be obligated to fly a worn flag more than sixty (60) days from delivery of the first Replacement Notice from Tenant.

**6.6. Exterior Improvements.** Tenant will not install any Exterior Improvements without Port's prior consent. Tenant will provide to Port the size, height, design, color, dimensions, text (if any), materials, location, and method of installation of the Exterior Improvements to enable Port to evaluate the proposed Exterior Improvement. Within thirty (30) days following Port's receipt of the proposed Exterior Improvement, Port will notify Tenant if Port requires the proposed Exterior Improvement to be reviewed by the WDAC or another Port advisory body, in Port's sole discretion, and Tenant will incorporate Port's requested changes, if any, into the proposed Exterior Improvement so long as such changes do not materially increase Tenant's cost or materially delay installation of the proposed Exterior Improvement. Construction of the Exterior Improvements will be in accordance with *Section 14*.

## 7. EXTENSION OPTIONS.

**7.1. Options to Extend Term.** Provided that (i) Tenant has invested a minimum of \$5,000,000 in the Initial Improvements by the Initial Improvements Completion Date (as may be extended as provided in the Work Letter) as set forth in a summary that Tenant provides to Port of the amounts Tenant has spent, along with reasonably satisfactory evidence of Tenant's payment of such amounts) and (ii) Tenant provides a timely Option Notice, Tenant shall have the Extension Options described in the Basic Lease Information. Any Option Notice by Tenant shall be irrevocable by Tenant. The lease for an Extension Term shall cover the entire Premises and shall be upon all of the terms, covenants and conditions of this Lease, except that the Expiration Date shall mean the last day of the Extension Term.

If any Event of Default by Tenant is outstanding either at the time of Tenant's Option Notice or at any time prior to the first day of an Extension Term and remains uncured after notice and the expiration of all applicable cure periods, then Port may elect by written notice to Tenant to reject Tenant's exercise of the Extension Option, whereupon the Extension Option shall be null and void. If Tenant fails to exercise any Extension Option or Port rejects Tenant's exercise of any Extension Option in accordance with this Section, then all successive Extension Options shall be null and void and this Lease will terminate as of the original or relevant Expiration Date. The Parties acknowledge and agree that the prerequisite conditions to Tenant's extension option right set forth for in this Section are a material part of the bargained-for consideration under this Lease.

**7.2. *Rent During Extension Term(s).*** During any Extension Term, Tenant shall pay to Port the Base Rent set forth in the Basic Lease Information as adjusted on each Extension Term Anniversary Date by the Extension Term Annual Adjustment as provided in the Basic Lease Information. Percentage Rent, Participation Rent and Transfer Participation Rent will remain the same during any Extension Term.

**7.3. *Other Terms.*** The lease for an Extension Term shall cover the entire Premises and shall be upon all of the terms, covenants and conditions of this Lease, except that the Expiration Date shall mean the last day of the Extension Term.

## **8. TAXES AND ASSESSMENTS.**

**8.1. *Payment of Taxes.*** During the Term, Tenant agrees to pay, when due, to the proper authority any and all real and personal property taxes, general and special assessments, real property transfer taxes, license fees, permit fees and all other governmental charges of any kind or nature whatsoever, including without limitation all penalties and interest thereon, levied or assessed on Tenant's Property, the leasehold or subleasehold estate or Tenant's use of the Premises, or any transfer of a leasehold interest or subleasehold interest in the Premises (including but not limited to the transfer of the leasehold interest in the Premises pursuant to the Lease) whether in effect at the time this Lease is entered into or which become effective thereafter, and all taxes levied or assessed on the possession, use or occupancy, as distinguished from the ownership, of the Premises. Tenant further recognizes and agrees that its leasehold interest may be subject to the payment of special taxes, including without limitation a levy of special taxes to finance energy efficiency, water conservation, water pollution control and similar improvements under the Special Tax Financing Law in Chapter 43 Article X of the Administrative Code. Tenant shall not permit any of the above taxes, assessments or other charges to become a defaulted lien on the Premises or the Improvements thereon; provided, however, that in the event any such tax, assessment or similar charge is payable in installments, Tenant may make, or cause to be made, payment in installments; and provided, further, that Tenant may, through such proceeding as Tenant considers necessary or appropriate, contest the legal validity or the amount of any tax, assessment or similar charge so long as such assessment or charge does not become a defaulted lien. In the event of any such dispute, Tenant shall Indemnify Port, City, and their Agents from and against all Claims resulting therefrom.

**8.2. *Possessory Interest Tax.*** Tenant recognizes and understands that this Lease may create a possessory interest subject to property taxation and that Tenant may be subject to the payment of property taxes levied on such interest. Tenant further recognizes and understands that any sublease or assignment permitted under this Lease and any exercise of any option to renew or other extension of this Lease may constitute a change in ownership for purposes of property taxation and therefore may result in a revaluation of any possessory interest created hereunder. Tenant agrees to pay taxes of any kind, including, but not limited to, possessory interest taxes, that may be lawfully assessed on the leasehold interest hereby created and to pay all other taxes, excises, licenses, permit charges and assessments based on Tenant's usage of the Premises that may be imposed upon Tenant by Law, all of which shall be paid when the same become due and payable and before delinquency. Tenant agrees not to allow or suffer a lien for

any such taxes to be imposed upon the Premises or upon any equipment or property located thereon without promptly discharging the same, provided that Tenant, if so desiring, may have reasonable opportunity to contest the validity of the same. San Francisco Administrative Code Sections 23.38 and 23.39 (or any successor statute) require that certain information relating to the creation, renewal, extension, assignment, sublease, or other transfer of this Lease be reported to the County Assessor within sixty (60) days after any such transaction. Accordingly, Tenant must provide a copy of this Lease to the County Assessor not later than sixty (60) days after the Effective Date, and any failure of Tenant to timely provide a copy of this Lease to the County Assessor will be a default under this Lease. Tenant will also timely provide any information that Port or City may request to ensure compliance with this or any other reporting requirement.

## 9. SECURITY DEPOSIT.

Tenant shall pay to Port upon execution of this Lease, the Security Deposit, in cash, in the sum specified in the Basic Lease Information, as security for the faithful performance by Tenant of all terms, covenants and conditions of this Lease. At all times, the Security Deposit shall equal the amount that is twice the current Monthly Base Rent and Tenant shall increase the amount of the Security Deposit on the same date that any increase in Base Rent is first due, including with respect to any Annual Adjustment and upon the commencement date of any Extension Term to maintain such ratio.

Tenant agrees that Port may (but shall not be required to) apply the Security Deposit in whole or in part to (a) pay any sum due to Port under this Lease; (b) compensate Port for any expense incurred or damage caused by Tenant, its Agents or Invitees; (c) cure any default by Tenant; or (d) cure, or attempt to cure, any failure of Tenant to perform any other covenant, term or condition contained herein. Tenant shall immediately upon demand pay Port a sum equal to the portion of the Security Deposit expended or applied by Port. Port shall not be required to keep the Security Deposit separate from its general funds, and Tenant shall not be entitled to any interest on the Security Deposit. Nothing contained in this Section shall in any way diminish or be construed as waiving any of Port's other remedies set forth in this Lease or provided by law or equity.

Tenant hereby waives the provisions of California Civil Code Section 1950.7 and/or any successor statute, it being expressly agreed that Port may apply all or any portion of the Security Deposit in payment of any and all sums reasonably necessary to compensate Port for any other loss or damage, foreseeable or unforeseeable, caused by the act or omission of Tenant or any Agent or Invitee of Tenant, and that following a default by Tenant, all or any portion of the Security Deposit may be retained by Port following a termination of this Lease and applied to future damages, including damages for future Rent, pending determination of the same.

## 10. USE OF THE PREMISES.

**10.1. Permitted Use.** The Premises shall be used and occupied only for the Permitted Use specified in the Basic Lease Information and for no other purpose.

**10.2. Prohibited Use.** Tenant agrees that the following activities, by way of example only and without limitation, (in each instance, a "**Prohibited Use**" and collectively, "**Prohibited Uses**"), are inconsistent with this Lease, are strictly prohibited and are considered Prohibited Uses:

(a) any activity, or the maintaining of any object, which will in any way materially increase the existing rate of, or cause a cancellation of, any fire or other insurance policy covering the Premises, any part thereof or any of its contents;

(b) any activity or object which will exceed load restrictions, if any, or cause damage to the Premises;

(c) any activity which constitutes waste or nuisance, including, but not limited to, the preparation, manufacture or mixing of anything that might emit any objectionable odors,

noises or lights onto adjacent properties or the use of loudspeakers or sound or light apparatus which can be heard or seen outside the Premises in a manner inconsistent with Laws;

(d) any activity which will in any way injure, obstruct or interfere with the rights of other users or of owners, users, or occupants of adjacent properties, including, but not limited to, rights of ingress and egress;

(e) use of the Premises for residential, sleeping or personal living quarters and/or "Live/Work" space;

(f) any auction, distress, fire, bankruptcy or going out of business sale on the Premises without the prior written consent of Port, which consent may be granted, conditioned, or withheld in the sole and absolute discretion of Port;

(g) any vehicle and equipment maintenance, including but not limited to, fueling, changing oil, transmission or other automotive fluids;

(h) the storage of any and all excavated materials, including but not limited to, dirt, concrete, sand, asphalt, and pipes;

(i) except during periods of permitted construction, the storage of any and all aggregate material, or bulk storage, such as wood or of other loose materials;

(j) except as provided in the Operations Plan, the washing of any vehicles, vessels or equipment; or

(k) other Prohibited Uses identified in the Basic Lease Information, if any.

**10.3. Notice of Prohibited Use Charge.** In the event Port determines after inspection that Prohibited Uses are occurring, then Tenant shall cease the Prohibited Use and shall pay to Port, as Additional Rent, an amount equaling Two Hundred Dollars (\$200.00) upon delivery of written notice to Tenant to cease the Prohibited Use ("**Notice to Cease Prohibited Use**"). In the event Port determines in subsequent inspection(s) that Tenant has not ceased the Prohibited Use, then Tenant shall pay to Port, as Additional Rent, an amount equaling Three Hundred Dollars (\$300.00) for each additional Notice to Cease Prohibited Use delivered to Tenant. The parties agree that the charges associated with each inspection and delivery of the Notice to Cease Prohibited Use, if applicable, represent a fair and reasonable estimate of the administrative cost and expense which Port will incur by reason of Port's inspection and Tenant's failure to comply with the applicable Notice to Cease Prohibited Use and that Port's right to impose the foregoing charges shall be in addition to and not in lieu of any and all other rights under this Lease, at law or in equity. By signing this Lease, each party specifically confirms the accuracy of the statements made in this Section and the reasonableness of the amount of the charges described in this Section.

## 11. COMPLIANCE WITH LAWS; CHANGE IN LAWS.

**11.1. Compliance with Laws.** Tenant, at Tenant's sole cost and expense, promptly shall comply with all Laws relating to or affecting the condition, use or occupancy of the Premises and shall comply with all Laws relating to Tenant's specific use of the Premises and all Rules and Regulations, if any, in effect either at the time of execution of this Lease or which may hereafter be in effect at any time during the Term, whether or not the same are now contemplated by the parties. Tenant further understands and agrees that it is Tenant's obligation, at Tenant's sole cost and expense, to cause the Premises including the activities and operations conducted thereon, to be in compliance with the Disability Laws. Tenant shall be solely responsible for conducting its own independent investigation of this matter and for ensuring that the design of all Alterations and Improvements strictly complies with all requirements of the Disability Laws. If Tenant's use or occupancy of the Premises triggers a requirement to remove barriers or perform other work to any Port property outside of the Premises to comply with the Disability Laws, then, Tenant will perform the work at Tenant's sole cost and expense.

The parties acknowledge and agree that Tenant's obligation to comply with all Laws as provided herein is a material part of the bargained for consideration under this Lease. Tenant's obligation under this **Section 11** shall include, without limitation, the responsibility of Tenant to make substantial or structural repairs and Alterations to the Premises, regardless of, among other factors, the relationship of the cost of curative action to the Rent under this Lease, the length of the then remaining Term hereof, the relative benefit of the repairs to Tenant or Port, the degree to which the curative action may interfere with Tenant's use or enjoyment of the Premises, the likelihood that the parties contemplated the particular Laws involved, and whether the Laws involved are related to Tenant's particular use of the Premises. Any Alteration or Improvements made by or on behalf of Tenant pursuant to the provisions of this **Section 11** shall comply with the provisions of **Section 14**. Except as otherwise expressly set forth in this Lease, no occurrence or situation arising during the Term, nor any present or future Law, whether foreseen or unforeseen, and however extraordinary, shall relieve Tenant of its obligations hereunder, nor give Tenant any right to terminate this Lease in whole or in part or to seek redress against Port, except to the extent Tenant may have remedies against Port pursuant to this Lease or applicable Law. Tenant waives any rights now or hereafter conferred upon it by any existing or future Law to terminate this Lease, to receive any abatement, diminution, reduction or suspension of payment of Rent, or to compel Port to make any repairs to comply with any such Laws, on account of any such occurrence or situation.

**11.2. Change in Laws.** Notwithstanding **Section 11.1**, if, during an Extension Term, an existing Law is amended or a new Law is enacted (regardless of its effective or implementation date) for reasons unrelated to: (i) Tenant's violation of any Laws; (ii) an unpermitted use, Prohibited Use or change in Permitted Uses; (iii) a Law affecting the License Area or the Park (unless such Law materially and adversely affects access to the Premises); or (iv) temporary health protection measures during a pandemic or other health emergency, and such amended or new Law is effective during the Extension Term, would require Tenant to comply during the Extension Term and either (x) materially impacts Tenant's ability to operate the Premises as generally contemplated under the Lease; or (y) would present a demonstrable financial hardship to Tenant if Tenant had to comply with amended or new Law (each a "**Change in Law**"), then Tenant may terminate this Lease; provided that there is no existing Event of Default (as further described in **Section 11.2(c)**) and in accordance with the following:

(a) Within four months after the date on which a Change in Law becomes effective (e.g., becomes law following expiration of any time period in which to challenge such law or if challenged, following the final, unappealable judgment upholding such law, as opposed to the deadline under such Change in Law by which Tenant must comply with the Change in Law), Tenant must provide written notice to Port ("**Early Termination Notice**") with the following information:

(i) details about how Tenant anticipates such change will materially impact Tenant's ability to operate the Premises as generally contemplated under the Lease;

(ii) an analysis of the costs associated with the Change in Laws and the financial hardship to Tenant;

(iii) Tenant's intention to terminate the Lease as of the date specified in the notice ("**Early Termination Date**"), which shall not be less than one hundred eighty (180) days from the date of Tenant's Early Termination Notice unless: (1) the Change in Law requires Tenant to achieve compliance in less than 180 days, in which case, Tenant shall propose an earlier termination date; (2) if the Change in Law is a new or updated life safety requirement and Tenant reasonably anticipates that the failure to comply therewith would materially impact Tenant's continuous use of the Premises (or a material portion thereof) for the Permitted Uses, starting at any time earlier than 180 days and continuing for the remainder of the Term, then (x) the 180-day notice period shall not apply and, at Tenant's election, the Early Termination Date may be a date sooner than 180 days, and (y) Tenant shall implement such temporary

safeguards as Tenant reasonably believes are necessary to address any imminent threat to life or property that the life safety non-compliance under the Change in Law may present; or (3) if the date by which Tenant needs to commence the work necessary in order to be in compliance with the Change in Law by the required deadline is more than one hundred eighty (180) days from the date of Tenant's Early Termination Notice, then Tenant's Early Termination Date shall not be earlier than the date that is one hundred eighty (180) days prior to the date on which Tenant needs to commence the compliance work; and

(iv) the amount of the termination fee which shall be fifty percent (50%) of the Base Rent payable (excluding any then-applicable rent credits) from the termination date to the last day of the Extension Term ("**Termination Fee**").

(b) Within ninety (90) days (or such shorter period as may be necessary under sub-clauses (1) or (2) of **Section 11.2(a)(iii)** of Tenant's Early Termination Notice, Port shall either (i) accept Tenant's Early Termination Notice in which case, Tenant shall promptly pay the Termination Fee and this Lease will expire on the Early Termination Date without further action by the parties or (ii) object in writing stating the basis of its objection (which shall only be based on the criteria in this **Section 11.2** including without limitation the Early Termination Date or the calculation of the Termination Fee). If Port states an objection, Port and Tenant will work in good faith to resolve such objection within a reasonable time period, and Tenant may resubmit its Early Termination Notice, subject again to Port's acceptance.

(c) If any Event of Default by Tenant is outstanding either at the time of Tenant's Early Termination Notice or at any time prior to Early Termination Date and remains uncured after notice and the expiration of all applicable cure periods, then Port may reject Tenant's Early Termination Notice. The Parties acknowledge and agree that the termination right provided by this **Section 11.2** provides an extraordinary remedy for Tenant, will be interpreted narrowly and that the prerequisite conditions to Tenant's termination right as set forth for in this Section are a material part of the bargained-for consideration for this termination right.

## **12. PORT ACTING AS OWNER OF PROPERTY; REGULATORY APPROVALS; COMPLIANCE WITH CITY'S RISK MANAGER'S REQUIREMENTS.**

**12.1. Port Acting as Owner of Property.** Tenant understands and agrees that Port is entering into this Lease in its capacity as a landowner with a proprietary interest in the Premises and not as a Regulatory Agency of the City with certain police powers. By entering into this Lease, Port is in no way modifying or limiting the obligation of Tenant to obtain any required Regulatory Approvals from Regulatory Agencies, and to cause the Premises to be used and occupied in accordance with all Laws and required Regulatory Approvals. Examples of Port actions as a Regulatory Agency include Port issuance of building, encroachment and other construction-related permits, and the Chief Harbor Engineer's actions to protect public health and safety.

**12.2. Regulatory Approvals.** Tenant understands that Tenant's operations on the Premises, changes in use, or Improvements or Alterations to the Premises (individually and collectively, "**Changes**") may require Regulatory Approvals, including Regulatory Approvals issued by Port in its capacity as a Regulatory Agency.

Tenant shall be solely responsible for obtaining any Regulatory Approvals, and Tenant shall not seek any Regulatory Approval without first obtaining the prior written approval of Port. All costs associated with applying for and obtaining any necessary Regulatory Approval shall be borne solely and exclusively by Tenant. Tenant shall be solely responsible for complying with any and all conditions imposed by Regulatory Agencies as part of a Regulatory Approval; provided, however, Tenant shall not agree to the imposition of conditions or restrictions in connection with its efforts to obtain a permit or other entitlement from any Regulatory Agency (other than Port), if the Port is required to be a co-permittee under such permit or other entitlement, or if the conditions or restrictions it would impose on the project could affect future

use or occupancy of the Premises or Port's interest therein or would create obligations on the part of Port (whether on or off of the Premises) to perform or observe, unless in each instance Port has previously approved such conditions in writing, in Port's sole and absolute discretion.

Any fines or penalties imposed as a result of the failure of Tenant to comply with the terms and conditions of any Regulatory Approval shall be promptly paid and discharged by Tenant, and Port shall have no liability, monetary or otherwise, for any fines and penalties. To the fullest extent permitted by Law, Tenant agrees to Indemnify City, Port and their Agents from and against any Claim which City or Port may incur as a result of Tenant's failure to obtain or comply with the terms and conditions of any Regulatory Approval.

Without limiting the terms and conditions of *Sections 12.1* and *12.2*, by signing this Lease, Tenant agrees and acknowledges that (i) Port has made no representation or warranty that Regulatory Approvals to allow for the Changes, if any, can be obtained, (ii) although Port is an agency of the City, Port has no authority or influence over any Regulatory Agency responsible for the issuance of such required Regulatory Approvals, (iii) Port is entering into this Lease in its capacity as a landowner with a proprietary interest in the Premises and not as a Regulatory Agency of the City with certain police powers, and (iv) Tenant is solely responsible for obtaining any and all required Regulatory Approvals in connection with any Changes. Accordingly, Tenant understands that there is no guarantee, nor a presumption, that any required Regulatory Approvals will be issued by the appropriate Regulatory Agency and Port's status as an agency of the City shall in no way limit the obligation of Tenant to obtain approvals from any Regulatory Agencies (including Port) that have jurisdiction over the Premises. Tenant hereby releases and discharges Port from any liability relating to the failure of any Regulatory Agency (including Port) from issuing any required Regulatory Approval.

**12.3. *Compliance with City's Risk Manager's Requirements.*** Tenant shall faithfully observe, at no cost to Port, any and all requirements of City's Risk Manager with respect to Tenant's use and occupancy of the Premises, so long as such requirements do not unreasonably interfere with Tenant's or Subtenants' use of the Premises or are otherwise connected with standard prudent commercial practices of other landlords.

### **13. MAINTENANCE AND REPAIRS.**

**13.1. *Tenant Maintenance and Repair Obligations.*** Unless otherwise set forth in the Basic Lease Information, Tenant shall at all times during the Term, starting on the Commencement Date, or upon use of the Premises by Tenant under a Prior License to the extent required under the Prior License, and at its sole cost and expense, maintain, repair and replace in good and working order, condition and repair the Premises and all Improvements and Alterations thereon, including, but not limited to, glazing. Port shall not be obligated to make any repairs, replacement or renewals of any kind, nature or description whatsoever to the Premises nor to any Improvements or Alterations now or hereafter located thereon. Tenant hereby waives all rights to make repairs at Port's expense under Sections 1932(1), 1941 and 1942 of the California Civil Code or under any similar Law now or hereafter in effect. Notwithstanding any maintenance obligations of Port that may be set forth in the Basic Lease Information, in the event that Tenant, its Agents or Invitees cause any damage to the Premises or any other property within Port's jurisdiction, Tenant shall be responsible for repair and Port may repair the same at Tenant's sole cost and expense and Tenant shall immediately reimburse Port therefor.

Tenant shall not make, nor cause or suffer to be made, any repairs or other work for which a permit is required by any applicable building code, standard or regulation, including, without limitation, the Port Building Code or of any rule or regulation of Port without first obtaining Port's prior written consent (provided that, no consent shall be required for any minor or routine repairs to the Initial Improvements or any Subsequent Alterations for which Port consent was previously obtained) and a permit therefor.

In the event that damage or deterioration to the Premises or any portion thereof which is Tenant's obligation to maintain results in the same not meeting the standard of maintenance required by Port for such uses as Tenant is making of the Premises, then Tenant shall have the independent responsibility for, and shall promptly undertake, maintenance or repair of the Premises and complete the same with due diligence.

**13.2. Port's Right to Inspect.** Without limiting *Section 29 below*, Port may make periodic inspections of the Premises and may advise Tenant when maintenance or repair of the Premises is required, but such right of inspection shall not relieve Tenant of its independent responsibility to maintain such Premises and Improvements in a condition as good as, or better than, their condition at the Commencement Date, excepting ordinary wear and tear.

**13.3. Port's Right to Repair.** In the event Tenant fails to maintain the Premises in accordance with this Lease or Tenant fails to promptly repair any damage to the Premises or the Building Systems caused by Tenant or its Agents within the cure period provided by this Lease, but in no event for more than thirty (30) days after Port's written notice to Tenant, then Port may repair the same at Tenant's sole cost and expense and Tenant shall immediately reimburse Port therefor. If the cost (including, but not limited to, salaries of Port staff and attorneys' fees) of any such repairs or replacements made at Tenant's expense is in excess of Two Thousand Dollars (\$2,000) (increased annually by three percent (3%)), then Tenant shall pay to Port an administrative fee equal to ten percent (10%) of the total "**Hard costs**" of the work. "**Hard costs**" shall include the cost of materials and installation, but shall exclude any costs associated with design, such as architectural fees. With respect to any work where the total hard costs of such work are less than Two Thousand Dollars (\$2,000), Tenant shall pay to Port, as Additional Rent, an amount equaling Two Hundred Dollars (\$200).

In addition, upon delivery of the initial notice relating to Tenant's failure to maintain the Premises in accordance with *Section 13* ("**Maintenance Notice**"), Tenant shall pay, as Additional Rent, an amount equaling Two Hundred Dollars (\$200.00). In the event Port determines during subsequent inspection(s) that Tenant has failed to maintain the Premises in accordance with *Section 13*, then Tenant shall pay to Port, as Additional Rent, an amount equaling Three Hundred Dollars (\$300) for each additional Maintenance Notice, if applicable, delivered by Port to Tenant following each inspection. By signing this Lease, each party specifically agrees that the charges associated with each inspection of the Premises and delivery of each Maintenance Notice represent a fair and reasonable estimate of the administrative cost and expense which Port will incur by reason of Port's inspection of the Premises and issuance of each Maintenance Notice. Tenant's failure to comply with the applicable Maintenance Notice and Port's right to impose the foregoing charges shall be in addition to and not in lieu of any and all other rights and remedies of Port under this Lease, at law or in equity. The amounts set forth in this Section shall be due within three (3) business days following delivery of the applicable Maintenance Notice.

For purposes of this Lease, the term "**ordinary wear and tear**" shall not include any deterioration in the condition or diminution of the value of any portion of the Premises in any manner whatsoever related directly or indirectly to Tenant's failure to comply with the terms and conditions of this Lease.

**13.4. Acts of Nature.** Nothing contained herein shall require Port to repair or replace the Premises or the Improvements thereon as a result of damage caused by acts of war, earthquake, tidal wave or other acts of nature, except that this provision shall not affect any obligation to make repairs to the Premises pursuant to *Section 20* in the event of any damage or destruction of the Premises.

## 14. IMPROVEMENTS.

**14.1. Initial Improvements.** Tenant will construct the Initial Improvements in accordance with, and subject to all the terms, covenants, conditions, and restrictions of this Lease

including the Work Letter. Port, in its proprietary capacity, has consented to the Initial Improvements.

#### **14.2. Subsequent Alteration.**

(a) Tenant shall not make nor cause or suffer to be made, any Subsequent Alteration to the Premises (i) without the prior written consent of Port, which consent shall not be unreasonably withheld; provided, however, that Port shall have the right in its sole and absolute discretion to consent or to withhold its consent to any Alterations or Improvements which affect the structural portions of the Premises, the Building or Building Systems, and (ii) until Tenant shall have procured and paid for all Port and other Regulatory Approvals of the various Regulatory Agencies having jurisdiction over the Premises, including, but not limited to, any building or similar permits required by Port or its Chief Harbor Engineer in the exercise of its jurisdiction with respect to the Premises.

(b) At least thirty (30) days before commencing any Subsequent Alterations, Tenant shall notify Port. Tenant's notice shall be accompanied by final construction documents for the Subsequent Alterations, if applicable. Port shall have the right to object to any of the Subsequent Alterations within sixty (60) days after receipt of notice from Tenant. Port's failure to notify Tenant of Port's consent within the 60-day period shall be deemed Port's disapproval of the Subsequent Alterations.

(c) As a condition to giving consent to any Subsequent Alteration the estimated cost of which (per project) is reasonably expected to exceed \$1,000,000 (increased annually by three percent (3%)), Port may require Tenant to provide Port, at Tenant's sole cost and expense, one or more financial guarantees, each in a form and issued by a bank or surety acceptable to Port, such as: (i) a standby letter of credit or bond; and/or (ii) a payment and performance bond from Tenant's contractors naming Port as co-obligee, each in a principal amount up to one hundred ten percent (110%) but not less than one hundred percent (100%) of the estimated costs of the Subsequent Alteration, to ensure Port against any liability for mechanics' and materialmen's liens, stop notices, and to ensure Completion of work.

(d) None of the following will constitute Subsequent Alterations requiring Port's consent, unless the installation will affect the Building Systems or the structure of the Building: (i) the installation, repair, or replacement of furnishings, fixtures, equipment, or decorative improvements within the interior of the Building that does not materially affect the Historic Fabric of the Building and otherwise complies with the Secretary's Standards, (ii) recarpeting, repainting, altering the wall coverings or window treatments, or similar alterations within the interior of the Building that do not materially affect the Historic Fabric of the Building and otherwise complies with the Secretary's Standards.

**14.3. Construction Requirements.** All Alterations and Improvements to the Premises made by or on behalf of Tenant shall be subject to the following conditions, which Tenant covenants faithfully to perform:

(a) All Alterations and Improvements shall be performed in a good and workmanlike manner in accordance with plans and specifications previously approved by Port in writing and in compliance with the applicable building, zoning and other applicable Laws, including, but not limited to, compliance with Disability Laws, and in compliance with the terms of and conditions imposed in any Regulatory Approval or any permit or authorization for the Premises.

(b) All Alterations and Improvements shall be performed at the sole cost and expense of Tenant, with reasonable dispatch and prosecuted to Completion, and only by duly licensed and bonded contractors or mechanics, and subject to any conditions that Port may reasonably impose.

(c) Tenant, while performing any Subsequent Alteration or maintenance or repair of the Improvements (for purposes of this Section only, “**Work**”), shall undertake commercially reasonable measures in accordance with good construction practices to minimize the risk of injury or damage to adjoining portions of the Premises and Improvements and the surrounding property, or the risk of injury to members of the public, caused by or resulting from the performance of its Work. Tenant shall undertake commercially reasonable measures to minimize damage, disruption or inconvenience caused by the Work and make adequate provision for the safety and convenience of all persons affected by the Work.

(d) At the Completion of any Work described in this Section, Tenant shall furnish to Port one reproducible “as built” drawing of all Alterations and Improvements made in the Premises. If Tenant fails to provide such as-built drawings to Port within sixty (60) days after Completion, Port, after giving notice to Tenant shall have the right, but not the obligation, to cause the preparation by an architect of Port’s choice of “as-built” drawings, at Tenant’s sole cost, to be paid by Tenant to Port within thirty (30) days after Port’s request therefor.

#### **14.4. Construction.**

(a) Construction Standards. All Improvements and Alterations will be accomplished diligently to Completion and in accordance with good construction and engineering practices and applicable Laws and will be consistent with the Secretary’s Standards and the historic register status of the Premises. Tenant must make adequate provision for the safety of all persons affected by the Construction, and Tenant will undertake commercially reasonable measures in accordance with good construction practices to: (i) minimize damage, disruption, or inconvenience caused by the Construction (including to areas adjoining portions of Improvements and the surrounding property), (ii) minimize the risk of injury or damage to the Premises and the surrounding property, or the risk of injury or death to members of the public and (iii) make adequate provision for the safety of all Persons affected by any construction activities. Dust, noise and other effects of such work will be controlled in accordance with any applicable dust control ordinance and other effects of the Construction must be controlled using commercially reasonable methods customarily used to control deleterious effects associated with construction projects in populated or developed urban areas.

(b) Reports and Information. During periods of Construction, Tenant shall submit to Port written progress reports when and as reasonably requested by Port.

(c) Construction Fencing and Barriers. Tenant shall provide appropriate construction barriers, construction signs and a project sign or banner, and shall post the signs on the Premises during the period of construction to the extent reasonably necessary to minimize the risk of hazardous construction conditions. Tenant will obtain a building permit from Port before the placement of any construction fencing, signage and/or barriers.

**14.5. Port of San Francisco Union Iron Works Historic District.** Tenant expressly acknowledges that the Building is a contributing resource to the Port of San Francisco Union Iron Works Historic District at Pier 70 which is listed on the National Register of Historic Places. Accordingly, all interior and exterior Alterations (including but not limited to, any repair, alteration, improvement, or construction to the interior or exterior of the Building) are subject to review by Port for consistency with the design policies and criteria set forth in the Waterfront Land Use Plan, Design and Access Element, the Secretary of the Interior’s Standards for the Treatment of Historic Properties, which are published by the National Park Service and posted on its website at <http://www.nps.gov/history/hps/tps/Standards/index.htm> (the “**Secretary’s Standards**”) and summarized in the attached *Exhibit I*. Tenant expressly agrees to comply with the Secretary’s Standards for all current and future interior and exterior repair, alteration, improvement or construction.

**14.6. Asbestos-containing Materials.** Without limiting *Section 18 below* (Hazardous Materials), in the event that asbestos-containing materials (“ACM”) are determined to exist in or

about the Premises, Tenant shall ensure that all Alterations and Improvements and any asbestos related work, as further defined in California Health & Safety Code Section 25914.1(b), is performed in compliance with all Laws relating to asbestos, including but not limited to, Cal-OSHA regulations found in Title 8 of the California Code of Regulations, Sections 1502 and 1529. Additionally, Tenant shall distribute notifications to all employees and contractors as required pursuant to California Health & Safety Code Sections 25915 et seq. informing them of the existence of ACM and that moving, drilling, boring, or otherwise disturbing ACM may present a health risk and should not be attempted by an unqualified employee. No Alterations or Improvements affecting ACM-containing areas or any asbestos related work shall be performed without Port's prior written consent in each instance.

**14.7. Lead-Based Paint.** Tenant, on behalf of itself and its Agents or Invitees, shall comply with all requirements of the Port Building Code, Section 3424, and all other Laws, including, without limitation, the California and United States Occupational Health and Safety Acts and their implementing regulations, when the work of Alterations or Improvements disturbs or removes lead-based or presumed lead-based paint (as described below). Tenant and its Agents or Invitees shall give to Port three (3) business days prior written notice of any disturbance or removal of lead-based or presumed lead-based paint. Further, Tenant and its Agents or Invitees, when disturbing or removing lead-based or presumed lead-based paint, shall not use or cause to be used any of the following methods: (a) acetylene or propane burning and torching; (b) scraping, sanding or grinding without containment barriers or a High Efficiency Particulate Air filter ("HEPA") local vacuum exhaust tool; (c) hydroblasting or high-pressure wash without containment barriers, without Port's prior written consent; (d) abrasive blasting or sandblasting without containment barriers or a HEPA vacuum exhaust tool, without Port's prior written consent; and (e) heat guns operating above 1,100 degrees Fahrenheit. Paint on the interior and exterior of buildings built before December 31, 1978, is presumed to be lead-based paint unless lead-based paint testing, as defined in Section 3424 of the Port Building Code, demonstrates an absence of lead-based paint on the surfaces of such buildings. Under this **Section 14**, lead-based paint is "**disturbed or removed**" if the work of Alterations or Improvements involves any action that creates friction, pressure, heat or a chemical reaction upon any lead-based or presumed lead-based paint on an interior or exterior surface so as to abrade, loosen, penetrate, cut through or eliminate paint from that surface.

**14.8. Title to Improvements; Removal of Improvements.** Provided that no Event of Default then exists, Tenant shall not be obligated to remove at the end of the Term, (a) any of the Initial Improvements that are listed on **Attachment 3** to the Work Letter, (b) any Subsequent Alteration where Port has agreed in writing (in the form of Schedule 6 or its written equivalent) that the applicable Subsequent Alteration may remain on the Premises at the end of the Term in the form of Schedule 6 or its written equivalent, or (c) Tenant's replacement of any of the items listed in the immediately foregoing sub-clauses (a) and (b) in connection with Tenant's obligation to maintain and repair as further described in **Section 13.1**. During the Term, without limiting Tenant's obligations to maintain, repair and replace the Premises, Tenant will own the Initial Improvements, Subsequent Alterations and all Tenant's Property (except for any Subtenant's Property, which shall be owned by the applicable Subtenant). Tenant has the right at any time during the Term to remove Tenant's Property from the Premises; provided, however, that if the removal of Tenant's Property causes damage to the Premises, Tenant shall promptly cause the repair of such damage at no cost to Port. Unless Port has agreed that Tenant's Improvements and Alterations may remain on the Premises in the form of **Schedule 6** or its written equivalent and other than as set forth on Attachment 3 to the Work Letter, prior to the Expiration Date or earlier termination of this Lease, Tenant, at its own expense, must remove all Improvements and Alterations it constructed from the Premises in accordance with **Section 30**. Any such removal is subject to the requirements of this Section, including the requirement to obtain a Port building or similar permit. Tenant shall promptly repair, at its own expense, in good and workmanlike fashion any damage occasioned thereby. If Tenant fails to complete any required demolition or removal on or before the expiration or earlier termination of this Lease,

Port may perform such removal or demolition at Tenant's expense, and Tenant shall reimburse Port within three (3) business days after demand therefor. At the expiration or earlier termination of this Lease, title to any Improvements or Alterations that are allowed to remain on the Premises will vest in Port without further action of any party, and without compensation or payment to Tenant.

**14.9. Removal of Non-Permitted Improvements.** If Tenant constructs any Alterations or Improvements without Port's prior written consent or without complying with this Section, then, in addition to any other remedy available to Port, Port may require Tenant to remove, at Tenant's expense, any or all such Alterations or Improvements and to promptly repair, at Tenant's expense and in good workmanlike fashion, any damage occasioned thereby. Tenant shall pay to Port all special inspection fees as set forth in any applicable building code, standard or regulation, including, without limitation, the Port Building Code, for inspection of work performed without required permits. The foregoing obligation of Tenant to reimburse Port for all cost and expenses incurred by Port in connection with Tenant's failure to comply with the provisions of this Section shall survive the expiration or earlier termination of this Lease.

**14.10. All-Gender Toilet Facilities.** If applicable, Tenant shall comply with San Francisco Administrative Code Section 4.1-3 requiring at least one all-gender toilet facility on each floor of any new building on City-owned land and within existing buildings leased by the City, including the Premises, where extensive renovations are made. An "**all-gender toilet facility**" means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures, and "**extensive renovations**" means any renovation where the construction cost exceeds 50% of the cost of providing the toilet facilities required by this section. If Tenant has any question about applicability or compliance, Tenant should contact the Port's Property Manager for guidance.

**14.11. Signs.** Tenant shall not install business signage, awnings or other exterior decoration or notices on the Premises without Port's prior written consent. Any sign that Tenant is permitted to place, construct or maintain on the Premises shall comply with all Laws relating thereto, including but not limited to, Port's Sign Guidelines, as revised by Port from time to time, and building permit requirements, and Tenant shall obtain all Regulatory Approvals required by such Laws. Port makes no representation with respect to Tenant's ability to obtain such Regulatory Approval. Tenant, at its sole cost and expense, shall remove all signs placed by it on the Premises at the expiration or earlier termination of this Lease.

**14.12. Port's Alterations.** Port reserves the right at any time to make Alterations, additions, repairs, deletions or improvements to the Building, Building Systems, or adjacent Port property ("**Port Work**"). Port shall use commercially reasonable efforts to conduct any of the foregoing activities in a manner that, to the extent reasonably practicable, will minimize inconvenience or disturbance to Tenant; Port will have no obligation to minimize inconvenience or disturbance to Tenant for Port Work when the Port Work is necessary, in Port's sole and absolute discretion, to maintain Port property in a safe, hazard-free condition. In no event will inconvenience or disturbance caused by Port Work constitute an actual or constructive eviction of Tenant, entitle Tenant to any abatement or diminution of Rent, or otherwise relieve Tenant from any of its obligations under this Lease. Tenant hereby waives any and all Claims against Port, City and their Agents arising out of any inconvenience or disturbance occasioned by Port Work.

## 15. UTILITIES.

**15.1. Utility Services.** Subject to the terms in the Basic Lease Information regarding the Interim Power Line and the Capacity Charges, Tenant, at its sole expense, must (i) arrange for the provision and construction of all on-site and off-site utilities necessary to construct, operate and use the Premises, (ii) be responsible for contracting with, and obtaining, all necessary utility and other services, as may be necessary and appropriate for the uses (it being acknowledged that City (including its San Francisco Public Utilities Commission ("**SFPUC**")) is

the sole and exclusive provider to the Premises of certain public utility services), and (iii) maintain and repair all utilities serving the Premises to the point provided by the respective utility service provider (whether on or off the Premises). Tenant agrees and acknowledges that Port, in its proprietary capacity as owner of the Premises and landlord under this Lease, will not provide any utility services to the Premises or any portion of the Premises. Tenant also must coordinate with the respective utility service provider with respect to the installation of utilities, including providing advance notice to appropriate parties of trenching requirements. Tenant will purchase all electrical service (to the extent not provided by a PV System, if any) for the Improvements and the Premises from SFPUC unless SFPUC first determines that such service is not feasible for the Premises.

Tenant will pay or cause to be paid when due, all deposits, charges, meter installation fees, connection fees and other costs for all public or private utility services at any time rendered to the Premises or any part of the Premises, and will do all other things required for the maintenance, repair, replacement, and continuance of all such services. Tenant agrees, with respect to any public utility services provided to the Premises by City, that no act or omission of City in its capacity as a provider of public utility services, shall abrogate, diminish, or otherwise affect the respective rights, obligations and liabilities of Tenant and Port under this Lease, or entitle Tenant to terminate this Lease or to claim any abatement or diminution of Rent. Further, Tenant covenants not to raise as a defense to its obligations under this Lease, or assert as a counterclaim or cross-claim in any litigation or arbitration between Tenant and Port relating to this Lease, any Claim arising from or in connection with City's provision (or failure to provide) public utility services, except to the extent to preserve its rights under this Lease that failure to raise such claim in connection with such litigation would result in a waiver of such claim. The foregoing shall not constitute a waiver by Tenant of any claim it may now or in the future have (or claim to have) against any such public utility provider relating to the provision of (or failure to provide) utilities to the Premises.

**15.2. Photovoltaic Panels.** Tenant shall have the right but not the obligation to install or cause to be installed on the roof(s) of buildings a photovoltaic energy generation facility for the generation and delivery of electrical energy to the Premises and if excess energy is available, potentially to other sites (the "PV System"). Before commencing installation of a PV System, Tenant must obtain Port's consent and all required permits and Regulatory Approvals for the PV System, which may include, among other things, approval by SHPO and requirements to strengthen the roof of the applicable building(s). The design, construction and installation of any PV System will be done in accordance with *Section 14.2*.

**15.3. Energy Consumption Disclosure.** Tenant consents to Tenant's utility service providers disclosing energy use data for the Premises to City for use under California Public Resources Code Section 25402.10, as implemented under California Code of Regulations Sections 1680–1685, and San Francisco Environment Code Chapter 20, as each may be amended from time to time ("Energy Consumption Reporting Laws"), and for such data to be publicly disclosed under the Energy Consumption Reporting Laws.

**15.4. Waiver.** Tenant waives any benefits of any applicable Law, including the provisions of California Civil Code Section 1932(1) permitting the termination of this Lease due to any interruption or failure of utility services. The foregoing shall not constitute a waiver by Tenant of any claim it may now or in the future have (or claim to have) against any public utility provider relating to the provision of (or failure to provide) utilities to the Premises.

## **16. FLOOD RISK AND SEA LEVEL RISE.**

**16.1. Sea Level Rise.** The City's current sea level rise capital planning guidance can be found at [https://onesanfrancisco.org/sites/default/files/inline-files/San\\_Francisco%20SLR\\_Guidance%20SLRTC%20REV%20TO%20CPC%20Jan%202020.pdf](https://onesanfrancisco.org/sites/default/files/inline-files/San_Francisco%20SLR_Guidance%20SLRTC%20REV%20TO%20CPC%20Jan%202020.pdf) (the "SLR Guidance").

**16.2. Flood Protection Measures.** In addition to Tenant's obligations to comply with Laws under *Section 11* (Compliance with Laws) and to repair and maintain the Premises (including, but not limited to the structure and substructure under *Section 13* (Maintenance and Repairs)), if, at any time during the Term of this Lease, and subject to compliance with CEQA, the Chief Harbor Engineer ("CHE") determines in his or her regulatory capacity in accordance with applicable Laws that there is a need for temporary public access closures, sandbagging or similar temporary measures to minimize the risks associated with flooding ("**Flood Protection Measures**") at the Premises or proximate to the Premises to protect the Premises from a significant risk of flooding or other damage resulting from climate change or sea level rise, in order to protect public health and safety ("**CHE Determination**"), Tenant shall be responsible at no cost to Port for permitting, constructing and implementing any such Flood Protection Measures in the manner described in this Section. Tenant understands and agrees that it will not receive or seek rent credits or other compensation or consideration for any Flood Protection Measures and agrees that it will not seek additional term for the purpose of amortizing the cost of any Flood Protection Measures. Port and Tenant agree that a CHE Determination under this *Section 16* shall not be a Condemnation for purposes of this Lease.

If Tenant fails to implement any required Flood Protection Measures within the time required in the CHE Determination, Port shall provide Tenant with thirty (30) days written notice and the right to cure such failure. If Tenant fails to cure within the 30-day period, Port shall have the right but not the obligation to implement the measure(s) on Tenant's behalf following an additional thirty (30) days' written notice of Port's intent to do so (unless Tenant's failure to cure gives rise to an emergency which creates an imminent danger to public health or safety as determined by the CHE) and Tenant shall reimburse Port for its actual costs as Additional Rent.

**16.3. Required Flood Protection Improvements for Other Port Property.** If the CHE determines that there is a need to install flood protection measures within the Premises to protect other Port property, Tenant shall cooperate by providing access and other reasonably requested assistance at no cost to Port. Nothing in this *Section 16* shall imply any duty upon the part of Port to perform any work that under this Lease Tenant may be required to perform, nor to place upon Port any obligation, or liability, for the care, supervision or repair of Port property outside the Premises.

**16.4. Limitations; Waiver.**

(a) No occurrence or situation arising during the Term, nor any present or future Law or circumstance, whether foreseen or unforeseen, and however extraordinary, shall relieve Tenant of its obligations under this *Section 16*, nor give Tenant any right to terminate this Lease in whole or in part or to otherwise seek redress against Port except with respect to Tenant's right to terminate under the terms and conditions specified in *Section 11.2* (Change in Laws), *Section 20* (Damage and Destruction) or *Section 21* (Condemnation). Without waiving the right to terminate as provided in *Section 11.2* (Change in Laws), *Section 20* (Damage and Destruction) or *Section 21* (Condemnation), Tenant waives any rights now or later conferred upon it by any existing or future Law to terminate this Lease, to receive any abatement, diminution, reduction or suspension of payment of Rent, or to compel Port to make any repairs to comply with any such Laws or on account of any such occurrence or situation.

(b) If the CHE determines that there is a need for Flood Protection Measures, the rights and obligations of the Parties shall be as set forth in this *Section 16*. Accordingly, Port and Tenant each waive the provisions of Sections 1932(2) and 1933(4) of the California Civil Code and Sections 1265.110, 1265.120, 1265.130, and 1265.140 of the California Code of Civil Procedure as such sections may from time to time be amended, replaced, or restated. Notwithstanding the prior sentence, Port and Tenant do not intend to waive their rights under *Section 11.2* (Change in Laws), *Section 20* (Damage and Destruction) or *Section 21* (Condemnation).

**16.5. Additional Improvements To Address Sea Level Rise.** At any time during the Term, Port or Tenant may propose optional additional improvements to be performed by Tenant, at its option in Tenant's sole discretion and at its cost that (i) are beyond the scope of the potential Flood Protection Measures contemplated in this Section; and (ii) are not otherwise Tenant's obligation under this Lease (including under *Section 11* (Compliance with Laws) and *Section 13* (Maintenance and Repairs)). Tenant acknowledges that additional Regulatory Approvals will be required for such improvements.

## **17. LIENS.**

Tenant shall keep the Premises free from any liens arising out of any work performed, materials furnished or obligations incurred by Tenant or its Agents. In the event that Tenant shall not, within twenty (20) days following the imposition of any such lien, cause the same to be released of record, Port shall have, in addition to all other remedies provided by this Lease or by Law, the right but not the obligation to cause the same to be released by such means as it shall deem proper, including without limitation, payment of the claim giving rise to such lien. All sums paid by Port for such purpose, plus interest at the Interest Rate, and all reasonable expenses incurred by Port in connection therewith (including, without limitation, reasonable attorneys' fees) shall be payable to Port by Tenant upon demand. Port shall have the right to post on the Premises any notices that Port may deem proper for the protection of Port or the Premises, from mechanics' and materialmen's liens. Tenant shall give to Port at least fifteen (15) days' prior written notice of commencement of any Alteration, repair or construction on the Premises. Tenant agrees to Indemnify Port, City and their respective Agents from and against any Claims for mechanic's, materialmen's or other liens in connection with any Alterations, repairs or construction on the Premises, or materials furnished or obligations incurred by or for Tenant.

Without limiting the foregoing, Tenant shall not create, permit or suffer any liens or encumbrances affecting any portion of the Premises or Port's interest therein or under this Lease.

## **18. HAZARDOUS MATERIALS.**

**18.1. Requirements for Handling.** Subject to *Section 18.2(b)*, neither Tenant nor its Agents or Invitees may Handle or permit any other person to Handle any Hazardous Material in, on, under or about the Premises, or other Port property, subject only to the following exceptions, provided that Handling is at all times in full compliance with all Environmental Laws: janitorial, disinfectant, pest control, office, and other supplies and equipment in amounts customarily used for the Permitted Uses and subject to the Operations Plan.

### **18.2. Tenant Responsibility.**

**(a) Generally.** Subject to *Section 18.2(b)*, Tenant agrees to protect its Agents and Invitees in its operations on the Premises from hazards associated with Hazardous Materials in accordance with all Environmental Laws and also agrees, for itself and on behalf of its Agents and Invitees, that during its use and occupancy of the Premises, each of them:

- (i)** will not permit any Hazardous Materials to be present in, on, under or about the Premises, or other Port property except as permitted under *Section 18.1*;
- (ii)** will not cause or permit any Hazardous Material Condition; and
- (iii)** will comply with all Environmental Laws relating to the Premises and any Hazardous Material Condition, and will not engage in or permit any activity at the Premises, other Port property, or in the operation of any vehicles or vessels used in connection with the Premises in violation of any Environmental Laws.

**(b) Other Port Property.** Port agrees that with respect to "other Port property" only (in other words, on Port property other than the Premises) as such term is used under *Sections 18.1 and 18.2(a)*, (i) without limiting any other agreement Tenant may have with Port, Tenant has no obligations to or for Tenant's Invitees on other Port property, and (ii) Tenant's

obligations with respect to Tenant's Agents on other Port property arise only to the extent such Agent is performing work on Tenant's behalf or otherwise acting on Tenant's behalf in furtherance of the Permitted Uses under this Lease.

**18.3. Tenant's Environmental Condition Notification Requirements.**

(a) Tenant must notify Port immediately, orally or by other means that will transmit the earliest possible notice to Port staff, followed within twenty-four (24) hours by written notice, of and when Tenant learns or has reason to believe Hazardous Materials were Released or, except as allowed under *Section 18.1*, Handled, in, on, or about the Premises, other Port property, or the environment, or from any vehicles or vessels that Tenant or its Agents or Invitees use during Tenant's occupancy of the Premises, whether or not the Release or Handling is in quantities that would be required under Environmental Laws to be reported to an Environmental Regulatory Agency.

(b) Tenant must notify Port immediately, orally or by other means that will transmit the earliest possible notice to Port staff, followed within twenty-four (24) hours by written notice, and contemporaneously provide Port with an electronic copy, of:

(i) Any notice of the Release or Handling of Hazardous Materials, in, on, or about the Premises, other Port property, or the environment, or from any vehicles or vessels Tenant, or its Agents and Invitees uses during Tenant's occupancy of the Premises that Tenant or its Agents or Invitees provides to an Environmental Regulatory Agency;

(ii) Any notice of a violation, or a potential or alleged violation, of any Environmental Law that Tenant or its Agents or Invitees receives from any Environmental Regulatory Agency;

(iii) Any other Environmental Regulatory Action that is instituted or threatened by any Environmental Regulatory Agency against Tenant or its Agents or Invitees and that relates to the Release or Handling of Hazardous Materials, in, on, or about the Premises, other Port property, or the environment, or from any vehicles or vessels Tenant, or its Agents and Invitees uses during Tenant's occupancy of the Premises;

(iv) Any Hazardous Material Claim that is instituted or threatened by any third party against Tenant or its Agents or Invitees and that relates to the Release or Handling of Hazardous Materials, in, on, or about the Premises, other Port property, or the environment, or from any vehicles or vessels Tenant, or its Agents and Invitees uses during Tenant's occupancy of the Premises; and

(v) Any notice of the termination, expiration, or substantial amendment of any Environmental Regulatory Approval needed by Tenant or its Agents or Invitees for their operations at the Premises.

(c) Tenant must notify Port of any meeting, whether conducted face-to-face or telephonically, between Tenant and any Environmental Regulatory Agency regarding an Environmental Regulatory Action. Port will be entitled to participate in any such meetings at its sole election.

(d) Tenant must notify Port of any Environmental Regulatory Agency's issuance of an Environmental Regulatory Approval. Tenant's notice to Port must state the issuing entity, the Environmental Regulatory Approval identification number, and the date of issuance and expiration of the Environmental Regulatory Approval. In addition, Tenant must provide Port with a list of any plan or procedure required to be prepared and/or filed with any Environmental Regulatory Agency for operations on the Premises, including a "Spill Prevention Control and Countermeasure Plan." Tenant must provide Port with copies of any of the documents within the scope of this section upon Port's request.

(e) Tenant must provide Port with copies of all communications with Environmental Regulatory Agencies and all non-privileged communications with other persons regarding potential or actual Hazardous Material Claims arising from Tenant's or its Agents' or Invitees' operations at the Premises. Upon Port's request, Tenant must provide Port with a log of all communications withheld under a claim of privilege that specifies the parties to and subject of each withheld communication.

(f) Port may from time to time request, and Tenant will be obligated to provide, information reasonably adequate for Port to determine that any and all Hazardous Materials are being Handled in a manner that complies with all Environmental Laws.

#### **18.4. Requirement to Remediate.**

(a) Tenant's Remediation obligations under this subsection are subject to *Sections 18.4(b)* and *18.4(c)*.

(i) After notifying Port in accordance with *Section 18.3(a)*, Tenant must Remediate at its sole cost in compliance with all Environmental Laws and this Lease, any Hazardous Material Condition occurring during the Term or while Tenant or its Agents or Invitees otherwise occupy any part of the Premises. Tenant must obtain Port's approval of a Remediation work plan, whether or not required under Environmental Laws, then begin Remediation actions immediately following Port's approval of the work plan and continue diligently until Remediation is complete, as determined by Port, in its sole discretion.

(ii) In addition to its obligations under clause (i), before this Lease terminates for any reason, Tenant must Remediate at its sole cost in compliance with all Environmental Laws and this Lease: (A) any Hazardous Material Condition caused by Tenant's or its Agents' or Invitees' Handling Hazardous Materials during the Term; and (B) any Hazardous Material Condition discovered during Tenant's occupancy that any Regulatory Agency requires to be Remediated if Remediation would not have been required but for Tenant's use of or Changes to the Premises.

(iii) If Environmental Laws governing Remediation require a remedial action plan, Tenant must provide a draft of its plan to Port for comment and approval before submittal to the appropriate Environmental Regulatory Agency, and a copy of the final plan as submitted.

(iv) In all situations relating to Handling or Remediating Hazardous Materials, Tenant must take all actions that are reasonably necessary in Port's sole judgment to protect the value of the Premises, such as obtaining Environmental Regulatory Approvals related to Hazardous Materials and taking measures to remedy any deterioration in the condition or diminution of the value of any portion of the Premises in any manner related directly or indirectly to Hazardous Materials.

(b) Unless Tenant or its Agents or Invitees Exacerbate the Hazardous Material Condition, and subject further to *Section 18.4(c)*, Tenant will not be obligated to Remediate any Hazardous Material Condition: (i) caused solely by City, Port, or their Agents during Tenant's occupancy of the Premises; or (ii) arising before the Commencement Date or the date of Tenant's first use of the Premises under the Prior Licenses, whichever is earlier.

(c) Tenant will not be obligated to Remediate any Hazardous Material Condition on other Port property (in other words, on Port property other than the Premises) (i) caused by Tenant's Agent's acts, omissions or negligence on other Port Property, unless at the time such Hazardous Material Condition was caused or Exacerbated, such Agent was performing work directly or indirectly on Tenant's behalf or otherwise acting directly or indirectly on Tenant's behalf in furtherance of the Permitted Uses under this Lease; or (ii) caused by Tenant's Invitee's acts, omissions or negligence on other Port Property.

**18.5. Port's Right to Audit.** Port will have the right, but not the obligation, to inspect and audit the Premises for any Hazardous Materials, including the right to Investigate, at reasonable times under **Section 29** (Port's Entry on Premises). Port's failure to inspect or obtain samples or to detect conditions attributable to Tenant's operations if an inspection is conducted may not be deemed to be a release of any liability for any Hazardous Materials subsequently determined to be Tenant's responsibility under this Lease.

**18.6. Notification of Asbestos.** Port hereby notifies Tenant, in accordance with the OSHA Asbestos Rule (1995), 59 Fed. Reg. 40964, 29 CFR §§ 1910.1001, 1926.1101 (as amended, clarified and corrected) (OSHA Asbestos Rule); California Health and Safety Code §§ 25915-259.7 and Cal-OSHA General Industry Safety Order for Asbestos, 8 CCR § 5208, of the presence of asbestos-containing materials ("ACMs") and/or presumed asbestos-containing materials ("PACMs") (as such terms are defined in Cal-OSHA General Industry Safety Order for Asbestos), in the locations identified in the summary/table, if any, set forth in **Schedule 4** attached hereto.

This notification by Port is made pursuant to a building inspection survey(s), if any, performed by Port or its contractors qualified to perform an asbestos building survey identified in the summary/table, if any, set forth in **Schedule 4** attached hereto. Such survey(s), monitoring data and other information are kept at Port of San Francisco, Pier 1, San Francisco, California, 94111 and are available for inspection upon request.

Tenant hereby acknowledges receipt of the notification specified in the first paragraph of **Section 18.6** hereof and the notice or report attached as **Schedule 4** hereto and understands, after having consulted its legal counsel, that it must make its employees and contractors aware of the presence of ACMs and/or PACMs in or about the Premises in order to avoid or minimize any damage to or disturbance of such ACMs and/or PACMs. Tenant further acknowledges its obligations under Cal-OSHA General Industry Safety Order for Asbestos to provide information to its employees and contractors regarding the presence of ACMs and PACMs at the Premises and to provide a training program for its employees that conforms with 8 CCR § 5208(j)(7)(C).

Tenant agrees that its waiver of Claims set forth in **Section 22** (Indemnity and Exculpation) is given with full knowledge of the presence, or possibility, of asbestos in or about the Premises and the potential consequences of such fact. Tenant is aware that the presence, or possibility, of asbestos in or about the Premises may limit Tenant's ability to construct Improvements and Alterations to the Premises without Tenant first performing abatement of such asbestos. The presence of asbestos in the Premises and the removal or non-removal by Port of all or a portion of the asbestos, shall not, however, (i) entitle Tenant to any Claim, (ii) relieve Tenant of any of its obligations hereunder, including without limitation the obligation to pay Rent, or (iii) constitute or be construed as a constructive or other eviction of Tenant.

Notwithstanding any other provisions of this Lease, Tenant agrees to Indemnify Port for Tenant's acts or omissions that result in (1) asbestos-related enforcement actions, including both administrative or judicial proceedings, and (2) any Claims arising from an alleged violation of Cal-OSHA General Industry Safety Order for Asbestos and/or exposures to asbestos.

**18.7. Notification of Lead.** Port hereby notifies Tenant of the potential presence of lead-containing and presumed lead-containing materials in the Premises. Disturbance or removal of lead is regulated by, among other Laws, 29 CFR §§ 1910.1025, 1926.62; California Health & Safety Code §§ 105185-105197 and 105250-105257; Cal-OSHA Construction Safety Order for Lead, Title 8 CCR § 1532.1; Title 17 CCR Chapter 8; and Port Building Code § 3424.

Tenant agrees that its waiver of Claims set forth in **Section 22** (Indemnity and Exculpation) is given with full knowledge of the presence, or possibility, of lead in or about the Premises and the potential consequences of such fact. Tenant is aware that the presence, or possibility, of lead in or about the Premises may limit Tenant's ability to perform any Improvements or Alterations to the Premises without Tenant first performing abatement of such

lead. The presence of lead in the Premises and the removal or non-removal by Port of all or a portion of the lead, whether in the Premises, shall not, however, (i) entitle Tenant to any Claim, (ii) relieve Tenant of any of its obligations hereunder, including without limitation the obligation to pay Rent, or (iii) constitute or be construed as a constructive or other eviction of Tenant. Notwithstanding any other provisions of this Lease, Tenant agrees to Indemnify Port for its acts or omissions that result in (1) lead-related enforcement actions, including both administrative or judicial proceedings, and (2) any Claims arising from an alleged violation of Cal-OSHA Construction Safety Order for Lead and/or exposures to lead.

**18.8. Storm Water Pollution Prevention.**

(a) Tenant must comply with the applicable provisions of the Statewide General Permit for Discharge of Industrial Storm Water issued by the State Water Resources Control Board, including filing a Notice of Intent to be covered, developing and implementing a site-specific Storm Water Pollution Prevention Plan (“SWPPP”), and conducting storm water monitoring and reporting. Tenant’s SWPPP and a copy of a Notice of Intent for Tenant’s Premises must be submitted to Port’s Real Estate Division before beginning operations on the Premises.

(b) Post-Construction Requirements. In addition to requiring compliance with the permit requirements under Subsection (a), Tenant shall comply with the post-construction stormwater control provisions of the Statewide General Permit for Discharge of Stormwater from Small Municipalities and the San Francisco Stormwater Management Requirements and Design Guidelines, subject to review and permitting by the Port.

**18.9. Presence of Hazardous Materials.** California Law requires landlords to disclose to tenants the presence or potential presence of certain Hazardous Materials. Accordingly, Tenant is hereby advised that Hazardous Materials (as herein defined) may be present on or near the Premises, including, but not limited to, vehicle fluids, janitorial products, tobacco smoke, and building materials containing chemicals, such as asbestos, naturally-occurring radionuclides, lead and formaldehyde. Further, the following known Hazardous Materials are present on the property: , naturally occurring asbestos, contamination commonly found in fill, petroleum contamination, lead-based paint, etc. and the Hazardous Materials described in the reports listed in *Schedule 4*, copies of which have been delivered to or made available to Tenant. By execution of this Lease, Tenant acknowledges that the notice set forth in this section satisfies the requirements of California Health and Safety Code Section 25359.7 and related Laws. Tenant must disclose the information contained in this *Section 18.9* to any subtenant, licensee, transferee, or assignee of Tenant’s interest in this Lease. Tenant also acknowledges its own obligations pursuant to California Health and Safety Code Section 25359.7 as well as the penalties that apply for failure to meet such obligations.

**18.10. Survival.** Tenant’s obligations under *Section 18* shall survive the expiration or earlier termination of this Lease.

For purposes of this *Section 18*, the term “**Commencement Date**” shall mean the commencement date of the Prior Licenses.

**19. INSURANCE.**

**19.1. Required Insurance Coverage.** Tenant, at its sole cost and expense, shall maintain, or cause to be maintained, throughout the Term, starting on the earlier of Tenant’s occupancy under this Lease or the Commencement Date, the following insurance:

(a) **Builders Risk Insurance.** At all times during construction before Completion of the Initial Improvements, and during any period of Subsequent Alteration costing more than Five Hundred Thousand Dollars (\$500,000) (increased annually by three percent (3%)), Tenant shall maintain, or require to be maintained, on a form reasonably approved by Port, builders risk insurance (or its equivalent for any Subsequent Alteration, which may include coverage under a

property insurance program as referenced under *Section 19.1(b)* in the amount equal to the 100% replacement cost value of any existing structures being Rehabilitated or Restored, and 100% of all new construction, including all materials and equipment to be used/incorporated on or about the Premises, and in transit or storage off-site, against all risk or “special form” hazards, and earthquake and flood insurance (subject to *Section 19.1(b)*) including risks from any and all testing of any equipment, including as named insureds, Port and Tenant, with any deductible not to exceed Two Hundred Fifty Thousand (\$250,000) (except as to earthquake and flood insurance for which the deductible will be in accordance with the requirements of *Section 19.1(b)*). Such builders risk insurance also shall extend to cover soft costs and loss of business income for any delayed completion period as caused by any of the perils or hazards set forth in and required to be insured pursuant to *Section 19.1(a)*, for a delay period of not less than two (2) years with a limit of not less than One Million Dollars (\$1,000,000). If available at commercially reasonable rates, such builders risk insurance also shall extend to cover the peril of terrorism.

**(b) Property Insurance; Earthquake and Flood Insurance.**

**(1)** Upon Completion of the Initial Improvements, and upon Completion of Subsequent Alteration of any additional Improvements, Tenant will maintain all risk property insurance policies, in an amount not less than 100% of the then-current full replacement cost of the Premises, including the Building and any Improvements thereon, foundations, pilings, excavations, and footings, including soft costs and increased cost of construction and demolition of damaged and undamaged structures due to the enforcement of Laws, (with any deductible not to exceed Two Hundred Fifty Thousand Dollars (\$250,000). Such property insurance shall name Port as loss payee as its interest may appear. If available at commercially reasonable rates, such insurance shall extend to cover the peril of terrorism.

**(2) Earthquake Insurance.**

(A) During construction of the Initial Improvements, earthquake insurance will be in an amount equal to at least the lesser of (i) the Probable Maximum Loss to the Initial Improvements or, (ii) the maximum amount that is available at commercially reasonable rates from recognized insurance carriers (with a deductible of up to but not to exceed ten percent (10%) of the then-current, full replacement cost of the Initial Improvements without sublimits for excavations and footings; provided that earthquake coverage is available at commercially reasonable rates, except that a greater deductible will be permitted to the extent that such coverage is not available from recognized insurance carriers or at commercially reasonable rates). “**Probable Maximum Loss**” means the scenario upper loss (SUL) estimate of damage that may occur to the structures with a ninety percent (90%) confidence of non-exceedance as a result of an earthquake with a return period of 224 years as determined before Completion of the Initial Improvements and thereafter not less frequently than every ten (10) years by a consultant chosen and paid for by Tenant who is reasonably satisfactory to Port; and

(B) From and after the issuance of a Certificate of Final Completion and Occupancy for the Building, earthquake insurance will be in an amount equal to at least the lesser of (i) the Probable Maximum Loss to the Improvements, or (ii) the amount that is available at commercially reasonable rates from recognized insurance carriers, in each case, with a deductible of up to but not to exceed an amount that is necessary to make such earthquake insurance available at a commercially reasonable rate.

**(3) Flood Insurance.**

(A) During construction of the Initial Improvements, flood insurance will be in an amount, to the extent available at commercially reasonable rates from recognized insurance carriers (or through the NFIP if available) equal to the maximum amount of the then-current, full replacement cost of the Initial Improvements (including building code upgrade coverage and without any deduction being made for depreciation), with a deductible of up to but not to exceed ten percent (10%), except that a greater deductible will be permitted to

the extent that flood coverage is not available from recognized insurance carriers (or through the NFIP) at commercially reasonable rates; and

(B) From and after the issuance of a Certificate of Final Completion and Occupancy for the Building, flood insurance will be in an amount equal to at least the amount available at commercially reasonable rates from recognized insurance carriers or through the NFIP, with a deductible of up to but not to exceed an amount that is necessary to make flood insurance available at commercially reasonable rates.

(4) Exceptions for Earthquake and Flood Insurance. If Tenant determines that earthquake or flood insurance should not be carried on the Improvements because it is not (or no longer) available at commercially reasonable rates (or through the NFIP for flood insurance) or, in Tenant's reasonable business judgment, is imprudent, then Tenant will request in writing Port's consent to the absence or deletion thereof. Any request for Port's consent required under this Section will include with such request evidence supporting Tenant's determination of commercial unreasonableness or imprudence as to the applicable coverage. Such evidence may include quotes, declinations, and notices of cancellation or non-renewal from leading insurance companies for the required coverage, percentage of overall operating expenses attributable thereto, and then current industry practice for comparable mixed-use/retail/office projects in San Francisco. Port will approve or disapprove the absence or deletion of earthquake or flood insurance within forty-five (45) days after Tenant's request. If Port disapproves such request, Port will state the basis for its disapproval. If Tenant elects not to carry or to discontinue such coverage with Port's approval, and Port later determines that due to changes in the industry or other changed circumstances, earthquake insurance or flood insurance, as applicable, has become commercially available at reasonable rates, then Port may notify Tenant thereof, and Tenant will add such coverage to its policy as soon as reasonably practicable thereafter.

(c) Commercial General Liability Insurance. Tenant will maintain, or require to be maintained "Commercial General Liability" insurance with coverage at least as broad as Insurance Services Office form CG 00 01 10 93 (or its replacement) insuring against claims for bodily injury (including death), property damage, personal injury and advertising injury, including coverage for premises operations, blanket contractual liability (to the extent possible under the above-referenced policy form or under a separate policy form) that includes coverage extending to the Indemnity in **Section 22**, broad form property damage, explosion, collapse and underground hazards, independent contractors, products and completed operations, with such insurance to afford protection in an amount not less than Ten Million Dollars (\$10,000,000) per occurrence and annual aggregate, and Ten Million Dollars (\$10,000,000) products and completed operations aggregate, and deleting any exclusions for care, custody and control of real property. In addition, if Tenant has (or is required under Laws to have) a liquor license and is selling or distributing alcoholic beverages on the Premises, then Tenant will maintain or require to be maintained liquor liability coverage with limits not less than Three Million Dollars (\$3,000,000) and Tenant will require any Subtenant or operator who has (or is required under Laws to have) a liquor license and who is selling or distributing alcoholic beverages on the Premises, to maintain such coverage. If applicable, then comprehensive or commercial general liability insurance must include Food Products Liability Insurance with limits not less than One Million Dollars (\$1,000,000) each occurrence.

(d) Workers' Compensation Insurance. During any period in which Tenant has employees, as defined in the California Labor Code, Tenant will maintain or require to be maintained policies of workers' compensation insurance providing statutory limits, including employer's liability coverage with limits not less than One Million Dollars (\$1,000,000) each accident, disease or illness.

(e) Personal Property Insurance. Tenant, at its sole cost and expense, shall procure and maintain on all of Tenant's Property and Alterations, in, on, or about the Premises, and shall require each of its Subtenants to procure and maintain, personal property insurance on

an all risk form, excluding earthquake and flood, in an amount not less than full replacement value or a stated value, at Tenant's sole discretion, for the replacement of Tenant's Property/Subtenant's Property. In addition to the foregoing, Port may, in its sole discretion, insure any personal property leased to Tenant by Port pursuant to this Lease in such amounts as Port deems reasonably appropriate and Tenant shall have no interest in the proceeds of such personal property insurance. Port shall have no responsibility or obligation to maintain insurance or replace Tenant's Property or Subtenant's Property, Alterations, or any Improvements regardless of cause of loss.

**(f) Boiler and Machinery Insurance.** Tenant will maintain, or require to be maintained, boiler and machinery insurance covering damage to or loss or destruction of machinery and equipment, whether integrated into or independent from the structure, located in, on, under, around, or about the Premises that is used by Tenant for heating, ventilating, air-conditioning, power generation and similar purposes, in an amount not less than one hundred percent (100%) of the actual replacement value of such machinery and equipment.

**(g) Business Automobile Insurance.** Tenant will maintain, or require to be maintained, policies of business automobile liability insurance covering all owned, non-owned or hired motor vehicles (including electric carts) to be used by Tenant and its Agents in connection with Tenant's use and occupancy of the Premises, affording protection for bodily injury (including death) and property damage in the form of Combined Single Limit Bodily Injury and Property Damage policy with limits of not less than Five Million Dollars (\$5,000,000) per accident and annual aggregate.

**(h) Business Income Insurance.** From and after the issuance of a Certificate of Final Completion and Occupancy, Tenant will maintain business income insurance, including loss of rents and extra expense caused by any of the perils or hazards set forth in and required to be insured pursuant to **Section 19.1(b)** covering an interruption period of not less than two (2) years, with a limit of not less than twenty-four (24) months' of Gross Revenues.

**(i) Contractor's Pollution Legal Liability Insurance.** Tenant will cause to be maintained during the period of construction of the Initial Improvements and during any periods of Subsequent Alteration, Contractor's Pollution Legal Liability Insurance for any and all Claims caused by pollution conditions, that are sudden, accidental or gradual, resulting from the contractor's operations, or for which contractor is legally liable, in connection with the construction of the Initial Improvements or Subsequent Alteration, whether such operations be by Tenant or Tenant's contractors, subcontractors, consultants or suppliers of the contractor. The foregoing policy will contain minimum liability limits of Five Million Dollars (\$5,000,000) per occurrence and Five Million Dollars (\$5,000,000) in the aggregate with a deductible not to exceed Two Hundred Fifty Thousand Dollars (\$250,000). The foregoing policy will at a minimum contain coverage for or be specifically endorsed to include coverage for pollution conditions resulting in, arising from or in connection with: (i) bodily injury (including death), property damage and environmental cleanup costs (on-site and off-site) resulting from construction of the Initial Improvements or any Subsequent Alteration; (ii) the use or operation of motor vehicles (whether owned, non-owned or leased) in connection with construction of the Initial Improvements or any Subsequent Alteration, including transportation of any Hazardous Materials to or from the project site, including any interim or temporary storage or transfer sites (such transportation coverage will also include loading/unloading of materials); (iii) claims by third parties (other than a disposal site owner) for bodily injury or property damage arising from any disposal location or facility, both final and temporary, to which any waste that is generated in connection with the construction of the Initial Improvements or any Subsequent Alteration under this Lease or in connection with any Remediation obligation of Tenant pursuant to **Section 18** is delivered; all such disposal locations/facilities, both final and temporary, will be scheduled to the foregoing policy as Non-Owned Disposal Sites for coverage under such policy. The foregoing policy will be written on an occurrence form and be in effect during the construction periods described above, or, if not available on an occurrence form, then on a

claims-made form. If the foregoing policy is written on a claims made form, then the foregoing policy will be maintained for, or contain an extended reporting period of, at least five (5) years. The foregoing policy definition of “Covered Operations” or any other such designation of services or operations performed by Tenant’s contractors must include all work or services performed by Tenant’s contractors and their respective subcontractors, consultants, or suppliers.

(j) **Professional Liability.** Tenant will maintain or require to be maintained, professional liability (errors and omissions) insurance, with limits not less than Five Million Dollars (\$5,000,000) each claim and annual aggregate, with respect to all professional services, including architectural, engineering, geotechnical, and environmental, reasonably necessary or incidental to the construction of the Initial Improvements and any Subsequent Alteration with any deductible not to exceed Fifty Thousand Dollars (\$50,000) each claim (the “lead policy”). Notwithstanding the foregoing, however, Tenant may elect, instead of obtaining the foregoing coverages in this **Section 19.1(j)**, to require that any architects, contractors and sub-contractors performing professional services in connection with the Initial Improvements or any Subsequent Alteration carry professional liability insurance (errors and omissions) in an amount not less than Five Million Dollars (\$5,000,000) each claim and annual aggregate with any deductible not to exceed Fifty Thousand Dollars (\$50,000). Such insurance will provide coverage during the period when such professional services are performed and for a period of (A) three (3) years after issuance of a Certificate of Final Completion and Occupancy for the Initial Improvements and (B) five (5) years for any Subsequent Alteration. With respect to Subsequent Alteration, Tenant will require that any architect, contractor or subcontractor performing professional services in connection with such Subsequent Alteration, carry professional liability insurance (errors and omissions) in an amount not less than One Million Dollars (\$1,000,000) each claim and annual aggregate with any deductible not to exceed Twenty Five Thousand Dollars (\$25,000).

(k) **Crime policy.** Crime policy or fidelity bond covering Tenant’s officers and employees against dishonesty with respect to funds provided by Port, in the amount of Seventy Five Thousand Dollars (\$75,000) each loss, with any deductible not to exceed Fifty Thousand Dollars (\$50,000) each loss.

(l) **Special Events/Participants.** Tenant, at its sole cost and expense, shall procure and maintain Special Events/Participants Liability (GL) coverage insurance acceptable to Port, with limits not less than One Million Dollars (\$1,000,000.00).

(m) **Abuse and Molestation.** Abuse and molestation coverage with minimum limits of \$2,000,000 per occurrence and \$4,000,000 in the aggregate. Coverage may be held as a separate policy or included by endorsement in the Commercial General Liability or Errors and Omissions policy.

(n) **Other Coverage.** Not more often than every year and upon not less than sixty (60) days prior written notice, Port may require Tenant to increase the insurance limits set forth above or to provide other coverage and/or different coverage amounts as may be required by Law, the City’s Risk Manager or as is generally required by commercial owners of buildings similar in size, character, age and location as the Premises with respect to risks comparable to those associated with the use of the Premises.

**19.2. Claims-Made Policies.** If any of the insurance required in **Section 19.1 above** is provided under a claims-made form of policy, Tenant shall maintain such coverage continuously throughout the Term and without lapse for a period of three (3) years beyond the termination of this Lease, to the effect that should occurrences during the Term give rise to claims made after termination of this Lease, such claims shall be covered by such claims-made policies.

**19.3. Annual Aggregate Limits.** If any of the insurance required in **Section 19.1 above** is provided under a form of coverage which includes an annual aggregate limit or provides that claims investigation or legal defense costs be included in such annual aggregate limit, such annual aggregate limit shall be double the occurrence limits specified herein.

**19.4. Payment of Premiums.** Tenant shall pay the premiums for maintaining all required insurance.

**19.5. Waiver of Subrogation Rights.** Notwithstanding anything to the contrary contained herein, Port and Tenant (each a “**Waiving Party**”) each hereby waives any right of recovery against the other party for any loss or damage sustained by such other party with respect to the Premises or any portion thereof or the contents of the same or any operation therein, whether or not such loss is caused by the fault or negligence of such other party, to the extent such loss or damage is covered by insurance which is required to be purchased by the Waiving Party under this Lease or is actually covered by insurance obtained by the Waiving Party. Each Waiving Party agrees to cause its insurers to issue appropriate waiver of subrogation rights endorsements to all policies relating to the Premises; provided, the failure to obtain any such endorsement shall not affect the above waiver.

**19.6. General Insurance Matters.**

(a) All liability insurance policies required to be maintained by Tenant hereunder shall contain a cross-liability clause, shall name as additional insureds by written endorsement the “**CITY AND COUNTY OF SAN FRANCISCO AND THE SAN FRANCISCO PORT COMMISSION AND THEIR COMMISSIONERS, OFFICERS, DIRECTORS, EMPLOYEES AND AGENTS,**” shall be primary and non-contributory to any other insurance available to the additional insureds with respect to claims arising under this Lease, and shall provide that such insurance applies separately to each insured against whom complaint is made or suit is brought except with respect to the limits of the company’s liability.

(b) Tenant may satisfy the limits set forth in *Section 19.1* by any combination of primary and excess insurance policies. All insurance policies required to be maintained by Tenant hereunder shall be issued by an insurance company or companies reasonably acceptable to Port with an AM Best rating of not less than A-VIII and authorized to do business in the State of California. Tenant’s compliance with this Section shall in no way relieve or decrease Tenant’s liability under this Lease.

(c) Tenant shall provide thirty (30) days prior written notice of cancellation for any reason, intended non-renewal, or reduction in coverage to Port.

(d) Tenant shall deliver to Port certificates of insurance, additional insured policy endorsements and waiver of subrogation endorsements in a form satisfactory to and at the direction of Port, such as hard copy documentation or use of an internet-based insurance compliance tracking systems such as EXIGIS, evidencing the coverages required herein, together with evidence of payment of premiums, on or before the Commencement Date, and upon renewal of each policy not less than thirty (30) days before expiration of the term of the policy. If Port is using an internet-based insurance compliance tracking system, Tenant’s broker shall complete the insurance questionnaire and submit all required documentation. Tenant shall, upon Port’s request, promptly furnish Port with a complete copy of any insurance policy required hereunder.

**20. DAMAGE OR DESTRUCTION**

**20.1. General; Notice; Waiver.**

(a) General. If at any time during the Term any damage or destruction occurs to all or any portion of the Premises from fire or other casualty (each a “**Casualty**”), the rights and obligations of the Parties shall be as set forth in this *Section 20*.

(b) Notice. If there is any Casualty (i) which would materially impair use or operation of any material portion of the Improvements for their intended purpose for a period of thirty (30) days or longer, or (ii) the repair of which would exceed in an individual instance the amount of One Hundred Thousand Dollars (\$100,000) (increased annually by three percent (3%)), or aggregate amount of Two Hundred Fifty Thousand Dollars (\$250,000) (which amount

includes both hard and soft costs of a Restoration, increased annually by three percent (3%), Tenant shall promptly, but not more than ten (10) days after the occurrence of any such Casualty, give written notice thereof to Port describing with as much specificity as is reasonable, the nature and extent of the damage from such Casualty ("**Casualty Notice**").

(c) Waiver. The Parties intend that this Lease fully govern all of their rights and obligations in the event of any Casualty. Accordingly, Port and Tenant each hereby waive the provisions of Sections 1932(2), 1933(4), 1941 and 1942 of the California Civil Code, as such sections may from time to time be amended, replaced, or restated.

**20.2. No Release of Tenant's Obligations.** Except as set forth in **Section 20.4**, no damage to or destruction of the Premises or any part thereof from any Casualty event shall permit Tenant to surrender this Lease or relieve Tenant from any obligations, including the obligation to pay Rent. In the event of any damage or destruction to the Improvements that does not result in a termination of this Lease, and at all times before completion of Restoration, Tenant shall pay to Port all Rent at the times and in the manner described in this Lease. If this Lease shall not terminate pursuant to this **Section 20**, proceeds of rental interruption or business interruption insurance shall be applied first to unpaid Rent due or coming due before completion of the Restoration and then to costs of Restoring the Premises with any remaining balance to be retained by Tenant. If this Lease shall terminate pursuant to this **Section 20**, proceeds of rental interruption or business interruption insurance shall be applied first to unpaid Rent coming due before termination of this Lease and then such proceeds shall be distributed pursuant to **Section 20.4(b)**.

**20.3. Tenant's Obligation to Restore.** Except in the event of an Uninsured Casualty or Major Casualty for which Tenant elects to terminate this Lease, under **Section 20.4**, if all or any portion of the Improvements are damaged or destroyed by Casualty, Tenant shall promptly (allowing for securing necessary Regulatory Approvals), commence and diligently Restore the Improvements to the condition they were in immediately before such Casualty in accordance with then applicable Laws (including any required code upgrades, the Secretary's Standards and Port's Sign Guidelines), without regard to the amount or availability of insurance proceeds, subject to Force Majeure. All Restoration shall be performed in accordance with the procedures set forth in **Section 14** relating to Alterations and shall be at Tenant's sole expense. In connection with any Restoration, the Improvements may be redesigned, made larger or smaller, reconfigured, or otherwise modified, provided that the Improvements as so redesigned (i) are at least equivalent in quality, appearance, public safety, and durability to and in all respects consistent with the Building as improved with the Initial Improvements and any Subsequent Alterations prior to the Casualty subject to the Permitted Uses and (ii) allow the Permitted Uses to continue without material adverse effect on such uses.

**20.4. Major Casualty or Uninsured Casualty.**

(a) Tenant's Election to Restore or Terminate. If an event of Major Casualty occurs at any time during the Term, or if a change in Laws has occurred which prohibits the Premises from being rebuilt for the Permitted Uses, or if an event of Uninsured Casualty occurs at any time during the Term (other than as set forth in **Section 20.4(c)**), then within ninety (90) days following Tenant's delivery to Port of the Casualty Notice, Tenant shall notify Port of Tenant's election to: (1) commence and complete Restoration of the Improvements, or (2) terminate this Lease (subject to **Section 20.4(b)**). All Restoration shall be in accordance with the procedures set forth in **Section 14** relating to Alterations and shall be at Tenant's sole expense, except as provided in **Section 20.4(c)**.

"**Major Casualty**" means a Casualty event that (i) would require the expenditure of more than Two Million Dollars (\$2,000,000) (increased annually by three percent (3%)), (ii) would require more than two hundred seventy (270) days inclusive of the time to obtain Regulatory Approvals) for completion of the Restoration, or (iii) would prohibit the Premises from being Restored to a design and condition (a) that is substantially similar to the Building (as improved

by the construction of the Initial Improvements and any Subsequent Alterations) or (b) that allows for the Permitted Uses to continue without material adverse effect thereon.

“**Uninsured Casualty**” means any of the following: (i) a Casualty event occurring at any time during the Term for which the costs of Restoration (including the cost of any required code upgrades) are not insured or insurable under the policies of insurance that Tenant is required to carry under **Section 19** and such costs exceed Three Hundred Fifty Thousand Dollars (\$350,000) (increased annually by three percent (3%)); or (ii) a Casualty event occurring at any time during the Term which is covered under Tenant's policies of insurance that Tenant is required to carry under **Section 19** but where the cost of Restoration (including the cost of any required code upgrades) will exceed the sum of (A) the net proceeds of any insurance payable, (B) the amount of any applicable policy deductibles, and (c) Three Hundred Fifty Thousand Dollars (\$350,000) (increased annually by three percent (3%)). Any Casualty event not insured due to Tenant's failure to maintain the requisite insurance policies under **Section 19** shall not be considered an Uninsured Casualty. As to any Casualty caused by earthquake or flood, the amount of such policy deductible shall be deemed to be the lesser of the amount of the policy deductible for non-earthquake or flood damage under Tenant's property insurance policy maintained under **Section 22** as of the date of Casualty, or the actual amount of such policy deductible.

**(b) Conditions to Termination.** As a condition precedent to Tenant's right to terminate this Lease in accordance with **Section 20.4(a)**, there shall be no uncured Tenant Event of Default and Tenant shall do all of the following:

**(i)** The Casualty Notice shall include the estimated cost of Restoration and with respect to the Uninsured Casualty only, the amount by which the estimated cost of Restoration (or time needed to Restore) exceeds insurance proceeds payable (or those insurance proceeds which would have been payable but for Tenant's failure to maintain insurance required to be maintained hereunder); and

**(ii)** Pay or cause to be paid the following amounts from all insurance proceeds arising from each Casualty promptly following receipt of such proceeds, in the following order of priority:

**(1)** First, to Port (or Tenant, if such work is performed by, or on account of, Tenant at its cost) for the actual costs incurred for any work required to alleviate any conditions caused by such Casualty that could cause an immediate or imminent threat to the public safety and welfare or damage to the environment, including any demolition or hauling of rubble or debris;

**(2)** Second, to Port, for all accrued and unpaid amounts owed to Port, if any, by Tenant;

**(3)** Third, to each Permitted Mortgagee, in order of priority, a portion of the remaining casualty insurance proceeds arising out of or in connection with the Casualty causing such Major Damage or Uninsured Casualty in an amount not to exceed the aggregate amounts then owed to each such Permitted Mortgagee; and

**(4)** Fourth, to Port and Tenant as follows: the balance of the insurance proceeds shall be divided proportionately between Port, for the value of Port's reversionary interest in the Premises and the Improvements (in their condition immediately prior to the Casualty event), as of the date the Term would have expired but for the Casualty, and Tenant, for the value of the Improvements for the remaining unexpired portion of the Term (in their condition immediately prior to the Casualty event); and

**(iii)** Pay to Port any Rent due and payable as of the proposed termination date (to the extent any Rent due and payable remains unpaid after application of insurance proceeds pursuant to **Section 20.4(b)(ii)(2)**); and

(iv) Upon termination in accordance with this **Section 20**, Tenant shall deliver possession of the Premises to Port and quitclaim to Port all right, title and interest in the Premises and in any remaining Improvements.

(c) Port's Election Upon Notice of Termination. Notwithstanding **Section 20.4(a)**, if Tenant elects to terminate this Lease solely due to an Uninsured Casualty, then within sixty (60) days after Port's receipt of the Casualty Notice, Port may elect by giving written notice to Tenant, to continue this Lease and pay the amount to Tenant by which the cost of Restoration will exceed the net proceeds of any insurance payable under the policies of insurance that Tenant is required to carry under **Section 19** (or which would have been payable but for Tenant's failure to maintain such insurance) by more than Three Hundred Fifty Thousand Dollars (\$350,000) (increased annually by three percent (3%)). If Port elects to continue this Lease as set forth in this **Section 20.4(c)**, then notwithstanding Tenant's election to terminate this Lease, this Lease shall not be terminated and Tenant shall be obligated to Restore the Premises in accordance with **Section 20.3**.

**20.5. Date and Effect of Termination.** If Tenant elects to terminate this Lease under **Section 20.4(a)**, and Port elects not to continue this Lease under **Section 20.4(c)**, then, on the date that Tenant shall have fully complied with all provisions of **Section 20.4(b)** to the reasonable satisfaction of Port, this Lease shall terminate. Upon such termination, the Parties shall be released thereby without further obligations to the other party as of the effective date of such termination; provided, however, that the Indemnification provisions and any other provisions that explicitly state they will survive expiration or earlier termination of this Lease shall survive any such termination. Any rights of Tenant or Port to receive insurance proceeds in accordance with the provisions of this Lease will survive the termination of this Lease.

**20.6. Distribution Upon Lease Termination.** If Tenant is obligated to and fails to Restore the Improvements as provided herein and commits an Event of Default in failing to Restore the Improvements and this Lease is thereafter terminated due to such Event of Default, all insurance proceeds held by Port, Tenant and any Permitted Mortgagee, or not yet collected, shall be paid to and retained by Port, subject to the rights of Permitted Mortgagees, if any.

**20.7. Use of Insurance Proceeds.** Except in the event of termination of this Lease in accordance with **Section 20.4**, all all-risk coverage insurance proceeds, earthquake and flood proceeds, boiler and machinery insurance proceeds, and any other insurance proceeds paid to Tenant by reason of Casualty (other than business or rental interruption insurance), must be used by Tenant for Restoration of the Premises.

**20.8. Arbitration of Disputes.**

(a) Estimators. In the event Port and Tenant cannot mutually agree upon the cost of Restoration (the "**Disputed Amount**"), such dispute shall be determined in the manner provided in this **Section 20.8**. Either party may invoke the provisions of this **Section 20.8** at any time there is a Disputed Amount by delivering written notice to the other party ("**Arbitration Notice**"). Within twenty (20) days after receipt of the Arbitration Notice, each party shall designate, by written notice to the other party, a professional cost estimator having at least ten (10) years' experience in estimating construction costs of major construction projects in the City, and who is competent, licensed, disinterested and independent ("**Estimator**"). Each Estimator shall make an independent determination of the Disputed Amount, in accordance with the provisions hereof. The Estimators may share and have access to objective information in preparing their estimates, but they will otherwise act independently. Each Estimator shall complete, sign and submit its written estimate of the cost of Restoration ("**Restoration Cost**") within fifteen (15) days after the appointment of the last Estimator unless the parties agree to permit a longer period of time. If the higher estimate of the Restoration Cost is not more than ten percent (10%) of the lower estimate, the Restoration Cost shall be determined for purposes of this Lease to equal the average of the two (2) determinations. If a party fails to designate an Estimator within the twenty (20) day period, then the determination made by the sole Estimator shall control.

**(b) Arbitration.** If the higher estimate of the Restoration Cost is more than ten percent (10%) of the lower estimate, the parties shall agree upon and appoint a third Estimator (the “**Arbitrator**”) within thirty (30) days after the first two (2) determinations have been submitted to the parties. The Arbitrator shall have the minimum qualifications set forth in **Section 20.8(a)**, and also shall have experience acting as an arbitrator of disputes involving construction costs or construction disputes. If the parties do not appoint the Arbitrator within such thirty (30) day period, then either party may apply to the American Arbitration Association, or any similar provider of professional commercial arbitration services, for appointment in accordance with the rules and procedures of such organization of an independent arbitrator meeting the foregoing qualifications. The Arbitrator shall consider the estimates submitted by the Estimators as well as any other relevant written evidence that the parties may choose to submit. If a party chooses to submit any such evidence, it shall deliver a complete and accurate copy to the other party at the same time it submits the same to the Arbitrator. Neither party shall conduct ex parte communications with the Arbitrator regarding the subject matter of the Arbitration. Within fifteen (15) business days after his or her appointment, the Arbitrator shall select one of the estimates as the more accurate estimate of the Restoration Cost. The determination of the Arbitrator shall be limited solely to the issue of deciding which of the estimates is closest to the actual Restoration Cost. The Arbitrator shall have no right to propose a middle ground or to modify either of the two (2) estimates.

**(c) Conclusive Determination.** Except as provided in California Code of Civil Procedure Section 1286.2 (as the same may be amended from time to time), the determination by the Estimators, or if applicable, the Arbitrator shall be conclusive, final and binding on the Parties. Neither the Estimators, or if applicable, the Arbitrator shall have any power to modify any of the provisions of this Lease. Subject to the provisions of this **Section 20.8**, the parties will cooperate to provide all appropriate information to the Estimators and if applicable, the Arbitrator. The Estimators, and if applicable, the Arbitrator will each report their respective determinations in writing, supported by the reasons for the determination.

**(d) Conduct of Arbitration Proceeding.** Any arbitration proceeding conducted pursuant to this **Section 20.8** shall be subject to California Code of Civil Procedure Sections 1280 to 1294.2 (but excluding Section 1283.05 with respect to discovery), or successor Laws then in effect relating to arbitration generally. Any such proceeding shall be conducted in the City.

**(e) Fees and Costs; Waiver.** Each party shall bear the fees, costs and expenses of the Estimator it selects. The parties shall share the fees, costs and expenses of the Arbitrator and the costs and expenses of the arbitration proceeding equally. The parties waive any claims against the Estimator appointed by the other party, and against the Arbitrator, for negligence, malpractice, or similar claims in the performance of the estimates or arbitration contemplated by this **Section 20.8**.

**(f) Arbitration of Disputes.** With respect to the arbitration provided for in this **Section 20.8**, the Parties agree as follows:

Any judgment upon the award rendered by the arbitration may be entered in any court having jurisdiction of such arbitration in accordance with the terms of this Lease. This arbitration provision does not affect the rights of either party to seek confirmation, correction or vacation of the arbitration award pursuant to California Code of Civil Procedure Sections 1285 et seq.

## 21. CONDEMNATION.

### 21.1. *General; Notice; Waiver.*

(a) General. If, at any time during the Term, there is any Condemnation of all or any part of the Premises, the rights and obligations of the Parties shall be determined pursuant to this *Section 21*.

(b) Notice. In case of the commencement of any proceedings or negotiations which might result in a Condemnation of all or any portion of the Premises during the Term, the party learning of such proceedings shall promptly give written notice of such proceedings or negotiations to the other party. Such notice shall describe with as much specificity as is reasonable, the nature and extent of such Condemnation or the nature of such proceedings or negotiations and of the Condemnation that might result therefrom, as the case may be.

(c) Waiver. Except as otherwise provided in this *Section 21*, the Parties intend that the provisions of this Lease shall govern their respective rights and obligations in the event of a Condemnation. Accordingly, but without limiting any right to terminate this Lease in accordance with this *Section 21*, Tenant waives any right to terminate this Lease upon the occurrence of a Partial Condemnation under Sections 1265.120 and 1265.130 of the California Code of Civil Procedure, as such sections may from time to time be amended, replaced or restated.

