The Committee Members will meet to consider your appointment to the Graffiti Advisory Board.

There are no set instructions on what you are expected to tell the Rules Committee. However, a brief description of your qualifications, reasons for interest in the subject, or a short discussion of why you feel you would make a good candidate is appropriate.

Please respond before Tuesday, April 2, 2013, whether or not you will be able to attend this meeting.

Sincerely,

Board of Supervisors

1 Dr. Carlton B Goodlett Place, Room 244

Dear Board of Supervisors:

I have been actively involved with graffiti abatement since April of 1994. As Chairman of the non-profit Stop Urban Blight I am excited and proud that we have partnered with San Francisco's Graffiti Advisory Board and are playing a primary role in the planning and implementation of the 2013 Zero Graffiti International Conference.

Though I live in Fremont my wife and I have attended and participated in DPW Clean Team Events. We love visiting San Francisco and I would like to play an active role in the elimination of the cities graffiti vandalism. I am confident this can best be accomplished by serving on the Graffiti Advisory Board. You would not only be receiving input from me but all that our organization has to offer.

Sincerely,

To the San Francisco Board of Supervisors:

I am writing to you on behalf of the City and County of San Francisco's Graffiti Advisory Board to provide a recommendation for the appointment of Drew Linder for Seat 14 on the Graffiti Advisory Board. Mr. Linder is an active member of the San Francisco and Bay Area community in the area of beautification and anti-blight and he would be a valuable contributor. His appointment as the representative of business community on the board would help with the board's ability to carry out its mission.

The Graffiti Advisory Board, with Board of Supervisors' support, has had many successes in the past few years that can be built on as we strive to keep the City beautiful and graffiti-free. It is easier today to report graffiti and response times are shrinking. Graffiti on public property and large-scale, second level tags are virtually disappearing, and the City's ability to track graffiti and report vandalism-related statistics has greatly improved. Most notably, the Graffiti Advisory Board continually pushes to keep the topic of graffiti vandalism at the forefront of the public policy discussions.

Mr. Linder works in the business of cleaning up graffiti and also is the founder and chairman of the nonprofit group Stop Urban Blight. DPW is working in partnership with Stop Urban Blight to host the 2013 Zero Graffiti International Conference next January, which will be a call to action against graffiti and provide networking for those dedicated professionals seeking to end graffiti vandalism in their cities and neighborhoods around the world. Mr. Lindner would be an asset to the Graffiti Advisory Board. His experience and knowledge are a service to the City and I would like to recommend his appointment.

Sincerely,
