SUMMARY OF FINDINGS
2012 Review of Applications
To Participate in Annual Combined Charities Fundraising Drive

SUMMARY OF METHODOLOGY AND FINDINGS

Our review consisted of an examination of the materials provided in File No. 120178 and telephone conversations with representatives from applicant organizations. We have been advised by Deputy City Attorney Cheryl Adams several years ago that telephone inquiries were appropriate to clarify information supplied by the applicants. This is the same method we have used in past years to prepare this report to the Board of Supervisors.

All six organizations that applied for participation in the 2012 Joint Fundraising Drive were in compliance with the criteria established by the Board of Supervisors as delineated in the Administrative Code Section 16.93-2.

CRITERIA

Following is a list of the criteria established by the Board of Supervisors and information as to how the applicants met each requirement. All agencies must satisfy subsections (a) through (e).

Criterion A: Be a federated agency representing ten (10) or more charitable organizations of which 50 percent shall represent organizations located in the counties of San Francisco, San Mateo, Santa Clara, Alameda, Contra Costa and Marin.

According to the City Attorney, "located in the counties" may be defined as having offices, fundraising or otherwise doing business in those counties:

1. Bay Area Black United Fund, Inc.

Bay Area Black United Fund, Inc. represents more than 50 agencies with 50 percent or more of the agencies located in the Bay Area counties.

2. Community Health Charities

Community Health Charities represents more than 40 charitable agencies with 50 percent or more of the agencies located in the Bay Area counties.

3. EarthShare of California (Environmental Federation of California)

Earth Share of California represents more than 75 agencies, with 50 percent or more of the agencies located in the Bay Area counties.

4. Global Impact

Global Impact represents more than 45 agencies of which 50 percent or more are located in the Bay Area counties.

5. Local Independent Charities (LIC)

Local Independent Charities represents over 250 agencies of which 50 percent or more are located in the Bay Area counties.

6. United Way of the Bay Area

United Way of the Bay Area represents over 270 agencies, of which 50 percent or more are located in the Bay Area counties.

Criterion B: The federated agency must certify to the Board of Supervisors that the Federal Internal Revenue Service has determined that contributions to all of the represented charitable organizations are tax deductible.

Each of the applicant organizations included a determination letter from the Internal Revenue Service indicating proof of their tax-deductible status.

Criterion C: The federated agency must have been in existence with 10 or more qualified charities for at least one year prior to the date of application and provide satisfactory evidence to that effect at the time of filing an application with the Board.

This criterion was met by all agencies.

Criterion D: The federated agency must submit its most recent certified audit at the time of filing an application with the Board.

The applicant agencies provided these documents, as detailed below:

1. Bay Area Black United Fund, Inc. submitted Audited Financial Statements for the years ending December 31, 2009 and 2010, with an Independent Auditors' Report by Grant & Smith, LLP, dated December 2, 2011.
2. Community Health Charities of California submitted Financial Statements dated June 30, 2011, and an Independent Auditors' Report by Stroub & Company, CPAs dated September 22, 2011.

3. EarthShare of California (Environmental Federation of California, Inc.) submitted Financial Statements for the years ending June 30, 2011 and 2010, with an Independent Auditors' Report by Bregante & Company, LLP, dated December 20, 2011.
4. Global Impact submitted Financial Statements and Supplemental Information for the years ended June 30, 2010 and 2009, with an Independent Auditors' Report by IBDO USA, LLP dated October 25, 2010.
5. Local Independent Charities submitted Financial Statements for the years ending April 30, 2010 and 2009, with an Independent Auditor's Report by Maze & Associates Accountancy Corporation, dated August 25, 2010.
6. United Way of the Bay Area submitted Financial Statements for years ending June 30, 2011 and 2010, with a Report of Independent Auditors by Moss Adams LLP, dated December, 2, 2011.

Criterion E: Agencies that wish to participate in the Annual Drive are required to submit applications to the Board of Supervisors that include all information that may be relevant to the criteria listed in the Section.

All applicants provided documentation in their letters of application to the Board of Supervisors or confirmed by telephone that they are in compliance with the requirements of Section 16.93-2. This constitutes "certification."

Therefore, all applicants were in compliance with Criterion E.