**21.2. Total Condemnation.** If there is a Condemnation of the entire Premises or Tenant's leasehold interest therein (a "**Total Condemnation**"), this Lease shall terminate as of the Condemnation Date. Upon such termination, except as otherwise set forth in this Lease, the Parties shall be released without further obligations to the other party as of the Condemnation Date, subject to the payment to Port of accrued and unpaid Rent, up to the Condemnation Date.

**21.3. Substantial Condemnation; Partial Condemnation; Rent Abatement.** If there is a Condemnation of any portion but less than all of the Premises, the rights and obligations of the Parties shall be as follows:

(a) Substantial Condemnation. If there is a Substantial Condemnation, this Lease shall terminate at Tenant's option (which shall be exercised, if at all, at any time within ninety (90) days after the Condemnation Date by delivering written notice of termination to Port) in accordance with this *Section 21.3(a)*. "**Substantial Condemnation**" means a Condemnation of (A) less than the entire Premises which renders the Premises untenable, unsuitable or economically unfeasible for the Permitted Uses as reasonably determined by Tenant or (B) property located outside the Premises that substantially and materially eliminates access to the Premises where no alternative access can be constructed or made available, as reasonable determined by Port. Notwithstanding the foregoing, Tenant shall have no right to terminate this Lease under this *Section 21.3(a)* if (1) the Condemnation is for less than one year (unless such

Condemnation occurs during the last five (5) years of the Term), or (2) Tenant reasonably anticipates (i) based upon a schedule of performance for such Restoration prepared by Tenant in consultation with a licensed general construction contractor that at the time of completion of the Restoration, less than five (5) years would remain in the Term) and (ii) the cost of such Restoration is more than at least Three Hundred Fifty Thousand Dollars (\$350,000) (increased annually by three percent (3%)), unless Port (in its sole and absolute discretion and without any obligation to do so) gives written notice to Tenant within thirty (30) days (subject to extension as provided below) after receipt of Tenant's termination notice that Port agrees, at its cost and expense, to pay any amount by which the cost of such Restoration exceeds by at least Three Hundred Fifty Thousand Dollars (\$350,000) (increased annually by three percent (3%)). In either such case, this Lease shall not terminate, and, upon a determination that this Lease shall continue based on amount of the Award, Tenant shall perform such Restoration, subject to the provisions of **Section 14**. Port's right to exercise the option described in clause (2) above shall be conditioned upon Port and Tenant reaching an agreement, with respect to the schedule for performance of required work, on the timing of payments of Port's contribution to the costs of such work (to the extent not available from Port's share of the Award), and any other related issues which may be necessary or appropriate for resolution in connection with such work and the payment for such work. If no satisfactory agreement is reached within such period, Port shall have no right to exercise such right, and such Condemnation shall be deemed a Substantial Condemnation for which Tenant may terminate this Lease.

**(b) Partial Condemnation.** If there is a Condemnation of any portion of the Premises which does not result in a termination of this Lease under **Sections 21.2** or 21.3(a) (a “**Partial Condemnation**”), this Lease shall terminate only as to the portion of the Premises taken in such Partial Condemnation effective as of the Condemnation Date and this Lease shall remain in full force and effect as to the portion of the Premises remaining immediately after such Condemnation. Tenant shall promptly commence and complete any necessary Restoration of the remaining portion of the Premises, at no cost to Port. Any such Restoration shall be performed in accordance with the provisions of **Section 14**.

**(c) Rent Abatement.** In the case of a Partial Condemnation, or in the case of a Substantial Condemnation which does not result in a termination of this Lease, the Base Rent payable from the Condemnation Date shall be equitably reduced in the proportion that the gross square footage of the Premises which is taken in such Partial or Substantial Condemnation, as applicable, bears to the aggregate gross square footage of the Premises immediately prior to such Partial or Substantial Condemnation, as applicable.

**21.4. Awards.** Except as provided in **Sections 21.5** and **21.6**, Awards and other payments to either Port or Tenant on account of a Condemnation, less costs, fees and expenses of either Port or Tenant (including reasonable Attorneys' Fees and Costs) incurred in the collection thereof (“**Net Awards and Payments**”) shall be allocated between Port and Tenant as follows:

**(a)** In the event of a Partial Condemnation, first, to pay costs of Restoration, in which case, the portion of the Net Awards and Payments allocable to Restoration shall be payable to Tenant and any Permitted Mortgagee;

**(b)** Second, to Port for the value of the condemned land only, subject to the particular uses of the Premises existing immediately prior to the Condemnation Date, and without reference to, or inclusion of, Port's reversionary interest in the value of the Improvements (the “**Condemned Land Value**”);

**(c)** Third, to Port for any accrued and unpaid Rent owed by Tenant to Port for periods prior to the Condemnation Date;

**(d)** Fourth, to each Permitted Mortgagee, if any, in order of priority, for payment of all outstanding amounts of the loan secured by such mortgage, together with its reasonable out

of pocket expenses and charges in collecting the Net Awards and Payments, including without limitation, its reasonable attorneys' fees incurred in the Condemnation;

(e) Fifth, to Tenant in an amount equal to the value of Tenant's leasehold interest in this Lease, not including the value of the Improvements on the Premises, for the remaining unexpired portion of the Term; and

(f) Sixth, the balance of the Net Awards and Payment shall be divided proportionately between Port, for the value of Port's reversionary interest in the Improvements (based on the date the Term would have expired but for the event of Condemnation), and Tenant, for the value of the Improvements for the remaining unexpired portion of the Term.

(g) Notwithstanding anything to the contrary set forth in this **Section 21.4**, any portion of the Net Awards and Payments which has been specifically designated by the condemning authority or in the judgment of any court to be payable to Port or Tenant on account of any interest in the Premises or the Improvements separate and apart from the Condemned Land Value, the value of Port's reversionary interest in the Improvements, Tenant's leasehold interest in this Lease, or the value of the Improvements on the Premises for the remaining unexpired portion of the Term, shall be paid to Port or Tenant, as applicable, as so designated by the condemning authority or judgment.

**21.5. Temporary Condemnation.** If there is a Condemnation of all or any portion of the Premises for a temporary period lasting less than the remaining Term, other than in connection with a Substantial Condemnation, this Lease shall remain in full force and effect, there shall be no abatement of Rent, and the entire Award shall be payable to Tenant.

**21.6. Relocation Benefits, Personal Property.** Notwithstanding **Section 21.4**, Port shall not be entitled to any portion of any Net Awards and Payments payable in connection with the Condemnation of the personal property of Tenant or any of its Subtenants.

## **22. INDEMNITY AND EXCULPATION.**

**22.1. General Indemnity.** Tenant shall Indemnify Port, City, including, but not limited to, all of their respective boards, commissions, departments, agencies, and other subdivisions, and their respective Agents (collectively, "**Indemnified Parties**") from, and shall defend them, without cost to the Indemnified Parties, against any and all Claims arising directly or indirectly out of: (a) any accident, injury to or death of any person, including any Agents and/or Invitees of Tenant, or loss or damage to or destruction of any property occurring in, on or about the Premises, or any other Port property, from any cause whatsoever, or (b) any default by Tenant in the observance or performance of any of the terms, covenants or conditions of this Lease, including the provisions of **Section 23**, or (c) the use, occupancy, manner of use or occupancy, or condition of the Premises or the activities therein by Tenant, its Agents, or Invitees, or (d) any construction or other work undertaken by Tenant on the Premises whether before or during the Term, or (e) any acts, omissions or negligence of Tenant, its Agents or Invitees, in, on or about the Premises, or any other Port property.

### **22.2. Hazardous Materials Indemnity.**

(a) In addition to its obligations under **Section 22.1**, subject to **Section 22.2(b)**, Tenant, for itself and on behalf of its Agents and Invitees, agrees to Indemnify the Indemnified Parties from any and all Hazardous Material Claims that arise as a result of: (i) any Hazardous Material Condition, and (ii) Tenant's Exacerbation of any Hazardous Material Condition.

(b) Unless Tenant or its Agents or Invitees Exacerbate a Hazardous Material Condition, Tenant's Indemnity obligations under this Lease do not include any Hazardous Material Claims that arise as a result of a Hazardous Material Condition: (i) caused solely by City, Port, or their Agents during Tenant's its Agents or Invitees occupancy of the Premises; (ii) arising before the Commencement Date or the date of Tenant's first use of the Premises under the Prior Licenses, whichever is earlier; (3) caused by Tenant's Agent's acts, omissions or

negligence on other Port Property (in other words, on Port property other than the Premises), unless such Agent was performing work on Tenant's behalf or otherwise acting on Tenant's behalf in furtherance of the Permitted Uses under this Lease; or (4) caused by Tenant's Invitee's acts, omissions or negligence on other Port Property (in other words, on Port property other than the Premises).

(c) Tenant's obligation to Indemnify the Indemnified Parties includes: (i) costs incurred in connection with any Investigation or Remediation requested by Port or required by any Environmental Regulatory Agency and to restore the affected area to its condition before the Release; (ii) damages for diminution in the value of the Premises; (iii) damages for the loss or restriction on use of rentable or usable space or of any amenity of the Premises; (iv) damages arising from any adverse impact on marketing the space; (v) sums paid in settlement of Claims, Hazardous Material Claims, Environmental Regulatory Actions, including fines and penalties; (vi) natural resource damages; and (vii) attorneys' fees, consultant fees, expert fees, court costs, and all other litigation, administrative or other judicial or quasi-judicial proceeding expenses. If Port pays any costs within the scope of this section, Tenant must reimburse Port for Port's costs, plus interest at the Interest Rate from the date Port incurs each cost until paid, within three (3) business days after Port's payment demand. Tenant's obligations hereunder shall survive the expiration or earlier termination of this Lease.

**22.3. Scope of Indemnities.** The Indemnification obligations of Tenant set forth in this Lease shall be enforceable regardless of the joint or concurrent, active or passive negligence of the Indemnified Parties, and regardless of whether liability without fault is imposed or sought to be imposed on the Indemnified Parties. The Indemnification obligations of Tenant set forth in this Lease shall be enforceable except to the extent that such Indemnity is void or otherwise unenforceable under applicable Law in effect on, or validly retroactive to, the date of this Lease. Except as specifically provided otherwise, the Indemnification obligations of Tenant set forth in this Lease shall exclude Claims resulting solely from the willful misconduct or gross negligence of the Indemnified Parties.

In addition to Tenant's obligation to Indemnify the Indemnified Parties, Tenant specifically acknowledges and agrees that it has an immediate and independent obligation to defend the Indemnified Parties from any Claim which actually or potentially falls within the Indemnification obligations of Tenant set forth in this Lease, even if the allegations are or may be groundless, false or fraudulent. This Indemnification by Tenant shall begin from the first notice that any claim or demand is or may be made and shall continue at all times thereafter.

Port agrees that Tenant's Indemnity for Claims that arise out of any Tenant's Invitee's acts, omissions or negligence on "other Port property" as set forth above in **Section 22.1** applies only if such Claims (i) arise directly or indirectly out of Tenant's Invitee's acts, omissions or negligence, and (ii) such act, omission or negligence occurred in, on, under, or about the Premises.

Port agrees that Tenant's Indemnity for Claims that arise out of any Tenant's Agent's acts, omissions or negligence on "other Port property" as set forth above in **Section 22.1** applies only if such Claims (i) arise directly or indirectly out of Tenant's Agent's acts, omissions or negligence, and (ii) such act, omission or negligence occurred while such Agent was performing work on Tenant's behalf or otherwise acting on Tenant's behalf in furtherance of the Permitted Uses under this Lease.

**22.4. Exculpation and Waiver.** To the fullest extent permitted by law, Tenant, as a material part of the consideration to be rendered to Port, hereby waives any and all Claims, including without limitation all Claims arising from the joint or concurrent, active or passive, negligence of the Indemnified Parties, but excluding any Claims caused solely by the Indemnified Parties' willful misconduct or gross negligence. The Indemnified Parties shall not be responsible for or liable to Tenant, and Tenant hereby assumes the risk of, and waives and

releases the Indemnified Parties from all Claims, whether direct or indirect, known or unknown, foreseen or unforeseen, for any injury, loss or damage to any person or property in or about the Premises by or from any cause whatsoever including, without limitation, (i) any act or omission of persons occupying adjoining premises or any part of the adjacent to or connected with the Premises, (ii) theft, (iii) explosion, fire, steam, oil, electricity, water, gas or rain, pollution or contamination, (iv) stopped, leaking or defective Building Systems, (v) Building defects, (vi) damages to goods, wares, goodwill, merchandise, equipment or business opportunities, (vii) Claims by persons in, upon or about the Premises, or any other Port property for any cause arising at any time, (viii) alleged facts or circumstances of the process or negotiations leading to this Lease prior to the Commencement Date, (ix) inability to use all or any portion of the Premises due to sea level rise, and (x) any other acts, omissions or causes to the fullest extent permitted by law.

Tenant understands and expressly accepts and assumes the risk that any facts concerning the Claims released in this Lease might be found later to be other than or different from the facts now believed to be true, and agrees that the releases in this Lease shall remain effective. Therefore, with respect to the Claims released in this Lease, Tenant waives any rights or benefits provided by Section 1542 of the Civil Code, which reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Tenant specifically acknowledges and confirms the validity of the release made above and the fact that Tenant was represented by counsel who explained the consequences of the release at the time this Lease was made, or that Tenant had the opportunity to consult with counsel, but declined to do so.

**22.5. *Survival.*** The provisions of this Section shall survive the expiration or earlier termination of this Lease.

## **23. TRANSFERS AND SUBLEASING.**

**23.1. *Financing.*** Except with Port's express prior written consent, in its reasonable discretion, Tenant shall not (i) engage in any Financing or other transaction creating any mortgage, deed of trust or similar security instrument upon Tenant's leasehold interest in the Premises or Tenant's interest in the Improvements under this Lease; or (ii) place or suffer to be placed upon Tenant's leasehold interest in the Premises or interest in the Improvements any lien or other encumbrance. Under no circumstance whatsoever shall Tenant place or suffer to be placed any lien or encumbrance on Port's fee interest in the land in connection with any Financing permitted hereunder, or otherwise. Port shall not subordinate its interest in the Premises, nor its right to receive Rent, to any Permitted Mortgagee of Tenant. Any mortgage, deed of trust, or similar security instrument, encumbrance or lien not permitted by Port shall be deemed to be a violation of this covenant on the date of its execution or filing of record regardless of whether or when it is foreclosed or otherwise enforced.

### **23.2. Transfer.**

**(a)** Tenant must obtain Port's prior written consent to any Transfer, which Port will not withhold unreasonably.

**(i)** Tenant agrees that any of the following will be a reasonable basis for Port to withhold its consent: (1) at the time Tenant requests Port's consent, an Event of Default, or an event that with notice or the passage of time or both would constitute an Event of Default if not cured, has occurred and remains uncured; (2) the Transfer is by a Transferee of Tenant; (3) the Transferee's financial condition is or may become insufficient to support all of the then-remaining financial and other obligations of this Lease; (4) the Transferee's intended use of the Premises is inconsistent with this Lease or otherwise will affect any City or Port interest materially and adversely; (5) the nature of the Transferee's use of the Premises would involve a materially increased risk of the Handling or Release of Hazardous Materials or of fire or other casualty; (6) the business reputation or character of the Transferee is not reasonably acceptable to Port; (7) the Transferee is not likely to conduct a business in the Premises of a quality substantially equal to Tenant's or otherwise reasonably acceptable to Port; or (8) the Transfer does not reflect an arm's length transaction.

**(ii)** Tenant also agrees that Port will have the right to impose reasonable conditions to a requested consent to a Transfer, which may include: (1) requiring the Transferee to assume all of Tenant's obligations under this Lease; and (2) giving Port the right to terminate without notice all of Tenant's then-existing Subleases if this Lease is terminated before the existing Subleases expire.

**(b)** At least one hundred twenty (120) days before any Transfer, Tenant must give Port a Transfer Notice and the following: (i) Certified financial statements for the three (3) years before the Transfer Date (or each year of the proposed Transferee's existence, if shorter) for the Transferee and for any other Person who will be liable for Tenant's obligations under this Lease; (ii) Tenant's current Certified financial statements; (iii) a copy of the proposed Transfer Agreement; and (iii) the Transferee's completed pre-screening and leasing application. In addition, Tenant must provide: (1) any other information, documentation, or evidence that Port reasonably requests to enable Port to evaluate the Transfer and the Transferee; and (2) if any of the Transfer Terms are modified before the Transfer Date, a new Transfer Notice and all relevant documentation for any modified Transfer Terms. Tenant's Transfer Notice will not be complete until Tenant has provided Port with all information required under this Subsection.

For up to thirty (30) days after receipt of the complete Transfer Notice, Port will have the right to take an assignment from Tenant of the interest that Tenant proposes to Transfer on the same terms and conditions as stated in the Transfer Agreement, and, if exercised, Tenant shall be released from all further obligations under this Lease with respect to such interest (except for obligations that survive lease expiration).

**(c)** Unless the Transfer requires Port Commission and/or Board of Supervisors review and/or approval (as determined by Port in its sole discretion), Port will use commercially reasonable efforts to respond to the Transfer request no later than sixty (60) days after receipt of Tenant's complete Transfer Notice. If the Transfer requires Port Commission and/or Board of Supervisors review and/or approval, Port will use commercially reasonable efforts to respond to the Transfer request no later than ninety (90) days after receipt of Tenant's complete Transfer Notice. Port's failure to respond within the applicable period shall constitute Port's denial of consent. If Port does not consent to the Transfer, Port shall set forth its reasons for withholding consent upon Tenant's request. If Port consents to the Transfer, Tenant must close the Transfer on the Transfer Terms stated in the Transfer Notice within ninety (90) days after Port notifies Tenant of Port's consent. If the Transfer Agreement does not close within the 90-day period, then Port's consent will expire, unless Tenant gives Port a new Transfer Notice, in which case Port again will be entitled to exercise any of the options under this Section.

(d) Any Transfer that does not comply with this Section fully will constitute an incurable Event of Default and will be void as to Port and this Lease. Port's consent to one Transfer will have no effect with respect to any other Transfer.

(e) Transfer Agreement Requirements. Any Transfer Agreement must include the provisions set forth below.

(i) The Transferee's express assumption of, and acknowledgement and agreement that the Transferee will be jointly and severally liable for, all of Tenant's obligations under this Lease, subject to any agreement between Port and Tenant to release Tenant from any obligations and liabilities accruing after the effective date of the Transfer;

(ii) The Indemnification clause and waiver of claims provisions in **Section 22** (Indemnity and Exculpation);

(iii) Insurance provisions requiring that all of the Transferee's liability and other insurance policies name "*The City and County of San Francisco, the San Francisco Port Commission, and their commissioners, officers, agents, employees, and representatives*" as additional insureds and acknowledging Port's right to demand increased coverage to amounts customarily required by other San Francisco landlords for premises where business activities similar to the Transferee's are conducted;

(iv) A provision stating that if this Lease is terminated for any reason, the Transferee's right to possession under the Transfer Agreement will terminate;

(v) A provision under which the Transferee expressly waives any and all relocation assistance and benefits in connection with this Lease to the extent permitted by applicable Laws; and

(vi) A provision under which the Transferee expressly agrees to report the transfer to the County Assessor in accordance with **Section 8.1** of this Lease.

**23.3. Port's Participation in Sale Proceeds.** In addition to all requirements of **Section 23.2**, the following provisions apply to any Sale.

(a) Tenant and all subsequent assignees must pay to Port twelve percent (12%) of Tenant's Net Sale Proceeds from each Sale as Port's Sale Participation, concurrently with and as a condition to the Sale Closing.

(b) As soon as available after Port consents to a Sale, Tenant must deliver to Port an estimated closing statement that includes Tenant's best estimate of: (i) Gross Sale Proceeds; (ii) Costs of Sale; (iii) Net Sale Proceeds; and (iv) Port's Sale Participation. The closing statement must be updated and delivered to Port the business day before the Sale Closing. If an escrow account is not established for the Sale, the final closing statement must be Certified and state any variances from the estimated closing statement in form and content reasonably acceptable to Port. If escrow is opened for the Sale, Port's Sale Participation will be distributed through escrow. If no escrow is opened for the Sale, Port's Sale Participation will be paid upon the Sale Closing. Within forty-five (45) days after any Sale Closing such Sale, transferor Tenant will submit to Port a Certified statement prepared by a financial officer or other accountant employed or retained by transferor Tenant in accordance with sound accounting principles consistently applied, confirming the actual amounts under (i) – (iv). At Port's option, any overpayments may be either refunded to transferor Tenant or applied to any other amount then due and unpaid or credited against Rent due. The statements delivered to Port under this Section are subject to the audit provisions of **Section 23.7** for determination of the accuracy of Tenant's reporting of the Port's share of Sale Proceeds.

(c) Port may reference in any estoppel certificate or other representation requested from Port that payment to Port of Port's Sale Participation is a material obligation under the Lease, due and owing upon the closing of any Sale hereunder, provided, however,

failure to reference such obligation will in no way negate Tenant's obligation to pay, and Port's right to receive, Port's Sale Participation.

(d) Tenant's obligation to pay Port's Sale Participation will survive the Sale Closing and the expiration or termination of this Lease.

(e) If Tenant Completed the Initial Improvements or any Subsequent Alterations that constitute capital improvements, Net Sale Proceeds will be reduced by Tenant's Adjusted Basis, but only if Port previously approved Tenant's Certified Construction Costs as follows. Within ninety (90) days after Completion of the Initial Improvements or any Subsequent Alterations, Tenant must deliver to Port a Certified Construction Costs Report in form and content acceptable to Port in its reasonable discretion. If Port requests, the report must be accompanied by a CPA's agreed-upon procedures report prepared in accordance with AICPA standards for compliance attestation specifying Port as an intended user, in which case Tenant shall have until the date that is one hundred twenty (120) days after the end of Tenant's fiscal year to provide the Construction Costs Report. Port will notify Tenant in writing whether Port agrees or disagrees with Tenant's Construction Costs Report (including whether Port agrees that Subsequent Alterations constitute capital improvements) within ninety (90) days after receiving it. Port will have the right to inspect Tenant's Books and Records for the Construction Costs Report. Tenant must keep accurate Books and Records of all Construction until the later of two (2) years after Tenant's submission of any Construction Costs Report or six (6) months after any dispute regarding the Construction Costs has been resolved. Tenant's failure to submit a Construction Costs Report as and when required under this Section will be deemed a waiver of its right to make a reduction to Net Sale Proceeds.

The following example is provided for illustrative purposes only:

Gross Sale Proceeds:	\$7,000,000
Costs of Sale:	\$(500,000)
Tenant's Adjusted Basis	\$(5,000,000)
Net Sale Proceeds before distribution:	\$1,500,000
Port's Sale Participation @12% of adjusted Net Sale Proceeds:	\$180,000

**23.4. Port's Participation in Financing Proceeds.** In addition to all requirements of *Section 23.1*, the following provisions apply to any Financing.

(a) Tenant and all subsequent assignees must pay to Port twelve percent (12%) of Tenant's Net Financing Proceeds from each Financing as Port's Financing Participation, concurrently with and as a condition to the Financing Closing.

(b) As soon as available after Port consents to a Financing, Tenant must deliver to Port an estimated closing statement that includes Tenant's best estimate of: (i) Gross Financing Proceeds; (ii) Net Financing Proceeds; and (iii) Port's Financing Participation. The closing statement must be updated and delivered to Port the business day before the Financing Closing. If an escrow account is not established for the Financing, the final closing statement must be Certified by a financial officer or other accountant employed or retained by Tenant and state any variances from the estimated closing statement in form and content reasonably acceptable to Port. If escrow is opened for the Financing, Port's Financing Participation will be distributed through escrow. If no escrow is opened for the Financing, Port's Financing Participation will be paid upon the Financing Closing. Within forty-five (45) days after any Financing Closing such Financing, Tenant will submit to Port a Certified statement prepared by a financial officer or other accountant employed or retained by Tenant in accordance with sound accounting principles consistently applied, confirming the actual amounts under (i) – (iii). At Port's option, any overpayments may be either refunded to Tenant or applied to any other amount then due and unpaid or credited against Rent due. The statements delivered to Port under this Section are

subject to the audit provisions of **Section 23.7** for determination of the accuracy of Tenant's reporting of the Port's share of Financing Proceeds.

(c) Port may reference in any estoppel certificate or other representation requested from Port that payment to Port of Port's Financing Participation is a material obligation under the Lease, due and owing upon the closing of any Financing hereunder, provided, however, failure to reference such obligation will in no way negate Tenant's obligation to pay, and Port's right to receive, Port's Financing Participation.

(d) Tenant's obligation to pay Port's Financing Participation will survive the Financing Closing and the expiration or termination of this Lease.

The following example is provided for illustrative purposes only:

Gross Financing Proceeds:	\$7,000,000)
Financing Costs:	\$(500,000)
Amount of outstanding indebtedness repaid:	\$0
Cost of Improvements not financed	\$(5,500,000)
Financing Reinvestment:	\$(750,000)

### **23.5. Subleasing by Tenant.**

(a) Subleases. Tenant will not Sublease any portion of the Premises without the prior written consent of Port which will not be unreasonably withheld. All Subleases must be in full compliance with all of the terms and provisions of this **Section 23.5**. A Sublease without Port's consent will be voidable by Port, in its sole discretion. Nothing in this Lease is intended to restrict or prohibit Tenant and its Subtenants from allocating costs associated with this Lease in any manner they see fit; provided however, that unless explicitly authorized under this Lease, such allocations to do not affect the amount of Rent due to Port.

(b) Request for Sublease. Tenant must give Port as much prior written notice as reasonably possible, but not less than thirty (30) days before it intends to enter into a proposed Sublease (herein "**Notice of Request to Sublease**") and provide Port with the following information in writing: (a) the name, address, legal composition and ownership of the proposed Subtenant, (b) reasonably adequate evidence that the proposed Subtenant's financial condition and prospects are sufficient to support all of the financial and other obligations of the proposed Sublease, (c) a full description of the terms and conditions of the proposed Sublease, including the proposed commencement date, a description of the proposed use and the material terms, including all payments to be made or other consideration to be given in connection with the Sublease, and copies of any and all proposed agreements concerning the proposed Sublease, and (d) a list of any Regulatory Approvals needed and the status of such Regulatory Approvals. Until such time as Tenant has provided to Port all information set forth hereinabove, Tenant's Notice of Request to Sublease will not be deemed to have been given. Tenant will immediately notify Port of any modifications to the proposed terms of the Sublease. Port will use reasonable efforts to respond to the Transfer request no later than thirty (30) days after receipt of Tenant's complete Transfer Notice.

(c) Port's Options. Upon receiving a Notice of Request to Sublease, Port will have the right to either (A) consent to the proposed Sublease, which consent shall not be unreasonably withheld, subject to any reasonable conditions upon such Sublease or (B) deny its consent to the proposed Sublease on the following reasonable grounds: (1) at the time Tenant requests Port's consent, an Event of Default, or an event that with notice or the passage of time or both would constitute an Event of Default if not cured, has occurred and remains uncured; (2) that the proposed Subtenant's financial condition and prospects are or could become

insufficient to support all of the financial and other obligations of the proposed Sublease; (3) that the use to which the Premises will be put by the proposed Subtenant is inconsistent with the terms of this Lease or otherwise will affect any City or Port interest materially and adversely; (4) the business reputation or character of the proposed Subtenant is not reasonably acceptable to Port or the proposed Subtenant is not likely to conduct a business in the Premises of a quality substantially equal to Tenant's (or a prior Subtenant's) or otherwise reasonably acceptable to Port; (5) that the nature of the proposed Subtenant's intended or likely use of the Premises would involve an unmitigated risk of the Handling, Release or mishandling of Hazardous Materials and Port reasonably believes that the measures proposed by Subtenant are insufficient to mitigate the risk of Handling or Release of Hazardous Materials by Subtenant, or otherwise materially increase the risk of fire or other casualty; (6) that the Sublease rental rate does not reflect an arm's length transaction; (7) failure of the Sublease to contain provisions specified in this Lease.

**(d) Required Provisions in Subleases.** Each and every Sublease must contain all the following provisions:

- (i)** the Sublease is subject to and subordinate to this Lease;
- (ii)** the Indemnification clause and waiver of claims provisions in *Section 22* (Indemnity and Exculpation) as to the subleased premises and Subtenant's activities;
- (iii)** insurance provisions requiring that all of the Subtenant's liability and other insurance policies name "*The City and County of San Francisco, the San Francisco Port Commission, and their commissioners, officers, agents, employees, and representatives*" as additional insureds and acknowledging Port's right to demand increased coverage to amounts customarily required by other San Francisco landlords for premises where business activities similar to the Subtenant's are conducted;
- (iv)** an express waiver of any and all relocation assistance and benefits in connection with this Lease to the extent permitted by applicable Laws;
- (v)** a requirement that the Subtenant must pay the rent and other sums due under the Sublease directly to Port upon receiving Port's written notice that an Event of Default has occurred, a copy of which Port will deliver to Tenant;
- (vi)** a prohibition on assignment or further subleasing, in whole or in part, without Port's consent, which may be given or withheld in Port's sole discretion;
- (vii)** a provision similar to *Section 29* (Port's Entry) requiring Subtenant to permit Port to enter its subleased space for the purposes specified in that Section; and
- (viii)** a provision similar to *Section 38* (Tenant Estoppel) requiring Subtenant, from time to time, to provide Port an estoppel certificate substantially similar to the form attached hereto as *Exhibit J*.

**(e)** Any Sublease that does not comply with this Section fully including without limitation Tenant's failure to seek or obtain Port's consent when such consent is required, will constitute an incurable Event of Default and will be void as to Port and this Lease. Port's consent to one Sublease will have no effect with respect to any other Sublease.

**(f) Copy of Executed Sublease.** Tenant shall provide Port a true and complete copy of each executed Sublease within thirty (30) days after the execution thereof. Each executed Sublease must contain substantially the same (or more favorable to the landlord) business terms as set forth in the applicable Notice of Request to Sublease.

**23.6. Notice to Port.** In addition to the obligations under *Section 8.1*, within thirty (30) days of entering into any agreement under which Tenant grants any person the right to occupy or use any portion of the Premises for any period of time, (other than pursuant to a membership

agreement or day use pass or as a patron of Tenant or any Subtenant), including without limitation, any assignment, sublease, license, permit, concession or vendor agreement or other agreement or renewal thereof, Tenant shall provide written notice to Port and Assessor and a copy of such agreement, regardless of whether Port consent is required under this Lease for such agreement. Tenant agrees to provide such further information as may be requested by City or Port to enable compliance with reporting obligations under state Law and San Francisco Administration Code Sections 23.38 and 23.39 (or any successor ordinance).

**23.7. Audit.** Tenant agrees to make its Books and Records available to, and cooperate with, any Port representative for the purpose of conducting an audit of the accuracy of Tenant's financial reporting on a Transfer or Sublease until the later of (i) four (4) years after the end of each Lease Year to which such records apply or, (ii) if an audit is commenced or if a controversy should arise between the parties as to the accuracy of Tenant's financial reporting on the Transfer or Sublease, until such audit or controversy is concluded. If an audit reveals that Tenant has overstated any costs in connection with a Transfer, Tenant must pay Port promptly upon demand the difference between the amount Tenant deducted and the amount it should have deducted, plus interest at the Interest Rate from the Transfer Date until paid.

**23.8. Acknowledgement.** Tenant acknowledges and agrees that Port's rights with respect to Transfers and Subleasing are reasonable limitations for purposes of California Civil Code Section 1951.4 and waives any Claims arising from Port's actions under this *Section 23*.

## **24. APPROVALS BY PORT; FEES FOR REVIEW.**

**24.1. Approvals by Port.** Port's Executive Director, or his or her designee, is authorized to execute on behalf of Port any closing or similar documents and any contracts, agreements, memoranda, or similar documents with State, regional, or local authorities or other Persons that are necessary or proper to achieve the purposes and objectives of this Lease and that do not materially increase the obligations of Port under this Lease, if the Executive Director determines, after consultation with, and approval as to form by, the City Attorney, that the document is necessary or proper and in Port's best interests. The Executive Director's signature on any such documents will be conclusive evidence of such a determination by him or her. Wherever this Lease requires or permits the giving by Port of its consent or approval, or whenever an amendment, waiver, notice, or other instrument or document is to be executed by or on behalf of Port, the Executive Director, or his or her designee, will be authorized to execute such instrument on behalf of Port, except as otherwise provided by applicable Law, including the City's Charter.

**24.2. Fees for Review.** Within ten (10) days after Port's written request, Tenant will pay Port, as Additional Rent, Port's reasonable costs, including Attorneys' Fees and Costs, consultant's costs, and costs for Port staff time, incurred in connection with the review, investigation, processing, documentation, and/or approval of any proposed Transfer, Sublease, non-disturbance agreement, mortgage confirmation statement, mortgage, refinancing certificate, or Subsequent Alteration. Tenant will pay such costs regardless of whether or not Port consents to such proposal.

## **25. NO MERGER OF TITLE.**

There will be no merger of the Leasehold Estate with the fee estate in the Premises by reason of the fact that the same Person may own or hold (a) the Leasehold Estate or any interest in such Leasehold Estate, and (b) any interest in such fee estate. No such merger will occur unless and until all Persons having any interest in the Leasehold Estate and the fee estate in the Premises will join in and record a written instrument effecting such merger.

## **26. DEFAULT BY TENANT.**

Any of the following shall constitute an event of default (the "**Event of Default**") by Tenant hereunder:

(a) failure to pay to Port any Rent or other sum payable hereunder when due, and such default continues for a period of three (3) days following written notice from Port. Notwithstanding the foregoing, (i) Port shall not be required to provide such notice more than twice during any 12-month period, and any such failure by Tenant after Tenant has received two (2) such notices in such 12-month period shall constitute an Event of Default by Tenant hereunder without any further action by Port or opportunity of Tenant to cure except as may be required by Section 1161 of the California Code of Civil Procedure, and (ii) Tenant shall not be in default for failure to pay any Percentage Rent if such failure is solely due to the applicable Subtenant's failure to pay such amount to Tenant or provide the information necessary to calculate the Percentage Rent, provided that, in each case: (A) failure to pay Percentage Rent and failure to provide the information necessary for Tenant to calculate Percentage Rent is a default of the relevant Sublease; (B) Tenant is using demonstrable, commercially reasonable efforts to enforce the Subtenant's performance of such obligations including but not limited to enforcing the Sublease through notices of default and termination; and (C) the subject Percentage Rent is paid no later than ninety (90) days from the original due date; or

(b) failure by Tenant to deliver the Quarterly Percentage Rent Statement or Annual Statement when due and such default continues for a period of thirty (30) days following written notice from Port. Notwithstanding the foregoing, (i) Port shall not be required to provide such notice more than twice during any twelve (12) month period, and any such failure by Tenant after Tenant has received two (2) such notices in such twelve (12) month period shall, at the option of Port, constitute an Event of Default by Tenant hereunder without any further action by Port (including, but not limited to, notice to Tenant of such failure) or opportunity of Tenant to cure except as may be required by Section 1161 of the California Code of Civil Procedure and (ii) Tenant shall not be in default for failure to deliver the Quarterly Percentage Rent Statement or Annual Statement when due if such failure is solely due to the applicable Subtenant's failure to deliver the Quarterly Percentage Rent Statement or Annual Statement when due or provide the information necessary to prepare the applicable statements, provided that, in each case: (A) failure to deliver the statements is solely due to the applicable Subtenant's failure to deliver the relevant statement or to provide the information necessary to prepare the applicable statements; (B) Tenant is using demonstrable, commercially reasonable efforts to enforce the Subtenant's performance of such obligations including but not limited to enforcing the Sublease through notices of default and termination; and (C) the subject statements are submitted no later than one hundred twenty (120) days from the original due date; or

(c) a second understatement by Tenant of Gross Revenues for any audit period by five percent (5%) or more within any three (3) Lease Year period of the first such understatement; or

(d) failure to comply with Tenant's covenants set forth in *Section 6.2* (Continuous Operations), as determined by Port in its reasonable discretion and such failure continues for a period of fifteen (15) days following written notice from Port; or

(e) abandonment or vacation of the Premises by Tenant; or

(f) failure to use the Premises solely for the Permitted Use, failure to comply with the provisions of *Section 18* (Hazardous Materials) or failure to comply with the provisions of the Operations Plan, in each case in a manner that presents a health, safety, welfare or environmental risk or hazard, as determined by Port in its sole and absolute discretion and such failure continues for a period of twenty-four (24) hours following written notice from Port; in all other circumstances, such failure shall be cured within ten (10) days following written notice from Port; or

(g) failure by Tenant to execute and deliver to Port an estoppel certificate within the time period and in the manner required by *Section 38 below*, and Tenant's failure to cure the foregoing default within five (5) business days following written notice from Port; or

(h) a Transfer or Sublease, or attempted Transfer or Sublease, of this Lease or the Premises by Tenant contrary to the provisions of *Section 23 above*; or

(i) failure by Tenant or Tenant's broker as applicable to provide evidence of insurance coverage complying with the provisions of *Section 19 above*, failure to maintain any insurance required to be maintained by Tenant pursuant to this Lease, or if any such insurance shall be canceled or terminated or shall expire or be reduced or materially changed, except as permitted in this Lease, and Tenant's or Tenant's broker's failure to deliver evidence of such coverage or failure to reinstate such coverage, all within five (5) business days following written notice from Port; or

(j) failure by Tenant to discharge any lien or encumbrance placed on the Premises or any part thereof in violation of this Lease within ten (10) days after the date such lien or encumbrance is filed or recorded against the Premises or any part thereof, or if Tenant has no knowledge of such lien, then Tenant shall discharge such lien or encumbrance within fifteen (15) days following Tenant's knowledge of such lien or encumbrance; or

(k) failure by Tenant to observe, keep or perform any of the other terms, covenants, agreements or conditions contained in this Lease and required to be observed or performed by Tenant and not specifically enumerated in this *Section 26*, and such failure continues for a period of fifteen (15) days after written notice by Port, provided that if such default is not capable of cure within such fifteen (15) day period, Tenant shall have a reasonable period to complete such cure if Tenant promptly undertakes action to cure such default within such fifteen (15) day period and thereafter diligently prosecutes the same to Completion within sixty (60) days after the receipt of notice of default from Port. Port shall not be required to provide such notice more than twice in any twelve (12) month period with respect to any material non-monetary defaults and after the second notice in any calendar year, any subsequent failure by Tenant during such twelve (12) month period shall automatically constitute an Event of Default hereunder; or

(l) Tenant shall become bankrupt or insolvent or make a transfer in fraud of creditors, or make an assignment for the benefit of creditors, or bring or have brought against Tenant any action or proceedings of any kind under any provision of the U.S. Bankruptcy Code or under any other insolvency, bankruptcy or reorganization act and, in the event such proceedings are involuntary, Tenant is not discharged from the same within sixty (60) days thereafter; or

(m) a receiver is appointed for a substantial part of the assets of Tenant and such receiver is not discharged within sixty (60) days; or

(n) this Lease or any estate of Tenant under this Lease shall be levied upon by any attachment or execution and such attachment is not stayed or lifted within sixty (60) days; or

(o) An uncured default by Tenant under the terms of the License; or

(p) without limiting the provisions of *Subsection 26(f)* or lengthening the cure period under that subsection, failure by Tenant to comply with Laws and Tenant's failure to cure the foregoing default within forty-eight (48) hours following written notice from Port.

## **27. PORT'S REMEDIES.**

**27.1. Port's Remedies Generally.** Upon the occurrence and during the continuance of an Event of Default (but without obligation on the part of Port following the occurrence of an Event of Default to accept a cure of such Event of Default other than as required by Law or by this Lease), Port has all rights and remedies provided in this Lease or available at Law or in equity (including the right to seek injunctive relief or an order for specific performance, where appropriate). All of Port's rights and remedies are cumulative, and except as may be otherwise provided by applicable Law, the exercise of any one or more rights will not preclude the exercise of any other.

**27.2. Right to Keep Lease in Effect.**

(a) Continuation of Lease. Port has the remedy described in California Civil Code Section 1951.4 (lessor may continue lease in effect after lessee's breach and abandonment and recover rent as it becomes due, if lessee has right to sublet or assign, subject only to reasonable limitations) under which Port may continue this Lease in full force and effect. In the event Port elects this remedy, Port has the right to enforce by suit or otherwise, all covenants and conditions hereof to be performed or complied with by Tenant and exercise all of Port's rights, including the right to collect Rent when due. Tenant will be liable immediately to Port for all reasonable costs Port incurs exercising its remedies under this **Section 27**, including reasonable Attorneys' Fees and Costs, brokers' fees or commissions, expenses of remodeling the Premises required by the reletting and similar costs.

(b) No Termination Without Notice. No act by Port allowed by this **Section 27.2**, nor any appointment of a receiver upon Port's initiative to protect its interest under this Lease, nor any withholding of consent to a Transfer or termination of a Transfer in accordance herewith, will terminate this Lease, unless and until Port notifies Tenant in writing that Port elects to terminate this Lease.

**27.3. Right to Terminate Lease.** Port may terminate this Lease at any time after the occurrence of (and during the continuation of) an Event of a Default by giving written notice of such termination. Termination of this Lease will occur on the date set forth in such notice. Acts of maintenance or preservation, and any appointment of a receiver upon Port's initiative to protect its interest hereunder will not in any such instance constitute a termination of Tenant's right to possession. No act by Port other than giving notice of termination to Tenant in writing will terminate this Lease. Upon termination of this Lease, Port has the right to recover from Tenant all sums allowed under California Civil Code Section 1951.2, including the following:

(a) The worth at the time of award of the unpaid Rent that had been earned at the time of termination of this Lease; plus

(b) The worth at the time of award of the amount by which the unpaid Rent which would have been earned after the date of termination of this Lease until the time of award exceeds the amount of the loss of Rent that Tenant proves could have been reasonably avoided; plus

(c) The worth at the time of award of the amount by which the unpaid Rent for the balance of the Term after the time of award exceeds the amount of the loss of Rent that Tenant proves could have been reasonably avoided; plus

(d) Any other amount necessary to compensate Port for all detriment proximately caused by the Event of Default, or which in the ordinary course of things would be likely to result therefrom.

"The worth at the time of award" as used in **Sections 27.3(a)** and **27.3(b)** will be computed by allowing interest at a rate per annum equal to the Interest Rate. "The worth at the time of award" as used in **Section 27.3(c)** will be computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of the award, plus one percent (1%).

**27.4. Interest.** Rent not paid when due will bear interest at the Interest Rate from the date due until paid.

**27.5. Continuation of Subleases and Other Agreements.** Port has the right, at its sole option, to assume any and all Subleases and agreements by Tenant for the maintenance or operation of the Premises. Tenant hereby further covenants that, upon request of Port following an Event of Default and termination of Tenant's interest in this Lease, Tenant will execute, acknowledge, and deliver to Port such further instruments as may be necessary or desirable to

vest or confirm or ratify vesting in Port the then existing Subleases and other agreements then in force, as above specified.

**27.6. Appointment of Receiver.** From and after an Event of Default, Port has the right to have a receiver appointed to collect Rent and conduct Tenant's business. Neither the filing of a petition for the appointment of a receiver nor the appointment itself will constitute an election by Port to terminate this Lease.

**27.7. Waiver of Redemption.** Tenant hereby waives, for itself and all Persons claiming by and under Tenant, redemption or relief from forfeiture under California Code of Civil Procedure Sections 1174 and 1179, or under any other pertinent present or future Law, in the event Tenant is evicted or Port takes possession of the Premises by reason of any Event of Default.

**27.8. No Accord and Satisfaction.** No payment by Tenant or receipt by Port of an amount less than the Rent due under this Lease shall be deemed to be other than "on account" of the earliest Rent due; nor shall any endorsement or statement on any check or payment, or letter accompanying such check or payment, be deemed an accord and satisfaction. Port may accept any such partial payment or tender without prejudice to its right to recover the balance of any amount due and to pursue any other remedy herein provided at Law or in equity.

**27.9. Port's Right to Cure Tenant's Default.** Port, at any time after the occurrence of an Event of Default may, at its sole option, cure the default at Tenant's cost. If Port undertakes any act to cure or attempt to cure such default that requires the payment of any sums, or otherwise incurs any costs, damages, or liabilities (including without limitation, attorneys' fees), all such sums, costs, damages or liabilities paid by Port shall be due immediately from Tenant to Port at the time the sum is paid, and if paid by Tenant at a later date shall bear interest at the lesser of the Interest Rate or the maximum non-usurious rate Port is permitted by Law to charge from the date such sum is paid by Port until Port is reimbursed by Tenant.

**27.10. Remedies Not Exclusive.** The remedies set forth in this Section are not exclusive; they are cumulative and in addition to any and all other rights or remedies of Port now or later allowed by other terms and provisions of this Lease, Law or in equity. Tenant's obligations under this Section will survive any termination of this Lease.

## **28. LITIGATION EXPENSES; ATTORNEYS' FEES.**

**28.1. Litigation Expenses.** The Prevailing party in any action or proceeding (including any cross-complaint, counterclaim, or bankruptcy proceeding) against the other party by reason of a claimed default, or otherwise arising out of a party's performance or alleged non-performance under this Lease, shall be entitled to recover from the other party its costs and expenses of suit, including but not limited to reasonable attorneys' fees, which shall be payable whether or not such action is prosecuted to judgment. "**Prevailing party**" within the meaning of this Section shall include, without limitation, a party who substantially obtains or defeats, as the case may be, the relief sought in the action, whether by compromise, settlement, judgment or the abandonment by the other party of its claim or defense.

**28.2. Appeals.** Attorneys' fees under this Section shall include attorneys' fees and all other reasonable costs and expenses incurred in connection with any appeal.

**28.3. City Attorney.** For purposes of this Lease, reasonable fees of attorneys of the City's Office of the City Attorney shall be based on the fees regularly charged by private attorneys with an equivalent number of years of professional experience (calculated by reference to earliest year of admission to the Bar of any State) who practice in San Francisco in law firms with approximately the same number of attorneys as employed by the Office of the City Attorney.

## 29. PORT'S ENTRY ON PREMISES.

**29.1. *Entry for Inspection.*** Port and its authorized Agents shall have the right to enter the Premises upon reasonable prior notice at any time during normal business hours of generally recognized business days, provided that Tenant or Tenant's Agents are present on the Premises (except in the event of an emergency), for the purpose of inspecting the Premises to determine whether the Premises is in good condition and whether Tenant is complying with its obligations under this Lease.

**29.2. *General Entry.*** In addition to its rights pursuant to *Section 29.1*, Port and its authorized Agents shall have the right to enter the Premises at all reasonable times and upon reasonable notice for any of the following purposes:

(a) To perform any necessary maintenance, repairs or restoration to the Premises, or to perform any services that Port has the right or obligation to perform;

(b) To serve, post, or keep posted any notices required or allowed under the provisions of this Lease;

(c) To post "For Sale" signs at any time during the Term; to post "For Lease" signs during the last six (6) months of the Term or during any period in which there is an Event of Default;

(d) On an occasional basis, at all reasonable times after giving Tenant reasonable advance written or oral notice, to show the Premises to prospective tenants or other interested parties;

(e) If any excavation or other construction is undertaken or is about to be undertaken on any property or street adjacent to the Premises, to shore the foundations, footings or walls of the Premises and to erect scaffolding and protective barricades around and about the Premises as reasonably necessary in connection with such activities (but not so as to prevent or unreasonably restrict entry to the Premises), and to do any other act or thing necessary for the safety or preservation of the Premises during such excavation or other construction; or

(f) To obtain environmental samples and perform equipment and facility testing.

**29.3. *Emergency Entry.*** Port may enter the Premises at any time, without notice, in the event of an emergency. Port shall have the right to use any and all means which Port may deem proper in such an emergency in order to obtain entry to the Premises. Entry to the Premises by these means, or otherwise, shall not under any circumstances be construed or deemed to be a forcible or unlawful entry into, or a detainer of, the Premises, or an eviction of Tenant from the Premises or any portion of the Premises.

**29.4. *No Liability.*** Port shall not be liable in any manner, and Tenant hereby waives any Claim for damages, for any inconvenience, disturbance, loss of business, nuisance, or other damage, including without limitation any abatement or reduction in Rent, arising out of Port's entry onto the Premises as provided in this Section or performance of any necessary or required work on the Premises, or on account of bringing necessary materials, supplies and equipment into or through the Premises during the course thereof, except damage resulting solely from the willful misconduct or gross negligence of Port or its authorized representatives.

**29.5. *Nondisturbance.*** Port shall comply with Tenant's reasonable security measures and shall use commercially reasonable efforts to conduct its activities on the Premises as allowed in this Section in a manner which, to the extent reasonably practicable, will minimize annoyance or disturbance to Tenant.

## 30. SURRENDER AND QUITCLAIM.

**30.1. *Surrender.*** Upon expiration or earlier termination of this Lease, Tenant shall surrender to Port the Premises in good order, condition, and repair (except for ordinary wear and

tear occurring after the last necessary maintenance made by Tenant and except for destruction or condemnation as described in *Sections 20 and 21* hereof). Ordinary wear and tear shall not include any damage or deterioration that would have been prevented by proper maintenance by Tenant, or Tenant otherwise performing all of its obligations under this Lease. On or before the expiration or earlier termination of this Lease, Tenant at its sole cost shall remove from the Premises, and repair any damage caused by removal of, Tenant's Property, including any signage, and all Alterations and Improvements required to be removed as provided in *Section 14.8*. The Premises shall be surrendered clean, free of debris, waste, and Hazardous Materials that Tenant is required to remove under this Lease, and free and clear of all liens and encumbrances other than liens and encumbrances existing as of the date of this Lease and any other encumbrances created by Port. Except for those Alterations and Improvements required to be removed as provided in *Section 14.8*, Alterations and Improvements shall remain in the Premises as Port property.

If the Premises is not surrendered at the end of the Term or sooner termination of this Lease and in accordance with the provisions of this *Section 30* and *Section 14.8*, Tenant shall continue to be responsible for the payment of Rent (as the same may be increased pursuant to *Section 31.2 or 31.3 below* as applicable) until the Premises is surrendered in accordance with these Sections, and Tenant shall Indemnify Port from and against any and all loss or liability resulting from delay by Tenant in so surrendering the Premises including, without limitation, any costs of Port to obtain possession of the Premises; any loss or liability resulting from any Claim against Port made by any succeeding tenant or prospective tenant founded on or resulting from such delay and losses to Port due to lost opportunities to lease any portion of the Premises to any such succeeding tenant or prospective tenant, together with, in each instance, reasonable attorneys' fees and costs.

No act or conduct of Port, including, but not limited to, the acceptance of the keys to the Premises, shall constitute an acceptance of the surrender of the Premises by Tenant before the expiration of the Term. Only a written notice from Port to Tenant confirming termination of this Lease and surrender of the Premises by Tenant shall constitute acceptance of the surrender of the Premises and accomplish a termination of this Lease.

**30.2. *Abandoned Property.*** Any items, including Tenant's Property, not removed by Tenant as required herein shall be deemed abandoned. Port may retain, store, remove, and sell or otherwise dispose of abandoned Tenant's Property, and Tenant, on its own behalf and for any Subtenant, waives all Claims against Port for any damages resulting from Port's retention, removal and disposition of such property; provided, however, that Tenant shall be liable to Port for all costs incurred in storing, removing and disposing of abandoned Tenant's Property and repairing any damage to the Premises resulting from such removal. Tenant agrees that Port may elect to sell abandoned Tenant's Property and offset against the sales proceeds Port's storage, removal, and disposition costs without notice to Tenant or otherwise according to the procedures set forth in California Civil Code Section 1993 et seq., the benefits of which Tenant waives.

**30.3. *Quitclaim.*** Upon the expiration or earlier termination of this Lease, the Premises shall automatically, and without further act or conveyance on the part of Tenant or Port, become the property of Port, free and clear of all liens and without payment therefore by Port and shall be surrendered to Port upon such date. Upon or at any time after the expiration or earlier termination of this Lease, if requested by Port, Tenant shall promptly deliver to Port, without charge, a quitclaim deed to the Premises and any other instrument reasonably requested by Port to evidence or otherwise effect the termination of Tenant's leasehold interest hereunder and to effect such transfer or vesting of title to the Premises or any portion that Port agrees are to remain part of the Premises.

**30.4. *Survival.*** Tenant's obligation under this *Section 30* shall survive the expiration or earlier termination of this Lease.

### 31. HOLDING OVER.

**31.1. *Terms of Holdover Tenancy.*** Any holding over after the expiration of the Term shall not constitute a renewal of this Lease, but shall be deemed a month-to-month tenancy upon the terms, conditions, and covenants of this Lease, except as provided in this Section. Either party may cancel the month-to-month tenancy upon thirty (30) days written notice to the other party. Tenant shall Indemnify Port from and against any and all loss or liability resulting from Tenant's delay in surrendering the Premises including, without limitation, any loss or liability resulting from any claim against Port made by any succeeding tenant or prospective tenant founded on or resulting from such delay and losses to Port due to lost opportunities to lease any portion of the Premises to any such succeeding tenant or prospective tenant, together with, in each case, actual attorneys' fees and costs.

**31.2. *With Consent.*** If Tenant holds over with the prior written consent of Port, monthly Base Rent shall be equal to one hundred fifty percent (150%) of the monthly Base Rent payable in the month immediately preceding the expiration of this Lease; provided that if both Tenant and Port desire to enter into a new lease or extend the existing term of this Lease but have not yet executed such new lease or extension solely due to Port's delay to produce such document, then the monthly Base Rent during such holdover period shall be equal to the greater of: (a) the Base Rent payable in the month immediately preceding the expiration of this Lease, or (b) the then current rate for the Premises approved by the Port Commission, together with any monthly charge of Additional Rent payable under this Lease.

**31.3. *Without Consent.*** If Tenant holds over without the prior written consent of Port, monthly Base Rent shall equal two hundred percent (200%) of the monthly Base Rent payable in the month immediately preceding the expiration of this Lease.

### 32. REPRESENTATIONS AND WARRANTIES.

Tenant represents, warrants and covenants to Port as follows, as of the Effective Date and as of the Commencement Date:

(a) **Valid Existence; Good Standing.** Tenant is a non-profit public benefit corporation duly incorporated and validly existing under the laws of the State of California. Tenant has the requisite power and authority to own its property and conduct its business as presently conducted. Tenant is in good standing in the State of California.

(b) **Authority.** Tenant has the requisite power and authority to execute and deliver this Lease and the agreements contemplated hereby and to carry out and perform all of the terms and covenants of this Lease and the agreements contemplated to be performed by Tenant.

(c) **No Limitation on Ability to Perform.** Neither Tenant's articles of organization or operating agreement, nor any applicable Law, prohibit Tenant's entry into this Lease or its performance under this Lease. No consent, authorization, or approval of, and no notice to or filing with, any governmental authority, Regulatory Agency or other Person is required for the due execution and delivery of this Lease by Tenant and Tenant's performance hereunder, except for consents, authorizations, and approvals that have already been obtained, notices that have already been given, and filings that have already been made. There are no undischarged judgments pending against Tenant, and Tenant has not received notice of the filing of any pending suit or proceedings against Tenant before any court, Regulatory Agency, or arbitrator, that might materially adversely affect the enforceability of this Lease or the business, operations, assets, or condition of Tenant.

(d) **Valid Execution.** The execution and delivery of this Lease and the performance by Tenant under this Lease have been duly and validly authorized. When executed and delivered by Port and Tenant, this Lease will be a legal, valid, and binding obligation of Tenant.

(e) Defaults. The execution, delivery, and performance of this Lease (i) do not and will not violate or result in a violation of, contravene, or conflict with, or constitute a default by Tenant under (1) any agreement, document, or instrument to which Tenant is a party or by which Tenant is bound, (2) any Law applicable to Tenant or its business, or (3) the articles of organization or the operating agreement of Tenant, and (ii) do not result in the creation or imposition of any lien or other encumbrance upon the assets of Tenant, except as contemplated hereby.

(f) Financial Matters. Tenant is not in default under, and has not received notice asserting that it is in default under, any agreement for borrowed money. Tenant has not filed a petition for relief under any chapter of the U.S. Bankruptcy Code. There has been no event that has materially adversely affected Tenant's ability to meet its Lease obligations. To the best of Tenant's knowledge, no involuntary petition naming Tenant as debtor has been filed under any chapter of the U.S. Bankruptcy Code.

Tenant's representations and warranties in this Lease will survive any termination of this Lease.

### **33. MINERAL RESERVATION.**

The State of California ("**State**"), pursuant to Section 2 of Chapter 1333 of the Statutes of 1968, as amended, has reserved all subsurface mineral deposits, including oil and gas deposits, on or underlying the Premises and Tenant acknowledges such reserved rights including necessary ingress and egress rights. In no event shall Port be liable to Tenant for any Claims arising from the State's exercise of its rights nor shall such action entitle Tenant to any abatement or diminution of Rent or otherwise relieve Tenant from any of its obligations under this Lease.

### **34. CITY AND PORT REQUIREMENTS.**

The San Francisco Municipal Codes (available at [www.sfgov.org](http://www.sfgov.org)) and City and Port policies described or referenced in this Lease are incorporated by reference as though fully set forth in this Lease. The descriptions below are not comprehensive but are provided for notice purposes only; Tenant is charged with full knowledge of each such ordinance and policy and any related implementing regulations as they may be amended from time to time. Tenant understands and agrees that its failure to comply with any provision of this Lease relating to any such code provision shall be deemed a material breach of this Lease and may give rise to penalties under the applicable ordinance. Capitalized or highlighted terms used in this Section and not defined in this Lease shall have the meanings ascribed to them in the cited ordinance.

#### **34.1. *Nondiscrimination.***

(a) **Covenant Not to Discriminate.** In the performance of this Lease, Tenant covenants and agrees not to discriminate on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), weight, height, association with members of classes protected under Chapter 12B or 12C of the San Francisco Administrative Code or in retaliation for opposition to any practices forbidden under Chapter 12B or 12C of the Administrative Code against any employee of Tenant, any City and County employee working with Tenant, any applicant for employment with Tenant, or any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Tenant in the City and County of San Francisco.

(b) **Subleases and Other Contracts.** Tenant shall include in all subleases and other contracts relating to the Premises a non-discrimination clause applicable to such subtenant or other contractor in substantially the form of *Section 34.1(a)*. In addition, Tenant shall incorporate by reference in all subleases and other contracts the provisions of Sections 12B.2 (a),

12B.2 (c)-(k) and 12C.3 of the Administrative Code and shall require all subtenants and other contractors to comply with such provisions.

(c) **Nondiscrimination in Benefits.** Tenant does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco or where the work is being performed for the City, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits (collectively “**Core Benefits**”) as well as any benefits other than the Core Benefits between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local Law authorizing such registration, subject to the conditions set forth in Section 12B.2 of the Administrative Code.

(d) **CMD Form.** On or prior to the Lease Effective Date, Tenant shall execute and deliver to Port the “Nondiscrimination in Contracts and Benefits” form approved by the CMD.

(e) **Penalties.** Tenant understands that pursuant to Section 12B.2(h) of the Administrative Code, a penalty of \$50.00 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

**34.2. Requiring Health Benefits for Covered Employees.** Unless exempt, Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in Administrative Code Chapter 12Q (Chapter 12Q).

(a) For each Covered Employee Tenant shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO.

(b) Notwithstanding the above, if Tenant meets the requirements of a “small business” by the City pursuant to Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with this Section.

(c) If, within 30 days after receiving written notice of a breach of this Lease for violating the HCAO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such 30-day period, Tenant fails to commence efforts to cure within such period, or thereafter fails to diligently pursue such cure to Completion, Port shall have the remedies set forth in Section 12Q.5(f). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to Port.

(d) Any Sublease or Contract regarding services to be performed on the Premises entered into by Tenant shall require the Subtenant or Contractor and Subcontractors, as applicable, to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in Chapter 12Q of the Administrative Code. Tenant shall notify the Office of Labor Standards Enforcement (“**OLSE**”) when it enters into such a Sublease or Contract and shall certify to OLSE that it has notified the Subtenant or Contractor of the obligations under the HCAO and has imposed the requirements of the HCAO on the Subtenant or Contractor through written agreement with such Subtenant or Contractor. Tenant shall be responsible for ensuring compliance with the HCAO for each Subtenant, Contractor and Subcontractor performing services on the Premises. If any Subtenant, Contractor or Subcontractor fails to comply, the City may pursue the remedies set forth in Section 12Q.5 of the Administrative Code against Tenant based on the Subtenant’s, Contractor’s, or Subcontractor’s failure to comply, provided that OLSE has first provided Tenant with notice and an opportunity to cure the violation.

(e) Tenant shall not discharge, reprimand, penalize, reduce the compensation of, or otherwise discriminate against, any employee for notifying the City of any issue relating to the

HCAO, for opposing any practice proscribed by the HCAO, for participating in any proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(f) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the requirements of the HCAO.

(g) Tenant shall keep itself informed of the requirements of the HCAO, as they may change from time to time.

(h) Upon request, Tenant shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subtenants, Contractors, and Subcontractors.

(i) Within ten (10) business days of any request, Tenant shall provide the City with access to pertinent records relating to any Tenant's compliance with the HCAO. In addition, the City and its agents may conduct random audits of Tenant at any time during the Term. Tenant agrees to cooperate with City in connection with any such audit.

(j) If a Contractor or Subcontractor is exempt from the HCAO because the amount payable to such Contractor or Subcontractor under all of its contracts with the City or relating to City-owned property is less than \$25,000.00 (or \$50,000.00 for nonprofits) in that fiscal year, but such Contractor or Subcontractor later enters into one or more agreements with the City or relating to City-owned property that cause the payments to such Contractor or Subcontractor to equal or exceed \$75,000.00 in that fiscal year, then all of the Contractor's or Subcontractor's contracts with the City and relating to City-owned property shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements to equal or exceed \$75,000.00 in the fiscal year.

**34.3. First Source Hiring.** The City has adopted a First Source Hiring Program (San Francisco Administrative Code Sections 83.1 et seq.) which establishes specific requirements, procedures and monitoring for first source hiring of qualified economically disadvantaged individuals for entry-level positions as those terms are defined by the ordinance. Tenant acknowledges receiving and reviewing the First Source Hiring Program materials and requirements and agrees to comply with all requirements of the ordinance as implemented by Port and/or City, including without limitation, notification of vacancies throughout the Term and entering into a First Source Hiring Agreement, if applicable. Tenant acknowledges and agrees that it may be subject to monetary penalties for failure to comply with the ordinance or a First Source Hiring Agreement and that such non-compliance shall be a default of this Lease.

**34.4. Local Business Enterprises.** The Port Commission encourages the participation of local business enterprises ("LBEs") in Tenant's operations. Tenant agrees to consult with CMD to determine appropriate methods for promoting participation by LBEs. Architecture, Engineering, Laboratory Services (Materials Testing), Trucking and Hauling, and Security Guard Services are categories of services that may provide opportunities for certified LBE participation. City maintains a list of certified LBEs at: <https://sfgov.org/cmd/LBE-certification-0>.

**34.5. Indoor Air Quality.** Tenant agrees to comply with Section 711(g) of the Environment Code and any additional regulations adopted by the Director of the Department of the Environment pursuant to Environment Code Section 703(b) relating to construction and maintenance protocols to address indoor air quality.

**34.6. Prohibition Against Tobacco Advertising; Prohibition Against Tobacco Product Sales, Manufacture, and Distribution.** Tenant acknowledges and agrees that no advertising of cigarettes or tobacco products is allowed on the Premises. This advertising prohibition includes the placement of the name of a company producing cigarettes or tobacco products or the name of any cigarette or tobacco product in any promotion of any event or product. In addition, Tenant

acknowledges and agrees that no Sales, Manufacture, or Distribution of Tobacco Products (as such capitalized terms are defined in Health Code Section 19K.1) is allowed on the Premises and such prohibition must be included in all subleases or other agreements allowing use of the Premises. The prohibition against Sales, Manufacture, or Distribution of Tobacco Products does not apply to persons who are affiliated with an accredited academic institution where the Sale, Manufacture, and/or Distribution of Tobacco Products is conducted as part of academic research.

**34.7. *Prohibition of Alcoholic Beverages Advertising.*** Tenant acknowledges and agrees that no advertising of alcoholic beverages is allowed on the Premises. For purposes of this section, “**alcoholic beverage**” shall be defined as set forth in California Business and Professions Code Section 23004, and shall not include cleaning solutions, medical supplies and other products and substances not intended for drinking. This advertising prohibition includes the placement of the name of a company producing, selling or distributing alcoholic beverages or the name of any alcoholic beverage in any promotion of any event or product. This advertising prohibition does not apply to any advertisement sponsored by a state, local, nonprofit or other entity designed to (i) communicate the health hazards of alcoholic beverages, (ii) encourage people not to drink alcohol or to stop drinking alcohol, or (iii) provide or publicize drug or alcohol treatment or rehabilitation services.

**34.8. *Graffiti Removal.*** Tenant agrees to remove all graffiti from the Premises, including from the exterior of the Premises if included within the Premises, within forty-eight (48) hours of the earlier of Tenant’s: (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This section is not intended to require a tenant to breach any lease or other agreement that it may have concerning its use of the real property. “**Graffiti**” means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner’s authorized agent, and that is visible from the public right-of-way, but does not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of this Lease or the Port Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (Calif. Civil Code §§ 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 et seq.).

**34.9. *Restrictions on the Use of Pesticides.*** Chapter 3 of the San Francisco Environment Code (the Integrated Pest Management Program Ordinance or “**IPM Ordinance**”) describes an integrated pest management (“**IPM**”) policy to be implemented by all City departments. Tenant shall not use or apply or allow the use or application of any pesticides on the Premises, and shall not contract with any party to provide pest abatement or control services to the Premises, without first receiving City’s written approval of an integrated pest management plan that (i) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the term of this Lease, (ii) describes the steps Tenant will take to meet the City’s IPM Policy described in Section 300 of the IPM Ordinance and (iii) identifies, by name, title, address and telephone number, an individual to act as the Tenant’s primary IPM contact person with the City. Tenant shall comply, and shall require all of Tenant’s contractors to comply, with the IPM plan approved by the City and shall comply with the requirements of Sections 300(d), 302, 304, 305(f), 305(g), and 306 of the IPM Ordinance, as if Tenant were a City department. Among other matters, such provisions of the IPM Ordinance: (a) provide for the use of pesticides only as a last resort, (b) prohibit the use or application of pesticides on property owned by the City, except for pesticides granted an exemption under Section 303 of the IPM Ordinance (including pesticides included on the most current Reduced Risk Pesticide List compiled by City’s Department of the Environment), (c) impose certain notice requirements, and (d) require Tenant to keep certain records and to report to City all pesticide use by Tenant’s staff or contractors. If Tenant or Tenant’s contractor will

apply pesticides to outdoor areas, Tenant must first obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation and any such pesticide application shall be made only by or under the supervision of a person holding a valid Qualified Applicator certificate or Qualified Applicator license under state law. City's current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the San Francisco Department of the Environment website, <http://sfenvironment.org/ipm>.

**34.10. *MacBride Principles Northern Ireland.*** Port and the City urge companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. Port and the City urge San Francisco companies to do business with corporations that abide by the MacBride Principles.

**34.11. *Tropical Hardwood and Virgin Redwood Ban.*** Port and the City urge Tenant not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood product. Except as expressly permitted by the application of Sections 802(b) and 803(b) of the Environment Code, Tenant shall not provide any items to the construction of Alterations, or otherwise in the performance of this Lease which are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. In the event Tenant fails to comply in good faith with any of the provisions of Chapter 8 of the Environment Code, Tenant shall be liable for liquidated damages for each violation in any amount equal to the contractor's net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

**34.12. *Preservative-Treated Wood Containing Arsenic.*** Tenant may not purchase preservative-treated wood products containing arsenic in the performance of this Lease unless an exemption from the requirements of Environment Code Chapter 13 is obtained from the Department of Environment under Section 1304 of the Environment Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniac copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Tenant may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of Environment. This provision does not preclude Tenant from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

**34.13. *Notification of Limitations on Contributions.*** If this Lease is subject to the approval by City's Board of Supervisors, Mayor, or other elected official, the provisions of this Section shall apply. Through its execution of this Lease, Tenant acknowledges its obligations under Section 1.126 of the San Francisco Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the selling or leasing of any land or building to or from the City whenever such transaction would require approval by a City elective officer or the board on which that City elective officer serves, from making any campaign contribution to (a) the City elective officer, (b) a candidate for the office held by such individual, or (c) a committee controlled by such individual or candidate, at any time from the submission of a proposal for the contract until the later of either the termination of negotiations for such contract or twelve (12) months after the date the contract is approved. Tenant acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of one hundred thousand dollars (\$100,000) or more. Tenant further acknowledges that, if applicable, (i) the prohibition on contributions applies to each Tenant; each member of Tenant's board of directors, and Tenant's principal officers, including its chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than ten (10%) percent in Tenant; and any subcontractor listed in the Tenant's bid or contract; and (ii)

within thirty (30) days of the submission of a proposal for the contract, the Port is obligated to submit to the Ethics Commission the parties to the Lease and any subtenant(s). Additionally, Tenant certifies that if this **Section 34.13** applies, Tenant has informed each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126 by the time it submitted a proposal for the contract and has provided to City the names of the persons required to be informed.

**34.14. *Sunshine Ordinance.*** In accordance with Section 67.24(e) of the Administrative Code, contracts, contractors' bids, leases, agreements, responses to Requests for Proposals, and all other records of communications between Port and persons or firms seeking contracts will be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract, lease, agreement or other benefit until and unless that person or organization is awarded the contract, lease, agreement or benefit. Information provided which is covered by this Section will be made available to the public upon request.

**34.15. *Conflicts of Interest.*** Through its execution of this Lease, Tenant acknowledges that it is familiar with the provisions of Article III, Chapter 2 of Campaign and Governmental Conduct Code, and Sections 87100 et seq. and Sections 1090 et seq. of the California Government Code, and certifies that it does not know of any facts which would constitute a violation of these provisions, and agrees that if Tenant becomes aware of any such fact during the Term, Tenant shall immediately notify the Port.

**34.16. *Drug-Free Workplace.*** Tenant acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1988 (41 U.S.C. §§ 8101 et seq.), the unlawful manufacture, distribution, possession or use of a controlled substance is prohibited on City or Port premises.

**34.17. *Prevailing Wages and Working Conditions.*** Tenant shall comply with all applicable prevailing wage requirements, including but not limited to any such requirements in the California Labor Code, the City and County of San Francisco Charter or the City and County of San Francisco Municipal Code. Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.61. Tenant shall require its contractors and subcontractors performing (i) labor in connection with a "public work" as defined under California Labor Code Section 1720 et seq. (which includes certain construction, alteration, maintenance, demolition, installation, repair, carpet laying, or refuse hauling work if paid for in whole or part out of public funds) or (ii) Covered Construction to: (A) pay workers performing such work not less than the highest prevailing rate of wages, (B) provide the same hours, working conditions and benefits as in each case are provided for similar work performed in San Francisco County, and (C) employ apprentices in accordance with San Francisco Administrative Code Section 23.61 (collectively, "**Prevailing Wage Requirements**"). Tenant agrees to cooperate with the City in any action or proceeding against a contractor or subcontractor that fails to comply with the Prevailing Wage Requirements.

Tenant shall include and shall require its subtenants, and contractors and subcontractors (regardless of tier), to include the Prevailing Wage Requirements and the agreement to cooperate in City enforcement actions in any Construction Contract with specific reference to San Francisco Administrative Code Section 23.61. Each such Construction Contract shall name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any contractor or subcontractor in accordance with San Francisco Administrative Code Section 23.61. Tenant's failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor's or subcontractor's failure to comply with this Section will enable the City to seek any remedy provided by Law, including those specified in San Francisco Administrative Code Section 23.61 against the breaching party.

Tenant shall also pay, and shall require its subtenants, and contractors and subcontractors (regardless of tier) to pay, the Prevailing Rate of Wage for the following activities on the Premises as set forth in and to the extent required by San Francisco Administrative Code Chapter 21C: a Public Off-Street Parking Lot, Garage or Automobile Storage Facility (as defined in Section 21C.3), a Show (as defined in Section 21C.4), a Special Event (as defined in Section 21C.8), Broadcast Services (as defined in Section 21C.9), Commercial Vehicles, Loading and Unloading for Shows and Special Events (as defined in Section 21C.10), and Security Guard Services for Events (as defined in Section 21C.11).

**34.18. Local Hire.** Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.62 (the “**Local Hiring Requirements**”). Tenant Improvements and Alterations under this Lease are subject to the Local Hiring Requirements unless the cost for such work is (i) estimated to be less than \$750,000 per building permit; (ii) is in connection with the set-up, execution and strike of special events of three (3) or fewer days costing in excess of the Threshold Amount; or (iii) meets any of the other exemptions in the Local Hiring Requirements. For Covered Projects estimated to cost more than \$1,000,000, the Prime Contractor shall prepare and submit to Port and OEWD for approval a local hiring plan (“**Local Hiring Plan**”). The Local Hiring Plan is attached hereto as **Exhibit K**. The Local Hiring Plan shall be a written plan for implementation of the Local Hiring Requirements, including an approximate time frame for hiring decisions of Subcontractors, a description of the hiring processes to be utilized by Subcontractors, an estimate of numbers of Targeted Workers needed from various referral sources, qualifications needed for such Targeted Workers, and a recruitment plan detailing an outreach strategy for candidates representative of local demographics. Tenant agrees that it will comply with the Local Hiring Requirements to the extent applicable. Before starting any Tenant Improvements or Alterations, Tenant shall contact OEWD to determine whether the work is a Covered Project subject to the Local Hiring Requirements.

Tenant shall include, and shall require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each such contract shall name the City and County of San Francisco as a third party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant shall cooperate, and require its subtenants to cooperate, with the City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Tenant’s failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor’s or subcontractor’s failure to comply with this Section will enable the City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

**34.19. Public Transit Information.** Tenant shall establish and carry on during the Term a program to encourage maximum use of public transportation by personnel of Tenant employed on the Premises, including, without limitation, the distribution to such employees of written materials explaining the convenience and availability of public transportation facilities adjacent or proximate to the Premises and encouraging use of such facilities, all at Tenant’s sole expense.

**34.20. Food Service and Packaging Waste Reduction Ordinance.** Tenant agrees to comply fully with and be bound by all of the provisions of the Food Service and Packaging Waste Reduction Ordinance, as set forth in Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. By entering into this Lease, Tenant agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Tenant agrees that the sum of one hundred dollars (\$100.00) liquidated damages for the first breach, two hundred dollars (\$200.00) liquidated damages for the second breach in the same year, and five hundred dollars (\$500.00) liquidated damages for-subsequent breaches in the same year is a reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the

time this Lease was made. Such amounts shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Tenant's failure to comply with this provision.

**34.21. *San Francisco Bottled Water Ordinance.*** Tenant is subject to all applicable provisions of Environment Code Chapter 24 (which are hereby incorporated) prohibiting the sale or distribution of drinking water specified containers at City-permitted events held on the Premises with attendance of more than 100 people, except as otherwise set forth in Environmental Code Chapter 24.

**34.22. *Consideration Of Criminal History In Hiring And Employment Decisions.***

(a) Tenant agrees to comply with and be bound by all of the provisions of San Francisco Administrative Code Chapter 12T (Criminal History in Hiring and Employment Decisions; "**Chapter 12T**"), which are hereby incorporated, including the remedies and implementing regulations as may be amended from time to time, with respect to applicants and employees of Tenant who would be or are performing work at the Premises.

(b) Tenant shall incorporate by reference the provisions of Chapter 12T in all subleases of some or all of the Premises, and shall require all subtenants to comply with such provisions. Tenant's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Tenant and subtenants shall not inquire about, require disclosure of, or if such information is received base an Adverse Action on an applicant's or potential applicant for employment, or employee's: (1) Arrest not leading to a Conviction, unless the Arrest is undergoing an active pending criminal investigation or trial that has not yet been resolved; (2) participation in or completion of a diversion or a deferral of judgment program; (3) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (4) a Conviction or any other adjudication in the juvenile justice system; (5) a Conviction that is more than seven years old, from the date of sentencing; or (6) information pertaining to an offense other than a felony or misdemeanor, such as an infraction.

(d) Tenant and subtenants shall not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any conviction history, unresolved arrest, or any matter identified in subsection (c) above. Tenant and subtenants shall not require such disclosure or make such inquiry until either after the first live interview with the person, or after a conditional offer of employment.

(e) Tenant and subtenants shall state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment with Tenant or subtenant at the Premises, that the Tenant or subtenant will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Chapter 12T.

(f) Tenant and subtenants shall post the notice prepared by OLSE, available on OLSE's website, in a conspicuous place at the Premises and at other workplaces within San Francisco where interviews for job opportunities at the Premises occur. The notice shall be posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the Premises or other workplace at which it is posted.

(g) Tenant and subtenants understand and agree that upon any failure to comply with the requirements of Chapter 12T, the City shall have the right to pursue any rights or remedies available under Chapter 12T or this Lease, including but not limited to a penalty of \$50 for a second violation and \$100 for a subsequent violation for each employee, applicant or other person as to whom a violation occurred or continued, termination or suspension in whole or in part of this Lease.

(h) If Tenant has any questions about the applicability of Chapter 12T, it may contact Port for additional information. Port may consult with the Director of the City's Office of Contract Administration who may also grant a waiver, as set forth in Section 12T.8.

**34.23. Working with Minors.** In accordance with California Public Resources Code Section 5164, if Tenant, or any Subtenant, is providing services at a City park, playground, recreational center or beach, Tenant shall not hire, and shall prevent its Subtenants from hiring, any person for employment or a volunteer position in a position having supervisory or disciplinary authority over a minor if that person has been convicted of any offense listed in Public Resources Code Section 5164. In addition, if Tenant, or any Subtenant, is providing services to the City involving the supervision or discipline of minors or where Tenant, or any Subtenant, will be working with minors in an unaccompanied setting on more than an incidental or occasional basis, Tenant and any Subtenant shall comply with any and all applicable requirements under federal or state law mandating criminal history screening for such positions and/or prohibiting employment of certain persons including but not limited to California Penal Code Section 290.95. In the event of a conflict between this Section and **Section 34.22** (Consideration of Criminal History in Hiring and Employment Decisions) of this Lease, this Section shall control.

**34.24. Southern Waterfront Community Benefits and Beautification Policy.** The Port's "Policy for Southern Waterfront Community Benefits and Beautification" identifies beautification and related projects in the Southern Waterfront (from Mariposa Street in the north to India Basin) that require funding. Under this policy, Tenant shall provide community benefits and beautification measures in consideration for the use of the Premises. Examples of desired benefits include: (i) beautification, greening and maintenance of any outer edges of and entrances to the Premises; (ii) creation and implementation of a Community Outreach and Good Neighbor Policy to guide Tenant's interaction with Port, neighbors, visitors and users; (iii) use or support of job training and placement organizations serving southeast San Francisco; (iv) commitment to engage in operational practices that are sensitive to the environment and the neighboring community by reducing engine emissions consistent with the City's Clean Air Program, and use of machines at the Premises that are low-emission diesel equipment and utilize biodiesel or other reduced particulate emission fuels; (v) commitment to use low impact design and other "green" strategies when installing or replacing stormwater infrastructure; (vi) employment at the Premises of a large percentage of managers and other staff who live in the local neighborhood or community; (vii) use of truckers that are certified by the CMD as "**Local Business Enterprises**" under the City's Local Business Enterprise and Non-Discrimination Ordinance (SF Administrative Code Chapter 14B, as amended); and (viii) use of businesses that are located within the Potrero Hill and Bayview Hunters Point neighborhoods. Tenant agrees to provide Port with documents and records regarding these activities upon Port's request.

**34.25. Vending Machines; Nutritional Standards and Calorie Labeling Requirements; Offerings.** Tenant shall not install or permit any vending machine on the Premises without the prior written consent of Port. Any permitted vending machine must comply with the food and beverage nutritional standards and calorie labeling requirements set forth in San Francisco Administrative Code section 4.9- 1(c), as may be amended from time to time (the "**Nutritional Standards Requirements**"). Tenant agrees to incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section shall be deemed a material breach of this Lease. Without limiting Port's other rights and remedies under this Lease, Port shall have the right to require the immediate removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements. In addition, any Restaurant including any employee eating establishment located on the Premises is encouraged to ensure that at least twenty-five percent (25%) of Meals (as capitalized terms are defined in San

Francisco Administrative Code section 4.9-1) offered on the menu meet the nutritional standards set forth in San Francisco Administrative Code section 4.9-1(e), as may be amended.

**34.26. Tenant's Compliance with City Business and Tax Regulations Code.** Tenant acknowledges that under Section 6.10-2 of the San Francisco Business and Tax Regulations Code, the City Treasurer and Tax Collector may require the withholding of payments to any vendor that is delinquent in the payment of any amounts that the vendor is required to pay the City under the San Francisco Business and Tax Regulations Code. If, under that authority, any payment Port is required to make to Tenant under this Lease is withheld, then Port will not be in breach or default under this Lease, and the Treasurer and Tax Collector will authorize release of any payments withheld under this *Section 34.26* to Tenant, without interest, late fees, penalties, or other charges, upon Tenant coming back into compliance with its San Francisco Business and Tax Regulations Code obligations.

**34.27. Consideration of Salary History.** Tenant shall comply with San Francisco Administrative Code Chapter 12K, the Consideration of Salary History Ordinance or "Pay Parity Act." For each employment application to Tenant for work that relates to this Lease or for work to be performed in the City or on City property, Tenant is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant. Tenant shall not (1) ask such applicants about their current or past salary or (2) disclose a current or former employee's salary history without that employee's authorization unless the salary history is publicly available. Tenant is subject to the enforcement and penalty provisions in Chapter 12K. Information about Chapter 12K is available on the web at <https://sfgov.org/olse/consideration-salary-history>.

**34.28. Employee Signature Authorization Ordinance.** The City has adopted an Employee Signature Authorization Ordinance (S.F. Admin Code Sections 23.50-23.56). That ordinance requires employers of employees in hotel or restaurant projects on public property with fifty (50) or more employees (whether full-time or part-time) to enter into a "card check" agreement with a labor union regarding the preference of employees to be represented by a labor union to act as their exclusive bargaining representative. Tenant shall comply with the requirements of such ordinance, if applicable, including, without limitation, any requirements in the ordinance with respect to its Subtenants or operators.

### 35. NOTICES.

Except as otherwise expressly provided in this Lease or by Law, all notices (including notice of consent or non-consent) required or permitted by this Lease or by Law must be in writing and be delivered by: (a) hand delivery; (b) first class United States mail, postage prepaid; or (c) overnight delivery by a nationally recognized courier or the United State Postal Service, delivery charges prepaid. Notices to a party must be delivered to that party's mailing address in the Basic Lease Information, unless superseded by a notice of a change in that party's mailing address for notices, given to the other party in the manner provided above, or by information provided by Tenant in Tenant's written response to Port's written request for such information.

All notices under this Lease shall be deemed to be duly delivered: (a) on the date personal delivery actually occurs; (b) if mailed, on the business day following the business day deposited in the United States mail or, if mailed return receipt requested, on the date of delivery or on which delivery is refused as shown on the return receipt; or (c) the business day after the business day deposited for overnight delivery.

Notices may not be given by facsimile or electronic mail, but either party may deliver a courtesy copy of a notice by facsimile or electronic mail.

### 36. MISCELLANEOUS PROVISIONS.

**36.1. California Law; Venue.** This Lease is governed by, and shall be construed and interpreted in accordance with, the Laws of the State of California and City's Charter. Any legal

suit, action, or proceeding arising out of or relating to this Lease shall be instituted in the Superior Court for the City and County of San Francisco, and each party agrees to the exclusive jurisdiction of such court in any such suit, action, or proceeding (excluding bankruptcy matters). The parties irrevocably and unconditionally waive any objection to the laying of venue of any suit, action, or proceeding in such court and irrevocably waive and agree not to plead or claim that any suit, action, or proceeding brought in San Francisco Superior Court relating to this Lease has been brought in an inconvenient forum. The parties also unconditionally and irrevocably waive any right to remove any such suit, action, or proceeding to federal court.

**36.2. *Entire Agreement; Original Lease Superseded.*** This Lease replaces and supersedes all prior written and oral agreements between Port and Tenant, including, without limitation, the Original Lease. This Lease contains all of the representations and the entire agreement between the parties with respect to the subject matter of this Lease. Any prior correspondence, memoranda, agreements, warranties, or representations, whether written or oral, relating to such subject matter are superseded in total by this Lease. No prior drafts of this Lease or changes from those drafts to the executed version of this Lease shall be introduced as evidence in any litigation or other dispute resolution proceeding by any party or other person, and no court or other body should consider those drafts in interpreting this Lease.

**36.3. *Amendments.*** No amendment of this Lease or any part thereof shall be valid unless it is in writing and signed by all of the parties hereto.

**36.4. *Severability.*** If any provision of this Lease or the application thereof to any person, entity or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Lease, or the application of such provision to persons, entities or circumstances other than those as to which is invalid or unenforceable, shall not be affected thereby, and each other provision of this Lease shall be valid and be enforceable to the fullest extent permitted by law.

**36.5. *Interpretation of Lease.***

(a) References in this Lease to Tenant's acts or omissions will mean acts or omissions by Tenant and its Agents and Invitees unless the context requires or specifically stated otherwise.

(b) Whenever an exhibit or schedule is referenced, it means an attachment to this Lease unless otherwise specifically identified. All exhibits and schedules are incorporated in this Lease by reference.

(c) Whenever a section, article or paragraph is referenced, it refers to this Lease unless otherwise specifically provided. The captions preceding the articles and sections of this Lease and in the table of contents have been inserted for convenience of reference only and must be disregarded in the construction and interpretation of this Lease. Wherever reference is made to any provision, term, or matter "in this Lease," "herein" or "hereof" or words of similar import, the reference will be deemed to refer to any reasonably related provisions of this Lease in the context of the reference, unless the reference refers solely to a specific numbered or lettered article, section, subdivision, or paragraph of this Lease.

(d) References to all Laws, including specific statutes, relating to the rights and obligations of either party mean the Laws in effect on the effective date of this Lease and as they are amended, replaced, supplemented, clarified, corrected, or superseded at any time during the Term or while any obligations under this Lease are outstanding, whether or not foreseen or contemplated by the parties. References to specific code sections mean San Francisco ordinances unless otherwise specified.

(e) The terms "include," "included," "including" and "such as" or words of similar import when following any general term, statement, or matter may not be construed to limit the term, statement, or matter to the specific items or matters, whether or not language of non-limitation is used, but will be deemed to refer to all other items or matters that could

reasonably fall within the broadest possible scope of the term, statement, or matter, and will be deemed to be followed by the phrase “without limitation” or “but not limited to.”

(f) This Lease has been negotiated at arm’s length between persons sophisticated and knowledgeable in the matters addressed. In addition, each party has been represented by experienced and knowledgeable legal counsel, or has had the opportunity to consult with counsel. Accordingly, the provisions of this Lease must be construed as a whole according to their common meaning in order to achieve the intents and purposes of the parties, without any presumption (including a presumption under California Civil Code § 1654) against the party responsible for drafting any part of this Lease.

(g) The party on which any obligation is imposed in this Lease will be solely responsible for paying all costs and expenses incurred in performing the obligation, unless the provision imposing the obligation specifically provides otherwise.

(h) Whenever required by the context, the singular includes the plural and vice versa, the masculine gender includes the feminine or neuter genders and vice versa, and defined terms encompass all correlating forms of the terms (e.g., the definition of “waive” applies to “waiver,” “waivers,” “waived,” “waiving,” etc.).

(i) References to days mean calendar days unless otherwise specified, provided that if the last day on which a party must give notice, respond to a notice, or take any other action under this Lease occurs on a day that is not a business day, the date by which the act must be performed will be extended to the next business day.

**36.6. Successors.** The terms, covenants, agreements and conditions set forth in this Lease shall bind and inure to the benefit of Port and Tenant and, except as otherwise provided herein, their personal representatives and successors and assigns.

**36.7. Real Estate Broker’s Fees.** Port will not pay, nor will Port be liable or responsible for, any finder’s or broker’s fee in connection with this Lease. Tenant agrees to Indemnify Port from any Claims, including attorneys’ fees, incurred by Port in connection with any such Claim or Claims of any person(s), finder(s), or broker(s) to a commission in connection with this Lease.

**36.8. Counterparts.** For convenience, the signatures of the parties to this Lease may be executed and acknowledged on separate pages which, when attached to this Lease, shall constitute one complete Lease. This Lease may be executed in any number of counterparts each of which shall be deemed to be an original and all of which shall constitute one and the same Lease.

**36.9. Authority.** If Tenant signs as a corporation or a partnership, each of the persons executing this Lease on behalf of Tenant does hereby covenant and warrant that Tenant is at the time of execution and at all times while this Lease is in effect will continue to be: (1) a duly authorized and existing entity, (2) qualified to do business in California; and that Tenant has full right and authority to enter into this Lease, and that each and all of the persons signing on behalf of Tenant are authorized to do so. Upon Port’s request, Tenant shall provide Port with evidence reasonably satisfactory to Port confirming the foregoing representations and warranties, and covenants.

**36.10. No Implied Waiver.** No failure by either party to insist upon the strict performance of any obligation of the other party under this Lease or to exercise any right, power or remedy under this Lease, irrespective of the length of time for which such failure continues (including Port’s acceptance of full or partial Rent from Tenant) shall constitute a waiver of any breach or of either party’s rights to demand strict compliance with any Lease term, covenant or condition. Port’s consent to or approval of any act by Tenant requiring Port’s consent or approval shall not be deemed to waive or render unnecessary Port’s consent to or approval of any subsequent act by Tenant. Any waiver by either party must be in writing and shall not be a

waiver of any other default (including any future default) concerning the same or any other provision of this Lease.

**36.11. *Time is of Essence.*** Time is of the essence with respect to all provisions of this Lease in which a definite time for performance is specified.

**36.12. *Cumulative Remedies.*** All rights and remedies of either party hereto set forth in this Lease shall be cumulative, except as may otherwise be provided herein.

**36.13. *Survival of Indemnities.*** Termination or expiration of this Lease shall not affect the right of either party to enforce any and all indemnities and representations and warranties given or made to the other party under this Lease, the ability to collect any sums due, nor shall it affect any provision of this Lease that expressly states it shall survive termination or expiration hereof.

**36.14. *Relationship of the Parties.*** Port is not, and none of the provisions in this Lease shall be deemed to render Port, a partner in Tenant's business, or joint venturer or member in any joint enterprise with Tenant. Neither party shall act as the agent of the other party in any respect hereunder. This Lease is not intended nor shall it be construed to create any third party beneficiary rights in any third party, unless otherwise expressly provided.

**36.15. *No Recording.*** Tenant shall not record this Lease or any memorandum hereof in the Official Records.

**36.16. *Additional Written Agreement Required.*** Tenant expressly agrees and acknowledges that no officer, director, or employee of Port or City is authorized to offer or promise, nor is Port or the City required to honor, any offered or promised rent credit, concession, abatement, or any other form of monetary consideration (individually and collectively, "**Concession**") without a written agreement executed by the Executive Director of Port or his or her designee authorizing such Concession and, if applicable, certification of the Concession from the City's Controller.

**36.17. *Force Majeure.*** Except as specified in this **Section 36.17**, for all purposes of this Lease, a party whose performance of its obligations hereunder is hindered or affected by events of Force Majeure shall not be considered in breach of or in default of its obligations hereunder resulting from Force Majeure effective upon the other party's receipt of written notice describing with reasonable particularity the facts and circumstances constituting Force Majeure and citing this **Section 36.17**, and performance of the Lease obligation shall be extended on a day for day basis (unless the parties mutually agree to a longer time frame in writing) during the Force Majeure event. The provisions of this **Section 36.17** shall not apply to Tenant's obligation to pay Rent and shall not extend the Initial Improvements Completion Date.

### **37. LIMITATION ON DAMAGES.**

**37.1. *No Recourse Beyond Value of Premises.*** Notwithstanding anything to the contrary contained in this Lease, Tenant agrees that Tenant will have no recourse with respect to, and Port shall not be liable for, any obligation of Port under this Lease, or for any claim based upon this Lease, except to the extent of the fair market value of Port's fee interest in the Premises (as encumbered by this Lease). Tenant shall look solely to the fair market value of Port's fee interest in the Premises for the recovery of any judgment or award. By Tenant's execution and delivery hereof and as part of the consideration for Port's obligations hereunder, Tenant expressly waives all other liability. Before filing suit for an alleged default by Port, Tenant shall give Port notice and reasonable time to cure the alleged default.

**37.2. *Non-Liability of City Officials, Employees and Agents.*** No elective or appointive board, commission, member, officer, employee or other Agent of City and/or Port shall be personally liable to Tenant, its successors and assigns, in the event of any default or breach by City and/or Port or for any amount which may become due to Tenant, its successors and assigns, or for any obligation of City and/or Port under this Lease. Under no circumstances

shall Port, City, or their respective Agents be liable under any circumstances for any consequential, incidental or punitive damages.

**37.3. Limitation on Port's Liability Upon Transfer.** In the event of any transfer of Port's interest in and to the Premises, Port (and in case of any subsequent transfers, the then transferor), subject to the provisions hereof, will be automatically relieved from and after the date of such transfer of all liability with regard to the performance of any covenants or obligations contained in this Lease thereafter to be performed on the part of Port, but not from liability incurred by Port (or such transferor, as the case may be) on account of covenants or obligations to be performed by Port (or such transferor, as the case may be) hereunder before the date of such transfer.

### **38. TENANT ESTOPPEL CERTIFICATES.**

Tenant, at any time and from time to time upon not less than ten (10) days' prior notice from Port, shall execute and deliver to Port or to any party designated by Port a certificate in substantially the same form as that attached to this Lease as *Exhibit J*. Upon Tenant's request, Port shall execute and deliver to Tenant or to any party designated by Tenant a certificate stating to Port's actual knowledge (a) that this Lease is modified or unmodified and in full force and effect, (b) the dates, if any, to which Rent and other sums payable hereunder have been paid, (c) whether or not, without investigation, there are then existing any defaults under this Lease (and if so, specifying the same) and (d) any other matter actually known to Port, directly related to this Lease and reasonably requested by the requesting party. In addition, if requested, Port shall attach to such certificate a copy of this Lease and any amendments thereto, and include in such certificate a statement by Port that, to the best of its knowledge, such attachment is a true, correct and complete copy of this Lease, including all modifications thereto.

