RE: Recommendation of Conditional Approval
Lot Line Adjustment Application – Tentative Final Map No. 6945
Assessor's Block No. 4591C, Lots 049 to 067, inclusive
Final Map No. 4231, Lots 042 to 059, inclusive, and Lot O
Hunters Point Shipyard Redevelopment Project Area
Agency Planning Block No. 54

Dear Mr. Storrs:

Pursuant to the Hunters Point Shipyard Redevelopment Plan and the Phase 1 Design for Development guidelines, and also in reference to Final Map No. 4231, filed for record August 24, 2009, in Book CC of Survey Maps, at pages 165 to 175, inclusive, of Official Records (the "Final Map"), the Redevelopment Agency hereby recommends that the City conditionally approve the above-referenced Lot Line Adjustment application for Tentative Final Map No. 6945 (the "Tentative Map"), subject to the following listed concerns and conditions being addressed:

- 1) Please confirm that the Master Declaration of CC&Rs (referenced on Sheet 3, Notes, under #1.c., of the Final Map) do not have to be amended to acknowledge that these lot mergers will result in three (3) final lots.
- 2) The Tentative Map illustrates that existing Lot O (a private street 36.50 feet in width) will be narrowed to a width of 20.0 feet and re-designated as Lot A. There are three (3) easements located in Lot O that were dedicated to the public on the Final Map, namely:
 - a) an irrevocable, non-exclusive Emergency Vehicle Access Easement (EVAE);
 - b) an irrevocable, non-exclusive Public Service Easement (PSE); and,
 - c) an irrevocable, non-exclusive Public Access Easement (PAE).

Page 2

It appears that two (2) 8.25-ft. wide strips of land will be left over from the original Lot O. Since this land was dedicated to "the Public" on the Final Map, please advise if there will be a quitclaim deed from the City releasing these easement rights and recorded concurrently with the Tentative Map.

- 3) The Redevelopment Agency must review and "unconditionally" recommend approval of this Tentative Map prior to its being finalized and recorded in the public records.

Should you have any questions or comments, please do not hesitate to call either Thor Kaslofsky at (415)749-2464, or myself at (415) 749-2436.
