

Citation Escheatment¹

The SFMTA proposes to transfer funds—consisting of fines from overpaid or duplicate parking and transit violations—to the General Fund for the City & County of San Francisco. California state law requires the transfer of funds that have remained unclaimed for three or more years to the City’s General Fund.

Not a “project” pursuant to CEQA as defined in CEQA Guidelines Sections 15060(c) and 15378(b) because the action would not result in a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment.