### **39. APPROVAL OF BOARD OF SUPERVISORS.**

Notwithstanding anything to the contrary contained in this Lease, Tenant acknowledges and agrees that no officer or employee of City has authority to commit City to this Lease unless and until City's Board of Supervisors shall have duly adopted a resolution approving this Lease and authorizing the transactions contemplated hereby. Therefore, any obligations or liabilities of City hereunder are contingent upon adoption of such a resolution, and this Lease shall be null and void if City's mayor and the Board of Supervisors do not approve this Lease, in their respective sole discretion. Approval of this Lease by any department, commission or agency of City shall not be deemed to imply that such resolution will be enacted, nor will any such approval create any binding obligations on City.

**EXHIBIT E**  
**WORK LETTER**

This Work Letter sets forth Tenant's obligation to construct the Initial Improvements and shall be deemed part of the Lease. The "Initial Improvements", sometimes referred to as the Initial Tenant Improvements, are described in the Basic Lease Information and associated Port Building Permits and any amendments thereto.

**1. General Terms**

**1.1. Definitions.** Initially capitalized terms used in this Work Letter have the meanings given them when first defined. Any initially capitalized words or acronyms used but not defined in this Work Letter shall have the same meanings as in the Lease.

**1.2. Relationship between Work Letter and the Lease.** This Work Letter governs Tenant's obligations to construct the Initial Improvements. This Work Letter addresses, among other matters, the scope of Tenant's obligations to design and construct the Initial Improvements, Tenant's obligations to obtain final approvals for the Initial Improvements, and the Schedule of Performance. Before the termination of this Work Letter, this Work Letter shall control in the event of any inconsistency between this Work Letter and the Lease. Upon expiry of this Work Letter, the Lease alone will govern the rights and obligations of the parties with respect to use and occupancy of the Premises.

**1.3. Term.** This Work Letter shall commence and become effective as of the Lease Effective Date and shall expire on the date Port issues a Certificate of Final Completion and Occupancy for the Initial Improvements, regardless of whether such date is before or after the Initial Improvements Completion Date as defined below.

**1.4. Lease Provisions.** The provisions of the Lease, except where clearly inconsistent or inapplicable to this Work Letter, are incorporated into this Work Letter.

**1.5. Extensions by Port.** Upon the request of Tenant, Port's Executive Director may, by written instrument, extend the time for Tenant's performance of any term, covenant or condition of this Work Letter or permit the curing of any default of this Work Letter upon such terms and conditions as she or he determines appropriate, including but not limited to the time within which Tenant must perform such terms and/or conditions, provided, however, that any such extension or permissive curing of any particular default will not operate to relieve Tenant of its obligations to pay Rent or release any of Tenant's obligations nor constitute a waiver of Port's rights with respect to any other term, covenant or condition of this Work Letter or the Lease or any other default in, or breach of, the Work Letter or the Lease or otherwise effect the time with respect to the extended date or other dates for performance hereunder.

**2. Construction Of The Initial Improvements**

**2.1. Tenant's Construction Obligations.**

**(a) Project Requirements.** Tenant hereby agrees for itself, successors, and assignees, to Complete the construction of the Initial Improvements. Tenant shall Complete said construction free of claims, demands, actions and liens for labor, materials or equipment furnished for the construction, and in accordance with applicable requirements of (i) all Laws; (ii) this Work Letter, including the Scope of Development and Schematic Drawings; (iii) the Port Building Code as applicable; (iv) required Regulatory Approvals; (v) the Waterfront Land Use Plan or successor plan; (vi) the design approved by the Port and, if required, the Planning Commission, pursuant to Section 240 of the Planning Code; and (vii) the Lease. All such requirements are sometimes referred to collectively as the "**Project Requirements.**"

(b) Scope of Development; Schedule of Performance. Tenant shall use commercially reasonable efforts to construct or cause to be constructed the Initial Improvements on the Premises within the times and in the manner set forth in this Work Letter and the scope of development comprised of the Schematic Drawings, the Schedule of Performance, the preliminary plans and any narrative description (collectively, the “**Scope of Development**”) attached hereto as **Attachment 1**. All construction with respect to the Initial Improvements shall be accomplished expeditiously, diligently and in accordance with good construction and engineering practices and applicable Laws. Tenant shall undertake commercially reasonable measures to minimize damage, disruption or inconvenience caused by such work and make adequate provision for the safety and convenience of all persons affected by such work. Tenant, while performing any construction with respect to the Initial Improvements, shall undertake commercially reasonable measures in accordance with good construction practices to minimize the risk of injury or damage to adjoining tenants, properties and improvements, or the risk of injury to members of the public, caused by or resulting from the performance of such construction.

(c) Costs; Private Development. Tenant shall bear all of the cost of construction of all Initial Improvements. Without limiting the foregoing, Tenant shall be responsible for performing all Premises preparation work necessary for construction of the Initial Improvements. Such preparation of the Premises shall include, among other things, asbestos and lead abatement investigation required for development or operation of the Initial Improvements, all structure and substructure work, disabled access improvements and public access improvements and tenant improvements.

**2.2. Utilities.** Subject to the terms in the Basic Lease Information regarding the Interim Power Line and the Capacity Charges, Tenant, at its sole expense, shall arrange for the provision and construction of all on-Premises utilities necessary to use the Premises for the Permitted Use. Tenant and Port shall coordinate, if necessary, with respect to installation of any off-Premises utility infrastructure and design of the Initial Improvements, including providing advance notice of trenching requirements, and coordinate any modification of utilities to any adjacent Port tenants or uses.

**2.3. Submittals after Completion.** Tenant shall furnish Port both design/permit drawings in their finalized form and “As-Built” Drawings, specifications and surveys with respect to the Premises (core and shell, and tenant improvements) within sixty (60) days after Completion of the Initial Improvements. If Tenant fails to provide such surveys and as-built plans and specifications to Port within such period of time, Port after giving notice to Tenant shall have the right, but not the obligation, to cause the preparation by an architect of Port’s choice of final surveys and as-built plans and specifications, at Tenant’s sole cost, to be paid by Tenant to Port within thirty (30) days after Port’s request therefor.

**2.4. Insurance.**

(a) At all times during the construction of the Initial Improvements, in addition to the insurance required to be maintained by Tenant under **Section 19** of the Lease, Tenant shall require Tenant’s contractor to maintain (a) commercial general liability insurance with limits of not less than Three Million Dollars (\$3,000,000) combined single limit for bodily injury and property damage (including personal injury and death), and contractor’s protective liability; and products and completed operations coverage in an amount not less than Five Hundred Thousand Dollars (\$500,000) per incident, One Million Dollars (\$1,000,000) in the aggregate;

(b) comprehensive automobile liability insurance with a policy limit of not less than One Million Dollars (\$1,000,000) each accident for bodily injury and property damage, providing coverage at least as broad as the Insurance Services Office (ISO) Business Auto Coverage form covering Automobile Liability, “**any auto**”, and insuring against all loss in connection with the ownership, maintenance and operation of automotive equipment that is owned, hired or non-owned;

(c) workers’ compensation with statutory limits and employer’s liability insurance with limits of

not less than One Hundred Thousand Dollars (\$100,000) per accident, Five Hundred Thousand Dollars (\$500,000) aggregate disease coverage and One Hundred Thousand Dollars (\$100,000) disease coverage per employee. Tenant shall cause Tenant's Agents (other than Tenant's contractor) to carry such insurance as shall be reasonably approved by Port taking into account the nature and scope of the work and industry custom and practice.

(b) In addition, Tenant shall carry "**Builder's All Risk**" insurance covering the construction of the Initial Improvements as set forth in **Section 19** of the Lease. The liability insurance shall be written on an "**occurrence**" basis and shall name Port as additional insureds (by endorsement reasonably acceptable to Port). Subject to Port's consent in its reasonable discretion, Tenant may elect to require that any architects, contractors and sub-contractors performing services in connection with the Initial Improvements, carry Builders Risk Insurance in the amounts and types of coverage stated herein and with the additional insureds named as required herein.

(c) All of the insurance required to be carried by Tenant or Tenant's Agents hereunder shall provide that it is primary insurance, and not excess over or contributory with any other valid, existing, and applicable insurance in force for or on behalf of Port, shall provide that Port shall receive thirty (30) days' written notice from the insurer prior to any cancellation or change of coverage, and shall be placed with companies which are rated A-VIII or better by Best's Insurance Guide and licensed to business in the State of California. All deductibles and self-insured retentions under Tenant's policies are subject to Port's reasonable approval, and all insurance, except workers' compensation, maintained by Tenant's Agents shall preclude subrogation claims by the insurer against anyone insured thereunder. Tenant's compliance with the provisions of this **Section 2.4** shall in no way limit Tenant's liability under any of the other provisions of this Work Letter or the Lease.

**2.5. Performance Bond.** At least five (5) business days prior the start of construction, Tenant shall provide Port, at Tenant's sole cost and expense, (i) a corporate surety payment bond and a performance bond substantially in the form attached hereto as **Attachment 2** obtained by each of Tenant's contractors performing work on the Initial Improvements or, (ii) a financial guaranty, in a form approved by Port in its sole discretion, from a third party with liquid assets in an amount of no less than One Hundred Ten (110%) of the cost of the Initial Improvements. Each bond shall be in an amount equal to one hundred percent (110%) of the estimated costs of such work on the Initial Improvements. Each performance bond shall guarantee the contractor's faithful performance of its contract(s) with Tenant. Each payment bond shall guarantee the Contractor's payment of labor, materials, supplies and equipment used in the performance of its contract(s) with Tenant. The bonds are intended to help protect the Port against any liability for mechanics' and materialmen's liens, stop notices and to ensure completion of the work. Corporate sureties issuing these bonds shall be legally authorized to engage in the business of furnishing surety bonds in the State of California. All sureties shall have a current A.M. Best Rating not less than A-, VIII. Each corporate surety bond shall obligate the surety to Tenant and the City and County of San Francisco as co-obligees.

**2.6. Compliance with Laws.** At its sole cost and expense, Tenant shall comply (taking into account any variances or other deviations properly approved) with: (i) all Laws; (ii) all Regulatory Approvals which place requirements on the Initial Improvements; (iii) all requirements of all policies of insurance which may be applicable to the Premises as to the Initial Improvements or Tenant's Property; and (iv) all other applicable Project Requirements. It is expressly understood and agreed that the performance required of Tenant by the preceding sentence shall include the obligation to make, at Tenant's sole cost and expense, all additions to, modifications of, and installations on the Premises which may be required by any Laws regulating the Premises or any insurance policies covering the Premises as to the Initial Improvements or Tenant's Property. Tenant shall, promptly upon request, provide Port with reasonable evidence of compliance with Tenant's obligations under this Section.

**2.7. Port and Other Governmental Permits.** Tenant has the sole responsibility, at its sole cost and expense, for obtaining all necessary permits for the Initial Improvements and shall make application for such permits directly to the applicable Regulatory Agency; provided, however, that where Port is required to act as a co-permittee for any permit Tenant shall apply for such permit in accordance with *Section 12*.

**2.8. Port Rights of Access.** Without limiting the rights of Port in its regulatory capacity, Port and its Agents will have the right of access to the Premises to the extent reasonably necessary to carry out the purposes of this Work Letter, including, but not limited to, the inspection of the work being performed in constructing the Initial Improvements upon reasonable prior written notice to Tenant during regular business hours; provided, however, Port shall take such reasonable action necessary to minimize any interference with Tenant's construction activities. Port will provide Tenant promptly upon request with a copy of any written reports prepared by Port or its Agents with respect to the Initial Improvements under any such inspection, subject to withholding documents otherwise privileged or confidential. ### **3.4.Changes in Construction Documents.**

**(a) Approval of Changes in Construction Documents.** Tenant shall not make or cause to be made any material changes in any Port-approved Construction Documents without Port's express written approval in its reasonable discretion as provided in **Section 3.4(b)** below. Prior to making any changes that Tenant considers to be non-material to any Port-approved Construction Documents, including, without limitation, substituting materials which are the architectural equivalent as to aesthetic appearance, quality, color, design and texture, Tenant shall notify Port in writing. If Port in its reasonable discretion determines that such noticed changes are material, then such changes shall be subject to Port's approval under **Section 3.4(b)**. Port's determination of whether such changes are material will be conclusive. Without otherwise limiting the requirements of this **Section 3.4(a)**, any changes that cost Five Thousand Dollars (\$5,000.00) or less in the aggregate and that would not otherwise affect the structural elements of the Initial Improvements shall be presumed to be non-material changes.

## 5. Completion

### 5.1. Completion.

#### (a) Issuance Process.

(i) Before the Initial Improvements Completion Date, Tenant may not occupy the Premises except for construction purposes under this Work Letter or the Lease, unless Port consents to such use, a Temporary Certificate of Occupancy has been issued allowing such use and Tenant pays Partial Base Rent, or rent in the amount required by the then-current Port Commission-adopted parameter rates, as applicable.

(ii) After the Initial Improvements Completion Date, Tenant may request a written determination of Completion for the Initial Improvements in writing. Port shall issue or provide Tenant with notice of Port's refusal to issue the written determination of Completion for the Initial Improvements within sixty (60) days of receipt of Tenant's request. If Port refuses to issue a determination of Completion, then it shall state the reasons why in its refusal notice.

(iii) Port's determination that the Initial Improvements have been Completed does not relieve Tenant or any other Person from any obligations to secure or comply with any Regulatory Approval of any agency (including Port) that may be required for the occupancy or operation of the Initial Improvements.

(b) **Condition to Approval.** If there remain uncompleted (i) finishing details, minor omissions, decorations and mechanical adjustments of the type normally found on an architectural "punch list", (ii) landscaping, (iii) exterior finishes (to the extent Tenant can demonstrate to Port's reasonable satisfaction that such exterior finishes would be damaged during the course of later construction of Interior Improvements), or (iv) any other item that Port approves in writing in its sole and absolute discretion (collectively "Deferred Items"), Port may reasonably condition approval upon provision of security or other assurances in form, substance and amount satisfactory to Port that all the Deferred Items will be completed in a timely fashion. Such security may include a letter of credit (in a form and issued by an institution acceptable to Port) in the amount of one hundred ten percent (110%) of the cost of Completion of the Deferred Items as reasonably determined by Port. The obligations set forth in this subsection shall survive a termination of the Lease.

(c) **Definition of Completion.** For purposes of this Work Letter and the Initial Improvements, "Completion" means completion by Tenant of all aspects of the Initial Improvements in accordance with the Project Requirements, and in compliance with all Regulatory Approvals needed for the occupancy and development of the Initial Improvements or provision of security reasonably satisfactory to Port for Deferred Items under **Section 5.1(b)**, and issuance of a Certificate of Final Completion and Occupancy. The "Initial Improvements Completion Date" shall mean the earlier of (i) the date of the Certificate of Final Completion and Occupancy for the Initial Improvements or (ii) the date that is twenty-four (24) months after the date on which the Building Permit for the Initial Improvements was Finally Approved; provided,

however, that the Port's Executive Director, in her or his reasonable discretion, may extend the 24-month deadline in writing following Tenant's written request and provided that Tenant is working diligently toward Completion of the Initial Improvements and provided further that any such extension will not operate to relieve Tenant of its obligations to pay Rent or release any of Tenant's obligations nor constitute a waiver of Port's rights with respect to any other term, covenant or condition of this Work Letter or the Lease or any other default in, or breach of, the Work Letter or the Lease or otherwise effect the time with respect to the extended date or other dates for performance hereunder. The Port's Executive Director's failure to issue an extension within ten (10) days after Tenant's notice requesting an extension shall be deemed a denial of the request.

## **6. Termination Of Lease**

**6.1. Plans and Data.** If the Lease terminates as a result of an Event of Default by Tenant before Completion of the Initial Improvements, Tenant shall assign and deliver to Port (without cost to Port), without any warranty or representation from Tenant and subject to the terms of any design professional's, engineer's, consultant's, or contractors agreement with Tenant, any and all copies of reports in its possession regarding the Premises and all Construction Documents in the possession of or prepared for Tenant, for the contracting of the Initial Improvements within thirty (30) days after written demand from Port. Port may use said reports and Construction Documents for any purpose whatsoever relating to the Premises; provided, however, Port shall release Tenant and Tenant's contractor, architect, engineer, agents, employees and other consultants from any Claims arising out of Port's use of such reports and Construction Documents except to the extent such contractor, architect, engineer, agent, employee or other consultant is retained by Port to complete the Initial Improvements. Tenant shall include in all contracts and authorizations for services pertaining to the planning and design of the Initial Improvements an express agreement by the Person performing such services that Port may use such reports or Construction Documents as provided in this Section 6.1 without compensation or payment from Port in the event such reports or Construction Documents are delivered to Port under the provisions of this **Section 6.1**, provided that Port agrees (i) not to remove the name of the preparer of such reports of Construction Documents without the preparer's written permission or (ii) to remove it at their written request.

**6.2. Return of Premises.** If the Lease terminates pursuant to this **Section 6**, Tenant shall, at its sole expense and as promptly as practicable, return the Premises to Port in a safe condition, and unless otherwise requested by Port, shall promptly remove all Improvements and Alterations, equipment, loose building materials and debris present at the Premises resulting from Tenant's construction activities. In the event that Tenant is required to return the Premises as aforesaid, Tenant shall obtain those permits customary and necessary to enter upon the Premises in order to complete such work and shall otherwise comply with applicable Law. In such event, Port shall cooperate with Tenant in Tenant's efforts to obtain such permits, provided that Port will not be required to expend any money or undertake any obligations in connection therewith. The provisions of this Section shall survive any termination of the Lease.

The Existing Lease also stipulates that the Port will provide rent credits up to an amount equal to 50% of the total cost of the Seismic Improvement or \$500,000, whichever is less.

In early October 2023, the YMCA notified Port staff that, due to budgetary constraints owing in part to the unanticipated increased cost from potential additional disturbance of hazardous materials that would be required to carry out the Seismic Improvements, along with overall construction costs escalation, performing the Seismic Improvements to Building 49 has become infeasible. As a result, the YMCA has requested that their obligation to construct the Seismic Improvements be removed from the Existing Lease. Removing the Seismic Improvements would also eliminate the up to \$500,000 in rent credits that the Port had agreed to provide to partially offset the cost of the Seismic Improvement.

The YMCA is proposing a revised seismic scope that will lessen the disturbance of hazardous materials and is financially feasible for the YMCA. Port structural plan reviewers understand the general concept the YMCA has proposed and agree that, subject to a detailed plan check review, the new concept can be designed in compliance with Port Building Code requirements and enhance the building's current structural condition and expected seismic performance.

## **BACKGROUND**

On April 25, 2023, the Port Commission adopted Resolution 23-20 authorizing Port staff to execute the Existing Lease with the YMCA for the lease and development of Building 49 located at 701 Illinois Street within Crane Cove Park. The Existing Lease was also approved by the Board of Supervisors, on June 27, 2023 (Resolution 344-23). The Existing Lease was subsequently executed by the parties on July 28, 2023.

Based on further due diligence analysis and advanced project design by the YMCA since the execution of the Lease, the YMCA has concluded that the planned Seismic Improvements are beyond their budgetary resources to deliver, as further described in Exhibit 1 (Letter from YMCA's President and CEO dated October 5, 2023).

The YMCA has assured Port staff that they remain fully committed to the project as described in the Existing Lease (other than construction of the Seismic Improvements contemplated in the Existing Lease) and are prepared to proceed immediately with construction upon issuance of a Building Permit by the Port. Construction is expected to last approximately 6-8 months.

## **PROPOSED CHANGES TO EXISTING LEASE**

Due primarily to project delays associated with the YMCA's need to re-think the seismic approach (i.e. redesign work to minimize hazardous materials disturbance and bring the project back into financial feasibility), the YMCA has requested a few additional changes to the Existing Lease which Port staff supports and which are intended to: (1) accommodate the current construction schedule which was originally expected to span 11 months from the Lease Commencement Date of August 1, 2023 (through June 30, 2024) but is now expected to take an additional 3 months to complete (through September 2024); (2) support the YMCA's goal of facilitating early occupancy (i.e. prior to full completion of construction for the entire building) of a portion of the building by one of their two

subtenants, Dogpatch Paddle, to the extent that can be achieved and authorized by Port Building Permits via issuance of a partial temporary certificate of occupancy (“Partial TCO”) for the Premises; and (3) ensure that the public restrooms located within the building are open and managed/maintained by the YMCA by no later than July 1, 2024.

While the most significant proposed change to the Existing Lease is the revision of the seismic improvements scope, Port staff supports each of the other proposed changes and/or clarifications to the Existing Lease described below to facilitate successful project delivery and achieve the Port’s project objectives, including but not limited to preserving the historic resource, providing community and visitor-serving uses, and enhanced activation of Crane Cove Park.

Port staff recommends that the Existing Lease be amended and restated pursuant to a new Lease No. 17134 (the “Amended and Restated Lease”) in the following ways:

- YMCA’s obligation to construct the Seismic Improvements described in the Existing Lease be removed and replaced with an alternate, reduced seismic scope that will be designed in the context of the specific tenant improvements being made and is consistent with Port Building Code requirements.
  - The Port’s obligation to provide rent credits for any seismic improvement work will be eliminated altogether.
- The public restrooms located within the building are to be open and operated/maintained by the YMCA in a manner consistent with the YMCA’s obligation under the Existing Lease beginning on July 1, 2024, or within 5-days following issuance by the Port of a TCO for any or all of the building, whichever is earlier.
- So long as the YMCA opens the public restrooms by July 1, 2024 or, if earlier, within five days following issuance of a TCO (“Restroom Opening Date”), and manages the same in accordance with the Lease, the YMCA shall receive a \$2,000 monthly rent credit (“Restroom Rent Credit”). The Port will have remedies prescribed in the Amended and Restated Lease for any failure by the YMCA to comply with this requirement.
  - Failure by Tenant to satisfy the bathroom operations and maintenance requirements ~~within five (5) days of July 1, 2024 or any occupancy prior to that date~~ will constitute a default under the terms of the Amended and Restated Lease.
  - Failure by Tenant to open the Restrooms by the Restroom Opening Date will result in a reduction of the Restroom Rent Credit of \$175.00 for each day after the Restroom Opening Date until the Restrooms are opened to the public (subject to temporary closures, as permitted under this Lease), up to a maximum reduction of \$6000.

- If Dogpatch Paddle occupies the building pursuant to a Partial TCO, YMCA shall pay the Port an amount equal to the pro-rata share of the sublease rent based on the portion of the subleased premises occupied by the subtenant, subject to the YMCA’s obligations above, less the available Restroom Rent Credit.
  - Example: If the full amount of monthly base rent for the Dogpatch Paddle space is \$2,918 and if Dogpatch Paddle is only able to occupy 75% of their space on an early, interim basis, the amount of base rent due to the Port would be  $\$2,918 \times 75\%$ , which is \$2,189.
  - If Dogpatch Paddle is unable to occupy the space early for any reason, and the YMCA opens the public restrooms by July 1, 2024 and is in compliance with the requirement to operate and maintain the public restrooms as described above, the Restroom Rent Credit shall be retained by the YMCA but delayed (i.e. “banked”) until Rent Commencement, at which time it may then be applied immediately against any outstanding rent obligations (i.e. the full amount of any such banked Restroom Rent Credit shall be applied in full and at once against the amount of base rent due until fully exhausted).
- Full Rent Commencement on October 1, 2024 or upon issuance of a TCO for the full building, whichever is earlier (i.e. maximum of three months of additional construction period rent abatement as compared to the Existing Lease).
- All other terms of the Existing Lease will remain the same.

**RECOMMENDATION**

Port staff recommends approval of the attached Resolution No. 24-XX authorizing the Port Executive Director to forward the approved Amended and Restated Lease to the Board of Supervisors for approval and to execute the Amended and Restated Lease upon approval from the Board of Supervisors.

Attention: Mr. Michael Martin, Assistant Port Director, Chief Operating Officer, Port of San Francisco

**Re: Seismic Improvement Decision Letter re Lease No. L-16997 of Building 49, Crane Cove Park, San Francisco**

Dear Michael:

As discussed in detail with Josh Keene, Jamie Hurley and the Port Planning Team, the YMCA of San Francisco (YSF) proposes to alter the planned scope of work associated with the voluntary seismic improvements for Building 49 as described in the Lease. YSF had proposed to improve the structural integrity of Building 49 on a voluntary (i.e., not required by Code, RFP or Port standards) basis by installing new steel braced frames and a new steel roof truss diaphragm system, estimated at a total cost of \$1.5M (of which up to \$500k would be shared by the Port through rent abatement). This anticipated cost was within a total estimated project cost of \$6.7m.

Despite our substantial initial diligence, further site exploration and consultation with the Port's planning team indicate that the scope of work contemplated in the Lease will require additional extensive work with respect to the contaminated soils and other existing hazardous materials at Building 49, adding significantly more risk and cost to the project. Additional mitigation expenses of at least \$500,000 will be necessary, and there will be delays in project completion. The minimum cost increase alone is beyond our available resources and there are considerable risks that the ultimate scope and cost will be significantly greater. In particular, there is a substantial risk that the work may trigger the Maher Ordinance, which would lead to further permitting requirements, with associated significant further delays, costs and risks.

In consultation with our engineers and the Port's engineering team, we now intend to forgo any seismic improvements to Building 49 because the costs and risks associated with managing the hazardous materials make doing so infeasible. With the proposed change of use and low occupancy, we are willing to proceed without improving the building's seismic resilience. As a result, the Port will no longer be required to provide the \$500k of rent credits and we should be able to proceed more expeditiously to complete the project and commence operations for the benefit of all involved. This decision comes with YSF's continued enthusiastic commitment to the Building 49 Project as a whole and our desire to establish a vibrant community hub for both local residents and visitors to Crane Cove Park.

Our ability to complete all other improvements remains subject to the approval of the Port of San Francisco's Department of Building Inspection and applicable building codes.

<i>Initial Term Monthly Base Rent and Annual Adjustments:</i>	Tenant is responsible for the payment of Rent. Tenant shall pay monthly base rent in an amount equal to Seven Thousand Seven Hundred Thirty Four Dollars and Fifteen Cents(\$7,734.15)

(“**Monthly Base Rent**”). Base Rent is based on a blended rate of \$1.1345/square foot (“**Blended Monthly Base Rent**”).

On each Anniversary Date during the Initial Term, Monthly Base Rent (including the Monthly Base Rent Allocation for each Subtenant as defined below) will increase by three percent (3%) (regardless of the CPI) (the “**Annual Adjustment**”).

The table below sets out the Base Rent payable in each Lease Year inclusive of each Annual Adjustment.

Lease Year	Annual Base Rent	Monthly Base Rent
1	\$92,809.80	\$7,734.15
2	\$95,594.09	\$7,966.17
3	\$98,461.92	\$8,205.16
4	\$101,415.77	\$8,451.31
5	\$104,458.25	\$8,704.85
6	\$107,591.99	\$8,966.00

8	\$114,144.35	\$9,512.03
9	\$117,568.68	\$9,797.39
10	\$121,095.74	\$10,091.31

<p><i>Percentage Rent; Participation Rent:</i></p>	<p>In addition to the Monthly Base Rent, in any month in which the amount under clause (i) below exceeds the Monthly Base Rent Allocation as further described in <b>Section 5.2</b>, Tenant shall pay to Port, as calculated on a monthly basis and paid quarterly, for each for-profit Tenant (for example, a Transferee that is a for-profit entity) and Subtenant, the difference between: (i) six percent (6%) of Gross Revenues generated by that Subtenant; and (ii) the respective monthly Base Rent allocation as shown below, subject to adjustments (“<b>Monthly Base Rent Allocation</b>”) (collectively, “<b>Percentage Rent</b>”).</p> <p>Initial Monthly Base Rent Allocation for Sublease Premises A: \$2,918.48</p> <p>Initial Monthly Base Rent Allocation for Sublease Premises B: \$1,353.63</p> <p>The Restroom Rent Credit, as defined below, shall not be taken into account when calculating Percentage Rent. There shall be no deductions from Percentage Rent for costs associated with subletting, including for broker commissions, attorneys’ fees or costs for improvements, fixtures or equipment.</p> <p>In the event that Tenant seeks consent to amend a Sublease or enter a new Sublease with sublease base rent in excess of the then-current Monthly Base Rent Allocation (including as a result of increased square footage in the sublease), then, in addition to the monthly Base Rent and Percentage Rent, Tenant shall pay to Port, as Additional Rent, fifty percent (50%) of such rent or other sums paid or payable to Tenant under such Sublease as rent (excluding utility pass-through costs, a commercially reasonable property</p>

	<p>management fee, and the like) (allocated on a square footage basis in the case of increased square footage) in excess of the then-current Monthly Base Rent Allocation (“<b>Participation Rent</b>”) as further described in <i>Section 5.3</i>. Participation Rent shall be in addition to Base Rent and Percentage Rent and shall not be taken into account when calculating Percentage Rent.</p> <p>Further, Tenant agrees that as a condition of Port’s consent to a Sublease or Transfer to a tenant or Subtenant with a substantially different business model (such as alcohol sales) or if Tenant becomes a for-profit entity, Port may elect to increase the monthly Percentage Rent amount above six-percent (6%) or require Tenant to pay Percentage Rent in a commercially reasonable amount consistent with other Port tenants with similar operations, as determined by Port in its reasonable discretion.</p>
<p><i>Extension Options:</i></p>	<p>Subject to the terms and conditions described below and in <i>Section 7</i>, Tenant shall have: (i) four (4) options to extend the term for a period of five (5) years each; (ii) followed by two (2) options to extend the term for a period of two (2) years each. Each extension option and each extension term, whether for five (5) or two (2) years, is referred to in this Lease as an “<b>Extension Option</b>” and an “<b>Extension Term.</b>” Tenant may exercise an Extension Option by providing Port with written notice to exercise an Extension Option (each an “<b>Option Notice</b>”) no less than Three Hundred Sixty-Fifty (365) days prior to the relevant expiration date (each an “<b>Option Notice Deadline</b>”), except in the case of the two (2) year Extension Options, in which case the Option Notice shall be given no less than six (6) months prior to the relevant expiration date and such 6-month date shall be the Option Notice Deadline.</p> <p>Tenant may include in the Option Notice, a request to continue to use the Interim Power Line during the applicable Extension Term. Port will include in its written confirmation of the Extension Term Rent whether Tenant may access the Interim Power Line during the applicable Extension Term. If Port’s written confirmation is silent on whether Tenant may use the Interim Power Line, then it will be deemed as if the Interim Power Line is unavailable for Tenant’s use during the applicable Extension Term.</p> <p>If Port confirms, or is deemed to have confirmed, that the Interim Power Line is unavailable for Tenant’s use during the applicable Extension Term, then Tenant may revoke its Option Notice upon written notice to Port given within ninety (90) days after Port’s confirmation or deemed confirmation.</p> <p>If Port confirms that the Interim Power Line is available for Tenant’s use but only for a portion of the applicable Extension Term or such use is subject to a new limitation (e.g., available but at a lesser capacity), then Tenant may elect to revoke its Option Notice entirely or revoke and provide a modified Option Notice for an Extension Term that is only for the period of availability or only for such period of time as the Interim Power Line is available without being subject to the new limitation. Tenant shall provide such</p>

	<p>revocation (or revocation and modified Option Notice) within ninety (90) days after receipt of Port's confirmation.</p>
<p><i>Rent During an Extension Term:</i></p>	<p>On the commencement date of an Extension Term (if any) and on each Anniversary Date of an Extension Term, Monthly Base Rent shall be increased by an amount equal to the product obtained by multiplying the average of any annual (over-the-year) changes in the CPI for the five (5) years immediately preceding the Option Notice Deadline by the Monthly Base Rent, but subject to a minimum for such average of one percent (1%) and maximum of such average of four percent (4%) (the "<b>Extension Term Annual Adjustment</b>").</p> <p>For the final two, 2-year options, the Extension Term Annual Adjustment will be calculated in the same manner and subject to the same minimum and maximum, except that the average of any changes in the CPI for the two years preceding the Option Notice Deadline will be used.</p> <p>For any Extension Term for which Tenant has given an Option Notice, no later than the date that is Two Hundred Seventy (270) days (or ninety (90) days in the case of the 2-year options) prior to the commencement date of the relevant Extension Term, Tenant shall provide a calculation showing the applicable Extension Term Annual Adjustment and resulting Base Rent (including to the Monthly Base Rent Allocation for any Subtenants) and Restroom Rent Credit, for Port's review and written confirmation, which Port will provide within thirty (30) days after receipt. Port will include in its written notice whether Tenant may access the Interim Power Line during the applicable Extension Term. If Port's written notice is silent on whether Tenant may use the Interim Power Line, then it will be deemed as if the Interim Power Line is unavailable for Tenant's use during the applicable Extension Term. Tenant shall have the right to revoke, or revoke, modify and re-submit, its Option Notice as set forth above in the "<b>Extension Option</b>" section of this Basic Lease Information.</p> <p>The parties agree that such calculation is a straightforward and objective process; however, if Port rejects Tenant's calculation, then Port shall provide a written explanation of why it disagrees and shall provide its own calculation. The parties shall negotiate in good faith and use commercially reasonable efforts to reach agreement on the applicable Extension Term Annual Adjustment within sixty (60) days after the expiration of the 30-day period, including the schedule for Tenant to make payment of any amounts due or receive a credit for any overpayment.</p> <p>For illustrative purposes only:</p> <p>If the Rent Commencement Date is November 1, 2023, then the first Extension Term will commence on November 1, 2033 and the Option Notice Deadline is October 31, 2032 and Tenant will perform the calculations in the following manner and submit to Port no later than January 4, 2033.</p>

	<p>October 2027 – October 2028: 6.3%*</p> <p>October 2028 – October 2029: 5.6%</p> <p>October 2029 – October 2030: 6.4%</p> <p>October 2030 – October 2031: 0.6%</p> <p><u>October 2031 – October 2032: 3.8%</u></p> <p>Total: 21.5%</p> <p>Annual Average: 4.3%</p> <p>Extension Term Annual Adjustment: 4.0% (capped)</p> <p>*The percentage represents the annual (over-the-year) percentage change in the CPI measured based on the CPI publication date closest to the adjustment date. If CPI is published on a bimonthly basis, the calculation will be made using the most current CPI numbers published previous to the start and end dates of the relevant 12-month calculation period. For example, if the calculation requires numbers published in September and CPI is not published in that month but is published in August, then the calculation will be performed using the August CPIs immediately preceding the applicable Septembers of the 12 month determination period (e.g., August 2027 and 2028)).</p>
<i>Security Deposit:</i>	Fifteen Thousand Four Hundred Sixty-Eight Dollars and 30/100 (\$15,468.30)
<i>Initial Improvements:</i>	<p>Tenant must Complete the following Initial Improvements as more fully described in the Scope of Development attached to the Work Letter (<b>Exhibit E</b>):</p> <p>(1) tenant improvements generally including</p> <p>(A) improvements necessary for Tenant to operate fitness areas, group exercise spaces, restrooms and an office area,</p> <p>(B) infrastructure improvements to Sublease Premises B to support cooking, cleaning, refrigeration and food delivery at a retail coffee/bagel shop, (C) infrastructure improvements to Sublease Premises A to support operation of, and storage in, a water sports retail shop and aquatics center, including drainage for rinsing of human-powered watercraft, (D) electrical, IT, HVAC, water and sewer facilities, including a new topping slab and radiant heat, and (E) improvements to the exterior of the Building, including store front egress doors, window glazing, roll up access doors, repaired siding, connections between exterior and interior slabs, paint and exterior signage and lighting (“<b>Initial Tenant Improvements</b>”); and</p> <p>(2) seismic improvements and structural upgrades generally including lateral bracing, vertical bracing and roof truss bracing between existing steel Building structures (the “<b>Seismic Project</b>”; together with the Initial Tenant Improvements, , the “<b>Initial Improvements</b>”). The Initial Improvements shall be constructed at Tenant’s sole cost and expense and in accordance with the Work Letter and <b>Section 14</b> below.</p>

	<p>Tenant agrees that it will invest a minimum of Five Million dollars (\$5,000,000) in hard and soft costs in the Initial Tenant Improvements including for the fees and costs of design professionals, engineers, and construction management; internal management costs; landscaping and planters; costs of obtaining LEED or similar green building or environmental certifications; costs of complying with applicable Laws; inspection and testing (such as geotechnical, lead paint and asbestos testing); surveying costs; legal fees; building permit fees; insurance premiums and costs; costs of signage; costs of built in or fixed personal property, such as a lobby desk and built-in cabinets and lockers; kitchen equipment; water fountains; and security services and systems.</p> <p>Tenant must Complete the Initial Improvements no later than the Initial Improvements Completion Date as set forth in the Work Letter. Tenant's Completion of the Initial Improvements by the Initial Improvements Completion Date is material consideration for this Lease and Port would not have entered into this Lease absent such terms.</p> <p>Subject to the conditions of <b>Section 5.11</b>, Tenant shall be entitled to a rent credit not to exceed the lesser of: (i) fifty percent (50%) of the Tenant's actual total cost for the Seismic Project or (ii) Five Hundred Thousand Dollars (\$500,000) ("<b>Seismic Project Rent Credit</b>") to be taken on a monthly basis against one hundred percent (100%) of Rent commencing upon Completion of the Seismic Project until the earlier to occur of the events described in <b>Section 5.11(a)(iii)</b>.</p> <p>Except for the Seismic Project Rent Credits as explicitly provided for in this Lease, Tenant understands and agrees that it will not receive or seek additional rent credits or other compensation or consideration for any improvements including without limitation the Initial Improvements and agrees that it will not seek additional term for the purpose of amortizing any improvements.</p>
<i>Park License:</i>	In connection with this Lease, the parties are entering into a license agreement attached hereto as <b>Exhibit F</b> (the " <b>License</b> ").
<i>Operations Plan:</i>	<p>All Permitted Uses must be performed in compliance with the attached Operations Plan (<b>Exhibit G</b>), as approved by the Port and amended from time to time as necessary. The Operations Plan is supplemental to the Lease; in the event of any conflict or inconsistency between the Lease and the Operations Plan, the Lease will control unless explicitly provided otherwise in this Lease. Tenant must prepare and maintain the Operations Plan to document procedures consistent with Laws, industry standards, best management practices and good housekeeping under this Lease and the License. The Operations Plan must address the following operations and components by Tenant and any Subtenants on or about the Premises or License Area as defined in the License (<b>Exhibit F</b>):</p> <p>(A) Hours of Operation, Security, Staffing and Safety Plan;</p>

	<p>(B) List of required and obtained Regulatory Approvals;</p> <p>(C) Fitness class and aquatic activities safety measures (e.g., participant safety gear; participant/instructor ratio; instructor qualifications);</p> <p>(D) Reporting Accidents;</p> <p>(E) Noise Control;</p> <p>(F) Equipment Washing Protocols</p> <p>(G) Park Usage Areas (including paths of travel for staff and patrons).</p> <p>Failure to comply with the Operations Plan after notice and an opportunity to cure as provided in <b>Section 26</b> is a material breach of this Lease. Port and Tenant may, from time to time, review the Operations Plan and make recommendations for revisions. All revisions to the Operations Plan, whether initiated by Port or Tenant, are subject to Port and Tenant approval, each in its reasonable discretion.</p>
<p><i>Obligations Regarding Public Restrooms:</i></p>	<p>Except as explicitly provided by this Section, all terms, conditions, obligations and liabilities of this Lease apply to the public restrooms (“<b>Restrooms</b>”). In addition, specifically, commencing within five (5) days after Tenant commences operations in the Building, Tenant must : (i) regularly clean, stock, and equip the Restrooms so that the Restrooms remain useable during their hours of operation; (ii) maintain clearly visible signage that the Restrooms are open to the public; (iii) ensure Restrooms are open from 9:00 a.m. – 6:00 p.m. Monday through Friday, 9:00 a.m. – 5:00 p.m. on weekends, and 9:00 a.m. – 2:00 p.m. on holidays (other than holidays when Tenant is not open at the Premises); (iv) provide Port with at least fifteen (15) days prior written notice of its intention to close the Restrooms to the public for any period longer than necessary to address any health or safety concerns or to perform routine maintenance and repair and obtain Port’s written consent to do so prior to closing the Restrooms. Subject to <b>Section 14.11</b>, Tenant may install signage in the Restrooms that Tenant considers necessary or appropriate to limit Tenant’s liability for their use.</p> <p>Tenant’s obligations with respect to the Restrooms are material and Port would not have entered into this Lease absent such terms.</p> <p>Starting on the day that Tenant notifies Port that Tenant commenced operations in the Building, and provided that Tenant complies with these provisions and subject to the terms and conditions of <b>Section 5.11(b)</b>, Port will contribute financially to the cost of capital expenses and repairs for the Restrooms by providing a monthly rent credit of Two Thousand dollars (\$2,000) against Base Rent, which amount shall be adjusted annually by the Annual Adjustment or the Extension Term Annual Adjustment as the case may be (“<b>Restroom Rent Credit</b>”). The Parties agree that the Restroom Rent Credit as established in this Lease is reasonable irrespective of whether Tenant’s costs increase or decrease over the Term.</p>

<p><i>Additional Prohibited Uses:</i></p>	<p>In addition to, and without limiting, the Prohibited Uses specified in <b>Section 10.2</b> below, the following are prohibited:</p> <p>(a) No discharges to the Bay;</p> <p>(b) Use of the Premises for operation of a night club, underage parties, raves, pay at the door events or other similar activities.</p> <p>Port shall have all remedies set forth in this Lease, and at law or equity in the event Tenant performs any of the Prohibited Uses.</p>
<p><i>Maintenance and Repair:</i></p>	<p>Tenant is solely responsible for maintenance and repair of the Premises including without limitation, the Building and all Building Systems including the structure, substructure, roof, core, shell, Utilities and other infrastructure, windows and interiors.</p> <p>Port will have no maintenance or repair obligations with respect to the Premises or the Interim Power Line.</p>
<p><i>Utilities; Services:</i></p>	<p>Port and Tenant acknowledge that as of the Effective Date, the electricity to the Premises is by means of a power line from outside the Premises (“<b>Interim Power Line</b>”). The location of the Interim Power Line is generally depicted on the attached <b>Exhibit A</b> and originates from areas outside the Premises and within Port’s jurisdiction. Tenant has been unable to determine the financial feasibility of designing and constructing a direct connection from the Premises to an electrical power distribution line (“<b>Direct Power Connection</b>”) for the Permitted Uses before the Effective Date.</p> <p>Subject to the terms and conditions set forth herein, without limiting Tenant’s obligations under <b>Section 15.1</b>, Port agrees that Tenant may connect to the Interim Power Line in order to connect to and receive electrical power supplied by the SFPUC (i) while Tenant diligently works to determine the financial feasibility of a Direct Power Connection, (ii) if applicable, if Tenant concludes the Direct Power Connection is financially feasible, during construction of the Direct Power Connection until it is able to receive SFPUC electrical power, and (iii) if applicable, after Tenant reasonably concludes that a Direct Power Connection is financially infeasible.</p> <p>If Tenant reasonably concludes that a Direct Power Connection is financially infeasible, Tenant will promptly provide notice of such conclusion to Port, along with evidence to support such conclusion. The Parties agree that it will be reasonable for Tenant to conclude that a Direct Power Connection is financially infeasible if the cost to Tenant of such connection exceeds \$150,000. Reasonable evidence supporting such cost calculation shall constitute sufficient evidence to support such conclusion. Tenant will cease use of the Interim Power Line once a Direct Power Connection is constructed and SFPUC electrical power flows through the Direct Power Connection to the Premises.</p> <p>Tenant must contract directly with SFPUC and install a separate meter or sub-meter for the actual supply and metering of all electrical power to and at the Premises. Port has no obligation to</p>

pay for or reimburse any party, for any electrical power (including any infrastructure) supplied to or used at the Premises.

Tenant agrees and acknowledges that (i) if it elects to connect to the Interim Power Line, it will connect to the Interim Power Line in its as-is condition, (ii) the current as-is condition of the Interim Power Line is capable of carrying an adequate supply of electricity for the Permitted Use (“**Power Baseline**”), and (iii) Port has no obligation to maintain, repair, or replace the Interim Power Line at any time during the Term. Port has made no representation or warranty about the condition or life-span of the Interim Power Line, the feasibility of Tenant using the Interim Power Line for the Permitted Uses throughout the Term, or whether the Power Baseline is sufficient for the Permitted Uses.

Notwithstanding the foregoing, during the period when there is no Direct Power Connection, if all of the Premises is without electrical power due solely to the inability of the Interim Power Line to carry electricity (as opposed to the SFPUC’s inability to supply electricity) to the Premises in the amount of the Power Baseline, then Tenant will notify Port. If, within thirty (30) days after receipt by Port of such notice, Port has not restored or repaired the Interim Power Line such that it is once again capable of carrying electricity in the amount of the Power Baseline to the Premises, then, from and after such date, all of base Rent shall be abated until the date that is three (3) days after the date on which the Interim Power Line is once again capable of carrying the Power Baseline to the Premises provided Tenant also proportionately reduces the base rent for its Subtenants for the period of Tenant’s Rent abatement. The Parties further acknowledge that any Rent abatement will have no effect on the application of the Restroom Rent Credit or any other rent credit other than the Seismic Rent Credit, which application of the Seismic Rent Credit shall be tolled during the period the base Rent is abated.

If, notwithstanding the inability of the Interim Power Line to carry the Power Baseline, Tenant or any subtenants determine that they are able to use part of the Premises (e.g., by using mobile generators), then if the Power Baseline is not restored within thirty (30) days after receipt by Port of Tenant’s notice that only a portion of the Power Baseline is being met, Port may, in its sole discretion provide a partial abatement of Rent based on the partial use of the Premises contemplated in the notice.

Provided Tenant has made the determination (and the Port has concurred) that the Direct Power Connection is financially infeasible in accordance with the foregoing provisions in this “**Utilities; Services**” section of the Basic Lease Information and Tenant has been using the Interim Power Line but the Interim Power Line has not been able to carry the Power Baseline, if Port is unable to complete the restoration or repair of the Interim Power Line sufficient to allow it to carry the Power Baseline within two hundred seventy (270) days after the date of the cessation, then Tenant may terminate the Lease without penalty by giving Port not less than ninety (90) days’ prior written notice. Other than the Rent abatement and termination right without penalty permitted under

	<p>this section of the Basic Lease Information, Tenant’s release of Claims set forth in <b>Sections 22.4 and 22.5</b> includes the release of all Claims related to the inability of the Interim Power Line to carry the Power Baseline.</p> <p>For the avoidance of doubt, Tenant shall not be entitled to any Rent abatement if the Interim Power Line ceases to carry electricity as a result of (a) a failure of equipment owned or leased by Tenant or SFPUC, (b) a failure by Tenant to pay SFPUC, (c) an outage at SFPUC, or (d) a SFPUC act, omission, negligence or failure.</p> <p>Commencing on the Rent Commencement Date, as compensation to Port for Tenant’s use of the Interim Power Line, Tenant will pay monthly to Port a “Capacity Charge” in the amount of One Thousand Three Hundred Sixty-Three and 40/100 Dollars (\$1,363.40)(which is equal to \$0.20 per rentable square foot of the Premises (6,817 x \$0.20 = \$1,363.40 per month)). Tenant will pay the Capacity Charge as and when Monthly Base Rent is due. On each Anniversary Date during the Initial Term, the Capacity Charge will increase annually by three percent (3%). On the commencement date of an Extension Term (if any) and on each Anniversary Date of an Extension Term, the Capacity Charge will be increased by the same percentage as Monthly Base Rent is increased following calculation of the Extension Term Annual Adjustment.</p> <p>If at any time the Interim Power Line is no longer able to carry the Power Baseline to the Premises and such inability is not the result of (a) a failure of equipment owned or leased by Tenant or a failure by Tenant to pay SFPUC or (b) an outage at SFPUC, then the Capacity Charge shall be abated from and after such date until the date that is three (3) days after the date on which the Interim Power Line is once again capable of carrying the Power Baseline to the Premises (and provided that Tenant provides a similar abatement to any subtenants if applicable).</p> <p>At any time during the Term (including any Extension Term) on not less than thirty (30) days prior written notice, Tenant may terminate use of the Interim Power Line, whereupon Tenant shall cease using such connection and shall no longer be obligated to pay the Capacity Charge. If the date this Lease terminates or the day before the date Tenant no longer requires use of or has use of the Interim Power Line occurs on a date other than the last day of a calendar month, then any payment of the Capacity Charge shall be pro-rated based on the number of days in such month, and Port shall refund any overpayment to Tenant within thirty (30) days after the applicable date.</p> <p>Except as set forth above in this section of the BLI, Tenant’s sole responsibility, as further described in <b>Section 15</b>. Port makes no representation regarding the availability of existing or new Utilities or capacity for the use of the Premises. Port will cooperate with Tenant at no cost to Port to obtain necessary Utilities.</p>
<p><i>Development Project:</i></p>	<p>Events in the Park, including general public events, special events, activation, vending programs, and other uses, including potential</p>

	future improvements to the Park; redevelopment of the Kneass Building.

**3.1. Premises.** Subject to the provisions of this Lease, Port hereby leases to Tenant, and Tenant hereby leases from Port, the Premises identified in the Basic Lease Information. The Premises has the address and contains the square footage specified in the Basic Lease Information. The location and dimensions of the Premises are depicted on *Exhibit A* attached hereto and incorporated herein by reference. Port and Tenant agree and acknowledge that any statement of rentable or usable (if applicable) square footage set forth in this Lease is an approximation which Port and Tenant agree is reasonable and that the usable square footage of the Premises may be less than the rentable square footage of the Premises.

#### **3.2. Accessibility Inspection Disclosure.**

California law requires commercial landlords to disclose to tenants whether the property being leased has undergone inspection by a Certified Access Specialist (“**CASp**”) to determine whether the property meets all applicable construction-related accessibility requirements. The law does not require landlords to have the inspections performed. Tenant is hereby advised that the Premises has not been inspected by a CASp and Port shall have no liability or responsibility to make any repairs or modifications to the Premises in order to comply with accessibility standards. The following disclosure is required by law:

“A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the

arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises.”

**3.3. San Francisco Disability Access Disclosures.** Tenant is hereby advised that the Premises may not currently meet all applicable construction-related accessibility standards, including standards for public restrooms and ground floor entrances and exits. Tenant understands and agrees that Tenant may be subject to legal and financial liabilities if the Premises does not comply with applicable federal and state disability access Laws. As further set forth in **Section 11** (Compliance with Laws), Tenant further understands and agrees that it is Tenant’s obligation, at no cost to Port, to cause the Premises, and Tenant’s use thereof to be conducted in compliance with the Disability Laws and any other federal or state disability access Laws. Tenant shall notify Port if it is making any Alterations or Improvements to the Premises that might impact accessibility standards required under federal and state disability access Laws.

**3.4. No Right to Encroach.**

(a) If Tenant (including, its Agents, Invitees, successors and assigns) uses or occupies space outside the Premises other than use in a manner allowable by the general public in a public space without the prior written consent of Port (the “**Encroachment Area**”), then upon written notice from Port (“**Notice to Vacate**”), Tenant shall immediately vacate such Encroachment Area and pay as Additional Rent for each day Tenant used, occupied, uses or occupies such Encroachment Area, an amount equal to the rentable square footage of the Encroachment Area, multiplied by the higher of the (i) highest rental rate then approved by the San Francisco Port Commission for the Premises, or (ii) then current fair market rent for such Encroachment Area, as reasonably determined by Port (the “**Encroachment Area Charge**”). If Tenant uses or occupies such Encroachment Area for a fractional month, then the Encroachment Area Charge for such period shall be prorated based on a thirty (30) day month. In no event shall acceptance by Port of the Encroachment Area Charge be deemed a consent by Port to the use or occupancy of the Encroachment Area by Tenant, its Agents, Invitees, successors or assigns, or a waiver (or be deemed as a waiver) by Port of any and all other rights and remedies of Port under this Lease (including Tenant’s obligation to Indemnify Port as set forth in **Section 3.4(c)**), at law or in equity.

(b) In addition, Tenant shall pay to Port, as Additional Rent, an amount equaling Two Hundred Dollars (\$200.00) upon delivery of the initial Notice to Vacate plus the actual cost associated with a survey of the Encroachment Area. In the event Port determines during subsequent inspection(s) that Tenant has failed to vacate the Encroachment Area, then Tenant shall pay to Port, as Additional Rent, an amount equaling Three Hundred Dollars (\$300.00) for each additional Notice to Vacate, if applicable, delivered by Port to Tenant following each inspection. The parties agree that the charges associated with each inspection of the Encroachment Area, delivery of each Notice to Vacate and survey of the Encroachment Area represent a fair and reasonable estimate of the administrative cost and expense which Port will incur by reason of Port’s inspection of the Premises, issuance of each Notice to Vacate and survey of the Encroachment Area. Tenant’s failure to comply with the applicable Notice to Vacate and Port’s right to impose the foregoing charges shall be in addition to and not in lieu of any and all other rights and remedies of Port under this Lease, at law or in equity.

(c) In addition to Port’s rights and remedies under this Section, the terms and conditions of the indemnity and exculpation provision set forth in **Section 22** (Indemnity and Exculpation) shall also apply to Tenant’s (including, its Agents, Invitees, successors and assigns) use and occupancy of the Encroachment Area as if the Premises originally included the Encroachment Area, and Tenant shall additionally Indemnify Port from and against any and all loss or liability resulting from delay by Tenant in surrendering the Encroachment Area including, without limitation, any loss or liability resulting from any Claims against Port made by any tenant or prospective tenant founded on or resulting from such delay and losses to Port due to

lost opportunities to lease any portion of the Encroachment Area to any such tenant or prospective tenant, together with, in each case, actual attorneys' fees and costs.

(d) All amounts set forth in this Section shall be due within three (3) business days following the applicable Notice to Vacate and/or separate invoice relating to the actual cost associated with a survey of the Encroachment Area. By signing this Lease, each party specifically confirms the accuracy of the statements made in this Section and the reasonableness of the amount of the charges described in this Section.

**3.5. Proximity of Development Project.** Tenant acknowledges that during the Term, a Port program or project and/or the Development Project(s) described in the Basic Lease Information, if any, is scheduled to be, or may be, conducted in the vicinity of the Premises. Tenant is aware that such project(s) and the activities associated with such projects will generate certain adverse impacts which may result in some inconvenience to or disturbance of Tenant. Impacts may include, but are not limited to, increased vehicle and truck traffic, traffic delays and re-routing, loss of street and public parking, dust, dirt, construction noise and visual obstructions. Tenant hereby waives any and all Claims against Port, City and their Agents arising out of such inconvenience or disturbance. To the extent a Port program or project or Development Project is undertaken by Port, Port shall use commercially reasonable efforts to conduct any of the foregoing activities in a manner that, to the extent reasonably practicable, will minimize inconvenience or disturbance to Tenant, but Port will have no obligation to minimize inconvenience or disturbance to Tenant if a Port program or project Development Project is necessary, in Port's sole and absolute discretion, to maintain Port property in a safe, hazard-free condition.

**3.6. No Light, Air or View Easement.** This Lease does not include an air, light, or view easement. Any diminution or shutting off of light, air or view by any structure which may be erected on lands near or adjacent to the Premises or by any vessels berthed near the Premises shall in no way affect this Lease or impose any liability on Port, entitle Tenant to any reduction of Base Rent or Additional Rent, or affect this Lease in any way or Tenant's obligations hereunder.

**3.7. Unique Nature of Premises.** Tenant acknowledges that: (a) the Premises is located along the waterfront; (b) Port's regular maintenance may involve activities, such as pile driving, that create noise and other effects not normally encountered in locations elsewhere in San Francisco due to the waterfront location of the Premises; and (c) there is a risk that all or a portion of the Premises will be inundated with water due to floods or sea level rise.

**3.8. As-Is Condition.** Tenant acknowledges and agrees that Tenant is familiar with the Premises, the Premises is being leased and accepted in their "as-is" condition, without any improvements or alterations by Port, without representation or warranty of any kind, and subject to all applicable Laws governing their use, occupancy and possession. Tenant represents and warrants to Port that Tenant has received and reviewed the FEMA disclosure notice attached as *Schedule 2* and a copy of the report(s), if any, relating to the substructure and/or structure of the Building, as further described in *Schedule 3* attached hereto. Tenant further represents and warrants to Port that Tenant has investigated and inspected, either independently or through agents of Tenant's own choosing, the condition of the Premises and the suitability of the Premises for Tenant's business and intended use. Tenant acknowledges and agrees that neither Port nor any of its agents have made, and Port hereby disclaims, any representations or warranties, express or implied, concerning the rentable area of the Premises, the physical or environmental condition of the Premises, the present or future suitability of the Premises for Tenant's business, or any other matter whatsoever relating to the Premises, including, without limitation, any implied warranties of merchantability or fitness for a particular purpose.

**3.9. Release and Waiver.** As part of its agreement to accept the Premises in their "As Is With All Faults" condition, Tenant, on behalf of itself and its successors and assigns, will be deemed to waive any right to recover from, and forever release, acquit and discharge, Port and

the other Indemnified Parties of and from any and all Claims, whether direct or indirect, known or unknown, foreseen or unforeseen, that Tenant may now have or that may arise on account of or in any way be connected with (i) the physical, geotechnical or environmental condition in, on, under, above, or about the Premises, including any Hazardous Materials in, on, under, above or about the Premises (including soil and groundwater conditions), (ii) the suitability of the Premises for the development of the Improvements and the Permitted Uses, (iii) any Laws applicable thereto, including Environmental Laws as of the Effective Date, (iv) damages by death of or injury to any Person, or to property of any kind whatsoever and to whomever belonging, and (v) goodwill, or business opportunities arising at any time and from any cause in, on, around, under, and pertaining to the Premises, including all claims arising from the joint, concurrent, active or passive negligence of any of Indemnified Parties, but excluding any intentionally harmful acts committed solely by Port or City.

**3.10. *Port's Rights Regarding Premises.*** Port shall have the full right and authority to make, revoke, impose, and amend any Rules and Regulations pertaining to and reasonably necessary for the proper use, operation and maintenance of the Premises and Tenant agrees to be bound by any such Rules and Regulations upon prior written notice by Port. Tenant also acknowledges that Port's exercise of any of its rights regarding the Premises and other Port property in the vicinity of the Premises will not entitle Tenant to any abatement or diminution of Rent.

#### **4. TERM.**

**4.1. *Term.*** The Term of this Lease includes the Construction Term, Initial Term and any Extension Term as defined in this Lease.

**4.2. *Delivery.*** If Port is unable to deliver possession of the Premises to Tenant on or before the Commencement Date, then the validity of this Lease shall not be affected thereby and Port shall not be liable to Tenant for any Claims resulting therefrom, and Tenant waives all provisions of any Laws to the contrary. In such case, the Term and regular payments of Rent shall not commence until Port delivers possession of the Premises. Notwithstanding anything to the contrary above, if Port's inability to deliver possession of the Premises on the estimated Commencement Date results from Tenant's or its Agents' acts or omissions, then Base Rent and Additional Rent payable by Tenant hereunder shall commence on the date when Port would have delivered possession of the Premises but for such acts or omissions.

**4.3. *Waiver of Relocation Benefits.*** To the extent allowed by applicable Law, Tenant hereby waives any and all rights, benefits or privileges of the California Relocation Assistance Law, California Government Code §§ 7260 et seq., or under any similar law, statute or ordinance now or hereafter in effect, except as specifically provided in this Lease.

#### **5. RENT.**

Tenant shall pay to Port, in the manner herein described, the following Rent:

**5.1. *Base Rent; Annual Base Rent Adjustment.*** Throughout the Initial Term and any Extension Term, Tenant shall pay to Port the Base Rent set forth in the Basic Lease Information. Base Rent shall not be reduced due to subtenant vacancies. Tenant shall make the first payment of Base Rent from no later than the Rent Commencement Date and thereafter shall pay the Base Rent, in advance, on or before the first day of each calendar month throughout the Initial Term and during any Extension Term. If the Expiration Date is other than the last day of the month, the Base Rent for that month shall be apportioned based on a thirty (30) day month.

**5.2. *Percentage Rent.*** As described in the Basic Lease Information and subject to Port's consent to each Sublease as required in **Section 23.5**, Tenant agrees to pay to Port, in addition to the monthly Base Rent payable by Tenant pursuant to **Section 5.1**, a monthly Percentage Rent in the amount described in the Basic Lease Information in the following manner:

(a) Percentage Rent shall be calculated monthly and shall be paid by Tenant quarterly for each Lease Quarter within thirty (30) days after the end of the prior Lease Quarter, except that in the event this Lease expires or terminates on a day other than the last day of a Lease Quarter, Percentage Rent for such Lease Quarter shall be paid within thirty (30) days after such expiration or termination date. On the date Percentage Rent is determined and due, Tenant shall furnish a complete statement (the “**Quarterly Percentage Rent Statement**”) in a form approved by Port. In addition, Tenant shall furnish to Port, within sixty (60) days after the expiration of each applicable Subtenant’s fiscal year as stated in the relevant Sublease, a complete statement, showing the computation of the Percentage Rent for the immediately preceding Lease Year (“**Annual Statement**”) in a form approved by Port. The Annual Statement is for verification and certification of Quarterly Percentage Rent Statements only and shall not result in any averaging of monthly Percentage Rent. Each Quarterly Percentage Rent Statement and Annual Statement shall set forth in reasonable detail Gross Revenues for such immediately preceding Lease Quarter or Lease Year, as applicable, including an itemized list of any and all deductions or exclusions from Gross Revenues that Tenant may claim and which are expressly permitted under this Lease, and a computation of the Percentage Rent for the immediately preceding Lease Quarter or Lease Year, as applicable.

(b) Each Quarterly Percentage Rent Statement and Annual Statement shall be Certified. Tenant must submit payment of the balance owing together with any Annual Statement showing that Tenant has underpaid Percentage Rent. At Port’s option, overpayments may be refunded to Tenant, applied to any other amount then due under the Lease and unpaid, or applied to Rent due at the first opportunity following Tenant’s delivery of any Annual Statement showing an overpayment.

(c) If Tenant fails to (i) pay the Percentage Rent on the date due as provided above; (ii) submit the Quarterly Percentage Rent Statement therewith (even if the statement indicates that Percentage Rent is not due); or (iii) fails to submit the Annual Statement, such failure in each instance shall be subject to a Late Charge. Tenant shall also pay any costs including attorneys’ fees reasonably incurred by Port by reason of such failure. Additionally, if Tenant fails to deliver any Quarterly Percentage Rent Statement or Annual Statement within the time period set forth in this **Section 5.2** (irrespective of whether any Percentage Rent is actually paid or due to Port) and such failure continues for thirty (30) days after the date Tenant receives (or refuses receipt of) written notice of such failure from Port, Port shall have the right, among its other remedies under this Lease, to employ a CPA to make such examination of Tenant’s Books and Records (and the Books and Records of any other occupant of the Premises) as may be necessary to certify the amount of Percentage Rent due under this Lease for the period in question and the certification so made shall be binding upon Tenant and Tenant shall promptly pay to Port the total reasonable cost of the examination, together with the full amount of Percentage Rent due and payable for the period in question, including any Late Charge. Tenant acknowledges that late submittal of the Quarterly Percentage Rent and Annual Statements and late payment of Percentage Rent will cause Port increased costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. The parties agree that the charges set forth in this Section represent a fair and reasonable estimate of the cost that Port will incur by reason of Tenant’s lateness.

(d) Acceptance by Port of any monies paid to Port by Tenant as Percentage Rent as shown by any Quarterly Percentage Rent Statement or Annual Statement, shall not be an admission of the accuracy of said Quarterly Percentage Rent Statement or Annual Statement or the amount of such Percentage Rent payment.

(e) Tenant agrees to submit Quarterly Percentage Rent Statements on a monthly basis if requested by Port with no less than twelve (12) months prior written notice, in which case, all references in this Lease to Quarterly Percentage Rent Statements will be changed to “Monthly Percentage Rent Statements” and all requirements pertaining to Quarterly Percentage Rent Statements shall apply to Monthly Percentage Rent Statements.

**5.3. Participation Rent.** As described in the Basic Lease Information and subject to Port's consent to each Sublease as required in *Section 23.5*, Tenant agrees to pay to Port, in addition to the monthly Base Rent payable by Tenant pursuant to *Section 5.1*, and the Percentage Rent pursuant to *Section 5.2*, Tenant agrees to pay to Port immediately upon receipt all Participation Rent, less Subletting Expenses in the amounts and manner approved by Port in its reasonable discretion, as Additional Rent.

**5.4. Books and Records.** Tenant agrees that the business of Subtenants upon the Premises shall be operated with a non-resettable register and so that a duplicate dated sales slip or such other recording method reasonably acceptable to Port shall be issued with each sale, whether for cash, credit or exchange. Furthermore, Tenant shall keep (and shall cause its Subtenants and assignees to keep) at the Premises or at a convenient location in San Francisco at all times during the Term complete and accurate Books and Records that contain all information required to permit Port to verify Gross Revenues and deductions and exclusions therefrom that are in accordance with this Lease and with generally accepted accounting practices consistently applied with respect to all operations of the business to be conducted in or from the Premises and shall retain such Books and Records until the later of (i) four (4) years after the end of each Lease Year to which such Books and Records apply or, (ii) if an audit is commenced or if a controversy should arise between the parties hereto regarding the Percentage Rent payable hereunder, until such audit or controversy is concluded even if such audit period extends beyond the expiration or earlier termination of the Lease (the "**Audit Period**").

**5.5. Audit.**

(a) Tenant on its own behalf and on behalf of its Subtenants agrees to make all Books and Records available to Port, or to any City auditor, or to any auditor or representative designated by Port or City (hereinafter collectively referred to as "**Port Representative**"), upon no less than thirty (30) business days prior written notice to Tenant, for the purpose of examining said Books and Records to determine the accuracy of Tenant's reporting of Percentage Rent for a period not to exceed the Audit Period after a Percentage Statement is delivered to the Port. Tenant shall cooperate with the Port Representative during the course of any audit, provided however, such audit shall occur at Tenant's business office, or at such other location in San Francisco where the Books and Records are kept, and no books or records shall be removed by Port Representative without the prior express written consent of Tenant (provided, however, copies may be made by the Port Representative on site), and once commenced, with Tenant's cooperation, such audit shall be diligently pursued to completion by Port within a reasonable time of its commencement, provided that Tenant makes available to the Port Representative all the relevant Books and Records in a timely manner. If an audit is made of Tenant's Books and Records and Port claims that errors or omissions have occurred, the Books and Records shall be retained by Tenant and made available to the Port Representative until those matters are expeditiously resolved with Tenant's cooperation. If Tenant operates the Premises through one or more Subtenants or Agents (other than Port), Tenant shall require each such Subtenant or Agent to provide the Port with the foregoing audit right with respect to its Books and Records. Upon completion of the audit, Port shall promptly deliver a copy of the audit report to Tenant.

(b) If an audit reveals that Tenant has understated Gross Revenues for said audit period, Tenant shall pay Port, promptly upon demand, the difference between the amount Tenant has paid and the amount it should have paid to Port, plus interest at the Interest Rate from the date of the error in the payment. If an audit reveals that Tenant has overstated Gross Revenues for said audit period, Tenant shall be entitled to a credit against rent for either Base Rent or Percentage Rent next owed equal to the difference between the amount Tenant has paid and the amount it should have paid to Port. If Tenant understates Gross Revenues for any audit period by three percent (3%) or more (subject to a minimum understatement of five thousand dollars (\$5,000), increased annually by three percent (3%)), Tenant shall pay the cost of the

audit. A second understatement within any three (3) Lease Year period of the first such understatement shall be considered an Event of Default.

**5.6. *Default Interest.*** Any Rent, if not paid within five (5) days following the due date and any other payment due under this Lease not paid by the applicable due date, shall bear interest from the due date until paid at the Interest Rate. However, interest shall not be payable on Late Charges incurred by Tenant nor on other amounts to the extent this interest would cause the total interest to be in excess of that which an individual is lawfully permitted to charge. Payment of interest shall not excuse or cure any default by Tenant. Tenant shall also pay any costs, including attorneys' fees incurred by Port by reason of Tenant's failure to pay Rent or other amounts when due under this Lease.

**5.7. *Late Charges/Habitual Late Payer.*** Tenant acknowledges that late payment by Tenant to Port of Rent or other sums due under this Lease will cause Port increased costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Accordingly, if Tenant fails to pay Rent on the date due, such failure shall be subject to a Late Charge at Port's discretion; provided that such Late Charge shall be imposed with respect to the first two (2) occurrences of such a delinquency in any twelve (12)-month period only if Tenant fails to cure such delinquency within five (5) days after written notice from Landlord thereof. Tenant shall also pay any costs including attorneys' fees incurred by Port by reason of Tenant's failure to timely pay Rent. Additionally, in the event Tenant is notified by Port that Tenant is considered to be a Habitual Late Payer, Tenant shall pay, as Additional Rent, an amount equal to Fifty Dollars (\$50.00) (as such amount may be adjusted from time to time by the Port Commission) upon written notification from Port of Tenant's Habitual Late Payer status. The parties agree that the charges set forth in this Section represent a fair and reasonable estimate of the cost that Port will incur by reason of any late payment. Such charges may be assessed without notice and cure periods and regardless of whether such late payment results in an Event of Default. Payment of the amounts under this Section shall not excuse or cure any default by Tenant.

**5.8. *Returned Checks.*** If any check for a payment for any Lease obligation is returned without payment for any reason, Tenant shall pay, as Additional Rent, an amount equal to Fifty Dollars (\$50.00) (as such amount may be adjusted from time to time by the Port Commission) and the outstanding payment shall be subject to a Late Charge as well as interest at the Interest Rate.

**5.9. *Net Lease.*** It is the purpose of this Lease and intent of Port and Tenant that all Rent shall be absolutely net to Port, so that this Lease shall yield to Port the full amount of the Rent at all times during the Term, without deduction, abatement or offset. Except as otherwise expressly set forth in this Lease, under no circumstances, whether now existing or hereafter arising, and whether or not beyond the present contemplation of the Parties shall Port be expected or required to incur any expense or make any payment of any kind with respect to this Lease or Tenant's use or occupancy of the Premises, including any Improvements. Without limiting the foregoing, but except as expressly provided to the contrary in this Lease, Tenant shall be solely responsible for paying each item of cost or expense of every kind and nature whatsoever, the payment of which Port would otherwise be or become liable by reason of Port's estate or interests in the Premises and any Improvements, any rights or interests of Port in or under this Lease, or the ownership, leasing, operation, management, maintenance, repair, rebuilding, remodeling, renovation, use or occupancy of the Premises, any Improvements, or any portion thereof. No occurrence or situation arising during the Term, nor any present or future Law, whether foreseen or unforeseen, and however extraordinary, shall relieve Tenant from its liability to pay all of the sums required by any of the provisions of this Lease, or shall otherwise relieve Tenant from any of its obligations under this Lease, or shall give Tenant any right to terminate this Lease in whole or in part, except as otherwise expressly provided in this Lease. Tenant waives any rights now or hereafter conferred upon it by any existing or future Law to terminate this Lease or to receive any abatement, diminution, reduction or suspension of

payment of such sums, on account of any such occurrence or situation, provided that such waiver shall not affect or impair any right or remedy expressly provided Tenant under this Lease.

**5.10. Additional Charges.** Without limiting Port's other rights and remedies set forth in this Lease, at law or in equity, in the event Tenant fails to submit to the appropriate party, on a timely basis, the items identified in *Sections: 15* (Utilities), *18.3* (Tenant's Environmental Condition Notification Requirements), *18.8* (Storm Water Pollution Prevention), *34.1(d)* (CMD Form), and *38* (Estoppel Certificate) or to provide evidence of the required insurance coverage described in *Section 19 below*, then within twenty (20) days after written notice from Port of such failure, Tenant shall pay, as Additional Rent, an amount equaling One Hundred Dollars (\$100.00). In the event Tenant fails to provide the necessary document within the time period set forth in the initial notice (which shall not be less than fifteen (15) days under this Lease) and Port delivers to Tenant additional written notice requesting such document, then Tenant shall pay to Port, as Additional Rent, an amount equaling One Hundred Fifty Dollars (\$150.00) for each additional written notice Port delivers to Tenant requesting such document. The parties agree that the charges set forth in this *Section 5.10* represent a fair and reasonable estimate of the administrative cost and expense which Port will incur by reason of Tenant's failure to provide the documents identified in this *Section 5.10* and that Port's right to impose the foregoing charges shall be in addition to and not in lieu of any and all other rights under this Lease, at law or in equity. By signing this Lease, each party specifically confirms the accuracy of the statements made in this *Section 5.10* and the reasonableness of the amount of the charges described in this *Section 5.10*.

**5.11. Rent Credits; Seismic Project Rent Credits.**

(a) Seismic Project Rent Credits. Tenant shall be entitled to the Seismic Project Rent Credit as provided in the Basic Lease Information subject to the following conditions.

(i) Within ninety (90) days after Completion of the Seismic Project, Tenant shall deliver to Port an itemized statement of the actual costs expended by Tenant on the Seismic Project, accompanied by documentation reasonably satisfactory to Port evidencing all said expenditures. Such appropriate proofs of expenditure shall include, without limitation, (i) copies of canceled checks, (ii) copies of executed contracts, (iii) invoices for labor services and/or materials marked "Paid"; or otherwise evidenced as having been paid; bills of lading marked "Paid"; other bills, contracts and receipts for goods, materials and/or services marked "Paid", (iv) and such other proofs of expenditure as may be reasonably approved by Port, and (v) unconditional lien waivers from all the general contractors and all subcontractors and suppliers for the particular items of the Seismic Project covered by the rent credit request. All such proofs of expenditure must be attributable directly to work or materials performed, constructed or installed in connection with the Seismic Project. Costs expended for the Seismic Project that are eligible for rent credits shall not include any items other than those specified in the Work Letter and shall not include items related to the Initial Tenant Improvements or any other items nor any fees, exactions, impositions, or similar charges imposed as a condition to permit approval. Notwithstanding anything to the contrary in this Lease, fees paid for the Building Permit for the Initial Improvements apportioned to the Seismic Project are eligible for rent credits. To the extent Tenant (through its employees, contractors, or any party in which Tenant has a direct financial interest) performs any of the work, the costs for such labor shall be no more than the commercially reasonable, market-rate labor charges typically charged for such work by parties in an arms-length transaction. In no event shall maintenance, repair and/or replacement costs be eligible for rent credits. During construction of the Seismic Project, Tenant may submit interim statements with the foregoing information for Port's review and approval in order to expedite the initiation of the rent credits. Within ninety (90) days of receipt of the final statement and based upon said statement and accompanying documentation which substantiate the actual costs expended, Port in its reasonable discretion shall determine in writing the costs eligible for rent credits and Tenant may apply such rent credits in accordance with this Section.

(ii) Notwithstanding any other provision of this Lease, the determination of Completion of the Seismic Project is independent of the determination of Completion of the Initial Tenant Improvements for purposes of eligibility for and application of the Seismic Rent Credits.

(iii) In the event all or any portion of the Seismic Project Rent Credit available to Tenant exceeds such monthly installment of Rent due, the remaining portion of the Seismic Rent Credit shall be carried forward to the next installment of monthly Rent until the earlier to occur of (i) the rent credit being fully applied, (ii) the expiration or earlier termination of this Lease excluding any holdover period (with or without Port consent), or (iii) if an Event of Default occurs, then following the cure of such Event of Default.

(b) Conditions for All Rent Credits, including Seismic Project Rent Credits.

(i) Tenant agrees and acknowledges that any right or claim Tenant may have to any rent credit that has not yet been actually applied against Rent shall, upon the earlier to occur of (i) Tenant's failure to submit to Port within ninety (90) days adequate evidence of expenditures (if submission is required under this Lease); or (ii) the expiration or earlier termination of this Lease, be immediately terminated, without notice, and Port shall have no liability or obligation to pay or credit Tenant all or any portion of the unused rent credit.

(ii) Rent credits cannot be applied retroactively.

(iii) Notwithstanding anything to the contrary contained herein, in no event shall Tenant receive any rent credit during any existing Event of Default. Upon the occurrence of an Event of Default during the period Tenant is eligible for rent credits, Tenant's right to receive any rent credit shall cease and shall not be reinstated until the Event of Default is cured. If an Event of Default occurs on a day other than the first day of the calendar month or an Event of Default is cured on a day other than the last day of the calendar month, Base Rent due to Port shall be apportioned based on a thirty (30) day month. In no event shall the cessation in the application of any rent credit extend the rent credit period or amount.

## 6. TENANT'S MANAGEMENT AND OPERATING COVENANTS.

**6.1. *Operating Standards/Covenants.*** Tenant will maintain and operate the Premises, or cause the Premises to be maintained and operated, in a manner consistent with (i) the maintenance and operation of other YMCA of San Francisco locations in San Francisco, California or, if YMCA of San Francisco is no longer the Tenant, then consistent with the maintenance and operation of similar fitness facilities in San Francisco and (ii) with respect to all other uses, consistent with the maintenance and operation of a similar first-class development of the same or similar use located in the Dogpatch neighborhood of San Francisco, and in, in all cases, in accordance with this Lease. Tenant is exclusively responsible, at no cost to Port, for the management and operation of the Premises. In connection with managing and operating the Premises, Tenant will provide (or require Subtenants or others to provide), services as necessary and appropriate for the use of the Improvements, including (a) repair and maintenance of the Improvements, as more fully described in *Section 13*; (b) utility and telecommunications (including internet/Wi-Fi) services; and (c) cleaning, janitorial, pest extermination, recycling, composting, and trash and garbage removal.

**6.2. *Continuous Operations.*** Tenant shall use commercially reasonable efforts to ensure that all of the Premises are used continuously during the opening hours set forth in this Lease including in the Operations Plan and shall not allow any portion of the Premises to remain unoccupied or unused without the prior written consent of Port, which consent may be withheld in Port's reasonable discretion. Notwithstanding the foregoing, the Port shall not withhold its consent to any cessation of operations of any portion of the Premises for any reasonably necessary time period due to the following causes or in the following circumstances: (a) if the Premises or a portion thereof becomes untenable due to fire or other Casualty, (b) as may be necessary in connection with performing Improvements, Alterations or major maintenance

activities that materially impact the ability to use the Premises or a portion thereof, (c) while conducting periodic inventory of Tenant's goods and merchandise, or (d) during re-subtenanting. Notwithstanding anything to the contrary, the Restrooms shall remain open on the terms and conditions stated in the Basic Lease Information at any time that Tenant is operating at the Premises.

**6.3. Subleasing Program.** Consistent with the purpose of this Lease to support maritime recreation and promote public access to the Bay and shoreline, Tenant will make every reasonable effort to obtain and retain desirable Subtenants that are consistent with the tidelands public trust for commerce, navigation and fisheries, including the statutory trust imposed by the Burton Act as set forth in the Burton Act. ("**Public Trust**"). In the event of vacant subleasable space, Tenant shall first market to Public Trust-consistent users offering similar retail goods and services as the original Subtenants (i.e. aquatics center; food and beverage). Nothing in this section is intended to require Tenant to enter into any Sublease that represents a below market rate or that will materially reduce the economic return to Tenant from the Sublease or require Tenant to enter into an agreement with someone that is not otherwise qualified. Tenant agrees to meet with Port from time to time, and, to consider in good faith whether to implement such steps as the Port may recommend to increase usage for Public Trust-related uses. In the event of any subtenant vacancies, Tenant will provide Port with quarterly reports on the status of its subleasing efforts (the "**Leasing Activity Report**") and maintain accurate records as to space leased, optioned, and available to lease to ensure the best placement of tenants taking into consideration options to extend and to expand. The Leasing Activity Report is due by the twentieth (20<sup>th</sup>) day of each Lease Quarter for the immediately preceding quarter and will be submitted concurrently with the applicable Quarterly Percentage Rent Statement.

**6.4. Restaurant/Retail Businesses Open to the General Public.** Any restaurant and/or retail operation (other than trade-only showrooms) on the Premises must be open to the general public and operated in a manner consistent with *Section 6.1* and *Section 10* and the Operations Plan.

**6.5. Flags.** Throughout the Term, a Port flag will fly on the Building. At Port's sole cost, Port will provide the Port flag to Tenant and will promptly replace worn Port flags. Tenant will promptly, at no charge, install, raise, lower, and remove Port flags at Port's request. The dimensions of Port flags will be similar to the dimensions of Port flags flown on the roofs of Port buildings. Tenant also may fly other flags on the Building, provided that such other flags, other than the flags of the United States and the State of California, must be placed beneath the Port flag and Port must first reasonably approve the dimensions, color, text, design, and materials for each flag. If Port determines that Tenant's response to Port's request to raise or lower Port flags is inadequate, then at Port's election, Port may exercise its rights to access the Flagpoles as further described in *Section 29*.

If Port does not provide a replacement flag to replace a worn Port flag, then Tenant shall provide Port with notice requesting that a replacement flag be provided ("**Replacement Notice**"). If Port reasonably believes the flag in question is not worn sufficiently enough to warrant its replacement, Port shall notify Tenant within five (5) days following receipt of the Replacement Notice, and such flag shall remain in place and not be replaced. If Port has not timely notified Tenant that Port disputes the need to replace the flag and if Port does not provide Tenant with a replacement flag within thirty (30) days following the Replacement Notice, then Tenant shall deliver to Port a second notice, which notice shall include a statement in bold, all caps, and underlined that if Port does not provide Tenant with a replacement flag within ten (10) days of such second notice, then Tenant shall have the right to remove the worn flag. If Port does not provide Tenant with a replacement flag within five (5) days of such second notice, then Tenant shall have the right to remove the worn flag; provided, however, if Port notifies Tenant that Port cannot provide Tenant with a replacement flag due to unavailability of a replacement flag, Tenant shall not remove the worn flag until Port is able to obtain a replacement flag, but in no

event shall Tenant be obligated to fly a worn flag more than sixty (60) days from delivery of the first Replacement Notice from Tenant.

**6.6. Exterior Improvements.** Tenant will not install any Exterior Improvements without Port's prior consent. Tenant will provide to Port the size, height, design, color, dimensions, text (if any), materials, location, and method of installation of the Exterior Improvements to enable Port to evaluate the proposed Exterior Improvement. Within thirty (30) days following Port's receipt of the proposed Exterior Improvement, Port will notify Tenant if Port requires the proposed Exterior Improvement to be reviewed by the WDAC or another Port advisory body, in Port's sole discretion, and Tenant will incorporate Port's requested changes, if any, into the proposed Exterior Improvement so long as such changes do not materially increase Tenant's cost or materially delay installation of the proposed Exterior Improvement. Construction of the Exterior Improvements will be in accordance with *Section 14*.

## **7. EXTENSION OPTIONS.**

**7.1. Options to Extend Term.** Provided that (i) Tenant has invested a minimum of \$5,000,000 in the Initial Improvements by the Initial Improvements Completion Date (as may be extended as provided in the Work Letter) as set forth in a summary that Tenant provides to Port of the amounts Tenant has spent, along with reasonably satisfactory evidence of Tenant's payment of such amounts) and (ii) Tenant provides a timely Option Notice, Tenant shall have the Extension Options described in the Basic Lease Information. Any Option Notice by Tenant shall be irrevocable by Tenant. The lease for an Extension Term shall cover the entire Premises and shall be upon all of the terms, covenants and conditions of this Lease, except that the Expiration Date shall mean the last day of the Extension Term.

If any Event of Default by Tenant is outstanding either at the time of Tenant's Option Notice or at any time prior to the first day of an Extension Term and remains uncured after notice and the expiration of all applicable cure periods, then Port may elect by written notice to Tenant to reject Tenant's exercise of the Extension Option, whereupon the Extension Option shall be null and void. If Tenant fails to exercise any Extension Option or Port rejects Tenant's exercise of any Extension Option in accordance with this Section, then all successive Extension Options shall be null and void and this Lease will terminate as of the original or relevant Expiration Date. The Parties acknowledge and agree that the prerequisite conditions to Tenant's extension option right set forth for in this Section are a material part of the bargained-for consideration under this Lease.

**7.2. Rent During Extension Term(s).** During any Extension Term, Tenant shall pay to Port the Base Rent set forth in the Basic Lease Information as adjusted on each Extension Term Anniversary Date by the Extension Term Annual Adjustment as provided in the Basic Lease Information. Percentage Rent, Participation Rent and Transfer Participation Rent will remain the same during any Extension Term.

**7.3. Other Terms.** The lease for an Extension Term shall cover the entire Premises and shall be upon all of the terms, covenants and conditions of this Lease, except that the Expiration Date shall mean the last day of the Extension Term.

## **8. TAXES AND ASSESSMENTS.**

**8.1. Payment of Taxes.** During the Term, Tenant agrees to pay, when due, to the proper authority any and all real and personal property taxes, general and special assessments, real property transfer taxes, license fees, permit fees and all other governmental charges of any kind or nature whatsoever, including without limitation all penalties and interest thereon, levied or assessed on Tenant's Property, the leasehold or subleasehold estate or Tenant's use of the Premises, or any transfer of a leasehold interest or subleasehold interest in the Premises (including but not limited to the transfer of the leasehold interest in the Premises pursuant to the Lease) whether in effect at the time this Lease is entered into or which become effective thereafter, and all taxes levied or assessed on the possession, use or occupancy, as distinguished

from the ownership, of the Premises. Tenant further recognizes and agrees that its leasehold interest may be subject to the payment of special taxes, including without limitation a levy of special taxes to finance energy efficiency, water conservation, water pollution control and similar improvements under the Special Tax Financing Law in Chapter 43 Article X of the Administrative Code. Tenant shall not permit any of the above taxes, assessments or other charges to become a defaulted lien on the Premises or the Improvements thereon; provided, however, that in the event any such tax, assessment or similar charge is payable in installments, Tenant may make, or cause to be made, payment in installments; and provided, further, that Tenant may, through such proceeding as Tenant considers necessary or appropriate, contest the legal validity or the amount of any tax, assessment or similar charge so long as such assessment or charge does not become a defaulted lien. In the event of any such dispute, Tenant shall Indemnify Port, City, and their Agents from and against all Claims resulting therefrom.

**8.2. Possessory Interest Tax.** Tenant recognizes and understands that this Lease may create a possessory interest subject to property taxation and that Tenant may be subject to the payment of property taxes levied on such interest. Tenant further recognizes and understands that any sublease or assignment permitted under this Lease and any exercise of any option to renew or other extension of this Lease may constitute a change in ownership for purposes of property taxation and therefore may result in a revaluation of any possessory interest created hereunder. Tenant agrees to pay taxes of any kind, including, but not limited to, possessory interest taxes, that may be lawfully assessed on the leasehold interest hereby created and to pay all other taxes, excises, licenses, permit charges and assessments based on Tenant's usage of the Premises that may be imposed upon Tenant by Law, all of which shall be paid when the same become due and payable and before delinquency. Tenant agrees not to allow or suffer a lien for any such taxes to be imposed upon the Premises or upon any equipment or property located thereon without promptly discharging the same, provided that Tenant, if so desiring, may have reasonable opportunity to contest the validity of the same. San Francisco Administrative Code Sections 23.38 and 23.39 (or any successor statute) require that certain information relating to the creation, renewal, extension, assignment, sublease, or other transfer of this Lease be reported to the County Assessor within sixty (60) days after any such transaction. Accordingly, Tenant must provide a copy of this Lease to the County Assessor not later than sixty (60) days after the Effective Date, and any failure of Tenant to timely provide a copy of this Lease to the County Assessor will be a default under this Lease. Tenant will also timely provide any information that Port or City may request to ensure compliance with this or any other reporting requirement.

## **9. SECURITY DEPOSIT.**

Tenant shall pay to Port upon execution of this Lease, the Security Deposit, in cash, in the sum specified in the Basic Lease Information, as security for the faithful performance by Tenant of all terms, covenants and conditions of this Lease. At all times, the Security Deposit shall equal the amount that is twice the current Monthly Base Rent and Tenant shall increase the amount of the Security Deposit on the same date that any increase in Base Rent is first due, including with respect to any Annual Adjustment and upon the commencement date of any Extension Term to maintain such ratio.

Tenant agrees that Port may (but shall not be required to) apply the Security Deposit in whole or in part to (a) pay any sum due to Port under this Lease; (b) compensate Port for any expense incurred or damage caused by Tenant, its Agents or Invitees; (c) cure any default by Tenant; or (d) cure, or attempt to cure, any failure of Tenant to perform any other covenant, term or condition contained herein. Tenant shall immediately upon demand pay Port a sum equal to the portion of the Security Deposit expended or applied by Port. Port shall not be required to keep the Security Deposit separate from its general funds, and Tenant shall not be entitled to any interest on the Security Deposit. Nothing contained in this Section shall in any way diminish or be construed as waiving any of Port's other remedies set forth in this Lease or provided by law or equity.

Tenant hereby waives the provisions of California Civil Code Section 1950.7 and/or any successor statute, it being expressly agreed that Port may apply all or any portion of the Security Deposit in payment of any and all sums reasonably necessary to compensate Port for any other loss or damage, foreseeable or unforeseeable, caused by the act or omission of Tenant or any Agent or Invitee of Tenant, and that following a default by Tenant, all or any portion of the Security Deposit may be retained by Port following a termination of this Lease and applied to future damages, including damages for future Rent, pending determination of the same.

## **10. USE OF THE PREMISES.**

**10.1. Permitted Use.** The Premises shall be used and occupied only for the Permitted Use specified in the Basic Lease Information and for no other purpose.

**10.2. Prohibited Use.** Tenant agrees that the following activities, by way of example only and without limitation, (in each instance, a “**Prohibited Use**” and collectively, “**Prohibited Uses**”), are inconsistent with this Lease, are strictly prohibited and are considered Prohibited Uses:

(a) any activity, or the maintaining of any object, which will in any way materially increase the existing rate of, or cause a cancellation of, any fire or other insurance policy covering the Premises, any part thereof or any of its contents;

(b) any activity or object which will exceed load restrictions, if any, or cause damage to the Premises;

(c) any activity which constitutes waste or nuisance, including, but not limited to, the preparation, manufacture or mixing of anything that might emit any objectionable odors, noises or lights onto adjacent properties or the use of loudspeakers or sound or light apparatus which can be heard or seen outside the Premises in a manner inconsistent with Laws;

(d) any activity which will in any way injure, obstruct or interfere with the rights of other users or of owners, users, or occupants of adjacent properties, including, but not limited to, rights of ingress and egress;

(e) use of the Premises for residential, sleeping or personal living quarters and/or "Live/Work" space;

(f) any auction, distress, fire, bankruptcy or going out of business sale on the Premises without the prior written consent of Port, which consent may be granted, conditioned, or withheld in the sole and absolute discretion of Port;

(g) any vehicle and equipment maintenance, including but not limited to, fueling, changing oil, transmission or other automotive fluids;

(h) the storage of any and all excavated materials, including but not limited to, dirt, concrete, sand, asphalt, and pipes;

(i) except during periods of permitted construction, the storage of any and all aggregate material, or bulk storage, such as wood or of other loose materials;

(j) except as provided in the Operations Plan, the washing of any vehicles, vessels or equipment; or

(k) other Prohibited Uses identified in the Basic Lease Information, if any.

**10.3. Notice of Prohibited Use Charge.** In the event Port determines after inspection that Prohibited Uses are occurring, then Tenant shall cease the Prohibited Use and shall pay to Port, as Additional Rent, an amount equaling Two Hundred Dollars (\$200.00) upon delivery of written notice to Tenant to cease the Prohibited Use (“**Notice to Cease Prohibited Use**”). In the event Port determines in subsequent inspection(s) that Tenant has not ceased the Prohibited Use, then Tenant shall pay to Port, as Additional Rent, an amount equaling Three Hundred Dollars

(\$300.00) for each additional Notice to Cease Prohibited Use delivered to Tenant. The parties agree that the charges associated with each inspection and delivery of the Notice to Cease Prohibited Use, if applicable, represent a fair and reasonable estimate of the administrative cost and expense which Port will incur by reason of Port's inspection and Tenant's failure to comply with the applicable Notice to Cease Prohibited Use and that Port's right to impose the foregoing charges shall be in addition to and not in lieu of any and all other rights under this Lease, at law or in equity. By signing this Lease, each party specifically confirms the accuracy of the statements made in this Section and the reasonableness of the amount of the charges described in this Section.

## **11. COMPLIANCE WITH LAWS; CHANGE IN LAWS.**

**11.1. *Compliance with Laws.*** Tenant, at Tenant's sole cost and expense, promptly shall comply with all Laws relating to or affecting the condition, use or occupancy of the Premises and shall comply with all Laws relating to Tenant's specific use of the Premises and all Rules and Regulations, if any, in effect either at the time of execution of this Lease or which may hereafter be in effect at any time during the Term, whether or not the same are now contemplated by the parties. Tenant further understands and agrees that it is Tenant's obligation, at Tenant's sole cost and expense, to cause the Premises including the activities and operations conducted thereon, to be in compliance with the Disability Laws. Tenant shall be solely responsible for conducting its own independent investigation of this matter and for ensuring that the design of all Alterations and Improvements strictly complies with all requirements of the Disability Laws. If Tenant's use or occupancy of the Premises triggers a requirement to remove barriers or perform other work to any Port property outside of the Premises to comply with the Disability Laws, then, Tenant will perform the work at Tenant's sole cost and expense.

The parties acknowledge and agree that Tenant's obligation to comply with all Laws as provided herein is a material part of the bargained for consideration under this Lease. Tenant's obligation under this **Section 11** shall include, without limitation, the responsibility of Tenant to make substantial or structural repairs and Alterations to the Premises, regardless of, among other factors, the relationship of the cost of curative action to the Rent under this Lease, the length of the then remaining Term hereof, the relative benefit of the repairs to Tenant or Port, the degree to which the curative action may interfere with Tenant's use or enjoyment of the Premises, the likelihood that the parties contemplated the particular Laws involved, and whether the Laws involved are related to Tenant's particular use of the Premises. Any Alteration or Improvements made by or on behalf of Tenant pursuant to the provisions of this **Section 11** shall comply with the provisions of **Section 14**. Except as otherwise expressly set forth in this Lease, no occurrence or situation arising during the Term, nor any present or future Law, whether foreseen or unforeseen, and however extraordinary, shall relieve Tenant of its obligations hereunder, nor give Tenant any right to terminate this Lease in whole or in part or to seek redress against Port, except to the extent Tenant may have remedies against Port pursuant to this Lease or applicable Law. Tenant waives any rights now or hereafter conferred upon it by any existing or future Law to terminate this Lease, to receive any abatement, diminution, reduction or suspension of payment of Rent, or to compel Port to make any repairs to comply with any such Laws, on account of any such occurrence or situation.

