Re: Urban Life, Inc. dba Neck of the Wood
Original California ABC Liquor License Transfer- Type 90 Music Venue License
406 Clement Street, San Francisco, CA 94118
Public Convenience and Necessity Determination Request
ABC Type-90 —Music Venue General License.
Conversion of Type 48 ABC license to new Type-90 Music Venue

Dear Ms. Cavillo:

This office represents Urban Life, Inc. dba Neck of the Wood. My client has applied to the California Department of Alcoholic Beverage Control (ABC) for an original Type-90. Music Venue license. Urban Life, Inc currently operates a Type-48 On-Sale General Public Premises license at this location.

There are surrounding residences within 100 feet of this proposed new music venue license. Our location has been a bar, music venue and lounge since at least 1982 ,and has served the community well for many years. This request is to allow Urban Life, Inc. to place a new Type-90 license on their venue and sell their current ABC to fund needed upgrades on the premises.

The area is properly zoned [NCD-Inner Clement] for this type of license. We do not see any problems with the San Francisco Police Department approving this new ABC license, with conditions. We have the support for this application from many of our neighbors, and are open to the imposition of conditions, if necessary, to this license. We have the support of this application, also, from many of our Clement Street neighbors.

Neck of the Woods is locally-owned, and thus revenue and taxes from the business will stay in the community. This new license after we remodel the premise will allow Neck of the Woods to remain open and viable, will sustain the pedestrian traffic to other businesses in the neighborhood, and keep more “eyes on the street” and make the neighborhood safer after 10 PM. Like many small businesses in San Francisco, the COVID-19 shutdown was devastating to their business.

There have been no noise complaints and minimal police issues since the business opened 15 years ago. My client will continue with the new business model to be respectful to the neighborhood and to its customers. Neck of the Woods is committed to providing an excellent experience for their customers and will strive to make its Inner Richmond area safer and pedestrian friendly. Foremost, they will be Good Neighbors.

Neck of the Woods store will continue to give back to the community. Urban Life group owns several entertainment venues and consistently offers their spaces at no cost to community groups. There programs which have raised over \$500,000.00 to non-profits and charities since 2009.

For the reasons outlined above, applicant Urban Life, Inc dba Neck of the Woods respectfully requests that this letter be forwarded to the Public Safety & Neighborhood Services Committee of the Board and that this Committee and the full Board of Supervisors make a determination under California Business and Professions Code Section 23958.4 that the public need or convenience would be served by allowing this Type-90 license of be transferred to 406 Clement Street, San Francisco, CA 94118.

Thank you for your consideration of this request.

Yours truly,

Mark E. Rennie
