

### **FY 15 Grantees Funded Below Goal**

GFTA has a goal of providing funding based on the following approximate percent of the average of the last three completed fiscal year's budgets (income or expense, whichever is less) using the following guidelines:

- Organizations with budgets of under \$350,000: 15%.
- Budgets of more than \$350,000 but less than \$750,000: 10%.
- Budgets of more than \$750,000 but less than \$1,000,000: 8%.
- Budgets of more than \$1,000,000 but less than \$3 million: 6%.
- Budgets of more than \$3 million but less than \$10 million: 5%.
- Budgets of more than \$10 million but less than \$25 million: 2%
- Budgets of more than \$25 million, no set percentage; meaningful sustaining funds will be awarded.

Please note that the six largest budget organizations and the 25 grantees in the Annual Parades/Celebrations and Civic Events categories are not included in this list as they do not have identified funding targets.

In FY 15, GFTA funded 213 organizations.

Excluding the 31 grantees who do not have funding guidelines, 149 of the 182 arts grantees (82%) were funded below their goal.

Any FY 15 grantee that is not on the accompanying list is currently being funded at their goal percentage.