**11.2. *Change in Laws.*** Notwithstanding **Section 11.1**, if, during an Extension Term, an existing Law is amended or a new Law is enacted (regardless of its effective or implementation date) for reasons unrelated to: (i) Tenant's violation of any Laws; (ii) an unpermitted use, Prohibited Use or change in Permitted Uses; (iii) a Law affecting the License Area or the Park (unless such Law materially and adversely affects access to the Premises); or (iv) temporary health protection measures during a pandemic or other health emergency, and such amended or new Law is effective during the Extension Term, would require Tenant to comply during the Extension Term and either (x) materially impacts Tenant's ability to operate the Premises as generally contemplated under the Lease; or (y) would present a demonstrable financial hardship to Tenant if Tenant had to comply with amended or new Law (each a "**Change in Law**"), then

Tenant may terminate this Lease; provided that there is no existing Event of Default (as further described in **Section 11.2(c)**) and in accordance with the following:

(a) Within four months after the date on which a Change in Law becomes effective (e.g., becomes law following expiration of any time period in which to challenge such law or if challenged, following the final, unappealable judgment upholding such law, as opposed to the deadline under such Change in Law by which Tenant must comply with the Change in Law), Tenant must provide written notice to Port (“**Early Termination Notice**”) with the following information:

(i) details about how Tenant anticipates such change will materially impact Tenant’s ability to operate the Premises as generally contemplated under the Lease;

(ii) an analysis of the costs associated with the Change in Laws and the financial hardship to Tenant;

(iii) Tenant’s intention to terminate the Lease as of the date specified in the notice (“**Early Termination Date**”), which shall not be less than one hundred eighty (180) days from the date of Tenant’s Early Termination Notice unless: (1) the Change in Law requires Tenant to achieve compliance in less than 180 days, in which case, Tenant shall propose an earlier termination date; (2) if the Change in Law is a new or updated life safety requirement and Tenant reasonably anticipates that the failure to comply therewith would materially impact Tenant’s continuous use of the Premises (or a material portion thereof) for the Permitted Uses, starting at any time earlier than 180 days and continuing for the remainder of the Term, then (x) the 180-day notice period shall not apply and, at Tenant’s election, the Early Termination Date may be a date sooner than 180 days, and (y) Tenant shall implement such temporary safeguards as Tenant reasonably believes are necessary to address any imminent threat to life or property that the life safety non-compliance under the Change in Law may present; or (3) if the date by which Tenant needs to commence the work necessary in order to be in compliance with the Change in Law by the required deadline is more than one hundred eighty (180) days from the date of Tenant’s Early Termination Notice, then Tenant’s Early Termination Date shall not be earlier than the date that is one hundred eighty (180) days prior to the date on which Tenant needs to commence the compliance work; and

(iv) the amount of the termination fee which shall be fifty percent (50%) of the Base Rent payable (excluding any then-applicable rent credits) from the termination date to the last day of the Extension Term (“**Termination Fee**”).

(b) Within ninety (90) days (or such shorter period as may be necessary under sub-clauses (1) or (2) of **Section 11.2(a)(iii)**) of Tenant’s Early Termination Notice, Port shall either (i) accept Tenant’s Early Termination Notice in which case, Tenant shall promptly pay the Termination Fee and this Lease will expire on the Early Termination Date without further action by the parties or (ii) object in writing stating the basis of its objection (which shall only be based on the criteria in this **Section 11.2** including without limitation the Early Termination Date or the calculation of the Termination Fee). If Port states an objection, Port and Tenant will work in good faith to resolve such objection within a reasonable time period, and Tenant may resubmit its Early Termination Notice, subject again to Port’s acceptance.

(c) If any Event of Default by Tenant is outstanding either at the time of Tenant’s Early Termination Notice or at any time prior to Early Termination Date and remains uncured after notice and the expiration of all applicable cure periods, then Port may reject Tenant’s Early Termination Notice. The Parties acknowledge and agree that the termination right provided by this **Section 11.2** provides an extraordinary remedy for Tenant, will be interpreted narrowly and that the prerequisite conditions to Tenant’s termination right as set forth for in this Section are a material part of the bargained-for consideration for this termination right.

## **12. PORT ACTING AS OWNER OF PROPERTY; REGULATORY APPROVALS; COMPLIANCE WITH CITY'S RISK MANAGER'S REQUIREMENTS.**

**12.1. *Port Acting as Owner of Property.*** Tenant understands and agrees that Port is entering into this Lease in its capacity as a landowner with a proprietary interest in the Premises and not as a Regulatory Agency of the City with certain police powers. By entering into this Lease, Port is in no way modifying or limiting the obligation of Tenant to obtain any required Regulatory Approvals from Regulatory Agencies, and to cause the Premises to be used and occupied in accordance with all Laws and required Regulatory Approvals. Examples of Port actions as a Regulatory Agency include Port issuance of building, encroachment and other construction-related permits, and the Chief Harbor Engineer's actions to protect public health and safety.

**12.2. *Regulatory Approvals.*** Tenant understands that Tenant's operations on the Premises, changes in use, or Improvements or Alterations to the Premises (individually and collectively, "**Changes**") may require Regulatory Approvals, including Regulatory Approvals issued by Port in its capacity as a Regulatory Agency.

Tenant shall be solely responsible for obtaining any Regulatory Approvals, and Tenant shall not seek any Regulatory Approval without first obtaining the prior written approval of Port. All costs associated with applying for and obtaining any necessary Regulatory Approval shall be borne solely and exclusively by Tenant. Tenant shall be solely responsible for complying with any and all conditions imposed by Regulatory Agencies as part of a Regulatory Approval; provided, however, Tenant shall not agree to the imposition of conditions or restrictions in connection with its efforts to obtain a permit or other entitlement from any Regulatory Agency (other than Port), if the Port is required to be a co-permittee under such permit or other entitlement, or if the conditions or restrictions it would impose on the project could affect future use or occupancy of the Premises or Port's interest therein or would create obligations on the part of Port (whether on or off of the Premises) to perform or observe, unless in each instance Port has previously approved such conditions in writing, in Port's sole and absolute discretion.

Any fines or penalties imposed as a result of the failure of Tenant to comply with the terms and conditions of any Regulatory Approval shall be promptly paid and discharged by Tenant, and Port shall have no liability, monetary or otherwise, for any fines and penalties. To the fullest extent permitted by Law, Tenant agrees to Indemnify City, Port and their Agents from and against any Claim which City or Port may incur as a result of Tenant's failure to obtain or comply with the terms and conditions of any Regulatory Approval.

Without limiting the terms and conditions of **Sections 12.1** and **12.2**, by signing this Lease, Tenant agrees and acknowledges that (i) Port has made no representation or warranty that Regulatory Approvals to allow for the Changes, if any, can be obtained, (ii) although Port is an agency of the City, Port has no authority or influence over any Regulatory Agency responsible for the issuance of such required Regulatory Approvals, (iii) Port is entering into this Lease in its capacity as a landowner with a proprietary interest in the Premises and not as a Regulatory Agency of the City with certain police powers, and (iv) Tenant is solely responsible for obtaining any and all required Regulatory Approvals in connection with any Changes. Accordingly, Tenant understands that there is no guarantee, nor a presumption, that any required Regulatory Approvals will be issued by the appropriate Regulatory Agency and Port's status as an agency of the City shall in no way limit the obligation of Tenant to obtain approvals from any Regulatory Agencies (including Port) that have jurisdiction over the Premises. Tenant hereby releases and discharges Port from any liability relating to the failure of any Regulatory Agency (including Port) from issuing any required Regulatory Approval.

**12.3. *Compliance with City's Risk Manager's Requirements.*** Tenant shall faithfully observe, at no cost to Port, any and all requirements of City's Risk Manager with respect to Tenant's use and occupancy of the Premises, so long as such requirements do not unreasonably

interfere with Tenant's or Subtenants' use of the Premises or are otherwise connected with standard prudent commercial practices of other landlords.

### 13. MAINTENANCE AND REPAIRS.

**13.1. *Tenant Maintenance and Repair Obligations.*** Unless otherwise set forth in the Basic Lease Information, Tenant shall at all times during the Term, starting on the Commencement Date, or upon use of the Premises by Tenant under a Prior License to the extent required under the Prior License, and at its sole cost and expense, maintain, repair and replace in good and working order, condition and repair the Premises and all Improvements and Alterations thereon, including, but not limited to, glazing. Port shall not be obligated to make any repairs, replacement or renewals of any kind, nature or description whatsoever to the Premises nor to any Improvements or Alterations now or hereafter located thereon. Tenant hereby waives all rights to make repairs at Port's expense under Sections 1932(1), 1941 and 1942 of the California Civil Code or under any similar Law now or hereafter in effect. Notwithstanding any maintenance obligations of Port that may be set forth in the Basic Lease Information, in the event that Tenant, its Agents or Invitees cause any damage to the Premises or any other property within Port's jurisdiction, Tenant shall be responsible for repair and Port may repair the same at Tenant's sole cost and expense and Tenant shall immediately reimburse Port therefor.

Tenant shall not make, nor cause or suffer to be made, any repairs or other work for which a permit is required by any applicable building code, standard or regulation, including, without limitation, the Port Building Code or of any rule or regulation of Port without first obtaining Port's prior written consent (provided that, no consent shall be required for any minor or routine repairs to the Initial Improvements or any Subsequent Alterations for which Port consent was previously obtained) and a permit therefor.

In the event that damage or deterioration to the Premises or any portion thereof which is Tenant's obligation to maintain results in the same not meeting the standard of maintenance required by Port for such uses as Tenant is making of the Premises, then Tenant shall have the independent responsibility for, and shall promptly undertake, maintenance or repair of the Premises and complete the same with due diligence.

**13.2. *Port's Right to Inspect.*** Without limiting *Section 29 below*, Port may make periodic inspections of the Premises and may advise Tenant when maintenance or repair of the Premises is required, but such right of inspection shall not relieve Tenant of its independent responsibility to maintain such Premises and Improvements in a condition as good as, or better than, their condition at the Commencement Date, excepting ordinary wear and tear.

**13.3. *Port's Right to Repair.*** In the event Tenant fails to maintain the Premises in accordance with this Lease or Tenant fails to promptly repair any damage to the Premises or the Building Systems caused by Tenant or its Agents within the cure period provided by this Lease, but in no event for more than thirty (30) days after Port's written notice to Tenant, then Port may repair the same at Tenant's sole cost and expense and Tenant shall immediately reimburse Port therefor. If the cost (including, but not limited to, salaries of Port staff and attorneys' fees) of any such repairs or replacements made at Tenant's expense is in excess of Two Thousand Dollars (\$2,000) (increased annually by three percent (3%)), then Tenant shall pay to Port an administrative fee equal to ten percent (10%) of the total "**Hard costs**" of the work. "**Hard costs**" shall include the cost of materials and installation, but shall exclude any costs associated with design, such as architectural fees. With respect to any work where the total hard costs of such work are less than Two Thousand Dollars (\$2,000), Tenant shall pay to Port, as Additional Rent, an amount equaling Two Hundred Dollars (\$200).

In addition, upon delivery of the initial notice relating to Tenant's failure to maintain the Premises in accordance with *Section 13* ("**Maintenance Notice**"), Tenant shall pay, as Additional Rent, an amount equaling Two Hundred Dollars (\$200.00). In the event Port determines during subsequent inspection(s) that Tenant has failed to maintain the Premises in accordance with

**Section 13**, then Tenant shall pay to Port, as Additional Rent, an amount equaling Three Hundred Dollars (\$300) for each additional Maintenance Notice, if applicable, delivered by Port to Tenant following each inspection. By signing this Lease, each party specifically agrees that the charges associated with each inspection of the Premises and delivery of each Maintenance Notice represent a fair and reasonable estimate of the administrative cost and expense which Port will incur by reason of Port's inspection of the Premises and issuance of each Maintenance Notice. Tenant's failure to comply with the applicable Maintenance Notice and Port's right to impose the foregoing charges shall be in addition to and not in lieu of any and all other rights and remedies of Port under this Lease, at law or in equity. The amounts set forth in this Section shall be due within three (3) business days following delivery of the applicable Maintenance Notice.

For purposes of this Lease, the term "**ordinary wear and tear**" shall not include any deterioration in the condition or diminution of the value of any portion of the Premises in any manner whatsoever related directly or indirectly to Tenant's failure to comply with the terms and conditions of this Lease.

**13.4. Acts of Nature.** Nothing contained herein shall require Port to repair or replace the Premises or the Improvements thereon as a result of damage caused by acts of war, earthquake, tidal wave or other acts of nature, except that this provision shall not affect any obligation to make repairs to the Premises pursuant to **Section 20** in the event of any damage or destruction of the Premises.

## **14. IMPROVEMENTS.**

**14.1. Initial Improvements.** Tenant will construct the Initial Improvements in accordance with, and subject to all the terms, covenants, conditions, and restrictions of this Lease including the Work Letter. Port, in its proprietary capacity, has consented to the Initial Improvements.

### **14.2. Subsequent Alteration.**

(a) Tenant shall not make nor cause or suffer to be made, any Subsequent Alteration to the Premises (i) without the prior written consent of Port, which consent shall not be unreasonably withheld; provided, however, that Port shall have the right in its sole and absolute discretion to consent or to withhold its consent to any Alterations or Improvements which affect the structural portions of the Premises, the Building or Building Systems, and (ii) until Tenant shall have procured and paid for all Port and other Regulatory Approvals of the various Regulatory Agencies having jurisdiction over the Premises, including, but not limited to, any building or similar permits required by Port or its Chief Harbor Engineer in the exercise of its jurisdiction with respect to the Premises.

(b) At least thirty (30) days before commencing any Subsequent Alterations, Tenant shall notify Port. Tenant's notice shall be accompanied by final construction documents for the Subsequent Alterations, if applicable. Port shall have the right to object to any of the Subsequent Alterations within sixty (60) days after receipt of notice from Tenant. Port's failure to notify Tenant of Port's consent within the 60-day period shall be deemed Port's disapproval of the Subsequent Alterations.

(c) As a condition to giving consent to any Subsequent Alteration the estimated cost of which (per project) is reasonably expected to exceed \$1,000,000 (increased annually by three percent (3%)), Port may require Tenant to provide Port, at Tenant's sole cost and expense, one or more financial guarantees, each in a form and issued by a bank or surety acceptable to Port, such as: (i) a standby letter of credit or bond; and/or (ii) a payment and performance bond from Tenant's contractors naming Port as co-obligee, each in a principal amount up to one hundred ten percent (110%) but not less than one hundred percent (100%) of the estimated costs of the Subsequent Alteration, to ensure Port against any liability for mechanics' and materialmen's liens, stop notices, and to ensure Completion of work.

(d) None of the following will constitute Subsequent Alterations requiring Port's consent, unless the installation will affect the Building Systems or the structure of the Building: (i) the installation, repair, or replacement of furnishings, fixtures, equipment, or decorative improvements within the interior of the Building that does not materially affect the Historic Fabric of the Building and otherwise complies with the Secretary's Standards, (ii) recarpeting, repainting, altering the wall coverings or window treatments, or similar alterations within the interior of the Building that do not materially affect the Historic Fabric of the Building and otherwise complies with the Secretary's Standards.

**14.3. Construction Requirements.** All Alterations and Improvements to the Premises made by or on behalf of Tenant shall be subject to the following conditions, which Tenant covenants faithfully to perform:

(a) All Alterations and Improvements shall be performed in a good and workmanlike manner in accordance with plans and specifications previously approved by Port in writing and in compliance with the applicable building, zoning and other applicable Laws, including, but not limited to, compliance with Disability Laws, and in compliance with the terms of and conditions imposed in any Regulatory Approval or any permit or authorization for the Premises.

(b) All Alterations and Improvements shall be performed at the sole cost and expense of Tenant, with reasonable dispatch and prosecuted to Completion, and only by duly licensed and bonded contractors or mechanics, and subject to any conditions that Port may reasonably impose.

(c) Tenant, while performing any Subsequent Alteration or maintenance or repair of the Improvements (for purposes of this Section only, "Work"), shall undertake commercially reasonable measures in accordance with good construction practices to minimize the risk of injury or damage to adjoining portions of the Premises and Improvements and the surrounding property, or the risk of injury to members of the public, caused by or resulting from the performance of its Work. Tenant shall undertake commercially reasonable measures to minimize damage, disruption or inconvenience caused by the Work and make adequate provision for the safety and convenience of all persons affected by the Work.

(d) At the Completion of any Work described in this Section, Tenant shall furnish to Port one reproducible "as built" drawing of all Alterations and Improvements made in the Premises. If Tenant fails to provide such as-built drawings to Port within sixty (60) days after Completion, Port, after giving notice to Tenant shall have the right, but not the obligation, to cause the preparation by an architect of Port's choice of "as-built" drawings, at Tenant's sole cost, to be paid by Tenant to Port within thirty (30) days after Port's request therefor.

**14.4. Construction.**

(a) Construction Standards. All Improvements and Alterations will be accomplished diligently to Completion and in accordance with good construction and engineering practices and applicable Laws and will be consistent with the Secretary's Standards and the historic register status of the Premises. Tenant must make adequate provision for the safety of all persons affected by the Construction, and Tenant will undertake commercially reasonable measures in accordance with good construction practices to: (i) minimize damage, disruption, or inconvenience caused by the Construction (including to areas adjoining portions of Improvements and the surrounding property), (ii) minimize the risk of injury or damage to the Premises and the surrounding property, or the risk of injury or death to members of the public and (iii) make adequate provision for the safety of all Persons affected by any construction activities. Dust, noise and other effects of such work will be controlled in accordance with any applicable dust control ordinance and other effects of the Construction must be controlled using commercially reasonable methods customarily used to control deleterious effects associated with construction projects in populated or developed urban areas.

(b) Reports and Information. During periods of Construction, Tenant shall submit to Port written progress reports when and as reasonably requested by Port.

(c) Construction Fencing and Barriers. Tenant shall provide appropriate construction barriers, construction signs and a project sign or banner, and shall post the signs on the Premises during the period of construction to the extent reasonably necessary to minimize the risk of hazardous construction conditions. Tenant will obtain a building permit from Port before the placement of any construction fencing, signage and/or barriers.

**14.5. Port of San Francisco Union Iron Works Historic District.** Tenant expressly acknowledges that the Building is a contributing resource to the Port of San Francisco Union Iron Works Historic District at Pier 70 which is listed on the National Register of Historic Places. Accordingly, all interior and exterior Alterations (including but not limited to, any repair, alteration, improvement, or construction to the interior or exterior of the Building) are subject to review by Port for consistency with the design policies and criteria set forth in the Waterfront Land Use Plan, Design and Access Element, the Secretary of the Interior's Standards for the Treatment of Historic Properties, which are published by the National Park Service and posted on its website at <http://www.nps.gov/history/hps/tps/Standards/index.htm> (the "Secretary's Standards") and summarized in the attached *Exhibit I*. Tenant expressly agrees to comply with the Secretary's Standards for all current and future interior and exterior repair, alteration, improvement or construction.

**14.6. Asbestos-containing Materials.** Without limiting *Section 18 below* (Hazardous Materials), in the event that asbestos-containing materials ("ACM") are determined to exist in or about the Premises, Tenant shall ensure that all Alterations and Improvements and any asbestos related work, as further defined in California Health & Safety Code Section 25914.1(b), is performed in compliance with all Laws relating to asbestos, including but not limited to, Cal-OSHA regulations found in Title 8 of the California Code of Regulations, Sections 1502 and 1529. Additionally, Tenant shall distribute notifications to all employees and contractors as required pursuant to California Health & Safety Code Sections 25915 et seq. informing them of the existence of ACM and that moving, drilling, boring, or otherwise disturbing ACM may present a health risk and should not be attempted by an unqualified employee. No Alterations or Improvements affecting ACM-containing areas or any asbestos related work shall be performed without Port's prior written consent in each instance.

**14.7. Lead-Based Paint.** Tenant, on behalf of itself and its Agents or Invitees, shall comply with all requirements of the Port Building Code, Section 3424, and all other Laws, including, without limitation, the California and United States Occupational Health and Safety Acts and their implementing regulations, when the work of Alterations or Improvements disturbs or removes lead-based or presumed lead-based paint (as described below). Tenant and its Agents or Invitees shall give to Port three (3) business days prior written notice of any disturbance or removal of lead-based or presumed lead-based paint. Further, Tenant and its Agents or Invitees, when disturbing or removing lead-based or presumed lead-based paint, shall not use or cause to be used any of the following methods: (a) acetylene or propane burning and torching; (b) scraping, sanding or grinding without containment barriers or a High Efficiency Particulate Air filter ("HEPA") local vacuum exhaust tool; (c) hydroblasting or high-pressure wash without containment barriers, without Port's prior written consent; (d) abrasive blasting or sandblasting without containment barriers or a HEPA vacuum exhaust tool, without Port's prior written consent; and (e) heat guns operating above 1,100 degrees Fahrenheit. Paint on the interior and exterior of buildings built before December 31, 1978, is presumed to be lead-based paint unless lead-based paint testing, as defined in Section 3424 of the Port Building Code, demonstrates an absence of lead-based paint on the surfaces of such buildings. Under this *Section 14*, lead-based paint is "disturbed or removed" if the work of Alterations or Improvements involves any action that creates friction, pressure, heat or a chemical reaction upon any lead-based or presumed lead-based paint on an interior or exterior surface so as to abrade, loosen, penetrate, cut through or eliminate paint from that surface.

**14.8. Title to Improvements; Removal of Improvements.** Provided that no Event of Default then exists, Tenant shall not be obligated to remove at the end of the Term, (a) any of the Initial Improvements that are listed on *Attachment 3* to the Work Letter, (b) any Subsequent Alteration where Port has agreed in writing (in the form of Schedule 6 or its written equivalent) that the applicable Subsequent Alteration may remain on the Premises at the end of the Term in the form of Schedule 6 or its written equivalent, or (c) Tenant's replacement of any of the items listed in the immediately foregoing sub-clauses (a) and (b) in connection with Tenant's obligation to maintain and repair as further described in *Section 13.1*. During the Term, without limiting Tenant's obligations to maintain, repair and replace the Premises, Tenant will own the Initial Improvements, Subsequent Alterations and all Tenant's Property (except for any Subtenant's Property, which shall be owned by the applicable Subtenant). Tenant has the right at any time during the Term to remove Tenant's Property from the Premises; provided, however, that if the removal of Tenant's Property causes damage to the Premises, Tenant shall promptly cause the repair of such damage at no cost to Port. Unless Port has agreed that Tenant's Improvements and Alterations may remain on the Premises in the form of *Schedule 6* or its written equivalent and other than as set forth on Attachment 3 to the Work Letter, prior to the Expiration Date or earlier termination of this Lease, Tenant, at its own expense, must remove all Improvements and Alterations it constructed from the Premises in accordance with *Section 30*. Any such removal is subject to the requirements of this Section, including the requirement to obtain a Port building or similar permit. Tenant shall promptly repair, at its own expense, in good and workmanlike fashion any damage occasioned thereby. If Tenant fails to complete any required demolition or removal on or before the expiration or earlier termination of this Lease, Port may perform such removal or demolition at Tenant's expense, and Tenant shall reimburse Port within three (3) business days after demand therefor. At the expiration or earlier termination of this Lease, title to any Improvements or Alterations that are allowed to remain on the Premises will vest in Port without further action of any party, and without compensation or payment to Tenant.

**14.9. Removal of Non-Permitted Improvements.** If Tenant constructs any Alterations or Improvements without Port's prior written consent or without complying with this Section, then, in addition to any other remedy available to Port, Port may require Tenant to remove, at Tenant's expense, any or all such Alterations or Improvements and to promptly repair, at Tenant's expense and in good workmanlike fashion, any damage occasioned thereby. Tenant shall pay to Port all special inspection fees as set forth in any applicable building code, standard or regulation, including, without limitation, the Port Building Code, for inspection of work performed without required permits. The foregoing obligation of Tenant to reimburse Port for all cost and expenses incurred by Port in connection with Tenant's failure to comply with the provisions of this Section shall survive the expiration or earlier termination of this Lease.

**14.10. All-Gender Toilet Facilities.** If applicable, Tenant shall comply with San Francisco Administrative Code Section 4.1-3 requiring at least one all-gender toilet facility on each floor of any new building on City-owned land and within existing buildings leased by the City, including the Premises, where extensive renovations are made. An "**all-gender toilet facility**" means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures, and "**extensive renovations**" means any renovation where the construction cost exceeds 50% of the cost of providing the toilet facilities required by this section. If Tenant has any question about applicability or compliance, Tenant should contact the Port's Property Manager for guidance.

**14.11. Signs.** Tenant shall not install business signage, awnings or other exterior decoration or notices on the Premises without Port's prior written consent. Any sign that Tenant is permitted to place, construct or maintain on the Premises shall comply with all Laws relating thereto, including but not limited to, Port's Sign Guidelines, as revised by Port from time to time, and building permit requirements, and Tenant shall obtain all Regulatory Approvals required by such Laws. Port makes no representation with respect to Tenant's ability to obtain such

Regulatory Approval. Tenant, at its sole cost and expense, shall remove all signs placed by it on the Premises at the expiration or earlier termination of this Lease.

**14.12. Port's Alterations.** Port reserves the right at any time to make Alterations, additions, repairs, deletions or improvements to the Building, Building Systems, or adjacent Port property ("**Port Work**"). Port shall use commercially reasonable efforts to conduct any of the foregoing activities in a manner that, to the extent reasonably practicable, will minimize inconvenience or disturbance to Tenant; Port will have no obligation to minimize inconvenience or disturbance to Tenant for Port Work when the Port Work is necessary, in Port's sole and absolute discretion, to maintain Port property in a safe, hazard-free condition. In no event will inconvenience or disturbance caused by Port Work constitute an actual or constructive eviction of Tenant, entitle Tenant to any abatement or diminution of Rent, or otherwise relieve Tenant from any of its obligations under this Lease. Tenant hereby waives any and all Claims against Port, City and their Agents arising out of any inconvenience or disturbance occasioned by Port Work.

## 15. UTILITIES.

**15.1. Utility Services.** Subject to the terms in the Basic Lease Information regarding the Interim Power Line and the Capacity Charges, Tenant, at its sole expense, must (i) arrange for the provision and construction of all on-site and off-site utilities necessary to construct, operate and use the Premises, (ii) be responsible for contracting with, and obtaining, all necessary utility and other services, as may be necessary and appropriate for the uses (it being acknowledged that City (including its San Francisco Public Utilities Commission ("**SFPUC**")) is the sole and exclusive provider to the Premises of certain public utility services), and (iii) maintain and repair all utilities serving the Premises to the point provided by the respective utility service provider (whether on or off the Premises). Tenant agrees and acknowledges that Port, in its proprietary capacity as owner of the Premises and landlord under this Lease, will not provide any utility services to the Premises or any portion of the Premises. Tenant also must coordinate with the respective utility service provider with respect to the installation of utilities, including providing advance notice to appropriate parties of trenching requirements. Tenant will purchase all electrical service (to the extent not provided by a PV System, if any) for the Improvements and the Premises from SFPUC unless SFPUC first determines that such service is not feasible for the Premises.

Tenant will pay or cause to be paid when due, all deposits, charges, meter installation fees, connection fees and other costs for all public or private utility services at any time rendered to the Premises or any part of the Premises, and will do all other things required for the maintenance, repair, replacement, and continuance of all such services. Tenant agrees, with respect to any public utility services provided to the Premises by City, that no act or omission of City in its capacity as a provider of public utility services, shall abrogate, diminish, or otherwise affect the respective rights, obligations and liabilities of Tenant and Port under this Lease, or entitle Tenant to terminate this Lease or to claim any abatement or diminution of Rent. Further, Tenant covenants not to raise as a defense to its obligations under this Lease, or assert as a counterclaim or cross-claim in any litigation or arbitration between Tenant and Port relating to this Lease, any Claim arising from or in connection with City's provision (or failure to provide) public utility services, except to the extent to preserve its rights under this Lease that failure to raise such claim in connection with such litigation would result in a waiver of such claim. The foregoing shall not constitute a waiver by Tenant of any claim it may now or in the future have (or claim to have) against any such public utility provider relating to the provision of (or failure to provide) utilities to the Premises.

**15.2. Photovoltaic Panels.** Tenant shall have the right but not the obligation to install or cause to be installed on the roof(s) of buildings a photovoltaic energy generation facility for the generation and delivery of electrical energy to the Premises and if excess energy is available, potentially to other sites (the "**PV System**"). Before commencing installation of a PV System,

Tenant must obtain Port's consent and all required permits and Regulatory Approvals for the PV System, which may include, among other things, approval by SHPO and requirements to strengthen the roof of the applicable building(s). The design, construction and installation of any PV System will be done in accordance with *Section 14.2*.

**15.3. Energy Consumption Disclosure.** Tenant consents to Tenant's utility service providers disclosing energy use data for the Premises to City for use under California Public Resources Code Section 25402.10, as implemented under California Code of Regulations Sections 1680–1685, and San Francisco Environment Code Chapter 20, as each may be amended from time to time (“**Energy Consumption Reporting Laws**”), and for such data to be publicly disclosed under the Energy Consumption Reporting Laws.

**15.4. Waiver.** Tenant waives any benefits of any applicable Law, including the provisions of California Civil Code Section 1932(1) permitting the termination of this Lease due to any interruption or failure of utility services. The foregoing shall not constitute a waiver by Tenant of any claim it may now or in the future have (or claim to have) against any public utility provider relating to the provision of (or failure to provide) utilities to the Premises.

## **16. FLOOD RISK AND SEA LEVEL RISE.**

**16.1. Sea Level Rise.** The City's current sea level rise capital planning guidance can be found at [https://onesanfrancisco.org/sites/default/files/inline-files/San\\_Francisco%20SLR\\_Guidance%20SLRTC%20REV%20TO%20CPC%20Jan%202020.pdf](https://onesanfrancisco.org/sites/default/files/inline-files/San_Francisco%20SLR_Guidance%20SLRTC%20REV%20TO%20CPC%20Jan%202020.pdf) (the “**SLR Guidance**”).

**16.2. Flood Protection Measures.** In addition to Tenant's obligations to comply with Laws under *Section 11* (Compliance with Laws) and to repair and maintain the Premises (including, but not limited to the structure and substructure under *Section 13* (Maintenance and Repairs)), if, at any time during the Term of this Lease, and subject to compliance with CEQA, the Chief Harbor Engineer (“**CHE**”) determines in his or her regulatory capacity in accordance with applicable Laws that there is a need for temporary public access closures, sandbagging or similar temporary measures to minimize the risks associated with flooding (“**Flood Protection Measures**”) at the Premises or proximate to the Premises to protect the Premises from a significant risk of flooding or other damage resulting from climate change or sea level rise, in order to protect public health and safety (“**CHE Determination**”), Tenant shall be responsible at no cost to Port for permitting, constructing and implementing any such Flood Protection Measures in the manner described in this Section. Tenant understands and agrees that it will not receive or seek rent credits or other compensation or consideration for any Flood Protection Measures and agrees that it will not seek additional term for the purpose of amortizing the cost of any Flood Protection Measures. Port and Tenant agree that a CHE Determination under this *Section 16* shall not be a Condemnation for purposes of this Lease.

If Tenant fails to implement any required Flood Protection Measures within the time required in the CHE Determination, Port shall provide Tenant with thirty (30) days written notice and the right to cure such failure. If Tenant fails to cure within the 30-day period, Port shall have the right but not the obligation to implement the measure(s) on Tenant's behalf following an additional thirty (30) days' written notice of Port's intent to do so (unless Tenant's failure to cure gives rise to an emergency which creates an imminent danger to public health or safety as determined by the CHE) and Tenant shall reimburse Port for its actual costs as Additional Rent.

**16.3. Required Flood Protection Improvements for Other Port Property.** If the CHE determines that there is a need to install flood protection measures within the Premises to protect other Port property, Tenant shall cooperate by providing access and other reasonably requested assistance at no cost to Port. Nothing in this *Section 16* shall imply any duty upon the part of Port to perform any work that under this Lease Tenant may be required to perform, nor to place upon Port any obligation, or liability, for the care, supervision or repair of Port property outside the Premises.

#### **16.4. Limitations; Waiver.**

(a) No occurrence or situation arising during the Term, nor any present or future Law or circumstance, whether foreseen or unforeseen, and however extraordinary, shall relieve Tenant of its obligations under this *Section 16*, nor give Tenant any right to terminate this Lease in whole or in part or to otherwise seek redress against Port except with respect to Tenant's right to terminate under the terms and conditions specified in *Section 11.2* (Change in Laws), *Section 20* (Damage and Destruction) or *Section 21* (Condemnation). Without waiving the right to terminate as provided in *Section 11.2* (Change in Laws), *Section 20* (Damage and Destruction) or *Section 21* (Condemnation), Tenant waives any rights now or later conferred upon it by any existing or future Law to terminate this Lease, to receive any abatement, diminution, reduction or suspension of payment of Rent, or to compel Port to make any repairs to comply with any such Laws or on account of any such occurrence or situation.

(b) If the CHE determines that there is a need for Flood Protection Measures, the rights and obligations of the Parties shall be as set forth in this *Section 16*. Accordingly, Port and Tenant each waive the provisions of Sections 1932(2) and 1933(4) of the California Civil Code and Sections 1265.110, 1265.120, 1265.130, and 1265.140 of the California Code of Civil Procedure as such sections may from time to time be amended, replaced, or restated. Notwithstanding the prior sentence, Port and Tenant do not intend to waive their rights under *Section 11.2* (Change in Laws), *Section 20* (Damage and Destruction) or *Section 21* (Condemnation).

**16.5. Additional Improvements To Address Sea Level Rise.** At any time during the Term, Port or Tenant may propose optional additional improvements to be performed by Tenant, at its option in Tenant's sole discretion and at its cost that (i) are beyond the scope of the potential Flood Protection Measures contemplated in this Section; and (ii) are not otherwise Tenant's obligation under this Lease (including under *Section 11* (Compliance with Laws) and *Section 13* (Maintenance and Repairs)). Tenant acknowledges that additional Regulatory Approvals will be required for such improvements.

#### **17. LIENS.**

Tenant shall keep the Premises free from any liens arising out of any work performed, materials furnished or obligations incurred by Tenant or its Agents. In the event that Tenant shall not, within twenty (20) days following the imposition of any such lien, cause the same to be released of record, Port shall have, in addition to all other remedies provided by this Lease or by Law, the right but not the obligation to cause the same to be released by such means as it shall deem proper, including without limitation, payment of the claim giving rise to such lien. All sums paid by Port for such purpose, plus interest at the Interest Rate, and all reasonable expenses incurred by Port in connection therewith (including, without limitation, reasonable attorneys' fees) shall be payable to Port by Tenant upon demand. Port shall have the right to post on the Premises any notices that Port may deem proper for the protection of Port or the Premises, from mechanics' and materialmen's liens. Tenant shall give to Port at least fifteen (15) days' prior written notice of commencement of any Alteration, repair or construction on the Premises. Tenant agrees to Indemnify Port, City and their respective Agents from and against any Claims for mechanic's, materialmen's or other liens in connection with any Alterations, repairs or construction on the Premises, or materials furnished or obligations incurred by or for Tenant.

Without limiting the foregoing, Tenant shall not create, permit or suffer any liens or encumbrances affecting any portion of the Premises or Port's interest therein or under this Lease.

#### **18. HAZARDOUS MATERIALS.**

**18.1. Requirements for Handling.** Subject to *Section 18.2(b)*, neither Tenant nor its Agents or Invitees may Handle or permit any other person to Handle any Hazardous Material in, on, under or about the Premises, or other Port property, subject only to the following exceptions, provided that Handling is at all times in full compliance with all Environmental Laws: janitorial,

disinfectant, pest control, office, and other supplies and equipment in amounts customarily used for the Permitted Uses and subject to the Operations Plan.

### **18.2. Tenant Responsibility.**

(a) Generally. Subject to *Section 18.2(b)*, Tenant agrees to protect its Agents and Invitees in its operations on the Premises from hazards associated with Hazardous Materials in accordance with all Environmental Laws and also agrees, for itself and on behalf of its Agents and Invitees, that during its use and occupancy of the Premises, each of them:

- (i) will not permit any Hazardous Materials to be present in, on, under or about the Premises, or other Port property except as permitted under *Section 18.1*;
- (ii) will not cause or permit any Hazardous Material Condition; and
- (iii) will comply with all Environmental Laws relating to the Premises and any Hazardous Material Condition, and will not engage in or permit any activity at the Premises, other Port property, or in the operation of any vehicles or vessels used in connection with the Premises in violation of any Environmental Laws.

(b) Other Port Property. Port agrees that with respect to “other Port property” only (in other words, on Port property other than the Premises) as such term is used under *Sections 18.1 and 18.2(a)*, (i) without limiting any other agreement Tenant may have with Port, Tenant has no obligations to or for Tenant’s Invitees on other Port property, and (ii) Tenant’s obligations with respect to Tenant’s Agents on other Port property arise only to the extent such Agent is performing work on Tenant’s behalf or otherwise acting on Tenant’s behalf in furtherance of the Permitted Uses under this Lease.

### **18.3. Tenant’s Environmental Condition Notification Requirements.**

(a) Tenant must notify Port immediately, orally or by other means that will transmit the earliest possible notice to Port staff, followed within twenty-four (24) hours by written notice, of and when Tenant learns or has reason to believe Hazardous Materials were Released or, except as allowed under *Section 18.1*, Handled, in, on, or about the Premises, other Port property, or the environment, or from any vehicles or vessels that Tenant or its Agents or Invitees use during Tenant’s occupancy of the Premises, whether or not the Release or Handling is in quantities that would be required under Environmental Laws to be reported to an Environmental Regulatory Agency.

(b) Tenant must notify Port immediately, orally or by other means that will transmit the earliest possible notice to Port staff, followed within twenty-four (24) hours by written notice, and contemporaneously provide Port with an electronic copy, of:

- (i) Any notice of the Release or Handling of Hazardous Materials, in, on, or about the Premises, other Port property, or the environment, or from any vehicles or vessels Tenant, or its Agents and Invitees uses during Tenant’s occupancy of the Premises that Tenant or its Agents or Invitees provides to an Environmental Regulatory Agency;
- (ii) Any notice of a violation, or a potential or alleged violation, of any Environmental Law that Tenant or its Agents or Invitees receives from any Environmental Regulatory Agency;
- (iii) Any other Environmental Regulatory Action that is instituted or threatened by any Environmental Regulatory Agency against Tenant or its Agents or Invitees and that relates to the Release or Handling of Hazardous Materials, in, on, or about the Premises, other Port property, or the environment, or from any vehicles or vessels Tenant, or its Agents and Invitees uses during Tenant’s occupancy of the Premises;
- (iv) Any Hazardous Material Claim that is instituted or threatened by any third party against Tenant or its Agents or Invitees and that relates to the Release or

Handling of Hazardous Materials, in, on, or about the Premises, other Port property, or the environment, or from any vehicles or vessels Tenant, or its Agents and Invitees uses during Tenant's occupancy of the Premises; and

(v) Any notice of the termination, expiration, or substantial amendment of any Environmental Regulatory Approval needed by Tenant or its Agents or Invitees for their operations at the Premises.

(c) Tenant must notify Port of any meeting, whether conducted face-to-face or telephonically, between Tenant and any Environmental Regulatory Agency regarding an Environmental Regulatory Action. Port will be entitled to participate in any such meetings at its sole election.

(d) Tenant must notify Port of any Environmental Regulatory Agency's issuance of an Environmental Regulatory Approval. Tenant's notice to Port must state the issuing entity, the Environmental Regulatory Approval identification number, and the date of issuance and expiration of the Environmental Regulatory Approval. In addition, Tenant must provide Port with a list of any plan or procedure required to be prepared and/or filed with any Environmental Regulatory Agency for operations on the Premises, including a "Spill Prevention Control and Countermeasure Plan." Tenant must provide Port with copies of any of the documents within the scope of this section upon Port's request.

(e) Tenant must provide Port with copies of all communications with Environmental Regulatory Agencies and all non-privileged communications with other persons regarding potential or actual Hazardous Material Claims arising from Tenant's or its Agents' or Invitees' operations at the Premises. Upon Port's request, Tenant must provide Port with a log of all communications withheld under a claim of privilege that specifies the parties to and subject of each withheld communication.

(f) Port may from time to time request, and Tenant will be obligated to provide, information reasonably adequate for Port to determine that any and all Hazardous Materials are being Handled in a manner that complies with all Environmental Laws.

#### **18.4. Requirement to Remediate.**

(a) Tenant's Remediation obligations under this subsection are subject to *Sections 18.4(b) and 18.4(c)*.

(i) After notifying Port in accordance with *Section 18.3(a)*, Tenant must Remediate at its sole cost in compliance with all Environmental Laws and this Lease, any Hazardous Material Condition occurring during the Term or while Tenant or its Agents or Invitees otherwise occupy any part of the Premises. Tenant must obtain Port's approval of a Remediation work plan, whether or not required under Environmental Laws, then begin Remediation actions immediately following Port's approval of the work plan and continue diligently until Remediation is complete, as determined by Port, in its sole discretion.

(ii) In addition to its obligations under clause (i), before this Lease terminates for any reason, Tenant must Remediate at its sole cost in compliance with all Environmental Laws and this Lease: (A) any Hazardous Material Condition caused by Tenant's or its Agents' or Invitees' Handling Hazardous Materials during the Term; and (B) any Hazardous Material Condition discovered during Tenant's occupancy that any Regulatory Agency requires to be Remediated if Remediation would not have been required but for Tenant's use of or Changes to the Premises.

(iii) If Environmental Laws governing Remediation require a remedial action plan, Tenant must provide a draft of its plan to Port for comment and approval before submittal to the appropriate Environmental Regulatory Agency, and a copy of the final plan as submitted.

(iv) In all situations relating to Handling or Remediating Hazardous Materials, Tenant must take all actions that are reasonably necessary in Port's sole judgment to protect the value of the Premises, such as obtaining Environmental Regulatory Approvals related to Hazardous Materials and taking measures to remedy any deterioration in the condition or diminution of the value of any portion of the Premises in any manner related directly or indirectly to Hazardous Materials.

(b) Unless Tenant or its Agents or Invitees Exacerbate the Hazardous Material Condition, and subject further to **Section 18.4(c)**, Tenant will not be obligated to Remediate any Hazardous Material Condition: (i) caused solely by City, Port, or their Agents during Tenant's occupancy of the Premises; or (ii) arising before the Commencement Date or the date of Tenant's first use of the Premises under the Prior Licenses, whichever is earlier.

(c) Tenant will not be obligated to Remediate any Hazardous Material Condition on other Port property (in other words, on Port property other than the Premises) (i) caused by Tenant's Agent's acts, omissions or negligence on other Port Property, unless at the time such Hazardous Material Condition was caused or Exacerbated, such Agent was performing work directly or indirectly on Tenant's behalf or otherwise acting directly or indirectly on Tenant's behalf in furtherance of the Permitted Uses under this Lease; or (ii) caused by Tenant's Invitee's acts, omissions or negligence on other Port Property.

**18.5. Port's Right to Audit.** Port will have the right, but not the obligation, to inspect and audit the Premises for any Hazardous Materials, including the right to Investigate, at reasonable times under **Section 29** (Port's Entry on Premises). Port's failure to inspect or obtain samples or to detect conditions attributable to Tenant's operations if an inspection is conducted may not be deemed to be a release of any liability for any Hazardous Materials subsequently determined to be Tenant's responsibility under this Lease.

**18.6. Notification of Asbestos.** Port hereby notifies Tenant, in accordance with the OSHA Asbestos Rule (1995), 59 Fed. Reg. 40964, 29 CFR §§ 1910.1001, 1926.1101 (as amended, clarified and corrected) (OSHA Asbestos Rule); California Health and Safety Code §§ 25915-259.7 and Cal-OSHA General Industry Safety Order for Asbestos, 8 CCR § 5208, of the presence of asbestos-containing materials ("ACMs") and/or presumed asbestos-containing materials ("PACMs") (as such terms are defined in Cal-OSHA General Industry Safety Order for Asbestos), in the locations identified in the summary/table, if any, set forth in **Schedule 4** attached hereto.

This notification by Port is made pursuant to a building inspection survey(s), if any, performed by Port or its contractors qualified to perform an asbestos building survey identified in the summary/table, if any, set forth in **Schedule 4** attached hereto. Such survey(s), monitoring data and other information are kept at Port of San Francisco, Pier 1, San Francisco, California, 94111 and are available for inspection upon request.

Tenant hereby acknowledges receipt of the notification specified in the first paragraph of **Section 18.6** hereof and the notice or report attached as **Schedule 4** hereto and understands, after having consulted its legal counsel, that it must make its employees and contractors aware of the presence of ACMs and/or PACMs in or about the Premises in order to avoid or minimize any damage to or disturbance of such ACMs and/or PACMs. Tenant further acknowledges its obligations under Cal-OSHA General Industry Safety Order for Asbestos to provide information to its employees and contractors regarding the presence of ACMs and PACMs at the Premises and to provide a training program for its employees that conforms with 8 CCR § 5208(j)(7)(C).

Tenant agrees that its waiver of Claims set forth in **Section 22** (Indemnity and Exculpation) is given with full knowledge of the presence, or possibility, of asbestos in or about the Premises and the potential consequences of such fact. Tenant is aware that the presence, or possibility, of asbestos in or about the Premises may limit Tenant's ability to construct Improvements and Alterations to the Premises without Tenant first performing abatement of such

asbestos. The presence of asbestos in the Premises and the removal or non-removal by Port of all or a portion of the asbestos, shall not, however, (i) entitle Tenant to any Claim, (ii) relieve Tenant of any of its obligations hereunder, including without limitation the obligation to pay Rent, or (iii) constitute or be construed as a constructive or other eviction of Tenant.

Notwithstanding any other provisions of this Lease, Tenant agrees to Indemnify Port for Tenant's acts or omissions that result in (1) asbestos-related enforcement actions, including both administrative or judicial proceedings, and (2) any Claims arising from an alleged violation of Cal-OSHA General Industry Safety Order for Asbestos and/or exposures to asbestos.

**18.7. Notification of Lead.** Port hereby notifies Tenant of the potential presence of lead-containing and presumed lead-containing materials in the Premises. Disturbance or removal of lead is regulated by, among other Laws, 29 CFR §§ 1910.1025, 1926.62; California Health & Safety Code §§ 105185-105197 and 105250-105257; Cal-OSHA Construction Safety Order for Lead, Title 8 CCR § 1532.1; Title 17 CCR Chapter 8; and Port Building Code § 3424.

Tenant agrees that its waiver of Claims set forth in **Section 22** (Indemnity and Exculpation) is given with full knowledge of the presence, or possibility, of lead in or about the Premises and the potential consequences of such fact. Tenant is aware that the presence, or possibility, of lead in or about the Premises may limit Tenant's ability to perform any Improvements or Alterations to the Premises without Tenant first performing abatement of such lead. The presence of lead in the Premises and the removal or non-removal by Port of all or a portion of the lead, whether in the Premises, shall not, however, (i) entitle Tenant to any Claim, (ii) relieve Tenant of any of its obligations hereunder, including without limitation the obligation to pay Rent, or (iii) constitute or be construed as a constructive or other eviction of Tenant. Notwithstanding any other provisions of this Lease, Tenant agrees to Indemnify Port for its acts or omissions that result in (1) lead-related enforcement actions, including both administrative or judicial proceedings, and (2) any Claims arising from an alleged violation of Cal-OSHA Construction Safety Order for Lead and/or exposures to lead.

**18.8. Storm Water Pollution Prevention.**

(a) Tenant must comply with the applicable provisions of the Statewide General Permit for Discharge of Industrial Storm Water issued by the State Water Resources Control Board, including filing a Notice of Intent to be covered, developing and implementing a site-specific Storm Water Pollution Prevention Plan ("SWPPP"), and conducting storm water monitoring and reporting. Tenant's SWPPP and a copy of a Notice of Intent for Tenant's Premises must be submitted to Port's Real Estate Division before beginning operations on the Premises.

(b) Post-Construction Requirements. In addition to requiring compliance with the permit requirements under Subsection (a), Tenant shall comply with the post-construction stormwater control provisions of the Statewide General Permit for Discharge of Stormwater from Small Municipalities and the San Francisco Stormwater Management Requirements and Design Guidelines, subject to review and permitting by the Port.

**18.9. Presence of Hazardous Materials.** California Law requires landlords to disclose to tenants the presence or potential presence of certain Hazardous Materials. Accordingly, Tenant is hereby advised that Hazardous Materials (as herein defined) may be present on or near the Premises, including, but not limited to, vehicle fluids, janitorial products, tobacco smoke, and building materials containing chemicals, such as asbestos, naturally-occurring radionuclides, lead and formaldehyde. Further, the following known Hazardous Materials are present on the property: , naturally occurring asbestos, contamination commonly found in fill, petroleum contamination, lead-based paint, etc. and the Hazardous Materials described in the reports listed in **Schedule 4**, copies of which have been delivered to or made available to Tenant. By execution of this Lease, Tenant acknowledges that the notice set forth in this section satisfies the requirements of California Health and Safety Code Section 25359.7 and related Laws. Tenant

must disclose the information contained in this **Section 18.9** to any subtenant, licensee, transferee, or assignee of Tenant's interest in this Lease. Tenant also acknowledges its own obligations pursuant to California Health and Safety Code Section 25359.7 as well as the penalties that apply for failure to meet such obligations.

**18.10. Survival.** Tenant's obligations under **Section 18** shall survive the expiration or earlier termination of this Lease.

For purposes of this **Section 18**, the term "**Commencement Date**" shall mean the commencement date of the Prior Licenses.

## **19. INSURANCE.**

**19.1. Required Insurance Coverage.** Tenant, at its sole cost and expense, shall maintain, or cause to be maintained, throughout the Term, starting on the earlier of Tenant's occupancy under this Lease or the Commencement Date, the following insurance:

(a) **Builders Risk Insurance.** At all times during construction before Completion of the Initial Improvements, and during any period of Subsequent Alteration costing more than Five Hundred Thousand Dollars (\$500,000) (increased annually by three percent (3%)), Tenant shall maintain, or require to be maintained, on a form reasonably approved by Port, builders risk insurance (or its equivalent for any Subsequent Alteration, which may include coverage under a property insurance program as referenced under **Section 19.1(b)**) in the amount equal to the 100% replacement cost value of any existing structures being Rehabilitated or Restored, and 100% of all new construction, including all materials and equipment to be used/incorporated on or about the Premises, and in transit or storage off-site, against all risk or "special form" hazards, and earthquake and flood insurance (subject to **Section 19.1(b)**) including risks from any and all testing of any equipment, including as named insureds, Port and Tenant, with any deductible not to exceed Two Hundred Fifty Thousand (\$250,000) (except as to earthquake and flood insurance for which the deductible will be in accordance with the requirements of **Section 19.1(b)**). Such builders risk insurance also shall extend to cover soft costs and loss of business income for any delayed completion period as caused by any of the perils or hazards set forth in and required to be insured pursuant to **Section 19.1(a)**, for a delay period of not less than two (2) years with a limit of not less than One Million Dollars (\$1,000,000). If available at commercially reasonable rates, such builders risk insurance also shall extend to cover the peril of terrorism.

### (b) Property Insurance; Earthquake and Flood Insurance.

(1) Upon Completion of the Initial Improvements, and upon Completion of Subsequent Alteration of any additional Improvements, Tenant will maintain all risk property insurance policies, in an amount not less than 100% of the then-current full replacement cost of the Premises, including the Building and any Improvements thereon, foundations, pilings, excavations, and footings, including soft costs and increased cost of construction and demolition of damaged and undamaged structures due to the enforcement of Laws, (with any deductible not to exceed Two Hundred Fifty Thousand Dollars (\$250,000)). Such property insurance shall name Port as loss payee as its interest may appear. If available at commercially reasonable rates, such insurance shall extend to cover the peril of terrorism.

### (2) Earthquake Insurance.

(A) During construction of the Initial Improvements, earthquake insurance will be in an amount equal to at least the lesser of (i) the Probable Maximum Loss to the Initial Improvements or, (ii) the maximum amount that is available at commercially reasonable rates from recognized insurance carriers (with a deductible of up to but not to exceed ten percent (10%) of the then-current, full replacement cost of the Initial Improvements without sublimits for excavations and footings; provided that earthquake coverage is available at commercially reasonable rates, except that a greater deductible will be permitted to the extent that such coverage is not available from recognized insurance carriers or at commercially

reasonable rates). “**Probable Maximum Loss**” means the scenario upper loss (SUL) estimate of damage that may occur to the structures with a ninety percent (90%) confidence of non-exceedance as a result of an earthquake with a return period of 224 years as determined before Completion of the Initial Improvements and thereafter not less frequently than every ten (10) years by a consultant chosen and paid for by Tenant who is reasonably satisfactory to Port; and

(B) From and after the issuance of a Certificate of Final Completion and Occupancy for the Building, earthquake insurance will be in an amount equal to at least the lesser of (i) the Probable Maximum Loss to the Improvements, or (ii) the amount that is available at commercially reasonable rates from recognized insurance carriers, in each case, with a deductible of up to but not to exceed an amount that is necessary to make such earthquake insurance available at a commercially reasonable rate.

(3) Flood Insurance.

(A) During construction of the Initial Improvements, flood insurance will be in an amount, to the extent available at commercially reasonable rates from recognized insurance carriers (or through the NFIP if available) equal to the maximum amount of the then-current, full replacement cost of the Initial Improvements (including building code upgrade coverage and without any deduction being made for depreciation), with a deductible of up to but not to exceed ten percent (10%), except that a greater deductible will be permitted to the extent that flood coverage is not available from recognized insurance carriers (or through the NFIP) at commercially reasonable rates; and

(B) From and after the issuance of a Certificate of Final Completion and Occupancy for the Building, flood insurance will be in an amount equal to at least the amount available at commercially reasonable rates from recognized insurance carriers or through the NFIP, with a deductible of up to but not to exceed an amount that is necessary to make flood insurance available at commercially reasonable rates.

(4) Exceptions for Earthquake and Flood Insurance. If Tenant determines that earthquake or flood insurance should not be carried on the Improvements because it is not (or no longer) available at commercially reasonable rates (or through the NFIP for flood insurance) or, in Tenant’s reasonable business judgment, is imprudent, then Tenant will request in writing Port’s consent to the absence or deletion thereof. Any request for Port’s consent required under this Section will include with such request evidence supporting Tenant’s determination of commercial unreasonableness or imprudence as to the applicable coverage. Such evidence may include quotes, declinations, and notices of cancellation or non-renewal from leading insurance companies for the required coverage, percentage of overall operating expenses attributable thereto, and then current industry practice for comparable mixed-use/retail/office projects in San Francisco. Port will approve or disapprove the absence or deletion of earthquake or flood insurance within forty-five (45) days after Tenant’s request. If Port disapproves such request, Port will state the basis for its disapproval. If Tenant elects not to carry or to discontinue such coverage with Port’s approval, and Port later determines that due to changes in the industry or other changed circumstances, earthquake insurance or flood insurance, as applicable, has become commercially available at reasonable rates, then Port may notify Tenant thereof, and Tenant will add such coverage to its policy as soon as reasonably practicable thereafter.

(c) Commercial General Liability Insurance. Tenant will maintain, or require to be maintained “**Commercial General Liability**” insurance with coverage at least as broad as Insurance Services Office form CG 00 01 10 93 (or its replacement) insuring against claims for bodily injury (including death), property damage, personal injury and advertising injury, including coverage for premises operations, blanket contractual liability (to the extent possible under the above-referenced policy form or under a separate policy form) that includes coverage extending to the Indemnity in **Section 22**, broad form property damage, explosion, collapse and underground hazards, independent contractors, products and completed operations, with such

insurance to afford protection in an amount not less than Ten Million Dollars (\$10,000,000) per occurrence and annual aggregate, and Ten Million Dollars (\$10,000,000) products and completed operations aggregate, and deleting any exclusions for care, custody and control of real property. In addition, if Tenant has (or is required under Laws to have) a liquor license and is selling or distributing alcoholic beverages on the Premises, then Tenant will maintain or require to be maintained liquor liability coverage with limits not less than Three Million Dollars (\$3,000,000) and Tenant will require any Subtenant or operator who has (or is required under Laws to have) a liquor license and who is selling or distributing alcoholic beverages on the Premises, to maintain such coverage. If applicable, then comprehensive or commercial general liability insurance must include Food Products Liability Insurance with limits not less than One Million Dollars (\$1,000,000) each occurrence.

**(d) Workers' Compensation Insurance.** During any period in which Tenant has employees, as defined in the California Labor Code, Tenant will maintain or require to be maintained policies of workers' compensation insurance providing statutory limits, including employer's liability coverage with limits not less than One Million Dollars (\$1,000,000) each accident, disease or illness.

**(e) Personal Property Insurance.** Tenant, at its sole cost and expense, shall procure and maintain on all of Tenant's Property and Alterations, in, on, or about the Premises, and shall require each of its Subtenants to procure and maintain, personal property insurance on an all risk form, excluding earthquake and flood, in an amount not less than full replacement value or a stated value, at Tenant's sole discretion, for the replacement of Tenant's Property/Subtenant's Property. In addition to the foregoing, Port may, in its sole discretion, insure any personal property leased to Tenant by Port pursuant to this Lease in such amounts as Port deems reasonably appropriate and Tenant shall have no interest in the proceeds of such personal property insurance. Port shall have no responsibility or obligation to maintain insurance or replace Tenant's Property or Subtenant's Property, Alterations, or any Improvements regardless of cause of loss.

**(f) Boiler and Machinery Insurance.** Tenant will maintain, or require to be maintained, boiler and machinery insurance covering damage to or loss or destruction of machinery and equipment, whether integrated into or independent from the structure, located in, on, under, around, or about the Premises that is used by Tenant for heating, ventilating, air-conditioning, power generation and similar purposes, in an amount not less than one hundred percent (100%) of the actual replacement value of such machinery and equipment.

**(g) Business Automobile Insurance.** Tenant will maintain, or require to be maintained, policies of business automobile liability insurance covering all owned, non-owned or hired motor vehicles (including electric carts) to be used by Tenant and its Agents in connection with Tenant's use and occupancy of the Premises, affording protection for bodily injury (including death) and property damage in the form of Combined Single Limit Bodily Injury and Property Damage policy with limits of not less than Five Million Dollars (\$5,000,000) per accident and annual aggregate.

**(h) Business Income Insurance.** From and after the issuance of a Certificate of Final Completion and Occupancy, Tenant will maintain business income insurance, including loss of rents and extra expense caused by any of the perils or hazards set forth in and required to be insured pursuant to **Section 19.1(b)** covering an interruption period of not less than two (2) years, with a limit of not less than twenty-four (24) months' of Gross Revenues.

**(i) Contractor's Pollution Legal Liability Insurance.** Tenant will cause to be maintained during the period of construction of the Initial Improvements and during any periods of Subsequent Alteration, Contractor's Pollution Legal Liability Insurance for any and all Claims caused by pollution conditions, that are sudden, accidental or gradual, resulting from the contractor's operations, or for which contractor is legally liable, in connection with the construction of the Initial Improvements or Subsequent Alteration, whether such operations be

by Tenant or Tenant's contractors, subcontractors, consultants or suppliers of the contractor. The foregoing policy will contain minimum liability limits of Five Million Dollars (\$5,000,000) per occurrence and Five Million Dollars (\$5,000,000) in the aggregate with a deductible not to exceed Two Hundred Fifty Thousand Dollars (\$250,000). The foregoing policy will at a minimum contain coverage for or be specifically endorsed to include coverage for pollution conditions resulting in, arising from or in connection with: (i) bodily injury (including death), property damage and environmental cleanup costs (on-site and off-site) resulting from construction of the Initial Improvements or any Subsequent Alteration; (ii) the use or operation of motor vehicles (whether owned, non-owned or leased) in connection with construction of the Initial Improvements or any Subsequent Alteration, including transportation of any Hazardous Materials to or from the project site, including any interim or temporary storage or transfer sites (such transportation coverage will also include loading/unloading of materials); (iii) claims by third parties (other than a disposal site owner) for bodily injury or property damage arising from any disposal location or facility, both final and temporary, to which any waste that is generated in connection with the construction of the Initial Improvements or any Subsequent Alteration under this Lease or in connection with any Remediation obligation of Tenant pursuant to **Section 18** is delivered; all such disposal locations/facilities, both final and temporary, will be scheduled to the foregoing policy as Non-Owned Disposal Sites for coverage under such policy. The foregoing policy will be written on an occurrence form and be in effect during the construction periods described above, or, if not available on an occurrence form, then on a claims-made form. If the foregoing policy is written on a claims made form, then the foregoing policy will be maintained for, or contain an extended reporting period of, at least five (5) years. The foregoing policy definition of "Covered Operations" or any other such designation of services or operations performed by Tenant's contractors must include all work or services performed by Tenant's contractors and their respective subcontractors, consultants, or suppliers.

(j) **Professional Liability.** Tenant will maintain or require to be maintained, professional liability (errors and omissions) insurance, with limits not less than Five Million Dollars (\$5,000,000) each claim and annual aggregate, with respect to all professional services, including architectural, engineering, geotechnical, and environmental, reasonably necessary or incidental to the construction of the Initial Improvements and any Subsequent Alteration with any deductible not to exceed Fifty Thousand Dollars (\$50,000) each claim (the "lead policy"). Notwithstanding the foregoing, however, Tenant may elect, instead of obtaining the foregoing coverages in this **Section 19.1(j)**, to require that any architects, contractors and sub-contractors performing professional services in connection with the Initial Improvements or any Subsequent Alteration carry professional liability insurance (errors and omissions) in an amount not less than Five Million Dollars (\$5,000,000) each claim and annual aggregate with any deductible not to exceed Fifty Thousand Dollars (\$50,000). Such insurance will provide coverage during the period when such professional services are performed and for a period of (A) three (3) years after issuance of a Certificate of Final Completion and Occupancy for the Initial Improvements and (B) five (5) years for any Subsequent Alteration. With respect to Subsequent Alteration, Tenant will require that any architect, contractor or subcontractor performing professional services in connection with such Subsequent Alteration, carry professional liability insurance (errors and omissions) in an amount not less than One Million Dollars (\$1,000,000) each claim and annual aggregate with any deductible not to exceed Twenty Five Thousand Dollars (\$25,000).

(k) **Crime policy.** Crime policy or fidelity bond covering Tenant's officers and employees against dishonesty with respect to funds provided by Port, in the amount of Seventy Five Thousand Dollars (\$75,000) each loss, with any deductible not to exceed Fifty Thousand Dollars (\$50,000) each loss.

(l) **Special Events/Participants.** Tenant, at its sole cost and expense, shall procure and maintain Special Events/Participants Liability (GL) coverage insurance acceptable to Port, with limits not less than One Million Dollars (\$1,000,000.00).

(m) Abuse and Molestation. Abuse and molestation coverage with minimum limits of \$2,000,000 per occurrence and \$4,000,000 in the aggregate. Coverage may be held as a separate policy or included by endorsement in the Commercial General Liability or Errors and Omissions policy.

(n) Other Coverage. Not more often than every year and upon not less than sixty (60) days prior written notice, Port may require Tenant to increase the insurance limits set forth above or to provide other coverage and/or different coverage amounts as may be required by Law, the City's Risk Manager or as is generally required by commercial owners of buildings similar in size, character, age and location as the Premises with respect to risks comparable to those associated with the use of the Premises.

**19.2. Claims-Made Policies.** If any of the insurance required in *Section 19.1 above* is provided under a claims-made form of policy, Tenant shall maintain such coverage continuously throughout the Term and without lapse for a period of three (3) years beyond the termination of this Lease, to the effect that should occurrences during the Term give rise to claims made after termination of this Lease, such claims shall be covered by such claims-made policies.

**19.3. Annual Aggregate Limits.** If any of the insurance required in *Section 19.1 above* is provided under a form of coverage which includes an annual aggregate limit or provides that claims investigation or legal defense costs be included in such annual aggregate limit, such annual aggregate limit shall be double the occurrence limits specified herein.

**19.4. Payment of Premiums.** Tenant shall pay the premiums for maintaining all required insurance.

**19.5. Waiver of Subrogation Rights.** Notwithstanding anything to the contrary contained herein, Port and Tenant (each a "**Waiving Party**") each hereby waives any right of recovery against the other party for any loss or damage sustained by such other party with respect to the Premises or any portion thereof or the contents of the same or any operation therein, whether or not such loss is caused by the fault or negligence of such other party, to the extent such loss or damage is covered by insurance which is required to be purchased by the Waiving Party under this Lease or is actually covered by insurance obtained by the Waiving Party. Each Waiving Party agrees to cause its insurers to issue appropriate waiver of subrogation rights endorsements to all policies relating to the Premises; provided, the failure to obtain any such endorsement shall not affect the above waiver.

**19.6. General Insurance Matters.**

(a) All liability insurance policies required to be maintained by Tenant hereunder shall contain a cross-liability clause, shall name as additional insureds by written endorsement the "**CITY AND COUNTY OF SAN FRANCISCO AND THE SAN FRANCISCO PORT COMMISSION AND THEIR COMMISSIONERS, OFFICERS, DIRECTORS, EMPLOYEES AND AGENTS,**" shall be primary and non-contributory to any other insurance available to the additional insureds with respect to claims arising under this Lease, and shall provide that such insurance applies separately to each insured against whom complaint is made or suit is brought except with respect to the limits of the company's liability.

(b) Tenant may satisfy the limits set forth in *Section 19.1* by any combination of primary and excess insurance policies. All insurance policies required to be maintained by Tenant hereunder shall be issued by an insurance company or companies reasonably acceptable to Port with an AM Best rating of not less than A-VIII and authorized to do business in the State of California. Tenant's compliance with this Section shall in no way relieve or decrease Tenant's liability under this Lease.

(c) Tenant shall provide thirty (30) days prior written notice of cancellation for any reason, intended non-renewal, or reduction in coverage to Port.

(d) Tenant shall deliver to Port certificates of insurance, additional insured policy endorsements and waiver of subrogation endorsements in a form satisfactory to and at the direction of Port, such as hard copy documentation or use of an internet-based insurance compliance tracking systems such as EXIGIS, evidencing the coverages required herein, together with evidence of payment of premiums, on or before the Commencement Date, and upon renewal of each policy not less than thirty (30) days before expiration of the term of the policy. If Port is using an internet-based insurance compliance tracking system, Tenant's broker shall complete the insurance questionnaire and submit all required documentation. Tenant shall, upon Port's request, promptly furnish Port with a complete copy of any insurance policy required hereunder.

## 20. DAMAGE OR DESTRUCTION

### 20.1. *General; Notice; Waiver.*

(a) General. If at any time during the Term any damage or destruction occurs to all or any portion of the Premises from fire or other casualty (each a "Casualty"), the rights and obligations of the Parties shall be as set forth in this *Section 20*.

(b) Notice. If there is any Casualty (i) which would materially impair use or operation of any material portion of the Improvements for their intended purpose for a period of thirty (30) days or longer, or (ii) the repair of which would exceed in an individual instance the amount of One Hundred Thousand Dollars (\$100,000) (increased annually by three percent (3%)), or aggregate amount of Two Hundred Fifty Thousand Dollars (\$250,000) (which amount includes both hard and soft costs of a Restoration, increased annually by three percent (3%)), Tenant shall promptly, but not more than ten (10) days after the occurrence of any such Casualty, give written notice thereof to Port describing with as much specificity as is reasonable, the nature and extent of the damage from such Casualty ("**Casualty Notice**").

(c) Waiver. The Parties intend that this Lease fully govern all of their rights and obligations in the event of any Casualty. Accordingly, Port and Tenant each hereby waive the provisions of Sections 1932(2), 1933(4), 1941 and 1942 of the California Civil Code, as such sections may from time to time be amended, replaced, or restated.

**20.2. *No Release of Tenant's Obligations.*** Except as set forth in *Section 20.4*, no damage to or destruction of the Premises or any part thereof from any Casualty event shall permit Tenant to surrender this Lease or relieve Tenant from any obligations, including the obligation to pay Rent. In the event of any damage or destruction to the Improvements that does not result in a termination of this Lease, and at all times before completion of Restoration, Tenant shall pay to Port all Rent at the times and in the manner described in this Lease. If this Lease shall not terminate pursuant to this *Section 20*, proceeds of rental interruption or business interruption insurance shall be applied first to unpaid Rent due or coming due before completion of the Restoration and then to costs of Restoring the Premises with any remaining balance to be retained by Tenant. If this Lease shall terminate pursuant to this *Section 20*, proceeds of rental interruption or business interruption insurance shall be applied first to unpaid Rent coming due before termination of this Lease and then such proceeds shall be distributed pursuant to *Section 20.4(b)*.

**20.3. *Tenant's Obligation to Restore.*** Except in the event of an Uninsured Casualty or Major Casualty for which Tenant elects to terminate this Lease, under *Section 20.4*, if all or any portion of the Improvements are damaged or destroyed by Casualty, Tenant shall promptly (allowing for securing necessary Regulatory Approvals), commence and diligently Restore the Improvements to the condition they were in immediately before such Casualty in accordance with then applicable Laws (including any required code upgrades, the Secretary's Standards and Port's Sign Guidelines), without regard to the amount or availability of insurance proceeds, subject to Force Majeure. All Restoration shall be performed in accordance with the procedures set forth in *Section 14* relating to Alterations and shall be at Tenant's sole expense. In

connection with any Restoration, the Improvements may be redesigned, made larger or smaller, reconfigured, or otherwise modified, provided that the Improvements as so redesigned (i) are at least equivalent in quality, appearance, public safety, and durability to and in all respects consistent with the Building as improved with the Initial Improvements and any Subsequent Alterations prior to the Casualty subject to the Permitted Uses and (ii) allow the Permitted Uses to continue without material adverse effect on such uses.

**20.4. Major Casualty or Uninsured Casualty.**

**(a) Tenant's Election to Restore or Terminate.** If an event of Major Casualty occurs at any time during the Term, or if a change in Laws has occurred which prohibits the Premises from being rebuilt for the Permitted Uses, or if an event of Uninsured Casualty occurs at any time during the Term (other than as set forth in **Section 20.4(c)**), then within ninety (90) days following Tenant's delivery to Port of the Casualty Notice, Tenant shall notify Port of Tenant's election to: (1) commence and complete Restoration of the Improvements, or (2) terminate this Lease (subject to **Section 20.4(b)**). All Restoration shall be in accordance with the procedures set forth in **Section 14** relating to Alterations and shall be at Tenant's sole expense, except as provided in **Section 20.4(c)**.

“**Major Casualty**” means a Casualty event that (i) would require the expenditure of more than Two Million Dollars (\$2,000,000) (increased annually by three percent (3%)), (ii) would require more than two hundred seventy (270) days inclusive of the time to obtain Regulatory Approvals) for completion of the Restoration, or (iii) would prohibit the Premises from being Restored to a design and condition (a) that is substantially similar to the Building (as improved by the construction of the Initial Improvements and any Subsequent Alterations) or (b) that allows for the Permitted Uses to continue without material adverse effect thereon.

“**Uninsured Casualty**” means any of the following: (i) a Casualty event occurring at any time during the Term for which the costs of Restoration (including the cost of any required code upgrades) are not insured or insurable under the policies of insurance that Tenant is required to carry under **Section 19** and such costs exceed Three Hundred Fifty Thousand Dollars (\$350,000) (increased annually by three percent (3%)); or (ii) a Casualty event occurring at any time during the Term which is covered under Tenant's policies of insurance that Tenant is required to carry under **Section 19** but where the cost of Restoration (including the cost of any required code upgrades) will exceed the sum of (A) the net proceeds of any insurance payable, (B) the amount of any applicable policy deductibles, and (c) Three Hundred Fifty Thousand Dollars (\$350,000) (increased annually by three percent (3%)). Any Casualty event not insured due to Tenant's failure to maintain the requisite insurance policies under **Section 19** shall not be considered an Uninsured Casualty. As to any Casualty caused by earthquake or flood, the amount of such policy deductible shall be deemed to be the lesser of the amount of the policy deductible for non-earthquake or flood damage under Tenant's property insurance policy maintained under **Section 22** as of the date of Casualty, or the actual amount of such policy deductible.

**(b) Conditions to Termination.** As a condition precedent to Tenant's right to terminate this Lease in accordance with **Section 20.4(a)**, there shall be no uncured Tenant Event of Default and Tenant shall do all of the following:

**(i)** The Casualty Notice shall include the estimated cost of Restoration and with respect to the Uninsured Casualty only, the amount by which the estimated cost of Restoration (or time needed to Restore) exceeds insurance proceeds payable (or those insurance proceeds which would have been payable but for Tenant's failure to maintain insurance required to be maintained hereunder); and

**(ii)** Pay or cause to be paid the following amounts from all insurance proceeds arising from each Casualty promptly following receipt of such proceeds, in the following order of priority:

(1) First, to Port (or Tenant, if such work is performed by, or on account of, Tenant at its cost) for the actual costs incurred for any work required to alleviate any conditions caused by such Casualty that could cause an immediate or imminent threat to the public safety and welfare or damage to the environment, including any demolition or hauling of rubble or debris;

(2) Second, to Port, for all accrued and unpaid amounts owed to Port, if any, by Tenant;

(3) Third, to each Permitted Mortgagee, in order of priority, a portion of the remaining casualty insurance proceeds arising out of or in connection with the Casualty causing such Major Damage or Uninsured Casualty in an amount not to exceed the aggregate amounts then owed to each such Permitted Mortgagee; and

(4) Fourth, to Port and Tenant as follows: the balance of the insurance proceeds shall be divided proportionately between Port, for the value of Port's reversionary interest in the Premises and the Improvements (in their condition immediately prior to the Casualty event), as of the date the Term would have expired but for the Casualty, and Tenant, for the value of the Improvements for the remaining unexpired portion of the Term (in their condition immediately prior to the Casualty event); and

(iii) Pay to Port any Rent due and payable as of the proposed termination date (to the extent any Rent due and payable remains unpaid after application of insurance proceeds pursuant to *Section 20.4(b)(ii)(2)*); and

(iv) Upon termination in accordance with this *Section 20*, Tenant shall deliver possession of the Premises to Port and quitclaim to Port all right, title and interest in the Premises and in any remaining Improvements.

(c) Port's Election Upon Notice of Termination. Notwithstanding *Section 20.4(a)*, if Tenant elects to terminate this Lease solely due to an Uninsured Casualty, then within sixty (60) days after Port's receipt of the Casualty Notice, Port may elect by giving written notice to Tenant, to continue this Lease and pay the amount to Tenant by which the cost of Restoration will exceed the net proceeds of any insurance payable under the policies of insurance that Tenant is required to carry under *Section 19* (or which would have been payable but for Tenant's failure to maintain such insurance) by more than Three Hundred Fifty Thousand Dollars (\$350,000) (increased annually by three percent (3%)). If Port elects to continue this Lease as set forth in this *Section 20.4(c)*, then notwithstanding Tenant's election to terminate this Lease, this Lease shall not be terminated and Tenant shall be obligated to Restore the Premises in accordance with *Section 20.3*.

**20.5. *Date and Effect of Termination.*** If Tenant elects to terminate this Lease under *Section 20.4(a)*, and Port elects not to continue this Lease under *Section 20.4(c)*, then, on the date that Tenant shall have fully complied with all provisions of *Section 20.4(b)* to the reasonable satisfaction of Port, this Lease shall terminate. Upon such termination, the Parties shall be released thereby without further obligations to the other party as of the effective date of such termination; provided, however, that the Indemnification provisions and any other provisions that explicitly state they will survive expiration or earlier termination of this Lease shall survive any such termination. Any rights of Tenant or Port to receive insurance proceeds in accordance with the provisions of this Lease will survive the termination of this Lease.

**20.6. *Distribution Upon Lease Termination.*** If Tenant is obligated to and fails to Restore the Improvements as provided herein and commits an Event of Default in failing to Restore the Improvements and this Lease is thereafter terminated due to such Event of Default, all insurance proceeds held by Port, Tenant and any Permitted Mortgagee, or not yet collected, shall be paid to and retained by Port, subject to the rights of Permitted Mortgagees, if any.

**20.7. Use of Insurance Proceeds.** Except in the event of termination of this Lease in accordance with *Section 20.4*, all all-risk coverage insurance proceeds, earthquake and flood proceeds, boiler and machinery insurance proceeds, and any other insurance proceeds paid to Tenant by reason of Casualty (other than business or rental interruption insurance), must be used by Tenant for Restoration of the Premises.

**20.8. Arbitration of Disputes.**

(a) Estimators. In the event Port and Tenant cannot mutually agree upon the cost of Restoration (the “**Disputed Amount**”), such dispute shall be determined in the manner provided in this *Section 20.8*. Either party may invoke the provisions of this *Section 20.8* at any time there is a Disputed Amount by delivering written notice to the other party (“**Arbitration Notice**”). Within twenty (20) days after receipt of the Arbitration Notice, each party shall designate, by written notice to the other party, a professional cost estimator having at least ten (10) years' experience in estimating construction costs of major construction projects in the City, and who is competent, licensed, disinterested and independent (“**Estimator**”). Each Estimator shall make an independent determination of the Disputed Amount, in accordance with the provisions hereof. The Estimators may share and have access to objective information in preparing their estimates, but they will otherwise act independently. Each Estimator shall complete, sign and submit its written estimate of the cost of Restoration (“**Restoration Cost**”) within fifteen (15) days after the appointment of the last Estimator unless the parties agree to permit a longer period of time. If the higher estimate of the Restoration Cost is not more than ten percent (10%) of the lower estimate, the Restoration Cost shall be determined for purposes of this Lease to equal the average of the two (2) determinations. If a party fails to designate an Estimator within the twenty (20) day period, then the determination made by the sole Estimator shall control.

(b) Arbitration. If the higher estimate of the Restoration Cost is more than ten percent (10%) of the lower estimate, the parties shall agree upon and appoint a third Estimator (the “**Arbitrator**”) within thirty (30) days after the first two (2) determinations have been submitted to the parties. The Arbitrator shall have the minimum qualifications set forth in *Section 20.8(a)*, and also shall have experience acting as an arbitrator of disputes involving construction costs or construction disputes. If the parties do not appoint the Arbitrator within such thirty (30) day period, then either party may apply to the American Arbitration Association, or any similar provider of professional commercial arbitration services, for appointment in accordance with the rules and procedures of such organization of an independent arbitrator meeting the foregoing qualifications. The Arbitrator shall consider the estimates submitted by the Estimators as well as any other relevant written evidence that the parties may choose to submit. If a party chooses to submit any such evidence, it shall deliver a complete and accurate copy to the other party at the same time it submits the same to the Arbitrator. Neither party shall conduct ex parte communications with the Arbitrator regarding the subject matter of the Arbitration. Within fifteen (15) business days after his or her appointment, the Arbitrator shall select one of the estimates as the more accurate estimate of the Restoration Cost. The determination of the Arbitrator shall be limited solely to the issue of deciding which of the estimates is closest to the actual Restoration Cost. The Arbitrator shall have no right to propose a middle ground or to modify either of the two (2) estimates.

(c) Conclusive Determination. Except as provided in California Code of Civil Procedure Section 1286.2 (as the same may be amended from time to time), the determination by the Estimators, or if applicable, the Arbitrator shall be conclusive, final and binding on the Parties. Neither the Estimators, or if applicable, the Arbitrator shall have any power to modify any of the provisions of this Lease. Subject to the provisions of this *Section 20.8*, the parties will cooperate to provide all appropriate information to the Estimators and if applicable, the Arbitrator. The Estimators, and if applicable, the Arbitrator will each report their respective determinations in writing, supported by the reasons for the determination.

(d) Conduct of Arbitration Proceeding. Any arbitration proceeding conducted pursuant to this **Section 20.8** shall be subject to California Code of Civil Procedure Sections 1280 to 1294.2 (but excluding Section 1283.05 with respect to discovery), or successor Laws then in effect relating to arbitration generally. Any such proceeding shall be conducted in the City.

(e) Fees and Costs; Waiver. Each party shall bear the fees, costs and expenses of the Estimator it selects. The parties shall share the fees, costs and expenses of the Arbitrator and the costs and expenses of the arbitration proceeding equally. The parties waive any claims against the Estimator appointed by the other party, and against the Arbitrator, for negligence, malpractice, or similar claims in the performance of the estimates or arbitration contemplated by this **Section 20.8**.

(f) Arbitration of Disputes. With respect to the arbitration provided for in this **Section 20.8**, the Parties agree as follows:

Any judgment upon the award rendered by the arbitration may be entered in any court having jurisdiction of such arbitration in accordance with the terms of this Lease. This arbitration provision does not affect the rights of either party to seek confirmation, correction or vacation of the arbitration award pursuant to California Code of Civil Procedure Sections 1285 et seq.

**21. CONDEMNATION.**

**21.1. General; Notice; Waiver.**

(a) General. If, at any time during the Term, there is any Condemnation of all or any part of the Premises, the rights and obligations of the Parties shall be determined pursuant to this **Section 21**.

(b) Notice. In case of the commencement of any proceedings or negotiations which might result in a Condemnation of all or any portion of the Premises during the Term, the party learning of such proceedings shall promptly give written notice of such proceedings or negotiations to the other party. Such notice shall describe with as much specificity as is reasonable, the nature and extent of such Condemnation or the nature of such proceedings or negotiations and of the Condemnation that might result therefrom, as the case may be.

(c) Waiver. Except as otherwise provided in this **Section 21**, the Parties intend that the provisions of this Lease shall govern their respective rights and obligations in the event

of a Condemnation. Accordingly, but without limiting any right to terminate this Lease in accordance with this **Section 21**, Tenant waives any right to terminate this Lease upon the occurrence of a Partial Condemnation under Sections 1265.120 and 1265.130 of the California Code of Civil Procedure, as such sections may from time to time be amended, replaced or restated.

**21.2. Total Condemnation.** If there is a Condemnation of the entire Premises or Tenant's leasehold interest therein (a "**Total Condemnation**"), this Lease shall terminate as of the Condemnation Date. Upon such termination, except as otherwise set forth in this Lease, the Parties shall be released without further obligations to the other party as of the Condemnation Date, subject to the payment to Port of accrued and unpaid Rent, up to the Condemnation Date.

**21.3. Substantial Condemnation; Partial Condemnation; Rent Abatement.** If there is a Condemnation of any portion but less than all of the Premises, the rights and obligations of the Parties shall be as follows:

**(a) Substantial Condemnation.** If there is a Substantial Condemnation, this Lease shall terminate at Tenant's option (which shall be exercised, if at all, at any time within ninety (90) days after the Condemnation Date by delivering written notice of termination to Port) in accordance with this **Section 21.3(a)**. "**Substantial Condemnation**" means a Condemnation of (A) less than the entire Premises which renders the Premises untenable, unsuitable or economically unfeasible for the Permitted Uses as reasonably determined by Tenant or (B) property located outside the Premises that substantially and materially eliminates access to the Premises where no alternative access can be constructed or made available, as reasonable determined by Port. Notwithstanding the foregoing, Tenant shall have no right to terminate this Lease under this **Section 21.3(a)** if (1) the Condemnation is for less than one year (unless such Condemnation occurs during the last five (5) years of the Term), or (2) Tenant reasonably anticipates (i) based upon a schedule of performance for such Restoration prepared by Tenant in consultation with a licensed general construction contractor that at the time of completion of the Restoration, less than five (5) years would remain in the Term) and (ii) the cost of such Restoration is more than at least Three Hundred Fifty Thousand Dollars (\$350,000) (increased annually by three percent (3%)), unless Port (in its sole and absolute discretion and without any obligation to do so) gives written notice to Tenant within thirty (30) days (subject to extension as provided below) after receipt of Tenant's termination notice that Port agrees, at its cost and expense, to pay any amount by which the cost of such Restoration exceeds by at least Three Hundred Fifty Thousand Dollars (\$350,000) (increased annually by three percent (3%)). In either such case, this Lease shall not terminate, and, upon a determination that this Lease shall continue based on amount of the Award, Tenant shall perform such Restoration, subject to the provisions of **Section 14**. Port's right to exercise the option described in clause (2) above shall be conditioned upon Port and Tenant reaching an agreement, with respect to the schedule for performance of required work, on the timing of payments of Port's contribution to the costs of such work (to the extent not available from Port's share of the Award), and any other related issues which may be necessary or appropriate for resolution in connection with such work and the payment for such work. If no satisfactory agreement is reached within such period, Port shall have no right to exercise such right, and such Condemnation shall be deemed a Substantial Condemnation for which Tenant may terminate this Lease.

**(b) Partial Condemnation.** If there is a Condemnation of any portion of the Premises which does not result in a termination of this Lease under **Sections 21.2** or **21.3(a)** (a "**Partial Condemnation**"), this Lease shall terminate only as to the portion of the Premises taken in such Partial Condemnation effective as of the Condemnation Date and this Lease shall remain in full force and effect as to the portion of the Premises remaining immediately after such Condemnation. Tenant shall promptly commence and complete any necessary Restoration of the remaining portion of the Premises, at no cost to Port. Any such Restoration shall be performed in accordance with the provisions of **Section 14**.

(c) **Rent Abatement.** In the case of a Partial Condemnation, or in the case of a Substantial Condemnation which does not result in a termination of this Lease, the Base Rent payable from the Condemnation Date shall be equitably reduced in the proportion that the gross square footage of the Premises which is taken in such Partial or Substantial Condemnation, as applicable, bears to the aggregate gross square footage of the Premises immediately prior to such Partial or Substantial Condemnation, as applicable.

**21.4. Awards.** Except as provided in *Sections 21.5* and *21.6*, Awards and other payments to either Port or Tenant on account of a Condemnation, less costs, fees and expenses of either Port or Tenant (including reasonable Attorneys' Fees and Costs) incurred in the collection thereof ("**Net Awards and Payments**") shall be allocated between Port and Tenant as follows:

(a) In the event of a Partial Condemnation, first, to pay costs of Restoration, in which case, the portion of the Net Awards and Payments allocable to Restoration shall be payable to Tenant and any Permitted Mortgagee;

(b) Second, to Port for the value of the condemned land only, subject to the particular uses of the Premises existing immediately prior to the Condemnation Date, and without reference to, or inclusion of, Port's reversionary interest in the value of the Improvements (the "**Condemned Land Value**");

(c) Third, to Port for any accrued and unpaid Rent owed by Tenant to Port for periods prior to the Condemnation Date;

(d) Fourth, to each Permitted Mortgagee, if any, in order of priority, for payment of all outstanding amounts of the loan secured by such mortgage, together with its reasonable out of pocket expenses and charges in collecting the Net Awards and Payments, including without limitation, its reasonable attorneys' fees incurred in the Condemnation;

(e) Fifth, to Tenant in an amount equal to the value of Tenant's leasehold interest in this Lease, not including the value of the Improvements on the Premises, for the remaining unexpired portion of the Term; and

(f) Sixth, the balance of the Net Awards and Payment shall be divided proportionately between Port, for the value of Port's reversionary interest in the Improvements (based on the date the Term would have expired but for the event of Condemnation), and Tenant, for the value of the Improvements for the remaining unexpired portion of the Term.

(g) Notwithstanding anything to the contrary set forth in this *Section 21.4*, any portion of the Net Awards and Payments which has been specifically designated by the condemning authority or in the judgment of any court to be payable to Port or Tenant on account of any interest in the Premises or the Improvements separate and apart from the Condemned Land Value, the value of Port's reversionary interest in the Improvements, Tenant's leasehold interest in this Lease, or the value of the Improvements on the Premises for the remaining unexpired portion of the Term, shall be paid to Port or Tenant, as applicable, as so designated by the condemning authority or judgment.

**21.5. Temporary Condemnation.** If there is a Condemnation of all or any portion of the Premises for a temporary period lasting less than the remaining Term, other than in connection with a Substantial Condemnation, this Lease shall remain in full force and effect, there shall be no abatement of Rent, and the entire Award shall be payable to Tenant.

**21.6. Relocation Benefits, Personal Property.** Notwithstanding *Section 21.4*, Port shall not be entitled to any portion of any Net Awards and Payments payable in connection with the Condemnation of the personal property of Tenant or any of its Subtenants.

## **22. INDEMNITY AND EXCULPATION.**

**22.1. General Indemnity.** Tenant shall Indemnify Port, City, including, but not limited to, all of their respective boards, commissions, departments, agencies, and other subdivisions,

and their respective Agents (collectively, “**Indemnified Parties**”) from, and shall defend them, without cost to the Indemnified Parties, against any and all Claims arising directly or indirectly out of: (a) any accident, injury to or death of any person, including any Agents and/or Invitees of Tenant, or loss or damage to or destruction of any property occurring in, on or about the Premises, or any other Port property, from any cause whatsoever, or (b) any default by Tenant in the observance or performance of any of the terms, covenants or conditions of this Lease, including the provisions of **Section 23**, or (c) the use, occupancy, manner of use or occupancy, or condition of the Premises or the activities therein by Tenant, its Agents, or Invitees, or (d) any construction or other work undertaken by Tenant on the Premises whether before or during the Term, or (e) any acts, omissions or negligence of Tenant, its Agents or Invitees, in, on or about the Premises, or any other Port property.

**22.2. Hazardous Materials Indemnity.**

(a) In addition to its obligations under **Section 22.1**, subject to **Section 22.2(b)**, Tenant, for itself and on behalf of its Agents and Invitees, agrees to Indemnify the Indemnified Parties from any and all Hazardous Material Claims that arise as a result of: (i) any Hazardous Material Condition, and (ii) Tenant’s Exacerbation of any Hazardous Material Condition.

(b) Unless Tenant or its Agents or Invitees Exacerbate a Hazardous Material Condition, Tenant’s Indemnity obligations under this Lease do not include any Hazardous Material Claims that arise as a result of a Hazardous Material Condition: (i) caused solely by City, Port, or their Agents during Tenant’s its Agents or Invitees occupancy of the Premises; (ii) arising before the Commencement Date or the date of Tenant’s first use of the Premises under the Prior Licenses, whichever is earlier; (3) caused by Tenant’s Agent’s acts, omissions or negligence on other Port Property (in other words, on Port property other than the Premises), unless such Agent was performing work on Tenant’s behalf or otherwise acting on Tenant’s behalf in furtherance of the Permitted Uses under this Lease; or (4) caused by Tenant’s Invitee’s acts, omissions or negligence on other Port Property (in other words, on Port property other than the Premises).

(c) Tenant’s obligation to Indemnify the Indemnified Parties includes: (i) costs incurred in connection with any Investigation or Remediation requested by Port or required by any Environmental Regulatory Agency and to restore the affected area to its condition before the Release; (ii) damages for diminution in the value of the Premises; (iii) damages for the loss or restriction on use of rentable or usable space or of any amenity of the Premises; (iv) damages arising from any adverse impact on marketing the space; (v) sums paid in settlement of Claims, Hazardous Material Claims, Environmental Regulatory Actions, including fines and penalties; (vi) natural resource damages; and (vii) attorneys’ fees, consultant fees, expert fees, court costs, and all other litigation, administrative or other judicial or quasi-judicial proceeding expenses. If Port pays any costs within the scope of this section, Tenant must reimburse Port for Port’s costs, plus interest at the Interest Rate from the date Port incurs each cost until paid, within three (3) business days after Port’s payment demand. Tenant’s obligations hereunder shall survive the expiration or earlier termination of this Lease.

**22.3. Scope of Indemnities.** The Indemnification obligations of Tenant set forth in this Lease shall be enforceable regardless of the joint or concurrent, active or passive negligence of the Indemnified Parties, and regardless of whether liability without fault is imposed or sought to be imposed on the Indemnified Parties. The Indemnification obligations of Tenant set forth in this Lease shall be enforceable except to the extent that such Indemnity is void or otherwise unenforceable under applicable Law in effect on, or validly retroactive to, the date of this Lease. Except as specifically provided otherwise, the Indemnification obligations of Tenant set forth in this Lease shall exclude Claims resulting solely from the willful misconduct or gross negligence of the Indemnified Parties.

In addition to Tenant’s obligation to Indemnify the Indemnified Parties, Tenant specifically acknowledges and agrees that it has an immediate and independent obligation to

defend the Indemnified Parties from any Claim which actually or potentially falls within the Indemnification obligations of Tenant set forth in this Lease, even if the allegations are or may be groundless, false or fraudulent. This Indemnification by Tenant shall begin from the first notice that any claim or demand is or may be made and shall continue at all times thereafter.

Port agrees that Tenant’s Indemnity for Claims that arise out of any Tenant’s Invitee’s acts, omissions or negligence on “other Port property” as set forth above in **Section 22.1** applies only if such Claims (i) arise directly or indirectly out of Tenant’s Invitee’s acts, omissions or negligence, and (ii) such act, omission or negligence occurred in, on, under, or about the Premises.

Port agrees that Tenant’s Indemnity for Claims that arise out of any Tenant’s Agent’s acts, omissions or negligence on “other Port property” as set forth above in **Section 22.1** applies only if such Claims (i) arise directly or indirectly out of Tenant’s Agent’s acts, omissions or negligence, and (ii) such act, omission or negligence occurred while such Agent was performing work on Tenant’s behalf or otherwise acting on Tenant’s behalf in furtherance of the Permitted Uses under this Lease.

**22.4. Exculpation and Waiver.** To the fullest extent permitted by law, Tenant, as a material part of the consideration to be rendered to Port, hereby waives any and all Claims, including without limitation all Claims arising from the joint or concurrent, active or passive, negligence of the Indemnified Parties, but excluding any Claims caused solely by the Indemnified Parties’ willful misconduct or gross negligence. The Indemnified Parties shall not be responsible for or liable to Tenant, and Tenant hereby assumes the risk of, and waives and releases the Indemnified Parties from all Claims, whether direct or indirect, known or unknown, foreseen or unforeseen, for any injury, loss or damage to any person or property in or about the Premises by or from any cause whatsoever including, without limitation, (i) any act or omission of persons occupying adjoining premises or any part of the adjacent to or connected with the Premises, (ii) theft, (iii) explosion, fire, steam, oil, electricity, water, gas or rain, pollution or contamination, (iv) stopped, leaking or defective Building Systems, (v) Building defects, (vi) damages to goods, wares, goodwill, merchandise, equipment or business opportunities, (vii) Claims by persons in, upon or about the Premises, or any other Port property for any cause arising at any time, (viii) alleged facts or circumstances of the process or negotiations leading to this Lease prior to the Commencement Date, (ix) inability to use all or any portion of the Premises due to sea level rise, and (x) any other acts, omissions or causes to the fullest extent permitted by law.

