RE: SUBJECT: YOUTH COMMISSION LEGISLATION REFERRED 05/13/25

At its in-person meeting on Monday, May 05, 2025 the Youth Commission discussed BOS File No. 250390:

1. The Youth Commission supports with a positive recommendation BOS File No. 250390.
2. The Youth Commission acknowledges that we must address the lack of support for immigrant families facing homelessness in San Francisco. Immigrant families deserve support in preventing them from being sent to sleep on the streets.
3. Youth facing homelessness are at a heightened risk for mental illness, physical health issues, substance abuse, and physical and sexual assault
4. It's important to support families that are immigrants due to the federal administration's policies against immigrant communities. Immigrant families face additional challenges to finding stability like language barriers and employment opportunities
