Dear Clerk Jalipa,

As a member of the Participatory Budgeting Community Review Committee, I am writing in support of the proposed ordinance reallocating \$400,000 from General City Responsibility and \$14,303 from the Department of Public Works to fund the winning D7 Participatory Budgeting projects.

These investments directly reflect community priorities identified through the Participatory Budgeting process, supporting accessibility, public safety, and neighborhood beautification.

I respectfully urge the Budget Committee's favorable consideration of this ordinance so these important projects can move forward.

Sincerely,
Tommy Laguana