Tenant understands and expressly accepts and assumes the risk that any facts concerning the Claims released in this Lease might be found later to be other than or different from the facts now believed to be true, and agrees that the releases in this Lease shall remain effective. Therefore, with respect to the Claims released in this Lease, Tenant waives any rights or benefits provided by Section 1542 of the Civil Code, which reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Tenant specifically acknowledges and confirms the validity of the release made above and the fact that Tenant was represented by counsel who explained the consequences of the release at the time this Lease was made, or that Tenant had the opportunity to consult with counsel, but declined to do so.

**22.5. *Survival.*** The provisions of this Section shall survive the expiration or earlier termination of this Lease.

## **23. TRANSFERS AND SUBLEASING.**

**23.1. *Financing.*** Except with Port's express prior written consent, in its reasonable discretion, Tenant shall not (i) engage in any Financing or other transaction creating any mortgage, deed of trust or similar security instrument upon Tenant's leasehold interest in the Premises or Tenant's interest in the Improvements under this Lease; or (ii) place or suffer to be placed upon Tenant's leasehold interest in the Premises or interest in the Improvements any lien or other encumbrance. Under no circumstance whatsoever shall Tenant place or suffer to be placed any lien or encumbrance on Port's fee interest in the land in connection with any Financing permitted hereunder, or otherwise. Port shall not subordinate its interest in the Premises, nor its right to receive Rent, to any Permitted Mortgagee of Tenant. Any mortgage, deed of trust, or similar security instrument, encumbrance or lien not permitted by Port shall be deemed to be a violation of this covenant on the date of its execution or filing of record regardless of whether or when it is foreclosed or otherwise enforced.

### **23.2. *Transfer.***

(a) Tenant must obtain Port's prior written consent to any Transfer, which Port will not withhold unreasonably.

(i) Tenant agrees that any of the following will be a reasonable basis for Port to withhold its consent: (1) at the time Tenant requests Port's consent, an Event of Default, or an event that with notice or the passage of time or both would constitute an Event of Default if not cured, has occurred and remains uncured; (2) the Transfer is by a Transferee of Tenant; (3) the Transferee's financial condition is or may become insufficient to support all of the then-remaining financial and other obligations of this Lease; (4) the Transferee's intended use of the Premises is inconsistent with this Lease or otherwise will affect any City or Port interest materially and adversely; (5) the nature of the Transferee's use of the Premises would involve a materially increased risk of the Handling or Release of Hazardous Materials or of fire or other casualty; (6) the business reputation or character of the Transferee is not reasonably acceptable to Port; (7) the Transferee is not likely to conduct a business in the Premises of a quality substantially equal to Tenant's or otherwise reasonably acceptable to Port; or (8) the Transfer does not reflect an arm's length transaction.

(ii) Tenant also agrees that Port will have the right to impose reasonable conditions to a requested consent to a Transfer, which may include: (1) requiring the Transferee to assume all of Tenant's obligations under this Lease; and (2) giving Port the right to terminate without notice all of Tenant's then-existing Subleases if this Lease is terminated before the existing Subleases expire.

(b) At least one hundred twenty (120) days before any Transfer, Tenant must give Port a Transfer Notice and the following: (i) Certified financial statements for the three (3) years before the Transfer Date (or each year of the proposed Transferee's existence, if shorter) for the Transferee and for any other Person who will be liable for Tenant's obligations under this Lease; (ii) Tenant's current Certified financial statements; (iii) a copy of the proposed Transfer Agreement; and (iii) the Transferee's completed pre-screening and leasing application. In addition, Tenant must provide: (1) any other information, documentation, or evidence that Port reasonably requests to enable Port to evaluate the Transfer and the Transferee; and (2) if any of the Transfer Terms are modified before the Transfer Date, a new Transfer Notice and all relevant

documentation for any modified Transfer Terms. Tenant's Transfer Notice will not be complete until Tenant has provided Port with all information required under this Subsection.

For up to thirty (30) days after receipt of the complete Transfer Notice, Port will have the right to take an assignment from Tenant of the interest that Tenant proposes to Transfer on the same terms and conditions as stated in the Transfer Agreement, and, if exercised, Tenant shall be released from all further obligations under this Lease with respect to such interest (except for obligations that survive lease expiration).

(c) Unless the Transfer requires Port Commission and/or Board of Supervisors review and/or approval (as determined by Port in its sole discretion), Port will use commercially reasonable efforts to respond to the Transfer request no later than sixty (60) days after receipt of Tenant's complete Transfer Notice. If the Transfer requires Port Commission and/or Board of Supervisors review and/or approval, Port will use commercially reasonable efforts to respond to the Transfer request no later than ninety (90) days after receipt of Tenant's complete Transfer Notice. Port's failure to respond within the applicable period shall constitute Port's denial of consent. If Port does not consent to the Transfer, Port shall set forth its reasons for withholding consent upon Tenant's request. If Port consents to the Transfer, Tenant must close the Transfer on the Transfer Terms stated in the Transfer Notice within ninety (90) days after Port notifies Tenant of Port's consent. If the Transfer Agreement does not close within the 90-day period, then Port's consent will expire, unless Tenant gives Port a new Transfer Notice, in which case Port again will be entitled to exercise any of the options under this Section.

(d) Any Transfer that does not comply with this Section fully will constitute an incurable Event of Default and will be void as to Port and this Lease. Port's consent to one Transfer will have no effect with respect to any other Transfer.

(e) Transfer Agreement Requirements. Any Transfer Agreement must include the provisions set forth below.

(i) The Transferee's express assumption of, and acknowledgement and agreement that the Transferee will be jointly and severally liable for, all of Tenant's obligations under this Lease, subject to any agreement between Port and Tenant to release Tenant from any obligations and liabilities accruing after the effective date of the Transfer;

(ii) The Indemnification clause and waiver of claims provisions in **Section 22** (Indemnity and Exculpation);

(iii) Insurance provisions requiring that all of the Transferee's liability and other insurance policies name "*The City and County of San Francisco, the San Francisco Port Commission, and their commissioners, officers, agents, employees, and representatives*" as additional insureds and acknowledging Port's right to demand increased coverage to amounts customarily required by other San Francisco landlords for premises where business activities similar to the Transferee's are conducted;

(iv) A provision stating that if this Lease is terminated for any reason, the Transferee's right to possession under the Transfer Agreement will terminate;

(v) A provision under which the Transferee expressly waives any and all relocation assistance and benefits in connection with this Lease to the extent permitted by applicable Laws; and

(vi) A provision under which the Transferee expressly agrees to report the transfer to the County Assessor in accordance with **Section 8.1** of this Lease.

**23.3. Port's Participation in Sale Proceeds.** In addition to all requirements of **Section 23.2**, the following provisions apply to any Sale.

(a) Tenant and all subsequent assignees must pay to Port twelve percent (12%) of Tenant's Net Sale Proceeds from each Sale as Port's Sale Participation, concurrently with and as a condition to the Sale Closing.

(b) As soon as available after Port consents to a Sale, Tenant must deliver to Port an estimated closing statement that includes Tenant's best estimate of: (i) Gross Sale Proceeds; (ii) Costs of Sale; (iii) Net Sale Proceeds; and (iv) Port's Sale Participation. The closing statement must be updated and delivered to Port the business day before the Sale Closing. If an escrow account is not established for the Sale, the final closing statement must be Certified and state any variances from the estimated closing statement in form and content reasonably acceptable to Port. If escrow is opened for the Sale, Port's Sale Participation will be distributed through escrow. If no escrow is opened for the Sale, Port's Sale Participation will be paid upon the Sale Closing. Within forty-five (45) days after any Sale Closing such Sale, transferor Tenant will submit to Port a Certified statement prepared by a financial officer or other accountant employed or retained by transferor Tenant in accordance with sound accounting principles consistently applied, confirming the actual amounts under (i) – (iv). At Port's option, any overpayments may be either refunded to transferor Tenant or applied to any other amount then due and unpaid or credited against Rent due. The statements delivered to Port under this Section are subject to the audit provisions of *Section 23.7* for determination of the accuracy of Tenant's reporting of the Port's share of Sale Proceeds.

(c) Port may reference in any estoppel certificate or other representation requested from Port that payment to Port of Port's Sale Participation is a material obligation under the Lease, due and owing upon the closing of any Sale hereunder, provided, however, failure to reference such obligation will in no way negate Tenant's obligation to pay, and Port's right to receive, Port's Sale Participation.

(d) Tenant's obligation to pay Port's Sale Participation will survive the Sale Closing and the expiration or termination of this Lease.

(e) If Tenant Completed the Initial Improvements or any Subsequent Alterations that constitute capital improvements, Net Sale Proceeds will be reduced by Tenant's Adjusted Basis, but only if Port previously approved Tenant's Certified Construction Costs as follows. Within ninety (90) days after Completion of the Initial Improvements or any Subsequent Alterations, Tenant must deliver to Port a Certified Construction Costs Report in form and content acceptable to Port in its reasonable discretion. If Port requests, the report must be accompanied by a CPA's agreed-upon procedures report prepared in accordance with AICPA standards for compliance attestation specifying Port as an intended user, in which case Tenant shall have until the date that is one hundred twenty (120) days after the end of Tenant's fiscal year to provide the Construction Costs Report. Port will notify Tenant in writing whether Port agrees or disagrees with Tenant's Construction Costs Report (including whether Port agrees that Subsequent Alterations constitute capital improvements) within ninety (90) days after receiving it. Port will have the right to inspect Tenant's Books and Records for the Construction Costs Report. Tenant must keep accurate Books and Records of all Construction until the later of two (2) years after Tenant's submission of any Construction Costs Report or six (6) months after any dispute regarding the Construction Costs has been resolved. Tenant's failure to submit a Construction Costs Report as and when required under this Section will be deemed a waiver of its right to make a reduction to Net Sale Proceeds.

The following example is provided for illustrative purposes only:

Gross Sale Proceeds:	\$7,000,000
Costs of Sale:	\$(500,000)
Tenant's Adjusted Basis	\$(5,000,000)
Net Sale Proceeds before distribution:	\$1,500,000
Port's Sale Participation @ 12% of adjusted Net Sale Proceeds:	\$180,000

**23.4. Port's Participation in Financing Proceeds.** In addition to all requirements of *Section 23.1*, the following provisions apply to any Financing.

(a) Tenant and all subsequent assignees must pay to Port twelve percent (12%) of Tenant's Net Financing Proceeds from each Financing as Port's Financing Participation, concurrently with and as a condition to the Financing Closing.

(b) As soon as available after Port consents to a Financing, Tenant must deliver to Port an estimated closing statement that includes Tenant's best estimate of: (i) Gross Financing Proceeds; (ii) Net Financing Proceeds; and (iii) Port's Financing Participation. The closing statement must be updated and delivered to Port the business day before the Financing Closing. If an escrow account is not established for the Financing, the final closing statement must be Certified by a financial officer or other accountant employed or retained by Tenant and state any variances from the estimated closing statement in form and content reasonably acceptable to Port. If escrow is opened for the Financing, Port's Financing Participation will be distributed through escrow. If no escrow is opened for the Financing, Port's Financing Participation will be paid upon the Financing Closing. Within forty-five (45) days after any Financing Closing such Financing, Tenant will submit to Port a Certified statement prepared by a financial officer or other accountant employed or retained by Tenant in accordance with sound accounting principles consistently applied, confirming the actual amounts under (i) – (iii). At Port's option, any overpayments may be either refunded to Tenant or applied to any other amount then due and unpaid or credited against Rent due. The statements delivered to Port under this Section are subject to the audit provisions of *Section 23.7* for determination of the accuracy of Tenant's reporting of the Port's share of Financing Proceeds.

(c) Port may reference in any estoppel certificate or other representation requested from Port that payment to Port of Port's Financing Participation is a material obligation under the Lease, due and owing upon the closing of any Financing hereunder, provided, however, failure to reference such obligation will in no way negate Tenant's obligation to pay, and Port's right to receive, Port's Financing Participation.

(d) Tenant's obligation to pay Port's Financing Participation will survive the Financing Closing and the expiration or termination of this Lease.

The following example is provided for illustrative purposes only:

Gross Financing Proceeds:	\$7,000,000)
Financing Costs:	\$(500,000)
Amount of outstanding indebtedness repaid:	\$0
Cost of Improvements not financed	\$(5,500,000)
Financing Reinvestment:	\$(750,000)
Net Financing Proceeds retained by Tenant:	\$250,000
Port's Financing Participation @ 12%:	\$30,000

**23.5. Subleasing by Tenant.**

(a) Subleases. Tenant will not Sublease any portion of the Premises without the prior written consent of Port which will not be unreasonably withheld. All Subleases must be in full compliance with all of the terms and provisions of this *Section 23.5*. A Sublease without Port's consent will be voidable by Port, in its sole discretion. Nothing in this Lease is intended to restrict or prohibit Tenant and its Subtenants from allocating costs associated with this Lease in any manner they see fit; provided however, that unless explicitly authorized under this Lease, such allocations to do not affect the amount of Rent due to Port.

**(b) Request for Sublease.** Tenant must give Port as much prior written notice as reasonably possible, but not less than thirty (30) days before it intends to enter into a proposed Sublease (herein “**Notice of Request to Sublease**”) and provide Port with the following information in writing: (a) the name, address, legal composition and ownership of the proposed Subtenant, (b) reasonably adequate evidence that the proposed Subtenant’s financial condition and prospects are sufficient to support all of the financial and other obligations of the proposed Sublease, (c) a full description of the terms and conditions of the proposed Sublease, including the proposed commencement date, a description of the proposed use and the material terms, including all payments to be made or other consideration to be given in connection with the Sublease, and copies of any and all proposed agreements concerning the proposed Sublease, and (d) a list of any Regulatory Approvals needed and the status of such Regulatory Approvals. Until such time as Tenant has provided to Port all information set forth hereinabove, Tenant’s Notice of Request to Sublease will not be deemed to have been given. Tenant will immediately notify Port of any modifications to the proposed terms of the Sublease. Port will use reasonable efforts to respond to the Transfer request no later than thirty (30) days after receipt of Tenant’s complete Transfer Notice.

**(c) Port’s Options.** Upon receiving a Notice of Request to Sublease, Port will have the right to either **(A)** consent to the proposed Sublease, which consent shall not be unreasonably withheld, subject to any reasonable conditions upon such Sublease or **(B)** deny its consent to the proposed Sublease on the following reasonable grounds: (1) at the time Tenant requests Port’s consent, an Event of Default, or an event that with notice or the passage of time or both would constitute an Event of Default if not cured, has occurred and remains uncured; (2) that the proposed Subtenant’s financial condition and prospects are or could become insufficient to support all of the financial and other obligations of the proposed Sublease; (3) that the use to which the Premises will be put by the proposed Subtenant is inconsistent with the terms of this Lease or otherwise will affect any City or Port interest materially and adversely; (4) the business reputation or character of the proposed Subtenant is not reasonably acceptable to Port or the proposed Subtenant is not likely to conduct a business in the Premises of a quality substantially equal to Tenant’s (or a prior Subtenant’s) or otherwise reasonably acceptable to Port; (5) that the nature of the proposed Subtenant’s intended or likely use of the Premises would involve an unmitigated risk of the Handling, Release or mishandling of Hazardous Materials and Port reasonably believes that the measures proposed by Subtenant are insufficient to mitigate the risk of Handling or Release of Hazardous Materials by Subtenant, or otherwise materially increase the risk of fire or other casualty; (6) that the Sublease rental rate does not reflect an arm’s length transaction; (7) failure of the Sublease to contain provisions specified in this Lease.

**(d) Required Provisions in Subleases.** Each and every Sublease must contain all the following provisions:

- (i)** the Sublease is subject to and subordinate to this Lease;
- (ii)** the Indemnification clause and waiver of claims provisions in **Section 22** (Indemnity and Exculpation) as to the subleased premises and Subtenant’s activities;
- (iii)** insurance provisions requiring that all of the Subtenant’s liability and other insurance policies name “*The City and County of San Francisco, the San Francisco Port Commission, and their commissioners, officers, agents, employees, and representatives*” as additional insureds and acknowledging Port’s right to demand increased coverage to amounts customarily required by other San Francisco landlords for premises where business activities similar to the Subtenant’s are conducted;
- (iv)** an express waiver of any and all relocation assistance and benefits in connection with this Lease to the extent permitted by applicable Laws;

(v) a requirement that the Subtenant must pay the rent and other sums due under the Sublease directly to Port upon receiving Port's written notice that an Event of Default has occurred, a copy of which Port will deliver to Tenant;

(vi) a prohibition on assignment or further subleasing, in whole or in part, without Port's consent, which may be given or withheld in Port's sole discretion;

(vii) a provision similar to *Section 29* (Port's Entry) requiring Subtenant to permit Port to enter its subleased space for the purposes specified in that Section; and

(viii) a provision similar to *Section 38* (Tenant Estoppel) requiring Subtenant, from time to time, to provide Port an estoppel certificate substantially similar to the form attached hereto as *Exhibit J*.

(e) Any Sublease that does not comply with this Section fully including without limitation Tenant's failure to seek or obtain Port's consent when such consent is required, will constitute an incurable Event of Default and will be void as to Port and this Lease. Port's consent to one Sublease will have no effect with respect to any other Sublease.

(f) Copy of Executed Sublease. Tenant shall provide Port a true and complete copy of each executed Sublease within thirty (30) days after the execution thereof. Each executed Sublease must contain substantially the same (or more favorable to the landlord) business terms as set forth in the applicable Notice of Request to Sublease.

**23.6. Notice to Port.** In addition to the obligations under *Section 8.1*, within thirty (30) days of entering into any agreement under which Tenant grants any person the right to occupy or use any portion of the Premises for any period of time, (other than pursuant to a membership agreement or day use pass or as a patron of Tenant or any Subtenant), including without limitation, any assignment, sublease, license, permit, concession or vendor agreement or other agreement or renewal thereof, Tenant shall provide written notice to Port and Assessor and a copy of such agreement, regardless of whether Port consent is required under this Lease for such agreement. Tenant agrees to provide such further information as may be requested by City or Port to enable compliance with reporting obligations under state Law and San Francisco Administration Code Sections 23.38 and 23.39 (or any successor ordinance).

**23.7. Audit.** Tenant agrees to make its Books and Records available to, and cooperate with, any Port representative for the purpose of conducting an audit of the accuracy of Tenant's financial reporting on a Transfer or Sublease until the later of (i) four (4) years after the end of each Lease Year to which such records apply or, (ii) if an audit is commenced or if a controversy should arise between the parties as to the accuracy of Tenant's financial reporting on the Transfer or Sublease, until such audit or controversy is concluded. If an audit reveals that Tenant has overstated any costs in connection with a Transfer, Tenant must pay Port promptly upon demand the difference between the amount Tenant deducted and the amount it should have deducted, plus interest at the Interest Rate from the Transfer Date until paid.

**23.8. Acknowledgement.** Tenant acknowledges and agrees that Port's rights with respect to Transfers and Subleasing are reasonable limitations for purposes of California Civil Code Section 1951.4 and waives any Claims arising from Port's actions under this *Section 23*.

## **24. APPROVALS BY PORT; FEES FOR REVIEW.**

**24.1. Approvals by Port.** Port's Executive Director, or his or her designee, is authorized to execute on behalf of Port any closing or similar documents and any contracts, agreements, memoranda, or similar documents with State, regional, or local authorities or other Persons that are necessary or proper to achieve the purposes and objectives of this Lease and that do not materially increase the obligations of Port under this Lease, if the Executive Director determines, after consultation with, and approval as to form by, the City Attorney, that the document is necessary or proper and in Port's best interests. The Executive Director's signature

on any such documents will be conclusive evidence of such a determination by him or her. Wherever this Lease requires or permits the giving by Port of its consent or approval, or whenever an amendment, waiver, notice, or other instrument or document is to be executed by or on behalf of Port, the Executive Director, or his or her designee, will be authorized to execute such instrument on behalf of Port, except as otherwise provided by applicable Law, including the City's Charter.

**24.2. Fees for Review.** Within ten (10) days after Port's written request, Tenant will pay Port, as Additional Rent, Port's reasonable costs, including Attorneys' Fees and Costs, consultant's costs, and costs for Port staff time, incurred in connection with the review, investigation, processing, documentation, and/or approval of any proposed Transfer, Sublease, non-disturbance agreement, mortgage confirmation statement, mortgage, refinancing certificate, or Subsequent Alteration. Tenant will pay such costs regardless of whether or not Port consents to such proposal.

**25. NO MERGER OF TITLE.**

There will be no merger of the Leasehold Estate with the fee estate in the Premises by reason of the fact that the same Person may own or hold (a) the Leasehold Estate or any interest in such Leasehold Estate, and (b) any interest in such fee estate. No such merger will occur unless and until all Persons having any interest in the Leasehold Estate and the fee estate in the Premises will join in and record a written instrument effecting such merger.

**26. DEFAULT BY TENANT.**

Any of the following shall constitute an event of default (the "Event of Default") by Tenant hereunder:

(a) failure to pay to Port any Rent or other sum payable hereunder when due, and such default continues for a period of three (3) days following written notice from Port. Notwithstanding the foregoing, (i) Port shall not be required to provide such notice more than twice during any 12-month period, and any such failure by Tenant after Tenant has received two (2) such notices in such 12-month period shall constitute an Event of Default by Tenant hereunder without any further action by Port or opportunity of Tenant to cure except as may be required by Section 1161 of the California Code of Civil Procedure, and (ii) Tenant shall not be in default for failure to pay any Percentage Rent if such failure is solely due to the applicable Subtenant's failure to pay such amount to Tenant or provide the information necessary to calculate the Percentage Rent, provided that, in each case: (A) failure to pay Percentage Rent and failure to provide the information necessary for Tenant to calculate Percentage Rent is a default of the relevant Sublease; (B) Tenant is using demonstrable, commercially reasonable efforts to enforce the Subtenant's performance of such obligations including but not limited to enforcing the Sublease through notices of default and termination; and (C) the subject Percentage Rent is paid no later than ninety (90) days from the original due date; or

(b) failure by Tenant to deliver the Quarterly Percentage Rent Statement or Annual Statement when due and such default continues for a period of thirty (30) days following written notice from Port. Notwithstanding the foregoing, (i) Port shall not be required to provide such notice more than twice during any twelve (12) month period, and any such failure by Tenant after Tenant has received two (2) such notices in such twelve (12) month period shall, at the option of Port, constitute an Event of Default by Tenant hereunder without any further action by Port (including, but not limited to, notice to Tenant of such failure) or opportunity of Tenant to cure except as may be required by Section 1161 of the California Code of Civil Procedure and (ii) Tenant shall not be in default for failure to deliver the Quarterly Percentage Rent Statement or Annual Statement when due if such failure is solely due to the applicable Subtenant's failure to deliver the Quarterly Percentage Rent Statement or Annual Statement when due or provide the information necessary to prepare the applicable statements, provided that, in each case: (A) failure to deliver the statements is solely due to the applicable Subtenant's failure to deliver

the relevant statement or to provide the information necessary to prepare the applicable statements; (B) Tenant is using demonstrable, commercially reasonable efforts to enforce the Subtenant's performance of such obligations including but not limited to enforcing the Sublease through notices of default and termination; and (C) the subject statements are submitted no later than one hundred twenty(120) days from the original due date; or

(c) a second understatement by Tenant of Gross Revenues for any audit period by five percent (5%) or more within any three (3) Lease Year period of the first such understatement; or

(d) failure to comply with Tenant's covenants set forth in **Section 6.2** (Continuous Operations), as determined by Port in its reasonable discretion and such failure continues for a period of fifteen (15) days following written notice from Port; or

(e) abandonment or vacation of the Premises by Tenant; or

(f) failure to use the Premises solely for the Permitted Use, failure to comply with the provisions of **Section 18** (Hazardous Materials) or failure to comply with the provisions of the Operations Plan, in each case in a manner that presents a health, safety, welfare or environmental risk or hazard, as determined by Port in its sole and absolute discretion and such failure continues for a period of twenty-four (24) hours following written notice from Port; in all other circumstances, such failure shall be cured within ten (10) days following written notice from Port; or

(g) failure by Tenant to execute and deliver to Port an estoppel certificate within the time period and in the manner required by **Section 38 below**, and Tenant's failure to cure the foregoing default within five (5) business days following written notice from Port; or

(h) a Transfer or Sublease, or attempted Transfer or Sublease, of this Lease or the Premises by Tenant contrary to the provisions of **Section 23 above**; or

(i) failure by Tenant or Tenant's broker as applicable to provide evidence of insurance coverage complying with the provisions of **Section 19 above**, failure to maintain any insurance required to be maintained by Tenant pursuant to this Lease, or if any such insurance shall be canceled or terminated or shall expire or be reduced or materially changed, except as permitted in this Lease, and Tenant's or Tenant's broker's failure to deliver evidence of such coverage or failure to reinstate such coverage, all within five (5) business days following written notice from Port; or

(j) failure by Tenant to discharge any lien or encumbrance placed on the Premises or any part thereof in violation of this Lease within ten (10) days after the date such lien or encumbrance is filed or recorded against the Premises or any part thereof, or if Tenant has no knowledge of such lien, then Tenant shall discharge such lien or encumbrance within fifteen (15) days following Tenant's knowledge of such lien or encumbrance; or

(k) failure by Tenant to observe, keep or perform any of the other terms, covenants, agreements or conditions contained in this Lease and required to be observed or performed by Tenant and not specifically enumerated in this **Section 26**, and such failure continues for a period of fifteen (15) days after written notice by Port, provided that if such default is not capable of cure within such fifteen (15) day period, Tenant shall have a reasonable period to complete such cure if Tenant promptly undertakes action to cure such default within such fifteen (15) day period and thereafter diligently prosecutes the same to Completion within sixty (60) days after the receipt of notice of default from Port. Port shall not be required to provide such notice more than twice in any twelve (12) month period with respect to any material non-monetary defaults and after the second notice in any calendar year, any subsequent failure by Tenant during such twelve (12) month period shall automatically constitute an Event of Default hereunder; or

(l) Tenant shall become bankrupt or insolvent or make a transfer in fraud of creditors, or make an assignment for the benefit of creditors, or bring or have brought against Tenant any action or proceedings of any kind under any provision of the U.S. Bankruptcy Code or under any other insolvency, bankruptcy or reorganization act and, in the event such proceedings are involuntary, Tenant is not discharged from the same within sixty (60) days thereafter; or

(m) a receiver is appointed for a substantial part of the assets of Tenant and such receiver is not discharged within sixty (60) days; or

(n) this Lease or any estate of Tenant under this Lease shall be levied upon by any attachment or execution and such attachment is not stayed or lifted within sixty (60) days; or

(o) An uncured default by Tenant under the terms of the License; or

(p) without limiting the provisions of *Subsection 26(f)* or lengthening the cure period under that subsection, failure by Tenant to comply with Laws and Tenant's failure to cure the foregoing default within forty-eight (48) hours following written notice from Port.

## **27. PORT'S REMEDIES.**

**27.1. *Port's Remedies Generally.*** Upon the occurrence and during the continuance of an Event of Default (but without obligation on the part of Port following the occurrence of an Event of Default to accept a cure of such Event of Default other than as required by Law or by this Lease), Port has all rights and remedies provided in this Lease or available at Law or in equity (including the right to seek injunctive relief or an order for specific performance, where appropriate). All of Port's rights and remedies are cumulative, and except as may be otherwise provided by applicable Law, the exercise of any one or more rights will not preclude the exercise of any other.

### **27.2. *Right to Keep Lease in Effect.***

(a) Continuation of Lease. Port has the remedy described in California Civil Code Section 1951.4 (lessor may continue lease in effect after lessee's breach and abandonment and recover rent as it becomes due, if lessee has right to sublet or assign, subject only to reasonable limitations) under which Port may continue this Lease in full force and effect. In the event Port elects this remedy, Port has the right to enforce by suit or otherwise, all covenants and conditions hereof to be performed or complied with by Tenant and exercise all of Port's rights, including the right to collect Rent when due. Tenant will be liable immediately to Port for all reasonable costs Port incurs exercising its remedies under this *Section 27*, including reasonable Attorneys' Fees and Costs, brokers' fees or commissions, expenses of remodeling the Premises required by the reletting and similar costs.

(b) No Termination Without Notice. No act by Port allowed by this *Section 27.2*, nor any appointment of a receiver upon Port's initiative to protect its interest under this Lease, nor any withholding of consent to a Transfer or termination of a Transfer in accordance herewith, will terminate this Lease, unless and until Port notifies Tenant in writing that Port elects to terminate this Lease.

**27.3. *Right to Terminate Lease.*** Port may terminate this Lease at any time after the occurrence of (and during the continuation of) an Event of a Default by giving written notice of such termination. Termination of this Lease will occur on the date set forth in such notice. Acts of maintenance or preservation, and any appointment of a receiver upon Port's initiative to protect its interest hereunder will not in any such instance constitute a termination of Tenant's right to possession. No act by Port other than giving notice of termination to Tenant in writing will terminate this Lease. Upon termination of this Lease, Port has the right to recover from Tenant all sums allowed under California Civil Code Section 1951.2, including the following:

(a) The worth at the time of award of the unpaid Rent that had been earned at the time of termination of this Lease; plus

(b) The worth at the time of award of the amount by which the unpaid Rent which would have been earned after the date of termination of this Lease until the time of award exceeds the amount of the loss of Rent that Tenant proves could have been reasonably avoided; plus

(c) The worth at the time of award of the amount by which the unpaid Rent for the balance of the Term after the time of award exceeds the amount of the loss of Rent that Tenant proves could have been reasonably avoided; plus

(d) Any other amount necessary to compensate Port for all detriment proximately caused by the Event of Default, or which in the ordinary course of things would be likely to result therefrom.

“**The worth at the time of award**” as used in *Sections 27.3(a)* and *27.3(b)* will be computed by allowing interest at a rate per annum equal to the Interest Rate. “**The worth at the time of award**” as used in *Section 27.3(c)* will be computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of the award, plus one percent (1%).

**27.4. Interest.** Rent not paid when due will bear interest at the Interest Rate from the date due until paid.

**27.5. Continuation of Subleases and Other Agreements.** Port has the right, at its sole option, to assume any and all Subleases and agreements by Tenant for the maintenance or operation of the Premises. Tenant hereby further covenants that, upon request of Port following an Event of Default and termination of Tenant’s interest in this Lease, Tenant will execute, acknowledge, and deliver to Port such further instruments as may be necessary or desirable to vest or confirm or ratify vesting in Port the then existing Subleases and other agreements then in force, as above specified.

**27.6. Appointment of Receiver.** From and after an Event of Default, Port has the right to have a receiver appointed to collect Rent and conduct Tenant’s business. Neither the filing of a petition for the appointment of a receiver nor the appointment itself will constitute an election by Port to terminate this Lease.

**27.7. Waiver of Redemption.** Tenant hereby waives, for itself and all Persons claiming by and under Tenant, redemption or relief from forfeiture under California Code of Civil Procedure Sections 1174 and 1179, or under any other pertinent present or future Law, in the event Tenant is evicted or Port takes possession of the Premises by reason of any Event of Default.

**27.8. No Accord and Satisfaction.** No payment by Tenant or receipt by Port of an amount less than the Rent due under this Lease shall be deemed to be other than “on account” of the earliest Rent due; nor shall any endorsement or statement on any check or payment, or letter accompanying such check or payment, be deemed an accord and satisfaction. Port may accept any such partial payment or tender without prejudice to its right to recover the balance of any amount due and to pursue any other remedy herein provided at Law or in equity.

**27.9. Port’s Right to Cure Tenant’s Default.** Port, at any time after the occurrence of an Event of Default may, at its sole option, cure the default at Tenant’s cost. If Port undertakes any act to cure or attempt to cure such default that requires the payment of any sums, or otherwise incurs any costs, damages, or liabilities (including without limitation, attorneys’ fees), all such sums, costs, damages or liabilities paid by Port shall be due immediately from Tenant to Port at the time the sum is paid, and if paid by Tenant at a later date shall bear interest at the lesser of the Interest Rate or the maximum non-usurious rate Port is permitted by Law to charge from the date such sum is paid by Port until Port is reimbursed by Tenant.

**27.10. Remedies Not Exclusive.** The remedies set forth in this Section are not exclusive; they are cumulative and in addition to any and all other rights or remedies of Port now or later allowed by other terms and provisions of this Lease, Law or in equity. Tenant's obligations under this Section will survive any termination of this Lease.

## **28. LITIGATION EXPENSES; ATTORNEYS' FEES.**

**28.1. Litigation Expenses.** The Prevailing party in any action or proceeding (including any cross-complaint, counterclaim, or bankruptcy proceeding) against the other party by reason of a claimed default, or otherwise arising out of a party's performance or alleged non-performance under this Lease, shall be entitled to recover from the other party its costs and expenses of suit, including but not limited to reasonable attorneys' fees, which shall be payable whether or not such action is prosecuted to judgment. "**Prevailing party**" within the meaning of this Section shall include, without limitation, a party who substantially obtains or defeats, as the case may be, the relief sought in the action, whether by compromise, settlement, judgment or the abandonment by the other party of its claim or defense.

**28.2. Appeals.** Attorneys' fees under this Section shall include attorneys' fees and all other reasonable costs and expenses incurred in connection with any appeal.

**28.3. City Attorney.** For purposes of this Lease, reasonable fees of attorneys of the City's Office of the City Attorney shall be based on the fees regularly charged by private attorneys with an equivalent number of years of professional experience (calculated by reference to earliest year of admission to the Bar of any State) who practice in San Francisco in law firms with approximately the same number of attorneys as employed by the Office of the City Attorney.

## **29. PORT'S ENTRY ON PREMISES.**

**29.1. Entry for Inspection.** Port and its authorized Agents shall have the right to enter the Premises upon reasonable prior notice at any time during normal business hours of generally recognized business days, provided that Tenant or Tenant's Agents are present on the Premises (except in the event of an emergency), for the purpose of inspecting the Premises to determine whether the Premises is in good condition and whether Tenant is complying with its obligations under this Lease.

**29.2. General Entry.** In addition to its rights pursuant to *Section 29.1*, Port and its authorized Agents shall have the right to enter the Premises at all reasonable times and upon reasonable notice for any of the following purposes:

- (a) To perform any necessary maintenance, repairs or restoration to the Premises, or to perform any services that Port has the right or obligation to perform;
- (b) To serve, post, or keep posted any notices required or allowed under the provisions of this Lease;
- (c) To post "**For Sale**" signs at any time during the Term; to post "**For Lease**" signs during the last six (6) months of the Term or during any period in which there is an Event of Default;
- (d) On an occasional basis, at all reasonable times after giving Tenant reasonable advance written or oral notice, to show the Premises to prospective tenants or other interested parties;
- (e) If any excavation or other construction is undertaken or is about to be undertaken on any property or street adjacent to the Premises, to shore the foundations, footings or walls of the Premises and to erect scaffolding and protective barricades around and about the Premises as reasonably necessary in connection with such activities (but not so as to prevent or unreasonably restrict entry to the Premises), and to do any other act or thing necessary for the safety or preservation of the Premises during such excavation or other construction; or

(f) To obtain environmental samples and perform equipment and facility testing.

**29.3. *Emergency Entry.*** Port may enter the Premises at any time, without notice, in the event of an emergency. Port shall have the right to use any and all means which Port may deem proper in such an emergency in order to obtain entry to the Premises. Entry to the Premises by these means, or otherwise, shall not under any circumstances be construed or deemed to be a forcible or unlawful entry into, or a detainer of, the Premises, or an eviction of Tenant from the Premises or any portion of the Premises.

**29.4. *No Liability.*** Port shall not be liable in any manner, and Tenant hereby waives any Claim for damages, for any inconvenience, disturbance, loss of business, nuisance, or other damage, including without limitation any abatement or reduction in Rent, arising out of Port's entry onto the Premises as provided in this Section or performance of any necessary or required work on the Premises, or on account of bringing necessary materials, supplies and equipment into or through the Premises during the course thereof, except damage resulting solely from the willful misconduct or gross negligence of Port or its authorized representatives.

**29.5. *Nondisturbance.*** Port shall comply with Tenant's reasonable security measures and shall use commercially reasonable efforts to conduct its activities on the Premises as allowed in this Section in a manner which, to the extent reasonably practicable, will minimize annoyance or disturbance to Tenant.

### **30. SURRENDER AND QUITCLAIM.**

**30.1. *Surrender.*** Upon expiration or earlier termination of this Lease, Tenant shall surrender to Port the Premises in good order, condition, and repair (except for ordinary wear and tear occurring after the last necessary maintenance made by Tenant and except for destruction or condemnation as described in *Sections 20 and 21* hereof). Ordinary wear and tear shall not include any damage or deterioration that would have been prevented by proper maintenance by Tenant, or Tenant otherwise performing all of its obligations under this Lease. On or before the expiration or earlier termination of this Lease, Tenant at its sole cost shall remove from the Premises, and repair any damage caused by removal of, Tenant's Property, including any signage, and all Alterations and Improvements required to be removed as provided in *Section 14.8*. The Premises shall be surrendered clean, free of debris, waste, and Hazardous Materials that Tenant is required to remove under this Lease, and free and clear of all liens and encumbrances other than liens and encumbrances existing as of the date of this Lease and any other encumbrances created by Port. Except for those Alterations and Improvements required to be removed as provided in *Section 14.8*, Alterations and Improvements shall remain in the Premises as Port property.

If the Premises is not surrendered at the end of the Term or sooner termination of this Lease and in accordance with the provisions of this *Section 30* and *Section 14.8*, Tenant shall continue to be responsible for the payment of Rent (as the same may be increased pursuant to *Section 31.2 or 31.3 below* as applicable) until the Premises is surrendered in accordance with these Sections, and Tenant shall Indemnify Port from and against any and all loss or liability resulting from delay by Tenant in so surrendering the Premises including, without limitation, any costs of Port to obtain possession of the Premises; any loss or liability resulting from any Claim against Port made by any succeeding tenant or prospective tenant founded on or resulting from such delay and losses to Port due to lost opportunities to lease any portion of the Premises to any such succeeding tenant or prospective tenant, together with, in each instance, reasonable attorneys' fees and costs.

No act or conduct of Port, including, but not limited to, the acceptance of the keys to the Premises, shall constitute an acceptance of the surrender of the Premises by Tenant before the expiration of the Term. Only a written notice from Port to Tenant confirming termination of this Lease and surrender of the Premises by Tenant shall constitute acceptance of the surrender of the Premises and accomplish a termination of this Lease.

**30.2. *Abandoned Property.*** Any items, including Tenant's Property, not removed by Tenant as required herein shall be deemed abandoned. Port may retain, store, remove, and sell or otherwise dispose of abandoned Tenant's Property, and Tenant, on its own behalf and for any Subtenant, waives all Claims against Port for any damages resulting from Port's retention, removal and disposition of such property; provided, however, that Tenant shall be liable to Port for all costs incurred in storing, removing and disposing of abandoned Tenant's Property and repairing any damage to the Premises resulting from such removal. Tenant agrees that Port may elect to sell abandoned Tenant's Property and offset against the sales proceeds Port's storage, removal, and disposition costs without notice to Tenant or otherwise according to the procedures set forth in California Civil Code Section 1993 et seq., the benefits of which Tenant waives.

**30.3. *Quitclaim.*** Upon the expiration or earlier termination of this Lease, the Premises shall automatically, and without further act or conveyance on the part of Tenant or Port, become the property of Port, free and clear of all liens and without payment therefore by Port and shall be surrendered to Port upon such date. Upon or at any time after the expiration or earlier termination of this Lease, if requested by Port, Tenant shall promptly deliver to Port, without charge, a quitclaim deed to the Premises and any other instrument reasonably requested by Port to evidence or otherwise effect the termination of Tenant's leasehold interest hereunder and to effect such transfer or vesting of title to the Premises or any portion that Port agrees are to remain part of the Premises.

**30.4. *Survival.*** Tenant's obligation under this *Section 30* shall survive the expiration or earlier termination of this Lease.

### **31. HOLDING OVER.**

**31.1. *Terms of Holdover Tenancy.*** Any holding over after the expiration of the Term shall not constitute a renewal of this Lease, but shall be deemed a month-to-month tenancy upon the terms, conditions, and covenants of this Lease, except as provided in this Section. Either party may cancel the month-to-month tenancy upon thirty (30) days written notice to the other party. Tenant shall Indemnify Port from and against any and all loss or liability resulting from Tenant's delay in surrendering the Premises including, without limitation, any loss or liability resulting from any claim against Port made by any succeeding tenant or prospective tenant founded on or resulting from such delay and losses to Port due to lost opportunities to lease any portion of the Premises to any such succeeding tenant or prospective tenant, together with, in each case, actual attorneys' fees and costs.

**31.2. *With Consent.*** If Tenant holds over with the prior written consent of Port, monthly Base Rent shall be equal to one hundred fifty percent (150%) of the monthly Base Rent payable in the month immediately preceding the expiration of this Lease; provided that if both Tenant and Port desire to enter into a new lease or extend the existing term of this Lease but have not yet executed such new lease or extension solely due to Port's delay to produce such document, then the monthly Base Rent during such holdover period shall be equal to the greater of: (a) the Base Rent payable in the month immediately preceding the expiration of this Lease, or (b) the then current rate for the Premises approved by the Port Commission, together with any monthly charge of Additional Rent payable under this Lease.

**31.3. *Without Consent.*** If Tenant holds over without the prior written consent of Port, monthly Base Rent shall equal two hundred percent (200%) of the monthly Base Rent payable in the month immediately preceding the expiration of this Lease.

### **32. REPRESENTATIONS AND WARRANTIES.**

Tenant represents, warrants and covenants to Port as follows, as of the Effective Date and as of the Commencement Date:

(a) Valid Existence; Good Standing. Tenant is a non-profit public benefit corporation duly incorporated and validly existing under the laws of the State of California.

Tenant has the requisite power and authority to own its property and conduct its business as presently conducted. Tenant is in good standing in the State of California.

(b) Authority. Tenant has the requisite power and authority to execute and deliver this Lease and the agreements contemplated hereby and to carry out and perform all of the terms and covenants of this Lease and the agreements contemplated to be performed by Tenant.

(c) No Limitation on Ability to Perform. Neither Tenant's articles of organization or operating agreement, nor any applicable Law, prohibit Tenant's entry into this Lease or its performance under this Lease. No consent, authorization, or approval of, and no notice to or filing with, any governmental authority, Regulatory Agency or other Person is required for the due execution and delivery of this Lease by Tenant and Tenant's performance hereunder, except for consents, authorizations, and approvals that have already been obtained, notices that have already been given, and filings that have already been made. There are no undischarged judgments pending against Tenant, and Tenant has not received notice of the filing of any pending suit or proceedings against Tenant before any court, Regulatory Agency, or arbitrator, that might materially adversely affect the enforceability of this Lease or the business, operations, assets, or condition of Tenant.

(d) Valid Execution. The execution and delivery of this Lease and the performance by Tenant under this Lease have been duly and validly authorized. When executed and delivered by Port and Tenant, this Lease will be a legal, valid, and binding obligation of Tenant.

(e) Defaults. The execution, delivery, and performance of this Lease (i) do not and will not violate or result in a violation of, contravene, or conflict with, or constitute a default by Tenant under (1) any agreement, document, or instrument to which Tenant is a party or by which Tenant is bound, (2) any Law applicable to Tenant or its business, or (3) the articles of organization or the operating agreement of Tenant, and (ii) do not result in the creation or imposition of any lien or other encumbrance upon the assets of Tenant, except as contemplated hereby.

(f) Financial Matters. Tenant is not in default under, and has not received notice asserting that it is in default under, any agreement for borrowed money. Tenant has not filed a petition for relief under any chapter of the U.S. Bankruptcy Code. There has been no event that has materially adversely affected Tenant's ability to meet its Lease obligations. To the best of Tenant's knowledge, no involuntary petition naming Tenant as debtor has been filed under any chapter of the U.S. Bankruptcy Code.

Tenant's representations and warranties in this Lease will survive any termination of this Lease.

### **33. MINERAL RESERVATION.**

The State of California ("**State**"), pursuant to Section 2 of Chapter 1333 of the Statutes of 1968, as amended, has reserved all subsurface mineral deposits, including oil and gas deposits, on or underlying the Premises and Tenant acknowledges such reserved rights including necessary ingress and egress rights. In no event shall Port be liable to Tenant for any Claims arising from the State's exercise of its rights nor shall such action entitle Tenant to any abatement or diminution of Rent or otherwise relieve Tenant from any of its obligations under this Lease.

### **34. CITY AND PORT REQUIREMENTS.**

The San Francisco Municipal Codes (available at [www.sfgov.org](http://www.sfgov.org)) and City and Port policies described or referenced in this Lease are incorporated by reference as though fully set forth in this Lease. The descriptions below are not comprehensive but are provided for notice purposes only; Tenant is charged with full knowledge of each such ordinance and policy and any

related implementing regulations as they may be amended from time to time. Tenant understands and agrees that its failure to comply with any provision of this Lease relating to any such code provision shall be deemed a material breach of this Lease and may give rise to penalties under the applicable ordinance. Capitalized or highlighted terms used in this Section and not defined in this Lease shall have the meanings ascribed to them in the cited ordinance.

**34.1. *Nondiscrimination.***

(a) **Covenant Not to Discriminate.** In the performance of this Lease, Tenant covenants and agrees not to discriminate on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), weight, height, association with members of classes protected under Chapter 12B or 12C of the San Francisco Administrative Code or in retaliation for opposition to any practices forbidden under Chapter 12B or 12C of the Administrative Code against any employee of Tenant, any City and County employee working with Tenant, any applicant for employment with Tenant, or any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Tenant in the City and County of San Francisco.

(b) **Subleases and Other Contracts.** Tenant shall include in all subleases and other contracts relating to the Premises a non-discrimination clause applicable to such subtenant or other contractor in substantially the form of *Section 34.1(a)*. In addition, Tenant shall incorporate by reference in all subleases and other contracts the provisions of Sections 12B.2 (a), 12B.2 (c)-(k) and 12C.3 of the Administrative Code and shall require all subtenants and other contractors to comply with such provisions.

(c) **Nondiscrimination in Benefits.** Tenant does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco or where the work is being performed for the City, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits (collectively "**Core Benefits**") as well as any benefits other than the Core Benefits between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local Law authorizing such registration, subject to the conditions set forth in Section 12B.2 of the Administrative Code.

(d) **CMD Form.** On or prior to the Lease Effective Date, Tenant shall execute and deliver to Port the "Nondiscrimination in Contracts and Benefits" form approved by the CMD.

(e) **Penalties.** Tenant understands that pursuant to Section 12B.2(h) of the Administrative Code, a penalty of \$50.00 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

**34.2. *Requiring Health Benefits for Covered Employees.*** Unless exempt, Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in Administrative Code Chapter 12Q (Chapter 12Q).

(a) For each Covered Employee Tenant shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO.

(b) Notwithstanding the above, if Tenant meets the requirements of a "small business" by the City pursuant to Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with this Section.

(c) If, within 30 days after receiving written notice of a breach of this Lease for violating the HCAO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such 30-day period, Tenant fails to commence efforts to cure within such period, or thereafter fails to diligently pursue such cure to Completion, Port shall have the remedies set forth in Section 12Q.5(f). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to Port.

(d) Any Sublease or Contract regarding services to be performed on the Premises entered into by Tenant shall require the Subtenant or Contractor and Subcontractors, as applicable, to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in Chapter 12Q of the Administrative Code. Tenant shall notify the Office of Labor Standards Enforcement (“OLSE”) when it enters into such a Sublease or Contract and shall certify to OLSE that it has notified the Subtenant or Contractor of the obligations under the HCAO and has imposed the requirements of the HCAO on the Subtenant or Contractor through written agreement with such Subtenant or Contractor. Tenant shall be responsible for ensuring compliance with the HCAO for each Subtenant, Contractor and Subcontractor performing services on the Premises. If any Subtenant, Contractor or Subcontractor fails to comply, the City may pursue the remedies set forth in Section 12Q.5 of the Administrative Code against Tenant based on the Subtenant’s, Contractor’s, or Subcontractor’s failure to comply, provided that OLSE has first provided Tenant with notice and an opportunity to cure the violation.

(e) Tenant shall not discharge, reprimand, penalize, reduce the compensation of, or otherwise discriminate against, any employee for notifying the City of any issue relating to the HCAO, for opposing any practice proscribed by the HCAO, for participating in any proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(f) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the requirements of the HCAO.

(g) Tenant shall keep itself informed of the requirements of the HCAO, as they may change from time to time.

(h) Upon request, Tenant shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subtenants, Contractors, and Subcontractors.

(i) Within ten (10) business days of any request, Tenant shall provide the City with access to pertinent records relating to any Tenant’s compliance with the HCAO. In addition, the City and its agents may conduct random audits of Tenant at any time during the Term. Tenant agrees to cooperate with City in connection with any such audit.

(j) If a Contractor or Subcontractor is exempt from the HCAO because the amount payable to such Contractor or Subcontractor under all of its contracts with the City or relating to City-owned property is less than \$25,000.00 (or \$50,000.00 for nonprofits) in that fiscal year, but such Contractor or Subcontractor later enters into one or more agreements with the City or relating to City-owned property that cause the payments to such Contractor or Subcontractor to equal or exceed \$75,000.00 in that fiscal year, then all of the Contractor’s or Subcontractor’s contracts with the City and relating to City-owned property shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements to equal or exceed \$75,000.00 in the fiscal year.

**34.3. First Source Hiring.** The City has adopted a First Source Hiring Program (San Francisco Administrative Code Sections 83.1 et seq.) which establishes specific requirements, procedures and monitoring for first source hiring of qualified economically disadvantaged individuals for entry-level positions as those terms are defined by the ordinance. Tenant acknowledges receiving and reviewing the First Source Hiring Program materials and

requirements and agrees to comply with all requirements of the ordinance as implemented by Port and/or City, including without limitation, notification of vacancies throughout the Term and entering into a First Source Hiring Agreement, if applicable. Tenant acknowledges and agrees that it may be subject to monetary penalties for failure to comply with the ordinance or a First Source Hiring Agreement and that such non-compliance shall be a default of this Lease.

**34.4. *Local Business Enterprises.*** The Port Commission encourages the participation of local business enterprises (“LBEs”) in Tenant’s operations. Tenant agrees to consult with CMD to determine appropriate methods for promoting participation by LBEs. Architecture, Engineering, Laboratory Services (Materials Testing), Trucking and Hauling, and Security Guard Services are categories of services that may provide opportunities for certified LBE participation. City maintains a list of certified LBEs at: <https://sfgov.org/cmd/LBE-certification-0>.

**34.5. *Indoor Air Quality.*** Tenant agrees to comply with Section 711(g) of the Environment Code and any additional regulations adopted by the Director of the Department of the Environment pursuant to Environment Code Section 703(b) relating to construction and maintenance protocols to address indoor air quality.

**34.6. *Prohibition Against Tobacco Advertising; Prohibition Against Tobacco Product Sales, Manufacture, and Distribution.*** Tenant acknowledges and agrees that no advertising of cigarettes or tobacco products is allowed on the Premises. This advertising prohibition includes the placement of the name of a company producing cigarettes or tobacco products or the name of any cigarette or tobacco product in any promotion of any event or product. In addition, Tenant acknowledges and agrees that no Sales, Manufacture, or Distribution of Tobacco Products (as such capitalized terms are defined in Health Code Section 19K.1) is allowed on the Premises and such prohibition must be included in all subleases or other agreements allowing use of the Premises. The prohibition against Sales, Manufacture, or Distribution of Tobacco Products does not apply to persons who are affiliated with an accredited academic institution where the Sale, Manufacture, and/or Distribution of Tobacco Products is conducted as part of academic research.

**34.7. *Prohibition of Alcoholic Beverages Advertising.*** Tenant acknowledges and agrees that no advertising of alcoholic beverages is allowed on the Premises. For purposes of this section, “**alcoholic beverage**” shall be defined as set forth in California Business and Professions Code Section 23004, and shall not include cleaning solutions, medical supplies and other products and substances not intended for drinking. This advertising prohibition includes the placement of the name of a company producing, selling or distributing alcoholic beverages or the name of any alcoholic beverage in any promotion of any event or product. This advertising prohibition does not apply to any advertisement sponsored by a state, local, nonprofit or other entity designed to (i) communicate the health hazards of alcoholic beverages, (ii) encourage people not to drink alcohol or to stop drinking alcohol, or (iii) provide or publicize drug or alcohol treatment or rehabilitation services.

**34.8. *Graffiti Removal.*** Tenant agrees to remove all graffiti from the Premises, including from the exterior of the Premises if included within the Premises, within forty-eight (48) hours of the earlier of Tenant’s: (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This section is not intended to require a tenant to breach any lease or other agreement that it may have concerning its use of the real property. “**Graffiti**” means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner’s authorized agent, and that is visible from the public right-of-way, but does not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of this Lease or the Port Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California

Art Preservation Act (Calif. Civil Code §§ 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 et seq.).

**34.9. *Restrictions on the Use of Pesticides.*** Chapter 3 of the San Francisco Environment Code (the Integrated Pest Management Program Ordinance or “**IPM Ordinance**”) describes an integrated pest management (“**IPM**”) policy to be implemented by all City departments. Tenant shall not use or apply or allow the use or application of any pesticides on the Premises, and shall not contract with any party to provide pest abatement or control services to the Premises, without first receiving City’s written approval of an integrated pest management plan that (i) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the term of this Lease, (ii) describes the steps Tenant will take to meet the City’s IPM Policy described in Section 300 of the IPM Ordinance and (iii) identifies, by name, title, address and telephone number, an individual to act as the Tenant’s primary IPM contact person with the City. Tenant shall comply, and shall require all of Tenant’s contractors to comply, with the IPM plan approved by the City and shall comply with the requirements of Sections 300(d), 302, 304, 305(f), 305(g), and 306 of the IPM Ordinance, as if Tenant were a City department. Among other matters, such provisions of the IPM Ordinance: (a) provide for the use of pesticides only as a last resort, (b) prohibit the use or application of pesticides on property owned by the City, except for pesticides granted an exemption under Section 303 of the IPM Ordinance (including pesticides included on the most current Reduced Risk Pesticide List compiled by City’s Department of the Environment), (c) impose certain notice requirements, and (d) require Tenant to keep certain records and to report to City all pesticide use by Tenant’s staff or contractors. If Tenant or Tenant’s contractor will apply pesticides to outdoor areas, Tenant must first obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation and any such pesticide application shall be made only by or under the supervision of a person holding a valid Qualified Applicator certificate or Qualified Applicator license under state law. City’s current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the San Francisco Department of the Environment website, <http://sfenvironment.org/ipm>.

**34.10. *MacBride Principles Northern Ireland.*** Port and the City urge companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. Port and the City urge San Francisco companies to do business with corporations that abide by the MacBride Principles.

**34.11. *Tropical Hardwood and Virgin Redwood Ban.*** Port and the City urge Tenant not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood product. Except as expressly permitted by the application of Sections 802(b) and 803(b) of the Environment Code, Tenant shall not provide any items to the construction of Alterations, or otherwise in the performance of this Lease which are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. In the event Tenant fails to comply in good faith with any of the provisions of Chapter 8 of the Environment Code, Tenant shall be liable for liquidated damages for each violation in any amount equal to the contractor’s net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

**34.12. *Preservative-Treated Wood Containing Arsenic.*** Tenant may not purchase preservative-treated wood products containing arsenic in the performance of this Lease unless an exemption from the requirements of Environment Code Chapter 13 is obtained from the Department of Environment under Section 1304 of the Environment Code. The term “preservative-treated wood containing arsenic” shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniac copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Tenant may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the

Department of Environment. This provision does not preclude Tenant from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term “saltwater immersion” shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

**34.13. Notification of Limitations on Contributions.** If this Lease is subject to the approval by City’s Board of Supervisors, Mayor, or other elected official, the provisions of this Section shall apply. Through its execution of this Lease, Tenant acknowledges its obligations under Section 1.126 of the San Francisco Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the selling or leasing of any land or building to or from the City whenever such transaction would require approval by a City elective officer or the board on which that City elective officer serves, from making any campaign contribution to (a) the City elective officer, (b) a candidate for the office held by such individual, or (c) a committee controlled by such individual or candidate, at any time from the submission of a proposal for the contract until the later of either the termination of negotiations for such contract or twelve (12) months after the date the contract is approved. Tenant acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of one hundred thousand dollars (\$100,000) or more. Tenant further acknowledges that, if applicable, (i) the prohibition on contributions applies to each Tenant; each member of Tenant’s board of directors, and Tenant’s principal officers, including its chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than ten (10%) percent in Tenant; and any subcontractor listed in the Tenant’s bid or contract; and (ii) within thirty (30) days of the submission of a proposal for the contract, the Port is obligated to submit to the Ethics Commission the parties to the Lease and any subtenant(s). Additionally, Tenant certifies that if this **Section 34.13** applies, Tenant has informed each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126 by the time it submitted a proposal for the contract and has provided to City the names of the persons required to be informed.

**34.14. Sunshine Ordinance.** In accordance with Section 67.24(e) of the Administrative Code, contracts, contractors’ bids, leases, agreements, responses to Requests for Proposals, and all other records of communications between Port and persons or firms seeking contracts will be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person’s or organization’s net worth or other proprietary financial data submitted for qualification for a contract, lease, agreement or other benefit until and unless that person or organization is awarded the contract, lease, agreement or benefit. Information provided which is covered by this Section will be made available to the public upon request.

**34.15. Conflicts of Interest.** Through its execution of this Lease, Tenant acknowledges that it is familiar with the provisions of Article III, Chapter 2 of Campaign and Governmental Conduct Code, and Sections 87100 et seq. and Sections 1090 et seq. of the California Government Code, and certifies that it does not know of any facts which would constitute a violation of these provisions, and agrees that if Tenant becomes aware of any such fact during the Term, Tenant shall immediately notify the Port.

**34.16. Drug-Free Workplace.** Tenant acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1988 (41 U.S.C. §§ 8101 et seq.), the unlawful manufacture, distribution, possession or use of a controlled substance is prohibited on City or Port premises.

**34.17. Prevailing Wages and Working Conditions.** Tenant shall comply with all applicable prevailing wage requirements, including but not limited to any such requirements in the California Labor Code, the City and County of San Francisco Charter or the City and County of San Francisco Municipal Code. Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.61.

Tenant shall require its contractors and subcontractors performing (i) labor in connection with a “public work” as defined under California Labor Code Section 1720 et seq. (which includes certain construction, alteration, maintenance, demolition, installation, repair, carpet laying, or refuse hauling work if paid for in whole or part out of public funds) or (ii) Covered Construction to: (A) pay workers performing such work not less than the highest prevailing rate of wages, (B) provide the same hours, working conditions and benefits as in each case are provided for similar work performed in San Francisco County, and (C) employ apprentices in accordance with San Francisco Administrative Code Section 23.61 (collectively, “**Prevailing Wage Requirements**”). Tenant agrees to cooperate with the City in any action or proceeding against a contractor or subcontractor that fails to comply with the Prevailing Wage Requirements.

Tenant shall include and shall require its subtenants, and contractors and subcontractors (regardless of tier), to include the Prevailing Wage Requirements and the agreement to cooperate in City enforcement actions in any Construction Contract with specific reference to San Francisco Administrative Code Section 23.61. Each such Construction Contract shall name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any contractor or subcontractor in accordance with San Francisco Administrative Code Section 23.61. Tenant’s failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor’s or subcontractor’s failure to comply with this Section will enable the City to seek any remedy provided by Law, including those specified in San Francisco Administrative Code Section 23.61 against the breaching party.

Tenant shall also pay, and shall require its subtenants, and contractors and subcontractors (regardless of tier) to pay, the Prevailing Rate of Wage for the following activities on the Premises as set forth in and to the extent required by San Francisco Administrative Code Chapter 21C: a Public Off-Street Parking Lot, Garage or Automobile Storage Facility (as defined in Section 21C.3), a Show (as defined in Section 21C.4), a Special Event (as defined in Section 21C.8), Broadcast Services (as defined in Section 21C.9), Commercial Vehicles, Loading and Unloading for Shows and Special Events (as defined in Section 21C.10), and Security Guard Services for Events (as defined in Section 21C.11).

**34.18. Local Hire.** Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.62 (the “**Local Hiring Requirements**”). Tenant Improvements and Alterations under this Lease are subject to the Local Hiring Requirements unless the cost for such work is (i) estimated to be less than \$750,000 per building permit; (ii) is in connection with the set-up, execution and strike of special events of three (3) or fewer days costing in excess of the Threshold Amount; or (iii) meets any of the other exemptions in the Local Hiring Requirements. For Covered Projects estimated to cost more than \$1,000,000, the Prime Contractor shall prepare and submit to Port and OEWD for approval a local hiring plan (“**Local Hiring Plan**”). The Local Hiring Plan is attached hereto as **Exhibit K**. The Local Hiring Plan shall be a written plan for implementation of the Local Hiring Requirements, including an approximate time frame for hiring decisions of Subcontractors, a description of the hiring processes to be utilized by Subcontractors, an estimate of numbers of Targeted Workers needed from various referral sources, qualifications needed for such Targeted Workers, and a recruitment plan detailing an outreach strategy for candidates representative of local demographics. Tenant agrees that it will comply with the Local Hiring Requirements to the extent applicable. Before starting any Tenant Improvements or Alterations, Tenant shall contact OEWD to determine whether the work is a Covered Project subject to the Local Hiring Requirements.

Tenant shall include, and shall require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each such contract shall name the City and County of San Francisco as a third party beneficiary for the limited purpose of enforcing the

Local Hiring Requirements, including the right to file charges and seek penalties. Tenant shall cooperate, and require its subtenants to cooperate, with the City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Tenant's failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor's or subcontractor's failure to comply with this Section will enable the City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

**34.19. *Public Transit Information.*** Tenant shall establish and carry on during the Term a program to encourage maximum use of public transportation by personnel of Tenant employed on the Premises, including, without limitation, the distribution to such employees of written materials explaining the convenience and availability of public transportation facilities adjacent or proximate to the Premises and encouraging use of such facilities, all at Tenant's sole expense.

**34.20. *Food Service and Packaging Waste Reduction Ordinance.*** Tenant agrees to comply fully with and be bound by all of the provisions of the Food Service and Packaging Waste Reduction Ordinance, as set forth in Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. By entering into this Lease, Tenant agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Tenant agrees that the sum of one hundred dollars (\$100.00) liquidated damages for the first breach, two hundred dollars (\$200.00) liquidated damages for the second breach in the same year, and five hundred dollars (\$500.00) liquidated damages for subsequent breaches in the same year is a reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Lease was made. Such amounts shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Tenant's failure to comply with this provision.

**34.21. *San Francisco Bottled Water Ordinance.*** Tenant is subject to all applicable provisions of Environment Code Chapter 24 (which are hereby incorporated) prohibiting the sale or distribution of drinking water specified containers at City-permitted events held on the Premises with attendance of more than 100 people, except as otherwise set forth in Environmental Code Chapter 24.

**34.22. *Consideration Of Criminal History In Hiring And Employment Decisions.***

(a) Tenant agrees to comply with and be bound by all of the provisions of San Francisco Administrative Code Chapter 12T (Criminal History in Hiring and Employment Decisions; "**Chapter 12T**"), which are hereby incorporated, including the remedies and implementing regulations as may be amended from time to time, with respect to applicants and employees of Tenant who would be or are performing work at the Premises.

(b) Tenant shall incorporate by reference the provisions of Chapter 12T in all subleases of some or all of the Premises, and shall require all subtenants to comply with such provisions. Tenant's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Tenant and subtenants shall not inquire about, require disclosure of, or if such information is received base an Adverse Action on an applicant's or potential applicant for employment, or employee's: (1) Arrest not leading to a Conviction, unless the Arrest is undergoing an active pending criminal investigation or trial that has not yet been resolved; (2) participation in or completion of a diversion or a deferral of judgment program; (3) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (4) a Conviction or any other adjudication in the juvenile justice system; (5) a Conviction that is more than seven years old, from the date of sentencing; or (6) information pertaining to an offense other than a felony or misdemeanor, such as an infraction.

(d) Tenant and subtenants shall not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or

details of any conviction history, unresolved arrest, or any matter identified in subsection (c) above. Tenant and subtenants shall not require such disclosure or make such inquiry until either after the first live interview with the person, or after a conditional offer of employment.

(e) Tenant and subtenants shall state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment with Tenant or subtenant at the Premises, that the Tenant or subtenant will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Chapter 12T.

(f) Tenant and subtenants shall post the notice prepared by OLSE, available on OLSE's website, in a conspicuous place at the Premises and at other workplaces within San Francisco where interviews for job opportunities at the Premises occur. The notice shall be posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the Premises or other workplace at which it is posted.

(g) Tenant and subtenants understand and agree that upon any failure to comply with the requirements of Chapter 12T, the City shall have the right to pursue any rights or remedies available under Chapter 12T or this Lease, including but not limited to a penalty of \$50 for a second violation and \$100 for a subsequent violation for each employee, applicant or other person as to whom a violation occurred or continued, termination or suspension in whole or in part of this Lease.

(h) If Tenant has any questions about the applicability of Chapter 12T, it may contact Port for additional information. Port may consult with the Director of the City's Office of Contract Administration who may also grant a waiver, as set forth in Section 12T.8.

**34.23. Working with Minors.** In accordance with California Public Resources Code Section 5164, if Tenant, or any Subtenant, is providing services at a City park, playground, recreational center or beach, Tenant shall not hire, and shall prevent its Subtenants from hiring, any person for employment or a volunteer position in a position having supervisory or disciplinary authority over a minor if that person has been convicted of any offense listed in Public Resources Code Section 5164. In addition, if Tenant, or any Subtenant, is providing services to the City involving the supervision or discipline of minors or where Tenant, or any Subtenant, will be working with minors in an unaccompanied setting on more than an incidental or occasional basis, Tenant and any Subtenant shall comply with any and all applicable requirements under federal or state law mandating criminal history screening for such positions and/or prohibiting employment of certain persons including but not limited to California Penal Code Section 290.95. In the event of a conflict between this Section and **Section 34.22** (Consideration of Criminal History in Hiring and Employment Decisions) of this Lease, this Section shall control.

**34.24. Southern Waterfront Community Benefits and Beautification Policy.** The Port's "Policy for Southern Waterfront Community Benefits and Beautification" identifies beautification and related projects in the Southern Waterfront (from Mariposa Street in the north to India Basin) that require funding. Under this policy, Tenant shall provide community benefits and beautification measures in consideration for the use of the Premises. Examples of desired benefits include: (i) beautification, greening and maintenance of any outer edges of and entrances to the Premises; (ii) creation and implementation of a Community Outreach and Good Neighbor Policy to guide Tenant's interaction with Port, neighbors, visitors and users; (iii) use or support of job training and placement organizations serving southeast San Francisco; (iv) commitment to engage in operational practices that are sensitive to the environment and the neighboring community by reducing engine emissions consistent with the City's Clean Air Program, and use of machines at the Premises that are low-emission diesel equipment and utilize biodiesel or other reduced particulate emission fuels; (v) commitment to use low impact design and other "green" strategies when installing or replacing stormwater infrastructure; (vi) employment at the Premises of a large percentage of managers and other staff who live in the local neighborhood or

community; (vii) use of truckers that are certified by the CMD as “**Local Business Enterprises**” under the City’s Local Business Enterprise and Non-Discrimination Ordinance (SF Administrative Code Chapter 14B, as amended); and (viii) use of businesses that are located within the Potrero Hill and Bayview Hunters Point neighborhoods. Tenant agrees to provide Port with documents and records regarding these activities upon Port’s request.

**34.25. Vending Machines; Nutritional Standards and Calorie Labeling Requirements; Offerings.** Tenant shall not install or permit any vending machine on the Premises without the prior written consent of Port. Any permitted vending machine must comply with the food and beverage nutritional standards and calorie labeling requirements set forth in San Francisco Administrative Code section 4.9- 1(c), as may be amended from time to time (the “**Nutritional Standards Requirements**”). Tenant agrees to incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section shall be deemed a material breach of this Lease. Without limiting Port’s other rights and remedies under this Lease, Port shall have the right to require the immediate removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements. In addition, any Restaurant including any employee eating establishment located on the Premises is encouraged to ensure that at least twenty-five percent (25%) of Meals (as capitalized terms are defined in San Francisco Administrative Code section 4.9-1) offered on the menu meet the nutritional standards set forth in San Francisco Administrative Code section 4.9-1(e), as may be amended.

**34.26. Tenant’s Compliance with City Business and Tax Regulations Code.** Tenant acknowledges that under Section 6.10-2 of the San Francisco Business and Tax Regulations Code, the City Treasurer and Tax Collector may require the withholding of payments to any vendor that is delinquent in the payment of any amounts that the vendor is required to pay the City under the San Francisco Business and Tax Regulations Code. If, under that authority, any payment Port is required to make to Tenant under this Lease is withheld, then Port will not be in breach or default under this Lease, and the Treasurer and Tax Collector will authorize release of any payments withheld under this **Section 34.26** to Tenant, without interest, late fees, penalties, or other charges, upon Tenant coming back into compliance with its San Francisco Business and Tax Regulations Code obligations.

**34.27. Consideration of Salary History.** Tenant shall comply with San Francisco Administrative Code Chapter 12K, the Consideration of Salary History Ordinance or “Pay Parity Act.” For each employment application to Tenant for work that relates to this Lease or for work to be performed in the City or on City property, Tenant is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant. Tenant shall not (1) ask such applicants about their current or past salary or (2) disclose a current or former employee’s salary history without that employee’s authorization unless the salary history is publicly available. Tenant is subject to the enforcement and penalty provisions in Chapter 12K. Information about Chapter 12K is available on the web at <https://sfgov.org/olse/consideration-salary-history>.

**34.28. Employee Signature Authorization Ordinance.** The City has adopted an Employee Signature Authorization Ordinance (S.F. Admin Code Sections 23.50-23.56). That ordinance requires employers of employees in hotel or restaurant projects on public property with fifty (50) or more employees (whether full-time or part-time) to enter into a “**card check**” agreement with a labor union regarding the preference of employees to be represented by a labor union to act as their exclusive bargaining representative. Tenant shall comply with the requirements of such ordinance, if applicable, including, without limitation, any requirements in the ordinance with respect to its Subtenants or operators.

### 35. NOTICES.

Except as otherwise expressly provided in this Lease or by Law, all notices (including notice of consent or non-consent) required or permitted by this Lease or by Law must be in writing and be delivered by: (a) hand delivery; (b) first class United States mail, postage prepaid; or (c) overnight delivery by a nationally recognized courier or the United State Postal Service, delivery charges prepaid. Notices to a party must be delivered to that party's mailing address in the Basic Lease Information, unless superseded by a notice of a change in that party's mailing address for notices, given to the other party in the manner provided above, or by information provided by Tenant in Tenant's written response to Port's written request for such information.

All notices under this Lease shall be deemed to be duly delivered: (a) on the date personal delivery actually occurs; (b) if mailed, on the business day following the business day deposited in the United States mail or, if mailed return receipt requested, on the date of delivery or on which delivery is refused as shown on the return receipt; or (c) the business day after the business day deposited for overnight delivery.

Notices may not be given by facsimile or electronic mail, but either party may deliver a courtesy copy of a notice by facsimile or electronic mail.

### 36. MISCELLANEOUS PROVISIONS.

**36.1. California Law; Venue.** This Lease is governed by, and shall be construed and interpreted in accordance with, the Laws of the State of California and City's Charter. Any legal suit, action, or proceeding arising out of or relating to this Lease shall be instituted in the Superior Court for the City and County of San Francisco, and each party agrees to the exclusive jurisdiction of such court in any such suit, action, or proceeding (excluding bankruptcy matters). The parties irrevocably and unconditionally waive any objection to the laying of venue of any suit, action, or proceeding in such court and irrevocably waive and agree not to plead or claim that any suit, action, or proceeding brought in San Francisco Superior Court relating to this Lease has been brought in an inconvenient forum. The parties also unconditionally and irrevocably waive any right to remove any such suit, action, or proceeding to federal court.

**36.2. Entire Agreement.** This Lease contains all of the representations and the entire agreement between the parties with respect to the subject matter of this Lease. Any prior correspondence, memoranda, agreements, warranties, or representations, whether written or oral, relating to such subject matter are superseded in total by this Lease. No prior drafts of this Lease or changes from those drafts to the executed version of this Lease shall be introduced as evidence in any litigation or other dispute resolution proceeding by any party or other person, and no court or other body should consider those drafts in interpreting this Lease.

**36.3. Amendments.** No amendment of this Lease or any part thereof shall be valid unless it is in writing and signed by all of the parties hereto.

**36.4. Severability.** If any provision of this Lease or the application thereof to any person, entity or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Lease, or the application of such provision to persons, entities or circumstances other than those as to which is invalid or unenforceable, shall not be affected thereby, and each other provision of this Lease shall be valid and be enforceable to the fullest extent permitted by law.

#### 36.5. Interpretation of Lease.

(a) References in this Lease to Tenant's acts or omissions will mean acts or omissions by Tenant and its Agents and Invitees unless the context requires or specifically stated otherwise.

(b) Whenever an exhibit or schedule is referenced, it means an attachment to this Lease unless otherwise specifically identified. All exhibits and schedules are incorporated in this Lease by reference.

(c) Whenever a section, article or paragraph is referenced, it refers to this Lease unless otherwise specifically provided. The captions preceding the articles and sections of this Lease and in the table of contents have been inserted for convenience of reference only and must be disregarded in the construction and interpretation of this Lease. Wherever reference is made to any provision, term, or matter “in this Lease,” “herein” or “hereof” or words of similar import, the reference will be deemed to refer to any reasonably related provisions of this Lease in the context of the reference, unless the reference refers solely to a specific numbered or lettered article, section, subdivision, or paragraph of this Lease.

(d) References to all Laws, including specific statutes, relating to the rights and obligations of either party mean the Laws in effect on the effective date of this Lease and as they are amended, replaced, supplemented, clarified, corrected, or superseded at any time during the Term or while any obligations under this Lease are outstanding, whether or not foreseen or contemplated by the parties. References to specific code sections mean San Francisco ordinances unless otherwise specified.

(e) The terms “include,” “included,” “including” and “such as” or words of similar import when following any general term, statement, or matter may not be construed to limit the term, statement, or matter to the specific items or matters, whether or not language of non-limitation is used, but will be deemed to refer to all other items or matters that could reasonably fall within the broadest possible scope of the term, statement, or matter, and will be deemed to be followed by the phrase “without limitation” or “but not limited to.”

(f) This Lease has been negotiated at arm’s length between persons sophisticated and knowledgeable in the matters addressed. In addition, each party has been represented by experienced and knowledgeable legal counsel, or has had the opportunity to consult with counsel. Accordingly, the provisions of this Lease must be construed as a whole according to their common meaning in order to achieve the intents and purposes of the parties, without any presumption (including a presumption under California Civil Code § 1654) against the party responsible for drafting any part of this Lease.

(g) The party on which any obligation is imposed in this Lease will be solely responsible for paying all costs and expenses incurred in performing the obligation, unless the provision imposing the obligation specifically provides otherwise.

(h) Whenever required by the context, the singular includes the plural and vice versa, the masculine gender includes the feminine or neuter genders and vice versa, and defined terms encompass all correlating forms of the terms (e.g., the definition of “waive” applies to “waiver,” “waivers,” “waived,” “waiving,” etc.).

(i) References to days mean calendar days unless otherwise specified, provided that if the last day on which a party must give notice, respond to a notice, or take any other action under this Lease occurs on a day that is not a business day, the date by which the act must be performed will be extended to the next business day.

**36.6. *Successors.*** The terms, covenants, agreements and conditions set forth in this Lease shall bind and inure to the benefit of Port and Tenant and, except as otherwise provided herein, their personal representatives and successors and assigns.

**36.7. *Real Estate Broker’s Fees.*** Port will not pay, nor will Port be liable or responsible for, any finder’s or broker’s fee in connection with this Lease. Tenant agrees to Indemnify Port from any Claims, including attorneys’ fees, incurred by Port in connection with any such Claim or Claims of any person(s), finder(s), or broker(s) to a commission in connection with this Lease.

**36.8. *Counterparts.*** For convenience, the signatures of the parties to this Lease may be executed and acknowledged on separate pages which, when attached to this Lease, shall constitute one complete Lease. This Lease may be executed in any number of counterparts each

of which shall be deemed to be an original and all of which shall constitute one and the same Lease.

**36.9. Authority.** If Tenant signs as a corporation or a partnership, each of the persons executing this Lease on behalf of Tenant does hereby covenant and warrant that Tenant is at the time of execution and at all times while this Lease is in effect will continue to be: (1) a duly authorized and existing entity, (2) qualified to do business in California; and that Tenant has full right and authority to enter into this Lease, and that each and all of the persons signing on behalf of Tenant are authorized to do so. Upon Port's request, Tenant shall provide Port with evidence reasonably satisfactory to Port confirming the foregoing representations and warranties, and covenants.

**36.10. No Implied Waiver.** No failure by either party to insist upon the strict performance of any obligation of the other party under this Lease or to exercise any right, power or remedy under this Lease, irrespective of the length of time for which such failure continues (including Port's acceptance of full or partial Rent from Tenant) shall constitute a waiver of any breach or of either party's rights to demand strict compliance with any Lease term, covenant or condition. Port's consent to or approval of any act by Tenant requiring Port's consent or approval shall not be deemed to waive or render unnecessary Port's consent to or approval of any subsequent act by Tenant. Any waiver by either party must be in writing and shall not be a waiver of any other default (including any future default) concerning the same or any other provision of this Lease.

**36.11. Time is of Essence.** Time is of the essence with respect to all provisions of this Lease in which a definite time for performance is specified.

**36.12. Cumulative Remedies.** All rights and remedies of either party hereto set forth in this Lease shall be cumulative, except as may otherwise be provided herein.

**36.13. Survival of Indemnities.** Termination or expiration of this Lease shall not affect the right of either party to enforce any and all indemnities and representations and warranties given or made to the other party under this Lease, the ability to collect any sums due, nor shall it affect any provision of this Lease that expressly states it shall survive termination or expiration hereof.

**36.14. Relationship of the Parties.** Port is not, and none of the provisions in this Lease shall be deemed to render Port, a partner in Tenant's business, or joint venturer or member in any joint enterprise with Tenant. Neither party shall act as the agent of the other party in any respect hereunder. This Lease is not intended nor shall it be construed to create any third party beneficiary rights in any third party, unless otherwise expressly provided.

**36.15. No Recording.** Tenant shall not record this Lease or any memorandum hereof in the Official Records.

**36.16. Additional Written Agreement Required.** Tenant expressly agrees and acknowledges that no officer, director, or employee of Port or City is authorized to offer or promise, nor is Port or the City required to honor, any offered or promised rent credit, concession, abatement, or any other form of monetary consideration (individually and collectively, "Concession") without a written agreement executed by the Executive Director of Port or his or her designee authorizing such Concession and, if applicable, certification of the Concession from the City's Controller.

**36.17. Force Majeure.** Except as specified in this *Section 36.17*, for all purposes of this Lease, a party whose performance of its obligations hereunder is hindered or affected by events of Force Majeure shall not be considered in breach of or in default of its obligations hereunder resulting from Force Majeure effective upon the other party's receipt of written notice describing with reasonable particularity the facts and circumstances constituting Force Majeure and citing this *Section 36.17*, and performance of the Lease obligation shall be extended on a day for day

basis (unless the parties mutually agree to a longer time frame in writing) during the Force Majeure event. The provisions of this **Section 36.17** shall not apply to Tenant's obligation to pay Rent and shall not extend the Initial Improvements Completion Date.

### **37. LIMITATION ON DAMAGES.**

**37.1. No Recourse Beyond Value of Premises.** Notwithstanding anything to the contrary contained in this Lease, Tenant agrees that Tenant will have no recourse with respect to, and Port shall not be liable for, any obligation of Port under this Lease, or for any claim based upon this Lease, except to the extent of the fair market value of Port's fee interest in the Premises (as encumbered by this Lease). Tenant shall look solely to the fair market value of Port's fee interest in the Premises for the recovery of any judgment or award. By Tenant's execution and delivery hereof and as part of the consideration for Port's obligations hereunder, Tenant expressly waives all other liability. Before filing suit for an alleged default by Port, Tenant shall give Port notice and reasonable time to cure the alleged default.

**37.2. Non-Liability of City Officials, Employees and Agents.** No elective or appointive board, commission, member, officer, employee or other Agent of City and/or Port shall be personally liable to Tenant, its successors and assigns, in the event of any default or breach by City and/or Port or for any amount which may become due to Tenant, its successors and assigns, or for any obligation of City and/or Port under this Lease. Under no circumstances shall Port, City, or their respective Agents be liable under any circumstances for any consequential, incidental or punitive damages.

**37.3. Limitation on Port's Liability Upon Transfer.** In the event of any transfer of Port's interest in and to the Premises, Port (and in case of any subsequent transfers, the then transferor), subject to the provisions hereof, will be automatically relieved from and after the date of such transfer of all liability with regard to the performance of any covenants or obligations contained in this Lease thereafter to be performed on the part of Port, but not from liability incurred by Port (or such transferor, as the case may be) on account of covenants or obligations to be performed by Port (or such transferor, as the case may be) hereunder before the date of such transfer.

### **38. TENANT ESTOPPEL CERTIFICATES.**

Tenant, at any time and from time to time upon not less than ten (10) days' prior notice from Port, shall execute and deliver to Port or to any party designated by Port a certificate in substantially the same form as that attached to this Lease as **Exhibit J**. Upon Tenant's request, Port shall execute and deliver to Tenant or to any party designated by Tenant a certificate stating to Port's actual knowledge (a) that this Lease is modified or unmodified and in full force and effect, (b) the dates, if any, to which Rent and other sums payable hereunder have been paid, (c) whether or not, without investigation, there are then existing any defaults under this Lease (and if so, specifying the same) and (d) any other matter actually known to Port, directly related to this Lease and reasonably requested by the requesting party. In addition, if requested, Port shall attach to such certificate a copy of this Lease and any amendments thereto, and include in such certificate a statement by Port that, to the best of its knowledge, such attachment is a true, correct and complete copy of this Lease, including all modifications thereto.

### **39. APPROVAL OF BOARD OF SUPERVISORS.**

Notwithstanding anything to the contrary contained in this Lease, Tenant acknowledges and agrees that no officer or employee of City has authority to commit City to this Lease unless and until City's Board of Supervisors shall have duly adopted a resolution approving this Lease and authorizing the transactions contemplated hereby. Therefore, any obligations or liabilities of City hereunder are contingent upon adoption of such a resolution, and this Lease shall be null and void if City's mayor and the Board of Supervisors do not approve this Lease, in their respective sole discretion. Approval of this Lease by any department, commission or agency of

City shall not be deemed to imply that such resolution will be enacted, nor will any such approval create any binding obligations on City.

**DOGPATCH PADDLE  
CONSENT TO SUBLEASE**

This Consent to Sublease and Sublicense (this “**Consent**”) is made as of \_\_\_\_\_, 2023, by and among the **CITY AND COUNTY OF SAN FRANCISCO**, a municipal corporation (the “**City**”) operating by and through the **SAN FRANCISCO PORT COMMISSION** (“**Port**”), **YOUNG MEN’S CHRISTIAN ASSOCIATION OF SAN FRANCISCO, A CALIFORNIA NONPROFIT PUBLIC BENEFIT CORPORATION** (“**Master Tenant**”) and **DOGPATCH PADDLE, LLC, A CALIFORNIA LIMITED LIABILITY COMPANY** (“**Subtenant**”).

**RECITALS**

**A.** On October 26, 2021, the Port Commission authorized lease negotiations with Master Tenant who was the highest scoring respondent to the Port’s Building 49 Request for Proposals (see Port Commission Resolution 21-46). Master Tenant’s proposal included Subtenant, a human powered boating business/club as a partner. Port and Master Tenant entered into that certain Lease No. L-16997 dated as of \_\_\_\_\_ for reference purposes (the “**Master Lease**”) for Building 49 located within Crane Cove Park in San Francisco, California (“**Existing Premises**”), as more particularly described in the Master Lease (see Port Commission Resolution xx-xx; Board of Supervisors Resolution xx-xx). Port and Master Tenant concurrently entered into Port License 17011 to allow related uses in Crane Cove Park (“**License**”).

**B.** Master Tenant desires to sublease a portion of the Existing Premises, known as Sublease Premises A, as further described in *Exhibit 1* attached hereto (the “**Subleased Premises**”) to Subtenant and Subtenant desires to sublease from Master Tenant the Subleased Premises (the “**Sublease**”). In addition, Master Tenant desires to grant Subtenant a sublicense to use the License Area as defined in the License (“**Sublicense**”). Subtenant has provided Port an estoppel certificate in the form attached to the Master Lease.

**C.** Master Tenant has requested that Port consent to the Sublease and Sublicense, and Port has agreed to consent to the Sublease and Sublicense to be concurrent with the Master Lease and License, on the terms and conditions set forth herein. Port’s consent to the Sublease and Sublicense includes Port’s consent to Subtenant’s Operations Plan, if any, which shall be incorporated into Tenant’s Operations Plan under the Master Lease for the duration of the Sublease and Sublicense for the convenience of Port, Master Tenant and Subtenant.

**D.** NOW, THEREFORE, in consideration of the foregoing, and in consideration of the mutual agreements and covenants hereinafter set forth, Port, Master Tenant and Subtenant agree as follows:

**1. Master Lease and License.**

The Sublease and Sublicense shall be subject and subordinate to the Master Lease and License and to all of their respective terms, covenants, conditions, provisions and agreements. Master Tenant and Subtenant represent and warrant to Port that (a) the copy of the Sublease and Sublicense attached hereto as *Exhibit 2* are true, complete and correct and constitute the entire agreement between the parties, and (b) neither the Sublease nor the Sublicense shall be modified, terminated or amended without prior thirty (30) days written notice to Port. The Subtenant shall be bound by all of the terms, covenants, conditions, provisions and agreements of the Master Lease and License. None of Sublease, Sublicense or this Consent shall be construed to modify, waive or affect any of the terms, covenants, conditions, provisions or agreements of the Master Lease or License.

**2. Automatic Termination.**

The term of the Sublease and Sublicense shall automatically terminate upon the termination of the Master Lease for any reason whatsoever, including, without limitation, the termination of the Master Lease prior to the expiration of the term thereof pursuant to a written agreement between Port and Master Tenant.

**3. No Release or Waiver.**

None of the Sublease, the Sublicense or this Consent shall: (a) release or discharge the Master Tenant from any liability, whether past, present or future, under the Master Lease or License; or (b) be construed to waive any breach by Master Tenant of the Master Lease or License, or any of Port's rights as the landlord thereunder, or to enlarge or increase Port's obligations thereunder. Master Tenant and Subtenant shall be and continue to be liable for the payment of all bills rendered by Port, if any, for charges incurred by the Subtenant for services and materials supplied to the Subleased Premises or License Area.

**4. No Further Consent.**

None of the Sublease, the Sublicense or this Consent shall: (a) operate as a consent or approval by Port to any of the terms, covenants, conditions, provisions or agreements of the Sublease or License, and Port shall not be bound thereby, or (b) be construed as a consent by Port to any further subletting or sublicensing either by Master Tenant or by the Subtenant or to any assignment by Master Tenant of the Master Lease or License, or assignment by the Subtenant of the Sublease or Sublicense, it being clearly understood that this Consent shall not in any way be construed to relieve Master Tenant or Subtenant of the obligation to obtain Port's prior written consent to any further subletting or assignment.

**5. Assignment of Rent.**

In the event of an Event of Default by Master Tenant under the Master Lease, the rent due from the Subtenant under the Sublease shall be deemed assigned to Port, and Port shall have the right, at any time, upon such Event of Default at Port's option, to give notice of such assignment to the Subtenant, whereupon Subtenant shall pay all rent thereafter becoming due and payable directly to Port. Port shall credit Master Tenant with any rent received by Port, but the acceptance of any payment on account of rent from the Subtenant shall not release Master Tenant from any liability under the Master Lease. Any payment of rent from the Subtenant directly to Port, or any other action by Subtenant, regardless of the circumstances or reasons therefor, shall in no manner whatsoever be deemed an attornment by the Subtenant to Port in the absence of a specific written agreement signed by Port to such effect. Port in its sole and absolute discretion may at any time after an Event of Default by Master Tenant under the Master Lease, elect to have Subtenant either attorn to Port or vacate the Subleased Premises, by giving written notice to Subtenant. If Port elects to have Subtenant attorn to Port, such notice shall state that Port is assuming Master Tenant's position under the Sublease and that Subtenant shall attorn to Port and be bound to Port under all the terms, covenants and conditions of the Sublease for the balance of the Sublease term and any extensions or renewals thereof which may then or later be in effect, all with the same force and effect as if Subtenant had been the original tenant for the Subleased Premises under the Master Lease. Any attornment shall be effective and self-operative without the execution of any further instruments. Master Tenant waives and releases any claim in the event that Subtenant makes payment directly to Port and shall hold Subtenant harmless therefor.

**6. Rent.**

Port's consent to the Sublease is conditioned on Master Tenant paying Percentage Rent to Port as defined and in the manner described in the Master Lease.

7. No Representation or Warranty by Port.

Nothing contained herein shall operate as a representation or warranty by Port of any nature whatsoever.

8. Indemnity and Exculpation.

Notwithstanding any provision to the contrary in the Sublease or License, as between Port and Subtenant, Subtenant agrees and acknowledges to be bound by the indemnification and exculpation provisions of the Master Lease and License, all with the same force and effect as if Subtenant had been the original tenant for the Subleased Premises under the Master Lease and the original licensee under the License. The obligation of Subtenant under this *Section 8* shall survive any termination or expiration of the Sublease, Sublicense, Master Lease or License.

9. Waiver of Relocation.

To the extent allowed by applicable Law, Master Tenant and Subtenant hereby waive any and all rights, benefits or privileges of the California Relocation Assistance Law, California Government Code §§ 7260 et seq., or under any similar law, statute or ordinance now or hereafter in effect.

10. Insurance.

Notwithstanding any provision to the contrary in the Sublease, Subtenant shall, at Subtenant's expense, with respect to the Subleased Premises and License Area secure and keep in force during the term of the Sublease and Sublicense such insurance as required by the Sublease or Sublicense. Such liability policy or policies of insurance shall name as additional insureds by written endorsement "**THE CITY AND COUNTY OF SAN FRANCISCO, THE SAN FRANCISCO PORT COMMISSION AND THEIR OFFICERS, AGENTS, EMPLOYEES, AND REPRESENTATIVES.**" A certificate evidencing such insurance shall be delivered to Port promptly after the date hereof. Subtenant additionally acknowledges Port's absolute right to demand increased coverage to amounts consistent with the type of Subtenant's business activities on the Subleased Premises or License Area.

11. Miscellaneous.

(a) This Consent may be executed in counterparts.

(b) This Consent shall be governed by and construed in accordance with the laws of the State of California. In the event of a conflict between the terms and provisions of this Consent and the Sublease or the License, this Consent shall control. Terms not defined in this Consent shall have the same meanings as in the Master Lease or License as the case may be.

(c) The terms and provisions of this Consent shall bind and inure to the benefit of the parties hereto and their respective successors and permitted assigns.

(d) If any one or more provisions in this Consent shall be invalid, illegal or unenforceable for any reason, the remaining provisions contained herein shall not in any way be affected or impaired thereby.

(e) This Consent may not be modified or amended except by a writing executed by all parties to the Consent.

(f) Port and Subtenant hereby mutually waive any claim against the other and its agents for any loss or damage to any of their property located on or about the Subleased Premises, the Building or the License Area that is caused by or results from perils covered by property insurance carried by the respective parties, to the extent of the proceeds of such insurance actually received with respect to such loss or damage, whether due to the negligence of the other party or its agent(s). Each party shall immediately notify its insurer, in writing, of these mutual waivers and have their insurance policies endorsed to prevent the invalidation of the insurance coverage because of these waivers.

**12. Effective Date.**

The Effective Date of this Consent is the Effective Date of the Master Lease.

[REMAINDER OF THIS PAGE LEFT INTENTIONALLY BLANK]

The execution of this Consent by Master Tenant and Subtenant shall evidence Master Tenant's and Subtenant's joint and several confirmation of the foregoing conditions, and of their agreement to be bound thereby and shall constitute Subtenant's acknowledgement that it has received a copy of the Master Lease.

Other capitalized words and phrases for which no definition is given in this Sublease shall have the meanings given them in the Master Lease (in some cases, these terms defined in the Master Lease are denoted by bold lettering). Unless otherwise indicated, all section references are to the sections of this Sublease.

**3. Demise of Sublease Premises; Representations.**

3.1 General Demise. As of the Sublease Effective Date, Sublandlord subleases the Sublease Premises to Subtenant, and Subtenant subleases the Sublease Premises from

Sublandlord, subject to the specific effective dates and terms and conditions of this Sublease.

3.2 Representations. Subtenant represents and warrants to Sublandlord that:

- (a) Subtenant is familiar with the provisions of the Master Lease insofar as it pertains to the Sublease Premises and Subtenant's use and occupation thereof under this Sublease;
- (b) Subtenant has the right and power to execute and deliver this Sublease and to perform its obligations hereunder;
- (c) the person or persons executing this Sublease for Subtenant are fully authorized to so act and no consent, authorization or other action is required to bind Subtenant to this Sublease;
- (d) Subtenant is duly organized and in good standing in the State of California;
- (e) there are no undischarged judgments pending against Subtenant, and Subtenant has not received notice of the filing of any pending suit or proceedings against Subtenant except as disclosed in writing to Sublandlord;
- (f) the delivery, and performance of this Sublease will not conflict with any instrument by which Subtenant is bound or any law applicable to Subtenant;
- and (g) Subtenant is not in default under, and has not received notice asserting that it is in default under, any agreement for borrowed money. Subtenant's representations and warranties in this Sublease will survive any termination of this Sublease.

#### 4. **Sublease Term.**

4.1 Sublease Term. The term of this Sublease (the "**Sublease Term**") shall begin on the Sublease Commencement Date and end on the Sublease Expiration Date, unless sooner terminated earlier in accordance with the terms of this Sublease. Promptly following a written request therefor, Subtenant agrees to execute a certificate prepared by Sublandlord setting forth the actual Sublease Effective Date, Sublease Commencement Date, Sublease Rent Commencement Date and/or Sublease Expiration Date and other confirmations reasonably requested by Sublandlord. In the event Subtenant fails to execute such certificate within five (5) business days following delivery thereof to Subtenant, Subtenant shall be deemed to have approved all of the matters set forth in such certificate and such certificate shall be fully binding on Subtenant notwithstanding anything to the contrary herein.

4.2 Termination. The Sublease Term shall end on the Sublease Expiration Date. However, this Sublease may be terminated prior to the Sublease Expiration Date if the Master Lease is terminated for any cause whatsoever (and Port does not require Subtenant to attorn to Port) or if this Sublease is terminated as otherwise provided for herein. Subtenant shall have no option to extend the Sublease Term or elect an early termination of the Sublease Term except as expressly set forth herein.

4.3 Extension Options. Subject to any required prior approval of Port, and provided (i) this Sublease and the Master Lease are in full force and effect; (ii) Sublandlord has exercised rights to extend the term of the Master Lease; (ii) Subtenant is not in breach or default under any of the terms and conditions of this Sublease at any time from the Sublandlord Extension Notice until the beginning of the Extension Term; and (iii) Subtenant, at the time of notification and extension, is conducting regular, active, ongoing business in, and is in occupancy of the entire Sublease Premises (and occupancy by a subtenant, licensee or other party permitted or suffered by Subtenant shall not satisfy such condition even if permitted under this Sublease), then

Subtenant shall have options to extend (each, an “**Extension Option**”) this Sublease for the extension term exercised by Sublandlord under the Master Lease (each, an “**Extension Term**”), on the terms and conditions set forth in a notice from Sublandlord given between Three Hundred Sixty-Five (365) and Two Hundred Seventy (270) days prior to the then expiration date of this Sublease, except that in the case of any extension terms under the Master Lease shorter than five (5) years, such notice shall be given between six (6) and four (4) months prior to the then expiration date of this Sublease (“**Sublandlord Extension Notice**”).

(a) If Subtenant elects to exercise an Extension Option, then Subtenant shall provide Sublandlord with written notice of exercise and acceptance of the terms and conditions of the Sublandlord Extension Notice no later than thirty (30) days after receipt of the Sublandlord Extension Notice.

(b) If Subtenant fails to validly exercise any Extension Option, Subtenant shall have no further right to extend the Sublease Term.

(c) The Extension Options are not transferable, and no assignee or sublessee will have any rights to exercise the Extension Options.

(d) If, for any reason, the Master Lease is not extended for an Extension Term, even after a Sublandlord Extension Notice has been given, any Subtenant exercise of an Extension Option shall become void and the Sublease Term shall not be extended.

## **5. Rent.**

5.1 Rent Defined. The rent payable by Subtenant for the Sublease Premises shall consist of the Monthly Base Rent, Percentage Rent, and any other sums payable by Subtenant under this Sublease (collectively referred to as “**Rent**”). Subtenant’s covenant to pay Rent shall be independent of every other covenant in this Sublease. Subtenant shall make all payments due to Sublandlord pursuant to this Sublease as directed by Sublandlord. However, at Port’s election, Subtenant shall pay Rent directly to Port upon receiving Port’s written notice that an Event of Default has occurred under the Master Lease.

5.2 Monthly Base Rent. Beginning on the Rent Commencement Date and continuing thereafter on the first (1<sup>st</sup>) day of each calendar month during the Sublease Term, the Monthly Base Rent specified in Section 1 shall be payable by Subtenant to Sublandlord in advance, and without notice, demand, deduction or offset. The parties shall agree on an automatic or other payment mechanism that shall guarantee timely payment of the Monthly Base Rent.

5.3 Applicability of Rent Credits. Subtenant agrees that it shall not be entitled to any portion of a rent credit or other accommodation that may be given by Port to Sublandlord in connection with Sublandlord’s performance of improvements under the Master Lease or otherwise.

5.4 Percentage Rent. Beginning on the Rent Commencement Date and continuing thereafter, Subtenant agrees to pay to Sublandlord, in addition to the Monthly Base Rent, Percentage Rent in an amount set forth in Section 1. The determination of Percentage Rent shall be subject to and in accordance with the terms and conditions of Sections 5.2, 5.4 and 5.5 of the Master Lease, substituting in each case Subtenant for Tenant and Sublandlord for Port, except that each of the time periods for delivery of payment or statements provided for in such Sections 5.2, 5.4, and 5.5 shall be shortened by ten (10) days with respect to Subtenant's performance in order to enable Sublandlord to receive such items from Subtenant and comply with its obligations under the Master Lease. (See also Section 18.8 below.) Subtenant further acknowledges and agrees that certifications may be required directly to Port or both Port and Sublandlord and that each of Sublandlord and Port may have the right to audit Subtenant's Books and Records. Subtenant shall be responsible for all costs and expenses incurred by Sublandlord due to Sublandlord's obligation to cause compliance by Subtenant with the Percentage Rent obligations, including Late Charges, audit fees and attorneys' fees referenced therein.

5.5 Additional Rent. Subtenant will pay its allocable share (or separate assessable amount) of any property, possessory interest or similar taxes or fees related to the Sublease Premises (allocated according to the method of calculation, e.g., fair market rent for the Sublease Premises) and will be responsible for preparing and filing any returns or documents necessary for purposes of compliance with possessory interest or other taxes. Subtenant acknowledges that it will be necessary to furnish a copy of this Sublease to the County Assessor. Such taxes and fees shall be paid directly to the assessing authority, if permitted by such authority. Subtenant shall pay all taxes on personal property, equipment and fixtures located in or about the Sublease Premises during the Sublease Term, whether or not owned by Subtenant.

5.6 Late Payments. All Rent shall be paid to Sublandlord or to such other person or such other place as Sublandlord may from time to time designate in writing. If any Rent is not paid when due, Subtenant acknowledges that Sublandlord will incur costs or penalties to Port and additional administrative expenses and costs which are difficult or economically impractical to ascertain and, accordingly, Subtenant shall pay Sublandlord, as a reasonable approximation of such additional administrative expenses and costs, an administrative charge equal to percent (10%) of the delinquent amount, which amount shall be payable for each thirty (30) days (or portion thereof) such payment is overdue. Neither demand for nor receipt of any late charge called for under this Sublease shall (i) operate to waive any default by Subtenant or provide a substitute for Subtenant's full and timely performance of the obligation to pay Rent, or (ii) limit the exercise of any other right or remedy Sublandlord may have under this Sublease in case of Subtenant's default.

## **6. Initial Improvements.**

6.1 Sublandlord Initial Improvements. Prior to the Sublease Rent Commencement Date, Sublandlord will cause to be performed and will pay for the work with respect to the Sublease Premises designated as Sublandlord Improvements on **Exhibit C** attached hereto (the "**Sublandlord Initial Improvements**").

6.2 Subtenant Initial Improvements. Prior to the Sublease Rent Commencement Date, Subtenant, at Subtenant's sole cost and expense, shall cause the work designated as Subtenant Improvements on Exhibit C attached hereto (the "**Subtenant Initial Improvements**") to be **Completed** in accordance with, and subject to all the terms, covenants, conditions and restrictions of this Sublease and the Master Lease (including, as applicable, the **Work Letter** attached to the Master Lease). Without limiting the foregoing, Subtenant shall be responsible for paying all permit costs, fees and other expenses incurred in connection with completion of the Subtenant Initial Improvements in accordance with the foregoing standards.

(a) Subtenant will furnish design concepts to Sublandlord for Sublandlord's approval and Sublandlord and Port shall have the right to approve all construction related to the Subtenant Initial Improvements. Any modifications of the Subtenant Initial Improvements are subject to the approval of Sublandlord and Port. Construction and installation of the Subtenant Initial Improvements, and any other work or deliveries on the part of Subtenant, shall be coordinated with the work of the Sublandlord Initial Improvements and any other work in the Building so as to mutually expedite construction and avoid interference with the overall Building project.

(b) Notwithstanding the foregoing provisions, the date for completion of the Sublandlord Initial Improvements shall be extended if completion is delayed by circumstances beyond the reasonable control of Sublandlord. As provided in the Master Lease, in the event the Subtenant Initial Improvements are not Completed by the Sublease Rent Commencement Date, payment of Rent shall nevertheless commence, and Subtenant shall be responsible for any penalties Port elects to impose upon Sublandlord as a result of such delay pursuant to the terms of the Master Lease.

## 7. Possession and Use.

7.1 As-Is; Possession. Except for the work with respect to the Sublandlord Initial Improvements, as modified by the Subtenant Initial Improvements, Sublandlord subleases the Sublease Premises to Subtenant, and Subtenant accepts the Sublease Premises strictly in their present "as-is" and "with all faults" condition. Sublandlord has no other obligation to prepare, modify or alter the Sublease Premises or to pay to Subtenant any refurbishment or tenant improvement allowance or reimburse Subtenant for the cost of any preparation, modification, or alteration of the Sublease Premises performed by or on behalf of Subtenant. As of the Sublease Commencement Date and the date of completion of the Sublandlord Initial Improvements, Subtenant acknowledges that it will have had full opportunity to inspect the condition of the Sublease Premises and all **Laws** relating to its use and condition. Subtenant is not relying, whether on the Sublease Commencement Date or otherwise, on any statement, representation or warranty made by or for Sublandlord with respect to the Sublease Premises or such Laws. Subtenant, by taking possession or commencing use of the Sublease Premises, conclusively acknowledges the Sublease Premises to be in good order and repair and in a tenantable condition and acceptable for its intended use. Subtenant may not use or occupy any portion of the Sublease Premises prior to issuance of a Temporary Certificate of Occupancy

applicable to the Sublease Premises except as may be authorized in writing by Port and Sublandlord.

7.2 Use. The Sublease Premises shall be used and occupied solely for Subtenant's Permitted Uses as specified in Section 1 hereof.

(a) All Subtenant Permitted Uses must be performed in compliance with the initial Operations Plan separately approved by Sublandlord and Port (the "**Subtenant Operations Plan**"), as amended from time to time as necessary. Subtenant must prepare and maintain the Subtenant Operations Plan to document procedures consistent with Laws, industry standards, best management practices and good housekeeping. The Subtenant Operations Plan must address the following operations and components by Subtenant on or about the Sublease Premises and the **License Area** (to the extent permitted under the Sublicense referenced in Section 9 below):

- (i) Hours of Operation, Security, Staffing and Safety Plan;
- (ii) List of required and obtained Regulatory Approvals;
- (iii) Aquatic activities safety measures (e.g., participant safety gear; participant/instructor ratio; instructor qualifications);
- (iv) Reporting Accidents;
- (v) Noise Control;
- (vi) Equipment Washing Protocols;
- (vii) Park Usage Areas (including paths of travel for staff and patrons) .

(b) Failure to comply with the Subtenant Operations Plan is a material breach of this Sublease, subject to cure as provided in Section 17.1(j) and (k). Port and Sublandlord may, from time to time, review the Subtenant Operations Plan and make recommendations for revisions. All revisions to the Subtenant Operations Plan are subject to Sublandlord and Port approval. Sublandlord and Subtenant shall work together in good faith and Sublandlord shall oversee any interpretive features or visual representations for the Sublease Premises visible from the Premises leased by Sublandlord or the exterior of the Premises.

(c) Subtenant's business in the Sublease Premises shall be conducted only under the Trade Name specified in Section 1. Subtenant shall keep the Sublease Premises open for business according to the minimum operating hours set forth in the Subtenant Operations Plan. As provided in the Subtenant Operations Plan and Section 6.2 of the Master Lease, Subtenant shall operate its business continuously, actively and diligently in a good faith manner.

(d) Without limiting the foregoing, Subtenant's use shall also comply with and be limited by all relevant provisions of the Master Lease, including without limitation those with respect to any "Port program or project", "Port Work," "Development Projects", Sections 3.4, 6.1 (which requires, among other things, that Subtenant conduct operations at the Sublease Premises consistent with the maintenance and operation of a first-class mixed-use office/light industrial/commercial and/or retail development located in the Dogpatch neighborhood of San Francisco), 6.4 (Public Use) and 10, and all applicable Laws and Rules and Regulations. To the extent allowed by applicable Law, Subtenant hereby waives any and all rights, benefits or privileges of the California Relocation Assistance Law, California Government Code §§ 7260 et seq., or under any similar law, statute or ordinance now or hereafter in effect.

### 7.3 Prohibited Uses.

(a) Subtenant agrees that the following activities, by way of example only and without limitation, and any other use that is not a Subtenant Permitted Use (in each instance, a "**Prohibited Use**" and collectively, "**Prohibited Uses**"), are inconsistent with this Sublease and the Master Lease, are strictly prohibited and are considered Prohibited Uses:

(i) any activity, or the maintaining of any object, which is not within the Subtenant Permitted Uses;

(ii) any activity, or the maintaining of any object, which will in any way increase the existing rate of, affect or cause a cancellation of, any fire or other insurance policy covering the Premises, any part thereof or any of its contents;

(iii) any activity or object which will exceed load restrictions, if any, or cause damage to the Premises;

(iv) any activity which constitutes waste or nuisance, including, but not limited to, the preparation, manufacture or mixing of anything that might emit any objectionable odors, noises or lights onto adjacent properties, or the use of loudspeakers or sound or light apparatus which can be heard or seen outside the Sublease Premises;

(v) any activity which will in any way injure, obstruct or interfere with the rights of other users or of owners, users, or occupants of adjacent properties, including, but not limited to, rights of ingress and egress;

(vi) use of the Sublease Premises for residential, sleeping or personal living quarters and/or "Live/Work" space;

(vii) any auction, distress, fire, bankruptcy or going out of business sale on the Premises without the prior written consent of Port, which consent may be granted, conditioned, or withheld in the sole and absolute discretion of Port;

(viii) any vehicle and equipment maintenance, including but not limited to, fueling, changing oil, transmission or other automotive fluids;

(ix) the storage of any and all excavated materials, including but not limited to, dirt, concrete, sand, asphalt, and pipes;

(x) except during periods of permitted construction, the storage of any and all aggregate material, or bulk storage, such as wood or of other loose materials; or

(xi) except as provided in a Subtenant Operations Plan, the washing of any vehicles, vessels or equipment.

(b) In addition to, and without limiting, the Prohibited Uses specified above, the following are prohibited:

(i) No discharges to the Bay;

(ii) operation of a night club, underage parties, raves, pay at the door events or other similar activities; and

(iii) any uses inconsistent with reasonable requirements or restrictions Port may impose from time to time.

7.4 Sublandlord's Entry Right. In addition to Port's rights of entry set forth in the Master Lease, including, without limitation, Section 29 of the Master Lease, Sublandlord may enter any part of the Sublease Premises at all reasonable hours, following reasonable prior notice (or in any emergency or suspected emergency, at any hour and without prior notice). Subject to Port's rights under the Master Lease and except in the case of an emergency, Sublandlord shall use commercially reasonable efforts not to unreasonably interfere with Subtenant's use of the Sublease Premises for Subtenant's Permitted Use in connection with such entries.

## **8. Services, Maintenance And Repair Obligations.**

8.1 Utilities and Maintenance Costs. Subtenant shall pay all charges for all Utilities to be furnished on, in or to the Sublease Premises or to be used by Subtenant, including an electric capacity charge from Port as well as costs of electric service from SFPUC. To the extent such Utilities are not separately metered or sub-metered, Subtenant shall pay its proportionate share of Utilities costs as calculated by Sublandlord. For any sub-metered Utilities, Subtenant shall pay to Sublandlord the costs allocable to the Sublease Premises according to the amounts registered on any submeter. Subtenant shall obtain and pay for any other operation, maintenance or other services or Subtenant requirements for the Sublease Premises. To the extent that other normal operating or maintenance expenses are incurred by Sublandlord for the Building, including the mechanical area or the restrooms in the Building, Subtenant shall pay to Sublandlord its proportionate share (based on rentable square feet) of such expenses. All costs for which Subtenant is responsible under this Section 8.1 shall be paid within five (5) days after invoice from Sublandlord. Subtenant shall pay its proportionate share of any Flood Protection Measures required under the Master Lease (*e.g.*, under Section 16.2 of the Master Lease).

8.2 Limitation on Sublandlord's Obligations. Sublandlord shall have no responsibility for or be liable to Subtenant for any default, failure or delay on the part of Port in the performance or observance by Port of any of its obligations under the Master Lease or for any other action or inaction by Port under the Master Lease, nor shall such default, action or inaction by Port affect this Sublease or waive or defer the performance of any of Subtenant's obligations under this Sublease, including without limitation the obligation to pay Rent; and Subtenant

hereby expressly waives the provisions of any statute, ordinance or judicial decision, now or hereafter in effect, which would give Subtenant the right to make repairs at the expense of Sublandlord or Port, or to claim any actual or constructive eviction by virtue of any interruption in access, services or utilities to, or any failure to make repairs in or to, the Sublease Premises or the Building including without limitation any rights under California Civil Code Sections 1932(1) and 1931(2), 1933(4), 1941 or 1942. Sublandlord will have no obligation to Subtenant to maintain or repair the Sublease Premises or with respect to the continuing availability of Utilities in the Sublease Premises.

8.3 Maintenance and Repair of Sublease Premises. Subtenant shall be responsible to make and pay for repair and maintenance of the Sublease Premises, and any repair or maintenance resulting from work performed or required by Subtenant, such as any ancillary infrastructure required to be installed for Subtenant. Such maintenance and repair shall be consistent with the requirements in the Subtenant Operations Plan and Subtenant Permitted Uses and the terms of the Master Lease. Within five (5) days after Sublandlord's request, Subtenant shall supply such information regarding the Sublease Premises as may be necessary for Sublandlord to comply with Sublandlord's obligations under the Master Lease, such as for "Facility Conditions Reports". Subtenant will not take any action that might impair the Construction Warranties or other warranties for the Building, as described by Sublandlord. Subtenant shall independently obtain and pay for waste removal, pest extermination, custodial/janitorial and any internet services for the Sublease Premises, and shall perform any maintenance, repairs and replacements that Sublandlord is required to perform under the Master Lease with respect to the Sublease Premises, including without limitation under Section 6.1 of the Master Lease. Sublandlord shall have no responsibility for obtaining or paying for any services to the Premises not specified in this Sublease or to perform any obligations of Port or of an owner or manager of real property. In the event Subtenant fails to maintain the Sublease Premises in accordance with this Sublease or Subtenant fails to promptly repair any damage to the Sublease Premises caused by Subtenant or its Agents or Invitees, Sublandlord may repair the same at Subtenant's sole cost and expense and Subtenant shall immediately reimburse Sublandlord therefor.

8.4 Compliance with Laws. Without limiting Subtenant's obligations as incorporated from the Master Lease, Subtenant shall comply with all Environmental Laws, other Laws, the MMRP, and restrictions of all insurance bodies and their fire prevention engineers at any time in force, applicable to the use, condition, occupancy or modification of the Sublease Premises, including without limitation, all Laws promulgated or applicable as a result of the Americans with Disabilities Act. Without limiting the generality of the foregoing, Subtenant shall be responsible for all modifications (including structural modifications) to the Sublease Premises or Master Lease Premises triggered or required as a result of Subtenant's particular use or modification of or improvements or alterations to the Sublease Premises. All provisions of the Master Lease relating to Sublandlord's use of or liability arising from Hazardous Materials or environmental impacts are hereby incorporated herein, with the term "Subtenant" substituted for Tenant, including without limitation Article 18. The disclosure by Port under Section 18.9 of the Master Lease is hereby incorporated by reference in this Sublease and its terms accepted by Subtenant.

Subtenant shall not bring upon the Sublease Premises or use the Sublease Premises or permit the Sublease Premises or any portion thereof to be used for the sale or distribution of alcoholic beverages or the growing, manufacturing, administration, distribution (including without limitation, any retail sales), possession, use or consumption of any cannabis, marijuana or cannabinoid product or compound, regardless of the legality or illegality of the same.

85 Accessibility Standards. Sublandlord has been advised by Port and hereby advises Subtenant that the Building may not currently meet all applicable accessibility standards, including standards for public restrooms and ground floor entrances and exits. Subtenant understands and agrees that Subtenant may be subject to legal and financial liabilities if the Sublease Premises does not comply with applicable federal and state disability access Laws. Subtenant further understands and agrees that it is Subtenant's obligation, at no cost to Port or Sublandlord, to cause the Sublease Premises, and Subtenant's use thereof, to comply with the Disability Laws and any other federal or state disability access Laws. Subtenant shall notify Sublandlord and Port if it is making any Alterations or Improvements to the Sublease Premises that might impact accessibility standards required under federal and state disability access Laws.

Pursuant to California Civil Code Section 1938, Sublandlord has been notified by Port that as of the date of this Sublease, the Sublease Premises has not undergone inspection by a "Certified Access Specialist" to determine whether the Sublease Premises meet all applicable construction-related accessibility standards under California Civil Code Section 55.53. Sublandlord hereby discloses pursuant to California Civil Code Section 1938 as follows: "A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or Subtenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises." Sublandlord and Subtenant hereby acknowledge and agree that in the event that Subtenant elects to perform a CASp inspection of the Sublease Premises, such CASp inspection shall be performed at Subtenant's sole cost and expense and Subtenant shall be solely responsible for the cost of any repairs, upgrades, alterations and/or modifications to the Sublease Premises necessary to correct any such violations of construction-related accessibility standards identified by such CASp inspection as required by law, which repairs, upgrades, alterations and/or modifications may, at Sublandlord's or Port's option, be performed by Sublandlord or Port at Subtenant's expense, payable as additional rent within five (5) days following Sublandlord's demand.

86 Security Services. Subtenant will secure the Sublease Premises (as may be further described in the Master Lease) and will obtain and pay for any security services deemed necessary by Subtenant. Sublandlord shall be under no obligation to implement security measures or take any actions to prevent threat of property loss or damage, bodily injury, or business interruption. Neither Sublandlord nor any Sublandlord Parties (defined below in Section

10.3) shall have any liability to Subtenant or any Subtenant Parties for the adequacy of security services provided by Port or Sublandlord (if any).

8.7 Reporting Accidents. Subtenant shall notify Sublandlord and Master Landlord in writing of any incident or accident of which Subtenant becomes aware involving significant personal injury or personal property damage that occurs in the Sublease Premises or the Park during Subtenant's operations. Such notice shall be given within twenty-four (24) hours after Subtenant learns of said incident or accident. Failure to timely report such incidents or accidents shall constitute a material default under this Sublease.

9. Sublicense. Simultaneously with execution of this Lease, Subtenant and Sublandlord shall execute a Sublicense in a form approved by Sublandlord and Port that allows for Subtenant to use, on a non-exclusive and revocable (by Port) basis, certain portions of the Park defined in the Sublicense as the Sublicense Area.

**10. Subtenant's Insurance and Indemnity.**

10.1 Insurance Coverage.

Commencing on the earlier of the Sublease Commencement Date or any use or occupancy of the Sublease Premises by Subtenant, and continuing during the Sublease Term (or any later occupancy by Subtenant), in lieu of complying with all insurance coverage requirements of Section 19.1 of the Master Lease, Subtenant shall procure and maintain at all times, at its own cost and expense, the insurance specified on **Exhibit D** attached hereto. Except to the extent modified by the provisions of **Exhibit D**, Subtenant shall otherwise comply with the provisions of Section 19 of the Master Lease pertaining to the forms and content of insurance policies and endorsements, and certificates and notices relating thereto, including the provisions of Section 19.6. Subtenant shall furnish to Sublandlord a certificate of Subtenant's insurance required under this Section 10.1 on or before the Sublease Commencement Date. In the event Subtenant does not maintain said insurance, Sublandlord may, in its sole discretion and without waiving any other remedies hereunder, procure said insurance and Subtenant shall pay to Sublandlord as Rent the cost of said insurance plus a ten percent (10%) administrative fee. Subtenant acknowledges the Port's right to demand increased coverage to amounts customarily required by other San Francisco landlords for premises where business activities similar to the Subtenant's are conducted.

10.2 Subrogation. Each party hereby waives claims against the other for damage to property owned by the waiving party where such damage is covered under any policy of property insurance maintained, so long as such waiver does not invalidate or adversely affect the waiving party's property insurance; and each party shall obtain from its insurance carrier a waiver of its right of subrogation. Subtenant agrees to obtain, for the benefit of Port, Sublandlord, and the Sublandlord Parties such waivers of subrogation rights from its insurer as are required of Sublandlord, as Tenant, under the Master Lease. Subtenant hereby waives claims against Port, Sublandlord and the Sublandlord Parties for death, injury, loss or damage of every kind and

nature, if and to the extent that Sublandlord, as Tenant, waives or releases such claims against Port under the Master Lease.

10.3 Exculpation; Indemnity. To the fullest extent permitted by law, Subtenant waives all claims against Sublandlord, its officers, directors, shareholders, employees, volunteers, agents and representatives (collectively, the “**Sublandlord Parties**”) for economic damages, damage to any property or injury or death of any person in, on or about the Sublease Premises, the Park or other Port property arising at any time or from any cause other than to the extent resulting from the gross negligence or willful misconduct of Sublandlord and not insured or required to be insured by Subtenant under this Sublease. Subtenant agrees to pay and to protect, defend, indemnify and hold Sublandlord and the Sublandlord Parties harmless from all claims, losses, damages, liabilities and expenses, including reasonable attorneys’ fees and costs (collectively, “**Claims**”) which Sublandlord may incur, or for which Sublandlord may be liable to Port, arising from or related to (a) the use, modification or occupancy of the Sublease Premises, the Park or other Port property during the Sublease Term; (b) the acts or omissions of Subtenant or any of Subtenant’s agents, employees, contractors, **Invitees**, sub-subtenants, assignees, licensees, transferees or representatives (collectively, the “**Subtenant Parties**”); (c) Subtenant’s breach of this Sublease or the non-performance, non-observance or non-payment of any of Sublandlord’s obligations under the Master Lease that is the result of any default or failure of performance by Subtenant under this Sublease or that, as a result of this Sublease, became an obligation of Subtenant, together with every fine, penalty, interest or other charge that may be added for Subtenant’s non-payment or late payment, whether payable to Port or to other persons, parties or entities designated herein; and (d) any other acts or events occurring in or about the Sublease Premises during the Sublease Term, which are the subject matter of any indemnity or hold harmless of Sublandlord, as Tenant, to Port under the Master Lease. Subtenant’s obligations to protect, defend, indemnify and hold harmless Sublandlord under this Section are in no way conditioned upon either (i) Subtenant’s or any Subtenant Parties’ acts or omissions being a cause of any underlying claim, demand, action, loss or damage, or (ii) Sublandlord or any Subtenant Parties’ being free of negligence or wrongful conduct in connection therewith; provided, however, that Subtenant shall not be required to indemnify or hold Sublandlord and the Sublandlord Parties harmless to the extent it is established that Sublandlord’s gross negligence or willful misconduct is the cause of any claim, demand, action, liability, expenses, loss or damage and such claim, demand, liability, expense, loss or damage is not insured or required to be insured by Subtenant under this Sublease. Notwithstanding any other term or provision of this Sublease, under no circumstances shall Sublandlord or any Sublandlord Parties be liable for (i) any Claims or other liability incurred in connection with a failure of Port or its partners, members, shareholders, directors, agents, officers, employees, contractors, successors and /or assigns to perform or cause to be performed Port’s obligations under the Master Lease, (ii) any Claims arising as a result of actions taken or not taken by Sublandlord due to performance by Sublandlord under the Master Lease, or (iii) lost revenues, lost profit or other consequential, special, indirect or punitive damages arising in connection with this Sublease or the Sublease Premises for any reason. Subtenant’s indemnity obligations set forth herein or elsewhere in this Sublease and the terms of this Section shall survive the expiration or earlier termination of this Sublease.

## 11. Assignment or Subletting.

11.1 Generally. Independent of and in addition to any provisions of the Master Lease, other than as expressly provided below, except with the prior written consent of Sublandlord and Port, which consent may be withheld in their sole discretion, Subtenant shall not voluntarily, involuntarily or by operation of law (a) assign, convey or mortgage this Sublease or any interest under it; (b) allow any assignment or transfer thereof or any lien upon Subtenant's interest by operation of law; (c) further sublet the Sublease Premises or any part thereof; (d) permit the occupancy of the Sublease Premises or any part thereof by anyone other than Subtenant; or (e) if Subtenant is a corporation, partnership, limited liability company, limited liability partnership, trust, association or other business entity (other than a corporation whose stock is publicly traded), permit, directly or indirectly, the transfer of any ownership interest in Subtenant so as to result in a change in **Control** of Subtenant, or a transfer of all or substantially all of the assets of Subtenant (collectively, a "**Transfer**").

11.2 Notice and Consent. Subtenant shall provide Sublandlord with not less than sixty (60) days prior written notice of a proposed Transfer. With any request for consent to a Transfer, Subtenant will submit a copy of the proposed Transfer document to Sublandlord and notify Sublandlord of the proposed effective date of the Transfer, the name of the proposed transferee (accompanied by detailed evidence of the nature, character, ownership, business, and financial condition of the transferee and its business), all terms and conditions (including detail regarding the proposed uses, rental and other consideration) of or relating to the Transfer and a description of any proposed alterations. Sublandlord shall use reasonable efforts to grant or deny its consent to the proposed Transfer within forty-five (45) days following submission of Subtenant's request accompanied by the information required herein; Sublandlord's failure to grant or deny its consent within such forty-five (45) day period shall be deemed to be Sublandlord's denial of such consent. Consent by Sublandlord to any Transfer shall not be a waiver of Sublandlord's rights as to any subsequent Transfer. Any approved Transfer shall be expressly subject to the terms and conditions of the Master Lease not previously waived or consented to as part of this Sublease, including the necessity to procure Port's consent and the provisions required in any Sublease.

Within ten (10) days after written request, Subtenant will pay Sublandlord, as additional Rent, Sublandlord's and Port's reasonable costs, including attorneys' fees and costs, consultant's costs, and costs for Port staff time, incurred in connection with the review, investigation, processing, documentation, and/or approval of any proposed Transfer. To the extent permitted to be deducted as Subletting Expenses under the Master Lease, such costs paid by Subtenant may be deducted when calculating the Excess Consideration payable under Section 11.5 below. Subtenant will pay such costs regardless of whether Port or Sublandlord consents to such proposal.

Subtenant acknowledges and agrees that as a condition of Port's consent to a Transfer to a Subtenant with a substantially different business model (such as alcohol sales), Port may elect to increase the monthly Percentage Rent amount above six-percent (6%) or require payment of Percentage Rent in a commercially reasonable amount consistent with other Port tenants with similar operations, as determined by Port in its reasonable discretion.

11.3 Payments. Upon any default while a Transfer is in effect, Sublandlord may collect directly from the transferee all sums becoming due to Subtenant under the Transfer and apply this amount against any sums due Sublandlord by Subtenant, and Subtenant hereby authorizes and directs any transferee to make payments directly to Sublandlord upon notice from Sublandlord. No direct collection by Sublandlord from any transferee shall constitute a novation or release of Subtenant, a consent to the Transfer or a waiver of the covenant prohibiting Transfers. Sublandlord, as Subtenant's agent, may endorse any check, draft or other instrument payable to Subtenant for sums due under a Transfer, and apply the proceeds in accordance with this Sublease; this agency is coupled with an interest and is irrevocable. In the event that Subtenant shall request Sublandlord's consent to a Transfer, Subtenant shall pay Sublandlord's processing costs and attorneys' fees and costs incurred in reviewing such request, including any fees due under the Master Lease, together with the fees and costs of Port in accordance with the terms of the Master Lease.

11.4 Sublandlord's Recapture Right. Notwithstanding anything to the contrary contained in this Sublease, if Subtenant shall request approval to Transfer any portion of the Sublease Premises then Sublandlord shall have the option, by giving written notice to Subtenant within thirty (30) days after receipt of any request for consent to such Transfer, to recapture the Sublease Premises subject to such request. Such recapture notice by Sublandlord shall cancel and terminate this Sublease as of the effective date of the proposed Transfer set forth in the request for consent, but Subtenant shall remain responsible for any obligations accrued prior to the date of Transfer.

11.5 Excess Consideration. If the consideration Subtenant receives for any Transfer (including key money and bonus money and any payment in excess of fair market value for services or assets provided or transferred in connection with the Transfer) exceeds the Base Rent and Percentage Rent payable under this Sublease for the same period and portion of the Sublease Premises, then the excess shall be immediately due and payable by Subtenant to Sublandlord as additional Rent under this Sublease. Subtenant shall allow Sublandlord and Port to review and audit Subtenant's Books and Records that are applicable to the payment of such additional Rent for the purpose of verifying Subtenant's calculation of additional Rent payable to Sublandlord and shall maintain such Books and Records for the period required by the Master Lease.

11.6 Other Transfer Terms. No permitted assignment shall be effective, and no permitted sublease shall commence unless and until any default by Subtenant hereunder has been cured. No assignment or subletting shall relieve Subtenant from Subtenant's obligations and agreements under this Sublease, and Subtenant shall continue to be liable as a principal and not as a guarantor or surety, to the same extent as though no assignment or subletting had been made. Subtenant hereby waives the provisions of Section 1995.310 of the California Civil Code, or any similar or successor Laws, now or hereinafter in effect, and all other remedies, including, without limitation, any right at law or equity to terminate this Sublease, on its own behalf and, to the extent permitted under all applicable Laws, on behalf of the proposed transferee. Any attempted Transfer in violation of this Section is voidable by Sublandlord.

## 12. Alterations.

12.1 Other Alterations. Subtenant shall not make any **Alterations** (including any **Exterior Improvements**) to or outside the Sublease Premises (including the installation of any wiring or cabling within the Sublease Premises) if to do so would constitute a default under the Master Lease (without regard to any requirement of notice or cure period), and in any event will not perform any Alterations without the prior written consent of Sublandlord and Port. If Subtenant's proposed Alterations would not constitute a default under the Master Lease and are approved by Port to the extent such approval is required pursuant to the Master Lease, Sublandlord's consent thereto shall not be unreasonably withheld, and if Sublandlord consents thereto, Sublandlord shall use reasonable efforts to obtain the consent of Port if such consent is required under the Master Lease. If Alterations by Subtenant are permitted or consented to, Subtenant shall comply with all of the covenants and obligations of Sublandlord, as Tenant, contained in the Master Lease pertaining to the installation and removal of such Alterations. In addition, Subtenant shall indemnify, defend, protect and hold Sublandlord and the Sublandlord Parties harmless from and against any and all claims arising out of the installation, use and removal of Alterations by or on behalf of Subtenant.

12.2 Removal; Restoration. Notwithstanding anything to the contrary contained in this Sublease or the Master Lease, Subtenant shall remove any Alterations to the Sublease Premises upon the Expiration Date or earlier termination of this Sublease and perform any repairs and restoration required if (i) Sublandlord notifies Subtenant prior to the Expiration Date that Subtenant will be obligated to remove the same upon the Expiration Date or earlier termination of this Sublease, or (ii) Port requires such removal and restoration.

13. **Casualty or Condemnation.** In the event of a fire or other casualty affecting the Building or the Sublease Premises, or of a **Condemnation** of all or a part of the Building or the Sublease Premises under the power of eminent domain, Subtenant shall have no right to terminate this Sublease. If the Master Lease imposes on Sublandlord the obligation to repair or restore the Premises or the Building, including any leasehold improvements or alterations, Sublandlord also will repair the Sublandlord Initial Improvements and Subtenant Initial Improvements to the extent of available insurance proceeds allocable thereto, and Subtenant shall be responsible for repair or restoration of any other leasehold improvements or Alterations within the Sublease Premises to the extent these improvements or Alterations were made by or for the benefit of Subtenant.

## 14. Surrender.

14.1 Generally. On the Expiration Date, or upon the earlier termination of this Sublease or of Subtenant's right to possession of the Sublease Premises, Subtenant will at once vacate, surrender and deliver up the Sublease Premises, together with all improvements thereon, to Sublandlord in good condition and repair, reasonable wear and tear and casualty excepted. Conditions existing because of Subtenant's failure to perform maintenance, repairs or replacements as required of Subtenant under this Sublease shall not be deemed "reasonable wear and tear." Subtenant shall surrender to Sublandlord all keys and other access control

devices to the Sublease Premises and make known to Sublandlord the combination of all combination locks that Subtenant is permitted to leave on the Sublease Premises.

14.2 Restoration of Alterations. All **Subtenant's Property** not removed shall become a part of and shall remain upon the Sublease Premises upon any termination, without compensation, allowance or credit to Subtenant. Notwithstanding the foregoing, if Subtenant is obligated to remove any Subtenant's Property pursuant to other provisions of this Sublease, then Subtenant shall remove such Subtenant's Property and shall restore the applicable portions of the Sublease Premises to the condition existing prior to the performance of the applicable Subtenant's Property, reasonable wear and tear excepted. Subtenant shall repair any damage occasioned by such removal or restoration. If Subtenant does not complete such removal or restoration in accordance with this Sublease, Sublandlord may remove the same (and repair any damage occasioned thereby), and dispose thereof, or at its election, warehouse the same. Subtenant shall pay the costs of such removal, repair, restoration and warehousing, plus an administrative fee equal to ten percent (10%) of such costs, on demand.

14.3 Trade Fixtures. On or before the Sublease Expiration Date, or upon the earlier termination of the Sublease or of Subtenant's right to possession of the Sublease Premises, Subtenant shall remove Subtenant's **trade fixtures**, and shall repair any injury or damage to the Sublease Premises that may result from such removal, and shall restore the Sublease Premises to the same condition as prior to the installation thereof. If Subtenant does not remove Subtenant's trade fixtures from the Sublease Premises on or before the Expiration Date or the earlier termination of Subtenant's right to possession, Sublandlord may, at its option, remove the same (and repair any damage occasioned thereby and restore the Sublease Premises as aforesaid) and dispose thereof or warehouse the same, and Subtenant shall pay the cost of such removal, repair, restoration or warehousing, plus as administrative fee equal to ten percent (10%) of such costs, to Sublandlord on demand, or Sublandlord may treat said trade fixtures as having been conveyed to Sublandlord with this Sublease acting as a bill of sale therefor, without further payment or credit by Sublandlord to Subtenant.

## 15. Holding Over.

15.1 No Right to Hold Over. Subtenant has no right to occupy the Sublease Premises or any portion thereof after the Sublease Expiration Date or after any earlier termination of this Sublease or of Subtenant's right to possession hereunder. In the event Subtenant or any party claiming by, through or under Subtenant so holds over, then Subtenant shall be deemed a tenant at sufferance and Sublandlord may exercise any and all remedies available to it at law or in equity to recover possession of the Sublease Premises, and to recover damages, including without limitation, all damages (consequential or direct) payable by Sublandlord to Port by reason of such holdover (which will include without limitation any escalated "holdover" rent payable by Sublandlord under the Master Lease).

15.2 Holdover Rate. Without limiting Sublandlord's rights under Section 13.1, for each and every month or partial month that Subtenant or any party claiming by, through or under Subtenant remains in occupancy of all or any portion of the Sublease Premises after the Sublease

Expiration Date or after the earlier termination of this Sublease or of Subtenant's right to possession, Subtenant shall pay, as minimum damages and not as a penalty, monthly rental at a rate equal to the greater of (i) twice the rate of Rent payable by Subtenant hereunder immediately prior to the Sublease Expiration Date or the earlier termination of this Sublease or of Subtenant's right to possession and (ii) the escalated "holdover" rent payable by Sublandlord under the Master Lease as a result of Subtenant's holdover. The acceptance by Sublandlord of any lesser sum shall be construed as payment on account and not in satisfaction of damages for such holding over.

## **16. Encumbering Title.**

16.1 Prohibition. Subtenant shall not do any act which in any way encumbers the title of Port in and to the Building nor shall the interest or estate of Port or Sublandlord be in any way subject to any claim by way of lien or encumbrance, whether by operation of law or by virtue of any express or implied contract by Subtenant, or by reason of any other act or omission of Subtenant. Any claim to, or lien upon, the Sublease Premises or the Building arising from any act or omission of Subtenant shall accrue only against the estate of Subtenant and shall be subject and subordinate to the paramount title and rights of Port and the Sublandlord.

16.2 Liens. Without limiting the generality of Section 16.1, Subtenant shall not permit the Sublease Premises or the Building to become subject to any mechanics', laborers' or materialmen's lien on account of labor or material furnished to Subtenant or claimed to have been furnished to Subtenant in connection with work of any character performed or claimed to have been performed on the Sublease Premises by, or at the direction or sufferance of, Subtenant. Sublandlord may cause such liens to be released by any means it deems proper, including payment, at Subtenant's expense and without affecting Sublandlord's rights.

## **17. Subtenant's Default.**

17.1 Definition. Any one or more of following events shall be considered a "Default" by Subtenant, as such term is used in this Sublease:

(a) Subtenant shall be adjudged an involuntary bankrupt, or a decree or order approving, as properly filed, a petition or answer filed against Subtenant asking reorganization of Subtenant under the Federal bankruptcy laws as now or hereafter amended, or under the laws of any state, shall be entered, and any such decree or judgment or order shall not have been vacated or stayed or set aside within thirty (30) days from the date of the entry or granting thereof; or

(b) Subtenant shall file, or admit the jurisdiction of the court and the material allegations contained in, any petition in bankruptcy, or any petition pursuant or purporting to be pursuant to the Federal Bankruptcy laws now or hereafter amended, or Subtenant shall institute any proceedings for relief of Subtenant under any bankruptcy or insolvency laws or any laws relating to the relief of debtors, readjustment of indebtedness, re-organization, arrangements, composition or extension; or

(c) Subtenant shall make any assignment for the benefit of creditors or shall apply for or consent to the appointment of a receiver for Subtenant or any of the property of Subtenant; or

(d) The Sublease Premises are levied on by any attachment or execution resulting from the debts of Subtenant; or

(e) A decree or order appointing a receiver of the property of Subtenant shall be made and such decree or order shall not have been vacated, stayed or set aside within thirty (30) days from the date of entry or granting thereof; or

(f) Subtenant shall vacate or abandon or fail to continuously occupy the Sublease Premises during the Sublease Term or conduct or attempt to conduct a Transfer other than in strict accordance with Section 11 hereof; or

(g) Subtenant fails to make any payment of Rent required to be made by Subtenant as and when such payment is due, understates Gross Revenues for any accounting period by more than five percent (5%), fails to make its Books and Records available in accordance with the Master Lease, or fails to make the certifications required under the Master Lease; or

(h) Subtenant fails to secure insurance or to provide proper evidence of insurance as set forth in Section 10 of this Sublease or fails to keep the Sublease Premises or the Building free of lien claims as set forth in this Sublease; or

(i) Subtenant, by its act or omission, causes an event or condition under the Master Lease which either is an immediate default thereunder or, subject only to the delivery of any required notice or passage of any cure or grace period, would constitute a default thereunder; or

(j) Subtenant fails to use the Sublease Premises solely for the Subtenant Permitted Use, fails to comply with the provisions of **Section 18** (Hazardous Materials) of the Master Lease as incorporated herein, or fails to comply with the provisions of the Subtenant Operations Plan, in each case in a manner that presents a health, safety, welfare or environmental risk or hazard, as determined by Port in its sole and absolute discretion and such failure continues for a period of twenty-four (24) hours following written notice from Port; or

(k) Subtenant fails to fulfill, keep, observe or perform any of the other covenants and obligations herein contained to be fulfilled, kept, observed and performed by Subtenant, and such failure continues for more than five (5) days after notice thereof in writing to Subtenant; or

(l) A default occurs under the Sublicense that is not cured within any period for cure provided therein.

17.2 Remedies. Upon the occurrence of any one or more Defaults, Sublandlord may exercise any remedy against, and recover such amounts from, Subtenant as Port may exercise or be entitled to for default by Tenant under the Master Lease as if Sublandlord were the Port and Subtenant were Tenant, which provisions of the Master Lease are hereby incorporated herein by reference. In addition, if Subtenant shall default under any of the terms or provisions of this Sublease on Subtenant's part to be performed, and Subtenant shall not have commenced diligently to cure any such default that is capable of cure within five (5) days after notice thereof to Subtenant (except in the case of what Sublandlord reasonably believes to be an emergency situation in which case no such notice need be given), Sublandlord may, in addition to any other remedy provided in this Sublease, by law or otherwise, cure such default and the cost thereof, together with interest thereon from the date incurred until paid at the maximum rate permitted under applicable law, shall be payable by Subtenant within ten (10) days after demand therefor, and in the event Subtenant fails to pay the same, Sublandlord may recover such costs, including interest, attorney's fees and disbursements and court costs, as additional rent, in an action brought against Subtenant. Each and every right and remedy of Sublandlord under this Sublease shall be cumulative and in addition to every other right and remedy herein contained or now or hereafter existing at law or in equity, by statute or otherwise.

17.3 Security Deposit. Sublandlord shall have the right to hold and apply the security deposit described in Section 1 on the same terms as set forth in Section 9 of the Master Lease, substituting Sublandlord for Port and Subtenant for Tenant thereunder.

## **18. Provisions Regarding Master Lease.**

18.1 Subject to Master Lease. This Sublease and all rights of the parties hereunder are subject and subordinate to the Master Lease. The parties hereby acknowledge, each to the other, that it is not practical in this Sublease to enumerate all of the rights and obligations of the various parties under the Master Lease and specifically to allocate those rights and obligations in this Sublease. Accordingly, in order to afford to Subtenant the benefits of this Sublease and of those provisions of the Master Lease which by their nature are intended to benefit the party in possession of the Sublease Premises, and in order to protect Sublandlord against a default by Subtenant which might cause a default by Sublandlord under the Master Lease, Sublandlord and Subtenant covenant and agree as set forth in this Section 18.

18.2 Relationship with Master Lease. Subtenant's estate shall in all respects be limited to, and be construed in a fashion consistent with, the estate granted to Sublandlord by Port. Subtenant shall stand in the place of Sublandlord and shall defend, indemnify and hold Sublandlord harmless with respect to all covenants, warranties, obligations, and payments made by Sublandlord under or required of Sublandlord by the Master Lease with respect to the Sublease Premises. In the event Sublandlord is prevented from performing any of its obligations under this Sublease by a breach by Port of a term of the Master Lease, then Sublandlord's sole obligation in regard to its obligation under this Sublease shall be to use reasonable efforts in diligently pursuing the correction or cure by Port of Port's breach (provided, however,

Sublandlord shall have no obligation to sue the Port on Subtenant's behalf or to terminate the Master Lease as a result of or in connection with any such breach by Port).

18.3 Incorporation of Master Lease. Except as expressly excluded or otherwise modified herein, and for purposes of incorporation thereof into this Sublease, the provisions of the Master Lease are hereby expressly incorporated into this Sublease with the term "Sublandlord" substituted for Landlord and the term "Subtenant" substituted for Tenant and the term "Sublease" substituted for Lease. Without limiting the generality of the foregoing, Port requires incorporation in subleases of certain provisions of and obligations under the Master Lease, including those detailed in Section 34: "**City and Port Requirements**" and Section 23.5(d): "**Required Provisions in Subleases**", and, accordingly, all such provisions are incorporated by reference herein, and Subtenant acknowledges and agrees to be bound by and perform all such provisions and obligations, even if such provisions do not apply to Sublandlord due to the nature of its activities or business (e.g., those relating to serving food or beverages, advertising of products).

18.4 Subtenant's Performance. Except as otherwise expressly provided in this Sublease, Subtenant shall perform all affirmative covenants and shall refrain from performing any act which is prohibited by the negative covenants of the Master Lease, where the obligation to perform or refrain from performing is by its nature imposed upon the party in possession of the Sublease Premises. If practicable, and except for different time periods set forth herein, Subtenant shall perform affirmative covenants which are also covenants of Sublandlord under the Master Lease at least five (5) days prior to the date when Sublandlord's performance is required under the Master Lease.

18.5 Termination of Master Lease. The parties agree that: (a) if the Master Lease should terminate prior to the Expiration Date for any reason, then Sublandlord shall have no liability to Subtenant; and (b) to the extent the Master Lease grants Sublandlord any discretionary right to terminate the Master Lease, whether due to casualty, Condemnation, by election by Sublandlord or otherwise, Sublandlord shall be entitled to exercise or not exercise such right in its sole and absolute discretion and without liability to Subtenant. If Sublandlord and Port agree to terminate the Master Lease, Sublandlord will give Subtenant notice no later than execution of such agreement. Provided that Subtenant remains in occupancy of the Sublease Premises and is not in default under this Sublease, Sublandlord shall make all reasonable efforts to give Subtenant notice of any such termination at least ninety (90) days prior the Master Lease termination date unless termination results from a casualty, Condemnation or other circumstance for which such advance notice is not reasonably feasible.

Upon any termination of the Master Lease and this Sublease, the parties shall have no further rights or obligations under this Sublease except pursuant to those provisions that expressly survive the expiration or earlier termination of this Sublease. In the event of termination, reentry or dispossession by Port under the Master Lease, Port may, at its option, take over all of the right, title and interest of Sublandlord under this Sublease, and Subtenant shall, at Port's option, attorn to Port pursuant to the then executory provisions of this Sublease.

18.6 Incorporation of Release and Indemnity Provisions. Any non-liability, release, indemnity or hold harmless provision in the Master Lease for the benefit of Port shall be deemed to apply under this Sublease and inure to the benefit of both Sublandlord and Port.

18.7 Consents. If Subtenant desires to take any action that requires the consent of Port under the terms of the Master Lease, then, notwithstanding anything to the contrary herein: (a) except as otherwise expressly provided in this Sublease, Sublandlord, independently, shall have the same rights of approval or disapproval as Port has under the Master Lease; (b) Subtenant shall not take any such action until it obtains the consent of both Sublandlord and Port; and (c) Subtenant shall request that Sublandlord obtain Port's consent on Subtenant's behalf and Sublandlord shall use commercially reasonable efforts to obtain such consent. Subtenant shall pay all reasonable costs (including attorneys' fees) reasonably incurred by Sublandlord in seeking or procuring Port's consent. Any approval or consent required of Sublandlord conclusively shall be deemed reasonably withheld if approval or consent also is required of the Port, and Port fails to give Port's approval or consent.

18.8 Submissions. In all provisions of the Master Lease requiring Tenant to submit, exhibit to, supply or provide Port with evidence, certificates, or any other matter or thing, Subtenant shall be required to submit, exhibit to, supply or provide, as the case may be, the same to Sublandlord. Specifically, and without limiting the foregoing, Subtenant shall initially supply all matters relating to Percentage Rent required under Section 5 of the Master Lease to Sublandlord, and Sublandlord shall have the same rights to examine Subtenant's Books and Records and require Certifications with respect to Percentage Rent as does Port under the Master Lease. In any such instance, Sublandlord shall determine if such evidence, certificate or other matter or thing shall be satisfactory. All time periods for the Port to respond or perform under the Master Lease shall, as applicable to Sublandlord, be extended by an additional five (5) business days. All terms applicable to time periods for Sublandlord, as tenant under the Master Lease, to perform or respond shall, as applicable to Subtenant, be shortened by five (5) days, or, in the case of Percentage Rent submissions described in Section 5.4 hereof, ten (10) days, except that in the event the time period is five (5) days or less, the time period for performance by Subtenant shall be two (2) days.

18.8 Transfers. In the event of any assignment or transfer of the Sublandlord's interest under this Sublease, Sublandlord shall be and hereby is entirely relieved of all covenants and obligations of Sublandlord hereunder accruing subsequent to the date of the transfer, and it shall be deemed and construed, without further agreement between the parties hereto, that any transferee has assumed and shall carry out all covenants and obligations thereafter to be performed by Sublandlord hereunder.

18.9 Conflict with Master Lease. As between Sublandlord and Subtenant, in the event of a conflict between the provisions of the Master Lease incorporated into this Sublease and the provisions of this Sublease, the provisions of this Sublease shall control.

18.10 Estoppels. Subtenant, at any time and from time to time upon not less than five (5) days' prior notice from Sublandlord, shall execute and deliver to Sublandlord, Port or to any

party designated by Sublandlord or Port a certificate in substantially the same form as that attached to the Master Lease as “**Exhibit J.**” If Subtenant shall fail to provide such certificate within such five (5) day period, such failure shall, at Sublandlord’s or Port’s election, constitute a default under this Sublease, and Subtenant shall be deemed to have admitted the accuracy of any information supplied by Sublandlord or Port to a prospective purchaser or mortgagee.

## **19. Port’s Consent.**

19.1 Requirement for Consent. This Sublease and the obligations of the parties hereunder are expressly conditioned upon Sublandlord obtaining prior written consent hereto by Port in form and content reasonably acceptable to Sublandlord. Simultaneously with execution of this Sublease, Subtenant shall execute and deliver to Subtenant and Port a form of Consent to Sublease required by Port and attached to the Master Lease as “**Exhibit C**”. Subtenant shall promptly deliver to Sublandlord any information reasonably requested by Port with respect to the nature and operation of Subtenant’s business and/or the financial condition of Subtenant. Subtenant shall also provide such further information as may be requested by the City or Port to enable compliance with reporting obligations under state Law and San Francisco Administration Code Sections 23.38 and 23.39 (or any successor ordinance). In the event that, for any reason, the consent of Port to this Sublease is not obtained within sixty (60) days after the Execution Date, then either party may terminate this Sublease by giving the other party written notice thereof, in which event this Sublease shall terminate and neither party shall have any obligation hereunder.

19.2 Agreements for Port’s Benefit. Sublandlord and Subtenant hereby agree, for the benefit of Port, that this Sublease and Port’s consent hereto shall not (a) create privity of contract between Port and Subtenant; (b) be deemed to have amended the Master Lease in any regard (unless Port shall have expressly agreed writing to such amendment); or (c) be construed as a waiver of Port’s right to consent to any assignment of the Master Lease by Sublandlord or any further subletting of the Sublease Premises, or as a waiver of Port’s right to consent to any assignment by Subtenant of this Sublease or any further subletting of the Sublease Premises or any part thereof.

## **20. Notices.**

20.1 Generally. All notices which may or are required to be given by either party to the other shall be in writing and shall be deemed given (i) if personally delivered, when received or refused (provided that any notice so delivered on a weekend or holiday will be deemed given on the next-succeeding business day), or (ii) if sent by United States mail, postage prepaid, on the business day after the business day of mailing, or (iii) if sent by a nationally recognized overnight commercial courier service providing receipted delivery, on the business day immediately following delivery to the courier, in any such case (a) if to Subtenant, addressed to Subtenant at the addresses specified in Section 1.9 or at such other place as Subtenant may from time to time designate by notice in writing to Sublandlord or (b) if for Sublandlord, addressed to Sublandlord at the address specified in Section 1.10 or at such other place as Sublandlord may from time to time designate by notice in writing to Subtenant. Each party agrees promptly to deliver to the

other party a copy of any notice, demand, request, consent or approval received from Port that affects the rights or obligations under this Sublease.

20.2 Default Notices. Any notice delivered by Sublandlord in connection with, or as a precondition to, a Default by Subtenant shall be in lieu of and not in addition to any notice to pay rent or notice to perform any covenant required under law.

## 21. Miscellaneous.

21.1 Brokers. Each party warrants to the other that it has had no dealings with any broker or agent in connection with this Sublease.

21.2 Attorneys' Fees. The Prevailing party in any action or proceeding (including any cross-complaint, counterclaim, or bankruptcy proceeding) against the other party by reason of a claimed default, or otherwise arising out of a party's performance or alleged non-performance under this Sublease, shall be entitled to recover from the other party its costs and expenses of suit, including but not limited to reasonable attorneys' fees, which shall be payable whether or not such action is prosecuted to judgment. "**Prevailing party**" within the meaning of this Section shall include, without limitation, a party who substantially obtains or defeats, as the case may be, the relief sought in the action, whether by compromise, settlement, judgment or the abandonment by the other party of its claim or defense.

21.3 Entire Agreement. This Sublease is the entire agreement between the parties regarding its subject matter and supersedes any prior oral or written agreements among them regarding the subject matter contained herein. Subtenant shall continue to be liable for any obligations under the Sublicense dated June 6, 2022 under Port License 16931, dated June 3, 2022 which have accrued prior to the date of termination and any obligations which by their terms survive the termination or expiration of the such Sublicense.

21.4 Waiver. No waiver of any provision of this Sublease or consent to any action shall constitute a waiver of any other provision of this Sublease or consent to any other action. No waiver or consent shall constitute a continuing waiver or consent, or commit a party to provide a future waiver, unless such provision is expressly set forth in writing.

21.5 Interpretation. The terms of this Sublease have been negotiated by the parties hereto and the language used in this Sublease shall be deemed to be the language chosen by the parties hereto to express their mutual intent. The parties acknowledge and agree that each party and its counsel have reviewed and revised this Sublease and that no rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall be employed in the interpretation of this Sublease.

21.6 Amendment. This Sublease is subject to amendment only by a writing that makes reference to this Sublease and is signed by all parties hereto.

21.7 Signage. Subject to the terms and conditions of the Master Lease, including without limitation those relating to **Historic Fabric**, and only to the extent that Port consents thereto, Subtenant shall have the right to install at its sole cost and expense, signage on the

Sublease Premises. Without limiting the foregoing, Sublandlord and Port shall have the right to review and approve the place, number, size, color and style of such signage.

21.8 Diversity, Equity and Inclusion. Subtenant, on behalf of itself and any Transferees, acknowledges the importance of furthering the values of diversity, equity, and inclusion. Tenant agrees to abide by the “**DEI Plan**” generally described in **Exhibit L** attached to the Master Lease, which may be reasonably amended, updated, and clarified from time to time by Port or the parties.

***[ATTACHED HERETO]***

**EXHIBIT D**  
**SUBTENANT INSURANCE REQUIREMENTS**

**1. MINIMUM SCOPE AND LIMIT OF INSURANCE**

Coverage shall be at least as broad as:

- a. Commercial General Liability (CGL):** Insurance Services Office Form CG 00 01 covering CGL on an "occurrence" basis, with limits not less than One Million Dollars (\$1,000,000.00) per occurrence with a combined single limit including bodily injury, property damage, contractual liability, independent contractors, products and completed operations, and personal & advertising injury. CGL policy must not contain any exclusions for special events/participants liability. If CGL policy contains exclusions, a separate participant accident/event policy will be required. If applicable, the CGL policy must include Food Products Liability Insurance with limits not less than One Million Dollars (\$1,000,000) per occurrence.
- b. Automobile Liability:** ISO Form Number CA 00 01 covering any auto (Code 1), or if Subtenant has no owned autos, hired, (Code 8) and non-owned autos (Code 9), with limit no less than One Million Dollars (\$1,000,000) per accident for bodily injury and property damage.
- c. Workers' Compensation/Employer's Liability:** Workers' Compensation insurance as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limits of no less than One Million Dollars (\$1,000,000) per accident for bodily injury or disease. Such Workers' Compensation insurance should be supplemented by United States Longshore and Harbor Workers Compensation and Marine Employer's Liability insurance where appropriate to the operations of Subtenant.
- d. [DPP only: Sexual Abuse or Molestation (SAM) Liability:** If the work will include contact with minors, and the CGL policy referenced above is not endorsed to include affirmative coverage for sexual abuse or molestation, Subtenant shall obtain and maintain a policy covering Sexual Abuse and Molestation with a limit no less than One Million Dollars (\$1,000,000) per occurrence or claim.]
- e. Property Insurance:** In lieu of Subtenant obtaining property insurance with respect to the Sublease Premises, Sublandlord will obtain property insurance for the entire Premises, and the costs thereof shall be allocated among Sublandlord and Subtenants according to relative square footage. Subtenant shall obtain and pay for any additional insurance deemed necessary for risk of loss to Subtenant's Property.
- f. Business Income/Gross Revenue:** Business income loss and extra expense coverage appropriate to Subtenant's business operations, covering an interruption period of not less than two (2) years, with a limit of not less than twenty-four (24) months of Gross Revenues.

- g. Excess/Umbrella Liability:** providing limits of no less than Three Million Dollars (\$3,000,000) above the Subtenant's General Liability, Auto, SAM and Employer's Liability coverages required.

Subtenant may satisfy the insurance limits set forth above by any combination of primary and excess insurance policies. If Subtenant maintains broader coverage and/or higher limits than the minimums shown above, Sublandlord requires and shall be entitled to the broader coverage and/or the higher limits maintained by Subtenant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to Sublandlord.

## **2. Other Insurance Provisions**

The insurance policies are to contain, or be endorsed to contain, the following provisions:

- a. Additional Insured Status:** The YMCA of San Francisco, its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of Subtenant including materials, parts, or equipment furnished in connection with such work or operations. In addition, The City and County Of San Francisco, and The San Francisco Port Commission and their respective Officers, Directors, Employees and Agents shall be added as additional insureds. General liability coverage can be provided in the form of an endorsement to the Subtenant's insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of **both** CG 20 10, CG 20 26, CG 20 33, or CG 20 38; **and** CG 20 37 if a later edition is used). The additional insured coverage shall not include any special limitations on the scope of protection afforded to Sublandlord or any of the other Additional Insureds.
- b. Primary Coverage:** For any claims related to this contract, Subtenant's insurance coverage shall be primary coverage at least as broad as ISO CG 20 01 04 13 as respects the YMCA of San Francisco, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the YMCA of San Francisco, its officers, officials, employees, or volunteers shall be excess of Subtenant's insurance and shall not contribute with it.
- c. Loss Payee:** Policies shall name Sublandlord and the other parties defined in the Master Lease as Loss Payee, as their interests may appear.
- d. Notice of Cancellation:** Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to Sublandlord.
- e. Waiver of Subrogation:** Subtenant hereby grants to Sublandlord and the Additional Insureds a waiver of any right to subrogation which any insurer of said Subtenant may acquire against Sublandlord and the Additional Insureds by virtue of the payment of any loss under such insurance. Subtenant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless

of whether or not Sublandlord and the Additional Insureds has received a waiver of subrogation endorsement from the insurer.

- f. Self-Insured Retentions:** Self-insured retentions must be declared to and approved by Sublandlord. Sublandlord may require the Subtenant to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or Sublandlord.
- g. Acceptability of Insurers:** Insurance is to be placed with insurers authorized to conduct business in the state with a current A.M. Best's rating of no less than A:VIII, unless otherwise acceptable to Sublandlord.
- h. Verification of Coverage:** Subtenant shall furnish Sublandlord with original Certificates of Insurance including all required amendatory endorsements (or copies of the applicable policy language effecting coverage required by this clause) and a copy of the Declarations and Endorsement Page of the CGL policy listing all policy endorsements to Sublandlord prior to the Sublease Commencement Date. However, failure to obtain the required documents prior to the Sublease Commencement Date shall not waive Subtenant's obligation to provide them. Thereafter, executed copies of renewal policies thereof shall be delivered to Sublandlord within thirty (30) days prior to the expiration of the term of each such policy. Sublandlord reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.
- i. Contractors:** Subtenant shall require and verify that all contractors working under Subtenant maintain insurance meeting all requirements stated herein (except the requirement for SAM Liability if the contractor will not be working with minors), and Subtenant shall ensure that all additional insureds identified above shall be named on contractors' insurance.
- j. Change of Risks or Circumstances:** Port and Sublandlord reserve the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, market conditions, economic circumstances or other special circumstances in Sublandlord's and Port's sole discretion.

**EXHIBIT D**

**DAILY DRIVER  
CONSENT TO SUBLEASE**

This Consent to Sublease (this “**Consent**”) is made as of \_\_\_\_\_, 2023, by and among the **CITY AND COUNTY OF SAN FRANCISCO**, a municipal corporation (the “**City**”) operating by and through the **SAN FRANCISCO PORT COMMISSION** (“**Port**”), **YOUNG MEN’S CHRISTIAN ASSOCIATION OF SAN FRANCISCO, A CALIFORNIA NONPROFIT PUBLIC BENEFIT CORPORATION** (“**Master Tenant**”) and **DAILY DRIVER LLC, LLC, A CALIFORNIA LIMITED LIABILITY COMPANY** (“**Subtenant**”).

**RECITALS**

**A.** On October 26, 2021, the Port Commission authorized lease negotiations with Master Tenant who was the highest scoring respondent to the Port’s Building 49 Request for Proposals (see Port Commission Resolution 21-46). Master Tenant’s proposal included Subtenant, a community-oriented, female-owned food and beverage business specializing in bagels and house-made butter and cream cheese as a partner. Port and Master Tenant entered into that certain Lease No. L-16997 dated as of \_\_\_\_\_ for reference purposes (the “**Master Lease**”) for Building 49 located within Crane Cove Park in San Francisco, California (“**Existing Premises**”), as more particularly described in the Master Lease (see Port Commission Resolution xx-xx; Board of Supervisors Resolution xx-xx).

**B.** Master Tenant desires to sublease a portion of the Existing Premises, known as Sublease Premises B, as further described in *Exhibit 1* attached hereto (the “**Subleased Premises**”) to Subtenant and Subtenant desires to sublease from Master Tenant the Subleased Premises (the “**Sublease**”). Subtenant has provided Port an estoppel certificate in the form attached to the Master Lease.

**C.** Master Tenant has requested that Port consent to the Sublease, and Port has agreed to consent to the Sublease to be concurrent with the Master Lease, on the terms and conditions set forth herein. Port’s consent to the Sublease includes Port’s consent to Subtenant’s Operations Plan, if any, which shall be incorporated into Tenant’s Operations Plan under the Master Lease for the duration of the Sublease for the convenience of Port, Master Tenant and Subtenant.

**D.** NOW, THEREFORE, in consideration of the foregoing, and in consideration of the mutual agreements and covenants hereinafter set forth, Port, Master Tenant and Subtenant agree as follows:

**1. Master Lease.**

The Sublease shall be subject and subordinate to the Master Lease and to all of its terms, covenants, conditions, provisions and agreements. Master Tenant and Subtenant represent and warrant to Port that (a) the copy of the Sublease attached hereto as *Exhibit 2* is true, complete and correct and constitutes the entire agreement between the parties, and (b) the Sublease shall not be modified, terminated or amended without prior thirty (30) days written notice to Port. The Subtenant shall be bound by all of the terms, covenants, conditions, provisions and agreements of the Master Lease. Neither the Sublease nor this Consent shall be construed to modify, waive or affect any of the terms, covenants, conditions, provisions or agreements of the Master Lease.

**2. Automatic Termination.**

The term of the Sublease shall automatically terminate upon the termination of the Master Lease for any reason whatsoever, including, without limitation, the termination of the

Master Lease prior to the expiration of the term thereof pursuant to a written agreement between Port and Master Tenant.

**3. No Release or Waiver.**

Neither the Sublease nor this Consent shall: (a) release or discharge the Master Tenant from any liability, whether past, present or future, under the Master Lease; or (b) be construed to waive any breach by Master Tenant of the Master Lease, or any of Port's rights as the landlord thereunder, or to enlarge or increase Port's obligations thereunder. Master Tenant and Subtenant shall be and continue to be liable for the payment of all bills rendered by Port, if any, for charges incurred by the Subtenant for services and materials supplied to the Subleased Premises.

**4. No Further Consent.**

Neither the Sublease nor this Consent shall: (a) operate as a consent or approval by Port to any of the terms, covenants, conditions, provisions or agreements of the Sublease, and Port shall not be bound thereby, or (b) be construed as a consent by Port to any further subletting either by Master Tenant or by the Subtenant or to any assignment by Master Tenant of the Master Lease, or assignment by the Subtenant of the Sublease, it being clearly understood that this Consent shall not in any way be construed to relieve Master Tenant or Subtenant of the obligation to obtain Port's prior written consent to any further subletting or assignment.

**5. Assignment of Rent.**

In the event of an Event of Default by Master Tenant under the Master Lease, the rent due from the Subtenant under the Sublease shall be deemed assigned to Port, and Port shall have the right, at any time, upon such Event of Default at Port's option, to give notice of such assignment to the Subtenant, whereupon Subtenant shall pay all rent thereafter becoming due and payable directly to Port. Port shall credit Master Tenant with any rent received by Port, but the acceptance of any payment on account of rent from the Subtenant shall not release Master Tenant from any liability under the Master Lease. Any payment of rent from the Subtenant directly to Port, or any other action by Subtenant, regardless of the circumstances or reasons therefor, shall in no manner whatsoever be deemed an attornment by the Subtenant to Port in the absence of a specific written agreement signed by Port to such effect. Port in its sole and absolute discretion may at any time after an Event of Default by Master Tenant under the Master Lease, elect to have Subtenant either attorn to Port or vacate the Subleased Premises, by giving written notice to Subtenant. If Port elects to have Subtenant attorn to Port, such notice shall state that Port is assuming Master Tenant's position under the Sublease and that Subtenant shall attorn to Port and be bound to Port under all the terms, covenants and conditions of the Sublease for the balance of the Sublease term and any extensions or renewals thereof which may then or later be in effect, all with the same force and effect as if Subtenant had been the original tenant for the Subleased Premises under the Master Lease. Any attornment shall be effective and self-operative without the execution of any further instruments. Master Tenant waives and releases any claim in the event that Subtenant makes payment directly to Port and shall hold Subtenant harmless therefor.

**6. Rent.**

Port's consent to the Sublease is conditioned on Master Tenant paying Percentage Rent to Port as defined and in the manner described in the Master Lease. No Representation or Warranty by Port.

Nothing contained herein shall operate as a representation or warranty by Port of any nature whatsoever.

**7. Indemnity and Exculpation.**

Notwithstanding any provision to the contrary in the Sublease, as between Port and Subtenant, Subtenant agrees and acknowledges to be bound by the indemnification and exculpation provisions of the Master Lease, all with the same force and effect as if Subtenant had been the original tenant for the Subleased Premises under the Master Lease. The obligation of Subtenant under this **Section 8** shall survive any termination or expiration of the Sublease or the Master Lease.

**8. Waiver of Relocation.**

To the extent allowed by applicable Law, Master Tenant and Subtenant hereby waive any and all rights, benefits or privileges of the California Relocation Assistance Law, California Government Code §§ 7260 et seq., or under any similar law, statute or ordinance now or hereafter in effect.

**9. Insurance.**

Notwithstanding any provision to the contrary in the Sublease, Subtenant shall, at Subtenant's expense, with respect to the Subleased Premises, secure and keep in force during the term of the Sublease such insurance as required under the Sublease. Such liability policy or policies of insurance shall name as additional insureds by written endorsement "**THE CITY AND COUNTY OF SAN FRANCISCO, THE SAN FRANCISCO PORT COMMISSION AND THEIR OFFICERS, AGENTS, EMPLOYEES, AND REPRESENTATIVES.**" A certificate evidencing such insurance shall be delivered to Port promptly after the date hereof. Subtenant additionally acknowledges Port's absolute right to demand increased coverage to amounts consistent with the type of Subtenant's business activities on the Subleased Premises.

**10. Miscellaneous.**

(a) This Consent may be executed in counterparts.

(b) This Consent shall be governed by and construed in accordance with the laws of the State of California. In the event of a conflict between the terms and provisions of this Consent and the Sublease, this Consent shall control. Terms not defined in this Consent shall have the same meanings as in the Master Lease.

(c) The terms and provisions of this Consent shall bind and inure to the benefit of the parties hereto and their respective successors and permitted assigns.

(d) If any one or more provisions in this Consent shall be invalid, illegal or unenforceable for any reason, the remaining provisions contained herein shall not in any way be affected or impaired thereby.

(e) This Consent may not be modified or amended except by a writing executed by all parties to the Consent.

(f) Port and Subtenant hereby mutually waive any claim against the other and its agents for any loss or damage to any of their property located on or about the Subleased Premises and the Building that is caused by or results from perils covered by property insurance carried by the respective parties, to the extent of the proceeds of such insurance actually received with respect to such loss or damage, whether due to the negligence of the other party or its agent(s). Each party shall immediately notify its insurer, in writing, of these mutual waivers and have their insurance policies endorsed to prevent the invalidation of the insurance coverage because of these waivers.

**11. Effective Date.**

The Effective Date of this Consent is the Effective Date of the Master Lease.

The execution of this Consent by Master Tenant and Subtenant shall evidence Master Tenant's and Subtenant's joint and several confirmation of the foregoing conditions, and of their agreement to be bound thereby and shall constitute Subtenant's acknowledgement that it has received a copy of the Master Lease.

1.2 **Sublease Effective Date; Sublease Commencement Date:** The Sublease Effective Date is the latest of: (i) the Execution Date; (ii) the “Effective Date” identified in the Master Lease; and (iii) the date on which Sublandlord has received Port’s written consent to this Sublease and any items related to this Sublease for which Port’s consent is required. **2. Definitions:** Each of the terms identified in Section 1 of this Sublease has the meaning given in such Section. Other capitalized words and phrases for which no definition is given in this Sublease shall have the meanings given them in the Master Lease (in some cases, these terms defined in the Master Lease are denoted by bold lettering). Unless otherwise indicated, all section references are to the sections of this Sublease.

**3. Demise of Sublease Premises; Representations.**

3.1 General Demise. As of the Sublease Effective Date, Sublandlord subleases the Sublease Premises to Subtenant, and Subtenant subleases the Sublease Premises from Sublandlord, subject to the specific effective dates and terms and conditions of this Sublease.

3.2 Representations. Subtenant represents and warrants to Sublandlord that:  
(a) Subtenant is familiar with the provisions of the Master Lease insofar as it pertains to the Sublease Premises and Subtenant's use and occupation thereof under this Sublease;

(b) Subtenant has the right and power to execute and deliver this Sublease and to perform its obligations hereunder; (c) the person or persons executing this Sublease for Subtenant are fully authorized to so act and no consent, authorization or other action is required to bind Subtenant to this Sublease; (d) Subtenant is duly organized and in good standing in the State of California; (e) there are no undischarged judgments pending against Subtenant, and Subtenant has not received notice of the filing of any pending suit or proceedings against Subtenant except as disclosed in writing to Sublandlord; (f) the delivery, and performance of this Sublease will not conflict with any instrument by which Subtenant is bound or any law applicable to Subtenant; and (g) Subtenant is not in default under, and has not received notice asserting that it is in default under, any agreement for borrowed money. Subtenant's representations and warranties in this Sublease will survive any termination of this Sublease.

#### **4. Sublease Term.**

4.1 Sublease Term. The term of this Sublease (the "**Sublease Term**") shall begin on the Sublease Commencement Date and end on the Sublease Expiration Date, unless sooner terminated earlier in accordance with the terms of this Sublease. Promptly following a written request therefor, Subtenant agrees to execute a certificate prepared by Sublandlord setting forth the actual Sublease Effective Date, Sublease Commencement Date, Sublease Rent Commencement Date and/or Sublease Expiration Date and other confirmations reasonably requested by Sublandlord. In the event Subtenant fails to execute such certificate within five (5) business days following delivery thereof to Subtenant, Subtenant shall be deemed to have approved all of the matters set forth in such certificate and such certificate shall be fully binding on Subtenant notwithstanding anything to the contrary herein.

4.2 Termination. The Sublease Term shall end on the Sublease Expiration Date. However, this Sublease may be terminated prior to the Sublease Expiration Date if the Master Lease is terminated for any cause whatsoever (and Port does not require Subtenant to attorn to Port) or if this Sublease is terminated as otherwise provided for herein. Subtenant shall have no option to extend the Sublease Term or elect an early termination of the Sublease Term except as expressly set forth herein.

4.3 Extension Options. Subject to any required prior approval of Port, and provided (i) this Sublease and the Master Lease are in full force and effect; (ii) Sublandlord has exercised rights to extend the term of the Master Lease; (ii) Subtenant is not in breach or default under any of the terms and conditions of this Sublease at any time from the Sublandlord Extension Notice until the beginning of the Extension Term; and (iii) Subtenant, at the time of notification and extension, is conducting regular, active, ongoing business in, and is in occupancy of the entire Sublease Premises (and occupancy by a subtenant, licensee or other party permitted or suffered by Subtenant shall not satisfy such condition even if permitted under this Sublease), then Subtenant shall have options to extend (each, an "**Extension Option**") this Sublease for the extension term exercised by Sublandlord under the Master Lease (each, an "**Extension Term**"), on the terms and conditions set forth in a notice from Sublandlord given between Three Hundred Sixty-Five (365) and Two Hundred Seventy (270) days prior to the then expiration date of this

Sublease, except that in the case of any extension terms under the Master Lease shorter than five (5) years, such notice shall be given between six (6) and four (4) months prior to the then expiration date of this Sublease (“**Sublandlord Extension Notice**”).

(a) If Subtenant elects to exercise an Extension Option, then Subtenant shall provide Sublandlord with written notice of exercise and acceptance of the terms and conditions of the Sublandlord Extension Notice no later than thirty (30) days after receipt of the Sublandlord Extension Notice.

(b) If Subtenant fails to validly exercise any Extension Option, Subtenant shall have no further right to extend the Sublease Term.

(c) The Extension Options are not transferable, and no assignee or sublessee will have any rights to exercise the Extension Options.

(d) If, for any reason, the Master Lease is not extended for an Extension Term, even after a Sublandlord Extension Notice has been given, any Subtenant exercise of an Extension Option shall become void and the Sublease Term shall not be extended.

## **5. Rent.**

5.1 Rent Defined. The rent payable by Subtenant for the Sublease Premises shall consist of the Monthly Base Rent, Percentage Rent, and any other sums payable by Subtenant under this Sublease (collectively referred to as “**Rent**”). Subtenant’s covenant to pay Rent shall be independent of every other covenant in this Sublease. Subtenant shall make all payments due to Sublandlord pursuant to this Sublease as directed by Sublandlord. However, at Port’s election, Subtenant shall pay Rent directly to Port upon receiving Port’s written notice that an Event of Default has occurred under the Master Lease.

5.2 Monthly Base Rent. Beginning on the Rent Commencement Date and continuing thereafter on the first (1<sup>st</sup>) day of each calendar month during the Sublease Term, the Monthly Base Rent specified in Section 1 shall be payable by Subtenant to Sublandlord in advance, and without notice, demand, deduction or offset. The parties shall agree on an automatic or other payment mechanism that shall guarantee timely payment of the Monthly Base Rent.

5.3 Applicability of Rent Credits. Subtenant agrees that it shall not be entitled to any portion of a rent credit or other accommodation that may be given by Port to Sublandlord in connection with Sublandlord’s performance of improvements under the Master Lease or otherwise.

5.4 Percentage Rent. Beginning on the Rent Commencement Date and continuing thereafter, Subtenant agrees to pay to Sublandlord, in addition to the Monthly Base Rent, Percentage Rent in an amount set forth in Section 1. The determination of Percentage Rent shall be subject to and in accordance with the terms and conditions of Sections 5.2, 5.4 and 5.5 of the Master Lease, except that each of the time periods for delivery of payment or statements

provided for in such Sections 5.2, 5.4, and 5.5 shall be shortened by ten (10) days with respect to Subtenant's performance in order to enable Sublandlord to receive such items from Subtenant and comply with its obligations under the Master Lease. (See also Section 18.8 below.) Subtenant further acknowledges and agrees that certifications may be required directly to Port or both Port and Sublandlord and that each of Sublandlord and Port may have the right to audit Subtenant's Books and Records. Subtenant shall be responsible for all costs and expenses incurred by Sublandlord due to Sublandlord's obligation to cause compliance by Subtenant with the Percentage Rent obligations, including Late Charges, audit fees and attorneys' fees referenced therein.

5.5 Additional Rent. Subtenant will pay its allocable share (or separate assessable amount) of any property, possessory interest or similar taxes or fees related to the Sublease Premises (allocated according to the method of calculation, e.g., fair market rent for the Sublease Premises) and will be responsible for preparing and filing any returns or documents necessary for purposes of compliance with possessory interest or other taxes. Subtenant acknowledges that it will be necessary to furnish a copy of this Sublease to the County Assessor. Such taxes and fees shall be paid directly to the assessing authority, if permitted by such authority. Without limiting the foregoing, throughout the Sublease Term, Subtenant also shall pay within five (5) days after written notice and as additional Rent hereunder, the following amounts payable with respect to the Sublease Premises, as further provided in Sections 8.1 and 8.2 of the Master Lease: (a) all taxes, assessments, insurance premiums, operating and maintenance charges, fees, costs, expenses, liabilities and obligations of every description which Sublandlord assumed or is obligated to pay or discharge pursuant to the Master Lease or otherwise, together with every fine, penalty, interest or other charge which may be added for non-payment or late payment, whether payable to Port or to other persons, parties or entities designated herein; (b) reimbursement to Port or Sublandlord for taxes on personal property, equipment and fixtures located in or about the Sublease Premises during the Sublease Term, whether or not owned by Subtenant; (c) any damage to the Premises, the Park or other Port property resulting from the act or omission of Subtenant or Subtenant's agents, employees, contractors, **Invitees**, sub-subtenants, assignees, licensees, transferees or representatives (collectively, the "**Subtenant Parties**"); (d) any damages or costs incurred by Sublandlord due to a breach or default under the Master Lease that is the result of any default or failure of performance by Subtenant under this Sublease; and (e) any other costs or expenses payable by Subtenant to Sublandlord under this Sublease.

5.6 Late Payments. All Rent shall be paid to Sublandlord or to such other person or such other place as Sublandlord may from time to time designate in writing. If any Rent is not paid when due, Subtenant acknowledges that Sublandlord will incur costs or penalties to Port and additional administrative expenses and costs which are difficult or economically impractical to ascertain and, accordingly, Subtenant shall pay Sublandlord, as a reasonable approximation of such additional administrative expenses and costs, an administrative charge equal to ten percent (10%) of the delinquent amount, which amount shall be payable for each thirty (30) days (or portion thereof) such payment is overdue. Neither demand for nor receipt of any late charge called for under this Sublease shall (i) operate to waive any default by Subtenant or provide a

substitute for Subtenant's full and timely performance of the obligation to pay Rent, or (ii) limit the exercise of any other right or remedy Sublandlord may have under this Sublease in case of Subtenant's default.

## 6. Initial Improvements.

6.1 Sublandlord Initial Improvements. Prior to the Sublease Rent Commencement Date, Sublandlord will cause to be performed and will pay for the work with respect to the Sublease Premises designated as Sublandlord Improvements on **Exhibit C** attached hereto (the "**Sublandlord Initial Improvements**").

6.2 Subtenant Initial Improvements. Prior to the Sublease Rent Commencement Date, Subtenant, at Subtenant's sole cost and expense, shall cause the work designated as Subtenant Initial Improvements on **Exhibit C** attached hereto (the "**Subtenant Initial Improvements**") to be **Completed** in accordance with, and subject to all the terms, covenants, conditions and restrictions of this Sublease and the Master Lease (including, as applicable, the **Work Letter** attached to the Master Lease). Without limiting the foregoing, Subtenant shall be responsible for paying all permit costs, fees and other expenses incurred in connection with completion of the Subtenant Initial Improvements in accordance with the foregoing standards.

(a) Subtenant will furnish design concepts to Sublandlord for Sublandlord's approval and Sublandlord and Port shall have the right to approve all construction related to the Subtenant Initial Improvements. Any modifications of the Subtenant Initial Improvements are subject to the approval of Sublandlord and Port. Construction and installation of the Subtenant Initial Improvements, and any other work or deliveries on the part of Subtenant, shall be coordinated with the work of the Sublandlord Initial Improvements and any other work in the Building so as to mutually expedite construction and avoid interference with the overall Building project.

(b) Notwithstanding the foregoing provisions, the date for completion of the Sublandlord Initial Improvements shall be extended if completion is delayed by circumstances beyond the reasonable control of Sublandlord. As provided in the Master Lease, in the event the Subtenant Initial Improvements are not Completed by the Sublease Rent Commencement Date, payment of Rent shall nevertheless commence, and Subtenant shall be responsible for any penalties Port elects to impose upon Sublandlord as a result of such delay pursuant to the terms of the Master Lease.

## 7. Possession and Use.

7.1 As-Is; Possession. Except for the work with respect to the Sublandlord Initial Improvements, as modified by the Subtenant Initial Improvements, Sublandlord subleases the Sublease Premises to Subtenant, and Subtenant accepts the Sublease Premises strictly in their present "as-is" and "with all faults" condition. Sublandlord has no other obligation to prepare, modify or alter the Sublease Premises or to pay to Subtenant any refurbishment or tenant improvement allowance or reimburse Subtenant for the cost of any preparation, modification,

or alteration of the Sublease Premises performed by or on behalf of Subtenant. As of the Sublease Commencement Date and the date of completion of the Sublandlord Initial Improvements, Subtenant acknowledges that it will have had full opportunity to inspect the condition of the Sublease Premises and all **Laws** relating to its use and condition. Subtenant is not relying, whether on the Sublease Commencement Date or otherwise, on any statement, representation or warranty made by or for Sublandlord with respect to the Sublease Premises or such Laws. Subtenant, by taking possession or commencing use of the Sublease Premises, conclusively acknowledges the Sublease Premises to be in good order and repair and in a tenable condition and acceptable for its intended use. Subtenant may not use or occupy any portion of the Sublease Premises prior to issuance of a Temporary Certificate of Occupancy applicable to the Sublease Premises except as may be authorized in writing by Port and Sublandlord.

7.2 Use. The Sublease Premises shall be used and occupied solely for Subtenant's Permitted Uses as specified in Section 1 hereof.

(a) All Subtenant Permitted Uses must be performed in compliance with the initial Operations Plan separately approved by Sublandlord and Port (the "**Subtenant Operations Plan**"), as amended from time to time as necessary. Subtenant must prepare and maintain the Subtenant Operations Plan to document procedures consistent with Laws, industry standards, best management practices and good housekeeping. The Subtenant Operations Plan must address the following operations and components:

- (i) Hours of Operation, Security, Staffing and Safety Plan;
- (ii) List of required and obtained Regulatory Approvals;
- (iii) Aquatic activities safety measures (e.g., participant safety gear; participant/instructor ratio; instructor qualifications);
- (iv) Reporting Accidents;
- (v) Noise Control;
- (vi) Equipment Washing Protocols;
- (vii) Park Usage Areas (including paths of travel for staff and patrons).

(b) Failure to comply with the Subtenant Operations Plan is a material breach of this Sublease. Port and Sublandlord may, from time to time, review the Subtenant Operations Plan and make recommendations for revisions. All revisions to the Subtenant Operations Plan are subject to Sublandlord and Port approval. Sublandlord and Subtenant shall work together in good faith and Sublandlord shall oversee any interpretive features or visual representations for

the Sublease Premises visible from the Premises leased by Sublandlord or the exterior of the Premises.

(c) Subtenant's business in the Sublease Premises shall be conducted only under the Trade Name specified in Section 1. Subtenant shall keep the Sublease Premises open for business according to the minimum operating hours set forth in the Subtenant Operations Plan. As provided in the Subtenant Operations Plan and Section 6.2 of the Master Lease, Subtenant shall operate its business continuously, actively and diligently in a good faith manner.

(d) Without limiting the foregoing, Subtenant's use shall also comply with and be limited by all relevant provisions of the Master Lease, including without limitation those with respect to any "Port program or project", "Port Work," "Development Projects", Sections 3.4, 6.1 (which requires, among other things, that Subtenant conduct operations at the Sublease Premises consistent with the maintenance and operation of a first-class mixed-use office/light industrial/commercial and/or retail development located in the Dogpatch neighborhood of San Francisco), 6.4 (Public Use) and 10, and all applicable Laws and Rules and Regulations. To the extent allowed by applicable Law, Subtenant hereby waives any and all rights, benefits or privileges of the California Relocation Assistance Law, California Government Code §§ 7260 et seq., or under any similar law, statute or ordinance now or hereafter in effect.

### 7.3 Prohibited Uses.

(a) Subtenant agrees that the following activities, by way of example only and without limitation, and any other use that is not a Subtenant Permitted Use (in each instance, a "**Prohibited Use**" and collectively, "**Prohibited Uses**"), are inconsistent with this Sublease and the Master Lease, are strictly prohibited and are considered Prohibited Uses:

(i) any activity, or the maintaining of any object, which is not within the Subtenant Permitted Uses;

(ii) any activity, or the maintaining of any object, which will in any way increase the existing rate of, affect or cause a cancellation of, any fire or other insurance policy covering the Premises, any part thereof or any of its contents;

(iii) any activity or object which will exceed load restrictions, if any, or cause damage to the Premises;

(iv) any activity which constitutes waste or nuisance, including, but not limited to, the preparation, manufacture or mixing of anything that might emit any objectionable odors, noises or lights onto adjacent properties, or the use of loudspeakers or sound or light apparatus which can be heard or seen outside the Sublease Premises;

(v) any activity which will in any way injure, obstruct or interfere with the rights of other users or of owners, users, or occupants of adjacent properties, including, but not limited to, rights of ingress and egress;

(vi) use of the Sublease Premises for residential, sleeping or personal living quarters and/or "Live/Work" space;

(vii) any auction, distress, fire, bankruptcy or going out of business sale on the Premises without the prior written consent of Port, which consent may be granted, conditioned, or withheld in the sole and absolute discretion of Port;

(viii) any vehicle and equipment maintenance, including but not limited to, fueling, changing oil, transmission or other automotive fluids;

(ix) the storage of any and all excavated materials, including but not limited to, dirt, concrete, sand, asphalt, and pipes;

(x) except during periods of permitted construction, the storage of any and all aggregate material, or bulk storage, such as wood or of other loose materials; or

(xi) except as provided in a Subtenant Operations Plan, the washing of any vehicles, vessels or equipment.

(b) In addition to, and without limiting, the Prohibited Uses specified above, the following are prohibited:

(i) No discharges to the Bay;

(ii) operation of a night club, underage parties, raves, pay at the door events or other similar activities; and

(iii) any uses inconsistent with reasonable requirements or restrictions Port may impose from time to time.

7.4 Sublandlord's Entry Right. In addition to Port's rights of entry set forth in the Master Lease, including, without limitation, Section 29 of the Master Lease, Sublandlord may enter any part of the Sublease Premises at all reasonable hours, following reasonable prior notice (or in any emergency or suspected emergency, at any hour and without prior notice). Subject to Port's rights under the Master Lease and except in the case of an emergency, Sublandlord shall use commercially reasonable efforts not to unreasonably interfere with Subtenant's use of the Sublease Premises for Subtenant's Permitted Use in connection with such entries.

## **8. Services, Maintenance And Repair Obligations.**

8.1 Utilities and Maintenance Costs. Subtenant shall pay all charges for all Utilities to be furnished on, in or to the Sublease Premises or to be used by Subtenant. To the extent such Utilities are not separately metered or sub-metered, Subtenant shall pay its proportionate share of Utilities costs as calculated by Sublandlord. For any sub-metered Utilities, Subtenant shall pay to Sublandlord the costs allocable to the Sublease Premises according to the amounts registered on any submeter. Subtenant shall pay to Sublandlord its proportionate share (based on rentable square feet) of the costs of any janitorial, security and other normal operation and maintenance of the Building as a whole and compliance with Master Lease obligations and Rules and Regulations with respect to such operation and maintenance, including the public restrooms and mechanical area, as well as any costs of maintaining or repairing the Building that arise due to the actions of Subtenant or the Subtenant Parties, from time to time within five (5) days after invoice from Sublandlord. Notwithstanding the foregoing provisions, Subtenant shall not be

responsible for paying a share of Sublandlord's costs of operating and maintaining the interior of Sublandlord's portion of the Building or costs exclusively relating to the part of the Building occupied by Sublandlord or another Subtenant. Subtenant shall pay its proportionate share of any Flood Protection Measures required under the Master Lease (*e.g.*, under Section 16.2 of the Master Lease).

8.2 Limitation on Sublandlord's Obligations. Sublandlord shall have no responsibility for or be liable to Subtenant for any default, failure or delay on the part of Port in the performance or observance by Port of any of its obligations under the Master Lease or for any other action or inaction by Port under the Master Lease, nor shall such default, action or inaction by Port affect this Sublease or waive or defer the performance of any of Subtenant's obligations under this Sublease, including without limitation the obligation to pay Rent; and Subtenant hereby expressly waives the provisions of any statute, ordinance or judicial decision, now or hereafter in effect, which would give Subtenant the right to make repairs at the expense of Sublandlord or Port, or to claim any actual or constructive eviction by virtue of any interruption in access, services or utilities to, or any failure to make repairs in or to, the Sublease Premises or the Building including without limitation any rights under California Civil Code Sections 1932(1) and 1931(2), 1933(4), 1941 or 1942. Sublandlord will have no obligation to Subtenant to maintain or repair the Sublease Premises or with respect to the continuing availability of Utilities in the Sublease Premises.

8.3 Maintenance and Repair of Sublease Premises. Subtenant shall be responsible to make and pay for repair and maintenance of the Sublease Premises, and any repair or maintenance resulting from work performed or required by Subtenant, such as any ancillary infrastructure required to be installed for Subtenant. Such maintenance and repair shall be consistent with the requirements in the Subtenant Operations Plan and Subtenant Permitted Uses and the terms of the Master Lease. Within five (5) days after Sublandlord's request, Subtenant shall supply such information regarding the Sublease Premises as may be necessary for Sublandlord to comply with Sublandlord's obligations under the Master Lease, such as for "Facility Conditions Reports". Subtenant will not take any action that might impair the Construction Warranties or other warranties for the Building, as described by Sublandlord. Subtenant shall independently obtain and pay for waste removal, pest extermination, custodial/janitorial and any internet services for the Sublease Premises, and shall perform any maintenance, repairs and replacements that Sublandlord is required to perform under the Master Lease with respect to the Sublease Premises, including without limitation under Section 6.1 of the Master Lease. Sublandlord shall have no responsibility for obtaining or paying for any services to the Premises not specified in this Sublease or to perform any obligations of Port or of an owner or manager of real property. In the event Subtenant fails to maintain the Sublease Premises in accordance with this Sublease or Subtenant fails to promptly repair any damage to the Sublease Premises caused by Subtenant or its Agents or Invitees, Sublandlord may repair the same at Subtenant's sole cost and expense and Subtenant shall immediately reimburse Sublandlord therefor.

84 Compliance with Laws. Without limiting Subtenant's obligations as incorporated from the Master Lease, Subtenant shall comply with all Environmental Laws, other Laws, the MMRP, and restrictions of all insurance bodies and their fire prevention engineers at any time in force, applicable to the use, condition, occupancy or modification of the Sublease Premises, including without limitation, all Laws promulgated or applicable as a result of the Americans with Disabilities Act. Without limiting the generality of the foregoing, Subtenant shall be responsible for all modifications (including structural modifications) to the Sublease Premises or Master Lease Premises triggered or required as a result of Subtenant's particular use or modification of or improvements or alterations to the Sublease Premises. All provisions of the Master Lease relating to Sublandlord's use of or liability arising from Hazardous Materials or environmental impacts are hereby incorporated herein, with the term "Subtenant" substituted for Tenant, including without limitation Article 18. The disclosure by Port under Section 18.9 of the Master Lease is hereby incorporated by reference in this Sublease and its terms accepted by Subtenant. Subtenant shall not bring upon the Sublease Premises or use the Sublease Premises or permit the Sublease Premises or any portion thereof to be used for the sale or distribution of alcoholic beverages or the growing, manufacturing, administration, distribution (including without limitation, any retail sales), possession, use or consumption of any cannabis, marijuana or cannabinoid product or compound, regardless of the legality or illegality of the same.

85 Accessibility Standards. Sublandlord has been advised by Port and hereby advises Subtenant that the Building may not currently meet all applicable accessibility standards, including standards for public restrooms and ground floor entrances and exits. Subtenant understands and agrees that Subtenant may be subject to legal and financial liabilities if the Sublease Premises does not comply with applicable federal and state disability access Laws. Subtenant further understands and agrees that it is Subtenant's obligation, at no cost to Port or Sublandlord, to cause the Sublease Premises, and Subtenant's use thereof, to comply with the Disability Laws and any other federal or state disability access Laws. Subtenant shall notify Sublandlord and Port if it is making any Alterations or Improvements to the Sublease Premises that might impact accessibility standards required under federal and state disability access Laws.

Pursuant to California Civil Code Section 1938, Sublandlord has been notified by Port that as of the date of this Sublease, the Sublease Premises has not undergone inspection by a "Certified Access Specialist" to determine whether the Sublease Premises meet all applicable construction-related accessibility standards under California Civil Code Section 55.53. Sublandlord hereby discloses pursuant to California Civil Code Section 1938 as follows: "A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or Subtenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises." Sublandlord and Subtenant hereby acknowledge and agree that in the event that Subtenant elects to perform a CASp

inspection of the Sublease Premises, such CASp inspection shall be performed at Subtenant's sole cost and expense and Subtenant shall be solely responsible for the cost of any repairs, upgrades, alterations and/or modifications to the Sublease Premises necessary to correct any such violations of construction-related accessibility standards identified by such CASp inspection as required by law, which repairs, upgrades, alterations and/or modifications may, at Sublandlord's or Port's option, be performed by Sublandlord or Port at Subtenant's expense, payable as additional rent within five (5) days following Sublandlord's demand.

86 Security Services. Subtenant will secure the Sublease Premises (as may be further described in the Master Lease) and will obtain and pay for any security services deemed necessary by Subtenant. Sublandlord shall be under no obligation to implement security measures or take any actions to prevent threat of property loss or damage, bodily injury, or business interruption. Neither Sublandlord nor any Sublandlord Parties (defined below in Section 10.3) shall have any liability to Subtenant or any Subtenant Parties for the adequacy of security services provided by Port or Sublandlord (if any).

87 Reporting Accidents. Subtenant shall notify Sublandlord and Master Landlord in writing of any incident or accident of which Subtenant becomes aware involving significant personal injury or personal property damage that occurs in the Sublease Premises or the Park during Subtenant's operations. Such notice shall be given within twenty-four (24) hours after Subtenant learns of said incident or accident. Failure to timely report such incidents or accidents shall constitute a material default under this Sublease.9. **[Intentionally Deleted]**

## **10. Subtenant's Insurance and Indemnity.**

### **10.1 Insurance Coverage.**

Commencing on the earlier of the Sublease Commencement Date or any use or occupancy of the Sublease Premises by Subtenant, and continuing during the Sublease Term (or any later occupancy by Subtenant), in lieu of complying with all insurance coverage requirements of Section 19.1 of the Master Lease, Subtenant shall procure and maintain at all times, at its own cost and expense, the insurance specified on **Exhibit D** attached hereto. Except to the extent modified by the provisions of **Exhibit D**, Subtenant shall otherwise comply with the provisions of Section 19 of the Master Lease pertaining to the forms and content of insurance policies and endorsements, and certificates and notices relating thereto, including the provisions of Section 19.6. Subtenant shall furnish to Sublandlord a certificate of Subtenant's insurance required under this Section 10.1 on or before the Sublease Commencement Date. In the event Subtenant does not maintain said insurance, Sublandlord may, in its sole discretion and without waiving any other remedies hereunder, procure said insurance and Subtenant shall pay to Sublandlord as Rent the cost of said insurance plus a ten percent (10%) administrative fee. Subtenant acknowledges the Port's right to demand increased coverage to amounts customarily required by other San Francisco landlords for premises where business activities similar to the Subtenant's are conducted.

10.2 Subrogation. Each party hereby waives claims against the other for damage to property owned by the waiving party where such damage is covered under any policy of property insurance maintained, so long as such waiver does not invalidate or adversely affect the waiving party's property insurance; and each party shall obtain from its insurance carrier a waiver of its right of subrogation. Subtenant agrees to obtain, for the benefit of Port, Sublandlord, and the Sublandlord Parties such waivers of subrogation rights from its insurer as are required of Sublandlord, as Tenant, under the Master Lease. Subtenant hereby waives claims against Port, Sublandlord and the Sublandlord Parties for death, injury, loss or damage of every kind and nature, if and to the extent that Sublandlord, as Tenant, waives or releases such claims against Port under the Master Lease.

10.3 Exculpation; Indemnity. To the fullest extent permitted by law, Subtenant waives all claims against Sublandlord, its officers, directors, shareholders, employees, volunteers, agents and representatives (collectively, the "**Sublandlord Parties**") for economic damages, damage to any property or injury or death of any person in, on or about the Sublease Premises, the Park or other Port property arising at any time or from any cause other than to the extent resulting from the gross negligence or willful misconduct of Sublandlord and not insured or required to be insured by Subtenant under this Sublease. Subtenant agrees to protect, defend, indemnify and hold Sublandlord and the Sublandlord Parties harmless from all claims, losses, damages, liabilities and expenses, including reasonable attorneys' fees and costs (collectively, "**Claims**") which Sublandlord may incur, or for which Sublandlord may be liable to Port, arising from or related to (a) the use, modification or occupancy of the Sublease Premises, the Park or other Port property during the Sublease Term, (b) the acts or omissions of Subtenant or any Subtenant Parties, (c) Subtenant's breach of this Sublease or the non-performance, non-observance or non-payment of any of Sublandlord's obligations under the Master Lease that, as a result of this Sublease, became an obligation of Subtenant, and (d) any other acts or events occurring in or about the Sublease Premises during the Sublease Term, which are the subject matter of any indemnity or hold harmless of Sublandlord, as Tenant, to Port under the Master Lease. Subtenant's obligations to protect, defend, indemnify and hold harmless Sublandlord under this Section are in no way conditioned upon either (i) Subtenant's or any Subtenant Parties' acts or omissions being a cause of any underlying claim, demand, action, loss or damage, or (ii) Sublandlord or any Subtenant Parties' being free of negligence or wrongful conduct in connection therewith; provided, however, that Subtenant shall not be required to indemnify or hold Sublandlord and the Sublandlord Parties harmless to the extent it is established that Sublandlord's gross negligence or willful misconduct is the cause of any claim, demand, action, liability, expenses, loss or damage and such claim, demand, liability, expense, loss or damage is not insured or required to be insured by Subtenant under this Sublease. Notwithstanding any other term or provision of this Sublease, under no circumstances shall Sublandlord or any Sublandlord Parties be liable for (i) any Claims or other liability incurred in connection with a failure of Port or its partners, members, shareholders, directors, agents, officers, employees, contractors, successors and /or assigns to perform or cause to be performed Port's obligations under the Master Lease, (ii) any Claims arising as a result of actions taken or not taken by Sublandlord due to performance by Sublandlord under the Master Lease, or (iii) lost revenues, lost profit or other consequential, special, indirect or punitive damages arising in connection with this Sublease or the Sublease

Premises for any reason. Subtenant's indemnity obligations set forth herein or elsewhere in this Sublease and the terms of this Section shall survive the expiration or earlier termination of this Sublease.

## **11. Assignment or Subletting.**

11.1 Generally. Independent of and in addition to any provisions of the Master Lease, other than as expressly provided below, except with the prior written consent of Sublandlord and Port, which consent may be withheld in their sole discretion, Subtenant shall not voluntarily, involuntarily or by operation of law (a) assign, convey or mortgage this Sublease or any interest under it; (b) allow any assignment or transfer thereof or any lien upon Subtenant's interest by operation of law; (c) further sublet the Sublease Premises or any part thereof; (d) permit the occupancy of the Sublease Premises or any part thereof by anyone other than Subtenant; or (e) if Subtenant is a corporation, partnership, limited liability company, limited liability partnership, trust, association or other business entity (other than a corporation whose stock is publicly traded), permit, directly or indirectly, the transfer of any ownership interest in Subtenant so as to result in a change in **Control** of Subtenant, or a transfer of all or substantially all of the assets of Subtenant (collectively, a "**Transfer**").

11.2 Notice and Consent. Subtenant shall provide Sublandlord with not less than sixty (60) days prior written notice of a proposed Transfer. With any request for consent to a Transfer, Subtenant will submit a copy of the proposed Transfer document to Sublandlord and notify Sublandlord of the proposed effective date of the Transfer, the name of the proposed transferee (accompanied by detailed evidence of the nature, character, ownership, business, and financial condition of the transferee and its business), all terms and conditions (including detail regarding the proposed uses, rental and other consideration) of or relating to the Transfer and a description of any proposed alterations. Sublandlord shall grant or deny its consent to the proposed Transfer within thirty (30) days following submission of Subtenant's request accompanied by the information required herein; Sublandlord's failure to grant or deny its consent within such thirty (30) day period shall be deemed to be Sublandlord's denial of such consent. Consent by Sublandlord to any Transfer shall not be a waiver of Sublandlord's rights as to any subsequent Transfer. Any approved Transfer shall be expressly subject to the terms and conditions of the Master Lease not previously waived or consented to as part of this Sublease, including the necessity to procure Port's consent and the provisions required in any Sublease.

Within ten (10) days after written request, Subtenant will pay Sublandlord, as additional Rent, Sublandlord's and Port's reasonable costs, including attorneys' fees and costs, consultant's costs, and costs for Port staff time, incurred in connection with the review, investigation, processing, documentation, and/or approval of any proposed Transfer. To the extent permitted to be deducted as Subletting Expenses under the Master Lease, such costs paid by Subtenant may be deducted when calculating the Excess Consideration payable under Section 11.5 below. Subtenant will pay such costs regardless of whether Port or Sublandlord consents to such proposal.

Subtenant acknowledges and agrees that as a condition of Port's consent to a Transfer to a Subtenant with a substantially different business model (such as alcohol sales), Port may elect to increase the monthly Percentage Rent amount above six-percent (6%) or require payment of

Percentage Rent in a commercially reasonable amount consistent with other Port tenants with similar operations, as determined by Port in its reasonable discretion.

113 Payments. Upon any default while a Transfer is in effect, Sublandlord may collect directly from the transferee all sums becoming due to Subtenant under the Transfer and apply this amount against any sums due Sublandlord by Subtenant, and Subtenant hereby authorizes and directs any transferee to make payments directly to Sublandlord upon notice from Sublandlord. No direct collection by Sublandlord from any transferee shall constitute a novation or release of Subtenant, a consent to the Transfer or a waiver of the covenant prohibiting Transfers. Sublandlord, as Subtenant's agent, may endorse any check, draft or other instrument payable to Subtenant for sums due under a Transfer, and apply the proceeds in accordance with this Sublease; this agency is coupled with an interest and is irrevocable. In the event that Subtenant shall request Sublandlord's consent to a Transfer, Subtenant shall pay Sublandlord's processing costs and attorneys' fees and costs incurred in reviewing such request, including any fees due under the Master Lease, together with the fees and costs of Port in accordance with the terms of the Master Lease.

114 Sublandlord's Recapture Right. Notwithstanding anything to the contrary contained in this Sublease, if Subtenant shall request approval to Transfer any portion of the Sublease Premises then Sublandlord shall have the option, by giving written notice to Subtenant within thirty (30) days after receipt of any request for consent to such Transfer, to recapture the Sublease Premises subject to such request. Such recapture notice by Sublandlord shall cancel and terminate this Sublease as of the effective date of the proposed Transfer set forth in the request for consent, but Subtenant shall remain responsible for any obligations accrued prior to the date of Transfer.

115 Excess Consideration. If the consideration Subtenant receives for any Transfer (including key money and bonus money and any payment in excess of fair market value for services or assets provided or transferred in connection with the Transfer) exceeds the Base Rent and Percentage Rent payable under this Sublease for the same period and portion of the Sublease Premises, then the excess shall be immediately due and payable by Subtenant to Sublandlord as additional Rent under this Sublease. Subtenant shall allow Sublandlord and Port to review and audit Subtenant's Books and Records that are applicable to the payment of such additional Rent for the purpose of verifying Subtenant's calculation of additional Rent payable to Sublandlord and shall maintain such Books and Records for the period required by the Master Lease.

116 Other Transfer Terms. No permitted assignment shall be effective, and no permitted sublease shall commence unless and until any default by Subtenant hereunder has been cured. No assignment or subletting shall relieve Subtenant from Subtenant's obligations and agreements under this Sublease, and Subtenant shall continue to be liable as a principal and not as a guarantor or surety, to the same extent as though no assignment or subletting had been made. Subtenant hereby waives the provisions of Section 1995.310 of the California Civil Code, or any similar or successor Laws, now or hereinafter in effect, and all other remedies, including,

without limitation, any right at law or equity to terminate this Sublease, on its own behalf and, to the extent permitted under all applicable Laws, on behalf of the proposed transferee. Any attempted Transfer in violation of this Section is voidable by Sublandlord.

## **12. Alterations.**

12.1 Other Alterations. Subtenant shall not make any **Alterations** (including any **Exterior Improvements**) to or outside the Sublease Premises (including the installation of any wiring or cabling within the Sublease Premises) if to do so would constitute a default under the Master Lease (without regard to any requirement of notice or cure period), and in any event will not perform any Alterations without the prior written consent of Sublandlord and Port. If Subtenant's proposed Alterations would not constitute a default under the Master Lease and are approved by Port to the extent such approval is required pursuant to the Master Lease, Sublandlord's consent thereto shall not be unreasonably withheld, and if Sublandlord consents thereto, Sublandlord shall use reasonable efforts to obtain the consent of Port if such consent is required under the Master Lease. If Alterations by Subtenant are permitted or consented to, Subtenant shall comply with all of the covenants and obligations of Sublandlord, as Tenant, contained in the Master Lease pertaining to the installation and removal of such Alterations. In addition, Subtenant shall indemnify, defend, protect and hold Sublandlord and the Sublandlord Parties harmless from and against any and all claims arising out of the installation, use and removal of Alterations by or on behalf of Subtenant.

12.2 Removal; Restoration. Notwithstanding anything to the contrary contained in this Sublease or the Master Lease, Subtenant shall remove any Alterations to the Sublease Premises upon the Expiration Date or earlier termination of this Sublease and perform any repairs and restoration required if (i) Sublandlord notifies Subtenant prior to the Expiration Date that Subtenant will be obligated to remove the same upon the Expiration Date or earlier termination of this Sublease, or (ii) Port requires such removal and restoration.

**13. Casualty or Condemnation.** In the event of a fire or other casualty affecting the Building or the Sublease Premises, or of a **Condemnation** of all or a part of the Building or the Sublease Premises under the power of eminent domain, Subtenant shall have no right to terminate this Sublease. If the Master Lease imposes on Sublandlord the obligation to repair or restore the Premises or the Building, including any leasehold improvements or alterations, Sublandlord also will repair the Sublandlord Initial Improvements and Subtenant Initial Improvements to the extent of available insurance proceeds allocable thereto, and Subtenant shall be responsible for repair or restoration of any other leasehold improvements or Alterations within the Sublease Premises to the extent these improvements or Alterations were made by or for the benefit of Subtenant.

## **14. Surrender.**

14.1 Generally. On the Expiration Date, or upon the earlier termination of this Sublease or of Subtenant's right to possession of the Sublease Premises, Subtenant will at once vacate, surrender and deliver up the Sublease Premises, together with all improvements thereon, to

Sublandlord in good condition and repair, reasonable wear and tear and casualty excepted. Conditions existing because of Subtenant's failure to perform maintenance, repairs or replacements as required of Subtenant under this Sublease shall not be deemed "reasonable wear and tear." Subtenant shall surrender to Sublandlord all keys and other access control devices to the Sublease Premises and make known to Sublandlord the combination of all combination locks that Subtenant is permitted to leave on the Sublease Premises.

14.2 Restoration of Alterations. All **Subtenant's Property** not removed shall become a part of and shall remain upon the Sublease Premises upon any termination, without compensation, allowance or credit to Subtenant. Notwithstanding the foregoing, if Subtenant is obligated to remove any Subtenant's Property pursuant to other provisions of this Sublease, then Subtenant shall remove such Subtenant's Property and shall restore the applicable portions of the Sublease Premises to the condition existing prior to the performance of the applicable Subtenant's Property, reasonable wear and tear excepted. Subtenant shall repair any damage occasioned by such removal or restoration. If Subtenant does not complete such removal or restoration in accordance with this Sublease, Sublandlord may remove the same (and repair any damage occasioned thereby), and dispose thereof, or at its election, warehouse the same. Subtenant shall pay the costs of such removal, repair, restoration and warehousing, plus an administrative fee equal to ten percent (10%) of such costs, on demand.

14.3 Trade Fixtures. On or before the Sublease Expiration Date, or upon the earlier termination of the Sublease or of Subtenant's right to possession of the Sublease Premises, Subtenant shall remove Subtenant's **trade fixtures**, and shall repair any injury or damage to the Sublease Premises that may result from such removal, and shall restore the Sublease Premises to the same condition as prior to the installation thereof. If Subtenant does not remove Subtenant's trade fixtures from the Sublease Premises on or before the Expiration Date or the earlier termination of Subtenant's right to possession, Sublandlord may, at its option, remove the same (and repair any damage occasioned thereby and restore the Sublease Premises as aforesaid) and dispose thereof or warehouse the same, and Subtenant shall pay the cost of such removal, repair, restoration or warehousing, plus as administrative fee equal to ten percent (10%) of such costs, to Sublandlord on demand, or Sublandlord may treat said trade fixtures as having been conveyed to Sublandlord with this Sublease acting as a bill of sale therefor, without further payment or credit by Sublandlord to Subtenant.

## 15. Holding Over.

15.1 No Right to Hold Over. Subtenant has no right to occupy the Sublease Premises or any portion thereof after the Sublease Expiration Date or after any earlier termination of this Sublease or of Subtenant's right to possession hereunder. In the event Subtenant or any party claiming by, through or under Subtenant so holds over, then Subtenant shall be deemed a tenant at sufferance and Sublandlord may exercise any and all remedies available to it at law or in equity to recover possession of the Sublease Premises, and to recover damages, including without limitation, all damages (consequential or direct) payable by Sublandlord to Port by reason of such

holdover (which will include without limitation any escalated “holdover” rent payable by Sublandlord under the Master Lease).

15.2 Holdover Rate. Without limiting Sublandlord’s rights under Section 13.1, for each and every month or partial month that Subtenant or any party claiming by, through or under Subtenant remains in occupancy of all or any portion of the Sublease Premises after the Sublease Expiration Date or after the earlier termination of this Sublease or of Subtenant’s right to possession, Subtenant shall pay, as minimum damages and not as a penalty, monthly rental at a rate equal to the greater of (i) twice the rate of Rent payable by Subtenant hereunder immediately prior to the Sublease Expiration Date or the earlier termination of this Sublease or of Subtenant’s right to possession and (ii) the escalated “holdover” rent payable by Sublandlord under the Master Lease as a result of Subtenant’s holdover. The acceptance by Sublandlord of any lesser sum shall be construed as payment on account and not in satisfaction of damages for such holding over.

**16. Encumbering Title.**

16.1 Prohibition. Subtenant shall not do any act which in any way encumbers the title of Port in and to the Building nor shall the interest or estate of Port or Sublandlord be in any way subject to any claim by way of lien or encumbrance, whether by operation of law or by virtue of any express or implied contract by Subtenant, or by reason of any other act or omission of Subtenant. Any claim to, or lien upon, the Sublease Premises or the Building arising from any act or omission of Subtenant shall accrue only against the estate of Subtenant and shall be subject and subordinate to the paramount title and rights of Port and the Sublandlord.

16.2 Liens. Without limiting the generality of Section 16.1, Subtenant shall not permit the Sublease Premises or the Building to become subject to any mechanics’, laborers’ or materialmen’s lien on account of labor or material furnished to Subtenant or claimed to have been furnished to Subtenant in connection with work of any character performed or claimed to have been performed on the Sublease Premises by, or at the direction or sufferance of, Subtenant. Sublandlord may cause such liens to be released by any means it deems proper, including payment, at Subtenant’s expense and without affecting Sublandlord’s rights.

**17. Subtenant’s Default.**

17.1 Definition. Any one or more of following events shall be considered a “Default” by Subtenant, as such term is used in this Sublease:

(a) Subtenant shall be adjudged an involuntary bankrupt, or a decree or order approving, as properly filed, a petition or answer filed against Subtenant asking reorganization of Subtenant under the Federal bankruptcy laws as now or hereafter amended, or under the laws of any state, shall be entered, and any such decree or judgment or order shall not have been vacated or stayed or set aside within thirty (30) days from the date of the entry or granting thereof; or

(b) Subtenant shall file, or admit the jurisdiction of the court and the material allegations contained in, any petition in bankruptcy, or any petition pursuant or purporting to be pursuant to the Federal Bankruptcy laws now or hereafter amended, or Subtenant shall institute any proceedings for relief of Subtenant under any bankruptcy or insolvency laws or any laws relating to the relief of debtors, readjustment of indebtedness, re-organization, arrangements, composition or extension; or

(c) Subtenant shall make any assignment for the benefit of creditors or shall apply for or consent to the appointment of a receiver for Subtenant or any of the property of Subtenant; or

(d) The Sublease Premises are levied on by any attachment or execution resulting from the debts of Subtenant; or

(e) A decree or order appointing a receiver of the property of Subtenant shall be made and such decree or order shall not have been vacated, stayed or set aside within thirty (30) days from the date of entry or granting thereof; or

(f) Subtenant shall vacate or abandon or fail to continuously occupy the Sublease Premises during the Sublease Term or conduct or attempt to conduct a Transfer other than in strict accordance with Section 11 hereof; or

(g) Subtenant fails to make any payment of Rent required to be made by Subtenant as and when such payment is due, understates Gross Revenues for any accounting period by more than five percent (5%), fails to make its Books and Records available in accordance with the Master Lease, or fails to make the certifications required under the Master Lease; or

(h) Subtenant fails to secure insurance or to provide proper evidence of insurance as set forth in Section 10 of this Sublease or fails to keep the Sublease Premises or the Building free of lien claims as set forth in this Sublease; or

(i) Subtenant, by its act or omission, causes an event or condition under the Master Lease which either is an immediate default thereunder or, subject only to the delivery of any required notice or passage of any cure or grace period, would constitute a default thereunder; or

(j) Subtenant fails to use the Sublease Premises solely for the Subtenant Permitted Use, fails to comply with the provisions of Section 18 (Hazardous Materials) of the Master Lease as incorporated herein, or fails to comply with the provisions of the Subtenant Operations Plan, in each case in a manner that presents a health, safety, welfare or environmental risk or hazard, as determined by Port in its sole and absolute discretion and such failure continues for a period of twenty-four (24) hours following written notice from Port; or

(k) Subtenant fails to fulfill, keep, observe or perform any of the other covenants and obligations herein contained to be fulfilled, kept, observed and performed by Subtenant, and such failure continues for more than five (5) days after notice thereof in writing to Subtenant.

17.2 Remedies. Upon the occurrence of any one or more Defaults, Sublandlord may exercise any remedy against, and recover such amounts from, Subtenant as Port may exercise or be entitled to for default by Tenant under the Master Lease as if Sublandlord were the Port and Subtenant were Tenant, which provisions of the Master Lease are hereby incorporated herein by reference. In addition, if Subtenant shall default under any of the terms or provisions of this Sublease on Subtenant's part to be performed, and Subtenant shall not have commenced diligently to cure any such default that is capable of cure within five (5) days after notice thereof to Subtenant (except in the case of what Sublandlord reasonably believes to be an emergency situation in which case no such notice need be given), Sublandlord may, in addition to any other remedy provided in this Sublease, by law or otherwise, cure such default and the cost thereof, together with interest thereon from the date incurred until paid at the maximum rate permitted under applicable law, shall be payable by Subtenant within ten (10) days after demand therefor, and in the event Subtenant fails to pay the same, Sublandlord may recover such costs, including interest, attorney's fees and disbursements and court costs, as additional rent, in an action brought against Subtenant. Each and every right and remedy of Sublandlord under this Sublease shall be cumulative and in addition to every other right and remedy herein contained or now or hereafter existing at law or in equity, by statute or otherwise.

17.3 Security Deposit. Sublandlord shall have the right to hold and apply the security deposit described in Section 1 on the same terms as set forth in Section 9 of the Master Lease, substituting Sublandlord for Port and Subtenant for Tenant thereunder.

## **18. Provisions Regarding Master Lease.**

18.1 Subject to Master Lease. This Sublease and all rights of the parties hereunder are subject and subordinate to the Master Lease. The parties hereby acknowledge, each to the other, that it is not practical in this Sublease to enumerate all of the rights and obligations of the various parties under the Master Lease and specifically to allocate those rights and obligations in this Sublease. Accordingly, in order to afford to Subtenant the benefits of this Sublease and of those provisions of the Master Lease which by their nature are intended to benefit the party in possession of the Sublease Premises, and in order to protect Sublandlord against a default by Subtenant which might cause a default by Sublandlord under the Master Lease, Sublandlord and Subtenant covenant and agree as set forth in this Section 18.

18.2 Relationship with Master Lease. Subtenant's estate shall in all respects be limited to, and be construed in a fashion consistent with, the estate granted to Sublandlord by Port. Subtenant shall stand in the place of Sublandlord and shall defend, indemnify and hold Sublandlord harmless with respect to all covenants, warranties, obligations, and payments made

by Sublandlord under or required of Sublandlord by the Master Lease with respect to the Sublease Premises. In the event Sublandlord is prevented from performing any of its obligations under this Sublease by a breach by Port of a term of the Master Lease, then Sublandlord's sole obligation in regard to its obligation under this Sublease shall be to use reasonable efforts in diligently pursuing the correction or cure by Port of Port's breach (provided, however, Sublandlord shall have no obligation to sue the Port on Subtenant's behalf or to terminate the Master Lease as a result of or in connection with any such breach by Port).

18.3 Incorporation of Master Lease. Except as expressly excluded or otherwise modified herein, and for purposes of incorporation thereof into this Sublease, the provisions of the Master Lease are hereby expressly incorporated into this Sublease with the term "Sublandlord" substituted for Landlord and the term "Subtenant" substituted for Tenant and the term "Sublease" substituted for Lease. Without limiting the generality of the foregoing, Port requires incorporation in subleases of certain provisions of and obligations under the Master Lease, including those detailed in Section 34: "**City and Port Requirements**" and Section 23.5(d): "**Required Provisions in Subleases**", and, accordingly, all such provisions are incorporated by reference herein, and Subtenant acknowledges and agrees to be bound by and perform all such provisions and obligations, even if such provisions do not apply to Sublandlord due to the nature of its activities or business (e.g., those relating to serving food or beverages, advertising of products).

18.4 Subtenant's Performance. Except as otherwise expressly provided in this Sublease, Subtenant shall perform all affirmative covenants and shall refrain from performing any act which is prohibited by the negative covenants of the Master Lease, where the obligation to perform or refrain from performing is by its nature imposed upon the party in possession of the Sublease Premises. If practicable, and except for different time periods set forth herein, Subtenant shall perform affirmative covenants which are also covenants of Sublandlord under the Master Lease at least five (5) days prior to the date when Sublandlord's performance is required under the Master Lease.

18.5 Termination of Master Lease. The parties agree that: (a) if the Master Lease should terminate prior to the Expiration Date for any reason, then Sublandlord shall have no liability to Subtenant; and (b) to the extent the Master Lease grants Sublandlord any discretionary right to terminate the Master Lease, whether due to casualty, condemnation, by election by Sublandlord or otherwise, Sublandlord shall be entitled to exercise or not exercise such right in its sole and absolute discretion and without liability to Subtenant. If Sublandlord and Port agree to terminate the Master Lease, Sublandlord will give Subtenant notice no later than execution of such agreement. Provided that Subtenant remains in occupancy of the Sublease Premises and is not in default under this Sublease, Sublandlord shall make all reasonable efforts to give Subtenant notice of any such termination at least ninety (90) days prior the Master Lease termination date unless termination results from a casualty, Condemnation or other circumstance for which such advance notice is not reasonably feasible.

Upon any termination of the Master Lease and this Sublease, the parties shall have no further rights or obligations under this Sublease except pursuant to those provisions that expressly survive the expiration or earlier termination of this Sublease. In the event of termination, reentry or dispossession by Port under the Master Lease, Port may, at its option, take over all of the right, title and interest of Sublandlord under this Sublease, and Subtenant shall, at Port's option, attorn to Port pursuant to the then executory provisions of this Sublease.

18.6 Incorporation of Release and Indemnity Provisions. Any non-liability, release, indemnity or hold harmless provision in the Master Lease for the benefit of Port shall be deemed to apply under this Sublease and inure to the benefit of both Sublandlord and Port.

18.7 Consents. If Subtenant desires to take any action that requires the consent of Port under the terms of the Master Lease, then, notwithstanding anything to the contrary herein: (a) except as otherwise expressly provided in this Sublease, Sublandlord, independently, shall have the same rights of approval or disapproval as Port has under the Master Lease; (b) Subtenant shall not take any such action until it obtains the consent of both Sublandlord and Port; and (c) Subtenant shall request that Sublandlord obtain Port's consent on Subtenant's behalf and Sublandlord shall use commercially reasonable efforts to obtain such consent. Subtenant shall pay all reasonable costs (including attorneys' fees) reasonably incurred by Sublandlord in seeking or procuring Port's consent. Any approval or consent required of Sublandlord conclusively shall be deemed reasonably withheld if approval or consent also is required of the Port, and Port fails to give Port's approval or consent.

18.8 Submissions. In all provisions of the Master Lease requiring Tenant to submit, exhibit to, supply or provide Port with evidence, certificates, or any other matter or thing, Subtenant shall be required to submit, exhibit to, supply or provide, as the case may be, the same to Sublandlord. Specifically, and without limiting the foregoing, Subtenant shall initially supply all matters relating to Percentage Rent required under Section 5 of the Master Lease to Sublandlord, and Sublandlord shall have the same rights to examine Subtenant's Books and Records and require Certifications with respect to Percentage Rent as does Port under the Master Lease. In any such instance, Sublandlord shall determine if such evidence, certificate or other matter or thing shall be satisfactory. All time periods for the Port to respond or perform under the Master Lease shall, as applicable to Sublandlord, be extended by an additional five (5) business days. All terms applicable to time periods for Sublandlord, as tenant under the Master Lease, to perform or respond shall, as applicable to Subtenant, be shortened by five (5) days, or, in the case of Percentage Rent submissions described in Section 5.4 hereof, ten (10) days, except that in the event the time period is five (5) days or less, the time period for performance by Subtenant shall be two (2) days.

18.8 Transfers. In the event of any assignment or transfer of the Sublandlord's interest under this Sublease, Sublandlord shall be and hereby is entirely relieved of all covenants and obligations of Sublandlord hereunder accruing subsequent to the date of the transfer, and it shall be deemed and construed, without further agreement between the parties hereto, that any

transferee has assumed and shall carry out all covenants and obligations thereafter to be performed by Sublandlord hereunder.

**18.9** Conflict with Master Lease. As between Sublandlord and Subtenant, in the event of a conflict between the provisions of the Master Lease incorporated into this Sublease and the provisions of this Sublease, the provisions of this Sublease shall control.

**18.10** Estoppels. Subtenant, at any time and from time to time upon not less than five (5) days' prior notice from Sublandlord, shall execute and deliver to Sublandlord, Port or to any party designated by Sublandlord or Port a certificate in substantially the same form as that attached to the Master Lease as "**Exhibit J.**" If Subtenant shall fail to provide such certificate within such five (5) day period, such failure shall, at Sublandlord's or Port's election, constitute a default under this Sublease, and Subtenant shall be deemed to have admitted the accuracy of any information supplied by Sublandlord or Port to a prospective purchaser or mortgagee.

**19. Port's Consent.**

**19.1** Requirement for Consent. This Sublease and the obligations of the parties hereunder are expressly conditioned upon Sublandlord obtaining prior written consent hereto by Port in form and content reasonably acceptable to Sublandlord. Simultaneously with execution of this Sublease Subtenant shall execute and deliver to Subtenant and Port a form of Consent to Sublease required by Port and attached to the Master Lease as "**Exhibit D**". Subtenant shall promptly deliver to Sublandlord any information reasonably requested by Port with respect to the nature and operation of Subtenant's business and/or the financial condition of Subtenant. Subtenant shall also provide such further information as may be requested by the City or Port to enable compliance with reporting obligations under state Law and San Francisco Administration Code Sections 23.38 and 23.39 (or any successor ordinance). In the event that, for any reason, the consent of Port to this Sublease is not obtained within sixty (60) days after the Execution Date, then either party may terminate this Sublease by giving the other party written notice thereof, in which event this Sublease shall terminate and neither party shall have any obligation hereunder.

**19.2** Agreements for Port's Benefit. Sublandlord and Subtenant hereby agree, for the benefit of Port, that this Sublease and Port's consent hereto shall not (a) create privity of contract between Port and Subtenant; (b) be deemed to have amended the Master Lease in any regard (unless Port shall have expressly agreed writing to such amendment); or (c) be construed as a waiver of Port's right to consent to any assignment of the Master Lease by Sublandlord or any further subletting of the Sublease Premises, or as a waiver of Port's right to consent to any assignment by Subtenant of this Sublease or any further subletting of the Sublease Premises or any part thereof.

**20. Notices.**

**20.1** Generally. All notices which may or are required to be given by either party to the other shall be in writing and shall be deemed given (i) if personally delivered, when received or

refused (provided that any notice so delivered on a weekend or holiday will be deemed given on the next-succeeding business day), or (ii) if sent by United States mail, postage prepaid, on the business day after the business day of mailing, or (iii) if sent by a nationally recognized overnight commercial courier service providing receipted delivery, on the business day immediately following delivery to the courier, in any such case (a) if to Subtenant, addressed to Subtenant at the addresses specified in Section 1.9 or at such other place as Subtenant may from time to time designate by notice in writing to Sublandlord or (b) if for Sublandlord, addressed to Sublandlord at the address specified in Section 1.10 or at such other place as Sublandlord may from time to time designate by notice in writing to Subtenant. Each party agrees promptly to deliver to the other party a copy of any notice, demand, request, consent or approval received from Port that affects the rights or obligations under this Sublease.

20.2 Default Notices. Any notice delivered by Sublandlord in connection with, or as a precondition to, a Default by Subtenant shall be in lieu of and not in addition to any notice to pay rent or notice to perform any covenant required under law.

## **21. Miscellaneous.**

21.1 Brokers. Each party warrants to the other that it has had no dealings with any broker or agent in connection with this Sublease.

21.2 Attorneys' Fees. Subtenant shall pay to Sublandlord, upon demand, Sublandlord's reasonable attorneys' fees and court costs incurred by Sublandlord in enforcing this Sublease or due to a default by Subtenant, regardless of whether any legal action is commenced. In the event that any action is brought by either party to enforce the terms of this Sublease, the prevailing party shall be entitled to reasonable attorneys' fees and costs.

21.3 Entire Agreement. This Sublease is the entire agreement between the parties regarding its subject matter and supersedes any prior oral or written agreements among them regarding the subject matter contained herein.

21.4 Waiver. No waiver of any provision of this Sublease or consent to any action shall constitute a waiver of any other provision of this Sublease or consent to any other action. No waiver or consent shall constitute a continuing waiver or consent, or commit a party to provide a future waiver, unless such provision is expressly set forth in writing.

21.5 Interpretation. The terms of this Sublease have been negotiated by the parties hereto and the language used in this Sublease shall be deemed to be the language chosen by the parties hereto to express their mutual intent. The parties acknowledge and agree that each party and its counsel have reviewed and revised this Sublease and that no rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall be employed in the interpretation of this Sublease.

21.6 Amendment. This Sublease is subject to amendment only by a writing that makes reference to this Sublease and is signed by all parties hereto.

21.7 Signage. Subject to the terms and conditions of the Master Lease, including without limitation those relating to **Historic Fabric**, and only to the extent that Port consents thereto, Subtenant shall have the right to install at its sole cost and expense, signage on the Sublease Premises. Without limiting the foregoing, Sublandlord and Port shall have the right to review and approve the place, number, size, color and style of such signage.

21.8 Diversity, Equity and Inclusion. Subtenant, on behalf of itself and any Transferees, acknowledges the importance of furthering the values of diversity, equity, and inclusion. Tenant agrees to abide by the “**DEI Plan**” generally described in **Exhibit L** attached to the Master Lease, which may be reasonably amended, updated, and clarified from time to time by Port or the parties.

**EXHIBIT D**  
**SUBTENANT INSURANCE REQUIREMENTS**

**1. MINIMUM SCOPE AND LIMIT OF INSURANCE**

Coverage shall be at least as broad as:

- a. Commercial General Liability (CGL):** Insurance Services Office Form CG 00 01 covering CGL on an “occurrence” basis, with limits not less than One Million Dollars (\$1,000,000.00) per occurrence with a combined single limit including bodily injury, property damage, contractual liability, independent contractors, products and completed operations, and personal & advertising injury. CGL policy must not contain any exclusions for special events/participants liability. If CGL policy contains exclusions, a separate participant accident/event policy will be required. If applicable, the CGL policy must include Food Products Liability Insurance with limits not less than One Million Dollars (\$1,000,000) per occurrence.
- b. Automobile Liability:** ISO Form Number CA 00 01 covering any auto (Code 1), or if Subtenant has no owned autos, hired, (Code 8) and non-owned autos (Code 9), with limit no less than One Million Dollars (\$1,000,000) per accident for bodily injury and property damage.
- c. Workers’ Compensation/Employer’s Liability:** Workers’ Compensation insurance as required by the State of California, with Statutory Limits, and Employer’s Liability Insurance with limits of no less than One Million Dollars (\$1,000,000) per accident for bodily injury or disease. Such Workers’ Compensation insurance should be supplemented by United States Longshore and Harbor Workers Compensation and Marine Employer’s Liability insurance where appropriate to the operations of Subtenant.
- d. [DPP only: Sexual Abuse or Molestation (SAM) Liability:** If the work will include contact with minors, and the CGL policy referenced above is not endorsed to include affirmative coverage for sexual abuse or molestation, Subtenant shall obtain and maintain a policy covering Sexual Abuse and Molestation with a limit no less than One Million Dollars (\$1,000,000) per occurrence or claim.]
- e. Property Insurance:** In lieu of Subtenant obtaining property insurance with respect to the Sublease Premises, Sublandlord will obtain property insurance for the entire Premises, and the costs thereof shall be allocated among Sublandlord and Subtenants according to relative square footage. Subtenant shall obtain and pay for any additional insurance deemed necessary for risk of loss to Subtenant’s Property.
- f. Business Income/Gross Revenue:** Business income loss and extra expense coverage appropriate to Subtenant’s business operations, covering an interruption period of not less than two (2) years, with a limit of not less than twenty-four (24) months of Gross Revenues.

- g. Excess/Umbrella Liability:** providing limits of no less than Three Million Dollars (\$3,000,000) above the Subtenant's General Liability, Auto, SAM and Employer's Liability coverages required.

Subtenant may satisfy the insurance limits set forth above by any combination of primary and excess insurance policies. If Subtenant maintains broader coverage and/or higher limits than the minimums shown above, Sublandlord requires and shall be entitled to the broader coverage and/or the higher limits maintained by Subtenant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to Sublandlord.

## **2. Other Insurance Provisions**

The insurance policies are to contain, or be endorsed to contain, the following provisions:

- a. Additional Insured Status:** The YMCA of San Francisco, its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of Subtenant including materials, parts, or equipment furnished in connection with such work or operations. In addition, The City and County Of San Francisco, and The San Francisco Port Commission and their respective Officers, Directors, Employees and Agents shall be added as additional insureds. General liability coverage can be provided in the form of an endorsement to the Subtenant's insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of **both** CG 20 10, CG 20 26, CG 20 33, or CG 20 38; **and** CG 20 37 if a later edition is used). The additional insured coverage shall not include any special limitations on the scope of protection afforded to Sublandlord or any of the other Additional Insureds.
- b. Primary Coverage:** For any claims related to this contract, Subtenant's insurance coverage shall be primary coverage at least as broad as ISO CG 20 01 04 13 as respects the YMCA of San Francisco, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the YMCA of San Francisco, its officers, officials, employees, or volunteers shall be excess of Subtenant's insurance and shall not contribute with it.
- c. Loss Payee:** Policies shall name Sublandlord and the other parties defined in the Master Lease as Loss Payee, as their interests may appear.
- d. Notice of Cancellation:** Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to Sublandlord.
- e. Waiver of Subrogation:** Subtenant hereby grants to Sublandlord and the Additional Insureds a waiver of any right to subrogation which any insurer of said Subtenant may acquire against Sublandlord and the Additional Insureds by virtue of the payment of any loss under such insurance. Subtenant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless

of whether or not Sublandlord and the Additional Insureds has received a waiver of subrogation endorsement from the insurer.

- f. Self-Insured Retentions:** Self-insured retentions must be declared to and approved by Sublandlord. Sublandlord may require the Subtenant to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or Sublandlord.
- g. Acceptability of Insurers:** Insurance is to be placed with insurers authorized to conduct business in the state with a current A.M. Best's rating of no less than A:VIII, unless otherwise acceptable to Sublandlord.
- h. Verification of Coverage:** Subtenant shall furnish Sublandlord with original Certificates of Insurance including all required amendatory endorsements (or copies of the applicable policy language effecting coverage required by this clause) and a copy of the Declarations and Endorsement Page of the CGL policy listing all policy endorsements to Sublandlord prior to the Sublease Commencement Date. However, failure to obtain the required documents prior to the Sublease Commencement Date shall not waive Subtenant's obligation to provide them. Thereafter, executed copies of renewal policies thereof shall be delivered to Sublandlord within thirty (30) days prior to the expiration of the term of each such policy. Sublandlord reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.
- i. Contractors:** Subtenant shall require and verify that all contractors working under Subtenant maintain insurance meeting all requirements stated herein (except the requirement for SAM Liability if the contractor will not be working with minors), and Subtenant shall ensure that all additional insureds identified above shall be named on contractors' insurance.
- j. Change of Risks or Circumstances:** Port and Sublandlord reserve the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, market conditions, economic circumstances or other special circumstances in Sublandlord's and Port's sole discretion.

**EXHIBIT E**  
**WORK LETTER**

This Work Letter sets forth Tenant's obligation to construct the Initial Improvements and shall be deemed part of the Lease. The Initial Improvements" include the Initial Tenant Improvements and the Seismic Project and are described in the Basic Lease Information and associated Port Building Permits and any amendments thereto.

**1. General Terms**

**1.1. Definitions.** Initially capitalized terms used in this Work Letter have the meanings given them when first defined. Any initially capitalized words or acronyms used but not defined in this Work Letter shall have the same meanings as in the Lease.

**1.2. Relationship between Work Letter and the Lease.** This Work Letter governs Tenant's obligations to construct the Initial Improvements. This Work Letter addresses, among other matters, the scope of Tenant's obligations to design and construct the Initial Improvements, Tenant's obligations to obtain final approvals for the Initial Improvements, and the Schedule of Performance. Before the termination of this Work Letter, this Work Letter shall control in the event of any inconsistency between this Work Letter and the Lease. Upon expiry of this Work Letter, the Lease alone will govern the rights and obligations of the parties with respect to use and occupancy of the Premises.

**1.3. Term.** This Work Letter shall commence and become effective as of the Lease Effective Date and shall expire on the date Port issues a Certificate of Final Completion and Occupancy for the Initial Improvements, regardless of whether such date is before or after the Initial Improvements Completion Date as defined below.

**1.4. Lease Provisions.** The provisions of the Lease, except where clearly inconsistent or inapplicable to this Work Letter, are incorporated into this Work Letter.

**1.5. Extensions by Port.** Upon the request of Tenant, Port's Executive Director may, by written instrument, extend the time for Tenant's performance of any term, covenant or condition of this Work Letter or permit the curing of any default of this Work Letter upon such terms and conditions as she or he determines appropriate, including but not limited to the time within which Tenant must perform such terms and/or conditions, provided, however, that any such extension or permissive curing of any particular default will not operate to relieve Tenant of its obligations to pay Rent or release any of Tenant's obligations nor constitute a waiver of Port's rights with respect to any other term, covenant or condition of this Work Letter or the Lease or any other default in, or breach of, the Work Letter or the Lease or otherwise effect the time with respect to the extended date or other dates for performance hereunder.

**2. Construction Of The Initial Improvements**

**2.1. Tenant's Construction Obligations.**

**(a) Project Requirements.** Tenant hereby agrees for itself, successors, and assignees, to Complete the construction of the Initial Improvements. Tenant shall Complete said construction free of claims, demands, actions and liens for labor, materials or equipment furnished for the construction, and in accordance with applicable requirements of (i) all Laws; (ii) this Work Letter, including the Scope of Development and Schematic Drawings; (iii) the Port Building Code as applicable; (iv) required Regulatory Approvals; (v) the Waterfront Land Use Plan or successor plan; (vi) the design approved by the Port and, if required, the Planning Commission, pursuant to Section 240 of the Planning Code; and (vii) the Lease. All such requirements are sometimes referred to collectively as the "**Project Requirements.**"

(b) Scope of Development; Schedule of Performance. Tenant shall use commercially reasonable efforts to construct or cause to be constructed the Initial Improvements on the Premises within the times and in the manner set forth in this Work Letter and the scope of development comprised of the Schematic Drawings, the Schedule of Performance, the preliminary plans and any narrative description (collectively, the “**Scope of Development**”) attached hereto as **Attachment 1**. All construction with respect to the Initial Improvements shall be accomplished expeditiously, diligently and in accordance with good construction and engineering practices and applicable Laws. Tenant shall undertake commercially reasonable measures to minimize damage, disruption or inconvenience caused by such work and make adequate provision for the safety and convenience of all persons affected by such work. Tenant, while performing any construction with respect to the Initial Improvements, shall undertake commercially reasonable measures in accordance with good construction practices to minimize the risk of injury or damage to adjoining tenants, properties and improvements, or the risk of injury to members of the public, caused by or resulting from the performance of such construction.

(c) Costs; Private Development. Tenant shall bear all of the cost of construction of all Initial Improvements. Without limiting the foregoing, Tenant shall be responsible for performing all Premises preparation work necessary for construction of the Initial Improvements. Such preparation of the Premises shall include, among other things, asbestos and lead abatement investigation required for development or operation of the Initial Improvements, all structure and substructure work, disabled access improvements and public access improvements and tenant improvements.

**2.2. Utilities.** Subject to the terms in the Basic Lease Information regarding the Interim Power Line and the Capacity Charges, Tenant, at its sole expense, shall arrange for the provision and construction of all on-Premises utilities necessary to use the Premises for the Permitted Use. Tenant and Port shall coordinate, if necessary, with respect to installation of any off-Premises utility infrastructure and design of the Initial Improvements, including providing advance notice of trenching requirements, and coordinate any modification of utilities to any adjacent Port tenants or uses.

**2.3. Submittals after Completion.** Tenant shall furnish Port both design/permit drawings in their finalized form and “As-Built” Drawings, specifications and surveys with respect to the Premises (core and shell, and tenant improvements) within sixty (60) days after Completion of the Initial Improvements. If Tenant fails to provide such surveys and as-built plans and specifications to Port within such period of time, Port after giving notice to Tenant shall have the right, but not the obligation, to cause the preparation by an architect of Port’s choice of final surveys and as-built plans and specifications, at Tenant’s sole cost, to be paid by Tenant to Port within thirty (30) days after Port’s request therefor.

**2.4. Insurance.**

(a) At all times during the construction of the Initial Improvements, in addition to the insurance required to be maintained by Tenant under **Section 19** of the Lease, Tenant shall require Tenant’s contractor to maintain (a) commercial general liability insurance with limits of not less than Three Million Dollars (\$3,000,000) combined single limit for bodily injury and property damage (including personal injury and death), and contractor’s protective liability; and products and completed operations coverage in an amount not less than Five Hundred Thousand Dollars (\$500,000) per incident, One Million Dollars (\$1,000,000) in the aggregate;

(b) comprehensive automobile liability insurance with a policy limit of not less than One Million Dollars (\$1,000,000) each accident for bodily injury and property damage, providing coverage at least as broad as the Insurance Services Office (ISO) Business Auto Coverage form covering Automobile Liability, “**any auto**”, and insuring against all loss in connection with the ownership, maintenance and operation of automotive equipment that is owned, hired or non-owned;

(c) workers’ compensation with statutory limits and employer’s liability insurance with limits of

not less than One Hundred Thousand Dollars (\$100,000) per accident, Five Hundred Thousand Dollars (\$500,000) aggregate disease coverage and One Hundred Thousand Dollars (\$100,000) disease coverage per employee. Tenant shall cause Tenant's Agents (other than Tenant's contractor) to carry such insurance as shall be reasonably approved by Port taking into account the nature and scope of the work and industry custom and practice.

(b) In addition, Tenant shall carry "**Builder's All Risk**" insurance covering the construction of the Initial Improvements as set forth in **Section 19** of the Lease. The liability insurance shall be written on an "**occurrence**" basis and shall name Port as additional insureds (by endorsement reasonably acceptable to Port). Subject to Port's consent in its reasonable discretion, Tenant may elect to require that any architects, contractors and sub-contractors performing services in connection with the Initial Improvements, carry Builders Risk Insurance in the amounts and types of coverage stated herein and with the additional insureds named as required herein.

(c) All of the insurance required to be carried by Tenant or Tenant's Agents hereunder shall provide that it is primary insurance, and not excess over or contributory with any other valid, existing, and applicable insurance in force for or on behalf of Port, shall provide that Port shall receive thirty (30) days' written notice from the insurer prior to any cancellation or change of coverage, and shall be placed with companies which are rated A-VIII or better by Best's Insurance Guide and licensed to business in the State of California. All deductibles and self-insured retentions under Tenant's policies are subject to Port's reasonable approval, and all insurance, except workers' compensation, maintained by Tenant's Agents shall preclude subrogation claims by the insurer against anyone insured thereunder. Tenant's compliance with the provisions of this **Section 2.4** shall in no way limit Tenant's liability under any of the other provisions of this Work Letter or the Lease.

**2.5. Prior to making any changes that Tenant considers to be non-material to any Port-approved Construction Documents, including, without limitation, substituting materials which are the architectural equivalent as to aesthetic appearance, quality, color, design and texture, Tenant shall notify Port in writing. If Port in its reasonable discretion determines that such noticed changes are material, then such changes shall be subject to Port's approval under **Section 3.4(b)**. Port's determination of whether such changes are material will be conclusive. Without otherwise limiting the requirements of this **Section 3.4(a)**, any changes that cost Five Thousand Dollars (\$5,000.00) or less in the aggregate and that would not otherwise affect the structural elements of the Initial Improvements shall be presumed to be non-material changes.

## 5. Completion

### 5.1. Completion.

#### (a) Issuance Process.

(i) Before the Initial Improvements Completion Date, Tenant may not occupy the Premises except for construction purposes under this Work Letter or the Lease, unless Port consents to such use, a Temporary Certificate of Occupancy has been issued allowing such use and Tenant pays rent in the amount required by the then-current Port Commission-adopted parameter rates.

(ii) After the Initial Improvements Completion Date, Tenant may request a written determination of Completion for the Initial Improvements in writing. Port shall issue or provide Tenant with notice of Port's refusal to issue the written determination of Completion for the Initial Improvements within sixty (60) days of receipt of Tenant's request. If Port refuses to issue a determination of Completion, then it shall state the reasons why in its refusal notice.

(iii) Port's determination that the Initial Improvements have been Completed does not relieve Tenant or any other Person from any obligations to secure or comply with any Regulatory Approval of any agency (including Port) that may be required for the occupancy or operation of the Initial Improvements.

(b) **Condition to Approval.** If there remain uncompleted (i) finishing details, minor omissions, decorations and mechanical adjustments of the type normally found on an architectural "punch list", (ii) landscaping, (iii) exterior finishes (to the extent Tenant can demonstrate to Port's reasonable satisfaction that such exterior finishes would be damaged during the course of later construction of Interior Improvements), or (iv) any other item that Port approves in writing in its sole and absolute discretion (collectively "Deferred Items"), Port may reasonably condition approval upon provision of security or other assurances in form, substance and amount satisfactory to Port that all the Deferred Items will be completed in a timely fashion. Such security may include a letter of credit (in a form and issued by an institution acceptable to Port) in the amount of one hundred ten percent (110%) of the cost of Completion of the Deferred Items as reasonably determined by Port. The obligations set forth in this subsection shall survive a termination of the Lease.

(c) **Definition of Completion.** For purposes of this Work Letter and the Initial Improvements, "Completion" means completion by Tenant of all aspects of the Initial Improvements in accordance with the Project Requirements, and in compliance with all Regulatory Approvals needed for the occupancy and development of the Initial Improvements or provision of security reasonably satisfactory to Port for Deferred Items under **Section 5.1(b)**, and issuance of a Certificate of Final Completion and Occupancy. The "Initial Improvements Completion Date" shall mean the earlier of (i) the date of the Certificate of Final Completion and Occupancy for the Initial Improvements or (ii) the date that is twenty-four (24) months after the date on which the Building Permit for the Initial Improvements was Finally Approved; provided,

however, that the Port's Executive Director, in her or his reasonable discretion, may extend the 24-month deadline in writing following Tenant's written request and provided that Tenant is working diligently toward Completion of the Initial Improvements and provided further that any such extension will not operate to relieve Tenant of its obligations to pay Rent or release any of Tenant's obligations nor constitute a waiver of Port's rights with respect to any other term, covenant or condition of this Work Letter or the Lease or any other default in, or breach of, the Work Letter or the Lease or otherwise effect the time with respect to the extended date or other dates for performance hereunder. The Port's Executive Director's failure to issue an extension within ten (10) days after Tenant's notice requesting an extension shall be deemed a denial of the request.

## **6. Termination Of Lease**

**6.1. Plans and Data.** If the Lease terminates as a result of an Event of Default by Tenant before Completion of the Initial Improvements, Tenant shall assign and deliver to Port (without cost to Port), without any warranty or representation from Tenant and subject to the terms of any design professional's, engineer's, consultant's, or contractors agreement with Tenant, any and all copies of reports in its possession regarding the Premises and all Construction Documents in the possession of or prepared for Tenant, for the contracting of the Initial Improvements within thirty (30) days after written demand from Port. Port may use said reports and Construction Documents for any purpose whatsoever relating to the Premises; provided, however, Port shall release Tenant and Tenant's contractor, architect, engineer, agents, employees and other consultants from any Claims arising out of Port's use of such reports and Construction Documents except to the extent such contractor, architect, engineer, agent, employee or other consultant is retained by Port to complete the Initial Improvements. Tenant shall include in all contracts and authorizations for services pertaining to the planning and design of the Initial Improvements an express agreement by the Person performing such services that Port may use such reports or Construction Documents as provided in this Section 6.1 without compensation or payment from Port in the event such reports or Construction Documents are delivered to Port under the provisions of this **Section 6.1**, provided that Port agrees (i) not to remove the name of the preparer of such reports of Construction Documents without the preparer's written permission or (ii) to remove it at their written request.

**6.2. Return of Premises.** If the Lease terminates pursuant to this **Section 6**, Tenant shall, at its sole expense and as promptly as practicable, return the Premises to Port in a safe condition, and unless otherwise requested by Port, shall promptly remove all Improvements and Alterations, equipment, loose building materials and debris present at the Premises resulting from Tenant's construction activities. In the event that Tenant is required to return the Premises as aforesaid, Tenant shall obtain those permits customary and necessary to enter upon the Premises in order to complete such work and shall otherwise comply with applicable Law. In such event, Port shall cooperate with Tenant in Tenant's efforts to obtain such permits, provided that Port will not be required to expend any money or undertake any obligations in connection therewith. The provisions of this Section shall survive any termination of the Lease.

**LICENSE TO USE PROPERTY**

**1. BASIC LICENSE INFORMATION.**

This License to Use Property, dated for reference purposes only as of the License Date set forth in the Basic License Information, is by and between the **CITY AND COUNTY OF SAN FRANCISCO**, a municipal corporation (“City”), operating by and through the **SAN FRANCISCO PORT COMMISSION** (“Port”), as licensor, and the party identified in the Basic License Information as licensee (“Licensee”). The Basic License Information that appears on the preceding pages and all Exhibits and Schedules attached hereto are hereby incorporated by reference into this License and shall be construed as a single instrument and referred to herein as this “License.” In the event of any conflict or inconsistency between the Basic License Information and the License provisions, the Basic License Information will control.

**2. GRANT OF LICENSE.**

In consideration of the stated conditions and agreements, Port hereby grants permission to Licensee to carry on the Permitted Activities within the License Area described in the Basic License Information and *Exhibit 1* attached hereto.

**3. TERM; REVOCABILITY.**

This License is a revocable personal, non-assignable, non-exclusive and non-possessory privilege to enter and use the License Area for the Permitted Activities only on a temporary basis during the Term unless sooner terminated pursuant to the terms of this License.

**3.1.** Without limiting any of Port’s rights hereunder, by initialing below, Licensee agrees and acknowledges that Port may, in its sole and absolute discretion, revoke or terminate this License at any time prior to the License Expiration Date, without cause and without obligation to pay any consideration to Licensee (“Port’s Termination Right”). Failure of Licensee to initial below shall in no way affect or hinder Port’s Termination Right. If Port exercises Port’s Termination Right, all obligations of Licensee shall immediately terminate, except for those obligations that survive the expiration or earlier termination of this License.

Initials: \_\_\_\_\_  
Licensee

**3.2.** Licensee may terminate this License at any time prior to the License Expiration Date upon prior written notice to Port.

**4. SECURITY DEPOSIT.** The Security Deposit provided under the Lease will serve as security for the faithful performance by Licensee of all terms, covenants and conditions of this License. Port and Licensee agree that the terms, conditions, rights, and obligations of the parties as set forth in Section 9 of the Lease apply to the parties respective rights and obligations (including without limitation, Licensee’s waiver of provisions of California Civil Code Section 1950.7) with respect to the use of the Security Deposit under this License.

**5. PERMITTED ACTIVITIES; SUITABILITY OF LICENSE AREA; PROHIBITED USES.**

The License Area shall be used and occupied only for the Permitted Activities specified in the Basic License Information and for no other purpose. If the Basic License Information limits the times and location of the activities permitted hereunder, then Licensee shall not conduct the activity at times and locations other than at the times and locations hereinabove specified unless express prior written permission is granted by Port. Persons subject to this License must comply with the directions of the San Francisco Police Department and Fire Department in connection therewith.

Licensee acknowledges that Port has made no representations or warranties concerning the License Area, including without limitation, the seismological condition thereof. By entering onto the License Area under this License, Licensee acknowledges its receipt of **Schedules 1 and 4** attached to the Lease regarding conditions on and about the License Area and shall be deemed to have inspected the License Area and accepted the License Area in its “As Is” condition and as being suitable for the conduct of Licensee’s activity thereon as of the License Effective Date.

Licensee shall use the License Area solely for Permitted Activities and for no other purpose. Any other use in, on or around the License Area or surrounding or adjacent Port property shall be strictly prohibited, including, but not limited to, waste, nuisance or unreasonable annoyance to Port, its other licensees, tenants, or the owners or occupants of adjacent properties, interference with Port’s use of its property, or obstruction of traffic (including, but not limited to, vehicular and pedestrian traffic) (each, a “**Prohibited Use**”).

In the event Port determines after inspection of the License Area that a Prohibited Use or Prohibited Uses are occurring in, on or around the License Area, then Licensee shall immediately cease the Prohibited Use(s) and shall pay to Port an additional charge in the amount of Three Hundred Dollars (\$300) upon delivery of written notice to Licensee to cease the Prohibited Use (“**Notice to Cease Prohibited Use**”). In the event Port determines in subsequent inspection(s) of the License Area that Licensee has not ceased the Prohibited Use, then Licensee shall pay to Port an additional charge in the amount of Four Hundred Dollars (\$400) for each additional Notice to Cease Prohibited Use delivered to Licensee. The parties agree that the charges associated with each inspection of the License Area and delivery of the Notice to Cease Prohibited Use, if applicable, represent a fair and reasonable estimate of the administrative cost and expense which Port will incur by reason of Port’s inspection of the License Area and Licensee’s failure to comply with the applicable Notice to Cease Prohibited Use and that Port’s right to impose the foregoing charges shall be in addition to and not in lieu of any and all other rights under this License, at law or in equity. By signing this License, each party specifically confirms the accuracy of the statements made in this Section and the reasonableness of the amount of the charges described in this Section.

## **6. COMPLIANCE WITH LAWS; REGULATORY APPROVAL; PORT ACTING AS OWNER OF PROPERTY.**

**6.1. *Compliance With Laws.*** Licensee, at Licensee’s sole cost and expense, promptly shall comply with all Laws relating to or affecting the condition, use or occupancy of the License Area to the extent that such Laws are applicable to Licensee’s or its Agents’ or Invitees’ acts or omissions on the License Area.

**6.2. *Regulatory Approval.*** Licensee understands that Licensee’s activity on the License Area may require Regulatory Approvals from Regulatory Agencies. Licensee shall be solely responsible for obtaining any such Regulatory Approvals, and Licensee shall not seek any Regulatory Approval without first obtaining the prior written approval of Port. All costs associated with applying for and obtaining any necessary Regulatory Approval shall be borne solely and exclusively by Licensee. Licensee shall be solely responsible for complying with any and all conditions imposed by Regulatory Agencies as part of a Regulatory Approval; provided, however, Licensee shall not agree to the imposition of conditions or restrictions in connection with its efforts to obtain a permit or other entitlement from any Regulatory Agency (other than Port), if the Port is required to be a co-permittee under such permit, or if the conditions or restrictions it would impose on Licensee’s activities could affect use of the Park or use or occupancy of other areas controlled or owned by the Port or would create obligations on the part of the Port (whether on or off of the License Area) to perform or observe, unless in each instance the Port has previously approved such conditions in writing, in Port’s sole and absolute discretion.

Any fines or penalties imposed as a result of the failure of Licensee to comply with the terms and conditions of any Regulatory Approval shall be promptly paid and discharged by Licensee, and Port shall have no liability, monetary or otherwise, for the fines and penalties. To the fullest extent permitted by Law, Licensee agrees to Indemnify City, Port and their Agents from and against any loss, expense, cost, damage, attorneys' fees, penalties, claims or liabilities which City or Port may incur as a result of Licensee's failure to obtain or comply with the terms and conditions of any Regulatory Approval.

**6.3. Port Acting As Owner of Property.** By signing this License, Licensee agrees and acknowledges that (i) Port has made no representation or warranty that any required Regulatory Approval can be obtained, (ii) although Port is an agency of City, Port has no authority or influence over any other Regulatory Agency responsible for the issuance of such required Regulatory Approvals, (iii) Port is entering into this License in its capacity as a landowner with a proprietary interest in the License Area and not as a Regulatory Agency of City with certain police powers, and (iv) Licensee is solely responsible for obtaining any and all required Regulatory Approvals in connection with the Permitted Activities on, in or around the License Area. Accordingly, Licensee understands that there is no guarantee, nor a presumption, that any required Regulatory Approval(s) will be issued by the appropriate Regulatory Agency and Port's status as an agency of City shall in no way limit the obligation of Licensee to obtain approvals from any Regulatory Agencies (including Port) which have jurisdiction over the License Area. Licensee hereby releases and discharges Port from any liability relating to the failure of any Regulatory Agency (including Port) from issuing any required Regulatory Approval.

**6.4. Accessibility.** California Law requires commercial landlords to disclose to tenants whether the property being leased has undergone inspection by a Certified Access Specialist ("CASp") to determine whether the property meets all applicable construction-related accessibility requirements. The Law does not require landlords to have the inspections performed. Licensee is hereby advised that the License Area has not been inspected by a CASp and, except to the extent expressly set forth in this License, Port shall have no liability or responsibility to make any repairs or modifications to the License Area in order to comply with accessibility standards. The following disclosure is required by Law:

"A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state Law. Although state Law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises."

Further, Licensee understands and agrees that Licensee may be subject to legal and financial liabilities if its use of the License Area does not comply with applicable federal and state disability access Laws. As further set forth in this Section, Licensee further understands and agrees that it is Licensee's obligation, at no cost to Port, to cause Licensee's uses of the License Area to be conducted in compliance with applicable federal or state disability access Laws.

## **7. UTILITIES, SERVICES, MAINTENANCE AND REPAIR.**

**7.1. Utilities.** Port has no responsibility or liability of any kind with respect to any utilities that may be on, in or under the License Area. Licensee shall make arrangements and shall pay all charges for all Utilities to be furnished on, in or to the License Area to be used by Licensee. Licensee will procure all electricity for the License Area from the San Francisco Public Utilities Commission at rates to be determined by the SF Public Utilities Commission. If

the SF Public Utilities Commission determines that it cannot feasibly provide service to Licensee, Licensee may seek another provider.

**7.2. Services.** Port has no responsibility or liability of any kind with respect to the provision of any services to Licensee or on, in, or to the License Area. Licensee shall make arrangements and shall pay all charges for all services to be furnished on, in or to the License Area that may be required by Licensee, including, without limitation, security service, garbage and trash collection, janitorial service and extermination service.

**7.3. Maintenance and Repair.** Licensee shall not be obligated to maintain the License Area or to make any improvements, capital repairs, replacement or renewals of any kind, nature or description, except to the extent of damage caused by Licensee, its Agents or Invitees, as described below. Port shall not be obligated to make any repairs, replacement or renewals of any kind, nature or description whatsoever to the License Area or to any improvements or alterations now or hereafter located thereon. In the event that Licensee or its Agents or Invitees cause any damage (excepting ordinary wear and tear) to and around the License Area or any other Port property, Licensee shall be responsible and Port may, at its sole and absolute discretion, elect to repair the same itself or require Licensee to repair the same, all at Licensee's sole cost and expense; provided, however, that Licensee shall not be responsible for any damage caused by its Agents or Invitees on other Port property (in other words, property other than the License Area and the Premises under the Lease) unless the Agent's or Invitee's acts, omissions or negligence that caused the damage are such that they also trigger Licensee's indemnity obligations under **Section 12**. Upon receipt of any invoice from Port for costs incurred by Port related to any repair performed by Port in accordance with this Section, Licensee shall immediately reimburse Port therefor. This provision shall survive the expiration or earlier termination of this License.

## **8. TAXES AND ASSESSMENTS.**

Licensee agrees to pay to the proper authority any and all taxes, assessments and similar charges on the License Area in effect at the time this License is entered into, or which become effective thereafter, including all taxes levied or assessed upon the possession, use, or occupancy, as distinguished from the ownership, of the License Area. Licensee, on behalf of itself and any permitted successors and assigns, recognizes and understands that this License may create a possessory interest subject to property taxation and that Licensee, and any permitted successor or assign may be subject to the payment of such taxes. Licensee, on behalf of itself and any permitted successors and assigns, further recognizes and understands that any assignment permitted hereunder and any exercise of any option to renew or extend this License may constitute a change in ownership for purposes of property taxation and therefore may result in a revaluation of any possessory interest created hereunder. San Francisco Administrative Code Sections 23.38 and 23.39 (or any successor statute) require that certain information relating to the creation, renewal, extension, assignment, sublicense, or other transfer of this License be reported to the County Assessor within sixty (60) days after any such transaction. Accordingly, Licensee must provide a copy of this License to the County Assessor not later than sixty (60) days after the Effective Date, and any failure of Licensee to timely provide a copy of this License to the County Assessor will be a default under this License. Licensee further agrees to provide such other information as may be requested by City or Port to enable City or Port to comply with any reporting requirements under applicable Law with respect to possessory interest. Licensee shall Indemnify Port, City and their Agents from and against any Claims resulting from any taxes and assessments related to this License.

**9. INSURANCE.** The insurance provisions set forth in Section 19 of the Lease are hereby incorporated in their entirety (except as set forth in the last sentence of this **Section 9**), and Licensee shall maintain throughout the Term, at Licensee's expense, the insurance coverages for the License Area in the manner required and subject to the terms and conditions of Lease Section 19 provided that terms applicable to a lease, such as "Premises", "Lease", and "Tenant"

will be replaced with terms applicable to a license, such as “License Area”, “License”, and “Licensee”. Further, the Parties agree that Licensee has no obligation under this License to maintain the following coverages for the License Area: (i) Builders Risk Insurance, (ii) Earthquake and Flood Insurance, (iii) Boiler and Machinery Insurance, (iv) Contractor’s Pollution Legal Liability Insurance, (v) Professional Liability, and (vi) Crime policy.

## **10. NOTICES.**

Except as otherwise expressly provided in this License or by Law, all notices (including notice of consent or non-consent) required or permitted by this License or by Law must be in writing and be delivered by: (a) hand delivery; (b) first class United States mail, postage prepaid; or (c) overnight delivery by a nationally recognized courier or the United States Postal Service, delivery charges prepaid. Notices to a party must be delivered to that party’s mailing address in the Basic License Information, unless superseded by a notice of a change in that party’s mailing address for notices, given to the other party in the manner provided above, or by Licensee in Licensee’s written response to Port’s written request for such information.

All notices under this License shall be deemed to be duly delivered: (a) on the date personal delivery actually occurs; (b) if mailed, on the business day following the business day deposited in the United States mail or, if mailed return receipt requested, on the date of delivery or on which delivery is refused as shown on the return receipt; or (c) the business day after the business day deposited for overnight delivery.

Notices may not be given by facsimile or electronic mail, but either party may deliver a courtesy copy of a notice by facsimile or electronic mail.

## **11. DEFAULT BY LICENSEE; REMEDIES.**

**11.1. *Event of Default.*** The occurrence of any one or more of the following events shall constitute a default by Licensee:

- (a) Failure by Licensee to pay when due any Fees and/or all other charges due hereunder; or
- (b) Failure to perform any other provisions of this License (including of the Operations Plan), if the failure to perform is not cured within the Cure Period set forth in the Basic License Information after Port has given notice to Licensee; or
- (c) An assignment, or attempted assignment, of this License by Licensee except in connection with a Port-approved Transfer as defined by the Lease; or
- (d) An Event of Default under the terms of the Lease; or
- (e) Either (i) the failure of Licensee to pay its debts as they become due, the written admission of Licensee of its inability to pay its debts, or a general assignment by Licensee for the benefit of creditors; or (ii) the filing by or against Licensee of any action seeking reorganization, arrangement, liquidation, or other relief under any Law relating to bankruptcy, insolvency, or reorganization or seeking the appointment of a trustee, receiver or liquidator of Licensee’s or any substantial part of Licensee’s assets; or (iii) the attachment, execution or other judicial seizure of substantially all of Licensee’s interest in this License.

**11.2. *Port’s Remedies.*** Upon default by Licensee, Port shall, without further notice or demand of any kind to Licensee or to any other person, and in addition to any other remedy Port may have under this License and at law or in equity, have the ability to immediately terminate this License and Licensee’s right to use the License Area. Upon notice of any such termination, Licensee shall immediately vacate and discontinue its use of the License Area and Port may take any and all action to enforce Licensee’s obligations.

## 12. INDEMNITY AND EXCULPATION.

**12.1. General Indemnity.** Licensee shall Indemnify Port, City, including, but not limited to, all of their respective boards, commissions, departments, agencies, and other subdivisions, and their respective Agents (collectively, “**Indemnified Parties**”) from, and shall defend them, without cost to the Indemnified Parties, against any and all Claims arising directly or indirectly out of: (a) any accident, injury to or death of any person, including any Agents and/or Invitees of Licensee, or loss or damage to or destruction of any property occurring in, on or about the License Area, or any other Port property, from Licensee’s or its Agent’s or Invitee’s acts or omissions, or (b) any default by Licensee in the observance or performance of any of the terms, covenants or conditions of this License, or (c) the use, occupancy, manner of use or occupancy, or condition of the License Area or the activities therein by Licensee, its Agents, or Invitees, or (d) any construction or other work undertaken by Licensee on the License Area whether before or during the Term, or (e) any acts, omissions or negligence of Licensee, its Agents or Invitees, in, on or about the License Area, or any other Port property.

### 12.2. Hazardous Materials Indemnity.

(a) In addition to its obligations under *Section 12.1* and subject to *Section 12.2(b)*, Licensee, for itself and on behalf of its Agents and Invitees, agrees to Indemnify the Indemnified Parties from any and all Hazardous Material Claims that arise as a result of: (i) any Hazardous Material Condition, and (ii) Licensee’s Exacerbation of any Hazardous Material Condition.

(b) Unless Licensee or its Agents or Invitees Exacerbate a Hazardous Material Condition, Licensee’s Indemnity obligations under this License do not include any Hazardous Material Claims that arise as a result of a Hazardous Material Condition: (i) caused solely by City, Port, or their Agents during Licensee’s, its Agent’s or Invitee’s use of the License Area; (ii) arising before the Commencement Date or the date of Licensee’s first use of the License Area under the Prior Licenses, whichever is earlier; (iii) caused by Licensee’s Agent’s acts, omissions or negligence on other Port property (in other words, on Port property other than the License Area), unless such Agent was performing work on Licensee’s behalf or otherwise acting on Licensee’s behalf in furtherance of the Permitted Activities under this License; (iv) caused by Licensee’s Invitee’s acts, omissions or negligence on other Port property (in other words, on Port property other than the License Area); or (v) caused by Licensee’s Invitee’s acts, omissions or negligence at a time that is outside of the Hours of Operation unless there is a causal nexus between such Invitee’s acts, omissions or negligence and the Invitee’s relationship with Licensee.

(c) Licensee’s obligation to Indemnify the Indemnified Parties under subsection (a) includes: (i) costs incurred in connection with any Investigation or Remediation requested by Port or required by any Environmental Regulatory Agency and to restore the affected area to its condition before the Release; (ii) damages for diminution in the value of the License Area; (iii) damages for the loss or restriction on use of rentable or usable space or of any amenity of the License Area; (iv) damages arising from any adverse impact on marketing the space; (v) sums paid in settlement of Claims, Hazardous Material Claims, Environmental Regulatory Actions, including fines and penalties; (vi) natural resource damages; and (vii) attorneys’ fees, consultant fees, expert fees, court costs, and all other litigation, administrative or other judicial or quasi-judicial proceeding expenses. If Port pays any costs within the scope of this section, Licensee must reimburse Port for Port’s costs, plus interest at the Interest Rate from the date Port incurs each cost until paid, within three (3) business days after Port’s payment demand. Licensee’s obligations hereunder shall survive the expiration or earlier termination of this License.

**12.3. Scope of Indemnities.** The Indemnification obligations of Licensee set forth in this License shall be enforceable regardless of the joint or concurrent, active or passive negligence of the Indemnified Parties, and regardless of whether liability without fault is

imposed or sought to be imposed on the Indemnified Parties. The Indemnification obligations of Licensee set forth in this License shall be enforceable except to the extent that such Indemnity is void or otherwise unenforceable under applicable Law in effect on, or validly retroactive to, the date of this License. Except as specifically provided otherwise, the Indemnification obligations of Licensee set forth in this License shall exclude Claims resulting solely from the willful misconduct or gross negligence of the Indemnified Parties.

In addition to Licensee's obligation to Indemnify the Indemnified Parties, Licensee specifically acknowledges and agrees that it has an immediate and independent obligation to defend the Indemnified Parties from any Claim which actually or potentially falls within the Indemnification obligations of Licensee set forth in this License, even if the allegations are or may be groundless, false or fraudulent. This Indemnification by Licensee shall begin from the first notice that any claim or demand is or may be made and shall continue at all times thereafter.

Port agrees that Licensee's Indemnity for Claims that arise out of any Licensee's Invitee's acts, omissions or negligence on "other Port property" as set forth above in **Section 12.1** applies only if such Claims (i) arise directly or indirectly out of Licensee's Invitee's acts, omissions or negligence, (ii) such act, omission or negligence occurred in, on, under, or about the License Area, and (iii) if such act, omission or negligence occurred outside of the Hours of Operation, there is a causal nexus between such Invitee's acts, omissions or negligence and the Invitee's relationship with Licensee.

Port agrees that Licensee's Indemnity for Claims that arise out of any Licensee's Agent's acts, omissions or negligence on "other Port property" as set forth above in **Section 12.1** applies only if such Claims (i) arise directly or indirectly out of Licensee's Agent's acts, omissions or negligence, and (ii) such act, omission or negligence occurred while such Agent was performing work on Licensee's behalf or otherwise acting on Licensee's behalf in furtherance of the Permitted Activities under this License.

**12.4. Exculpation and Waiver.** To the fullest extent permitted by Law, Licensee, as a material part of the consideration to be rendered to Port, hereby waives any and all Claims, including without limitation all Claims arising from the joint or concurrent, active or passive, negligence of the Indemnified Parties, but excluding any Claims caused solely by the Indemnified Parties' willful misconduct or gross negligence. The Indemnified Parties shall not be responsible for or liable to Licensee, and Licensee hereby assumes the risk of, and waives and releases the Indemnified Parties from all Claims, whether direct or indirect, known or unknown, foreseen or unforeseen, for any injury, loss or damage to any person or property in or about the License Area by or from any cause whatsoever including, without limitation, (i) any act or omission of persons occupying or using adjoining areas, including without limitation, Port, (ii) theft, (iii) explosion, fire, steam, oil, electricity, water, gas or rain, pollution or contamination, (iv) stopped, leaking or defective Utilities, (v) damages to goods, wares, goodwill, merchandise, equipment or business opportunities, (vi) Claims by persons in, upon or about the License Area, or any other Port property for any cause arising at any time, (viii) alleged facts or circumstances of the process or negotiations leading to this License prior to the Commencement Date, (ix) inability to use all or any portion of the License Area due to sea level rise, and (x) any other acts, omissions or causes to the fullest extent permitted by Law.

Licensee understands and expressly accepts and assumes the risk that any facts concerning the Claims released in this License might be found later to be other than or different from the facts now believed to be true, and agrees that the releases in this License shall remain effective. Therefore, with respect to the Claims released in this License, Licensee waives any rights or benefits provided by Section 1542 of the Civil Code, which reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE  
CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT  
TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE  
RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE

MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE  
DEBTOR OR RELEASED PARTY.

---

*Licensee's Initials*

Licensee specifically acknowledges and confirms the validity of the release made above and the fact that Licensee was represented by counsel who explained the consequences of the release at the time this License was made, or that Licensee had the opportunity to consult with counsel, but declined to do so.

**12.5. *Survival.*** The provisions of *Section 12* shall survive the expiration or earlier termination of this License.

**13. HAZARDOUS MATERIALS.**

**13.1. *Requirements for Handling.*** Neither Licensee nor its Agents or Invitees may Handle or permit any other person to Handle any Hazardous Material in, on, under or about the License Area or any other Port property, subject only to the following exceptions, provided that Handling is at all times in full compliance with all Environmental Laws: janitorial, office and other supplies and equipment in amounts customarily used for the Permitted Activities and subject to the Operations Plan.

**13.2. *Licensee Responsibility.***

**(a)** Generally. Licensee agrees to protect its Agents and Invitees in its operations on the License Area from hazards associated with Hazardous Materials in accordance with all Environmental Laws and also agrees, for itself and on behalf of its Agents and Invitees, that during its use and occupancy of the License Area, each of them:

**(i)** will not permit any new Hazardous Materials to be present in, on, under or about the License Area, or other Port property except as permitted under *Section 13.1* (Requirements for Handling);

**(ii)** will not cause or permit any new Hazardous Material Condition;  
and

**(iii)** will comply with all Environmental Laws relating to Licensee's use of the License Area and any Hazardous Material Condition, and will not engage in or permit any activity at the License Area or any other Port property, or in the operation of any vehicles or vessels used in connection with the License Area in violation of any Environmental Laws.

**(b) Other Port Property.** Port agrees that with respect to "other Port property" only (in other words, on Port property other than the License Area) as such term is used under *Sections 13.1 and 13.2(a)*, (i) without limiting any other agreement Licensee may have with Port, Licensee has no obligations to or for Licensee's Invitees on other Port property, and (ii) Licensee's obligations with respect to Licensee's Agents on other Port property arise only to the extent such Agent is performing work on Licensee's behalf or otherwise acting on Licensee's behalf in furtherance of the Permitted Activities under this License.

**13.3. *Licensee's Environmental Condition Notice Requirements.***

**(a)** Licensee must notify Port immediately, orally or by other means that will transmit the earliest possible notice to Port staff, followed within twenty-four (24) hours by written notice, of and when Licensee learns or has reason to believe Hazardous Materials were Released or, except as allowed under *Section 13.1* (Requirements for Handling), Handled, in, on, or about the License Area, any other Port property, or the environment or from any vehicles or vessels that Licensee, its Agents or Invitees use during Licensee's occupancy of the License

Area, whether or not the Release or Handling is in quantities that would be required under Environmental Laws to be reported to an Environmental Regulatory Agency.

**(b)** Licensee must notify Port immediately, orally or by other means that will transmit the earliest possible notice to Port staff, followed within twenty-four (24) hours by written notice, and contemporaneously provide Port with an electronic copy, of:

**(i)** Any notice of the Release or Handling of Hazardous Materials, in, on, or about the License Area, any other Port property, or the environment, or from any vehicles or vessels Licensee or its Agents or Invitees uses during Licensee's occupancy of the License Area that Licensee or its Agents or Invitees provides to an Environmental Regulatory Agency;

**(ii)** Any notice of a violation, or a potential or alleged violation, of any Environmental Law that Licensee or its Agents or Invitees receives from any Environmental Regulatory Agency related to the License Area;

**(iii)** Any other Environmental Regulatory Action that is instituted or threatened by any Environmental Regulatory Agency against Licensee or its Agents or Invitees and that relates to the Release or Handling of Hazardous Materials, in, on, or about the License Area, other Port property, or the environment, or from any vehicles or vessels Licensee or its Agents or Invitees use during Licensee's occupancy of the License Area;

**(iv)** Any Hazardous Materials Claim that is instituted or threatened by any third party against Licensee or its Agents or Invitees and that relates to the Release or Handling of Hazardous Materials, in, on, or about the License Area, other Port property, or the environment, or from any vehicles or vessels that Licensee or its Agents or Invitees use during Licensee's occupancy of the License Area; and

**(v)** Any notice of the termination, expiration, or substantial amendment of any Environmental Regulatory Approval needed by Licensee or its Agents or Invitees for their operations at the License Area.

**(c)** Licensee must notify Port of any meeting, whether conducted face-to-face or telephonically, between Licensee and any Environmental Regulatory Agency regarding an Environmental Regulatory Action. Port will be entitled to participate in any such meetings at its sole election.

**(d)** Licensee must notify Port of any Environmental Regulatory Agency's issuance of an Environmental Regulatory Approval. Licensee's notice to Port must state the issuing entity, the Environmental Regulatory Approval identification number, and the date of issuance and expiration of the Environmental Regulatory Approval. In addition, Licensee must provide Port with a list of any Environmental Regulatory Approval, plan or procedure required to be prepared and/or filed with any Environmental Regulatory Agency for operations on the License Area, including a "Spill Prevention Control and Countermeasure Plan." Licensee must provide Port with copies of any of the documents within the scope of this Section upon Port's request.

**(e)** Licensee must provide Port with copies of all communications with Environmental Regulatory Agencies and all non-privileged communications with other persons regarding potential or actual Hazardous Materials Claims arising from Licensee's or its Agents' or Invitees' operations at the License Area. Upon Port's request, Licensee must provide Port with a log of all communications withheld under a claim of privilege that specifies the parties to and subject of each withheld communication.

**(f)** Port may from time to time request, and Licensee will be obligated to provide, information reasonably adequate for Port to determine that any and all Hazardous Materials are being Handled in the License Area in a manner that complies with all Environmental Laws.

### **13.4. Requirement to Remediate.**

(a) Licensee's Remediation obligations under this Subsection (a) are subject to **Sections 13.4(b) and 13.4(c)**.

(i) After notifying Port in accordance with **Section 13.3(a)** (Licensee's Environmental Condition Notice Requirements), Licensee must Remediate at its sole cost in compliance with all Environmental Laws and this License, any Hazardous Material Condition occurring during the Term or while Licensee or its Agents or Invitees otherwise occupy any part of the License Area. Licensee must obtain Port's approval of a Remediation work plan, whether or not required under Environmental Laws, then begin Remediation actions immediately following Port's approval of the work plan and continue diligently until Remediation is complete, as determined by Port, in its sole discretion.

(ii) In addition to its obligations under clause (i), before this License terminates for any reason, Licensee must Remediate at its sole cost in compliance with all Environmental Laws and this License: (A) any Hazardous Material Condition caused by Licensee's or its Agents' or Invitees' Handling Hazardous Materials during the Term; and (B) any Hazardous Material Condition discovered during Licensee's occupancy that is required to be Remediated by any Regulatory Agency if Remediation would not have been required but for Licensee's use of the License Area.

(iii) If Environmental Laws require a Remediation action plan, Licensee must provide a draft of its plan to Port for comment and approval before submittal to the appropriate Environmental Regulatory Agency, and a copy of the final plan as submitted.

(iv) In all situations relating to Handling or Remediating Hazardous Materials, Licensee must take all actions that are reasonably necessary in Port's sole judgment to protect the value of the License Area, such as obtaining Environmental Regulatory Approvals related to Hazardous Materials and taking measures to remedy any deterioration in the condition or diminution of the value of any portion of the License Area in any manner related directly, or indirectly to Hazardous Materials.

(b) Unless Licensee or its Agents or Invitees Exacerbate the Hazardous Material Condition and subject further to **Section 13.4(c)**, Licensee will not be obligated to Remediate any Hazardous Material Condition: (i) caused solely by City, Port, or their Agents during Licensee's occupancy of the License Area; or (ii) arising before the Commencement Date or the date of Licensee's first use of the License Area, whichever is earlier.

(c) Licensee will not be obligated to Remediate any Hazardous Material Condition on other Port property (in other words, on Port property other than the Premises) (i) caused by Licensee's Agent's acts, omissions or negligence on other Port Property, unless at the time such Hazardous Material Condition was caused or Exacerbated, such Agent was performing work directly or indirectly on Licensee's behalf or otherwise acting directly or indirectly on Licensee's behalf in furtherance of the Permitted Activities under this License; or (ii) caused by Licensee's Invitee's acts, omissions or negligence on other Port Property.

**13.5. Port's Right to Audit.** Port will have the right, but not the obligation, to inspect and audit the License Area for any Hazardous Materials, including the right to Investigate, at reasonable times under **Section 14** (Port's Entry on License Area). Port's failure to inspect or obtain samples or to detect conditions attributable to Licensee's operations if an inspection is conducted may not be deemed to be a release of any liability for any Hazardous Materials subsequently determined to be Licensee's responsibility under this License.

### **13.6. Storm Water Pollution Prevention.**

(a) Licensee must comply with the applicable provisions of the Statewide General Permit for Discharge of Industrial Storm Water issued by the State Water Resources Control Board, including filing a Notice of Intent to be covered, developing and implementing a

site-specific Storm Water Pollution Prevention Plan (“SWPPP”), and conducting storm water monitoring and reporting. If applicable, Licensee’s SWPPP and a copy of a Notice of Intent for Licensee’s License Area must be submitted to Port’s Real Estate Division before beginning operations in the License Area.

(b) In addition to requiring compliance with the permit requirements under Subsection (a), Licensee shall comply with the post-construction stormwater control provisions of the Statewide General Permit for Discharge of Stormwater from Small Municipalities and the San Francisco Stormwater Management Requirements and Design Guidelines, subject to review and permitting by the Port.

**13.7. *Presence of Hazardous Materials.*** California Law requires landlords to disclose the presence or potential presence of certain Hazardous Materials. Accordingly, Licensee is hereby advised that Hazardous Materials (as herein defined) may be present on or near the License Area, including, but not limited to vehicle fluids, janitorial products, tobacco smoke, and building materials containing chemicals, such as asbestos, naturally-occurring radionuclides, lead and formaldehyde. Further, the Hazardous Materials described in the reports listed in *Schedule 4* attached to the Lease, copies of which have been delivered to or made available to Licensee, are known to be present at or near the License Area. By execution of this License, Licensee acknowledges that the notice set forth in this Section satisfies the requirements of California Health and Safety Code Section 25359.7 and related Laws. Licensee must disclose the information contained in this Section to any sublicensee, licensee, transferee, or assignee of Licensee’s interest in this License. Licensee also acknowledges its own obligations pursuant to California Health and Safety Code Section 25359.7 as well as the penalties that apply for failure to meet such obligations.

**13.8. *Survival.*** Licensee’s obligations under this *Section 13* (Hazardous Materials) shall survive the expiration or earlier termination of this License.

#### **14. PORT’S ENTRY ON LICENSE AREA.**

**14.1. *Entry for Inspection.*** Port and its authorized Agents shall have the right to enter the License Area without notice at any time for the purpose of inspecting the License Area to determine whether the License Area is in good condition and whether Licensee is complying with its obligations under this License; to perform any necessary maintenance, repairs or restoration to the License Area; and to show the License Area to prospective licensees, tenants or other interested parties.

**14.2. *Emergency Entry.*** Port may enter the License Area at any time, without notice, in the event of an emergency. Port shall have the right to use any and all means that Port may deem proper in such an emergency in order to obtain entry to the License Area. Entry to the License Area by any of these means, or otherwise, shall not under any circumstances be construed or deemed to be a breach of Licensee’s rights under this License.

**14.3. *No Liability.*** Port shall not be liable in any manner, and Licensee hereby waives any Claims for damages, for any inconvenience, disturbance, loss of business, nuisance, or other damage, including without limitation any abatement or reduction in Fees due hereunder, arising out of Port’s entry onto the License Area, or entry by the public (as Licensee has a non-exclusive right to use such License Area) onto the License Area.

#### **15. SURRENDER.**

Upon the expiration or earlier termination of this License, Licensee shall surrender to Port the License Area and any pre-existing alterations and improvements without damage or deterioration caused by Licensee’s Permitted Activities or failure to perform all of its obligations under this License. The License Area shall be surrendered clean, free of debris, waste, and with respect to Hazardous Materials, in accordance with Licensee’s obligations under *Section 13*. On or before the expiration or earlier termination hereof, Licensee shall remove all of its personal

property and, unless Port directs otherwise, any alterations and improvements that Licensee has installed with Port's consent, and perform all restoration made necessary by the removal of Licensee's personal property.

Without any prior notice, Port may elect to retain or dispose of Licensee's personal property and any alterations and improvements that Licensee has installed with or without Port's consent that Licensee does not remove from the License Area prior to the expiration or earlier termination of this License. These items shall be deemed abandoned. Port may retain, store, remove, and sell or otherwise dispose of abandoned property, and Licensee waives all Claims against Port for any damages resulting from Port's retention, removal and disposition of such property; provided, however, that Licensee shall be liable to Port for all costs incurred in storing, removing and disposing of abandoned property and repairing any damage to the License Area resulting from such removal. Licensee agrees that Port may elect to sell abandoned property and offset against the sales proceeds Port's storage, removal, and disposition costs without notice to Licensee. Licensee hereby waives the benefits of California Civil Code Section 1993 et seq., to the extent applicable.

If Licensee fails to surrender the License Area as required by this Section, Licensee shall Indemnify Port from all damages resulting from Licensee's failure to surrender the License Area, including, but not limited to, any costs of Port to enforce this Section and Claims made by a succeeding licensee or tenant resulting from Licensee's failure to surrender the License Area as required together with, in each instance, reasonable attorneys' fees and costs.

Licensee's obligation under this Section shall survive the expiration or earlier termination of this License.

## **16. ATTORNEYS' FEES; LIMITATIONS ON DAMAGES.**

**16.1. *Litigation Expenses.*** The prevailing party in any action or proceeding (including any cross complaint, counterclaim or bankruptcy proceeding) against the other party by reason of a claimed default, or otherwise arising out of a party's performance or alleged non-performance under this License, shall be entitled to recover from the other party its costs and expenses of suit, including but not limited to, reasonable attorneys' fees, which fees shall be payable whether or not such action is prosecuted to judgment. "**Prevailing party**" within the meaning of this Section shall include, without limitation, a party who substantially obtains or defeats, as the case may be, the relief sought in the action, whether by compromise, settlement, judgment or the abandonment by the other party of its claim or defense. Attorneys' fees under this Section shall include attorneys' fees and all other reasonable costs and expenses incurred in connection with any appeal.

**16.2. *City Attorney.*** For purposes of this License, reasonable fees of attorneys of the City's Office of the City Attorney shall be based on the fees regularly charged by private attorneys with an equivalent number of years of professional experience (calculated by reference to earliest year of admission to the bar of any state) who practice in San Francisco in Law firms with approximately the same number of attorneys as employed by the Office of the City Attorney.

**16.3. *Limitation on Damages.*** Licensee agrees that Licensee will have no recourse with respect to, and Port shall not be liable for, any obligation of Port under this License, or for any Claim based upon this License, except to the extent of the fair market value of Port's fee interest in the License Area (as encumbered by this License). Licensee's execution and delivery hereof and as part of the consideration for Port's obligations hereunder Licensee expressly waives all such liability.

**16.4. *Non-Liability of City Officials, Employees and Agents.*** No elective or appointive board, commission, member, officer, employee or other Agent of City and/or Port shall be personally liable to Licensee, its successors and assigns, in the event of any default or breach by City and/or Port or for any amount which may become due to Licensee, its successors

and assigns, or for any obligation of City and/or Port under this License. Under no circumstances shall Port, City, or their respective Agents be liable under any circumstances for any consequential, incidental or punitive damages.

**16.5. *Limitation on Port's Liability Upon Transfer.*** In the event of any transfer of Port's interest in and to the License Area, Port (and in case of any subsequent transfers, the then transferor), subject to the provisions hereof, will be automatically relieved from and after the date of such transfer of all liability with regard to the performance of any covenants or obligations contained in this License thereafter to be performed on the part of Port, but not from liability incurred by Port (or such transferor, as the case may be) on account of covenants or obligations to be performed by Port (or such transferor, as the case may be) hereunder before the date of such transfer.

## **17. MINERAL RESERVATION.**

The State of California ("State"), pursuant to Section 2 of Chapter 1333 of the Statutes of 1968, as amended, has reserved all subsurface mineral deposits, including oil and gas deposits, on or underlying the License Area and Licensee acknowledges such reserved rights including necessary ingress and egress rights. In no event shall Port be liable to Licensee for any Claims arising from the State's exercise of its rights nor shall such action entitle Licensee to any abatement or diminution of Fees or otherwise relieve Licensee from any of its obligations under this License.

## **18. CITY AND PORT REQUIREMENTS.**

The provisions of Lease Section 35 (City and Port Requirements) are incorporated by reference as though fully set forth in this License. Licensee understands and agrees that its failure to comply with any applicable provision of the listed requirements shall be deemed a material breach of this License and may give rise to penalties under the applicable ordinance.

## **19. MISCELLANEOUS PROVISIONS.**

**19.1. *California Law; Venue.*** This License is governed by, and shall be construed and interpreted in accordance with, the Laws of the State of California and City's Charter. Any legal suit, action, or proceeding arising out of or relating to this License shall be instituted in the Superior Court for the City and County of San Francisco, and each party agrees to the exclusive jurisdiction of such court in any such suit, action, or proceeding (excluding bankruptcy matters). The parties irrevocably and unconditionally waive any objection to the laying of venue of any suit, action, or proceeding in such court and irrevocably waive and agree not to plead or claim that any suit, action, or proceeding brought in San Francisco Superior Court relating to this License has been brought in an inconvenient forum. The parties also unconditionally and irrevocably waive any right to remove any such suit, action, or proceeding to federal Court.

**19.2. *Entire Agreement.*** This License contains all of the representations and the entire agreement between the parties with respect to the subject matter of this License. Any prior correspondence, memoranda, agreements, warranties, or representations, whether written or oral, relating to such subject matter are superseded in total by this License. No prior drafts of this License or changes from those drafts to the executed version of this License shall be introduced as evidence in any litigation or other dispute resolution proceeding by any party or other person, and no court or other body should consider those drafts in interpreting this License.

**19.3. *Amendments.*** No amendment of this License or any part thereof shall be valid unless it is in writing and signed by all of the parties hereto.

**19.4. *Severability.*** If any provision of this License or the application thereof to any person, entity or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this License, or the application of such provision to persons, entities or circumstances other than those as to which is invalid or unenforceable, shall not be affected thereby, and each other provision of this License shall be valid and be enforceable to the fullest extent permitted by Law.

### **19.5. Interpretation of License.**

(a) References in this License to Licensee's acts or omissions will mean acts or omissions by Licensee and its Agents and Invitees unless the context requires or specifically stated otherwise.

(b) Whenever an exhibit or schedule is referenced, it means an attachment to this License unless otherwise specifically identified. All exhibits and schedules are incorporated in this License by reference.

(c) Whenever a section, article or paragraph is referenced, it refers to this License unless otherwise specifically provided. The captions preceding the articles and sections of this License and in the table of contents have been inserted for convenience of reference only and must be disregarded in the construction and interpretation of this License. Wherever reference is made to any provision, term, or matter "in this License," "herein" or "hereof" or words of similar import, the reference will be deemed to refer to any reasonably related provisions of this License in the context of the reference, unless the reference refers solely to a specific numbered or lettered article, section, subdivision, or paragraph of this License.

(d) References to all Laws, including specific statutes, relating to the rights and obligations of either party mean the Laws in effect on the effective date of this License and as they are amended, replaced, supplemented, clarified, corrected, or superseded at any time during the Term or while any obligations under this License are outstanding, whether or not foreseen or contemplated by the parties. References to specific code sections mean San Francisco ordinances unless otherwise specified.

(e) The terms "include," "included," "including" and "such as" or words of similar import when following any general term, statement, or matter may not be construed to limit the term, statement, or matter to the specific items or matters, whether or not language of non-limitation is used, but will be deemed to refer to all other items or matters that could reasonably fall within the broadest possible scope of the term, statement, or matter, and will be deemed to be followed by the phrase "without limitation" or "but not limited to."

(f) This License has been negotiated at arm's length between persons sophisticated and knowledgeable in the matters addressed. In addition, each party has been represented by experienced and knowledgeable legal counsel, or has had the opportunity to consult with counsel. Accordingly, the provisions of this License must be construed as a whole according to their common meaning in order to achieve the intents and purposes of the parties, without any presumption (including a presumption under California Civil Code § 1654) against the party responsible for drafting any part of this License.

(g) The party on which any obligation is imposed in this License will be solely responsible for paying all costs and expenses incurred in performing the obligation, unless the provision imposing the obligation specifically provides otherwise.

(h) Whenever required by the context, the singular includes the plural and vice versa, the masculine gender includes the feminine or neuter genders and vice versa, and defined terms encompass all correlating forms of the terms (e.g., the definition of "waive" applies to "waiver," "waivers," "waived," "waiving," etc.).

(i) References to days mean calendar days unless otherwise specified, provided that if the last day on which a party must give notice, respond to a notice, or take any other action under this License occurs on a day that is not a business day, the date by which the act must be performed will be extended to the next business day.

**19.6. Successors.** The terms, covenants, agreements and conditions set forth in this License shall bind and inure to the benefit of Port and Licensee and, except as otherwise provided herein, their personal representatives and successors and assigns.

**19.7. *Real Estate Broker's Fees.*** Port will not pay, nor will Port be liable or responsible for, any finder's or broker's fee in connection with this License. Licensee agrees to Indemnify Port from any Claims, including attorneys' fees, incurred by Port in connection with any such Claim or Claims of any person(s), finder(s), or broker(s) to a commission in connection with this License.

**19.8. *Counterparts.*** For convenience, the signatures of the parties to this License may be executed and acknowledged on separate pages which, when attached to this License, shall constitute as one complete License. This License may be executed in any number of counterparts each of which shall be deemed to be an original and all of which shall constitute one and the same License.

**19.9. *Authority.*** If Licensee signs as a corporation or a partnership, each of the persons executing this License on behalf of Licensee does hereby covenant and warrant that Licensee is at the time of execution and at all times while this License is in effect during the Term will continue to be: (1) a duly authorized and existing entity, (2) that Licensee has and is qualified to do business in California, and that Licensee has full right and authority to enter into this License, and that each and all of the persons signing on behalf of Licensee are authorized to do so. Upon Port's request, Licensee shall remain qualified to do business in California and shall provide Port with evidence reasonably satisfactory to Port confirming the foregoing representations and warranties, and covenants.

**19.10. *No Implied Waiver.*** No failure by Port to insist upon the strict performance of any obligation of Licensee under this License or to exercise any right, power or remedy arising out of a breach thereof, irrespective of the length of time for which such failure continues, and no acceptance of full or partial Fees during the continuance of any such breach shall constitute a waiver of such breach or of Port's rights to demand strict compliance with such term, covenant or condition. Port's consent to or approval of any act by Licensee requiring Port's consent or approval shall not be deemed to waive or render unnecessary Port's consent to or approval of any subsequent act by Licensee. Any waiver by Port of any default must be in writing and shall not be a waiver of any other default (including any future default) concerning the same or any other provision of this License.

**19.11. *Time is of Essence.*** Time is of the essence with respect to all provisions of this License in which a definite time for performance is specified.

**19.12. *Cumulative Remedies.*** All rights and remedies of either party hereto set forth in this License shall be cumulative, except as may otherwise be provided herein.

**19.13. *Survival of Indemnities.*** Termination or expiration of this License shall not affect the right of either party to enforce any and all indemnities and representations and warranties given or made to the other party under this License, the ability to collect any sums due, nor shall it affect any provision of this License that expressly states it shall survive termination or expiration hereof.

**19.14. *Relationship of the Parties.*** Port is not, and none of the provisions in this License shall be deemed to render Port, a partner in Licensee's business, or joint venturer or member in any joint enterprise with Licensee. The report shall document any complaints received by the public in response to the events, distinguish the complaints for each of the three types of events and describe any issues the permittee encountered in staging for, managing, or cleaning up after the events. The report shall analyze the success of the events in promoting use of the public access areas by the public or any identified adverse impacts and mitigating steps that were or could in the future be implemented.
  - (3) **Five-Year Limitation.** The permittee is allowed to conduct special events, as described and restricted herein, for a period of five (5) years total, commencing from the official opening of the waterfront park (Crane Cove Park). No more than 180 days prior to the expiration of the five-year special events period, the permittee may request an amendment to this permit to extend the duration for holding special events at the project site. Authorization of an extension of special events will be based, in part, on the information contained in the above-referenced annual reports and an assessment, including, if deemed necessary, a public space public life study, as to whether the program has been successful or needs to be modified.
7. **Public Pathways to the Shoreline.** Public pathways located at the total project site, including areas outside of the Commission's jurisdiction, shall remain unobstructed and open to the general public at all times except as allowed through the *Reasonable Rules and Restrictions* condition contained herein.
  8. **Picnic Table Reservations.** One of the three picnic tables (required in Special Condition II.C.2) may be reserved for use by the public for up to five hours in the morning or afternoon of a single day, pursuant to a reservation program to be developed by the permittee and which will be approved by or on behalf of the Commission prior to the reservation of picnic tables through the plan review

provisions described in Special Condition II.C.5 of this permit. The permittee shall ensure that the remaining two picnic tables remain free to and available for public use without a reservation requirement at all times of the year.

9. **Private Outdoor Dining.** No tables, chairs, or other restaurant or café equipment associated with the private outdoor dining areas (a total of 2,500 square feet) and uses authorized herein shall impede or extend into any public access area required and described herein.
  10. **Flooding, Commission Report(s), and Adaptation Strategy.** If any portion of the required public access area (2.5 acres) located in the Commission's jurisdiction is subject to flooding that results in a closure of any area, the permittee shall submit to the Commission a written report within 30 days after the closure of the public access area with documentation of: the date of the closure and duration; the location of the affected site; the recorded water levels during the closure period; the source of flooding (e.g., Bay overtopping of shoreline or stormwater backup or overland flow); and the resulting damage or cleanup; and illustrative photographs with site details. No permanent restrictions or closures of required public access areas may take place without additional approval by or on behalf of the Commission, and the permittee shall provide equivalent public access to ensure public access to and along the shoreline in the event of permanent restrictions or closures contingent in part on the Commission's review and approval of such a project and/or special condition modification.
- D. Shoreline Protection Material, Placement, and Maintenance.** Riprap material shall be either quarry rock or specially cast or carefully selected concrete pieces free of reinforcing steel and other extraneous material and conforming to quality requirements for specific gravity, absorption, and durability specified by the California Department of Transportation or the U. S. Army Corps of Engineers. The material shall be generally spheroid-shaped. The overall thickness of the slope protection shall be no more than three feet measured perpendicular to the slope. Use of dirt, small concrete rubble, concrete pieces with exposed rebar, large and odd shaped pieces of concrete, and asphalt concrete as riprap is prohibited. Riprap material shall be placed so that a permanent shoreline with a minimum amount of fill is established by means of an engineered slope not steeper than two (horizontal) to one (vertical) unless slope is keyed at the toe. The slope shall be created by the placement of a filter layer protected by riprap material of sufficient size to withstand wind and wave generated forces at the site.
- The shoreline protection improvements authorized herein shall be regularly maintained by and, at the expense of, the permittee, lessee, assignee or other successor in interest to the project. Maintenance shall include the collection of riprap material that becomes dislodged, the in-kind replacement of damaged or missing riprap material and

associated filter fabric or other material, and the removal of debris on riprap. Within 30 days of notification by or on behalf of the Commission, the permittee or any successor in interest shall correct any identified maintenance deficiency. This condition shall not apply to the fill authorized herein for the beach and containment cap.

- E. **Monitoring of Containment Cap.** Upon completion and prior to the use of the development in the Bay authorized herein, the permittee shall submit an operation and monitoring plan of the contamination cap, in coordination with the San Francisco Bay Regional Water Quality Control Board ("RWCB"), for review and approval by or on behalf of the Commission, which will be used by the permittee to operate and monitor the activities authorized herein to remediate and contain contaminants at the project site. The monitoring plan shall include post-construction inspections of the fill every two-years following construction of the contamination cap, and, subsequently, every five-years thereafter. The monitoring plan shall include corrective measures in the event the fill authorized herein can no longer ensure safe conditions for in-water access by the general public; if deemed necessary to implement, such measures shall be reviewed and approved by or on behalf of the Commission prior to commencement of work.
- F. **Construction Measures to Protect Fish.** To minimize disturbance to fish, the permittee shall conduct activities authorized herein occurring in the Commission's Bay jurisdiction in compliance with restrictions identified in the related NOAA Fisheries (NMFS) Endangered Species Act (ESA) Section 7 Concurrence Letter and Magnuson-Stevens Fishery Conservation Management Act Essential Fish Habitat Response dated September 23, 2016, including the restriction to limited all in-water work between June 1 and November 30 of any calendar year.
- G. **Water Quality Protection.** The permittee shall ensure that activities authorized herein occurring in the Commission's Bay jurisdiction fully comply with the San Francisco Bay Regional Water Quality Control Board ("RWQCB") Water Quality Certification dated May 17, 2017.

**III. Findings And Declarations**

This authorization is given on the basis of the Commission's findings and declarations that the work authorized herein is consistent with the McAteer-Petris Act, the *San Francisco Bay Plan* (Bay Plan), the California Environmental Quality Act (CEQA), and the Commission's amended coastal zone management program for San Francisco Bay for the following reasons:

- A. **Fill.** The Commission may allow fill only when it meets the requirements identified in Section 66605 of the McAteer-Petris Act, which state, in part, that: (a) the public benefit of the fill should exceed the public detriment and the fill should be limited to water-oriented uses (such as recreation or public assembly) or be "minor" for improving shoreline appearance and public access; (b) fill should be approved only when "no alternative upland location" is available; (c) fill should be "the minimum amount

necessary to achieve the [project] purpose"; (d) "the nature, location, and extent of any fill should be such that it will minimize harmful effects" to the Bay's resources, e.g., the volume, surface area or circulation of water, water quality, and fertility of marshes; (e) "fill [would] be constructed in accordance with sound safety standards which will afford reasonable protection to persons and property against the hazards of unstable geologic or soil conditions or of flood or storm waters..." and (g) "fill should be authorized when the applicant has such valid title to the properties in question...."

1. **Public Benefit v. Detriment and Water-Oriented Use.** The approximately 800-foot-long shoreline at the project site is comprised mainly of debris: deteriorated seawalls, discarded concrete, metal, and asphalt, and a concrete and asphalt pad supported by a substructure of metal drums with wood framing. An investigation conducted by the Port of San Francisco in 2015 determined that soil and groundwater contaminants associated with the site's former industrial use, including metals, polycyclic aromatic hydrocarbons (PAHs), polychlorinated biphenyls (PCBs), posed a potential risk to human health under certain settings, including wading and small boat use. Based on public input during the Commission's Design Review Board (DRB) meetings on the project, small recreational boaters, including kayakers, expressed a preference for direct access at the site because conditions are less muddy compared to other areas along the San Francisco shoreline; further, a beach at the site could support facilities (e.g., a universally-accessible beach mat) allowing access to persons with disabilities.

The Port commissioned the preparation of a San Francisco Bay Regional Water Quality Control Board-approved *Feasibility Study and Remedial Action Plan* ("Remediation Plan," 2015) that concluded a rock and gravel cap should be placed at the contaminated areas, including in the Bay and along the shoreline, to ensure safe conditions for human contact.<sup>2</sup> The contamination cap to be constructed at the site is not the subject of an order from the Department of Toxic Substance Control (DTSC), but rather a voluntary remediation project on the part of the Port to facilitate direct water access.

The Port will remove debris (4,500 cy of solid fill), including contaminants, within an approximately 8,500-square-foot area. The Port will place 780 cy of solid material at an approximately 8,810-square-foot area to cap remaining contaminated sediments at the Bay floor.

At an approximately 19,700-square-foot area (3,250 cy of solid fill), the Port will create a sandy public beach. The beach will be built on top of gravel and rock base layers designed to contain underlying remnant contaminants. Approximately 420 cy of rock rip rap material within a 2,490-square-foot area will be placed to protect the

shoreline from erosion and contain any remnant contaminants in that area. Within the Commission's 100-foot shoreline band jurisdiction, debris will be removed and the shoreline reconfigured resulting in an enlargement of the Bay by approximately 7,398 square feet.

At Slipway 4 located south of the beach, the Port will repair and repurpose a 10,281-square-foot area for public park use. This activity will not constitute new Bay fill. A minor amount of solid fill (5 cy) for safety buoys will be placed at a location in the water to separate beach users from adjacent drydock activities.

The McAteer-Petris Act provides that fill should be limited to water-oriented uses or for minor fill to improve shoreline appearance or public access. The fill, including to remediate contaminated sediment, protect and improve the shoreline, and provide public access to the Bay, meets these criteria by providing water-oriented recreational use at the site. This area of San Francisco's waterfront, which is deteriorated and mainly occupied by industrial uses, lacks a large public park and opportunities for in-water access. Crane Cove Park will serve that purpose to visitors of varying interests and abilities.

Further, the project will provide habitat benefits from the remediation of contaminated sediments impacting foraging fish. The contaminants at the site impact the benthic species that reside in the existing Bay mud. According to National Marine Fisheries Service (NMFS), benthic organisms will likely reestablish once the construction of the fill is complete, but organisms will shift from mud-adapted polychaetes, amphipods, and clams to similar species adapted to sediments associated with the gravel and rock of the contamination cap. The project will result in a change in habitat that provides a net habitat benefit from the fill associated with the project. As discussed in more detail below, the project would not result in any impacts to sedimentation in the Bay, water circulation, or wave action. As a result, the project will not adversely impact the Bay's natural resources. The resource agencies reviewing the project did not recommend resource mitigation for the project.

The project will result in a decrease of volume of Bay fill (45 cy) and an approximately 22,515-square-foot increase in square-footage, primarily along the bottom of the Bay. Excavation within the Commission's 100-foot shoreline band jurisdiction will increase water surface area by approximately 7,398 square feet.

Special Condition II.D provides standards for riprap placed pursuant to this authorization and requires maintenance to ensure the riprap is safely constructed and properly maintained. Special Condition II.E requires a monitoring plan for the containment cap, based on recommendations in the Port's Remediation Plan (2015), to ensure the remediation cap remains in place and the public benefits of the fill,

**PERMIT NO. 2016.006.00**

including allowing safe use of the water by people, are achieved. Special Condition II.F and II.G are included to ensure the project is built consistent with the concurrence from NMFS and the water quality certification from the RWQCB. In addition, Special Condition II.A and II.B are included to ensure the fill is constructed consistent with the McAteer-Petris Act and the San Francisco Bay Plan.

The public benefits of the project authorized by this permit exceed the public detriments of the fill, and therefore are consistent with the requirements of the McAteer-Petris Act and the San Francisco Bay Plan.

- 2. Alternative Upland Location.** The subject fill activities serve water-oriented uses, including public recreation and shoreline protection. The deteriorated and contaminated shoreline area requires fill to create a public park and ensure safe public access to the Bay. The fill associated with the shoreline protection system, beach, and containment cap is designed based on the hydrodynamic conditions of the site to provide erosion protection and ensure public access to the water. The Port explored alternatives to the contamination cap approach in its remediation plan (2015). An alternative was analyzed that involved dredging the area to remove the contaminated material. However, this approach would have required capping material as contaminated sediment cannot be completely removed.

The riprap system is designed to contain contaminants but also to stabilize the shoreline and prevent erosion to the beach. The Port's 2014 *Coastal Engineering Analysis, Remediation Concept Design and Impact Analysis*<sup>3</sup> found that there is natural wave action at this area and, further, wake action associated with the adjacent drydock operations. The riprap and beach design is based on this analysis with the goal of designing a beach where sediment, including any remnant contaminated material, will remain despite expected wave and wake action.

The advantage of creating a sandy beach at the site—as opposed to other types of access involving fill, e.g., a boat launch or dock—is that the project will facilitate Bay swimming and small human-powered boat use, as well as sunbathing. The opportunity for these types of public recreation are limited within the vicinity of the project site and throughout the City of San Francisco.

Consequently, the subject fill activities do not have alternative upland locations, consistent with the requirements of the McAteer-Petris Act and the San Francisco Bay Plan.

3. **Minimum Amount Necessary.** The subject fill will not increase solid fill in the water. However, these activities will result in an approximately 22,515-square-foot net increase of filled area in the Bay. The design includes the initial removal of approximately 8,500 square feet of debris (4,500 cy of solid fill) to allow reconfiguration of the shoreline. Subsequently, fill will be placed to cap contaminants, construct a shoreline protection system, and develop a public beach. The reconstruction of the shoreline, which includes excavation in upland areas, will introduce tidal action to new areas and increase the Bay surface area.

The Port's Remediation Plan (2015) evaluated three alternatives to protect the public from contaminant contact and to facilitate water access at the site while minimizing fill in the Bay. The "no action" alternative would not have accommodated water access at the site, depriving the public of this unique recreational opportunity. The Port's remediation plan also analyzed an alternative that involved dredging contaminated sediment to four feet below the mudline.

While dredging would have removed most of the contaminants in the area, the study found that complete removal would not be possible since some contaminants, such as lead and mercury, are found in higher concentrations at lower depths beyond four feet. As a result, the dredging alternative would have required fill in the form of a rock cap at the dredged footprint to contain remnant contaminants. Additionally, according to the Remediation Plan, the cost of dredging and capping was higher than other alternatives.

The subject remediation alternative involves the placement of a contamination cap over a layer of treatment material. The design uses an "activated carbon hybrid cap" comprised of a carbon-based treatment material (called "Sedimite") placed atop the contaminated sediment area and held in place by multiple layers of gravel and rock. (A variant of this plan was originally considered, which involved installing a different treatment material underlying gravel and rock layers.) When compared to the other options, the selected alternative involving the use of a thinner layer of material below the cap—1.0 to 2.0 inches thick instead of a one-foot-thick layer—also treats a wider range of contaminants, ensures greater protection of wildlife, and is less costly.

The riprap system authorized herein is designed to be the minimum fill necessary to contain contaminants along the shoreline but also stabilize the shoreline and prevent erosion. The Port's 2014 *Coastal Engineering Analysis, Remediation Concept Design and Impact Analysis* found that there is wave action at this area of the shoreline, and wake action is caused by the existing drydock operations. As a result, the riprap and beach design is based on this analysis with the goals of designing a beach where the sediment, including any remnant contaminated material, will not erode away due to wave action or be transported to the open water. The advantage

of a beach over other forms of access involving fill, e.g., a boat launch or dock, is that the site will allow for swimming, the launching of small human-powered boats, and sunbathing.

As a result, the fill authorized by this permit is the minimum amount necessary for the project consistent with the requirements of the McAteer-Petris Act and the San Francisco Bay Plan.

4. **Effects on Bay Resources.** In addition to Section 66605(d) of the McAteer-Petris Act regarding the impacts of fill on Bay resources, the Bay Plan contains related policies, cited below.
  - a. **Fish and Wildlife.** The Bay Plan Fish, Other Aquatic Organisms and Wildlife Policy No. 4 states, in part, that “[t]he Commission should consult with the California Department of Fish and [Wildlife] and the U.S. Fish and Wildlife Service or the National Marine Fisheries Service whenever a proposed project may adversely affect an endangered or threatened plant, fish, other aquatic organism or wildlife species... and give appropriate consideration of (their) recommendations in order to avoid possible adverse impacts of a proposed project on fish, other aquatic organisms and wildlife habitat.”

On September 23, 2016, the National Marine Fisheries Service (NMFS) issued a concurrence letter for the fill associated with the project, concluding that these activities would not likely adversely affect species protected under the federal Endangered Species Act, including anadromous salmonids and green sturgeon. The Bay bottom consists of mud and debris remaining from the former use industrial uses. NMFS determined that contamination at the site likely has an effect on benthic organisms, thereby impacting the food chain.

NMFS determined that essential habitat for various life stages of fish specified in the Pacific Groundfish Fish Management Plan and the Coastal Pelagic Fish Management Plan would be adversely affected, but the subject activities include measures to avoid, minimize, mitigate, or offset such effects, including excavating debris along the shoreline at low tide and limiting in-water work to the period of June 1 through November 30 of any calendar year. Further, NMFS determined that the subject remediation plan would eliminate contaminated fish food sources. According to NMFS, benthic organisms will likely reestablish once the construction is complete, but organisms will shift from mud-adapted polychaetes, amphipods, and clams to similar species adapted to sediments associated with the gravel and rock of the contamination cap. NMFS stated that nearby fish foraging areas will not be affected by the project and the project will not result in an impact on fish foraging habits.

Port of San Francisco

(Issued on October 17, 2017)

Page 16

The U.S. Fish and Wildlife Service and the California Department of Fish and Wildlife did not issue concurrence or other consultation documentation for the subject project.

Special Condition II.F requires the project to be constructed consistent with the NMFS concurrence letter dated September 23, 2016. As required in Special Condition II.E, the permittee shall submit to the Commission a monitoring plan that will monitor the remediation area annually for the first two years and every five years thereafter to monitor the integrity of the contamination cap to ensure there are no adverse impacts to the environment.

As conditioned, the fill authorized by this permit is consistent with the McAteer-Petris Act requirements and the San Francisco Bay Plan policies related to fish, other aquatic organisms, and wildlife.

- b. **Subtidal Areas and Water Surface Area.** The Bay Plan policies on subtidal areas states, in part, “[a]ny proposed filling...project in a subtidal area should be thoroughly evaluated to determine the local and Bay-wide effects of the project on: (a) the possible introduction or spread of invasive species; (b) tidal hydrology and sediment movement; (c) fish, other aquatic organisms and wildlife; (d) aquatic plants; and (e) the Bay’s bathymetry. Projects in subtidal areas should be designed to minimize and, if feasible, avoid any harmful effects.” In addition, the Bay Plan policies on water surface area and volume state, in part, “[t]he surface area of the Bay and the total volume of water should be kept as large as possible in order to maximize active oxygen interchange, vigorous circulation, and effective tidal action. Filling and diking that reduce surface area and water volume should therefore be allowed only for purposes providing substantial public benefits and only if there is no reasonable alternative.”

According to the Port’s Remediation Plan (2015) and the NMFS concurrence letter dated September 23, 2016, the subtidal area at the site contains contaminated sediment at an approximately 8,810-square-foot area, which has been determined to be harmful to organisms. NMFS concluded that the contamination likely affects benthic organisms, which serve as food for fish. NMFS determined that benthic organisms will likely re-establish once remediation is completed, although the type of organisms will shift from mud-adapted species to species suited to the newly created rock and gravel Bay bottom. As a result, although the project involves an increase in square footage of fill in the Bay, the project will result in a net benefit to subtidal habitat.

The Port’s Coastal Engineering Analysis (2014) concluded that the remediation cap will have no significant impact on sediment transport or the sedimentation patterns at this site. The beach sediment will remain in place once armored with

**PERMIT NO. 2016.006.00**

Port of San Francisco

(Issued on October 17, 2017)

Page 17

shoreline riprap along the sides of the beach. The contamination cap will not deprive the system of significant sediment. The project will not magnify the sedimentation rates at the navigation area serving the neighboring drydock and, therefore, will not result in future dredging. According to the Port, nourishment of the beach will not be necessary. The Port's Coastal Engineering Analysis conducted an analysis of wave action along the shoreline, including boat wake from the dry dock operation to the east, and concluded that the fill associated with the project would not have a significant impact on wave action along the shoreline.

The removal of debris at the shoreline will expand the Bay surface area by approximately 7,398 square feet. The majority of the fill will be located at the Bay bottom, and there will be no net increase in volume of solid fill. Special Condition II.F requires a monitoring plan to survey the integrity of the contamination cap, thereby ensuring that the fill authorized by the permit does not adversely impact sedimentation or adjacent subtidal areas.

As conditioned, the project authorized by this permit is consistent with the McAteer-Petris Act requirements and the Bay Plan policies related to subtidal areas and water surface area and volume.

- c. **Water Quality.** The Bay Plan policies on water quality state, in part, that "[w]ater quality in all parts of the Bay should be maintained at a level that will support and promote the beneficial uses of the Bay as identified in the San Francisco Bay Regional Water Quality Control Board's (RWQCB) Basin Plan....[and] the policies, recommendations, decisions, advice, and authority of the State Water Resources Control Board and the Regional Board should be the basis for carrying out the Commission's water quality responsibilities."

On May 17, 2017, the RWQCB issued a water quality certification for the riprap, beach, and contamination cap, finding that the removal of debris and capping of a contaminated area will improve water quality, reduce risk to human health and safety, and improve the functions and values of aquatic resources. The RWQCB did not require mitigation for the project. Special Condition II.G requires the project to be constructed consistent with the RWQCB certification.

As conditioned, the project authorized by this permit is consistent with the requirements of the McAteer-Petris Act and the Bay Plan policies on Water Quality.

- d. **Mitigation.** BCDC Bay Plan Mitigation Policy No. 1 states, that, "[p]rojects should be designed to avoid adverse environmental impacts to Bay natural resources such as to water surface area, volume, or circulation and to plants, fish, other aquatic organisms and wildlife habitat, subtidal areas, or tidal marshes or tidal

Page 18

flats. Whenever adverse impacts cannot be avoided, they should be minimized to the greatest extent practicable. Finally, measures to compensate for unavoidable adverse impacts to the natural resources of the Bay should be required.”

The Port did not propose mitigation for the project since it was designed to avoid or minimize adverse environmental impacts. The Port’s Coastal Engineering Analysis (2014) concluded that the cap design, riprap, and beach will have no impact on water circulation or sedimentation in the area. According to the Port’s Remediation Plan (2015) and the NMFS concurrence letter dated September 23, 2016, the subtidal area at the site contains contaminated sediment, which likely affects benthic organisms used as food for fish. As a result, the remediation of the site with a sediment cap will result in a food supply for fish that is less contaminated once benthic organisms re-establish at the site. The project will not have adverse impacts on water volume, circulation, vegetation and wildlife, subtidal areas, or tidal marsh.

Mitigation is not required by the RWQCB or recommended by NMFS because these agencies found that the project will improve water quality and habitat values at the site. As discussed previously, the project will result in a net increase of 22,515 square feet in area of Bay fill, primarily at the bay bottom, and will not result in an increase in volume of Bay fill. As a result of the excavation of debris along the shoreline and the restructuring of the shoreline with riprap and a beach, the water surface area of the Bay will increase by approximately 7,398 square feet as a result of the project. The project avoids adverse impacts on the Bay, and therefore no mitigation is required by this permit.

5. **Sound Safety Standards.** In addition to Section 66605(e) of the McAteer-Petris Act regarding the seismic and flooding standards by which fill is designed and constructed, the Bay Plan contains the following related policies.

The Bay Plan Safety of Fills Policy No. 1 states, in part, “[t]he Commission has appointed the Engineering Criteria Review Board [ECRB]...to:...review all except minor projects for the adequacy of their specific safety provisions, and make recommendations concerning these provisions....” Safety of Fills Policy No. 4 states, in part, that “[a]dequate measures should be provided to prevent damage from sea level rise and storm activity that may occur on fill or near the shoreline over the expected life of a project.... New projects on fill or near the shoreline should...be built so the bottom floor level of structures will be above a 100-year flood elevation that takes future sea level rise into account for the expected life of the project.”

**PERMIT NO. 2016.006.00**

Port of San Francisco

(Issued on October 17, 2017)

Page 19

The Bay Plan policies on shoreline protection, state, in part: "...shoreline protection projects...should be authorized if: (a) the project is necessary to provide flood or erosion protection for... (b) the type of the protective structure is appropriate for the project site, the uses to be protected, and the erosion and flooding conditions at the site; (c) the project is properly engineered to provide erosion control and flood protection for the expected life of the project based on a 100-year flood event that takes future sea level rise into account; (d) the project is properly designed and constructed to prevent significant impediments to physical and visual public access; and (e) the protection is integrated with current or planned adjacent shoreline protection measures." In addition, "[r]iprap revetments...should be constructed of properly sized and placed material that meet sound engineering criteria for durability, density, and porosity...."

The Bay Plan Climate Change Policy No. 2 states, in part: "...a risk assessment should be prepared...based on the estimated 100-year flood elevation that takes into account the best estimates of future sea level rise and current flood protection and planned flood protection that will be funded and constructed when needed to provide protection for the proposed project or shoreline area. A range of sea level rise projections for mid-century and end-of-century based on the best scientific data available should be used in the risk assessment...." Climate Change Policy No. 3 state, in part, "...within areas that a risk assessment determines are vulnerable to future shoreline flooding that threatens public safety, all projects...should be designed to be resilient to a mid-century sea level rise projection." Climate Change Policy No. 7 states, in part, that "...the Commission should evaluate each project proposed in vulnerable areas on a case-by-case basis to determine the project's public benefits, resilience to flooding, and capacity to adapt to climate change impacts. The following specific types of projects have regional benefits, advance regional goals, and should be encouraged, if their regional benefits and their advancement of regional goals outweigh the risk from flooding... [including] a public park."

The Commission's ECRB did not review the project because the Commission staff determined that the fill did not raise significant seismic safety issues. Special Conditions II.A and II.B require the Port to submit and receive approval of project plans to, among other things, certify that the fill authorized herein will be constructed to comply with sound safety standards.

The Port designed the contamination cap to ensure that in-water access remains safe for recreational use. The shoreline revetment system is designed to prevent erosion and contain contaminated sediment. As designed, the riprap will gradually slope towards the on-land area and connect to seawalls located at the north end of the beach and the south end of the beach at Slipway 4. Special Condition II.D

**PERMIT NO. 2016.006.00**

Port of San Francisco

(Issued on October 17, 2017)

Page 20

requires the Port to construct the shoreline protection system so that it complies with common engineering standards in the Bay. The riprap will not impede physical or visual access.

The fill associated with the contamination cap is located at the Bay floor and is designed to be submerged at all times by the tide. The design elevations of the beach and shoreline riprap will protect the upland Crane Cove Park area from sea level rise impacts through 2050. As sea level rises over time, the mean higher high water (MHHW) level will incrementally rise at the beach, but will not flood the upland park area. The shoreline riprap system is designed to make the park resilient to 22 inches of sea level rise at mean higher high water (MHHW) through 2065 and will itself remain resilient. The riprap is not designed to protect against flooding from today's 100-year storm events. As a result, the park will flood during a 100-year storm event, which has a 1% chance of occurring every year. The riprap design considers extreme storm events, as it would remain in place and continue to provide erosion control during a 100-year storm event. Special Condition II.C.9 requires reporting in the event the riprap is overtopped and the public access areas required by this permit are flooded.

The fill associated with the project supports development of Crane Cove Park, which will achieve regional goals of public access to the Bay and improved water access. The project involves a public park that provides regional benefits, including the redevelopment of an unused waterfront industrial area to provide a public park in an area along the shoreline lacking public access amenities. Although the park will flood during a 100-year storm event, which has a 1% chance of occurring every year, the regional benefits of the project and advancement of regional goals by the park outweigh the risk of temporary closures from flooding in an extreme storm event.

As a result, the project is consistent with the requirements of the McAteer-Petris Act and with the Bay Plan policies on Shoreline Protection, Safety of Fills and Climate Change.

6. **Valid Title.** The project site, including the area located upland of the Bay, is held in the public trust and is administered by the Port of San Francisco and, therefore, the permittee holds valid title to the subject site.

As conditioned, the project is consistent with the requirements of the McAteer-Petris Act and the San Francisco Bay Plan policies related to Bay fill.

- B. **Public Access.** In assessing whether a project provides maximum feasible public access consistent with activities proposed, the Commission has relied on the McAteer-Petris Act, the Bay Plan, access requirements of similar previously-permitted projects, and

Port of San Francisco

(Issued on October 17, 2017)

Page 21

relevant court decisions. When the activity under consideration is proposed by a public agency, such as the Port of San Francisco, the Commission also evaluates whether the public access is reasonable in light of project scope.

Section 66602 of the McAteer-Petris Act states, in part, that "...existing public access to the shoreline and waters of the...[Bay] is inadequate and that maximum feasible public access, consistent with a proposed project, should be provided." Section 66632.4 of the McAteer-Petris Act states, "[w]ithin any portion or portions of the shoreline band that are located outside the boundaries of water-oriented priority land uses...the Commission may deny an application for a permit for a proposed project only on the grounds that the project fails to provide maximum feasible public access, consistent with the proposed project, to the bay and its shoreline."

- **Public Access** policies of the Bay Plan state, in part, that: "[a] proposed fill project should increase public access to the Bay to the maximum extent feasible..." ; "[a]ccess to and along the waterfront should be provided by walkways, trails, or other appropriate means and connect to the nearest public thoroughfare where convenient parking or public transportation may be available."; "the improvements should be designed and built to encourage diverse Bay-related activities and movement to and along the shoreline, should permit barrier free access for persons with disabilities to the maximum feasible extent, should include an ongoing maintenance program, and should be identified with appropriate signs."; "Public access should be sited, designed, managed and maintained to avoid significant adverse impacts from sea level rise and shoreline flooding."; and "Any public access provided as a condition of development should either be required to remain viable in the event of future sea level rise or flooding, or equivalent access consistent with the project should be provided nearby." Public Access Policy No. 12 states, in part, "[t]he Design Review Board should advise the Commission regarding the adequacy of the public access proposed."
- **Recreation** policies of the Bay Plan state, in part: "Diverse and accessible water-oriented recreational facilities, such as marinas, launch ramps, beaches, and fishing piers, should be provided to meet the needs of a growing and diversifying population, and should be well distributed around the Bay and improved to accommodate a broad range of water-oriented recreational activities for people of all races, cultures, ages and income levels;" "[a]ccess for non-motorized small boats can be provided at launch ramps, beaches, fishing piers, marinas and waterfront parks, and by providing access through or over shoreline protection (e.g., ramps or stairs)." In addition, "New beaches should be permitted if the site conditions are suitable for sustaining a beach without excessive beach nourishment"; "[t]o capitalize on the attractiveness of their bayfront location,

parks should emphasize hiking, bicycling, riding trails, picnic facilities, swimming, environmental, historical and cultural education and interpretation, viewpoints, beaches, and fishing facilities”; “[b]ecause of the need to increase the recreational opportunities available to Bay Area residents, small amounts of Bay fill may be allowed for waterfront parks and recreational areas that provide substantial public benefits and that cannot be developed without some filling.”

- **Appearance, Design and Scenic Views** policies in the Bay Plan state, in part: “[a]ll bayfront development should be designed to enhance the pleasure of the user or viewer of the Bay”; and “[t]owers, bridges, or other structures near or over the Bay should be designed as landmarks that suggest the location of the waterfront when it is not visible, especially in flat areas. But such landmarks should be low enough to assure the continued visual dominance of the hills around the Bay.”

1. **Maximum Feasible Public Access.** A majority of the project site, including the water, is fenced and inaccessible to the public due to hazardous conditions and the presence of contaminated sediment. The fencing along Illinois Street prevents the public from seeing the shoreline and the Bay at the project site. Within the northern boundary of the site, an approximately 2,400-square-foot area with picnic tables exists in part for the public.<sup>4</sup>

Crane Cove Park will cover an approximately 8.4-acre area, including area located outside of the Commission’s jurisdiction. Within the Commission’s jurisdiction, the park will occupy an approximately 111,156-square-foot (2.5-acre) area. As authorized herein, the Port will undertake a variety of activities related to the development of the park, including the removal of the debris, the placement of fill to construct a sandy beach, the construction of a riprap shoreline stabilization system, the placement of a containment cap to remediate contaminated sediments, and the repair of Slipway 4. This permit authorizes Phase I of Crane Cove Park. An additional phase (Phase II) located to the east of Phase I will be the subject of a separate permit action in the future.

Other amenities at the park site include an open lawn, an 18-foot-wide Bay Trail, a vehicle turnaround and drop-off area for pedestrians and boaters, public plazas, and a sandy beach. Park amenities are designed to meet universal access criteria and, thus, will be barrier free to persons with disabilities. North of the beach area, three picnic tables will be installed one of which will be available by reservation, as outlined in Special Condition II.C.9 contained herein. Pedestrian and bicycle

<sup>4</sup> An 1,994-square-foot section of this area is available to the general public per BCDC Permit No. M1986.061.09. Public access requirements and conditions contained in BCDC Permit No. 2016.006.00 will supercede this public access requirement of BCDC Permit M1986.061.09.

pathways will provide access from Illinois Street. A reconstructed 19<sup>th</sup> street (located outside of the Commission's jurisdiction) will serve as a park entrance. Historic industrial elements will be rehabilitated and repurposed (e.g., Slipway 4) for public use.

Two shipbuilding cranes will remain as landmark structures. Crane 14, which is currently located at the upland end of Slipway 4 (outside of the Commission's jurisdiction) will be relocated to the Commission's 100-foot shoreline band jurisdiction. The public will see Crane 14 from 18<sup>th</sup> street. Crane 30 will be rehabilitated and remain outside of the Commission's jurisdiction. Historic rails and utility racks will be repaired and repurposed as interpretive elements at the park. The Slipway 4 center area will allow for direct public access to the Bay.

Outside of the Commission's jurisdiction, Building 49 will be repurposed as an aquatic center with kayak storage, a public restroom, and a café or retail operation. The café will have a private outdoor dining area with capacity for up to 100 people located within the Commission's 100-foot shoreline band jurisdiction. At the northern boundary of the park, an approximately 2,400-square-foot area (located adjacent to the Ramp Restaurant) will also be a private outdoor dining area with a capacity for 65 people within the Commission's 100-foot shoreline band jurisdiction. Special Condition II.C.7 is included herein to ensure that these outdoor dining areas will not encroach on public access areas.

Upon its initial opening scheduled in 2018, the Port anticipates approximately 60 visitors per day with an annual visitation of approximately 22,000 people. As the public becomes aware of the park, the Port expects visitor numbers to increase. The permittee will hold special events outside of the 100-foot shoreline band. These events could impact the public's use of the shoreline within the 100-foot shoreline band by excluding the public from the special events areas and crowding the public access areas adjacent to the special event areas, thereby inhibiting circulation to and along the shoreline. As a result, Special Condition II.C requires public access amenities within the Commission's Bay and 100-foot shoreline band jurisdiction to provide maximum feasible public access consistent with the project consistent with the requirements of the McAteer-Petris Act and the San Francisco Bay Plan. Special Condition II.C.1 requires the entire area of the park within the Commission's jurisdiction as public access. Special Condition II.C.2 requires specific improvements throughout the public access area. Special Condition II.C.3 and II.C.4 requires maintenance of the public access amenities required herein, including maintenance from flood damage and assignment of the permit if maintenance responsibility is transferred to another party. Special Condition II.C.5 provides for reasonable rules

and conditions to be imposed by the Port subject to approval by or on behalf of the Commission. The Port will hold limited special events authorized within these required public access areas, as discussed below.

In its original request for a permit for the subject project, the Port asked that the Commission provide "credit" for the development of Crane Cove Park towards a future undetermined project in need of a public access offset or benefit. However, the McAteer-Petris Act and the San Francisco Bay Plan do not contain a framework to approve such a proposal through a permit. As a result, the Port modified its proposal and requested that the Commission and the Port establish a "a public access bank," subject to the Commission's later approval potentially within the context of a San Francisco Waterfront Special Area Plan (SAP) amendment or a Memorandum of Understanding between the two bodies—details of either strategy have yet to be outlined and are not memorialized in the subject permit. This permit describes the potential benefits of the park that could be a basis for the program, such as, but not limited to, the linear feet of shoreline access, the area of public access, facilities to support the Bay Area Water Trail, and the capital costs used for the public access. These potential benefits may be recognized in a future "public access bank" proposal.

- 2. Design Review Board.** The Commission's Design Review Board (DRB) together with the Port's Waterfront Design Advisory Committee ("WDAC") reviewed the project on five occasions between January 2013 through July 2014. Although joint review by the DRB and WDAC ("advisory boards") is not required in the San Francisco Waterfront Special Area Plan for projects at this location, the Port and Commission staff agreed that this type of review would result in a more efficient design process.

At the meeting of January 7, 2013, the advisory boards requested that the Port clarify the impact on the park resulting from other proposed development nearby and outside of the Commission's jurisdiction. The advisory boards also asked that the Port explore design concepts to "pull the site together," reconsider the design of plaza areas, refine treatment of the Bay edge, provide a clear and continuous shoreline path, and maintain the industrial feel of the site. Other issues concerning stormwater treatment, public safety, elevated views from areas outside of the Commission's jurisdiction, and potential sea level rise impacts were discussed. Additional information was requested about boating facilities and project phasing.

At the meeting of June 10, 2013, when considering a revised project design, the boards requested that the Port address "fragmentation of the design," simplify the design of Slipway 4, emphasize the maritime use and history of the site, and clarify the proposal for the related development site (Phase II of the subject project and

**PERMIT NO. 2016.006.00**

Page 25

not the subject of this authorization). Subsequently, the Port simplified the overall design, emphasizing the land-water connections and incorporating water overlooks. Also, the Port redesigned the open space adjacent to Slipway 4.

At the meeting of September 9, 2013, the boards expressed concern about the adjacent site proposed for development located outside of the Commission's jurisdiction (Phase II), and its potential impact on Crane Cove Park. In addition, the boards recommended that the Port consider phasing the project to prioritize development of the northern shoreline, which includes the beach, lawn, and northern plazas that are a part of the subject project. The Port altered the phasing of the park, moving the development site to Phase II.

At the final meeting of July 14, 2014, the boards expressed support of the revised project—the project design reflected in the subject authorized project (also known as "Phase I"). The boards emphasized the need to program the park to promote use by the public, raise public awareness of the facility to enhance its use, and provide safety benefits.

Although, the boards recommended the park be programmed for special events to raise awareness about the facility, they did not review the Port's special events plan, discussed in the following section.

- 3. Special Events.** The Port will host special events within and outside of the Commission's jurisdiction at Crane Cove Park. The park is located at a remote location and does not experience significant pedestrian traffic or commercial activity—activities that otherwise would draw the public to the park.

Special Condition II.C.6 allows special events at four areas in the required public access area. These special events may be held without additional design plan review approval by, or on behalf of, the Commission subject to the terms of Special Condition II.C.6. Special events may be held at these areas for up to fifty (50) days per calendar year, including no more than two (2) weekend days per month. Special Condition II.C.6 imposes additional restrictions on the type of events allowed at each special events area and additional limits on the number of days provided for ticketed public events and private events. Special Condition II.C.6 requires the permittee to monitor special events to ensure the special events do not encroach upon public access areas. The Port will notice the Commission prior to holding an event, and will report to the Commission on the special events program annually, pursuant to Special Condition II.C.6.

Special Condition II.C.6 limits the special event program to a 5-year duration only until and unless the Port seeks additional consideration by the Commission through an amendment to this permit based on the previous reporting and monitoring of the special events program and an assessment of the success of

Port of San Francisco

(Issued on October 17, 2017)

Page 26

the special events program that includes a “public life study.” A public space “public life study” of the park conducted during the first five years would provide valuable feedback on the challenges and opportunities for the programming and maintenance of the park. This type of study could help identify how the special events add value and/or impact the park and public access areas, and provide valuable information for the continuation of special events within the park if the special events are successful in activating the area.

Special Condition II.C.6 provides that additional special events could be held in other areas of the park. In particular, the Port states that it may seek to hold special events at an approximately 6,000-square-foot area in the center of Slipway 4. As described in Special Condition II.C.6, these additional events would be approved by, or on behalf of, the Commission through plan review as provided in Special Condition II.B. The additional authorization to seek plan review for additional special events will allow the Port flexibility to increase public engagement with the new park through events.

Special Condition II.C.6 provides that no special events may encroach upon or diminish the public open and free nature of areas not designated specifically for special events including, but not limited to, the remaining open areas at the beach, lawn, Slipway 4, and public pathways throughout Crane Cove Park including those located outside of the Commission’s jurisdiction. Special Condition II.C.6 and Special Condition II.C.8 additionally provides that all public pathways to the shoreline, not limited to the Bay Trail required by Special Condition II.C.2, shall be free of obstructions. This ensures that events held outside of the Commission’s jurisdiction will not inhibit public use of the shoreline.

- 4. Comparable BCDC-Permitted Projects.** The development of Crane Cove Park is a voluntary effort and not a requirement to offset a public access impact of a permitted or future project. Nevertheless, the Commission must determine whether the activities would provide maximum feasible public access consistent with the project.

The Commission issued a permit for the construction of India Basin Park (Permit No. 1993.010.03) to the City and County of San Francisco. India Basin Park is similar to the Crane Cove Park in that it involved the restoration of a shoreline through excavation of material and installation of riprap to facilitate access. The India Basin Park project, which involved Bay fill (approximately 25,000 square feet), provided approximately 1,500 linear feet of shoreline access, including approximately 13,748 square feet of pathways and approximately 255,400 square feet of landscaping.

Page 27

BCDC Permit No. M1996.013.03 allows the Port to hold special events throughout the San Francisco Waterfront, not including the Crane Cove Park site. The permit allows public markets and special events, including construction of tents and other facilities, for up to 180 days per year as long as prior plan review and approval is obtained through the Commission staff.

BCDC Permit No. 2000.006.00 authorizes special events (with prior plan review and approval) to occur at Rincon Park at the San Francisco waterfront. The permit does not limit the number of special events at the site. BCDC Permit No. 2005.004.01, which authorized the construction of two restaurants within Rincon Park, allows the required public access space between two outdoor dining areas to be used for a total of five 24-hour events and fifteen 12-hour events each calendar year; events can occur for up to two consecutive days. The permit places limitations on the height of event structures, and includes an event reporting schedule requirement and pre-event noticing requirement. These special events can include use of the public access area for private restaurant activities.

BCDC Permit No. 1976.011.09 authorizes special events within a public access area at China Basin in the City of San Francisco. The permittee is allowed to close a public access area to conduct private events for a total of 30 days a year. The permit limits authorization of such special events for a two-year period and is required to submit event reports to the Commission staff prior to obtaining a time extension for such activities.

5. **Sea Level Rise and Flooding.** The shoreline riprap system, the beach, and the park located within the Commission's 100-foot shoreline band jurisdiction are designed to be resilient to flooding from sea level rise beyond 2050. The public access within the Commission's jurisdiction will be resilient to a projection of 22 inches of sea level rise at Mean Higher High Water, which will make the public access resilient beyond mid-century to approximately 2065. The Port anticipates that access restrictions will be in place at some portions of the park beginning in 2065 and increased maintenance will be necessary. However, public pathways to the Bay and along the shoreline will exist through the upland areas of the park up to a projected four feet of sea level rise by end-of-century, providing equivalent public access over the life of the park even when areas closer to the shoreline are flooded.

Areas of the park will flood during a 100-year storm event under current conditions. These events are short-term events, usually lasting a few hours, and have a 1% chance of occurring each year. As sea levels rise, a 100-year storm event will flood more area of the park. By the end-of-century, with a sea level rise projection of approximately four feet, a 100-year storm event will likely flood most of the park and upland areas of the City beyond Illinois Street. As conditioned, the public access required by this permit is viable in the event of future sea level rise and equivalent

Port of San Francisco

(Issued on October 17, 2017)

Page 28

access will be provided at upland areas of the park in the event of flooding from storms. Special Condition II.C.3 requires maintenance of the public access, including repairing damage due to flooding. Special Condition II.C.9 requires reporting of flooding in the required public access areas. Special Condition II.C.9 requires that any permanent closures or significant access restrictions must be subject to approval by or on behalf of the Commission, including, but not limited to, by amendment to this permit. Although the park will flood toward the end-of-century in extreme storm events, there are upland areas of the park where equivalent access will be provided to ensure circulation along the shoreline and access to the Bay. Special Condition II.C.9 requires that in the event of any permanent closure in a required public access area, the permittee will provide equivalent public access at or near the site to allow public access to and along the shoreline.

As a result, although the park is expected to flood in extreme storm events, it is designed to avoid significant impacts from that flooding consistent with the requirements of the Bay Plan Public Access policies. As conditioned, the public access remains viable to flooding from sea level rise and storms beyond mid-century, and equivalent access is provided in upland areas of the park. Furthermore, the project supports development of Crane Cove Park, which will achieve regional goals of public access to the Bay and improved water access. The project involves a public park that provides regional benefits, including the redevelopment of an unused waterfront industrial area to provide a public park in an area along the shoreline lacking public access amenities. Although the park will likely flood during a 100-year storm event, which has a 1% chance of occurring every year, the regional benefits of the project and advancement of regional goals by the park outweigh the risk of temporary closures from flooding in an extreme storm event.

As conditioned, the project authorized herein is consistent with the McAteer-Petris sections and relevant San Francisco Bay Plan policies regarding Public Access, Recreation, and Appearance, Design, and Scenic Views.

**C. Review Boards**

1. **Engineering Criteria Review Board.** The Commission's ECRB did not review the project because the Commission staff determined that the fill does not raise significant seismic safety issues.
2. **Design Review Board.** The Commission's DRB (and the Port's Waterfront Design Advisory Committee) reviewed the project on five occasions between January 2013 and July 2014.

- D. **Environmental Review.** On October 5, 2015, the City of San Francisco, as the lead agency, certified that the project was exempt from the requirement to prepare environmental documentation since the project qualified for the Community Plan

Categorical Exemption (CEQA Guidelines Section 15183) and is located in the Eastern Neighborhoods Community Plan Area, for which the City's Planning Commission certified the *Eastern Neighborhoods Rezoning and Area Plans Final EIR* (FEIR).<sup>5</sup> The Planning Department determined that the project would not have any additional or significant adverse effects that had not been examined in the subject FEIR, nor had any new or additional information come to light that would alter the conclusions of the FEIR.

- E. **Conclusion.** For all the above reasons, the Commission finds, declares, and certifies that, subject to the Special Conditions stated herein, the project authorized herein is consistent with the McAteer-Petris Act, the *San Francisco Bay Plan*, the Commission's Regulations, the California Environmental Quality Act, and the Commission's Amended Management Program for the San Francisco Bay segment of the California coastal zone.

**IV. Standard Conditions**

- A. **Permit Execution.** This permit shall not take effect unless the permittee execute the original of this permit and return it to the Commission within ten days after the date of the issuance of the permit. No work shall be done until the acknowledgment is duly executed and returned to the Commission.
- B. **Notice of Completion.** The attached Notice of Completion and Declaration of Compliance form shall be returned to the Commission within 30 days following completion of the work in each phase.
- C. **Permit Assignment.** The rights, duties, and obligations contained in this permit are assignable. When the permittee transfers any interest in any property either on which the activity is authorized to occur or which is necessary to achieve full compliance of one or more conditions to this permit, the permittee/transferor and the transferee shall execute and submit to the Commission a permit assignment form acceptable to the Executive Director. An assignment shall not be effective until the assignees execute and the Executive Director receives an acknowledgment that the assignees have read and understand the permit and agree to be bound by the terms and conditions of the permit, and the assignees are accepted by the Executive Director as being reasonably capable of complying with the terms and conditions of the permit.
- D. **Permit Runs With the Land.** Unless otherwise provided in this permit, the terms and conditions of this permit shall bind all future owners and future possessors of any legal interest in the land and shall run with the land.
- E. **Other Government Approvals.** All required permissions from governmental bodies must be obtained before the commencement of work; these bodies include, but are not limited to, the U. S. Army Corps of Engineers, the State Lands Commission, the Regional

Water Quality Control Board, and the city or county in which the work is to be performed, whenever any of these may be required. This permit does not relieve the permittee of any obligations imposed by State or Federal law, either statutory or otherwise.

- F. **Built Project must be Consistent with Application.** Work must be performed in the precise manner and at the precise locations indicated in your application, as such may have been modified by the terms of the permit and any plans approved in writing by or on behalf of the Commission.
- G. **Life of Authorization.** Unless otherwise provided in this permit, all the terms and conditions of this permit shall remain effective for so long as the permit remains in effect or for so long as any use or construction authorized by this permit exists, whichever is longer.
- H. **Commission Jurisdiction.** Any area subject to the jurisdiction of the San Francisco Bay Conservation and Development Commission under either the McAteer-Petris Act or the Suisun Marsh Preservation Act at the time the permit is granted or thereafter shall remain subject to that jurisdiction notwithstanding the placement of any fill or the implementation of any substantial change in use authorized by this permit. Any area not subject to the jurisdiction of the San Francisco Bay Conservation and Development Commission that becomes, as a result of any work or project authorized in this permit, subject to tidal action shall become subject to the Commission's "bay" jurisdiction.
- I. **Changes to the Commission's Jurisdiction as a Result of Natural Processes.** This permit reflects the location of the shoreline of San Francisco Bay when the permit was issued. Over time, erosion, avulsion, accretion, subsidence, relative sea level change, and other factors may change the location of the shoreline, which may, in turn, change the extent of the Commission's regulatory jurisdiction. Therefore, the issuance of this permit does not guarantee that the Commission's jurisdiction will not change in the future.
- J. **Violation of Permit May Lead to Permit Revocation.** Except as otherwise noted, violation of any of the terms of this permit shall be grounds for revocation. The Commission may revoke any permit for such violation after a public hearing held on reasonable notice to the permittee or their assignees if the permit has been effectively assigned. If the permit is revoked, the Commission may determine, if it deems appropriate, that all or part of any fill or structure placed pursuant to this permit shall be removed by the permittee or their assignees if the permit has been assigned.
- K. **Should Permit Conditions Be Found to be Illegal or Unenforceable.** Unless the Commission directs otherwise, this permit shall become null and void if any term, standard condition, or special condition of this permit shall be found illegal or unenforceable through the application of statute, administrative ruling, or court determination. If this permit becomes null and void, any fill or structures placed in

reliance on this permit shall be subject to removal by the permittee or their assignees if the permit has been assigned to the extent that the Commission determines that such removal is appropriate. Any uses authorized shall be terminated to the extent that the Commission determines that such uses should be terminated.

- L. **Permission to Conduct Site Visit.** The permittee shall grant permission to any member of the Commission's staff to conduct a site visit at the subject property during and after construction to verify that the project is being and has been constructed in compliance with the authorization and conditions contained herein. Site visits may occur during business hours without prior notice and after business hours with 24-hour notice.
- M. **Abandonment.** If, at any time, the Commission determines that the improvements in the Bay authorized herein have been abandoned for a period of two years or more, or have deteriorated to the point that public health, safety or welfare is adversely affected, the Commission may require that the improvements be removed by the permittee, its assignees or successors in interest, or by the owner of the improvements, within 60 days or such other reasonable time as the Commission may direct.
- N. **Best Management Practices**
  - 1. **Debris Removal.** All construction debris shall be removed to an authorized location outside the jurisdiction of the Commission. In the event that any such material is placed in any area within the Commission's jurisdiction, the permittee, its assigns, or successors in interest, or the owner of the improvements, shall remove such material, at their expense, within ten days after they have been notified by the Executive Director of such placement.
  - 2. **Construction Operations.** All construction operations shall be performed to prevent construction materials from falling, washing or blowing into the Bay. In the event that such material escapes or is placed in an area subject to tidal action of the Bay, the permittee shall immediately retrieve and remove such material at its expense.
- O. **In-Kind Repairs and Maintenance.** Any in-kind repair and maintenance work authorized herein shall not result in an enlargement of the authorized structural footprint and shall only involve construction materials approved for use in San Francisco Bay. Work shall occur during periods designated to avoid impacts to fish and wildlife. The permittee shall contact Commission staff to confirm current restricted periods for construction.
- P. **Certification of Contractor Review.** Prior to commencing any grading, demolition, or construction, the general contractor or contractors in charge of that portion of the work shall submit written certification that s/he has reviewed and understands the requirements of the permit and the final BCDC-approved plans, particularly as they pertain to any public access or open space required herein, or environmentally sensitive areas.

# Dogpatch Paddle

---

## Sub-Tenant

Dogpatch Paddle will sub-lease 2,289 square feet for the activities set out below.

## Operations Plan: Building 49

### Introduction

Dogpatch Paddle was selected as the primary commercial operator of watersports activities in Building 49 in Crane Cove Park. In January of 2021 we began operations within the park, safely and successfully supporting clients seeking paddle boarding and kayaking rentals, lessons, tours, classes, youth programs, storage and private events. We opened our retail location at 560 18th Street, about ½ block from the park itself, in April of 2021 to coincide with our first youth camps. That spring and summer we welcomed 289 campers to our youth camps, including a dozen scholarship participants.

In June of 2022 we began our second season with a temporary lease for storage in Building 49 (while still maintaining our primary location at 560 18th Street). This season we safely welcomed 349 campers, with additional scholarships, and continued to grow our other service offerings. Moreover, we learned a great deal about smooth operations within the park. As we prepare to occupy Building 49 permanently, we have developed, and refined, an optimal operations plan.

### Facilities

The operations plan is split into two categories, facilities, and services. Facilities identifies the physical locations for Dogpatch Paddle’s operations. Services & Products discusses specific utilization of the facilities relative to the business offerings.

### Building 49

Dogpatch Paddle will occupy approximately 2,289 square feet of space within Building 49. Within that space, it will be subdivided into zones for operational purposes as follows:

- A. Rental “Shack”
  - a. Location: the area in the northeast corner of the building, delineated by the annex protrusion from the main building. A roll-up door will be located on the southeast section of the annex to provide access for larger equipment to be transferred in and out of the building on an as-needed basis.
  - b. Uses: the rental shack will serve as the transaction point for service-related activities. A counter will welcome customers to check-in off the main entrance. Clients will obtain accessories such as life vests, wet suits, paddles, etc. Paddle boards and kayaks may either be secured at the rental shack or from the beach

(see below). There will be changing rooms and lockers located inside the rental shack for customers to prepare for their activities and to leave personal belongings.

- c. We propose marking a no-stopping hashed area along the East side of Building 49 to allow for safe transport of equipment from the building to the beach.

#### B. Retail Space

- a. Location: on the southeast corner of the building. The primary egress would be through the retail entrance from the plinth / porch on the east face. There will be a cash wrap / customer service counter floating in the center of the space, delineating the retail space from the indoor storage.
- b. Uses: retail displays of equipment, accessories, and sundry items. Additionally, convenience items such as picnic provisions, snacks, beverages, and other park necessities will be presented. All items will be transacted at the cash wrap.
- c. Due to the nature of seasonality, it may be necessary to adopt other product lines and services for solvency. Any additional products or services will be developed with family-friendly, recreational focus, not to conflict with any terms set forth within the sublease or operations plan.

#### C. Indoor Storage

- a. Location: all additional space will be dedicated to indoor storage of equipment. The exterior walls and demising wall with the YMCA will be outfitted with fixed racks, and the open space between permanent fixtures will house portable racks on casters. Customers will not be allowed in the storage area.
- b. Uses: This equipment will be used to service rentals, lessons, tours, classes, etc. and is referred to as our "fleet" or "quiver". Optimally, the fleet will sit on racks that are affixed to the building structure, for stability, and will stack double height to maximize space. The caster racks will be rolled in and out for situations where a bulk of equipment is required (camps, private events). Equipment is then off-loaded from the racks and they are returned to the shop.

### Beach Launch & Staging

Dogpatch Paddle, our customers, and the general public all require access to the beach in order to launch and return watercraft. Today and moving forward, any visitor to the park can utilize the breadth of the waterfront to launch their craft. Dogpatch Paddle plans to stage our watercraft in the least active areas of the beach launch, assessed on a daily basis, subject to the use of the entire community. All equipment will be returned to the shop at the end of the day.

## Services & Products

Within the framework of the facilities mentioned above, Dogpatch Paddle has developed a robust operations plan for each of our business segments. These plans reflect two seasons of on-site experience.

### Rentals & Memberships

- All rentals are booked online, whether with advanced reservations or walk-in. No cash is accepted on-site and liabilities waivers are automatically signed before any transaction is completed.
- The standard rental is 2 hours. We also offer 1, 3, 4 hour options, and full day rentals.
- First-time paddle boarders and kayakers are not allowed to rent without an experienced paddle companion or participating in a lesson.
- Check-in occurs at the check-in desk located on the outside of the rental shack with our shop staff.
- Clients can enter the rental shack to change their clothes and store personal belongings in our lockers.
- All clients are given life-vests and accessories.
- All clients must listen to a safety briefing every time they rent, which includes:
  - Explanation of current conditions and tidal flow
  - Detailed route explanation.
  - Safe use of the watercraft
  - Instructions of where to paddle and where to avoid hazards
  - Visual representations are posted in multiple locations (see attached maps and rules below).
  - Note on the map safety markings including strong tide areas and red “off limits” blocks like the Dry Dock.
- Clients will obtain and return their board or kayak either from the rental shack or at the staging area on the beach depending on the daily operations plan.
- Equipment will be washed off by our staff in the rental shack and returned to the racks

- Stay within 30 ft of the shoreline or a pier.
- NEVER paddle into open water.
- Use the shoreline and piers as shadows from wind and current.
- Always aim your nose to the middle of a pier - never aim past the end of a pier.
- Stop at edge every pier to observe the conditions before continuing beyond.
- Don't cross an open bay or cove unless you are certain the water is calm.
- Always plan your paddle to have the current at your back on your return.
- If it's windy, consider another day. If you do go, do not go far from Crane Cove.
- When paddling in wind, point your nose into the wind to avoid getting blown side to side.

### Lessons, Tours, Classes

The operations plan for lessons tours and classes is exactly the same as for rentals and memberships with the following additions:

- Lessons, Tours, and Classes are met by their instructors after check in with the staff.
- The first 15-30 minutes of any lesson will occur on the beach or grass before entering the water. Lessons will spend more time in the cove than other services.
- All lessons, tours, and classes are accompanied by an instructor.
  - For beginner paddle boarding, the ratio is 1:5
  - For intermediate+ paddle boarding and kayaking, the ratio is 1:8
  - For advanced paddlers, the ratio is 1:10
- The standard lesson, tour, or class is 90 minutes long.

## Youth Programs

Youth camps occur during holiday breaks (thanksgiving, christmas, new years, spring break) summer, and are typically 5-day programs from M-F (with exceptions for shorter breaks). During our youth programs, which we have run successfully for two years, without incident, we utilize minimal space within the park, on the beach, and in the water. We operate in great harmony with any and all users of the park and are incredibly sensitive to the resources we occupy and the equitable enjoyment for all in the park, as evidenced by our spotless record, 100% 5\* reviews, and standing in the community.

Below is the typical schedule for youth camp daily operations:

- 8:00am
  - Counselors set up camp (boards brought from indoor storage to staging area), check-in tent erected on porch.
- 8:45am
  - All-hands meeting under “Nick” Crane. Entire staff has a daily stand-up meeting.
- 9:00am
  - Parents drop off campers at the check-in tent. Parents are instructed to queue for drop off, turn around, no parking - or drop campers at the corner of 18th and Illinois for self check-in (we will have a counselor waiting there).
  - Campers go directly to the check-in tent.
  - Campers sent to pods with their counselor (of no more than 5 campers). Typically pods will spread out to some location in the park to play games, or talk with their campmates. The park benches, both grass areas, the beach, and the concrete sidewalks are all utilized to spread out and start the day.
  - Campers have “circle time” in their pods (games, stretching, check-in on today’s activities)
- 9:45-10:15am
  - Staggered launch from beach. Pods enter the water, 5 campers at-a-time, usually based upon skill (most advanced first).
  - 60-90 minute paddle. On Day 1 of camp, we teach new paddlers technique close to shore with tethers to keep them from drifting.
- 11:15-11:45am
  - Staggered return to the beach. Boards returned to the staging area.
  - Lunch is taken at pod locations or moved to picnic areas. If people are in the park, pods are moved to avoid.
  - Afternoon group activity. Typically the camp will move to the South lawn for a group game like capture-the-flag or a lecture. We also utilize the nearby basketball court and both lawns to create spacing and minimize impact.
- 12:45-1:15pm
  - Staggered launch from beach. Pods enter the water, 5 campers at-a-time, usually based upon skill (most advanced first).
  - 60-90 minute paddle. On Day 1 of camp, we teach new paddlers technique close to shore

- On windy days we may continue land games and avoid a second launch.
- Often we will bring out our floating platforms for kids to participate in water-based games, races, or simply play in the cove.
- 2:30pm
  - Staggered return to the beach. Boards returned to the staging area. Equipment washed and returned to storage.
  - Campers return to the check-in tent and clean up for the day.
- 3:00pm
  - Parents pick up at handoff, same location as drop off.
  - Counselors break down camp and return everything to storage. Every day we patrol the beach and grass to make certain nothing was left behind or disturbed.
- 3:30pm
  - Post-camp staff meeting.

### Private Events

Private events consist of corporate off-site, team building, or bonding events. Additionally, we host birthday parties, and other customized events for individuals, families, and community members. The standard private event is between 5 and 30 participants. We offer both paddle boarding and kayaking options or any combination of both.

Private events follow the same basic operation plans of our standard lessons, with the following additions:

- Typically private events will arrive in groups, so we have all of the equipment staged in advance.
- Private event participants must each complete a waiver in advance of the event.
- Catering may be coordinated for before or after the event through their own arrangements. We offer referrals to local vendors.
- Private event clients may request land games to supplement their on-water activities. We offer equipment for rent, including bocce, volleyball, spike ball, horseshoes, corn hole and other sports equipment.
- For all private events we are aware and sensitive to other users of the park. We typically will schedule these events in off-peak times to avoid congestion.
- No amplified music or obtrusive equipment is permitted.

### Storage

Currently Dogpatch Paddle offers indoor storage in our 560 18th Street location. Clients pay a monthly fee and leave their equipment on the racks in our shop. Before anyone registers for storage they are briefed on general safety, as we have no control over their use of the waterfront, but we seek to ensure they are well-informed.

Storage clients must check-in and out with our staff before obtaining their equipment, which limits them to our operating hours and forces them to wait until a staff member is free. Many clients appreciate the while glove service, but there are those that seek a hands-off option.

At Building 49 we seek to develop a self-serve storage facility, as mentioned above. The cost would be lower than indoor storage. Customers would have a code for entry and would be responsible for their own gear and ensuring that all of the equipment stored collectively is safe.

### Retail Sales

The retail section of Dogpatch Paddle will be a flexible space with displays mostly on casters to allow for continual additions and revisions to the layout. Clients will enter from the retail entrance door, located on the porch that wraps around the southeast corner of Building 49.

The primary products that we currently offer and will continue to sell are:

- Paddle boards & Kayaks
- Accessories
- Apparel
- Sundry Items & Beach Supplies
- Snack Foods, Beverages, & Picnic Provisions

All items are available for purchase during business hours, which typically is 7 days a week, 9am - 5pm, but will adjust based upon volume and seasonality. We are flexible in the goods we carry and will offer any items that the community requests. We will work with our partners at Daily Driver to avoid any competition or overlap.

### Additional Products & Services

Due to the nature of seasonality, it may be necessary to adopt other product lines and services for solvency. Any additional products or services will be developed with family-friendly, recreational focus, not to conflict with any terms set forth within the sublease or operations plan.

## Environmental Considerations

### Environmental Mission

Inherent in Dogpatch Paddle's company mission is a commitment to sustainability and minimal environmental impact. We are committed to bringing awareness to every aspect of our business practice and reducing our impact on the environment.

### Water Usage

We attempt to use minimal water in our daily business operations. The only time we utilize fresh water is at the end of the day to wash the salt water off our equipment. We never use chemicals or cleaning agents and would enjoy utilizing gray water created by the bioswales in the park whenever possible. Our water runoff can also return to the bioswales and gray water catchments with confidence there is no degradation to water purity other than salt and sand.

## Recycling and Compost

We implement best practices in our daily operations for recycling and composting waste materials to minimize our footprint on the environment.

## Bay Ecosystem

As stewards of the waterfront, Dogpatch Paddle has led the initiative to keep the San Francisco Bay free of trash and debris. In our daily operations we have hauled countless items of plastic and other trash from the waters to appropriate trash and recycling receptacles. We also support Bay cleanup initiatives and will continue to encourage all paddlers to keep the Bay clean.

## Safety Plan

### Daily Practices

Every paddler that interacts with Dogpatch Paddle is given a detailed briefing on how to paddle safely on the potentially dangerous waters of the Bay

### Communication

Our clients are recommended to bring their cell phone when on the water (waterproof pouches are provided at no charge). In the event of an emergency, clients can contact Dogpatch Paddle or the Coast Guard Directly (the coast guard will always prefer to speak with the client to discern their location and status).

Additionally, all of Dogpatch Paddle's staff of instructors and counselors are equipped with Relay satellite radios with GPS trackers to communicate with home base. There is never a time our staff are out of touch on and off the water.

### Staffing Requirements

Every water-touching staff member of Dogpatch Paddle is required to have First Aid / CPR / AED certification. All managers are also required to have lifeguard certification. Every paddle instructor and counselor must complete a comprehensive training program before the start of a season and serve as an intern before guiding any group on the water.

### Emergency Response

Despite our greatest efforts there are instances where paddlers do not adhere to the rules and guidelines we provide (if they did, there would be no incidents, as our procedures remove all potential risks and dangers). We acknowledge that people will occasionally disregard our efforts and our goal is to eliminate these situations by recognizing red flags and triggers in their interactions with our staff.

In the incredibly rare situations where paddlers find themselves unable to control their craft and subject to the conditions of wind and tide, we have established a relationship with the San

Francisco Fire Department and the local US Coast Guard offices to provide support. Their rapid response is 100% effective in returning paddlers to safety.

<p><b><i>Project Mitigation 2: Traffic Signal Installation (Mitigation Measure E-1 in the Eastern Neighborhoods PEIR)</i></b></p> <p>To mitigate the 2025 No Project traffic impacts, a To mitigate the significant cumulative traffic impact at the intersection of 20th and Illinois Streets, an upgraded traffic signal would need to be installed at this intersection. With this new signal, the average vehicle delay would decrease, and the intersection would operate at LOS F during the weekday PM peak hour and LOS D during the weekday MID peak hour. The LOS F condition is due to a number of proposed developments in the immediate vicinity of this intersection, most noticeably at Pier 70, that would contribute to growth in future traffic volumes and increased delays. Installation of a traffic signal at the intersection of 20th and Illinois Streets could be linked to these and other proposed development projects.</p> <p>The project sponsor shall pay their fair share contribution to mitigate the significant cumulative traffic impact at the intersection of 20th and Illinois Streets. <p><b><i>Project Improvement Measure 1: Monitoring and Abatement of Queues</i></b></p> <p>It shall be the responsibility of the owner/operator of any off-street parking facility with more than 20 parking spaces (excluding loading and car-share spaces) to ensure that recurring vehicle queues do not occur on the public right-of-way. A vehicle queue is defined as one or more vehicles (destined to the parking facility) blocking any portion of any public street, alley or sidewalk for a consecutive period of three minutes or longer on a daily or weekly basis.</p> <p>If a recurring queue occurs, the owner/operator of the parking facility shall employ abatement methods as needed to abate the queue. Appropriate abatement methods will vary depending on the characteristics and causes of the recurring queue, as well as the characteristics of the parking facility, the street(s) to which the facility connects, and the associated land uses (if applicable).</p> <p>Suggested abatement methods include but are not limited to the following:</p>	Project Sponsor; Owner or Operator of the parking facility	Ongoing during parking operations	Port of San Francisco	Ongoing during parking operations

Upon request, the owner/operator shall hire a qualified transportation consultant to evaluate the conditions at the site for no less than seven days. The consultant shall prepare a monitoring report to be submitted to the Department for review. If the Department determines that a recurring queue does exist, the facility owner/operator shall have 90 days from the date of the written determination to abate the queue.</p>				
<p><b><i>Project Improvement Measure 2: Installation of Traffic Calming Devices at Parking Lot Exiting Lane</i></b></p> <p>It shall be the responsibility of the owner/operator to install appropriate traffic calming devices (e.g., speed bump, rumble strips, "slow speed" signage, etc.) at the exiting travel lane along the garage driveway to reduce vehicle speeds of exiting vehicles traveling out of the parking lot and to further reduce and/or eliminate potential vehicle-pedestrian conflicts.</p>	Project sponsor; Owner or Operator of the parking facility	Design measures to be incorporated into project design; prior to issuance of a building permit. Truck lengths exceeding 40 feet shall be prohibited from entering the loading zone and shall utilize other on-street parking spaces, if available. The Project Sponsor shall notify Port of San Francisco staff, and café tenants of imposed truck size limits in the proposed freight loading area.</p> <p>In the event freight/delivery vehicles exceed the 40-foot length and are in need to occupy the recommended the on-street loading space (see improvement measure above), appropriate traffic control measures shall be enforced to avoid and/or eliminate any conflicts with moving vehicles or other users along Illinois Street or sidewalk areas adjacent to the project site. **SUMMARY OF SECRETARY OF THE INTERIOR'S STANDARDS**  
**FOR THE TREATMENT OF HISTORIC PROPERTIES**

1. A property will be used as it was historically or be given a new use that requires minimal change to its distinctive materials, features, spaces, and spatial relationships.

2. The historic character of a property will be retained and preserved. The removal of distinctive materials or alteration of features, spaces, and spatial relationships that characterize a property will be avoided.

3. Each property will be recognized as a physical record of its time, place, and use. Changes that create a false sense of historical development, such as adding conjectural features or elements from other historic properties, will not be undertaken.

4. Changes to a property that have acquired historic significance in their own right will be retained and preserved.

5. Distinctive materials, features, finishes, and construction techniques or examples of craftsmanship that characterize a property will be preserved.

6. Deteriorated historic features will be repaired rather than replaced. Where the severity of deterioration requires replacement of a distinctive feature, the new feature will match the old in design, color, texture, and, where possible, materials. Replacement of missing features will be substantiated by documentary and physical evidence.

7. Chemical or physical treatments, if appropriate, will be undertaken using the gentlest means possible. Treatments that cause damage to historic materials will not be used.

8. Archeological resources will be protected and preserved in place. If such resources must be disturbed, mitigation measures will be undertaken.

9. New additions, exterior alterations, or related new construction will not destroy historic materials, features, and spatial relationships that characterize the property. The new work shall be differentiated from the old and will be compatible with the historic materials, features, size, scale and proportion, and massing to protect the integrity of the property and its environment.

10. New additions and adjacent or related new construction will be undertaken in such a manner that, if removed in the future, the essential form and integrity of the historic property and its environment would be unimpaired.

## Exhibit L – YMCA of San Francisco DEI Plan

**Mission and Vision:** The mission of the YMCA of San Francisco (“the Y”) is to build healthy, equitable and sustainable communities for all generations. We are guided by our vision of building strong communities, where you can be, belong, and become.

In fulfilling our mission and vision, the Y aims to:

- Champion an accessible, connected, resilient, and just Bay Area
- Enhance individual, staff, family and community health and well-being
- Open pathways to social and economic mobility
- Expand opportunities at all ages and life stages
- Advance a safe, collaborative, and sustainable future

**Our Cause to Advance Equity for All:** The Y is made up of people from all walks of life working side by side to strengthen communities. Through a focus on youth development, healthy living and social responsibility, the Y is committed to advancing equity for all so that everyone—regardless of who they are or where they come from—has an opportunity to reach their full potential and live life to its fullest.

**Operationalizing DEI/EAR:** The Y has prioritized Diversity, Equity and Inclusion (“DEI”) consistently for over a decade. Through engagement of a consultant in late 2020, the Y has developed – together with its board and community – an Equity and Anti-Racism (“EAR”) Strategy with eight areas of focus: 1) Organizational Strategy & Impact Measurement; 2) Board Engagement, Development & Governance; 3) HR/Employee Engagement, Supervision & Development; 4) Financial Strategy, Budgeting and Management; 5) Fund Development and Fundraising; 6) Communications, Marketing and Branding; 7) Facilities, Technology and Operations; 8) Programs, Services, and Community Engagement. This EAR Strategy is a foundation of our ‘2030 Vision’ strategic and operational plan, which will be implemented beginning in January 2023 across all areas of the Ys programs, services and operations. The Y’s DEI/EAR work is guided by a standing committee of the Y’s board and a dedicated and cross-hierarchical staff team. The Y also is a member of the YMCA of the USA DIG (diversity, inclusion and global) Innovation Network, a group of Ys from across the United States committed to pioneering DEI, innovation and global engagement best practices.

**Hiring Practices:** Y staff and volunteers thrive in a culturally diverse and vibrant work community. The Y values all individuals and families and is inclusive and welcoming to all races, religions, ethnicities, abilities, sexual orientations, gender identities or gender expressions. Many of our staff and volunteers are members of the communities we serve and are integral to ensuring that the Y remains a vital resource to our diverse members.

Equal Employment Opportunity- The Y is an equal opportunity employer. It is Y policy that applicants will be selected for employment solely on the basis of their qualifications for a given position and without regard to race, color, ancestry, religious creed, national origin, gender, sexual orientation, gender identity and gender expression (including transgender individuals who are transitioning, have transitioned, or are perceived to be transitioning to the gender with which they identify), sex, pregnancy, childbirth and related medical conditions, marital status, domestic partnership status, veteran status, age (40 and above), physical disability (including HIV/AIDS), mental disability, medical condition, genetic characteristics, information or testing or any other consideration made unlawful by federal, state or local laws. The Y also does not discriminate based on the perception that a person has any of these characteristics. We comply with the Genetic Information Nondiscrimination Act (GINA).

To comply with applicable laws ensuring equal employment opportunities to a qualified individual with a disability, the Y will make reasonable accommodations for the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or an employee, unless undue hardship and/or a direct threat to the health and/or safety of the individual or others would result.

**Membership for All:** Y membership is open to all, regardless of ability to pay, due to a sliding scale of membership fees.

With 14 branches in San Francisco, Marin, and San Mateo counties, as well as more than a hundred program sites in these three counties, the Y looks to attract a diversity of citywide and regional users. Our “membership for all” model allows access to all Y facilities, regardless of the ‘home branch’. Crane Cove members therefore will have access to a myriad of health and wellness opportunities in all our Y facilities, including six pools. In addition, because of the Nationwide Membership program, members may visit any participating YMCA in the United States and Puerto Rico, at no additional cost.

**Diverse Uses and People:** The Y serves over 30,000 households each year through our wellness offerings. Thirty-five percent of our members receive financial assistance or subsidy for their gym membership. The Y partners with corporations, government agencies, and health providers to ensure that everyone can meet their wellness goals. The YMCA is committed to providing access to critical health and wellness programs for all.

The Y’s programming reflects the needs of our communities. This is a fundamental precept of our organization. In addition to traditional gym offerings, the Y provides workshops, behavioral coaching, and other health-based programs to ensure members meet their wellness goals. Most of these programs are free to members. The Y also leverages its reach through free services such as Diabetes Prevention classes, walking groups, and Zumba classes, as well as active older adult wellness classes.

The Y's Wellness Center at Building 49 is expected to be an anchor for youth and community programming. Young people from across the City will have the opportunity to recreate on the waterfront, while also being immersed in a creative and responsible environmental education curriculum.

With Building 49, we see an opportunity to build on our mission to provide equitable water safety training by furthering our reach into water sports through a subtenant relationship with Dogpatch Paddle. Crane Cove is the perfect water safety training venue for water sports such as stand-up paddle boarding and kayaking, yet without the support of organizations like the Y, we are unlikely to see people of color participating in these sports. The Y's participation will create a more inclusive environment and broader representation. By taking the broad view of water safety education related to other water sports participation, our combination can introduce these exciting activities to a much wider audience.

**Maritime:** By having our subtenant Dogpatch Paddle operating as a water sports provider from Building 49, we are opening new opportunities for water sports access to under-resourced communities as well as providing a diverse complement of fitness and recreation activities for a holistic offering on and off the water. Adding human-powered watercraft along the waterfront has brought new life to the Bay. Since Crane Cove Park opened, Dogpatch Paddle has become the de-facto water sports operator for a community seeking safe and healthy outdoor activities. By leveraging the reach of the Y with the on-water resources of Dogpatch Paddle, we will facilitate opportunities for under-resourced communities to enjoy Crane Cove Park and the Southern/Central Waterfront, from the water.

**Parks and Open Space:** Our contribution to Crane Cove Park will activate and enliven the experience of visitors, completing the original vision of the Port. The programming available from our combination with subtenants providing services, including concessions and fitness, is poised to bring community benefits to life on the Cove.

Because of the size and presence of Building 49 in Crane Cove Park, we believe it will be beneficial to utilize its prominence for educational purposes regarding history, marine biology, and the human impact on climate. These elements will be factored into our core design principles and will be a consistent thread throughout the publicly accessible areas of the site that are within our service area. Specifically:

1. **Placards and Kiosks:** Consistent with the Port's efforts in Crane Cove Park we will continue to offer educational materials at the site. In addition to the placards that exist on the south exterior, we will add further displays around the perimeter of the building, including the entryways, that will prominently feature the crane gantry.

2. Interactive exhibits: Reminiscent of the Exploratorium, we intend to create some simple, low-maintenance, self-sustaining outdoor exhibits to illustrate environmental concepts related to use and enjoyment of the Bay through water sports.

## SCHEDULE 1

### FEMA-National Flood Insurance Program Disclosure Notice

As part of the National Flood Insurance Program (“NFIP”), Federal Emergency Management Agency (“FEMA”) issued the final flood insurance rate maps (“FIRMs”) for City and County of San Francisco on September 23rd, 2020, concluding a process that had been going on for more than a decade. This is the first time FEMA mapped flood risks for the City and County of San Francisco. FIRMs were later adopted by the Board of Supervisors through Ordinance 226-20 (“Floodplain Management Program Ordinance”) and became effective on March 23, 2021.

Based on detailed studies of coastal flood hazards associated with San Francisco Bay and the Pacific Ocean, the final FIRMs designate portions of the City and County of San Francisco (“City”), including portions of the waterfront, Mission Bay, Islais Creek, Bayview Hunters Point, Hunters Point Shipyard, Candlestick Point, Treasure Island, San Francisco International Airport, and Ocean Beach, in coastal flood hazard areas. Referred to as “Special Flood Hazard Areas” (“SFHAs”), these areas are subject to inundation during a flood having a 1 percent chance of occurrence in any given year. They are shown as zones beginning with the letter “A” or “V” on the FIRMs. Port’s structures over water, including piers and wharfs, are designated as Zone D (area of undetermined flood hazard). Zone D areas are not subject to Building Code and NFIP regulation. Historic structures are also exempted from compliance under the NFIP.

Additionally, the San Francisco Public Utilities Commission (“SFPUC”) has prepared the 100-Year Storm Flood Risk Map to show areas where flooding is highly likely to occur on City streets during a 100-year rain storm. More information about this map, including a searchable web map, is available at <https://sfplanninggis.org/floodmap/>. The SFPUC 100-Year Storm Flood Risk Map only shows flood risk from storm runoff and, floodproofing measures are not required at this time.

The SFPUC map does not consider flood risk in San Francisco from other causes, such as inundation from the San Francisco Bay or the Pacific Ocean, which are shown on the FIRMs that FEMA has prepared for San Francisco. Conversely, the FIRMs do not show flooding from storm runoff in San Francisco, because our historical creeks and other inland waterbodies have been built over and are no longer open waterways. In most areas, the flood hazards identified by SFPUC and FEMA are separate. There are a few areas, however, near the shoreline where SFPUC’s Flood Risk Zones overlap with the FEMA-designated floodplains.

The FIRM provides flood risk information for flood insurance and floodplain management purposes under the NFIP. The SFHAs, shown on the FIRM, may impact flood insurance requirements and rates, permitting, and building requirements for tenants and permit holders for property in designated SFHAs on the FIRM. Flood insurance is available through the NFIP and the private market. Flood insurance for Zone D areas is not available through NFIP. Pre-FIRM buildings of any type are not required to buy flood insurance. For more information on purchasing flood insurance, please contact your insurance agent.

City’s Floodplain Management Program ordinance is based on NFIP requirements. Under the ordinance, the Port and the City must regulate new construction and substantial improvements or repairs to structures in SFHAs to reduce the risk of flood damage. The requirements may include elevation or floodproofing of structures and attendant utilities.

**SCHEDULE 2 – Substructure Reports**

Geotechnical Study Report, Pier 70 Crane Cove Park & Building 49, 701 Illinois Street  
Prepared by AGS, January 2017

**SCHEDULE 3**

**ASBESTOS NOTIFICATION AND INFORMATION  
NOTICE TO EMPLOYEES,  
OWNERS, LESSEES, SUBLESSEES, AGENTS AND CONTRACTORS**

[Attachment on following page(s)]

**NOTICE TO EMPLOYEES,  
OWNERS, LESSEES, SUBLESSEES, AGENTS AND CONTRACTORS**

**ASBESTOS IN BUILDINGS**

**FOR PERIOD THROUGH: July 2020**

It is the responsibility of the master tenant to provide this notice to any subtenant within their leasehold.

In January of 1989, Assembly Bill 3713 was signed into law and added to the California Health and Safety Code. This bill provides for written notice to employees concerning specific matters related to working in a building with asbestos containing construction materials. It applies to building built before 1979 where the owner knows that the building contains asbestos-containing materials; it does not require that a building be surveyed to determine the presence of asbestos.

**WHAT IS ASBESTOS?**

Asbestos is a naturally occurring group of fibrous minerals which have been used extensively in public buildings, apartment buildings and homes. Asbestos was incorporated into pipe insulation, acoustic plaster, acoustic tile, duct and furnace insulation, floor tiles, textiles and hundreds of other building materials. In most City buildings, asbestos is located in insulation on piping systems, acoustic plaster on ceilings, acoustic ceiling tiles, vinyl asbestos floor tiles, and structural fireproofing. Asbestos may be found in soils as well, especially if soil is non-native or commingled with municipal waste (land fill).

**WHY IS ASBESTOS HAZARDOUS?**

Asbestos is a concern because of the potential health risks associated with breathing asbestos fibers. It is important for you to know that most people with asbestos-related diseases were asbestos workers before 1972. These workers were repeatedly exposed to high levels of asbestos each working day with little or no protection. Asbestos workers today are required to follow specific work practices and wear appropriate protection to minimize exposure.

Significant exposure to asbestos fibers can lead to asbestosis and certain forms of cancer. Asbestosis is one of the many dust-related lung diseases. It is associated with chronic exposure to relatively high levels of asbestos and is characterized by the permanent deposition of asbestos fibers in the respiratory tract. The earliest and most prominent clinical finding, breathlessness upon exertion, rarely becomes apparent until at least a decade of exposure.

In addition to asbestosis, the association of asbestos and lung cancer has been well established over the past two decades. Scientists have studied insulation and shipyard workers who were exposed to HIGH AIRBORNE LEVELS of asbestos. These studies indicated that asbestos workers were about five times as likely to get lung cancer as non-asbestos workers who did not smoke. Asbestos workers who also smoke were found to be at much greater risk (about 50 times) of dying of lung cancer than non-smoking non-asbestos workers. Mesothelioma, a rare form of cancer of the chest or abdominal cavity, occurs among occupational groups exposed to certain types of asbestos.

**ASBESTOS SAMPLING RESULTS**

A variety of exposure standards and health action levels have been established for various purposes:

The Occupational Safety and Health Administration (OSHA) asbestos standards (Title 29 of the Code of Federal Regulations), which apply to employees who actually work with asbestos, mandate a permissible exposure limit (PEL) of 0.1 fibers per cubic centimeter of air (f/cc) determined as an 8 hour time weighted average (TWA) and an excursion limit of 1 f/cc as a 30 minute TWA. When employees are exposed at these levels, OSHA and Cal/OSHA (Title 8 of the California Code of Regulations) require medical monitoring and other control methods.

The Environmental Protection Agency (EPA) has recommended a "clearance level" for asbestos of 0.01 f/cc, as measured by phase contrast microscopy (PCM). If measured by the transmission electron microscopy (TEM) method described in 40 CFR Part 763, the Asbestos Hazard Emergency Response Act (AHERA), the clearance level is either 0.02 structure/cc or 70 structures per square millimeter of filter (s/mm<sup>2</sup>). This means that once an operation involving asbestos (such as removal) is complete, the area is "safe" for re-occupancy as long as the asbestos air concentrations are less than or equal to the "clearance level". These same levels have also been adopted in the California Education Code (Section 494200.7) as the school abatement clearance level.

The state of California has an additional requirement relating to disclosure of the presence of asbestos. Proposition 65, which as voted into law by the state citizens, basically requires posting of area where anyone is exposed to a carcinogen at a level where there is a significant risk of cancer. The California Health and Welfare Agency has established this level at 100 fibers of asbestos per day.

### **GENERAL PROCEDURES AND HANDLING RESTRICTIONS**

As you can see, the concern is with asbestos fibers in the air. When asbestos materials are in good condition, it is unlikely that fibers will be released into the air, unless the asbestos materials are damaged or disturbed. Asbestos-containing materials must not be disturbed so that fibers do not get into the air. Do not cut into, drill into, nail, or pin anything onto, sand, move bump, rub against or otherwise disturb any asbestos containing materials. If you should discover any damaged asbestos-containing material, do not touch it; do not attempt to clean it up. Contact your supervisor or property manager immediately and report the situation.

City employees required to enter areas and perform work activities that might involve the disturbance of asbestos materials have been trained in the proper procedures to minimize exposure. Work that requires major disturbances of asbestos materials (such as removal) is performed under specifications which include work practice procedures, removal techniques, clean up and clearance air sampling.

If any construction, maintenance, or remodeling is conducted in an area of the building where there is the potential for employees to come in contact with, or release or disturb asbestos containing building materials, it is required that the area be posted with a clear and conspicuous warning sign. The warning sign must read:

**"CAUTION. ASBESTOS  
CANCER AND LUNG DISEASE HAZARD  
DO NOT DISTURB WITHOUT PROPER TRAINING AND EQUIPMENT"**

Much of this information may be new to you. If you have questions about asbestos, you may call the Department of Public Health Bureau of Environmental Health Management at 252-3800.

This written announcement fulfills the asbestos notification requirement of Division 20, Chapter 10.4, Section 25915 of the California Health and Safety Code (Assembly Bill 3713).

### **SITE SPECIFIC INFORMATION**

At this time, the Port has not sampled for asbestos in your building. The following materials, if present in your building, are assumed to contain asbestos and should be treated as such:

Insulation on pipes and ducts; Fireproofing; Drywall and associated taping compound; Plaster; Texturing or acoustic materials on walls or ceilings; Stucco; ceiling tiles; floor tiles or sheet flooring; roofing; fire door core insulation; carpet, baseboard, flooring, and ceiling tile mastics; window glazing compound; ceramic tile grout and mastic. Asbestos may also be found in soil due to natural or man-made conditions.

These materials must not be drilled into, sanded, demolished or otherwise disturbed by unauthorized personnel. Prior to any renovation activities or other activities which may disturb asbestos, please contact your property manager.

The asbestos coordinator for this building is Tim Felton, who can be reached at 274-0582.
